Z neznámých důvodů se zdá, že guvernér Floridy a předpokládaný prezidentský kandidát Ron DeSantis zoufale chce znovu vstoupit do Guantánama, nechvalně známého zadržovacího střediska, kde jako nižší důstojník námořnictva údajně povolil násilné krmení džihádských zadržovaných, což je proces, který zahrnuje jejich připoutané. do křesla a strkat jim do hrdla namazanou hadičku.

DeSantis kategoricky popřel, že by schvaloval nebo byl svědkem takových incidentů, a v rozhovoru s Piersem Morganem řekl: „Neměl jsem oprávnění cokoli autorizovat. Možná existoval velitel, který by se nakrmil, kdyby měl někdo zemřít, ale nebylo to něco, na co bych měl ani oprávnění." To bylo v roce 2006, kdy byl DeSantis poručíkem námořnictva v rámci sboru generálního soudce – sloužil jako vojenský právník.

V srpnu 2021 měl DeSantis obnovený zájem navštívit své staré místo. Prohlédl si základnu s viceadmirálem Crandallem, zastavil se v administrativních budovách a v Camp Delta, než nastoupil do soukromého tryskáče na cestu zpět na Floridu.

Jeho návštěva vyvolala mezi Bílými klobouky rozruch. Jak generálové Berger, tak Smith požádali admirála Crandalla a vedení GITMO, aby zakázali DeSantisovi vstup, a tvrdili, že mají důkazy dokazující, že guvernér státu Sunshine byl sympatizantem Deep State, spolupracovníkem nebo obojím a členem Skull & Bones s kartou.

"Pokud je DeSantis tím, kým si myslíme, že je, a jsme si docela jisti, nemá na Guantánamu co dělat," řekl Real Raw News styčný důstojník admirál Crandall.

Když se DeSantis v únoru pokusil naplánovat následnou návštěvu, zaměstnanci GITMO řekli jeho mluvčí Christině Pushaw, že GITMO je pro nezvané návštěvníky uzavřeno.

Odmítnutí však nezabránilo Pushawovi a dalším osobám v DeSantisově táboře zahlcovat telefony GITMO žádostmi a požadavky.

"Dostáváme čtyři, pět nebo šest telefonátů denně, všichni říkají, že DeSantis musí přijít do GITMO." Nikdy nevolá, vždy je to jeden z jeho zástupců a my jsme jim řekli, že pokud chceme DeSantise vidět, zavoláme mu. Do té doby je persona non grata," řekl náš zdroj.

Ale stále volali, pokaždé to znělo bojovněji a důrazněji, až nakonec admirál Crandall osobně řekl Pushawovi, že „Deep State DeSantis“ ztratil právo navštívit GITMO za spolupráci s ředitelkou FEMA Denise Criswell během hurikánu Ian, kdy agenti FEMA drancovali domovy vysídlených obětí bouří.

„Myslím, že k tomu hovoru došlo během druhého březnového týdne. Vytrvalé hovory na chvíli ustaly a my jsme si mysleli, že konečně DeSantis napověděl. No, mýlili jsme se a 23. března ^{hovory} začaly znovu,“ řekl náš zdroj.

Pushaw, řekl, dal ultimátum: buď udělte DeSantisovi povolení přistát na letišti Leeward Point, nebo stejně přijede. Vedení GITMO diskutovalo o situaci s generálem Smithem, který řekl, že bude jednat s DeSantisovými lidmi.

O den později mluvil generál Smith s Pushawem a vydal ostré varování: pokud se DeSantis přiblíží ke GITMO letecky nebo po moři, bude prohlášen za nepřátelského bojovníka a bude po něm vystřeleno. Údajně nazvala generála Smithe „monstrem“ a zavěsila.

Položili jsme našemu zdroji hypotetickou otázku: Je možné, že GITMO má katastrofální informace o DeSantisovi, které by mohly zničit jeho prezidentské aspirace, nelichotivé informace, které by DeSantis mohl chtít zničit.

"To nemohu potvrdit ani vyvrátit." Jen vím, že tady není vítán,“ řekl náš zdroj.

