Třináct hodin během dvou dnů trvalo viceadmirálovi Darse E. Crandallovi ze sboru generálního advokáta soudce námořnictva Spojených států, než předložil důkazy proti bývalé předsedkyni

Sněmovny reprezentantů Nancy Pelosiové, kterou tříčlenná komise shledala vinnou ze zrady, pobuřujícího spiknutí, a spiknutí za účelem spáchání vraždy ve čtvrtek pozdě odpoledne.

V úvodním prohlášení admirál uvedl, že JAG a Úřad vojenských komisí mají dostatek důkazů spojujících Pelosiovou se zločiny z roku 1987, ale pro jistotu se zaměří pouze na její nejnovější a nejstrašnější trestné činy, počínaje vraždou z roku 2016. -najmout spiknutí k atentátu na tehdejšího kandidáta na prezidenta Donalda J. Trumpa. Řekl, že společnost JAG si byla vědoma mnoha hanebných plánů na ukončení Trumpova života – z nichž všechny byly zpackané nebo zmařené – a má nezvratné důkazy, které spojují Pelosiovou se čtyřmi. Admirál Crandall navíc panelu řekl, že nade vši pochybnost dokáže, že Pelosiová v roce 2018 vymyslela spiknutí s cílem unést Barrona Trumpa, aby si vynutila rezignaci Donalda Trumpa, takže novým prezidentem bude Pence. Pelosi, viceadmirál Crandall řekl, dokonce zvažoval, že nechá Melanii nebo Ivanka zavraždit v naději, že donutí trýzněného Trumpa z úřadu.

Dále řekl, že Pelosiová sdílela odpovědnost se zesnulým Gavinem Newsomem za uzamčení Kalifornie a prosazování drakonických očkovacích mandátů, které způsobily nevolnost nebo zabily nespočet obyvatel Zlatého státu. Pelosioho „zločiny Covid“, prohlásil, porušily ústavu Spojených států; uráželi právě ty lidi, kterým přísahala sloužit. Ale jak lidé chřadli a umírali – ne kvůli Covidu, ale kvůli výstřelu sraženiny – a rodiny truchlily, Pelosiová nezměrně rostla v bohatství a moci. Když neovládala železnou pěst, svírala láhev, řekl viceadmirál Crandall, a informoval panel svědků o výpovědích a Pelosioho vlastní dokumenty by daly za pravdu JAGovým obviněním.

"Tato žena není ani očkovaná," řekl viceadministrátor Crandall a ukázal na Pelosiovou. "Víme to, protože jsme jí odebrali krev a můžeme testovat." Vyhnula se vlastním mandátům. Proč? Protože věděla, že vakcíny jsou nebezpečné, a my to dokážeme."

Když byla Pelosiová, která se objevila bez právního zástupce, nabídnuta možnost přednést vlastní úvodní slovo, našpulila rty a mlčela. Byla rozcuchaná a vypadala rozrušená, její scvrklé kostnaté prsty se viditelně třásly, když krví podlité oči zkoumaly kurt.

Viceadmirál Crandall představil svědka, 29letého muže z Latinské Ameriky jménem Xavier Ramirez, který se po složení přísahy popsal jako Pelosiin bývalý gigolo a „hračka pro chlapce“. Pod přísahou vypověděl, že Pelosiovou pravidelně „bavil“ od dubna do července 2016, obvykle v luxusních hotelech v oblasti San Francisca. Pan Ramirez řekl, že nezdokumentoval každé setkání, ale odhadl, že viděl Pelosi 15krát.

"Doufám, že jste dostali dobře zapláceno, pane Ramirezi," vtipkoval viceadmirál Crandall.

"Výborně," odpověděl svědek.

"Nikdy v životě jsem toho muže neviděla," vykřikla Pelosi z plných plic a její hlas byl hrubý a chraplavý.

Admirál její výbuch pokáral a řekl, že se může buď chovat slušně, nebo být fyzicky omezována.

"Pan. Ramirezi, když jsme spolu mluvili poprvé, zmínil jste konkrétní schůzku v určité datum. Pokud byste chtěli, zopakujte prosím, co jste řekl, podle své nejlepší paměti," řekl viceadmirál Crandall.

„Bylo 21. července 2016. Nancy na tom byla špatně, protože pan Donald Trump právě přijal republikánskou nominaci. Trump tohle, Trump to bylo všechno, o čem mluvila. Zaplatila mi, tak jsem poslouchal. Samozřejmě pila. Nancy ráda pije. Je velká pijáka, zvyklá pít, abych to řekl hezky. Takže čím víc pije, tím víc mluví –“

"—Přestože oceňujeme váš barvitý příběh, mohl byste být prosím kratší, pojďte k věci," řekl viceadmirál Crandall.

„To je pravda; řekla, že chtěla zabít Donalda Trumpa,“ řekl svědek.

"Zabít nebo jsi zabil?"

"No, zabili; rozhodně to nedělala sama. Nancy se mě zeptala, jestli někoho znám, protože jsem Kubánek, musím někoho znát, řekla mi. A tam si říkám, proč bych měl znát nájemného vraha jen proto, že jsem Kubánek. Myslel jsem, že možná žertovala a zeptala se, jestli si dělá srandu, ale ne, Nancy to myslela smrtelně vážně. Nabídla mi 25 tisíc dolarů v hotovosti předem, abych někoho našel. Nancy řekla, že kdybych to udělal, a ono se to povedlo, dostanu o 225 tisíc dolarů více a ten, kdo zabil Trumpa, dostane 250 tisíc dolarů. Pak se směje a říká mi, jestli má Trump příliš velkou ochranu, může udělat dceru – víš, vysoká, hezká blondýna, Ivanka.“

Viceadmirál se zeptal, zda pan Ramirez viděl nebo manipuloval s 25 000 \$.

