Pobočníci guvernéra Floridy Ron DeSantis na něj naléhají, aby zasadil rozhodnou, nemilosrdnou ránu Donaldu J. Trumpovi za to, že neprozíravě uspořádal banket pro dvě kontroverzní, polarizující postavy, které se v současnosti vyhřívají v centru pozornosti médií –

Ye, dříve známého jako Kanye West, a Nicka Fuentes, 24letý kluk obviněný z chrlení antisemitských a misogynních komentářů ve svých přímých přenosech.

Trump, jak příběh vypráví, pozval Ye na večeři v úterý večer v Mar-a-Lago, protože se těšila na prohlídku Trumpova sídla na Floridě a Fuentes byl označen jako Yeův nezvaný host. Podle videa, které Ye později zveřejnil na Twitteru, požádal Trumpa, aby se stal *jeho* kandidátem v prezidentských volbách v roce 2024, což je návrh, který vyvolal některé nepříliš milé poznámky prezidenta Trumpa, který zatlačil zpět na Truth Social hours poté, co Breitbart informoval. na večeři.

Trump zveřejnil, že Ye za ním přišel pro obchodní radu a dodal, že před úterním jídlem neměl tušení, kdo Fuentes je.

Jinde na Floridě se Ron DeSantis doslechl od zaměstnanců, kteří mu doporučovali, aby okamžitě udělal z Trumpovy večeře národní téma a že Trumpa odsuzuje jako „bezohledného“ a „bezprezidentského“. Ředitelka komunikace Taryn Fenske poradila DeSantisovi, aby zvolal Trumpovu „Dinner for Shmucks“, odkaz na komediální film z roku 2010.

"Trump pozval hispánského bílého supremacistu a černého antisemitu na večeři." Neseďte na to, guvernére. To, že Trump řekl, že o Fuentesovi nevěděl, je absurdní. Také řekl, že nevěděl, kdo byl Julian Assange – poté, co v roce 2016 tuctykrát citoval a citoval WikiLeaks. Přesně věděl, s kým má co do činění, a Trump se s nimi z nějakého důvodu setkal. Neměli bychom věřit, že se Fuentes objevil bez pozvání z ničeho nic. Mar-a-Lago takhle nefunguje – hosté jsou RSVP a prověření," řekl Fenske DeSantis podle zdroje z kanceláře guvernéra DeSantise.

DeSantisův náměstek tiskového tajemníka Jeremy Redfern údajně zopakoval Fenskeho sentiment a řekl, že Trumpova „tajná schůzka zkrachovala“ a že Trump „ukázal svou pravou tvář“.

"Guvernér DeSantisi, mluvíme o Trumpově večeři s popíračem holocaustu, který říká, že ženy by neměly mít volební právo." Fuentes je odporný. Pokud se Trump spojuje s lidmi, jako je on a Kanye, musíte tyto zprávy zaujmout středem pozornosti," řekl Redfern. "Tito zhoubní nespokojenci nejsou skuteční MAGA - jsou to objevující se ikony nenávisti."

Redfern dále řekl, že Ye a Fuentes se snaží rasismus normalizovat a učinit z něj součást hlavního proudu konzervativní politické ideologie.

Šéf guvernérova štábu James Uthmeier měl však na Trumpovu hostinu jiný pohled: Ye a Fuentes Trumpa připravili.

Trump, vysvětlil Uthmeier, má historický sklon přijímat ano-muže, labužníky a voliče, kteří na něj přehnaně zpívají chválu. Ye i Fuentes do toho pasují. Uthmeier tvrdil, že Trump, vždy laskavý hostitel, pravděpodobně věřil, že Ye se chtěl jen propašovat nahlédnout do Trumpova honosného sídla o rozloze 62 500 čtverečních stop a neměl ponětí, že se chystá Fuentes, „agent provokatér“.

„Možná, že Trump nemá o Fuentesovi ponětí. Rozhodně nehodlal Kanyeho hosta v žádném případě odmítnout,“ řekl Uthmeier DeSantisovi. "Toto má napsané nastavení." Kanye chce být prezidentem. Fuentes je součástí jeho kampaně. Chtějí podkopat Trumpa. Věděli tedy, že Fuentes přinese špatný tisk, a celou věc prozradili v naději, že s tím média poběží.

Guvernér DeSantis upřednostnil udatnost před pomstychtivostí a řekl, že si raději „sedne a uvidí, co se stane“, než aby se vměšoval do Trumpových osobních záležitostí.

V úterý večer nebyl přítomen žádný ze tří zdrojů RRN z Mar-a-Lago, takže nemůžeme Trumpovu reakci oficiálně komentovat.

Oslovili jsme Trumpovu mluvčí Liz Harringtonovou, která řekla: "Řekli jsme vše, co jsme k této otázce říci měli."

**Free Speech a Alternative Media jsou pod útokem Deep State. Real Raw News potřebuje podporu čtenářů, aby přežily a prosperovaly. V roce 2023 se snažíme vydat tři knihy a najmout talenty z vysílání pro videokanál. Vaše pomoc může pomoci tyto cíle uskutečnit.**

Nedávejte své těžce vydělané peníze webům nebo kanálům, které kopírují/vkládají naše duševní vlastnictví. Trávíme nespočet hodin prověřováním, zkoumáním a psaním. Děkuji. Každý dolar pomáhá.

Ye je stále pod satanskou kontrolou. Je tam, aby se zjevil jako „anděl světla“, ale jeho ovocem bude zmatek a chaos. Jeho rozkazy jsou narušit a překazit plány. Vrhňte špatné světlo na křesťany, „maga“ a svobodu slova.

Ye has been MKUltra, and he has told people such so, he is trying to get out of the illuminati with his life. Just remember Kanye didn't kill himself..we as Christian's should pray for both parties..

Interesting narrative being used here.

It all seems to revolve around protecting our 'beloved' controllers.

We wouldn't want to upset their vise-like grip on us... now WOULD we?

Trump is hated by everyone in power.

Hmmmm... there MUST be good reason.

Last edited 12 hours ago by Jimbeau

what's ADL ??? Could you please explain too us what it means?

Thank you for any information about this .

Anti Defamation League, it is run by the Khazarian Mafia and has only ill will for ALL white people and has a depopulation agenda for the entire world, numbering 7.5 billion people dead by 2030. They are NOT Semites, and they have, since they infiltrated the Jews, a few thousand years ago, killed off the vast majority of the REAL Jews, they were named by God in Revelations, the Synagogue of Satan, the jews who are NOT Jews. They are fake jews, they do NOT practice Judaism, they practice satanism, and it is their practices that became nearly worldwide among the elites, the child trafficking, rape, torture, and killing as a sacrifice to the god they worship, Satan under the name of Baphomet, and then eating the sacrificed child and drinking its blood.

Exactly. Those saying “it’s the Jews!” are completely wrong, and also, “correct.”

It’s the **liars**, is the full truth.