Mr Baxter thank you for the updates. The new articles are not
showing on the first page but somewhere close to page/ number 7
and above. I have to search for new updates. Thanks

“Reptile Ron must be dealt with”, according to Shadow of Ezra, a
knowledgeable Telegram regular. This accusation would not have
been made unless it were true. Ezra knows the truth.

For those of you who don't believe, you had better do more research
because this is exactly who we are fighting in this spiritual war under,
above, and on Earth. These fallen angels are also hybrids of man and
demon known as 'mankind'.

No wonder General Smith won't allow him to visit Gitmo.

I have a feeling De Satanist will get to go to GITMO sooner or later,
but not as a visitor! There is a cell with his name on it awaiting his
arrival.

Desantis has soros & Bush money behind him now & he talked about
climate change & rising oceans. NO way he'd ever win the
presidency. No worries.

De Satanist's unhealthy appetite to visit GITMO means there is something or someone there he needs to take or see.

so why do yall suppose president trump said, RECENTLY, he'd consider RD as his running mate

I don't believe it is informational at all for that could be tied up with a phone call from him no he want to be on the island period to get something or see something why else go there. I don't think he and

Trump will get along as well so don't believe DeSantis will be asked to be vice president with Trump.

Today's Latest NEWS (28 March, 2023):

Taliban boasts repairing 300 military vehicles left behind in Afghanistan.

Treasonist Hoax illegitimate SecDef Austin and Treasonist incompetent Colonel Mark Milley should have resigned on their Afghanistan withdrawal failures when US troops withdrew and left hundreds of billions of dollars worth of military hardware and equipment.

If they haven't yet, they should now. No excuse not to. RESIGN!

What is wrong with DeSantis that he wants to go to Gitmo that is odd? Is there a person there he needs to talk to what? Who has he told that he can go at anytime. How many times is this now? 3 times he has tried to go back to Gitmo? Why? Who does he want to talk to? Most people try to break out of Gitmo. He is trying to break in. Why?

During that last Hurricane? DeSantes let FEMA who are black hats take their boats into certain high class rich neighborhoods and try to kidnap children and to steal anything valuable. But something is going on!

That must have burnt his bridges with trust at GITMO. He was unaware or didn't care and had a state of druglords and their boats coming and going all the time. It's always been a stand where they land by the boatload from the islands trying to escape or it's straight up posing as desperate migrants and really is just human trafficking.

For that kind of poverty some sell drugs, and some sell people to get any money. Selling people gives ability to stay on boats all their lives and there's what laws out there 50 miles out? I heard the captain of

the boat is all the authority in the world 50 miles offshore.

This article reminds me of the Soup Nazi Seinfeld episode, but, instead of no soup, it's no tribunal for DeSantis.

Just wonder how many of the JAG and OMC are Knights of Malta. Get their directions from the Crown. And the NCSWICN what it really is?

what I want to know is ,

why do you suppose president trump said, as his running mate , he'd consider RD

AND why is there even an election in 2024

Florida is definitely a good old boy southern state. That is how it goes. All of the southern states are this.

The entire country is "good old boy", it's a huge network and not just in the South.

Desantis is damaged goods now. Real bad. Rick Scott the previous Governor, left The State in real good shape. books balanced way in the black. Even now he is not trying to be President or President Trumps VP. He loves Florida as we all do

Was Jennifer Anniston a man? she has been executed at gitmo, No that surely was a women. Men getting all dolled up dressing like women is an insult to them. Competing against them in

women's, ones you would lose with the big boys. sports events, you fucking pussy! that is how men feel about it. would I call a woman to define it? God's gift to us boys.

You voted for people who implemented laws to "incentivize" transition of gender in order to acquire free federal subsidy payments, free medical care, and free surgeries.

It's your vote which created this situation.

Stop voting for ghouls.

Heard today DeS major backers pulled back and he won't run for 2024. They don't want him bruised by Trump. Waiting for 2028. He used MAGA and betrayed and deserted Trump on extradition. Some say if he runs now they'll never vote for him again. Scared him.

