Guvernérka Jižní Dakoty Kristi Noemová tento týden podepsala výkonný příkaz k vyšetření příčiny celonárodního nedostatku drog, který se zhoršil od doby, kdy zločinecký Bidenův režim ukradl volby v

roce 2020 – White Hats však věří, že mají jasnou představu, proč nemocní Američané nemohou najít základní léky, jako jsou antibiotika: administrativa shromažďuje zásoby léků a posílá je do zámoří na Ukrajinu.

Speciální síly Spojených států minulé pondělí provedly razii ve skladu na Staten Island v New Yorku, kde očekávaly, že najdou bedny se stovkami tisíc kusů munice směřující do budov Internal Revenue Service po celé zemi. Když režim loni poskytl IRS 80 miliard dolarů na najmutí a vyzbrojení tisíců nových vrahů pro vyšetřování trestných činů, maniakální komisař služby Charles Rettig nařídil všechny typy zbraní pod sluncem. Rettig odešel v listopadu 2022 do důchodu, ale jeho nástupce Danny Werfel přísahal věrnost Josephu Bidenovi a slíbil zvýšit příjmy IRS se zbraní v ruce, pokud to bude nutné. Real Raw News informovaly o snaze White Hat zabavit uvedené zbraně dříve, než je agenti IRS mohli použít k cílení na americké občany.

Zdroj z kanceláře generála Smithe řekl RRN, že generál obdržel „věrohodné zpravodajské informace“ a ukázal na sklad o rozloze 7 500 čtverečních stop zaplněný od podlahy ke stropu bednami s municí. Řekl, že tipér je znám tím, že poskytuje přesné informace, a že poskytl generálu Smithovi snímky exteriéru a interiéru zařízení. Obrázky ukazovaly hory ocelových a dřevěných beden se šablonovitým písmem udávajícím množství a ráži.

Tipér údajně řekl, že sklad bude vyprázdněn do pěti dnů, i když není jasné, jak tyto informace získal. Generál Smith nicméně zacházel s tipem jako s evangeliem – dostatečně pevným, aby zasadil triumfální ránu hegemonii Deep State.

Generál Smith se jako často poradil s velitelem 5. skupiny speciálních sil Brentem Lindemenem a společně zformulovali plán. Museli učinit logistické rozhodnutí o zabavení nebo zničení munice. Jeho zničení znamenalo manipulovat s výbušninami, což by vyvolalo pyrotechnickou přehlídku ve stylu 4. července, poškodilo blízké

domy a podniky a přitáhlo nechtěnou pozornost. Proto se rozhodli pro méně kavalírský přístup. Speciální jednotky by prolomily sklad a zadržely ho, dokud kamiony nepřijely místo vyprázdnit. Pak by zneschopnili řidiče/nakladače a zabavili vozidla.

"Budme upřímní." Můžeme použít munici pro nadcházející válku," řekl generál Smith plukovníku Lindemanovi.

Ale když speciální jednotky pronikly do skladiště v pondělí před svítáním, nenašly žádnou munici ani munici. V bednách s municí byly tisíce lahviček s léky, které jsou v současnosti na seznamu nedostatků léků FDA: od amoxicilinu po fentanylové náplasti, od penicilinu po tramadol a oxycontin, lahůdku antibiotik a narkotických léků proti bolesti. Nalezli také lodní manifesty uvádějící, že bedny měly být přepraveny na mezinárodní letiště Johna F. Kennedyho s konečným cílem Varšavy v Polsku.

"Červené vlajky hned vyvěsily," řekl náš zdroj, "a hned bylo jasné, co se děje. Jediným důvodem, proč do Polska něco posílat, je to, aby to bylo od hranic na Ukrajinu převezeno kamionem. Víme, že tam nelegitimní administrativa posílá zbraně, ale neřekli, že vyčerpává zásoby léků. Kradou léky, aby je dali Ukrajině."

Speciální jednotky, řekl, sdělily svůj objev plukovníku Lindemenovi, který o úskoku informoval generála Smithe. Nařídili speciálním jednotkám, aby zaujaly obrannou pozici kolem skladiště a čekaly na příchod toho, kdo přišel vyprázdnit sklad.

