Generál David H. Berger ve čtvrtek večer rychle ukončil spekulace o tom, kdo by měl plnit své boty jako velitel oddílu Bílého klobouku armády Spojených států. Svolał svou radu – v současné době 12 vysokých důstojníků ze všech složek ozbrojených sil – k šifrovanému videohovoru, aby sdělil zprávu: Jeho nástupcem bude zástupce velitele námořní pěchoty Eric M. Smith, udatný, bitevní... ostrílený důstojník, který vedl mariňáky do bojů v Iráku a Afghánistánu.

Jeho záslužná vyznamenání jsou legendární a mariňáci si ho váží. Pomineme-li Afghánistán a Irák, generál Smith velel Jižnímu velitelství sil námořní pěchoty USA, 1. divizi námořní pěchoty, III. expedičnímu sboru námořní pěchoty a velitelství bojového rozvoje námořní pěchoty.

Nedávno pomáhal navrhnout plán bitvy, který umožnil společné pracovní skupině speciálních operací zmocnit se pevnosti Mount Weather FEMA.

Generál Smith, který se nezúčastnil hovoru, převezme velení nad všemi vojenskými operacemi Bílého klobouku s platností od 1. ledna, řekl generál Berger a dodal, že si prozatím ponechá pravomoc.

"Generál Smith je ten správný mariňák pro tuto práci," řekl generál Berger radě. „Mnozí z vás se s ním setkali a znáte jeho pověst. Těch pár z vás, kteří ne, se s ním brzy seznámí. On není žádný nesmysl. Marine a skutečný patriot. Otřese to a ty mu prokážeš stejnou úctu a respekt jako mně. Budu stále nablízku a budu radit z řádků. Ale generál Smith bude quarterback."

Generál Berger by veřejně nevysvětlil své důvody, proč odstoupil, zdroj obeznámený s hovorem řekl Real Raw News, ale řekl: „Jakékoli příběhy o kypící nenávisti mezi mnou a prezidentem Trumpem jsou hrubě přehnané. V poslední době jsme měli pár rozdílů, to je vše. Mé důvody jsou mé vlastní. A řeknu vám to všechno, generál Smith nebude tolerovat šarlatánské historky o klonu Donalda Trumpa nebo dvojitém sezení v Mar-a-Lago, takže si hlavu pořádně rozmyslete. Trump nám dal toto pověření a vy všichni jste odpověděli na jeho volání."

Na závěr náš zdroj řekl, že generál Berger se uchýlil ke krátkému, srdečnému projevu a řekl, že má pocit, že sloužil komunitě Bílého klobouku a svému prezidentovi s hrdostí, důstojností a ctí, a žádal radu, aby „stále bojovala za dobrý boj i v těch nejtemnějších dnech."

Poznámka: Tribunál Nancy Pelosi skončil včera pozdě odpoledne. Většinu dne mi zabere jeho sepsání. Dnes se musím vtěsnat do dvou schůzek k doktorům, takže zveřejnění může být až v sobotu. Verdikt by neměl být překvapením. Děkuji za Tvoji trpělivost.

Gen. Berger “Steps Down” as Commander of White Hats

Maybe This will help you understand.

**“to the victor go the spoils,”**

I don't trust Trump ... I gave him the benefit of doubt and voted for him in 2020 and I regret it now. As far as I am concern he and the white hats are traitors for allowing an illegitimate government to take power when he could have stopped it.

Any news on the “investigation” into the fraud that took place again? Why is it that we can find plenty of evidence of fraud online, but the white hats can't. Or maybe their decision was to do nothing about the fraud ... again.

With Berger stepping down is an indication to me the white hats are NOT in control.

Why are you even here? You always say how much you don't trust Trump and the Military isn't doing their job and the White Hats are not in control, blah, blah, blah....This is War and obviously you don't understand even a small degree.

Not just a war, but a long view war. That is how the elitists have been playing the world population for the past 80+ years. There is such a thing among them called the 300 year plan and the 100 year plan, which I believe we at the tale end of both those plans time period. There is a reason everyone is being told to “clean their house” because something truly big and remarkable it going to take place very soon.

“Tail” end. I'll believe it when I see it. Personally I don't like being told fairy tales or being left totally in the dark.

For some reason on this forum, questioning T is looked down upon. It is the same kind of intolerance that we see from friends of Hussein....

you can criticize trump. but you also must criticize your own party too. Obamas, facuui, Clintons and etc. if you don't see the bad in them. your hopeless.

Why should we criticize what they, the NAZI/Communists have done? They are proving Darwin's theory of evolution by having all of the brain-dead, brainwashed idiots take fatal drugs; most of which are Democrats and RINO's, which are the same thing, the UniParty.

Hussein is not even worth of being written in the same sentence as Trump...unless it's "Trump Watches as Military Hangs Hussein.

Well, given that Hussein is a gay Kenya Muslim married to a Tranni that hates America (USA)... Yes, they have little in common.

Its real simple , Follow the latter of leadership , you know the ones murdering and terrorizing children robbing us blind . we support Trump here you dont care for the blow back comments on here you and your face diaper can go to facebook or twitter .

Well, since Trump IS God's anointed and appointed, if you are questioning Trump, you are ALSO questioning God. Your time would be better spent humbling yourself and seeking God.

EXCITING TIMES !! GOD WINS

Much has been said about General Berger, however, he was never part of the inner circle of 8, which is way above his pay-grade and trust. He was tasked to do a job and he failed! What General Berger failed to realize is that the United States of America, Inc. ended when the Vatican and London orchestrated the overthrow of our

government on November 3rd, 2020 with the help of china and others; and we are now what we used to be before General Grant sold us out to be slaves, the Republic of the United States of America.

This is 5th Generation warfare at its finest; 5D chess being played out when the Traitors Worldwide fail at the simple game of checkers. Thus, they make the same moves over and over again. The Rothschild's and company lack originality and only have the ability to play the same hand over and over again; then, when they play a different hand, it gets handed to them because they are so intellectually challenged they fail every time.

To answer your question, President Trump is a Master at 5D Chess and it takes a keen intellect to understand what he's doing even if optics are bad. Most can't handle trying to understand what's going on; how his move(s) will always force the Traitors to do something, move in a direction of trumps choosing... Do I need to explain 5th generation warfare to you?

Last edited 1 hour ago by ShadowGhost

You have been in the dark for the last 80 years and Trump has been the only one shining the light on all the corruption . Trump has exposed everything , if your not happy go back to following the satanist agenda . What a baby .

When they run out of Deep State and Traitors and global elites and God has carried out his judgment on the wicked and rebellious, then our country will be restored to what it was when the founding fathers set it up, and we will be trult FREE again. Until then keep the faith and continue praying.

Look at the big picture butch Rome was not built in a day and a smart tactician never reveals his complete plan that's why Q said follow the bread crumbs not to eat the damn things. UNDERSTAND SLIM SLOW

Nothing Can Stop What Is Coming, Nothing! (NCSWIC, N!)  
WWG1WGA, WW  
(Where We Go One, We Go All, WorldWide!  
A Thousand years of peace when we destroy the NAZI/Communists!  
Keep the eye on the prize.....

Almighty God has a LIFETIME and eternity plan. Worry LESS about  
30 and 100 year plans of FOOLS who think they are bigger than God.

Actually, the Rothschild's have been playing this game for over a  
thousand years, and longer. They instigate a war making it seem  
there's a different reason... The Rothschild's fund both sides of the  
war, the fund both sides of the rebuilding, they purchase stock for  
pennies on the dollar (whatever monetary currency that exists)...  
they create a central banks, fiat currency that another generation will  
eventually take down; purchasing precious metals and land before  
they destroy the fiat currency. This time they are failing. Everything  
they put into place is not working out. The 16 year plan to destroy  
America has failed, and there is no way they can regain control of  
their narrative or reverse course. Thus, they have to move forward,  
damn the torpedoes, full steam ahead and face Military Tribunals  
before they forfeit their lives. History books are written by the  
winners, the remaining Rothschild's will not be able to show their  
faces in public when this war is over. I see it al the time, who re the  
true puppet maters? The Rothschild's, the Vatican, and the Royal  
family in that order. These are the three (3) that orchestrated the  
overthrow of the USA government on 11/3/2020 with help from  
China with the help of Congress and State Legislatures... The High  
Treason runs very deep. These installed puppets like Robin Vos,  
Wisconsin, think nothing of committing Treason rigging their own  
primary election to install themselves for another term.

