Prezident Donald J. Trump požádal generála Erica M. Smitha, aby v úterý nezasahoval, pokud Deep State a zločinec Manhattan DA Alvin Bragg nebudou mít postranní motiv nespojující se ságou Stormy Daniels Saga – například pokusit se ho donutit, aby vzdát se předmětu, který již nemá v držení, jako je „jaderný fotbal“, který obsahuje odpalovací kódy jaderné triády Spojených států.

Před odjezdem z Washingtonu v lednu 2021 se Trump odvolal na zákon o povstání z roku 1807, který přenechává pravomoci země armádě v dobách národní krize, jako je například převzetí Deep State. Předal kódy generálu Bergerovi, který poté, co v lednu 2023 rezignoval na svůj post velitele Bílého klobouku, je převedl na generála Erica Smithe.

Deep State, zdroj z kanceláře generála Smithe, řekl Real Raw News, opakovaně vyhrožoval White Hats, aby se vzdali kódů „nebo jinak“.

"Bezvýznamné hrozby," řekl náš zdroj. "Je to samozřejmě jen hypotetický scénář, ale představte si, že kdyby přivedli Trumpa do zadní místnosti a stáli tam Lloyd Austin a generál Milley." Máme nepředvídané události pro případ, že se věci vyvinou na jih."

Řekl, že Trump a generál Smith v sobotu večer obsáhle hovořili, aby prodiskutovali teoretické možnosti a formulovali reakce na zradu Deep State. White Hats, dodal, budou mít své síly jak v Palm Beach, tak na Manhattanu, ale budou inkognito a připraveni přijít na Trumpovu obranu, pokud vydá rozkaz generál Smith. Když byl dotázán, které jednotky – speciální síly, Rangers, Delta Force, mariňáci atd. – budou přítomny, neupřesnil to, ale řekl: „To nejlepší, co máme.“ Naznačil, že Trump bude mít způsob, jak signalizovat White Hats.

A na otázku, zda takový „signál“ zabrání Deep State v zmizení Trumpa nebo jeho nahrazení podvodníkem nebo naprogramovaným klonem, odpověděl: „Nemohou zmizet Trumpa. Je to příliš výrazná postava. Rozpoutalo by to občanskou válku. Klonovat? Kdo by řekl, že skutečný prezident Trump není schovaný v bezpečí a skončí s klonem. Dělán si srandu, samozřejmě. Podívejte, Deep State se roky snažil poslat Trumpa do vězení, nic na něj nedostal, takže používají tyhle kecy Stormy Daniels, protože si myslí, že ho to bolí. Mýlí se. To podnítlí lidi k podpoře Trumpa a jeho oficiální návrat do prezidentského úřadu v roce 2024 bude jistá věc.

Trump a Smith, dodal, doufají, že protesty zůstanou pokojné; nechtějí vidět patriotické Trumpovy příznivce zastřelené hordami pokřivených federálů.

"Dozvěděli jsme se, že tam bude masivní federální přítomnost, přes 600, včetně odstřelovačů na střechách." To je jeden z důvodů, proč se zapojíme pouze v případě potřeby. Nechceme, aby se civilisté dostali do křížové palby, a nechceme dát Deep State důvod k uvěznění dalších nevinných příznivců prezidenta Trumpa," uvedl náš zdroj.

„Prezident Trump je génius. Je pět kroků před opozicí,“ řekl na závěr.

Its true..all Trump supports dont go in the streets,,trump and the white hat military has this all planned..trump doesnt want his supporters to run into the trap..This is the only way the white hats can arrest more corrupted FBI,DOJ,CIA etc etc..

Remeber the deep state wants all americans dead..Trump is just in their way..hes the best president america ever had.. Military white hats will protect Trump..

Trump has everything he needs to fight the deepstate...hes got it all.. every thing the deepstate has done to all of us past present but they wont get away from taking the future away from us.. Trump and the good military has been working on these plans for over 25 yrs.. have faith is DJT.. Trust his plans.. ..he might get a little hurt just see what they did to General Berger.. but they wont ever get away with it.. it pains me to hear about the arrest on Tuesday....and im just wondering..WHY TUESDAY?????