Nečekali na sebe dlouho; následující ráno na parkoviště zajely tři tahače. Jeden zacouval na nakládací rampu a řidič i spolujezdec odemkli dveře přívěsu, ze kterých vyskočilo půl tuctu mužů, pravděpodobně nakládací četa, a čekali, až řidič otevře přepravní/přijímací dveře do skladu. Řidič otevřel ocelové dveře a zjistil, že hledí dolů na ústí tuctu pušek.

Řidič se pokusil vytáhnout pistoli z ramenního pouzdra a byl zastřelen, zatímco dělníci, kteří zjevně nemluvili anglicky, křičeli španělsky: „Somos temporales. Nos damos por vencidos“ nebo „Jsme dočasní pracovníci a vzdáváme se“.

Jejich definice kapitulace však odporovala logice. Jeden z nich odvažoval samopal Heckler & Koch MP5, když mu kulka speciálních jednotek prorazila čelo a okamžitě ho zabila. Speciální jednotky vnímaly zbytek jako hrozbu a zastřelily řidiče, spolujezdce a ostatní nakladače, pak obklíčily další dva tahače a nařídily pasažérům, aby sesedli nebo byli zastřeleni.

„Tím přestřelka skončila. Zbytek se nechtěl nechat zabít. Pátá speciální jednotka ve skutečnosti nechala tyto posádky naložit obsah skladu na přívěsy. Jsme si docela jisti, že všichni kromě lidí v taxících byli ilegální, kteří si mysleli, že jsou jen najati, aby dělali práci – jako ti, které vidíte stát před jakýmkoli Home Depotem. Naši lidé převzali kontrolu nad nákladňáky a nyní máme léky ze skladu, prozatím. Není pochyb o tom, že to bylo určeno pro Volodymyra Zelenského. Nedostatek léků pravděpodobně způsobil smrt mnoha dobrých Američanů. Ne, kulky jsme ve skladu nenašli, ale i tak to bylo významné vítězství,“ řekl náš zdroj.

(Návštíveno 55 125krát, dnes 13 842 návštěv)

Podle pravidel DOT je nezákonné převážet osoby v zadní části přívěsu kombinovaného vozidla. tak tento dočasný zaměstnanec whoha je hromada svinstva. žádná zpráva o tom, kdo je dopravní podnik. ukradené zařízení bezpochyby.

Když přijde válka, jak byl v této zprávě citován Gen Smith, co mohou běžní občané udělat, aby pomohli White Hats proti Black Hats/Deep State?

A transgender Governor from South Dakota is investigating a national pharmaceutical storage crisis.

"...investigate the cause of a nationwide drug shortage that has worsened since the criminal Biden regime stole the 2020 election

Ironical. That a state with population of 500,000 should be so concerned with 328 million citizens of other states.

Show me a photo of her holding her ANY or her newborns, or, show me a picture of her carrying a child in her womb.

..otherwise, your assertions are "cheerleading".

4 years ago her podium was "Meth".

Who performs the research for her? Her brother-in-law?

It seems that no one would worry about a State with a very small population to take away their meds. It also seems that the governor needed some of those meds.

I would like to know what she finds out. Why are the drug companies not filling up the gap with the drugs?

So the DS is using illegals to help them with their plans 🤔

Kinda tells me that the invasion isn't just to disrupt American society but to employ them to do their dirty work

I'm making \$90 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning sixteen thousand US dollars a month by working on the connection,

that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this website... <http://www.Payathome7.com>

Now that we know where the drugs are going, it's time to address the nationwide shortage of Mallomars. Can't find them anywhere.

Your post yesterday to me

You are certifiably insane. Your "remonstrance" has no force of law behind it. These are the ravings of a lunatic

Today's Monday are you going to call the Military and report Me Plotting the overthrow of Government Of the state of Michigan.

Please Back up You legal opinion With and Action.

Or are you here just to Make Noise!

and how about your sibling Cob with it's posts

There's some tough competition but I think you are handily the most insane person here, RGB

You should both be on a conference call to the Military This morning

Stealing meds to create a shortage in USA is definitely TRAITOROUS.. Werfel shld be arrested forthwith if they have not already done so..

