Několik politiků Deep State a členů administrativy zločineckého režimu se tak bojí zatčení americkou armádou, že ovládají Sheeple z dálky a v některých případech i ze zemí mimo Spojené státy, řekl White Hats Real Raw News.

Například: White Hat oddíl americké armády načrtl plány na zatčení zkorumpovaného generálního prokurátora režimu, Merricka Garlanda, okamžitě poté, co FBI zahájila bezostyšnou, nezákonnou razii na dům prezidenta Donalda J. Trumpa v Mar-a-Lago, který obsadil několik hodin se probíral ložnicí svého nejmladšího syna a šatníkem své ženy. Ale Garlanda se nepodařilo najít, navzdory rozsáhlé tajné operaci s cílem zjistit místo jeho pobytu. Nebyl ve Washingtonu ani na adrese svého Chevy Chase v Marylandu. Armáda tajně sledovala jeho dva prázdninové domy, jeden v Delaware a jeden na Rhode Islandu, ale našla je prázdné. Světla v domech se večer na dálku rozsvítila, aby to vypadalo, že domy jsou obsazené, a sousedé vybírali poštu z Garlandových schránek. Asi o týden později,

Garland po nájezdu podivně mlčel. Jeho první veřejné prohlášení, dvouminutové shrnutí, přišlo o pět dní později. Krátké lisování se konalo na zvukové scéně v Ottawě, doplněné o CGI press pool. White Hats věří, že Garland je pod ochranou kanadského premiéra Justina Trudeaua, a je pravděpodobně přehazován mezi rezidencemi pro případ, že by překročili hranici, aby ho chytili.

"Víme, že tam je, jen ne přesně kde," řekl RRN zdroj z kanceláře generála Davida H. Bergera. "Samozřejmě nechceme mezinárodní incident a máme důvod se domnívat, že podnikl krátké, velmi krátké výlety tam a zpět." Je to jen otázka času.“

Když se ho zeptali, jaké důkazy mají White Hats na Garlandovi, dodal: „Hory. Je vinen z velezrady.“

A Garland není jediným úředníkem, který hledal útočiště na cizí půdě.

Tentýž zdroj uvedl, že armáda marně pátrala po Bidenově psovodovi a ministru zahraničí Antony Blinkenovi, který navzdory zdání opaku ovládá ministerstvo zahraničí z bezpečného útočiště někde ve východní Evropě. Armáda ho v červnu málem zatkla, ale Blinken měl prostředky, aby unikl zajetí a utekl ze země.

„Jsme si téměř jisti, že [Blinken] nevkročil do USA od června. Víme jako fakt, že zůstal v Srbsku a Chorvatsku a pravděpodobně je stále v této blízkosti. Mohl by žít na Ukrajině. Tito lidé jsou zlí, hanební, ale ne hloupí. Mají neomezené zdroje, tedy hotovost, na úplatky nebo vydírání své cesty do bezpečí. Během Bushových let měla armáda balíček karet s obličejovými kartami teroristů, které chtěli zabít nebo chytit. No, máme svůj vlastní balíček a Blinken je naše Piková dáma, což znamená, že patří mezi tři nejlepší Bidenovy handlery.“

Odmítl jmenovat krále a pikové eso, protože, jak řekl, možná nevědí, že je armáda aktivně loví.

"Pokud si myslíme, že máme výhodu, musíme s tím zacházet jako s absolutní jistotou," řekl na závěr.

Free Speech a Alternative Media jsou pod útokem Deep State. Naposledy soudce a porota Deep State rozhodly, že Alex Jones musí zaplatit téměř 1 miliardu dolarů. Real Raw News potřebuje podporu čtenářů, aby přežily a prosperovaly. Děkuji těm, kteří pomohli.

The matter at hand is for the people to act upon. When we employers take the lead we were given at birth the current situation/insanity in DC will turn around completely.

Doll, the Pelosi's have never, ever, been truthful about anything at all. They are illegal drug distributors. The death penalty is coming for people like them. Trust me, they fled to their NZ house to avoid extradition. All other nations refused them sanctuary.

“Deep Staters Fleeing U.S. for Fear of Military Arrest” Huh???? What happened to all those “powerful friends”? Ooops.... maybe “powerless friends” instead?

Deepstater are fleeing the U.S....hmmm....why the hell are the borders, every one, not secured? Elementary is it not? What the hell is going on? Really? Are we to understand that these pedophiles/pedovoirs/predators are allowed to just get the hell out? To kill and pillage some more?....wtf?

Yep, it’s only a matter of time and then they hang for treason. They can run but they can’t hide. We will get them all.

Evidently all they have to do is walk across the Canadian boarder and they can retire.

Our military just said in this article that they don’t want to start an international incident.

Then they are all just a bunch of wimps aren’t they? Using excuses to sit on their thumbs and do nothing. This IS international. An imbecile can see that. Globalists are taking over and they don’t want to get international??? Ha!!!! Who gives them their mission statement? What is their I.Q.??Enquiring minds want to know.

I guess the question would have been better put like this: Who is our military working for? Who do they answer to at the very top? I should not have been so harsh in my words I don’t think....it would have been just better to ask the question. The burning question.

Israel welcomes pedophiles with open arms. Not only does the Talmud consider pedophilia, homosexuality, incest, bestiality, sex with demons kosher. It is an essential element for their sex magic rituals.

I was disturbed by that “international incident “ comment as well.
@military

You wouldn’t be starting an international incident, you’d be ENDING

it!!

They ARE running and they ARE hiding. They can lock down the country during covid but they can't lock down the country to catch the dirty rotten scum. And misery marches on.

That's precisely why Israel was created in 1948 – a “safe haven” for the mobsters when “the heat” gets turned up.

Yes, the God hating atheistic israeli state in occupied Palestine, created by the God-hating United Nations, not created by GOD Himself.

God CREATED and CHOSE Israel. They will be protected under the Abrahamic covenant. Scriptures say that those that BLESS Israel, God will bless. Those that CURSE Israel, God will curse! That DOES NOT MEAN that God will NOT deal with those who break the covenant. Many of them have NOT accepted the Messiah (Christ) and will still be judged, therefore, under the law, which NO ONE but Christ has been able to keep perfectly. Even though Israel was the apple of his eye, that doesn't mean that God will NOT deal harshly with them if discipline is necessary.

Until they accept Jesus Christ as the son of God, they won't see the face of God.

