Šest amerických mariňáků propuštěných z tajného federálního vězení uvedlo, že jejich vězňitelé – směs agentů FBI a soukromé bezpečnosti – je neúnavně mučili, připravovali je o jídlo a vodu a

nutili je vyprázdnit se v 5galonových kbelících, které se vyprázdnily jen jednou za rok. týden řekl zdroj z kanceláře generála Erica M. Smithe Real Raw News.

Jak bylo oznámeno dříve, americké speciální jednotky 8. března osvobodily šest příslušníků námořní pěchoty, které federální vláda držela bez soudu v tajném skladišti, které se změnilo na věznici na předměstí Long Island v New Yorku. Federálové šest zatkli za pokojné protesty před Kapitolem 6. ledna 2021. Jakmile byli osvobozeni, byli převezeni do vojenského zdravotního střediska Womack ve Fort Bragg a léčeni pro nemoci a zranění, která utrpěli v zajetí. To zahrnovalo dehydrataci, tržné rány, bodné rány a popáleniny. Bohužel, zranění jednoho z mariňáků byla tak vážná, že upadl do septického šoku a byla mu amputována noha pod kolenem.

Když byl vyslechnut v nemocnici, řekl, že je jejich věznitelé drželi v trvalém uzamčení v samostatných celách, které byly od sebe dostatečně vzdálené, aby spolu nemohli komunikovat. Vyprávěl o trýznivém utrpení svého zatčení. Federálové ho podle něj zatkli mimo stanoviště poblíž Camp Lejeune v Severní Karolíně, pak mu nasadili pouta a zavázali oči, než ho odvezli na nedaleké letiště nebo přistávací dráhu. Věděl to, protože ho federálové posadili na palubu malého turbovrtulového letadla. Během výpovědi řekl, že slyšel roztočení vrtulí několik minut předtím, než letadlo odstartovalo. Jeho únosci mu spoutali kotníky a připoutali ho k sedadlu. Během dvouhodinového letu ho několikrát udeřili pěstí do obličeje a označili ho za „zrádce“. Když letadlo přistálo, byl ještě několikrát udeřen, pak, stále se zavázanýma očima, nasazen do vozidla a odvezen neznámo kam.

Probudil se ve zchátralé cele, která páchla jako hovno, její jediné zařízení bylo lůžko potřísněné močí a 5galonový kbelík uprostřed cely. Strážce, řekl, z něj každý den – někdy i víckrát za den – vytloukaly živé denní světlo, když na něj chodily po třech, takže se nemohl dostatečně bránit. Jednoho rána do cely vtrhli čtyři dozorcí a přivázali mu ruce a nohy k lůžku, rozprostřeli orla a střídavě ho

bodali do pravé nohy rezavými kusy kovu a pak rány kauterizovali železem, aby zabránili vykrvácení. Odhadl, že byl bodnut 20 nebo 30krát, zatímco se mu strážci posmívali a říkali, že ostatní mariňáci ve vazbě budou sdílet jeho osud. Řekl, že jeden strážný mu močil na otevřené rány, než byly poleptány.

Ostatních pět mariňáků vyprávělo srovnatelné příběhy, i když jejich zranění byla mnohem méně závažná. Říkali, že jsou krmeni jen dvakrát týdně – zatuchlý chléb, pár uncí vody nebo červená tekutina, která vypadala jako Kool-Aid, ale v ní plavali brouci. Jeden řekl, že se ho strážce pokusil nakrmit bramborovou kaší se ztuhlou omáčkou a drobnými skleněnými střepy.

"Tito mariňáci přežili nepřežitě," řekl náš zdroj. "Ve federální vazbě je stále více příslušníků služby, nemluvě o stovkách civilistů, kteří by se mohli potýkat se stejným mučením." Takto Bidenův režim zachází s válečnými veterány, jako se zločinci, jako s domácími teroristy. Pracujeme na tom, abychom jich osvobodili více."

The people who brutally attacked our marines need to be put in jail. These marines were going up there for a very good reason. Remember it is under Joe Biden that our marines were attacked. Another reason to vote him out of office. Joe attacked those marines for no reason. The feds are controlled by Biden.

