Tato webová stránka strávila značnou dobu podáváním zpráv o úmrtích a zraněních letadel souvisejících s vakcínou; až dosud však kalný opar a vládní zastírání zahalovaly stejně depresivní statistiky: počet očkovaných motoristů, kteří buď zemřeli nebo onemocněli za volantem, a nehod, které způsobily značné ztráty na životech nebo škody na majetku.

Americká armáda začala tato čísla vyšetřovat v polovině roku 2022 poté, co několik nedávno očkovaných členů armády zahynulo při autonehodách. White Hats pověřili své krajany v US Army Corps of Engineers a ve Womack Army Medical Hospital, Fort Bragg, aby zkontrolovali sedm vraků – v každém případě řidič zemřel a byl jediným cestujícím ve vozidle – k nimž došlo mezi lednem a březnem. 2022. Zatímco ženijní sbor zkoumal zprávy o nehodách vozidel, zdravotnický personál ve Fort Bragg prohledával lékařské záznamy a úmrtí listy zesnulých členů služby.

Předběžné zprávy odhalily následující: průměrný věk řidičů byl 23 let; šest bylo mužů; důležité je, že všichni podstoupili očkování proti Covid-19 do 10 dnů po úmrtí; žádný z nich neměl nemoci nebo komorbiditu, které by mu bránily narukovat do ozbrojených sil; posmrtná toxikologická vyšetření byla negativní; všechna úmrtí byla přičítána „ztrátě kontroly nad vozidlem v důsledku náhlého infarktu myokardu“ nebo srdečním záchvatům.

U čtyř ze šesti mužských obětí našli soudní lékaři ve stehenní tepně „krevní sraženiny velikosti hada“ a také zvětšená srdce, což jsou oba známé vedlejší účinky vakcíny proti Covid-19.

Tato znepokojivá zpráva způsobila, že se White Hats zajímalo, zda federální vláda klamně zatajuje nehody vozidel způsobené vakcínou na našich národních dálnicích. V říjnu White Hats vyhledal pomoc kybernetického velitelství americké armády při pronikání do databáze spravované National Highway Traffic Safety Administration, na kterou dohlíží pracovník Deep State a ministr dopravy Pete Buttigieg.

Sonda Cyber Command odhalila do očí bijící nesrovnalosti: počítač NHTSA obsahoval dva různé soubory dat, vytvořené 15. a 19. září, v tomto pořadí, přičemž každý záznam uváděl jak počet nehod, tak i smrtelných úrazů od ledna do června 2022. Ta druhá, nebo revidovaná tabulka byl zveřejněn na webových stránkách NHTSA a identifikoval 20 175 obětí – toto číslo zahrnuje řidiče, cestující a vedlejší oběti. Jinými slovy, pokud řidič sjel ze silnice a srazil a zabil tři chodce, jejich smrt se započítává.

Nepublikovaná tabulka měla výrazně odlišná čísla. Podle ní 39 465 nehod způsobilo v první polovině roku 2022 41 970 úmrtí, což je více než dvojnásobek počtu, který byl zveřejněn.

„Nemůžeme přesvědčivě prokázat podvod, ale je zatraceně zvláštní, že dvě zprávy napsané po dnech od sebe mají tak velký rozdíl v číslech. Pokud někdo chybně počítal o 10, 100 nebo dokonce 1000, ano, může to vypadat jako rozumný důvod k přepracování zprávy. Je to náš názor a jen názor, NHTSA zfalšovala publikovaná data, aby odpovídala datům předtím, než byly vakcíny veřejně dostupné,“ řekl zdroj z Cyber Command Real Raw News.

Dodal, že Cyber Command nemá ani lidskou sílu, ani schopnost proniknout hluboko do 39 465 zpráv o nehodách.

"Vypadá to, že ministerstvo dopravy odstraňuje zprávy, kde byly vakcíny přispívající příčinou," řekl.

Cyber Command also scrutinized railway accidents. During the week of October 20, six trains derailed over a 36-hour period across the United States. An accident in Orneville, Maine, was particularly dangerous, with multiple cars piling up on the track. The Federal Railway Administration (FRA) said a faulty track punctured a freight car. Cyber Command, however, says it has audio of the engineer communicating with the crew seconds before the derailment. "I'm not feeling too well, I got vaccinated this morning," the engineer said as the 76-car Canadian Pacific train listed to the left and derailed.

"These vaccines are killing people in droves," our Cyber Command source said. "It's only going to get worse until the majority of the population wakes up and rejects them absolutely."

I've been purposely staying off the roads as much as possible to avoid jabbed drivers. I don't know anyone that has died yet but do know many people that have taken the death shot including several of my family members even after warning them about the dangers of it. They didn't listen. It breaks my heart that they might end up dead at any point in the future because of this. Hopefully a cure is discovered to reverse the poison. One of my sisters has a few friends that took the jab after she warned them not to take it. Several of them fell ill and now have bell's palsy but no deaths yet. Her husband's father possibly died due to being forced to take the jab but we don't know because he was in the hospital in Germany and family were not allowed to visit. The hospital also claimed guardianship on him and took all his assets and they were many.

These vaccines must be mandated to end now! All those who have lost jobs because they didn't want to be injected with the experimental shots should be fully compensated for their loss.

Legally there should not be allowed an Emergency Use Authorization for this vaccine, when there already exists effective therapeutics such as ivermectin and hydroxychloroquine.

Fauci has a conflict of interest, since he has profitted off of these so-called vaccines. Fauci doesn't have a monopoly on "the science".

These shots are causing great suffering to families across the world. When doctors are losing their licenses for saving peoples' lives, across the world, with life-saving protocols, other than the "vaccines", you know that corruption has reached stage 4!!

Fauci developed the virus, along with aids too and holds patents on them and the virus were developed in a Chicago lab and not China....he was totally mad with power and a fantastic narcissistic psychopath in the first degree, but still got to swing at Gitmo, 5 months back. Hanging was too easy of an execution though. A more fitting execution would be to put him in a room and let a Dogman rip him to shreds....

You've seen a Dogman too ? Mine was about a 100 miles south West of Chicago Illinois. Their a pretty terrifying sight... it was by a old state School .where it was rumored they had done terrible experiments with humans. It had under ground tunnel too old block cells that they kept them in . Supposedly a few escaped. I think the beasy of bray road in Wisconsin had them too. It was by another state hospital yrs ago .

Hmmm thank you for any information about this you can give us on this God Bless you and your family and friends amen.

My last month's paycheck was 11500 dollars. All I did was simple online work from comfort at home for 5-8 hours/day that I got from this agency I discovered over the internet and they paid me 50 dollars every hour.

I heard an interview from a Navajo elder some years back, and he claimed dogmen are people who do black magic and shapeshift into that humanoid/canid hybrid creature.

But it may also be possible to create them in underground lab experiments like you suggest.

It definitely is not a natural wild animal.

Wi are Lycon's, not "dog men". Wi aren't "fiction", because "they told US so".

