Floridský guvernér Ron DeSantis, který by měl tento týden vstoupit do prezidentského klání v roce 2024, se pokoušel uplatit vysoce postavené vojenské důstojníky sliby povýšení výměnou za prezidentské souhlasy, zdroje z kanceláře generála Smithe a na Trumpově Mar-a-Lago to řeklo Real Raw News.

Ve středu 17. května generálové David H. Berger a Eric M. Smith obdrželi dopisy, které DeSantis napsal a které je povzbudilo, aby opustili svou podporu Donalda Trumpa a MAGA a místo toho podpořili DeSantise v nadcházejících republikánských primárkách a také v všeobecné volby, řekl zdroj z kanceláře generála Smithe Real Raw News.

Jednostránkové dopisy, které nesly DeSantisův vlastnoruční podpis, popisovaly Trumpa jako „po svých nejlepších letech“ a říkaly, že Republikánská strana bude odsouzena na půl století, pokud ho delegáti nominují, aby čelil Bidenovi v roce 2024. DeSantisův potěr proti Trumpovi použil slova jako „příliš starý“, „šílený“ a „hovězí postoj“ a naznačovaly, že Amerika už je unavená z Trumpovy koalice MAGA a nekonečných rozhovorů o ukradených volbách. Biden, napsal DeSantis, porazil Trumpa „spravedlivým a spravedlivým“ ve spravedlivých volbách, ale Trumpovo „pošramocené ego“ ho přimělo k udržení ukradené volební šarády. DeSantis označil Trumpa za zhoubu strany. Řekl, že Trump poskrvnil americkou důvěru a znesvětil vzpomínky na velké republikánské prezidenty, jako byli Abraham Lincoln, Dwight Eisenhower a George HW Bush.

Zatímco pranýřoval Trumpa, DeSantis vychvaloval své drtivé vítězství nad Charliem Christem jako důkaz, že by mohl porazit Bidena a vést Ameriku do období obnovy a prosperity, bez bdělosti, politického nátlaku a manipulace Deep State. „Odsuzujte Donalda J. Trumpa a podpořte kandidaturu DeSantise a společně můžeme sjednotit zemi a obnovit víru v Republikánskou stranu,“ stojí v části dopisu. Skončila výzvou: „Vyzývám vás, abyste stáli po mé straně, až udělám prohlášení,“ a přísliby budoucích pozic ve vládě.

"Způsob, jakým mluvil o prezidentu Trumpovi, zněl spíše jako Liz Cheney než Ron DeSantis," řekl náš zdroj z generálovy kanceláře. "Chcete hádat, co udělali generál Smith a generál Berger?" Předali kopii dopisu přímo prezidentu Trumpovi."

Prezidenta Trumpa DeSantisova zrada nepřekvapila, protože DeSantis rozeslal podobné dopisy desítkám velitelů, plukovníků, generálů a admirálů, z nichž mnozí zůstali neochvějně loajální skutečnému vrchnímu veliteli. Řekli Trumpovi, že DeSantisova lichotivá komunikace chválila jejich dodržování ústavy a zároveň zpochybňovala jejich oddanost 45. prezidentovi Spojených států. DeSantis napsal, že jako prezident nařídí svému ministerstvu obrany, aby podporovalo vlivné důstojníky, kteří ho podporují. Kapitáni by se stali majory; majory by se staly lt. plukovníci; a lt. plukovníci by dostali na ramena celého ptáka. Generálům nabídl přidanou hvězdu a tak dále.

"DeSantis je špatně odhadl," řekl zdroj z Mar-a-Lago. „Měl za cíl je svést, hrát na jejich ješitnost, slibovat chutné cetky, ale tito důstojníci jeho lest prohlédli a dali Trumpovi vědět o jeho klamavém chování. Je to nechutné, nechutné – pokoušet se pokoušet důstojníky, jako by obtěžovač pokoušel dítě na sladkosti. Vážně podcenil jejich loajalitu."

Prezident Trump, dodal, předpověděl, že DeSantis použije promyšlenou taktiku k získání vojenské podpory.

"DeSantis se dostal na frak. Ví, že potřebuje vojenskou podporu. A Trump tento krok plně počítal. Ale DeSantis páchne zoufalstvím," řekl.

Zdroj v kanceláři generála Smithe tento sentiment zopakoval. "Bez vojenské podpory je toast." Američané nechtějí slyšet o bohatých elitách podporujících kandidáty. Nevěří elitářům z dobrého důvodu. Vojenská potvrzení mají váhu. Prezident Trump získal podporu více než 100 generálů a admirálů. Je pochybné, že DeSantis nějakou dostane. Bílé klobouky nebudou podporovat Skull & Bones a černé klobouky nebudou přijímat republikána."

