Námořní pěchota Spojených států vyslaná zatknout ředitele zdravotnictví a sociálních služeb Xaviera Becerra v pátek přerušila misi poté, co spatřila téměř tři desítky federálních šmejdu, kteří

hlídali uvnitř i vně jeho palácového domu na severozápadě Washingtonu, DC, řekl zdroj z kanceláře generála Erica M. Smitha. Skutečné syrové zprávy.

Becerra, řekl, je hledaný za „zločiny Covid“ proti lidu Spojených států, které zahrnují zneužití části ročního rozpočtu HHS ve výši 120 miliard dolarů na vyplacení státních úředníků za pokračující karantény a maskovací mandáty do roku 2021. Všichni od Andrewa Cuoma po Gretchen Whitmer dostal kousek koláče výměnou za to, že vyděsil veřejnost, aby věřila, že masky a časté posilovače jsou nezbytné k ochraně životů, a že přesvědčily veřejnost, aby přijala „nový normál“, tedy stav, kterému ekonomika, společnost atd. vyrovnává se po krizi, přírodní nebo vyrobené.

Pokud jsou všechny informace přesné, Becerra zaměstnala prostředníky, aby v první polovině roku 2021 tajně rozdělili 35 miliard dolarů mezi 5 700 úředníků, lékařů a správců nemocnic – což je zrádný čin, za který, jak řekl náš zdroj, musí čelit vojenskému soudu.

White Hats usilovali o Becerovo zatčení téměř tak dlouho, ale záludný ředitel HHS se skrýval v Polsku, aby se vyhnul zatčení armádou.

Náš zdroj uvedl, že kybernetické velení armády Spojených států amerických se dozvědělo, že Becerra se 13. března znovu dostal do země přes Andrews AFB a byl spatřen poblíž svého domu v DC – jedné z pěti nemovitostí, které vlastní – o den později. 15. března generál Smith pověřil průzkumnou četou, aby obhlédla rezidenci, ale mariňáci hlásili, že dům je tmavý a prázdný a že Becerra není nikde k nalezení. O den později Cyber Command sdělilo generálu Smithovi, že zachytilo zprávy naznačující, že Becerra plánuje večer 17. března uspořádat v rezidenci DC párty na Den svatého Patrika.

„Generál byl podezřelý; zpráva zněla příliš dobře, než aby to byla pravda. Becerra není ani Ir. Generál Smith cítil povinnost to prozkoumat a průzkumný tým byl stále v oblasti. Přesunul četnu ze Severní Karolíny do Washingtonu a uvedl ji do pohotovostního režimu, zatímco průzkumná jednotka znovu navštívila Becerrův dům,“ řekl náš zdroj.

Když průzkumný tým v pátek večer prozkoumal rezidenci, slyšeli pulzující hudbu a viděli uvnitř domu blikat světla. Viděli siluety lidí, kteří uvnitř tančili a popíjeli. Viděli také tucet ozbrojených federálních hrdlořezů klečících za keři a živými ploty a odstřelovače usazeného na stromě na Becerrině dvoře. Zatímco se dívali, otevřely se přední dveře a ven vyšli tři muži v taktické výstroji s puškami přehozenými přes ramena, aby kouřili cigarety.

"Je to past," vyslal průzkumný velitel rádiem Sílu rychlé reakce (QRF). "Je nepravděpodobné, že cíl je tady, a pokud ano, tak se to místo hemží 30 federály." Prosím, řekněte to Eagle." Eagle je kódové jméno generála Smithe.

Generál, řekl náš zdroj, nařídil jednotce, aby se zastavila, protože bylo zbytečné riskovat krvavou přestřelku, pokud na pozemku nebyla Becerra.

„O operaci vědělo pouze Cyber Command a Rada Bílého klobouku. Je tam únik, krtek. Generál Smith několikrát polygrafoval a vedl rozhovory se všemi členy rady a je přesvědčen, že jsou důvěryhodní a loajální. Řekl veliteli USCYBERCOM, generálu Nakasoneovi, aby udělal totéž, protože únik musel pocházet tam,“ řekl náš zdroj.

So You are basically telling him and his handlers that the “White Hats” are hunting for him. Seriously??? He will never be unguarded... Which tells me there was never really any intent.

