18920

pondělí 24. dubna

Liz Cheneyová stála na šibenici s pleteným provazem kolem krku a naposledy se nadechla k posmívání prezidenta Donalda J. Trumpa – který nebyl přítomen – a jeho „přísluhovačů“ a obvinila je z kolektivního podvracení ústavy, aby prosadili „soukromou značku“ spravedlnosti.” Její oči, otevřené do úzkých štěrbin, jako řezy nožem, si prohlížely důstojníky, kteří stáli pod ní a před ní, jako by si zapamatovala tváře pro budoucí boj proti nim.

Jak je u věšení typické, uniformovaný voják zatahal za lano táhnoucí se od Cheneyho krku k trámu několik stop nad nimi a testoval, zda není povolený a napnutý. Kývl na viceadmirála Crandalla, čímž dal najevo, že je připraven stisknout tlačítko.

Zrzavý Cheney blábolil o tom, jak Trump a admirál Crandall nakonec budou čelit vlastním tribunálům s předem stanoveným rozsudkem viny. Řekla, že je a jejich spoluspiklence čeká nevyhnutelný osud. Trumpa a admirála považovala za odpovědné za smrt jejího otce a řekla, že jim její „lid“ usekne hlavu.

"Všichni jste odsouzeni k záhubě," řekla a zatřásla svá spoutaná zápěstí a nazvala admirál Crandall dráždivý, jako bzučící komár, který čeká na rozmáčknutí.

„To není osobní; Nemám ze svých povinností žádnou radost,“ řekl viceadmirál Crandall. "Složil jsi přísahu naší zemi - dovol mi, abych se opravil." Není to vaše země. Přestala být vaší zemí v okamžiku, kdy jste zradil ústavu. Jste neameričan. Vy, vaši lidé, stojíte tam nahoře a držíte se bez viny, bez obav z toho, co jste udělali. Lituji tě; Opravdu ano."

Admirál vypadal neobvykle trpělivě. Dal Cheneymu větší volnost, než měl předchozí Deep Statery na popravišti. Jeho tvář byla bez výrazu, ale zdálo se, že se upřímně zajímá o to, co lidi jako Cheney přimělo klíšťet – co je vedlo k tomu, aby si cenili chamtivosti před dobročinností? Jaká přesvědčivá síla je zbavila slušnosti? Jeho nezaujatý pohled se stal zmateným, když poslouchal Cheneyův nenávislný monolog, její jazyk švihal jako had, když proklínala admirála a jeho rodinu.

„Zabil jsi mého otce. Zabil jsi mé přátele. A za to zemřeš,“ řekl Cheney.

Admirál toho zjevně slyšel dost. Prikázal vojákovu na plošině, aby zmáčkl tlačítko, a o vteřinu později se Cheney houpal ve větru. Lékař námořnictva potvrdil Cheneyho smrt a poznamenal čas: 9:30, pondělí 24. dubna.

Adm. Crandall měl nabitý program. Stále musel dohlížet na oběšení dvou zkorumpovaných federálů a pak nastoupit na jeden z několika letů, které ho nakonec dopravily na Guam, kde se v dohledné době

budou konat tribunály.

(Návštíveno 71 632 krát, 25 810 návštěv dnes)

Actually, it is not fiction at all. The Principles for this action is found in the Creator/Saviour's Tech Manual on Life: Deut 19: 18 And the judges shall make diligent inquisition: and, behold, if the witness be a false witness, and hath testified falsely against his brother;
19 Then shall ye do unto him, as he had thought to have done unto his brother: so shalt thou put the evil away from among you.
20 And those which remain shall hear, and fear, and shall henceforth commit no more any such evil among you.
21 And thine eye shall not pity; but life shall go for life, eye for eye, tooth for tooth, hand for hand, foot for foot.

Ok, what about all the others on that committee? Kisinger? That black chairman guy? They should have all been taken out at the same time.

Last edited 4 hours ago by Delavic

damn liz just tweeted a few hours ago. welp guess the clone got executed. Spartacus set the rules, not me

she even looked evil, her dad shot his friend in the back on a so called hunting trip.....how ironic !

Slowly but surely the cabal is being taken down. A huge concern is Vanguard and Blackrock are taking over centralized food production technologies and soon will have near total control over OUR food supply in America. The C19 jabs/boosters didn't kill enough of us, so now it is our food supply! On a side note, Blackrock owns 59m shares of Dominion (cheating voting system) and Blackrock owns 45.7m shares of Fox. Blackrock sued itself and fired Tucker Carlson as part of that lawsuit. God help us!!!