The Dogman was a bio-engineered entity bred at WA state secret lab, WI secret lab, a MI secret lab and ME secret labs. These things were bred using bigfoot, wolfe, human and ET DNA's to be used by the Rockefeller/Rothchild pschopathic organisation to kill off the world's populations. Phase 1, a phoney space invasion using the dogman beasts as space invaders to scare the shit out of the public and then heard the public into FEMA camps and kill them off, providing that Hillary would get elected, but that did not happen. So they were going to implement phase 2 by detonating explosive devices in underwater

trenches, but they called that scenario off to, because they found that some of their underground bases would be damaged from it. So they implemented Phase 3 covid-19 scamdemic, but to pull it off would require huge amounts of cash to bribe off doctors, hospitals and politicians and as your seeing now, it aint working out very well, because the cash is drying up and these horrible evil purveyors of death are running scared now and trying to make surrender deals with the white hats The dogman beasts started breaking out of their holding cells and allot of them escaped. They also parked them in all of the US Nat'l Parks and many hikers have started disappearing. Wutta horrible death at the hands of these things would be. When I go fly fishing in the forrests now, I carry a 44 magnum popgun and bearspray. These things were also released in Europe too.

I AGREE, Fauci was a dysfunctional unit that needed to be removed. Be careful, though, about letting your hate for ANYONE cause you to lick your lips at dreaming about seeing them GET the demise they deserve, lest we become like them!

Get a Detoxification program going on your social media platforms it not easy being the bearer of bad news. But helping them out in the long run will ... remember all lives matter Equally. And the one's who have died because of this i send my prayers too their families and friends. God bless them all Amen.

People do not just "die". Re check what You were indoctrinated into "be lie ving". If it requires light to have "growth" or LIFE, the why or how does the embryo "grow" in the darkness of the womb?? Hmmm? Did You KNOW, Particles are, not can be, SELF-AWARE???? Hmmm, did You fucking KNOW that FACT??? Continue excepting the bullshit, absolute ignorant notion that this "earth" is the only speck in space. Heck, it's simply a speck of SPACE, with no fucking moral, or ethical compass, and a complete disregard for the KARMA, it's bringing upon its self. That ancient SPARTAN is wide awake, and does NOT, "forgive". I KNOW, "the people are GAAAAAWD"!! And can do whatever they want, "they have freewill", stolen Fair and square after literally enslaving themselves. Dragons don't eat intelligent life forms, and it is illegal to buy it sell any matter, self aware or not. Wi, our intelligence and ability to KEEP OUR OATH, is where TRUE VALUE IS!!!! YOU!!! People, the fucking machines want YOU, to be a battery!!! Liars, deceivers, pedophiles and the ilk!!! They don't have a fucking option!!! Within the CORPS, of MY EARTH, my FORCES are SHREDDING Your weak and retarded (war). WISDOM AND RESPECT, WAR!!!! My RELIGION!!! Do Wi want to continue preaching about "freedom of religion", to lie, cheat, steal, or rape??? My GOD wants BLOOD, to WATER MY TREE!!!!

arrest and apprehend will work mucho betterro. Pick up the pace JAG, please. Black Lanterns, Black Sun, I don't play bullshit games with deceivers. Stop dragging this out, it'll end in an ELE. Time travel, reincarnation, etcetera, real as FUCK!!! Fix Uneducated Crappy Knowledge-FUCK!!! Help Actually Teach Everyone/Everything-HATE. And I AM treated like a o-class citizen??? The Imperium of Man??? Right, that's bull shit!! The Original MARINES, walk the EARTH, from within the WEB Way!!! STORM WATCHERS!!!! Black Knight!!! Keep fucking around children of the "elf" & "hobbit", baby Dwarves!!! MAGIC, requires extreme, flawless integrity, regardless of what Star Fleet "teaches".

That's a sad story but thanks for sharing. All my three children had to take the shot or lose their career. Not sure about the grand kids but Comifornia is requiring it for public school. I will go postal if any of them have issues.

Why hasn't this crap stopped- today? Compliance? Fear? Indoctrination?
Every liberty given up today is one your grandkids will never know existed.

A job isn't worth taking the death jab! Think of your grand children or future grand children. I stuck my neck out and told as many people as possible including my family to not take the shot and why. Most listened to me, thank God, but others didn't. A few were thinking about taking it but I convinced them not to take it and now they are awake and aware because of what I shared with them. My mom, oldest sister, several of my cushions and a few old friends took it. As far as I know, no one has died yet. One of my friends took his first shot and almost died the same day. His mom saved his life. He hasn't taken another one and is now aware of what's going on. This is going to affect a lot of liberals but also many patriots as well. Even some of my born again believing friends took it. You would think that they would not but this

isn't just affecting the liberals, it's affecting all of us. For me, I've never taken the jab or have taken any of the test. I have however worn the mask three times in the very beginning just to walk into a store once and go to Bible Fellowship twice. I've been yelled at and ridiculed in public for not wearing the mask and told to leave several times. Hopefully none of you took the jab. Watch Stew Peters on Rumble or Brighteon and listen to what he says about the jab. It will wake you up right away. Derek Johnson is 100% correct on what he talks about. God Bless you all!

I never took flu shot, vax jab, and tried to educate them because we had the info years ago but that seemed to stop them from talking to me. They are adults with families and make their own decisions. They feel they were forced, like many, and all I can do is watch and wait.

I agree with you.

God made our bodies to create perfect human beings. I highly doubt He'd skimp on our immune systems. People need to stop being manipulated through threats of job loss or anything else.

Integrity has become so elusive – that people are dying from fear.

If someone takes the shot because they're threatened with their job, what happens when they die or are irreparably harmed from the shot- they don't have a career or job.

So the choices are:

Refuse the shot coercion and get a new job

Die or be irreparably harmed by taking the shot and you still won't have a job.

Easy choice for most informed adults

I've found him on RUMBLE. And follow him .i use duck duck go search engine. Has worked good for me . I've heard brave search engine is good too. Not sure about others but would love too know more about them thank you . Research detoxification programs now .

I wore the mask at work only

I was laid off from the place . My brother was told he had covid early at the start of this .work said if you where around someone with covid you had too quarantine your self . I choose family over their rules and didn't go back .. I've been working odd jobs since and trying too get by it's not easy but i chose family and friends over their rules..

Change is comming we just have too have faith.

Where We Go One We Go All.

God bless Us ALL AMEN.

Agree! I tried that as well. Some got it and others did not. The awful thing is this...a death can occur years down the road and no one will be able to connect/realize it was from the jab. I read it could take at least 5 years to cause an unexpected death,but it will not affect everyone who took it. Why, I don't know.....

Also just heard that Pfizer came out with a flu/Covid combo! These companies are committing genocide.

Last edited 4 hours ago by PatriotGal

I will not even take a flu shot any more, since 2017, because of the ingredients that are in them including mercury! Just how in the hell does mercury prevent one from getting the flu...and now Pfizer and other death shot makers are combining flu serum with the Covid poison...When will this insanity stop...?

Their angel or higher spirits, can heal them of vax ingredients as far as I know from near death experience, however, it's like breaking a rule to get shots, and believe in doctors, instead of good, so the lesson learning seems to be the thing here. If military can't protect people then the people have to advance

enough to protect themselves from the devil.

There's always been hypnosis and most USA kids are acting like their parents are ignorant goners that waste their time, so they don't listen to elderly advice. Unless they are homeschooled. They seem to think science has the best technology so get jabbed.

