Agent tajné služby pověřený ochranou exteriéru domu Josepha Bidena v Delaware se zastavil, když z domu vycházel nevýslovný výkřik, kvílivý zvuk smrti. Promluvil do skrytého mikrofonu v manžetovém knoflíčku: „Keltic v nesnázích, vstupuje do domu. O chvíli později mu v uchu zapraskal hlas. „Nevstupujte do ložnice. Situace je stabilní.“

Ale už bylo pozdě. Agent vytáhl zbraň a zaútočil dovnitř. Jeho tvář zbledla, když překročil práh. Nozdry mu udeřila štiplavá vůně. Na posteli ležela seschlá ulita muže, který se podobal i nepodobal Bidenovi, obnažený trup přitisknutý k matraci, paže roztažené jako křídla, hrdelní, bublavý zvuk unikající z vysušených rtů.

Polyetylenová hadička vedla z uschlé paže do infuzního vaku vedle řady diagnostických přístrojů, které monitorovaly Bidenovy životní funkce. Na polštáři, na kterém spočívala jeho hlava, ležel chomáč

vlasů, křehkých a šedých, mírně nakloněných na jednu stranu. Tvar na posteli vypadal vyhublý a dehydrovaný – téměř vysušený – jako sušená švestka. Jeho vyhloubené tváře se třepotaly, když ústa vydala sotva znatelný šepot: „Candy“.

Agent tajné služby byl ohromen. Spadla mu čelist a oči se mu rozšířily. Měl za úkol střežit prezidenta Spojených států – vysoké vyznamenání v rámci tajné služby – který měl být vyrovnaný, stoický, královský, důstojný, výmluvný, rozhodný a zdravý – ale viděl jen vychrtlou, nemocnou postavu, která nedokázal se ani zvednout z postele; stěží mohl mluvit, a když promluvil, zopakoval totéž slovo: Candy. Smutné, zapadlé oči ochablé postavy spatřily agenta, jeho ústa třikrát mumlala „bonbón“, než do ložnice vtrhl další agent tajné služby doprovázený Jill Biden a lékařem a napomenul přítomného agenta, aby neuposlechl pokyny, aby nevstupoval do domácnosti.

"Nechápu, co se tady děje," řekl agent. "Přišel jsem do místnosti, než jsem dostal zprávu, abych to nedělal." Může mi někdo říct, co se děje?" zeptal se agent Andrew Cunningham.

Bylo 5. dubna 2021 a zemi zachvátila Covid-mania. Čtyřicet dva států a teritorií vydalo povinné příkazy k pobytu doma, zavřelo obchody a náhle zastavilo život, jak jsme ho znali. Všudypřítomné maskovací a očkovací mandáty se převalily jako ohnivá bouře po celé zemi a s osobami, které se vyhýbaly neústavním vládním mandátům, bylo zacházeno, jako by měli lepru, vyhýbali se jim očkování šílenci, kteří přijali narativ režimu. Ekonomika selhala, lidé se báli vyjít ven a Biden se stáhl do ložnice svého domova v Delaware.

Agent Andrew Cunningham byl v tajné službě osm let. Po střední škole navštěvoval Arizona State University a získal bakalářský titul v trestním soudnictví. Po promoci požádal o práci v tajné službě a prošel přísně tajnými bezpečnostními prověrkami potřebnými pro zaměstnání. Většina lidí by ho nazvala zdravým chlapem, mužem s

konzervativními hodnotami s manželkou a jedním dítětem, s druhým na cestě, domovem, hypotékou a psem – věřil v demokracii a chtěl sloužit své zemi.

Vstoupil do tajné služby jako GS-7, vládní nástupní platová třída, a vynikal praktickým vedením a střeleckým uměním, čímž si vysloužil závist svých vrstevníků. Rok poté, co absolvoval intenzivní čtyřměsíční výcvikovou školu tajné služby ve Federal Law Enforcement Center, byl Cunningham povýšen na GS-9 a začal chránit zahraniční hodnostáře navštěvující Spojené státy. V březnu 2019 byl součástí hlídky izraelského premiéra Benjamina Netanjahua, který přijel do USA za prezidentem Trumpem v DC, musel jim potřást rukou a později řekl, že potřást si rukou s prezidentem Trumpem byla nezměrná čest. a že prezident promítal nezlomnou, třpytivou auru spravedlnosti a síly.