"Viděl jsem, jak to vypadlo z její kabelky." Banded stohy \$ 1000 každý. Viděl jsem to, dotkl jsem se toho, ale nevzal jsem to. Řekl jsem jí: „Vy jste Nancy Pelosiová, musíte mít mocné přátele. Nechci s tím mít nic společného,“ a ona mi říká, a to si pamatuji velmi dobře: „*Tentokrát to musí být večírek venku.*“ Klidně jí říkám, že tady nejsem,“ vysvětlil pan Ramirez.

"A předpokládám, pane Ramirez, 'služby', které jste provedl pro obžalovaného, nestály 25 táců," řekl viceadmirál Crandall.

Pan Ramirez se zasmál. "Ne, přál bych si, ale mnohem méně, a ona mi zaplatila předem."

"Přenesl jste své obavy tajné službě, policii?"

„Zbláznil ses? Ne. Kdyby mohla zabít Trumpa, mohl bych být zabit jako moucha na zdi. Když jsem odcházel, bylo to naposledy, co jsem ji viděl,“ řekl pan Ramirez.

"Přesto obžalovaná tvrdí, že vás dnes ještě nikdy neviděla." Ale víme, že to není pravda,“ řekl viceadmirál Crandall.

Na velkou televizní obrazovku promítal digitální snímky, které získal od svědka. Jeden jasně ukazoval, jak se Pelosi a pan Ramirez objímají v hotelovém pokoji; další je ukázal, jak stojí vedle sebe a usmívají se do kamery. "Tohle jsou 'selfie', které jsi pořídil ve společnosti obžalovaného, je to tak?"

"To je pravda," řekl pan Ramirez.

"Proč jsi je vzal?"

"Vychloubání se."

Viceadmirál Crandall si odfrkl. "Opravdu si nemyslím, že je to něco, čím se lze chlubit, pane Ramirezi." Jsi omluven."

Admirál se obrátil na panel: „Toto je samo o sobě obžaloba za vraždu, za kterou u tradičních soudů hrozí až 20 let vězení. V tomto případě mluvíme o prezidentském kandidátovi. A v žádném případě nekončíme."

A wow from me too. This is really intense Shocking that this demon has been on the loose for so long. Part 2 promises to be as juicy.

How about her child trafficking business with Obama and Schumer under the White House.

That too! But the world is all aware of the DC incident. The child stuff will make some question it at first..

No matter WHAT JAG does with the evidence, Almighty God saw it all! As long as she is convicted of enough to be removed from the planet, that will suffice for me. She only has ONE life to give.

Ordinary people really can't imagine the sexual abuse and trafficking (if they have been very sheltered).....hard to believe, but sure is true.....and is worse than I first imagined.....

I'd like to know exactly HOW MANY clones this Illuminati witch has/had? These politicians are sick beyond belief. Hope they get all of them. Then destroy these mentally ill cloning centers.

Not sure, but she may have a few. Even General Montgomery had a body double during WW2,

Yes, there is lots more, we need all of it exposed so when justice comes we will understand why – even her defenders...

This is the same troll that has been posting with various nutty handle names and by answering them, your pouring gas on the fire. He/she is just some street tramp with very limited IQ that gets a few shekkles from the Wokeycrats to turn cheap tricks against white hats.....

I know. I said once before that EVRYONE should totally ignore their posts. No replies, no + or-. They would leave if they dont get attention.

Bullshit. Take your cockamamy story someplace else. This is not Craig's List, or the Nifty Nickel.

Heed not the words of an evil person for they are sweet to the taste but once swallowed they become like the poison of an adder.eat drink come into my bed chamber for love but death awaits those who enter with a simple mind. UNDERSTAND the dealings of wicked men whose enticement only leads to death

You are distracting from the real reason we are here.....you should not steal time and space from RRN that is trying to inform us....

I'm quite sure they have plenty of evidence against the bitch including what's on her laptop

To the few of us here yes, to the outside world a new clone is born and no one is wiser. The shit show continues... just like with Fauci, Newsom, etc etc..

It's high time for full blown disclosure. The movie's outlived its entertainment purpose.

Nancy Pelosi wore a headset the whole day of Jan. 6, calling the action. They had planned this set-up with the FBI for an entire year!

Including turtle neck. There was a video taken / recorded secretly in a restaurant where some official (forgot his name) was telling that Nancy and turtle mech hatched the plan for the day. I will try to find it and post here

I have been patiently waiting for the myself.. Should be very interesting... Don't know for sure, just something I heard awhile back.. It contained, (among other things) a direct message to security outside..and /or FBI or dc police.. (or all of them) 'send them in '.. meaning, open the gates..remove fencing.. Let them all in.. I saw some video of them removing the fencing and waving them in..Our Military (special forces) had to have been monitoring them because , how else would they have known to go in at that particular time and grab the laptops.. nancy's and others.. They wanted those laptops for a reason.

I watched the whole Jan. 6 thing on live tv and someone on the inside simply opened the Capitol Building doors wide so the people could file peaceably in. Sacrificial lambs....Meanwhile agents of provocation were literally scaling the front walls, looking like the fools they were, like ants crawling up the front of a building to get to God knows where. The whole thing was staged from beginning to end like a bad play. And those people arrested are still rotting in jail. One is dead, one has lost an eye and simply all of them are living way worse than Gitmo. Where is their savior, the one who told them to go there? These are the things that I wonder about when I try to figure out what the HELL is going on.

