Námořní pěchota Spojených států v neděli zastřelila kriminální agenty FBI, kteří se pokoušeli sabotovat elektrickou rozvodnu v Meridian, Idaho, řekly zdroje z kanceláře generála Smithe Real Raw

News.

Za poslední tři měsíce bylo v Severní Karolíně, Washingtonu a Oregonu napadeno nejméně devět rozvoden, což připravilo desítky tisíc lidí o moc, někdy i na několik dní. Po těchto útocích FBI vypsala odměnu 250 000 dolarů za informace vedoucí k zatčení toho, kdo provedl dvojí útoky v okresech Moore a Randolph, Severní Karolína.

Federálové také nesměle zapletli Trumpovy příznivce, kteří se staví proti LGBTQ komunitě, protože sabotéři zasáhli města pořádající trans-přátelské akce.

Armáda nyní tvrdí, že FBI měla vypsát odměnu 250 tisíc na sebe, protože všechny známky naznačují, že neštěstí v rozvodně spáchali zkorumpovaní agenti.

Podle našeho zdroje „pátá kolona FBI“, rostoucí počet agentů pracujících proti Merricku Garlandovi a jeho ohavnému ministerstvu spravedlnosti, řekl kanceláři generála Smithe, že darebáci plánují během Super vyřadit „elektrárnu poblíž Boise“. Mísa, ale tipér nevěděl, která rozvodna bude zasažena. A protože Boise, město s 250 000 obyvateli, a jeho předměstí měly četné rozvodny, chtěl generál Smith znát podrobnosti, než zapojí své mariňáky do něčeho, co mohlo být divokou husou. Takový útok by nepopíratelně rozzlobil lidi a nechal tisíce bez elektřiny v mrazivé noci. Ačkoli některé dřívější tipy „5. sloupce“ přinesly plodné informace – a vedly k zatčení Deep State – jiné byly krach, ztráta času a zdrojů.

Zdroje White Hat, řekl, jsou rozprostřeny na širokém bojišti a generál Smith musí uvážlivě vybírat své boje na základě konkrétních informací, nikoli fám, spekulací nebo narážek.

"Ve velkém schématu věcí se nasazení čtyř nebo dvou nemusí zdát jako velký problém, ale mohlo by to znamenat, že budeme muset mariňáky stáhnout ze současných, stejně důležitých úkolů." Máme omezenou elasticitu a potřebujeme vědět, že využíváme aktiva správně," řekl náš zdroj.

Nechal také uniknout, že mariňáci a členové komunity speciálních operací jsou zapojeni do zámořských úkolů, ale nechtěl by to rozvádět.

Když přišel hrot rozvodny, zeptal se generál Smith: „Boise? Proč Boise?”

Ale oznamovatel vypadal bezradně. Nedokázal říct, zda Merrick Garland nebo ředitel Christopher Wray útok povolili, ani jmenovat polní kancelář – Boise jednu má – odkud se zlověstní agenti vynoří.

"Agenti bojující proti převzetí moci režimem - víme, že se vystavují riziku." Stále si musíme dávat pozor na vlky v rouše a pasti," řekl náš zdroj.

Dodal, že generál Smith strávil dva dny přemýšlením o dalším postupu: buď ignorovat tip, nebo poslat malou expediční jednotku do Idaho. Generál se rozhodl pro to druhé, protože "Kdyby se něco stalo a mariňáci tam nebyli, aby se to pokusili překazit, generál Smith by mu neodpustil jeho nečinnost."

Před nedělním výkopem Super Bowlu již dorazila do Idaho průzkumná četa námořní pěchoty a prozkoumala pět distribučních rozvoden v okruhu 30 mil od centra Boise. Rozhodli se, že každý, kdo je natolik drzý, aby zaútočil na elektrárnu, zatímco slunce ještě svítilo, si vybere odlehlé místo s nejřidšími blízkými byty. Ale žádná taková lokalita neexistovala. Okolní rozvodny v Boise, Eagle a Meridian byly hustě obydlené, s domy, v některých případech, jen několik metrů od bzučících a hučících transformátorů. Velitel čety, který nebyl ochoten příliš roztáhnout své síly, rozdělil mariňáky do tří osmičlenných týmů a umístil je do rozvoden s nejméně viditelným zabezpečením – řetězovými ploty a podobně – a listím, které mohli agenti použít, aby se vyhnuli odhalení.

Hodinu do hry Eagles poráželi Kansas City, ale mariňáci v Idahu neviděli žádné známky sabotérů FBI. V poločase, když na pódium vstoupila démonická Rhianna oblečená v karmínové kombinéze s

pentagramovým páskem, zastavilo se u brány rozvodny Columbia v Meridianu sportovní SUV s nálepkami na nárazníku „Trump 2024“. Čtyři muži, z nichž žádný nevypadal jako federál, vystoupili z nákladáku a přiblížili se k zamčené bráně. Všichni měli na sobě ozdoby MAGA – klobouky a saka, které podporovaly Trumpovu prezidentskou nabídku v roce 2024 – a jeden měl řezáky na šrouby. Dva měli přes ramena zavěšené pušky typu AR-15.

Mariňáci vyzvali čtveřici, která zaklapla bránu s visacím zámkem. Vetřelcům bylo řečeno, aby se postavili a vzdali se, ale jeden sundal z ramen pušku, zakýval nabíjecí rukojetí a namířil ústí hlavně směrem k mariňákům. Nikdy neměl šanci stisknout spoušť.

Mariňáci, vyzbrojení puškami M27 vybavenými supresorem, zahájili palbu a zabili agresory. Při prohledávání těl našli mariňáci několik zásobníků a pouzdro na opasek s výbušninami C4, ačkoli žádný z mrtvých neměl peněženky ani identifikaci. Udělali značku VIN a štítků SUV, které sahaly až k prádelně ve Wilmingtonu v Delaware.

Mrtvým, řekl náš zdroj, byly odebrány otisky prstů a White Hats s přístupem k integrovanému automatizovanému systému identifikace otisků prstů porovnali dvě sady otisků s agenty FBI přidělenými do kanceláře FBI ve Spokane, Washington.

