Vyšetřovatelé JAG námořnictva Spojených států v úterý zatkli ředitelku úřadu pro řízení a rozpočet zločinného Bidenova režimu Shalandu Youngovou na základě obvinění z vlastizrady za to, že ukrajinskému ministerstvu obrany, které dohlíží na ozbrojené síly

Ukrajiny a ukrajinské armády, poslalo 17 miliard dolarů z peněz daňových poplatníků. ovládá vrchní velitel zločinec Volodymyr Zelenskyj.

Vyšetřovatelé nasadili Youngovi pouta, když v úterý ráno opouštěla svůj honosný dům na okraji DC. Když byl Youngovi ukázán vojenský zatykač, který ji obviňoval ze zrady, pobuřujícího spiknutí, napomáhání nepříteli a dalších těžkých zločinů, stal se verbálně i fyzicky bojovným, nazval vyšetřovatele „agenty Donalda Trumpa“ a kopal do nich, jako by praštila. fotbal. Byla ochutnána a dostala obličej plný pepřového spreje.

Jakmile byla poražena, byla umístěna na zadní sedadlo neoznačeného SUV a převezena do zpracovatelského centra JAG, kde zůstane, dokud nebude převezena na Guantánamo, kde bude čelit vojenskému soudu, řekl zdroj JAG Real Raw News.

JAG, řekl, má finanční dokumentaci prokazující, že 2. dubna Young autorizoval několik bankovních převodů v celkové výši 17 miliard USD z ministerstva financí do PrivatBank, nejvýznamnější ukrajinské banky z hlediska aktiv a lídra na ukrajinském trhu retailového bankovníctví. Peníze byly zaslány na účet, který vlastní ministr obrany Oleksij Reznikov, Zelenskyeho pravá ruka a partner v trestné činnosti.

Těch 17 miliard dolarů je navíc k 115 miliardám dolarů v hotovosti a vybavení, které režim daroval Ukrajině od zahájení „zvláštní vojenské operace“ Vladimira Putina.

„Naše stanovisko je, že žádné americké peníze by neměly jít na Ukrajinu. V případě Younga neexistuje žádný veřejný záznam o transakci. Proč? Protože to mělo být tajné, tajné. Nelegitimní administrativa a média udělaly obrovský kus práce a přesvědčily masy, že Putin je zlý a že Zelenskyj potřebuje peníze a zbraně, aby Putina odrazil. Máme přesvědčivá data, že naše peníze financují

kroužky pro obchodování s dětmi na Ukrajině a Zelenskij jim umožňují beztestně fungovat. Youngovy prohřešky jsou zrádné,“ řekl náš zdroj.

Bohužel, JAG věří, že Young je jen jedním z mnoha Bidenových přísluhovačů, kteří tajně převádějí obrovské množství hotovosti na ukrajinské bankovní účty.

„Těch 115 miliard dolarů, které veřejně deklarovali, je jen kouřová clona, která má zakrýt, co se chystá na Ukrajinu. Myslíme si, že toto číslo se blíží bilionu a usilovně pracujeme na tom, abychom viníky vystopovali a zatkli. Přiznáváme, že Deep State je hlubší, než jsme si kdy představovali,“ řekl náš zdroj.

Dodal, že vyšetřovatelé Youngovou vyslechnou – pokud bude ochotná mluvit.

"Víš, jak to bylo." Deep Staters nemluví. Všechno, co kdy řekli, je, že jsem dělal svou práci a mlčel. Alespoň jsme dostali Younga,“ řekl na závěr.

Na druhou stranu se omlouvám za svou nepřítomnost. Musel jsem se postarat o rodinnou naléhavou situaci, která mě na několik dní vzala mimo stát. Budu hrát catch-up. Tribunál Lori Lightfootové se konal ve středu a toto shrnutí zveřejním příště.

No apologies needed. I am just thankful for all you do to help keep us informed. I hope everything on your end turned out well. We missed you. Welcome back!

Thanks Michael for the heads-up. Hope all is well back home, and you get a restful weekend to power-up.

Thanks Michael Baxter. Hope things are better now. You take care.

This woman isn't going to be too happy to be transferred to Gitmo—but I'm pretty sure she knew what she was doing.

great jobs Generals Smith & Berger!!!! fabulous work catching another pawn! The amounts of money going out is obscene. so many are doing Spiritual warfare every day trying to please God and hasten his judgement on the pedophiles, murderers, rapist, Illegals, gangs fake media and fake government. Gavin Newsome can't run for Potus because he was hung at Gitmo last year!!!The chaplin at the gallows said he had never seen the degree of evil on anyones' face like he saw on Newsome as he stood upon the scaffolding with a rope around his neck , spitting on the chaplin and the hangman soldier.

