Odstřelovač námořní pěchoty Spojených států v sobotu zastřelil ukrajinského diplomata, který byl v USA od začátku ukrajinsko-ruského konfliktu a dohlížel na kroužek pro otroctví dětí, který přepravoval unesené děti do východní Evropy, zdroj z gen. Kancelář Erica M. Smitha to řekla Real Raw News.

Sedmačtyřicetiletý Ivan Kovalenko přišel do USA z Kyjeva v březnu 2022, krátce poté, co ruský prezident Vladimir Putin zahájil speciální vojenskou operaci na Ukrajině s cílem dopadnout na ukrajinské půdě zahraniční biolaboratoře a Západem provozované syndikáty obchodující s dětmi. Kovalenko, samozvaný obchodník, zastával vedoucí pozice v několika textilních společnostech, než náhle opustil svůj domov. Po příjezdu do USA se vzdušnou čarou dostal na ukrajinskou ambasádu v DC a byl zaměstnán ukrajinskou velvyslankyní v USA Oksanou Markarovou.

Náš zdroj řekl, že se o Kovalenka začala zajímat divize americké armády White Hat poté, co ho prezident Donald J. Trump v červenci jmenoval generálem Bergerem. Není jasné, jak Trump věděl o Kovalenkovi, ale je možné, že se o něm dozvěděl od Vladimira Putina během mnoha telefonátů, které měli od začátku roku 2022. Trump měl údajně nezvratný důkaz, že Kovalenko řídil kroužek pašeráků dětí, kterým byly uneseny americké děti. a prodány pedofilům na Ukrajině, v Maďarsku a Bělorusku. Dal generálu Bergerovi „zelenou“ k ukončení Kovalenka s extrémními předsudky.

Izolovat Kovalenka však bylo problematické; Mariňáci, kteří ho měli v srpnu sledovat, hlásili, že velvyslanectví opouštěl jen zřídka, a když to udělal, byl obklopen davem ozbrojených bezpečnostních složek. Mezitím se generál Berger dozvěděl, že ministr zahraničí Antony Blinken udělil Kovalenkovi titul „zahraniční diplomat“ a udělil mu diplomatickou imunitu. Ačkoli taková ochrana neměla pro Bílé klobouky smysl – především když byla udělena sexuálním predátorům – znamenalo to, že místní orgány činné v trestním řízení sympatizující s hnutím Bílý klobouk nebyly ochotny pomáhat Kovalenkovi hlídat ze strachu, že přijdou o práci nebo něco horšího.

Kovalenkova uzavřenost a ochota vystupovat na veřejnosti pouze ve společnosti ozbrojené bezpečnosti dokázala, že není obyčejným obchodníkem. Mezi zářím a listopadem se ukryl na ambasádě a neodešel ani jednou.

„Měli jsme velvyslanectví hlídané 24 hodin denně, 7 dní v týdnu, všechny východy kryté. Pokud se nějak dostal ven a nedetekován, byl to zatracený kouzelník. Jako by věděl, že je sledován, nebo byl jen paranoidní. Z pochopitelných důvodů jsme ho chtěli samotného, nebo alespoň ne s velkým doprovodem, než uděláme krok,“ řekl náš zdroj.

Námořní odstřelovači, dodal, proměnili v polovině prosince šanci vstřelit Kovalenkovi kulku do mozku. Objevil se z ambasády a nastoupil do limuzíny pouze se dvěma bodyguardy. Diskrétně sledovali limuzínu přes DC na jih k Andrewově letecké základně. Když limuzína zabočila na tichou silnici jihovýchodně od hranice mezi DC a Marylandem, poblíž hřbitova Cedar Hills, byli mariňáci jen pár minut od toho, aby ji srazili ze silnice a zlikvidovali její obyvatele. Náhlý příval protijedoucích vozidel jim ale plány zkazil. Vozidlo dojelo do Andrews, kde ho Kovalenkova diplomatická legitimace dostala přes ochranku. Mariňáci usoudili, že nastoupil do letadla, ale později se dozvěděli, že Kovalenko čeká na přílet neznámé osoby, která vystoupila z letadla amerického ministerstva zahraničí z Varšavy v Polsku. Kovalenko a jeho host se do limuzíny nikdy nevrátili;

V lednu byli White Hats stále více frustrovaní, že nebyli schopni eliminovat Kovalenka, a generál Eric Smith, který právě převzal moc nad silami Bílého klobouku po odchodu generála Bergera, vymyslel riskantní popud, aby Kovalenka vytáhl z úkrytu. . Pokud by jeho nápad uspěl, nade vší pochybnost by dokázal, že Kovalenko byl dětským predátorem, který profitoval z prodeje nezletilých dětí těm, kteří nabízejí nejvyšší nabídku.