The DS would like to close in on Gitmo, they have a major problem there, CUBA. Gitmo is a lease from them including.. the airspace and the water. They do not interfere with that, They have a close eye on it. A major offensive on Gitmo would be presumed an attack on Cuba. International incident.

Gitmo is very busy. what are they waiting for, they are not waiting at all. Admiral Crandell, his balls clank when he walks. We hate traitors as much as Russians do, our process is different. They have been very busy, for them there are no hours, only work. Many, many more have been picked up and just jailed for now. many of these jailbirds are singing like linnets, we like The French, God help them also by the way. We have ways to make you talk. At this point a life sentence is a pretty good deal. a living dog beats a dead lion.,

36,190 visitors and 36,190 to spread the news about this filthy Skull & Cross Bonesman's perpetrations on humanity. In only days—his future is nada. No faux media can white wash this sh** off him and his Foreign Agent handler/ assistant/spokesperson. SHAME ON YOU BOTH.

Can you give some examples of how The Simpsons predicted the future? Should I be paying closer attention to Groundskeeper Willy?

I'd keep an eye on Barney. Who knows what he'll do when he's drunk we know that and Ivanka is going to be president ,whenever ,so says joo matt /Jason Q

I think DeSantis wants to identify military working in gitmo so they can threaten their families. The families threatened, call up their family member at gitmo, crying, do whaT they say or they'kill us.

Did you see article before this where detainee finally reveals that Berger was kidnapped because they had bad intel and thought he had the nook football and codes. Maybe this is why the Austin/Silly Christmas invasion and this DeS official trip to retrieve them.

Although not a common place for me to add a comment ... I can say after personally researching the internet from 1996 to 2012, knowing something was seriously wrong, discovering the internet to be 100% bogus ... under the control of google, today known to be owned by the Cabal, I know you and this money-making scheme to be a lie ... you're a liar like the devil you serve, and you know it. And considering you know you are not welcome here, yet continue to post your lie, I will leave the last word to God.

Proverbs 26:11 "As a dog returns to its vomit, so fools repeat their folly."

Until this moment I did not know the word vomit appeared in the Bible. I learn something every day here

You'd learn more if you read it! Lots of interesting words in the Bible!

I read the entire Bible, cover to cover, OT and NT, when I was 25 (54 years ago). I came away from that reading with over 30 questions I wrote out, made copies, and gave to every minister and priest I could contact quite a few I visited every church in town (lots of churches). Not one of them could answer a single one of those questions. After

many moves I lost the original, cuz now I cannot recall them. But since then I've learned how many times the Bible has been retranslated, and I suspect not a single version of the original Bible is available to humanity at this time. I believe what I read about the clearing of the Vatican, that over 600 original books of the original Bible were found and those books are being sorted and copied into a real, whole Bible as originally written, to be distributed to the people of the world.

That is shocking. Which tells me these men don't study or research the Bible properly. which is why they can't properly teach or disciple their flocks and converts. These sheep aren't getting fed; people go to church to be fed, not dictated to, or lorded over, or threatened, or blackmailed, or censored, or bullied, or discriminated against for being a woman.

YES, I SAID WHAT I SAID.

These sheep are hungry and thirsty for truth from God's own Word. What a travesty.

Geneva Bible was first Bible translated into English in 1540, supposedly it's a good version. I think it's on Amazon for sale.

why is there, a talmud a statement? that says

” JESUS is in hell ,boiling in hot semen /excrement/his own feces
“that right there is evil

I find it suspicious that the white hats are almost never discussing election fraud and what they plan to make elections secure.

Are all the news a distraction until the globalist-run media and democrat puppets steal the 2024 election again?

Calling it the “criminal Biden regime” is not enough. Action speaks louder than words.

Are the white hats using RRN to keep us quiet 🤐 while allowing the enemy to complete its takeover of the country?

Trump will win easily for a 3rd time. But anyone believing he will not be cheated again is delusional.

The white hats know this and this is what worries me.

Trump now calls it election interference. Prior was ballot tampering then stealing an election with the help of covid.