That "bad look" sure caught the MSM in a trap though, didn't it?!!!  
Aka "The Art of War."

The “bad look” netted Mr. Trump >\$4MM in a couple of hours.

Anyone kvetching about this will be encouraged to look at and comment upon the Hunter Biden art enterprise.

You are truly an idiot if you believe that FBI/CIA/etc.... Trump played you idiots again! While the fake news was focused on the NFT's, a hour plus later POTUS19 made the real announcement regarding the Bill of Rights and those doing all in their power to destroy it. That alone should have shook traitors like you to the core! In addition Trump introduced the way to use/access the new digital currency... ending slavery to the Federal Reserve Bank (the Rothschild's.)

I'm stating fact that can't be disputed. I don't give a damn you don't agree. I will always continue to question and point out the facts. If you don't like my blah blah blah ... then don't read it.

The people have a right to know what is going on. War or no war. It's no excuse for the white hats and Trump violating their oath of office ... FACT

Just another Traitor amongst millions in state/federal government jobs including congress.... I look forward to your Military Tribunal as an Enemy Combantant and when found guilty being put to death and all family assets seized. Ones family can never prosper from any form of Treason.

I hope you are in a cell near Elizabeth Warren eating her famous PowWow Chow as a last meal, and share the same day necktie.

And another thing ... you people that don't like my blah blah blah .... don't give a damn that they are not doing anything about the election fraud AGAIN .... oh no ... you are more that willing to let it go and on to 2024. Never mind that the congress is illegitimate.

And show me where the white hats are in control other than what MB reports with little evidence to back it up. They sure wasn't in control of that army unit that attack those marines. I REFUSE to look the other way like many here are more that willing to do ... negative away ... you can't dispute the facts but it will make you feel better.

White Hats are soldiers doing whag they are told. General Berger could not handle being told what to do without being part of the inner circle. Thus, he failed! his command. There are only 8 people that know the plan that has been worked out over the last 50 years since the USA, Inc. assassinated President John F. Kennedy.

Spirittoo is obviously a FBI/CIA Deep State Asset.

He/She/It/Cockold never voted for 45/19. The individual is simply a Troll. Please do not feed the Communist/NAZI brainwashed idiots!

Look at Fall Cabal 1- through.....the rest ( not sure how many now). Be prepared to weep for the children et al. I started there Presidential election time. It will fill in alot of blanks, of what is really, crucially going on too

If you regret your 2020 vote, to whom would your flawless hindsight have you cast your ballot, instead?

Yeah, right.

Ye of little faith... you and I, we are the wave to higher dimensions. Love and light. Keep failures!

Yes, if spirittoo had the faith as small as the mustard seed, he could command the mulberry tree to be transplanted to a different location(am paraphrasing here). Furthermore, consider these;

-had Noah seen the flood, he would not have needed faith to build the ark

– had Moses seen the red sea already parted, he would not have needed faith to remain standing holding his staff

-had David already seen Goliath slain, he would not needed faith to

stand up and fight the giant.

Faith is a very important virtue in our journey in life. Let's live it.  
Blessings,

Just sharing my faith that is smaller than a mustard seed. I truly believe that all Christians are under construction till we're called home someday.

Blessings,

I understand your doubt and you have valid points. I do believe that we don't know half of what is going on. I think the enemy reads this too. It's in God's hands.

Yeah.. thanks Spiritoo for adding your very special voice – after all, you Voted for President Trump and it didn't come with a happy meal you say? Well President Trump's supporters don't get to hear enough complaining about him everywhere else, do we? So yeah, thanks Spiritoo for coming all the way over here to stamp your feet as if your sour grapes would move the ball any further towards the goalpost.

Actually,....the Galactic Federation's hands, the guys responsible for maintaining earth and when things start going bad, they bring the cleaning crew to sweep up the negative dirt and expell it to another shitpit planet that takes in the trash from the clean up crew....or white hats...

Under a bright desert sky, about 20 mustangs munched on the crested wheatgrass meant for the Angus cattle he grazes here on public land.

“You've got to look up to them. They're tough,” the fourth-generation rancher said, leaning against his dusty red truck. “But if we turn a blind eye, in five years there will be 100 horses here, and it won't look as good.”

Now think about the 246 years of this country.  
And this started with a few Bad actors.  
a geometric progression, also known as a geometric sequence.  
How many Do We have to take out Today  
How many are We compared to Them.

Stand Up for yourself Its Our Job.  
Only the Young and the Old or disabled Have a Pass on this.

It's our Job!!!!!!!!!!!!!!!!!!!!!!

I so agree! However, even at 74, I consider it my job as well. So grateful for good health to stand beside other patriots in this battle! God Bless our President!

You are not seeing the BIG PICTURE..  
Ask yourself truthfully, why did you vote for Trump???  
Once you answered that basically, now go further & deeper into your answer... Yes further down the rabbit hole...

To help you here are basics and a few more eye openers that maybe you didn't know:

If you look at the whole picture from the beginning, the DS has been after Trump. Even the witch (hillary) stated, "If he gets in, we'll all hang!" And she was –

In the beginning, 'Anonymous' has been around for decades. They have been showing the world all of the corrupt government's dirty deeds, but it wasn't till Q came onto the scene, that the world took notice! Q has shown us the way to get the dirt on them all, but also got people world-wide involved. (easter egg) How did Q know where/who/what/etc to go?

Annons (short for anonymous) were posting everything they could find on every social media to spread the facts & truth. Gen. Mike Flynn called us digital soldiers.

Since the DS could not find nor identify Q, they started attacking the messengers with censorship globally and started calling us QAnons – and you know the rest from here...

Remember Trump's speech – "...we have it all, we caught them all."

Look to the 2018 elections... also rigged, but we concentrated on the senate – why?? SCOTUS/FED Judges... Trump appointed 300+

Shall we play a game of chess – though there was more going on in the back ground – you wouldn't believe it anyway unless you were a true geek/nerd... Yea i'm a nerd but a cool nerd at that!

Fast forward to 2020 elections...

We also know that the election was stolen with all the data given to the Pillow Guy – Mike. Trump & the White Hats had the data to arrest and turn over the election – but didn't, WHY?? Cause he knew that no one would see ALL their corruption from around the world and he'd be blamed for a coup. Sad but true, you would not know half the shit going on... and then some...

All the traps were set and caught them all – even the courts looked the other way...

While all this was happening, Trump, the billionaire businessman, bankrupt the US Corp. in Oct 2020 in Florida.

What does this mean? – To start, all agencies (sub-corps) of once the US Corp are now illegally running a Ponzi in the name of said Corp!

How do you get rid of a corrupt government w/o bloodshed from a civil war or a total insurrection from the people? I give you the smartest man in the world, anointed by God to pull this off, Donald J Trump!

The Court approved the bankruptcy Jan 07, 2021 – So that makes Trump the 19th president of the USA – All the amendments to the constitution & Bill of Rights are now null as with all laws passed since 1871. Getting back on the gold standard and getting rid of the

fiat money takes time plus other things – Trump and his team are very busy setting up the new government. IMO, this is why Gen. Berger was in the dark and frustrated with Trump’s antics being the showman as usual.

Trading cards OR the Trump card?

Insurrection Act of 1807 is in full swing since Trump signed it on the night of the steal and activated it on JAN 06, 2021 in his speech as the fake insurrection from antifa/blm/fbi/etc were getting in the building fulfilling the requirements of the ACT! This means that Gen. Berger has FULL authority to bring the traitors to Justice!

Trump, the master chess player, told Gen. Berger to do it in the background – meaning slow but steady as all their corruption comes out and is shown to the world with other countries involved as well.

