White Hats v sobotu zatkli šéfa Bílého domu Rona Klaina krátce poté, co oznámil, že za pár týdnů z osobních důvodů opustí nelegitimní administrativu, řekl zdroj z kanceláře generála Erica M. Smitha Real Raw News.

Klain, vysoce hodnotný cíl, pracoval pod globalisty Al Gorem a Barackem Husseinem Obamou, než se koncem roku 2019 připojil k Bidenově kampani. V průběhu roku 2020 pracoval jako hlavní poradce pro Bidenovu prezidentskou kampaň a po Bidenovi dostal funkci vedoucího štábu. úspěšně ukradl volby v roce 2020.

White Hats tvrdí, že Klain byl zásadním hráčem při organizování krádeže v roce 2020. Říká se, že Klain na začátku roku 2020 řekl Bidenovi, že má spolehlivý plán, jak porazit prezidenta Trumpa, i když Trump předčasně během volební noci získal mnoho volebních hlasů. Klain byl členem poradní skupiny, která propagovala myšlenky manipulace s hlasovacími zařízeními a najímání „mezků“, aby na poslední chvíli provedly skládky hlasovacích lístků, řekl náš zdroj.

"Pokud vyhráváte, skvělé. Pokud prohrávejte, donutíme vás vyhrát. Ať tak či onak, vy vyhrávejte a Trump prohraje," řekl Klain údajně v červnu 2020 v textové zprávě Bidenovi.

Klain pomohl Bidenovi zapečetit krádež. Bez Klainova přispění by Trump rozdrtil Bidena, stejně jako v roce 2016 zbil čarodějnici Hillary Clintonovou, dodal náš zdroj s tím, že ačkoli White Hats sledovali Klaina, rozhodli se počkat, až bude sám a izolovaný. provedení zatčení.

Jeho ohlášeným podnětem k odstoupení – z osobních důvodů – byla kouřová clona; Klain zjistil, že Bílé klobouky jsou na jeho ocase, a ze strachu o svůj život byl připraven okamžitě uprchnout ze Spojených států. White Hats věří, že Klain byl upozorněn, protože držel jednosměrnou letenku do Varšavy v Polsku, když americké speciální jednotky přestrojené za státní policii Maryland zastavily Klainovo vozidlo poblíž jeho domova v Chevy Chase, Maryland, enklávě Deep State.

Když se Klain zeptal, proč byl zatažen, zeptal se: "Víš, kdo jsem?" velitel speciálních jednotek odpověděl: "Určitě ano," a vytáhl ho z auta. Letenka v jeho náprsní kapse měla datum odletu na následující den.

"Jsme si docela jisti, že by Klain odletěl do Varšavy a zamířil na Ukrajinu pro jistotu." Právě tam dnes mnoho Deep Staterů míří, zvláště pokud zjistí, že jsou terčem vojenského zatčení. Ten chlap byl hlavní hráč a my jsme ho dostali. Máme spoustu důkazů, které proti němu můžeme použít u vojenského soudu," řekl náš zdroj.

Na závěr řekl, že to byl Klainův geniální nápad použít faksimile Tyler Perry Studios Bílého domu poté, co americká armáda odepřela Bidenovi vstup do skutečného Bílého domu v lednu 2021.

Bye Bye Birdie! Also, notice Biden goes 'home' to Delaware just about every weekend

Last edited 18 hours ago by Truesincerity

I hear the accommodations at the fake Whitehouse aren't as extravagant as 1600. Plus, he couldn't find his way to the bathroom, which lead to more diapers, which beget Tyler Perry paying some hefty plumbing bills.....yeah, Delaware is his familiar zone.

Penguin6 does a utube posting everyday and he might be in on the fake biden, he had proof he says that biden lives in the white house

I've seen his posts and reeks of CIA to me. Do I have proof no but that is what I think he is.

Lots of white hats believe Penguin6 is Deep-State. I think Penguin is just a nice guy with excellent knowledge of DC streets and historical buildings, who still trusts FAKE News liars, accepting CNN, MSNBC,

et al, reports as gospel.

except he says he saw Biden land, but is so far away or that part is not in his vid- purposeful smoke screen

maybe he saw a chopper landing ? most likely , that's all he saw , Does he know who is in the chopper ? Most likely no.. Probably Not..

He does have a DC working history as well as lengthy professional time in Hong Kong. His children definitely have Asian blood.

Optics, he never see's him up close & personal, if you or anyone does – its Not Brandon.

Just saying!

Don't trust the Penguin, neither the Riddler nor the Joker.

Penguin as master of sleight of hand, pulling a Three Card Monte via video manipulation, doctoring old footage.

Don't let his soft-spokenness and sincere demeanor fool you. He's a tool on someone's payroll, most likely having an office in MSM studio, with video engineers in the mix.

No doubt he's receiving serious coin enhancing the charade, swaying public perception.

Other independent video shows DC is somewhat of ghost town, though yes, Beltway has traffic, not as heavy as prior.

I have my questions about P6 as well.... He worked in the govt during the Bush/Clinton years, is getting high access for a "citizen journalist", has dual citizenship with China (I think he may be married to a Chinese woman...his kids look like they may be mixed. And they love ramen) and seems to be well off enough that he repeatedly tells people not to donate for him. Hes either a plant, or he is truly a hardcore Dem who really likes Biden, cuz he gets openly excited when he sees "him"and if that's the case hes just a smart guy with absolutely no common sense

Yeah, i was surprised he was allowed in as a recognized journalist, given all he does is you tube videos. He worked in several different offices & capacities in government in the previous administrations. He also mentioned once he had a law degree or some such education in his background. There is a difference in background it seems, in the two 'press rooms', a smooth wall, a curtained wall, & a different sound quality. I think something is definitely afoot. Feels very flim ~flam, & Biden at the White House helicoptering in or out never ever ever pauses to answer questions. Why would Biden & Harris even be at the White House, given no one else appears to be there at all, with no arrivals nor departures of anyone.

Nancy Drew videos every single day seem to show zero activity at the White House. She never seems to be there to catch these helicopter arrivals & departures daily either!

Exacy. Penguins "helicopter" landings have mystified me because in other presidential admin the people getting on and off are clearly filmed.

I read that guy like a book, delt with his type before, his humbleness and sincerity is a ploy, well crafted tactic taking years to perfect.

He wore much lipstick and knee pads prior to get where he's currently at.

If he was waking the streets of Williamsburg Brooklyn or any regentrified area, he'd make the perfect grifter, pan handling and flim-flamming his way around. Guy's IQ is off the chart, artisan of deception.

Myself a street guy, I know how to profile people, I can spot a gypsy, a flim-flam, and a fake ID, I'm good at it.

Pardon my ignorance, but who is Penguin, Riddler and Joker? If you can't disclose their real names, I'll understand.

Bingo. Likely meant to counter the posts from “Nancy Drew” & “Richard, Citizen Journalist”. Not sure about Richard, but do know Kelly Brady is who she says she is; a patriotic conservative, everyday citizen who decided she could contribute somehow given her location~ and she has.