Why isn't every "politician" criminals in suits, not screaming and jumping up and down to free all of these political prisoners? I will tell you why, there are no real patriots in the sham administration, stolen elections have huge consequences

Biden and his son are criminals. Arrest them and most of Congress ... this abomination would come to a sudden stop. We have to avenge our service people. The Biden people responsible for torturing our US service people will pay the ultimate price.

I have an idea, go arrest these fuck running this fake administration then get all the J6 prisoners out. I know, the times not right, lol.... Oh heard a new pandemic is heading our way!! Guess another million people need to die before it's time to move!

 for these young marines and may the lord keep by the side of others to keep them strong.

In the end may all these vile beings be held accountable for eternity for the horrors they committed.

How much more of this Bull-Shit must be endured before the Hammer is dropped on ALL these cunts.

Patriots sacrificed, their blood used to grease the cogs of the satanic machine.

Thanks, Michael for the report. There are so many ways I want to torture communists throughout America. Maybe Father Jesus will turn me loose upon them. Until then, my prayers to HIM to nurture and protect our Veterans' health and wellness.

Criminal justice system needs to reformed. So many people need to be executed. Got to stop giving killers light sentences.

I can't wait for this corruption and evilness to be over. These, sick demon possessed people connected to their regime want chaos and destruction. Harm the American Soldiers who protect and defend our Constitution, foreign and domestic, our liberties, and the citizens of the United States. I had a talk with my dad who is a Vietnam Veteran with a purple heart and metals of honor for his service and bravery. I told him these evil people are not afraid of death, my father; turned with sharp piercing eyes of truth and strength shared an experience about death in Vietnam War. He said, "Everyone Fears Death." He said, I saw and heard every soldier when outnumbered

that spoke and faced death said, “Oh My God.” Those that remained told him they never feared death unlike never before, All Of Them.” My point is that the evil people need to be tortured back the same way and let them fear the death slowly. Killing them quickly is meaningless! Let these evil people share the same fate they did to the soldiers and the People. We know that We must trust the plan as Trump said, but in all respect, I honor these soldiers and love my brothers and sisters of Our Country who were slain by Bioweapons, ETC. I hope everyone here feel the same. I lift my head up high, because I know Justice is close at hand and we will get our payback. Trump is The Commander And Chief because of the Insurrection Act Of 1807 signed into action the day after the stolen election and the overthrow of our Government.

You’re hoping for too much, to extract revenge in the hope [They] will experience Fear, Regret, Repentance ???.

These are the possessed, they’ve been handed over to a reprobate mind, there’s no way back for them really, technically/scripturally yes [They] could repent and potentially be saved, but in reality NONE of [Them] will ever do that.

It’s tempting to want to hear the Bug scream before it’s eradicated, but it’s more practical to just close the Doors/Windows (escape routes) set the Bug Bomb Cans off and leave the building, come back when they’re All dead and sweep [Them] away, forget them as if [They] never existed.

If you’re pissed now with the limited knowledge we have, give heed to God, who’s been sitting on His anger for quite some time now, who has seen every evil/depraved act to every child since Adam, who’s Wrath will imminently be kindled against ALL the workers of inequity, the Word says men’s hearts will fail when they witness the Wrath of God unleashed on this evil, corrupt world.

It will be So Bad, God in his mercy will remove us (Saints) from the Earth.

Yeah I think the phrase “Fear of God” bout to be taken to a Whole New Level.

And this is all happening in the United States of America. God please help us. Do justice. I believe in your justice. This has gone to far. Only you can help the white hats finish this job. Help them, guide them and protect them, in Jesus Christ's name. Amen!

What is happening today has to happen, has been prepared for decades. The Globalist NWO Deep-State is spinning in confusion, has not the slightest clue what to do. Worry not, the Commander-in-Chief is not in any danger.

The confusion of the Globalist NWO Deep-State is surpassed only by the incompetence of the White Hats.

What is your sources saying is happiness with President Trump today is Tuesday it would be a great story to

Sadly, there's no proof that Real Raw News is real/true. I wish this were true.

