Speciální síly Spojených států v úterý našly a zničily to, co White Hats považovali za mýtus: klonovací zařízení Deep State ve vyhloubené vápencové jeskyni v Missouri Ozarks, řekly zdroje z kanceláře generála H. Bergera Real Raw News.

Generál, řekl, udělil ⁵Velitel skupiny speciálních sil plukovník Brent Lindeman poté, co obdržel tip od zpravodajského zdroje, který tvrdil, že má GPS souřadnice do kolosální klonovací laboratoře poblíž Stantonu v Missouri. Podle zdrojů to byl čtvrtý takový tip, o kterém generál Berger slyšel v roce 2022, přičemž všechny pocházely od nezávislých, nespřízněných osob, které pracují nebo pracovaly ve zpravodajské komunitě. Generál Berger odmítl dřívější tipy jako nesmysl, protože neobsahovaly souřadnice a protože většina zpravodajských agentů, ať už v důchodu, nebo ne, je spojena s Deep State. Cítil, že vyšetřování nepodložených tipů by bylo plýtváním lidské síly a zdrojů a možnou pastí. Generál navíc jen těžko věřil, že taková technologie existuje; když se tu a tam objevily zvěsti o klonech, považoval je za sci-fi,

Nejnovější tip, řekl náš zdroj, pocházel od muže, kterému generál kdysi věřil.

"V tuto chvíli generál Berger tomu příběhu stále nevěřil, ale myslel si, že tam venku může být něco, na co by se chtěl podívat." Bez souřadnic by řekl, zapomeň na to. V Ozarks je 7 000 jeskyní a on by určitě nepoužil naše omezené prostředky, aby je všechny prohledal. A pokud to byla past, chtěl chytit pasti," řekl náš zdroj.

V neděli večer generál Berger a plukovník Lindemen diskutovali o tom, zda vyslat do Missouri skromný průzkumný oddíl nebo početnou pátrací a ničitelskou jednotku, pro případ, že by vojáci našli v jeskyních něco nepřírodního. Po krátkém dohadování se rozhodli pro dvě 12členná oddělení Alpha, z nichž jedno zřídilo mobilní velitelské centrum, druhé mělo najít údajný cíl, spolu s vhodnou palebnou silou a demolicemi.

"Tipér se nezmínil, jestli je místo hlídané," řekl náš zdroj.

Mise zahájili v úterý brzy ráno. Dva UH-60 vybavené palivovými nádržemi s dlouhým dosahem a pilotované piloty 160. ^{leteckého} pluku pro speciální operace – Nightstalkers – přepravily speciální jednotky

z Fort Campbell v Kentucky do vzdáleného lomu jihozápadně od státního parku Miramiguo, který je domovem rozlehlé oblasti Missouri. labyrint vápencových jeskyní.

Když bylo velitelské stanoviště zřízeno a obsazeno, jeden oddíl vyrazil pěšky, procházel skalnatým terénem a příležitostně používal brýle pro noční vidění, aby rozšířil své vlastní pečlivě vybroušené noční vidění. Tiše manévrovali mezi skalnatými výběžky a zastavili se do 500 metrů od souřadnic GPS. Neviděli žádnou opozici ani vstup do jeskyně, jen vyvýšenou vápencovou římsu podepřenou skalními sloupy. Pod římsou však jeden operátor speciálních sil slyšel něco, co považoval za „bručení“ vycházející ze skalní stěny. Když se dotkl části zdi, jeho ruka jí projela, jako by tam nebyla, a to proto, že nebyla.

Holografická projekce skrývala otvor dostatečně velký, aby se do něj vešlo SUV. Zamčený a naložený oddíl prošel projekcí a zjistil, že stojí v tunelu, který klesal o 100' dolů k zemi. Tunel byl vyvrtán hladce, jako po laseru. Jeden operátor by to později nazval leštěným kamenem. Našli zdroj hologramu: čtvercové zařízení o velikosti a tvaru starého diaprojektoru Kodak visící u stropu s čočkou namířenou do jeskyně. Dírou, kterou někdo vyvrtal do stropu, vedl jediný drát.

Tunel ústil do mohutné jeskyně, která byla také hladce vyvrtána, ale podlaha byla kovová, která dokonale odpovídala rozměrům jeskyně, jako by někdo nalil roztavenou ocel. Za bankami operačních počítačových terminálů bylo 36 dozrávacích komor, 7' vysokých válcových trubic naplněných průsvitnou kapalinou. Suspendované v kapalině byly to, co lze popsat pouze jako klony významných osobností Deep State v různých fázích vývoje. Ke každé zkumavce byly připevněny nálepky se jménem subjektu, datem vzniku a datem zrání.

Dvanáct z 36 zkumavek obsahovalo klony. Byli nehybně zavěšeni a jak dýchali, když byli ponořeni v kapalině, není známo. Jedna byla kopií toho, jak Hillary Clintonová vypadala v polovině třicítky.

Dalším byl předpubertální Chuck Schumer. Třetí držel dvacetiletého Gavina Newsoma. A čtvrtý držel plně vyžralou repliku Josepha Bidena. Byla tam i guvernérka Michiganu Gretchen Whitmer a dva klony Dr. Anthonyho Fauciho.

Speciální jednotky zaznamenaly, že celá podlaha pod jejich nohama hučela a vibrovala. Protože neviděli žádný viditelný zdroj energie, předpokládali, že cokoliv pohánělo bezbožné zařízení, bylo podzemní a způsobovalo oscilaci podlahy.

Oddělení, řekl náš zdroj, na chvíli oněmělo, když se ocitlo v situaci, která přesahovala známou realitu. Kdokoli navrhl laboratoř, zvládl neřešitelný problém: jak urychlit cyklus přirozeného biologického růstu.

Velitel oddělení, kapitán, nařídil komunikačnímu seržantovi, aby vysílačkou vyslal na velitelské stanoviště muže s dostatkem výbušnin, aby se jeskyně zřítily. Nejprve vzal důkazy, včetně holografického projektoru a tří notebooků. Jednotka vybavila jeskyni C4, vytvarovala kusy tvárné munice na části stěny a stropu, stejně jako vnější kamenné pilíře, které podpíraly římsu nad vchodem do jeskyně.

Rozbili a vystřelili plexisklové válce a klony se sesunuly na podlahu, nyní obklopené loužemi viskózní kapaliny.

„Bereme Fauciho a Bidena, na víc už nemáme místo, zbytek nech. Získejte také vzorky kapaliny,“ řekl údajně velitel odřadu svým mužům.

Vyšli z jeskyně a ustoupili do bezpečné vzdálenosti, pak jeskyni na dálku vyhodili. Zhroutil se sama do sebe, vchod byl utěsněn gigantickými kusy rozbité skály. Oddíly rozebraly velitelské centrum, nastoupily do vrtulníků a zamířily zpět do Ft. Campbell právě ve chvíli, kdy nad obzorem vykouklo ranní slunce.

"Tento nález samozřejmě mění věci," řekl náš zdroj. "Teď už Deep State musí vědět, co se stalo." I když to odporné místo nebylo nepřetržitě obsazené, někdo klony kontroloval. Speciální jednotky viděly stopy v oblasti. Stále nevíme, co to místo napájelo, nebo jestli ten zdroj energie stále běží. Naší největší starostí je, kolik takových laboratoří má Deep State? Celé toto utrpení poslalo generála Bergera do smyčky. Sci-fi se stala vědeckou realitou.“

Due to persistent spammers and trolls who are clever at evading bans, we are left with no choice but to install a proxy/VPN blocker. I didn't want to do this because I know people, including myself, have legit reasons to use them. However, it's the only feasible solution to keep the spammers and trollers out. I understand this may cause an inconvenience for some, and for that I apologize. I'll probably have it added in the next few days.

I wish all of you a Merry Christmas, and thank you for your support. Despite the madness, I keep in my heart the immutable fact that God is good. If the Rapture happened today, I wouldn't be disappointed.

merry christmas to you too and happy new year..and it will be as soon as all these luntics are no more ...

Please don't ban me as a spammer or troll because I'm not. I just disagree with the sausage grinding speed these people are operating at while talking about trying to avoid a national effusion of blood. After all, what would you call fifty years of sanctioned murder invoked by SCOTUS in "so ordering" it? That's a sixty million murder victim effusion of blood- and you just know that's far from all the incalculable damage they've deliberately done. These people should've been neutralized decades ago. They chose to become subhuman. Now they have to leave the earth so we might yet survive.

Hopefully they will be able to distinguish the spammers ... and just because the trumpers calls some trolls don't mean they are.