The liars say that they are Jews.

So: it’s NOT “the Jews”; it’s the liars who put themselves forth as something they are not.

Unfortunately, they call themselves “the Jews” so if we want to talk about them, it’s “easier” to use the name they give for themselves.

Even though we know they’re lying about who they are.

Revelation 2:9 and 3:9 discuss this. Those digits total 23, as in, “now comes the pain” password. Biden’s “dark winter” in 2023?

Correction they didn’t kill off the mass majority of the REAL Jews. There is still alot of us around. You forget the promise that G-D made to Abraham. Can you count the stars in the sky or the grains of sand ? You also seem to forget that Jews do come in all colors. White from Spain, Portugal as well as Europe. Ethiopian Black’s also Asia ect. You do know about the Diaspora don’t you? My mother’s line was from Spain she considered us as Spanish and since my father’s line

was from Germany I was also considered White. She told me that when I made a comment about us being Mexican and corrected me regarding that subject. There are a whole lot of Real Jews then there are of the km.

The only reason everyone in power hates DJT is that they can't beat him I all facets of life political or otherwise. Blessings,

I don't think women today recall the purpose of the women's movement. It was never intended to be a sorority full of ignorant women. The movement was about self-enhancement.....get an education, fine tune your marketable skill, become a revenue producer that can bring home the bacon AND cook it. I don't see where many women born during the 70s through to the present who know HOW to be liberated. Instead, most women grouped themselves to fight to become man-like in a man's world while presenting themselves as[exhibitionists. Women have smaller brains for a reason. Therefore, I agree that women of today have proven why the founders did not include any women during election season. We all witness the ineptness of women today whose capabilities do not even include motherhood's responsibilities. Women should not be voting,....like it or not the writing is on the wall.

You might consider therapy to address these 'women-hate' issues, perhaps stemming from your childhood. I'm sorry it was so rough you've turned out like this. Taking personal responsibility however, for our own behavior & screwed-up thoughts & attitudes, is how we proceed into a brighter future together.

I marched for women's liberation....women my age got excellent educations, we were competitive in the job market, we EARNED our incomes, we wore power suits instead of cleavage and eff me shoes and we went to professional jobs where we had to COMPETE with men to make a good living. You probably weren't a woman in the 80s. I look back over the DECLINE of the female essence since Hitlary Clinton chose to throw your generation of women over to the

very profitable abortion industry. I look over the millennial generation and see a lot of useless chattel amongst the female population. Beauty is not fake and T&A aren't brains. Got it? You have a brain between your ears. Use it, please.

It would help to consider your audience, the trashy ignorant women you are describing are not really going to be on this page.. so I guess you do like to clash with people and slam doors and cabinets too hard type of thing and it does look you got somebody who wants to play so that's fine..

We don't get to see these women. What we see on the outside says much about what is going on inside the brains of others. I'm not seeing very many pretty young women. And the ones that are pretty aren't wearing much. Do the younger women know that men their age don't want them? The reason isn't difficult to see. Personality drugs used to disguise their lack of awareness seem to have done much damage. Women of the millennial generation are chattel. Do they know what that means?

You're right about that, Tracy.. There are, worse yet, women, who have achieved success but then put their daughters down for wanting the same success through the good example of education and hard work their mothers set for them. Sometimes mothers are jealous of their daughters who show great potential and success and they hold them back, which is damaging to the woman who wants to conquer the world and succeed like mom and grandma did, only now more doors are open to them than before, which is what we as women have fought for during many decades. Which is sad.

I knew a woman like that, she was highly educated and successful, got married and had kids; but when her daughter wanted to achieve great heights too, she had woman-hate issues and held her back, would not send her to school, would not let her work for her own money, told her not to get married when she turned adult (her right as an adult), told her not to have more than one or two kids (what, three or more is too many? Hello, her body her choice), all the

controlling issues that can mar a child's perspective on life and belief in oneself. The mother died early, leaving her teenaged kid an orphan, She could not take care of herself and had to learn the hard way to survive — cooking, cleaning and wanted to work but had no skills to work. She got herself through school, work, and got married. She votes in every election and believes in the American dream to this day. Only she couldn't have kids and was marginalized for adoption who went for the gay parents more than the straight parents. She did not have small brains, but she had a very bad mother. She is now very angry and very bitter.

Your generation knows that your age group is not likeable, right? lmao I have a daughter.....she is beautiful, natural, a revenue producer and has self awareness. I raised my kids rather than allowing government to do it. I think the latchkey kids, many who came to my house after school, got a raw deal but I don't like being exposed to the results of the damage done to them. Yet, as adulthood reaches near the age of 18, they still don't mature. Twerking isn't getting them positive results.....but maybe a case of the cherpes. By the way, stating that there is women hate out there would not come from my corner of the world. I love being a woman and have many friends that do, too. None of us had to demean ourselves to make money or to go out in public socially. Your immaturity made me laugh. Thanks! Grow up, dear. Respect your eggs.

I think this is overly simplistic as well. She definitely has a point and though all races have been affected by the matrix brainwashing, certain demographics and education levels are going to have more fitting the stereotype she describes. and it's usually the more egregious that end up in the news and on tv and Instagram. I certainly can't chalk all of her comments up to the race card or gender card you appear to be using... she is making an overgeneralization but I would not dismiss it by calling it "hate". She may have just viewed a negative storyline somewhere regarding this; I mean it's everywhere, and so the ideas and emotions are right at

her fingertips. or maybe she just tends to jump to conclusions quickly or writes very spontaneously or has a relative like this who is always in her face with the trashiness and low class behavior.. who knows?

I have no insecurities about being female. I do not think the millennials have a clue HOW to be female. It is innate. Why do younger women of today worry more about the shoes they wear instead of the ability to think for themselves? I see a generation of females who have no clue who they are as individuals. Why? Look around....all you see is their desperation to be loved for all the wrong reasons. Did self love and respect become obsolete? No wonder the trans men have come to the surface to replace them on the job front. And, those men are seeing women as being clownish in appearance and replicating that appearance. I am a proud female and so are all the viable women in my generation. I don't believe government should have replaced mothers and fathers.

Perhaps not blaming women en masse, but placing blame where it really belongs (the CIA establishment media) would be prudent. There's no reason women shouldn't vote; especially once we shed ourselves of the last of the parasitic, manipulative forces steering the national zeitgeist.

Women today are not individuals. They are part of the collective of sheep. This saddens me because we women who were in college during the late 70s were built great, we cared how we looked, we didn't compete with men in sports or even on the golf course and our IQs are 30 or more points higher than the millennial females. I did not create that condition and I do not like being exposed to uninteresting women. And the funny thing about it all is that the younger women don't even know they are not attractive inside or out. Now, they got the shot and won't be procreating. Stupidity or sheep?

Amen! Women ought to keep their mouths shut in Church, too as they were the one's who were deceived by the devil.