Trump doesn’t play chess, he plays golf! He was and Always will be, a NY liberal and dedicated member of the WEF!

And more importantly, not only does God have his BACK He also anointed and appointed Trump for just such a time as this. That should be good enough for ALL of us except the DEEP STATE, Rhino’s, Traitors and minions of Satan.

You are so clueless you don’t even know. I bet you think you evolved from a monkey.

Hey, Johnny boy, keep that miniscule brain quiet, or you might blow a vessel!

God did NOT anoint Trump to usher in this demonic, deadly bio-weapon to kill millions and even billions. That is where it breaks down.

The ‘master chess player’ screwed up BIGTIME. He needs to publicly recant and repent and call for a new Nuremberg asap to restore his credibility.

You CANNOT overlook the scope of the evil of the pre-planned Covid genocide/democide.

Care to address that?

i am speaking of the bio-weapon “vaccines” that he loved to take credit for and tell people to get.

My dear John H,

1. I never mentioned that Trump ushered in the bio-weapon.
2. Op Warpspeed was a group effort to bring in scientists to deal with a plague before it turned into a plague.
3. Fauci stated in JAN 2017 that he’s releasing a bio-weapon on Trump --
4. What happened to the scientific group?? OH big Pharma came in and they started their kill shot... Where is that group?? Oh they were still working on that bio-lab-weapon.  
Chiiiiiiiiinnnnaaaaaaaa virus – How did Trump know it came from there?  
  
\*\*\*\* This bio-weapon was in the works decades ago – SARS, H1N1, Bird-Flu, etc.. were released to see the spread – Thousands of people were dying and OBAMA said nothing..?  
if you remember the FDA gave an approval for emergency release of a SARS vaccine but killed a few people and was immediately removed... \*\*\*\*\*
5. Trump stated in his speach that it was YOUR CHOICE to take their shot even though it was and still is under the FDA EUA.  
Remember we posted and so did FOX that you had a 94-99% chance of living w/o the shot!!!
6. It was also in the news that 2 Canadian scientists and 1 Harvard proffesor helped the chinese lab create the virus were arrested.. of course most msm didn’t report on that...

7. If Trump nipped it in the butt at first, you would not know about the BIO-WEAPONS-LABS around the world the DoD put into place and other EU Nations; just over a dozen in UKRAINE alone, and you people wonder why PUTIN invaded Ukraine – Russia’s border!
8. Only 5 DEMONcratic states run by DS locked down the states AND had the HIGHEST DEATH RATES of killing off nursing home patients and the elderly & whoever went to the hospital...
9. MANDATES are NOT LAW
10. Still YOUR CHOICE to take the SHOT –
11. No such thing as mutated variants within weeks or months; it takes eons for nature’s mutation...
12. AS PER FOIA REPORTS from the CDC & FDA – there is no such thing as C-19 as they DID NOT HAVE a ‘Live, Isolated, Non-contaminated, Human Sample’... So how did Fauci know it was C-19??? Note the number – man-made and patented (which is illegal to start here – think china)
13. The PCR tests are BASED ON 4 MALES WITH THE COMMON COLD/FLU as per the FDA!
14. What they say on TV is free speech BUT what is in WRITING ON GOVERNMENT DOCS is another story – READ their material – open source...
15. WHY is it that people believe the gov’ts shit – think operation mockingbird and by design – We babyboomers know this – dads went to work and moms stayed home to raise the kids but then they MADE INFLATION and BOTH PARENTS had to work, leaving the kids to the indoctrination of propaganda – fake history... Parents had no time to do their own research and relied upon the NEWS and NEWSPAPERS... LET THE BRAINWASHING BEGIN

16. AGAIN – MANDATES are NOT LAW and cannot be enforced – though they stated it like it was law... more lies

17. FREE WILL \_ YOUR CHOICE – to take or not to take the SHOT...

Though I agree with you Trump taking the credit – BUT if you really listen to his speeches – he took credit for WarpSpeed not the shot (CHYYYYNAAAA Virus) and still stated it was your choice with a survival rate of 97% or what ever it was...

Trump Trading Cards – OR Telling The World He's Playing HIS Trump Card!!! – Party is OVER!!!!

All of your Post today are Spot on?

he took credit for Warp Speed not the shot.

Warp speed is not letting them get away with a 10 year lock Down.

Robert,

I agree – The GAME is still on...

BUT – where I lost you is 9 pages on....

Are you referring to 10 U.S. Code § 253 – Interference with State and Federal law?

Sparky, excellent posts. We can all say, CHECKMATE. Btw, allow me to add my two cents worth on the OWS vaccine. By introducing it, we avoided the lengthy lockdowns had the DS been successful in getting their shot mandated. That is why he honestly claimed he ‘saved millions of American lives’ . He saved us from being legally forced to take the death shot. Blessings,

No one can force you to take the shot, even IF they made it LAW – violates our Constitution & the Nuremberg Code.

This is why they say ‘Mandates’, But they imply that it’s law; It’s NOT – 2 different animals. Mandates = you gratuitously accepted or elected to do it or you don’t ... Lockdowns are illegal as well EXCEPT by 2 things stated in our Constitution; WAR by invasion OR INSURRECTION – Civil War...

Trump Took claim for ‘Warp-Speed’ savings lives because he also stated you have a 94-99% survival rate and you can take the hydroxychloroquine or the ivermectin – also stated YOUR CHOICE

to take the shot if you want... BUT “Warp-Speed’ told Trump that it came from CHIIINA – I miss him saying that – too funny but sad at same time.

This plague was all planned decades ago and when Fauci told us a plague was coming in Jan 2017, Trump and his administration was already set & planned...

And add the EUA is supposed to be used ONLY if any other known kind of remedy ( Ivermectin, Hydroxychloroquine) wasnt available!! Right there a crime was committed . It was available but they pulled it from the shelves!!

If you will recall, Trump told us to use hydroxychloroquine and ivermectin, but the folks we trusted to KNOW EVERYTHING lined their pockets while people were DYING. Trump is NOT a doctor! He did the best he could under the circumstances. QUIT YOUR BITCHIN’

Keep drumming, drummer-boy. You needed something, so you grabbed the fake news COMMUNIST headlines.

POTUS Trump was not aware of SEVEN genocidal shots. When he learned, CONSTITUTIONAL ADVISORS suggested intervention by either HCQ or INVERMECTIN [de-wormer] that is available for human consumption by prescription at local pharmacies.

POTUS Trump is not connected to preplanned genocidal shots of any kind. However, renegade angels alias JEW certainly are because they’ve published for 100 years of genociding humans and destroying Earth for 5,900 years with less than 100 years remaining in their 6,000-year agenda to leader Lucifer-Satan.

LEARN TO DISCERN EVIL ... an English translation of the HEBREW word “CHAOS.” There’s your key ... take it to unlock Biblical history of billions of renegade angels JEW executed in the Heavens for disobedience and relegated to the Lake of Sulfuric Fire for an eternity after Judgment Day!

The fact that it DIDN'T kill millions was the hand of God. The planet runs on these three principles: seed, plant, harvest. Some folks only plant good seeds, while others often plant bad. Covid and the lies that held it in place were bad seeds. Unfortunately, not until Trump signed the Insurrection Act putting Military Tribunals to replace the corrupted criminal courts did the evildoers FINALLY BEGIN TO REAP THE HARVEST FOR THE SEEDS THEY HAVE SOWN. We are to blame for a good part of this, as the silent majority sat quietly by as they kicked God out of everything that was good in America. It took enough people humbling themselves and repenting to get God to even come back at all.

Yes Linda,  
We are in the time of Harvest..  
God indeed heard our prayers...  
Praise be to God!!

I have heard that Trump's shot contained 6 known, effective ingredients.

When Fraudci got involved, it morphed into the toxic jab of today.