The Light Forces reported taking out a huge deep state pit under DC in early December that was shaped in a spider like formation which roughly followed the subway system ... They have managed to clear the vast majority of the pit, including the cloning facilities for politicians, MILAB facilities under the Pentagon, the "Clinton morgue" and the "Hillary's shapeshifter chamber". Don't even ask me about that ... they didn't clarify ... the rabbit hole is extremely deep. I can't believe Berger didn't know about this. It's about time they stop this.

#1 Who or what are the Light Forces? #2 Do youu think Milley was aware of this? I understand shape-shifting. It's Demonic. Elizabeth II was a shape-shifter, Lizard per something Putin said many years ago. I think it relates to the Illuminati in some way. I first heard about this maybe 30 years ago, then read about it in an autobiography written by an M.D. I believe it can and does happen.

The Light Force is the Galactic Federation a group of the good ET's working to liberate the planet from evil ET's that have been in control of this planet for over 26,000 years. The bad ET's control the deep state. Milley may be aware since he is part of the deep state.

If you want more information do a search for Cobra The Portal ... then you will have to play catch up.

The light forces are the Galactic Federation that are helping taking down the black hats, or Nibirians from the planet Nibiru and they are not the lizards either. Nibirians or Anunnaki's are here on earth to mine resource metals that they need on their planet, which is mineral deficient, so they allied themselves with other nefarious bad guys and formed NATO and the deep state to setup and infiltrate countries with puppet state actors as leaders and then mine the minerals. The little people have been told that Nato is to protect them against godless commies and the 99%'ers ate that up with a ladel. Now it's time to rid these parasitic goons from earth, after 1800 years of wars and terror. Their is allot of spaceship sightings imbedded in clouds and flooding out many dumbs that these shit heads have their labs in and the show rolls on....

I also am very shocked that Berger had trouble believing in Cloning and Cloning Labs when so many came saying the same thing. WOW what a shock

It's not like any of us had proof on hand either. We just think it stands to reason because of movies, and disclosure and people saying so. I could ask a lot like how long they live and what is animating them? I've seen spaceships and had Christian's bark at me, those is all demons and they have the power to look like a spaceship.

What's missing is Gen Berger said if clones were real someone would have told him by now. Well I guess that's exactly why circumstances put him so close to Trump.

Are clones demons? Clones are I heard not knowing they are clones, and I heard they can be animated from remote places and just heard lot's of things I can't put to a test.

Cloning was probably one of the reasons God had to destroy everything in a flood. The Bible tells us the only warning about the end times is "as in the days of Noah". We are at that point now.

Which makes me wonder just how much the white hats are in control if they don't have knowledge of this.

Who said the white hats don't have knowledge of clones? If their mission is to find their laboratories and destroy them, it would make sense to pretend to know nothing about their existence, thus not alerting the enemy.

Military minds do not favor hearsay, rumors or non-verified reports. We rely on verifiable intelligence that can be actioned on or surveiled. Also military commanders are all different. One might be an expert in space theater operations and another an expert on special forces operations. That's why they have large staffs to round out the information coming at them. Add in most humans never think, much less believe, that they can clone an adult human in weeks. We all thought it was a sheep that took months to be born a lamb.

SADHGURU teaches to embrace the things we do not know.

You're making an assumption that Berger was semi clueless (when that's what was said and told).?.

Merry Christmas Michael to you and your family. I love your work and check your site at a minimum 2x a day! I appreciate all that you do!

Thank you ,Michael for championing our protection from these bad actors on your site!!! Merry Christmas and may God protect you and your family, friends and support staff and bless you with great

financial prosperity!

Every release brings us closer to freedom. Keep up the good work and Merry Christmas to you, too.

We will be taken to the very brink..that's the plan.. I keep thinking we've reach this brink. Alas. It seems still far away. When / where is the damn BRINK ?????

Merry Christmas to you and yours Michael. Stay safe, and thanks for all of our precious information.

This article really tore my today, sir. Merry Christmas to your home, sir.

Merry Christmas ,to you an yours . Hopefully, the rapture gets us out of this sick world ,an real soon . I'm tired an have lost a lot in the past few years. But, I gain a lot with my faith in Our, Lord an Savior Jesus Christ. The true gift for every season. To everyone who now finds they have no one in life ! Always remember we still have more than others if we keep Jesus Christ as center of Our Life's . (John 3:16) After all ,we're all brothers an sisters through Jesus Christ! Love everyone an wish everyone the Best Christmas ever .

Your comment, Michael has changed my perspective a tad; although I love all judge none, your words "*the immutable fact that God is good – if the rapture happened today, I wouldn't be disappointed,*" separates you from the crowd, one who strives to do his best to deliver truth as humanly possible.

Amen ... thank you, and a Merry Christmas also, with blessings, favor, and angelic protection over you, your family, and all you are doing here – thank you, Jesus!

I listen regularly to the man known as SGAnon, and not long ago, he gave you an endorsement. He said he could confirm that most, 80%, I think, of your information as true. He did not say the rest was not true, just that he had not confirmed it. That's good enough for me. I'm not sure I could confirm that 80% of what I say is true. I do my best to cross-check and confirm my tales, but sometimes, I believe it but cannot provide firm confirmation. Anyway, I appreciate what you provide, and I think this story of the cloning lab confirms the fact that it is, indeed, possible to clone humans.

Never forget the #1 rule of government acquisitions.

If you're going to build one, why not build 2, or 3 cloning operations?

This isn't for spammers, it's a form of censorship. I asked several pointed questions a month or 2 ago and now I can't post unless I use a VPN. You're a liar.

Merry Xmas my brother. you have ended this year with a grade of A++. Great reporting sir,

Good question.. anyone out there can shed some light?

Or will it open up some sort of door of tracking down who all of us are?

Merry Christmas to you too Michael Baxter and thank you for the information you provide us with. We can not depend on the corrupted news media to give us any news.

Where does the corrupted news media plan on functioning in the future? They all probably know clones quite well, in Hollywood, etc. Some people can find a movie star I guess and go to their location and find clones, like Brittany Spears or whoever they can find.

It must be way different if someone kills a clone compared to killing a real person with a spirit. That is if you could even get near one and nobody is watching it remotely that can affect the scene. This is so heavily talked about and in the media, movies, and on google images there must be people out there that won't come forward to explain, and intelligence out there that has this thought through it all.

The non humans. Non Persons. No spirit at home in the body. Where are the people that know this stuff and what can be done?

Grace be unto you and Peace, from God our Father and from our Lord and Savior, Jesus Christ! Yes, God is good! And His mercy endureth forever. I pray that He strengthens you and gives you the ability to rest in His arms. Blessings be upon you AND YOUR FAMILY.

God's blessing on you & all this information. Thank you so much. Have a Merry Christmas with your family & God Bless our military for all the challenges they face.

God bless President Trump and the USA. Thanks again, Michael.

All the very best for 2023 Michael to your family and you and I hope you all have a very Merry Christmas. One more thing...thanks for everything because, without you, we would never know the truth.

All the very best for 2023 Michael to your family and you and I hope you all have a very Merry Christmas. One more thing...thanks for everything because, without you, we would never know the truth.

HEY MIKE HOW WILL THAT AFFEST US READING THE STORIES? I HAVE A VPN ON MY PHONE & MY COMPUTER?

Rapture is false doctrine. Don't fall for a Christian lie.

John 17:15, KJV: I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil one.

Michael thank you for everything. Your info is heavy and gives hope. The Rapture will happen very soon in the near future and we have to prepare to be found worthy to meet the Lord in the air –

1 Thessalonians 4:17.

Merry Christmas to you and your family.

Maybe this is the correct moment to initiate this correction? I don't know? It seems to me the SWEAT-HOGS did their part to get everyone to this exact moment of good-riddance? Again' I don't know?

In Telemarketing Investments “nobody gets rich alone.” Here's my Champagne Glass held high for the Win!

Doesn't anyone remember the large hubbub over “Dolly” the sheep; supposedly the first animal clone? That was decades ago, and it has been allowed to disappear from our consciousness since then.

Knowing the feverish pitch that technology moves on, this ghastly process shouldn't really surprise any of us.

Last edited 13 hours ago by Jimbeau

I do remember “Dolly” the sheep... they were so proud back then at what they had accomplished, then poof it all disappeared. If I'm recalling correctly, that Dolly didn't last that long!

Last edited 12 hours ago by BATHTYM

That reminds me of Mag-Lev trains, another technology that made it to the public consciousness as an up-and-coming tech for us; and then whisked away, allegedly for secret underground transportation for deep staters.

Maglev wasn't "whisked away." There are currently operating lines in Japan, South Korea and China.

While I wasn't aware of the maglev lines you've mentioned, (thanks!) I am aware that we don't have it here in America (above-ground for us "little people").

Ian: The reason we don't have high speed rail, including maglev, in the US, is political. It is not a conspiracy.

