Napětí mezi prezidentem Donaldem J. Trumpem a generálem námořní pěchoty Davidem H. Bergerem způsobilo, že generál David H. Berger „odstoupil“ ze své funkce velitele oddílu Bílého klobouku americké armády, uvedl ve čtvrtek odpoledne zdroj z generálovy kanceláře.

Generál Berger, který vedl Bílé klobouky dva roky a zorganizoval několik zatčení Deep Sate, dospěl ke svému rozhodnutí dnes odpoledne před strohým telefonickým rozhovorem s prezidentem Trumpem. Generál řekl Trumpovi, že si váží jeho důvěry, ale už nemůže účinně vést koalici Bílého klobouku, protože se cítil „mimo kruh a ve tmě“.

"Pan. Prezidente, pokud nebudete sdílet své kroky, ohrozí to mou pozici. Složil jsem významnou přísahu a dodržel jsem ji. Vaše neochota, pane, nechat mě informovat o tom, co plánujete udělat, oslabila moji pozici," řekl generál Berger Trumpovi.

Náš zdroj, který po telefonátu mluvil s generálem Bergerem, se podělil o to, co Trump generálovi sdělil: „Mohu mluvit pouze s tím, co mi řekl generál Berger. Trump mu prý řekl, že pokud v plán nevěří, možná je načas nechat vedení někoho jiného, někoho, kdo by mohl dělat jeho práci, aniž by zpochybňoval Trumpovy motivy a metody. Generál Berger souhlasil. Řekl, že zůstane v poradní funkci a ne inženýr.“

Generál Berger řekl Trumpovi, že jak generál námořní pěchoty Eric M. Smith, tak generál americké armády Marcus Evans byli stejně schopni plnit jeho boty.

"Prezident Trump řekl generálu Bergerovi, aby vybíral moudře," řekl náš zdroj.

To je vše, co teď máme.

I'll bet that General Berger will stay on if Trump offers him his own superhero NFT...

Who wants to stay on with a leader that keeps you in the dog and doesn't trust you general Berger is a Patriot and would do the best thing in every but again if he was deceived and had 3 of his been killed because of that deception I would think very heavily on staying on in my position if I wasn't told if I was catching the dog and I wasn't told anything So general Berger did the right thing I might not have stayed either not for enough but trump is not God and trump is not a general trump is A businessman that is a whole generals do not keep generals in the dark about everything until the last 2 years general Burger from what I understand has been in the dark about everything that is not right compartmentalization is one thing not trusting your generals is another thing and that's what seems to be going on here I wouldn't want any more of my men getting blown away either

I pray that senior staff are united and as sober as the C.I.C. room on my LST. Command always has in the back of mind that they are the experts in executing the actions that must be done in fluid situations . It is they whom will be held accountable after political types desert them. If Command does not have the full faith & trust of C.I.C. DJT then the situation must be resolved in diplomatic fashion. The Founders Gave Authority & Freedom to act in their role of protectors , to make changes , even including appointment of a new C.I.C. if necessary. No one person is irreplaceable , united we stand ; divided we fall. C.I.C. is Providing direction but should , seldom keep staff in the dark . Time is moving , world situation in the ops room vs what is the expected move of The Commander ? Is his eval significantly different ? Where the heck are we headed ? Is course correction necessary ? I continue to pray constantly & fervently for all those running the gauntlet. God Bless Our Military . Nick , NavyBlueSmoke , LST-1195

Periods and commas are a great thing. I value what you are saying, but it is really hard to get it.

Specifically ; how did the General Not Do Enough By The Constitution ? There is some instance where C.I.C. did not receive the proper response from his senior staff member ? How , What , Where & Why in your estimation ? Nick , NBS

I up voted.

These nft and cards are the trump equivalent of the cabal Illuminati cards.

Trump's are better. He has beaten them at their own game.

Nobody took over my account. You can check by looking at the avatar on older posts and comparing it to current posts. You'll see it hasn't changed.

