Jak bylo oznámeno minulý týden, zástupce ředitele Ústřední zpravodajské služby David Cohen byl jedním ze dvou zadržených hodených přes palubu na cestě na Guam za pokus vyvolat vzpouru vězňů. Následuje popis vyšetřování, které vedlo k jeho zatčení.

3. dubna dorazila obálka na 1100 S Ocean Blvd, Palm Beach na Floridě, kde sídlí zákonně zvolený POTUS Donald J. Trump. Vzhledově se podobala stovkám neškodných kousků korespondence, které každý den přicházely k přední bráně a byly tříděny a prověřovány v domě pro hosty, který Trumpova ochranka upravila na podatelnu – hromady nenávistné pošty mezi spoustou dopisů fanoušků. Balíčky byly prověřovány na výbušniny a bílá pošta byla testována na kontaktní jed a toxiny, jako je ricin. Screeneri zajistili, aby jejich pozorným očím neunikly škodlivé látky. Nenávistná pošta se však někdy dostala na Trumpův stůl a on běžně skartoval urážlivé dopisy po přečtení jediné věty.

Konkrétní dopis z 3. dubna však prezidentovi padl do oka a zaručoval důkladné přečtení. Dokument, jehož autorem je údajně zástupce ředitele CIA Cohen, v mučivých detailech definoval jeho nenávist k prezidentu Trumpovi. Šlo o šestistránkovou schizofrenní mazaninu obviňující Trumpa ze všech strastí, kterým Spojené státy čelily od druhé světové války. Zaútočilo nejen na Donalda Trumpa, ale i na jeho rodokmen; Cohen napsal, že Trumpův otec Fred byl spolupracovníkem Aldricha Amese, který byl v roce 1994 zatčen FBI za prodej amerických tajemství KGB během studené války. Cohenova slova naznačila, že i Fred Trump byl sovětským špiónem. „Jaký otec, takový syn,“ zněla věta. Napsal: „Teď bychom se měli postarat o [Trumpova syna] Barrona, aby nemohl jít ve vašich stopách nebo ohrozit Spojené státy jako Eric a Don Jr. Dopis uzavřel slovy,

Trump nechal grafologa podrobně prozkoumat prózu. Padělky a padělky už viděl. V prosinci 2016, po jeho rázné porážce nad Hillary Clintonovou, byla jeho schránka zaplavena výhružnými dopisy od osoby vydávající se za Baracka Husseina Obamu. Scénář tak věrně napodoboval Obamův, že oklamal dva experty na rukopis a pouze pod kontrolou mikroskopu a infračerveného skeneru byla písmena označena za padělky.

Při srovnání Cohenova dopisu s veřejně dostupnými podpisy a memorandy si Trumpovi lidé byli na 99,97 % jisti, že agresivní zprávu napsal Cohen.

Toto procento se zvýšilo na 100 %, když prezident Donald J. Trump nechal oddělení americké armády White Hat ověřit jeho zjištění. Stránky a obálka byly pokryty Cohenovými otisky prstů, což odpovídalo 12 bodům.

V tu chvíli generál Eric M. Smith a jeho rada rozhodli, že nelegitimní zástupce ředitele CIA je jasnou a aktuální hrozbou pro Donalda Trumpa a jeho rodinu. Vyhrůžování prezidentovi Spojených států amerických je federálním zločinem podle hlavy 18, § 871 zákoníku Spojených států amerických. Spočívá ve vědomém a úmyslném zasílání nebo jiném vyhrůžování „jakýmkoli vyhrůžováním smrtí, únosem nebo způsobením velkého ublížení na zdraví. prezident Spojených států."

Generál Smith měl také podezření, že Cohen zorganizoval únos generála Bergera.

Dne 7. dubna zatkli operátoři Delta Force Cohena v okrese Fairfax ve Virginii. Cohen se musel cítit nezranitelný a nedotknutelný, protože cestoval bez ochrany a v sídle CIA v McClean ve Virginii se nijak nepokusil změnit cestu z domova do práce.

A tak musel být naprosto šokován, když Delta Force obklíčila jeho vozidlo na parkovišti velitelství CIA a vydala na něj vojenský zatykač, který ho obvinil ze zrady, napomáhání nepříteli a ohrožování POTUSova života.