And who did Jesus tell to inform the disciples that He had risen from the dead? Dominick Prick the plumber? No.

He told Mary Magdalene, the woman he delivered from many demonic afflictions and she became the first woman preacher of the full gospel, found in the last chapters of Matthew, Mark, Luke and John which chronicle the Resurrection of the Messiah.

Hulda was a prophetess who was the keeper of the wardrobe of the college in the OT in 2Ki 22:14 .

Miriam was a prophet – just like Habakkuk, Isaiah and Malachi in Exodus 15:20-21

Wise women saved the city in 2 Samuel 20:16-22

Deborah was a prophet, a judge and military leader of Israel in Judges 4:4-5.

Anna was a prophet in Luke 2:36

Many of the early church leaders including preachers and prophets and teachers and evangelists were woman.

Mary was in ministry; her home was a place of worship for believers in Acts 12:12

Philip's four daughters went into the family business and became prophets in Acts 21:8-9 .

Lydia was in ministry and her home became a place of worship for believers in Acts 16:12-15

Phebe was a preacher at Cenchrea in Romans 16:1

Junia was an apostle just like Peter, Bartholomew, Paul, Matthew, Luke, and the other apostles in Romans 16:7

Women pray and prophesy in church: 1Corinthians 11:5

Priscilla and Aquila were husband and wife ministers:

1 Corinthians 16:19, Acts 18:2 and Acts 18:26

Jesus spoke with the Samaritan woman who was the first female evangelist of the New Testament. Joh 4:24-30

If God hated women so much, He would not have sent His Son to save them. he would not have opened the wombs of barren women like Sarah, Hannah, Rebecca and Rachel. He would not have inspired a woman to teach her son wisdom in selecting an ideal wife in

Proverbs 31. He would not have sent Elisha to help a poor woman sell pots of oil to clear her debts so her sons would not be enslaved. He would not have sent Jesus who was born of a woman as prophesied in the OT 7-8 centuries prior. He would not have poured out His Spirit at Pentecost on BOTH His sons and daughters for them to go around the world to preach the Good News.

**GOD DOES NOT NEED A MAN'S PERMISSION, LET ALONE YOUR PERMISSION TO PREACH AND TEACH AND DO KINGDOM WORK. YOU ARE NOT GOD'S BOSS.**

Get your Bible facts straight, pal.

so everyone who agrees with church is a devil and demon now?  
what's next burning people to death because they aren't religious?

you Christians sure are destroying society faster, lol.

The sin was charged to Adam not Eve....he was over her and he disobeyed God with very little urging. Sin comes through the man Adam that is why Jesus only had an earthly mother. Read your Bible.

You sound like a "Mormon Woman" ...! Mormon indoctrinated women are 2nd class humans, because they are descended from the wicked Eve, but males are A-OK and are 1st class and don't have to prove themselves to the white old guard board of Mormon directors...

LMAO!!!! Sweetie, I don't do public religions. They all came out of the Babylonian years with the intent to control the masses. I am not part of your collective. It looks simply awful from here. If you want to know God then you will have to learn HOW to use your brain. The Bible was written by man....God doesn't write books. His messages are clear as day, though. What is your educational level. That may be why you think religions created by man are the way to go. You might want to begin taking classes in geo and astro physics. That is where you find God which will allow him to find you. Not all of us are going into his dimension. He has a wall.

Things are rarely so cut and dried. I look at the women's movement as freeing women to not be slaves to men; if the man is abusive, we can now leave him, we can support ourselves and hopefully our family if necessary, don't have to endure a miserable marriage, etc. Female suicides went down when divorce stats went up historically, when women were able to leave when necessary. Men, conversely, are able to leave easier as well. Like most things, it's a mixed bag of benefits and liabilities on various people. Women do seem to have thrown away many of the benefits and they were wanted by the bankers as workers, to cover up the inflation created by the fiat currency system, and had the bonus for them of destroying the family as well. If they can manage to avoid the cabal matrix brainwashing and start to think for themselves, things could improve. I still look at it as a plus, but let's try it without the federal reserve slave system and see how life improves for everyone... when more women wake up, and many are, it can be better. I don't see the vote going away and nor should it, both genders are not immune to the brainwashing and I know plenty of men who are drinking the Kool Aid while I am not and never have.

My Companion mother makes 50 bucks an hour on the PC(Personal PC). She has been out of work for quite some time however last month her check was 11,500 bucks only working on the PC(Personal PC) for 9 hours per day. For more detail visit this article..

<http://libertybucks1.blogspot.com/>

Last edited 12 hours ago by Barshembar

Whoopie for your companion mother.....no one on hear wants to hear that scam. You people do it all over facebook. I guess you nab a few suckers along the way.

the first album of Kanye clearly clearly has complex satanic gematria. That gematria was aimed on commercial success but also has a long history of dementia side effects: people believing they are God, or Jesus... or wanting to run for president.

Kanye is not squeaky clean, 99% of the people at that level are compromised.

For Kanye to ask Trump to be his running mate, tells you something is loose in the upper story. He needs prayer for healing and deliverance. Don't forget, DeSantis was shaking hands with FEMA just a few weeks ago. Sometimes big stories are mostly hot air and not a big deal.

I had heard here on RRN, that DeSantis had asked Trump to be his running-mate, which is what engendered the DeSanctimonious remark. Kanye would have had to be referencing that as a joke. To be serious? No way, Kanye.

It's hard to accept the notion that Ye would ask Trump to be his running mate in all seriousness without assuming that he's also insane in the membrane.

Kanye just may have been joking. I have no idea about him as I've never followed him. Does he have a sense of dark humor?

"satanic control?" for what? Because he is exposing the total Talmudic control over America? The FED. TV & media networks, Big Pharma, Porn, etc? JEWISH CONTROL, you idiots. It is satanic, meant to collapse Western, historically Christian cultures. Kanye is not perfect, but he did what Voltaire said that if you want to see who controls your culture, find out who you cannot publicly criticize.

Baxter is showing his true colors by doing this. Desantis is ZIONIST.

John, your commentary is SPOT-ON. My only reservation is regarding Gov. DeSantis, I am not ready to cast DeSantis as a Zionist just yet. I sense there are "other" things going on here, but we'll have dialogue a bit later on this if you would like. Take Care

Please do more research before you post uninformed drivel about Kanye. He is under control of the DS. and I do agree Desantis is a Zionist. Time will disclose all.

You are talking shit. Your take on this matter is ENTIRELY BULLSHIT. I will leave it at that.

I don't see the problem in hating joo\$ as they are all vampires who love to drink human blood for sport!

You're wrong. Not all Jewish people are like that. You're cursing God's people, so be careful. Curse God's chosen, God will curse you as well.

this is why im not religous. you christians are mad. same types who burned the one so called witches in the 1600's.

just watched a video up on bitchute of all the ones killed at different location, dates were give, lots of clones, but I was surprised by one name DeSantis this year. wow he was pure evil.