Go Read Mike PENCE's Book he was a Deep State Asset that worked really close with FAUCI and you seem to forget it was PENCE who was the COVID19 CZAR not President Trump. President Trump only got involved when he was disagreeing with them who wanted to keep us Locked Down and POTUS spoke up and fought for US so we were Not even in Worst shape. Guess you forgot about that.... Mike Pence was the one who was pushing Vaccines and Trump was talking about other ways to treat it with Ivermectin, and HCQ Hydrocloraquine the Fake News called Fish bowl Cleaner and Bleach so Trump was trying to steer people away from the Vaccines but MSM BLUDGED him to death over it. I wish people would STOP BLAMING TRUMP when it could of been a lot worse as The Deep State wanted to keep us locked down until 2030 it would of destroyed us all.....

Look no farther than the scriptures and the Prophets and you will know everything you need to know. God has told the prophets that Trump is His anointed and appointed for just such a time as this. That is REALLY all we need to know. Keep the faith and continue praying while God delivers.

Linda, the impatient, and there are a few on this site wanted it done yesterday. So sad indeed. Blessings,

I really appreciate your very enlightening post. You filled in a lot of blanks. Glad someone is educating this dummy.

Thank you Pat, BUT what I wrote is just a grain of sand of a 10 mile beach... There is so much that no one can fathom how deep this rabbit hole goes.

Wait, your saying the one's trying to save our country are the traders, not the ones who stole the election?

I have trusted and faithfully followed President Donald Trump. I agreed with EVERYTHING that he said and did from 2016-now.

I don't appreciate the yellow streak down his back, ( as he followed in Fauci, Birx, CDC, Walensky, AND BIG ASS PHARMA. FOOTSTEPS, AND ORDERS! )

HE STILL RAVES OVER THE COVID VAX FLAG LIES ABOUT IT'S EFFICACY & SAFETY!

There is No Grand Announcement!

He should have said and proclaimed what he & the White Hats have been doing for the last 3 years, hangings, & executions!

And tell the damn truth about, the covid flu, PCR Tests, And Covid Vaccines.

Just Because The Son Of A Bitch/Deep-State Criminals HAVE BEEN EXECUTED, DOESN'T END THE PUBLIC EXECUTION OF SAID SCUM OF THE EARTH, DEAD, TREASONIST PRISONERS!

NO ONE WILL BELIEVE THESE THINGS, ALTHOUGH, Those Of Us Who Do Know... May Have To Verify To Unbelievers;  
( ESPECIALLY REPUBLICANS, LIBERAL, AND DEMOCRAT VOTERS, For An Eternity.

Where In The Hell Is President Donald Trump's TRANSPARENCY WHEN WE NEED HIM THE MOST?!

Last edited 9 hours ago by Virginia McCann

ALMIGHTY GOD is transparent. Donald Trump is NOT! when it is time for things to be told, they WILL BE! For now it has to be enough to just have bits and pieces to know that the wheels of justice are turning, just not as quickly as we'd like.

You make a valid point. How will Trump win an election if the fraud continues, and clearly it does! Maybe if he wears tight red tights and a cape and stuffs socks into his underpants as Superhero Capt Trump it will make a difference.

I don't believe Trump will need to win an election. He'll be recognized as President #19 for our Republic in January. And our original constitution does not have term limits for Presidents!

Why don't you get that the Capt. Trump card trick caught the MSM in a trap and sent a message to the world that the Trump Card has been played. There is a purpose for everything weird thing he does.

Just look at his results! If you don't remember any, please read the 2 post above by Sparky Sr.

P.S. The Trump Cards are already sold out, adding \$4million plus to Trumps election (or other worthy nominees) in less than 24 hours.

Every time they commit fraud a few more are being taken down. Pretty soon there won't be anyone to cover it up or do this. You are forgetting to count the effect Almighty God has in this situation. I would say that in his OWN way, Trump is as great as the biblical kings Cyrus and David.

We can't take these traitors down fast enough and w can't fight hard enough. God has to ammo us up for this!!

He had to show the sleeping to wake them up , look at all the retards still wearing masks . You have to show them . Maybe you can start campaigning for someone better . Trust the plan or go sit with sheep .

If you trust Almighty God, then you can trust Trump. I have it on excellent authority from the prophets who carry God's messages that Trump is God's anointed and appointed for just such a time as this. God's methods and timing are different than man's, but God ALWAYS gets the job done. If I were you, I would focus on humbling myself and repenting and let God do what God does best.

That's not enough by itself, we all have to gather together to fight back and take America back,. God does not like passivity, He likes activity, He back us up and he back Trump up. We don't just sit around, we cannot afford to anymore.

Wow, such a spirited thread... so to be fair, I can see both sides of the issue here... however I just would like to raise a simple question. For those who believe in "The Plan" and think all the delays are due to "5D chess moves", the "Art of War", etc... would you know the difference between tactical strategies aimed at completing this promised goal and us, the public being played? What if the whole

movie is theatrics to keep everybody complacent while they work on implementing their own agenda? I'm NOT saying that's what's going on but I also don't see enough evidence in our day to day lives to prove otherwise. What if they're just pretending to be on our side but they're really not?

I agree with some of the comments like why haven't the rigged elections been exposed and ratified yet? Why are they still pushing the jabs & B's when we have overwhelming evidence that they're killing people? Why are the fake leaders still out there wreaking havoc with people's lives? There are many ways to control people, including feeding them empty hopium to keep them quietly waiting and subdued while they carry out other plans..

I'm just asking people to question WHY aren't we seeing any positive changes in the world after all this time? Do we really have tangible proof or are we just encouraged to believe words without questioning their veracity?

You don't get the picture show. Get some popcorn and sit back and see if you can see the end game. The show is allmost over and when God wins, we win. God is blessing America. Time to get to the deck of cards.

The Art of War, that's why. If Trump is a clone, that comes from over the top of the military. has to be SSP or those in higher densities. Not something anyone can take on so I can see just getting on with it as what we are expected to believe. Things might depend on who is operating a clone, the original or if the soul is enough placed in the clone body for all I know. There's some reason Trump supported the jab that isn't right with a lot of us, yet.

There is a lot of suspicion about who Trump is loyal to himself. There's not been any instructions given to people from Trump other than "take the great jab". In spite of what's being said against it. It's gone too far with Trump silence.

Military is not official with RRN either. It's a "source" of hard to vet information, nothing put out in the official places people are used to. MSM is answering to known teleprompter writers. The teleprompter writer for the president isn't giving him a job discussion or answer for the public.

Nobody knows who they are or how things are run as in what's going on with the rule by secrecy. Berger and other military can say the job is the total opposite of what Trump last said and the military is hanging people all the way dead over it and Trump is still silent.

How can a super hero promote the job? The military had to stop Trump from promoting the job. Something is wrong with a mind like that where I come from. I would say of course he a clone.

Spirittoo is obviously a FBI/CIA Deep State Asset.

He/She/It/Cockold never voted for 45/19. The individual is simply a Troll. Please do not feed the Communist/NAZI brainwashed idiots!

The White Hat Military will remove Trump in a nanosecond if he stops following the Military Plan. They are in lock step. And also remember that we are watching a Movie, designed to wake up the Brainwashed public from decades of the Matrix.

God and Trump are about to make a GREAT financial reversal. You just don't know it yet!

General Berger has shown himself to be an honest man and I wish him well. You can't do what he has been tasked to do without it taking a tremendous personal toll. Thank you sir for what you have done for our country.

It's Very Hard to express our Gratitude.

To.

President Trump.

And His Hand Pick People.

To General Berger.

We salute You and have you in our Prayers.

And this Includes everyone involved in this action.

World wide!

God Speed.

IS an EXCELLENT WARRIOR and he knows when it is time to hand on the command. Love General Berger and all he has done and will continue to do for We the People and for The White Hat Alliance.

Do you think you actually know more about what's going on than the marines supposedly participating in the operation? You have to ask yourself questions like these...The answer is, "No" This isn't real.

For all you morons wishing Berger well and congratulating him on a job well done.

You have no earthly idea of what you speak of.

Berger was a cautious, slow, methodical, paranoid McClellan, .. an Omar Bradley. If you don't understand that statement, then go Google.

What America has needed is a \*real\* general, a warrior, as opposed to a square checking, \*impediment\* to tangible, ruthless victory.

America needs a Patton!, a LeMay!,.. a LEWIS BURWELL CHESTY PULLER!