Children moving away from families for glamorous careers is not very tribal, and the Indians knew that and fought it as much as possible. Over time the modern society deep state system, crept up into the Indian reservations. Their kids were feeling like the system could not be beat and wanted to join the winning society.

Africa was more tribal, than USA Indians, only 7% African's vaccinated. Is it less crashes in less vaccinated countries?

Other countries presidents are making Trump seem like a fool and Biden just a killer for operation warp speed and paying how many trillions for it? The reason could be USA has a system that breeds evil because it's trying to be the greatest and best but the food is very far from the greatest and the best. Military has never protected humans born to get gardening rights. People should be able to apply for soil deliveries and land like they apply for food stamps.

Truthers tend to be poor so cannot work on this job without pay so some authority may have to roll out EBS where truth matters more than evil looking for money by following and forcing dogma.

Creation is fact. As is REINCARNATION. Cloning the dead, to entertain the living. Live action movies, cheating the Natural cycle of LIFE AND DEATH. NATURE has never been "good enough", for the mineral thieves, or gene stealers. D&D—>WarCraft—>WarHammer, And Star Wars, use The FORCE, Star fleet straight places technology and "people" above NATURE, and uses THE SOURCE, as a slave. Shit is about to get very ugly for this civilization. "Biblical" is an huge understatement. I've surged too many JURRASIC Periods, in Jericho. A certain KHAN!! The lie dies, the whore house of Babylon and it's tower of "apple", not babble, but the same shit!!

Could you be more succinct? It is difficult to follow your posts. Maybe it's just me.

That is just plain EVIL to take all of a patient's assets, but that is where we are in the world, today. They aren't even trying to hide any of what they are doing, it is absolutely blatant, and why the whole world population has not realized they intend to kill all of us by now, is beyond my ability to understand.

I have heard that once you take the vaccine you become the property of the government cause the vaccine is patented and you are Transhuman because of it. You take the jab and all your money, property etc is the government. Didn't Klaus Swab say that "you will own nothing but you will be happy"?? Is this part of their agenda?

2 accidents near my home in last 2 months where the driver just crossed over and hit traffic going in other direction. Fake news reports stroke or heart attack. 1 truck driver pulled off to side of road and died in his truck. Deputy fell and hit his head trying to climb in to help him.

Oh my god, they are murdering people then robbing them on top of that. I hope The families situation is rectified.

Sorry too hear this . I have family and friends that have taken the jab and that is my fear that death and other illnesses will take them out. Each jab lower the immune and will bring back cancer and others things that their healthy immune system fought off . They need too start detoxification programs. Do the research on it and help them out. It won't be easy they don't want admitted they where fooled or shammed in to it ..

But if we help them they don't all have too die.. God bless us all Amen. Be the change for the better world and Universe Amen. Good luck

lol, i'm allergic to jabbed people. just kidding. It's amazing that I stay locked in my home to be safe from them and not from some fake disease.

According to the scriptures, there IS a cure for this: II Chronicles 7:14 states: "If my people who are called by my name would seek my face and turn from their evil ways, I will heal their land." We need to get on our knees, repent, and turn from our evil ways. Some of the prophets have already confirmed that God has told them He would HONOR this promise.

"Not being allowed to see him" is a great clue to the possibility the hospital killed him. My condolences.

The question is Ken ... WHEN?! When are they going to swing? And PUBLICLY!

That's what I would like to know.

I hope it happens soon because they are going to release either ebola or marburg in 2023 and we need to stop it before it happens. This was told by a Fema whistleblower. Heaven help us if they release one of these.

Ebola has been proven 100% curable using colloidal silver in Sierra Leone. It then became the only treatment this country uses. Strengthening the immune system is a huge help. And it may prove that Dr. Zelenko discovered that zinc not only prevents respiratory viruses from replicating but many or all others, as well. I've just started researching this but have found it works for others, including rabies. For humans, taking 50 mg. of elemental zinc per day works.

Thanks Dee I had no idea that colloidal silver cures ebola. I take zinc already along with many other vitamins like D. I'm happy you responded because I am all the wiser.

When? (the question is not directed at you, but some certain white hat wearing individuals – if they are exists)

Yes indeed. Have to weed out all of the snakes. Even the ones not publishing truth about vax induced car crashes.

I am really surprised we haven't seen whole planeloads going down..... I will be honest and admit that I hadn't given the roads the same level of concern. People need to wake up....and it may take these "accidents" to open a few eyes..... at dinner last night the vaxxed were commenting on the random types of health issues of people they know....and they cannot figure out why?????? Clearly those shots affect the ability to think rationally.....

The only reasons plane loads haven't gone down is because two pilots are in the cockpit, and the odds of both passing out or dying at the same time is pretty low.

In a recent interview with an Australian pilot, he mentioned that there are even more than two pilots on long flights. There are certainly reports of pilots who've died in mid-flight.

I'd heard many months ago that there were quite a few cars along highways that had crashed, but not into or against anything, Obviously victims of the shots, since there were/are so many.

In the UK four commercial pilots in one week passed away in the air right after a major Jab push.

I wouldn't be surprised if they try to do this because if the single pilot dies then all those people on planes will die as well. Pray this doesn't happen.

They should allow paying customers to see when is the last time that pilots have been jabbed. But of course the deep state will by no means allow that! I think a boycott of airlines is in order to make them REVEAL THE REAL RECORDS, distributed by the US military of course.

Presently there are two pilots in the cockpit. Some airlines at least are now talking of having only one pilot. Now, isn't that going to be sight to behold.

Single pilot, has heart attack and dies in flight. Plane crashes into a congested neighbourhood taking with it not only all lives on board, but the lives on the ground as well.

The depopulation agenda right on target.

Most commercial aircraft are flown by computers. The pilots are there more or less to oversee that everything is functioning correctly.

Agreed and thankful that planes now have autoland and will work if the weather is not extreme.

Who says they won't fix it where the auto-land doesn't work when there is a single pilot on board? They can mess with any computer they want, even if in the air.

The autoland has to be flight programmed and placed in control just like an autopilot, which most flight attendants and passengers would be clueless how to do.

We will learn that all wars were started by the deep state and the bankers like the Rothchilds. Even the American Civil War. These evil scum supported both sides of the war or started them to take out leaders that did not support their policies.

Well if the single pilot croaks in mid flight, the stewardess can go on the intercom and ask if anybody knows how to fly a plane, before it crashes, then.....

yes, and we'll never know how many co pilot saves or vice versa there have been...

Thank God for that. Imagine planes crashing in populated areas. There is already devastation happening now.

The covid VACCINE KILL SHOT or mRNA GENE THERAPY was created to perpetrate GLOBAL MASS GENOCIDE, THIS IS FACT, The lowlifes behind this ACT OF TERRORISM and CRIME AGAINST HUMANITY , have spoken at length about their plans, agendas, goals and intentions behind this ATROCITY , they laughed about it , they were gleeful about and they made 10's of BILLIONS of DOLLARS on this, wielding illicit POWER and INFLUENCE over this. GITMO RECENTLY EXECUTED one of these lowlife criminals over this. WHAT TO FUCK ARE THEY WAITING FOR? Do they need to run this by the FUCKING LAWYERS , ATTORNEYS , TO SEE WHAT THEY THINK FIRST. THIS IS AN EMERGENCY ,

this vaccine kill shot , mRNA GENE THERAPY MUST BE SHUT DOWN IMMEDIATELY. THIS FUCKING EXPLOSIVE DEVICE WENT -OFF OVER 2 YEARS AGO, and just NOW they're talking about this. UN – FUCKING BELIEVABLE !!!!!!!

