Den děkuvzdání námořní pěchoty Spojených států zatkl ministra školství Miguela Cardonu na základě obvinění z velezrady a ohrožení dětí, uvedly zdroje JAG pro Real Raw News.

K zatčení došlo v Cardonově domě v Connecticutu, jedné z několika nemovitostí, které on a jeho manželka Marissa Pérez, bývalá vítězka soutěže krásy, někdy sdílejí se svými dvěma dětmi, Miguelem, Jr., a Celine.

Kolem poledne vtrhli mariňáci do sídla Cardony, když pan Cardona a jeho žena dávali do trouby krůtu a připravovali kastrol se zelenými fazolemi. Specifika zatčení nejsou jasná, ale zdroje z JAG řekly RRN, že pár zaječel, když zjistil, že hledí dolů na obchodní konec pušek M27 námořní pěchoty. Perezová byla také zatčena a zůstane ve vojenské vazbě, zatímco JAG vyšetřuje, zda sehrála roli ve zločinech svého manžela. Dospělé děti páru nebyly v době zatčení doma, uvedly zdroje.

Cardona se stala terčem příležitosti v září poté, co White Hats u US Army Cyber Command „získal“ znepokojivé, důvěrné dopisy, které Cardona napsal a poslal dozorcům školních obvodů v Arizoně, Kalifornii, Michiganu a New Yorku. Cardona v korespondenci bezostyšně povzbuzoval okresy, aby najímaly nebinární učitele, a napsal: „Moderní mládež musí v raném věku přijmout principy moderního světa. Ne každý kluk je kluk a ne každá holka je holka. Vystavení se nebinární fakultě pomůže dnešním studentům – zítřejším vůdcům – pochopit, že pohlaví je volba a není při narození povinné.“

Depeše Cardony také zmínila najímání transvestitů pro zvýšení rozmanitosti.

Tím ale šílenství neskončilo.

Následující měsíc zaslal školním obvodům další poznámky, v nichž znovu potvrdil svůj postoj, že cisgenderová fakulta bude vyřazena a nahrazena zaměstnanci hlásícími se k „progresivním“ hodnotám. Faustian Cardona navíc prosazoval myšlenku, že děti ve věku od deseti let – žáci 4. ^{třídy} – se budou učit o operacích na změnu pohlaví a blokátorech puberty, které brání rozvoji organických biologických

pohlavních znaků. Cardona navíc uvedl, že požádal HHS, aby tlačila na pojišťovny, aby financovaly „péči potvrzující pohlaví“ pro školní děti.

„Jako pedagogové máme odpovědnost zajistit, aby studenti měli sexuální možnosti. Musíme přijmout naši roli. Cisgender rodiče nejsou způsobilí poučovat své děti o sexualitě v dnešním vyvíjejícím se světě,“ napsal Cardona.

JAG říká, že Cardona tím, že prosazuje radikální agendu ohrožující životy dětí, překročil své pravomoci a musí být hnán k odpovědnosti.

„Jeho rámec nemá nic společného se vzděláním. Je to indoktrinace. Ničí mysl poddajných, ovlivnitelných dětí. Pokud chce dospělý člověk změnu pohlaví, tak ano. Žádný faul. Cardona je vinen ze zrady proti zemi a proti každému dítěti a rodiči v zemi,“ uvedl zdroj JAG.

Na závěr náš zdroj řekl, že JAG odhalí další důkazy o Cardonovi, až bude obviněn před vojenským soudem.

Free Speech a Alternative Media jsou pod útokem Deep State. Real Raw News potřebuje podporu čtenářů, aby přežily a prosperovaly. V roce 2023 se snažíme vydat tři knihy a najmout talenty z vysílání pro videokanál. Vaše pomoc může pomoci tyto cíle uskutečnit.

Nedávejte své těžce vydělané peníze webům nebo kanálům, které kopírují/vkládají naše duševní vlastnictví. Trávíme nespočet hodin prověřováním, zkoumáním a psaním. Děkuji. Každý dolar pomáhá.

I'm glad to finally see these type of filth have justice knocking on their door. It's about time that people that push this type of shit get taken away and disposed of permanently. I'm looking forward to hearing that the entire earth is cleansed of this type of scum.

Just think of all the babies born born addicted to drugs and booze during the 80s and 90s. They were called the "wasted generation". Hence, the problems of frontal lobe damage are very obvious.