Yes, but—if Trump knows treachery is everywhere and he's already had difficult conversations with Berger, is it really a surprise?

I think we'd be a lot closer to the end if America decides to opt for a general strike, as they're doing in Brazil, and the military gets behind them. I have no doubt the rank and file white hats are behind Trump. Is Berger truly behind him? Or could someone else fill this role better?

Unless and until I hear otherwise, I still believe Trump knows what he's doing.

It's another trick to trick the black hats to falling in many of Trump's and Berger's ploys and as always, the dumb fukkars club of Demonrats falls for the bait and falls down a few more pegs....

I'm all for protesting the fake election results like the Brazilians are, but the deep state literally wants us dead, protests or not. **THEY WANT US DEAD.** We cannot stop arresting these traitors until they are all locked up or executed. **THIS IS FOR THE KIDS, ABOVE ALL ELSE.** This is why we need to keep fighting back and never stop. Trump needs us and we need him! **AMERICANS ARE WARRIORS, NOT TEDDY BEARS!**

General Berger just had 2 or 3 of his men killed on operations that would be deceptive and Trump refused to tell Berger anything about what was going on in his command so after 2 or 3 of my men getting killed I would have stepped down too I don't trust without information came from reply with Berger and who knows that information might come from Trump there's too many variables here we don't know about But there's plenty more generals and General Burvett did a bang-up job

100% exactly right I would have done the same thing you bought if I was Berger having 2 or 3 my men killed I said it previously and having Trump refused to let me know what's going on with anything the only thing is if I was General Berger I wouldn't trust Trump I mean look at it from his situation he just got 3 his soldiers shut up shut the hell so I don't blame Berger one bit But nobody knows the whole story Berger could still be working ohh this is also screwed up and they have even advanced the rank who knows It's all a play it's all a story enjoy the movie cause us civilians don't know what the hell is going on

We are near the end. The NYT published back in 12/21 that military tribunals will be made public in the summer of 23. That was a comm from the white hats.

“Is Berger truly behind him? Or could someone else fill this role better?”

My guess is that General Berger wants to be in a position that allows him to focus on fewer and very specific matters. His current position detracts from that.

And that's a FACT! My brother was Marine Vietnam. Myself Army (Drafted) Vietnam Era and other brother Navy Vietnam.

He didn't say he was going to hide just be an advisory not a commanding general. He don't like his conversations with Trump is all.

Sounds like to me Berger didn't like Trump as much due to confounding conversations. There's a plan is there? What plan? "The plan" is not enough. Hiding? Don't fit into the conversation. What is Trump hiding? "The plan we're supposed to trust?" Is that another way of saying "have faith"? Maybe Trumps people don't trust the plan. They want money so doing those kinda games. Maybe this world don't let people step down from that kinda power til they die.

General does not have any reason to hide. I do not believe for a short New York second that he has anything less than the full support of those beneath him in command. He's been in action a very long time & would not have had the position he's held for this amount of time if he had a base of support that was weak. No Hiding for the general & if he chose to take Marines & take the fight to the enemy in full , I'd volunteer my old crew to back him cause even in support role we'd love to back The General ! Don't worry about him ! His Enemies fear Him & darn well They Should ! I pray that the Current Master of Masters backs him fully since that worlds top martial artist is worth an entire battalion All By Himself ! I hope C.I.C. Trump has decided where the next major step is . I heard the fat lady sing long ago & it's time to get this show on the road to the next play date Swift Winds & Following Seas Let's move , Is That Right Donald ? ? Front Stage Center NOW Please Nick , NavyBlueSmoke , LST-1195

Michael, why am I being censored here? I'm not a troll and I don't fight with people. My posts have been taken down.

Lots of my posts gone also. First noticed it when I was "waiting for approval" those never get approved".

What happened to the Military's plan called "Devolution" conceived in 1947 and went into effect Oct 31, 2020 for just such a time as this according to Clif High he noted on USAWatchdog.com? Seems General Berger would know about and President Trump following. Article seems opposite to this.