Even though the NWO is dead as per BlackRock's CEO they still want to kill us. FIGHT BACK!!

TRUMP HURRY BACK, PLEASE!!

The world has been watching Military MOVIES since 1999 to 2023 to wake-up the world of who is evil among us on Earth. The two websites reporting on Military executions are REAL RAW NEWS and AMERICAN MEDIA GROUP. Compare their lists of EXECUTED DEMONS. Enjoy! 😊

Last edited 6 hours ago by FireDog

I checked out the American Media Group site. Alas, not much new and what is there is presented with repetition and sensationalism. Makes me all the more grateful for RealRawNews.

Thank you so much I will check it out.... May God protect all those that are in this fight to free our Country and the World.... Make Earth Great Again....

Thank goodness the Cheney's horror show is over. We could bill Liz for a grade B horror flick as "Blon" Cheney co starring her dad Dick Head Dick Cheney. Ha, ha, ha, whore, whore, whore. Sorry for the bluntness but I have absolute disdain and total contempt for the Cheneys

Correction: "Liz" Cheney was a MALE. The transgender MALES wear "scar necklaces" that expose the surgery to shave off the MALE Adam's apple to appear FEMALE. Only MALES wear the "scar necklace" from side-to-side of the neck with the incision hole over the Adam's apple area. Just saying....

That is what the Illuminati Does, the First Born have to Change Gender in all these families.... All in an effort to Defy GOD.... How else could these gender changing couples have kids? Just saying.... These kids are matched up by DNA... It is about as Screwy as you can get....

Whence her overweening confidence about the "fate" awaiting Trump and Crandall? Could it be that demons, whether directly or indirectly, assured her of this, and she stupidly took them at their word?

She was deliberately trying to scare them. If they don't buy in, it won't work. It is fear that is fed on by the dark ones and demons. She's done.

This is great news. She is a traitor that interfered in our election. Hang in there Vice Admiral Crandall, I swear your doing Gods work. These practicing Satanists participate in 8 human sacrifices a year minimum. Your saving the lives of the innocent. Luke 19:27 But these enemies of mine who would not be King over them bring them here and kill them in front of me.

I am making over \$20 k a month working part time. I am a full time college student and just working for 3 to 4 hrs a day. Everybody (der-02) must try this home online job now by just using this

Following Website-----

>> <https://prosalary1.blogspot.com/>

Last edited 8 hours ago by Delavic

Online, Google paid \$45 per hour. Nine months have passed since my close relative last had a job, but in the previous month she earned \$10500 by working 8 hours a day from home. Now is the time for everyone to try this job by using this website...

Last edited 8 hours ago by Delavic

Look folks, you can't just pop in and grab a few black hats, scumbags, ex-patriots, evil doers etc...even though you got them by the nads. You have to let them all continue to expose themselves as all the evidence is being compiled against **ALL** of them. Otherwise, the next one that sneaks in the back door of selected elections will have zero control to realign this country because there will be too many minions still around with the ability to thwart any progress. We all know God has this so just trust in him that goodness will prevail against the evil in this universe...eventually. The Rothschilds are at the top of this pyramid and they have groomed and chosen the nazi

Schwab to run this world so to be able to take down the bigger picture here (globally) you have to think big, plan big, act big and **PRAY BIG**. This is way bigger than just the sh*tshow in the United States. Switzerland is **NOT** neutral, it's where all the elites live and run the world from. If you plan on taking down the BIG FISH you're gonna need a bigger boat.

I think there is someone above the Rothschilds. A French family. From what I understand, the "Elites" run to Belgium. Today's (4/28) U.S. Military News GCR Report.

It wouldn't surprise me at all if the top evil elites are French. The French hereabouts are extremely handicapped by an inbred, inferior intelligence. This is just generally speaking. I have some good French friends...but not many. The rest are small minded morons. I don't know what it is about them, except that it must be their fierce inbreeding. Look what they did to Joan of Arc. She saved them from 100 years of tyranny by the British. Then, the French allowed the British to burn her in Rheims, in their own country!!!! They watched her burn after all she did for them!!!! The French deserve what they get imo. I cannot stand any of them except for a few French friends that are not of the French hive mentality. The rest of them hate any humanity that is not them. Thus the inbreeding. The elites, evidently, are famous for their inbreeding as well. They consider themselves "blue-bloods."

FEDERAL RESERVE bogus bankster money system is Dead, Dead, Dead.