Tajný mariňák kontaktoval Kovalenka s tím, že má 35 mladých chlapců a dívek, které „jeho lidé“ unesli z národních parků. Řekl, že je musí okamžitě vyložit, ale chtěl „spravedlivou a rozumnou“ cenu pro děti, které na mezinárodním trhu získávají velké peníze. Kovalenkova chamtivost ho pohltila a on se chytil návnady, i když se snažil tajného mariňáka pokořit tím, že nabízel jen 35 tisíc dolarů za

světlovlase děti a 20 tisíc dolarů za kaštanové. Marine se této nabídce vysmál a požadoval 85 tisíc dolarů za dítě, protože děti se na východoevropském černém trhu prodávaly za pětinasobek této částky. Podezřelý Kovalenko však požádal o fotografie dětí, což byl požadavek, který přiměl generála Smithe, aby požádal námořní pěchotu s malými dětmi, aby předložila své fotografie ke zvážení. Byl to odvážný a promyšlený tah, pro gen. Smith považoval Kovalenka za dostatečně moudrého na to, aby použil vyhledávání obrázků Google, aby se vyhnul pasti. Padesát statečných mariňáků souhlasilo a poslalo vkusné fotografie svých dětí tajnému mariňákovi, který se snaží dostat Kovalenka dolů.

Kovalenko souhlasil s požadovanou cenou, ale zdráhal se, když mariňák řekl, že nejednal s prostředníky a chtěl se s Kovalenkem vypořádat osobně, aby se vyhnul tomu, že by ho někdo vysral nebo zabil. Marine mu napsal SMS, že dohoda zní „ber, nebo nech být“ a že on a děti budou v přístavu Baltimore ve 25:00.

Dříve toho večera zaujali odstřelovači námořní pěchoty pozice na nakládacích jeřábech a mezi nesčetnými přepravními kontejnery posetými doky. Kovalenkova limuzína zastavila v 10:15 a on a tři ozbrojení strážci se přiblížili k tajnému mariňákovi, který s sebou neměl žádné děti. Kovalenko ukázal tašku plnou peněz, když ho střela zasáhla do středu hmoty. I jeho spolupracovníci byli na místě zastřeleni.

"Trvalo dlouho, než jsem dostal tohle Fu\*\*\*\*, ale lepší pozdě než nikdy," řekl náš zdroj.

Zeptali jsme se, zda White Hats nyní schvalují popravy místo tribunálů.

"Nebyli to američtí občané." Dostali, na co měli nárok," řekl.

zatraceně úžasně! pokračujte ve skvělé práci moji bratři! a sestry?  
hooah! ty micheal skvělá práce!

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

“We asked if White Hats were now sanctioning executions in place of tribunals.”

Um, we're at war. The response to this was indeed appropriate.

I believe the bad weather at Tahoe is a distraction for the quantum reset.They really have Harp turned up

Agreed. Tornadoes Sunday night in Oklahoma and more. Can't wait until WH secure the weather beast.

Snow in Central Calif at 800 feet, the likes of which not seen in over 25 years.

Creeks and rivers rising again due to driving rain. I'm a native, and our weather here has been very unusual ever since Bidiot and his demonic cronies were SELECTED.

im pretty sure white hats have but they made another one! what i read anyways! hooah!

Now that's what I call a good shot, or shots. We need more of these Bustards to go down like these slime balls, and better yet gather up all non-citizens and give them the boot the same way Kovalenko and

his minions got theirs, this would make them run back to where they came from, and include Biden with 380 people of congress who has committed treason. We as Americans are sick and tired of this movie.