I think my mother did drugs and drank when she was pregnant with me. I attempted murder/suicide while in the womb by yanking the placenta off the wall of her womb. Unfortunately it failed.

I wonder if he will have that shit eating grin on his face when he swings from a rope?

I wonder what his famous last words are going to be; Fuck ya'all, You can't do this to me, do you know who I am, You won't getaway with this, or Hawk a lugie at Crandall.

All of a sudden, it dawned on me that if I find some of RRN's reports unbelievable, it may be because Real Raw News reports on the Dem charlatans and con artists who push unbelievable policies, measures, and ideologies, whereas MSM outlets fail to do the same.

Criminals should swing, others sent back to their home countries, babies or no babies. The anchor baby system needs to stop. If illegals become legal, they should learn to speak the English language and abide by our state and federal laws. And if not returned to their home countries.

you have not had the privilege of being around many spics,eh?

Here's what they understand: Lo siento poppy. No bueno. Vas a morir

Criminals, hanged , yes. No prison. The rest back across the border and let them find their way home. They found their way up here so why should we pay for anything further than the border. If they want to become citizens, they have to abide by the rules and the laws and be able to read road signs!! A Must. Keep the border closed and Military on watch.

You don't get it.

The spics WANT YOUR LAND. They don't give a fuck about speaking english or assimilation. They want TO assimilate the US into their kingdom of filth.

muslms invading Kent Wash, too,, East Indians, nobody speaks ENGLISH.. Africans, too... I'm the only white person in my neighborhood.. they are forcing us out by INVADING en masse

Hard decisions are here. Ethnic cleansing or adios americanos!

In my purview, the goat raping mohammads are worse than the spics.

You can thank O'Bummer for all of those low end ya-hoos, that have come slinking in. I remember Kent, WA was a decent non-crowded town in the 80's, but the lower enders from Klopstokia and Elbonia and other down stream shit hole clap traps, started meandering in slowly and the nice stores and restaurants moved on and the area started getting real seedy and then certain parts of Auburn too. Remember, though, all of these towns are in Wokey King County and Shittatle is the County seat and that town has been turned upside down by the Wokey-okey libbies and, plus, a India-n dingbat city council tart, that cranks out a wokey shit for brains agenda of how to

wreck Shittale even further down the libby stinkpit.... many businesses have left, plus it's scary in the daytime too! The Kazarians sure have done a dandy job of infiltrating the Dummycrapper party, I must say.....

Not americanos...but adios AngloSaxon. You destroyed,, bombed through proxy war, looting their natural resources from all mid east, Africa, Asia, South America countries and forced them out of their land..here they came down here. Whose fault then?????

If you Anglo-Saxon not greedy and arrogant...none would happened here

You know she there to represent the people of MI. Like Indiana has a Ukrainian there to represent Indiana. Haha they need more of our money, its for the greater good. Have to laugh it's just to fucking hard to believe this country is in such shit. I hope the military is watching that petition sent to scotus to remove this regime and 388 members of Congress.. They need to finally uphold their oath to uphold the constitution.....

Last edited 1 hour ago by Johnny

Sec. OF Education Cardona has actively pushed for gender reassignment in children to be part of the curriculum in grade schools and high school, He wants these children to be taught by the educators/teachers in these public school that there is more than two genders and that children should be taught they can be any gender they decide. He was also contacting and promoting , encouraging insurance companies to provide coverage for young and older children to receive gender reassignment treatment and surgeries, ALL of this heinous shit is way beyond the scope and authority as Sec. of EDUCATION. This is the reason for Julie's comment, although she may have something else to say, as I can't speak for Julie. I responded because the question should be addressed and this is an open forum. Take Care

They got corruption, so do whites, and blacks....It's often young and dumb and misled. They hate their country because the criminal always gets their money, they can't even buy a house. Other's say it's safer in Mexico if you know how to do it, live in certain places and travel certain roads, they stay really safe, depending on where they are.

In Cardona's case, I saw no indication after searching that his parents are illegals, or that they did not become citizens. He was born here, so he is automatically a citizen, but that does not mean his parents are not citizens and did not take the oath. A little critical thinking here, guys.