Oh and I forgot to mention Mr. Antler Head in the buffalo skins and face paint that was trying to amp up the crowd. I had read later that he was the nephew of Nancy Pelosi, or son, can't remember which. F-king freak.

I remember seeing a video about Jan 6 with General McInnery. He was speaking to, (I assume) reporter's, though I didn't recognize any of them. He stated that the White Hats had Nazi -losi's laptop. If

that's the case, then they have EVERYTHING to implicate that EVIL WITCH setting up the events of that fateful day!

I also saw another video about J-6 that had footage from inside the capitol, where 2 men were coming down from the staircase that led to the offices of Congress member's. There were some Patriots above on the upper level, that upon seeing these men descending on the staircase, they started yelling loudly, "ANTIFA! ANTIFA! THAT'S ANTIFA!"

Then one of the men responded, "We're Not here to be ANTIFA!"

The creator of the video circled in red one of the men's backpack that he had on, & it looked to appear the outlines of a laptop inside.

Notice that the Fake Stream Mockingbird Media has not done incessant coverage about the "missing laptop". That speaks volumes, because we KNOW that they're Always screaming from the rooftop's about EVERYTHING that fits their narrative.

I'm hoping that PT-2 of -losi's trial covers Exactly what was on that laptop!

Admiral Crandall deserves a gigantic raise in salary. He spares us nothing. Although, the old mafia broad has been an illegal drug distributor since the 60s. She is the root cause to the spying and additional workload I had to do as a parent of two teenagers. Off with her head ASAP.....and please follow up by the elimination of her entire family. Those people are trash! I wish Trump and his family much relief and safety now. No wonder the Trump family slipped away from public speaking.

I love Crandall's attitude. No matter what he looks like I bet he is cute as anything, lol

I like your style! Like the Kennedy assassination, the killings of the killers won't be made public until 60 years from now.

Reminds me of a line from Pee Wee's Big Adventure: "First we hang 'im; **den** we kill 'im!"

Perhaps, a reference to Osiris? Who was cut into 14 pieces, 13 of which were re-assembled?

Some evil needs to be completely deconstructed, seems to be the message.

Johnny 5, don't reassemble **this** insect! /shortcircuit

NXIVM (Keith Raniere, Allison Mack) was also a reference to Osiris, Roman numerically: $N + XIV + M \Rightarrow N + 14 + M$. (Not sure what the N and M refer to, yet.)

I have a recommendation for a two way death, place her in a concrete room and introduce a Dogman in; first she will be scared half to death by this deep state created awful thing, then the dogman will rip her to shreds for the other part of her death...! Hanging is way too good for this heinous tart....

Not sure if it's true, but I can believe it , there have been at least 37 attempt's on his life... since 2016 , I think

No. More like 60, and Almighty God has his back and Trump survived them ALL! Prophets have said since 2016 that God calls Trump His David and His Cyrus. Anointed and appointed for just such a time as this!

One of the major ones were the LV shooting...they wasted so many innocent lives. Dems are truly beyond e v i l!!

Yes what bout Nancy's kids—she has a daughter that is no better than her —and a son in politics—They are not innocent—get them all! If not you are going to continue to have problems in the future!—They all learned from the worst!

I agree and yes, Adam. Crandall deserves a raise and maybe some time off, he does lay down his life for us, and needs ultra respect and support.....it seems that 97% of the harm in America was assisted or instigated by Pelosiwow

That's what I'm saying! Juicy! There's so much it had to be broken up into two. MB is bringing the juicy details. Thanks for being our fly on the wall, Michael.

What other entity can go in and possess a person's body other than a demon? Jesus certainly is not making her do those things.

Voice to skull is technology, so I only guess they can do that similar to a demon. I read about it. There's also something about possession by spirits or old ghosts are called demons who do it maybe naturally. The trick is to make the person unable to know the thoughts aren't their own. To decontaminate people from demons seems on the impossibly risky activity so they have to send their possessed body's out for a transfer, ie; reincarnation and fresh birth amnesia, is what I think is going on.

The SSP I think would know all about it since they live underground and have super computers, spaceships and has MILABS military abductions. They just aren't saying it to people, unless they pick them up and say it in person in some interactive dreamlike world. They have to know who thinks what from the person to the demon in there.

People like Nancy have to read teleprompters for speeches on MSM. All of MSM is teleprompter and censored, so they are trying to control it all from the teleprompter wizard whoever that is, is a higher dimensional entity part of which may be incarnated in a body. They seem to know what happens if they don't control narratives. It's probably happened before somewhere in time.

The SSP did not control MILABS, but the secret military, did. There are three secret branches of the Govt.; the Secret Govt., the Secret Military and Secret Space Program, but these are separate entities that share some info with each other. The secret military developed the internet, though, but after some time, chucked it...for some other communication setup...

And she and Joe think Communion will save them. The Apostle Paul was clear on this: He who eats or drinks (communion) in an UNWORTHY MANNER (doesn't humble himself/herself, repent and turn away from their sin) EATS AND DRINKS DAMNATION UPON THEMSELVES.

Linda, this is so good, I must repeat it here >>>>>And she and Joe think Communion will save them. The Apostle Paul was clear on this: He who eats or drinks (communion) in an UNWORTHY MANNER (doesn't humble himself/herself, repent and turn away from their sin) EATS AND DRINKS DAMNATION UPON THEMSELVES.