“They” are using scrying, divination, and remote viewing. Also, telepathic communication via the VOX networks. Like NOTHING, they receive and send data. Utilize the SHAMANS, and SEVANTS, and not every WARLOCK, SORCERER or CASTER, is negative. Utilize the SOC’s. I can and do, COMMUNE with myself, past, present, and future, to make them PAST, PRESENT, FUTURE. Neg to POS, “POLARITY SHIFT”, is a PLANETARY “THING”. Stop!!!!!! THINK!!!!!!!!!!!! Who is the “enemy”????? SELF vs SELF, I repeat, STOP. The FUTURE, is literally PRESENT, LISTEN!!!! Telepathy is VERY REAL. As long as the ignorant “veil” is “in-tacked”, KARMA, which was once spelled with a C, Teaches And Nourishes=K”TAN or

C'TAN. Read "fiction", Gath of Ba'al, aka, Goth of Ball "Earth", which was/is PLUTO. Time/Space, Space/Time, what are "they", Where are Wi? Or When?? Sword of Truth, a very good "book" of my "fiction", as is the Death Dealer. MANIFESTATION does occur after complete DEVASTATION. The "bad" gets Decimated, Incinerated, Exterminated=DIE. It's based upon YOU, modern version of the ancient WORD, JEW!!! Please, do not argue. So yes, every SELF-AWARE LIFE FORM, can be called a JEW. But what do those RUNES, decipher into?? Hmmm??? JUSTICE ENCOURAGEMENT WISDOM??? Hmmm??? How WOULD JEW decipher it??? Hmmm say Hmmm??? Just Sayin-JS

Pssst....

I thought prostitutes advertising their services was illegal. Because we all know how you made all that money. Time for another STD check, isn't it?

I'm making \$90 an hour working from home. I was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. Do the White Hats possess the means to create a Donald Trump clone? (RE: reported pending arrest – let the clone be the one that's arrested)

No, these clones are satanic in origin, counterfeiting GOD's creation process, and Commander-in-Chief Trump would not allow it. He uses several doubles, probably wearing full Hollywood style stage silicone facemasks. This arrest script is a scam, showing how desperate the Deep-State is to get anything to go their way. How would Justice Department warrant servers even find Commander-in-Chief Trump, let alone approach him? He could be on any one of a hundred military bases, any one of twenty carriers or Marine assault

ships, at Cheyenne Mt where it is rumored his family is guarded, several other nuclear protected underground fortresses, including a fortress in Greenland.

“As they watched, the front door opened, and three men in tactical gear with rifles slung across their shoulders stepped outside to smoke cigarettes.”

Oh, come on. If it was a trap, how could they be so stupid as to do that?

That's not a problem. On the list of death he is already and we trust that soon he will be detained and enjoy GITMO and the noose. Don't forget that we are at war and NO MERCY to devils.

tThe goons are not going free,they will be done on the spot.who cares about a goon?

We do not waste our warriors.We are talking special forces is They move in stealth.Abort pull out,That is a success,not a failure.Tomorrow is another day. They like fighting real good.Yet this a trap,a set up.7 marines or army rangers could do 30 goons.i assure you of that. Yet the quarry is not there.HELL,they like doing the goons,fuck them.”drop your weapon or die.”They are not after the goons.They are worthless fucs..Abort,pull out now!They are going to get this fucker,A one bullet deal.Pow!They have your file,you are a walking dead man.why would we waste a highly trained warrior on a stupid goon? A thug..

yes, she sure does. makes me want to wash out her mouth with soap.

The biggest problem in our great nation that we face is the traitors. Those that want something for nothing. our nation was founded in a novel Idea unlike any other nation,that all men are created equal.With inalienable rights from the creator. you can become what ever you want to be. Yet,if you want something here,You have to put in something.To really find that out you have to go abroad.To other lands,and they are no less than us by the way, Opportunities there are not what they once were here. It is hard to believe how much we were willing to just let that go. They wouldn't.Not for anything.To just have that chance.To give it a shot.We,and this is very sad,take that for granted..It is hard for them to look at that.."a bunch of fuck offs." For us in the greater majority that is not true.At all.Never will be either.Much love and peace out.your humble narrator.

I like your post

I live in the UK

I'm envious for want of a better word of the freedom that the usa had

But in my opinion it never existed

Only on TV and a select few

All countries that have a central bank have paid to be slaves

1697 the bank of England was built

Taxes for war continues to this day

The fuck offs as you put it are the hereditary titled

The house of lords

Who all earned their money from wars slavery or drugs

Lots of Jews

Going back centuries

It in my opinion would need a civil war to remove these people

Or total exposure

I'm hoping for the latter

Working people have no trust or respect for government or royals

But the media reflects it differently

But like the patriots in USA

We are not easily fooled now we are informed
Good luck in your land
I hope it ends soon and peaceful
Peace brother

My husband (one month) and I (3 wks) were in the hospital in Jan. 2022 with C19 pneumonia (both lungs) on O2 the entire time....then off to rehab. (2 wks each) Several of my friends had asked me after that horrid experience....if I was sorry I hadn't gotten the jabs/boosters? ABSOLUTELY NOT!!!!....NEVER!!! I know what it will/can cause down the road....I know I'm off subject....

Pneumonia is very easy to catch. If your immune system is low and unable to fight off infection. Have a history of asthma or cigarette smoking.

Elderly are more prone to getting pneumonia easily because they're not as active physically the lungs are weaker and they are not sitting up. Lying down makes the lungs weaker and prone to filling with up with fluid.