Did a search on Cardona. I saw no indication searching that his parents are illegals, or that they did not become citizens. Not every Latino that comes to America's shores, rich or poor, is automatically illegal. Some do come in the right way.

well, who would reveal the truth if that spic's progenitors WERE illegal? It's been scrubbed for years probably

If parents are in the United States LEGALLY , migrants , legal aliens , living in the USA and they have kids , those kids are now AMERICANS, this is the way I have always understood the LAW. The term anchor baby refers to children born to illegals that have pretty much just crossed over into the USA to have their children, with the thinking that their child is now an American , there by the child being an American , the parents(illegals) are now eligible for welfare, Medicaide , Social Security benefits, I do believe this has been changed but I am not positive on this.

stop the unlimited flood of HIBVisas from China and India, too.. they are having babies and expect them to anchor them here, too.. Brahims are invading America.. with their High tech Chinese spies

I know that in the case concerning China , this has been used to bring Chinese COMMUNISTS GOOKS into the United States, members of the US Congress, USDOJ and the FBI , INS , have actively facilitated this heinous breach of the National Security of the United States as well as numerous US Federal laws, And yes this is TREASON at the very least. ALL parties involved should be arrested by US Military , and be held before a US Military Court and Tribunal , then PUNISHED SEVERELY, EXECUTION IS WARRANTED

Hi Karen, no complain down here. You need to run for government job... to fulfill your wish.

Every human crossing the USA border is a criminal! The Founders of USA instructed Americans to shoot to kill any human entering the nation to be shot dead because ALL BORDER CROSSERS ARE ANARCHISTS. The Founders were/are 100% correct!

NO, just send them back the country in which they were born. They did not commit TREASON, they were invited here by Byedan the hung fake president.

You don't get it.

The spics WANT YOUR LAND. They don't give a fuck about speaking english or assimilation. They want TO assimilate the US into their kingdom of filth.

Not Cardona, he was born here and possibly his parents were, too. But because of the treasonous acts, he needs to go to GITMO and stay there for life. Even deporting him, were he illegal but he is not, would be too good for him for what he is doing to our kids. I hate traitors, whether they are citizens or not.

Cardona should be EXECUTED, not given a Life sentence. His criminal acts and TREASON , WARRANT EXECUTION. He is an American citizen and again he should be EXECUTED.

All 12 million plus of them? If you can even find them. Finding them is like the proverbial searching for a needle in a hay stack. On second thought, the Democrats know where they are, right? Lord help us.

needle in a haystack? no way.

Wait until the EBT cards get funded and then go to some stores in the shitty part of your city. The spics shopping with EBT are like cockroaches when it's dark.

WINCO in KENT, WA.. all illegals shopping like mad with food stamps.. my friend went the night before THanksgiving at 9pm.. he said all MExicans.. looked like illegals all shopping with food stamp cards.. you are right.. i think they shop "after hours"

If the US can track a cow from Canada to the US and then all over the US to the slaughterhouse, then they can track the illegals. Just go to any job site and find Spanish speakers, then check them out. Check every Hispanic on the welfare rolls, etc. Then offer a \$1,000 bounty for every one that gets turned in. There are ways.

The White Hats have been tracking them since Biden claimed office. They know where they are and will round them up and ship back when Trump is back.

Quite doubtful.

Trump/WH know the west is in full demographic collapse. Sorry guys, but no one will do anything about these illegals but the commoners of the country.

but hey, if believing in delusion assuages your anguish, cool crackers!

NO , the White Hats can do this before Trump gets back, they do not need Trump to perform what should have never be allowed to happen in the first place.

12 million? lmao. in truth reagan gave amnesty in the 80s to close to that many. currently 50 million at least. every major metropolitan area in this country is currently majority illegal.

did you notice the Macy's Day Parade was heavily leaning to cater to POC... every other float or them was DEI oriented and anti white... Must be the Mayor's commie community organizers in charge

Macy's is a predominantly Jewish owned and operated retail store. Mayor of NYC Eric Adams is a democrat and a marxist – communist – satanist . These two have been promoting marxist , communist zionst jew satanist agendas being the wholesale destruction and elimination of Global Humanity , hence their promotion of the Woke agendas and ALL the garbage and shit that comes with it. Do some research and see for yourself.