If they really wanted to free everyone captured then they'd
ACTIVATE THE PUBLIC! Or at least activate non service marines.
Jesus H. Our people are being tortured and they're sitting on 100
million willing and able men and women READY to get the job done.
No mercy.
No deals.

Just give me a fucking address!

How long is President Trump going to wait before taking aggressive
action against the totally FAKE Biden (Arthur C. Roberts, 84), his
FAKE shadow Obama government and the horrendous things that
are happening to good, decent people? Just how sickening is it going
to get Mr. President before you take action?

Trump and Military are sifting through millions of communists to
eradicate in America. Choosing the most evil is a contest of will.
They'll destroy each one to the glory of Father Jesus who leads us in
this fight. HE said, "fight back harder."

The world's people are fighting back harder, too!

Sickening tale of Man's inhumanity to Man, that will never end. Who
dare's to say that Nazi Germany the USSR and Mao's China were evil.
America is no different, because it is not the country that's evil it's
the inhabitants who live there, just look around us. At the height of
the Cold War my father said to me a nuclear holocaust might be the
best thing for our planet. The cockroaches may survive to evolve into
a better race.

And that may be why Juan O Savin draws this out so much,
postponing the Great Return, prophesying the Great Reveal. Waking
up might call for more than merely waking up.

Quit giving these people your money and your time.

Quit believing the next big thing will happen soon.

Quit believing randos on the internet with their hands out

Quit treating politics like it's pro wrestling

The doctors should be giving these Marines Methylene Blue (USP-grade only) for the septic shock/sepsis, wound healing, brain and organ damage, depression, and general overall recovery. It kills bacteria and other pathogens in the blood, keeps blood pressure from dropping, and increases Mitochondria respiration and ATP (energy) in all cells in the body. At least 1-4mg/kg of body weight daily. Use it!

Last edited 1 day ago by Mark David

These guys need help, and Methylene Blue is the Silver Bullet of medicine. It treats many things. Just don't take it if you are on anti-depressants. Stop the anti-depressants for a few days. MB is also a very effective anti-depressant itself, without any side-effects. Only 15mg per day is needed for that. It is a safe, incredible medicine because when the Mitochondria are fixed in all the cells, diseases and injuries seem to disappear.

My heart is broken for these people.....all of them. Demons at the highest level, betraying their own country and its people. Praise God, they did not kill them. I fear for President Trump, those people would do unthinkable things to him.....and his family, please, please, please don't let that happen on Tuesday.

Who doesn't think they'll do the same thing to Trump IF they ever manage to get their hands on him? Trump & Putin are standing between the Globalists One World Order take-over. Both have arrest warrants. Trust NO one. If they ever manage to isolate them from their armed security, they'll 'disappear' them both. OMG...Keep them in prayer! Let no weapon formed against them prosper, Abba/Father. In Jesus' mighty name, Amen.

We stand in the gap for them and pray God's hedge of protection to surround them in Jesus's name, and thank Him for it, as two in agreement, when we pray, He is in the mist, and He hears our prayers, when two pray, sending 20,000 angels to flight when we charge them to go to battle. Each person that joins in prayer, sends 10,000 more, for each person. Let's charge ALL the warring angels out to battle, on behalf of our President Trump and this nation, and all those in captivity.

Pray for our nation. Pray for our Commander-in-Chief.

We have no idea what is going down today. Leave it in the capable hands of the white hats. Perhaps our Commander-in-Chief will be arrested in public far away from potential snipers, perhaps a double, surrounded by white hat counter-snipers, before FAKE News camera crews, by US Marshal white hats posing as black hats. Who could tell the difference?

Or maybe it will all be done with a very convincing white hat **CGI video** of Trump being arrested, with the military hacking and taking over the FAKE News networks and Social media, televising to all Americans, to all the world. Then a prepared skit could proceed waking up millions more, prepping them for launching a military assault on the treasonous enemy. A possibility? Maybe so.

This is one of the most sickening things on RRN. How could anyone treat innocent people like this no matter what they were paidtotally unbelievable.....

why is the FBI monitoring me and hacking me and got me bugged?
and why is people who say they are marshals and local cops
harassing my family? and threatening them. 5 cars pulled over my
brother pointed guns at his head and said I ought to kill you. with a
shotgun resting on his head. and a helo flew over me with soldiers
and had a side machine gun aimed at me and my dad. he was so close
I could smell his aftershave literally he had his thumbs on the
triggers a few months back. me and dad just looked at them and I
laughed if that's the way I'm going then oh well I'm living the best I
can I know where I am going. heaven is my home.