Last edited 2 hours ago by Bill Kaulfield

I remember Elon Musk had a contract in California to build a Mag-Lev Train running from LA to San Francisco and I do believe this was under construction but the project was stopped, something about cost, somewhere over 1 BILLION DOLLARS and some people, politicians or something like that, balked at the cost. The project, it was said could get people/passengers to LA to SF in 30 minutes. It seems to me at that speed and time saved and the number of people that make that trip every day or week, the 1 BILLION price tag would be well worth the cost. The CRIMINALS in the US CONGRESS and the PEDO, Joe Biden regime have spent nearly 100 BILLION on these FUCKING Ukrainian NAZI, marxist communist jews, and are no doubt have BILLIONS kicked back to them as ILL-GOTTEN GAINES. These lowlife, degenerate jew licking marxist communist public servants must be taken out, but the White Hats just are NOT up to the task, and DJT being another pathetic jew licker just keeps telling PATRIOTS to watch the FUCKING SHOW, and this is EXCEPTIONALLY DISRESPECTFUL, knowing how DJT gives the zionist satanist marxist communist jews and ISRAEL what ever they

want. I do know that so many here CANNOT accept the reality that DJT is a deceiver , but this is what REALITY has delivered and people need to wake up and demand answers to DJTs actions and not his words. I voted for DJT 3 times, once in the primary and in two general elections , but I cannot see supporting this man with BLIND faith, BLIND trust when I see what has happened thus far, and there is plenty of actions and lack of actions that merit serious question , really accountability. The list is LONG. Enough said, fire away, I can take the HITS.

It was hidden from the general USA public to only be for the DS elites in certain underground tunnels.....to allow travel abroad via underground under the oceans. I think it was 30 mins to go from London to DC or NYC

Zee: It's not "hidden" from the American public. It's just not politically feasible to build one in this country.

There are a number of books , 4 I do believe written by Richard Sauder PhD, about underground tunnels, D.U.M.B., extremely high-speed Meg -Lev type transportation systems, spanning the continent going coast to coast , and from continent to continent traveling beneath the seas and oceans. This man has researched these realities EXTENSIVELY. His books are GREAT READS , very interesting to say the least. He had to leave the US, due to threats and he has suffered, being attacked but surviving. One of his books, " Underwater and Underground Bases : Surprising Facts the Government Does Not Want You to Know ", Is just one of these books. If you have questions , if you have doubts, I would suggest you start reading some of this mans work. Lots of information, lots of details. Take Care and MERRY CHRISTMAS

But the ML's here go up to 1800 mph that are located 3-5 K feet underground and travel to military, DC and oceanic bases. They secret military dug them using a fusion TBM that burns and melts it's

way at 7 miles per day and Los Alamos Nat'l lab owns the patents. They got this technology from the deal that they made from ET's from the Greata Treaty in 1954.

Quite a bit of this technology has been from just previous to us advanced civilizations, notably Tartarians. We 'inherited' this technology, & reverse engineered it, & the deep state kept it hidden & suppressed. Many people even question orphan trains, & incubator babies, & the constant theme of babies arriving via cabbages & roses, which is seen in thousands of turn of the previous century postcards. I do not believe we built these thousands of miles of tunnels either, nor the Mag-Lev trains which transport one to Europe in minutes.

In the mid/later 1800s onwards into 1900s they were trafficking in poor children. For the Work houses, Pedos / Prostitution, Blood? See: Human Trafficking in the 19th & 20th centuries – Brandeis University

Dolly didn't last long because the DNA used from any animal or human is 'aged' by the fact that DNA starts deteriorating shortly after birth. Unless the DNA is pulled and stored when the subject is prepubescent, the clone starts out so imperfect that it is only usable for a short time before it 'expires'. A clone may look like a 40 year old person X, but it's DNA is much 'older', depending on how old the subject was, at the time of harvesting.

Back when Glenn Beck had his 5pm FNC show, an obvious clone swooned & fainted right in front of the camera.

What an incredibly wicked power structure currently exists on today's earth.

Last edited 11 hours ago by Jimbeau

That was 13 years ago..the news was VERY revealing about all investments being cancerous by the Professor who FAINTED from stress or something else—not a clone,

Well clones only last a certain amount of time too like 1 to 2 years and than they are dead or stop working and have to go back in for tune ups....

I have seen recently a crossed with human dna and it was ugly! We live in horrific Satanic times!

Lord have mercy!

Where do you think all of the old egyptian hybrids came from? This is ET technology. Started in Dulce, NM this time around.

Adrenochrome comes to mind when you talk about Dulce NM. Mantis type ETs, joint human/ET operations, very heinous shit and ALL TOO REAL.

..and He most surely will, if we humble ourselves and repent. Those who choose not to are still making a choice~ albeit a really, really bad one.

I do remember “Dolly” the sheep... they were so proud back then at what they had accomplished, then poof it all disappeared. If I’m recalling correctly, that Dolly didn’t last that long!

FACT, not FICTION: The UNIVERSE, is fully engaged in this LIBERATION. MILITARY PERSONEL, listen the FUCK UP!!!!!! “Aliens” have ALWAYS BEEN HERE!!! Technologies that do not rely upon the SACRIFICING OF LIFE, as currently “taught”. THINK!!!!!! If the “bad guys” posses “machine “tech””, what does NATURE BRING TO BARE??? Hmmm??? The life-form with control of said “tech”, is going to be held accountable, in a very SPECIAL COURT!! An open air, “let them hang themselves” COURT, PURGATORY!!! The “in between” “Middle Earth” or in some circles, MIDGARD. Things the FUTURE DID NOT KNOW, the “omega” symbol, is actually called Aegis, or in HIGH GOTHIC, ALPHA. Mirror image literally means think the friggin opposite, or at least Q-uestion, everything You THOUGHT YOU KNEW!! Look up DINOSAURS,

Teradons, are Teradons, and do actually evolve into ARCTURIANS. “ELV’s” are VULCANS, Aldari, and Eldar. It’s not “myth”!!! Count Dracula, is a modern day, “Caucasian” JARHEAD, Jagarti Khan!!! Reincarnation is FACT!!! Some LIFE-FORMS, do not utilize WOMBS, to RE-INCARNATE!!!! Not EVERY LIFE FORM IS THE SAME!!! DAH!!!! Wi ALL HAVE THE SAME RIGHT TO NATURAL BORN LIFE!!! Without “manmade” trials and tribulations!!!! Criminals creating markets to sell stolen ELEMENTS!!! WAR, is FOUGHT UPON MULTIPLE DIMENSIONS, what do mortals/mugols actually KNOW ABOUT WAR?? Hmm, smart ass civilians???? What type of WAR do YOU wage??? \$\$\$\$ won’t WIN WAR at my level, ORION’s level. I AM the HUNTER!!

The stories are fun here for sure. I liked this one better than the Nancy one. The comments are as fun as the site sometimes. I know there is way more out there than I could imagine, and that is why I would love for the corruption to stop and the truth to come out.

I would love for there to be bases and crazy stuff on the moon , and or Aliens to be living here. The ability to visit another planet before I die would be fun for sure.

As of now with no actual proof, it is all fantasy but fun to read.

There are probably some aliens here, but not in the millions. They would either need a ton of ships to transport them here or have grown them over billions of years. And if they are here, wouldn’t they be so advanced that their space vehicles designs would change over the years. How come the design style of space vehicles seemed to have stalled over the years. In other words, a stealth bomber still looks like a stealth bomber. The rocket ships still look like the rocket ships from the 60’s. Why haven’t the designs advanced.

We have to look up from our phones, lol. Seriously. They are up there. As to the design maybe they think if it ain’t broke don’t fix it. The design would appear to be successful if you have ever seen them maneuver. Who knows? I can only conjecture on that one. However

the ships fly over here all the time and they are awesome and some are beautiful. And some, like the triangular craft are apparently dark craft. Thankfully I have never encountered one of those.

As for the stupid archaic rockets, you are right about that. We possess better tech than that and we just don't ever get to see it....

Wormholes , portals etc. This is beyond the comprehension of most folks, because remember , if they have not seen it for themselves, it can't exist.

20% of the world's population are Galactics from other worlds and 90% of them look like white people. They usually are from 6 to 7 feet tall. The women are very pretty, slim figure and have 15% larger eyes and the men are of the same physical features and both have radiant blue eyes. None of the galactics are overweight, either, because they eat a balanced diet and they usually live to 90 years here and go back to their star system. Earth has a lot of water and the inhabitants live on the surface, where most inhabitants of other planets live inside. All planets are hollow and not solid, like our 1% masters want us to believe. Earth's crust is 800 miles thick and then it is hollow and many civilizations live there in peace and harmony. There is no wars and they don't use money either and the inhabitants live up to 400 years...complete utopia...!