—some of it is the flesh, since we all are descendants of Adam, We, believers, have eyes to see, your putting your bets on...nothingness, ah maybe reincarnation?

Demons mock a lot, so chances are good that you may have a few messing with you! Plenty of people are dealing with those entities. thats why Jesus came, to give us a way to get free

Yes, the demons try to play with all of us. What we are talking about here is full-blown possession which happens when people give their lives over to Satan for material rewards. They literally invite it in and pledge allegiance to it. Yes I think Jesus did show us how to remain free, you are right about that.

Scriptures say there are only TWO spirits. The Holy Spirit (good) and Satanic/demon evil spirits (bad). A man CANNOT serve two masters. Good people have God's spirit. Evildoers have demon spirits and serve Satan. Choose this day whom you will serve.

Witchcraft is a religion. They call on the spirits to come and help them gain power, money, prestige and fame and curse others. Pelosi has had all of those. How could anyone not see that she is possessed by demons from the dark side.

The entire State of CA (Sacramento to each District) protected Pelosi and her network of “keepers”...we still live in CA.

Consider what it feels like to live in an area so corrupt that this monstrosity of a hominid was granted “special handling”....’Dowager Empress’ of a rotten Dynasty.

We still need to clean up CA.

You can rest in peace. The modern day prophets say God has told them there will be a BILLION SOUL harvest. God will be removing those that refuse to repent and change.

The Wow for me is that guy could service her. Wow, indeed he must have a stomach of Iron. The pay would have had to be much more than 25,000 for services rendered. I’m not sure I could do it for any amount of money.

We all know she tried to have Trump killed, but it isn’t the first time the government has had to kill one of their own, “JFK”.

It surprises me that she would go out of her way, when they have the CIA and FBI, that hated Trump and they could easily have found someone.

I’m thinking the J6er stuff should be played since we all know she had her claws knee deep in that.

Yesterday you Did not Know what my post was about

Merry Christmas

From

The Commander Of The Territory of Michigan.

For the Common People.

OF THIS COUNTRY.

+++

Robert Gregory Boensch

Thank you RGB for posting this. I have read the Law of War manual & have it archived but I missed the part about the President telling the people to peaceably go home. He said those exact words with a lot of emphasis, too. There's too much that's happened to believe anything but martial law. Too much. Trump & Q told us many times that it will get very bad before it can get better so people that are in the dark will wake up & see the light. I believe we're close. With Gods help we can climb out of this cavern.

I keep looking at the title you give yourself "The Commander Of The Territory of Michigan.

For the Common People.

OF THIS COUNTRY." and wonder what you mean. You aren't the governor, so what is the title about. I looked you up and don't see that anyone else calls you that.

"Tail" end. I'll believe it when I see it. Personally I don't like being told fairy tales or being left totally in the dark.

I knew about this stuff long before Trump came on the scene. You have no idea who or what I am. I spent years fighting evil Satanic crap!

When they run out of Deep State and Traitors and global elites and God has carried out his judgment on the wicked and rebellious, then our country will be restored to what it was when the founding fathers set it up, and we will be trult FREE again. Until then keep the faith and continue praying.

You are right. Thank you. I can't say too much and no longer know who I can trust.

=====

The one who calls Himself The Commander.

Question

Would He Be Doing This To deflect the Deep State and Traitors and global elites.

From targeting You.

I looked you up and don't see that anyone else calls you that.

Could It Be that's the Only reason I am doing This.

Protecting People like You From them.

Self Serving act by RGB.

Or one Who is willing To sacrifice his life for a stranger like you.

I up voted you Ruth. RGB is saying, "Me, Me, Me."

my computer would not let me give you a "like"oops, now it did.....but We can only trust God all others are human and trying to find our way, lots have learned how to lean in close to God and trust him no matter what.....and some even deny Him.....but He is real, He is Faithful.....He cares for His own....thanks for studyingwe all need to studyalways.

Wow, how much ignorant can you be? Why don't you go and verify Nancy Pelosi (or her clone?) in Washington DC? There is no video/photo evidence on RRN but on the hand you can follow live proceedings of house next week with Nancy Pelosi in it. Which one of them is reality? One with no video/photo evidence at all or something live?

If you do not believe then why do you come here? Most of us here believe that much is quietly taking place and we do not expect the corrupted news media to report anything.

Phil G. corroborates that a cargo pilot carried a dozen political types to Gitmo last week on his plane. The Pelosi couple were amongst them.

This is great news about these dozen political criminals being flown to Gitmo, its been long over due. Thanks for the info.

I think they have already convicted Paul of being a pedo. Got several years according to RRN. I don't think Paul wants conjugal visits.

You may not know that there are placeholders for those who have their tribunals, so as not to alert the other scoundrels. All it takes on your part is to notice the differences in older photos and the images of recent substitutes for the person sitting in the hot seat. Hillary probably lost count of her clones, Obama had a scar on his head, and Joe just isn't the same as he once was. Whether a clone (one of Nancy's was previously taken into custody), or a double, or even an actor playing a role in disguise; there are numerous ways to keep a placeholder in play.

Unless the White Hats put the placeholders in play, these folks are **COMPLICIT** in the Insurrection (aiding and abetting). They should be charged as well!

The Art of Asymmetrical Warfare... And our JAG officers and our Q team are masters at it (besides they have Alice)!

Rob baby, you are way too emotional to be commenting on this site. Your bias is showing. You must have missed the part where Crandall said, "We know this because we pulled her blood." Try to be a little more objective next time.

