Let Envoy Air 3556, Embracer E175 provozovaný jménem American Eagle, zažil nouzovou situaci za letu několik sekund po odletu z mezinárodního letiště Chicago-O'Hare do Columbusu, Ohio. Velící pilot Patrick Ford mluvil souvisle a jasně k ATC, když jeho hlas náhle

utichl. O několik minut později druhý pilot Brandon Hendrickson informoval ATC, že má letadlo pod kontrolou a že Ford u řízení upadl do bezvědomí, a oznámil svůj záměr okamžitě se vrátit na letiště. Let bezpečně přistál, ale Ford byl mrtvý; Hendrickson a pilot American Airlines mimo službu vytáhli Forda z postroje, když záchranáři nastupovali do letadla a zoufale bojovali o záchranu jeho života. Později se zjistilo, že Ford utrpěl smrtelný infarkt.

Výše uvedený odstavec shrnuje oficiální verzi incidentu.

Vyšetřování Real Raw News o předčasném Fordově skonu, za pomoci informátora FAA, však nepřekvapivě odhalilo, že Ford, kterému bylo 54 let a byl před náhlou smrtí v dobrém zdravotním stavu, si dva dny před svou smrtí vzal booster covid-19. poslední let, což je skutečnost, která není uvedena v jeho úmrtním listu ani v jeho nekrologu.

Veřejně dostupný zvuk nouzového stavu je omezen na komunikaci mezi letem 3356 a ATC; chybí jakákoli diskuse, kterou by pilot a druhý pilot mohli vést, když si Ford uvědomil, že má potíže. Během vzletu a přistání letové posádky obvykle udržují sterilní kokpit, což znamená, že žertování je zakázáno, takže se piloti mohou soustředit výhradně na svou pracovní zátěž. Většina leteckých nehod se stane při startu a přistání.

V případě letu 3556 však Ford řekl Hendricksonovi, že se cítil „závrať a závrať“ krátce poté, co Hendrickson zvedl podvozek, podle zasvěceného pracovníka FAA, který tvrdí, že Envoy/American Eagle a FAA zkontrolovali hlasový záznamník v kokpitu, která uchovává nedávnou historii zvuků v kokpitu, včetně rozhovoru pilotů.

„Sled událostí šel rychle. Kapitán Ford informoval kapitána Hendricksona, že se cítil zoufale, točil se mu hlava, pak se zdálo, že změnil názor a řekl něco ve smyslu: "Nevadí, jsem v pořádku." Hendrickson se pak zeptá, jestli je nemocný, a poznamená, že vypadá trochu bledě. Kapitán Ford říká, že se před několika dny nechal

očkovat proti Covid-19 a pravděpodobně má mírnou reakci. Ford je pak slyšet, jak mluví s ATC, padá na židli dopředu a umírá," vysvětlil náš zdroj.

Federální vláda, dodal, vyvinula obrovský tlak na letecký průmysl, včetně FAA a NTSB, aby se vyhnula uvádění slova „vakcína“ do zpráv o incidentech.

„Pokud se přes naše stoly dostane zpráva se slovem Covid-19 nebo vakcína, bude zpráva upravena tak, aby tato slova vynechala," řekl. "Je zřejmé, že vláda nechce, aby byla její vakcína znehodnocena."

FAA a NTSB pohřbily stovky zpráv, ve kterých mohl být výstřel sraženiny příčinou incidentů, řekl. Počet pilotních úmrtí a nemocí exponenciálně narostl od zavedení mandátů na očkování.

Jak je uvedeno v našem posledním článku na toto téma, Real Raw News nemůže prokázat kauzalitu. Nicméně, člověk by musel být krátkozraký, aby tu korelaci přehlédl. A pokud by vakcíny byly skutečně klinicky bezpečné a účinné, proč by se vláda pouštěla do lsti?

And they want single piloted flights. They have destroyed their own industry following after the government. What if the people you follow and take advice from are evil ? Many people don't account for this possibility when listening to "authority". Because of not having discernment, many will now go to a premature death.

Very wicked cleverness for world destruction

From OFFICIAL DISCLOSURE Today:

Our controllers [Khazarian Mafia KM] have used soulless [Satan controlled = removed upper 3 or 4 chakras] and mendacious buffoons like Joe Biden to further their agenda, the dumber the better. Biden is the perfect dupe to bring in to destroy the country for his globalist [KM] masters. His [evil] Homeland Security agency is looking suspiciously at Patriots, Christians, and America-first citizens unbelievably as dangerous extremists, White nationalists, and racists, while Biden installs incompetent degenerates in key positions. Our controllers want as many Democrat governors in place as possible for the next wave of COVID that they have planned because a governor Kari Lake or someone like her would likely not go along with the lockdowns and mask mandates that will ensue. Dementia Joe was chosen for a reason.

Every day death will continue from this poison unleashed on the working class. Disguised as a treatment for a virus that didn't exist and forced upon the world of the believing population. The exempted from the forced vax was a sign to avoid the jab at all costs but without income that cost was too high-

What kind of choice is that, move the family to the street or die of blood clots or endure strange adverse reactions. "Trust Us" they said,

“It’s safe and effective”.

Every person associated with pushing this poison deserves harsh punishment and that includes Trump. The lies about “I didn’t know” won’t work. They’ve killed millions of innocent people.

What would have been the response had there not been a co-pilot on this flight, and all aboard perished along with the pilot? The lawsuits would be massive you can be certain. My flying days are at an end for a long time to come.

Well the stewardess could go on the intercom and ask if anyone knows how to fly a plane, then....

YES, and refugees and illegal immigrants (INSURGENTS) are EXEMPT from having to take covid – 19 tests , the VACCINE mRNA KILL SHOTS and BOOSTERS. This is ALL part of the “Great replacement Theory ” which is just a conspiracy theory.

IMO from what I’m seeing is the immigrants are planned to replace us then the AI robots will replace them with extreme prejudice except the girls chosen to be breeders.

The government wants to kills us all on the land on the sea and in the air! Depopulation is the goal! Pray without ceasing for our nation!