I do not think Trump supporters ought to hit the street and protest. I do not think there is one damn good of that for anyone. We are not your fucking lapdogs sir, This is your fight Mr,President. This call for a bunch of additional confusion, and there will be an opposing mob waiting. bet one that one. And they will be looking for trouble, that is also for sure. and MSM is going to back them all the way. They are paid shills. what help has been given to the JANUARY 6th people? Not one fucking thing. Please, for your own good stay out of it. you will be walking into a trap. one that they are working night and day to set up. Do you mean a big powerful guy like him cannot handle a bogus case?. like this? He has to rally his supporters. If anybody gets hurt or killed, the blood is on his hands. Back off please, stay away. what is that going to do to change the outcome of the case? Nothing. if arrested he is going to make bail right away, We are not a mob rule nation. I am an indie not republican nor democrat. this is the first time I have been disappointed in him. He ought to be laughing this off. President Putin Laughs it off. "fuck you and the horse you rode in on."

How do you recognize this is not a set up or it might be a setup or this is really going to happen or may be this isn't going to happen or it may have already happened and just get everyone caught up on the same page.....the anticipation of the movie, the suspense and curiosity, is or weakness being exposed before thinking? Things that make you go hmmmmmm.

I WOULD NOT SAY WHO HAS THE FOOTBALL I THINK IT IS SMART TO KEEP IT TO YOURSELF WHO HAS IT N WHERE IT IS —WE DON'T NEED ANYTHING 2 HAPPEN LIKE WHAT HAPPENED TO GENERAL BERGER!

TRUMP ALREADY WON THAT CASE AGAINST STORMY DANIELS IN FACT THE JUDGE ALSO ORDERED STORMY TO PAY TRUMP

Bull Shit, Presidents don't call for protest they call for civil war. IF you think there would be massive protests and it wouldn't spark into a shooting scenario. Both sides have factions that want to kick it off.

It is a decision for the people to make as they are as involved in all things.

The sufferings of life and death are Nirvana.

“President Trump is a genius. He's five steps ahead of the opposition,” he said in closing.

I can't imagine the courage it took Mike to type this without laughing

What I understand is that the Appointment for Arrest of President Trump has been cancelled on technicality, a typ error : between THEN ... THAN.

Probably no fuss on Tuesday 21 March.

I called and they said that they've gotten so many calls, they're just going to drop it. They're going to indict Biden and Soros and Bill Gates for sending hush money to Stormy instead. It doesn't make any sense, but who really cares, anyway.

In other words, REAL PATRIOTS STAY HOME! Let the fake antifa and BLM regimes come out in their fake Trump wear (like they did on J6). Now, if the 600 snipers want to have an O.K. Corral shoot out – be our guest.

Why are so many non-antifa in jail for Jan 6 if it was antifa who did jan 6? lmao

because the demonrats and the Rhinos set it all up and they will be charged for it..the demonrats are still planning and it wont work for them....

 for continued safety of our true president Trumo and all that are working hard to clean this horror show up

You really need to take a look at who Trump's dad was a close friend of, which also carried over to DJT and his team! There are good reasons why all the assassination attempts have failed. There is no one more secure on the planet than DJT, the official President of the USA!

wrong.. just take a look at General George Patton..and he fought the nazis.. you will see that DJT and his Uncle look like patton and not Fred Trump..

It would be wiser and far safer for President Trump to appear in court via Teleconference Line, so that he can be protected from assassination attempts, kidnapping, exploding clones, bombs, etc., and the Public can view the proceedings as they happen. And technically, since Trump is STILL our President, he cannot be prosecuted by these NYC Peons like the fat blubber boy Prosecutor punk POS.

No way Trump will turn himself over to them. 600 snipers? One of those bullets is probably meant for him. Tuesday may be epic in ways we hadn't anticipated.

Speaking of clones, what if the courtroom is full of clones, and they explode when Trump is in the courtroom, killing Trump and everyone inside. The Deep State is desperate and fighting for their lives. They won't go quietly.

Last edited 4 hours ago by Mark David

Oh my God, what a thought! A few programmed clones wearing MAGA hats near by in the crowd as he speaks. I am praying for the intercession of warrior angels.

Michael Baxter, is there a good reason we need to suffer the likes of "Delavic"?

As far as I can tell, he serves no useful purpose and is irritating as hell.

Think of it being a mosquito or two buzzing around, that's all it is.

I predict that Trump will not be arrested. The jackass attorney general will be forced to back pedal and possibly resign.

A REAL sitting president cannot be indicted, imprisoned nor arrested. Now slo mo Joe on the other hand WILL receive all of the above without prejudice!!

UNANSWERED QUESTION >> **How...and...where** does Trump plan to turn himself in to be **arrested**. Will this happen in Florida at Mar-a-lago....or, will he fly the *Trump plane* up to New York and land at JFK airport....where he will be arrested & cuffed by law enforcement ? And....**where** and **what** will Trump's Secret Service detail be doing... while this is going on ?? What will his Secret Service people do if Trump is **roughed up** by the New York scum ?? And....what about the White Hats ?