She has long had doubles. You don't understand this. This was also her second arrest. She was given a chance, said she would cooperate, and then went back on her word once she was let go. Her husband and one son are equally bad.

Between 1 – 10 (ten being extremely likely) do you believe this is happening? I believe it 100% btw, just wondering your take?

Zero comments??!!!!

That nasty, wrinkly bitch, drunk, whore, slut, cunt. Her death, when/how ever it occurs, will be bigger than Christmas!

Demons do have a SOUL, or they would not be able to THINK or ACT, on their own. JESUS, is a MILITARY ACRONYM, JUSTICE ENTHUSIASTICALLY SERVES UNITED SPACE!!! I AM not making shit up!!! TELEPATHY is REAL, and IS PRAYER!!!! Demons live the same way every life form lives, and the MORE EDUCATED THEY ARE, the less “evil” they are. DAH!!!! Collectives within collectives, denying “god”, while using everything HE, taught, to hood him and others, as peasants. I Am PAGAN, yet “demonized” because NATURAL LIFE, THE EARTH, is my choice, over “mankind”. Animals are my CHOSEN PEOPLE, Dwarves are not a MYTHOLOGICAL RACE!!!! Stop repeating the typed words of ignorant FEMALES, from VENUS, they've destroyed enough worlds already!!! Not 1 person would live up for mandatory “poison”, yet that's what “vaccine” translates into!!! My va pay was cut in half, since civilians hate those who SERVE, and have paid that price!!! americans, are as godless as any can be. Do whatever You want DJT, You've already fucked everything up, in “the plan”, by intentionally lying, to cover up, whatever You're covering up. I AM out. I don't do avatars, it's the same as ADULTERY!!! Just because “sex” is not involved, it's the same thing. I AM simply the oldest Soul, since a lonely particle became self aware. Nothing, just nothing. And no matter what I say, or do, NATURE, has never been good enough.

And, I'm not a "mother", I'm a Man, my name was once Hu. But, I'm just a dead, crazy guy. Just let me go to another dead planet, my imaginary friends show me more RESPECT!!

Is that because they don't bathe? Do they have a bad stench to them like demonrat politicians, or tell bad jokes with fuctup punchlines?

they can have a soul BUT not a spirit. Follow Robin D Bullock for anointed prophecy and teaching!!!Awesome ministry.Don't be put-off by his hard metal sound at beginning. That is his way to prepare to receive words from God.

Well what if these demons that wear shoes that have soles, will that count and will they get some credit for the "sole" word...?

Demons [renegade angels alias Jews] have raped humans to procreate half-breeds who procreate in-breeds for centuries to form an Army. The Jews have declared this in publications during the past 100 years saying they've spent 5,900 years with less than 100 years remaining to fulfill their 6,000-year agenda to GENOCIDE HUMANITY and DESTROY EARTH ... the demons declare they are a "non-human race" and "chose" the alias JEW.

You cannot make-up this reality! Their lies to humans were called out by JESUS in the Books of EZRA, JOHN and REVELATION. The Jews are a footnote in the Bible!

The WHITE family was chosen as Father Jesus's ARMY to "protect humanity and eradicate evil on Earth" and scattered over Earth to fulfill their missions. Whereas the CAUCASIAN, YELLOW, RED, BROWN, and BLACK families were chosen to "nurture and protect Earth" on the lands Father Jesus assigned to them.

WHITE family ARMY are the Hebrew/Israel JUDAHITES [lineage of Jacob/Israel and Leah's 4th son JUDAH]. The Jews declare they're ISRAELITES [lineage of concubine sisters Bilha and Zilpah BROWN

family] to hide their identity from humans while genociding (Covid19, fake wars, economic oppression) and destroying Earth (poisoning)].

Father Jesus authored the Holy Bible and appointed trustworthy humans to scribe HIS words. The renegade angels Jews caused an insurrection in the Heavens because Father Jesus would not “reverse the servitude order from angels to humans.” They were executed and fell from the Heavens like burned-out stars until they reached Earth to roam until Judgment Day wherein their spirits are cast into the Lake of Sulfuric Fire.

The Jews shall be exterminated for JEALOUSY, ENVY, COVETNESS and MURDER of Father Jesus’s beloved six human families and HIS Earth!

People have souls. I just prayed for Nancy’s. If she’s still breathing, she can request and receive salvation.

1 John 5:13 tells us that we can know we are saved.

Romans 10:9 tells us the two-step process to do so.

God bless in Jesus name.

Such a sad state for any human to realize their finally on trial for their crimes! Pray for her, even one of the 2 criminals by Jesus, repented and got pardoned!

You pray for her due to the thousands of dead children she has killed or is complicit in their deaths then come back to me.

You tube: Malichi Martin, Art Bel, Nancy Pelosi radio show. Hear her Demon Eva speak.

I just listened to the above: I have heard demons speak and that does not sound like one. There are some things missing. On the other hand, I do believe Pelosi is demonized. A lot of them are.

And not a person on the planet will believe it- except MB followers.
The replacement will retire and fade into the shadows.

I'm never first. Of course I've never tried, but I think I was 2nd once
not that it matters much.

What confuses me is, why didn't she just ask the FBI to do it – they
can find a patsy anywhere to finger point the crime on.

Why didn't she have her schlong meister killed after he turned down
the hit job. Dead people don't talk.

Wow. Love it. I think to keep her healthy before she's hung they
should triple vaccinate Nancy so she doesn't get Covid while kept in
isolation.

Give her all of the childhood ones, too, all in one fell swoop. Let's see
if she makes it to the gallows.