(remove 2 spaces)

<https://usdebtclock.org/> (you might need to scroll down to see it all)

At the left about halfway down is a box marked **Money Creation**, what our money is made from. What we conspiracy theorists called debt money created out of thin air.

At the upper right is a box named **Debt Clock Time Machine**. Click it and you can go back in years as far as **1980**. In 2023, 2027 the **Money Creation** is in **US Treasury Dollars NOW**. In prior years, the **Money Creation** was in **Federal Reserve Monetary Base**, the unlawful ripoff from the shyster Banksters back in 1913. Notice the **US Total Debt** is 80,000,000,000,000+. (trillions) That is their debt, not ours. All that money going to Ukraine is their money, not ours. Eventually we will be repaid our stolen wage tax funds from confiscated quadrillions.

Any day now, you will begin to see broke banksters diving off of skyscrapers, cliffs, and high balconies. Good riddance to bad rubbish. Our Commander-in-Chief has stuck it to them.

Agreed,. Any DAY now.

Quantum financial digital system will be evidentl
“What we conspiracy theorists”..are anticipating,
Becoming visible to the masses of
those who are awake

Other truthers, well respected might I add, are saying the same thing. Let's hope and pray and not worry. Am leaving everything in Gods hands. Blessings from the REAL Delavic, 🙏🙏🙏

Keep'in the faith, just get impatient some days. Said it before.. what helps me get my patience back.. is just imagining what those poor little souls went through waiting for help.

US Treasury dollars will be issued interest free, debt free.

No, USTN (US Treasury Notes) are part of the old Debt-Bondage Usury System. Billions for the banksters, compounding debts for the people.

DStards' fury of indignation and rage are delicious to the patriots' sensibility!

So now the DStards are just going to throw temper tantrums until they get their way??

What's taking the next fakedemic so long? I mean, just go door to door and force the vaccine and confiscate our guns if the DStards are so confident and strong!

Bring. It.

We.Are.Unafraid

They are gathering the info to do that. I believe WHO has added a medical code for covid unvaxxed. Typically these codes are used for medical billing, but this new one is to find unvaxxed. Trump better hurry up with his plans.

hey, MB, are the tribunals go to stay the same here or is there another place to go to? Just like her daddy they had no remorse for doing what they have done to our country, and blamed someone else for their misfortune when they should take a good look in the mirror and to think this is the way American people rule, and not by satanic rituals that surround them.

“and not by satanic rituals that surround them.”

not so fast, these rituals will replace everything you thought you knew about america. can't wait!!!

Seems we have a large number of Russia fans and Putin worshippers here who owe their hearts and allegiance to Mother Russia.

I have watched Putin for years. I would not like to live in Russia, but think it might be safer there for many. He has been pushing morality and family values for years. He is a strong believer and participates

in Russian Orthodox Services. (He also has a tremendous sense of humor). If you think about it, He and Trump have a lot in common. Intellect and “put country first”. (God, family, country).

Just got out of bed with your mom. She can keep the change I left
I can't wait for your karma to hit you square in the face. Because it will.

Bye Liz. You gonna need that nice house over in the Tetons? You don't mind if I spend a few nights there while you are in, well, you know, that 'warm' place?

You should immediately go over to that house and stay for a bit. Tell us how it goes.

Last edited 9 hours ago by Will Caulfield

And have fun riding the horses, they need a new friend apart from that witch who lived there. Even animals sense evil.

The demon question, how is it they let than happen? at first when they make contact, demons are fully deceitful, they appear to be assisting you, Lapdogs if you will. Those lapdogs slip that leash.

What do you mean? “Let” that happen! Maybe you should study the whole area of demon possession, and how it can and does happen. Oh God help us if she thinks like this.

He is explaining how he thinks it happens. I think he may be right about wanting to appear helpful at first

Suggestion- hanging is a pretty horrible method of execution but why not dial it up a few notches? Beheading, on a big oak block with a shirtless muscular Marine swinging a broad ax. After the chop he picks it up by the hair while the assembled witnesses cheer, the dull lifeless eyes staring at them and the blood dripping from the neck stump

That idea needs to be tested on YOU TWO

.to see if it is viable.

There would be such a mess to clean up

Blood everywhere !

Visualize the scene.. would you ?

This notion,. All for WHAT?

Entertainment?

Lousy idea..

Sir I don't think anybody is entertained by it..Relieved perhaps.after what they have done I understand in a way.Yet you can't repay evil with evil.Serving justice is the more important thing,In Guam it could be walking the plank..