Now we've got some momentum on the East Coast, how about some Hollywood scum – did you see the Grammy's Satanic entertainment recently? Blood, Gore, Molech worship – repave a few highways with their grimy remains.

MR. BAXTER! How about the REAL story on THIS> “According to reports, Ohio Governor Mike DeWine sustained a leg injury in East Palestine last Tuesday. The governor's office confirmed the injury occurred above his left ankle and he will need to use of a boot for the next few weeks.”

That's right...a BOOT! Trump nailed him! He's got an ankle monitor!

I think the scariest part of this story is the idea of snatching kids from National Parks. People do go missing from them, hundreds or thousands every year. I always assumed it was Bigfoot or alien abductions. Or falling off a cliff, losing the trail. If there is a real danger in National Parks, then Americans have the right to know. The rangers know of this, & stay quiet.

There's something more Sinister involved in these kidnapping of kids. Thee Child Protection Services is the number one player in selling kids. Orphanage homes. Detention centers. Don't forget all the illegal immigrants that are coming through the Southern border. Over 2 million illegal immigrants cross the border in less than 2 years.

Many don't know we gave control of the NP over to the UN after WWI. Sigh.

Mike, thank you for your awesome reports! Can you tell us anything about Gen. Berger and the train operator?

What a amazing statement by Michael Baxter – “Marine snipers, he added, passed on a chance to put a bullet in Kovalenko’s brain”

Internet, Twitter and Fb are exploding – spark initiated. The black shake down gig is up.

Elon Musk has allowed the national conversation to begin that will reveal the crimes and intent of the black race. They \*are\* America’s, and white’s, \*ENEMY.\* They desire to kill or starve us and there is nothing you can do but GET AWAY FROM THEM.

Study South Africa. .

How the words “shakedown gig is up” mean what exactly? Are you saying blacks have to stop shaking down whitey? They don’t know which whitey to point at. Satanic whitey is the one’s to go after, or any satanics because they are against humans with human souls or corrupt because they felt they would do financially better, etc. Corrupt means they took more than what they should have or deceived, etc. “I’m rich and your not” is a big one. “I’m the winner and your the loser” competition freaks.

Reverse discrimination, they are born black and not white so they just hate themselves. White corruption when the person is negative or really a Draco or lizzard (negative ones prevail) is a soul issue, they always want power so they are trying to clear it up with looking at aura fields. There’s a camera I want to check out at auraphoto dot com but it can’t be easily carried around.

Hating white people in general is what Soros used to try and take down USA. Luring in all those migrants feeds the Draco shapeshifting humans. It’s said USA has 10 times more Draco souls in power than anyplace else in the world. IDK, but thought that

would be South Africa with the most Draco. I noticed for sure that many black African Americans that are good are sick of criminal Hispanics or even whitey on drugs.

Cómo es posible vengan extranjeros a ahecer negación con los niños todavía y con tanta libertad y dónde están nuestras autoridades que permiten todo este abuso, quiere decir que todavía tenemos abundantes pícaros en nuestra sociedad vendida no es justos que solo los sombreros blancos trabajen en nuestra defensa, seremos nosotros que tendremos que pelear y defender a nuestros niños,? O que.

Eventualmente, llegara ese momento y que Dios nos de la fortaleza para lograrlo, pues si flaqueamos, estaremos perdidos.

Just to point it out, it's more or less pointless for Americans to try to be politically correct with place names at this point. Anglos have been translating place names for centuries, and we're all used to it. For the record, it is not called Sweden, but Sverige. Not Norway but Norge. not Denmark, but Danmark, not Munich, not Milan, not Rome, not Florence, not Venice, not Warzaw, not Moscow, not Athens, not Vienna, not Prague and just on and on. It's OK to just call it Kiev. Everyone knows what you mean. Changing this stuff around chasing PC-ness is just a waste of time and a bit conspicuous. I still want to have Constantinople back, myself. It's just not the same without it...

PS: Oh, and that wasn't called Constantinople either, but Konstantinopolis.

God has released the ultimate punishment "The angel of death" on these criminals-I am ready to see them start dropping like flies!

They just replace it with another fake. Everything is underground or off time traveling to see what needs to change.

Art imitating life. A scene right out of FBI, Law and Order or any number of intelligence bad guy movies. Well done White Hats!! Greed always brings out the vermin!!