"Nemůžeme vyslyšet mrtvé, ale teď alespoň víme, že FBI je spoluvíníkem útoků na rozvodnu," řekl náš zdroj. "Co je horší, dali jsme důkaz MSM, ale oni to odmítli vysílat, a ano, to zahrnuje Fox, OANN a Newsmax."

Mimochodem, v úterý jsme se zeptali našeho zdroje, zda se White Hats podívali na vykojení ve východní Palestině, protože obyvatelé onemocněli v důsledku úniku vinylchloridu do vzduchu. Real Raw News také slyšely nepodložené zvěsti o společné pracovní skupině EPA-FEMA zabíjející hospodářská zvířata a domácí mazlíčky poblíž vykojení. Náš zdroj řekl, že se na to „kouká“, ale neměl žádné další

informace, které bychom mohli sdílet. Také by nekomentoval příběhy o hordách chodících raněných, údajně způsobených petrochemickými látkami, které mění mysl, potulujících se ulicemi.

The timestamps are behind on the RRN comments by at least ten hours. Meanwhile, Merrick Garland gave a speech in St Louis yesterday discussing 200 Million being dished out to community groups aimed at reducing gun violence. Just feeding the Cabal's street members to keep the Democratic operatives alive and well. He also gave a speech in DC on Monday. Whether he is the real deal or a body double- he is not hiding.

I hope that when they release the evidence of these events that RRN will get the first shot at releasing some of it – after being the only site with the connections & the stones to publish it.

Yeah let's see. I suspect that we will never see any evidence of anything ever published on RRN.

I am making \$100 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning \$16,000 a month by working on a laptop, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this site... **www.Payathome7.com**

“What's worse, we've given the proof to MSM but they refuse to air it, and, yeah, this includes Fox, OANN, and Newsmax.”

– Not shocked at all.

-> Glad to hear Battles are being won.

What happened to the dead bodies? What is news expected to say? What could have been the scenario played out if these guys succeeded? Is any of this on camera? Why would security of such an important place be so easy to breach after all the other recent substation attacks? Boise is freezing so seems could have been worse.

Could deepnstaters come back and try attacking any place else? What could be expected people could or would do if they knew they almost got a serious deadly problem?

Since they got their fingerprints, most likely the Marine Recons took the bodies with them, ran the prints, put them on ice with a FBI tag on their toes. The C4 belt pouch was checked to see where it was manufactured and purchased. The bolt cutters where it was purchased. Perhaps the two not identified were ISIS or Blackrock mercenaries. Wouldn't be surprising at all, would it? Could have been a lot of evidence left out of the article for security reasons. Would apply to all articles. News is expected to censor, which Faux, OANN, Newsmax obeyed obligingly, more than likely because their families are threatened with death. Why don't white hats protect reporters? Most of us wouldn't lift one finger or piss on FAKE News reporters if they were on fire.

If there on the air, they are part of the problem. We do know this much. Other than that, we are in free fall

JEWS PRETENDING TO BE WHITE ON TWITTER PUSHING ANTI-WHITE PROPAGANDA (SEE PDF IN DESCRIPTION)
[bitchute DOT com/video/qLu8PrYkad5I/](https://bitchute.com/video/qLu8PrYkad5I/)

Thnx Elon!!!!

But we already knew this was going on.

“They” are desperate soulless muTanT's, and will do whatever it takes without regard for anything, but “their” objective.

NO QUARTER

I am pretty convinced now that this site is not about the money, it is about true, honest journalism. The stories as well as the comments from the patriots. Dr. Baxter will end up totally justified. when the EBS rolls out.

Caught in the act. Armed as well. No move to surrender. Execute them. Possibly arrested and detained. Many in the deep state will not talk. Obama will defend me. We would be talking a murderous traitor here, an enemy combatant. I offer some French advice. I guarantee, The French will make you talk. How, you may say??? after whooping up on you real good, depriving you of both food and sleep, The guy walks into the room with a little pot, some canned heat and some pure lead bars, which he begins to melt in the pot what's up with him? "He is preparing the enema we are going to give you if you won't talk" "he is going to put that hot lead up my rear end?" Oui Monsier!! hold it, hold on stop, alto, halt, finito! I have changed both my mind and my heart, I WILL TALK, LET'S START OVER, I WILL TELL YOU EVERYTHING IN DETAIL! DO NOT POUR THAT HOT LEAD IN MY BUTT!" As I said The French will make you talk.

feb 16th 2023 the satanists are in the process of literally destroying the usa.... where is the obese vax pimp or the military white hats? lmg sitting in a dumb with jfk laughing at the satanists murdering us?

So, what do you give a shit for? All you've done is negate anything anybody ever wrote here. You're a freaking Troll.

Your statement seems to imply that you could trust the government if a different puppet, I mean politician, were "in charge".

Assuming your statistics are accurate, that would mean that 2% might be capable of critical thinking, and of the 16,694 viewers thus far, that would be at least 333 people capable of ascertaining the truth. There is always a remnant.

except the numbers you see are fiction. when a new article comes out, within minutes it has over 10k views which is highly improbable

MICHAEL BAXTER: I have been very active asking alternative channels to contact you to get the press release from General Smith's staff. I am now metaphorically bloodied and disabled from the backlash. My requests were mostly ignored, but for those who responded, without exception they disregarded RRN as...

a FAKE NEWS SITE...

has ZERO CREDIBILITY...

uses HUMOR, SATIRE, and PARODY...

(as stated in RRN's DISCLAIMER), and

USES ONLY UNVERIFIABLE and

** ANONYMOUS SOURCES! **

I gave them hell and shut them up, but none of them would consider taking General Smith's offer of a press release, because of an industry-wide belief that RRN is FAKE NEWS, partially based on your own history in website development and financial promotions, partially due to the legal disclaimer, PRIMARILY DUE TO ANONYMOUS SOURCES, and because there is ZERO VERIFICATION OF SOURCES or statements of fact in RRN reports.