Když hit Plandemic a svět se začal hroutit do sebe, Cunningham trávil více času u stolu, než doprovázel hlavy států, škubal palci a probíral nesmyslné papírování. Chyběla mu práce v terénu.

Prezidentské volby přišly a odešly. Velká část země se zbláznila kvůli několika tisícům Trumpových příznivců pokojně protestujících proti ukradeným volbám. A Cunningham bude brzy představovat muže, kterým opovrhoval, zuboženou bestii tak zakořeněnou v Deep State, tak obklopenou pokladnami nekonečných špinavých peněz, že jeho falešné vítězství nad Trumpem bylo prakticky předem rozhodnuté. Ačkoli Cunningham nenáviděl Bidena, jeho stanice mu zakázala veřejně znevažovat prezidenta, a to i falešného. Papírování se najednou zdálo lepší než upírat oči na muže, kterého nenáviděl nad jeho schopnost artikulovat.

4. dubna 2021 obdržel Cunningham hovor, kterého se obával. Byl součástí čtyřčlenného týmu, který byl vyslán střežit prezidenta a první dámu v jejich domě ve Wilmingtonu v Delaware. Na rozdíl od ostatních agentů, kteří měli přístup do interiéru domu, bylo Cunninghamovi řečeno, aby hlídkoval venku a zastavil všechna

vozidla zasahující do výklenku Bidenovy rezidence. Bylo mu řečeno, že se Biden izoloval ze strachu z chycení Covida, protože členové administrativy, s nimiž byl Biden v úzkém kontaktu, byli pozitivně testováni na virus. Pouze Biden, Jill a dva „schválení“ agenti mohli vstoupit a opustit dům. Nechápal, proč byl odkázán na nádvoří, zatímco méně zkušené agenti mohli volně vstupovat do domu, ale byl nucen poslouchat rozkazy.

O den později Cunningham hlídkoval na dvoře Bidenova domu, když zaslechl nadpozemský sténání a volání o pomoc vycházející z okna do ložnice falešného prezidenta. Zapnul mikrofon a řekl: „S Celtic může být něco v nepořádku“, ale neslyšel žádnou odpověď. Celtic – kódové jméno tajné služby pro Biden – je v nebezpečí, řekl, když vytáhl zbraň a vstoupil do sídla, nahlížel za rohy a vyklízel dům. Zastavil se u dveří do Bidenovy ložnice. Rozhlédl se a doufal, že uvidí ostatní agenty nebo Jill spěchat k Joeově posteli. Cunningham nic z toho nechtěl. Když se nikdo neobjevil, vešel do ložnice a uviděl nepředstavitelné.

—

Jill Biden a druhý agent tajné služby pokárali Cunninghama, že vstoupil do domácnosti bez povolení. Cunningham zíral v ohromeném tichu, když Bidenův lékař, Dr. Kevin O'Conner, vtrhl do ložnice s injekční stříkačkou viskózní kapaliny, kterou vložil do infuzní hadičky kapající tekutinu do Bidenovy paže. "Candy," řekl Biden a po tváři se mu objevil úsměv, když mu směs kapala do žil. Najednou se posadil, vytáhl z paže infuzní roztok a řekl: "Už je mi lépe."

O několik minut později zavolał Cunninghamovi ředitel tajných služeb James Murray. "Teď, když to víš, drž hubu," řekl mu Murray, i když Cunningham nechápal rozsah toho, co se stalo, dokud mu jiný agent neprozradil, že Biden byl závislý na farmaceutickém koktejlu. od roku 2009 nazýván Adrenochrom.

Cunningham slyšel, že Bidenova závislost na Adrenochromu se stala tak akutní, že potřeboval každých pár dní infuzi, aby neupadl do šílenství. Bez toho se scvrkl do klubíčka nepochopitelného šílenství. Prostřednictvím výzkumu Cunningham zjistil, že Adrenochrom byl vyroben z nadledvinové tekutiny získané z nadledvinek mučených dětí a syntetických opiátů.

O týden později odešel z tajné služby s tím, že práce a výchova rodiny jsou neslučitelné. James Murray mu otevřeně pohrozil, aby mlčel o tom, co viděl v Bidenově domě v Delaware. O měsíc později Cunningham přestěhoval svou rodinu do Švýcarska.