I'm not a fan of demonic things like aliens . But, do I believe what the Bible says about Satan is the ruler of the air . An obviously ,he has limited powers to try an imitate Our ,Heavenly Father ! But, one thing is for certain Jesus Christ has every key Satan had for Death, Hell, an the Grave . Plus, everything Adam lost after sinning in the garden . An we have all that authority through Jesus Christ in his name over it all . If we only truly believe that an kept God's Ten Commandments. Kinda, simple , but we are our worst enemies with Our words spoken an not spoken. We also need to hold our thoughts

captive from thinking wrong thoughts an sinning. Unfortunately, we choose to listen to Satan from others in the world. An not from God's word (The Bible) . Which makes life harder for us .

I often wonder if we was to have child like faith like the word says ! What would be impossible for us in Jesus Christ name ? I guess we would need more faith to find out . Or just the size of only a mustard seed ,then who knows. But, as we all know faith comes by hearing an hearing from the word of God . (Read, believe an trust God in everything.)

If anyone wants to know Satans next moves just look an listen to his followers. Through their tv, movie shows, radio, advertising, news papers, an local an world laws ! They aren't hiding the facts that if it's evil an against god word . Then that's what they want for us . When in reality Satan hates all gods creations mainly us . Satan as we all know is the author of lies an deception! An anyone following Satan is ignorant to believe he cares for them or anything from God's creations. With that said is it possible we might see a alien claiming to be Jesus Christ an instead is the Antichrist! Most definitely just look at the movies they are preparing us for that . My guess it's coming soon .Either take the mark or die from the guilietine . Or ,starve in a prison camp like the J6 without a trial . Good thing for the one world government that they had their laws on the stone in Georgia destroyed. Because the mockery one world government 10 commandments was starting to wake their own people up . That Satan wants them gone too ! God help us, because Satan won't. It's way past time for everyone to wake up to reality. We are in revelation last days an times almost up to get things right before the real Jesus Christ to rapture us out of here . (John 3:16, Lord's Prayer, God's Ten Commandments, Revelation all important things to read , meditate, pray about!) Free choice believe or not. Heaven or Hell . Think about it all . Question an Research everything! Think wisely eternity is forever somewhere !)Forgive ,Forget , an ask for forgiveness through Jesus Christ on all your sins . Then go an sin no

more if possible. Always pray and asked for help not to sin .Kinda simple , don't make it complicated. Jesus is the reason for every season. Merry Christmas and a Happy New Year!

Yeah ok then. I'll give Spock a ring in that one. Oh is that why the Moon is hollow and on some nights you can see a light someone forgot to shut off?

Lots of stuff there Joseph, so much in one paragraph for the average person to digest , but I catch your drift. These realities are way beyond the comprehension of say 99+ percent of the population, you think? You might try breaking down a few things, give folks a chance to research, come up to speed so – to -speak. So many have been denied TRUTHS, information , actual history and you know why. Just some thoughts Joseph. Take Care and MERRY CHRISTMAS

Hey Tonto,

Get the Straight Jacket and the Haldol. We gotta strap this guy down quickly before he interferes with the gravitational pull of the earth.

Q #749 included: “**Deeper we go, the more unrealistic it all becomes.**”

I'm ready. This world we've lived in has been fantasy enough. Ready for reality.

DR. MENGELE SUCCESSFULLY CLONED RABBITS IN 1938. KNOWLEDGE HITLER GLEEMED FROM THE BOOK OF THE DAD. THAT WAS THE CATALYST FOR HIS LEBENS BORN PROGRAM. WHEN THEY SAID HE WAS INTERESTED IN BACK ENGINEERING THE ARYAN RACE THEY MEANT (BULG/ARIAN) IT WAS THE SITE OF THE ANCIENT THACIANS (KHA AZARIA) (KENITES=ACTUAL BIODESCENDANTS OF LUCIFER THROUGH (CAIN/KAYIN/CHIUN) THE BIBLE SAYS THEY WERE GREAT ARTIFICERS OF METAL. THE GREEKS WERE EXTREMELY

IMPRESSED WITH THEIR WEAPONS OF WAR, AND THEIR CHARIOTS AND WORKINGS OF GOLD, SILVER ETC... DR. MENGELE, HIMMLER, AND HITLER STARTED THE LEBENSBORN PROGRAM TO TRY TO BACK ENGINEER THOSE NEPHILIM GENES. HITLER ALWAYS HIGH AND PARANOID ON COKE OR METH WHAT EVER HIS DRUG OF CHOICE WAS. WANTED TO CREATE A LOYAL MIND CONTROL ARMY OF RUTHLESS UNDEFEATABLE GIANT SOLDIERS DEVOTED TO HIS SERVICE AND PROTECTION. IT IS SAID THAT THERE WERE THRACIANS 8 FOOT TALL. HE WANTED THAT.

I remember Dolly very well. I always thought if they could clone a sheep, they can clone humans now. btw, I tried to give you a thumbs up but couldn't, the number didn't go up, just wanted you to know. I've been seeing this alot this past week and others have also talked about it.

Scientists have been talking about cloning the woolly mammoth. But just because you **can** do it doesn't necessarily mean you **should**. If we have trouble keeping enough environment for elephants, why would we want to clone mammoths who are even bigger?

The dolly story was just to gauge public reaction to cloning. They have had cloning since WW2, if not before then.

Doesn't anyone remember the large hubbub over "Dolly" the sheep; supposedly the first animal clone? That was decades ago, and it has been allowed to disappear from our consciousness since then. Knowing the feverish pitch that technology moves on, this ghastly process shouldn't really surprise any of us.

Recall that Cray Supercomputers were cooled with an oxygen-carrying polymer (oil/glycerin blend). Lab rats have been demonstrated to inhale and survive when immersed in the fluid.

The only difference between liquid and air, is of course, viscosity/density and temp.

Remember the movie “The Abyss”? They always show us what they’re doing in the movies to both desensitize us to the truth as well as brag about it.

Babies breathe via the umbilical cord i guess, as they are likewise suspended in birth waters, & breathe their first breath upon birth.

They have also noticed that babies in the womb do not scar as adults do. If they could figure out **why**, what a boon it would be for surgery, especially for those poor souls who have to undergo multiple surgeries because each creates more scar tissue. I wonder if they have experimented on clones in their fluid.

Humans, before they are born, inside their Mom, they are living in fluid, it is called Amniotic Fluid, I could tell you more but you need to research and look this up for yourselves , it’s better that way.

Sorry for the double post. This thread was acting screwy after 16 comments had been posted. The Three Letter Orgs might have been diddling with it.

Why not investigate the power source before blowing it up?
There may be other labs, and entrances as well.

We don’t get told everything....maybe just 70%-75%. It has to be like this. I wonder if the date is really as stated? It seems to me – it was found much earlier perhaps...just saying could be wrong?

Yes, they are well supplied and there is more. Take what comes now, take it all, what your going to find will astound any/everyone, take no delays. “They” are collapsing.

Well supplied indeed. This is only one of the the possible thousands of underground lab bases throughout the world. Military didn’t think they existed??? That’s what a DUMB is!! Deep Underground Military

Base.

What I got out of this was there are replacements ready for every Deep Stater that the “white hats” take down. Which would enforce reasoning to make this shit public. When executed that means the clones need to die too-immediately. Pelosi Family arrested means you don’t see them in public and their words have no meaning. Newsom dead- no more conferences with him- no power. Same with all the rest. Hilary, Bill, and every MB story. As it is now, with hidden arrests and prosecution, everything remains the same like the arrests never happened. Only a few believe and makes it almost impossible to get others to wake up.

I’m sure they did and did not blow it up right away, so that they could grab the goons running it....

The main thing to take away from this, Clones do exist, they are grown in underground facilities , in places like the Ozarks. Did you ever hear of a band called the Ozark Mountain Daredevils? It’s a Southern Rock and Country Band , and they ‘re pretty GOOD TOO, I might add, they produced some HITS as well. Maybe , just maybe there is more to this Bands name then folks realize. Something to think about.

They may have , but they are not going to tell you everything, at least not yet. CLASSIFIED

I knew they were real. Years ago when the big news of DUMBS came out I watched ever one of them.

My buddy’s mother makes \$50 per hour working on the computer (Personal Computer). She hasn’t had a job for a long, yet this month she earned \$11,500 by working just on her computer for 9 hours every day.

The Trump NFT brought in \$4.4 Million for his campaign. That's a plus. I'm not sure but it's my thought that Trump is testing the waters to see whether Americans are able to successfully transfer crypto as a currency. I don't think it was a success as a trial. A lot of people bought the NFTs but very few were able to open a wallet and transfer the NFT into it. Most believe they own the NFT in their email. Which they don't.

