Vyšetřovatelé společnosti JAG v sobotu ráno „vyslechli“ bývalého úřadujícího ministra pro vnitřní bezpečnost Chada Wolfa, necelých 12 hodin poté, co novinář Matt Taibbi prostřednictvím Elona Muska odhalil, že bývalý šéf Twitteru pro důvěru a bezpečnost Yoel Roth spolupracoval s agenturami zabývajícími se abecedou – včetně DHS.

a FBI – cenzurovat, pošpiňovat a očerňovat prezidenta Trumpa před i po volebním dni, v podstatě uspořádat digitální puč proti úřadujícímu prezidentovi.

Wolf řídil DHS během této sporné fáze.

JAG chtěl vědět, zda se Wolf účastnil nebo znal konverzací DHS-Twitter.

Wolf, zdroj JAG řekl Real Raw News, nebyl ani formálně obviněn, ani zatčen, když vyšetřovatelé dorazili k prahu jeho domu ve Virginii brzy ráno v sobotu, aby s ním „vyslechli“. Wolf a jeho žena Hope vesele zvali vyšetřovatele dovnitř, dokonce jim nabízeli kávu a croissanty. Když se vyšetřovatelé ptali, zda Wolf viděl Taibbiho vyprávění Tweets, Wolf řekl, že ne, a kategoricky popřel účast na jakémkoli spiknutí DHS zaměřeném na svržení prezidenta Trumpa a znalosti o něm.

„Pokud se něco takového stalo, stalo se to za mými zády. O Trumpovi jsem řekl jen dobré věci. Je to můj přítel,“ řekl údajně Wolf.

Vyšetřovatelé se divili, jak mohl Wolf, který mikrořídil DHS, zapomínat na činy zrady pod nosem.

„DHS zaměstnává někde kolem 150 000 lidí, ale jsem si jistý, že to víte. Nemohu dosvědčit, co v kteroukoli chvíli udělalo 150 000 lidí. Pokud naznačujete, že jsem měl v tomhle nepořádku roli, mýlíte se. Zavolejte Trumpovi, zeptejte se ho. Řekne vám, že v žádném případě nejsem zapletený do toho, co si myslíte, že se děje,“ řekl Wolf.

"Volali jsme mu," řekli vyšetřovatelé.

„Admirál Crandall přezkoumal tweety Matta Taibbiho a cítil, že JAG má důvod vyslechnout Wolfa. Protože Wolf a Trump jsou přátelé, admirál Crandall Trumpovi předem oznámil, že ho vyšetřovatelé JAG budou vyslyšet. Trump dal admirálovi volnou ruku a řekl: „Udělejte, co je třeba udělat. Dostaňte se na dno toho. Máte mé požehnání,“ řekl náš zdroj.

Když se Wolf doslechl, že Trump rozhovor schválil, chvíli na vyšetřovatele zíral v ohromeném tichu a pak řekl: "Jak jsem řekl, nic nevím, ale budete mi plně spolupracovat."

Vyšetřovatelé strávili ve Wolfově domácnosti 30 minut, kladli zkoumavé otázky, ale nedostali žádné usvědčující odpovědi.

Vyšetřovatelé jim popřáli dobrý den a řekli, že v blízké budoucnosti budou mít pravděpodobně další otázky, na které Wolf odpověděl: "Kdykoli." Nemám co skrývat." Už se chystali odejít, když hlavní vyšetřovatel s rukou na klice zatáhl za Columbo: „Ještě jedna věc. Hned poté, co vás Trump jmenoval, jste měl tři schůzky ve třech dnech s Kirstjen Nielsenovou. Víme, že pracovala za Bushe a pro Světové ekonomické fórum –“

"-co to má společného se mnou," vložil se do toho Wolf.

"Pravděpodobně nic," řekl vyšetřovatel. "Trump je anti-WEF, že?"

"Věřím, že ano, a protože se budete očividně ptát, Kirstjen mě tu práci doplňovala." Proto jsme se potkali," řekl Wolf.

Ale nebyla to vaše bezprostřední předchůdkyně – to by byl Kevin McAleenan.“

"McAleenan zastával roli jen šest měsíců." Nebyl v pozici, aby mi radil," řekl Wolf.

"Díky, že jste to objasnili," řekl hlavní vyšetřovatel a se svým partnerem opustili Wolfovo sídlo.

Závěrem lze říci, že Wolf na povrchu vypadá jako typický republikánský konzervativec – na rozdíl od ostatních, kteří sloužili za Trumpa, nemá Wolf žádné vazby na demokratické administrativy. Navzdory své staré roli honcho z DHS, kriminální agentury vytvořené při požárech 11. září, Wolf sklidil mezi konzervativci velkou chválu za svou roli při pomoci Trumpovi zajistit jižní hranici země.