—

Cunningham říká, že stále nevěří. Viděl muže s jednou nohou v hrobě, jak náhle vstal a tančil jig poté, co dostal Adrenochromové šťouchnutí. Poté, co byl svědkem toho, co měl, řekl, že nemůže pracovat pro vládu. On a jeho rodina se nevrátí do Spojených států, dokud nebude Biden pryč a prezident Donald J. Trump neobnoví v republice úplný pořádek.

Pokud to není skutečný Biden, pak musí být zatčen, souzen a oběšen za to, že se vydával za prezidenta Spojených států.

Někdo.... KAŽDÝ, kdo se může dostat dostatečně blízko.... získat nějakou DNA... jakýmkoliv způsobem můžete. Třeba skleničku nebo ubrousek v restauraci. Možná vlas z jeho kartáče na vlasy. COKOLIV? Zastavme hned tuhle šarádu.

So, Micheal Baxter is a liar and these articles are false. I beg to differ, strongly.. Speaking an adrenochrome, Mainlining human blood, with some added cocaine and opiates. Highly addictive, totally life consuming, expensive. Favored by the elite for thousands of years. The beautiful people. Until they can't get a fix. "Not good for Tonto." Thus with the report of this agent we see how it really is. The nitty gritty. This is to prepare and wake us up to the coming of EBS. Once they are arrested by the military, no more fix. Then you see them totally dissipated. aging 20 years in a few days..

Nope I think that was the real Biden and shortly after this event he was arrested and taken to Gitmo—a firing squad-The real Jill got it too—If you look at a picture of Jill Biden then and now—look different. So Trump was right again he is shot!—What we have now is an actor in a mask was told it is Arthur Roberts-The world will soon find out-I would think that actor will go down too for fraud

Wozz, long time no troll. Can't say I missed your troll-turd ass.

“On the bed lay the withered shell of a man who both resembled and didn't resemble Biden...”

Would you believe the agent saw Arthur Roberts??

I know that our military must be watching for these Adrenochrome drugs. They have already destroyed a few warehouses & trucking shipments.

Once the 'candy' is in high demand, they will be coming out of the wood-works and making huge mistakes...

Ukraine & Poland are the main hubs... and we know President Putin is on top of that there in Ukraine only..

The EU is another source and problem of this as well.

When does it stop. When do the kids stop being tortured to death. When does the Good finally defeat the evil? When do the White Hats move? When does our tears turn to joy.

Psalms 126

It doesn't seem to be the kind of problem that anyone wants to address. It has become difficult to read or listen to the news lately. Avoiding it is also impossible. Joe wont be with us much longer. He will be pulled out of office one way or another.

His last public appearance was in 2018 at H.W. Bushes funeral when they all received mysterious letters. Jeb and Laura Bush looked like they were gonna puke.

It's possible – think here for a sec... Could you believe the agent saw Arthur Roberts??

“On the bed lay the withered shell of a man who both resembled and didn't resemble Biden...”

We know the truth...

This contradicts other Intel I've heard. Real Joe Biden was executed on March 30th, 2019. About a month before the phony we see now announced his candidacy for Prez.

Real Bidens last public appearance was during H.W. Bushes funeral in December 2018 when Hillary, the Bushes, Obama's and Bidens received a mysterious envelope.

I will never forget the horrified look on Jeb Bushes face.

Another outstanding article by Michael Baxter, whose literary talents far exceed the writing of any author of “thrillers” and spy novels I have ever read. Michael, I am grateful to you for these articles which, if combined in a book would be a bestselling page turner no doubt. I believe the information and it has opened my eyes to an extent that cannot be overstated. Your style, your descriptions and the dramatic pacing and presentation are simply unmatched. Kudos to you, Mr. Baxter. I don’t know what else you do in your career, but you should be making millions as a bestselling author.

Hopefully, the names are fictitious because you would be jeopardizing the real secret service agent and his family and there whereabouts.

Military Marines need to be finding these location of these adrenochrome factories, whether they’re here in the United States or overseas, they need to be obliterated.

These junkies will just wither and die.

That Murray character already knows who he is. I would have to say they have all been dealt with for this to be public knowledge now. Just a guestiment.

Just imagine how many innocents gave their lives to make this sick cocktail for Biden the fake POTUS!! These people are indeed sick!!

Are we to believe some actor playing Biden is now addicted to adrenochrome? I’d guess it’s fantasy. The reason for this is hard to imagine. As for time for FACTS, far from any of us who can know so very little of strategies employed in these times, to call any shots. Trust the plan, for once seems a reasonable directive.