At least there was a copilot

I am most worried about those driving cars, while suffering such an episode. Will the Med Beds take care of the vaxxed?

Their DNA may be too affected to heal as Spirit intended. Med beds can't help if you don't believe in them and their Sleepers mostly, they won't believe.

There is nothing the Holy Spirit will not heal. Nothing. He can repair DNA, too. Don't limit God. He is better than any doctor, He is the Doctor of all doctors.

I went to the ER in Aug and they did a covid swab on me. I swear that shit could have contained the vaxxx! I took oil of oregano for a week due to a running nose and detoxed immediately!

I think your angel does the healing from what I remember it's that being. That stuff somehow dissolves out if it doesn't kill you. It don't seem to be dissolvable if the person gets the plane compression or probably divers also. I think people should quit their jobs if the job is mandatory but they think side effects are temporary and stronger cooler people can survive the juice. Well I don't know what's wrong with some of them and the stuff seems to clog anyone.

I remember Gene decodes thought the juice would only hurt human hybrids that didn't have enough real human DNA but I don't hear RRN agrees with that idea.

I've understood the same their consciousness needs to be there at a certain level. All chakras need to be working. If the upper chakras are not..meaning only the bottom three only exist—it only means the job won. But the soul and mind cannot die but the body does.

Then the NTSB will list the “accident” as pilot error, case closed, move on to the next “accident”. Or if the NTSB doesn’t think the airline company is playing deep state ball then it will determine that a critical part of the airplane failed thus grounding that airline’s planes until they get in line and comply.

Different timing as RRN is acting like just having had the shot recently is more proof of cause.

And an OFF-DUTY American Airlines pilot was aboard this aircraft as well. I sense that there are ” OFF – DUTY ” pilots aboard ALL airlines flying in the United State and overseas as well. This is no doubt S. O . P , Standard Operating Procedure with ALL airlines these days, most likely required by insurance carriers , insuring ALL airlines although NO ONE is talking.

Hope this is the truth for all flights as I’m going to Cancun in February.

According to the Allstate Insurance Company, auto accidents are up 20% in 2022 over 2021. Michael has already reported on the military investigating the alarming increase in auto accidents.

Volunteers for the experimental, unapproved deadly JABs, when simple common sense, clear deductive reasoning should inform any person on the Earth there are ZERO reasons to sacrifice themselves to Big Pharma, are likely to be far down the lists of people to be treated by the medbeds.

It's just a human list though, there's ethereals like their angels that seem to know what's up to my experience. Why people can't tell not to get a jab has something to do with something wrong with them in my guesstimate OR they were meant to die to show examples for people to go by.

The cover up is so inexcusable, it seems to prove the deep state is just cold blooded killers, but they are also not necessarily human 100% so examples of that would be educational.

The Rothchilds are not human, but are Nibirians with elongated craniums from the planet Nibiru and is a planet that is 4 times larger than earth and is in a elliptical 3rd plane orbit in our solar system. These are the guys that have been causing trouble all over earth for 1800 years and the Galactic Federation of Planets are now here on earth to remove them permanently and the GFP are the backbone of the white hats. There was a huge paramilitary strike on the Rothchild's headquarters that are underground on the border of Schweiz and Ostereich to kill and remove them. These black hats are to be removed and terminated. The Med Beds are a gift from the Galactics, by the way.....

This was a test of free will that they failed and severely damaged their bodies and soul.

You are correct, but some just couldn't resist the free Starbucks coffee and doughnuts, if they got a test killer shot!

WEF CHAIRMAN' Claus Schwab's final words are:

“FLY THE FRIENDLY SKY'S. AS THE AIR BECOMES THINNER THE BLOOD VESSELS ARE PRESSURIZED TO COMPENSATE.”

One kill shot 'jab' to take out the many. I suppose K.Schwab delights in the steady number of deaths piling up around the world. Fortunately the co-pilot saved the 'many' flying that day.

Yes, Klaus is celebrating that pilots are dying from the jab/booster. Probably hoping the planes would crash so more people would be killed. Remember the WEF's goal = depopulation.

The WEF, cannot control , con nor threaten the INSURANCE CARRIERS and COMPANIES as they do with criminally corrupt and criminally compromised politicians , government bureaucrats and officials. There are greater powers than the WEF and the establishment inbreds and zionist satanist deranged , degenerate jews. Between government, intelligence agencies perpetrating TERRORIST PSY-OPS, such as 9-11-2001 Twin Towers attack, WEATHER modification and manipulationsiforce multiplier

Yup, when the Italian Sicilian mafia created / imported their criminal culture of "insurance" schemes into America during the early 20th Century, many thought the industry would die during either the Great Depression or WWII. Instead, the evil insurance schemes increase by decade in tempo with Rothschild's evil schemes of economic oppressive "systems."

yeah , well there was an " OFF-DUTY " AA pilot on board this FLIGHT. I sense there are " OFF DUTY " PILOTS on ALL airline flights these days. Most probably required on ALL airline flights by insurance carriers and insurance companies , this NOW being S.O.P., Standard Operating Procedure. The reality of various Nation's military, conducting and perpetrating TERRORIST PSY-OPS, CRIMES , such as the 9-11-2001 Twin Towers attack , pre-planned

mass shooter and active shooter ” events ” and psy-ops, : WEATHER MODIFICATION and MANIPULATION used BY THE MILITARY as a FORCE MULTIPLIER for WAR OPERATIONS and CONFLICTS , and global criminal cabals and networks using this tech, for the purposes DISASTER CAPITALISM, all of this causing Hurricanes, tornados , floods , famine , Earthquakes, volcanic eruptions, all if which causing MASSIVE DAMAGE , DESTRUCTION and MISERY and HARDSHIP for the MASSES OF HUMANITY, so these entities can reap MASSIVE FINANCIAL GAINS. ALL of this heinous shit COSTING INSURANCE COMPANIES AND CARRIERS HUGE COSTS AND FINANCIAL EXPENSE , RESULTING IN MASSIVE LOSSES for these companies , carriers and SHARE HOLDERS. These insurance companies and carriers, will NO LONGER COMPORT with WEF deranged, sociopath , criminal agendas , plans , social engineered criminal psy-ops They have essentially have given the MASSIVE FUCK YOU , to the WEF , WHO , the UN, the CFR, intelligence agencies and all of the establishment inbreds, and zionist satanist jews. So NOW we can see just where POWER resides and exactly identify the entities that have and are in CONTROL.