"Nikdo tady neříká, že je Wolf vinen, ale musíme obrátit každý kámen." Spousta Trumpových lidí se proti němu obrátila. Udělali bychom Trumpovi a Spojeným státům medvědí službu, kdybychom neprošetřili každou stopu," řekl náš zdroj.

POKUD Trump získá zpět své právoplatné místo POTUS, bylo by moudré zvážit vybudování svého personálu se střední Amerikou. Mám podezření, že kdokoli dokáže to, co zasvěcenci z DC.

And not the middle America that's been flooded with foreign people with no loyalty to our nation. Loyal, Constitution-loving, God-loving Patriots need only apply; and that's how the majority of our nation SHOULD be..

I realize that there are a few highly intelligent people in our gov't. But for the most part, the average low IQ of people supposedly representing us via the Constitution is a dark comedy and most of

them have no idea what it means to BE American or even know what the oath of office means. We really need to give IQ tests to those wanting a tax payer paid job. No more dummies, please.

IQ is still the single most reliable indicator of potential success. It's also NOT an indicator of any moral exceptionalism or leanings to the contrary.

That's why these invaders are successful so far – they've been using their massive financial advantage to scout colleges & universities to then hire & turn all the geniuses they can get their dirty paws on.

That's interesting about why the deep state always seem to hang out at colleges. Never thought about that before.

Morals? I laughed out loud. You obviously are quoting something you were told rather than the experience of observation. Dear, the people in DC average an over all IQ of probably 80. They do not have the ability to think for themselves. Morality has nothing to do with any of this...

Last edited 3 hours ago by dianecee

Yeah! Well I do believe a low I.Q. is a requirement. They need dumb people to blindly carry out their ridiculous, evil agenda. They have to be stupid so that they cannot resist what they are told to do. Smart people are not what they want. Stupidity is a requirement for them... Those "intelligent" ones may be well versed in political policies but absolutel zero intelligence, zero soul, zero heart energy. Anyone can memorize policy. Stupidity is what get's them in. Smart ones would buck their system

You can have a high IQ and still be dumb as shit common sense wise. Also you have to remember that these colleges are brainwashing our kids for years – decades even!!

Remember that Operation Mockingbird has been in use in our system since the '50's

check out how many “foreign born” folks are in dem party.. LOTS! marxist den of traitors

America needs to go back like it use to be. The only people that should be in our government must be American born and no foreigners should ever be elected into our government. Omar, AOC, and their co-harts has no business in our government. They hate America and they are not out friends. They are implants to try and destroy America!

Let's go further: Mandatory IQ test, (minimum IQ 100) basic civics test (must name at least 10 Presidents) and credit score of at least 625.

Most...if not all of them haven't done an honest days work in their lives...They all praise each other and build each other up in public... nothing more than propaganda...I will go out on a limb here and say that over 99% are incompetent...and as we seen under President Trump's tenure; it is almost impossible to fire them...and thats' why these people never work in the private Industry unless they are given a position somewhere, which translated means they don't have to work, but delegate...IMHO

“A civil servant is like a broken cannon: it won't work and you can't fire it.”

-General George S. Patton

That's why I'm praying this Brunson lawsuit that's currently in front of SCOTUS, hurry up and be ruled on (if it hasn't already – I'm guessing it has). But anyways, all those 384+ traitors that checked the 'yes' box to certify the 2020 election will lose ALL of their unjust and unearned privileges afforded by positions they held. THEY will be the ones struggling in this jacked up economy.

The USPS is a prime example. Almost all are now ‘ethnic’ (they only hire “minorities with diversity”) and have an attitude and are incompetent. You are lucky if you can find one that doesn’t speak as if they have a mouth full of marbles.

He actually tried to do that right after the 2016 election. He put up a website inviting Americans to apply for positions in his Administration. Strangely enough, the data ‘vanished’, though thousands of people applied and gave their contact information—not to mention career experience—as part of filling out the form on the website.

No wonder Trump got nothing but RINO’s and traitors in his Administration. There was no one left, after they stole the data he was counting on from patriots to fill his open jobs!

I didn’t know that! What happened to all these massive arrests that were supposed to be going on around Thanksgiving? Did tons of people get arrested?

Ma’am, in many a past LIFE, most of what I TAUGHT, or OTHERS, is a touchy issue. How many KNOW, but can not “prove” past Lives??? Why argue with a FACT?? Anyway, I can assure You, there are many a “thing” going on, in ways 99.99% can not simply explain. Keep friends, close, enemies closer. Within each, sits OUR worst enemy, FEAR. What do most FEAR??? That “ANGEL”, the Unknown Soldiers!! Wi May FALL, in BATTLE, but WARRIORS do not simply “die”. Kahlid-UFU(UFO- I’d guess the inscription eroded over “time”). I KNOW, what I KNOW, my AKASHIC abilities are ARCANE, and “frightening”, but again, I ask, WHY???