The part about 2009 sounds like maybe that’s when they added fentanyl. It’s hard to believe he wasn’t on adrenochrome for longer. Spaceships have been around for a billion years haven’t they?

Biden was on the original list. Sounds like a version of something that happened in, oh, I'd say around 2017, maybe.

It is regretful that such a good man as Mr. Cunningham was only left with a choice to leave the United States or lose perhaps his sanity ! The depth of the corruption has been deep & the history has been long. I truly wish the incident had not entirely disrupted his family's existence. **Hopefully he will return when our C.I.C. Trump Is again front centerstage & needing trusted warriors standing beside him ! Until then though , Cunningham & his family are trapped like a mouse in a maze destined to wander the endless halls of the European Ikea Stores seeking in vain , the elusive exit** Nick , NavyBlueSmoke , LST-1195

There are still some really big fish to get—I heard Trump still has 64000 indictments-That's why we may have a blackout for a few days—So the military can weed them out

Name is probably not Cunningham and he most likely never went to Switzerland. A very dangerous place.

Switzerland is a neutral country. They don't care if you are good or bad, they just want to protect your money and assets.

you know who lives in switzerland..the 4th reich..WEF{ Klaus Schwab},CFR,Davos Group, Builderbergs, Illuminati, Rothchilds,Phizer, moderna, and the CIA headquarters,Cern, etc etc etc..i doubt he went there he would of been shot right then and there

In my part-time, I earn \$500+ per day using my mobile phone. Last month, I earned \$16723 in my fourth paycheck. It is an easy, awesome job that anyone can do. my one of oldest friend has made over \$17543 in her part time from home.

This is what I do..... <http://heavywork1.blogspot.com>

“Minutes later Cunningham got a phone call from Secret Service Director James Murray. “Now that you know, you keep your fuc**** mouth shut,” Murray told him, even though Cunningham didn’t comprehend the scope of what had happened until another agent revealed to him that Biden had been addicted to a pharmaceutical cocktail called Adrenochrome since 2009.”

Poor agent was only doing his job, he is innocent of any wrongdoing. Biden, the paedophilic, incest-offending, bribetaking traitor does not represent us, he stole the 2020 election, disparaged President Trump, usurped the presidency and sold us all out to China and the Taliban. Shame on him for what he did to the kids. President Trump, V.A. Crandall and the White Hats, please move faster.

Explosive reporting Michael, please continue the updates, you do fantastic work. Prayers for the agent and his family’s protection.

Of course, she wanted to be FLOTUS so badly after Biden stole the election and usurped the presidency, making it the residency in 2021. She was probably jealous of Melania Trump and her unique style, so she tried to copy her every chance she got. But that’s like comparing Versace to Kmart. FAILURE!!!!

But no wife, no mother, no grandmother, no First Lady of the United States of America would ever do what she has done to her family and other people’s families. What she has done to her kids and grandkids and other people’s kids is extremely evil, and she needs to go to GITMO herself as an accomplice of crimes against humanity. Sorry not sorry.

the real Jill Biden is in gitmo.. thats all i know right now..she is a fake jill biden.. just like fake biden and there is lots of clones running around the states.. they all need to be executed too.. its sickning what

these fake bidens are doing to America.. we have the same problem in Canada we have a fake Trudope who wants to be dictator but its not working for him..hes a WEF puppet..

I can't help but think of the poor innocent children, kidnapped, tortured over and over again. Breaks my heart.

This is insidious evil!

LORD Jesus Christ, Father in heaven, please break this evil to the innocent quickly and destroy the wicked.

Amen, protect our children. It's so hard to live in the same world with these monsters and freaks.

We're going after the monsters and freaks and exposing them every chance we get, remember that.

Very interesting history repeats itself. Hitler supposedly received daily injections of a mixture amphetamines while still in bed. The shots were called vitamins. IF this i true and is ever mad public you know the snowflakes will turn it around and call it FAKE NEWS.

Well, this could be a true story if he was the VP before the 2016 election, but not as the fake POTUS. There are actors playing the Biden role and has been since he was executed. The date of this story does not line up with real intel.

The real Joe Biden was executed before 2019 before the 2020 election and before his debate with the real POTUS DJT.

So I'm not disputing the story, just the timeframe they claim.

Last edited 9 hours ago by jnj80

I got confused too i thought Biden was gone before inauguration day ? or the real Biden is been executed after this incident happen ?