Richard Citizen Journalist seems a good guy....he even got arrested for what he was video-ing. Police upset with him– he would take chances

Good point zee, I’d forgotten about that. *I also think it was him who drove around filming so many different hospitals during the peak plandemic nonsense. I remember he would go inside, showing how empty they really were~ despite what the msm was saying~ & actually got several people to comment or talk, telling the truth. I lost track of the channel after that, but I think it was him- especially since you mention he was arrested. Pretty sure it’s same guy.

Richard Citizen Journalist is showing how dead the DC area is... empty office parks etc. Find him on telegram..all his videos are there..

DC has businesses and I habitants other than government associated. Also tourists. So thees always traffic, foot or vehicle. But as someone who has worked in the area for decades, this is not business as usual, even considering people working at home. It’s surreal.

If Biden lives in the real White House then Penguin6 should have a video of Biden entering or leaving The White House with Penguins Time/Date Stamp on the recording ! Shouldn’t be too difficult for Penguin to video Biden , Right ? ? Nick , NavyBlueSmoke , LST-1195

Did penguin6 ever show the tent cities around the REAL White House ? I saw a few of his past videos , but don’t recall seeing the tent cities on his videos.. I don’t live in (or near) D.C. but trying to find accurate information from there. In one of his videos he walked right up to , (or fairly close) with a phone , (fake biden) sitting in a

vehicle. If that was the 'REAL' President, penguin6 would probably have been taken down and apprehended on the spot. Seemed a bit suspicious to me that he was able to get that close. Also, around the 'REAL' White House there has been barbed wire and Military personnel, (National Guard) which were Federalized in Jan 2021. Maybe 'fake Biden' is driving around the 'outside' of the real one, just to get video

According to RRN a long time ago the real Biden was alive and kept in a basement level of one of his homes, on the east coast. So he doesn't live in the WH and there's feelings some of us have where if some life is alive is in a place it can be felt. That feeling even transmits between humans telepathically.

Anyone have any videos or recent pics, coming from inside the WH?

There's infra red heat energy readers for places, don't helicopters use them? They have ghost apps for cell phones so people are catching on to some idea of hidden tech.

AI or deep state knows we want to see souls and read minds, like the big eyed grey aliens do to other means catch souls that don't go towards the light for soul recycle. Many prefer to remain as ghosts and demons avoiding this earth deal like the plague.

The WH was said to be loaded with ghosts or demons and maybe it's because of these political or adrenochrome murders that happened in the WH basement levels.

It is my knowledge that there are military tribunals taking place at the DC White House, given it is a separate entity. Military has said Biden & Harris have NEVER been allowed inside the real White House. Baxter wrote that the painting on the wall is still President Trump's, & his papers on the Resolute Desk. There are no lights on at night.

I remember seeing a large built up structure looking double or tri level , built using wood .. appearing to be the gallows , complete with nooses..

also , Do you remember barbed wire ? around the White House , on the 'Inside ' ? The ' Inside ' ? ? of the fence or wall ... Why would they put barbed wire around the ' inside ' of the structure ? maybe so no could escape ? just like a (temporary) prison

That was a press stand keeping the press away from the White House far away past the North Lawn across Pennsylvania Avenue, so it would be difficult to identify people going in and out. After a short while, they took it down.

Michael Davis a top commenter here wrote this today, 2/22/23
“Children are still being rescued by the thousands by Putin in Ukraine, by other white hats all over the world. We are winning this war. Many JAG courts on US bases around the Earth are trying almost a thousand guilty treasonous criminals each month”

IDK how he makes the claims because RRN doesn't put the data out how much tribunals, or anywhere else, or if other countries care, but if a lot more is going on, I would guess it's entirely secret.

2+ yrs of arrests and war zone news is 10K a month apx 220,000 maybe so far? And whatever war zone issues Putin has. I wonder if they have a vision for the future after the cleanup?

WH if doing tribunals would seem to include jail bars inside the WH, or some way to lock them up, and transport them.

The only reason I can figure for this much secrets is I hear they are reptilian hybrid demon possessed persons that look like a human, but they are not.

There are videos of the white house and it's dark. No one lives there. Guards on the roof and patrolling to make sure no one gets in.

You don't need Penguin6 to tell you. Look at the pictures. You can see for yourself that something just ain't right.

Biden made comment that lights turn on automatically when opening bathroom door. Buzz that Joe been peeing in the refrigerator.

I live here in Delaware. He's been at his beachfront mansion in Rehoboth all weekend. Constantly home!

Ok then this brings me to the question of since Biden isn't the real Biden is he sleeping with Biden's wife in his own home? Michael Baxter said a short time ago in the comments that Biden was still alive and at home but basically unable to do anything. At least that's what I think he said. If that's the case life is definitely a bitch for the real Joe Biden. I was kind of kidding about the fake Biden sleeping with Biden's wife. I am sure they are all as happy and cozy as they can be up there in Delaware.

Biden doesn't sleep with people if they're over twelve anyway, so it probably doesn't matter.

Early pics of Jill don't look the same as now, either. I saw a short video with Ashley Biden on Telegram. She said her dad died 3 years ago (I don't know how old the video is) and that her uncle, Joe's twin, is stepping in. Does Joe have a twin? I never heard of it, if he does.

I don't know, only just saw a photo of Hunter, Biden's brother, & other brother who looks just like the old real Biden! I was surprised that there is so little -if any- coverage of old Biden's actual family. The Jill is definitely a different woman.

saw that video too Sharon , but don't trust it , I believe the 'Real' Biden is gone, but that was not Ashley , and Beau, according to the Biden family tree, died when he was young ...if that is true information from their family tree ? , not sure , just something I saw

And...how many Bidens do you think there are? They could have several scattered around the country for the different ops.

One version has been wearing a mask for over two years. I take screen shots of pictures of him above articles and in videos. I just did it again recently. After cropping it, which makes the image larger, I can still see mask lines around his ear. Then I can see a mask line on his neck.

Another one bites the dust,,,, Slow but surely they go...
The real Biden is in a basement somewhere, locked up somehow...
use your imagination.

ANYONE can watch the real White House via the street cams on your home computer/cell phone even. It's been locked up since Trump left.

OF COURSE THEY WERE DENIED ENTRY... not gonna do an arrest in the middle of the street with Bidens security and the national guard – think – why???

They were all told on that cold night with all busses going in & out of the WH & Congress – take the deal or die!!! ENJOY THE SHOW!!!

This tells you that ALL the news media are in on the scam.
Tyler Perry is getting paid on a daily basis for the use of his studios – so you can't blame him business wise. He was most likely told to keep his mouth shut as well.

Can't wait till this ALL comes out & shown...

Non-disclosure agreements for Perry, the actor or actors playing the Resident, VP Resident, guaranteeing life in prison or death if broken, depending on what other crimes white hats have on them. Rewards if they keep the NDAs to the end. Take the deal or else.