Think, before responding, and KNOW, I do not reply. Telepathy is very real, do not be “preyed” upon through “prayer”. The Real One (Obi), is the angriest “voice”, until You actually alter “course”. No lie, is expectable!! Do not cover up anything!!!! My Vaults are UNIQUE!!

Many arrests were made during the Night. We have not been told the names – YET!

he should have made a big stink about that, but of course, the media would never run it. i always wondered how he ended up with so many swamp creatures in his administration.

Yes – fresh, smart youngsters who have their heads straight, along with seasoned folk who have seen the world a little, and hold to good old fashioned common sense!

It is my understanding that Trump does not have to win back his rightful place. He never lost it. The Military proclaimed him the 19 President of the Republic of The United States. And the Supreme Court has already ruled the 2020 and 2022 elections as fraud and therefore not legit. They have not publically announced that yet obviously. Roe v Wade was announced first. The election ruling announcement was delayed as more people woke up regarding the elections. There would be a much lower risk of civil war if more people were awoake.

And throw in that Obama was NOT a rightful president either (for that matter both Nazi's, Bush and Daddy Bush). So ALLL legislations signed into law from any of them during their 'time' in office will be revoked.

@Sismj~ I doubt clinton & several others were either. These beasts have been on the cheat for a very long time, even joking among themselves whether the next one "THEY" chose would pretend to be a democrat or a republican.

Correct... Trump bankrupt the US Corp in Federal Court in Florida, therefore we are back to 1871 Full Constitution and back to the original Bill of Rights.

Well, if he hired me, a midwestern Wisconsinite, I would NEVER do what “DC insiders do” they committed high treason against WeThePeople.

I would do all I could to serve the best interests of the presumed grantors/beneficiaries of USA, a constitutional republic of law under public trust.

I have family in Wisconsin and I sure hope they can clean up their voter rolls. Every time the legislature passed election bills the IDIOT EVERS vetoed them.

BUT, he chose to run in 2024 rather than be reinstated. He has reasons we are not privy to.

NESARA’s changes: Establishes new Presidential and Congressional elections had to be held within 120 days after NESARA’s announcement. Maybe he has to run in 2024 to be CIC of our returned Republic.

Don’t forget, Trump never conceded from the November 2020 elections. As far as I’m concerned, he’s still our President.

the flag of Mexico is everywhere here in Houston, Texas. They are not loyal to America.

Present Commander In Chief Donald John Trump is already the acknowledged Leader of The World Alliance against Evil ! Every true leader in this world whom actually wants the best for his or hers citizens , Respects & Knows Donald John Trump is Chosen By Creator God To Lead The World Towards Freedom & Prosperity . When everything is brought into the light of day , our future will be Free & Prosperous With Bounty of Blessings Bestowed By Creator God Himself ; Upon All Whom Praise , Revere & Worship HIM !!

Many more stones are going to turn up. And when they get turned over it's going to be interesting to say the least.

Having been in career federal law enforcement prior to the creation of DHS it was universally understood by lifers that the purpose of creating such a large agency was to more efficiently politicize and corrupt enforcement. And a perfect example was placing Border Patrol under Customs Bureau.

Creating DHS was ALL about CENTRALIZED CONTROL. CENTRALIZED CONTROL is a MAJOR aspect of marxism, communism, socialism and TOTALITARIAN GOVERNMENT and DICTATORSHIP, I sensed this shit from the very outset of DHS. I remember when DHS was looking to hire over 50,000 Thousand snitches embedded though out American society. This was going to be EAST GERMANY all over again, DHS Stasi , and this is EXACTLY what has happened , FEMA , FUSION CENTERS, OEMC etc.. Then there is the shit Obama started, AmeriCorps , these are the gang stalkers and people doing the gas lighting of citizens and so called dissidents or undesirables, folks that just do not comport with criminal lowlifes in positions of power and authority. Yeah DHS, THIS ENTITY SHOULD BE VANQUISHED ,....ENTIRELY

We are unraveling Twitter's guts. Now it is time to crack the communication network of this snitch empire(30 million strong). For starters, the group is loaded with dumb and dumber- "Hillary's It Takes A Village" Idiots. These are NOT intelligent people. Next, you can find these birdbrains in everyone's family and in your neighborhood. They are committing illegal surveillance and are getting paid to do so. Eventually their network of PayPal etc reimbursement will be exposed. BTW – All Tax-free.

Israeli Zionists set up the DHS after they collapsed the Towers with the help of Cheney, Rumsfeld and the Bush crime family.....