Seems that all flights out of USA for Poland or other EU countries shld be examined CLOSELY!!!!

It wouldn't surprise me if those drugs wld have ended up on the black market as those criminals in Ukraine probably couldn't care less about injured Ukrainian soldiers..

At the end of WW2, captured stocks of morphine were converted into heroin in Italian laboratories to be sold on the Black Market by the mafia to fund CIA Black ops. Read Operation Gladio, by Paul L Williams. So this has been their modus operandi for 75+ years.

So, let me see if I understand this. Special Forces and General Smith are just sitting around and doing nothing but waiting for some whistleblower to give them info about the Biden regime so that they can react to it. Is that right? Also, the evidence presented by any whistleblower is subjected to a cynical review before any action is decided upon. All this takes a lot of time. Remember, you never want to give your enemies time. It always gives them the winning edge. It seems that any information that comes to the White Hats is being received with cynicism and doubt. That really slows down reaction time. We seem to be always told that a "source" in General Smith's office comes forward with information. Then the info has to go through a bunch of filters from skeptics that look like they don't want to do anything. How about infiltrating the Deep State and using spies to produce credible info on their operations? How about setting up sting operations? How about using false flag ops that pull the enemy onto the battlefield? How about using all the dirty tricks we have seen the Deep State use on them? If all that is being done, then hurray! How about a search pattern for the frequencies used in hologram projectors to find more cloning labs?

This appears to be cranky yet very fair. These people you refer to are not 'sitting round.' Not at all sir. The source referred to may be a DS prisoner that has turned. That would of course have to be verified. To avoid a set up. These troops are too valuable to waste, all of them are the best we have and we are blessed to have them! Gee whiz mate the whole thing they are setting up is and has been a sting operation. DS dirty tricks, yes they will use them also, damn right they will! Forget the waterboarding shit, pistol whipping baby! You want to see a general that sits around look at the pic of Saltsman. Who hangs as a traitor tomorrow. Low life POS! When I stated to feel shaky, I pause

and pry and count my blessings. The blessings of the children that have been saved. None of those children did anything to anybody. What person that voted for Biden has a Biden bumper sticker on their car or house? None!

How about wipe all the Haavara coin Nazis and their descendants of the map. It will immediately remove the end game for King Charles the Antichrist.

Peter, With all that's going on, how do you know that the WH's are not doing what you think?

Who do you think are these whistleblowers?

Where do you think these whistleblowers are?

What 'false-flags' would you do to bring out the enemy???

How do you think they catch these traitors?

Who are the handlers for these traitors?

Who are the puppet masters for the handlers?

How do you disarm a tank without blowing it up causing a scene?

How do you expose who the enemy is???

Searching for short-wave frequencies is like searching for a needle in a haystack by hand. It is easier to destroy the clone and harder to replicate the clone taking out resources from the DS.

We all want this to go faster to bring an end to all this madness.

Think of it this way; you have a yard & garden that are full of weeds from one end to the other, and all you have are a few different types of shovels. How do you get rid of those weeds???

Fantastic job special forces and Gen. Smith! This is a huge win!!

| Danny Werfel, swore allegiance to Joseph Biden and promised to boost IRS revenue, at gunpoint, if necessary.

Good grief! I hope they find all the snakes and behead them! Traitors must be found and treated with extreme prejudice. We the people command it!

They fill the synagogues every Friday.

Revelation 2:09 & 3:09 I know the blasphemy of those who call themselves Jews but do lie but are the synagogue of Satan.

(Christians and Muslims dont belong to Synagogues.)

Wow. This post has everything! A tipster, The Old Switcheroo, a gunfight in which the good guys prevail.

A cynic might say the only character missing is Sweet Nell.