First timers opening a wallet takes patience.. Many will be screwing up 'cos they are jumping some steps for this new safety system. Follow the step carefully. Wait until GFS is ready . Not long now.

No, stupid, the NFT was a cover for what Trump brought out the next day, or his attack on censorship. Get the morons to comment in the MSM about something silly, then follow it up with what's important after the dunces have used massive ammo on the near joke.

Never underestimate Trump.....Period!

Re Cards: For yourselves...think like an international business man. If your \$s can't be accepted after End of Jan. what do you do in the interim when you're on a deadline and can't wait?

NO , he used the msm as FREE ADVERTISEMENT to promote and sell his NFTs, this is how they were all sold within 24 hours. The msm never reported his statement

Not sure about that; I thought of it as a 'magician's trick'—"Look over here while I do something over here". He launched the NFT and the same day made a MAJOR speech about protecting the 1st amendment.

There may be other reasons to launch a new product, but I thought first and foremost, it was about that speech. Which no one in the MSM covered.

Look deeper—he was ALSO giving us something clever as well. AND, doing a few more clever things all at the same time. Listen to yesterdays SG Anon & Johnson on Rumble. Seek and you shall find ;_)... Also 44M fiat money was removed from the system know all FIAT is be destroyed. ALL FIAT must be collected to stop the DS doing business before we go to GFS.

That is right, DJT got his FRIENDS at the msm to provide FREE ADVERTISING of his NFTs, they were all sold in less than 24 hours, he made 4.5 MILLION DOLLARS, that is , his own personal INCOME, not tied to his campaign. People thinking otherwise are FOOLS.

Right. Let's send money to a billionaire when we can't afford food. How about everyone here send ME a dollar. \$1.50 total after stamp. I'm not a billionaire. contact; stupidisasstupiddoes.timetraveler

That 4.5 MILLION DOLLARS is NOT campaign cash. That is DJT's personal income to do whatever he wants. Lots of people are thinking that is part of the Trump campaign, NO , it is NOT, it is DJT's personal income.

It's possible, we have to question everything and it's also possible that a 'double' was pushing the jabs, but, we don't know anything for sure so it's important not to judge, time will tell.

so where was the original when his " clone " was murdering people? sitting in the shadows like a coward? playing dress like up his other coward buddy jfk jr?

It is easy to find fault.My question is what are you doing to help humanity?Just saying.

From my best comprehension of the matter, had we waited to push the jabs, it would have had clearance & data to ENFORCE everyone taking it, instead of mandate 'suggestions.' Trump brought it out into

the light before they were ready. 90% of people would have been killed, & the rest enslaved.

There is some concern at the moment that the deep state have made their own Trump clone. Perhaps the one spouting he's all about supporting the gays as his only message. The concern is real. The real Trump would not have made such a singular message. He has been all about saving the children from the groomers & pedophiles, not "saving the gays." That has never been his platform message.

There was, but they were developing "Dogman" beasts for the called off Fake Space invasion, that wunce Hillary got into office, was going to stage to terrorize the dumbed down populace...

I can smell a rat. Raytheon opened a facility at Farmington N.M. a few years ago. Was wondering if tunnels connect them

I have never stated this in public before; but when Michael included the part about the entrance to the cave being cloaked – it reminded me of an entrance that was similarly hidden near Dulce. No one would ever expect it to be there. We stumbled upon it while walking 360 acres of land where we were going to build a wellness center. Long story short, but this is part and parcel to the current state of technology used by the Deep State. Our White Hats military have to be prepared to encounter this and more on missions.

I don't know if aI ever met someone without a spirit. Do you? How can we know?

Finally...there are likely hundreds (maybe thousands) of these facilities. Arrests don't serve much purpose if the apprehended entities can simply be recreated.

You've got a point, which is why arrests now need to be made public. However, clones don't last very long, which is why they need to be continually created. Once the facilities are destroyed the remaining clones will soon fail.

For RRN, how much of this is on official military news websites?
There's undisclosed reasons why they won't let this out to all the masses to see it the same way.

I have seen estimates of 50000 active clones walking the earth now. Apparently there are different qualities of clones. Some have a limited "life" span and others can last a long time and are basically human. You can bet Trump's rallies are done by a masked actor or his clone. They will not expose the real Trump to possible attack. You can bet if Trump is arrested it will be his clone

I think it's more without energy to discern. Figure the best way to learn who is a clone is ask vampires. How much adrenochrome does it take to keep a clone functioning?

They hid advanced technologies from us for centuries
Is this should blow our mind?

Time for The Military to adjust and pace the cadence or they will never see the end of it.

MASS ARRESTS don,t give them any chance to come back.

I think you means MANPOWER

Gen. H. Berger explicitly telling he is lacking of it

Several thousands of National Guard was deputized US Marshall

I guess it was for a reason, not the one they told us

But for scattering large superficies, MANPOWER is needed

The Military has the Fire Power

There are persons lives around that area up to 25 miles to keep the Lab running and made the reports. White hat should send one battalion to dig deeper and find the energy sources that powered the cave and all the tubes.

Go get schwab or chxmucky schumer. One of them know the details.

So maybe Schwab was actually at the recent “state dinner” being toasted by several named bureaucrats and a TV sitcom actress. Wonder who else was cornered, post party.

So maybe Schwab was actually at the recent “state dinner” being toasted by several named bureaucrats and a TV sitcom actress. Wonder who else may have been cornered, post party.

I read that Schmuck Jewmer was taken to club gitmo, along with Nadler, Shiff, P. Ryan, L.Gram and 15 other deep staters on 12-7-22 for tribunals and some of names I did not know, were bad guys....

I have seen anything from him on that. Steve Quayle has talked about it and wrote books in the past.

““At this point, Gen. Berger still didn’t believe the story” That makes two of us. And why blow it up? Why not bring in a TV crew and broadcast this to the nation? That would end all of this secrecy once and for all.

if its not patently obvious by now after 6/7 years the goyim wont be told any real truths. apparently we arent mentally stable enough to handle it.

Have you seen the clone of Nancy in the news today? She was speaking on camera in the house about the wicked ndaa bill and seemed sober as a judge...must be that a clone can’t handle liquor!

But the TV crews and media are owned by the 1% black hats...what good would that do...?

Why don’t you try doing his job since you think he’s wrong. Get over yourself and stop judging.

Gene Decode has been discussing the underground offensives against DUMBs (that contain extraterrestrials) since 2020. Anyone connected to these offensives should be privy to the advanced technology they have by now.

Well, Phil G. says there is no space, and SGAnon says similar. Sigh, Flat Earthers, yah can't out argue them because they're annoying nerd Gammas who keep coming back with Smart Boi retorts. Phil G. even says the moon is not a globe...I mean what can you do with such...intelligence??

So, youz guys that likes those two, you have to give up on your outer space aliens.

But yeah, clones are possible, and it's horrible, as they are creating short-term damaged life.

I don't think it was pride....this kind of thing is hard to believe!!! We have seen stuff like this in the movies but never dreamed the demons were doing it in real life!! I am in shock!!!

It's real coincidental this article come out right after there's a conflict if clones exist. Now they need to define what a spiritless person is or clone and get Trump tested for being real.

One major change The Military should do is

==> Made the arrestation be public knowledge

That way they won't able to bring another clone without rising suspicion that something isn't right

==> Take over mainstream media and push the TRUTH

Or even better

==> Myanmar style takeover

If information about clone factories and lots and lots of proof is not shown to the public, this won't be believed. No one anymore buys the idea that knowledge of arrests and proof of the Deep State plans, proof of the cloning and robotoid technology, use of doubles, rubber masks, etc., proof of the child trafficking and adrenochrome crimes by celebrities and politicians, proof of underground tunnels, CGI and holography will cause riots. Instead, people will be stunned and will

most likely not be able to carry on with their daily activities at least for a while. This would be the perfect time for White Hats to do clean-up operations.

Can't read Myanmar now, without hearing that song in my head that the lady was practicing her moves to, as the tanks she was oblivious to rolled by in the background!

Now we know just how evil these people are. We have to fight this or our country is done for.

Especially since Pelosi's double just gave away our beautiful American flag to the enemy inside the Congressional Chamber on live international TV. THAT IS TREASON. Even NWO/WEF/Rpthschilian/globalists US Presidents like Bush 41, Clinton, Bush 43 and Obama have never surrendered the American flag to the enemy, either in wartime or peacetime. And all the DEEP STATE TRAITORS were cheering it on while Zelensky just walked out of the chamber with Old Glory.

Paedophilic incestor Joe Biden surrendered — SURRENDERED — the symbol of our national sovereignty to an adversarial foreign power, the leader of which is a paedophile/child sex trafficker protector himself, and we are not even at war with the Banderite/Azov/NNz bastards in Ukraine. Now the world will laugh at us some more!!