"Když ho Delta konfrontoval s obviněním z vyhrůžování prezidentovi, Cohen řekl, že neví, o čem mluví, protože byl loajální k Josephu Bidenovi a nikdy by Bidenovi nevyhrůžoval." Delta mu pak řekla, že mají na mysli Trumpa, a Cohen zamumlal něco jako „sakra, on“ a sáhl po pistoli pod bundou,“ řekl zdroj z kanceláře generála Smithe Real Raw News.

Operátor Delta Force pistolí šlehnul Cohena jeho postranní zbraní a srazil ho do bezvědomí.

Cohen byl poté převezen do GITMO, kde zůstal, dokud nebyl umístěn na palubu torpédoborce třídy Arleigh Burke zamířil do Camp Blaz na Guamu. Kdyby ho nehodili přes palubu a nerozsekali lodní šrouby, odpověděl by před vojenským soudem.

That CIA parking lot takedown must have been interesting. The agency has its own small army of well-armed guards, many of them ex-military. They outnumbered the special ops guys. Yet they did nothing. Huh

A short video, with blood and a little gore, would be appropriate, at least a few in sequence snap shots of the entire process! Why hold back the evidence, time to clear this disaster up is running out.

Stupid American pig. British intelligence pissing their pants how funny – will put the case in the textbooks. Was he overworked and underpaid? Putting secret plans in writing? Unheard of. Incoherent drunk Pelosi would make more sense. Theatricals were not necessarily, control shot would be sufficient. Should have been disposed by the agency itself as unprofessional trash.

When he threatened Pres. Trump's son, they should have said to him: **IF WE THINK LIKE YOU MR.COHEN, THEN WE SHOULD TARGET YOUR FAMILY, BECAUSE YOU ARE A THREAT TO THE U.S. REPUBLIC.**

Have you forgotten the quantum satellite system? Using quantum superpositioning which allows an object to be in multiple locations and states at the same time. They could have just moved him

elsewhere at the same time he was falling into the ocean

With the way everything transpired on the ship it makes you wonder if this was the REAL Cohen—As a CIA Deputy Director he must have known how other high end officials have been taken and no body guards etc.—Throw the Deputy off the end of the ship—You don't get much higher in intel than this clown—it can take time to get or garner large amounts of intel from people like this—And he would surely know how to play the game—But hey, what do I know—

Please explain the part about the ship's screws slicing and dicing him. I mean I don't need a graphic description but I don't understand what Michael is referring to about when someone is thrown overboard the ship's screws will get them. Thx!

The “ship's screws” is the military/Navy term for the propeller(s) which are huge. I only know this because my husband is retired from the Navy.

Michael, do you have keywords flagged to moderate certain posts?

I said nothing that would warrant moderation but previously when I have seen this message, the posts are not moderated, they are simply not made live.

Are you too busy to moderate or there is a timer that expires before you get to it?

I said nothing that would warrant moderation.

That was a good one – I laughed about the getting screwed by the propellers – These DS fools get full of themselves and then get shocked when they are surrounded by troops... I'd bet his visit to St. Peter and the Gate didn't go very well... Nice digs in Hell for him.

Is anyone else concerned the bad guys following the ship scooped them up? I'm glad they went overboard just wish they would have made sure they went under. Permanently.

I'm not worried mainly because the act of throwing them overboard wasn't planned. My husband, who is a retired Navy submariner, said it's possible for a sub to be undetected, following the ship, but it would have had to do that the entire distance, and also know the itinerary beforehand of the move from Gitmo to Blaz. I guess anything is possible.

Though they fed Cohen to the fishes, they should have gave him cement shoes so the bottom dwellers would have a nice rotten meal. Cohen to chum now pollutes the waters and food chain... I may never eat a pacific fish again... ^_(`\`)_/_/

For those who don't know, PETA is deep state, just like Greenpeace. Don't trust ANY so called humanitarian groups. Heck CPA is a child trafficking ring, red cross doesn't need blood to save people, the world is upside down.

Yes, and don't forget about 'Catholic Charities' which has helped fund, and distribute these individuals all over the interior.

Indeed! it's all a big con, we have been lied to for generations about literally everything. It seems crazy to me that I even for one moment trusted anything when I knew instinctively that nothing could be trusted.

It's all out now. Let's hope the financial markets crash, 90% of our governments are shut down so we the people can rebuild OUR lives in simple communities and use the hidden technologies to heal and rebuild. Real humanitarians are poised and ready to go. Our future is amazing.

Yes, I think the list would be much shorter if one exists at all. They have a fetish for destroying the competition.

Michael- I have said this before but it should be repeated. The events of the last 3 years coupled with your writing skills is going to make a great novel/movie! Start writing NOW! I would like an autographed

copy please!!!