YOU KNOW WHEN I WENT 2 WEEKS AGO TO FILL MY PRESCRIPTION THE SAME ONE I ALWAYS GET FOR HIGH BLOOD PRESSURE N MY MIGRAIN MEDS I WAS TOLD THERE IS A SHORTAGE N I MIGHT NOT BE ABLE TO GET IT NEXT MONTH I THOUGHT WHAT WILL I DO IF THAT HAPPENS N WHAT WILL HAPPEN TO OTHER PEOPLE WHO NEED THEIRS —THEY ARE GETTING CRAZY NOW—KEEP GOING AFTER THEM N GET THEM ALL GOD KNOWS WHAT THEY WILL TAKE NEXT TIME

NEXT TIME THEY WILL STARE AT YOU AND TELL YOU TO CONCENTRATE ON BREATHING. IF YOU DON'T CONCENTRATE YOU'LL STOP BREATHING AND DIE,,,,,

That's serious. More proof MB is not lying and is reporting the truth. Before Deese and Vilsack were arrested, egg prices went way up; when they were executed, the prices went back down.

I'm so sorry! There are natural ways to fix that though. Really, Search around and you'd be surprised. It could be something as simple as dandelions. This is how we get out of big pharma. Don't let them make you a slave to meds.

I've Heard we are or maybe have been sending our Own United States troops over to Ukraine to fight for them is there any truth to this ? Thank you for any info on this you can give us. God bless us all Amen. 🤔🤔🤔🙏🙏🙏❤️❤️❤️❤️❤️❤️❤️🙌🇺🇸🤔😎🤔🤔🤔🙌

The Deep State will use illegal aliens, and try to take America. Hopefully the white hat's get good tips on all their activities. This crap is going to go on as long as the Biden administration is in power.

The white Hats aren't doing anything with the boarder. If they where Mayorkas would have been put in jail by now.

To the question above about out military in Ukraine, "Yes" we have troops in Ukraine. Ukrainians need help with things. The money part is easy they will spend all of it minus the 10% for the big guy. Almost none of it will go to helping the Ukraine people.

Troops go for 2 reasons one to help operate the missile systems, and 2 logistics, and planning. Probable don't have a lot of just regular troops, but Special Forces and weapons mechanics and operators are needed at first.

Ukraine military doesn't have time to read instructions and fix the advance weapons systems we are sending them.

Myorkas the jew traitor needs arrested and sent to camp Blaz for execution. The cartels (Likud) must be giving him a cut.

Most of your head officials are NOT in the USA – they ran away to the EU to escape.

Yet here we sit with millions thinking everything is just fine because they haven't felt the pain yet .

or maybe they NEED a dose of pain to open their eyes. there are none so blind as those who refuse to see.

Too bad they didn't have time to empty all the crates and fill them with covid vax to ship to Ukraine! Maybe even relabel them Penicillin etc,

How old are you that you're all hung up on age? You will be 90 before you know it and then you'll be able to keep your mouth shut.

And the Azovs/Banderites/NeoNazis come first in line! "Step right up! Get your free shots here, Covid passport to match!"

Maybe they did that as well knowing the white hats might raid the warehouse. Send in a bunch on nobodies that can't even speak English to get arrested and let the White Hats take a bunch of poison to use.

Me, too. If anybody thinks we're not at war, they have another think coming.

I felt bad at first but then had decided it was the right thing to do too.

Let's hope they find the ammo too. We don't need to be supplying NATO in their stupid attempt to depose Putin and/or start WWII. The DS cabal is completely out of control.

LET'S HOPE THEY FIND THE ADRENOCHROME. OWEN'S BEEN ASKING IT ABOUT IT LATELY. I'M SUSPICIOUS,,,

Nice portmanteau of the IRS and ammunition for Ukraine stories. Hope Special Forces checked with the Gambino Family before raiding their place. They have kind of a lock on warehouse space on SI.

I enjoy all this deep state vs. Patriot news but the truth is that the Bible tells the absolute truth about our future. In 1st Thessalonians chapter 4 the Apostle Paul describes the next big event on God's calendar. Some call it the Rapture, it doesn't really matter what you call it. It describes Jesus himself coming back for his people. Every Christian believer who has died in the last 2000+ years will be raised first and given new bodies just like the one Jesus got when his Father raised him from the dead. After that all living saints will be changed also and meet the Lord in the sky.

After this event the things written about in the book of Revelation will

commence. During this period there will be a one world gov't led by the Anti-Christ who I believe is ready to take center stage.

To sum it up folks, Jesus is our ultimate lasting hope. Not Q or the return of Trump.

God bless you all.