I think Smith is a better battlefield commander but I still disagree with the overall strategy. I said this earlier but it bears repeating. In order to be ultimately victorious in the theater of battle there has to be an ultimate showdown to determine which of the principals and implementation of their belief systems will prevail. At the Cross the two contending parties were the Christ(Jesus) and his people vs. Lucifer and his society and people, on D-Day it was the Allies vs. Germany etc.; point is there has to be a big throw down. In Europe it was the Invasion, in the Pacific it was Fat Man/Little Boy. The Marxist Statist dems have won the fighting in the shadows and gained overwhelming field advantage on almost every front. Having won the Shadow War and overwhelmingly replicated themselves both figuratively and literally they're more than happy to remain fighting in that mode which will allow them to ultimately (on this earth only) triumph through attrition and self replication. For victory to take hold overwhelming force must be applied. Whatever we're reading in these articles sure ain't that.

As far as we the people are concerned. Take out the PEDOS on the spot!!!!

Animals don't deserve civilized trials!

Michael, so why are the White Hats wasting time and money tracking down these lower rank criminals while real criminals like Victoria Nuland and her husband are to provoke Nuclear War with Russia at the behest of Barack Obama and his Puppet Biden? These are criminals that need to be dealt with before they incinerate the planet. There is not much time left.

She's under the radar too. sooner or later they will get her....war is not fast food satisfaction. Look at how hard it was to get Kovalenko, He knew he was being watched and that makes taking out criminals

against humanity that much harder to accomplish.

You can't represent the light with pre-crime. And you don't necessarily go for someone who is busy incriminating herself every day either. Get her later. X-22 has been talking about a "scare event" too for at least a year now, and thinks Trump will step in and end the war when the time is right. Which is when the public is finally awake, not playing Nintendo, watching football, drinking beer etc. And it basically takes the threat of nuclear annihilation to wake most people up to all this. We don't need it, and it's frustrating to watch, but the sleepers do. Makes sense to me.

That's why you must have Nuland on the lamb, so to speak. She's the crazy queen whose job it is to start WWII. She's been working on that since W was fake prez. Can't let her stop until the crime is present and all have been comprehensively implicated in it.

You probably are pretty much aware of the nordstream pipeline sabotage by our own government.

The recent attack on Turkey & Syria by the Biden Administration and NATO – the USS Nimitz – arrived in Istanbul on the 3rd of February.

The major earthquake took place on the 5th and the 6th of February. The Prime Minister of Turkey told the USS Nimitz to leave his port prior to the earthquake.

Thank you to our Military and all those fighting this fight... May GOD ALWAYS HAVE YOUR SIX....

I'm a witness to that. We just have to trust him unconditionally and never, never ever doubt him because doing so basically ties his hands. My motto, Seek God, Love God, and Trust God; he will not disappoint us. Blessings, 🙏

The ending statement was the best!!

I had a friend once, that was ex military. When I met him. He was bat s\*\*t crazy. As everyone would say. Yet none of his friends knew what happened to him. They said he was the nicest kindest man they all had ever met.

One day he disappeared for a few days, and showed back up like this.

He would scream what appeared to be gibberish nonsense, to the sky, if you didn't pay attention to what he was yelling.

I stayed at his home for a few months, determined to solve this, and help him.

I was not in any knowledge yet, of the true reality we all live in. Where pedos and child murderers run the world. Truly clueless at the time.

When he wasn't yelling at the sky, he was writing in his notebooks, non stop. No one was allowed to touch or read them. Until he was arrested, I asked him, James, do you want me to protect your notebooks until you get back home?

He said yes, you can stay here until I get back and keep them safe, thank you.

OMG! I WAS IN SHOCK. So, when he yelled at the sky, he would yell his full name, (the sequence may be out of order from my memory, and he always said it so fast!) Military rank, id number, social security number, phone number, address. Special ops assignments, and so on.

But the craziest part, was he would name very big names, leaders. Musicians, actors, military, gov. Officials, and all their identity information, then all the crimes against children they had been committing.

Then he would list off bank account numbers for transfers and amounts to bank account numbers and then his account info and number to be deposited into his account.