I don't get many followers or views but I am doing my small part to share your articles on telegram. I do a screenshot of the title and photo... highlight a phrase or paragraph, then your direct link url. I hate to see the others that completely steal your articles as if they are their own. Sorry I can't help financially but thank you for your service to #TRUTH

kek! A Weird Al song about **Melanie**, with an original *melody* (he is known for parody songs; this is an original):

Testing a link [saw one worked for someone else; didn't work for me; perhaps YouTube links don't work, as the other link that worked was to another site; anyway, testing continues!]:

Great work Melody as individual of integrity.

Myself engage in leafleting as up-close and personal.

Cut & Paste article[s] to Micro Soft Word, add RRN weblink under headline, increase font size, omit photo fitting on two 8 1/2×11 pages, than convert to PDF, blasting copy machine.

Wasps Venom [tangible] article turned heads, heard much: “WTF is this”, which stopped many at moment from getting jab at vax mobile.

Myself enjoy Police, and disgruntled Vax Mobile interaction when leafleting, whereas cannot attain that thrill on telegram. Have to maintain my Public Enemy #1 status amongst Cancel Culture Cultists and Pro Vax nut jobs.

Keep up the good work, best wishes to ya.

Thanks, I don't seek praise, though often except a cup coffee when offered while pounding pavement.

Believe it or not, it's the police that sometimes brings me a cup, they know how I like it.

I'm the water cooler talk at the station in how I verbally spank cop calling Karens, at roll call its different.

Was told my photo displayed on bulletin board, said: "will stop by and autograph for posterity".

Note, evil will existed if goodness stands idle.

All it takes is the right word to go to the right ear. Every little bit helps, most definitely.

Keep on rollin..

fantastic... folks are dying by the truckloads and the people you q tards think are saving the planet are interviewing this retarded clown.

smart priorities from the dipshits once again.

i dont consider stating exactly what happened as being rude. Folks are dying by the truckload. this isnt is dispute.The supposed white hats think interviewing this person is more important than saving lives. that is also not in dispute. I agree what they are doing is terrible but i wouldnt call it rude.

if the white hats felt saving lives was more important than interviewing this person they could have 100s of people in every major metropolitan area today speaking about the evils of the death jab. They dont.

That's ridiculous. Thousands and thousands speak out non-stop. Some have been attacked, fired, imprisoned, etc. Please enlighten us on all the helpful things YOU are doing!

Don't hold your breath waiting for RER to be able to truthfully share anything it has been doing to help the conservative Patriot cause.

What the hell do you know about what is being done or not done? There are tens of thousands of us today speaking about the evils of the death jab, including hundreds of top-notch doctors

Yes folks are dying by the truckload. But RRN, MB, JAG, etc. are NOT THE CULPRITS! They are the PATRIOTS...What are you doing but throwing bricks at folks risking their lives daily.

Calling people 'retarded clowns' and 'dipshits' is, indeed, rude. Go get yourself an education & learn to read.

Are you disputing the fact that over 1 million people die worldwide every 24 hours of 7.2 billion people regardless of circumstance vaccinations, incrimination's immigrations, salutations, or confirmations?

It Was Their CHOICE to get the shot – Free Will / Freedom of Choice..

God gave us that and We The People embedded that in our Constitution.

We have told all who would listen about the shots are death, and even the big pharma put out the 1200 side effects including death a year later, BUT people are stupid/brainwashed and still get the boosters...

We have called out from the beginning that it was a plan-demic. WE also have all the FIOA reports stating that no one has a REAL sample of C-19 and that the PCR tests were based on 4 males with the common cold/flu.

The poison viles are mixed in with fake viles.

Common sense would tell you not to get the jab...

But OH the 'mandates'... Mandates are NOT LAW and can't be forced, though they made it seemed like it was...

If they told you to jump off the brooklyn bridge, would you do it??

Now getting back to our military – they have limited resources and are doing what they can with this wide global web ++ having coworkers, in this case military brass, working against you as well. Think logically here – If you were Gen. Berger with traitors around you that control a good number of troops, how would you handle it not looking like a military coup?

Also logically thinking, if you get enough of these traitors about the election as being fraud and put all these traitors in one basket weaved together in front of the people in court with all the proof tying them all together (Rico Act, Treason, etc) without firing shot, preventing a civil war – what happens??

We are all frustrated and sad with what's going on, but the only way to get the PEOPLE together as one is by showing the TRUTH and waking everyone up!

About 1.5 years ago you were much nicer. Time has changed all of us. I use to believe you were way too nice, things even themselves out over time.

Truly' I miss my brother Buck. That would explain a lot but nobody can replace him no matter how I push boundaries, nobody could.