I agree in general, but the timeline is not that certain. It could be a while longer before the Rapture takes place and the Antichrist is revealed, and I think that we need to persevere in resisting the Satanic cabal. We know Who wins in the end, but we can't just roll over or be detached while they go ahead with their population reduction strategies. Check out the Isaiah 62 prayer and fasting project.

I agree, we fight to the very end.....and if Trump takes over, there will be a little reprieve peaceful bit of time when people will get a chance to see well and follow the way that is right and avoid lots of the destruction that is coming to those who resist God.....

I understand what you mean, but I am beginning to believe that we must change ourselves, to come to him, and not the other way around. Individually and as a species. What do you think of that?

that sounds good Dionne, but, only God can change us.....if we stay on the potter's wheel, fully submitting to Him.....does not mean we do not work and hold up what is rightwe cannot clean ourselves up, it is HIS work as we yield

you dont know the meaning when saying home, lol.

i would be careful thinking like that.

No such happening in the Christian Bible.

It is actually a removal of the wicked tares (goats) into the fire, the wheat (sheep) into the barns at the harvest as JESUS carefully explains in the Parable of the Tares (weeds) in Matthew 13. Ignore the judaized khazarian falsehoods.

JESUS explains the Parable.

“**37** He answered, “The one who sowed the good seed is the Son of Man. **38** The field is the world, and the good seed stands for the people of the kingdom. The weeds are the people of the evil one, **39** and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels.

40 “As the weeds are pulled up and burned in the fire, so it will be at the end of the age. **41** The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. **42** They will throw them into the blazing furnace, where there will be weeping and gnashing of teeth. **43** Then the righteous will shine like the sun in the kingdom of their Father. Whoever has ears, let them hear.”

We Christian Soldiers are going nowhere, Put on your Armor of GOD and prepare for battle. (Ephesians 6:10-18) Victory over the wicked is ours.

Psalms 27:5, Isaiah 26:20, John 6:54, Revelation 3:10. 2 Esdras 2:27, 2 Kings 6 is an old testament prefigure. The axehead in the Bible always refers to Rome..

With a war developing at the border. While the deep state ATF and IRS two illegal agencies of the Crown taking guns and money from American citizens basically arming and funding the deep state. And those law-abiding citizens complying with their commands not wanting to break laws which are not laws.

Until someone lets the sheeple know what's criminal acts are being played on them. And broadcast loud and clear they must not comply

and it there duty to fight back this country is lost its freedom forever.
Soon it will be to little to late if it's not allready.
Or is that "The Plan".

Are you saying that overdressed faggot in London controls America's finances? The guy who dresses like a fairytale king? Holy shit you must be kidding

I wouldve handled that differently. I fear some of those workers mightve been innocent but were confused by the circumstances. Im glad that the shipment didnt end up in Ukraine though.

Actually it is true... They broke the law coming here, even though most want a better life.

But don't blame them for wanting a better and safer life. It's bonehead who rolled out the red carpet .

They are here to do the work of the DS including voting for them. The DS always demands their payment. They are here to traffic in drugs and children and people, they are here to use up all of the resources and housing that is no longer available to us, and they are here to take what they want with the weapons granted to them. They now owe the DS big time and they will do anything to stay here in the US and Canada. We need to think about that.

It isn't about racism. It is about employees working dirt cheap for the DS and taking what BELONGS TO US.

Last edited 1 hour ago by Windtalker

Guilt by association sir.The driver pulled the pistol,one of the employees an automatic rifle. So you would have done it differently.? Thats nice mate,to bad you weren't there to save the day!

I have tried to join the war effort but since Im old, Im not taken seriously.

It may seem trivial but all processed food including cat and dog food is also being contaminated. I don't buy the "bad batch" bs anymore. I just found out Purina and Nestlé (those who profited from the WWII genocide) now own more pet food companies as well as human food manufacturing.

I've been having a problem with the cat foods for 3 years now. Have 3 cats ; 2 with kidney disease. I buy premium wet foods & have to get refunded from chewy multiple times for the "crap" that they put in the cans.

Go to "veterinary secrets" Dr Andrew Jones on u-tube for good natural ways to keep your pet healthy.

you know the words: " you will own nothing and be happy". though there definitions of it is crappy message.