Apparently a lot of folks won't be able to handle the truth about the Jews. A lot of "Christians" fear to openly talk about Jewish supremacy.

Research "Harley Pasternak" to find out what Ye is up against.

You are right that there is satanic influence. He appears to be breaking out of the control, though. (Or, perhaps "the breakout" is part of the show, and we're all truly trapped? Having a rough day...)

Christians are not "Judeo-Christians" which seems a ruse to combine two wildly different frames of thought: the Jews think Jesus Christ is boiling in excrement in Hell, and they're waiting for a different savior. They need to read Isaiah 53, it appears.

Yet America is described as a "Judeo-Christian nation"...

MAGA is also "slightly off" because resets happen every 130-150 years. The generations go in quads:

Hard times make strong men;  
Strong men make easy times;  
Easy times make weak men;  
Weak men make hard times.

The cycle repeats.

Well President Trump DID make America great, with \$1.87/gallon gas, etc; he can do it again. Britney Spears (“Oops, I ...”) and the conservatorship comes to mind; we’re getting out of our own, as well — the birth/berth certificate fraud.

Research “state national” for that latter. I have a lot to research.

God bless in Jesus name.

Isn’t there a saying, ” keep your friends close but keep your enemies closer”? Sort of like the art of war. Trump is the COMMANDER AND CHIEF, maybe D can learn from a 5d chess player. Just saying.

I think you are referring to:

Forgive your enemy, but remember the bastard’s name, or;  
Friends come and go, but enemies accumulate.....

Never keep enemies in your camp I say. That it would be good to keep them close, to me, is just plain dangerous and a little bit ridiculous. Who invented that saying anyway, to keep your enemies close, lol? I think it was the enemy

Desantis should very careful , he has hidden truths yet to come out !  
However I am losing faith in Baxter ever writing this drivel , Trump has a way of exposing people by showing them into the light!

Even our “Last Man Standing” has to bow to the evil controllers of this earth.

He picked the Tim Allen character for a reason.

I wondered why Michael wasted his time with this story, but at least he is throwing out what he receives.

Hey remember when Michael promised the EBS would happen after the midterms, and then he said Trump just changed his mind and decided to cancel the EBS, and not expose all the fraud MB says they proved, and just campaign for another two years instead? Good times huh

I never promised anything. And I also explained in comments that Trump asked the military not to EBS when he decided to toss his hat in for 2024 for an official move at getting reelected, even though he's been behind the scenes working with White Hats on Military arrests. Nice attempt at gaslighting, though.

Yes Michael , and I asked you in two separate posts at the story where you initially reported this issue. What was the reasoning for President Trump requesting that the White Hats NOT set off the EBS. Why did he request this of the White Hats? And I/we never heard back from you. If the reason or reasoning is not mentionable, classified , just say so, but to leave this open ..... is not right. So I pose the question again. A response to this would be appreciated. Thank You

It looks to me like the red wave was big enough that we were safe exposing it and fighting it in the public arena as Kari Lake and others are doing.. exposing it to the normies is good.. and not having to resort to the military is good.. the government is supposed to be run by the people and the people should work to overcome the stealing since there appear to be enough awake people.. yes, the military is needed for what they are doing, some heads have to roll in order for the people to have a chance because the corruption is so deep and wide.

Cool so rather than simply expose the fraud and assume office now he will just campaign for 2 years and then probably lose 2024 anyways. Great plan! Great work MB!

I'm assuming that you're aware that Lloyd, Wozz, Russe11, Bofa, etc etc etc are all the same person. Probably also Ron Burgundi, De1ta, Redw1ne, etc.

Re DeSantis, there is information about him on the internet, that if true, could cost him his political career. Someone take a look at his investments and partners in those investments. That Trump is having a private dinner in his home with people we don't necessarily like does not make him evil. If I want to know what "the other side" is up to, the best thing is to sit with them and Listen. Encourage them to talk. The longer they talk the more you will find out. Maybe we should all read the Art of War. Also the Art of the Deal. Besides whose business is it what Trump does in the privacy of his own home. Too many people here making judgements and jumping to conclusions without anything to back it up. You are the ones harming Trump. Get off his case!

I've had to entertain people I didn't invite or like before. Common courtesy dictates you be a civil host. Who knows what the intent was.

I think MB (please deny or verify this statement if need be, MB) has specific a job to do; express the intel he's given from his contacts without personal bias, knowing at any time that he could be given truth as easily as disinformation (or a blend) and that "disinformation is necessary". Also, I assume that MB expects no one to believe what he writes, as he knows full well that one shouldn't accept unverifiable stories as fact; but to simply file it in a "grey box" in your mind to weigh against other pieces of information you ingest here and elsewhere.

That said, these RRN Trump/DeSantis stories have been bugging me, too.

Lastly, your last comment, "Trump has a way of exposing people by shoving them into the light!" is, as I see it, his single most important quest ever since he entered the arena of politics.

I believe Baxter if just letting readers know that there are parties here that are attempting to create some narratives here and they are false narratives and once again Baxter is filling folks in on these developments The msm most notably NEWSMAX another msm controlled outlet although in appearance they are pro-Trump , was throwing YE under the Bus so – to – speak, and mocking him on this matter of his visit to Trump. The newsmax program that I viewed this on was the Eric Boland Show. This was near the end of his show and the segment was extremely crass to say the least. And I do know that the Pillow Guy , Mike Lindell a FERVENT President Trump supporter and FERVENT MAGA and PATRIOT supporter was thrown under the Bus by some asshole host at newsmax some time ago , specifics escape me at the moment, but just the same. Mr. Lindell really put it on the line for President Trump , MAGA and the Patriots at a very deep cost to himself and his company and Mr. Lindell from every thing I know at this time NEVER WAVERED in his stand or support for Trump ,MAGA and the PATRIOTS. I will leave it at that.

I asked a question and not only was my question not answered but the whole post is gone. so much for honesty

the real reason behind the shortening of his name lies in complex kabbalistic gematria.

What he used brought him success, but had severe side effects, one notable being dementia.

so they shortened the name, in a gematria version known to water down the effects

so kanye is not alone in this game, he has clearly been supported by a group of people knowledgable in those topics.

unfortunatly the vast majority of those types are fare from being “America first”

Digits help us see things in the fourth dimension (“5D” some call it; it’s one dimension above ours, which has 3 axes of movement, plus time (so, here is “4D”); 5D has four axes, plus time).

Yesterday learned the “next” axis, and it’ll always be accurate: “in and out”.

Wrote the following last night actually, hope it’s enjoyable:

YouTube channel “Be Inspired”, “”You Are Living in the 5th Dimension” (mind-blowing!!!)”, I hear the following, a rapper on stage describing it:

“Back forth, right left, up down; no ‘in and out.’ No in and out, what is in and out? Rockstar. Rockstar says, ‘I exist without the body. So where is this other existence? Where is it? It’s not here, it’s not in three-dimensional space, where you really are, the person that said this (holding up ‘Rockstar’ sticker) — is in a whole different dimension. Just switch a little bit. Talk to yourself more. Affirm to yourself more. No more (mumbling with hand on mouth), none of that, close this down, and go within, and say ‘I am the greatest dot dot dot ever.’”