Cohen should have spent his time repenting before he got thrown overboard. Because there's something worse coming than those props that grinded him up.

HAPPY, HAPPY! thought he was a tuff guy? Wonder what his Thoughts were as he was thrown off the ship? I'm so ready to have the rest of these fools taken down and hung.

Makes me want to write a letter to our Great President Trump with my thumb print and tell him how much I support him and all of his efforts. Thanks for the article Michael!

Nah. The Movie Midway showed an aviator crashing into the water during a dogfight and killed when the aircraft carrier hit it, despite the other pilot calling for help.

Not the good guys, and definitely not the good guys families. The head honchos are usually the swamp creatures hurting America while the good guys are helping the White Hats.

Nasty bugger done away with loads more to go keep up the good work team. love to all freedom lovers.

Hey White Hats, yes, the officer who threw him overboard was within his mission purview, BUT wasn't Cohen worth MUCH more alive to be questioned/interrogated FIRST? Jeeez. The White Hats have gotta stop killing the intel before they get a chance to find anything out.

He wrote a letter to Trump. MB did not disclose the whole letter. You dont need to have a Mensa IQ to know how much the deep state and liberal left hate Trump.

Cohen was arrested in cia's parking lot on April 7th. Almost a month in confinement. If Cohen had info to share, White Hats would've known and extracted it or put the jackwagon in modified custody. Attempting to incite a riot...onboard a USA ship at sea...screw him ANYWAY.

On that ship,they don't want to kill anyone.They want to finish the mission,a very distasteful one to all of them.

Not what that ship is for.They may have gone ahead and done Ice cream night for the prisoners.we do not know if it is even that ship or it's true destination.It would be too much of an open target.Some of them will be willing to turn.Since it is obvious that they have been duped.

And stupid. He should have known that he could be on the White Hat's radar. And his letter. Does he believe what he wrote? Fred Trump a spy?! From what I know Fred was an ultra-patriot. Was he deluded? As CIA Deputy Director he knows everything about everybody. The letter is crazed. Makes no sense.

Ex-NSA truther Jim Stone confirmed something I thought was a possibility that turned out to be true.

First watch the 2.5 minutes of content at this YouTube clip.

<https://www.youtube.com/watch?v=T3AmxqIPnd8&t=2587s>

Truther Brendon O'Connell has been sounding the alarm about this security hole and other related matters since 2009. He has been jailed, beaten, injured, and censored for revealing/sharing this information. This security hole was used by the bad guys to try to prevent Brendon from finishing work on the documentary containing the above content. Fortunately, he was able to finish it and first post it long ago—the above link is a mirror copy on his latest YouTube channel he paid money to legally prevent YouTube from deleting it again. So far, his channel and the content available there is still online.

Brien Rhea: “This is as revealing as it can get I'm sharing this important documentary. Well done Sir!!!!”

I have shared the above link in the past here on RRN—at least one time adding that the ONLY way to perform ‘secure computing’ was doing it offline IF there wasn't access to a ‘secret’ Wi-Fi network deliberately baked into the hardware to allow the bad guys to own PC's with the above described security hole not online via Ethernet cables.

Truther Jim Stone confirms the existence of this ‘secret’ Wi-Fi network here:

<http://www.voterig.com/.uno.html>

“You cannot go back to your “safe place” with all new equipment without internet or wifi enabled and work in private, they'll nail you anyway, you can't turn wireless off or get rid of it by ripping it out because all CPU's have it embedded now, and that connection is not for you and will never be seen, the first widely known about thing of this type was Intel CoreVpro and even the old Centrinos, from a LONG time ago had this. Your only hope is that old 486 and who has one of those now?”

The whole “I bugged out.” piece at the above URL is worth reading. This is proof how the bad guys spy (in)directly on ‘people of interest’ using DELIBERATELY compromised electronic devices in their possession.

The ONLY solution to this problem is two identical laptops and using one of them inside a

https://en.wikipedia.org/wiki/Faraday_cage

that is known to block ALL EMF while inside doing ‘secure computing’. The other laptop is used only as a battery charger to keep power available to the ‘secure computing’ laptop by swapping batteries back and forth between them. Even then, this assumes there are no ‘back doors’ in any CPUs that may be in the batteries themselves that could/would cause a security breach and information leakage that way.

The close-minded and trolls paid by their masters may downvote this post. That is all right—the truth is its own defense. Please don’t let that prevent you from reading about this information for yourself and coming to your own conclusions.