I saw a comment by "Buck Fiden" on another website recently. He was quite civil, as I recall.

Thanks for that update. As loose and off-the-cuff as he seems to live life, I wonder if he got nabbed for some petty crime and is detained without access to the internet.

Someone of this site seems to think Buck came back as Julie based on one of Julie's post that had the Chinese/ Asian characters that Buck was fond of using. She did not use the tern cinks though.

Blessings,

Intellectual feminism is boring. I'd take two dummies over four smarty's on any day. Your husband either died or left you for a dumber version of yourself. Can I get a amen.

He uses bigotry as an attention getter. He likes to get reactions when throwing out racy zingers that dazzle him, but he has admitted a few years back that he suffers from depression, though....

I am not a smart man – /

That's a quote from Forrest Gump.

Clueless on Buck's whereabouts?

Saving the planet? LMAO!!!! Sweetie, do you know that the planet is killing us half of all humans? It requires balance on the surface. Chaos is not welcome on Earth. Whatever rises to the top in a state of chaos is removed from the equation. Have you studied Earth Sciences? Geez.....

““No one here is saying Wolf's guilty, but we must turn over every stone. A lot of Trump's people turned on him. We'd be doing Trump and the United States a disservice by not investigating every lead,” our source said.”

Keep turning those stones, JAG!

Great article, Mike. Thank you. Awaiting day 1 of the Pelosi Tribunal!

That's because she –the real one– is at GITMO and will face a military tribunal Wednesday.

It's probably popping out of its' capsule right about now. Freshly programmed to pull the wool over the eyes of humanity.

Hallelujah!!! Can't we watch? Come on Berger,let us watch! And do they have Schumer and McConnell? I think McConnell got his first campaign money from his wife's parents – own a big shipping

company in China, CCP. He is a slimy RINO and probably enough on him to send him to the SPA.

IMO, He is a phony except when it comes to what he wants! Did you watch the short video showing him and a Democrat speaking and holding the microphone. McConnell is a TRAITOR! He was begging the Democrat who was standing next to him. I did HEAR him say, "Democrats, you all must GET RID OF TRUMP."

She's been there since 11/2020 according to well sourced truthers. Blessing and kudos for honest journalism.

I read where Pissosi's and her old man's avatars, malfunctioned at the JFK center for performing arts and had to be removed, pronto....

I bet she will put on a dandy audio fanfare show outbursts at her tribunal and then the grand finale when she drag her scrawny saggy ass up to the gallos and then pull a limp rag scene, like Hillarious did and her final words will be F word expletives and then pop...

But the lengthy ones are the best. THEY GET AT THE DETAILS. We learn what crimes were committed and we observe them get punished for their actions. These traitors have HARMED OUR CHILDREN AND KILLED INNOCENT PEOPLE and sold out of country to China and the Taliban, and we will not stand for it. They turned our world upside down and we find out why by hearing the testimony. Your writing brings that out and we are so thankful to you for that. We need these updates, so we can fight this evil so it never happens again

I agree with YOU. The Clinton trials were incredible....Ditto the 9/11 trio: Rumsfeld (suicide during it); Cheney, "W".

I could have sworn you wrote an article recently Michael Baxter, that said the trial process was going to be expedited to FF, without a lengthy delay. They were just gonna shoot them with one bullet etc.

Considering that Mafiosi Pelosi has a desperate need to control everything, to make the big decisions, to constantly attack President Trump, her obvious absence is a good sign. A Gitmo cell guarded by Army MPs, drying out from her vodka binges is a good place for her, waiting for her appointment with a trapdoor. In her stead, CIA agent Liddle Adam Schiff is having a mental breakdown, whether a double, some good acting, or needing a rubber room if not.

Schiff was executed by firing squad in August 2021, so whoever's playing him in Congress right now is an impostor. You can find the article here on RRN.

He was s hot by firing squad for being the rotten liar and saboteur and child rapist he was.

Me too. They have years of information concerning the evil witch Nancy Pelosi and all the treason she committed. I hope they can just spread it all out there and let them decide her fate Wednesday. She is evil.

Trudi, I recall MB saying he would be sharing any intel on the others arrested as it was given to him. Sure am interested to know as well~ not to mention incredibly grateful those in charge have chosen to give us any information at all, via Mr. Baxter. Perhaps one day we will understand/learn how this particular conduit was selected for such a task~I'm truly interested.

Me too!! There was something off about his answers. Maybe I am wrong...but we will see.

*The "coffee & croissants" tripped me up. Coffee would have been somewhat appropriate, or automatic maybe, hospitality-wise. Offering coffee AND food speaks of either knowing ahead they were coming, a friendly familiarity with such visits, OR someone trying too hard to appear nonchalant. I would think I'd be quite unnerved to receive an unexpected visit from these gentlemen. Seems it would

have been a bit more formal & to the point. Breaking bread w/others, so to speak, is a unifying, relaxed event in my opinion & experience. Just some thoughts.