No matter what, Tyler Perry is aiding and abetting the enemy.....that makes him a traitor in case he doesn't know. He is a democrat all the way to his bones so I doubt he is working for "the good guys"!! Of

course, he is not going to talk unless the White Hats haul his huge behind to GITMO!! It will all come out soon enough.

Damn right Spark.. Can't wait either.. BTW.. I heard awhile back that the 'REAL ' biden was executed, back in 2018 , I think ? still searching here for accurate information..

I guess my question is this: How about the press corps? Are they in the Tyler Perry mockup, too? Where do they convene? Would they have had to sign NDA's to not reveal where they meet? I can't believe someone wouldn't have leaked that information.

They have leaked photos of a stage with reporters off the stage – remember biden getting his fake shot... again they were all told to play along...

The inauguration was phony baloney. Out of order, and more. The person we are seeing is NOT the real Joseph R. Biden. Look at his Senator pictures. Cosmetic surgery can do a lot, but not massively reduce the wide or heighth of a forehead. I think the original Biden is either dead or comatose, and Jill said something about wanting to reveal the truth of the O. In her journal found in nightstand in Delaware.

I agree with you on all counts. And Jill made comments that gave the impression FJB died in early 2021.

More & more, i see this as one of those Mystery Dinner Train Rides, wherein you get all these actors & it's a Who-done-it for you to figure out!

I agree – one of the actors is arthur roberts and the other is stu...
Yes we all read that about Jill here

Biden has been gone a very long time already It's as if he never really lived ; at this point at least ... Maybe you can talk to CornPop about him ? ? Nick , NavyBlueSmoke , LST-1195

Hopefully they get Bruce Reed too, his deputy Chief of Staff. They are all crooked soulless pukes.

I watch a prophet who says she hears from God—He told her NOT any of them will escape punishment
God says we win!!

Last edited 13 hours ago by mkjo

Maybe this birdie will sing... Put the screws to him! Or waterboard him and don't let him up for air.

I met some ladies in Aruba that live in his town last week, and they said most of the state can't stand him!?

According to the not so doctor Jill's journal that was collected from the beachfront property, Brandon died in 2019.

The US military denied entry to the white house but did not remove a criminal and illegitimate regime. Why?

You can down vote me all day. I'm speaking truth. We need to keep praying and resisting and doing our parts.

I agree with you Jan. The downvotes are from the troll turds (all 2 or 3 of them) who have a couple dozen fake names.

We are in a time~lapse public presentation. Everything we see has already happened. Already done. God Wins.

Why the negative votes. I took your question seriously and tried to give you the answer. If we had all power it wouldn't be going as it is.

That could have started a civil war. Neither Trump nor the White hats want that.

Yeah! I can see that as we have a whole country full of democrats. That may think they would lose their free meal ticket. If the military arrested 'shit for brains' and the hoe.
But if they are told to take the clot shot for free. Well you know

The high value targets who have been taken out over the last 2 years as reported on RRN, would have been nearly impossible to access in a typical civil war situation as they are very well insulated and protected from the typical US citizenry.

That wouldn't just "destroy commies!" Civil wars are the most bloody and protracted wars with the most casualties that there are.

Sure, but maybe it's better to go out with a bang than a whimper? Not sure how many more Joe Biden regimes the USA can survive.

The White Hats are quietly getting the job done. Better to be successful than for show.

We will know it ~ if & when that is called for & welcomed by the White Hats ~ so, until then, keep yer powder dry, & act locally retaking power positions from the school board on up. Do whatever you can that is helpful & constructive. Be ready for anything.

Absolutely agree. The criminal DS would have their little Antifa and BLM thugs infiltrate every skirmish and start shooting innocent people on the streets.

All Communists thrive on bloodshed and destruction. That's why it's referred to as Red Revolution— because the streets run red with blood.

You don't realize this doesn't end until millions of the satanists and their minions are dead.

They aren't gonna just give up.

They will have to be killed.

Many folks on both sides will die.

Putting it off is just allowing more to die from the death jab

Historically, Democracy always ends badly, as soon as Congress realizes they can vote money into their own hands, because at that point government becomes desperately corrupt. The White Hats are averting this ignominious end as best as possible, & bringing in a better story quick on the heels of it.

Specifically how can they start a civil war.

Be specific.

So iyo murdering 2/3 the Earth's population is better than this civil war you speak of?

You probably shouldn't have taken trumps death jab

BECAUSE IT WAS A GIANT STING OPERATION – THEY HAD TO GET ALL OF THEM OUT OF THE CREVICES & SHITHOLES OF WASHINGTON DC... THIS WAY THEY GET EVERY SINGLE 1 OF THEM & NOT TO HAVE TO WORRY ABOUT THE SAME CRAP HAPPENING 50 YEARS FROM NOW. ALL A GAME PLAN. WITH 200 MILITARY GENERALS THEY COULD HAVE GRABBED THIS AZZGOLE & BIDEN FOR THAT MATTER BUT THE DEEP STATE WOULD STILL BE INTACT. THEY R TAKING THEM OUT 1 BY 1...

I agree. But people want it their way and they think they have all information when they don't.

There's another replacement and nothing is run by people we see, except there's effects on orders. If Trump has made and signed an order it can still have come from secret underground generals. IDK but Trump has been said to answer to higher ups from other worlds or races like pleiadians.

They also wanted to let them develop obvious hang-able offenses, so that their crimes are not merely dismissed in corrupt civil courts with a slap on the wrist.

Why? Because it's to make the American People see the CRIMES of Government in Real Time Action! Maybe, just maybe the People will be vigilant to act against these criminal acts to better secure America in the future!

Americans are too stupid, lazy, self-absorbed and brainwashed to see or realize anything!! I bet only 5% are awake, maybe 10%!! This will never happen unless the media, big tech, and social media are taken to their knees! That's how idiotic Americans arrived here in the first place! Any dictator knows controlling the narrative is the first order of business... something the white hat "plan that blows" never considered!!

You clearly assume too much Schlomo.

I can see what you wrote here asshole, maybe some others can't but I sure do.

You're a fucking Clown & Monkey.

Might be the beginning of our own 'idiocracy'... The dumbing down of our country. Except a lot more hispanic descendants than in the movie version.

Life following 'art'.

Millions of people are aware of what is going on. That's why this is known as the Great Awakening! The people are actively involved in governance from running for office (and winning in the House) to reclaiming school boards locally. Deep State businesses are laying off thousands of people or going out of business when people refuse to buy from traitors and have built a parallel economy. People are awake and nothing can stop this Plan from being successful. We, the People are awakened warriors of truth and justice.

Truth is we don't know, or at least I don't know. I like Trump a lot in spite of what appears to be mistakes. Some of the people I read see him as a Civic Nationalist, as opposed to a real Nationalist. Some people see the major problem as being Zionist Jewish control (Julie

& others), but I see that as overly simplistic, as there is way too much Jewish Influence and control, but much of that will shut down with DS money shutting down, and not only Mossad, but nearly every intel agency is involved. Some people see Xi as a White hat, but I'll reserve judgement. The ordinary Chinese I've met in regular life have similar flaws that I see in Jewish people.