Where will they be when Trump's plane lands at JFK ? **This has never happened before....we are in “uncharted territory”.**
God protect President Trump.

The Deep State is running this sordid affair at the NYC “Prosecutors Office”.. The Deep State wants to kill Trump, and they will, once he is out of his protective White Hat pocket. If they have a stand-by Trump Clone, they can do the old switcheroo while he is in jail, kill the REAL Trump, and there goes the end of all these efforts to save humanity. FFS, We The People are EXPECTING D9 CAT BULLDOZERS from the Military to BURY THE DEEP STATE MFers, not play Patty cakes to entertain them. STOP FUCKING AROUND AND GET IT OVER WITH !!! And keep Trump out of Jail. GD It, I swear I'll beat the shit out of whoever in the Military is making these whacko dumb shit decisions.

Be calm. Real DJT not going near those clowns. All us under control so to speak. The DS wont be getting me riled up. They panic more by the day. 😂🙌

Not going to speculate here. This week I am giving support for President Trump, in constant prayer and for God's intervention in this whole mess. Total insanity and evil to the deepest core. President Trump has not ever done anything calling for this. His fortitude is amazing. Stay strong. May God continue his mercy and safety for President Trump. 🙏

If you been and have research the past...this was always planed. President trump needed to be arrested, country goes bankrupt before the new GOOD system begins. DS control is about to drop through the trap door and hung

Bagpipes of War...

Outlawed tunes on outlawed pipes
Sounding in the wind
In the heat of every battle
Hold the skiltron high

No forbidding will stop them
When they're coming through
Encouraging a whole army
Standing in the rearguard

Bagpipes of war
Powerful as thunder
Requiem for an epic fight

Bagpipes of war

Prelude of Fury

Let the bagpipes start the war

“However the Highland culture, ancient and proud, was fiercely independent and rooted in incredibly important traditions of family and fealty. The clans such as Macintosh, Campbell and Grant had ruled their lands in the highlands for hundreds of years. The Highland Clearances changed all that however, and altered a distinct and autonomous way of life. The reasons for the highland clearances essentially came down to two things: money and loyalty.”

“Between 1811 and 1821, around 15,000 people were removed from land owned by the Duchess of Sutherland and her husband the Marquis of Stafford to make room for 200,000 sheep. Some of those turned out had literally nowhere else to go; many were old and infirm and so starved or froze to death, left to the mercy of the elements. In 1814 two elderly people who did not get out of their cottage in time were burned alive in Strathnaver. In 1826, the Isle of Rum was cleared of its tenants who were paid to go to Canada, travelling on the ship ‘James’ to dock at Halifax. Unfortunately, every one of the passengers had contracted typhus by the time they arrived in Canada. This ‘transportation’ was not that uncommon, as it was often cheaper for landowners to pay for passage to the New World than to try and find their tenants other land or keep them from starvation. However, it was not always voluntary. In 1851, 1500 tenants in Barra were tricked to a meeting about land rents; they were then overpowered, tied up and forced onto a ship to America.”

Last edited 5 hours ago by American Living in Canada

“This clearing of the population is a main contributor to the massive world-wide Scottish diaspora and why so many Americans and Canadians can trace.....It is not known exactly how many highlanders emigrated, voluntarily or otherwise, at this time but estimates put it at about 70,000. Whatever the exact figure, it was

enough to change the character and culture of the Scottish Highlands forever.

A 17th century Scottish prophet known as once wrote,
“The day will come when the big sheep will put the plough up in the rafters . . .

The big sheep will overrun the country till they meet the northern sea . . . in the end, old men shall return from new lands”.

It turns out, he was right.

Had to delete links.. sorry.. easy to look up the missing words.

It is intelligent and wide ranging posts like these that relieve the tedium of the present emergency. I, too, am a Kelt and I enjoy all the Keltic histories from Boadicea to General MacMahon of France. In fact, I used the Irish Hunger Memorial as one of the backdrops in my historical novel of NYC entitled “Late Night Radio.” I’ll leave you with one crumb: “How the Scots invented the Modern World.”

MacMahon was actually a Cabal skunk but was typical of the breed of Keltic soldiers that infused continental feudalism for hundreds of years. In the American Revolution the Scots marching through Bennington during their ill-fated Saratoga campaign marvelled at how robust we Americans were (tall and heavy). It was traceable, I believe, to the diet of the Mohawks (Keepers of the Eastern Door of the Iroquois) which, by 1777 was been subsumed by the new people calling themselves “Americans.”