Pick me. I'll do the job, and get er done faster than fast. Any other takers out there?

A few good men should be control. It really needs the military in command but even now they jump sideways for cover. I'm pulling my hair out here (and there is not much left) For goodness sake – does it need the insight of a good poster or two, to run this show from this point? My God everyone – man up and serve.

Katie Hobbs is another huge criminal that is getting rewarded for counting her opponents votes & making an Election Day last for over a month??!

Does not mean it is true.

Why would General Berger make such an announcement?

Successful militaries do not act like this nor make announcements concerning military policies, command changes. Disinformation and deception. Play the Trump card.

The entire deep state knows about it because they massively employ Doubles, Clones, Doppelgängers & Computer Generated Images like they all do in Hollywood!

especially so since the military is split. this nightmare in the fake White House needs to end, before everything is destroyed. the military would be the logical resource in times such as these, but . . .

Considering we haven't seen a hint of any hard evidence on the main stage of this guy's alleged activity, is this really important?

I have appreciated Gen Berger's leadership to this point. He is not leading anything like in his past I am sure!!! Too bad he wasn't provided some Q drops to guide the way and build that trust in

Trump along the way.

He is just mad because the annual Bob Hope Christmas Special at Gitmo was cancelled yet again.

If any of this is true

Berger should immediately take trump to Guantanamo

No advisors no secret service

And sit down one on one and hammer it out

Like men

Like adults

Immediately!

Stop the bull shit, fight like Patton!

MB give to Trump and Berger

Or it's not true

Seen nasty on the news a bit ago

Dont know

All of this is like saying white men are the majority ! When there is more White women (Minority) then white men (The So ,called Majority!) Not to include White people in the whole world are only a small, small fraction of society ! Obviously , they have never been the majority if you factor that in the equation ! Then factor white woman (The so, called minority) out of it ! Yet, every other race commits more crime ! Plus, they are considered the minority of population! What a joke! We have been lied to for years all for the puppet master to pull our strings of guilt , shame, create hate , division, unwinnable wars (with low grade technology), not to include other brainwashing for sterilization death shots ! All so, they can depopulate the earth for their One World Government an One World Religion (Chrislam, already built on Muslim soil that is taught through the Koran to kill anyone converting from Islam !) That's not to include the New religious law from NATO last year ! That says you can't say Jesus Christ is the only way to God , Our Heavenly Father ! Otherwise it's punishment will be from the whole world for punishment! My guess

many guillettines , Body bags , Fema camps , the military an government still have will be used ! Merry Christmas everyone , and a Happy New Year! Because, the shows coming to a end ! An it looks like the Builderberg Group, CIA , Multi- Trillion of Dollars Worldwide Criminal Drug Cartels are an have been in control for a long time! All for the Satanic One World Government an it's Anti Christ One world Religion Chrislam! We have been lied to for years from them ! Who knows what evil , deceitful, satanic lie , magical trick is up their sleeves next ! Maybe, their going to have a demonic alien come out of a spaceship an say we come from them an then say there bad aliens that's not like them that we didn't come from! When in reality their all demonic alien being an we aren't from them! They would only be from Satan! If any of it would be real ! Satan is called the ruler of the air ! But, God Create us an Satan isn't Our God ! That's why he hates all Gods Creations mainly us ! Jesus Christ ,is Our Lord an Savior (John 3:16 !) ! We are Joint heirs with Jesus Christ if we ask forgiveness of our sins ! Then keep gods Ten Commandments! An the Holy Spirit dwells within us for a tighter bond between us an God Our, Heavenly Father ! Just trust an believe in him ,that simple! We better be praying an getting as close to him ! That's by reading Gods word the holy Bible an Praying ! It can't be to long now before he comes back for us ! But, it won't be in a UFO flying aircraft that's for sure! Never forget who holds all the keys to everything that Adam had ! And every key Satan had to death,hell, an the grave ! It's Jesus Christ Our Lord an Savior! So, Satan has been defeated in Heaven, Earth , Hell by Jesus on the Cross an Our , Heavenly Father ! Good news though we are told we have what Jesus Christ has through him if we only have faith an believe ! Power of life and Death in the tounge choice life an forgiveness bless an not curse ! The true way leave everything else to God , Our Father in Heaven! Well hopefully everyone has a chance soon to read John 3:16, 10 commandments an keep them, Lord's Prayer, Revelation! Because it's about to get real ! Have faith an Trust ! Then only fear the one who can send you to hell forever ! That's for un-forgiveness of any