If and when these illegals and INSURGENTS are rounded up, they should be removed and ALL of them should be sent to Israel, YES , send these illegals and INSURGENTS to Israel. Zionist satanist jews are the FUCKS behind ALL of this mass invasion of illegals and INSURGENTS into the United States and Europe, therefore these people should be sent to Israel. Let the fucking satanist jews deal with their heinous plans and maniacal agendas. Then the Nations and People of the World can see just how these GENOCIDAL satanist jews deal with this. And when the jews VIOLATE the human rights and dignities of these migrants, INSURGENTS etc. the Israelis , satanist jews , jews will FACE JUSTICE and the WRATH of ALL HUMANITY as they will be VANQUISHED,...ENTIRELY. FUCK the heebs and FUCK Israel.

Dave, be very careful. God will curse those who curses his chosen people. Not making it up. Look it up in holy scriptures. Blessings,

Some traitors are too heinous even to deport. Why sully the countries they came from? Lock them up for life. Some countries will not take back people who left, so that would leave them stateless.

If they are traitors , conspirators to TREASON , CRIMES AGAINST HUMANITY and ACTS OF TERRORISM , they should be EXECUTED.

How about you listen to several hours of testimony from traumatized kids who were mentally and sexually abused by occultists?

Some ppl on here are TOO soft.

California, due to high population, & being a large state, has helped add crucial members to the House. I've also heard, California may be the one to blow the socks off the Election Rigging, 2020 & 2022. If we decertify elections, it is enough by itself. We actually voted Newsom out in a recall election that was not honored. We just voted for Brian Dahle, a Constitutional Law Attorney, & were similarly disenfranchised from our vote. We are not all LA & SF. ~*California Girl*.

Last edited 9 hours ago by Tracy Reinert

I completely agree. And if you believe MB stories the Newsom now is a double? I believe the lack of voter turn out in 2022 is due to decades of fraud realizing it was a waste of time or missing mail in ballots. Remember the boat parades for trump?

There were more votes for the Newsom recall than he got in this election. Californians need to fight- not move away.

Some times EXTREME FORCE AND VIOLENCE are the mechanisms needed for positive and moral resolution to overt criminal take-over , seizure and criminal corruption of government, which has happened to the State and local government bodies in California. This has to be performed by the TRUSTED US CONSTITUTIONAL ABIDING and ENFORCING , US MILITARY , Special Forces and US Special Operations Units and or the righteous CITIZENS of the United States of America , The Republic.

The focus is on Maricopa County in AZ currently. I enjoin all to pray that Kari Lake and her team of cyber ninjas among others, will be blessed with a Court victory. Then all the dominoes will fall regarding the election fraud. You see, right after the election, the enemy was doing everything they could to start a civil war. Lord help,us.

the enemy realizes this doesnt end without much bloodshed. apparently the people you consider white hats think we are gonna talk the deep state to death.

Yea man, the US conservatives are beating the DS with their hostile memes and abrasive comments at PTA meetings!

Shit, Patton should have commissioned a cartoon platoon to fight the nazis!

Just you watch God's mighty power deliver us from the grips of the evil. I trust only Him no one else. Blessings,

I live in CT. There has been a real uptick in military planes for the last several weeks. I hoped they were cleaning house.

NO , a Fair Tribunal before a US Military Court as these criminals are ENEMY COMBATANTS , CONSPIRATORS TO TREASON , CRIMES AGAINST HUMANITY , ACTS OF TERRORISM and possibly much more heinous criminal acts.

Monkey Werx just mentioned Camp Justice at Diego Garcia so they could be holding a lot of them there

I believe there are now five places where tribunals are being held. Might speed things up a bit.

I have heard some other places were Tierra Del Fuego,XPL Honduras and Opa Locka,what places have you heard?

With massive arrests in sight, even more locations are needed. I'm sure they're working on that.

OK, Diego Garcia, Gitmo, Tiera Del Fuego, Guam, White House, and I heard something about Azores or Canarie Islands, oh, and Greenland. Am I missing anything?? (This is not a joke!)

I've seen a video of a couple of people emerging from the White House wheeling stretchers with what look like body bags on them.

I'd been checking/following flights in and out of Camp Justice on an almost daily basis and can confirm that there are more than usual air traffic activity there than usual. Same for Gitmo.

How many are left? Someone has a list but we get this trickle that I think needs to be major issue oriented. There's so many more obviously. Is there a way to get a progress report like how many more to go? How are other countries doing their deep state arrests?