That’s the next axis; in and out. That’s so awesome. Because that works no matter how many axes we find ourselves with. There can always be “another way to God.” As in, “go within” which works on so many levels; I can see, perhaps, infinitely. If I know I am me then I haven’t reached the final level yet. And, once reaching the final level, the only place to go is down again! 23:18

I really don’t think it Desantis business, and Trump doesn’t let a governor tell a president what to do...Trump is his own man, and doesn’t answer to DeSantis..

I guess West went east in his hope of going north. I hope this doesn’t cause Trump to go south!

Please don't sink to this level of news reporting. It's embarrassing. Most people don't give a flying fig about this kind of crap.

I think it's important to report on what's coming out of the offices of a potential presidential candidate, meaning DeSantis. Otherwise, I wouldn't have touched this.

These type of articles are pure speculation. I agree with Hold the Light. Ye for Prez?? ya right.

The purpose of this article was to print what's coming out of Desantis' offices, and that's not speculative, it's objective reporting.

Sometimes when articles linger a few days, most definitely a week, I get very sick of seeing them every time I check for new stories. Like the codorna freak, or seeing piglosey a week.

Thanks, Michael. Your reporting is excellent. But DeSantis cannot be trusted. He is a deep state traitor, and We the People have had more than enough of deep state traitors. You are only doing your job.

Michael Baxter , I viewed a video very recently on a channel at Bitchute, I was very short and to the point , Ye is telling folks about his personal Bank account/s being frozen by outside parties , corporate entities with NO authority to take such action. I believe YE said the funds amounted to 75 MILLIONS DOLLARS and he could NOT have access to these funds and this was the reason for him running for US President, with the hopes that the FEC, Federal Election Committee would then have to look at and access those funds. YE states that his funds and finances were open for investigation and that he has NOTHING to hide. This is why he said he was running for President, I am pretty sure YE has no illusions that he could win or be in contention or even be qualified to be President of the United State of America the Republic. Once again this is for the FEC, to have access to his money , funds that are being denied to him. He wants the FEC to investigate his funds , he has nothing to hide. You and I know very well the criminal and corrupt

parties that are using undue influence, and criminally denying YE his money and that would be zionist masonic satanist jews. YE is a MAJOR THREAT TO THESE ZIONIST JEW LOWLIFES BECAUSE HE HAS EXPOSED THESE HEINOUS DEGENERATE DERANGED LOWLIFES, you and I know what is at stake as does DJT, YE knows better than anyone. YE is NOW a TARGETED INDIVIDUAL ,TI, HE HAS BEEN and is exposing EXACTLY what President Trump and the WHITE HATS , the ALLIANCE have been taking action against and doing since before Mr.Trump became US President. Take Care

If this is actually coming from Rons office then that tells us everything we need to know about Ron.

you are out of your depth

to the contrary, it is very important in order to grasp the true situation.

It shows that Trump, as a Man of God, has a very good heart and, if you do the math, you see that they tried to destabilize him using his kindness

To the contrary this story shows the deepness of the compassion of President Trump, he stands as a man of God with a very kind heart.

It confirms we made the right choice supporting the right person : President Trump

I totally agree. I stand with President Trump no matter what. He is under extreme pressure at this point. He is also a very kind man. There are many who have taken advantage of him for being kind. However, he can be very tough when he needs to be. I love him and will not forsake the one God has put in place to save America.

No argument from me my friend. 80 million plus citizens made the right choice of supporting DJT who comes close to being God's chosen or better yet anointed. I wear heaven's badge of honor by my faithfulness to God first and, then DJT next. Blessings,

As it is said, “Keep your friends close, and your enemies closer.” In so doing, you can keep up on what those enemies are up to, while your friends are watching your back.

Good. Advisers are often the problem. Remember in the Bay of Pigs mess, advisers to BOTH Kennedy and Kruschev were pushing nuclear war and the two leaders ignored them. Thank God.

I lived through that time and it was very frightening, especially to 12 year-old. I was at a naval base overseas then, and we were a first strike target.

The real hero of the whole incident was a Soviet sub commander who refused orders to launch a nuclear missile.

Whew!

It was Vasily Arkapov. He was on the crippled sub K-19 and got ‘dosed’ when the [sunshine plant] on sub ‘went on the fritz’. men DIED and got sick to fix things and return to port. This incident was made into the movie K-19: THE WIDOWMAKER (2002). Thankfully he said ‘no’ when the captain and another officer wanted to launch their [N2 torpedo] at the the U.S. Navy fleet that was depth-charging them to get them to surface and identify themselves. Thankfully, they didn’t launch the torpedo when the depth charges first hit the water and sank down to them. That scenario happened in the (thankfully) fictional film THE BEDFORD INCIDENT (1965).

Arkapov’s sub fleet eventually surfaced, identified themselves, turned around and returned to the Soviet Union. Thankfully, no GTW (see WARGAMES [1983]) that day....

I recall that Kevin McCarthy kept Sidney Powell, Rudy Guiliani and Mike Lindell from speaking with President Trump right after the 2020 election. Sometimes ‘advisors’ have their own agenda. I’m a but leery of KM leading the GOP in the House.

I bet DJT was fully aware of that. But he keeps his enemies close to his vest per se. Blessings,

The traitor Cippolone kept Trump isolated in the White House and kept Mike Lindell waiting. Cippolone was rumored to be involved in the Vatican vote rigging.

JFK and Kruschev used J. D. Sallinger and an unknown Russian military officer as couriers to communicate with each other confidentially to defuse the situation. Thankfully, it worked.

DeSantis needs to shut his mouth and get back to governing his state. He is not presidential material.

Desanitize is some kind of triple agent working for I'm-not quite-sure for who, groups of unknowns.....perhaps he's just a reptilian under assistant east coast promotion man....I just can't figure this guy out....

““Maybe Trump's clueless about Fuentes. He certainly wasn't going to turn away Kanye's guest either way,” Uthmeier told DeSantis.

“This has setup written all over it. Kanye wants to be president. Fuentes is part of his campaign. They want to undermine Trump. So, they knew Fuentes would bring bad press, and leaked the entire thing hoping the media would run with it.””

There is something wrong with Kanye on some level. He showed that wrong in the Piers Morgan interview

Fine work, Michael, Thank you.

Kanye West president. OMG what's wrong with people. He would be the perfect puppet though more of the hunger games. I do pray the military brings down this whole shit show before that happens.