Most of us know about this but it's still difficult to wake up the sheep.

There has been a lot of coverage about your 2013 arrest for fraud. Can you explain what happened?

True but airlines are using the lack of pilots as an excuse to lobby for single pilot aircraft & in blue states they've seen some success. Stupidest decision they could make but that's the way it is.

They also have auto pilot control for landing, my husband is a Avionics Aircraft specialist, he works on these components, they can land a plane if necessary he said...

Up here.. there is a lot more near misses every time I've been on the road. I always joked that maybe they're wearing their masks too tight and not getting enough fresh air to the brain.. sh!t.. never thought it being the vaxxed crowd.

Up here.. there is a lot more knuckle head drivers.. That explains it.

Did you hear from the Canadian Mainstream Media about 99 Canadian doctors who died from the COVID vaccine? It was reported on Citizens Free Press approximately week ago. Blessings,

No it isn't just the VAX that causes them not to think clearly, they were NOT thinking clearly when they TOOK the VAX or they wouldn't have.

Genocide that goes on unabated. No authorities are putting a stop to this. The web of what the Luciferans have done involves many institutions and the love of money of many are keeping their mouths shut because they just want to retire and be left alone. Will America not be judge for this and all the many aborted babies?? How can we expect this country to still stand when the leaders have committed such atrocities.

Wicked leadership and the consequences thereof are judgement. If we as a nation were pleasing to God then none of this would be happening. We need mass repentance!

GOD needs to take out the LEADERSHIP, leave to people alone. HE KNOWS WHO THE ASSHOLES ARE, HE SHOULD TAKE IT UP WITH THEM , ENOUGH OF YOUR BULLSHIT.

Oh he'll deal with them when he's good and ready but he's also trying to get your attention Dave.

Thank you Mr. Baxter, for getting this info out. I've often wondered about this. There is so much going on right now that some information is falling through the cracks and it's important info. I didn't know if anyone was bothering to count vehicular accidents caused by the jab and now I know someone is. I rely heavily on your reports and look forward to them every day. Thanks again.

The "lefTurds" never took the jab. They are part of the problem and know exactly what's going on. I saw Dr. Fraud-ci, on a video, say he'd never take the jab. All those photo shots of politicians getting the jab were probably saline solutions. They all need to swing!

Naw, most of the Leftists aren't part of the elite, or in on the truth.

The trolls on here though probably are in on many crimes and didn't take the real Jab.

This was an intelligence test that illustrates the people of the world who identify as CoronAmoron have miserably failed. They cannot identify as being human, let alone identifying as a male or female or dog or cat

Last edited 1 day ago by Les

I understand they want to catch people commit crime, but by the time they catch everyone, most of the innocent citizens who have not woken up will be long gone and dead

This was an intelligence test, I believed that they failed this test, they deserve what awaits them because they never sought the truth

I think most of the harmful shots were distributed to the Midwest and the East Coast. I haven't heard of any related problems on the West Coast, which of course makes sense because the cabal needs all the left-wing support it can get.

I agree with fixing...I do that, too. You respect the language and it shows.

What the hell is wrong with farting while having a heart attack...? You could alert surrounding people that something is amiss...with the sound report and smell...

Sadly this is only going to accelerate, and we must prepare for it to be an overshadowing "Fact of Life" for years to come, Nobody as yet, can quantify for certain the cumulative effects of the clot shots on humanity, or if the collective gene pool has been irrevocably damaged, are there enough unvaxxed people who can eventually help undo the damage done by the vile Bastards who have perpetrated this crime on humanity? Who can say.

These are called vaxxidents, With all these people falling dead young people at that and they keep getting the jabs! Well all I can say about that is hosta la vista! Or something like that, Im not Meskin,, lol

Meanwhile the US military continues to jab their personnel over and over again destroying the health and the reliability of their force. If there were really White Hats in military how could they sit idly by and watch their personnel be decimated by this genocide? Sitting back doing nothing is an act of treason. This just proves there are no White Hats in the military they are all corrupt.

It proves nothing. There are factions of military who are not loyal to the fake president Biden. Even the guard turned their backs to him after his so called "inauguration"

Fact is,when you look at those that have gotten or continue to go for the jabs are intentionally ignoring the warnings(whether military or civilian), it should really not surprise anyone; rather we should expect that in most reports of those that took the jab(s) this should be the end result. While it may sound like a compromise,those who took the vaxx/booster CHOSE to do so. The pitiful aspect is that they either have or may kill others in the process. We can blame the DS'ers for what they've started,but we also have to blame those foolish enough to believe their lies.

Most people are trusting and don't believe that our public servants and health officials could be so diabolical.

My point remains the same: the vaxxers could have thought out what the shots could do to them and refused the shots,but they chose to take them.....some Even after hearing from others what could happen to them.

PEOPLE are UNDER DURESS , THEY ARE FORCED and MOST OF THEM DID NOT HAVE THE INFORMATION YOU , I and other have, or they got that information after the FACT, SO enough BULLSHIT. BLAME AND COMPLICITY is squarely on the progenitors , facilitators and henchmen behind this ACT of TERRORISM , CRIME AGAINST HUMANITY and ACT OF TREASON. You fucking people are PATHETIC.

You should see what these psychopathic cocksuckers have done to the US Veterans at VA hospitals and they were the first ones to take the jab, because they were so trusting to the VA's health guide lines. I went to a VA hospital for an eye test and the usually packed parking lot was nearly empty, because the vets are dead now.....except me.....and of course I didn't take the jab. I knew of the jab lie some 6 years back...

Can you imagine all of the movies and talk shows that will be talking about this fiasco for the next 60 years of how stupid the people were to lap up this con job of how anybody could be that stupid to fall for it.....?

All you need is the people in charge of the data and distribution of said data "MSM". Since our military refuses to take out the corrupt media, the world will be blind until then.

The people have no control over the media, we can't vote them out, Heck we can't even vote out the corrupt government for that matter.

The media should have been the first thing to go, without the lies and cover ups from the media the people would have woken up immediately.

The so called white hats wanted this garbage to happen so they can try and look like the good guys and come and save the remaining people.

They are all looking dirty to me, being Ex-military it insults me that our military would let this garbage happen in the first place. I am loosing my respect for the military over their handling of this situation, since they supposedly had the proof all along and have been sitting on their hands this whole time letting the corrupt fake governments through out the world kill so many innocent people.

I'll be happy for the world ofcourse, if the military ever steps in but I will never trust my own military again, just a different criminal in charge if it ever happens at this point.

At this point in time it looks like the military is just going to sit back and let Trump run and lose again. You can tell Obama is running things from his cellar since Newsome in California just said he wouldn't run against Biden in 2024. Everyone likes Obama and would never run against him.