...because the government is controlled / compromised and therefore entirely corrupt. Every agency and department has been infiltrated or is controlled. Therefore every person who plays along and allows the genocide to continue is guilty.

BUT WAIT...the Brunson vs. Adams [US Congress], case might turn it all around. Elon Musk (whom we do not trust but he got caught with his hand in the North Korean cookie jar, er, missile assistance, in 2017 and is now doing his part because of a deal he made) is doing his part to expose the corruption until the Supreme Court makes a decision (case is here: <https://casetext.com/case/brunson-v-adams>).

Word has it that the Supreme Court has been told this is their **last chance** to do their jobs or they, too, will be sitting in barges with the rest of the corrupt DC actors off the coast of Gitmo awaiting their military tribunal-Treason trials.

December going to get intedasting.

.Musk is still censoring all the Jewish questions, whether Fake or Real Jews, he censors any questions about Jews.

Jordan Peterson (another controlled opposition agent), was asked about the jews. He refused to answer the question! I saw the video on roxytube.

He will change his policy in regards to the censoring and moderation of the PEOPLES , HUMANITIES RIGHTS TO FREE SPEECH and EXPRESSION OF THOUGHTS AND IDEAS. HE WILL HAVE NO CHOICE ABOUT IT , THIS WILL CHANGE VERY SOON, AS THIS CORRUPTION of TWITTER WILL NO DOUBT BITE HIM IN HIS ASS. He cannot Pick and Choose, but give him a chance, this is just starting as he has lots of arrows coming at him from many directions.

“BUT WAIT...the Brunson vs. Adams [US Congress], case might turn it all around.”

So far this has been a very interesting case. Each year the SCOTUS receives about 7,000 to 8,000 cases (or petitions), which means it can be a while before any case is even looked at. Of those, about 80 will go to docket and for consideration by the SCOTUS. In addition, about 20 years ago, the SCOTUS came up with a rule that they would only look at cases submitted by a lawyer. This case was put to docket almost immediately after it was received, and it was NOT submitted by a lawyer. This means this case is being fast-tracked and the SCOTUS broke their own rule on looking at it.

It looks to me like all the supreme court got arrested, and are acting like puppets.

Ordinarily, the supreme court would throw out the case, and allow the election to be stolen.

So now what?

Does the supreme court void the election,
and then gut congress and Biden?

Or,
does the supreme court throw out the case,
and the Military intervenes and arrests
the supreme court and its toadies?

Add Ford to the long list of those who “Died Suddenly” after injections with the CV19 vaccine and boosters, running around 1.1 million now. Sooner or later, it will be necessary to fly with only those pilots and co-op lots who disclose that they are unvaccinated before departure and that they engage in lifestyles that preclude close proximity with the vaxxed, since shedding can impair the body within an hour of contact.

Smokey – the Fifth Column physicians and thousands of other accredited professionals in their respective fields of expertise are confirming the veracity of shedding of this (and other vaccines) with ample proof that is visible in the blood and organ tissue. I am one of those professionals (retired Lifestyle Therapist with an emphasis on Bio-Energetic Medicine) who have viewed these anomalies in the blood using Dark Field Microscopy and Live Blood Cell analysis. This a fact demonstrated clearly in America, Europe, Africa, and elsewhere for over two years. Most of the videos on YouTube have been removed due to censorship, yet diligent practitioners and researchers share their Findings with colleagues and interested parties. The formal name for “shedding” is “Transmission”. This occurs due to the Graphene Oxide and nanotechnology in the Hydrogel. There are protocols being developed to address this process to prevent or reduce serious injuries (sudden death, myocarditis, spinning and keeping over, cardiac arrest, and fibrous clots).

Keeling over . There are recordings of people seeing something, reaching out toward it, spinning, and then dropping down uncontrollably; perhaps you'll find footage of those instances to edify your learning process.

Died suddenly don't show the ones that drop and get up again. They sometimes just drop and sometimes crash their bike or whatever.

Smokey is here to block us, confuse us, prevent us from educating each other. Smokey is not paid to learn facts and pass them on to patriots. Thank you for the scientific info.

ok, then... if shedding is a proven, indisputable fact – and I live in a CA county (full of gullible left wing retards that 95% vaxxed) – then I should get automatic immunity to the deadly pandemic just by my proximity to vaxxed persons, right?

But the fact is, all the colleges here continue their flagrant commission of Title 18 violations. Nuremberg Code, Deprivation of Rights under Color of Law, Coercion, Treason, Sediton... Looks like a lot of school board members, Public Health Officers, Boards of Supervisors, etc will end up strung up

No amnesty for any of them! This vaccine is a bioweapon that will not provide herd immunity from the coronavirus, SARS, MERS, nor HIV. It is, by design, lethal. However, you are less likely than those who took the inoculation to be hospitalized, die from actual flu-like conditions, or experience the symptoms that are attributed to COVID and the gene-editing mRNA damage to your genome – especially if you use the protocols to clear your blood from the transmission of spike proteins (and more) from the vaxxed. Do that daily. It serves a purpose to avoid contact with the vaxxed, less than an hour at a time; and then utilize the regimens to clear your blood while blocking your ACE2 receptors during and following exposure by proximity.

Its one thong to terminate the vaccine program, but quite another to resolve and repair the vaccine injuries to those who are experiencing health challenges. The protocols are essential to reduce the death rates or further complications to their health. Quality of Life is everything!

Wrong. A fellow who cleans out septic systems says it IS shedded and flies through the air when they are cleaning so they now wear complete hazmat suits.