Joe Biden was executed/shot December 21, 2020 soon after the November 3, 2020 election. POTUS Trump told Americans in spring 2021.

The real Joe Biden was executed/shot December 21, 2020. POTUS Trump informed Americans in spring of 2021 at one of his rally gatherings. You might find the video at Right Side Broadcasting Network that cover all POTUS Trump rallies since 2015.

at the bush funeral Dec 2018, he (and others) were given a letter, that letter was a summons to a Military Tribunal.. I am prone to believe it was carried out in 2019..Conviction and execution.. at Gitmo .. Don't believe it was the 'real' joe who debated Trump

I've made \$64,000 so far this year working online and I'm a full time student.I'm using an online business opportunity I heard about and I've made such great money. It's really user friendly and I'm just so happy that

I found out about it JUST.....

Geez, what is your issue? This site is about news of the day. Your incessant rants about making money are not even relevant. Go somewhere else to peddle your job.

The real Delavic at RRN cannot get rid of the pesky copy-cat. Just ignore the pest, and it might fly away.

Thank you Michael Baxter for this story... You always have good hard facts and tell your facts well and easy to understand... I greatly appreciate everything that you do in the fight as this is exactly what it is really is... May God Bless you and always have your back... I just hope and pray that we are getting to the end of this movie...

I thought he had a huge stroke soon after the phony DC inauguration 2021 that had Jill taking him to Walter Reed Hospital very soon after. Then he died or was executed? Don't expect real dates always on RRNews....we are at war.

It might explain why Biden could not spend time talking properly with people like a human while running for DC Resident....always having to be whisked away to his compound home.

Joe Biden was executed/shot December 21, 2020 after the insurrection on election day November 3, 2020. POTUS Trump announce it to Americans.

Well so much for Pedo-joe and Hunter having been EXECUTED at GITMO in 2017 or 2019, So what is real and what is BULLSHIT. As for the SHOW, FUCK THAT. Some TRUTH is going to have to be revealed pretty quick. This FUCKING lowlife degenerate Adrenochrome swilling evil fuck has been ALLOWED to ASCEND to the US PRESIDENCY is an ABOMINATION. I have to stop.

Just say Illuminati and call it a day, this is the real enemy we are fighting, all evil forces marshalled by Lucifer himself. Spiritual war in the flesh, no less.

Yes, I do believe that but they are labeled among us as demoncrats, socialists, and communists

Maybe this is the beginning of the reveal of what we all know, but many don't . If they have different timelines from 5-6 years ago, to now about facts that we already heard , but differ in the timeline, maybe they have a hidden strategy, they are revealing, to bring out all of it . Any way, many people are going to be very angry when they do find out with a story like this, and this word andrenchrome is something they never heard of, let alone know what it's used for !! I only heard about it 2 1/2 years ago . This story reveals he's been on it since 2009!!! No WONDER YOU ARE ANGRY !!!

There are many.many people angry . and sick and tired of this corrupt and evil govt. They / We want Justice.. We want this movie to end.. I heard the end is ugly and painful and not for everyone.. have heard many people say.. Prepare for darkness

I don't know where you read/heard that Joe and Hunter Biden were executed in 2017 and 2019 because both were executed at GITMO in 2021. Michael Baxter wrote an article on each criminal you'll find in the Archives section. Here is my up-to-date body-count that narrowly makes the 2,000 character count by news platforms. Enjoy!

GOOD GOD!!!! Those of us who pray must do so for the safety of this agent & his family!!!!

Yes, we must pray for this good man and his family.
This is like a Dracula movie, only worse.

True..and the risks to MB is far greater due to what he’s doing. I pray that God protect this site, the author & his family from all attacks & harm. God & His servants will overcome the wiles of evil men. Glory to God in Heaven above & on earth below.

What about the poor kids!????

WTF is going on in this country???? Why is this still happening!??

Super major donations were collected to buy two Texas ranches: one ranch for veterans and one ranch for children. Both huge ranches are outfitted with top American medical providers to help heal veterans and children from Deep State traumas. These veterans and trafficked children will remain on the ranches for life to protect and nurture them.

