

28+ Very Creative And Inspiring Garden Stone Pathway Ideas

engineeringdiscoveries.com/28-very-creative-and-inspiring-garden-stone-pathway-ideas

October 16, 2022

A stone pathway in your garden can add texture and visual interest, whether it leads one to a destination or is just used for aesthetics. The stones can add a natural element while being very simple to employ. There are a variety of elements, whether you are using large stepping stones, smaller stones, a mosaic, or a mix with pebbles or ground cover. Select the style that appeals to you and what best suits the environment that you are living in.