This gentleman had three meetings in three days with this Kirstjen N. who worked under Bush another POS and the WEF. I say keep digging there has to be more to this. I got to the point you can't trust no one, President Trump was betrayed by those closes to him.

Not always an accurate statement. Some simply are used to hiding amongst "hoomawnz", because "aliens" aren't welcome.

There are so many swamp critters every one needs to be checked out. All to many so called allies of Trump turned on him.

This is not the RRN reader's favorite when nobody is having a noose put around their neck. However, the fact remains he could be picked up anywhere anytime so hold on people the party is young and the seeds are planted. Let them have the rope later on if needed?

You're right, Oliver. The articles containing nooses and gallows get 3X the views that other pieces get.

The American people have been fed up with all the corruption everywhere... they want justice.. accountability.. the ' truth ' .. not always easy to find

I read them more than once. Fact is, too many REAL American citizens are suffering because of what these Deep State Actors have done. I don't know if its revenge; maybe just knowing we are one step closer to having it stop. I am waiting to hear Austin has been picked up. I am "elderly" and would like to see it over before I "go home."

I believe he will be picked up.....it's only a matter of time. That is one reason he is threatening the White Hats with "surrender or else". He is hoping to get the bluff on them. He is scared and desperate. I think

most of them see the handwriting on the wall!!

“Surrender or else you will arrest me and put me on trial for treason” is not what I would call a very convincing threat...

Ruth, I believe there are millions of us who join you in those very thoughts and hopes. As much as believers understand logically that vengeance belongs to the Lord, it is innate to our design that we seek justice in human form. The righting of wrongs as serious & severe as those we are now aware of is quite the incentive to revert to our guttural nature. Broken humans in a fallen world indeed~ it's precisely why we need Him.

“It is a consummation devoutly to be wished”..) . We have been enraged over and over again watching scheming, murdering, genocidal, pedophile, (the adjectives could go on for a long while!!! criminals shit all over our President who has amazed us with his tactical genius in response... yet his attackers get to pose as pillars of unquestioned virtue. Speaking for myself, I often go back to read again (and relish the details ie begging for mercy in whatever form...). I am no saint but I don't like violence except in retaliation for the monstrous acts of these ACTUAL “deplorables!!!!!!!”

Some of these supposed good guys hide very well. I would check everyone in place in the Federal Govt during this Biden and investigation period, as well as before 2020. Ya just don't know what you don't know. If he's clean, that's great.

Fair enough, as you said if he is clean than that is good and if not its good that President Trump finds out.

If he's guilty, his high crimes will come into the light, quickly now. Remember that incredibly ominous group pic Pelosi and all the others did just after the '20 election theft was sealed, with the red light and each person spaced equally apart in front of the capital??

That was an eye opener, for me. They are ALL in the same club — Pelosi, Romney, Mueller, even Candace Owen, they are all in one big family. Family proud, a higher calling...

I can understand the rest of these people but why Candace Owen? She seems to be a American Patriot and a strong conservative, unless you know something that we don't know. Please do tell.

I look up Central Casting and that is for people who want to be actors. I look at a person by their actions not so much by what they say. I do remember she was a one time a Obama supporter then later on she no longer supported him. I can understand people make mistakes, we all do. So far I have not seen any to make me think she is a fraud.

She married a Rothschild-connected man, and she never ever speaks up about child sex trafficking despite being a mom herself, and got married in Trump's winery. The Rothschilds are all about child sex trafficking and they are using her to make them look good, especially after being outed for Lynn de Rothschild flying on Epstein's jet, selling Ghislaine Maxwell a house for 70-80% off the sale price, and supporting Hillary and NoName.

Anybody who is concerned about children being abducted raped and murdered in America, even black children, should be speaking up, but not her.

Thank you, I had no idea. I thought she was better than this. I agree she should speak up on child sex trafficking.

Candace is married to a Rothschild now (she may have been successfully "honey-trapped") but she also has been criticizing President Trump lately demanding that he make some show of appreciation for her work. Problem is that she tried to force him in to retracting his most controversial public opinion in a public interview and none of it has gone well for her... slight failure to understand the way Mr. Trump processes his opinions and his notorious history of

not being influenced by others for reasons he does not always disclose. Yes, I know that he will be accused of acting out of narrow personal financial interest and yet the big picture in no way supports that recurring vile assertion by the envious.

Thank you for this information, I was not aware of any of this. I guess she is not as great as I thought she was.