THAT FLAG REPRESENTED THE BLOOD SPILLED BY MEN AND WOMEN IN MANY WARS ALL OVER THE GLOBE, EVEN THE CIVIL WAR, TO WIN THIS COUNTRY AND DEFEND THIS COUNTRY. NOBODY ON EARTH CAN PUT A PRICE ON THAT.

Jesus Christ and his harvesting angels will return and permanently separate all his believers from these unbelievers. We believers will live in his new heaven and his new earth without them for eternity. REVELATION 3:10. ALSO THE END OF 2 ESDRA 2.

I wonder if our military has a technology to distinguish a clone from the original? How can we be sure that the Nancy Pelosi who was tried and to be executed was not a clone? These are difficult troubling questions.

These are the same questions I have. Is there not a technology to detect light (soul energy) in an individual? They can make TSA scanners but not a scanner for this. They can and they probably do, no doubt. Man, we need to get our hands on that tech!

And all the sheep watching that crap fest were probably clap clap clapping along with those monsters in Congress! What disgusted me was he was acting humble while given a standing ovation!!

In other news...when are these 384+ traitors going to Chateau Gitmo exactly? How's that case coming that's before SCOTUS? Gen. Smith, you're on deck for that one!! Otherwise Trump, this one is on you.

Someone questioned why Zelensky's initial photo shows him wearing his casual "fatigues". It made him joked that maybe the white hats stole his luggage.

We are at war against clones, AI, illusionists, reptiles, demons, military and the government WE STILL PAY to keep us safe. And you can't tell the good guys from the bad.

With all due respect, General RE Lee was still on the right side of the civil war as the godless bastard Lincoln invaded the south!

How did all that equipment get to the cave without signs of a visible road of some sort?

Throughout Missouri and KS there are many huge caves mostly used to mine salt. When they are no longer used for mining, they are used for storage and companies. I have been in one of those caves and the number of businesses/factories was amazing. It was like a small city. There are other areas throughout the US that have underground bunkers, for lack of another name. I can't elaborate in this forum.

The secret govt. and secret military have tunnels 1 mile down that crisscross all over this country using high speed mag-lev trains that travel at 1800 mph to all military bases and also have tunnels that travel under the oceans. They use TBM's and a fusion nuclear tunneling device that can melt through the earth at 7 mph! Los Alamos laboratories own the patent for the fusion TBM. They even have a tunnel to Antarctica bases and the hollow earth! Watch "John Lear tells all", parts 1-4 on youtube. I learned all of this some 13 years back..., interesting shit...!

We use to see a lot of helicopter activity in the area. We would wonder why and would shrug it off as some military operations. I find this hard to process. It explains why we see the monsters who were hanged popping up everywhere!!!

Underground tunnels, use of holographic images to keep away prying eyes? I think there is a lot that can be manufactured and transported underground without raising any suspicion from us surface dwellers.

Ever been to the Ozarks? Its deep boonies. Hundreds of little unpaved roads that just wind back into the hills and trees.

I have to wonder if this is the segway into the exposure of entities far more advanced than us pulling the strings?

Ya think? I wonder how many personages of the past were cloned which, if true, would turn our entire known history into a lie.

It is possible that the unknown entities have lived underground for thousands of years. I have read of cities where they live. There are tunnels underground that cross the globe like a giant spider web.

The only thing that lives deep in the earth (where hell keeps expanding) are evil demons. Something is bringing them to the surface! CERN?? SATANIST?? THE RESTRAINER?? Maybe a little of each?

There was always some story of body-snatchers or something, regarding the queen never dying. I don't know the details.

There was also a report that the queen's guards who accompanied the queen would be buried with her. I was like, WHAT?! That's not normal. I literally heard it on international TV, a Brit said this. during the Queen's funeral services. Probably a Freudian slip. It was only a clip that someone put on social media but that is appalling!!

In the Catholic bible it has a book of wisdom the speaks of the underground entities. Thats why these deepstaters are always casting expulsions on the catholics, the catholic bible and the catholic church. Same as they cast expulsion on trump because he to was a threat.

The DS has been cloning since the 40's. I'm surprised this surprises any military general. I also thought that JFK sitting in the car in Dallas at his assassination was a clone. I thought someone reported Jackie stating, "that's not my husband", when she got in the car.

Well that would explain the photos of JFK as a very old man. Many photos of him at various stages of his life were disclosed on Telegram. It wouldn't surprise me one bit if he also was "quietly saved" and continued the work behind the scenes. I think I heard that he passed away something like 2 yrs ago? He was past 100 I think. Don't quote me...

He was 104 and passed away earlier this year if memory serves me right.

NO WAY IN HELL.

JFK's head was ripped apart with bullets from the front in Dallas in front of the whole world on 11/22/63 from a triangulated crossfire involved three times of shooters with at least 13 bullets being fired from multiple directions to kill the man in front of his wife and the whole world;

1. Jackie knew he was dead;

2. USSS agent Clint Hill knew he was dead;
3. USSS agents Greer and Kellerman knew he was dead;
4. the USSS agents who refused to move and protect JFK and Jackie during the shooting knew he was dead;
5. USSS agent Abraham Bolden knew he was dead;
6. Johnson knew he was dead;
7. Abraham Zapruder and his assistant knew he was dead;
8. John Connally, previously LJB's campaign manager in the 1948 Box 13 scandal, knew he was dead;
9. LJB's aide Cliff Carter knew he was dead;
10. Texas A.G. Waggoner Carr knew he was dead;
11. Chief of homicide Will Fritz knew he was dead;
12. Dallas D.A. Henry Wade knew he was dead;
13. Kennedy's Press Secretary Malcolm Kilduff knew he was dead;
14. Senator Ralph Yarborough heard the shots and saw servicemember Gordon Arnold jump at the sound of the shots from the killers behind him, and knew he was dead;
15. Dallas Police motorcycle outrider Bobby Hargis got sprayed with JFK's blood and brains — which also prove the shots that killed him came from the front — and he knew he was dead;
16. the arrogant Dallas doctors who left a bullet in Connally's thigh and told the press they did so, knew he was dead;
17. J. Edgar Hoover, code-named "Bulldog," knew he was dead;
18. The entire Kennedy family knew he was dead;
19. The entire Oswald Family knew he was dead;
20. Judyth Vary Baker, Oswald's girlfriend, knew he was dead;
21. Cardinal Cushing knew he was dead;
22. David Ferrie, one of the shooters on the knoll knew he was dead;
23. Malcolm Wallace, one of the shooters in the TSBD knew he was dead and fled the scene on foot;
24. Roger Craig knew he was dead;
25. Dr. Robert Livingston (no pun, real person) knew he was dead;
26. The Black Watch Regiment knew he was dead;
27. the Dallas doctors and nurses including Drs. Peters, Jenkins,

Crenshaw and others who fought to save JFK's life in Trauma Room 1 knew he was dead;

28. The Dallas doctors who treated Oswald in Trauma Room 3 knew he was dead;
29. the international media (fake and non-fake) knew he was dead;
30. The Dallas doctors including Dr. Shires, who fought to save Oswald, knew he was dead;
31. Switchboard operator Phyllis Bartlett, who defended Dr. Crenshaw and his book about the fight to save JFK's life when people tried to discredit him, knew he was dead;
32. the deep state traitors including rogue USSS agents who stole JFK's corpse back to Washington and fought Dr. Earl Rose, in front of Jackie and funeral director Aubrey Rike, from performing an autopsy according to Texas law knew he was dead;
33. Dr. Alton Ochsner, who ruined Judyth Vary Baker's career after she voiced objections to certain experiments, knew he was dead;
34. Dr. Mary Sherman, who worked with Judyth in the lab, knew he was dead;
35. FBI agent James Hosty, who worked with the Dallas police concerning Oswald when he was an informant, and later ordered not to by William Sullivan, who was assistant director of the foreign counterintelligence squad, who also liaised with the National Security Council consisting of POTUS, VPOTUS, SOS and SOD, knew he was dead;
36. Hosty's superior, Ken Howe, knew he was dead;
37. Howe told Hosty to see Agent Gordon Schenck, who knew he was dead, and note that Agent Schenck was the one who told Hosty to destroy the unsigned note (Oswald's note) telling him to stop interrogating Marina when he was not there;
38. The Oswald's friends, the Paines, knew he was dead;
39. Stripper Jada, who worked with Beverly Oliver, who met Oswald before the killing, and who was later killed, knew he was dead;
40. Dallas police communications officer Billy Grammar who received an urgent message from a man later asserted by Grammar

referring to the Dallas police moving Oswald before his murder, knew he was dead;