Jews don't believe in Jesus Christ

Messianic ones do,
by definition.

They are not liked and accepted
by many Israelis.
Outcasts.

The phrase Judaeo-Christian is a bunch of bullshit. Most Jews are taught to hate Christ, and that Christ boils in a pool of excrement in Hell. Jews are actually devil-worshippers. The Bible calls them the Synagogue of Satan for good reason.

That's Luciferian doctrine you're talking about, that's illuminism. That's the highest level of witchcraft,. Not all Jews are averse to receiving the Good News and receiving their Messiah who is come in the flesh. Many Jews every day are accepting Christ, it's not an impossibility. It's a real fact.

There is some event historically that the Jerusalem that they speak of and also the Hebrew ancestry is in Russia. This is a historical thing having g to do with war and the Khazarian mafia.

Let's just say then then that Israel was taken over by evil Ashkenazi Jews that were not related to the original Israelites or the Hebrew tribes. The Ashkenazi Jews were from Eastern Europe and were basically the same cloth as the Khazariaians and the Khazarian mafia. Because of their phony Jewishness, they secretly worship Ba'al and claim falsely that they are the chosen ones and that everyone else are Goyim, or equal to animals. In comparison, the Palestianians are much more closely related to the DNA of the original Israelites. Modern Israel is the enemy of mankind, especially because of Zionism, and their manipulation of governments.

These Khazarians are not even Russian in origin; they come from all the way back in Sumer, then travelled to Babylon, where the anti-Jewish, anti-Israeli, anti-God, anti-humanity, pro-Baal and anti-Torah persecution took place during their occupation.. then they traveled to Russia where they were told to convert and stop their heinous human sacrifice practices and murder and identity theft. they converted but refused to follow the ways of the Master, and they were kicked out,. They have never ever forgive Russia for that, and they have been usurping powers, infiltrating banks and governments and every profession known to man to take over the world while being owned by the Jesuits to ring in the Antichrist for the new world order. These false Jews are the ones belonging to the synagogue of Satan Jesus speaks of in Revelation. He HATES their ways. I love the Jewish people God created and will never hate Jewish people knowing God created the Jewish Nation, knowing that Jesus

Himself was a Jew. God specifically says in Genesis 12:3 He will bless those who bless Israel and curse those who curse Israel. I hate what the evil and depraved and Putin-hating and child-hating and Russia-hating Khazarians like Soros and Schwab and the Rothschilds have done to betray the world and betray the Jewish people, and what their non-Jewish puppets and Russia-hating, Putin-hating lackeys like Hillary and Obama and Prince Charles (Lizzie's own son), NoName have done to the world; but I do not hate Jewish believers who do NOT do these things and who truly follow the ways of the Lord.

Judah conquered Edom,
and were commanded to whack out all the Edomites,
including women and children.
Edomites were the offspring of Cain,
the serpent seed.

Judah decided instead to absorb the Edomites
into Judah, and forced circumcision on the Edomites,
like that was going to do any good.

This was a disaster.

The Edomite Jews corrupted the temple.
During the Babylonian captivity they
absorbed the Babylonian pagan religion,
now known as Talmud.

The modern day Khazars are closely related
to the Turks, who are believed to be the Edomites
of the Old Testament.

The modern Israelis appear to be the Khazar
Edomites. Not the original Hebrews.

God chose the LAND, not the people He scattered to the winds. Until they accept Jesus Christ as the son of God, they are not going to see the face of God.

Wrong. God chose His people the Jews (as well as the land they possessed), and they were (and still are) identified as His people through the sacrament of circumcision, as found in the OT in Genesis 17, Leviticus 12:3, Exodus 4:25, Joshu 5:3. Jesus Himself identified as a Jew because His physical parents Mary and Joseph brought Him in for His bris at eight days old in Luke 2:21. God's Word in the OT doesn't get sent to the trash heap just because the world now has a Saviour. History teaches us what is what.

Where do you ignorant people come from? Israel is not a G-D hating atheist State "occupied Palestine." It was given to Abraham, Isaac and Jacob. Was made an Israeli Nation by HIM. You profess to believe in G-D and are supposedly a "Christian" then you should know Biblically Sound Historical Scriptural History. Go read your Bible starting in the book of Genesis it tells you everything about the beginning of Our History and who gets what lands and borders so that you are not ignorant, stupid or dumb.

You do know Constantine and the Roman Vatican Church removed much of the original Bible too right???? There were more than 66 books. Infact some king aes versions have 80 to this day. These Satanic forces have been long at work to divide God's people for as long as the book of Genesis.

I'm sorry but don't attack the word of God, God said heaven and earth will pass away but my word will never pass away, He supernaturally protects His word, it's his essence. And the word was with God and the word was God. It was proven when the dead dead scrolls were discovered and verbatim the word of God has not changed in thousands of years. Praise God.!

Many of those “words of God” were written by humans, with the motives to capture and control people. Just because they say it is God’s word doesn’t mean that it’s the truth.

And that doesn’t also mean that it was written with human hands but the inspiration was by the Author Himself, God’s own Holy Spirit. Try messing with that and see how far that will take you.

Until they accept Jesus Christ as the son of God, they are disrespecting God, dash or no dash.

I read somewhere the word Israel is the new name of Jacob, one of the Jewish patriarchs; Israel means “a prince with God.” So the word Israel is beautiful name, and the children of Israel inherited that name, which is why they were and still are called Israelites.

I would be VERY CAREFUL about messing with the DECLARED apple of God’s eye. If you want to arrest deep state individuals and traitors that may be there, that is ONE THING, but thinking that you will attack Israel period—I would back THAT one up! You will bring a curse on yourself!

In the end Linda, I think you’ll be surprised when you find out the hard truth and will want to take your statement back. Mark my words...

Israel was created as a place for the ones the Nazis didn’t catch could go and rebuild.

The irony to your statement is that the Rothschild’s were instrumental in bringing the state of Israel about as a country.

I’m guessing “that you believe Israel, and Jerusalem are sanctuary cities for criminals?”

It’s the closest place that you can get – to God – To Jesus. To your own – self. I don’t wanna go there. I don’t wanna be anywhere – near myself.

It's God's promised land to the Hebrews descendents of Abraham Isaac and Jacob, the land flowing with milk and honey the promised land. Bc of God's love for Abraham and his faith towards God. It did not start after The Hitler nazis. No way.