I noticed he would talk non sense, or refuse any speaking, when other people came over. He always allowed anyone in. But either was incoherent or mute around them.

But when ever it was just us 2. He was completely coherent. Also, exactly what everyone said, a complete gentleman. The nicest man you would ever meet.

So I asked him, why are you normal with me, but bat s\*\*t crazy around anyone else? He said. It is my way of never having to speak to stupid people again. Im all, ok, that's one option that is effective. I felt very grateful for his compliment as well.

He allowed only me to read his notebooks. Which had a lot of the same info in them. But what was so scary, was a page, with the amounts for American women by hair and skin color. Mind you, I am a blonde White female. Worth the most on this list.

Also, when they was raided and they arrested him. The Sheriff said on the way out, and I quote "I'm going to go check the secret bunker, and make sure no one is tied up down there this time". Then low and behold, I watched him open up the living room bookshelf to an underground hidden bunker!! I was like UH OH. WTF?

I have been VERY F\*\*\*ING AWARE OF MY SURROUNDINGS AND DEEP RESEARCHED EVERYTHING SINCE THAT DAY AS WELL AS STUDIED LAW. WHICH ALL AMERICANS NEED TO START DOING. IT IS ALL BACKWARDS LIKE THIS REALITY WE ARE IN!

We already won, the news just forgot to tell us everyone! One of the names and crimes I heard him yell, was lil Wayne. Then a few years later, Trump's last day as President, he pardoned Lil Wayne. Things that make you go hummmm? I'm assuming, lil Wayne chose to

cooperate instead of execution. But, what do I know. Lol....food for thought everyone. There is a reason I read every article by this News Organization. It all aligns with what Ive witnessed face to face in my life time. Just am finally able to connect the dots. Which is a true miracle after a lifetime, of thinking, wtf, why is everyone so crazy, and nothing makes any sense. When you are a protector all children your entire life, surrounded by pedos and criminals, but are clueless to that reality. Everything seems so beyond comprehension. I could never wrap my brain around anything anyone was doing. Now we all know!!!

That's really shocking. These traitors causing all this trauma need to go to down. Save the kids and keep your word.

they deserve it. they should grab a pic of that jookroid's busted head with his phone and send it to his friends and family.

Those would be found immediately as internet photos. Fresh photos never uploaded would be required in order to make the scenario plausible.

Pretty skillful take-out. No one was spotted making the hit despite the fact that the port has cameras everywhere and its own police department patrolling the docks. Probably couldn't hear the shot over all the other gunfire in the city but avoiding detection with all these eyes around is some mighty slick killin'

Maybe someone who works at the port will read this site and go check out the tapes. We might finally have video proof.

Being a patriot is not easy, we were called every bad word in the book, Night and day. all a lie of course. God helped us and we rode that storm. don't ask me how, i would say amazing grace. when it starts to win out, then it gets popular and people jump on, better late than never I would say yet it is not only us, it is worldwide. Good people are everywhere!.

Only two reactions to this evil are available. Craven submission and then later death, or defiance and possibly death a bit sooner. Either way we're all going the same way eventually. Might as well do the right thing while we're still here.

“Never act as if you're going to live forever.” Marcus Aurelius

God bless all of you, most of the public does not know we are at war with Democrat run Deep State and Globalists controlled by the Kazarian Mafia and the danger to the world. Without the good men and women who are behind the scenes working to save our country and the world things could be worse but that does not seem possible to most. God, Father, has an entire fleet of Federation ships waiting to intervene if any Demonic forces try to re-enter Earth, all who were here have been killed or captured. The conclusion of the flying under the radar so to speak is nearing an end. God bless you all.

To some this may seem harsh, not to the patriots eh? we do not go for sick people doing funky things to little kids. Even in the States if you went through through corrupt courts you would get a hefty prison term, once in prison I highly doubt if you will finish that term, you would be subject to prison justice. No doubt! “What are you in for?” Your ass is buttermilk boy. Now if you are a citizen of a country and go abroad you are 100% subject to the laws of that land. You better know that and keep your nose clean! Your citizenship does not mean diddely-da! This greedy guy took the bait. FFFFFFFFFFFFFFFF him! .