The longer the war drags on, the more I'm coming to believe that Putin and Zelensky are cooperating to disarm and bankrupt the USA. Change my mind. Remember how close Hillary was to Putin? How the only Russian collusion in 2016 was attempts by Moscow's agents to compromise Team Trump? That scenario would also mean that the Afghanistan pullout was done IN ORDER TO give away all that weaponry.

I have a stinking suspicion that each of these pawns were only told just enough so they would obey—and maybe told how they would stop the MAGA movement and protect Biden.

Stretch her on a rack and then cane her 70 times. Then bullwhip her and add the alcohol. Then shove raw hogs' intestines down her throat.

WHO THE FK IS SHALANDA YOUNG & WHAT GHETTO DID THEY DIG HER UP OUT OF?? AND SHE SENT FKN TRILLIONS OF DOLLARS TO UKRAINE? HOW THE FK IS THAT EVEN P[OSSIBLE? I THOUGHT THE IRS & FKN TREASURY WERE BOTH PUT DOWN UNDER THE CONTROL OF THE WHITE HATS? WTF? HOW THE FK IS SHE DOING THAT? THRU WHAT CORRUPT FKN BANK??? OR DOES SHE JUST SEND PALLETS OF CASK LIKE THE NGR BARRY SOETERO O'BOMBER DID LIKE IN IRAQ & AFGHANISTAN??? FKN GHETTO HOMIES SHOULD BE THE 1ST TO GO TO GITMO. FKN TRAITOR SCUMBAGS.

SO EVERY TIME U HAVE A FAMILY EMERGENCY WE GET STUCK HOLDING OUR COCKS??? THERE'S NOONE ELSE THAT CAN WRITE OR PASS ON THE SHORT, VERY SHORT COMMENTS U MAKE ON EVERYTHING? NOT FOR NOTHING BUT A CHILD COULD WRITE IT!!!

Go wash your hands and knock out the dishes. If you don't want to read this, you don't have to come here. Go vacuum your truck out and detail the interior. That will occupy your mind for a few minutes.

Shame on you!! Where is your compassion and understanding? What would you do if you had a family emergency? Tell them you're too busy to be bothered to help them, and say go die?

This is getting old... arresting AFTER sending \$17B?

If they are worthy of Gitmo before their crimes why aren't the white hats just shutting them down now?? We will never see the money again, this as we write our April 15th tax bill.

Not our money, just huge losses for the bankrupt US Corporation banksters who will likely soon be diving off skyscraper roofs. Our money is perfectly safe, and eventually much unlawfully stolen tax

money will be returned to us. Do not weep for the thieving international banksters. Not filing is an option.

Yes, when you file you enter a contract and sign that contract. Adjust your W4s so they don't take taxes out.

I guess you dont know much... do you? Filing income tax is voluntary. It is your confession to your income that should never have been taxed in the first place. Do you understand what I am saying>>>? Please research what I am saying to you.?

Paying taxes is YOUR confession to income. Fiat money is dead in the water, the world is turning to gold and precious metal backed currency. If you pay income tax, you can consider yourself as part of the BAR Association or, the British Acquired Registry. Your tax goes directly to england, not to the USofA. C'mon man WTFU

So what do you do when they come knocking on your door and arrest you? You go with them don't you. You get a lawyer. Pay lots of money. You go to court. A DS judge sentences you to prison and or you pay a fine.

You are right as far as Constitutional American law goes.

The courts, however, use British Admiralty Law, and the judges and lawyers swear an oath of allegiance to the British Monarch.

This is Treason.

This exercise for world wide Martial Law will remove these traitorous scum, and install Constitutional American Common Law.

Having worked at jobs which always 'took' money out of my payroll, I am guessing that if I am still alive after this deadly war ends, I will be reimbursed **quite a few 100,000 dollars**. I imagine business

owners will be reimbursed by a different method. That money was stolen from us by an UnConstitutional taxation scheme. I would guess that the **inflation rate** would be near ZERO at that time, our wealth retaining its value.

OK I must have Pd in your water again--HAARP--NIMBUS--FLORIDA--all this macho stuff and I scare you--I gotta say her picture looks familiar--and I don't mean as OMB--20 inches of rain and that doesn't ring bells--

Russian forces have now captured the huge tunnel system under Ukraine stretching for hundreds of miles and will be taking the war against child trafficking, deadly US biolabs, and Adrenochrome production underground.

Just like US Special Forces, Russian Spetsnaz have also undergone extensive underground battle training, and are coordinating with what US Special Forces have been battling in the DUMBs and tunnels all over the US, all over the world. Ukraine and a few other nations in the area were impossible for US white hats to deal with, so Putin took up the task. Xi and Chinese white hats will deal with Taiwan, and the terrible child trafficking and biolab difficulties there.