So now we know why so called Biden is not stopping the illegal immigrants from coming through our border. Lot's of kid's with no parent's, pouring in to the border. They call it candy, how disgusting. I'm so sick of this whole thing I could just barf. How much stinken evidence do they need to get that creep out of the presidency. I think it boils down to us demanding that Trump be put in .they will not remove Biden, the whole country has to demand Trump be put in.this story is sickening when you realize what those kid's are put through to get this adrinochrome for these vampires. It's good that special agent left to Switzerland, they considered him a loose end,they would have killed him. Well the secret is out,Biden it an adrinochrome junkie, and a murderer, a mass murderer of children a most dangerous man ,and every one who is involved is just as dangerous.

The bad guys can get to him and his family just as easily in Switzerland.The evil is

not confined to the borders of the US. Biden, in his stolen status, is not the only

“ruler” or “elite” addicted to Adrenochrome. Adrenochrome is not a 20th century

concoction either. The DEVIL is in the details.

The senior bush wrote a letter(an excert) Sarah, if the people of this country found out what we are doing, they would chase us down the streets with torches and pitchforks .. we have to question . What the hell are these people up to ? Sounds like evil witchcraft.. satanism

And, so is Jill for aiding and taking Biden's place –taking care of CCP Biz deals

No it is not unlikely, I don't thin Qtip. The clones probably need their fix worse than genuine humans would. They have no soul, so they have no soul connection. They would never get that good feeling of

being connected to themselves and to the Creator. Thus: they need a high that can simulate the good feeling. Plus, they are programmed to get the children.

Seems weird they would partake of adrenochrome since they have no souls and their movements and speech are controlled by computer motherboards.

That wouldn't negate the need for a "high" and also, we don't know for sure that they have motherboards. Why would they need motherboards? They have a functioning brain that is grown organically with the clone body. All the memories inherent within all the cells and dna are still there from the original. Memories of the original, but no soul. There are many reasons, as I just stated above, that a clone would benefit from adrenechrome. Maybe even more than a regular human. I said it above. Our kids are dying to keep this going and to keep satanic humans going too, as well as MANY of our world leaders. Maybe all of them, who knows?

I am still trying to figure out how they make the clones.....some family member of mine, said that it would take equal years to grow a clone so that the clone would be the same age as the original person, but just kept alive after the original dies.....can any of you explain.....???

If they need the clones to operate correctly because it was cloned from DNA of a post 2009 Biden who is addicted, then yes. To them it is necessary.

Did anybody see the clone sniff any women or kids? This clone BS is just that imo. Did the clone like ice cream too? Does he like old Corvettes??

And....you are totally full of *shit*. That Hollywood actor looks nothing like this guy who calls himself... "Joe Biden".

Not in my view, it sells for thousands of dollars, if not millions per liter last time I read.

Well if properties of those guilty of treason were to be seized, and they executed Joe, Why are there Bidens still in the house??

The phoney Joe actor was running for DC Resident...maybe while real Joe, too Adren. crazy stayed at home until they won the DC Residency.

Okay, I'm confused... I thought I read on this site that Biden was dead and its an actor in a mask playing the part of POTUS. I have also read (elsewhere) that its his twin brother and think it was a niece or grand daughter that also said this.

Its all rather confusing to me and I am losing faith that any of this is factual. Sorry but, this is really f**king with my head.

You never read on this site that Biden is dead. We wrote he was at Walter Reed in early 2021, and then he vanished from there. We wrote that Arthur Robers, the actor, is a known Biden impersonater, but we never said one way or the other that "the" Biden is dead. The military hasn't told us he is. We haven't seen pictures of his lifeless corpse. Thus, it's "inconclusive" to us. He may well be dead. We know there are clones and what not. But I await conclusive, irrefutable, damning, smoking gun evidence before I say with 100% certainty he is dead.

Thank you for the info, Michal. You are a beacon of light to us who want the truth. God Bless and protect you and yours.

Thank you, Michael. I was wondering if I missed it because I never saw anything about Biden's arrest & death. Continue the amazing work! You are a rare find!

The timing of this last story with Biden disappearing from Walter Reed in early 2021 lines up with him taking refuge at the Delaware house. I doubt that any of the physicians at WR would administer

adrenochrome to Biden, and if he was on his deathbed, the DS carted him off to the Delaware house to prolong his miserable existence for whatever reason. Buying time perhaps? And then wasn't that house raided recently and the White Hats found Jill's diary with entries suggesting that Biden died in July 2021? Those timelines all line up.

I know he is not dead, Michael. You mentioned before he was on adrenochrome in his basement on video, and now a SS agent proves what he saw. Just ignore the trolls and keep up the good work, this is earth-shattering to some. We need more shatterers like that agent. This alone should get him out of the White House, because the rogue agents let Jeffrey Epstein loose in the J6 crowd — and he was supposed to spill the beans on Joe and Hunter before the usurpation took place. We the People would have raised the biggest storm anyone ever saw had that been revealed.