The sand niggers occupied much of Israel and the Jews needed a True Flag event (gas chambers, SS, Gestapo, ovens) in order for obtaining world support for a Jewish state.

Sorta what x22 says about Zhou Biden: The people had to WAKE UP and this could only be done through seeing Biden's deep state tyranny and world corruption.

But most people believe Biden is a senile old fool being controlled by others, so they don't blame him. They won't wake up because of their sympathy for Biden.

It's much deeper than that. Hitler was working with the Rothschilds to start WWII for the City of London Central Banks to make money from both sides of the War. Hitler was related to the Rothschild's. Hitler faked his death, along with Eva Braun. They escaped to South America, and produced at least three kids, whom we know of today as Angela Merkel, Theresa May, and Obama's biological mother, Ann Dunham, Barack Obama is Hitler's Grandson. It's one big Khazarian Mafia/Nazi plot to take over and rule the World. It was a combination of Khazarian mafia fake-Jews, Nazi's, the Vatican, and the England Royal family and traitors in every country. Israel gives the Khazarian Mafia a middle-east foothold to eventually take over the entire middle-east including Saudi Arabia. Benjamin Netanyahu is a very high ranking member of the Khazarian mafia. The entire Israeli government is EVIL. The poor Palestinians have to suffer under these Khazarian mafia pukes running Israel. They even had the Samson Project, where nukes were placed throughout the world, threatening anyt country that dared to stop their Zionist take over

Hopefully, President Trump and the US military end all of this evil once and for all.

Those “KM Jews” are pure scum, in my humble opinion.

Impossible. Even if Hitler survived and escaped, he couldn't have had even one child with Eva Braun, let alone three, because he was wounded during WW1 and lost a testicle. Men need both testicles to produce children, Plus the fact that the servants at his vacation home did his laundry found no evidence he was having sex with Eva Braun or anyone else. Hitler was an evil, depraved archdemon who killed millions of Jews, Poles, dissidents, Roma, Slavs, homosexuals, Jehovah's Witnesses and anybody else who opposed his Third Reich. So no, he did not have kids.

Haavara Agreement, The NAZI's agreed to let Zionist German Jews essentially buy their way out of Germany. With the revenues the NAZI's collected, roads, schools, homes, developments were built in Palestine for the Zionist German Jews that left Germany under the Haavara Agreement. NAZI's allowed these Zionist Jews to emigrate to Palestine, these were NOT Jews that the NAZI's did not catch.

God is the One that Chose Israel, so I would be careful how I speak about Israel...God has BLINDED Israel, in part, to His ways and to the fact that Jesus is their Promised Messiah...I love Israel and Yes, She has many faults, as do all of the Nations of the world. However, if you dislike Israel that much you might want to give up all of your electronics and medical care...

Exactly right. Whatever you think of Israel, God has chosen them as his people and his covenant with them still stands. He said he would bless any nation that stands with Israel. I would be afraid to spew all this hatred at God's chosen people no matter what has happened in their lives. There are individuals who are not good people.....they will be punished by God.

You all do know up to the point Abraham none of God's people were Jewish right???? Read your 66 bookBible. .

Exactly, I fear God enough to trust that there will be a sifting in the end times were He will seperate the true believers, whether Israeli or gentiles, from the chaff aka non believers, he will do that bc he can, he is capable, but we should just be careful not to judge lest we be judged.

All the shit kikes have made in the world – especially scientists in the US and Israel – have been nothing short of miraculous! Kikes are creative!

There are a shit-ton more chinks than kikes in the world, yet the chinks haven't invented squat since the dynasties. The japs have built far more inventions than the chinks, and there are far fewer japs than chinks.

And there is also a huge population of spics – now more native Spanish speakers in the world than English speakers. What have they given to the world besides dog fights, cock fights, gang fights, violence, and gross, fattening food while they breed like cockroaches? Fucking Epsilons indeed!

My Popsicle truck is a “she,” too. So are most boats. The English language does have gender after all!

It is NOT Israel nor the actual Jews we are speaking of, it is the people that God named “the Synagogue of Satan”, the ones who call themselves jews, but are NOT Jews. They are what we know as the Khazarian Mafia, and they worship the EVIL one and sacrifice babies and children to it. They live among the Jews and have for a number of millennium, and they are the ones who created the “antisemite” as an insult term, they are NOT Semites, and they have killed off a huge proportion of the real Semitic Jews over those millennium, making themselves the majority. They are the ones who have enslaved the world under our noses, they are the WEF, the UN, NATO, the cabal,

the central bankers, the ones who imposed usury on the world, and they are also the ones behind the child sex trafficking rings, ALL of them! And finally they are the ones who've been plaguing mankind with disease, so we would be easier to control.

So it's only the Jews who create diseases, run paedophile rings, enslave the world under our big noses, and are the WEF, UN, NATO, and the cabal, central bankers.

Got it.

Yeah, we have a paedophilic, incestmongering bribe-talking, Chinese-co[mpulating. Rothschild posterior-kissing, Iran-buddying traitor over here, and the poor guys and gays in Ukraine have a drag-queen,, abortion-loving, NWO-loving, Azov/Banderite/NN Commander in Chief LGBTQ poster-boy over there.

And nobody who is so busy hating on Putin and Russia is taking the time to research and wonder why has Ukraine been under such violence and wartime attacks on its own people — not the Russians, their own freaking people — before Putin's special operation came in to denazify the place, take out the deep-state/NATO/FBI/CIA/EU/MI5/globalist biolabs making deadly plagues — which Hillary's assistant secretary of state Victoria Nuland knew about and communicated with Georffrey Pyatt about and plotted Ukrainian regime change with, and who also admitted the existence of — and taking out paedopophilia networks getting pad for trafficking children for sex with deep state traitors and also where Joe and Hunter's properties are located.

Now we know that both father and son Bidens are sexual offenders in the worst way, not excluding incestuous behaviour on their own family members.

If President Trump and President Putin continue to take strong action to stop the paedophiles and child sex traffickers and save even one kid, I have no beef with either of them. I will argue other points on them but not on this regarding saving the kids. WE ARE ALL FIGHTING THIS WAR, PHYSICALLY, MILITARILY AND

SPIRITUALLY, FOR OUR SONS AND DAUGHTERS AND LOCKING UP THE BAD GUYS AND THEIR CO-CONSPIRATORS.