But ANYONE CAN SHOW that EXECUTED PEOPLE ARE STILL ALIVE TODAY! (they may be clones, but the masses don't have a clue about clones).

I assume at this point that alternate news sites of any significance have already concluded RRN is completely fake.

I know it's not fake, because all reports are consistent with each other and with the personalities of all characters referenced in them (down to particular detail), and they are consistent with Law of War Manual, with the US Constitution, with recently declared US Emergencies, with past military operations, and with JAG and court martial procedures.

But the vast majority of potential readers only know what all the other (competing) news sites say about RRN (it's fake, satire, parody, blah, blah, blah...)

WHAT CAN ****YOU**** DO TO LEND CREDIBILITY TO REALRAWNEWS?

**** HELP US MICHAEL!! ****

It is shocking that an alternative news source that is famed for being factual wouldn't automatically accept the opinion or suggestions of someone named Mickey Mouse.

Do you think he is actually calling himself Mickey Mouse when he is addressing someone in a professional capacity? We all use fake names here for OBVIOUS reasons. Sounds like wind to me.

Do you think that he is actually using his real name with other alternative media sources? For OBVIOUS reasons, I doubt that he is, but I'm sure you are more of an expert in wind than I am.

sounds like a good point to me!

I mostly surf Rumble because it generally does not censor. Moniker is RealMooseMan.

Come on man!

“Captain America” was already taken. :^)

But no, I only use “Mickey Mouse” on RRN and questionable sites.

Why would MB help you? People who support him are not deterred by millions of naysayers — they don't need a proof, they just need MBs approval.

They should've shot them in the legs and just maimed the bastards, then take them into custody to.....well ... You know the rest

No. Shoot to kill, always. Take him down. Wounded are still dangerous, a killshot to the head. Miss that smaller leg target, the Marine dies.

Legs don't aim or pull triggers.

“Their” choice is/was perfectly clear, so is Mine.

Clones are programmed for one thing, even then there is No guarantee their info is valid.

NO QUARTER

For the fourth time straight, i.e. the foregone recovery of the Amphibious Assault ship and the two cloning labs and now three non-resisting FBI traitors.. Valuable people and equipment were not recovered or captured but neglected in planning and lost. When are the planners going to realize they serve us best by recovering ships, aircraft, other material as well as potential informants and highly skilled staff technicians?

The Amphibious Assault ship was anchored next to a Venezuelan naval base filled with warships any one of which could have sunk the defenseless Boxer crewed by 32 Seals, not trained in operating a large ship in shallow coastal waters. The disabled engines will keep it there. Later, it can be retrieved from a defeated Venezuela.

Capturing prisoners adds a great danger element to an assault mission. Take no prisoners. Get in fast, get out fast before enemy supporting forces arrive,

UTICA, OH — Locals are rejoicing this morning at the news that a nearby food production facility made it through another night without being burned to the ground like others all around the country.

“Wow, what a beautiful sight — seeing Walt’s Soybean Corp. still standing tall and unscathed,” said local woman Pam Gohr. “We’re not sure how this happened! It’s a miracle!”

Sources say residents had expected the worst after the recent

torchings of the Amish Corn Co-op, the Piltington Dairy Farm, and Bawk-Bawk Egg Collective due to mysterious unseen forces that are in no way suspicious or coordinated. “The TV told us these are all a coincidence and that we shouldn’t worry about them,” said Gohr. “Then a commercial for fried crickets came on. I’m sure everything’s fine.”

Authorities are urging locals who see suspicious activity around other food production facilities to keep walking and not report anything because nothing is happening that anyone should worry about.

“There is absolutely nothing to see here,” said local FBI Field Office Director and BlackRock consultant Ted Smith. “We urge everyone to just do their jobs as citizens and watch more Netflix.”

At publishing time, sources had confirmed Walt’s Soybean Corp was on fire.

Sometimes we need a little humor to keep or regain our sanity. This article was from the highly accredited Babylon Bee, not to be confused with the Babylonian Legacy News Wire.

The only good thing about Soya is the fermented Soya Sauce, Soya would be much better utilized by plowing it back under for field restoration of nutrients for other non-GMO crops.

LMao @ netflix muTanT programming.

I have no intention of defending soy or GMO crops, but I would prefer soy products to starvation or drinking water from the creek in East Palestine, OH.

The plant survived because it a soybean corporation, go do some research on soy products , yes they are a food source and yes they are PROBLEMATIC. GO check for yourselves , soy products are not good.

Mr. Baxter , So all of my posts made yesterday at this story have not survived. I made more posts today, lets see what posts survive today. Maybe you can clue me in on what seems to be the problem. Till next time.

Quality and content are just fine, I have been posting and commenting here for quite some time, my inquiry was directed to Mr. Baxter, but thanks for your response just the same.

Wording is scanned and held for approval, they don't approve the face site. They don't approve dot com links. People are wording them expecting others to write it in their browsers accurate.

I have been posting and commenting the same way , I am aware of the other things you have mentioned, thanks.

Dave, you need to hit the 'refresh' on your browser, then the website catches up.

I hit the refresh every time I visit, then again after reading a while.

“We find by an unanimous vote that no widespread fraud took place in Georgia 2020 presidential election that could result in overturning that election.”

good thing trump wears diapers when he hears this news lol

Do you really think anybody has that kind of reaction when all the alleged fact checkers agree on anything? You may be more naive than I thought.

I really loathe that they fake 'dress up as Trump supporters,' while they do their crimes, to try to blame MAGA. These three-letter agencies are rogue as hell. They are not real Americans. Good job, fellas.

The Hisstory books, lolol. Right off the bat, bells and whistles. Books are made for indoctrination

Its as obvious as scooby doo pulling the mask off of imposter. Think about it, why is the blond haired dude called Fred as in Trump with blond hair. Trumps fathers name is Fred. Scooby Doo where are you was made for this moment in time. Back to the future.

Just curious, did you also loathe the patriots that dressed up like Mohawk Indians at the Boston Tea Party?

why wouldnt they... its not like drump or these cowards spoken about here are actually gonna do anything about it.