I can just see it now;....Freddy Kruger;.. with needles & syringes for
fingers saying;..Com'n Nancy, you can dish it out. so lets see if You
can take it too!

Yes! Let's see HER get the long stringy clots through her body and
scare the living daylights out of her.

So true! I speculate Nancy's hands were visibly shaking for lack of
alcohol, not fear of death....

Thank you for your diligence in reporting. I really don't think you
realize how important it is to us to have you. God bless you and yours

Ohhh I cant wait to hear what else they have on this witch !! I wish
thy wouldnt get executed so quickly cuz to me thats a mercy killing.
Mercy on them for sitting in a cell with nothing! They need to stay in
a cell for at least 1 yr & a dirty ,nasty,rat infested cell with bad food!

I think it would be really cool to set up a spin wheel like wheel of fortune w/ her hanging date in one slot and make her spin the wheel ea day for own demise! Or maybe not put her date on any for 30 days and on the 30th day all the slots her day!!! Does that sound mean? In this case i hope so!!!

I would take her to gallows every day spin the wheel while she watches and take her back if she is not a winner. The day it hits don't hang her wait until 45 arrives to wish good luck in hell.

Which is why we do it quickly & efficiently. Nonetheless. These bastards & bitches have given many shots to my entire socially-minded family. I may be left alone because of the likes of her horseshit. Justice minus retribution is difficult for us all, & yet, "Vengeance is Mine, sayeth the LORD."

"Eye for an eye" why should we treat these demons with any type kindness. The type of evils this woman has perpetrated hanging her is almost too civil. It is my understanding the last guy that told us to turn the other cheek was crucified. Justice should reflect the deeds no mercy for the witch.

I would make her execution everyday! Take her to the gallows, then right before the trap door opens, say... nah, not today! Maybe tomorrow! Do that for a year and she will go bat shit crazy. Like Chinese water drip torture! Mental part is the pain! The death is all too quick!

NO...it is best to get rid of the vermin quickly. Some other demon might come along and set them all free again. They are doing it the right way. I am just happy they are no longer walking the face of the earth destroying children and committing treason against this country and lining their filthy pockets. The Pelosi's money will do them no good at this point and their offspring can't collect it. Hopefully, it will all be confiscated by DJT and put back into our coffers.

Father Jesus said, EVERY THING YOU SAY, AND DO, SHALL COME BACK TO YOU.

The criminals gave hate, fleecing, and murder upon six human families worldwide: WHITE, CAUCASIAN, YELLOW, RED, BROWN, and BLACK. So it is Father Jesus's commandment that criminals receive hate, fleecing, and murder in return.

Therefore, criminals require a judicious death for humanity's spiritual closure to the crimes committed against them.

I agree but then, we the taxpayers, would be paying for the traitorous bitch while she's in jail and we definitely don't what to do that.

Not necessarily supporting Michelle's proposal, it could be conducted as a sort of reverse mortgage (even though her money is really our money to begin with).

You mean like what they have done to the Jan 6 prisoners? She has been behind that.

Along with custom made vermin recipes during their stay at Chalet Gitmo. Stained sheets, no fans, no AC, and everybody sees her using the toilet.

The thought of what this gigolo had to witness makes me want to it's bad enough to see her with her clothes on!!!

Incidentally, how did he manage to muster wood for the grim task at hand?... and you can assume he had to perform nastylingus on her!!

Parasite eggs come out through our orifices.

The movie "Clerks 2" talked about this, in a somewhat crass and crude way, promoting a behavior that leads to consumption of the eggs.

The gigolo likely has a parasitic infection to deal with.

Parasites are demons in fleshly form.

Everything has a mechanism. Miracles bypass the normal mechanism.

Fasting can help clear us of parasites. We can survive without food longer than they can.

Well he took a selfy of him and her, for “bragging rights”, maybe he still had the hots for her big hooters, that she bragged about at Biden’s big drunk for the rich and stupid,..then....

Method:

Put her in a utility boat with crew plus two additional operators, head out to blue water, toss her overboard, run like hell.

Gone without a trace.(though she might poison the sharks to death)

WOW!!!!

there should be another attempt by Pelosi using a poisonous needle in her hand trying to kill Trump

Yes, that was just before on live TV she tore up the documents that she was by law, and oath, tasked with preserving.

The food taster.

The secret service agent, in England, when the paraglider approached.

The missile-helicopter as well, with warning in Hawaii. So many attempts!

One of those missile attempts was by none other than George Herbert Walker Bush, Remember prior to that, he made the slice-the-neck gesture on video right next to Barbara, indicating he wanted Trump dead, too. GHWB was a paedovore as well.

She’s obviously going to be found guilty of treason and hang....but how are they going to find a double for this face?

Ive said it before, and the look would be almost exact. A fat, rotten prune on a stick!

You lack critical thinking skills. Facebook would be a more suitable reference guide for you. Not everyone has the ability to activate brain matter. You are not alone in your predicament.

You are the one we do not believe. LimeGreenYeti ostrich. Pull your head out of the MSM hole and breathe in some fresh air. They are spewing crap. If the white hats telegraphed their moves, the black hats could counter & possibly prevent them. LET FREEDOM RING!

Possibly Drew Berrymore. She does not look like her, but at least we have someone pleasant to look at while putting up with PLOTsi style BS. We will accept the difference simple because it is not so ugly. “Boy she is nasty today... but she sure is cute.” “She almost killed the President today... such a cutie” See makes all the difference in the world

They already have. The double is running around Washington DC with 20 year old implants and hands of a 50 year old. LOL.