Another reason for Thanksgiving this week. God bless our troops. God curse the neuron-deficient, limp waisted deep staters.

when are they coming to Washington state.. we need MAJOR CLEANUP ON AISLE EVERGREEN STATE!!! MAJOR INFESTATION OF RATS!!!

What in the flying fuck is going on here? How is this even possible? Did I wake up in an alternate reality/bad Xfiles episode?

Nope....you just "woke up" to the horrible reality that's been thinly veiled for a long time. It's horrible, isn't it? Ugh.

LMFO! It's not possible, if you use your critical thinking skills when reading these articles which quite a few faithful RRN followers lack, on here

One thing that sells to me the truth on this particular article is the examples of the written correspondence. I believe this is mild to how they talk when these sick perverts communicate amongst each other to implement their kiddie corruption programs.

First gays got out of the closet, then pedophiles, and satanists...All they need to carry on is the appearance of authority like a fake president.

The really heinous shit is most probably spoken in a scif or at the Black Mass masonic , satanic ritual murder sacrifice events

You must have arisen from a coma or you have been under the spell so – to – speak. It's good that your are back.

Sadly, these politicians were given saline. They all knew they were given fake shots. All of them in on it, complicit as all hell.

Trump said early on before the vax “we have a cure for it, it's called Hydroxychloroquine”. That got covered up fast. He obviously lied about the jab to make money or get fame or avoid getting killed if he wasn't cloned already....I think it was a war on stupid people. The offer was a choice. Biden side wanted force jab. Red pill side is “we're gonna lie to you, that's what we do but you can say no if your smart enough to figure it out”. Blue pill side is like “we're gonna lie to you but we make sure you die easy on morphine....or so fast there's no suffering.

This may seem after the fact but we continue to get messages from people who question DJT's OWS vaccine and won't support him.

The DS' original plan was to get their vaccine FDA and LEGALIZE a mandate. Has DJT waited, their plan have forced every American to get their vaccine — by LAW.

DJT knew this and tried to promote every other Treatment Plan out there—other than their vaccine but got pounced on. Realizing that he could not stop what they were doing (and majority of the people still could not see what was happening) he initiated the Warp Speed version.

Thus knowing that even “his vaccine” was no cure and came with risks, it was the only way to prevent the DS’s version from being mandated. DJT KEPT IT OPTIONAL. This is why he can honestly say he “saved millions of lives.” He saved the American people from legally forced to get the death jab.

This is the kind of war we’ve been in. Risks on either side- casualties included. We need to see the bigger Plan; and why we need to appropriate The Blood of Jesus in everything we do. Hope this helps. Blessings,

Meant to say on the second paragraph, The DS’s original plan was to get their vaccine FDA approved and legalize a mandate. Had DJT waited, their plan would have forced every American to get their vaccine— by LAW. Sorry about that.

What secret society is he a part of. This is the root of this country problem. Get rid of all the secret oath keepers. I know it’s alot of them.

I believe God has has enough. So many apostates, so many churches satan being built, so many turning to ‘their’ new religion of satanism.

So, like a plague God is given the masses what they want, no law, no order, all sexual immoralities available.

As Jesus says: ask and you shall receive.....

I don’t think that was the context in which Jesus said it. The last thing God wants to give us is more abominations and evil practices. Yes. God gave us free will. Yes, God gave us choices. Yes, He puts life and death before us but He encourages us to choose life, if we look in Deuteronomy. He wants us to prosper, not be destroyed. He HATES that above all else.

They do want to depopulate the earth. Well, we can all start the depopulation by getting rid of those that want the depopulation. That should be good for a few million at least.

Take them all down. Take them all down.

Yes, & they ain't in their right minds. Their hazing & rituals & peer pressure have created monsters filled with demons. If they were ever valid in any way, they've long since become corrupted & Satanic from the Deep State Khazarian Cabal influence from within. High degree members sell their soul to the devil~ that's a fact.

Take a look at SES (senior Executive Service) and you will find many of our upper level bureaucrats came from them. Each person from SES needs to be investigated to the core!

NO need for investigation , the SES are chosen and appointed to serve the establishment inbred , masonic , zionist , satanist jew oligarchs. The ENTIRE SES, should and will most likely be arrested, taken to a GITMO facilities, held before US Military Courts , Tribunals , and PUNISHED ,many will be EXECUTED.

Hope military shut off oven before they left, and placed food on floor for the dogs & cats if any.