sins not forgiven ,an by not keeping his 10 commandments his law !
It's real simple, we our are worse enemies with our thoughts ,an
every words spoken or not spoken! Free choice Heaven or Hell ,
choose wisely!

Sorry, about the grammar mistakes ! But, I'm not sorry for the
content or my faith in Jesus Christ Our Lord an Savior! (John 3:16 !
)

I think Trump is going down, he is his worst enemy, He never
explained why he pushed the clot shot.

I believe Michael is reporting what he is being told. However I call
BULLSHIT on this. President Trump hold loyalty in the highest
regard and lets face it General Berger is an extremely loyal patriot
and loyal to our beloved POTUS!!!

I CALL BULLSHIT and this is just for show...

Thats this patriots opinion on this one.

God Bless ALL Patriots on the planet!!!

Are we allowed to only believe the stories here that follow our own
narrative of things.

Michael is reporting what he is being told than this story, no mater
how much it hurts our feelings would have to be true as well.

I said a long while ago that if I where still in the military I would have
lost it and been dis-honorable discharged because every time
someone says "just stick with the plan", I want to lose it.

No plan is ever given just a stupid quote, when you have soldiers
under you, you can't tell them stupid quotes, you have to have an
actual plan.

From the start it seems like the white hats are running on nothing, by
letting the MSM run the narrative still after a stolen election, twice.

If any of these stories are real then the white hats have been screwing
around for far to long and the bad guys are winning.

They still have control of the money, the narrative and the people are

still in the dark as to the truth.

Trump is losing voters faster than a shedding covid patient on his 3rd booster. By 2024 Trump will not win the election for the people are losing their confidence in him.

If this was for show, then Trump just lost a few more voters if they follow this site.

Most forgot or never knew many aspects of WAR. Honestly, what do any CIVILIANS actually KNOW, about WAR? americans, and I show no RESPECT with the little a, on PURPOSE, are ungrateful, uneducated, and self-serving. If that statement of FACT “bothers You”, it’s because the TRUTH, hurts, when read or heard. The asshats, called “white hats” are elite cunts, offspring of REAL GODS, that like to lie, steal, and cheat, the uneducated and ignorant, the weak. Shape shifting, out of body experience, transfer of “essence” or “souls”, and it’s being done without consent, because The PEOPLE, were NOT PROPERLY INFORMED. MAGIC, requires absolute INTEGRITY!!! Kinda hard living in a lying Lions Den, that’s runs with PRIDE, leading thyn SELF, instead of DISCIPLINE. PANTHERS, TIGERS, and even BEARS, run and HUNT IN PACKS, as a FAMILY. Ability is better than pride.

I have a strong suspicion you are ontu something. This all is being posted now on PURPOSE as the Deep State is well aware of this web site and its insight into the White Hat operation. So I bet there is ALLOT more to this all than we are being shown and it is for the purposes of optics to the enemy.

I also still suspect that Q is an AI being employed to do the opposite of what Skynet did in the Terminator series or better – being utilized to terminate the Illuminati once and for ll. But that is just my “silly” theory.

Trump is continuing to surround himself with a bunch of Grifters. Get Bannon down to Florida, YESTERDAY. This playing card bull shit

is a PR disaster.

I think this could very well be a smoke screen. Remember what fuzziest Austin threatened in the past week or two.....