Stay away from Purina. I thought it was good at one point, but now i know better

"Rettig retired in November 2022."

Is that right?

Well, I hope he is being sought after.

He would be a very welcome guest at GTMO/Guam, I am sure.

I replied to this post. They sell a proprietary version of PrintShop, double-sided printers, special ink and paper.

Nonsense, 3 tractor trailers are not going to empty a 7,500 sq foot warehouse filled from floor to ceiling. Assuming it was a single story warehouse, maybe 12 tractor trailers might empty it. Try to keep

these articles believable.

If the Rats only brought 3 trailers they would of had many trips. 🤔

The Special Forces troops cannot, would not, endanger their lives sitting there waiting for the 3 tractor trailers to make 4 round trips delivering the medical supplies to a secured white hat warehouse or base.

You're an idiot...

They would first get a few reinforcements as they move the shipment.

WHY???

If you were expecting these trucks and no one shows up, what would you think??? What would you do????

How do you ship a product without being detected???

How do you ship a product without disrupting shipping protocol???

How do you ship a product without prying eyes???

How do you ship a product without being inspected???

By keeping it small, the rats get away

It makes sense they wouldn't want a convoy headed to an air terminal. With people rubber necking what's going on. Just saying!

The initial report was that the warehouse had ammo, it didn't, which would mean the warehouse wasn't filled from floor to ceiling.

Yes, a possibility. However, the ammo crates were there, just not filled with ammo, filled with medical supplies instead. So the initial report seems partially true.

“But when Special Forces infiltrated the warehouse in the predawn hours Monday, they found no ammunition or ordnance. The **ammo crates** held thousands of bottles of medication currently on the FDA's drug shortage list: from amoxicillin to fentanyl patches, from penicillin to tramadol and oxycontin, a smorgasbord of antibiotics

and narcotic painkillers. They also located shipping manifests stating the crates were to be transported to John F. Kennedy International Airport, with a final destination of Warsaw, Poland.”

HOW DO YOU SHIP MUNITIONS?

Whats the protocol???

That size of trucking, regardless of # of trucks, would be via military/police escort and all would know – out in the open

NOW THINK....

Why can't they truck the normal way if it were real munitions.

MUNITIONS would be transported via 'special' cargo planes?

If my 3 drivers didn't call in, I would be investigating, and that I knew (I knew) I was dead wrong with the task I took , I would stop all movements.

Just saying!

It may have been the first pick up that day. The did not know the jig was up. It may only have had three docks and a small alley, New York you know?

7500 sq feet, single story, filled floor to ceiling would require about 12 semi-trailers to empty.

Were the 3 trucks sent by black hats to pick up part of the ammo crates, or to empty the warehouse?

The 3 trailers were to deliver the medical supplies to Kennedy airport which would about fill one large transport aircraft. So perhaps other trailers were on the way to the warehouse, canceled when it was raided by white hats.

THINK....

How do you ship a product without being detected???

How do you ship a product without disrupting shipping protocol???

How do you ship a product without prying eyes???

How do you ship a product without being inspected???

Stop being brainless & clueless – start thinking outside the box!

Rothschild – If Ukraine falls, the New World Order falls.

Putin is winning hugely, has drawn Ukraine, extremely low on ammunition, into a trap they cannot recover from. Globalist US 40,000 armored forces planning to enter the war have been trapped across a river they have no means at hand of crossing, bridge destroyed, not enough time to redeploy. Globalist NWO loses.

Great work! I would make sure those medicines were not tampered with any type of drug that would cause death or illness. They seem to tamper with our food with bioengineered ingredients, aborted babies, blood, dht and other ingredients.

And the clot shots brought to us by Bill Gates (hanged). He also bought 33,000 acres of land in Turkey in addition to the 242,000 acres here in America.

That means we starve to not get those mRNA and other contaminants.

Those meds were not manufactured for US citizens. They are probably purer than the crap they manufacture for us.

Has anyone on here read about the numbing shots you receive at the dentist has the same toxics in them that was found in the clot shots?

Yes I have. Saw a video on “op freedom” last year and also was mentioned by Todd Calendar on a vax choice video probably a couple months ago on rumble.