Isn't she the one who was belittling Trump because he was "rude" to her? I think the timeframe was the midterms. I thought it strange because she seemed to be in Trump's corner.

Righto, Wolfy has been probed. Not busted yet, but truly been trolled. If he is a backstabbin scab, he no doubt will bloat and gloat about the way he shined on the 'White Hats', and probably pull some more hijinks and get caught in a big treasonous way. Can't wait...eff him.

I would be surprised to find Candace Owen is one of that evil bunch. However, time will tell with her too. She seems really legit but who knows these days.

And now their intercepts and parabolic ears are all trained on him, waiting for him to make that one, certain telephone call or tweet or e-mail asking for instructions. To which, the puppet master will reply, "You Fool! Never contact me directly!"

Thorough work is required. So far this guy is holding up....but who knows. He's a little like Colonel Kink..He knows nothink....nothink....

After all these it will be good and a great to the country to close all these 3 letter agencies or at least reduce 90% of their staff, since they are of no good but work against their own country

♥ I would think any person with such a high position would be a enemy of America. Sadly there are many.

When each traitor is rooted out, assets confiscated and either executed for their crimes or encapsulated for life in a concrete box, there should be enough money in our Republic's treasury to ensure peace at last, free energy and life-changing technologies for abundance of everything and wouldn't it be so lovely. God wins and those true patriots who resisted tyranny will realize immortality with him in his kingdom. Un

Michael, if Wed. is Nancy's 1st day tribunal, do tell us if she asks to see hubby, Paul...or vice versa. Since he called her a "witch" don't think HE'd want to see her. Just curious.....

I hope they put Nancy in the same cell with her husband, that would be fun to watch these two hate birds.

Take a Xanax, please. I know that's what people want to hear, exclusively. Other shit goes on too.

It's easy to give in to impatience & anger. The challenge is in understanding that any scrap of control a person has in this world must start with one's self. That being said, it's stinking hard some days~ pretty sure we all get it. Pull yourself together cowboy, & apologize for the childish tirade. It's unbecoming of worthy men to waste the opportunity.

BYE. Come back when you feel better. Next time take chill pill before inserting foot in mouth. We all have our wants. This world does not revolve around one person, yet.

Be extremely careful, encouraging benzodiazepines. They are extremely difficult to dismiss from the nervous system. Inquiring minds do not want to know.

You are 100% correct. One of the person I know died because of the addiction and suffered a brain stroke.

We want to hear about all of it. It all goes together to make the DS swamp what it is. Don't be discouraged by people ranting and raving filth because they don't get their way every time.

Don't think for one minute that Wolf didn't inadvertently drop tidbit of info.

Not only investigators are proficient with Q & A, though they're masters of reading body language, evaluating composure and demeanor, seeking doubt.

Wolf, then and there, upon knock on door should have directed investigators to his lawyer, taking the 5th.

Consensual *knock and talks took many people down.

Mark my words Wolf's interview [interrogation] will come back and bite him.

Adage: never let a vampire in your home. #STFU

I hope he is telling the truth. Of course, the JAG officers already know if he isn't. In our government, we have more enemies and traitors than we do patriots. One thing is for sure, if he was lying, he will be picked up. God please let just one of these people be on Trump's side. He has so many people hating him for wanting to save our country it is unreal. God bless Donald Trump, the White Hats, and our country.

I thought this old song was kinda stupid in my youth – but it seems appropriate now: "The heat is on... the heat is on, on, on, on, on, on..."

"...tell me, can you feel it~ tell me can you feel it~the heat is ON!"

Because Trump has chosen to attempt reelection rather than to be rightfully reinstated after lawfully winning the 2020 fifty state elections he'll most likely never be reelected. This is because the very mechanics which were utilized by both deepstate party particulars to

guarantee his coup d'eta are still very much in place(internet connectable and vote switching capable Dominion Election Systems and the handy "2000 Mules" delivery method)and in fact have just been reused to more than mitigate what should've a crushing national rejection of both Statist bent parties.Neither party's in control/power deepstaters will make any move to do away with these things which reveals that fair and free elections are over.Our nation's lost and by the time these non lightning or non even close to total responses might be played out the revolution will have finished and positioned all of its pieces necessary to go where they desire to go which is hybrid Marxist/Statist in tune with China but what they would regard as soft Marxist/Statist rule.

"Investigators wondered how Wolf, who micromanaged the DHS, could have been oblivious to acts of treason beneath his nose."

Apparently this is common place these days. Just ask Trump or General Berger or anyone else that's been bamboozled. This is the reality of having sociopaths/psychopaths in your sphere. They can look you in the face and lie so perfectly, that you could only be convinced they are being honest. So what is needed in every part of human endeavor, is the ability to identify these people and limit them. One thing that gives them away is pride. I didn't see that in the limited comments given of Chad Wolf.