There are people on here that obviously see themselves as patriots, and I quite a bit agree with much of what they have to say, yet with people like Xena for instance The West and the USA can never go back to anything like sanity. Feminism is a Civic Nationalist Equalitarian Ideal and none of this can move away from anti-civilization until all the ideas about Equality are tossed out. Equality ideals destroy civilization, and every time. These ideals are very Democratic, yet Democracy is very anti-Republic, The whole gender confusion is a Democratic Equalitarian problem, and goes away once you decide republic and the gender's are biological given.

There is now whole groups of guys called "Passport bros" moving away because no modern Western female desires to be just decent wives. Most young women have way over-inflated ideas about their value, so they play the hypergamy game and only attach, themselves to high level guys in a sort of "Sex in the City" game where they see themselves as players, yet never settle down with a husband, but if and when they do, they also see themselves as w-a-y superior to their husbands. It's a lose, lose game for most decent guys just looking for a good wife to raise children with, and have a great marriage, as Hollywood and Feminist's constantly tell even heavy-set women they are deserving of at least a high-end male.

And you of course are all virtuous and can see clearly all that is to be seen!

If you can't see it, there is nothing I can do to help you! Let's assume there are 200 million "adults" in this country (potential voters), and let's further assume 5% are awake?! That's only 10 million... paltry!

These stories, if true, only feed the ones awake but not the still asleep! Point us... will take the msm to pull this off in a reasonable amount of time... not 3-5 more years!! This country will be cooked in 2-3 years tops! When people can't afford to eat or simply live, the gloves come off! It's that simple! Americans, of which am I, do not know struggle or suffering like the rest of the world! When it gets bad, they will rise up, assuming their followers on social media say it's ok to do so!

The dominoes fall one by one, with great gathering speed. I believe Elon is purchasing You Tube next. The corruption & control of media has been at the heart of the deep state. I once saw a newscaster fluff her skirt, & showed us she was wearing some sort of incendiary device strapped to her leg. The deep state has been that serious about keeping control of the narrative. Revealing them to the public is a crucial step. Taking them out is happening.

Very well said. The trust the plan tards won't like it..but 100 percent factual.

Furthermore u can't wake the masses up by compulsively lying to them for 7 years.

I heard the deep state had bombs located around the US preventing them from making their move. Not sure they have found them all.

Ismael Perez said that. His way to know IDK but they were claiming a hold up on a good future was over nukes way underground that would have sank the west states and all the states next to them.

What would be the reason? This takeover wants to keep it's depths of the underground world's secrets intact? The battle is as big as making new continents again?

Maybe it's the next biggest thing to blowing up the whole planet thing.

They observe the Rule of Law and the military code, the enemy must commit the acts of treason first. And...there are so many Deep State players entrenched in so many positions, it takes time and superior intellect to find them, collect evidence, and build a case – even the arrests have to be carefully planned and executed.

The ENEMY can be prosecuted for CONSPIRACY to COMMIT TREASON and not have to actually commit the TREASONOUS ACT. Say the act of treason was to blow something up, the White Hats do not have to allow that criminal act of treason to occur, THEY DO NOT HAVE TO WAIT FOR THE ENEMY TO BLOW SOMETHING UP. So is that something you can UNDERSTAND? DO YOU GET THAT? WHITE HATS DO NOT HAVE TO ALLOW SHIT TO HAPPEN IN ORDER TO ARREST OR TAKE ENEMY COMBATANTS DOWN, THIS TAKE DOWN OF THE DEEP STATE IS ALL ABOUT HEINOUS SHIT THESE ASSHOLES HAVE BEEN DOING FOR YEARS, MUCH OR MOST THESE TREASONOUS CRIMES AND ACTS WERE COMMITTED OVER A VERY LONG PERIOD OF TIME. THIS IS NOT ABOUT SHIT THAT JUST HAPPENED DURING AND AFTER DJT's PRESIDENCY.

Because Trump wasn't done until everyone of those mother effers were caught! This has been a plan that took 20 years to plan. Do you think they are going to just arrest Biden and Harris when they aren't even real! No. He is arresting all the other one's involved like this guy Klain. Trump has 190k sealed indictments yet to serve! This is not over!! If he leaves one behind this shit will all start back up again!

Uh huh, for sure. Circling back to Davos, one B. Stelter, amused at a report of his Git-Bay demise, and another S. Bancel, complete with credible FR accent, showed up in WEF footage – the former looking heftier and the latter looking hale & hearty. Sigh ... On the other hand, Bourla, walknig freely about town without a word in his defense, couldn't escape the very hard-hitting alternate media fast enough! Huh?

20 years??? This fucking WAR, is over 7,000 gazillion years, as uneducated “hoomawnz” measure a year!!! 3% of the “EARTHS” INTELLIGENT LIFE (not stupid ignorant lying, backstabbing, asshats that SERVE the prick on the US \$, false profits everywhere) have always answered the CALL OF DUTY, did YOU civilians??? Why cut off the VETERANS \$\$\$, PTSD, does not go “away”, because ignorant CUNTS, tell “it” too. A FEW, PROUD VETERANS, have MORALS, ETHICS, and INTEGRITY!! Act like sheep, You will be treated as such. Keep blaming this on innocent PEOPLE, like GOD, and shit gets ugly, it’s not “GOD”, doing this, it’s NATURAL BORN LIFE, teaching “hoomawnz” a lesson. “Gain of function”, THINK, it through. MAGIC, POWER OF SUGGESTION!!! THINK!!!! Will “this” or “that” “kill me??” If I give “it” POWER TOO, YES!!! Discipline over EMOTION, control “them”, do not ACT UPON EMOTION!!! Critical THINKING!! I’ve read a TRUTH, time loop-historical events, being played out. But, what if, just what if, “they” are not simply “dead” or in the past? Hmmm?? The POSSIBILITIES are ENDLESS, as is LIFE, if YOU MAKE the right choices. The telepathic group, that cut my va disability pay, enjoy the SHADOWS, the PHANTOM is coming to see YOU. Guilty of violating The Unforgivable??? STFB!!

USMC 0369

Just “cannon fodder” eh??? Noted!!

Did you ever think the WH took out the originals and the DS replaced them with fakes to keep the show going?

YOU can think about it till the cows come home, but there is NO proof or acknowledgement anywhere but an obscure web site, so it is ABSOLUTELY understandable why folks do not believe this stuff and think it is all bullshit. PEOPLE CANNOT TRUST ANYTHING FROM THE MSM, WHY WOULD THEY TRUST OBSCURE RRN. How would the MASSES ever catch on to the truth if it is NEVER REVEALED IN THE FIRST PLACE. And while ” they ” are hiding the TRUTH, what ever it is, when ” they ” decide to reveal the TRUTH

how ever many years , months after the FACT, ” they ” are going to have VERY SERIOUS CREDIBILITY PROBLEMS that ” they ” are going to have to account for. So that being said, this hiding of the executions and prosecutions from being revealed , there is something else going on here , and all the violence , rioting and civil war BS, is just that BULLSHIT.