There's more people that know any can't stop this agenda. Should be enough to stop it by now.

Actually all vaccine recipients shed as their body creates a natural reaction to the foreign materials injected....this is true of every single vax ever introduced into human (and probably animal) bodies. This is not quackery. This is fact. The amount of shedding likely varies between people.....

There are numerous studies that have concluded this shedding or transmission process occurs with measles, smallpox, influenza, and other vaccines. Take for example, the outbreak at Disneyland from a vaccinated child. It is a fact and must be taken into consideration as a reason why we must call for the immediate halt in the production and application of these vaccines.

That was the intent, the vaxxed shed and infect the unvaxxed. It is happening in large numbers. Some family members 'inlaws' took the jab few months later some of the animal's started dieing off. Some of the small children keep getting sick. Its not going to end. As for as medbeds I'll believe it when I see it..

Yeah, I have my doubts about Jab shedding. I still hang around with Jabbed people. not often, but completely avoiding seems too paranoid.

Paranoia is not the issue in this matter, it is a serious concern for the ethical and physiological impacts of the vaccines and boosters. Reproductive system issues of infertility, miscarriages, genetic abnormalities, bleeding even after menopause are raising many questions about the fallacy of this vaccine being safe. Athletes and others who have no previous health issues are also impacted disproportionately. The best way to determine your personal health status would be to find a holistic practitioner who uses Dark Field Microscopes and Live Blood Cell analysis as a diagnostic tool.

First, I'm not talking about taking any of the Jabs, as I didn't and I won't. Yet I'm about 75, and I've got my 2nd "Aggressive cancer" and I've was diagnosed about 4+ years ago, so way before the Jabs came out.

In the last year and a half I've had a Lady, who is my helper, who comes around about 4 hour per week to help out. She is fully jabbed, but I'm not going to argue politics with her, as she doesn't push her thoughts on me either. I did tell her to try to get some tests done, as I figured there is some very bad stuff in the Jabs. I fell short of telling her the Jabs are absolute poison, as she wouldn't believe me, and she would be less likely to test herself, then if I gave her a caution to get checked.

She's a huge help to keep me out of being warehoused in a cheap old folks home. She's quite nice. So, for the past 1 1/2 years I've been around a "shedder" for 4 hour a week with an aggressive cancer, which was supposed to do me in even before the Covid19 thing even started, yet I haven't gotten any worse from being around a potential shedder.

If I was a 25 year old female with no Jabs, who wanted to have kids, then I'd b more careful, but some of this stuff for most is paranoid.

My own closest family had to move hundreds of miles away due to job situations... they wouldn't have any jobs remaining here, so they left with my blessings and hopes that they could keep their good jobs. Unfortunately, 2 of the 5 of that family took the jobs also, and if they were still around here I'd probably see those 2 also.

I watched a video of a vax injured pilot that had to retire because of his (heart) injuries. He stated other vaxed pilots are not going to disclose they got the shots because they don't want to lose their careers.

Is that the clip where the (ex)pilot is in a hospital room standing up talking to the camera and to drive the point home, he lifts up his hospital gown to reveal all the (EKG?) wires stuck to his chest? If so, I saw that one.

If you shunned flights after 9/11 (09-11-2001) and the establishment of the TSA, you probably will shun flying to avoid being scrubbed 'by accident' by a 'jabbed out' pilot 'flying alone' as desired by TPTB and the paymasters above them. Fortunately, that didn't happen here with this story of the incident but is bound to happen due to 'the law of large numbers' if the airlines are going to 'solo pilots' or both pilots 'jab out' at the same time on a flight.

I flew in September and was scared to death! Praise the LORD, we had 4 safe flights! I don't care to push my odds again until this evil charade is over!

This is why I won't fly again until we have put the vaccines way behind us. I can see in the future people will have to hide the fact that they took a shot. People will not want pilots flying a plane they are on if the pilots are all vaccinated.

That only works if the pilots you question are honest and won't lie to you.

Psychopaths and sociopaths, can lie to you and appear to being

truthful. Also, pilots who got jabbed to keep their jobs may ‘practice’ at home so they can lie to you saying they are unjabbed and they appear to be honest and truthful to you.

The best thing to do is to stop flying in commercial passenger jets and, if desired, learn how to fly yourself and buy a plane.

Yep. I, too, refuse to fly . I’m sitting tight at home – even with family in Virginia. No travel by plane, train or automobile. In my hometown there have been many younger people dying suddenly at home. Trump better take care of this evil soon or there wouldn’t be any America to make great again!

And we cannot enjoy the crops in 18 states where Bill Gates owns farmlands so he can poison the crops with his mRNA shots to further depopulate the earth. I cannot enjoy salads anymore because of him, nor can I enjoy California grapes. Millions of people cannot enjoy fresh produce at the markets anymore because of him. We NEED vitamins and minerals for our bodies. More depopulation.

The meats in the markets have graphene in them when you do the magnet test, and we need proteins for our bodies. More depopulation.

The mRNA shots with nanotech can make a metal spoon stick to your body and control the television and smartphones and payment technology and online communications via RFID chips in the hand and the shots. That’s for the slaves to obey their masters of the WEF/NWO/WHO/Rothschilds/Luciferians, and if they don’t obey them unswervingly, everything gets turned off and they cannot survive. More depopulation.

Add that to the social credit system and the slaves’ lives are even further limited. More depopulation.

Add that to the global Covid vaccine passports the leaders at the G20 summit agreed on for the world, and Biden and Trudeau and Macron cannot oppose Xi Jinping or the rest of the globalists because they are compromised via sexual blackmail. More depopulation.

The graphene is in the drugs we take for our health. More

depopulation.

The DNA from our noses in the PCR tests are being banked for the NWO to use against us and kill us. More depopulation.

Gates even had Pfizer make a fake horsepaste with mRNA in it to kill even more people who know that ivermectin works as a parasite remover and Covid killer. More depopulation. Gates's friends are destroying pharmaceutical plants in India and elsewhere that make doxycycline, Ivermectin, and other natural cures that cure Covid and other diseases that are safe even for children and pregnant women to take. More depopulation.