The very thing that speaks to the masses, The Media, they do nothing about. This would end 95% of the problems.

I've been suspecting auto accidents are up for quite a few months now, and my suspicions were made real for my wife and I when an SUV plowed into our car almost head on. Fortunately we were going slow but this lady looked right at us while she was hogging the road. I've been driving for 50 years and have never seen anything like it! I've seen quite a few close calls on the road, and I don't think its just a figment of my imagination.

Over the last six weeks, I have been noticing more and more accidents on the road, and I must be missing them by like 5-10 min... I also drive 36 miles a day commuting. I half joke to my boyfriend, 'someones tryin to kill me'. Just last week I saw five, doesn't matter the time. And the day after Thanksgiving, it was like 1130am we see this car sittin in the middle of the road, looked like it was just rear ended, didn't see the other car. When we were coming back from the store we found it, drove right into a salon...

I used to blame the 'Holiday Season' for crazy drivers, not anymore. Thank You Mr Baxter for reporting this... I can't believe nobody else has even addressed this yet.

There's nothing in this current gov't that is 'fixed.'" Trump cannot be trusted – he's apparently one of "them" since the jab is still happening, no one is stopping it or the ones responsible for it. We were all expecting Trump and/or the White hats to rescue this country, but it's not going to happen. It's all a sick, evil game & sadly, we are the game pieces.

Jesus is the ONLY way~

I heard something the other day that I think you should know about. I was listening to an interview with someone called SG Anon who is a "truther" with inside information from a trusted source in the White Hat military. He was asked about Trump and his advocating the vaccines and this is what SG Anon said: The vaxx was originally planned to be only a doorway leading to a much more sinister plan for exterminating 90% of humanity and enslaving the remaining 10%. In 2016, 5G was weaponized to a 94% lethality strength. In western and central China, 5G transmitters were turned on for 3 days before White Hats could shut them down. 90,000 people died as a result of the 3 days of 5G activation. The Deep State wanted to do that here and it would have wiped out just about everyone. Trump had to make a choice in

order to gain time and convince people of the Deep State agenda. He pushed the kill shots so that the more serious weapons of mass destruction could be neutralized during the lockdowns. The use of the vaxx also allowed white hat scientists to try and devise an antidote — which they did: Using 5G transmitters to heal the jabbed which can be done once the Deep State is completely taken out in the U.S. BTW, he also said that the NY Times reported last December that military tribunals for the covid crime are already scheduled for the summer and early fall of 2023. Now, you can disbelieve everything I've written — that is your choice. You can continue to say the only solution is Jesus. But Jesus has had over 2000 years to get back here and fix all our mistakes and he hasn't done so. Maybe we're supposed to get involved instead of just whining and expecting Jesus to do everything. Ya think? Just remember: whenever your pastor tells you that faith in Jesus is the only thing necessary to make your life better, keep in mind he's just trying to keep you from doing anything proactive and productive in getting rid of the corruption and enslavement of humanity.

I heard there was a direct link to 5G and the vaxxed and yes we need to rise up against the monsters instead of complaining about what is happening. We need to rise up like Brazil with our military standing with us.

make no mistake he has one loyalty and its not to the usa.

NO , I am not, I respond to what is going on , and what has happened. There are serious discrepancies , some statements, some narratives that do not comport with statements and realities. I am do not engage in GROUP THINK , JUST TO GO ALONG, WITH MASSES IF THERE ARE QUESTIONS LEFT UNANSWERED , OR THOSE ANSWERS JUST DO NOT ADD UP OR COMPORT WITH REALITIES THAT ARE KNOWN.I do not go with the herd, till I know where it's going and why they are going there in the first place.

Why don't you globalists leave here and go where you are needed, supporting the Resident?

I am NOT a globalist and I did not vote for Pedo – joe Biden. I voted for Mr./President Trump. In the primary before the 2016 election , in the general election in 2016 and in the general election in 2020. So what's your problem? You are calling me out , so again what is your PROBLEM. Do you think you own or manage the narratives and content at this site? Or anywhere else for that matter? So Davis, explain yourself?

we have been hearing this for a very long time but nothing is announced publicly ,this is the biggest problem,while there is no public announcement-doctors will keep pushing and deceiving people and people are sheep so what do you expect,so many vax deaths and still people take children to get vaxxed ,who is guilty then?

There was a chart on telegram. That show how much hospitals get per covid death.

In my state they get a cool \$105,000 bucks

Thanks to the cares act. So don't think its going to end any time soon if ever.

Thanks for the info. However, I disagree about it not ending. I think it will end. The NY Times reported last December that military tribunals (Nuremberg 2.0) for the covid crime are already scheduled for late summer, early fall of 2023. However, once more people wake up about the "covid" scam, maybe the government won't be able to reimburse anyone for anything being as our financial system will break down. You know the old saying, "Every cloud has a silver lining."

In our covid testing at the hospital we rarely get a positive covid anymore. It's all Flu A and occasionally RSV. There is zero Flu B. So that makes me think that the rare positive covid is actually a Flu B. They obviously switched out the tests to do the covid promotion in 2020 perhaps before they were making Flu A be Covid which is more common and now they've made it so that Flu B comes out as Covid. For some reason. Because Flu disappeared completely when they began the Covid promotion and now it's back. Clearly not a coincidence.

“ In October, White Hats sought U.S. Army Cyber Command’s help in penetrating a database maintained by the National Highway Traffic Safety Administration, which is overseen by Deep State operative and Secretary of Transportation Pete Buttigieg.”

Pete Buttigieg will face execution for treason, and his fake husband Chasen will now be a fake widower, with their kids and dog being orphaned because of their father’s treason.

Excellent report, Michael. Thanks, keep it coming.

All of us who refused the vaccines have waited and watched as thousands of young people have had heart attacks!! Those pushing these vaccines are criminals. Fauci thought it was a funny game to play on the people of this world as they dropped dead after taking the shots!! He also loved forcing people to fight for breath while wearing those masks!! I wish he could be hung all over again!! We still have a lot of demons to get to. Lord protect us from these demonic beings slithering around every where!!

WTF, none of this really computes... if we recognize that JB is an actor, never set foot in the real WH, AF-1, or Marine-1, and is blue-eyed/ right-handed (instead of brown-eyed/left-handed...where are all these crooked cabinet shitbags getting their marching orders from??

It all strains the “it’s just a movie” theory.

it’s the REAL JB that was “blue-eyed and right handed... the FAKE one we have now is the “left-handed” one. And it “strengthens” the movie theory. Their orders come from the cabal (AKA: Rothschild’s) filtered down through the WHO and SOROS. The fake one also has a cleft chin which the original did not.

The real JB was executed at Gitmom after a few months in office by firing squad, along with O’bama, the Hildabeast, Pez Clinton and their ugly daughter.....

Yeah why it’s almost as if MB is completely full of shit and just grifting you guys out of money

Like I keep saying why is the Military and White Hats not taking the death shots off of the market and stop allowing them in the pharmacies and Doctors offices? If other harmful substances can be taken off the shelves or even a bio-lab here in America then why not these death shots? I’d like to know Michael ask JAG why are they not going in and taking them off the market and I don’t want to hear any excuses that it’s because not enough people are awake. They know the level of propaganda, Gaslighting and MK Ultra that has happened to people and they swore an Oath to protect us ALL even those who are not awake and by not taking those death shots off of the market they’re putting ALL of us at risk not just the vaccinated but now if we happen to be at the wrong place at the wrong time we’re sitting ducks.