Pneumonia is not covid related cuz covid is a fake virus,

Pneumonia is a bacterial infection related to either upper or lower respiratory infection.

Make sure your husband eats a lot of healthy organic fruits and vegetables and protein. Protein keeps the immune system strong.

And a lot of people who had been shot or in an accident died of CERTIFICATE OF VAX ID [COVID] Your Dr's and health professionals were paid big bucks to test positive! Ur 1st mistake was letting them stick that damn stick up ur nose!!!

Science has never isolated a C19 coronavirus. It does not exist. In reality their phony tests show nothing. Many people scheduled a C19 test, did not show up for the test, were informed they tested positive for C19. But they were not feeling sick, not even a mild flu or cold. In reality, the symptoms of C19 are those of a mild flu coronavirus.

The MDs and hospitals were given government bonuses for every person dying from C19, a huge bonus for deaths treated with a ventilator. C19 has proven to be a very profitable scam for the wicked of this world.

You had bacterial pneumonia. The MDs added C19 to increase their government bonuses if the patients died. There are many whistleblower accounts from nurses that the greedy hospitals killed patients for profits.

Tests are false positive. Do not believe what these doctors are telling you. Pneumonia is pneumonia a bacteria infection

Pneumonia is usually secondary cause of infection in the lungs. The influenza a or b are usually the primary cause of factor for infection in the respiratory lungs. The article I read was over 1,500 people were tested during the covid fake pandemic that had either influenza a or influenza B.

Becerra HATES American citizens and he HATES the Constitution and sovereignty – he wants to be the president of America including Mexico- he wants illegal aliens to have full rights to everything in the U.S.A.

EVIL EVIL EVIL T H I N G

Everything he did as CA AG was supportive of illegal aliens from Mexico and Central America. He expanded those eligible for free health care while ignoring the health needs of CA tax paying citizens, for example. He was also a “strident supporter of women’s health and reproductive rights.”

He also joined 15 other states in filing a lawsuit against the Trump

administration over the president's declaration of a national emergency to fund a wall at the southern U.S. border. As of September 26, 2019, Becerra had sued the Trump administration 62 times in total.

I think it was a set up. The ds knows the wh listen to their chatter so they plant this story about a party. Have a lot of fire power ready, waiting for marines to come into trap. The ds doesn't need a mole. Just plant misinforma and wait.

THAT'S OK YOU WILL GET THAT FREAK SOONER THEN LATER HE HAS TO MESS UP SOME HOW--WE NEED PEOPLE LIKE RAMBO TO GO IN

Recon Marines are about as Rambo as you can get. This is real, not Hollywood.

Gen. Smith, trap the mole. Set an operation and only release the info to "need to know people", a fake operation. Zero in on the coms and set up the leaker.

The Air Force has drones up surveying Florida, Georgia, South Carolina, North Carolina, Washington DC checking the railroad system & moving supplies. Looks like they're getting ready for the Psyop arrest of Donald J Trump on Tuesday, March 21st. More likely he's going to be transported to Gitmo out of the public eye.

The Donald Trump that they're using is a clone or an actor that's going GITMO.... it's all political game, psyop, false flag just to promote violence in the street. The real Donald Trump is safe and

well protected.

Hasn't that hype been in and out of the media for the past year? Why would Trump allow himself to be exposed for an illegal arrest? It would just be with his double for optics, more than likely.

Just like Jan 6 they're going to get a bunch of Feds and Antifa to stoke the violence in the streets of New York. Patriots are just going to ignore it. It's another psyop, false flag clone or double.

Trump called for protest, and we know that the real Trump would not do that after what happened on Jan.6. Stay home, it's a trap so they can throw more of y'all in jail. Somehow the DS managed to clone him..... it wouldn't have been hard to steal a little of his DNA imo. It is a DS clone

No. On Tuesday the 21st, the Democrats will commence screaming and pulling out their hair again for the umpteenth time. Believe nothing the lying FAKE News reports and makes up.

I would like to know why oh why are you reporting this as it is still an ongoing operation talk about loose tongues unless of course its a cover story in which case carry on and forget i said anything. love to all.

Thank you Mr Baxter for your great work. S. J, you have a delightful sense of humour, keep it up.

Gratifying that this dude has to live his life forevermore with a target on his back. Imagine fleeing to Poland..... POLAND.

Would it be correct to assume that every one of those armed guards at the location is a traitor? If so, they should all be considered targets of opportunity.

Removing it may affect the real Del? But quite a few similar.. were removed in the past. I won't bother MB wi tis questn. Tq

hillary body double will be the nominee for the demoNcRats in 2024. That's if President Trump is not reinstated before that, but he will.

Everyone want things done NOW! It can't be that way. There is a method to this madness. We have to trust that. One by one, systematically taken down. Be patient. God wins!

A O300 am for civilians Raid would be great help in and set on roof as well as ground pounders coming from all directions honing in on the safe house.A couple of personal carriers with 50s on top all hit at once should get the murder.