Last edited 10 hours ago by Delavic

Dear Mr Baxter , thank you for everything , Plz just take down all the media ! Plz do it now ! No more handling this with kid gloves . They don't deserve it ! Move in take Biden and his corrupt family down . K Harris was not born here as Obama was not either . How do they come in being Pres or vice Pres . That's against our constitution. So all I was saying in my last comment is why do we have to follow the constitution while they do not ! They get everything they want . When we follow our laws we don't move forward they do ! So I think go take them out or we need to break a few rules to get the job done . I agree we need a constitution but right now they are walking all over it and we are allowing it . So just do what must be done . Then after the clean up we can go back to the constitution. They know they can get away with making they're own rules , so let's stop them now ! No more wasted time we don't have time . Save the children from

trafficking no digital currency so they have no control of us. Close the boarder right now send illegals home . The cost is incredible ! They want they're votes ! Through out the voting machines , paper only one day vote ID also. Get these criminals from Prisons the hell out of our country . Trust in god keep praying but be on the alert . Keep something in your homes to defend yourselves in case of civil war . We must keep fighting and talking about it ! Speed what the swamp is doing sending our boys to war in Ukraine, didn't even ask or tell us ! All the bio labs and sex trafficking in Ukraine they are trying to hide , while we die for them and they take our tax money and VA money ! Are we waking up America ! They want us at war to hide they're corruption in Ukraine . Many corrupt us politicians are invested in Ukraine, all over globally . The money laundering is incredible at any cost . Now they want to cut Medicare and SS , chg interest in those who have good credit buying a home ! REALLY !

GO away you moron troll.....look in the mirror and then you get a good laugh

BIDEN IS NOT PRESIDENT TRUMP IS DON'T WORRY THEY WILL NOT TAKE OUR SOCIAL SECURITY OR MEDICARE-- TRUMP AND THE MILITARY ARE IN CONTROL THEY ARE IN THE BACKGROUND TAKING ALL THE EVIL OUT BE A LITTLE MORE PATIENT I KNOW IT'S HARD EVEN I FIND IT 2 HARD SOMETIMES AND WISH IT WAS OVER BUT WE WENT THROUGH THIS FOR 3 YEARS NOW IT'S ALMOST OVER--YOU WILL BE HAPPY IN THE END I PROMISE YOU!

Does your idea of an end date include 2024, before or after?

If nothing is changed before 2024 with election laws and illegal ballot dumps, Trump will not win "period".

You can keep telling yourself Trump will win, "he will not".

Computers are to easy to just tell the people who won and by how much.

They will just shut down the election and finish the take over. The White Hats? have done nothing to stop the cheating so the bad guys are going to keep doing it. Changing small things so as to make sure in more than one way they will win.

AZ, and PA midterms both showed they will continue to keep taking seats in every election.

I'm hoping things start to change here soon in this year, They want to bring more people out of the dark but are showing incompetence as for their method at this point in time.

Last edited 5 hours ago by snoppy

Thank you for your reports Michael. They are very important to keep our spirits up. You reported that 2 clones of Hillary and one of Bill Clinton were unlive. But Hillary is still popping up. Will Jag keep taking them out as well as a Liz if she pops up?

They made a lot of clones of Hillary as well as Pence. Truth about Pence would make you sick.

PENCE IS ALREADY GONE THAT IS A CLONE OR ACTOR —THEY TOOK HIM OUT BECAUSE HE TRIED TO ASSASSINATE 2 TIMES BECAUSE HE PENCE WANTED TO BE PRESIDENT HE WAS EXECUTED PLUS HE KILLED 187 CHILDREN HIM N HIS WIFE WERE BAD LIKE THE REST OF THEM HE WAS A PEDO.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Last edited 11 hours ago by Delavic

Blameless? Predetermined verdict of guilty? What about those thousands of victims from the 9/11 that her father had killed (inside job)? Were they guilty as well? Liz, I hope your soul is tormented in hell along side your daddy... Adios!

I remember talking to one of my friends at our company office across the freeway from the Pentagon. He was telling me how terrible that fire was as he looked out the window – To hear it live from someone looking out the window at it was chilling. The people that did this thing all need to swing from ropes and their ill gotten wealth taken from them and returned to the taxpayers and the families who lost loved ones.

Make everyone (\$26,000 __ \$38,000) A Month Online Making money online more than \$15k just by doing simple work With No Prior Experience Or Skills Required. Be Your Own Boss And for more info visit any tab this site Thanks a lot just open this link..... <http://earnings201.blogspot.com>

Last edited 12 hours ago by Delavic

Fact, tooth Fairies are female and not pedos.