Vile.

One commenter on this site said he son had his fillings done perfectly by his dad who is a dentist. he went into the military and they removed all his fillings and replaced them, after which his personality changes. The mother is suspicious the military put something abnormal in the fillings. How sick. This is corrupt medicine
Now besides starving and not taking necessary medications for our health to avoid the mRNA and carcinogens and venoms they force into the food and drugs, we all have to let our teeth fall out too, because we can't get proper dental care without the clotshots each visit, or get a painkiller with the clotshot ingredients in them. Nothing is sacred to these people.

WE NEED OUR TEETH HEALTHY, TOO!

Can't say I'm surprised, but hadn't heard that. Guess I won't be having my very overdue dental implant any time soon. The dentists push the fluoride, but I had hoped it was because they've been lied

to as well, and don't know any better. I don't even want my pets to get their shots, but the vet won't give my dog her allergy or heartworm meds without yearly vaccines.

Get another vet. Pets are family, too. And if you are a born again believer who believes in supernatural Biblical healing according to James 5 and Mark 16, go to a prayer service and petition God for healing your teeth. He can heal anything, even teeth.

"There's no doubt it was meant for Volodymyr Zelenskyy. Deprivation of medication probably caused the deaths of a lot of good Americans. No, we didn't find bullets in the warehouse, but still this was a significant victory," our source said."

First our babies get no formula, now our families get no meds?! Mr. US Flag Thief, you will be brought to justice!!

Stellar work, Michael, please keep us updated. Thank you!
Good job, White Hats!

Excellent article again, Michael Baxter. Thank You for keeping us informed.

Keep up the pressure White Hats...good job, well done.

Happy Mother's Day to all you Mothers!

The article said they shot everyone in the first truck and the others that were in the other 2 trucks surrendered because they didn't want to be killed.

They were non English-speaking brown people. They can be killed on a whim. Not really people, actually. /s

The other shortages: food, maybe baby formula... are being stored in DUMBS. The general population won't have food, but not because of shortages. Because evil knows no bounds. Never in my wildest imagination did I ever think I'd know what I know now. The greed of power corrupts completely. There's nothing being done about this corruption out in plain sight, so it continues. I know I know...Theres a plan...every thing is playing out so the corruption will be seen by the public, yadda yadda yadda. But all I see is the continuation of the USA in decline.

However, there is hope! The Bible tells us that this will happen. We shouldn't be surprised! Read the Bible and understand the fact that prophesy is being fulfilled on a daily basis. This world is under the control of Satan since his fall. He wanted to be like God. The same thing is being repeated by Klaus Schwab and the like. They may succeed in much of their evil plans. But God will not be mocked. Jesus will reign supreme and every knee will bow to His Supremacy. Our hope is in Christ. It's the only way to not despair in this crazy upside down world. He welcomes all who come to Him. We aren't guaranteed tomorrow so seek His grace today.

Roger that because he promised not to leave nor forsake us. The greatest promise keeper par excellence. Blessings 🙏🙏 from The REAL Delavic

You should change your nick to "TheRealDelavic" so MB can shadow ban the other one...

so your upset over a bot not being the real one who believes in jesus 24/7?

idk about that mate. sounds insane.

Delavic is Catholic, different from evangelical born-again. A good hearted person who is not like the troublemaker with his work-from-home scam.

I've been studying the Bible for like 12 or 13 years now. And I hate to burst your bubble but all of this isn't lining up according to much of what I've read in Rev, Isaiah and other parts. I'm guessing at this point it's a final attempt by Halal ben Shaker (Satan's name) to mislead everyone all the more while getting all you christians to worship him instead of Yahowah.... yeah.... God has a name and His son's name ain't "Jesus" either.

Thanks for your voice of reason. History reveals that the majority of nutcases were very religious, "believers"!

Read it again. With understanding. If you are born again, please ask the Holy Spirit to help you do that. without it, it's just paper and ink.

If Jesus did not exist, He would not have died for your sins and rose again to pave the way for you to have eternal life, He loves you that much

We are being attacked on every level of our existence including poisoning our land, food, air, water, and medicine. If something isn't done on a mass scale by the Whitehats or Military we will eventually become collateral damage by an evil that will scorch the entire Earth to achieve its goals.