But they say, “hate Trump,” “F*ck Putin” “hate Russia” and “hate the mean tweets”, right? No gas, no food, no jobs w/o jabs,, no baby formula, no medical/dental care w/o jabs, no oil, no money for people here who desperately need it because over \$60,000,000,000.00+ plus OUR TAXPAYER FUNDED weapons are being sent to Z-boy and his thugs on standing order while bypassing Congress, but he tweets nice, right? MAKES ME ANGRY SICK!!

That is not true. Israel was created because of G-D. Not because of Hitler or the Khazarian Mafia ie Balchovics fake JINO's. Read your Bible. It tells you starting in Genesis I believe chapter 10 who gets what lands and borders and then towards the end of Genesis HE speaks about Abraham and again who gets what Borders and lands. Quit blaming the real Jews for everything. BTW Ukraine was made a safe haven for the Nazi's and the Deep State. Why not talk about that?

Abraham was not considered Jewish....not once does it mention Abraham being Jewish nor Noah or Adam Judaism comes in later

He was not, but, God promised to make Him a nation, and that's where Hebrews come from, The children of Abraham Isaac and Jacob are the nation of Israel.

And that is what Biden had been doing with over \$60,000,000,000,000.00+ of our taxpayer dollars because he is conjugally kissing Zelensky's and Xi's and Natty Rothschild's posteriors, because he is compromised. if he refuses or stops doing so, it's game over for him. Hunter has interests in Ukraine, too; so he cannot oppose them, either.

America needs a Bidenectomy before this Stage IV Cancer destroys us all. I fear it's too late.

Perhaps Spike is actually a Russkie! In Russian, the translation for “Orthodox Jew” is “Real Jew” (настоящий еврей).

Hola, spike.

God did play land developer, assessor, and real estate agent for the kikes early on. You don't have to abbreviate God's name. We speak English here, not Mexican.

Like you, I don't see a difference between the “good” kikes and those “Khazarian Mafia” kikes. Kikes are kikes. Even those who go to Jewish churches staffed by lezbo “rabbis” in the Reform Judaism Movement. Ever see a chink bot-mitzvah? Or go to a fag synagogue? They exist in San FagSicko!

If you (White Hats) cannot arrest them, then KILL THEM, Yes, EXECUTE THEM, wherever they are , wherever they hide, EXECUTE THEM ON SITE. You have weaponized satellites , high altitude weaponized drones as well as other means, so EXECUTE these degenerate TRAITORS. As long as these degenerate lowlife no-good cock-suckers exist and roam the planet Earth, they pose an enormous THREAT to the UNITED STATES OF AMERICA, the REPUBLIC and the AMERICAN PEOPLE as well as ALL of planet EARTH'S HUMANITY AND OTHER LIFE FORMS AND CREATURES and FUCK their lawyers and attorneys they are CRIMINAL DEGENERATE LOWLIFES and CONSPIRATORS , EXECUTE THEM AS WELL , THEY GET THE SAME TREATMENT. FUCK'EM

All of us will vote in the midterms – Democrat, multiple times – even if we don't vote personally.

But using your methods of termination is too quick and they don't get to realize the huge fuckup that they have made with all of the sheeple's lives, that they have effected, that they have put upon the 99%.! It's more mannerly to put the fear of being hunted down, dead or alive for a 3 page treason rap sheet that will scare the holey-moley

bejabbers out of them, plus make them totally scared shitless, that they are being hunted down and that fear alone will drive them to maximum paranoia, plus soiled underlings, unheard of high blood pressure levels and then after they are subdued and taken as one way guests of Guantanamo Bay and placed in a 6' x 9' concrete block suite, they will have to sweat it out for the big judgement day, by high ranking military jurists. I believe it would be a much fitting exercise. This method of having the garbage of humanity meet their destiny would let these psycho's see all the crimes they've committed and destroyed lives for their own ego and greed.....oh the shame, but instead of hanging,...stoning would be a more slow death trip. Have the public stoning with a carnival flair and local quarries offering their best throwing stones in

Believe me hell is a long time for them to realize what a faux pax their existence has been

I am ALL about VANQUISHING,...ENTIRELY , ALL these fucking TREASONOUS CRIMINAL DEGENERATE LOWLIFES ,ASAP. It is not about making a point or attempting to extract contrition from these fucks, EXECUTE THEM, RIGHT FUCKING NOW, As per US Military Tribunal, or on the BATTLE FIELD, they have to be ERADICATED ASAP, no more fucking around, END IT!

FUCK YEAH.

But Biden wants to fine AZ for putting up containers along the border.

Stoning and hanging and shooting are too good for these depraved devils. Draw it out with drawing and quartering after boiling them in oil; prior to that, scourging them 400 times like they did Morgan Freeman's character in Unforgiven and then adding the rubbing alcohol at 91%, prior to which they should be dunked in motor oil and thrown into an open pit of cobras with the side grease up so they cannot escape the cobras.

They or we will be arrested. Inflation isn't 8.9%. It's at least 30% since that gun-grabbing mother fucker became Resident of the US.

I have run out of cuss words and derogatory expressions in three languages to adequately describe Zhou Buyden. "Gun-grabbing MF" Is it great combination, though.

God Almighty will be their judge, eventually, if they escape earthly capture. But I would be very happy If the WHs capture him and subject him to go endure some earthly justice first.

Arrested to bring them back to justice or killed on sight.
Their end for what they've done is the same: DEATH.

They can run, but they can't hide. The White Hats will hunt them down, one by one!

He defecated on our country.

All kinds of bullshit coming out from all directions.

Charlie Ward said Martial Law will be declared in 86 countries within the next three weeks.

Some say the election will be postponed at the last minute.

The Q people say we're due for ten days of darkness.

I hear lots of hopeful shit, but no solid evidence either way – except that the communists stole Brazil yesterday.

Actually today I was praising MB BAX1 for his recent hard work.

Someone has to do THIS-

BAX1~AOK

I'm an RRN Hopium addict. Being banned from commenting on RRN would be a methadone clinic.

Relax and do it baby it's time to get to it relax and do it when you gonna come

Ace, I suspect, though I'm sure he knows he's hunted.

It's my belief Biden and Harris aren't in the deck, cause they're puttpets, nothing more.

EARL

that's the name I couldn't remember?

Come out come out wherever you are you fucking slob. Laugh out loud.

OWD

No, not smart enough. Did you witness his performance at the first debate with Romney? His is the mind of a brain-damaged druggie. I know 12-year olds who responded to the questions faster. Even Moochelle, sitting in the front row, looked frightened.