Saw a ccp military parade video. Very impressive. I do not know how they got so many male AND female chinks to look like they are half black—not just in skin color but in facial bone structure. Blacks have incredibly strong bones. Well done ccp!

Why are the Mormons being called satanic? They believe what we do and they have more history to guide them along. They learned by talking to the American Indians that Jesus Christ actually came to them before he left the Earth and taught them what they needed to do to keep this land, but they didn't keep His teaching so they fell when we came across the ocean. They have a knowledge about America that we just simply rejected because we were greedy and wanted it all for ourselves. Our attitude probably would have been different if the Indians would have stuck to the words of Jesus. He is how they knew about the "Great White Father." The history that they knew about and accepted was severely unpopular with the government of the United States at the time. I am not a Mormon, but I did take the time to learn from a friend what the fuss has been about.

This 85 year old was brainwashed with Mormonism since birth and served in many high leadership positions including Bishop. When they started pushing the depopulation deadly Covid vaccines/jabs that have murdered and injured millions i quit the church. They are totally involved with freemasonry and Masonic secret societies and moloch offerings including secret handshakes and slicing of throat from ear to ear, removal of tongue and heart and bowels. Many of the top leaders have been arrested and will undergo military Tribunals. The Satanic ARRINGTONS have been exposed. And on and on and on.

Well said... ALL Re-Legions were created to divide and conquer. The one god that they speak of is satan. Satan wants to lift his throne above the clouds of heaven and be like the Most High. No mention of the term GOD, The Most High Creator is who He is, satan thinks he can usurp that, lololol, satan is a joke who has changed everything. ALL Re-Legions are compliant to 501c3, part of the government, control-mind, mind control. Millions of people across the world are involved, the minions of satan and his secret societies

collusion among IRS and Church of LDS.

“A \$100 billion investment fund owned by the Church of Jesus Christ of Latter-day Saints is being investigated by the Securities and Exchange Commission, which believes the church tried to keep the massive portfolio secret, The Wall Street Journal reported late Friday.

Ensign Peak Advisors Inc., an investment management firm in Salt Lake City, is owned by the LDS Church, which is also headquartered there. The company only began disclosing its investments in SEC filings under that company name in February 2020, the newspaper said.

Certain investments, such as U.S.-listed stocks directly managed by the firm, must be disclosed in SEC filings. The Journal said those holdings “amounted to roughly \$40 billion” as of Sept. 30.”

[washingtontimes.com/news/2023/feb/10/sec-probing-lds-church-investment-firm/](https://www.washingtontimes.com/news/2023/feb/10/sec-probing-lds-church-investment-firm/)

The “hidden Sovereign wealth fund has 250% from \$40 Billion to \$100 Billion in the since January 1, 2021.

Australia, alone, is seeking \$20 Billion. From LDS for tax evasion in Australia....LDS was using tax-avoidance schemes used by Apple and Amazon. It's not a crime to make money, nor is it a crime to avoid taxes.

But lying and deceiving IRS and SEC, is unacceptable by any measure.

Time to stop being fooled by all the types of Jesus religions.

You must know the truth and the truth will set you free

Jesus Was An Invented Character The Piso Family In The New Testament | Part 1 [youtube.com/watch?v=5SHtPtwDf68](https://www.youtube.com/watch?v=5SHtPtwDf68)

‘THE PISO FAMILY IN THE NEW TESTAMENT’ – The Pisos felt that they had a ‘right’ to make a new religion based on Judaism, because they were descendants of the Herodian/Hasmonean hierarchy that appointed the Jewish High Priests. Arrius Piso was called ‘Mountanus’ in History. His name was Arrius, which is ‘Mars’.

bibliotecapleyadesDOTnet > sociopolitica > esp_sociopol_pisoo2b.htm

Pray only to God, The Infinite of ALL that IS.

find out who you are praying to when calling on Jesus. The Great Teacher that the Caesars modeled their fiction of Jesus on was much more than you’ve known. Was not Jewish and lived a very long life.

YOU WILL NEVER FIND ANY TRUTH THAT THIS FICTION OF JESUS EVER EXISTED.

Thanks for the link this is the kind of info I enjoy and want from the site not the BS personal attacks and suppression of free speech in the comments.

Great stuff on Telegram about Med Beds. How does one get in line for one? Looks like a space spaceship will be involved.

NO. The real med beds are entirely free. Only the military have them at present. They will be available as soon as we have secured our freedom.

Where did the existence of “med beds” first come from? How do we know that the story of their existence is true?

Well your belief system will ensure that you are last in line. Better for us.

They are real. The only reason they aren't real to us is because the Medical bastards and the DS are making sure that we don't get them. Their cash cow would be utterly gone. LOL

I heard companies are making many med. Ed's and they are not the same. I real med bed has an ET RIGHT THERE WITH IT.

Great work from the Marines!! I think this is just the tip of the iceberg as far as the crooked FBI is concerned. But time is running out for the DS & it's stooges, they will pay for their crimes for certain, in this world or the next!

I am making \$100 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning \$16,000 a month by working on a laptop, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this website... **www.Payathome7.com**

Make no Mistake, #CIA (of #GWU) Sabotaging Trump's Administration and subsequent Presidential Campaign comes down to the same.

God bless the Marine and all who helped on this .Thank them for being the change for the better world and universe amen. God bless us all Amen.

We are here for a purpose. You patriots are doing great. Of course they are spying on us. Awakenning the people frightens them.

We are dangerous, an unending impediment to their lies and propaganda.

How come it is taking so long to defeat the Globalist NWO? Is Vladimir Putin allied with Commander-in Chief Trump? Yes. In Ukraine, Putin is taking down the US biological warfare labs, the

Nazis of Soros, rescuing Russians in Eastern Ukraine and the Donbas, and now has destroyed what is likely a US Adrenochrome producing child torture facility. Children are still being rescued by the thousands by Putin in Ukraine, by other white hats all over the world, by our Special Forces. We are winning this war. Many JAG courts on US bases around the Earth are trying almost a thousand guilty treasonous criminals each month. The military is the only way to achieve justice and destroy this satanic cult.