ALRIGHT!!! i'm glad Russia is dealing with them instead of the U.S.. Russia knows how to properly deal with the ones they encounter. The evil POS scumbags will suffer a more fitting and painful death from Russia. I really enjoyed that article which told of the beheading of a group of lab workers who were captured by Russian forces. They were dealt with almost immediately.

As I understand, US Special Forces are taking no prisoners in their underground DUMB battles, often burying the enemy under tons of shattered rock.

She pulled the Trump card at her arrest, I'm sure she tried the race card once arrested and detained for being black.

She pulls the race card and they say, "Ok You can hang first!! We'll race you right to the front of the line!"

HOW COME EVERY FKN NEW MAYOR, BUDGET DIRECTOR OR ANY NEW APPOINTMENT IS FILLED WITH SOMEONE THAT'S A BLACK HOMIE GHETTO LIBERAL??? WHO ID TOTALLY UNQUALIFIED EVEN AS A FKN FRY COOK AT MCDONALDS?? THAT OR A FKN TRANNY FAGGOT OR DEVIANT HOMO COK SKR???

It's a theory but not hard to guess JAG might pull the not a human at all card and she's some kind of possessed thing or hybrid.

glad to hear! Does anyone know where the Rodrigus Trust Fund money comes from? Supposedly has a thousand zeros attached to the number? Was it created by the gold taken out of the 1500 mile tunnel below the Vatican?

No. The Rodriguez Estate is hundreds of years old. The money did not come out of the gold reclaimed from the tunnel. However, that gold has been placed to back the new US Treasury note, as well as other legitimate currencies around the world.

I read that it is from one of the islands family's and had nothing to do with the Vatican.

I read about the zeros attached to the number on Dinar Chronicles 2 days ago. I can't compute that many zeros. Is there even a name for that amount?

If my SS check goes up like they say it will this month, then I will have my first tangible proof. I went to SSA site and they actually spoke of the payment dates and formula involved. That being said, when/if my check doubles, THAT will be my proof.

Good luck to all.

TY. YOUR ABSENSE IS OK WITH ME. NO CRITICISM HERE...OF THAT, OR ANYTHING ELSE > YOU "CHOOSE" TO USE YOUR "INTEGRITY" TO DO<. <>< LOVE, PEACE & PRAYERS, TO YOU & <ALL > WHO ARE ON THE { GOOD~SIDE } IN THIS W~WIDE "EFFORT" TO MAKE HUMANITY'S FUTURE MORE "SAFE & BRIGHT". <>< : } SINCERELY GRATEFUL....

You may think that would stop the flow of money to fund the 2nd most corrupt and perverse country (next to the US district of criminals) but they will find another to replace her, and one after

that and another...

Was she the head of the snake?

We have the imposter in chief embarrassing us, pulling at the back of his head-mask and putting our soldiers on the death line but this arrest will do something.

Still, you got to like a good story.

Did you see “Biden” scratch at the back of his neck in Ireland, and leave two big latex wrinkles on the right side of his neck?

Yep, and we all know that ain't Biden.

Whoever or whatever it is should have had his mask removed and arrested on the spot to show the world.

Arthur Roberts is a white hat actor following a script, educating the fast asleep, **don't give a shit** US citizenry. He will probably be a hero in future history books. That **falling up the aircraft stairs** was a comedy skit worthy of Laurel and Hardy.

Yep. I think he purposely did that to draw attention to that area on his neck. I wouldn't have noticed it if he didn't scratch at it. I think the real Biden is dead, we're watching a movie.....and the fake Biden is being controlled by the White Hats and purposely dropping hints to us to show us that this is indeed the case.

JAG, Please look into this. Thank you and God speed.

“...trio of US senators and country artist Brad Paisley met with Ukrainian President Volodymyr Zelensky in Kyiv.

Paisley, an ambassador for Ukraine's United24 fundraising campaign, accompanied Sens. Joe Manchin (D-W.Va.), Lisa Murkowski (R-Alaska) and Mark Kelly (D-Ariz.) as they spoke with Zelensky and his cabinet about Russia's ongoing invasion of the country.

Michael Baxter,
Welcome back. We missed you! Can you please ban this bot acct? It's just annoying.

She looks like a squealer to me. Give her the hope of release or at least a light sentence and she will be talking so fast you will have to replay the tape back in slow motion so as to get it all. Then you can either let her stew for a while in prison or pull the rug out from under her and charge her with all the crimes she has committed instead of the first few mentioned.

Agreed, she looks like a squealer !
She will rat out anyone..in no time!
She will spill the beans, just suggest a little torture.
She be on her knees begging for mercy.....
I Bet that she already talked.