Last edited 12 hours ago by John .S

Better yet, I trust they arranged for someone to call a shelter to pick up the food and give it to those in need....and yes take care of any animals on the premises by calling animal services

nah man, sources say they left the oven on in fervent anticipation of Bankman getting Fried

I wonder if the adult children will be wondering where their parents are and if they will be filing a missing person's report?

Hey Lloyd,I'm still waiting for confirmation one way or the other but it is interesting that if this did happen that the adult children aren't on the news reporting that their parents are missing...

Hope that you had a great Thanksgiving

A note was left on the kitchen counter, Food is in the oven , enjoy the meal , Be BACK.....? Happy Thanksgiving!

That's why we all have to step up and change things.

Constitutionally, that is, and not by some leftist Rothschilian loser's name!!

Other states may have already complied with his heinous bullshit, He has them " covered " .

THEY WILL ANALOG RECORD IT. I ALWAYS SAY, SHOW THEM EVERYTHING, EVEN IF IT HURTS, AND IT WILL HURT A HELL OF A LOT!! HERE COMES THE PAIN!!

Although these arrests are definitely a positive development against the transhumanist agenda, what is the ultimate benefit if these parasites can be readily cloned or duplicated? What is being done about the dark side's ability to literally manufacture armies?

Last edited 11 hours ago by jimbo

Duplicates or clones can be easily handled by white hat handlers such as DJT. He is JB's primary handler ICYMI. Lord help us,

Shoot the manufactured armies in the groin , that is where the brain and central nervous systems have been located.

The evil lunatic baby raping child multilating sacks of phlegm monsters wrapped in skin, need to either be put into mental asylums with no hope of release or the death penalty. If put into asylums they must have their genitals perverted like they want to do with OUR children and lobotomys.

End of discussion!

Better to just hang all of them. We don't want to have to feed them for years while they are in a mental asylum. They want depopulation so let it start with them.

Better that than they walk the streets still. Cheaper to lock them up than kill them. \$70,000 per head to incarcerate versus \$1,000,000.00 to execute them. If keeping them in jail for life means keeping them off the streets and away from our sons and daughters, then our tax dollars are working well. Our kids matter above all else.

Your numbers are BULLSHIT, you must be a lawyer or attorney, are you with the ACLU? USDOJ? SPLC? ADL? These degenerate deranged lowlifes are being held before US Military Tribunals , then punished. There is NO jurisdiction by the US LEGAL RACKETS and RACKETEERS. These lowlifes are being treated as ENEMY COMBATANTS, their status as American citizens has ENDED. ENEMY COMBATANTS, this is why they get US Military courts and Tribunals . This is the way it goes for these TREASONOUS FUCKS. ENEMY COMBATANTS do not even have to be held before US Military Courts and Tribunals , they can be EXECUTED on the field of BATTLE. I would expect that many of these assholes have been EXECUTED on the field of BATTLE already, but you will not hear about thattill later.

No details of the arrest other than putting a turkey in the oven and green bean casserole. Sounds pretty detailed other than the zip ties that were most likely used to subdue.....c'mon Mike!!

Ted Striker: My orders came through. My squadron ships out tomorrow. We're bombing the storage depots at Daiquiri at 1800 hours. We're coming in from the north, below their radar.

– Elaine Dickinson: When will you be back?

– Ted Striker: I can't tell you that. It's classified.

The key detail came at the very start of the opening sentence. However, yesterday, I mentioned that roasting the proverbial turkey appears to be on the decline, but that the green bean casserole seems to have become standard. I may be on to something ... Thanks for the reminder.

That's why they make sauce. I never liked the taste of green vegetables so I put something on it to kill the taste. Sauce makes a difference in anything you cook.

Cardona wants educators to teach that gender is a choice, that God's will for each child be usurped, that each parent's care should also be usurped. Yeah, they teach that you can take your blockers, cut off your breasts, cut off your penises, put on the clothing and then go out there and gaslight everyone around you. My heart goes out to each of these children and I pray that we be released from this Satanic nightmare soon. They plan on legally taking these children from their parents. For the Love of God, this needs to stop. Can't believe I even have to write these words

We can't believe this is actually happening to our youth,. Writing these sword show We the People oppose this for our youth!