All true. Those of us who have dug deep enough for long enough know that ALL smart tvs, ALL smart devices etc. are weapons. They don’t even have to be connected to power or turned on to be used against us or as effective spy equipment, even fire alarms. They can track us through our electricity smart meters, they can listen in on our conversations and use these devices against us.

Further, the evil overlords use all screens to siphon energy from us, effectively using us as batteries. Also, computer games are designed to create an alternate reality so our enemy can control us and create another reality. Just like the “tell you what to think vision” To those of you who have not heard this before, it seems far fetched but there is much you do not know, even those of you who consider yourselves awake. Trust me, don’t dismiss anything crazy you hear, just put it on

the “I don’t have enough intelligence or factual information to comment just yet so it remains on this mental shelf of unknowns until I do.”

I saw an interview with Keifer Sutherland a few months ago and he said that many Americans would not shake his hand because they remember his roles as a bad guy and accused him of being that person. He commented that interestingly enough many Americans believe what they see on the TV or movie theatre as real, even when he tried to explain he was playing a role. That sounds like something powerful enough that the enemy would love to exploit, right?

We are not as we have been led to believe we are. We are far more powerful that is why our enemy fights dirty like this and goes to such extremes – because they must in order to control us. We are not stupid, we’ve just lost our memories and our connection to our true nature.

So Santa Claus reads all his mail? The SS has been charging people for threatening Biden. I watched it happen to a psychiatric patient who may have deserved it lol but it seems to me like the SS could be in Jail for it. The guy who interviewed the patient was in blue jeans and a T-shirt. Tom Heneghan site explosive Intel says gore is pres just saying 🙄

When there were as many questions about the 2020 election in battleground states as there were, the electors SHOULD NEVER have been certified on January 6th until those issues were resolved with forensic audits. There is NO way that Gore could POSSIBLY be president In 2020 because he was NEVER on the ballot. Whether Gore would have won when he ran, and folks were messing with the ballots and Chad’s WITHOUT the forensic audits FIRST, negates any legitimate claim to the presidency Gore might have been able to assert. Wake! Wakey!

And Beg for Him to Be Back – This will be Over In A DAY

Even though he SHOULD have faced a military Tribunal, because of his OWN actions in trying to overthrow the Navy command on the ship transporting him to Guam and was THEREFORE thrown overboard and DID NOT have a military Tribunal, I am GLAD that the evidence that would have been presented at his Tribunal has been set forth here. It is CLEAR that Cohen would have been convicted and THEN speedily executed and rightfully so!

Although I appreciate the screws of our destroyer giving Ron Popeils Slice n Dice Device , competition I'd rather let the sharks have a leisurely lunch before finishing with an small Asian snack ! The leg wound from Cohen should have signalled chow call for the sharks and the associate that accompanied Cohen would have some exciting entertainment before the sharks turned to their 2nd course. Anyways , it's great knowing we saved the cost of a tribunal and the pair received the same treatment that ordinary citizens receive in Dem Rino DS courts like D.C. Nick , NavyBlueSmoke , LST -1195

Agree with you MOSTLY, but you should have left OFF the LAST SENTENCE. In a FREE republic, people are tried and set free or convicted only for what THEY have done. If there is ore than one in the same crime, THAT is why we try them separately! What happened in DC is NOT to be considered in his finding of guilt or innocence. Cohen did what he DID and paid for it with his OWN actions.

Cohen means priest according to some. So the jew priests are aptly named for representing their deviant religious thoughts.

STOP bashing on the Jews! We are in fact seen as sinners, who earned condemnation, save for the blood of Christ. Consider the Bible which states: God BLESSES those who BLESS Israel and CURSES those who CURSE Israel. In this case Israel means JEWS. Better back off Jew hating!

There are 12 tribes that make up Israel. Judah is one of them but not all of it.

The real god did NOT say that!!! But, keep repeating their bullshit!!! You'll go to Hell with them!! A fact!!! You are WRONG!!! Gods "chosen" is the ANIMAL KINGDOM, not stupid Humans that kill NATURAL BORN LIFE!! ODINRA—>on BitChute, meet God, and STOP DENYING and STOP LYING!! None of You Humans KNOW ME, but always talking for me!!

I AM the CREATOR, God, is supposed to be the rest of this Collective, that can save or destroy their Planet. Destruction of Nature, seems to be the Humans main achievement.