“Chomos,” “child killers,” “diaper snipers,” “baby rapers,” they all get the worst treatment. It's hard to believe other criminals to do in one of their own, but many incarcerated inmates have families, too. they have kids, too. anybody touches their kids they would react and fight them back just as harshly, just as violently, just as sadistically on the inside to that perp as they would on the outside to any perp caught doing that.

Just one final thought. Biden is a \*child predator\* also. Too bad he was not with Kovalenko when the snipers opened fire.

That is not the real Joe Biden, he is dead, what you see are actors, clones and doubles, the fake Bidens will meet their end as all genocidal maniacs do.

RIGHT. The Biden that we see is not the REAL Biden. The face is not the same. I do not think it's a double, or an actor. Most likely a CLONE. Maybe Michael can do a report on exactly HOW...and WHERE these clones are being made. Also....Biden is not operating out of the real White House....because there are no guards on the rooftop. He operates out of the FAKE White House just outside Atlanta, GA.

None of the above justifies Incest Joe's behaviour with his children, his grandchildren, or other people's children.

And it doesn't justify Jill's behaviour in facilitating the incest child sex abuse of his own family members and other people's family members.

It doesn't justify Joe and Jill celebrating or justifying the incestuous relationship between Hunter and Hallie Biden after Beau Biden died of cancer.

It doesn't justify Hunter's incestuous abuse of his daughter Naomi or his niece Natalie.

It doesn't justify Hunter raping and abusing Chinese girls who were underage trafficking victims while he was in China while he did was VP.

It doesn't justify Beau Biden, while AG, creating child porn in viewable format for Biden to watch in the privacy of his own home, from a paedophilic pediatrician abusing kids in his office.

It doesn't justify Obama and his assistant preparing child porn in viewable format for Biden to watch in the privacy of his own home — he never watched the porn at the National Observatory.

It doesn't justify Paedo Joe having sex with children procured from

his fellow paedo, Judge Emmett Sullivan in private homes own by Sullivan so he could engage in sick behaviour in privacy  
NONE OF IT.

Biden is working with the paedo organizations in the UK and Australia to get paedophilia removed from the APA's treatable disorders list, just like the LGBTQ forced the APA to remove homosexuality and lesbianism from the treatable disorders list so people would not be arrested for deviant homosexual behavior and get treatment.

Now with Biden's victim-shaming, soft-on-child-sex-offenses-choice appointee to the United States Supreme Court, a black married mother who calls herself a Christian (shaming other Christians who do not hold the same views as she does), she will him to legalize paedophilia and incest and rape so he and other paedos like him will never be arrested nor be required to seek sex offender treatment like Alan Turing and Mary Kay LeTourneau and two of LJB's cabinet officers in 1964 have had to.

YEAEAEAEAEAEAEA, I wish I was there. I've trained with Marine snipers. We need to get rid of these pedophiles. God Yahweh is working, all we have to do is to stand back and let him do what he does best. By the way, I'm going to send you some money. I just have to take care of a few things. It will be in a little bit.

yea, that's right, do nothing and let God do it all you lazy bastard.

I just hope the pedos, child traffickers and enablers at CPS are not forgotten when it comes to executions. And I hope the executions are public. I'll buy the popcorn.

I though this “war” was all about the children?!! So, how many kids were trafficked, raped, ritualistically sacrificed as the white hats were trying to kill the guy and NOT MAKE A SCENE OR GET ANY INNOCENT CIVILIANS KILLED. Why are they worried about his security detail... hell, bring more than he has!? Good grief. Bring a knife to a gun fight! So, to avoid civil war, if it were to happen, they are letting more children get trafficked in the meantime!! This makes no sense. I tell you how you move this “plan” forward... let someone that is a part of this plan be affected by trafficking or the death jab... then it moves along much quicker! When the shoe is on the other foot, then things become necessary to expedite quickly! Too many inconsistencies!

Then you lead the charge to take down the deep state all by yourself and see how far you can take it.