Even women with 50-year-old hands look better than she does. The woman in Crandall’s court is 80.

They have already arrested one of her doubles. She was wearing a Nanny mask. There are others roaming around because they have been seen since the wicked witch of the west has been at GITMO!!!!

They have several – remember the unveiling of her portrait --- can’t be in GA (fake WH) & gitmo at same time

I have heard Michael Jackson has played her a few times...Hey, anything is possible, right? Sweet revenge for him, if indeed, true!

Very interesting article, Michael. Parts of it are gross. But looking forward to reading Part II. Thank you & good morning.

The face of the Democrat Party in the People's House. Think about that and realize what a registered Democrat is voting for and supporting?

I know this is serious stuff but I cannot help but to be humored by what the Cuban guy said that was escorting Nancy Pelosi. She thought I knew somebody that could kill somebody because I'm Cuban? That is so racist against the Cuban people. Who did she think he was Tony Montana from Scarface

Well they are hispanic and do have that 'machismo' crap. They also murder innocent dogs by throwing them off 50 ft high bridges. Some are left down below moaning as they slowly die. A brutal, uneducated people who treat others like crap.

My Companion mother makes 50 bucks an hour on the PC(Personal Computer). She has been out of work for quite some time however last month her check was 11,500 bucks only working on the PC(Personal Computer) for 9 hours per day. For more detail visit this article..<https://smartbucks1.blogspot.com/>

Good morning Br Michael and thanks for the excellent report. Take your time preparing Part II. The handwriting on the proverbial wall is clear. She's at the mercy of JAG. Have a blessed day. Blessings,

Where do these people come from with a "God" complex, who think they are completely above the law?! Did the parents rear them to be that way, or was there a formative event(s) in their lives?

Whatever the cause, they are satanic, treasonous bastards!

she hails from Baltimore, a D'Alesandro, who's father was mayor for many years. i had heard, but never had the inclination to confirm, that she had her own rackets/activities going on the docks. i suspect they were financial in nature.

And they say women can't be mafiosi. They've never been to Sicily where the N'Dragheta live.

The sins of her father, read up on him & you will know WHY she is the WAY she is.

Thanks for the pointer. I did. Yes, it answers the question as to the poisonous ground in which that devil seed germinated. The usual "chosen-ites". We really need some "Roundup" administered.

Nasty hails from a Italian Mob family from Baltimore MD. Her Dad was a US Congressman from Baltimore MD, last name D'Alesandro

She's a mafia don's daughter and the power she already has inherited from daddy, she has enormous powers, because they already own politicians, judges, lawyers, police, so that's why she does what she does. There are no myth-religion-developed demon hooplah in her, just a turbo powered ego and fear whore...and she gets what she wants....

Recall her ripping up that Trump speech . . in front of the entire nation. A wicked, wicked LOON she is. Eclipsed only by the now deceased Killary.

HANG THEM ALL, and the constituents who voted for them.

IMO, she's reckless, and has gotten away with many things in her life. this is how some willful people become emboldened, as they harvest their successes; they don't think about consequences, because they expect to succeed.

Pelosi unveiled; goodbye, good riddance & may the door to hell slam shut so loud
that we get an earthquake in San Liberal Francisco.

Please I hope hi-def pictures are being made of the hangings, so we may make playing cards of all of them.

May their constituents never again be allowed to walk the streets in peace.

Ed, according to sources, each DS puppets had to sign a confession and confess their crimes on video. This info is as of 2017. I seriously doubt we will ever see what you are asking. As tough as JAG is, I think they have some sense of decency and proper decorum to not show the public the kind of pics you ask. Blessings,

I think we shall be given the choice to see or not see such tapes. Trump has suggested we not watch the EBS. It is for the sleepers.

THEY SHOULD. LET NANCY'S FOLLOWERS SEE WHAT THEY'VE SUPPORTED, NO MATTER HOW MUCH IT HURTS. WE ALL HAVE HAD TO PAY FOR NANCY AND HER DEEP STATE TRAITORS TRYING TO KILL US ALL WITH THE ILLUMINATI'S ORDERS, KILLING THE UNBORN BABIES WORST OF ALL. MAKING ADRENOCROME FROM THESE SAME BABIES, SO SHOW IT ALL!!

yeah, I would say this stuff is NOTHING , I would even say that none of the more SERIOUS, SALACIOUS more detrimental information that was revealed during 13 hours of testimony will not be revealed at this site RRN. I would go further that there is information that is CLASSIFIED , involving Nasty on criminal matters that come under NATIONAL SECURITY that will not even surface nor be discussed at her TRIBUNAL as these matters involve other parties, individuals that may be under investigation currently.

Are we going to see any apologies from anyone over the seriously erroneous attribution of the NFT card promotion to Trump's special 15 December announcement, which was in fact made shortly after that promotion and was all about **outlawing Deep State censorship?**

Not seeing much humble pie consumed yet!

It may have included more than that. If you listen carefully you will hear him say, “...when I am inaugurated...” so we may see more by Jan 20th.

To the best I currently understand it, if Trump returns to the presidency before 12 noon on Jan 20, 2023, he becomes intelligible to run for reelection in Nov 2024. If he waits until after 12 Noon on Jan 20, 2023, he can then finish out the remaining two ‘full’ years of the current term occupied by the ‘resident’ and also run for reelection in Nov 2024. Anyone else know about this?