Heard when they fingerprint him it’s going to be JFK JR. or someone like that. Who knows, I quit watching the movie a long time ago, just waiting for the credits to roll.

This makes no sense to me. Trump is allowing himself, and MAGA supporters, to be humiliated on all national and worldwide media outlets. Once Trump walks into that courthouse, he no longer can be protected by whitehats. This will not turn out good.

Dont worry DJT will not be there. His security wouldn't allow that folly they are trying to get people to do something stupid. God wins always. 🙏👑

<3 President Trump. Can't thank you enough for keeping him safe. God bless our country, our President, our military and all the people of the world.

Who's to say the real President Trump isn't stashed away safe and they'll end up with a clone. I'm kidding, of course.

Or a body double, which I consider quite likely. 😊

After Jan 6 what moron would go out to protest. These so called patriots were hung out to dry, sorry 45 but you've let these people down! Big announcements, 10 days of darkness blah, blah,blah, blah, blah. Time to step in Gen. Smith, shit or get off the pot.

“The Insurrection Act...” was triggered more than two years ago and we're maybe about to see the POTUS perp walked on international media by a coup d'etat criminal regime still in full control aided with members of both major parties,the border's still wide open with Illegal Aliens repopulating/resetting the USA in full view of the world.We're sustaining irrevocable damage maybe rivaling ancient Egypt's Biblical plagues.Who's our ineffectual calvary then; Custer's 7th? Sorry if people don't like my opinion but this is the evidence.

When they try to arrest him then they find out who the true president is. We have it all is not just a slogan.

I wonder if we're going to see something that propels us onto the street, not out of fear or anger but out of support.

Mr. Baxter, a suggestion: You might call the mom and pop businesses on the other side of Lake Worth (opposite Mar-a-Lago) to obtain from them contact information of persons living nearby to see if they have been warned to vacate the area prior to early A.M. Tuesday. And then maybe marinas to see if they've swiped federal credit cards at the gas pumps. You also might be on the lookout for a stringer. Keep writing. You're all we've got.

Come on, you know MB doesn't do that. He's not an investigative reporter. As he's said many times, he simply transmits the info that his White Hat handlers give him.

The military reads this too. People who are trying to help read this too. Let the chips fall where they may.

Well I predict, another boat regata I don't know about Florida but it is so dam cold down here in ole mississipp ,right now it's 33whenever it's not 80 ,I feel miserable Ecuador was 80 year round ...perfect climate
Sometimes ,I have a moment or two ,when I miss snowballs and icicles

God bless you president trump sir along with president putin you are the heroes of the hour, i can only suppose that president trump has an ace up his sleeve, but we all know what happened to president kennedy, but hey maybe he is going in to ask them to surrender, love to all.

Stay OFF this site....**asshole...** and go sell your **shit** someplace else. I'm surprised that Michael hasn't already kicked you OFF the site.

It should be possible to inhibit link sharing so this dickhead can't post his scams... I wish Michael would do this so the links would just become garbled nonsense and take away this guy's motivation to post here.

By Now, it is NO Secret that CLONES are known to (explode).
Would anyone volunteer to be the federal agent chosen to "arrest"
A. Target at the rally on Tuesday in NYC. ?
JUST THINK About IT...

““We've learned there will be a massive federal presence, over 600, including snipers on rooftops. This is part of the reason we'll engage only if necessary. We don't want civilians caught in the crossfire, and we don't want to give the Deep State reason to imprison more innocent supporters of President Trump,” our source said.”

Pray for President Trump and his family. These deep state mambas are everywhere.

Great work, Michael please keep us updated.

It make me wonder....**how** and **where** Trump will turn himself in. Will it be in Florida at Mar-a-lago ...or, will he fly in his plane up to NYC and land at JFK airport with law enforcement waiting there. And....**where**..and..**what** will his Secret Service detail be doing all the time this is going on ?? What if the Deep State people try to manhandle Trump....**rough him up**. What will the Secret Service do then ?? And...what will the White Hats do ??

Many Patriots are looking forward for Tuesday !
We will plan accordingly, and act responsibly.
Let's just see how the rallie plays out....

Maybe, just maybe.. a CLONE will be at the “arrest” !

Will that Shock anyone ? 😊

What is going to happen NEXT. ?

Watch the gunners wife on Yt. She lip reads pence and family at acceptance speech. .they were salivating to get trump out so he could be pres.

I couldn't help but notice that this “Tuesday arrest” is on the first full day of Spring... When do birds sing? Smile.