America has the BEST war general in Almighty God who has dispatched His Angel Armies! You ain't seen NOTHING yet! Instead of a Civil War in this country, you are going to see God REMOVE some evildoers who are unrepentant. Keep the faith and continue to pray!

he's noted for telling her, "we don't work for you." that was a good while back before she started wearing a rubber face.

In reality No one works for her! She is to work for us! And to adhere to the Original Constitution . They all were work for us. But their charade is collapsing more each day! See ya, dont want to be ya! lol

Imagine the feeling of success being able to "retire" on that note! I'm sure it doesn't bring him happiness to her certain extermination (rats are exterminated) but I'll bet it's quite a feeling of accomplishment after she eluded capture for so long. She's a big catch for the White Hats & the fake news is spewing of her passing the Omnibus Bill today. Thank God for RRN & MB to know the truth. What a relief.

So what is the credibility of SG Anon? He just appeared out of thin air recently?

Literally everywhere overnight. Very strange. I turned him off when he said we would all have to go through more covid bullshit. Like we better get ready for another onslaught and here it comes! Sounded like he was laying some kind of groundwork there. Not listening.

I think Berger was only all into protecting the Constitution and the Republic. History books will remember him well! He is NOT retiring, we are just getting fresh horses!

Gee, that's very amusing. I just saw her and Schumer in an interview at a restaurant just yesterday it was on YouTube and yes it was Nancy Pelosi not a body double I know what she looks like so how do you all explain that?

Were those tatties, that table legit? Did you give 'em a flick and dodge the recoil?

Hollywood's been making movies a loooong time friend. In fact, I have chosen not to watch horror movies for that very reason; how realistic they can make a beast. These days, it's even more "believable" w/the digital tech available to literally make "carbon copy" masks/skin suits.

\*We've also caught the msm using old clips/interviews & passing them off as current fake news, so to speak.

Actors/dopplegangers/clones – They are BOTH gone from congress. Did you know that the Army has cloned 70,000 soldiers???

All you doubters have no idea whats been happening for decades.

To help you believe, remember Biden took the shot in the white-house on TV.

Now search that same pic and look at 2 of those pics, one will show his arm w/o tatoos – the real Biden has tats (search Biden washing his corvette) the 2nd pic in your search will show a movie set with all the

msm sitting off the stage watching biden get his shot! Castle Rock CO movie set

Also look at the ears – real bidens' earlobes hang down not part of his face.

technology today is fantastic and used all the time – CGI/AI

Face overlay in the movies, etc...

No one is in the REAL White House – check yourself – online cams

The movie set they use now is in GA.. Perry Taylor's movie set..

Life is but a stage – the DS took it literally...

Just pray to God that his plan is being fulfilled, as it has been written in the good book, so it shall be done!

Listen to the prophets & the prophetic words they say – all foretold...

Have faith in the Lord our Creator & Redeemer, for we are his children.

He gave us free will – your choice – good or evil...

Sparky, on the subject of clones/doubles etc.. ever wondered why the CCP soldiers are identical, I.e. Siamese twins x 10,000. Another excellent post btw. Blessings,

Sparky Sr, you keep posting all this positive info, I'm going to have to put you up there beside MB. Keep it coming.

Are you that close to her? Past history YouTube? Several long dead DS operators continue to make videos, show up on "LIVE" broadcasts, give speeches, etc. Maybe you do not want to admit you do not know what you think you know.

So Relatable!!! Being there for the takedown of one of the most senselessly arrogant putrid flying monkey shits of the world (N Plousy) would be a career high point for sure! Right On General Berger!

Well my friend! I believe he's just starting. He has a lot more to get. It will be hell on earth for awhile. Just saying.

Yeah – I don't really want to rule the world. And if somehow I was ever given that responsibility, I would be doing ALLLOT of delegation of duties and be like – all you nations are now U.S. States; so do what you want just ensure your peeps have basic Constitutional Rights.  
Nuff Said

Thank You and GOD Bless You General Berger for ALL that You have done. So sad that this had to happen. But, Thank You for naming an amazing patriot to follow You and lead from here. Let's go and finish this mission with unity, courage and pride. May GOD Bless OUR "White Hat Military"!

Thank You Gen Berger for bringing so many rats to justice. Welcome Gen Smith !! Praying for both of you.

Why should it take most of the day to write about Nancy? Clearly she's a traitor so the only question that needs to be answered is which manner was chosen for her death.

Am thinking that with Nancy, it will be something worse than hanging for her level of treason, like the guillotine.

Sure hope so. Using the guillotine will give her lots of time to crap her britches on the way to the end of her evil life.

Her trial went on for days, while many others were over in 15 minutes. Maybe there are interesting details to write about, although I think we are all aware of her crimes.

And there may be more crimes we don't know about this is why we want to read about them so this never happen again.

EVENTUALLY when all this is done, they will have to show their convictions on EBS. Some avid DEMS really have NO idea what these folks were up to! We don't want ANYONE to say that they were INNOCENT! It will be a good lesson for others NOT to repeat this!

OH YES. I SAY SHOW EVERYTHING, NO MATTER HOW MUCH IT HURTS. AND IT WILL HURT, BIG TIME.

2 doctors appointments and life in general for MB, so that's part of why it takes a while. Be patient. Probably a LOT to write about, as I'd imagine there were a lot of court room fireworks and perhaps a lot of info and intel discussed.

Because none of it is true. Nancy is alive and well in DC probably having drinks with that RINO traitor Kevin McCarthy discussing what next they can do to screw the American people.

I hope gen. Smith stop this double/mask clown show after departure of NP.....that's will be most positive action of past 26 months...

God just REMOVING a number of the evildoers from this planet is what we are WAITING FOR!

it's true and kevin is next as well as others... the snowball is picking up speed down the stretch...

Yep, having drinks together. Hot toddies in hell.

Excuse my language, but it didn't have the same effect using other words.

Wow! What a disrespectful comment! Michael always talks about the dialogue from the prisoner and officer, the bodily reactions of the prisoner, and general info about the goings on. If you don't want to stick around for that narrative, then don't.

Vice Adm. Crandall, needs to put on record all the crimes to also implicate others. Needs to show a pattern... all those yrs of kickbacks, insider trading, fake laws for the DS to prosper, the heads of states to make deals, the military complex, the closed doors dealings, blackmailing/coersion/epstein/etc, the PLANdemic narratives to go with Trumps impeachment – distract, divert & divide... her life would be a 10vol. crime-spree

We all know the ending to her – swingset.

Details...we want the details about Pernicious Pelosi's coming demise. I pray she suffers greatly as she has earned eternity with the entity she worships. Fires of perdition await her.....

Did you not get the memo line that said her tribunal is over and she got the desired result. Michael has TWO medical appointments today, then he will write up the dirt.

That really surprises me. He didn't have to do that. Healthcare is no longer the same, the entire system has been irreparably corrupted. I tell people never set foot in a hospital or clinic again. We can take care of our own bodies, we know how.

I hope the doctors are people he trusts and didn't force him to get jabbed or withhold treatment for insisting the needles with written no-jab exemptions. I'm very concerned.

Since the clotshots were mandated and forced on everyone by Biden and the deep state, doctors and nurses can never be trusted again. In the US and Canada, people undergoing surgery, pregnant women and even newborns are being forced-jabbed without consent of even their knowledge even with written orders to not to jab them, but they ignore them and jab people anyway. It's sick.

One man died of cardiac arrest even under police escort because the ER staff refused to let him in for emergency cardiac treatment because we was not vaxxed. The LEO ordered them to let him in for treatment but they refused and kept him out of the hospital. That family has a mega-lawsuit coming for that hospital.

We are responsible for our own bodies now. We can only do it ourselves, never Big Pharma and never doctors or nurses, ever again.

He also said he had 2 Dr's appointments today as well and it would probably be Saturday before he finished the post. We will hear about it then.

Did I miss something again? I thought we were just using the gallows dance for executions. Due to negative conditions happening to our military guys on the firing line.

I believe. General Berger wants to lead in the field and not behind a desk when SHTF. That's my option.