I walked out to my carport and said why are you putting bugs in my
carport area I don't know anything about what the white hates are
doing I'm just a big fan, drone after drone flies by so slow and low.

I say they are like this guy is the boringest man in the world. do I
have to keep watching him .bama millie yeah you better he seems
like he knows more than Biden

I Ot to video them doing all of this so people won't think I am crazy.
that's what I will do.

any groups that molest torture mutilate and maime and brain wash
people to be evil are satanic

any groups that celebrate the supernatural darkness and death or evil
creatures are satanic there satanic holidays to by the way .

doing these things opens doors for evil demons to take root in homes
communities and countries.

feminist are the same people who are mass murdering baby's
feminist are majorly for abortion, my body my choice so they are
mass murderers and there has been links to the abortion clinics
being used as satanic sacrificial places for demons. need more proof
bill gates parents are the ones who started them and they were
satanist

Words fail me. Day in , day out. What inhumane treatment towards the marines. To be honest a simple shot isnt retribution but then maybe they will get that in the future in some way. I can only hope. And I suppose all the other prisoners are probably getting the same treatment. I feel sick to my gut.

any belief system that opposes marriage or men being the head of their homes or women being mothers, people being straight or that opposes Christian holidays. all these are satanic socialism communism always leads to a satanic country a fascist one feminism homosexuality Muslims and even Buddhism are all satanic so is witches voodoo wizards Worlocks alchemist and so on all are satanic Budda himself on his dying days said what he taught was wrong and that Jesus CHRIST WAYS is truth.

shoot the Trump double ,very likely a double,Instead of blowing himself up ought to just pull off his mask and tell the judge and DA to go fuck themselves.

You have no idea what is going down today. Leave it in the capable hands of the white hats. Perhaps our Commander-in-Chief will be arrested in public far away from potential snipers, surrounded by white hat counter-snipers, before FAKE News camera crews, by US Marshal white hats posing as black hats. And you are a disgrace to “We the People” of the United States of America. You talk & smell like a traitor. NCSWIC                       WWG1WGA

We can only hope they start ripping that bandage off all ready. The people that are awake is at the max, now they need to wake up more with something different and direct.

If I'm proven wrong, I will apologize to President Trump. I think it is a unforgivable otiosity that we Americans have let this go on for so, so long. People must have known this was happening. Those responsible need to be prosecuted to the utmost. They need live prison terms or GITMO. This is sickening and it makes me very angry. I'm a disabled combat vet, wounded in Vietnam, but spent 20 years in service. I have over 35 years in gov. service. Let me at these assholes.

Truthers/patriots are getting edgy because it's getting close to the wire. Remember we are dismantling an ancient satanic child sex cult and human trafficking ring. The tendrils of which have engulfed the world and taken control of every single industry, banking, military, and government in the world and brainwashed billions. The fact that we are near the end is incredible. The fact that people are waking up is incredible! Our beliefs, our focus shapes our reality and more of this will be revealed as humanity learns that EVERYTHING we have been taught by these fookers is a LIE. Literally everything! So I suggest preparing yourself for an incredible new future, because it awaits you. Have faith, humanity is powerful, humanity is amazing! Most of the aforementioned fookers are going down or have already been removed. Remember this show is for the normies. Sanity will be restored, healing will take place, the marine will get his leg back. Life will be amazing.

I hope the Marine will indeed get his leg back. But that needs the MedBed technology which has not yet come into the public awareness though that too is being prepared, as I understand. People now are beginning to understand about the Biden Crime Family ... the Deep State ... but few as yet know about the ancient origins of the Khazarian Cabal ... the Child Trafficking ... the DUMBs ... the black space programme ... WWII never having really ended ... the dark ET

interference that only recently (2021) was stopped by the Galactic Alliance ... we humans have to wake up enough help enough others to wake up ... ensure enough are dealt with by Military Tribunals ... and develop enough of the structures and awareness we need in the future so this never happens again ...