It’s all fake, that’s why the pretend white hats aren’t doing anything about people dying en masse from an injection.

If the white hats exist, they are murderers.

If they don’t exist, the poison injections continue.

Which is happening?

Right, I saw a post from one of the white hat insiders who said “80% reached, go time”.

CORRECT, , How about the kids, They are so concerned for CHILDREN, that do not have control over their lives. THESE FUCKING VACCINES SHOULD HAVE BEEN REMOVED OVER A YEAR AGO AT THE LEAST. HUMANITY IS BEING SLOW-PLAYED. THAT IS WHAT IS GOING ON, ONCE AGAIN IT IS THE FUCKING LAWYERS AND ATTORNEYS.

“The plan seems to be effective,” Claus Schwab.....

The sheeple jump off investment cliff’s too.

Remember that kraut Claus Scwab is a Rothchild and he is not human either ...

Don, I've pondered those questions too, as well as many on this board that are frustrated with the seemingly plodding nature of the MHC's actions. To speculate though, President Trump has probably reasoned that a swift, very public response for those that have committed treason would be perceived by half the country as punitive and vindictive actions taken by the military against Trump's political foes, i.e. acting as his own personal "hit squad". It would probably cause the union to rip apart.

By the MHC working quietly behind the scenes, injustices are apparently being meted and a pathway being created for Trump's return. Running in 2024 could be a ruse by Trump to demonstrate to the masses that all is going along according to conventional political processes. Whether or not the election process will be fixed in time for a 2024 run isn't clear. If not, there may be no choice but to use the EBS to reveal the activation of The Insurrection Act of 1807 and the fact that the country is under marshal law.

It is spelled Martial Law, and it means the military is running the nation, NOT the government! As for the jabs, apparently 30% of the first batch were saline, and yes the most deadly batches were sent to red States. I have 5 jabbed family members, only one, my youngest granddaughter, is having any issues, and they are all mental issues, but she's still young and dumb (23) and her issues may have nothing to do with the jab, and much to do with her relationship with her mother a long time addict who just got clean this year. Her father, my son raised her by himself with my help during his working hours.

I'm in a blue state and work in a hospital; if these aren't bad batches, I'd hate to see the bad batches. Stroke alerts periodically all day long not to mention the palpitations, chest pains, seizures, bilateral leg swelling, fainting, unresponsive, difficulty breathing, and the less common swollen testicles, sudden vision loss, and even once the full term pregnancy unresponsive with massive internal bleeding..

Why are some people affected by the shots & others not — is it their blood type or maybe if they already had Covid-19 & had immunity before getting the shot?

From what I have found in my research the deadly batches of the bioweapon were sent to the red states because they are conservative. My 94 year old mother has had all 4 shots and has had no adverse reaction so I agree with you some people are fine... so far but others are affected by the first shot.

Yes, a childhood close friend died hours after his second shot with massive blood clotting in his lungs. Others I know haven't had any reaction.

I remember reading that possible reactions could take at least 5 years to show their ugly faces. People, by then, won't put two and two together to blame the jab.

Yes and that was a deliberate effect, exactly for the reason you stated, after 5 years people may not connect the jab with the problems, deaths and maiming the body's organs.

covid 19 does not exist, nor has it ever been proven to exist, The only reason it exists is because the jabb is under experimental, emergency use. Its all a farce that they need to let go on its course to show the people. This is a war of chess not checkers

NO it is a crime, GLOBAL MASS GENOCIDE, ACT of TERRORISM , CRIME AGAINST HUMANITY and TREASON

Apparently if they already had immunity from having the supposed covid, getting the jab destroys that immunity and then further compromises the immune system causing what they are now calling VAIDS, vaccine caused AIDS,

and these so called "white hats" are sitting on info that if given to the public would stop people from taking poison boosters yet they are doing nothing but watch?

The “white hats” are guilty of murder the same as Big Pharma, if they exist.

The mission of the US military is to preserve the Republic, which is different than save lives, FYI.

Our nation is finished. How incompetent and/or stupid do these supposed white hats have to be to allow this suicidal nonsense to continue? They haven't or won't or can't even restore elections to free and fair again by getting rid of the formerly Venezuela used Dominion Election Systems plus the muling that was clearly going on again-both major parties seem more than willing to allow its continuance as long as some places of power remain in their possession- in these most recent elections. Sure, we'll go on physically but we're being systematically, purposely rewired as a CCP vassal station for future toilet connection purposes.

Michael,

Simon Parkes alluded last night to U.S. ships off the coast of England and Australia that possibly could be there to conduct tribunals. Any word from your sources to that effect?

From what I have seen and read about Simon Parkes indicates that he really doesn't know shit about what is going on. He's supposedly a fake anon.

Did you know that is not his real name. Apparently a LOT of people in this fake govt are NOT USING THEIR ACTUAL NAMES, and it's been going on for a LONG time, long time members of congress have been using a fake name since they first ran for office.

Why is Pfizer still allowed to run commercials telling people it is safe to keep getting their booster shots? And the Government encourages it.

And the TV networks keep showing them even the supposed conservative networks like Newsmax and FNC. I've called them out on it to their faces, emailed the management about it. They NEVER respond and the ads are still playing.

I am a Registered Nurse and proud. Because I SAW the TRUTH I have been speaking up (not to the liking of many). My journey is love, compassion and forgiveness. I will never give up.

My personal journey is as such: In 2021 as a RN I was granted a “ religious exemption “ so as to keep my job. FYI I am a spiritual being and DO NOT adhere to any religious denomination. So... I lied. Then as the matrix clock ticked I was suddenly told by THE CORPORATION that I needed to get the bio weapon after approval of exemption(by the demonic health care company for which I worked for). I then resigned (and have NEVER injected the bio weapon in my self or patients) I took 11 months off leaving my family in debt and financial ruin. I started working again as a RN (exemption accepted) in August due to financial need. I see it all. It's heart breaking. Yet all these souls that have chosen to exit this plane had a choice: free will.

Sorry for all those who are losing their lives too too this bio weapons. Sending prayers too them and all the people they effecting because they where lied too or ashamed in too taking the bio weapons shot. NOW IS THE TIME TOO WARP SPEED A DETOXIFICATION PROGRAMS FOR THESE PEOPLE. and make the Medical community that help cause too reverse their stance and start helping the people who they have harmed. And the no vaccinated need too get the word out and help . United we stand divided we are going too die . SOO BE THE CHANGE FOR THE BETTER WORLD AND UNIVERSE AND HELP . THANK YOU AND GOD BLESS US ALL AMEN.