It is an ongoing war, winning battle after battle against an entrenched enemy that has been preparing for this war for thousands of years. We have all of the evidence needed, but no honest Judicial system, no honest mainstream Newsmedia, to bring the evidence before the American people. Do people comprehend how difficult that is? The people have to be awakened and have to agree that the Deep-State system needs to go, has to be thoroughly destroyed.

Therefore, the indicted criminals are arrested by the military, hauled off to the military JAG courts to be brought to justice in secret. The military does not have the cooperation of thousands of state, local, federal law enforcement agencies, state, local, federal justice department investigators, FBI investigators, to assist them. Do people comprehend how difficult that is? Would impatient people rather speed up the process and allow half the scum, half the child destroyers, half the depopulation murderers, half the traitors, to escape justice? No, let us hang them all.

Glad to read this, Mr. Davis, but could you reply to unpack your idea of how “speeding up the process” would inadvertently allow some traitors to remain living among the rest of us? Our daring and resourceful masked rider of the plains, Mr. Juan O Savin, also “hints” that there may be some secret reason, but he, also, never quite explains. Furthermore, have you any idea of why this “need to go slow” might be related to the White-Hat reluctance to give more facts to we, the awakened ones? Not arguing, just asking. wwg1wga

Well, the white hats are allegedly following a concise plan, carefully drawn up over the past decade, or even longer ago. Trump was officially recruited in 2015, but it was likely several years prior to that. If they rush matters, criminal traitors who are carefully hidden might escape disclosure or capture. Carefully handling those who are captured and interrogated over many days will result in the exposure of many of those hidden. Many were killed in the hundreds of collapsing DUMBs and tunnels, their identities unknown. By sticking to the plan, those identities might become known, and their names crossed off the lists. Some of the 13-bloodline families have been killed in their destroyed underground Bunkers. Perhaps the white hats could discover which ones. None of these monsters should escape this retribution lest they begin planning their NWO all over again. White hats are still rescuing trafficked children and slaves also.

Fair enough, but the WH's have had f'n DECADES to get this shit sorted. And yet we still wait.

How much longer will Americans have to wait? Had the WH's struck decisively and pulled their wide net resolutely, I wonder if all these chemweapons in trains would have been released? I wonder how many girls would not be getting raped in border towns by illegals?

This is what trolls do. Just like this. Real patriots do not act like this. They find a way to be helpful, & do it.

The one and only tag-team troll turd Jason-Julie or is it Julie-Jason?

Where, who, how killed in underground bunkers? I like to read about these things but no links. Some satanic places remain untouched and said to go deep underground like GETTY museum in Brentwood LA Malibu mountains on the coast of CA and it's said to have been built for the queen of England's end times bunker cities.

There's said to be control rooms for running surface earth down there that could restore the earth to a garden of Eden fast. There are secret levels under the hospitals going down, at least 14 levels. there are

levels put on YT but only 4 levels under the Hollywood sign where they watch the surface area in Hollywood.

All these beings working underground with camera's aI can guess is the all seeing eye, just technology but it's said to be unimaginable.

Surface earth has been set up to be a blood and loosh factory for basically vampires as far as I hear and they are using voice in the head technology and dreams against the humans. The NWO shadow gov is these beings I don't hear of much. They control the doctors who are all said to be microchipped in med school. They must live and work in the underground of all the hospitals. Doctors used to ask me for sex when I was in my 20's. I could tell that medical field was loaded with very handsome buff immoral doctors.

I think there's unimaginable things big time yet to be discovered and the cov19 proved how many science and medical persons are involved. The chemtrails in LA have never been worse lately.

I'm hearing terrible things about the prisons like they are loaded with illegal drugs and no prisoners are getting their commissary packages, and to this day many females trading sex with the guards for privileges and drugs coming from the jail guards.

Half time at football is the usual evil, so in many way's nothing's changed. People are still piled up in the slums and running drugs. People are still getting voices in the head and trashing other's cars or crashing, and drinking and driving. Liquor stores are still in business so it's creepy. There's arrests all the time but it's sad with how many are drinking and drugging and the fentanyl.

I like Trumps plan of getting rid of all the drug dealers but it hasn't started. Seems it should include a lot of pharma and liquor stores. That's my guess. To focus on illegal drugs get's pharma off the radar while they have not detoxed or recalled the arm stabbed.

They have the new agers promising the great upcoming solar flash will take care of that. It's not supposed to happen until we get to 5th density. In the meanwhile the bright sun is covered daily with some planes spreading the worst ever chemtrails and people left wondering how military can't keep them grounded or destroy their facilities.

'The plan to build cities in the desert when they can't go more than 15 minutes away sounds like a better prison system if they use it for lowlifers that otherwise become addicted, homeless streetwalkers, criminals, sex crazies, etc.

I like Trumps plan for now, the drug dealers, kill them all, and the migrants are overloading USA with their drug and liquor freaks, but for what's priority, I think the chemtrails blocking the sun are making people miserable the most. Kill that program first. As for biggest drug dealers, I heard from special military forces 3 different times, "the military is bringing in all the drugs and if you think anything else, your stupid." "Cov19 lockdown navy brought a huge shipment of drugs to Seattle" that was William Mount on YT. The others I knew in person.

Giving us more facts will result in supplying the enemy Deep-State with more facts also. So the white hats are supplying us just enough facts in their planning to hopefully deny the enemy, but combined with our extensive research we can reasonably put two and two together. None of what we get is written in stone, while some of what we get is undeniably deliberate disinformation, very confusing and irritating to the enemy agents in our midst. One of them becomes so angry, he openly wishes death upon us. Be real nice if MB would ban him. Up to us to decipher which is which to our own satisfaction.