I don't care if it's Gates or his clone/doppelganger/CGI/body double or what, we have to get rid of these deep state traitors and their doppelganger demons and cleanse our nation, produce, drugs, crops, tech, fabrics, textiles and materials of any and all WEF/NWO/WHO/mRNA/Rothschild-sponsored nanotech and poison shot products containing the venoms the Luciferians want us to die from.

Yes, there are farmer's markets out there, but not as many as the bigger farms that have existed for generations, and they are more expensive to buy from. We cannot even buy baby formula and gas for our cars or pay our bills because of the economy being in shreds because Biden keeps making love to the Chinese Politburo.

Gates is totally Luciferian. It's not just about the money for his wallet, it's about pleasing Satan and making human sacrifices through his venom shot. The Christians and Trump supporters are targeted above every other group in the world for depopulation AND WE MUST FIGHT BACK. CHRISTIANS DO NOT SUBMIT TO SATAN AND HIS KILLINGS.

And before I forget, Gates is buying up farmland in Turkey, too. More depopulation. I'm sure President Erdogan will be very happy about that.

That's exhausting to read and even more to comprehend. Many of us want to know but it's terrifying to accept so we try to stay aware but bury it so we aren't overwhelmed.

Safest thing to do is to quit flying altogether or learning how to fly a small private airplane and buy one. Expensive but the only way to be sure to avoid being on a commercial passenger flight that 'goes down' due to a pilot 'jabbing out' at the controls.

I've heard "yes" but they think the chances of both or 3 pilots all dying at the same time as slim. I've also heard that airlines want to downgrade to only one pilot for flights only in America as to cut cost. Most overseas flights require 2 pilots and a co-pilot or a third person of sorts. Local flights at this time usually have the pilot and a co-pilot.

Basically sounds like they want to have planes crashing all over the place to kill more people and cause fear.

Over half of the jabbed received a placebo. That is why there are so many unaffected by it. The placebo information is (or was) right on Pfizer's own website. I would assume that since they did not get the vaccinated numbers they were hoping for, the placebo rate may be considerably less in the boosters.

They don't die or get side effects on the same day, they got jabbed on different days, the point of Baxters articles is recently jabbed are more problematic.

Maybe not the boosters! Thats what makes these dumb people even dumber. If the original vaccine is a Emergency(Non tested) vaccine , because thorough testing hasnt been completed, just why would they think the boosters are any safer when the original hasnt completed a certain test time frame?? But get not one booster, go for more!??????

Absolutely DISGUSTING that they HIDE the vaccine connection. Every authority doing this has BLOOD on his/her hands!

"The federal government, he added, has applied enormous pressure on the aviation industry, including the FAA and NTSB, to avoid putting the word "vaccine" on incident reports.

“If a report with the word Covid-19 or vaccine crosses our desks, the report is amended to omit those words,” he said. “It’s obvious the government doesn’t want its vaccine maligned.””

Bidey Boy, time to pay the piper.

Too many people are dead and maimed because of you and your vaccine mandates.

Our country is a vassal state of China because of your treason and your publicly professed love for the New World Order..

Our economic resources and military weaponry and technology are being given away to adversarial nations and they hold the upper hand and laugh at America because of you.

We therefore cannot provide for our families, or go to work, or go to school, or run businesses, or travel without the vaccine mandates, no matter how many people die or are injured for life because of you obeying the cabal and secret societies and taking their money rather than We the People who pay your \$400,000.00 salary.

Kids are being kidnapped, procured sexually, trafficked, raped, sex-changed, mutilated because of your supporting LGBTQ societal domination.

Babies are aborted and bodies sold for parts because of your push to keep abortion legal and profitable.

Kids are sodomized, puberty-blocked, tortured, intentionally molested by paedophiles like you.

Kids are incested and raped by familial sex offenders like you who support the push for legalizing rape and incest in America, the UK and Australia, decriminalizing sex crimes against kids because you sexually abused your daughters and granddaughters and maybe even your own son, who is also a sex offender and narcotic degenerate because of you.

Kids are killed and blood-harvested because of you, because of the blood-harvested adrenochrome you love so much and had another dose of at your state dinner the other night with President Macron of France and Kevin McCarthy and Nancy Pelosi.

Your daughter Ashley is afraid to have children with her husband the

doctor because of what you did to her in the shower, and she fears her children will be sexually abused by you too, like you did to Hallie's kids, little Hunter and little Natalie.

Your granddaughter Maisy has extreme pain from the trauma of being sexually abused by you as a child on the campaign trails. The beauty and splendor of a marriage celebration at the White Huse will never, ever make her forget the humiliation and damage you did to her sexually as a child, nor will she ever forgive you for what aftereffects she is living with along with her new husband.

Your family members live in fear and hatred of you and playing along with your satanic, paedophilic, incestuous, arrogant demands for sexual gratification instead of loving and respectign and honoring your wife Jill sexually, and vaccine-pushing, high-handed behaviour.

YOU WILL PAY THE PRICE FOR DESTROYING HUMANITY, AND WE ARE NOT GOING TO TOLERATE YOUR ACTS. JUSTICE IS COMING FOR YOU AND YOUR SON HUNTER, BY GOD AND BY US.

Excellent work, Michael, thank you for the report. Keep it coming!

It was Dr. Fauci, DARPA, the Wellcome Trust, the Gates Foundation, and licensed as well as illegal biolabs (Wuhan Institute of Virology, Fort Detrick, and Ukraine for instance) who are responsible for funding and development of the vaccine and the weaponized viral agents. President Trump was advised by these people and groups.

Fauci went along with the convincing and promising NWO. It's a shame he did so many bad things but it's not likely he created the NWO. He was their puppet. Do or die.

No, the NWO has been making these killer shots for 30 years prior to Obama, Trump and Biden. They have been trying to kill us all. It's part of the NWO's plan to reduce the population to 500,000,000 people and enslave them for their Luciferian pleasure. And Biden supports the deep state. Trump has been fighting the deep state since

day 1.