Yes, my brother was jabbed without his consent when he was last in the hospital for an issue with diabetic neuropathy in early summer and they gave him a booster while he was recovering in a rehab facility. So then two months ago he had a stroke, and then a week later had another, now his left hand is useless to him, he cannot feel it at all. He's 4 years younger than I, but the medical community has done him SO DAMN MUCH HARM over the years, he had a minor heart attack in his early 50s, so they put him on statins. Boom, next thing he knows he's got diabetes (a KNOWN, side effect of statins). His wife developed Alzheimer's and while he was caring for her for nearly 10 years until she died, he was NOT caring for himself, the diabetes progressed and he developed neuropathy. So the drugs they put him on for the

neuropathy gave him depression; so now he's on two antidepressants and is still depressed. He's lost his left leg above the knee (4 separate surgeries starting with half his foot and the last above the knee). And no one, NOT the VA or any other agency (he's a Vietnam vet) has ever helped him to properly fit his prosthetic leg, or taught him how to use it. Now he was just put into assisted living, a 3rd floor apartment. He lives 150 miles from me, he needs a patient advocate, and I've been trying to find one in his area, so far with zero luck. I do NOT want to be the last survivor of our immediate family, our mother has been gone since the mid 80s (heart attack) and our Dad died in 2003 at the age of 82 from mesothelioma and we had no other siblings.

I'm so sorry to hear what you are going through, Windy. I wish someone would help your brother and you out. There is a Facebook private group called DSN OFFICIAL (died suddenly news) and you should read the personal stories people post from around the world especially from North America. You might find some answers there. It's been taken down by Facebook twice...once the subscribers reach 200,000 but it comes back up under a new name.

That tears it.

I've heard online somewhere they are doing unrequested, unwanted 'stealth jabs' in Canada if you go in for any anesthesia-grade procedure where you are out while the procedure is being done. I wondered if they were doing the same in the USA and your story confirms this. This is dark, satanic evil—the order came down to simply jab as many people as possible whether they want it or not. It would be nice if you got some sort of warning first but it looks like hospitals have finally become deathtraps since 03-11-2020 when the UN WHO officially declared the Pandemic. You can only go to the hospital now for 'routine checkups' that don't involve injections of any sort. May The Almighty help you to avoid having to go to the hospital for help in a life-threatening situation. If you do, they will probably give you the death jab anyway without you knowing and if you don't get saline/placebo, you will be dead within 3-5 years according to experts who fear that will be true.

I've also saw online 4+ billion people have already been jabbed and will likely be all be dead within 3-5 years if they got the 'death juice'. It looks like the bad guys at the top told the medical sector/industry to do the 'stealth jabs' to get as many holdouts as possible.

Looks like we may well be in the last days foretold in Revelation in the KJV Bible. Please make peace with The Almighty and His Only Begotten Son that They may help you avoid 'the jab'—it scrubs His Name and His Word encoded in your DNA out of it transforming you into a GMO owned by the jab maker. Please watch Bitchute video IDs ckY32fyEy4SQ YIUqlyUCiKXp for more information.

Please avoid/decline ALL COVID/flu shots. Found out they all have mRNA in them which scrubs The Almighty out of the DNA of the jabbed making them GMOs owned by the jab maker. They also contain fetal cells and can cause iatrogenic reactions. DON'T 'say no', they may force the shot on you. I've seen clips of this.

Also avoid/decline the PCR test, it appears to be a way to get the MotB into a person that way, see Bitchute video ID 3ZxFaEWkpSke for details.

Please also watch Stew Peters 'Died Suddenly' documentary on his channel on Rumble. It is very good and is a concise explanation of what the death jab does to people after it is injected into them. Please share the link to it with others to warn/inform them. Thanks.

Why would anybody go into a hospital for a "routine checkup" if that person knows that hospital would try to kill them for a huge profit bonus from Uncle Sam?

Huge numbers of deaths across all age groups, up as much as 40% in 2022, reported by morticians, coroners, undertakers, embalmers, funeral homes.

Murder For Profit Incorporated, supposedly by people who swore to their Hippocratic Oaths to “first do no harm”. Deliberately killing without a 2nd thought, over the objections of more caring nurses, doctors, family members, exactly how have doctors, nurses, administrators, become so inhumane? Where the hell did these monsters come from, are they demon possessed?

If you value your lives, your elderly family member lives, the lives of your children, the lives of your neighbors, stubbornly avoid hospitals, doctors’ offices, nursing homes, school nurses, murderous Governors, anybody seeking to profit from the deadly JAB ‘vaccines’, avoid them like the plague, never trust them for one second.

I have to have these ‘routine checkups’ at a hospital and with other doctors to treat/manage chronic health problems I have. If I remember right, three visits ago, it was time to have an anesthesia grade procedure done at the hospital which I politely declined to avoid being ‘jabbed while out/under’. On the next visit, I politely declined again with another physician present. I was told of another procedure that was not as accurate/reliable, but it does not involve anesthesia. So, I did that procedure and it thankfully came back OK.

I heard somewhere online you are supposed to be able to strike out and initial unwanted portions of documents you have to read and sign before they do such medical procedures to you but how do you know they will honor your wishes while you are out and under anesthesia? The safest thing to do is to decline such procedures where that could happen.

Please watch Bitchute video ID ckY32fyEy4SQ for details of this. Truther Jim Stone (voterig dawt komm) posted this video at his website long ago. He believed the information in the clip is correct. He also (basically) said the Old Testament of the Bible is encoded in the DNA of all unjabbed people along with The Almighty’s Sacred Name.

I also found out that truther Fritz Springmeier said in a lecture from the late 1990s that a top-level elite told him The Almighty’s Name was encoded in people’s DNA. Fritz was supposed to meet with this elite but sadly they were murdered before the meeting could take place. Fritz showed a slide on an overhead projector in his presentation and the diagram of the DNA bonds spelled The Almighty’s Name in Roman alphabetic characters.

Truther Christine Beadsworth mentions similar information in the above Bitchute clip. Christine and other (medical) truthers say the mRNA shots literally rewrite you at the DNA level changing you into another lifeform—basically a GMO owned by the shot maker. You are then no longer a living creature created by The Almighty since proof of this was scrubbed by the mRNA shot.

Also, Jim Stone posted long ago that jabbed people found out all their warts and moles fell off their skin because, unknown to them, they couldn’t live there anymore because the person was changed at the DNA level into something else incompatible with their life processes.

The ‘backronym’ I heard of for deoxyribonucleic acid is apt: Do Not Alter.

Lu 16:19 There was a certain rich man, which was clothed in purple and fine linen, and fared sumptuously every day:

Lu 16:20 And there was a certain beggar named Lazarus, which was laid at his gate, full of sores,

Lu 16:21 And desiring to be fed with the crumbs which fell from the rich man’s table: moreover the dogs came and licked his sores.

Lu 16:22 And it came to pass, that the beggar died, and was carried by the angels into Abraham’s bosom: the rich man also died, and was buried;

Lu 16:23 And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom.

Lu 16:24 And he cried and said, Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame.

Lu 16:25 But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and

likewise Lazarus evil things: but now he is comforted, and thou art tormented.

Lu 16:26 And beside all this, between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us, that [would come] from thence.

Lu 16:27 Then he said, I pray thee therefore, father, that thou wouldest send him to my father's house:

Lu 16:28 For I have five brethren; that he may testify unto them, lest they also come into this place of torment.

Lu 16:29 Abraham saith unto him, They have Moses and the prophets; let them hear them.

Lu 16:30 And he said, Nay, father Abraham: but if one went unto them from the dead, they will repent.