So much rope has been splayed out, humanity will be extinct before justice will ever be served.wtf

Q has the plan, Putin needs to finish Ukraine first. If Trump still in power how can Ukraine be dealt with? just saying

This had to play out to wake the people up! AS THEY SAID it's deeper and more corrupt then they even thought! the real Joe Biden had blue eyes not brown can't believe how many haven't realized that!

WRONG TRUMPS LOSS WAS A GIANT STING OPERATION TO GET ALL THE SLIME OF DC JUST LIKE HE'S DOING NOW!!! U THINK MCCARTHY ISN'T BEING LED AROUND BY HIS NOSE BY TRUMP RIGHT NOW? TRUMP IS STILL THE FKN PRESIDENT. WITH THE MILITARY INCHARGE OF THE ENTIRE USA

The DOD and Pentagon are behind the Covid p[L]andemic, not the entire Military obviously.

The rollout of highly classified information is a MIL operation—and would not have happened or continue to be happening if it weren't so. This is a extraordinarily and extremely vital tool of fighting this war. These snakes used Classification not for legitimate National Security measures, but to hide their corruption.

The US Military has been partitioned so at least one part of the US Military is corrupt , along with the JOINT CHIEFS OF STAFF, and DARPA, AS THIS WAS REPORTED VERY EARLY THAT THIS WAS A DARPA PROGRAM.

yes, thats the fact jack. only questions that need to be answered , who is complicit and who are the conspirators.

U THINK MCCARTHY ISN'T BEING LED AROUND BY HIS NOSE BY TRUMP RIGHT NOW? TRUMP IS STILL THE FKN PRESIDENT.

= = =

Didn't the Justice Department tell Jim Jordan, you can have whatever inquiries you want, we do not have to and will not cooperate.

I believe that at least half of the Justice Department is in line to be arrested and taken to GITMO too. So don't cooperate and it will be easier to recognize who you are.

The ENTIRE FBI must be TAKEN OUT AS WELL, THE ENTIRE FBI, Nation wide, many retirees too.

By now the sting should have arrested the stabbers but they are still swabbing and stabbing like at institutions of any sort or for surgery there's ultimatums and so on. We know people that I guess we don't know well enough. Or trust institutions that are out to get mentally I'll and criminals and other kinds of patients dead. Is it karma? I guess but this situation of nowhere for poverty to go but die don't seem politically correct.

There are reports Klain is actually a blanched obama turd Margaret Sanger ate and then shit out herself after 666 bagels.

Last edited 17 hours ago by Julie

marget sanger? i saw the age gap. 1876-1966?

interesting.

so many of these folks are old age vampires.

that explains everything.

you can't kill something that's already dead.

Well the reported to be DEAD are still roaming around after their terminal visits to GITMO. Still roaming around, DEAD but still doing the same shit. go figure that one out.

another thing, many hollywood members are highlanders or immortal vampires that recarnate and can't be killed.

Keanu reeves from 1530s.

nicolas cage from french revolution and possibly further back.

john Travolta from 1870 and further back.

many others too.

i study this area very well.

many immortals walking among us.

Christians think words of god can kill them, lol.

YES! What a creep! So glad you got him!!!! Swift justice is what we need. I hope that statement he made gets on lots of alternative media i.e. Restored Republic, etc. Bravo!

I fly enough to know most people keep boarding passes on their phone with the little QR code, but airlines still issue paper tickets. I've seen plenty of people presenting them. I have no idea why Klain had a paper ticket.

Maybe because anything electronic can be tracked. If he has an electronic ticket, he must have his phone with him. Old school paper, using a burner phone gives him a better chance of escape.

Jews don't pay interest, just like so many jews do not pay their taxes either. The IRS is a jew employment park.

You said earlier , you have no idea why Klaine had a paper ticket, but you were thinking, you had an idea on why Klaine had the paper ticket. WHAT?

EXACTLY WHAT I SAID B4 I SAW YOUR ANSWER. DEFINITELY & SOME PEOPLE HAVE BOTH BECAUSE THEY R ANAL. I CAN'T COUNT HOW MANY TIMES MY PHONE HAS GONE DOWN OR I SCREWED IT UP MYSELF.

Wouldn't his reservation be accessible from a device that could be monitored by white hats? Although, credit card activity would give him away anyway.

I use cash cards a lot because I shop from home mainly. Not everyone accepts them. Maybe they physically bought it with actual cash. Maybe they had someone else purchase it for him. There's a lot of angles that could be used.

Klaine was most likely running BOTH, he had tickets going to one place on credit, while purchasing a ticket/s using cash , possibly under an assumed name or alias, going somewhere else, this obfuscation and subterfuge used to avoid capture.

I don't think he wanted to be tracked, a ticket tied to an electronic device. My guess is he used a fake name to buy the ticket with cash

MAYBE SO HIS PHONE COULD NOT BE HACKED OR MAYBE IT WAS ALREADY. SOME PEOPLE ARE ANAL & HAVE BOTH.

Well, if he was of the opinion that the White Hats were on his trail and bought a ticket to Poland electronically that could have tipped off the White Hats in his mind. Had someone else purchased the ticket, say for cash, 24 hours before departure in his name he may have had information that he could slip under the drag net? Under stress people do strange things.

Klaine was NOT under stress, you heard what he said to US Special Forces operator. This Klaine is an arrogant zionist satanist jew asshole. this degenerate kike thought he was going smooth sailing all the way to jewland, the parasite state of Israel. NOTHING WAS STOPPING HIM, the HEEBs at Mossad and the FBI had him covered. He thought he would be on the links with Bebe in a matter of hours, with all the other reported to be EXECUTED Deep State Kikes.

I buy from the airlines and always print in case the phone doesn't work for some reason. Also if the govt buys your ticket, the dept that handles travel gives you the documentation.

Most likely Klaine did not want that information on his phone if he knew he was being tracked. I also sense that Klaine was NOT heading to Ukraine as thought but was going to re-route to Israel. Really why would this cock-sucker kike go to the Ukraine, a fucking war zone , so then his wife and kids could visit or be with him in the FUCKING WAR ZONE. This does not make any sense whatsoever. Klaine's family and degenerate friends will join him in THE PARASITE STATE OF Israel. Where he will be protected, The WHITE HATS will not chase and arrest Klaine there, Trump would never have that, Trump is ALL about the jews and Israel . There is nothing that DJT would not do for jews and Israel at the expense of Americans and the UNITED STATES of AMERICA ,The REPUBLIC. TRUMP IS jew and Israel FIRST and over EVERYTHING ELSE, DJT is a DECEIVER, WAKE UP!