Thanks for your updates: please hurry with the Nancy bitch's downfall. I'll be checking every hour to brighten my weekend.

Don't bother checking every hour. Check in around 3pm, eastern time. I should have it done by then. I have a lot of notes to sort through and put into a cohesive article.

Good idea! Butter pecan or rocky road? And throw in some macadamia nut cookies on the side with peanut butter. And you can top it with caramel sauce.

Are you planning an ER visit with that heart attack snack? My question: with good butter pecan ice cream, who needs all those extras? Enjoy.

Michael, please put all of her quotes in the article! I can't wait to find a "let's go Brandon" quote in there! How fun would it be to have that quote lead back to you & all of us when people start researching the origin of her quote!

Frens, don't hate on me for having a little more satisfaction on this one than you may feel. She was wicked. Just remember her face the night of President Trump's State of the Union Address when she stood back behind him & ripped up his transcript. That was treason directly in our faces. She stole, pillaged, lied, connived & colluded with many known criminals over the years. She's getting what she deserves. Adam Schiff next?

Schiff has already been hung....read some of the past articles and you will find it.

Actually...he was shot in the chest and collapsed to the ground, groaning and Adm. Crandall administered the coup de grace with a bullet to the head....with a vengence smile...

Remember at the SofU when she extended her hand to '45 after the speech ?? Her had contained a needle with poison.....she was attempting to assassinate him. He knew and did not shake her hand.

So did John Roberts, he HATES Trump, too. He trafficked his own adopted kids with Epstein by some reports just to get into a secret society to take Trump out. He needs to go to Chateau Gitmo, too! Obama was despicable for blackmailing Roberts, but what Roberts did to Trump is heinous!

John Roberts day will come too. So many of them are just waiting in the wings and don't even know it. God says of these enemies..."their day is coming"!! They can not and will not escape the wrath of Almighty God!! Praise his Holy Name.

Thank you for all of your hard work and letting us know what is going on. You are doing a great job and we appreciate all the articles. I personally intend to stand as strongly as always for DJT and the White Hats.

Really Michael...The marines participating in the operation don't know why Berger is stepping down, but the readers of this website are in on it? Ask yourself, does that even make sense?...

I see you are clueless... It also tells me that you never ran a business with 20 or more people under you...

All the branches are participating in the ops, not just the Marines! These Ops are happening all over the world, not just here!

THINK for a moment – you are in charge of the WHOLE military, not just here but abroad. You are planning ops with your councils as well as running trainings/NATO ops/ Land Sea & Air... half million troops & equipment/ships/supplies/etc... Sort out INTEL, double check & confirm, cross-reference, etc...

Have patients...

I hate to say this but, there is a lot of impatient patriots on this site  
Br Michael and you know that. Blessings,

Slow down on Nancy, don't rush, Sunday 2 pm EST works for me,  
just before pasta.

If having anything on Elijah Wood, do that first.

The Elijah Wood scandal is a shock considering the lengths his  
mother seemed to take in order keep him away from the Pedos in  
Hollyweird.

Somebody got to him. That's not his fault. but he passed on the  
abuse. He has to pay for that.

Take your time – your health first...

May God breath onto you his healing grace and keep you and your  
family safe and in his palm of his hand, in Jesus' name we pray.

AMEN!

I hope you're okay, Mike. Be very careful with any doctors or nurses.  
Don't want you get lose your DNA and worse.

Michael, I'm going out on a limb here to say this will be your most  
popular, most viewed, most commented article to date. Still think it's  
release might crash the internet.

Hope all is well with you & your dr appointments have promising  
outcomes.

I am sorry to see General Berger go. I wish the best to his  
replacement Gen. Smith. God bless both men. They both are proud  
and brave men.

He'NsOT retiring, just not the leader! He will still stay in an  
ADVISORY position!

If anyone thinks President Trump has lost it, think again. He's  
always said or done things off the wall so to speak for a reason and  
just like when He was in Office there has always been a changing of

the Gaurd who were there for a time and did what they needed to do and accomplished what needed to be accomplished. As far as Gen. Berger leaving, he was there for 2 years having to deal with all this deep state garbage seeing and knowing what he's seen and known? Even a man of his caliber has to give his heart and mind a rest from all of that evil and wickedness. Thank you Gen. Berger for your service!

Yes, I saw it on Simons Parkes site. I think he put up that superhero card thing out there for msm to grab, and jump all over that story!. And as they were laughing at him on their front page , he comes out shortly afterwards with that serious speech, and now msm and social platforms are looking for some Depends!

Thank you for your service and leadership, General Berger!

We welcome you, General Smith to continue the fight!

Berger regained some sanity, lowering his blood pressure, averting potential heart attack, also migraine headaches from banging his head against the wall.

We knew this would be happening some day have a good next step in your career and thank you for your leadership in these trying times. We look forward to meeting this general. Thank you for all you did for us you are a great leader. Have a wonderful Christmas and Thank you for all you have done for us.

I see this as an incredible win-win situation. To me, this news indicates that the whole war has shifted significantly and I think positively, and this necessitates not just another personality as front leader, but also Berger as “advisor” in the background.

Probably by now, people realize that the “Trump Card” was him playing the main stream media, and they all, all fell for it. Trump announced his REAL news AFTER the flashy card distraction. Pure

genius. And I have a feeling that Berger understands all this too. More Sun Tzu tactics.

YAYYY!

Donald J. Trump is extremely exhausting, yup he is. But he is the best man for that specific job.

We all learned with Melania's "I Don't Care" coat that the media is bent on shifting the narrative into a negative however they can when it comes to Trump and his family. Too bad the media was too stupid to understand that they got played and exposed through that coat and trip to our southern border.

(Pipe down! Don't you know that "they" read these articles, too?) No, this is Trump losing his marbles, and I don't blame Gen. Berger for bailing out one bit (nudge nudge, wink wink).

It sounds like there is a lot more going on than just DJT and his NFTs. General Berger is freeing himself for something else I believe. I like that he has chosen someone with impeccable credentials to step into his place. I pray this man will be strong and capable and is loyal to DJT and the White Hat mission. I think we should all step back a little and see what has been accomplished and realize nothing has stopped. These people are human and they have emotions. They are patriots and will finish this task. Do not give up on DJT and the White Hats. They need our support and not our criticism. What God has put into place, no man can stop it. I think now is the time we all need to have faith and pray like we never have before. We are transitioning into a new chapter and whatever it is, it must take place. I will not give up on them. Thank you Lord for these people who will stand and fight for all of us without regard for their own lives. We ask that you keep them strong and ready. In Jesus Holy Name we pray.

Basically, if you know about Bitcoin, NFT's are basically 'artistic, (one-off) bitcoins' sold to people for cash or some form of cryptocurrency.

The collapse of FTX and the disgrace and bankruptcy of its CEO Sam Bankman-Fried should make people think twice about investing in cryptocurrencies.

In a nutshell, it is all a big fat Ponzi scheme based on 'smoke and mirrors'. It works like this:

Long ago, gold and silver, 3-dimensional precious metals dug out of the ground at great expense, was used as a medium of exchange for people to buy and sell goods and services. This put the customer at risk because they could be robbed of (or lose) their gold/silver.

Enter the silver/goldsmiths who offered people the service of storing their silver/gold with them for safekeeping. In return, they got paper receipts. Somehow, people started exchanging the receipts for goods and services instead. The silver/goldsmiths noticed this and also noticed that only a small fraction of the people came by to present the receipts and get silver/gold in return. They had the 'bright idea' to issue MORE receipts than all the silver/gold they held for safekeeping.

This is where the Ponzi scheme of 'fractional reserve banking' got started. It was perfected over the centuries into the elaborate scam we have today worldwide. Mike Maloney explains the mechanics of this fraud in the first 25m16s of his excellent clip at YouTube video ID iFDe5kUUyTo (skip the rest—it is end credits and a 'buy gold' ad of sorts). The follow-along chart can be found with 'biggest scam in the history of mankind' on Google Images. It is the picture link on 'GoldSilver' and is currently as of this post (12-16-2022) the last image available on the first row of returned search results.