Trump double-crossed and tripped up the deep state by putting out the clean shots for Operation Warp Speed after the pandemic started that were made from saline and serum minus the poisons, nano tech and hydras the cabal made that are killing us all. When they were made available, not enough people were dying for the deep state's satisfaction, and they found out the shots Trump put out were clean; and then they tainted them with the poison that are killing us. Trump never mandated forced vaccination, BIDEN DID. Trump also never took the poison shot, nor did Melania or Barron; that was disinformation to telegraph to the deep state to trip them up further. He and the family took natural cures to avoid getting sick.

Moreover, Trump was poisoned in October 2020 (not from Covid as the media says); and the doctors had to fight to save his life because the deep state wants him and his whole family dead. They got Robert Trump and Ivana Trump, never forget — RRN reported that Ivana took the shot and was found dead in her home. Yet more blood on the cabal's hands, they are trying to scare Trump off. But he won't be scared off. NO WAY. Trump punches back harder than they punch him. And he is a born-again believer with millions of Christians praying for this man and his family, so there is major spiritual war manifesting itself in the carnal realms according to Ephesians 6. Now the deep state along with Biden is really playing dirty by forcing everybody and their mothers to take the shots, or they cannot live normally. Oprah tells people they cannot visit her at her house without being twice-vaxxed, boosted, PCR-tested, quarantined for 14 days and masked up before even darkening her doorstep. But people are dying and getting maimed from this shot — this is what the cabal REALLY wants. So they are manipulating the information saying Trump forced the shots on everybody (which he never did) when it was really Biden who did.

There is no law in the world of medicine that I know of that says a person's medical protection against a disease must only come through a needle and no other conveyance for the drug to be

successful.

Because the shadow government overplayed their hand by rushing out the poison shots they made over 30 years ago, planned for 8,000,000,000 today, the FDA and the CDA and the pharmaceutical companies are committing misconduct and malfeasance.

As a result, people can now sue the FDA, the CDC, the pharmaceutical companies for misconduct and malfeasance even if they cannot sue the vaccine manufacturers for defective products because the liability protection for them was signed by Reagan in 1986. Misconduct on the part of a companies strips the liability protection from them so they are open to litigation and the legal sanctions. The courts will be swamped with litigations because of the huge numbers of excess deaths and maimings from these vaxxes. Remember the morticians are pulling out long clots the size of snakes out of the veins of dead bodies at 80% of the death rates falsely documented as Covid death, even though the doctors know better. More evidence to bring to the courts. The morticians are getting braver by the day. The problem is so bad, RT news literally paid a mortician \$80,000.00 NOT TO TELL TEH STORY AND EXCPOSE THE TRUTH ABOUT WHAT IS CAUSING THE EXCESS DEATHS IN AUSTRALIA. He is talking anyway via social media and independent citizen journalists online like Rumble and Bitchute and Stew Peters and others.

YES, THE NWO HAS ITS GRIPS ON SOME INDEPENDENT NEWS OUTLETS, TOO. THEY PROTECT AND LOVE LUCIFER BY MUZZLING THE TRUTHTELLERS AND SILENCING THEM, AND WILL NOT ALLOW THEIR FALSE GOD TO BE EXPOSED FOR THE DEPOPULATION PLAN.

This is how Trump double crossed the deep state to make them pay for their depopulation plans. He exposed the cabal yet again. Now the people can fight back legally.

FIGHT BACK!!

I don't have data on Trump being that innocent. If he was, he was lying about the saline placebos being vaccines, but all canines are lies anyway, and not talking all this time is he? Does he say anything about his pure jabs at his rallies? On his alternate media?

As far as killing off the population and reincarnating everyone every 300 yrs as usual with all the rewritten fake history, that's standard procedure. What's changed they can do something else?

If there's a chance to change it all what's holding up putting out data that's true history in some official recommended way? How human in the DNA or MK Ultra is Pelosi or Macron, etc?

Why not put out a list to all where every last MK Ultra is located? There's sure to be a lot of scientists and doctors involved in that.

RRN can't expect it's viewers to get the word out. Nor does it seem to want to which is suspicious. They seem to need this to drag out for all these 3 yrs already.

There is nothing foreseeable to the future such as killing off bad guys. There's addicts and their dealers all over the places.

There's I heard, half the country that hasn't paid rent or mortgage. There's talk of new financial systems, all just talk so far. There's talk of solar flash and instant healing and med beds healing everyone to 30 yrs old and anyone under 20 being a crystal seeded gifted child.

There's not much happening though but more jabs, disasters, and the great promised stuff don't much appear to make the mainstream appearances. Much less helping with picking up Macron.

It's all making me wonder what's the plan we're supposed to trust?

Nope,

Trump said the vaccines should be only for people that wanted to take them if they thought they where at a high risk.

He didn't want anything shut down, and fought against the people

that cried to shut everything down.

Trump actually took the first jab since he actually trusted the drug companies where doing something good for the people of America and the world.

Trump was stuck with lying Fauci and his sister in crime Brix. They were installed like everyone else in our government to crush America. The virus wasn't the killing part, the vaccine was the intended killer.

That's why under Trump the death rate in America was on par with any other year.

Under Biden with the forced mandates the Death rate is higher than any time in history.

I know your a spammer but thought I would get what I know to be true as for actually watching what Trump said and not listening to what the MSM made up and tried to say he said.

With all that being said I think it's time for your booster.

January 23, 2018

The CEO of Blackstone, Stephen Schwarzman, is now an economic adviser to Donald Trump and chairman of Donald's business advisory council the "Strategic and Policy Forum".

The family Trump invests most of their money in BlackRock investment funds.

What does The New York Times and a majority of other legacy media have in common with Big Pharma? Answer: They're largely owned by BlackRock and the Vanguard Group, the two largest asset management firms in the world.

Follow the money.