Not to mention the fact that WJC was reported in a previous RRN article that he had been taking adrenochrome himself. Considering how evil Hillary was with the kids, one could surmise it was only her consuming it. But then we found out differently later.

Michael, Is there any news on Berger's and the J6 Marine's conditions since they were rescued?

Actual death does not matter. What does matter is perceived reality and that includes clones, doubles, imposters, CGI, holograms etc. MSM/TV has programmed the world that seeing is believing is reality. Comments prove me right.

This is why we all have to work together to expose all these lies, instead of arguing with each other on this sight, NEVER FORGET THE KIDS. AND PRESIDENTS TRUMP AN PUTIN ARE FIGHTING TO SAVE THEM, TOO.

He's dead. Has been for almost 4 years. Last public appearance was at old man Bushes funeral in 2018.

The logic that came out of Biden's mouth was sarcastic at times "Bring me your sick, tired, hungry" quoting from the bible how crazy it is to think that way but I guess loving it people think that way, but the sarcasm was like he knew USA could not support the endless charity of the excess populators without diverting welfare to the incoming masses. Meaning their logic is make babies, the lord or someone wealthier will provide. If that's so real there wouldn't be "candy". The rulers of a vampire planet allow some to live if they give up others to the vampire factory. With them in charge predator/prey is even required. The deep state's god allows candy and able to force it on some children regardless of the law or divine law or galactic law as if there really is not such law. "CANDY" (aka adrenochrome shots) happens. Curiously Biden is super happy after a rejuvenative shot regardless of what it is, he FEELS happy. Seems like a predator has no remorse or completely ignorant. He's not feeling sick of life, or depressed or bored....He's feeling happy. What's up with that??

>"Bring me your sick, tired, hungry" quoting from the bible

uuuhhh... are you trying (and failing) to reference this...

"Give me your tired, your poor,
Your huddled masses yearning to breathe free,
The wretched refuse of your teeming shore.
Send these, the homeless, tempest-tost to me,
I lift my lamp beside the golden door!"

bcs it's NOT from the bible, it's from a sonnet by Emma Lazarus entitled "The New Colossus," and the part above is engraved on the Statue of Liberty. maybe if you ever actually READ a book (bible included), instead of filling your head with the opinions of retards and bots on social media and undocumented fan fiction on the interwebz, you would know that. scary, but not as terrifying as what passes for "logic" in the remainder of your disjointed, rambling, incoherent comment. thx for making everyone here look like an idiot.

Biden has been gone for some time. Jill and the doctor what happened to them. Also the Military that told him to keep quiet? Are they still around? Any actor that is playing these people for the black hats should also be at Gitmo. I guess I'm tired of these games and trying to keep the truth from the American people.

And we have seen ZERO proof of anything happening, but a lot of stories, and rumors! I mean nothing!.. Faucis emails were released, Hunters Laptop revealed, Biden having documents in his garage, this story, J6 videos released to show it was a set up, bs insurrection, Bidens ties to Ukraine, Lab made virus, etc,etc,,, and we still sit here! What the F ,more do they need?? Wheres this ” the best is yet to come?”

Nowhere do I say the Biden seen by the SS agent was “the Joe Biden. Rather, it was “a” Joe Biden, a Biden addicted to Adrenochrome. We know that “a” Biden was at Walter Reed hospital at or near the time this event took place. The Secret Service agent had no reason to believe the Biden he saw wasn't the real thing. I've seen evidence proving his claims that I cannot show because it would put me and him in jeopardy.

Michael can you make a list of those who were executed from 2017 to now, just a list and the date of execution if there awaiting trial the date of arrest or the date of trial before execution.

Thanks
Charles

Go to the search bar, type in the word 'hanged' or 'executed at GITMO,' and you will find the traitors that were punished for their crimes.

Time is our friend. We now know that Barry Parks, one of our ex presidents, is “married” to a transgender man, Michael Levon Robinson. One of these days we will learn the truth about all the doppelgangers who have been fraudulently playing Joe Biden. All we

have to do now is live long enough for it to happen. The PhD majors of the future are going to have a field day exposing all the corruption we have suffered.