Well said, Davis. Real patriots know what's happening & why. Apparently, 3% of the general population are psychopaths, malignant narcissists, & they try to rule the roost & control everyone else, making them miserable. It's a full-time job with them. Driving them out like rats is the best way to go, from every community. Then, the

people can live peacefully. People, stay together, throw out the baddies, & the rest of y'all, grow up & do some research for yourselves. This is a quiet WW.

Ever open a closet full of cockroaches and thousands scurry out and scatter They can't stand the light I did ,one time ,when I worked in a hospital opened a closet to find a book i needed/ hard to get rid of deep state, like cockroaches

the joo york times in an article (sorry can't remember when it was) inferred that the first amendment is a threat to public health and to democracy

Please remember that we are a republic. Democracy does not guarantee freedom. Does anybody ever notice how the Communists keep calling our country a "democracy". Communism has democracy too , but all you get to vote for is another filthy Communist.

Ah, the complexity of the ancient art of war aka Sun Tzu. Thank God, we have big bad orange man leading us in this fight/war who is a master in 5D chess in addition to being an expert in SunTzu. Lord have mercy on us. Blessings,

If they had done a more thorough job with the Nuremberg trials we might not have had to do today what we are having to do now. We have learned from that mistake thank God. We must now get rid of ALL OF THE NAZIS.

Does anyone wonder why we don't hear about any of this in the MSM? They are just as guilty as those being punished! As long as children are being rescued, we won't hear the Emergency Alert System go off. They say patience is a virtue! I know I'm ready to get on with this shit show! Is my county sheriff a good guy or a bad guy? Is your county sheriff a good guy or bad guy? This extends from every level in government from the top to the bottom! Well done Michael, your comments are spot on Brother!!

Thank you SeaDog. I try to keep it correct and understandable. Yes, the Globalist owned Mainstream Newsmedia is 100% guilty and will take their turns at the gallows. But the FAKE News rats are so blatantly against us, they are hanging themselves and waking up millions with their absurd vitriol.

That's just it. The longer we wait for the idiots to wake, the more trains will 'derail', the more rapes at the hands of illegals.

Empower yourself in your own situation. Take some concealed-carry training. Practice being smart. Use situational awareness. Don't put yourself in stupid situations, large crowds, or questionable circumstances. Lock your doors, put dowels in your windows, get a dog. Constant complaint~~ not helpful. Thanks.

THE longer WH's wait, the more trains will 'derail' and plume poison over our country.

Great plan!

From what i've seen on social media, it is mostly the trolls who are complaining about "*things taking so long.*" They try to sew discouragement. I toy with them politely, until they show their true colors. So~ no worries. Real patriots stand at the ready if you need us, & we think y'all have done amazingly well!!! We wish for a little bone of financial help if possible, & we're good. We hope & pray for med beds to be available in time for our loved ones who were stupidly misled. Other than that~ keep going! Take as long as is required. We are here if you need us, while trying to find ways to be helpful to our mutual cause. Godspeed, & God bless!

That's great the military have taken out a few wanting to have us lose power for a few days, but how about train derailment and poisoning of entire communities??? Cuz I know, I for one, would much rather deal with no electricity for a couple days, rather than being poisoned! Dear Father who art in heaven, please give us this day our daily bread and send your breath over our world!

Your government has YOUR best interest at heart! It took me about the last five years or so to figure out that was total bullshit. They don't give a damn about us! We have to take care of each other and that is the bottom line!! They aren't going to help us, they would rather kill us all.

Amen and our father in heaven ,remove any and all spells placed upon our great country and it's brainwashed people in JESUS NAME "Obedient think of themselves as virtuous ,rather than cowardly"

With the enemy mainstream FAKE News lying to us constantly, censoring, we really do not know what is reality in the news world do we, unless we experience it ourselves. Those tankers in Ohio could have been filled with something less deadly. With the Feds caught going around killing animals, chickens, dogs, we just do not know what is true because we cannot trust the mainstream reporters with most of the news.

Stop downvoting people who VERY mildly use sarcasm in response to what someone has posted. What a bunch of thin-skinned pansies.

Let's poison them all... yup, that is your government for you! I hope the residents there decide to revolt against their local government!

LOL. Revolt? hahaha. Americans revolting amounts to calling their reps and telling city council they should be ashamed. And that's a hefty workout for some lardasses in the US.

When we were kids, we would have said, you have a case of 'the screaming meemies.' Not helping.

Mind control from the underground using addicts is rampant. They are watching everybody and everything and a lot of controlling these bad events from secret places underground.

Follwing Fukushima, Dr. Emoto put out a request that everyone everywhere pray over the water, to see it already Clean, Clear, Healthy. Research his work online. Prayer over water is extremely

powerful, because it is so conductive, & restructures itself readily. See it Clean, Clear, & Healthy. Pray that.

Prayer is good but it has to be combined with determination. The pollution of our food and water supply and the air we breathe should not be taken lightly. Maybe we need more screaming meemies, eh?

Drugs or adrenochrome can motivate people to do these jobs. Super Soldiers report doing bad jobs like that under control with microchips and alter personalities, and I don't know what else, but I can guess there's someone from an invisible place working the situation. Too many mental patients report that kind of voice in the head and mind control.

Dindu nothin

The elusive Dindu's are a provocative sub-species. They are fearful people quick to anger, but they will run way quickly when they do not have the majority.

Were these arsonists FBI feild agents or paid operative mercenaries? Or both?

Is there an actual civil war between White Hats & Deep State?

Will there be a new hybrid army composed of US marines & US marshalls- the only agencies with proven loyalty to the U.S. Constitution?

Last edited 1 day ago by Pepe Penname

They use microchips and drugs and voices in the head, to control them to do evil things. There's from what I've seen, not a chance these guys were pure in the blood or not mind controlled. That's a key to control and the military hasn't disclosed here what they did with the 4 dead bodies, autopsies, etc.

They come up with people that would rather be dead than not get the next fix. Don't want to live without sex fixes either, and a chemist told me Pfizer sent many sexy babes to his house to get him to sign on. He finally did and suddenly he went from the Pillsbury dough boy look to super buff and a lot taller. Just on the news in LA they showed how the streetwalkers have graduated from heels and legs sticking out to string bikinis in the winter.