He either knew it was the next big evil step on the planet or didn't know jack about the poisons in it. Gene Decodes used to say it was about the non human aspect where it kills stronger percentage of

hybrid humans. But the jab has a variety of toxic substances so it just looks like all out genocide to me. Now there's this guy Ismael Perez saying the jab is all going to go away during solar flash he thinks is likely before this January, 2023. The flash restores all health with light but some are too polluted to make it so they will die. Those left will live 300 to 1000 years. Many people are not enough to live over 300. The young ones are operating if under 20 as crystal children super gifted and this poison stuff don't even affect them. Being human in the DNA isn't enough it takes more activated strands, they say. So they are rolling things up ahead out and the military might know about human hybrid mixes or not. They would have to know about MK Ultra but nothing mentioned here and we all know there's a lot of life underground where they make the clones. Again nothing mentioned.

And how about the billions sent to Ukraine only to be money laundered back to people in our government?

The OFFICIAL GOVERNMENT COVER-UP IS CRIMINAL. This is the reason for Sec of TRANSPORTATION Butt-gigg's impending ARREST and TRIBUNAL ar GITMO. His ticket to ride has been PUNCHED, GITMO BOUND!

It's always a mysterious whistleblower who chooses this obscure website to reveal the real truth. Bob Woodward must be jealous. Of course, Bob has audio recordings of his sources. Wouldn't it be interesting to actually hear the whistleblower tell the story in his own words? That would be riveting.

That will be happening soon , the Whistleblowers statements must be verified and their PROTECTION has to be SECURED first. You don't want this Whistleblower to be killed , murdered , suicided, do you Lloyd? Or do you? Lloyd

I will never fly again until it can be proved the pilot is vax free. We've bought a camper so we can see the country, sadly, we may never go abroad even when it's safe again due to the uncertainty of the pilots health.

Why is nobody talking about a frequent flier that's jabbed recently before a flight dying ever?

What should a responsible military do if they have knowledge that a fraudulent government has program that are targeting civilians? At what point would it be required by the Constitution that the military take control?

It's dark vs light each has their agenda. The white hats are trying to defeat the dark, etc. it's not military against any group it's deep state is dark and they even have infiltrated the military.

so people are coming to airport to board the flight and they dont know if they are safe on board,if pilot took clot shot or not .when will people realize that vax is dangerous?so many young pilots perished because of this monster vax why they get a vax??why still pilots believe that vax is safe??absolutely insane

They are being blackmailed and threatened, "Get the jab or you lose your job." Pilots get paid \$100,000.00+ a year for flying, and they don't want to lose that income. It pays their bills like our jobs pay our bills. They have families, too. They can't just stop working and let financial ruin overtake them. They NEED their jobs.

I hate the jab as much as everyone else, and I fight against it and expose it too (Facebook and Twitter won't let me do that, of course, so I have to do it here), I warn my friends and family members against the shot and give them the research to show the dangers, too. That shot has nanotech to track them so they can later be enslaved by the NWO Biden loves so much!! TREASONOUS BASTARD!!

Doctors and nurses and military personnel and teachers and everyone else with a heartbeat also don't want to lose their jobs

because of the shots they have bills to pay and families to feed, too. Students cannot take online classes without taking the shots, and they are learning via remote video linkups that don't require human contact. Some are working students with kids that have to support and pay bills too. Even in China the students are learning from teachers in space via space internet satellite linkups on their International Space Center laboratories and classrooms; but here in the good old USA, with the beautiful tech we also have, they must be jabbed or they don't learn or graduate. That's sick!!

Grandparents don't want to be banned from seeing their newborn grandchildren and great-grandchildren because their kids and grandkids insist on their taking the shot or they can't come visit or move in with them, even if their bodies are more fragile and even immunocompromised and cannot take ANY shots. But they're trapped!!

We don't seem to get a proper list of vaxxed that are 't injured and not a list of what is on whose blood. It's been 3 years. If the pharma people and their minions cared they would be cleaning blood out not vaxxing more. Some nurses say they are but there's not even a list of helping doctors I heard of giving blood cleansing.

Stop all vax period. None, no kinda jab. There's no telling what's in them for people.

We hear a lot about the clot shot effect on pilots, but this has to be affecting passengers too. However, we're not hearing reports regarding them.

Maybe passengers are being screened and clot-shot victims are not boarding. The depopulation planners do not want too much attention on their killer JABs. If one guy in the cockpit flew the aircraft into the ground from an official quickly announced 'unknown cause', those casualties would be just fine. Don't expect FAKE Newsmedia censors to inform us if there is a high death rate among airline passengers or risky 'vaccinated' are being screened from boarding.

Stewards on planes fly as much as pilots. Should be the same death rate. Frequent fliers also are around.

Oh yes. That's the cabal doing this. Forcing shots so we die and make other people die.

When is the Military going to step in and say vaccines are killing people by the hundreds of thousands!! Enough of these mandates and all this crap already!!

Informed consent takes on a whole new meaning..

Every passenger should have the right to know if their pilot has had a recent Federal Jab.....

Good idea. Forward that to your leaders in D.C. If they're still around after the Brunson case has been ruled upon.

...and whom would we believe ? We cannot trust anyone, or any entity, to tell us the truth. Once lies of commission and omission are told everyone becomes suspect. Trust has been destroyed.

That's very true, but I don't think the airlines nor the airline mgf's nor the insurance companies would want to take the brunt of the lawsuits.

Pilot's need to give a blood test prior to each flight to minimize those unethical pilots.

Do me a favor, Mr. Baxter. When you report that someone has died, please use the word "died" instead of "croaked." It seems a little insensitive in my opinion to use slang words when you speak of those that have passed away. Thank you for all you do though. You are a great asset to our country in this information war.XO

"Maligned"? The deadly JAB 'vaccine' is being promoted as a depopulation weapon that kills exactly as it was designed to do, even destroying the hearts of babies still inside the womb hoping to be born with a long successful life before them.

Yep, it's pretty clear that the "safe and effective" label depends entirely on WHO makes the claim and WHAT it's effective for... Too many people assume they mean effective for preventing death from a Deadly Pandemic.