Again, at this pace, the “Plan” is bs! Why in the world are they tiptoeing around these animals! What exactly are the white hats afraid of?!! .. that the public might see them bringing justice! That is not a plan! It is randomly, and in very low numbers, barely achieving progress to complete “The Plan” ( funny)! Seems to me if you want to wake up the idiots and prove to the awakened this is real, then F”ING SHOW IT on MSM! This will NOT SAVE US.... A hat of another color to replace the black hat; a better cabal to replace the old cabal fighting for the same control and \$\$\$! I was a huge believer, but like Chiplit, do not believe this “plan”! Too many have died in a “war” they don’t realize is occurring! When they realize this, the white hats ( if they exist)have a bigger problem with pissed off Americans who WERE NOT PROTECTED!

I guess my hubris includes knowing the IRS is still taking taxes, the Fed Reserve is still controlling rates, the treasury is still printing money, the alphabet agencies are still doing their thing, the Bribeden show is still going strong, and the msm, with the help of Hollywood, is still making it all come together for the idiots to view!  
Just paid my my taxes for 2022! Perhaps my hubris is so much you

can write a check to the IRS to cover it?! How's that for hubris! You accept something so blindly without question... so I'll 10 fold what I owe and you have to accept it as part of "the plan" and you are a "casualty", right?!

yea man, it's a war with the WH's letting the BH's die of old age.

the message is: Do nothing but pray. Take NO ACTION. Do not try to apprehend the criminal politicians. Just pray and do nothing.

Thank You Marines for ridding this earth of the worst kind of humans. I always wondered why so many kids disappeared in our Parks System? Now I know.

They all believe that they have immunity from justice, which is why they have continued to be so brazen in their activities. They will be proved wrong. Bravo, White Hats.

Instant Karma's going to get you  
Going to knock you right on the head  
You better get yourself together  
Pretty soon you're going to be dead.

Brilliant John!

blinken gave this thug diplomatic immunity so he can do whatever he wants in the US, as far as committing serious crimes, and avail of diplomatic immunity. Really blinken? You are technically allowing this pedo to get away with serious crimes in our country.

This pedo will kidnap American children and export them overseas for adrenochrome processing for the benefit of the criminal biden regime and the corrupt luciferian democrats. Really blinken?

How about if this thug kidnaps your grand-children and exports them overseas. That okay with you?

blinken's treasonous crimes is adding up. He must immediately be arrested and hanged. As is with the rest of these demons, the crooked corrupt lying bastard democrats and RINOs.

Drain the swamp, depopulate the world and get rid of these evil bastards. Once done depopulating, stop and let the rest of the world live in peace. This is quite achievable. Handgun blinken

Blinken ordered all NGOs to abandon Afghan dark-skinned Muslims and focus on white Ukrainian christians as refugees.

...there are thousands stranded in Pakistan and Millions dying from starvation in Afghanistan...all as a result of US Military fucking things up, then running away.

If Commander In Chief says he is satisfied with evidence shown about a perp , especially a Pedophile , that Judgment Satisfies Creator God Whom Has Legitimate Sovereign Authority & Power To Decide The Fate of ANY Evil One ! NO Tribunal Necessary ! Tribunals are ordinary measures for U.S. Borne or Naturalized Citizens ..... They are definitely not needed once C.I.C. Trump has made a decision to use his Sovereign Authority . **Good Job Marines ! I grant you a thousand attaboys & a cup a jo' ! You could always grab your gun, get out there and defend the traitors, 'vaccine' killers, child predators and traffickers, political criminals, against that nasty vengeful Trump. What is preventing you? Follow your conscience and defend the innocent. Surely GOD would appreciate your devotion to what is right.

The only difference between vengeance and justice is who carries out the sentence. When a private citizen does it is vengeance, when the government does it, it is justice.

If a private citizen would have taken out a pedo the citizen would be arrested and subject to a jury decision. The government does it and it is considered justice.

Jesus said if any one were to hurt one innocent child, it would be better for them to tie a millstone around their neck and drown themselves than to continue until God's wrath comes upon them.

Lot ran from Sodom and Gomorrah while brimstone fell upon five cities where paedophilia and homosexuality has become the norm. God told Abraham that the cries of the innocent has reached to heaven... Imagine that... We are there!

In both situations wrath comes from God. THIS is what we are seeing. WRATH. Because God ALWAYS wins!

Lord continue to bring your wrath to these satanic minions. Protect our children and keep bringing YOUR WRATH! IN JESUS NAME, AMEN!!