41. White House staffer and WWII photographer Joe O'Donnell knew he was dead,

42. O'Donnell's friend Robert Knudsen, a Naval photographer attached to the White House knew he was dead (the deep state corrupted the JFK autopsy photos he took);

43. Jack White, photographic researcher on the JFK assassination, knew he was dead;

44. Gary Mack, photographic researcher-turned-traitor and now dead, knew he was dead;

45. Gordon Arnold, military servicemember, who filmed the assassination unknowingly next to the killers on the knoll, before the fake CIA deep state stole his film, knew he was dead;

46. CLPE print examiner Nathan Darby with 35 years' service in the US military and the Dallas Police Department who got a 34-point match on Malcolm Wallace's fingerprint from the TSBD, knew he was dead. The Dallas Police department still has that case on their blotter;

47. Aubrey Rike from the O'Neal Funeral Home knew he was dead;

48. the Navy doctors at Bethesda knew he was dead;

49. Medical technician at Bethesda Paul O'Connor knew he was dead;

50. the Bethesda X-ray tech knew he was dead;

51. USSS agents Siebert and O'Neill knew he was dead;

52. the funeral home that embalmed his body knew he was dead;

53. John Melvin Liggett, a highly skilled Texas embalmer, according to his ex-wife, family members and co-worker Charles Smith, knew he was dead (he was the one that altered the bullet wound on the head so the body would lie to the doctors about who fired the shots that killed JFK);

54. Researcher David Lifton knew he was dead;

55. D.A. Jim Garrison knew he was dead;

56. Clay Shaw knew he was dead;

57. Billionaire Clint Murchison knew he was dead;
58. Millionaire H.L. Hunt knew he was dead;
59. Billy Sol Estes knew he was dead;
60. Bobby Baker knew he was dead;
61. Richard Nixon knew he was dead;
62. Carlos Marcellos knew he was dead;
63. Millionaire D.H. Byrd, founder of the Civil Air Patrol, knew he was dead,
64. Guy Banister knew he was dead;
65. Eladio Delvalle knew he was dead;
66. LBJ's mistress and mother of LJB's child Steven, Madeline Duncan Brown, knew he was dead;
67. Seamstress May Newman, who worked for Virginia Murchison 1962 to 1997
68. Chauffeur Jules Pfeiffer, black man who was Virginia Murchison, knew he was dead;
69. Beulah Mae Holland, the cook for the Murchisons, who lived at Jim and Libby's house, knew he was dead;
70. Admiral George Burkley, Kennedy's doctor, knew he was dead;
71. The Marine who handled the "football," the valise containing the nuclear codes, knew he was dead;

This is the very thing JFK was risking his life to oppose. He would never have done such a profoundly deceitful and cowardly thing. It is, however, a story the CIA or some secret sict types would put our thee to mind muck with people. What bettt way to strip the WH of hero thanto turna martyr into a"clone". Only the black hats use clones

Thats not true. NETANYAHU HAS MANY CLONES. THE ONE ON JORDAN PETERSON LATELY WAS A CLONE
PULL UP ANY PRESIDENT ON GOOGLE THEN IT IMAGES ON THE TOP LOOK THROUGH THEM YOU MAY BEGIN TO NOTICE THE DIFFERENCES.

JFK made many sharp remarks about ridding us of the deep state secret societies. I've only recently heard a few of them.

I'm shocked that the military is shocked if they truly are surprised. Two thoughts; movies have been showing this ability for decades now as you mention the 40s. Secondly, most of us already know that there are clones global. My question is why is this being posted as fresh news. "Disinformation" perhaps.. especially if what they say is true that Trump has it all..

Remember in the 70's live tv when reporters were trying to interview Ford when he was out jogging with his secret service and his clone fell over and was still running his jogging program on while its laying on its side. I remember in 1972 or 1973 on the Michael Douglas show they had a 2 part series where he interviewed a clone. It only ended up being a one part program the clone didn't return.

Dean Martin showcased the first CIA project Monarch mind controlled programmed beta sex slave. He brought her out on a leash and spun her alter for the audience. (She was in a sex kitten alter)

It was not Jack, but a killed off policeman that looked like her husband, because Jack's murderers: Bush and Johnson had put the murdered JFK on a airplane to try to reassemble his head, but botched up the autopsy, so they tossed his corpse and found a look a like and had it for a burial copy...

I've done extensive research on this topic (wrote a book about it), and never saw a SINGLE report of that quote from Jackie. Not one.

JFK is NOT alive—did NOT live past 11/22/63—though reports that his son are alive seem to be pretty well founded.

Face it, without the outrage over JFK's assassination, the plan to save the world would not have been born in the first place. Trump would not have been recruited to save the US. JFK's assassination (yes, the

real thing) kicked off the entire plan to save us all.

No, he did not survive Dealey Plaza, and NO, he was not cloned.

“Face it, without the outrage over JFK’s assassination, the plan to save the world would not have been born in the first place. Trump would not have been recruited to save the US. JFK’s assassination (yes, the real thing) kicked off the entire plan to save us all.”

That sounds like something Juan O’Savin has said.

I have to wonder if this is the segway into the exposure of entities far more advanced than us pulling the strings?

Ya think? They’ve been around for millennia... It’s about time people find out who’s been controlling humanity this whole time.

There is so much evidence that entities of great ability are behind developments involving humanity, that its undeniable. All you have to do to confirm the source is read the Bible.

You can permanently repel them from you by standing fearlessly in opposition and revoking Jesus Christs name. That is the reason why theyve gone so far with the deception trying to convince the powers that be that they are extraterrestrials from other planets not demons that are interdimensional. This is what Forrestal and Byrd were murdered over. They realized what was going on and wanted to let the public know that the military mistakenly invited the proverbial vampire into the house so to speak by giving them permission to experiment on citizens in exchange for military tech. God had condemned Lucifer and his minions to dwell subterranean. Thanks to the military complex they agreed to continue Lucifers Lebensborn program to create a loyal topside army. I think that is what the Rh-blood is all about. All ufos only abduct Rh- people. The Government tracks them all of there life. I myself am Rh- on my moms side (A-) but I am not evil, I want no part of it and have permanently repelled them using Jesus. I dont think all Rh- are evil. Remember in

Braveheart when that evil king would rape the brides on their wedding nights? Im sure there are innocents who have had their blood corrupted by these fallen angel bloodlines.

Watch on Youtube, "John Lear tells all", parts 1-4 and you will learn how the secret govt. keeps the 99%'s heads in the sand.....It's all true, but 4 levels outside of the box! Our 1% slave masters don't want the 99% to know this...

"the general had a tough time believing such technology existed"
Seriously?! Come to think of it, I'm glad he stepped down!

This is just the tip of the iceberg of what these evil rats are capable of. I hope they took photos of the clones in the pods before destroying them because people need to see this when they have the EBS otherwise they all think we're making this up. I hope they find ALL the clone factories and destroy every last one of them, including all the mask manufacturing plants. NO MORE clones/body doubles! Once they're gone, the public needs to know! Movie OVER. Time to move forward!

If the General had a hard time with cloning facilities then he has no chance with the likes of Reptilians or other bad/evil exterrestials living in planet earth.

They're supposed to know way more than the civilians about what's REALLY going on. Area 51, Antarctica are just the tip of the iceberg! Lots of weird s— happening on this planet.

Most high ranking officers know of the "beyond the little people's knowledge" technology, that is 75% beyond the currently known civilian technologies. This is how the little people are controlled by our govts..Before ET tech was known, governments relied on religion control, to steer the little people....

It's been all over google images for many years looking at these luminescent green containers of humans. many movies. They sure like to fake people out whoever runs the world.

UNBELIEVABLE!!!!!! NO wonder they just keep coming...PROOF they are cloneing themselves everywhere!!! New job for the military now....go seek and destroy!!!!

How many? and Where? Just in the USA, or worldwide? My guess the latter. This whole process is getting bigger and bigger every day.

Good work Special Forces. You are all in our prayers.

Did you read the story? Berger had no idea about these labs, he figured they were no more than science fiction. New locations means more events they were unaware of.

Perhaps satellite technology can show some of the underground areas. They certainly use it for archeology in Egypt now; saves a lot of time. That's one big desert.

I was born and raised in the Los Angeles area. I'm 73 y/o now. From my experiences with Hollywood and the Tech industry I believe this. I've worked as a contractor at a few studios and also done work in many Hollywood elites homes. Technology speeds up. It never slows down.

I doubt he saw clone vats as those are probably heavily censored/hidden from public view but I wouldn't be surprised if he saw celebs that weren't the real person.