Want to get them rolling on each other treath them like common folks in trouble instead of untouchable political elites

I never liked Wolf one bit. I hope they get him for something. He was always pushing immigrant Visa programs and expansions.Even against Trump's effort to lessen them.

Michael, I am trying to ask you to please get in touch the man the judge gave a weird sentence re: his knowledge of Sandy Hook. I can recall his first name, not his last.

Received my copy of PEOPLE today and there is an article a couple

of pages long with one girl who “survived” Sandy Hook. I read every word. I know the school was bulldozed when everyone left. All the families of the children SOLD THEIR HOMES and received megabucks etc., packed up and MOVED AWAY. IMO, It was a well arranged situation that was fabricated in so many ways. More pictures!

All in the name of taking away our guns!

Please contact him. Sincere thanks!

Did they take away our legal guns? No! Should the guns be sold to 18 year old psychopaths without any background check? NO!

Adam Lanza is David Hogg do a bit of research, he is a crisis actor. David Hogg was allegedly a student at the Parkland High school shooting as turns out he was not a student at the High School either, Hogg is bullshit , his DADDY if an FBI agent , surprise, surprise. This person Carol Sims has gotten her information from her copy of People magazine, this is a controlled msm publication, the information in no way can be trusted , just like all the controlled msm sources. AND YES, the 2nd Amendment still stands because people AMERICANS DO NOT GIVE UP.

Absolutely, check every lead, we can't put anything on the back burner, not when our soldiers are dying and traitors are all around us.

I'm suspicious of this guy. Why 3 meetings with the WEF? I don't buy his excuses. and there's no way he did not know what was happening.. I'd say 90 percent he's guilty. 10% he's not.

I hope and pray they have a wire tap on his phone and internet right now. Contacting someone THREE times who works for the WEF is a little much.

This is why JAG payed him a visit , to shake him up. Then JAG will see who he contacts and it goes from there.

since the enemy is inside the gates, we are wise to question everybody and everything. i'm not recommending a reign of terror, because we're not even there yet—we have not won.

I think all the government rats that left the country & are running their offices from abroad should have their names removed from the payroll here in the U.S.A. & wanted posters plastered here & abroad. They should not be allowed to head a government office while living in another country.

Do I remember correctly? Were not all those 1,000's(each containing 99 warrants) of sealed indictments to be opened upon Trump's return to office? What happens if he runs in 2024 and loses? Even if he wins, that's kicking the can two years farther down the road.

But Trump will not be running in 2024, remember this is what Baxter said I think 2 or 3 stories ago, Go back and search but he said TRUMP will not be running in 2024.

Not even probable cause to "interview" him? Or were we pulling the same stunt we did to that lady Shannon Corless that led to her voluntarily surrendering to the white military? Blessings,

Yes but he took the interview just the same, so what are you talking about probable cause? And these people the White Hats and JAG are going after are not being treated as citizens, they are ENEMY COMBATANTS, they do not have the rights of an AMERICAN CITIZEN, this is why they are held before US Military courts and TRIBUNALS.

So on the one hand Trump says do what you need to do.....on the other hand,it's claimed that Wolf is a micromanager. I've worked under micromanagers, and I can tell you that they find a way to keep their nose into what's going on beneath them. It's a wait-and-see game as to who's telling the truth.

Then you make the case that Wolf is lying through his teeth. My statement is totally rhetorical.

Btw,I'm not saying that Trump is lying.....he gave the white hats carte blanche.

Interesting day today. Turned around and walked away. Didn't take long to realize the universe was talking loudly.

I took off my hat, and I said; "imagine that me walking with you."

Sign sign everywhere a sign
talking at the scenery,
breaking my mind,
do this
don't do that
can't you read the sign. ?

@ Michael Baxter

Have you Hurd of the military Auditing our Gold Reserves. Have you Hurd of any plans to do so. I hear if and when Trump returns if the military puts him in place there will be a gold standard. How much gold does the US really own. And will the price really be 20.67 as the Constitution says or will it be millions of dollars. There's about 700 Trillion in Money Reserves of Currency that's alot to back up. Where's more info on the plan.

This sounds as a logical thread in the web of intrigue surrounding the Traitorous Actions around Commander In Chief Trump. If more threads are found via the cooperation of Mr. Wolf , that's great , since he indeed may have more info than he's aware of presently ! **Good Hunting Columbo ! Get that jalopy turned up !** Nick ,

YES and that is a reality that some folks here will have difficulty comprehending or accepting. DJT is CONFLICTED ,he has DIVIDED LOYALTIES and this is a PROBLEM

Důvod, proč je slovo dotazovaný v uvozovkách, je ten, že teď bylo setkání popsáno taky.