Lu 16:31 And he said unto him, If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead.

Re 13:16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Re 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Re 13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] Six hundred threescore [and] six.

Re 20:10 And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet [are], and shall be tormented day and night for ever and ever.

Re 20:11 And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them.

Re 20:12 And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is [the book] of life: and the dead were judged out of those things which were written in the books, according to their works.

Re 20:13 And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works.

Re 20:14 And death and hell were cast into the lake of fire. This is the second death.

Re 20:15 And whosoever was not found written in the book of life was cast into the lake of fire.

Lu 23:39 And one of the malefactors which were hanged railed on him, saying, If thou be Christ, save thyself and us.

Lu 23:40 But the other answering rebuked him, saying, Dost not thou fear God, seeing thou art in the same condemnation?

Lu 23:41 And we indeed justly; for we receive the due reward of our deeds: but this man hath done nothing amiss.

Lu 23:42 And he said unto Jesus, Lord, remember me when thou comest into thy kingdom.

Lu 23:43 And Jesus said unto him, Verily I say unto thee, To day shalt thou be with me in paradise.

Unfortunately most citizens presently living will never wake up ! The government factory indoctrination centers where Creator God has been evicted from the buildings ; have only one outcome for majority of the human products processed through the conveyor line. Being thoughtless programmed drones they will continue to accept more Programming through the MSM & that will result in the series of foolish actions in this society until such a time as the supervisory staff are dealt with in proper manner according to their degree of involvement. Senior leadership in each category must be held to the standard expected from Creator God. Capital Punishment is authorized by The Eternal Sovereign for those in senior leadership positions. Civilization will not advance unless the Wheat is Separated from The Chaff . Nick , NavyBlueSmoke , LST-1195

You should take that up with the children, they're thoughtless drones, they are so dumb, right

He added that Cyber Command had neither the manpower nor capability to dig deep into 39,465 accident reports.
Uhm.....

There are letterly 10s of millions of patriots more than ready to start digging. But you do not trust the American people!

The PEOPLE are ready and willing!

But what do I know?

I got no idea how to play 5D chess...

I just do what needs to be done, kinda like those who came before me.....

Before I drive, I always pray to my guardian Angel and to St. Christopher the patron Saint for drivers to, "grant me a steady hand and a watchful eye so no one shall be hurt as I pass by." I have had some close calls but nothing major. Blessings,

REALLY , DUH , yet they still can say for certain, again DUH, REALLY WHAT DOES IT TAKE FOR THESEPEOPLE TO UNDERSTAND ,.....AND YET duh

just watch a snippet of Ms NBC.. it is like ANC PR in So. Africa... i just hope they ALL got triple boosted... after watching 5 minutes... tacky talons and short haired anti white hating wenches...

YES if these vaccinated drivers are not crashing into other vehicles they are plowing into homes , businesses , store fronts, Apple stores ,etc. yet still they say , do ya think it's because of the mandated mRNA VAXX? Duh, Duh check with fauci Duh, check with pedo bill gates Duh

I've seen 2 vaxcidents. I posted one here back in May. Now recently a man had a "medical emergency" while driving and hit a coworkers adult daughter and 2 grandkids. The daughter went to shock trauma with a broken hip and pelvis and has a long road back to mobility but she was lucky and the kids only had bruises. Another coworker's stepmother blacked out and crossed the center line and hit someone head on. She is alive with no memory of what happened. again lucky, but broken into many pieces... Another coworker was driving back from Tennessee and had a cardiac event and blacked out and ran off the road. She survived and didn't kill anyone. It's an obvious vaxcident when you see a car sitting stopped across the lane with no visible occupants or a visible disabled occupant of some sort. The genocide is massive. Every day at the hospital it's stroke alerts announced all day long. Still many people with swollen legs, chest pain, seizures, difficulty breathing, unresponsive etc.

Wondered when this was going to be brought to light. It is so ironic that we act like children and think so limitedly. What possibly would lead one to remotely think that flights can crash and kill people due to pilot error but auto accidents, train, workplace et al could not be dangerous due to covid shots impediments.

I hear you ,but don't say WE, there are many that do not think so limitedly

Michael, on November 2 I wrote the following that I'll share here:

On November 2, Steven Crowder interviewed English embalmers. Embalmers report discovering blood "clots" inside arteries and veins of people who were injected with Covid19, and subsequently dying, yet blood "clots" continued to live and grow larger inside deceased bodies. Embalmers state it is impossible, yet their discovery is factual insomuch that they collected and bottled seven (7) different specimens to exhibit them as evidence.

I speculate the differences might be the trademarks of each manufacturer perhaps to "tally" their gambling wins/losses. At the video counter 21.88 examine the photograph of 7 bottled specimens of "clots." I SEE DIMINUTIVE WORMS AND SNAKES WITH CARNIVOROUS TEETH belonging to Earth's soil, also fresh and salt waters, but certainly not blood "clots" that laypeople envision! WHAT DO YOU SEE? It would appear HOLLYWOOD's "Alien" movie series was a prelude to BIG PHARMA's contrived Covid19 genocidal jab of "worms/snakes" that fill the arteries and veins thereby "CLOGGING" blood flow before the worms burst out of arteries and veins to feed upon human organs!

POTUS Trump recommended IVERMECTIN, an animal DE-WORMER, which is the correct medical intervention to rid the body of WORM PARASITES which cause multiple diseases!

and a Rhodes Scholar no less, uummm, yet still so FUCKING DUMB , CORRUPT andgay.....and woke.....and WEF.....

IINO (Irish In Name Only) perhaps. Lord help us in everything we do in our fight against the evil one. Blessings,

Let's leave the judgement to God who possesses unfathomable divine mercy for all of us. Blessings,

Ivermectin is originally made for humans, later introduced for use in animals. Trump initially promoted Hydroxychloroquine which is also an anti-parasitic.

EXACTLY , yet many say " God will handle this " , this from the ,Oh so pious religious folk

No doubt the vaccines are causing lots of "mysterious deaths" and if these victims are driving at the time, they kill others too. This is horrible. And of course the government is lying and covering up as usual.

As I said before in other posts, if people would stop complying all of this crap would stop. But those idiots who continue to stand in line for these shots are making it hard for all of us. Just Say No!

As I mentioned some time ago on you tube & bitchute & other platforms.

They are creating a total kill zone.

You'll all be dead by 2024.

Its idiots like you who voted for Obama, Crooked Hillary and now this Trojan Horse Biden.

Sorry, ain't going to happen. Our creator decides when we all die. Even in the end of time, there will still be humans on earth until the rapture occurs. That is when the dead and then the living will be taken to heaven. Have faith in God alone. He promised not to leave nor forsake us. Blessings,

Scientists working on a combo flu & covid shot in one jab. They're going to try to push it on the public of course. The people need to just say no but then now I've heard they want to make it mandatory. Force it on the people and the people won't be able to say no. Imagine them trying to make that happen.

Moje výplata za poslední měsíc byla 11500 dolarů. Vše, co jsem dělal, byla jednoduchá online práce z pohodlí domova na 5-8 hodin/den, kterou jsem dostal od této agentury, kterou jsem objevil přes internet, a platili mi 50 dolarů každou hodinu.