Myself contacted by a Tooth Fairy that handles a 10 mile radius that's in my zone. They're in the union, Teamsters.

Was told the kids been complaining in receiving loose-change, and not finding green-backs under their pillow.

Set up a sit-down with the fairy, heard disturbing saga that a local dentist was putting the squeeze on her, pay to play scheme.

Vito and Carmine at sit down, they were livid, fit to be tied, I mean effing fudging.

Dentist was approached, could say: hood-winked, poetically getting fitted for dentures.

Prayers for all that have to face putting these horrific demonic people to death. I'm sorry for the admirals that are facing these ustifications. Prayers, love, and admiration. God bless you all. 🙏❤️💪🇺🇸

Last edited 13 hours ago by Debbie Fitzko

Its a long wait time for this . I ive often wonder at what time in these peoples lifes did they go to the darkside ? And why they dont try to come back 🤔🤔🤔 . I guess will never know? Have any of them can back ? And as always God Bless us All Amen and be the change for the better world and Universe Amen 🙌👊❤️❤️❤️❤️❤️❤️❤️👊🙌
😎

They can come back, but it is not easy. Blackmail, threats, fear of the evil ones. Exorcism is one tool, but hard on all involved. Once free of the demonic, the person HAS to choose God of their own, now free will. They can lose so much: Family, friends, fortunes. And their own lives. There is more, but I am not about to write a book. Others have. Go...Read!

Two AH-64 Apache have crashed while on a training that look like clone-lab hunting.

Michael's report will be highly appreciated!

well, the ccp revealed as much through their sky-writing in chinese!! You could have translated for us Dil Caulfield!

So, now you're seeing secret messages in the clouds?

Maybe you should go lie down for a bit.

That location been irking me every time I drive past it, and could very well be nefarious location.

Good Idea, throwing a Stink-Bomb.

Oh-no, see what you did! You triggered me for another C-bag adventure.

Once took a full C-bag and placed on neighbor's stoop then lit on fire, did the ol'e ring & run for shits & giggles.

OMG, new definition of lighting a shit bag, the effing stink was horrific.

Mr Baxter, Like me people who have been following the Q movement have been stretched beyond the limit of credulity with the empty promises of the EBS, Mass Arrests, Reveal Videos, Tribunals and Justice to a restored nation. It's not that I don't believe it will happen. It's that it's obvious the plan has been altered beyond all recognition and we are tired of looking like idiots to our friends and family and the White Hats have no problem making us look that way. This should have been ended at least a year ago. The White Hats seem to think they have revealed so much and can't understand why Americans haven't done more and woken up. That is ludicrous. They've NOTHING openly enough for people who are busy trying to survive to make it in this world. It's the JOB the White Hats were paid for and ENTRUSTED with to guard our Constitutional Republic and it seems they want to put the blame on the people. General Flynn, we PARTICIPATE by voting. If our votes have not been counted for DECADES now that's on the Military who were supposed to be the last line of defense. Get your focus off the A.I. and get this over with White hats. You've told us to hold our positions but give us NO AMMO with PUBLIC DISCLOSURES so we look like idiots because of YOU PEOPLE. It was always your responsibility so let's end this TODAY, all the lying, they masks, the deception and tell the WHOLE TRUTH and NOTHIN BUT to the American People. It's not your decision to make as to how much truth you tell and when. End it and let's get on with shaping the future without the cabal. Anyway, Michael; I'll send you something because at least you are trying to tell the truth.

Last edited 17 hours ago by Scott V. Smith

nah , too much fun to be had with these DStards for it to end. We are just getting this fight going!!!!

Looking like and sounding like idiots are one observation, but BEING complete IDIOTS like you two , IS of concern to the rest of the readers on RRN !

Thank you! I agree heartily with everything you said. I would also add that in this strange country we live in, if we did try to defend ourselves against all manner of criminals, it is us who would be arrested. So if we sit by and let those whose job it is to defend us and right the wrongs do so, we lose and are accused of passivity. If we gather ourselves and fight against those who attack us and seek to enslave us, we are accused of insurrection and arrested indefinitely without even a trial. Either way the people lose. It is not the job of Admiral Crandall to try and understand people like Liz Chaney. It is his job to execute her and her ilk as expeditiously as possible and to treat this as a war. In any battle, neither side ponders the motives and inner workings of the other. They just aim to annihilate them and take charge of the situation. Let the historians do the pondering years from now. We the People must just assume that here are those whose bloodline contains more reptile than human and therefore their words and actions are quite logical.