Paper tickets are no longer issued, but you can print out paper boarding passes if you want.

Although since you can get paper boarding passes at the airport, there's little reason to print them out in advance.

Last edited 17 hours ago by Bill Kaulfield

The reason he printed or someone printed the ticket was to sneak out without milling around

NOTHING MAKES SENSE, THIS IS WHY THINGS ARE DONE THIS WAY, THEY MAKE NO SENSE. PEOPLE ARE FLABBERGASTED ,WHAT , WHAT ...HOW COULD THIS BE..... Oh , it be!

Most airports have kiosks where you can print your boarding passes now. No standing in line at the counter.

Yes, get your genitalia nice and irradiated like Bill Gates intended. I have a cellphone, but it never leaves a shelf on the other side of the room. It has been there since the Borg forced me to buy it and it will stay there until it breaks.

I have a cellphone for phone calls if needed. No more payphones out there! And its pathetic how people live on their phones. They cant even take a shit without taking it into the bathroom! Tell me things are SOOOO important that you need to look at it all day! “Dont want to miss a text, or someones selfie. Sad times

What are you talking about? People are free to do as they choose....your instructions and approval are not required.

Behaving constantly negatively does not make one appear smart. Try to find the positive in life, Honey.

No, objective #1 is America's first, and last, black, gay, communist, Muslim, Kenyan born pres-I-dent, The Dark Lord himself, BHO, who trained, funded and released the sixth Islamic caliphate, aka, ISIS, who sawed the heads off little Christian boys and girls, ground them up in giant blenders, and fed them to the parents who would not bow the knee to their satanic demon, Allah.

THIS is what the Benghazi coverup was all about – going in to Libya to grab vast warehouses of arms and give them to CIA for ISIS delivery.

I have contacts who have seen the blenders. . Christian women buried neck down – mass execution of families, children.

The crimes revealed at the Kenyan tribunal will make Hitler look like a school boy, and no longer, will white Americans kiss the ass and pander to the *worthless* black race, [America's enemy!] who eagerly voted this s stain abomination into office.

SEE: George Washington's Vision.

I have said it before and I will say it again. Prejudism is stupid and a definite tool of satan.

One would hope to be judged as an individual, not as a race. It is natural that black people would vote for a black president, in order to feel more represented. I felt that way about Hillary representing women~ until i knew who she was. We are all awakening from a state of protracted ignorance.

Your point was that people aren't allowed to coin their own terms. But they are. They do it all the time.

EXACTLY , So it is only NATURAL for WHITE PEOPLE to VOTE FOR WHITE PEOPLE. so WHITE PEOPLE can feel more REPRESENTED. NOT " WE are all ", You are all " or better, " Y'all are "

ISIS, Israeli Secret Intelligence Service, this is REALLY what this entity is, FACT, This is how and why they were getting US Intelligence information and support. ISIS is a TERRORIST OPERATOR and ORGANIZATION

I'm waiting for the IRS to be abolished and all debts to be cancelled including mortgages! Can you imagine, no monthly mortgage payment? Ahhhhh!

They can fly if you throw them off a roof. Not very far usually, but if you ask me that's just because they are lazy.

It looks like maybe an announcement of Trump in office would be one hold up on things like ongoing stabs and swabs. Trump said that he would kill all the drug dealers didn't he? Addicts don't want that. Their existence goes into the votes, or 100% monkey effect. Enough at first has to cause the whole group to see that way.

I keep hearing about a wide variety of med beds.

Controlled opposition. We wait for the real thing. We can distinguish the real ones by their limitations and lack thereof.

So it's his fault all this heinous shit keeps humanity miserable, GOD damn jews.

People have been saying that for, oh, 2000 years or thereabouts. Personally I'm not exactly on the edge of my seat here after all that time.

lol.

thoughts like that are why we are here like this today. cause you think everybody has to be a dog to a made up god of yours and force everyone reading bibles 24/7

I knew when this piece of shit announced his resignation he was planning his escape. Thank you white hats. I'm sure his tribunal will be short and sweet. Bravo!

Not to be mistaken by the one and only Johnny Lunchbucket.

What is it with these trolls who attempt to steal the identities of the genuine article?

There is only one EdBob.

Personally I don't think he was in the public eye enough to warrant a clone. Maybe CGI. but that is costly. And he was leaving anyways...

mmmmmm, they have been “jumping ship” on a regular basis from this regime.....but is it how they filter their people to safety(so called) in ucrane???? and keep the gang together there ??

Thing that concerns me most about Ukraine is that our military has boots on the ground via Poland. There will be a confrontation between Russia and the US (we are evil nato)! I’ve heard the 101st will be a sacrifice to Baal, plus it makes escalation imminent! Until the white hats control the military, nothing good will happen! As they have said many times...”Military is the only way!” Hence, no evidence of progress has been made except through discovery by people who are awake...10% maybe?! Long road ahead!

NATO is Deep State, and ALL who work with its Organization. You “hear” Nothing, you “assume” because you’re a Clown show.

White Hats were looking for austin and garland awhile back, claimed they left the country , Hopefully they will locate them soon...

That was when BERGER was in command, so no wonder the Hats could not catch up with those LOWLIFE DEGENERATE PEDOPHILE FUCKHEAD TRAITORS. Now the the COMMAND has changed things seem to be ramping up pretty well.

NOT Ukraine, they’re in Israel, these degenerate lowlife ASSHOLES are NOT hanging out in a FUCKING WAR ZONE, they are living large in Israel, plenty of porn , pedophilia , golf, homo kink, EVERYTHING THESE DERANGED SOCIOPATHS WANT. WAKE UP!

What is interesting is he left when Biden’s documents were found. I wonder if those documents have info pertaining to his involvement in stealing the election?

How I wish I were free to travel. I’d love to do some Citizen Journalism – staking out the Whitehouse, Tyler Perry replica and Hollywood studio where West Wing sets are located.

Perhaps his job is restrictive and he can only travel when taking a vacation at certain times of the year. Duh.

more like he does not want to take the DoD countermeasures. Wise choice. NO ONE SHOULD

- 1)Employment responsibilities?
- 2)Family responsibilities?
- 3)Civic responsibilities?
- 4)Personal health limitations?

The average American cannot afford to take...let's see, a year's sabbatical...all expenses paid...AND have \$\$\$ to return to former life.

Loser that you are can't figure that out?

Who's talking about a year's sabbatical? He can't take a week off and go to DC now and then?

check out Penguin6 on utube, he has lots of videos he post and he says biden is at the white house

penguin6...there were many comments here earlier about penguin6.. many people don't trust him.. people are thinking he may be in on the 'fake biden ' thing.. some think he is a cia op. don't know for sure...

Same here. I would love to go and investigate these fake white houses and see what is really going on in Washington

Do they still require the clot shot to fly? They must have dropped it since MB is flying places.

No. There were never vaccine requirements to fly domestically. However, some states required quarantine or proof of a negative test to enter if unvaccinated, but those restrictions have been lifted as well.