There is a huge thread on Twitter about KanYE and his troubles. Yes, he is way in over his head. My opinion is he met with 45 at the instruction of his handlers. It is absurdity run amuck that KanYE could be president. He is under MK ultra handlers and will do as instructed. As for Desantis, I do believe he is also being handled by the likes of Paul Ryan, Miss Lindsay Graham., etc for the DS. KanYE

has been hospitalized b4 for his behavior aka Britney and many others. He lost his soul to the DS while being married into the Kardashian cult.

Ye (Kanye West) is mentally ill, manifesting visions of grandiosity. He's being used by Fuentes and others to take out Trump. They want to promote their hate-filled antisemitism using Trump's audience. Trump trusted Kanye enough to have him come to dinner and the set-up made Trump see what was really going on. Trump will take the steps necessary. He will say what needs to be said on this. De Santis needs to keep vigilant regarding his own advisors. He has good judgment, unlike some of them.

He didn't show good judgment when he let Fema into Florida to shoot and loot his own constituents. This needs to always be remembered and never forgotten I think.

You are so correct on this . De Santas allowed Fema to attack and pillage his own constituents.

**UNFORGIVABLE AT BEST. THIS SHOULD BE HIGHLIGHTED AND BROUGHT UP IN THE NEWS AND BY SENATE AND CONGRESS.**

I've always feared FEMA after I learned that BO had dozens of camps built across the US. Each had a crematorium and a guillotine.

A vile anti-semite who says women should not have the right to vote, you say? Wow congrats Julie/Just Me on getting invited to a fancy Mar-a-lago dinner with Trump!

You mean anti Khasarian! Pls explain the difference as I don't think their is! Funny, Jews scream anti semitism when people figure out their angle! Classic deflection! I guess that's my white privilege talking from my safe-space crying closet!

Judaism is the CULT of Satan , this is FACT. There is information on this heinous reality. The information is written and spoken by the very satanist jew themselves. These lowlifes speak about this with impunity, they brag about this , their intentions and goals. They , Jews refer to this as the Church of Satan, go check out the TALMUD , if you cannot believe this , do some research, it is not a secret you can read and discover realities that are NOT mainstream and this is done on purpose. When you discover this heinous shit IT WILL FLOOR YOU, very terrible shit that has been going on for FAR TOO LONG,and it has to be RECTIFIED , STOPPED and VANQUISHED,.....ENTIRELY

This is an orchestrated attempt to make it seem that Trump and Desantis are at odds. It's theatre, distraction and once it's served it's purpose (misleading the Deep State) you'll see Trump and DeSantis moving forward together. Trump has the international skills, DeSantis is more domestic. It will be a Trump Presidency with a very active DeSantis Vice Presidency.

I'd like Kari Lake as VP, me personally, she has stood up to voter fraud, and child sex trafficking, more than DeSantis has done in his state, which is rampant for trafficking.

Also, I read, can't confirm, DeSantis is in the secret society Skull and cross bones. Which is the same society Bush was in, in college. Also, you can look this up in Ron's EO's for camps to be built in Florida, what for, who knows, but people can look this up.

I wrote to her asking what she was going to do about child sex trafficking and she responded she has a plan for the kids at the border. Maybe she didn't understand I was referring to child sex trafficking EVERYWHERE IN THE NATION, not just at the border. People traffic their children for sex at their homes at a profit, too.

The level of child trafficking, the scope of it, is on a scale not to be believed. But true. Everywhere. Child trafficking, torture, murder is political currency to these sick miscreants. Border kids are only a

very small portion of the children sacrificed.

GOOD LORD I HOPE NOT !!! Trump does not need DeSantis creating havoc aka Mike Pence. This Evil may never end until Christ's return.

Someone said thus; optics are important that is why are in the 5th Gen info war. Blessings

Please do not name your vibrator after African Americans because they are substantially larger than the rest of the world.

—

Really the Real President gets set up(President Donald Trump) He was the most pro Israel President we've ever had. Then you want to attack him for being anti Israel! He was the only President who made good on his promise to recognized Jerusalem as the true capital of Israel. Acknowledged Israel's sovereignty over Golan Heights. Removed the United States from the United Nations human rights council over blatant anti Israel bias. And much more! DeSantis may be a good President some day, but remember I said this. Just because he's a good Governor doesn't mean he will make a good President.

Who's attacking whom?

I'm posting what's coming out of Gov. DeSantis' office. That's all.

DeSatanas needs to stay away from the Presidency.

He is not a good candidate. He even okayed seniors getting jabbed despite his removing the mandates from jobs and businesses, instead of banning the clotshots them totally for everyone.

He knows Biden is no good and he mandated the clotshots across America, and Ron Deep State enjoyed inviting FEMA to Florida and shaking Beijing Biden's hand, knowing this guy is a known paedophile and incest aggressor and child sex trafficker for kids over the border?

Most honorable men would not even acknowledge Traitor Joe, let

alone shake his hand, and Ron DS KNOWS this paedo is so satanic and dirty.

There is a reason Trump told his daughter Ivanka attending Incest Joe's usurpation ceremony on 01/20/21 was a bad idea. But this daughter is not as loyal to dear old dad as we thought she was.

Paedo Joe stole the election from Trump and she knows it.

She and Jared sat on \$100,000,000.00 of \$300,000,000.00 raised for Trumps legal defense fund to stop the fraud, so she can run for political office when it was not even her money to take, since she and Jared already have \$800,000,000.00 between them and she can use that to run for office if she wants to.

And RDS KNOWS the dangers of the clotshots Child Porn Joe continues

to mandate on us. He is not clueless or ignorant of what is going on with the clotshots.

The original Jared has been replaced by a double. So he is not sitting on any money. Haven't you noticed the difference in the faces of the 2 Jareds?

Trump doesn't answer to Ron Desantis, he answers to the American people...Trump was a sitting president, not DeSantis. You can erase this like you did my other comment, but your not going to talk people into voting for Desantis, his time is not now...Trump doesn't take orders from DeSantis...

I can assure you that MB is NOT erasing your comments,.. we can all see them. An apology should be in order.

DeSantis was 100% aware of fema literally robbing and threatening Naples residents during the hurricane that hit and told Gen Berger sometimes you have to choose your battles, as if it didn't matter. A MAJOR piece of worthless garbage.

If anything, the DS mouse is just being played in some devious game. Kanye is insane and all he really wants is attention and money. He decided to use God for his purposes but he has failed there because he is still spewing filthy garbage out of his mouth and it is evident that God did not call him. He is a sick man.

DeSants is a George Bushburger skull and bones buddy from Yale! You CANNOT BE A PART OF THE OLD SYSTEM AND NOT BE A PART OF THE PROBLEM!! DeSantis is a black hat... period! These people can change the way act on a dime! Do not trust this guy! You are a fool if u do!

I also have researched the same, I had the news paper article saying so, but can't find it now...

Thanks for the open-mindedness. All Ron DS did was throw a few bones out there to make himself look electable. Not!!

Idiocracy LIVE indeed. The entire point of the US Presidency is ability to talk with everyone and anyone. In order to understand or to represent every single American.