I don't think she is that verbose. This report is akin to what TV Networks do when they ran out of regular programming. In this case, the natives are restless to hear the outcome of NP's tribunal so I consider this as filler. Blessings,

Oh this makes a lot of sense. Put this sort of discord where the enemy can see it. More disinformation to appear weak when strong. Still trying to flush out traitors.

Yeah, in that context it DOES make sense. Make them think Trump is losing support of the White Hats. Make them think Berger has lost faith. Make them think ANYTHING but that they're winning...

Honestly, it does make sense.

“appear weak when you are strong.” “Appear strong when you are weak.” all I need to know. The Art of War,, This is all a nothing burger.

Last edited 7 hours ago by Joe Kramer

Deliberate 'Art of War' disinformation and deception.

Time to play the Trump card.

12. “If your enemy is secure at all points, be prepared for him. If he is in superior strength, evade him. If your opponent is temperamental, seek to irritate him. Pretend to be weak, that he may grow arrogant. If he is taking his ease, give him no rest. If his forces are united, separate them. If sovereign and subject are in accord, put division between them. Attack him where he is unprepared, appear where you are not expected.” – **Sun Tzu**

10. “All warfare is based on deception. Hence, when able to attack, we must seem unable; when using our forces, we must seem inactive; when we are near, we must make the enemy believe we are far away; when far away, we must make him believe we are near.” – **Sun Tzu**

I can see loads of 4D chess in this – but now is not the time for games – it’s now action time – it’s time to use the Sun Tzu teachings and win through against the odds.

Well, well, well...the shit has hit the fan. It would appear from Trump’s reaction that he’s playing a game few if any are privy to. I sure hope he’s foreseen all the countermoves...

Mr. Baxter, I suppose that you have little choice in the matter except to do as you’re told in the production of Asinine News all to enable the erection of a second matrix. My thesis in Episode 35 was that Juan O Savin has been trying to buy time and that his method in this is to keep us confused and distracted. Since we’ve come to rely on General Berger, this should qualify as one of Juan O Savin’s “gut punches.” It is not an easy matter to induce 100 million Trumpers to pat their knee for two-years. Yet I further surmise that the waiting is nearly over as Juan O Savin has recently stated, “I think this court, who overturned Roe V Wade, has shown the guts and the resolve to make a move (that in a normal world would appear completely unfathomable). They will go non-linear. It will happen this month of December, and it will shock the world, and save America.”

Meanwhile, we Trumpers remain as unprepared for anything as my Great Aunt Tilly’s Bridge Club.

Don’t get me wrong, I am actually one of your biggest fans, but that is mainly due to the fact that you’re all I’ve got.

Well Trump just screwed the white hats and the patriots. The general was all that held the team together and without him we just gave the black hats the win. We are screwed

Not sharing details, Trump had to play his “cards” excuse the facetious use of the word. Close to his vest. There were so many leaks. General Berger should understand that. Or perhaps there is more that was discussed on the phone that Berger thought it time to leave – maybe where the leaks were coming from.

A few good men were gone just because the big ego refused to accept any good advised presented to him...

Anyone that said big ego has high IQ and trust the plan.... playing 15D chess... bla..blawow... when would this movie end. Supposedly Gen Berger just rounding up all traitors after he recieved the order of insurrection act from big ego. no need to consult with him any more.

Too bad... my lovely country...what will happen to her now????

She is still and will continue to be in good hands, that is God’s hands. Have faith and trust in him alone. Faithfulness in all of us should give us heaven’s badge of honor. Blessings,

This needs to be on page one. I thank Gen. Berger for all of his behind the scenes work & all the stress he is under with not knowing what Trump is up to. Really not fair as they have worked under a lot of pressure to get these arrests & executions done .You have been in my prayers & thoughts General & God Bless you, the military & the USA. I have tears in my eyes & will continue praying for you. Thank you. Thank You. Thank you.