Clones act weirdly, they malfunction, they're "vacuous" (ie. nobody home). I'm no expert mind you but I've seen a few videos of malfunctioning clones, it's creepy and downright obvious. And if you live amongst them, I'm pretty sure your discernment skills are sharpened.

Weird people and vacuous people are pretty common. Doesn't mean that they're clones.

so the previous leader of the movement to save humanity didnt think clones existed? they not only exist but any person studying "conspiracy theories" knows they have had clones since the 50s and possibly bf then. Why would you have someone so unknowledgeable trying to save humanity. Whats next? he doesnt know the cia did 9/11 or that they control the weather 100 percent as well?

So it turns out the Truther community knows more than the commander of the White Hats/Alliance. Now there's a scary thought. And these people are in charge of draining the swamp? I sure hope the new guy is more in the know!

you took the words right out of my mouth. pathetic on their part and tbh makes all this seem even les believable. no one in that position could be that stupid of the actual truth.

Dr. MENGELE SUCCESSFULLY CLONED RABBITS IN 1938. THE EGYPTIANS DID IT BEFORE THEN. THE BOOK OF THE DEAD WROTE OF IT. REMEMBER DEPICTIONS OF ORGAN HARVESTING OR SHOVIING THE THING UP THE NOSE TO SUPPOSEDLY DIG OUT THE BRAIN FOR EMBALMING? ALLEDGEDLY I THINK THEY WERE HARVESTING THE PINEAL GLAND FOR ADRENOCHROME HARVESTING I BELIEVE THE GREEKS AMBROSIA AND THE INDIA INDIANS SOMA WAS ACTUALLY ADRENOCHROME. DO YOU NOTICE THE INDIAN GODDESS WITH MANY ARMS? THATS BECAUSE THE ANGEL SHAPESHIFTERS HAD 6 WINGS. IN EZEKIAL 1, HE DESCRIBES THE ANGELS HAVING ONE SIDE OF THEIR HEADS LIKE A BULL, (MINATAUR/BAAL) ONE LIKE A LION (THE SPHINX) , ONE LIKE A MAN, ONE LIKE AN EAGLE (OSIRIS) I THINK HE WAS TRYING TO CONVEY THE CONCEPT OF SHAPESHIFTING. THE BIBLE SPEAKS OF THE LION MEN OF

MOAB.

HERODOTUS SPOKE OF THE DOG HEADED MEN OF LIBYA (DOGMAN ENCOUNTERS—VIC CUNDIFF. IN ISAIAH 17 IT SPEAKS OF THE HARRY WILD ONES. THE HEBREW WORD THAT IS TRANSLATED IS TANNIYN MEANING LITERALLY FALLEN ANGEL HYBRID OFFSPRING THAT ARE BROUGHT THROUGH THE FIRE SO TO SPEAK WITHIN MAGICK CIRCLES DURING RITUALS THAT MATE WITH HUMANS DURING RITUALS. THIS IS THE REASON THAT THE TALMUD DECLARES IT KOSHER FOR RABBIS TO HAVE SEX WITH DEMONS, ANIMALS, CHILDREN, HOMOSEXUALS ETC... THE GOD OF THE JEWS IS LUCIFER NOT OURS

These scumbags always tell us what they are doing. The latest example? Living With Yourself starring Paul Rudd. Then there's HBO's Westworld (an insane rabbit hole). And American Horror Story did an entire season (Apocalypse) showing pretty much everything the cabal does except the human trafficking. One episode (#8) featured the cloning center.

Let's not kid ourselves. They've been perfecting and doing this for decades.

Truth in movies / scifi, lies in the news. Same for decades and millenia. Its just that we are learning about it now. Nice Christmas/Saturnalia gift

“Even if that sickening place wasn't staffed round the clock, someone was checking on the clones.”

Seriously.... no staff in such a facility!!!!!!

“he considered them science fiction” – Gen. Berger seems to be pretty close minded! Maybe it is better, he no longer in lead...

Wow! The sheeple will never believe this unless they are shown videos and even then that might be a stretch. God help us and the white hats. We've got to start killing every one of these evil beings if we're to survive.

There are more of these sites. Get rid of the clones of personalities already executed or arrested. I believe impersonating a politician is a crime and if it isn't it should be. They (clones/doubles) are giving away our country and you know they are not who they say they are.

Tell that to the clone who gave away our magnificent American flag to the Ukrainian paedophile protector last night in the House. I HATE IT WHEN AMERICA IS BETRAYED!!!

Exactly. ***IF*** these people are dead, TELL THE WORLD! Get the imposters out and de-mask them on live TV.

Why are they hiding these tribunals? They only allowed to tell one person exclusively? Let the imposters destroy everything? Holy crap did you see all the idiots drooling over the PEDO-GAY-THEIF-MONEY LAUNDERER_

The entire congress needs to go.

WoW Holee Bullshiite Batman!

Cartoons have just become reality. They tell you the truth in movies and lies in the news

White Hats want us Civilians to Wake Up. Sounds like the White Hats need to wake up. Under Disney they are making Clones also. I do thank the White Hats and Special Operations for Saving the Children and Others that are being Trafficked. Believe you me when I found out if I didn't have a bad back I'd be trying to find someway to help.

There is a HUGE DUMB 9 miles from my house, just outside of Lebanon, Missouri. The guy who owns the place had a mansion built on the property and renamed the neighborhood Evergreen. He's a wacko. You can find the coordinates online if you search for a list of US DUMBS. We had an earthquake here last year. I am hoping they destroyed it.

if you had an earthquake there, then it was probably the whitehats blowing up the DUMB.

Reading comprehension is important. He steps down effective 1 January, as stated in the articles.

I was hoping that they would take 1 or 2 for evidence. By the way I would have like to have an Ellie May Clampett clone if available .lol

Technology speeds up but for nasal it goes backwards, landed on the moon 6 times 50 years ago but now they can't do it.

Every time a bell rings a politician gets a kickback. Merry Christmas fellow slaves.

we never landed on the moon, we can only go a 1000 miles above the earth manned, because of the radioactive Van Allan belt.

Why not investigate the power source before blowing it up?

There may be other entrances as well.

I'm sure that they wired it for eventual demolition, but are keeping it open to catch the administrators running it and after caught and waterboarded to extract more info, it will eventually be collapsed... maybe. They release this info for a "feel good" to the little people, though...

Reads like science fiction.

Cannot imagine that a place like that would be unstaffed.

Makes no sense. We need a follow-up report, more details.

Oh my goodness!! I am like General Berger...how did this become a reality. I lived in the Ozarks for twenty years before moving to Texas 2 years ago. I would never have suspected something like this going on and neither would anyone I knew. What kind of monsters are we dealing with? Do these clones have feelings? Do they just react to a remote censor? How many other places are cooking up Nancy Pelosi and Joe Biden, etc etc!! These demons are playing God and we know there are flaws because God is the only one who can make a human being. This is actually very scary. We need to pray all these labs are found and destroyed. Who are the mad scientists doing this abomination!! I am in shock!! God help us!!

Research "Donald Marshall" back from about 10-12 years ago. And VRIL drones along with R.E.M. clones where they can project the consciousness into the clone when the sentient human original is in R.E.M. frequency sleep.

don't feel bad, majority of the people that live in Detroit don't even know about the salt mine below it that has been the source of our rusting cars for decades !

On Facebook and Telegram there are videos that show these clones with computer motherboards in their heads. I KID YOU NOT. Unless you open the heads, you would never know they were not human. EYES MOVING, LIPS MOVING AND EVERYTHING. They even have one of President Trump, whom they want to make look bad by making him a deep state traitor.

I believe you!! It's still hard to visualize. Everyone talks about how Joe Biden walks funny...is he a clone or a doppelgänger?? I am shocked by all of this. Even though Gen Berger was skeptical, he still checked it out!! I can imagine how he is feeling right now. At least they have a ton of evidence!!

Právě teď jsem tak zatraceně naštvaný na toho pedofilního, Rothschildiana, LGBTQ podporujícího WEF švábského vraha, který se dopouští nejvyšší zrady a rozdává nejen naše peníze, které potřebujeme k životu, ale i naši milovanou vlajku svému kolegovi LGBTQ drag queen, pedofilnímu ochránci Zelenskému. , Jsem připraven vytrít podlahu v domě s tímhle parchantem!!
NIKDY NEVZDÁVÁME VLAJKU ŽÁDNÉ ZEMÍ, ZA VÁLKY ANI DOBY MÍRU, AŽ JSME S NIMI VE VÁLCE, ČI NE!! I KDYŽ UDĚLÁME PŘÍMĚŘI NEBO PŘÍMĚŘI, NIKDY, NIKDY SE NEVZDÁVÁME NAŠI SLÁVNOU VLAJKU SPOJENÝCH STÁTŮ AMERICKÝCH!! NIKDY!!