Obama was never qualified to be President in the first place. He had no experience in the private sector, was a one-term Senator who decided after only 143 days (less than 5 months!) that he was qualified to run for the presidency, and had no foreign policy experience. The marxist has never held a job a day in his life – at anything. Small wonder he flopped in the White House. He took orders and was bent on the destruction of the country.

The highest tenured faculty member at Chicago Law did not have many nice things to say about “Barry.” Obama applied for a position as an adjunct and wasn't even considered. A few weeks later the law school got a phone call from the Board of Trustees telling them to find him an office, put him on the payroll, and give him a class to teach. The Board told him he didn't have to be a member of the faculty, but they needed to give him a temporary position. He was never a professor and was hardly an adjunct.

The other professors hated him because he was lazy, unqualified,

never attended any of the faculty meetings, and it was clear the position was nothing more than a political stepping stool. According to a professor, he had the lowest intellectual capacity in the building. He also doubted whether he was legitimately an editor on the Harvard Law Review, because if he was, he would be the first and only editor of an Ivy League law review to never be published while in school (publication is or was a requirement).

Frank Marshall Davis is BO's bio-dad with that commie freak Stanley Dunham as mom. Read up on FMD and see what a far lefty communist activist writer he was in the 1950's and 60's. Had that evil Ahab spirit in him that was passed on to BO. Similar situation with Justin Trudeau, whose bio-dad was Fidel Castro. Same evil Ahab spirit. Check both of these communists out and compare pictures of them to pictures of their offspring at a similar age, and there is absolutely no question that they are both father and son.

And just like the scriptures—Ahab was the KING, but Hilary Clinton was the Jezebel who RAN EVERYTHING!

“Do you see anything odd here? Think about it, Fuddy, Obama's mother Dunham, Subud, Hawaii, Chicago, Indonesia, no birth certificate, Soebarkah on the passport, a dead Hawaii department of health director, the one who conveniently certified Obama's forged and fabricated long form birth certificate, are all of these simply odd coincidences?”

Hitler and Eva Braun had three children that we know of. Angela Merkel, Theresa May, and Ann Dunham. Ann Dunham is Obama's mother, meaning that Obama is Hitler's Grandson. The plot thickens.

Hitler lost a testicle in WW1. the servants saw no epithelial evidence when they did Adolf's and Eva's laundry at the Berghof. No sex, no proof they had kids.

Beg your pardon! Obama claimed that he was a Community Organizer with ACORN. Their sole function is the organize sit-ins, protests, marches and riots! Other than that, I agree with you.

“His is the mind of a brain-damaged druggie” ..you have described the vast majority of the democrat party...and RRN trolls.

He was a DS plant to get the blind-sheep black vote – AND IT WORKED BIG TIME!!

Saw on a Telegram page Barry's student ID clearly read on the bottom: 'Exchange Student'. Another telegram page (@JFKRed_Q) had pictures of his lineage; his mother is a product of Hitler and an Argentine housekeeper's fling – which makes Obama Hitler's grandson. And Angela (Hitler) Merkel is Hitler's daughter, which makes her Obama's aunt. Put that together will ya! We've had at least 2 Nazis as supposed presidents; HW being the first.

Yes. How long was this known? Who knew it? When did they know it? What was done about it?

Here in Canada we have Castro's son for Prime Minister and George Sorros's neice for Deputy Prime Minister. The twitchy witchy Kristia Freeland

“I know 12-year olds who responded to the questions faster.”

That always pissed me off about him and his dancing around the questions.

These guys are as close as Canada? I'm surprised some haven't run to their NZ bunkers already.

FUCK , they are most likely in Israel, hanging out at a PEDOPHILE Bar with Epstein, or some other heeb hang-out where they can sexually abuse and murder children and swill adrenochrome and

nosh on bagels.

Castro Junior lets them all hunker down here...In Canada...and today the Turd announced that 500,000 more immigrants (potential voters) will be coming in yearly. Starting now. That is how he hopes to retain power. It will work if nothing is done. Called Elections Canada and they said Dominion voting machines up and running at every level, Municipal, Provincial and Federal... for every election here...What to do???? Hmmmmmm. What to do.....

Mr.Baxter....Blinken and Merrick Garland (Garfinkel) they are both “jewish” they can anytime “escape” for sanctuary in the state of Israel...and military can not do much about it....

Exactly. Golda Meir’s government was determined to bring the assassins of Black September to justice after they killed 11 Israeli Athletes at the 1972 Olympiad in Much, Germany. That right there ruined any chances of Germany becoming friends with Israel after the Holocaust. Ehud Barak, former prime minister of Israeli and former Epstein child sex client was one of them, and he was married to a normal adult woman at the time of his assignments.

Not citizens of Israel and the military is going to do whatever it feels like regarding apprehending these criminals. Who is going to stop them?

I’ve heard from other sources that Obama and “Mike” were already dealt with and executed at Gitmo.

Yes, I remember that as well. RRN had the entire story in detail. Didn’t Big Mike and his husband, O’Barry both receive two bullets to the back of the head?

Don’t fall for Biden’s dementia schtick or Harris’ ignorant slut routine. Biden’s perceived dementia generates sympathy while Harris’ ignorance gins up hatred for her.

An anon who regularly posts claims that Biden (and Harris) were installed by the White Hats to help root out the traitors, to “Judas-Goat all of the DS plants in the US government and agencies (!).

Just like they hunted and captured Cheney when he got the one up on the DF and escaped through his tunnel. They caught him eventually – and so will the ones who think they can hide.

Not too hard to hunt, Obama will be in PA on Saturday for a rally. I’m sure they will say something like, it was his double or clone, long lost twin brother, man in a mask or the new one “we don’t want an incident”.

He will also be in AZ the day for a rally for Katy Hobbs, sounds like I should go back in the military. I don’t seem to have any problem finding the bad guys and I don’t need high tech and 2-3 years to do it. Blinkin was just in front of congress a month or so ago, Oh right they don’t want to start an incident. That one line explains all the No action, get nothing done reasons we’ve been seeing for the last 2+ years.

It almost seems like they are waiting for the bad guys to make a super strain of the virus and kill off a bunch of the population before they come to their rescue. They are only doing it then to save their own skin.

I just read somewhere that Britain has now made a super strain of the virus as well.