As for Liz's performance on the gallows, someone needs only to remind the Cheney clan (or what is left of them) that they cannot pick and choose which laws to obey and when and if the U.S. Constitution is in force when they have spent their entire lives ignoring it and behaving as if they own this country and the world in which it is located. They don't and we are merely putting a stop to them.

Agree.....With every day that passes, the shit show keeps getting deeper and deeper in our runaway government. I can't help but think that WE deserve better than this. Trump and the Military could have

ended this a long time ago, but instead we get more rally cries and the NRC bugging us to death for more and more money to fuel yet another election that will also end in failure if nothing more gets done.....I don't know about you all, but talking in riddles and playing 5D Chess doesn't do anything for me.....If something kinetic and forceful doesn't happen soon to take this Nation and World back, our future will become even more bleak and ominous as the Deep State intends to roll out their replacement currency, the Central Bank Digital Currency (CBDC) as early as July 2023. The CBDC is the currency referred to in Scripture as the "Beast System" that allows the Anti-Christ to Control everything in our lives based on our Social Credit Score, which includes our individual Carbon Footprint, to determine whether or not we get any money to buy and sell or even exist based on their assessment. The currency is fully programmable and they will have "complete control" over all of it. If there was ever a time in history where the Country and World needed Trump and the White Hats to step in, it's now. We are literally running out of time to put an end to this Nightmare...

Scripture talks about central banking? Must have missed that one. Some pretty frantic, sweaty predictions going on in this post.

In the 15 hundred mile tunnel under the Vatican not only was there 650 military cargo plane loads of Gold that went to our Country and all those Countries that it belonged to. The Vatican kept very accurate records, but there was a Bible that had 777 Books in it. Our current King James Version only has 66 Books... The Evil that we are fighting goes all the way back to the Beginning...

Give him some latitude—It is all about the Antichrist and the Mark of the Beast—how he will control the system and you get paid—They are talking about killing off the population now and have been in the process of doing it—Ever heard of the Deagle Report—it was in your face—we are going to kill you and reduce the world population and control all that is left !!! Wake up the next Covid type attack is on it's way as we speak. The WEF has been in your face as to what they

are doing and going to do—smell the coffee yet—Remember also these people or things that are being taken out are not really human but demonically possessed—I always go bac to the bible and look at history—what did Jesus do and what was the force He was against —You don't think the Devil is just sitting on the sidelines now do you—But hey if you don't know scripture or believe then just continue as you are—All the power and force of hell is being unleashed—that is your enemy !!!!

Exactly. And not about the egos of some of the troll turds who hopped on board with SVS.

agree ..this 29 months loooooong shit show should end ..now BENJAMIN FULLFORD(white hat ??)...talk about black swan event the JUNE...from one month to another..ebs since 2021.....

Sejmon, imho, Fullford is simply speculating just like speculators in Wall Street. I don't believe he is nor anyone else, is privy to the intricate details of The Plan. I may be a lone voice in this wilderness but I continue to trust The Plan. Hope, pray for the best and prepare for the worse. God is still in control. Blessings, from the REAL Delavci, 🙏🙏🙏

I sure hope they are not depending on A.I. to fight this fight. A.I. will sabotage the white hat movement. I sure hope they know this. Hearts and minds are atuned to God and his plan, while A.I is manipulated by evil, at least on this world imo. Best to depend on hearts and minds.

Did you see what Elon Musk said about A.I.? One of these creatures turned on a lab “scientist” and killed him. It “went rogue.”

Rev 9:16 200 million man army—robots that are demon possessed. —Read Joel especially Chapter 2—v. 7/8/9—They run LIKE mighty men—they climb the wall LIKE mighty men. Read v 9— Notice it is NOT men of war but LIKE— I will leave the rest up to you to study—it is aways the little words

that give the true meaning !!!

Even Google has promoted the likes of China with robots—A former CEO and an engineer are aiding them !!!! Remember when scripture says they come from the east—Russia is about 60/70% Asian—shock I know to most people—

It's time for the white hats to weed out those in the military that don't agree with what they are doing. The military must present a united front.

I'm wondering what role Dick Cheney's wife played in all this. Knowing her husband and daughter were hanged for Treason. Perhaps she's next?

Wouldn't that be a hoot! Wikipedia describes her as "an American author, scholar and former talk show host". Her photo depicts a woman so warm and wholesome looking she could define the perfect American woman — right up there with Betty Crocker. But as we all know, looks are deceiving, words can be lies and performances — even lengthy ones — can be masterful. Now there's a soul whose inner workings might be interesting.