Bitcoin was thought up at the NSA and later declassified and posted on the internet by MIT dated 10-31-1996. Google 'mit nsa how to make a mint' to read it.

About 13 years later, in 2009, Bitcoin proper appears in the form of a 9-page paper available online from a one 'Satoshi Nakamoto', a pseudonym that roughly translates to 'Central Intelligence' in Japanese. Google 'bitcoin paper' to read the PDF file, it is currently the first link in the search results.

What is being done is that the 'moneyed elite' at the top of the socioeconomic food chain want to herd all the people beneath them away from precious metals as things of value to trade with/for and into, essentially, electronic, computer driven fiat currency that they control with their Central Bank Digital Currencies.

The foundation for Bitcoin and all other cryptocurrencies is the current fiat currency system that is used to pay for the computers and electricity that run the cryptocurrency platforms. The Plandemic (03-11-2020 - ) is used as an excuse to 'ban cash' for 'health reasons' and replace it with CBDC which is really a money based social credit score system like the one currently working in China and developed with the help of Google. Google 'theintercept project dragonfly china' for more info. This endgame is set forth by the head banker at the BIS in Switzerland in Bitchute video ID mLVkHURKZp3S

Truly a chilling techno-dystopia if this plan should come to full fruition.

You went all around the houses to explain....forget about crypto....it's not in our future. XRP & Trumps NFT (Non-Fungible Tokens) for his cards are registered on the block chain. For those that understand these Trump Cards and as the fiat \$ is now not acceptable anymore around the world....these cards have some possible growth value and could be exchanged sold etc. and could be a nice hedge if one is in a pinch when we have to knuckle under.

Non-Fungible Token – It's an item that can have value to certain people, and the value is sometimes exchanged through cryptocurrency transactions, from what I understand of it. Heard a guy speak about those a couple months' ago.

I told you that the Milliner is gone and soon to be replaced by a swimmer. You will see. Seems to be a changing of top seats in all spheres. If you look at Norfolk, most commands change frequently. White Hat and "Black Hat" both bringing in fresh blood. Berger fulfilled his duties and couldn't be a better Patriot. At some point, the Military might actually be Uniting. No more "Black Hat". Cabal Loses. God Wins.

Don't contradict Christine, she is a Nazi who will come up with all kinds of insults. BTW she herself is Polynesian.

Scary indeed that he said that. His information is even scantier than Berger's obviously. Only normies don't believe in clones. Omg.

Y'all are no fun.

**YES!!!! I WOULD PAY TO WATCH THAT BITCH DIE.**

I would pay to watch Hillary get hanged.

She ate children.

She killed innocent people.

She sacrificed kids in the backyard according to an email she sent to Lynn Forester de Rothschild, saying she was sacrificing a chicken. In paedospeak, "chicken" is "child." Lynn is no mere banker's wife, is a high Satanic priestess in the Rothschild family and supported both Hillary and NoName.

Hillary tortured and murdered girls on Epstein Island.

She trafficked girls with Huma Abedin to paedophilic politicians who have a taste for juvenile flesh for sex.

She plotted with John Podesta to kidnap and kill Barron Trump to force Trump out of the 2016 race, and paid him \$5,000,000.00 to do it, but he never backed down, **TRUMP FEARS NOBODY AND**

NOTHING. Melania never forgave Hillary for threatening to cut up her child into pieces because Trump was trying to save America. Hillary cut off the faces of two girls, one of them was on the Frazzledrip video. She tore out the girl's pineal and, ate one half and gave the other half to Huma. She terrorizes that girl and dances around the ritual fire naked with the girl's guts around her neck. (Never watched the Frazzledrip video, but I am going on what people have said they seen on it; would rather watch it for myself for confirmation)

Hillary and Huma tortured and murdered another girl with a power tool with chunks of her hair and scalp and skin in the toilet. The videographer documenting these murders was tossed off a 27-something story apartment building, and the wife exposed who he was in relation to the Clintons.

With the six-plus trips she made to Epstein Island off the flight logs, she committed human sacrifices in that temple for sure — last time I checked, she was a 7th-level Illuminati witch.

She caused 9 out of 12 NYPD detectives to die. I DO NOT BELIEVE FOR ONE SECOND THEY WERE SUICIDED. One of the dead officers' mothers clung onto Trump for dear life, wanting justice for her daughter's murder.

Huma, the Muslim Brotherhood adherent, was at NoName's funeral and greeted his BFF, Senator Graham with Kelly and Mattis watching them both. If he's not in as deep in this satanic filth as Hillary and Huma were, he should have walked away from her out of the cathedral. Nobody hugs and kisses child rapists and adrenochrome makers and killers like Huma and Hillary, not even to be civil in public. Unless he was truly afraid of Hillary like millions of North Koreans are afraid of the ruthless Kim Jong Un, and had no choice but to play nice. One act of disobedience and they get executed immediately. Satanic paedophiles like Hillary are beyond unforgiving of even small slights.

Hillary worked with the Bush boys to kill JFK Jnr. because he was going to open the case on JFK Snr's assassination in Dallas on fellow

paedo Poppy's part. Not to mention the other family members Bush 41 had killed and ruined.

Hillary may have even threatened John-John's sister, Caroline Schlossberg, mother of three, who was going after Hillary's old senate seat, too. She, too, wants justice for her dad and uncles. She never forgot what Mom Jackie told her, and now Tatiana, Rose and Jack know about Timberwolf, too.

She pushed for more abortions in defiance of Trump's calls for banning them and saving the born-alive abortion survivors, for worshipping Baal and producing adrenochrome for the WEF/Rothschilds/NWO/Vatican/Luciferians, that's the purpose for abortions in America.

Hillary killed at least 132 people since the Arkansas days.

Among them killed were Vince Foster and Seth Rich and Mary Caitriona Mahoney, a WH intern during the Clinton years who had testimony to tell before she was killed.

I honestly believe Killary Rotten was one of the most evil monsters who ever lived. There was no way this woman should have been allowed to live on this earth as long as she did. Everyone was afraid of her because she had no conscience and would go after anyone who crossed her. She killed those who helped her with her evil deeds so they couldn't speak. I believe God will give her an extra horrible place in hell because she deserves nothing less. For all eternity this evil thing will burn!! NP is evil but I don't think she or anyone else can hold a candle to Killary Rotten. Can you imagine there are millions of people in the USA who actually wanted that Demon from hell to slither back into our White House.

The same people who want Hillary back in the White House are the same people who want a paedophilic, incestmongering, NWO-loving, force-vaxxing, bribe-taking traitor who supports gay marriage, abortion, LGBTQ indoctrination of children, sex changes for minors and puberty blockers for children, and has a degenerate, paedophilic, incestmongering, no child support-paying, degenerate meth head

traitor for a son.

Nobody anywhere in the world in their right mind would support anybody like that for public office.

If the Rothschilds supported Hillary in 2008 and 2016 knowing how evil she was, imagine how much more evil the treasonous and child sex trafficking protector NoName was in Syria and Arizona if they supported him — before the White Hats had him and GHWB executed for what they did to America and the kids.

So sickening and unbelievable!! Only God can get us out of this Satanic mess our country is in. Lots of prayers....

Santa Clause is coming to town and you will get coal if you don't start behaving.

If one believes one iota that we are routinely presented with clones, body-doubles and CGI as the authentic article, why would seeing a hanging serve as confirmation that the hanging is authentic?

He was conveying that POTUS is too insulated to be replaced, not that replacements are impossible, in general.

I think Roseanne Barr would play an excellent Piglosi.

No, no hate in Roseanne to play Piglosi. You can see it in the commiecrat faces; they hate everyone including themselves. They are consumed by it.

Too freaking pretty. Get Sigourney Weaver, she would play Piglosi far better than Roseanne. Guaranteed.

That's not what Gen. Berger said; he said he doesn't believe that the Trump he corresponds with who is based in Mara Lago is not a clone or body-double.