They had no problem going to war with Russia with our money and weapons, get ready for the real pandemic.

That leaves Nancy or Michael, I mean Michelle as the ace? Hmm...

Theresa Barnwell is a well-known HRC lookalike; however, I don’t think she’s been involved in playing her body double. It’s somebody else.

Obama is a nappy faggot that needs to hit the guillotine or hang out on the gallows somewhere in Cuba after that he's just traitor dust...I personally would love to watch hogs eat him alive but a few people here will bag on me saying that's not in the execution rule book

Feeding Barry to Hogs is Animal abuse. As well as many folks eat pork, having great BBQ. If you want to feed Barry to anything, feed Barry to the satanist jews. Let them choke on Barry, no doubt he choked on them at their black masses and murder sacrifice rituals the cum guzzler that he was or is, or whatever.

It's not the rule book. We both, not just you need to be exceptionally careful what we wish for? Sometimes those wishes backfire on us leaving us destitute and broken.

Imagine if I wished all democrats dead and woke up tomorrow realizing my kid and my ex were both gone but the rest of the worst Democrats were EVERYWHERE?

You are one day going to regret being against humanity. I know what and how your Mom described you, look past that..

Our day is coming. Let God do his Job and help all the people you can.

End of Transmission
Over and OUT !!!

I don't wish all democrats dead...I love them,I just wish they would see whats going on...I wish the evil cabal members dead remember? But thanks for watching out for me OWD

They will never see what is presented rite in front of OUR FACES. It's a different dimension for Democrats. If you could get them to walk through a wormhole perhaps they would understand where the fuck are you going to find a wormhole to shove the Democrats through?

so true we all have Democrat relatives we wish would wake up.
Humble pie for me

That long eared galoot, All of the sudden he's making desperate appearances, did you guys see where he tried to give a speech and everyone was yelling f Joe Biden.

He is the Joker

He thought rallying for Biden would suddenly turn their shit show into the Grammys. He found out that he is not relevant to the American citizen. He is a loser who is marked for the death penalty

1776 The British sympathisans fled to Canada

2022 Communists flee to Canada

Nothing has changed

I'm born on the wrong side of America !

..maybe not as Have been adopted and I do not know my true origin... yet

But one thing is for sure... I do NOT belong in Canada !

Time will come I'll switch on the right side of America.

You can count on it !

You will have to enter through the back door on the Southern Border of the US, ALL the back – door action takes place at the Southern Border of the US. This is where America is taking it in the back -door, NO lubricant needed , just say Pedo Joe sent you, it 's worked for over 5 MILLION INSURGENTS so far. You might just meet DHS Sec. Mayorkas there when you enter , say hello and he will give you a righteous reach-around, but don't expect a kiss, he will be wearing a mask.

No thanks !

I will walk by the front door with a Green card in hand or I'll stay for 6 months a year as my Passport would allow me.

I'm not and I do not support any illegal

They should be all deported and then told to use the front door with proper request and proper channel.

There is no way to do that properly before 2025 anyway as the current system is corrupt.

I'm coming in the US to help & be productive, not to be another dead weight !

All pedos will be then DEAD of in-line waiting for their turn to be hang...

If this was true, why not cut off the head of snake? The military could easily arrest Biden and his VP anytime they want. They fly on planes run by the Air Force. They get on the plane to go somewhere, the doors are sealed, and the plane flies off to GITMO for their trials. This would not be difficult. Since we are never given any proof of these stories being true. Don't hold your breath waiting for it to happen. The military is just as corrupt as the rest of the government.

Um Dave If I were you I might want to avoid trashing the men and women who proudly serve our country. Unless your hoping for something read bad to end up happening to you.

If this was true, why not cut off the head of snake?

[That would be the easy way out, theres more of them than we originally thought and being that they have "more" resources that originally thought, that makes it difficult to go up the pyramid.]

They fly on planes run by the Air Force.

[Traveling is what they do, nonetheless eye's are upon them.]

They get on the plane to go somewhere, the doors are sealed, and the plane flies off to GITMO for their trials. This would not be difficult.

[Great idea, then again all their protection are Deep State, so a battle will obviously take place and or an assassination of a Patriot could happen if the person or persons were to be caught mid-air]

Since we are never given any proof of these stories being true. Don't hold your breath waiting for it to happen.

[Theres always "hope" and hope & prayer always go's hand in hand.]

The military is just as corrupt as the rest of the government.

[Yes, they're divided, as were solders during the Civil war (they all thought they were doing the right thing and on the right side, but only after Lincoln signed the "Insurrection Act"), which is why were waiting for "everybody" to stop and take notice of what these Clowns of evil are up to but, I fear it may be too late for some because they're too ignorant so, I'll remain an optimist that they'll figure it out but something will have to force them to think for themselves and whatever it may be, will make that determination eventually – when, I have no clue, but it will be a powerful ending to the Cabal and all its going to take is one time.]

Keep the faith & pray!

Its to "only" way.

Keeping the faith, praying without ceasing and, with patient endurance, all things are attainable. Blessings,

I don't think it is time yet for a public disclosure that the real Biden is dead. I suspect Harris has been under White Hat control for a while now. Keep in mind, we are watching a movie. Trust the plan (and Berger).

Arthur Roberts, the actor, is doing a decent job impersonating a US President. I also believe that Joe is long dead.

so in your opinion lying is always the best option? you almost gotta be triple vaxxed and boosted

Biden has already been taken & dealt with. Remember PDJT saying repeatedly that Biden was shot, that he wasn't the same, etc. As Q has stated, "Learn our comms."

How many of the fakers masks have to fall off for people to realize that they are fakes? Especially JOE BIDEN!

Do you remember seeing him when he was still a Senator? Look at his older pics. Not the same guy.

It's all in the earlobes! Real Joe's earlobes are not attached to his neck. His doppelganger's (Arthur Roberts) earlobes are attached to his neck. So obvious.

Maybe the "shot" that Trump was referring to was an induced coma? There are stories floating around that Biden had some sort of an attack which required hospitalization and he was put into an induced coma. However, I still don't think the clown(s) running around looking like Biden is actually him because there are differences in appearance.

I heard he had a stroke shortly before Election Day. Was brought to Walter Reed and died there. His granddaughter said he died- Oopsy No one thought he was actually hanging out in the basement did they?

If you think it's so easy YOU do it....ugh. Just keep believing MSM... they always give proof.