Why? If he really wants to go, he could find a way.

It's not that hard. Why are you discouraging him?

Last edited 10 hours ago by Bill Kaulfield

Another win for the GOOD guys!

GREAT job Gen. Smith and the marines!

I just can't wait to see all these tribunals on TV. I'm not much for seeing humans killed, but I figure these evil POS aren't human and they deserve to die. Just wish it was a more agonizing death than hanging or being shot.

You don't know that. If I had told you three years ago that crazed totalitarians were going to shut down human civilization for two years over sniffles with a 99.99% survival rate you would have started your zombie retort with "lol" then as well. You know zero things.

Human civilization was not shut down. We worked from home and couldn't go out to eat for while.

Don't be such a drama queen.

Nuremberg 2.0 structures being built in Nuremberg, Germany as we speak. Tribunals set to be held publicly there & elsewhere in late summer~early fall, 2023.

Well you won't have to view the executions but can simply watch the tribunals showing evidence – which is what all Americans need to see! It is long past time for the 'woke' crowd to grow up and wake up!

lol. you humans are funny, lol.

thinking everybody has to watch gross stuff on tv, lol.

many are not interested in watching people who are criminals dying 24/7.

you people are funny to think the whole world including our enemies to hear our politicians being executed for warcrimes.

not a good idea when ccp exist.

If I were in charge, every day would be like the movie “happy death day”... you are almost executed, but nope, maybe tomorrow?! Keep doing this shit every day until they go nuts... then put a bullet in their head! Sign me up!

What a wonderful Sunday Blessing! God is good all the time. Thank you White Hats for taking down another deep state bastard!

I bet this crypto jew had so much michael obama semen in his mouth he is half black. Sources claim Klain was a secret fetishist who could only feel aroused if he wore a ukrainian colored yamika while he sucked Feinstein’s cock as Margaret Sanger fingered her own Star of David arse.

You are awful. What a filthy mouth you have. You should be ashamed to say all of that. Who raised you?

How come it is taking so long to defeat the Globalist NWO? Is Vladimir Putin allied with Commander-in Chief Trump? Yes. In Ukraine, Putin is taking down the US biological warfare labs, the Nazis of Soros, rescuing Russians in Eastern Ukraine and the Donbas, and now has destroyed what is likely a US Adrenochrome producing child torture facility. Children are still being rescued by the thousands by Putin in Ukraine, by other white hats all over the world. We are winning this war. Many JAG courts on US bases around the Earth are trying almost a thousand guilty treasonous criminals each month. The military is the only way to achieve justice and destroy this satanic cult.

It is an ongoing war, winning battle after battle against an entrenched enemy that has been preparing for this war for thousands of years. We have all of the evidence needed, but no honest Judicial

system, no honest mainstream Newsmedia, to bring the evidence before the American people. Do people comprehend how difficult that is? The people have to be awakened and have to agree that the Deep-State system has to be thoroughly destroyed.

Therefore, the indicted criminals are arrested by the military, hauled off to the military JAG courts to be brought to justice in secret. The military does not have the cooperation of thousands of state, local, federal law enforcement agencies, state, local, federal justice department investigators, FBI investigators, to assist them. Do people comprehend how difficult that is? Would impatient people rather speed up the process and half the scum, half the child destroyers, half the depopulation murderers, half the traitors, escape justice? No, lets hang them all.

In their zeal to hang every single one of the Deep State traitors, the White Hats have allowed the DS to keep committing their crimes for years. Why not let half escape, if you can stop their evil sooner? Think how many more innocents would be saved.

Last edited 17 hours ago by Bill Kaulfield

If you bring down the systems and infrastructure they use to perpetrate evil, they won't be able to do nearly as much. It's hard to do much evil as a fugitive, forever on the run.

It seems to me like they did plenty fugitives or not. Do you realize the Bush family is an offshoot of the Nazi system? They let tons of them stay free to mislead millions elsewhere.

Seems like you might be including yourself in that escaping half Kaulfield. No, white hats are removing ALL traitors, so this nightmare won't be happening again to the people in fifty or a hundred years. No, you are out of luck, nipping it in the bud.

Lol. No one is coming after me.

Why are you so threatened by someone who disputes your argument?

so you enjoy controlling people? lol.

so no one can question the narrative of the white hates now too?

thats how you create enemies mate.

ah, lol.

thats a bit much.

who are you to be in charge?

evil will always be here. you can't exterminate evil.

like in assassin's creed. templars always will return no matter the form. assassin's return too.

evil never dies. just temporary death. then they return.

you think Christians and americans are rulers of the world now too?

ask rome how that went.

That's what they did in WWII and now we have to get rid of the families of those that they let survive. It doesn't get better when you do that.

I recommend that this repost be condensed to less words, I fully agree with you, your message is powerful.

“Children are still being rescued by the thousands by Putin in Ukraine, by other white hats all over the world. We are winning this war. Many JAG courts on US bases around the Earth are trying almost a thousand guilty treasonous criminals each month.” Where are links? What are you going by? Is anybody on a site Baxter or the like, anywhere claiming this?

We made it past the 20th. The United States as a corporation has been dissolved. We are now the Republic again. I'm waiting for Trump to be inaugurated on March 4th as 19th President!!! God Bless America!

I know but we gotta have faith. You keep coming back to RRN to read Michael's articles. So you are still hanging on to that hope.

So , if it is dissolved, IRS is as well, and any taxes being sent in should come back stamped, "Undeliverable, Return to Sender" ??

I believe there is a bill before Congress right now to defund the IRS, & let its vestiges fold into the Treasury Department.

received my W2's this week ... tax time is upon us.. hope we hear some good news this year

I heard that Trump was inaugurated by the Military in 2021 (behind the scenes) maybe it was Mar 4th 2021 ? maybe they will show the tape 2 years later ?

So if they are using Tyler Perry's studio for the White House, is that where the Golden State Warriors met Biden and Harris at? It was all over ESPN and Fox Sports and CBS Sports that the Warriors went to the White House?

Do you trust the Globalist Deep-State owned FAKE Newsmedia to report the truth about anything? On Inauguration day Jan 20, 2021 we saw Jill and Joe both try to open a locked White House door with no Marines in sight. After that press booboo, what happened next was censored by FAKE News. We saw a fake early Inauguration parade with no citizenry, but lots of National Guardsmen turning their backs on the limousines. Another press booboo, quickly censoring what happened next. We saw an early (unlawful Constitutionally to do early) fake Inauguration filmed from a

distance with press members questioning what was going on, finally censored, another press booboo. Or was that mess all controlled by white hats?

Penguin6 on utube post everyday about biden in the WH, check out his videos, lots of people comment about the fake WH but P6 says we are being lied to and he has what he thinks is proof of Biden as president living in the WH

I do check out Penguin6 and Nancy Drew (Truth and Freedom Richard Citizen) regularly, and Penguin has no such proof. Nancy Drew is much more believable.