And just picturing Lynn Cheney in the kitchen with Betty Crocker, both decked out in aprons, is enough to make me laugh!

The look of pure hatred on her face December 2018 (hw's funeral) told me all I needed to know. She knew exactly what was going on.

Kind of like Bush Junior's wife — She looked so innocent, but down under the surface was the heart of a scorpion...

You don't think clone tech exists? What little faith you have in the intellectual ardor of the white man! Not believing in clones is racist as per leftist ideations.

The White Hats have found two Clone Labs, one in Missouri and another in Alaska, and I believe they said there are 12 in the US... Remember they Elites show you thru movies and TV Shows what

they are already doing... X-Files showed this and it goes a lot further back then we realize....

Guaranteed that Lynne Cheney is a child predator, satanist, cannibal, Adrenochrome junkie just like all the rest, just like Barb Bush, Diane Feinstein, Nancy Pelosi, Cindy McStain, Maxine Waters, Hillary Clinton, many others.

They are all required to be as members of the cult.

The lesbian dyke is living with her fake wife and their kids. She needs to divorce her, leave the state and start fresh with the kids. I strongly believe her father raped her along with her sister Liz.

People like Liz Cheney are sick in the head. They cannot see their misery they have built around them and consider themselves NOT GUILTY. Completely sick, disgusting and delusional pieces of trash. Good riddance anyway. She has gotten that what she deserves.

God Bless everyone that is helping take back our country from the evil cabals, and people running it and us into the ground. Many more hangings to go before we are done with the rescue.

Exactly: "What drove them to value greed over charity? What compelling force stripped them of decency?". Maybe Ideology?

That's correct. But it's well recorded in scripture that the evil side has tried, is trying, and will keep trying until the second coming of Christ.

Yes, and remember what President Reagan said, We are only one Generation from losing our Freedoms, we do not pass it thru our Blood, but must continue to Fight for it....

True, an impossible task, defeating, eliminating, even banning Almighty GOD, yet you still do not see how insane your masters are, do you?

The created being could be engaged in self-delusion and be convinced that God is not real. I suspect atheists are in this trap. They think Christians – believers – are all deluded and that we have been brain-washed in some manner. We believe they are the deluded ones. Agnostics just say they don't know, so are sitting on the fence. (Watch our for those spikes).

And she LOOOVED our money to the point of spending it after her dad and W and Rumsfeld engineered 9/11 and stole the gold while thousands of families mourned their loved ones while hating on the Muslims and bin Laden instead of hating on the terrible trio, W, Rummy ,and Dickie..

“Everybody else is paid off by China, including by the way our President.”

Donald Trump, Manchester, NH 4/27/2023

Trump acknowledges that Biden is, in fact, the President.

If Biden is president, why does he keep begging for the nuclear codes? Why does he use TV and movie sets for a White House? Why doesn't he fly on the real AF1? Why won't the Military let him in the Pentagon? Why is he wearing an ankle bracelet tracker? Care to explain?

Last edited 18 hours ago by Mark David

If Biden isn't President, why did Trump say he is?

Last edited 18 hours ago by Will Caulfield

they are threatened chinese who skulk around in the shadows born of fear of the round eye!

Trump says again and again that the election was stolen. Are you will fully blind and deaf?

W!ll Caulfie1d is a troll turd who is on here to agitate, sow doubt and discord, all for a paycheck from some entity in the DS.

To bad you werent a victim to the torture the kids got! You deserve it for being a total asshole thinking this is a joke! You are the joke. Disgusting!

They take liquid out of the adrenal gland in the kidneys from frightened children. They scare the child first. And it's painful for them I'm sure! It's very demonic!!

Will the Dil and Psy-rus have yellow chinese blood. We cannot expect differently from those who look like Tim Russ!

Last edited 8 hours ago by Julie

No, he is stupid and trying to stir things up. Maybe if we all ignore him he will go away and find a new playground.

Typical W!ll Caulfie1d – Wozz – Lloyd – Bofa fashion, won't answer any direct questions, but reacts with his own deflecting questions, confirming that he has a couple of cluster B personality disorders.

I responded to deflecting questions with my original point.

Are you having trouble following along?

Last edited 10 hours ago by Will Caulfield

None of that is true. That's all internet nonsense from grifters and scam artists. Get out of the house once in a while.

Trump acknowledges you're so stupid you don't think all these people are dead. Where are they all?

Ha HaH Ha Ha, you Never-Trumpers from the Slavery, Child-Molester party have always been this deluded, it's in you from the moment you turned on the country and lived to run your slavery, child-molester party port.