All of them, use a fentanyl and meth mix. They don't feel the cold. The news said there were as many as 50 cars lined up with dudes waiting. The point is there's mostly men that won't live without a lot of sex. Sex is part of how they pay the guys. Lot's of it.

It took chemists to figure out a chemical explosion to happen so this is organized by a lot of people. The 4 that got shot, bodies went where and how transported? They would likely have military autopsies. Likely have some kind of strong drugs in their blood and hidden in a secret compartment in their vehicles or at their hotel rooms. They use adrenochrome and fentanyl to control Hollywood and they use drugs to control these thugs but these kind of hits come from a lot of organization along with the 4 hit men Trump looking fans. It sounds like they wanted the explosions to be blamed on Trump which seems lame.

Boise is in the Bible thumper belt although they wrestle with addicts daily in huge numbers. Medical care workers have often been caught on meth, even CNA's and nurses in Boise and I was there knowing them or hearing stories where my mom worked as a CNA. Bible thumpers and football goes together out there and they don't seem to know how evil football is. It's violent devil sports. Win Lose competition mentality. Football games should be illegal. People get psycho, scream and yell at the tv box, get drunk for it even at home, have gambling bets on it, and rivals rock concerts. Head injuries burden a lot of players. It replaced gladiator fights, where they kill each other for the beautiful women prize.

I don't know how that would have played out had it went down and exploded but it's below freezing in Boise for months every year. Residents tell me the CA migrants fleeing the fires, drought, then the cov19 lockdowns, tripled the housing prices for a freezing state.

I wonder what else these destructive people can dream up to do. There must be a major plan and list of all evil places on the surface and below. The white hats haven't gotten around to GETTY MUSEUM in California which is the highest level satanic operations.

The Lord is waiting on his Church, and his people to repent. This is his battle ! Waking up to Christ and saving your soul is what he is waiting for. This battle will be over in the blink of an eye and no more loss of innocent lives if we seek him and repent. That is our job ! I hope those soldiers get down on their knees and pray for his protection and intervention ! He wrote the book. He knows the end from the beginning. Repent, turn from wickedness and pray for his return 🙏🇺🇸

That doesn't mean we don't stand up and fight back alongside the white Hats, we are patriots too and we want our country back. We are not sitting around doing nothing, we all do our jobs too taking down the evil hombres and defending the kids. For the kids, we fight the most, and President Trump fought the most for them, above all else.

No argument from me. When Jehovah Yahweh aka God Almighty acts, he does so in the twinkling of an eye which is a lot faster than the blinking of any eye according to Biblical scholars. Speaking of Biblical scholars, it is their consensus that early Christians wrote the Bible with divine inspiration. Not meant to split hair per se. Lord have mercy on us. Blessings,

I am making \$100 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning \$16,000 a month by working on a laptop, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this website.. **www.Payathome7.com**

Mr. Baxter, I'm listening tonight to the latest "interview" with Senor Boots. Can we obtain from you a professional reaction to his latest statements? I note that the anti-RRN talk began Fall 2021 and during it all Senor Boots' comments were the mildest of all (although I believe that he instigated these verbal attacks and I believe that he controls all of you, including yourself). With that as prologue, I now recap his very recent statements as follows: "There's all sorts of bullshit that's out there about the tribunal system...however, let me qualify it...[retired experts in necessary fields have been sequestered] and it would appear that there are some tribunals occurring at this point...how many...a very tiny number...but why is that important...because you're [compiling] a basis...but these names are probably people you've never heard of...there are [patriots] who say nothing's happening...bullshit...graft on a global scale...how do you address that legally...it's a process they know is coming but what you've got to do is to SLOW that process or to CLOUD it...[so they won't destroy the evidence]." My episodes theorize that Senor Boots is buying time, but for a different reason: that of not awakening America's "Terrible Tenth." He may be "a kid by the side of the road," but WE are ALL kids at knot holes in a vast construction fence. With even a FEW more facts, we can trace them to their causes and achieve better understanding. See episode #38 for the inherent limitations of the Cabal mind. Mr. Baxter, your thoughts (reactions) might seem insignificant to YOU, but to OUR intuitive minds (a common patriot feature) we can run with that ball. And they will never see the touchdown. But it would mean a lot to us.

I have been saying this since before DJT was sitting in the Oval Office, the TRUSTED US MILITARY, US SPECIAL FORCES and US SPECIAL OPERATIONS UNITS NEED TO TAKE OUT AND TAKE DOWN THE ENTIRE USDOJ and FBI, USING EXTREME FORCE and EXERCISING EXTREME PREJUDICE, THESE TWO ELEMENTS OF US GOVERNMENT LAW ENFORCEMENT ARE CRIMINALLY CORRUPT AND CRIMINALLY COMPROMISED and have been for DECADES, THEY ARE A CRIMINAL CABAL UNTO

THEIR OWN, THEY ARE ACCOUNTABLE TO NO ONE, THIS IS FACT, they have been operating in collusion with criminal elements within the US INTELLIGENCE AGENCIES, foreign governments and GLOBAL CRIMINAL CABALS and ESTABLISHMENT INBREDS AND ZIONIST SATANIST JEWS, ALL OF THIS TO THE DETRIMENT OF THE UNITED STATES OF AMERICA, THE REPUBLIC , the AMERICAN PEOPLE and WORLD WIDE HUMANITY. The AMERICAN PUBLIC and CITIZENRY has been too fragmented and conditioned by an ENTIRELY zionist ,satanist jew owned , operated and controlled msm, (90+ percent). Americans are entirely ignorant , entirely misinformed and for the most part entirely stupid to understand what has been going on, and this has been done by design in so many ways , too many to list in this post. thus necessitating the ACTIONS REQUIRED BY TRUSTED US MILITARY as prescribed in this post.

I would say 60% or more are awake. Most, not sure what to do.

Last edited 1 day ago by Hoser

Your dreaming, most people have no clue what is going on and the idiots don't care.