I want to see proof of where the Treasury is supposed to be now located! I think they say Reno?

It is quite evident that Resident Biden and Vice Resident Kamala have no political power. Several times he announced he was shutting down Gitmo, but nothing, zilch. Instead 40 million was issued to build a 2nd courtroom, and more housing for the 4,500 Marines deployed to Gitmo now. A real President would have just shut down Gitmo in a heartbeat, and ordered the Marines deployed elsewhere.

Furthermore, it is blatantly obvious that an actor wearing a mask has replaced Biden, looking nothing like the Biden who was Senator or VP under Hussein. An actor cannot be President without running for President under his own person and winning. Thus, a good reason for the US Military locking the actor out of the DC WH. So, he uses the Delaware stage WH with full knowledge of FAKE News and the political world, which protects him.

Of Course I don't trust the media, they only tell lies. But what I'm saying is that every single player from the Astros, Rams, Warriors all stay silent about visiting a fake WH?

Also, the timing of the 'inaguaration' of Biden was too early. It was required to be at noon or something like that.

makes ya' wonder, don't it ??? not everyone is onboard enough to "not say anything"confusing.....just what they (whoever they "is") want.

The Team Already GETS paid enough to 'not say anything' whether they're on board or not.

Or they can always resign from the NBA.

I say This white house is the one in Hollywood.

Further, whistleblowers in the NFL are starting to leak that they play rigged games, so these players are all on the big money dole already, to stay quiet.

they were probably told if they say anything they will take all their money away from them... they will 'clam up ' in a hurry. turn into. I dint hear o see nuffin

The WH is open for tours, and it seems to me there is some access to the lawn. It would be easy to let visitors in the tourist door and have the pedoJoe and laughing hyena show up to meet them.

It's open now ? don't live there but been hearing it's been closed for 2 years... tent cities in D.C. not as much traffic as before , but as I have heard ' fake joe ' and cameltoe are not allowed in.. would not want to see them anyway..

Interestingly, Penguin6 was unable to catch the Golden State Warriors, tho' he tried. Could be they went to Georgia, to Tyler Perry's place.

either that or it was in Calif. because it sure was not in D.C. White House is closed up... guards on roof..military all around.. keep out.. fake 'Joe' and cameltoe not allowed in..

Most actually are, they squeal like little piggy's and sing like birds but, some are still afraid of their masters and will never talk which automatically becomes their death sentence.

READING THESE POSTS – SO MANY FKN NEGATIVE NANCY’S – HOW MANY OF U DIPSHITS R DEMONCRAPS & DEEP STATERS?? SURE SEEMS THAT WAY!! THIS WAS A GIANT STING OPERATION TO TAKE OUT ALL THE DEEP STATE SLIME FROM THE CREVICES & IN THE TUNNELS HIDING LIKE RATS.

If anything coming out of this Clowns arrest, its bound to make the rest of the Clowns out there very nervous.

That makes for a good day!

I hope we get to here some Intel from this bastard. Also this move may just seal the election for Trump. Nicely done WHs. Lets GO!!

That’s right! We can not forget about our valiant General Berger! Please ask when possible for an update on his recovery from getting beat to a pulp.

wow glad they moved fast, hoping more to come soon. if you follow Penguise6 on you tube he might be in on the fake biden, he goes to the white house everyday and he says he proves Biden is the president and in the white house everyday.

You were told to always be careful who you follow!

Disinformationists & propagandists are everywhere. They are paid to confuse you with lies & propaganda.

NO, I begged him as a spy a long time ago. he is part of the fake biden.

thought milley was arrested last year..awaiting tribunal.. I heard austin left the country, can not be found.. he will be located eventually

I bet Klain has a lot of info to help arrest many many more. The White Hats know who the bad guys are and since we are at war and dealing with treason I would think this would be over quicker if they were eliminated as any enemy should be.

Check on duck duck go Katie Hobbs boot. Also check before its news .The story showed several in the boot in the article,

Yes, heard and saw that too.. very encouraging ..Hope its the kind of bracelet we think it is.. also saw pompeo wearing one. always thought pompeo was a good guy , but never know .. many traitors among us

How is our beloved Marine General (Berger) doing? Patriots hope and pray everything is going well and he's recuperating fast. GOD Bless our Marine Hero.

Hang the Army traitor, the Treasonist who irresponsibly left over \$85B of our advanced and sophisticated military hardware in Afghanistan for the chinese.

Hang these SOBs.

Last edited 16 hours ago by 45-GreatestEver!

He knows LOT of secrets about the deep state, that can help JAG somuch to nsil the bastards.

There is a crime known as ' Misprision of Treason ' I think spelled correctly, meaning the questioned party knew about it but failed or refused to report it..essentially being party to the crime .. (or assisting the enemy) Death penalty if found guilty

Reading this does an old man's heart a lot of good. However, the fraud-machines had in play for some years and the methods of the traitorous secretaries of state across the nation were disseminated to them by the cabal several years before the steal of all steals. And, of course, they're still stealing, but for how much longer we ask! Unfortunately, this (and the Summer of Love) was a necessary preparatory class to the Great Awakening. I speak about election fraud from 1904 in my Episode 25.

Criminal Biden obviously knows why this demonic cos is suddenly departing for Ukraine and therefore knows he is an illegitimate and a hoax president.. Is this dude Biden next in line for his arrest?

Last edited 16 hours ago by 45-GreatestEver!

don't know about that, but thanks for the info...maybe because he's deep state ?

By now it's obvious all those that attended the WEF fiasco won't be around very much longer. It was self incrimination by attendance. They were ALL forced to come out in their last ditch efforts. As for their puppets on strings, they'll more than likely be picked out in random to keep the rest in quest of fleeing.

Paranoia will make a fool rush in.

Why does any enclave like Chevy Chase Maryland even exist?!! Why do we allow these traitors to just keep playing house right under our noses? Rods of god the damn place! ANYONE LIVING NEAR DC IS A TRAITOR AND PART OF THE CABAL!! No ifs, ands, or buts!! The white hat "plan" that blows that we have not seen is like the plan TOMMY BOY had... " I have a plan"!!

Because they live there and they can afford it. Not everyone can, I heard the mortgages are crazy high.

Jedna velká bota by to zvládla jako Švýcarsko, kde jsou všechna vejce v jednom košíku. Ale zní to, jako by se odpuzovali. Příliš pozdě. No, vždycky je tu Antarktida. Stejně jako geotermální, když je teplota pěkných konstantních 35 °F, 60 °F je velmi dobře zvládnutelné s mikroreaktorem a ledem nahoře může být nulový rozptyl tepla, takže nahoře není žádný infračervený podpis. Zvukový výkon se však ponese ledem ve velmi nízkých oktávových vlnových pásmech. Kéž bych mohl být za pět let na vrcholu s převodníkem, zapisovačem map a bojovým týmem mariňáků a desetitisícovým megawattovým laserem.