There's a website that's been up 30 years or whatever called USDEBTCLOCK dot ORG and it's one of the most mentioned websites globally in financial education from the high school through university degrees. Finance, Civics, all those students eventually find out about it.

It uses Treasury info that's published directly, and bridges the times between published Treasury numbers using computers, and it's authenticity as Treasury-derived information's unquestionably from, Treasury.

On the left hand side of the page for United States, fourth box down the column is a place that says "MONEY CREATION" meaning, what are the currencies they produce?

JUST like the Q people TOLD us all was gonna happen, and has, in that box, there's no longer "Federal Reserve Note,"

it says this nation now creates "US Treasury Notes."

Why? To give us all another reason to laugh at how mentally ill, you Never-Trumpers all are.

HaH Ha HaH Haah...

The hillbillies here who rubbed their sweaty crotches on your fevered brow are all dead, Slavery/Child-Molester Party zombie.

We Q people told you nearly a year in advance Roe v Wade had been overthrown by military intelligence and that we patriots are in full control.

"Ain't Neathur," squealed the Never-Trumper, "That ain't RiEEEEEEAL!!"

It's real, hillbilly. What happened to that Roe V. Wade rulling, Slavery PartyBilly?

Why'd that Federal Reserve Note go off the Treasury's official figures information streams?

HaH Ha HaH Hah it went where your owners went.

"Bye-Bye for E.V.eR."

The debt is in large part a lie. We owe zero interest to anyone, and that includes private bankers who pretend to loan us our own money they craft on the spot.

Take a second to read what you wrote, because it so typical of the mesmerized Q adherent. It's a rant, a steam of consciousness that does not address the issue in the original post, and contains no original thought; it's all Q talking points and conspiracy boilerplate. It also contains the usual insults and slurs because you lack the ability to form cogent opinions. A wise man once said it is better to stay silent and be thought an idiot than to open your mouth and prove it

And Will Caulfield's alter-ego Roger pipes up. Imagine that. Everyone knows you two are the same person.

You truly are one desperate dishonest idiot.

Never-Trumper hit the sweet spot, didn't it?

Is that database too complicated for you?

Tens of millions of very smart people use that US Debt Clock realtime database on a daily basis.

You have missed Roger's point. Allen's post does not in any way address the inconsistency I raised in my initial post. The accuracy or usefulness of the US Debt Clock is beside the point.

it's satire yo. just relax and have fun!

you chinese are always so tense. Many attribute the orient's sexual repression to their inexplicable affinity for unnecessary fear and anxiety over their sense of littleness.

Get out of the mudhut and live a little!

Amen brother.

(remove 2 spaces)

<https://usdebtclock.org/> (you might need to scroll down to see it all)

At the upper right is a box named **Debt Clock Time Machine**. Click it and you can go back in years as far as **1980**. In 2023, 2027 the **Money Creation** is in **US Treasury Dollars NOW**. In prior years, the **Money Creation** was in **Federal Reserve Monetary Base**, the unlawful ripoff from the shyster Banksters back in 1913. Notice the **US Total Debt** is 80,000,000,000,000+. (trillions) That is their debt, not ours.

Any day now, you will begin to see broke banksters diving off of skyscrapers, cliffs, and high balconies. Good riddance to bad rubbish. Our Commander-in-Chief has stuck it to them.

Last edited 10 hours ago by Michael R Davis

“Notice the US Total Debt is 80,000,000,000,000+. (trillions).”

The site gives the US National Debt at approx. \$32 trillion, not \$80 trillion.

Last edited 9 hours ago by Will Caulfield

Look again. US Total Debt is not the US National Debt. (total debt almost 96 trillion already)

Fortunately it will all come out of the hides of the International Banksters, not out of our hides

Trump is speaking to the people, in language that most of them will understand. What Trump speaks about everyone else being paid off by China, including the Biden crime family, is the gospel truth. Correct? Your little game of misdirection and attack is real easy to see.

This is the tale of Two Presidents, President Trump is the Commander In Chief at the moment and I am very much glad that he is, because he has the Nuclear Codes.... The Military knows that President Trump WON the Event in 2020, They have the proof, but they needed to trap the DS so they allowed the STEAL to take place.... This is why Pelois and Fake Joe has been trying to get them... They still want very much to start WW11.... The Elites always has to have a War or something else to keep us busy, because the Money System is imploding it is only good for about 70 years and then they have to have a distraction so they can start a new... It is a vicious cycle.... Several Presidents have tried to change things...