Lol. This is the joo fool who wants to commandeer a ship with a bitchass chokehold? He may know how to choke his chicken or choke on black inmate cock according to cia folklore some sources posit.

yall hear about the brownsville car that went out of control and mowed some illegals down like ripe wheat!?! Even I can admit, I bet it was a woman driver!

STOP ATTACKING THE JEWISH PEOPLE. GO AFTER THE KHZARIANS NOT THE NORMAL JEWS. Remember God did choose the Jewish People as His own according to Deuteronomy 7:6-7

I wondered if there was something else going on with Obrador supposedly murdered. Some kind of assassin clean up? Just saying lol

Why would any sane individual hate President Trump so much to have an extreme case TDS?

“Jeremiah was a bull frog
Was a good friend of mine
I never understood a single word he said
But I helped him drink his wine
And he always had some mighty fine wine

Singin’
Joy to the world
All the boys and girls, now
Joy to the fishes in the deep blue sea
Joy to you and me”

Three Dog Night...

“So it was that these nonsense placeholder lyrics became part of rock history. Religious interpretations rarely take into account that Axton was more of a hell-raiser than a student of the Bible: He was a heavy drinker and pot smoker with a passion for fast cars, women and motorcycles. By the time he wrote “Joy to the World,” he was twice divorced with hundreds of speeding tickets on his record.”

Twist'in the throttle on full...

Be VERY careful about measuring ANYONE else's SIN. God tells us NOT TO DO THAT because in God's eyes, we are ALL sinners! Everything you pray the Lord's prayer, you are asking God to set the bar of forgiveness for YOUR sin at the same level you place it for OTHERS! Since God has said we are ALL sinners, remember what I SAID when judging others.

Thank the MSM for that! 95% of that is owned or controlled by FIVE MAJOR Dem-supporting corporations to push an agenda. The AGENDA was to put dems in all offices they could by whatever means were NECESSARY! The DEMS do not support the main stream thought.

Because of hate for what Trump stands for, pure and simple. What does he stand for? Locking up the sex offenders and traffickers and saving the kids, taking down bad guys like Abu Bakr al-Baghdadi and Suleimani for attacking and killing American overseas, having Noname and GHWB executed for treason/child sex trafficking/assassinating Presidents/consorting with NWO Rothschildians, defending unborn life, starting the process of overturning Roe v. Wade, setting up military tribunals for punishment of the deep state swamp, bringing back jobs, bringing back the economy, rebuilding the military, cutting drug prices, going after the fed, fighting the 2020 election fraud, slashing gas prices, reopening the Keystone pipeline, stopping the recruitment of transsexuals into the military (which saves money), etc.

Even some (not all) Christians hate him, despite his keeping his word to save the abused/trafficked kids and the other wonderful things he has done and is still doing. DON'T THEY WANT TO HELP HIM SAVE THE KIDS?

I've spoken to evangelical believers who refuse to pray for him according to 1 Timothy 2:1-2; they say he is not a Christian even though he himself admitted that he is; and others have testified to the same; they claim and allege all the reports of enemies going after

him are all lies; the congregants who saw President Trump pop into church asking for prayer attacked and shamed the pastor for praying for our commander-in-chief. AREN'T WE SUPPOSED TO PRAY FOR OUR LEADERS ACCORDING TO SCRIPTURE?

But they, including some Christians, like Biden better because “he talks really nicely,” “doesn’t do mean Tweets” and “says all the right things,” “he’s not blunt like Trump is,” never mind the LONG LIST OF OFFENSES HE HAS COMMITTED OVER 47 YEARS OF POLITICS and the LONG LIST OF SEXUAL OFFENSES HE COMMITTED AGAIST HIS OWN FAMILY AND OTHER PEOPLE’S FAMILIES. According to them, his repeated crimes of treason to China, the Taliban and the paedophilia legalizers, his deep love of the New World Order, abortion, “gun control,” gay marriage, sex changes for kids, same-sex parenting, vaccine mandates for the killer shots and his miscreantic behaviour is not a deal breaker, so he gets a pass.

There is no limit to the depths of their depravity. Nothing would surprise me. Look at Hillsong, it’s a child trafficking and pedophilia ring. Seriously, these demons are out of control.

They are brainwashed Xena.

I question anyone who does not stand for saving children PERIOD. That single statement should make every single person stop and ponder – they are not using their hearts to discern, they are using misinformation and judgment to fit their preconceived image of DJT instead of knowing the man by his actions. They are fools who have been manipulated by others instead of going within. When they awaken from this spell, I am sure many will feel deep shame and regret.