I agree with Austin Steinbart: the deep state has been cheating with ballots (voter id and signature). Blockchain election is the only secure election. Check out Qintelpro . Com/Plan

This site posted an article last October that the white hats will be standing by for the 2022 Congressional election, but the governor in AZ and senators in AZ and PA were stolen by democrats right under the sunlight. I don’t believe that we will have a secured and faired election in this country anymore.

talk and no action ...speaks volumes about the length and depth of corruption and about the arrogance of the controllers censorship and tyranny have arrived

these same conclusions are in many supporters of good verses evil

WHO ARE THE DECEIVERS and what can be done about them

31 train cars out of “70” derailed in Richland County North Dakota. This was a Canadian Pacific Railway operation carrying asphalt liquid.

They say; there is no threat. LOL Liars as usual.

Little do the people know, or the people “there” know – this derailment is over the top of a giant underground aqua fir.

There is nothing that can convince me this is coincidence, not anymore!

The trains derail over 300X a year just in the USA last I read. It’s the explosions we worry about.

The Feds can take control of contaminated land and move the landowners out. This includes waterways that flow through fields.

‘ feds are no more FED than a bug on a rug and DUAL CITIZENSHIP is the TRAITORS GAME and should be ILLEGAL

1700 derailments ,every year ,accidentally and on purpose Now even spices and over the counter meds and vitamins have been tainted with arsenic, cadmium ,lead, cyanide etc,,some have very high levels and rice has plastic rice mixed inuffda

Of course, they have unflattering info on DeSantis. He is a deep state stooge if ever we saw one.

More and more people are confirming that DeSantis is connected and has ties to the Cabal / Deep State, Skull & Bones all of these evil, criminal Satanic cults and organization... When George Soros backed him and gave DeSantis a favorable backing...what does that tell us all? This scum sellout DeSantis is no competition for our President Trump!!! AND Trump has all the proof and evidence on all these lowlife filthbags...including Skull & Bones LIAR Scumbag DeSantis

There is another one being prepared by DS beside DES; vivik aim4truth.org/2023/03/20/groomed-vivek-g-ramaswamy-is-a-deep-soros-plant/

It's probably a clone that wants to Access GITMO so it can do nefarious crap for the deep state globalists. Possible explode and cause damage to the high level generals or implant some type of spyware. Whatever,. it's purpose is, I'm glad the Generals are preventing it. This IS WAR!

Where do you get "probably"? Do you mean possibly? It's possible the military knows it's a clone and he's already been arrested or even executed. Clones don't know they are clones and they are expendable. They can send him there to get blown up if he's to be thrown under the bus. Sounds like he's under orders to go there. Deep State does want to take over GITMO is obvious on the previous attempts.

Clearly this Clown believes he has certain privilege and authority to undermine a duly Elected POTUS.

Does he think he has other more powerful alienable rights being just a simple Governor? Eventually all these rental Governors will be getting an awakening. They can "test" the water to see how long they can float, but they'll still sink because the weight of authoritarian power cannot sustain itself.

At best, this Clown is just a distraction to more devious plans that are unveiling – like train derailments with Chemical spills in the plan. Look there, Not here!!!

DeSantis is a groomed Pilgrim Society puppet. He is just trying to look authoritative prior to the Presidential election. His loyalty will always be to the Crown and the Privy council not America. The only reason he was the only one allowed to sound reasonable during covid was because they were trying to set him up to look good during the Presidential Election.

WOW, What a Jack-@@@!

I say, if Mr. (Desanctimonous) needs so badly to examine GITMO; Then perhaps he would like to take up residence, permanently!

He's probably want s so badly to tour there... so he can report back to his EVIL Criminal Masters. And you're right... I have a feeling that GITMO may very well end up being his permanent residence soon enough, if not.. then GITMO will probably be where he will be having his last meal.. and then off to the gallows w/ his pathetic Traitor ass!

Jak myslíš, že Ft.Meyers přemýšlí o Ronu Desantisovi? To není dobré, říkám ti to. Zním to místo docela dobře, je to mírné jižní město, velmi přátelští a dobří lidé. Trochu. pro mě daleko v bažině.