YUP

it's about 60% but it's growing Our son was military His wife was college indoctrinated hard core Very hard to deal with

PRAYER IS POWERFUL

PRAYER IS THE ANSWER

Prayer is most powerful if we all pray. Just like the saying that says, there is strength in numbers because Jesus said, whenever two or three are gathered in my name am I in your midst. Blessings,

Research the Babylonian Cartel-pretend to be Jews to deflect hatred on to actual Jews, who are victimized, just as the rest of humanity, and wrongfully accused to boot. Every other word of your claims are

completely true.I

Thank you, patriot-from a grateful Jew.

That what I say. The Khazarians and the Rothschilds have slapped your face too much. Time to fight back.

Torah is fine, Talmud is terrible. Y'all gotta clear their religious influence from your midst, the same way we're doing with governments. Vatican, same deal. Even Christian churches have deep state Khazarian pastors. They always gotta be in charge, so relatively easy to locate.

If the Masons were ever an okay secret society, the Khazar influence there now is crazy nut~biscuit.

The guy of the chosen land got 29 standing ovations after he droned on for hours ?He said 9/11 "is good for us =chosen land" USS LIBERTY ? WHY do you suppose the land of the chosen is,to be "LAST"? sucking our BILLIONS for decades FREE college /free health care for the chosen 19 BILLIONAIRES proxy wars for them / rabid extortion /the enemy within Why the hold up?

All the Proof you need to prove positive. Record it and pass it on.
[bitchute DOT com/video/QNeMuLofJDq7/](https://bitchute.com/video/QNeMuLofJDq7/)

I am so very grateful for our White Hats. They are kickin' it at a level we can only guess. Remember, this mission was last-minute, "off the cuff," not much info available—while they are fighting a world war.

Tin soldiers and Biden coming,

We're finally on our own.

This winter I hear the drumming,

How many dead in Ohio.

Gotta get down to it

CIA agents are cutting us down

Should have been done long ago.

What if you knew her

And found her dead on the ground

How can you run when you know?
Gotta get down to it
FBI agents are cutting us down
Should have been done long ago.
What if you knew her
And found her dead on the ground
How can you run when you know?
Tin soldiers and Biden coming,
We're finally on our own.
This summer I hear the drumming,
How many dead in Ohio.
How many dead in Ohio (How many dead)
How many dead in Ohio (How many)
How many dead in Ohio (How many?)
How many dead in Ohio (How many more?)
How many dead in Ohio (Why?)
How many dead in Ohio (Oh!)
How many dead in Ohio (Four)
How many dead in Ohio (Why?)
How many dead in Ohio (Why?)

Shoot, ReJe your post wasn't visible when I posted, then hit refresh and yours showed up. And yep, Kent State campus riots shooting.

"Ohio" by Crosby Stills Nash and Young, 1969 or thereabouts. I believe they sang it at Woodstock.

All four are vaxtards now. The needle took Crosby recently. It's very easy to understand. Gone, gone, the damage done.

Merrick Garland gave a speech in St Louis yesterday promising 200 Million to community groups "fighting gun violence". He also gave a speech in DC on Monday. Whether it is he or a body double, he is still feeding his Democratic street operatives.

There is a man in Indiana who is exposing the railroad derailment as the planned nuke poisoning of whole communities by igniting intentionally chemical loaded rail cars under the guise of a derail “accident”.

I bet these train derailments are all DS false flag attacks. 3 of them within a week? And all in red states? They are simply not even trying to be discreet anymore! they are too desperate.

Well, so was the halftime show at the Super Bowl, & the recent Grammy Satanic show. Right up in your face. No subtlety at all.

I thank you for the reporting you do at this site and I’m sorry I don’t have extra money to send you as I have leukemia, long hauler Covid for 7 months now, and a military injury to my back. Also because of my pain I get very little sleep. I do post RealRawNews.com to other sites when I do postings there. So I am spreading the word of this site, that I can do. Thanks again.

Brother Ken, allow me to put you in our prayer chain that you will feel God’s healing presence during these difficult times. Blessings,

YES COMMAND ALL unclean evil spirits to leave you immediately they have NO PERMISSION to be near you or to cause harm in any way ,IN JESUS NAME

in the name of the father the son and the holy spirit blessings dear patriot

Ken, try earth clinic for research online. Brilliant people helping each other heal naturally there!

Ken, for your leukemia blend up beets, carrots and apples together into a juicer and drink what you can. Platelettes get better. Watch your diet and don’t let the doctors scare you.

I’ll bet Steve Bannon would air it on Warroom. If it could be substantiated, he’d take it on. He knows that someone needs to & he’s the best man to be the forerunner.

This is the most disturbing article I've seen in a long time, on a number of fronts. Just the idea of gunfights between the FBI and the Marines is hard to accept — no wonder the normies are so oblivious to what's going on — but the fact that not even alt news outlets would touch it is very disheartening. Fox is not surprising, but I was very disappointed in OANN and Newsmax. Who hasn't sold out? My wife thinks that RRN is in the same league as Marvel Comics, as I'm sure many others do as well. God bless Michael Baxter, a voice crying in the wilderness. There aren't many places to get a glimpse into what's really going on behind the news blackout curtain.

ALL FBI AND USDOJ EMPLOYEES SHOULD BE DECLARED ENEMY COMBATANTS AND DEALT WITH ACCORDINGLY , ALL FBI AND USDOJ EMPLOYEES . THERE SHOULD A NATION WIDE TAKE DOWN, RIGHT FUCKING NOW, WE ARE AT WAR, WAKE THE FUCK UP PEOPLE!

I made a mistake when I said I have a blow torch at the ready that goes across the room 40ft I meant it goes 4ft across a room We have used it in renovation

msn dot com slash en-us slash news slash us slash no-survivors-in-black-hawk-helicopter-crash-near-alabama-highway-officials-say slash ar-AA17xvGJ?ocid=msedgdhp&pc=U531&cvid=352d1db17a534d56c66818d3ffb49804

Who was on the chopper and why? Who was targeting them, who benefitted from it and who has the power to cover it up?