Things have to be done right, under the true law, and in the right order ... ensuring the “dirty bombs” of the Deep State have been discovered and defused ... the money sources have been closed and blocked ... and all with hurting as few as possible ... using and developing the true weapon that can defeat all, which is Truth ...

Pray for all this! and with all this, developing our sense to work for The Good Of All, and never, no more, just for one’s own selfish good ... knowing that doing this, one will gain the best protection available ... from almighty God ...

any group whose believes directly oppose CHRIST JESUS and his teachings are satanic and are deeps state more likely. or are ran by them. . you think they end up with a believe system that directly opposes Christ Jesus consequence a dentally nope it was intentionally. see they did this on purpose cause people became aware of the evils of one group maybe they will be deceived by the others they created to destroy society and the human race. any belief system that is intentionally trying to destroy everything JESUS HAS CREATED IS satanic .

If this is true. Not one of them should survive. Either a traitor or complacent bystander. The day shall come.

The bystanders may know of others who committed these atrocities, so it’s better to leave them alive..

In reading this, a word that came to mind was “Andersonville”. I feel sick thinking about what these men had to go through and the “Americans” that did this to them. We are in war no less than any other bloody and sustained conflict between two entirely different

ideologies. Anyone who still isn't aware of that is brain dead. I wish I could believe we are winning this war but the outcome is unknown at this time. However, when it does end, there will be no reconciliation between the two sides, no attempt to go back to the way it was before and no feeling that we are all Americans and must forgive each other or that our commonalities exceed our differences. The two sides are entirely different and incompatible, and the winner will not be merciful or forgiving. That is why we must win. I have family members whose sympathies are with the other side, and it has taught me that a blood connection with someone is meaningless. I have nothing in common with them outside of a name. Values and principles are what counts and connects people. The Jan. 6 prisoners — all of them must be freed and must receive every care and consideration that we can give them. Their experience is an important lesson to us. We are no longer one country. Our war with the other side is an existential one — either we destroy them or they destroy us. We must never forget that.

the civilians are dealing with it. I've heard horror stories some almost died already from torture some have if news told me is true. every day they sing the national anthem and pray. they have had some eat glass and puke up blood and glass another was laying on a cold floor had a stroke from mistreatment laid there for hours.

Sure the white hats are in controll — look how long it took to rescue their own men — this story was heartbreaking to read. I'm so angry with what has occurred to innocent humans — WTF Trump!! And the fact that we still have many in captive — NONE of them should be in captivity. This is a JOKE n vile. Execute every man / women associated with this. So frustrating.

From a fellow Patriot and Sovereign:

This is a devastating read. Those onboard for such tyranny have proven themselves to be amoral beings, without a shred of humanity amongst them...and, traitors to all that remains good in our OG

Republic.

If this is the future we are facing...

...I urge the White Hats to only take survivors long enough to learn EVERYTHING they can about their true handlers. Then...deprive them of any right that may be supposed they have to breathe the same air we all need to survive.

As a child, the little I knew about our Declaration of Independence and our Bill of Rights drew me to the conclusion that ANYONE who deprives another of their right to life, liberty, and the pursuit of happiness was acting AGAINST our basic principles...meaning, All Rights THEY would otherwise hold becomes INVALID by their own actions against them, by injuring another for Whatever Reason suited their design.

That said, as a Patriot who holds our principles close to heart, I give my 'By the People' consent to terminate all usurpers without any need of 'jury of peers'...because that, in itself, presupposes that such a jury 'of peers' would be constituted by others of likewise disposition, a disposition whose cares nothing for the wellbeing of the life and liberty of those they've infringed upon.

As the bloodline niece of one Benjamin Franklin, statesman and signer of our hallowed Declaration of Independence, I stand by my Consent as a * Demand* to all who read this with stronger ability to institute change, as it is My Duty as an American Sovereign to "throw off" ALL iniquities whose aim is to foster Their Will ABOVE THOSE granted To Us by the very tenets that protect us as a Constitutional Republic, by law.

o7 Patriots. May God have your six as you recapture of Beloved Nation. and...Thank you.