The whole gender reassignment , conditioning the children on the numerous multitudes of genders , the use of proper pronouns for those that are gender sensitive, etc. , ALL of this crap is for the New World Orders ultimate agenda of TRANSHUMANISM, YES , TRANSHUMANISM, You need to do some research, and this is satanic, SATANIC. This is FACT, NOT BULLSHIT. VERY SERIOUS STUFF GOING ON HERE, and most of Humanity is OBLIVIOUS to what is going on.

The most expeditious thing that could occur is forcibly taking the kids and might as well go for the guns too. Let's get this party started!

May the Lord God Yahweh damn his and his children and his wife's soul to hell.

They are all part of an abomination to the natural, healthy, good world God created.

Don't tell him to be careful with that, he has a right to speak his mind. He has a right to be angry about his treason and his hatred for students as we are. THESE ARE OUR KIDS WE'RE TALKING ABOUT!

These people do not deserve to walk away freely for telling our sons and daughters to take puberty blockers, cut off their body parts, not tell their parents and live like a monstrous horror for the rest of their lives all for some stupid agenda. I'm mad as hell myself that our children are being force-fed this bilge. Nobody likes a paedophile, incest aggressor, rapist, transsexual or any sort of sex offender or LGBTQIAP-indoctrinator. There is a reason President Putin's lawmakers passed that law prohibiting any sort of LGBTQ propaganda in Russia. He's only trying to protect the kids, and I don't blame him a bit. President Trump is not standing for that CRT being rammed down the young ones's noggins, or LGBTQ "screw the parents knowing" cisgender-hating nonsense, either. Nor is Hungary's Victor Orban or Italy's Giorgia Meloni. At least the kids won't be gay or be forcibly sterilized and can't have kids later. Those LGBTQIAP sex-change procedures should be globally banned, even for adults. There is just too much sex change regret going on — especially for the kids who were lied to and their families who were lied to by teh doctyors and surgeons and therapists, including Jazz's parents on TV's "I Am Jazz." And it must stop now.

[insiderpaper dot com forward slash russian-lawmakers-approve-law-banning-lgbtq-propaganda](http://insiderpaper.com/forward/slash/russian-lawmakers-approve-law-banning-lgbtq-propaganda)

[sexchangeregret dot com](http://sexchangeregret.com)

Well spoken Xena!

I would not want Jazz's karma and I especially wouldn't want the mother's karma. She is the driver here. They think they are doing such a favour for humanity but they are, in fact, serving the Satanic agenda. Jazz is pushing 400 pounds from the female hormones and her life is ruined forever.

Please Please Please televise this trial so every parent will get sick to their stomach seeing what they have been doing to the children!

I get sick to my stomach when I see most spics, especially the day EBT cards are funded!

nah, I just give the beaners a wide berth and hold my nose when in close physical proximity!

Hispanics smell weird, their food maybe?

Have you tried walking around with a clothes pin on your nose, then? Keeps your hands free.

SANCTUARY state of Washington is FULL of illegals.. every time i go to grocery store.. foreigners who don't speak English from ALL across 3rd world are lining up for free food on the back of American citizens.. WHO VOTED FOR THIS FREE FOR ALL??? NOBODY!!

Probably, he doesn't have one. Probably, he had it cut off so he can be like all the children he wants to slice and dice...I hope that platform malfunctions again....

Thank GOD!!! Another satanist that is trying to transform the race of Man into freaks of nature. The Creator of Mankind is ready to bring the scum to the swamp.

As you so aptly wrote, " Another ... trying to transform ... into ... of nature." Add to that: So they cannot procreate, for he hates humankind.

His children should be arrested as well. They probably were brainwashed by him and might be abusing their own children.

Well if my parents came up missing on Thanksgiving day or any other day I would be filing a missing person's report

Miguel Cardona was instructed by someone to promote these policies. He did not fabricate and impose these ideas without approval from his leaders. I hope he squeals like the pig he is and they all go down.

IDTS. I heard the prisoners were kept in solitary confinement and never leave their cells, not to eat or shower or crap.

You do understand he is paid handsomely to do this! I'm sure his kids were not subjected to this insanity! You cannot be in a position of power and not be a part of this!!

check out Mr Whitmer and you'll see the olfactory instrument is clearly Jew Standard Issue.

Will do. Speaking of "Standard Issue," given the oftentimes common nature of said interests or activities and their pervasiveness, can one help but wonder if we're not talking the Synagogue thereof ...