The reality is actually closer to the Twilight Zone episode on how "To Serve Man", which has nothing about altruism or philanthropy, but serving up dead bodies to their master.

All these vaxidents make you wonder when it will ever be safe to travel again, at all... anywhere.

We're only catching the prelude on what's yet to come. Shit show just started, it will get worse.

Fact: They want us dead, population culling full speed ahead.

Gen. Berger lacks testicular fortitude not halting vax, especially upon his troops as bareface piece of shit, proof is in the pudding.

I get your sentiment but looking at the bigger picture, in the war for the Soul of the world, sometimes there will be regrettable but necessary collateral damage in the plan to catch criminals who must first commit their crimes against humanity in order to be caught and brought to justice, otherwise they're just thought crimes that are not prosecutable at this time. I believe they are being caught now and brought to justice.

I have had an ongoing fight with my father over me refusing to get "vaccinated". He doesn't want to hear my reasoning!!!

What I have said repeatedly is that when, prior to 2020 normal vaccines have taken from 8 to 10 years to be developed and tested, then this one, using mRNA technology, a first using this technology for human use, is developed in 5 months it doesn't take a PHD in statistics to see that corners were cut!!!

Then when you read further one sees that every “vaccine” using mRNA technology was terminated during tests because the test animals started dying, it again doesn’t take a rocket scientist to become “vaccine hesitant”!!!

Tell him to explain why vaccines were made BEFORE the announcement of Covid? Ask him why Fauci mentioned that the upcoming admins. in 2020 would be facing a terrible virus pandemic before it was even here? How did he know? Another point, when the scare came out, they mentioned that there were “X” number of vaccines ready to be shipped! Someone did the math and said it would be impossible to create the vax in that short of a time frame, UNLESS they were made beforehand..

Even make him read the globalist 2030 agenda.. Davos ,Klaus Schwab, Bill Gates, etc, they are on video talking about it! Or show him a picture of the Georgia Guide stones that had carved in it, to have the world population down to 500 million!

Best thing is to separate yourselves from anyone that’s vaxxed, they’re damaged goods, nothing can help them.

Best advice to tell those vaxxed: “make advance funeral arrangements, and tape funeral directors business card on back of driver’s license”.

Neither of my daughters have ever hurt anyone. Both are doomed because they could not conceive such monstrous evil.

Only God can help cure them of the DNA disorder from the shots. Nothing is impossible with God.

What if both pilots had taken the death shot and both died? Not only their lives at risk but the passengers but perhaps that’s what the Cabal wants is to murder as many people as they can in one shot. Again why are the White Hats and the Military not going in and taking the shots out of the public Pharmacies and any where else that they can get them from? They don’t need the FDA’s or the Fed. Gov.

approval to do that when they took a Constitutional Oath to protect the People do they? Just like they don't need the Supreme Court to take action regarding the Election Fraud and Foreign Interference, however the death shot is murdering people and they took an Oath to protect us so where are they in this and why are those death shots not off of the market?

There's going to be mass deaths because of this fake Vax, and our Politicians play with "plausible denial", even though they know better.

OH we had 300 of the BAD GUYS BUT in one spot we just got 3 or 4 of them just like painting a wall one brick at a time or the whole wall at once JUST ONE AT A TIME WE GET PAID MORE

I heard in an interview with an unvaxxed Australian pilot that some airlines are now specifically hiring unvaxxed pilots. They're "terrified" that, if all their present pilots undergo health checks, they'll all most likely be found too sick to fly, and that would mean the airlines won't have any pilots to fly their planes. Their own fault of course.

By the way, I'd read that this pilot died in the hospital.

That's a pretty disrespectful way of reporting M Baxter. Pilot Ford, I'm sure has some family and is suffering. The callousness of your headline makes me wonder about your character.

The truth, publicly announced¹¹, But the military wants to wait longer before they put out an emergency broadcast! If they cant use the TVs , put up billboards everywhere. Drop messages from the air. Do something!

Twitter suspended my account last August for my stating (twice) that the covid vax was for depopulation and thinning the herd. Said I could get my account if I'd go back and delete the two tweets in question and then have a 12 hour cooling off period. I refused to

delete my posts. I stand by what I said. Now waiting to see if Elon Musk will keep true to his word to give banned accounts back to their account holders.

I contacted and emailed Elon Musk directly and contacted him via another person's account asking him to please reinstate my account. Nothing has happened yet. Trump got his, MTG got hers, Kanye got his, other people have but not me. How long does it take to get an account restored? 30 minutes?

For the last several years the flight path over my house has been getting lower and lower (to include 4 engine jets) and is often now less than 2,000 feet. It was always lower at night, but now also at midday, too. I'm 18 miles from Indianapolis International. I wonder if they are getting us "used" to counting the strut rods of landing gear? I wonder if we're being set up for an epic neighborhood enveloping fireball crash?

Vaxed pilot "croaks"... Yeah This is the kind of reporting I question. Why put it like that? I question all stories on here but when it's in the title saying. DO NOT READ ME! I listen.

Thanks for getting rid of the shills.
Only one got through, but I'd call it a win.

Totally fine for the people that put poison in the jab to try and hide it from the public. God help us all. I wish the people that got the jab will never get sick and die but more evidence show its happening!

Again?? why are people still taking the booster shots, the vaccine or still wearing mask??? So may sheep are just killing themselves due to to stupidity.

Just wait to see the panic when/if these sheep wake up to what was intentionally done to them!!

My last month's paycheck was 11500 dollars. All I did was simple online work from comfort at home for 5-8 hours/day that I got from this agency 010 I discovered over the internet and they paid me 50 dollars every hour.

Fact: the raising of the landing gear was the electrical "trigger", THINK- the contact between this part and that part, and boop, You've created a connection between electrical components, permitting a signal to hit a singular target. Žádná forma života není „potravou pro děla“!!!

Začíná to být jev, který se stává často. Věřím, že chtějí, aby byli piloti očkováni, protože mají potenciál zničit stovky lidí, když zemřou u kontrol. Naše vláda je za hranicí zla. Pane, chraň nás před těmito démony.