This is all a game — It's BS to accept this crap...This, in my opinion did not have to be written here; like blaming Trump so that Gen Berger can get off the hot seat???? Fishy

He is still there presiding over these tribunals along with others. You will hear from him again.

Should we expect a lot to happen between now and January 1st? I just have that feeling that may be the case.

I heard a rumor that Pres Trump was supposed to come back by end of 2022. If so, that would explain his comment about his 'inauguration' (Jan 20th) in yesterday's message, considering the run for 2024 is not in full swing yet.

You may also add "Way to go" and "Outta sight." You realize we're dating ourselves.

Saw that Arnold went to Hollywood to become a star. He also met Miss Pork Rinds. However, he gave it all up so that a certain talking horse would be able to continue his career. What a guy.

We need to ban immorality in the USA like Russia just went and done.

That should put an end to the Liberal Hive minds promoting evil in our schools. It should furthermore put an abrupt end to Tranny's indoctrinating our children and sexualizing them before maturity. Ban porno and all that other crap while were at it.

We have to do what we're already doing- ridding the world of the entire parasitic cabal that gives strength and power to all the many tiny tentacles of evil that you speak of.

If you ever read this general Berger,thanks for your courage against the satanic forces from the pit of hell. You had the fortitude and courage few had....

The plan will still work. It's been in operation for 50 years with a many changes in operations.

Good luck to all. You will overcome.

Q+ puts it this way; Covfefe meaning in the end we will win. God is with us, promised to never leave not forsake us. God is enough.

Blessings,

Typing "cov fe'fe" into Google Translate will tell you it means "I will stand up" in Arabic

We love you, MB! Thank you for your faithful reporting. Eagerly await Pelosi news. God bless General Berger and the New leader, Smith!

Yes, a Christmas break. Why not? It's the most wonderful time of the year as we await the coming of The wonderful counselor Jesus.

Blessings,

Mary did you know that your baby boy would one day walk on water?  
Mary did you know that your baby boy would save our sons and daughters?

Did you know that your baby boy has come to make you new?

*This child that you delivered, will soon deliver you,*

Mary did you know that your baby boy would give sight to a blind man?

Mary did you know that your baby boy would calm the storm with his hand?

Did you know that your baby boy has walked where angels trod?

*When you kiss your little baby, you kiss the face of God*

The blind will see, the deaf will hear, the dead will live again  
The lame will leap, the dumb will speak, the praises of the Lamb

Mary did you know that your baby boy is Lord of all creation?

Mary did you know that your baby boy would one day rule the nations?

Did you know that your baby boy is heaven's perfect Lamb?  
That sleeping child you're holding is the great **I AM**.

The shepherd became the lamb that was led to the slaughter for our salvation and yes the song is perfect for the season. We should advent asking for God's presence instead of presents. Blessings,

We should let the cartels know that Pelosi spilled on them and then send her on vacation to Mexico.

They should give Pelosi the Bill Gates treatment, give her a short rope and let her flop around for about 5 to 10 minutes.

Too much flopping and her tits would give her a concussion, causing her to sleep through the tongue hanging to her belly button (which is probably sagging down to her cankles by now) part. Wouldn't want her to miss out on that.

Obviously the world in a disaster for us all because people keep choosing to look to the future for answers instead of dealing with the present in a mindful manner.

I support this move.

I never served in the USMC, but I was part of the 25th Marine Regiment in the year 2460, and our forces were leaded by Gen. Smith. He, Trump, and Supreme Commander David Berger had teleported into the future. They helped us win major fights against an invasive alien species called Brecktoids. They were so hideous some died just looking at them. We lost many men. Yes, Time Travel is Real, and the forces of good are moving back and forth through time to make sure the continuity of mankind (and the Jznlnghu) survive.

Zee you may not be able to comprehend but there are people/consciousness from future living between us. The perceived time continuity and inertia in nature is because nature automatically sends back information from future to past and some people in future have understood and mastered it.

General Berger isn't going to tell the people who are actually participating in the operation why he's stepping down, but the readers of Real Raw News know why...Yeah right.

He DID say why he was stepping down. He didn't appreciate being kept in the dark. Good reason to step down.

Too bad. Trump has proved himself and is a genius 5D+ chess player –Pity there's a lack of intuition to anticipate and understand Trump's game board a bit more. If I was Trump I would be the same—VERY CAREFUL NOW

We in the Lone Star wish you well General Berger, thank you for your selfless efforts, few men of this world could ever walk in your shoes. My white hat is off, to you.

Michael, you are the gift that keeps on giving to we patriots! God bless you, thank you and Merry Christmas!

The Hero playing cards are NOT what this is about— Trump is THE Commander in Chief...Period....What is the REAL reason Gen Berger is stepping down? Is Gen.Berger perhaps under stress for having lost quite a few good men that had traps set for them from the inside?

...

SG Anon likes RRN. He said a few days ago he thinks its 75% TRUE. But yesterday SG anon was on a show and was asked again about RRN and the question /statement put to him was about MB... saying MB really does not like TRUMP ?????

We have been warned very often about the fake Maga information.

Zee where is the list? You are getting too engrossed into MBVerse. Where are comments about 5D quantum chess?

He's not going to get any more information than General Berger did. May as well put blinders on him, eh?

This looks to me like yer basic corporate-style power play. I've never served in the military but I spent 35+ years in Corporate Amerika and have seen numerous shakeups like this – but with one VERY, VERY important difference.

In the civilian world, the guy who quits or gets fired does NOT get to choose his replacement. Apparently, Gen. Berger couldn't take any more of Trump's wishy-washy megalomania BS. But he HAD to, because he was appointed by Trump and therefore had to be subservient to Trump. Mr. Smith is / was NOT a direct Trump appointee and therefore is not beholden to him, at least not technically or to the same degree. (Although, the Insurrection Act is very unclear about these "chain of command" issues – so it boils down to a pissing match between teams of lawyers as to exactly WHO is in charge and when.....)

Anyway, it's my hope that General Smith uses his independence from civilian "authority" to teach Trump a lesson or two about a thing called "courage" – and working for the benefit of others, unselfishly – not being a loudmouth BS artist more worried about himself and his "reputation" than doing the right thing for America.

God be with you, General Smith.

"General Smith won't tolerate quacky tales about a Donald Trump clone or double sitting at Mar-a-Lago"

Hear that all you RRN clone-GGI-body double-theorists out there.

They don't need a clone or double. If in fact trump took one of the shots as he claimed, he can be controlled through remote signals from towers and satellites.

DJT took his OWS vaccine and NOT the clot shot. He knew full well that his "ows vaccine was not a cure" and came with risks, it was the only way the DS version from being mandated. He kept taking his

OWS vaccine optional. This is why he can honestly say that he saved millions of lives. He saved the American People from being legally force to get the death jab. Hope this helps. Blessings,

What Are You Talking About?

President Donald Trump STILL Encourages Americans to take the clot shot & boosters.

Because He Says:

” They Are Safe & Effective. ”

” The Vaccines HAVE SAVED LIVES! ”

” Because, HE HAD THEM ROLLED OUT QUICKLY IN NOVEMBER/2020! ”

HOW MANY PEOPLE HAVE BEEN MAIMED, DISABLED, AND MURDERED, FROM TRUMP’S FAMOUS COVID VACCINE ROLLOUT!?

If He Wants To Take Credit For Saving Lives!

He can just as well take credit for the suffering, and deaths of Americans, YOUNG BABIES, AND CHILDREN, From the Dutiful Vaccines!

Alien nanobots no only allow you to be controlled by the “Director (all intelligent AI)” using 26th dimension of the string theory but also gives you power of shapeshifting.

Yeh you’re right. It’s probably better to live in fantasy land than to face the facts of reality

Tady na RRN nemáte ŽÁDNOU důvěryhodnost, protože jste označený TROLL. A jsou méně než jakýkoli klon CGI, dobbleganger....

Otřese věcmi: Bez ohledu na to, zda jde o slib nebo slib, doufejme, že se jednou provždy zbaví všech krtků/zrádců zevnitř.

Pokud jde o případ NP, doufejme, že nás na základě závěrečného ujištění MB nezklame. požehnání,