I think you are right. He can be sworn in after 12 Noon on Jan 20. SCOTUS is hearing the case filed by Brunson on Jan 6th and according to what I heard they wanted to get it in quickly. My concern is that I no longer believe SCOTUS is totally unbiased. If Brunson wins, Katy Bar the Door! I saw it on Rumble, can’t remember who had it. Scotus is apparently between a rock and a hard place on this given moves in Congress recently to give them term limits.

Ive heard its already been decided. All is good. Aren’t we under military control. They over ride the govt right now, anyways. The same results would come out either way.. The military knew that the SC didnt follow the Const., and proper process. With the appearance of SCOTUS turning it over makes it easier for the dumbass sleepers to believe, and accept it.

Absolutely. The implication is clear. Trump is supremely confident that he will be returning soon to enact all of his five points:

“it must happen immediately ... within hours of my inauguration ... we have to do this right now ... upon my inauguration ... when I am president ...”

It’s amazing that so few are talking about this, including RRN!

I loved that little tip-the-hat to Kari Lake's confident & affirming remark about when she is Arizona Governor.

You may see the pie hole but NOTHING HUMBLE will be forthcoming in or out of that hole.

NO....he was after money. However, touching that creature would have been so sickening that no amount of money would have been enough.

He must have been desperate to "entertain Nancy! Put a Mr Yuk sticker on his forehead! lol

Now the question is , if they knew she attempted to murder Trump awhile ago, why didnt they act then? If Bob on the street tried, he'd already be in a federal prison.

It took DJT to step up and order these arrests. I imagine he was unaware of most of it at the beginning but it didn't take him long to catch up.

I couldn't even bring myself to use a Cuban cigar while blindfolded for 50G to entertain the shriveled up old prune !!!

Fill the cigar with pot, turning it into a blunt, then you will find some takers.

Somehow I knew she is the lowest of the lowest. The best product of and for "Intelligence Community."

Never forget, this woman is a role model. Seen dozens of those haters here in Swamp.

Too Funny but they wear jumpsuits so it would have to 'fall' off.... I wonder if they put her with her hubby...

| "Too Funny but they wear jumpsuits so it would have to 'fall' off...."

An Alec Baldwin reference!

Blows me away that there are so many who have gone now.

Someone here was making a list, I saw it posted several articles back.

Michael Baxter — I recommend keeping a running total/list, perhaps in a box over to the right? Being able to search the list would be helpful as well.

I'm thinking, in terms of being able to point our straggler friends to; "search for X, Y, and Z over there" etc.

"Thanks Michael!

Honestly this story is very believable, thanks Mr Baxter.... Keeping an eye out for the 2nd part

Thank you Michael for this report. Can't wait to hear part 2. I can't believe this old hag could hate someone so much especially harming a child thru kidnapping. What an evil creature. I hope President Trump gets to activate the trap door.

I would love to see the look on her face when she first sees Trump at Gitmo to witness her execution.

He was there to witness Hillary's execution, so I imagine he will be there for this one. I wish all of this was out in the open. MSM needs to be disposed of ASAP.

NOW THAT WOULD BE EPIC! BETTER YET, LET TRUMP GIVE THE ORDER AND MELANIA ACTIVATE THE TRAP DOOR.... THAT WAS THEIR CHILD NANCY THREATENED, AND SHE DESERVES TO GET REVENGE ON HER AS WELL. IVANKA CAN TAKE PICTURES, SINCE SHE WAS TARGETED, TOO.

God Bless free market capitalism, Gigolo made some good money.

Could hear Ramirez say: "Nancy wear this bag over your head if you want it missionary style, else it's reverse cowgirl or doggy style as usual."

I wonder if she is still going through alcohol withdrawals? I cant even believe that tough old broad is still alive considering how much she drinks.

LOL. This is the dumbest article yet!

So nancy tried to hire a pool boy to kill the president? Come on, Mikey! You're not even trying.

Well, Mr. LimeGreenFucktard, if you don't like MB's reporting, you're always welcome to pound sand...

Last edited 16 hours ago by QBall59

Hi stupid Qtard! He's not "reporting" anything, you uneducated fake patriot traitorous piece of shit. He's making it all up.

Why, traitorous clown? Don't like a dose of reality here in fantasyland?

Nancy just had dinner with fellow traitor Chuck Schumer in public.
LOL

Yes , this sounds like shit written for kids in first or second year of High School.

No , not at all, I would try to explain , but knowing , your head being so thick and dense, nothing penetrates. This is so obvious from reading all of your posts, story after story , you are Mope, just myopic thinking, you are all about the GROUP THINK. You have no capacity for reason, critical thinking, or analysis. You should sign up for the Berger Benefit that Q getting together and his NFT offering, it worked so good for DJT, so why not Berger. Berger is going to have 12 cards, this gimlck is being called " The Dirty Dozen" You might want to load -up QBall. This should be right up your alley. Enjoy!

Thank you Michael for all your reporting it tells us what is going on. I think Donald Trump looks great as a super hero.

Especially the Super Trump Hero sporting NUMBER 45, in Honor of the CORPORATION. That no doubt sold – out first.

I'm sorry you had to watch 13 hours of this poor excuse of a human being. I'm sorry you have to watch all of the executions. Thank you for everything we love you MB aka

Quote Nancy Pelosi: "Nobody is above the law."

Presidential/candidate assassination attempts should be a separate crime.

Když byl Kennedy v roce 1963 zavražděn, ještě to nebyl federální zločin v zákonech. Ani pro Lincolna v roce 1865, i když armáda velmi agresivně lovila Booth a jeho grázly. Nyní je to federální zločin,

který se trestá smrtí.