YES!!! These demons who are trying to ruin the lives and minds of children all need to visit GITMO!! Good job President Trump and White Hats. The most important thing is protecting the lives of our children from these demonic beings in our government. Lord we can't fight them without you. Everyone pray as hard as you can that the White Hats will reap a bumper crop and GITMO will be very busy for a while.

We're still living under a criminal coup d'eta CCP puppet regime, we're being massively invaded and repopulated every day, we're in a hundred plus billion dollar inexhaustibly printed proxy war against Russia and they're still very much in possession of the levers of power with which to continue "transforming" us and loads worse. They don't care who gets grabbed as long as they can continue destroying. Locusts take no thought of their success. They keep feasting until they're destroyed and driven out

This is great news...may God speed to get them all and save the children from this evil! It seems like justice is taking forever, but I know that God is moving!

Every school superintendent should be sent a message that if they do what Cardona says, there will be dire consequences to contend with and all turkeys will be confiscated.

Miguel Cardona's clone will hit the ground running without missing a beat. These arrests have no effect on the policies carried out by the Biden regime.

Behold the filthy hispanic deceit twisting on Cardona's face as a smile. The wetback spic is putatively a sub-species of the Homo Sapien. Similar to how africans mated with mongols to make the chinese communist dyke, sand niggers mated with inca/aztecs to make the present day spic replete with the hallmark hispanic lisp!

“Cardona... exceeded his purview and must be held to account”

Yes. And what I also see here is a total lack of conscience – the definition of a sociopath/psychopath. A normal person with a conscience would never do what he did.

Schools of Education are the academic slums of most Universities. Job number one for teachers is to expose students to pornographic material while encouraging them to take puberty blocking and chemically castrating drugs that are also used on convicted sex offenders and to undergo surgery that mutilates their genitals. These sewer rats will keep on keeping on, regardless of the status of Miguel Cardona or his subsequent clones.

Having become more of a skeptic lately, I'll be watching for any public appearances by Secretary of Education Miguel Cardona in the coming weeks. I know I'll get flamed here, but I ask you, have you

seen the current Alec Baldwin in the news? He has been in the news, and in my opinion, not even a robot could duplicate that despicable human trash. And yet, there he is, not dead.

So the “information” you got said they were putting a turkey and green bean casserole in the oven? A turkey would take hours while the green beans are 20 minutes at most. Not to mention that the turkey would cook at 325 at most while the green beans would be around 425. Reminds me of a quote from a documentary I watched once.

Ted Striker: My orders came through. My squadron ships out tomorrow. We’re bombing the storage depots at Daiquiri at 1800 hours. We’re coming in from the north, below their radar.

– Elaine Dickinson: When will you be back?

– Ted Striker: I can’t tell you that. It’s classified.

It may be, as the green beans are “30 mins or until hot” at only 350... But he does make a good point ... :s

Gee do you think the bean casserole was being prepared to go into the oven LATER? It is a distinct possibility that cannot be ignored, LOL. Good God.

You wouldn’t know how to bake a turkey if one was shoved up your butt. You’ve probably tried that.

I see that I have returned to your shit-list, Mr. Baxter. You must suppose me to be a very dangerous man. I invite you, personally, to view my 33rd episode on rum ble chan. It has dots of use to all of the awakened ones.

Just cap this pos twice in the back of the head. Dump home in some bushes in DC. Call it suicide. Everyone will blame it on Clinton.

“Cardona became a target of opportunity in September, after White Hats at U.S. Army Cyber Command “obtained” disturbing, confidential letters Cardona had authored and sent to school district

superintendents in Arizona, California, Michigan, and New York. In the correspondence, Cardona brazenly encouraged districts to hire non-binary teachers, writing, “Modern youth must adopt the principles of a modern world, at an early age. Not every boy is a boy and not every girl is a girl. Exposure to non-binary faculty will help today’s students—tomorrow’s leaders—understand gender is a choice and not mandated at birth.”

Cardona’s dispatch also mentioned hiring transvestites to increase diversity.”

““As educators we have a responsibility to make sure students have sexual options. We must accept our role. Cisgender parents are not qualified to instruct their children of sexuality in today’s evolving world,” Cardona wrote.”

THAT BASTARD IS GOING TO HANG.

Excellent work, Michael, Thank you. Please continue. Hope your Thanksgiving dinner was delicious!