Last edited 8 hours ago by Wildcat

Absolutely fucking not...inject her with whatever mind-blowing drugs and torture techniques you can muster until she's a vegetable and then drown her. To hell with these satans. I want the kids free and all my god damn money refunded.

Im sure that Creator Father loves your mus-turd understanding of what is actually happening in this world

if that was a request of God better back of the cursing Him and repent quickly! Do you know the penalty for that from our Father?

Loretta Lynch brought up the race card and it didn't save HER treasonous neck.....

This isn't the regular satan-run federal courts. She can play that card all she wants – it won't mean anything to Admin. Crandall lol. He's likely to say, "Ok...you're black...and?" 😂

Jeff Rense has been doing it for years. It's sketchy and you sort of hear things. I wouldn't know how to reverse speech on a pc unless there's an app.

Mr. Baxter ~ praying peace and comfort with clarity of mind for you and your family.

Please consider restricting Impala from posting on this site. His filthy mouth is disgusting; worse than buckfiden and he was bad. If people can't respectfully post why allow them to post at all. It's vulgar, crude, unnecessary and the rest of us don't wish to be subjected to his filthy mouth. Thank you for your consideration. Blessings.

Sources close to FBI Director Wray stated, "We decided on HRT as an acronym for our transgender Hostage Response Team inasmuch as they are required to go on an aggressive Hormone Replacement Therapy routine in order to qualify as FBI. This is an intimately kept secret among those in the bureau.

Blessings, Michael, to you and your family. This might help to get rid of the Delavic troll and not the "REAL" Delavic. Currently, the Delavic troll has a pink body icon, the "REAL" Delavic has a red body icon. I don't know if you can do anything about it, but I hope this helps.

These diversity hires are all traitors. Every last one should be grabbed up and thrown into a pit of alligators

Insert steel probe in her arse

add a little voltage for 900 hrs and several socopolimin injections make her confess to EVERYTHING

Bring in the ELECTRIC CHAIR

& strap her in it.

Post a live video of her mansion being hosed down w/ raw sewage then set it ablaze

burned down to the footings

No crying, screaming that Barack Obama will hear about this & avenge me by coming after all of you..!

she's scheduled to be executed and no one can PARDON her after she hangs and is DECLARED TO BE DEAD

burn it down. She won't be returning home to relax in front of that 90" TV..& Fix herself a lobster dinner..she's a detainee w/ a TREASON charge, She'll b traveling to the other side of the grass very soon.

Don't sell the house, it was purchased with ILL gotten gains bought with blood money !

I'd burn it to the footing and sell the property for \$1.00 .burn it down.

If She's married find her husband have him arrested and charged with conspiracy & laundering the money that bought that house and take him to GITMO

Since water is a good conductor of electricity they could take her water boarding first before bringing in the chair for fitting and adjustments.

Swimming before riding the lightening roller-coaster is always fun.

That one has bit*h written all over her ugly face... Can't wait to see the tribunal story when she's up at bat for what she's done.

ok so for the last few years you always use an excuse, but getting someone else to do the job never crossed your mind? I have said get help with all that needs to be done.

GOOD !! One less **nigger** to worry about. The Black fucking CUNT. I would love to see the Black **bitch** swinging from the end of a *rope* at GITMO. Like I always say....***the only good Nigger...is a DEAD Nigger***. Maybe....if we're lucky....Joe Biden will join her.

Makes you wonder if ipmala is working for the bad guys?

Being racist isn't a good quality in anyone.

I would be willing to bet that most of the people that have sold out our country and the world are White. I would guess at a number of around 85-90% white maybe even higher. Of-course in places like Africa the elite people placed in power are mostly black which added to my lower number of 85%.

They "deep state" have been pitting us against each other based on skin color, sex, religion and nationality for thousands of years, You took the bate hook line and sinker.

No matter the skin color nor nationality "we the people of the world" have been enslaved to a corrupt system of mostly elite white people.

This is just my opinion of-course.

Despite the DEI, I think a lot of these black folk came in under Obama's watch. Then the DEMS figured they needed the muscle and felons incarcerated, people coming from third world countries illegally across our borders for the FREE STUFF, radical liberals who can't repay their tuition loans, those who want reparations and more entitlements, DAs that won't prosecute according to the law, and those who want abortions or the alphabet lifestyle BELIEVED the pie in the sky ideas that doing what they do/did could make this happen without any consequences.

You left out the 13 families of shape shifting reptilians that "look" like white elitist people. Many reside here in USA. The Royal families of Europe & UK.

I just read that Earth's population is only 60% human.

It is NOT about the COLOR, it is about the LACK of COMMON SENSE, moral values and ethics!

You got that right, Linda. Only thing is EdBob, Big Ed, Ipmala , Julie, Dave Kelly and a few others on this site are discriminatory about race and sex.