This was YE's test to get back in with Hollywood. Harley was surely behind this stunt and used YE to infiltrate and cast a bad view on Trump.....why do you think there is such a gap in YE's tweets after the ((( ))) comments. Quite clear what's taking place here. Fuentes is a boot licker for controlled opposition for the ((( )))

Trump just keeping his enemies close. Desanitaryis' aides are eager for the prime time, for the big spotlight, and they see a glimmer of hope they will be running things.

It is really sad to see articles about the 2024 election or it's candidates. It's as if everyone is supposed to forget about past and believe the future elections would solve it all. Just disgusting.

First, DeSantis has stated he wasn't interested in running for president.

Second, are these people the best the USA has to offer?

Of course, all focus on 2024 is based on ignorance. The Big Announcement on 11/15 had plenty of hidden comms pointing to a return before 24, and not as #46 or 47, but as 19. That's the Big Story imo. All else is filler.

DJT won't be called the master chess player for nothing. The announcement brought to the open who really are behind him through thick and thin. Blessings,

My initial reaction was Ye set Trump up, but I also don't buy that Trump didn't know who Fuentes was either. I know DJT said he didn't know Fuentes but I don't believe it. I believe Trump at least knew or heard the name before. Whether Trump was fully aware of Fuentes' views is another question.

HERE WE GO, BAXTER SHOWING HIS TALMUDIC LEANINGS. KANYE WEST SPEAKS THE TRUTH. Baxter you better explain yourself. I guess you are anti-FIRST AMENDMENT.

Pathetic.

If Mike were anti-1st Amendment, he would not let anybody comment on this site. He would prohibit any free speech or honest discourse whatsoever, and he is not like that. Neither am I.

“you'd better explain yourself...?” Who the H are you to make such an inane demand of Michael Baxter?! Go fly a kite!

DeSantis may just be a Judas goat. Like all the other “conservatives” who never mention ISRAEL and the TALMUDIC FILTH (Vicious anti-Christ evil). DeSantis lapdogged for the “embassy” movement to Jerusalem.

For crying out loud, JUDAISM is satanic. It has NOTHING to do with the MOSAIC/OLD TESTAMENT fear of the LORD and the Pre-Incarnate Christ. It is Pharasaim, anti-Christ.

Baxter showing his true colors? Let's see if he leads this up and actually practices "free speech journalism" like he supposedly purports.

@ John H – There isn't room in this forum to go into just how wrong you are, nor is it the place but I can't just let your hatred spew. Jesus was a Jew. His disciples were all Jews. Almost everything Jesus taught when he walked the earth was taken from Torah. Using your "logic," that would make Jesus Satanic. That is how the hatred you regurgitate makes you sound stupid.

I'm not saying that the Israeli government is all good. I'm saying Jesus was a Jew, sent to the Jews as messiah – and I thank God that He was.

Paul was sent to preach the gospel i.e. "the good news" to the gentiles. His name was Saul and he was a Jew, of Tarsus in Cilicia. By your reasoning, that would make him Satanic.

Study the Word and pray for understanding of just how Christianity grew from Judaism. Not all Jews are holy, just as not all who call themselves Christian are holy.

I could go on, but again, this is not the place. When it comes to Judaism, please just shut the front door.

So true!! Also, I would be afraid to bash God's chosen people. He has a covenant with them to this day. The Bible also says that a nation who blesses Israel will be blessed. I think that goes for us as individuals as well. There are bad people among all groups but there are also good people. Do not just sling filth at all Jews because of the action of a few demonic ones. Believe me, God knows who they are too.

No argument from me Jack. I made the unpopular statement early on this site, that there are a few on this site that are Biblically challenged and are College of Biblical Studies flunkies. Blessings,

Pharasaism? Is the root word Pharisee? If so, did you know the Pharisees are today's equivalent of the hypocritical Democrats? Blessings,

Trump is our President....crazy like a fox. I doubt very much he would fall for Kanye's stunt. Got a feeling we are supposed to be looking seriously at this while something is happening elsewhere. Thank you Michael for reporting this.

And I am grateful that you have shared your research and information. It was shocking to learn who the DeSantis truly is. Knowing that he is/was a member of Skull and Bones is really all you need to know.

And DeSatanas knows Paedo Joe and his son Hunter are sex offenders. So for him to shake hands and buddy up with the usurper after a storm where he let FEMA in to shoot and loot people, never answer questions about fixing 2020 and stopping child sex trafficking at the ports and tunnels during an election year, and secretly visit GITMO, and diss Trump is a red flag for me.

Kanye is right.

Oh, by the way, Israel/Mossad was behind 9/11. Proven by many, most notably by bollyn.com Christopher Bollyn makes full and undeniable case against the talmudian satanists.

No. It was the work of Dick Cheney, George Bush, and Rumsfeld! They were behind it. Further, planes did not "crash into" the buildings, that was CGI. The towers were blown up from inside, You need to do some better research and get off your high horse about the

Israelis. Until you have studied and read and understand Hebrew, you have no standing – just a bunch of stupidity coming out of your mouth.

On the day of the attacks, Israeli prime minister Benjamin Netanyahu said 9-11 was “very good.” Later he said that Israel was benefitting from the 9-11 attacks and “the American struggle in Iraq.” The Zionist War on Terror, which Netanyahu has pushed since 1979, has cost the U.S. some \$7 Trillion, as President Donald Trump said in April 2018, adding that the U.S. got “nothing” from these expensive and senseless wars. So why is Trump working so hard to please Netanyahu?

I find it extremely disturbing that the government and media cover-up of 9-11 has gone on for almost 18 years with so little resistance from the public.

I got this email from a reader in Florida who is certainly not willing to let this cover-up go on:

9/11 is the most important event of our lifetime... No question it was the beginning of the end of America as we knew it. We should not be discussing ANYTHING until the perpetrators of this crime are arrested and tried for treason and mass murder. We will never rebuild this country until this is done... Trying to move forward without successful prosecution of these criminals is like trying to build a house on a rotten foundation.

– A.F. in Florida to Bollyn.com

What does the cover-up tell us about the health of the American republic? It tells us quite clearly that our government and media are controlled by the same people who carried out the terror atrocity. This makes sense because the only people who benefit from, and who are protected by the cover-up are the terror masterminds behind 9-11. There could be no other reason to cover up the evidence if the

official story were the truth, and there is abundant evidence that the government and media have covered up the evidence for nearly 18 years.

What does this mean? It means we are living under a dictatorship! We live in a nation in which the president and members of Congress are ordered not to discuss what really happened on 9-11. They are given a diktat to prevent any discussion of 9-11 truth emerging from our government. It sounds outrageous, but it's true.

With Donald Trump, who told voters that he would reveal who brought down the towers in February 2016, we are still waiting, more than three years later, for his revelation. In the meantime, he has done everything he could to satisfy the outrageous demands of Benjamin Netanyahu.