I sure hope someone took a video of Cohen’s execution. I don’t want to be cheated out of this when they start showing the tribunals and hangings.

Probably No Video ! Most likely none will be available since everyone on the transfer mission has family & if any DS scum had video that may identify the crew family & crew may be placed in jeopardy. Throwing trash over the fantail is normally not video'd anyways & I am sure that the sharks already have family photos in K St law offices Nick , NavyBlueSmoke , LST -1195

They deliberately took a witness to attest to what happened and told him to tell everyone on the ship. Did you read the earlier article on this?

In English class in high school, required reading was the book Johnny Tremain. There will be a test.

As long as we know he is GONE for sure, SPARE us the details!

How stupid is this man to send a letter to trump with all of that c*** in it and put all his fingerprints all over the envelope . didn't he learn anything in cia school?

He was so pompous and full of himself he thought no one would dare lay a hand on him.....boy was he wrong!!

Nephilim felt the same way as Cohen, when they thought they could overthrow heaven, which is why they were cast down.

You're a liar, or You are repeating bull shit. This is why Humans and Homo Sapien are going to be eradicated from this EARTH. Cognitive dissidence. A Nephilm was helping, as in past tense. Heaven, is a bunch of lying space ship machines, that are going to end Your lives, but keep helping "them". To hell with Humans, that murdered the Nephilm (a fucked up name to hide the real name of the Race, known as Dwarf.)

The Nephilim were not cast down from heaven; rather, they were the offspring of demons and human women, and were known for their tremendous physical strength and extreme wickedness. They were

one of the principal reasons God flooded the Earth.

Here's some street school philosophy.

FYI: home computer printers place micro printing on printed paper, covertly placing machine registry number on items.

Utilize library or other public computer kiosk e.g., hotel, internet cafe etc. when venturing the dark side. Wear hoody, oversized sun glasses and Covid mask that circumvents facial recognition, cameras everywhere.

If mailing dark matter, utilize post office well outside your zone, out of state even better. Utilize safety precautions.

If venturing dark side by internet, have fugazi email address, and never-ever access it, or utilize it from your personal devices, utilize unusual password. Never dock a thumb drive that was previously connected to personal devices.

Darth Vader said to Luke Skywalker: "Luke, come to the dark side".

I hate to break it to you but criminals are just plain fuckin stupid people! Their stupidity is expected and should surprise no one!

There used to be a tv show called "The World's Dumbest Criminals." And they definitely are.

Because he has the right of free speech guaranteed by the Constitution UNTIL you push it to the point Cohen did!

We are literally witnessing fTHE LORD open up the earth and swallowing up these evil monsters as did the saints of the Old Testament! These stories are incredible, MB! I get paid on Wednesday and will send you some dough! Keep up the AMAZING werky!

Later —

Cohen was one of the Prisoners that were made to Walk the Plank in the Pacific for an Insurrection on the Ship headed for Guam,...

I don't think that Cohen walked the plank. I think it said he was **THROWN** overboard. Most likely not **MAN ENOUGH** to face the consequences for his crimes without **HELP!**

Wow, where do these people get their deranged ideas? They live in hell already so being thrown overboard wasn't a bad thing for him, he'll get more of what he's used to.

Many people have followed Satan and his minions, denying there IS a God or that God **WILL** hold us accountable, to their **OWN** peril. Take a look around you. Scriptures say their name is **LEGION** because they are **MANY!**

But when God does return, You deny it's Him, so why help You???

Last time, You all Assassinated me in Texas. Fuck Humanity!!

Maybe they should have the trials aboard the Destroyer and sentence them to death and let 'em get sucked into the screws and chopped up into pieces of fresh fish food The most evil need to be chopped up, the others, they can hang and piss their pants but this one.....we don't have to tag and bag this SOB.. we are actually conserving space by not having to put him in the freezer....

"The most evil need to be chopped up..."

Agreed. Then again, I don't want to be ordering lobster on a Pacific cruise line vacation only to wonder suddenly if I might be ingesting some Deep State POS remains. Yuuuk! Instant projectile vomiting.

I'm sure they inspect the lobster. Seafood is not the same as human meat, which Chrissie Tiegen and Hillary and Chelsea and GHWB **LOVE** to consume. Can't get more evil than that.

The fish might start attacking the boats/ships if they get much of this food variety.

We just need to remove them as quickly and humanely as possible!
They are **DYSFUNCTIONAL UNITS!**