50 , 60 , 70 years or more, NO that's BULLSHIT, JUSTICE RIGHT FUCKING NOW. PEOPLE RESPONSIBLE FOR THESE HEINOUS CRIMES HAVE TO BE EXPOSED AND DEALT WITH NOW. This crap of waiting for historians to censor and manufacture the TRUTH, DECADES LATER IS FUCKING OVER, TRUTH and JUSTICE NOW. Trump did not even release all the JFK ASSASSINATION DOCUMENTS over 50 years later, FUCK TRUMP, he is just another Deep State ,establishment controlled ASSHOLE, WAKE -UP PEOPLE, WAKE -UP.

Thank you, Mr. Baxter. I know Joe is dead because President Trump said he was at the last rally in Dec, 2019, Trump said, "Joe took the shot, putting his fingers like a gun to his head, pulled the trigger, and said he took the shot, he's gone." He also said, "he's been gone since Aug, 2019".

The Bush funeral was in 2017 ? I think.. That appeared to be the ' real ' biden.second row back... after that side by side photos started showing up that were comparing the two definately not the same guy.. actors or clones..Doctors who have seen them or treated them should know for sure through a blood test or dna or dental records.. maybe something else.. so if this is a , so called 'movie' playing out ? .. people playing along ? .. the Drs should know who is who

December 5, 2018 was the formal state funeral for GHWB, and it was reported that he died on November 28, 2018 after Thanksgiving.

He was executed for treason, among other things..notice the wrinkled flag.. done on purpose..wrinkled flag for "Traitors "

Real Joe's last public appearance was at H.W. Bushes funeral in December 2018. He was executed the following March, almost four years ago. About a month before the fake we see now announced his candidacy for president.

I believe we were seeing the real Joe at the end of Bho presidency. 4 years while killary ran for Whitehouse brandon went missing. Then they brought out faux joe. And people fell for it, believed it. Now 2021 if this was the real JB hiding out during covid we may never know. Or did they kill him off once it was shown nothing would be done about faux joe. Trump B424!!

Why is the Military Marines waiting around, they should be capturing this demonic, feeble minded, blood sucking Dracula with all of his entire Entourage.

If President Trump is aware of the situation, why is he even allowing this madness to continue.

The bush funeral.. 2017 ? I think Have you seen the videos..It appears to be the 'real ' biden present at the time.. after that seems different side by side photos showing up. comparing the two... doubles /clones or actors

WE NEED TO MAKE AMERICA GREAT AGAIN AND CLEAN UP THIS PUTRID MESS OF FILTH THE LGTBQ HAS FORCED US TO SWALLOW AND IS STILL THREATENING TO PUNISH US IF WE CONTINUE TO RESIST IT AND NOT ALLOW IN OUR SOCIETY.

President Trump allocated \$35,000,000.00 and galvanized law enforcement agencies all across America to stop child sex trafficking, apprehend any and all sex offenders cartels, and rescue the sex abuse victims. Joe Biden, on the other hand has reversed President Trump's Executive Orders, stopped some law enforcement from incarcerating the criminals and saving the kids, and has undone other documented actions authorized by Trump to do so.

You know before every speech he's jacked up on this stuff – just like Hitler probably was!

Not tge same guy. The SOTU joe is different than the poland/ukraine joe. One is an actor and one a clone.

well, anyway that's 2 too many joes ..don't think we want to hear any more .. Take them out already.. Lets go Brandon...

In reply to dimwaters, you sound like another Deep Stater to me, attempting to discredit what is written.

The whole truth will eventually come out. Nothing can stop what is coming.

I am just an amateur armchair critic offering my personal opinion on the storylines presented here.

I agree with you but sometimes things are getting very confusing doesn't mean you don't believe it I am myself I believe it and I'm checking every day to see if we got any good news

Now you know why the traitor spends more time in the basement than in the office. Where's the rods of God when you need them?

We know where he goes, a gift should follow him...of course when the house is full of family I would suggest

Remember Putin's words? He offered to help us drain the Washington D.C. swamp, too.

“Deep State, dead state. You know how I'd deal with the traitor? I take a few friends to Delaware where the coward hides. Problem solved,” Putin said.

RRN, March 31, 2022.

What a horror show we are living through!

So sorry for agent “Cunningham” (names have been changed to protect the innocent?) to have to see what he saw and had to leave his Country and his chosen profession.

Well done, very well done Michael Baxter. Thank You.

Keep on keepin' on.

Stay safe.