With Congress, it is exactly the same. The members of Congress work overtime to protect and support the state of Israel, while the Zionist state commits war crimes and aggression all over the Middle East on a daily basis.

The 9-11 culprits who give the diktats to our political leaders apparently demand two things: utter silence on 9-11 truth and complete servitude to the Zionist agenda. Evidently, these are two sides of the same coin.

Don't expect the Zionist gangsters to give up and let us have our republic back anytime soon. They intend to maintain control of the White House and Congress for a long time, which is how they have enslaved us. This is why the controlled media is crafting the pseudo-issues that will define the next election. You can be sure that 9/11 truth will not be one of the issues of the debates.

We are living under a Zionist dictatorship that uses deception to trick us into thinking we still live in a democratic republic. It relies completely on deception. Don't be deceived!

Israel nuked America on 9-11-01...

[veteranstodayarchives.com/2015/04/05/israel-nuked-america-on-9-11-01-shout-it-from-the-rooftops-part-ii/](http://veteranstodayarchives.com/2015/04/05/israel-nuked-america-on-9-11-01-shout-it-from-the-rooftops-part-ii/)

You don't need to study, read, or understand Hebrew to recognize your enemy. Yes, Dick Cheney, Bush, and Rumsfeld were involved, but they were the puppets and Mossad was the puppetmasters.

Those 3 were just gofers doing their jobs for the criminals above them.

The clip on Bitchute at video ID vPRk2tkiDQdW is a 62-minute 'whodunit' lecture done by the guy that actually figured out the people who had 9/11 done through their proxies. For this, he was attacked and injured to get him to shut up. He left the USA and may still be incognito since then to stay safe. Warning, the video contains graphic disturbing images.

I've seen other clips that covered similar ground but this one is to the point and loaded with facts uncovered by this truther in his lecture and 'sweetened' on screen with related imagery that are related to the content of his lecture.

If you can't understand anything else, look at how the towers fell. Nothing hit on one side falls like that. Demolitions look like that.

If anyone is swayed by those playground-bully slurs of 'antisemite', 'white supremacist' and 'holocaust denier', they should be deeply ashamed of themselves. These are Deep State trigger epithets to control those weak-minded individuals too feeble to stand up in public for the truth. Anyone bandying those vile anti-Christian slurs around is an enemy of the people and an enemy of God.

It's the Greek for Timothy and means one who honours God. Since my Christians names are Timothy Peter, and since I teach ancient Greek, I often use the names Timotheos Petros (the exact names used in the Bible for Saints Timothy and Peter).

I'd rather read a report about when the military is going to do their duty and arrest the people responsible for the fraud that took place among other things.

Yeah, I wish I had magic, too, and had info every single day to report on military arrests. That's not the way the world works.

That isn't up to Michael. He has to run with what he is given, which is a lot, relative to other reporters.

President Trump has already been our president...still is.

President Trump resides in Florida...doesn't have to but does.

President Trump is not one that DeSantis wants to mess with as he's being encouraged to do so by his staff members so DeSantis needs to tread lightly...and as you can see, he's doing just that by sitting this one out as he stated.

President Trump has nothing to worry about...DeSantis does.

Remember, God has chosen, anointed, appointed Trump to do His will.

Remember, the hand of God remains on President Trump as he has started his walk back to his seat.

Anyway, Trump will remain as president and retain the presidency come next election because God said so.

Trump also moved his primary residency to Florida because of the adrenochrome office parked across the street from his apartment building. He didn't want to do it, he had to do it.

That thing about the New York end of government harassing him because of his business deals and taxes and litigations were disinformation, because he cannot reveal what he knows about the deep state trying to set him up by setting up shopping across from his building.

The cabal knows he is fighting child sex trafficking and the satanic paedophiles, and they are trying to make him look like he is with them and not with us. The Illuminati hates the Trumps — they already got his brother and the mother of his first three kids and

tried to kill him, Melania and Barron — and the Rothschilds will do anything and everything to destroy him, no matter the cost.

Our prayers are keeping the Trumps alive, despite the losses. Don't stop praying for them, friends.

The NWO wants us enslaved and dead, and Trump is fighting like a gladiator to help save America.

Where America leads, the world follows.

Absolutely 100% correct. Your words sum it up nicely Xena, we're on the same page. Prayer is key. Hope you enjoyed your holiday yesterday.

The turkey was absolutely scrumptious because Miguel Cardona baked it with assist from the military.

SO VERY 'WELL SAID'. THANK YOU FOR YOUR CONCISE AND HEARTFELT COMMENTS, FRIEND. GOD BLESS YOU, YOURS AND PRESIDENT TRUMP & FAMILY.

In his winter White House as white hats fondly call Mar a Lago. If God is for Trump, who can be against DJT? God always wins especially if we leave everything in his hands. Blessings,

After DeSantis turned his back on the fema corruption after Ian he doesn't have the same respect from the public has he once had, looking more and more like a rino, and his diamond buisness with fauci doesn't help either

What Diamond business with Fauci? is this how he is making extra money to pay for his campaign?

Hi i found how too build detoxification buckets on YouTube. Just do a search on it you should find it . Spread the word and detoxification programs thank you all .God bless us all Amen. And be the change for the better world and Universe Amen

TRUMP CAN DO WHAT EVER HE WANTS AT HIS HOME NO ONE HAS THE RIGHT TO SAY WHO HE CAN HAVE OR NOT HAVE 4 DINNER—THEY NEED TO MIND THEIR OWN BUSINESS—PERIOD!

DeSantis camp poised pounce, fortunately Ron at present went with his gut instinct. Ronny-boy may have some street smarts.

Trump sat down with many heavy weights, and will chew and spit DeSantis out like a untasty hors d'oeuvre at cocktail hour, like he did with others.

Money says: Ron's consiglieres will be his demise via overzealousness that already surfaced herein, mark my words.

Last edited 11 hours ago by John .S

Remember Harley Pasternak threatened to Force admit Kanye West for yet another lobotomy again!

Threatening future platdates with his children won't be the same look to CAA and the Goons attached to Canadian military trained chemical warfare expert AKA fake trainer "Handler" Harley Pasternak and CAA

they probably set the whole thing up ... to flip it around

the psych Warfare it is coming straight from his Handler looks like a setup in advance!

That's all that CAA and the criminals know how to do well!

Looks like it was a setup all along and Ue is under chemical alteration as per his Handler Harley Pasternak threatened

looks like a setup! DeSantis is going to lose a lot of points \_ if he's shown to have people so anti-trump around him

Trump all the way!

President Trump had more to gain by letting the jackals in the front door even though Fuentes wasn't expected.

President Trump is well aware of West's mental issues and more than likely knew who Fuentes is as well.

President Trump is well protected, West and his little sidekick would never have stood a chance to do anything should they have been so stupid.

Does anyone on this site really think President Trump isn't ready for such shenanigans?