Darn. I have great confidence in Berger. He had Trump’s back. If Berger says we trust these other guys, I believe him.

The movie plot line is getting more intense, Trump’s real announcement sounded like this movie might just have an ending soon. Lots of coded messages as far as I’m concerned while many thought the NFT’s were the real story. Fools you are.

I have an idea... let's all get vax'd and triple boosted and give them what they want, and what will happen if they don't initiate the EBS! Tell you what... when trump or any of the players lose someone dear, THEN THEY WILL MOVE and reveal what we need to see!

Don't be so stupid. Somewhere locked in the back of this covid crazy is the mad pointer to so many left wingers loving the clot shot. – Let them. Let them take it and leave the field of play that bit sooner. The world is stressed – resources are finite and in a generation things will be so much better. It's a hellish trick to stand-by but we all have an amount of trust. Cross your fingers and pray those really in charge can bring the baby home safe and sound.

The Radical Far leftists love that very poisonous clot shot because of the massive amount of blood stained loot that they get & the power they receive for intentionally killing millions worldwide!

Really? I question why Gen. Bergers's action is in quotations. Hmmmm. On the brighter side, at least the general did not pull a Johnny Paycheck famous line. Y'all know what that is. White Hat family feud or the all too familiar Sun Tzu imho. Blessings,

Our country needs peace right now. God please give us your protection, guidance and Holy Spirit choose the right general to lead the White Hats. In Jesus precious name I pray... Amen..

I am deeply deeply saddened by the loss of General Berger as the lead White Hat. And though I believe that others can stay the course and are like minded, the wisdom skill and honor with which he has comported himself through this particularly dicey time will be greatly missed and I believe lauded for the challenges and dangers he has guided us through thus far. I take some solace that he will still be on the team. God Bless you General Berger our mission will still flourish we pray.

Hey, folks—Berger SAYS he's stepping down. It does not actually MEAN he's stepping down. He says he'll still stay in an advisory capacity.

If the point is deception, making people think Trump has lost his first lieutenant is paramount to thinking they can strike now, with impunity.

Let's see what happens from here.

Popcorn with extra butter on standby ready to go, malted milk balls locked and loaded, let the show begin.

There just may be a whole crowd of people that some believe are one way but are working behind the scenes.

I will never lose my trust in Trump. For some reason, this must be part of the plan. On another site, I saw Musk dressed as a hero as well. Let's wait and see, we've all been with DT for years. Keep the faith.

How many people have you asked the same question to? I know I was one of them.

PatGal: (If I may) I see no reason to believe that Mr. Elon Musk has ever existed to set one foot upon this Earth. Many of his actions, videos and still photos seem to line up with Cabal deep-fake mind control. Likely, his resume is the creation of Globalists and then was somehow taken over by White Hats. He is the product of latex masks, cosmetics and electronic fakery. Why stop with Bill Gates, Mark Zuckerberg, Michele Obama, and Vivek Murthy? The only danger in lying is stopping.

This whole thing is screwed up. If true then it's great that a good few bad guy scum bags have been convicted and removed. But the big players and enough of the deep state infrastructure remains so that

they can continue with the shit. If nothing of significance happens soon then this will all just fizzle out and come to nothing in the end. Trump wants to get re-elected? How is this ever going to happen when the the election will just be rigged again? None of this adds up??!! Plus the issue of the clones and doubles. The deep state show just goes on. Nothing has changed for the average man.

Could not agree more. "Trust The Plan" and "We have it all" and "The storm is upon us" have all lost their meaning to the average folk. It's one thing to test people's faith in the unseen, it's another to %\$# with their minds.

I understand Gen. Berger's frustration, BUT Trump gave him card blaunch to do what is needed... Gen. Berger is too wound-tight to see the game Trump is playing.

Maybe he should just do major arrest and make one big sweep!!!
Only time will tell!

And just maybe the General is not. He's worked his rear end off for this country.