We better hope they are loyal to the Constitution. It is not what is SAID though, it is what is DONE. We'll see

You can't think of or refer to the military as some kind of monolithic organization, as if they were all of the same mindset. The military that flies Biden and Harris around are not part of the White Hats. The military is divided, just like virtually everything else.

Real bi den is gone along with most of the other mentioned criminals.They are all actors in masks.

When the White Hats and TRUSTED US Military takes-down the Executive Branch, they will be taking down the US CONGRESS as well. THEY ARE ALL CRIMINALS , TRAITORS , DEGENERATE , LOWLIFES and DEAD MEN WALKING. When the WHIP , finally comes down, they ALL will feel the sting, EVERY FUCKING ONE OF THEM.

Biden and Harris are actors, reading from a script. They will turn themselves in when ordered to, after their roles are no longer needed. Can't you tell from how totally ridiculous the script is, educating, waking up the American people? The Biden Regime with actress Mafiosi Pelosi is the new Three Stooges comedy team. The real people replaced by the actors are probably executed for treason or in a cell waiting to be executed.

The Real Joe and the real Jill Biden were incarcerated and placed in maximum security @ Gitmo over two years ago, if I remember correctly. RRN ran pics of Jill crying and being taken into custody.

Any plane that Biden has flown on, did NOT reflect the required call sign-AF1

The planes that Biden flies on have the call sign-N/A

Fact.

Another thing you may not realize- on "inauguration day" Biden had to charter a plane, Military did not provide it as they have done with every president prior. They also did not allow the band to play the song they play for the commander in chief

They can run and hide, but eventually we'll catch them and justice will be served!

We The People will get our freedom of independence back again – one way or another.

“The same source said the military had futilely searched for Biden handler and Secretary of State Antony Blinken, who, despite appearances to the contrary, controls the Deep State Department

from a safe haven somewhere in Eastern Europe. “

GO GET THEM, WHITE HATS!!

Fantastic work Michael! Please continue, thank you!

If that is the case, there should be NO problem in intercepting communications between Blinken and the parties he is communicating with, they will nail him. Then they will have to take him down or take him out, either way they have to move on this TRAITOR ASSHOLE. If they let the lawyers in on the info and plan, Blinken will slither away, no doubt about that.

Problem is that just the mere mention of their names is enough warning to them that they're being searched for so then they just very quietly up and leave. The slightest hint and they're gone.

Or, just knowing that they are guilty will make them paranoid enough to run for cover. They are made of chicken dookey.

All this while the Marxist/Statist's exact maximum and probably irreparable damage to our national sovereignty, foundations, and legal USA citizenry through their multiple tentacles of power/leverage. What kind of nitwit defensive battle plan allows the whole to be “irradiated” with the destruction Marxist/Statist dem rule brings before they retake “the conn” of our USA vessel?

Because the Communist regime actually has people believing that they are on the right side.

Of course. And you can bet they are bribing people with OUR cash not theirs. Either way it's all ours. I can't wait until these f**kers get theirs. Total scum. Oh well, either way they still need money to live so there is a footprint somewhere.

Hope and pray the canary in our custody put tracer marks on those currencies the DS minions are using. Either that, listed the serial numbers of the credit cards. JAG might have to question the canary.

Lord help us. Blessings,

Anybody want to guess who the King of Spades is? Any day now should be real news the media can no longer lie about. Lula “won” in Brazil and already military is in Rio. Let’s get on with the show, these people have done enough damage to humanity.

One of the Rothschilds, if any of them have survived the destruction of their deep-down DUMB fortresses. Most of the Globalist illuminati 13-bloodline families apparently have not survived this 5-year war against them.

Get Trump back in, and these ones evading capture broadcast cast them worldwide as fugitives from justice to be apprehended on site!

My fear is that most of these monsters have come to Canada because the turd, who is also corrupt and a traitor, has allowed them in much to our regret. I wish the White Hats would have moved in on them sooner and arrested these scumbags before they left the US.

AMG suggests he in under house arrest by no other than the white hat partition of the military. Recall he posted on the media approx. six months ago that he contacted Covid and is self quarantining which is a DS code for he is under house arrest. Lord help us. Blessings,

In the meantime and while the iron’s hot, what’s stopping the “actual” powers that be from immediate implementation of various permanent, strategic U-turns at our southern border aided by warning shots, as well as Guatemala’s offer to retrieve “their own” via our planes, while the balance of the Wall is summarily completed — just a rhetorical question ...

If they isolate and identify Blinken, Garland and whom ever else with Trudeau, the White Hats can launch an MOAB and KILL ALL OF THEM. That’s a great DEAL for Americans and Canadians.

They can run but they can't hide as the white portion/special forces of the military has divine guidance. Therefore, the chase/hunt is on. Lord help us. Blessings,

Go get their wives and children ship them off the GITMO.... see if they prefer take a cyanide pill or surrender to save their own families.

All methods are fair. Use their playbook

There is a contest for those interested in creating and making the coolest KILL DECK of DEEP STATE ASSHOLES. Not sure about the Prize pool other than one of the WINNERS gets to be anointed the NUMBER ONE ACCOUNT at Twitter, bestowed on the winner by Mr. Musk himself. Some other cool shit comes with the bestowing. One Prize to the lucky winner, they get to give a royal FISTING to Jack Dorsey, although word has it that prized will be awarded to The " T Man " himself, at a future MAGA affair sometime in Florida, Gov. DeSantis will be Master of Ceremonies. They are supposed to VAXX Jack's ASS too, before the FISTING, THIS SHOULD BE REAL FUN, so don't forget to get creative , make a deck, and enter yours today!

Oh great.....we all knew Garland was a traitor and thief. He is a liar like all of them. Blinken is just like him. I am so happy to hear the WH are going after these monsters. It is time to clean up the main leaders of the pack. I really want to see Biden and all his doppelgangers hanging side by side. Let's play a game of "guess that Biden"!! They do have a lot of new masks to make to keep their charade and illusion going that most of these monsters have already been hung. It is so funny to see the mess they have made of the hammering of Paul Pelosi. Not one word of their story even sounds like the truth. Nanny Pelosi needs to be caught and taken straight to GITMO. Maybe she can have a visit with her husband while she is there. I really want someone to tell Biden before he is executed that

he was never president and he did not get 81M legal votes. There is so much I really want to hear about that I need a long list. God thank you for the White Hats and our wonderful President....Donald J. Trump. I give you all the credit for bringing these demons into the light. Now let us pour salt on them all.