Medicare is denying ADVAIR and replacing it with Wixela which I did feel good taking. Now they are trying to deny my Spireva. I am very suspicious.

You should try Alternative Medicine instead of CCP pharmaceuticals, 240,000 antidotes and 0 cures, they keep you sick so to keep you spending the money for the CCP. It's your choice.

ccp thought being like rome would do well, lol. in return it backfired.

no country in history thought taking over the world is so simple.

alexander almost. but got shot in the knee and died.

napoleon almost. but failed against russia.

germany almost. but same way.

atlantis tried and failed.

ccp and china will be no different.

So sorry this is happening! I am taking a very expensive medication that is vital to me and I am praying continues! Hope your Spireva continues without an interruption.

“We can use the ammo for the coming war”: Mr. Baxter, would you ask your sources where in the United States this war will begin? And then, there’s this: “South Dakota Governor Kristi Noem this week signed an executive order to investigate...” Yesterday, Senor Boots said that South Dakota was one of the most corrupt and captured state governments in the U.S. So, what do you know about this particular U.S. state? And as before, Mr. Baxter, we must learn which of our criminal pervert state governments and city governments have been cleansed. All? None? Some? How do I know that in the world of “hats,” it is not “one size fits all?”

The news is dead. The world of proof has been ruined. You are the only game in town, Mr. Baxter. Average brain weight is 3 lbs. It would be easier if they came with Schrader valves.

Don’t get your panties in a wad, someone is got this under control, not naming names, so chill out.

Yeah that line kinda made my skin crawl. Russia and Chyna going to come over the pole and invade US yet? Or ‘just’ internal civil war? The slow surgery is annoying at times, but war in the streets is thousands of times worse.

Jaco calls it going “full auto.” Tune into his show from approx. April 20th with Lewis Hermes especially from minute 35 and forward. Lewis also mentions White Hat attacks on Patriots. He refers to the internet, but I have had 5 attempts physically made on me since October. I first mentioned the White Hat White Matrix in my Episode No. 18 from almost a year ago. The concept of the benign dictatorship of the philosopher king is fragile and history provides only one example lasting only about 20-years. I say “Nemo Solis Satis Sapit.” No one is wise enough alone.

The logistics problem that THEY would face was called “The Stopping Power of Water” in John Mearsheimer’s book on Great Power Politics 25 years ago approx., but was actually first enunciated by Lincoln in his Lyceum Speech approx. 1836. So, subtracting that eventuality leaves internal Civil War and my I.D. of the “foe” is the 30 million that I call “America’s Terrible Tenth.” These are the people that need a Cabal, and if there was none, they would invent one.

WrongWay buddy do you ever think it’s kinda silly that you trust literally only one guy in the whole world to have the real info, and that guy never has any evidence for anything he says and writes about goofy sci-fit shit like huge underground clone labs in Alaska?

The news is dead. The world of proof is ruined. You curate your dots and with them you assemble your picture of the world. Just as the Age of Empiricism superceded the Age of Rationalism, so now the Age of Assisted Reason supercedes the Age of Empiricism because observation outside of your 100-foot personal circle is unreliable. Listen to the Video Essay on my Episode No. 37 on Rumb and Bitchu.

WWC, I did not know you are a refrigeration technician to know about Schrader valves. Its used to add or remove refrigerant from a system and I get your point. Blessings 🙏🙏 from aThe REAL Delavic

I've watched several interviews with KN and I find it hard to believe she's corrupt. In fact I think she'd make a great VP under DJT.

she's a latex mask. Actually, I think the fraud of the future will outgrow latex and use a pliable mirror...so that way...whenever you look at her you see yourself and who would not vote for ones self? President Selfie.

when a Special Forces bullet punctured his forehead ... "punctured" ha ha ha ha!!! That's just some very good writing right there! Love me my Michael Baxter. Way to go Special Forces! We pray for your great WH Military every day. May the Lord bless you and keep you. Michael – for you I donate monthly. Love you all and love me my RRN!!

Ano. Obvykle se musíte dostat do páté třídy, abyste mohli použít takové tajemné slovo jako „propíchnutý“.