Can't you see the bags under his eyes? Stress, fatigue, no end of the bullshit, ad naseum.

I can feel how frustrating it could be to be out of the loop
BUT

I do think firmly that President Trump knows what he is doing and not everybody (maybe nobody) will understand by just listening or reading what he say.

Is anybody do understand a masterchief player move, especially the 5D chess as Mr. Trump does.

Not understanding doesn't means to be wrong.

We have to rely on the life body work of the person.

I did not and will not waive my trust on president Trump.

You may differ opinion and that's okay, that's what makes us humans after all.

Gen. H. Berger decision was like an Ultimatum saying quietly “you tell me what is your plan or someone else will do my job as White Hats commander”

If Mr. Trump doesn't want to share his plan, he certainly have a good reason... Not to me to judge it.

Let's see what the next weeks & months has to bring next.

I agree. If you look at the whole picture from the beginning, the DS has been after Trump. Even the witch stated, “If he gets in, we'll all hang!” And she was –

NOW ‘Anonymous’ has been around for decades. They have been showing the world all of the corrupt government's dirty deeds, but it wasn't till Q came onto the scene, that the world took notice! Q has shown us the way to get the dirt on them all, but also got people world-wide involved.

Annons (short for anonymous) were posting everything they could find on every social media to spread the facts & truth. Gen. Mike Flynn called us digital soldiers.

Since the DS could not find nor identify Q, they started attacking the messengers with censorship globally and started calling us QAnnon – and you know the rest from here...

Fast forward to 2020 elections...

We also know that the election was stolen with all the data given to the Pillow Guy – Mike. Trump & the White Hats had the data to arrest and turn over the election – but didn't, WHY?? Cause he knew that no one would see ALL their corruption from around the world and he'd be blamed for a coup.

All the traps were set and caught them all – even the courts looked the other way...

While all this was happening, Trump, the billionaire businessman,

bankrupt the US Corp. in Oct 2020 in Florida.

What does this mean? – To start, all agencies (sub-corps) of once the US Corp are now illegally running a Ponzi in the name of said Corp!

How do you get rid of a corrupt government w/o bloodshed from a civil war or a total insurrection from the people? I give you the smartest man in the world, anointed by God to pull this off, Donald J Trump!

The Court approved the bankruptcy Jan 07, 2021 – So that makes Trump the 19th president of the USA – All the amendments to the constitution & Bill of Rights are now null as with all laws passed since 1871. Getting back on the gold standard and getting rid of the fiat money takes time plus other things – Trump and his team are very busy setting up the new government. IMO, this is why Gen. Berger was in the dark and frustrated with Trump's antics being the showman as usual.

Insurrection Act of 1807 is in full swing since Trump signed it on the night of the steal and activated it on JAN 06, 2021 in his speech as the fake insurrection from antifa/blm/fbi/etc were getting in the building fulfilling the requirements of the ACT! This means that Gen. Berger has FULL authority to bring the traitors to Justice!

Trump, the master chess player, told Gen. Berger to do it in the background – meaning slow but steady as all their corruption comes out and is shown to the world with other countries involved as well.

Seems like the White Hats are crumbling. I have always thought Trump's ego was his biggest problem. He put Berger in charge, then doesn't share the plans with him? Something is definitely wrong. Can't say I blame Berger.

I'm amazed at Berger's patience. I'd have told Trump to shove it a long time ago.

Berger led the Whits Hats with honor and so many victories – while Trump held pep rallies to congratulate himself and make endless promises he would never fulfill.

I know who MY vote of confidence goes to.

Well done, General.

I don't know what to say. This shit show had gone on now since 2008, when a black Muslim homosexual communist took over the nation and did everything he could to destroy it from within. The only bit of relief we've had was Trump's 4 years. Now it just seems like we are in an endless end times nightmare that we can't wake up from.

Jsou chvíle, kdy upřímně cítím, že náš prezident potřebuje strčit druhou nohu do úst. Bůh nám pomáhej.