The “white hats” better up their game real f’n soon....once the worlds elite....now they’re just major league wannabe’s.

I can only pray at this point that this all finally comes to an end. So many of these shit eaters need to hang, though executing them seems so mild to their copious crimes. This would also be in line with that woman who turned herself in (must still have some kind of conscious in her).

Last edited 2 days ago by Nobodi

No deals for this woman that turned herself in She has a choice of execution

5 bullets to the face

25 bullets to the face

9000 bullets to the head

you hang and you get shot 15000 times in the chest...

Or last but not least..,

you are thrown into a chipper shredder And she has one minute to choose and then we will make the decision for her She can even wear a Barack Obama for president T-shirt and hat before she goes in to the chipper shredder screaming for Barack Obama to save her

The white hats should freeze all of the perps’s financial outlets. They are using the tax payers money for treasonous acts, it has to stop NOW!

they can run but they cannot hide
It's just a matter of time
They are guilty of treason.
That's why they're hiding
they know they'll get caught....!.

If Blinken is in Ukraine, President Putin will find him and give him a clean shave; the bio labs scientists style

If we have white hats in Ukraine we could disguise one soldier as a limo driver pick blinkin up and drive and drop him off in front of a blown up building, lock the doors And Weld them shut as he starts screaming for Barack Obama to save him
Set off the device once you are a safe distance away and blow him to fuck Make sure there are 25000 pieces of his body strewn across the area... Just write-up the report well I came out to the car and it blew up Maybe it was those nefarious members of Al-Qaeda wearing Barack Obama T shirts....

Again this ties in with someone's recent "intel" that there is currently 6000+ military in D.C. right now. He said "way more than 6000. Stay tuned"

Sarah, so happy to hear that-do you know where we can find mire info onthat? Thanks

Crazy how blinken and garland actually look like rats!

It is easy to locate them inasmuch as they can't go for too long without sucking on trudeau's twat. Trudaeu gets wet thinking about dropping a shit on Garland's rat visage!

garland and blinken are impotent. DS is weak, can't even keep their fucking Georgia Shitstones erect!

We the People are under no obligation to follow any of their bullshit. fuck em and their jew handlers!

Some call these TREASONOUS , DEGENERATE LOWLIFES, rats, other call them dogs, and this is just denigrating these little animals, and is not right, Call these TREASONOUS, DEGENERATE , LOWLIFE, satanists zionist inbred jews PARASITES. Because this is exactly what they are PARASITES.

Lots of criminal shit goes on in Croatia, loads of FRAUDS of various types , money laundering, Human/child sex-slave and body -part trafficking , weapons trafficking, Drug trafficking, etc. ,etc..

They are in full panic mode. Every day they are getting sloppier and sloppier. Yes, they can run... but I'm sure we will find the breadcrumbs along the way.

Fecal matter , cum stains all kind of heinous debris and lots of misery, despair , death

Be our guest ... we don't fear an international 'situation'. Help yourself to a gaggle of ours while you're here!

Military waiting on a Dick Cheney senerio.

How do you apprehended those treasonous POS? Easy, post a BOLO [be on look out], and place a serious bounty on them. True Mercenaries will come out of wood work, Cha-ching.

Enough of that cat & mouse crap, place wanted photos in post office offering serious reward. Dead or Alive works even better.

Exactly... bribe the ones that were bribed to hide them. They make a double bounty in the process! Bring a gun to a gun fight, not a knife!

I believe many State Department criminals hide in the Netherlands. Their "IT companies" and similar (together with the different kind of the French Ministries) go after my LinkedIn page often to check my employer. (#Srebrenica UN Genocide Junkies.)

Also, highly unlikely Serbia rather Croatia is their safe heaven. Blinken is brainless. He is run by some “Intelligence Community” Swamp Dude for sure. As moron Joe.

Dear Mr. Baxter, Regarding Blinken not being in-country since June of '22, this from the Goshen, Indiana Times September 19, 2022: Blinken and Sec. Raimondo of the US Commerce Dept. toured Purdue in company with Purdue President and former Indiana Governor (and quasi-normal guy) Mitch Daniels (in company with feckless Ind. Gov. Holcolmb and sickening traitor Sen. Todd Young). This also included photos with Mitch Daniels (of course with Photoshop, this means little). If I was Gen. Berger, I'd shake down the reporter (Brian A. Howey, who they say has a presence on F/B and is the proprietor of his own political-website). Taking over the world's television screens to display wanted posters might annoy the common man enough to generate leads and, in tandem, would give patriots a morale boost. And BTW, how come you let me back on your website? Anyway, your stories continue to depress my liquor bill and for that my liver thanks you. wwg1wga

I too am disgusted with that bunch Braun is also a traitor as is many state representative like Rita Fleming. They all suck on the cv19 sows tit enriching themselves. One emolument violation after another.

As for locating and getting the word out to the masses, the White Hats should break into live streaming of sports betting and on line gambling and sports betting intermittently. this will bring HITS on locations , whereabouts and actionable intel, right-quick.

The way you solve this... destroy the media so they cannot broadcast CGI meetings. That way, public sees them no more and they have no power over people that sit in front of a stupid box all day! Perception folks! I was under the perception that space force could cut off all media broadcasting?! Guess not?!

I am bewildered by the fact that 100% of the MSM hasn't been taken over by the White hats. For crying out loud at the very least start educating people with the truth on the poison shots they are still getting. Dear God I just don't get it! A lot of the ass hats in our population wouldn't be missed. However the old, ignorant and just plain scared should be told. I have no problem with the communists lining up for it.

I've wondered that too. Then I think, with Fake News I've had to learn to check and check and use my spidey senses full throttle. That is Good Training. Without Fake News, I could grow laazy.

If we all had the truth it would be a better world. With the truth people know what to do. Without the truth they don't. Mainstream news is as evil as it gets as it is the absolute main tool of the darkside. Nothing is fixed because nothing is known.

Here is a thought... Why in the "F" are we worried about causing an international incident? Isn't Canada KNOWINGLY hiding an American Demonic Traitor Criminal?! Crimes against Humanity do NOT or should NOT have borders?!!!!

We (Americans) have the best soldiers on the planet. Send Gods warriors in to take that shit wrapped in skin out once and for all!!!!
God Bless ALL patriots on our BEAUTIFUL planet!!!

Love from Minnesota