Společnost Real Raw News požadovala vyjádření k dopisům od DeSantisovy mluvčí Christiny Pushawové, ale ta naše volání odmítla.

Been told in such a way as to believe cbs (cabal bullshit station) reported that some 50 US Senators have been provided satellite phones to communicate with over this Memorial Day weekend in case cell phone communication becomes disrupted. Also many senators and families are “vacationing” in ‘undisclosed locations’. Curious.

HHHmmmm....

STAY SAFE Michael Baxter and hope You enjoy the weekend, could be busy and interesting!

Russia, Russia, Russia!!! This time it's Nazi, Nazi, Nazi!!! More lies by the democrats.

Or it could be the possibility that kenyan citizen obama is creating all these lies to divert all his crimes away from him.

Homosexuality is wrong. IDC what homosexuals and lesbians do behind closed doors, that's their choice and their business; but I draw the line at exposing the kids to it in any way. Marriage is between a man and a woman, not two men and not two women. Parents can be single or married but they must be heterosexual, not homosexual or transsexual. LGBTQ people are not fit to be parenting children whether they are born naturally to them or adopted. These days, adoption agencies are refusing to allow opposite-married parents to adopt kids unless they affirm their being gay or lesbian or trans if they are said to be so — but no kid is born that way, so that is a lie.

Russia is a country that supports the Orthodox church, that supports marriage, that supports families, that supports children, that supports sexual morality and not sexual immorality. America was once that way, but has fallen abysmally into depravity and tolerant and accepting and legalizing of the same. This is what HRC, BHO, Xiden, Blinken, Millie, Browne-Jackson and Hoebag are pushing for America today, and we need to stop it. now.

WE NEED TO MAKE AMERICA GREAT AGAIN AND CLEAN UP THIS PUTRID MESS OF FILTH THE LGTBQ HAS FORCED US TO SWALLOW AND THREATEN US TO ALLOW IN OUR SOCIETY. Putin enshrined marriage as being conjugal in the Russian

Constitution, Nigeria enshrined marriage is being conjugal in its official documents, and I would like for that to be done for our Constitution as well. For once, WJC did something right by signing the Defense of Marriage Act in 1996 before Barry had it destroyed starting in 2011.

Putin may be harsh in stopping all international adoptions of Russian kids, and yes that is sad because all kids need good parents from any country to love them, but he will not allow children to be exposed to paedophilia or homosexuality from parents in countries where same-sex marriage and other sexual deviancies are tolerated. The Ukraine, on the other hand, allows that with impunity.

There was a time in America where homosexuals and lesbians were strictly forbidden from being around anybody's kids, and they had treatment centers for homosexuality and other sexual deviances as far back at the 80s; but since 1973, the LGBTQ has forced the APA to remove homosexuality from the list of treatable disorders, and now they are trying to do the same with paedophilia, because now people are being told that paedohiles are born that way, just like gays and transgender people are born that way, and there is nothing that can be done to change them.

YES, YOU READ THAT RIGHT.

Now parents and families are being calumniated for being bigots and haters JUST FOR PROTECTING OUR SONS AND DAUGHTERS FROM THIS FILTH.

Vladimir is protecting the kids from being exposed to paedophilia and homosexuality and other forms of sexual deviancy that trounce on marriage in Russia. Good for him. Wish we did the same here in America to protect our children, instead of caving to these transsexual and LGBTQ bullies forcing us to let them have at our kids.

Penalties of sin hurt.

What can a man of God or woman of God or even a child of God do to avoid the consequences of sin? Can they protect their families from the outcomes of sin?

Yes.

A godly wife or husband protects her or his family by turning from sin and pursuing righteousness. Many of us think our sin affects us and only us, that it won't touch the people we love. Wrong. The aftereffects of sin show that one's spouse, kids, parents and other relatives as well and friends and neighbors are affected by sinful behaviour even if the sin is not discovered or exposed. They are affected one way or another.

If we love our families, if we have compassion for them, in desiring to serve them and provide for them and defend them, we can pursue righteous living and consecrate ourselves in a set-apart way; especially in every level of ministry.

Make a silent, hidden decision to turn away from sin which not only protects oneself, but protects one's family and friends.

Jas_4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

Luna Wants ADAM SCHIFF CENSURED and FINED \$16m for Trump LIES

Every American should and must sue Pinocchio adam schiff for at least \$5 million each complainant.

Yes fellow Patriots, we should all take legal action against liar crooked corrupt adam schiff. After all, the money he will use to pay these law suites is stolen from us the tax payers.

Bro Adam Schiff was executed like 2 years ago. Michael Baxter said so. Why are you getting so worked up about a guy who is OBVIOUSLY dead and long gone?

The lawless traitors will reap the consequences.

In Exodus Chapter 17, we read that Moses struck the rock at Horeb to give the people water to drink, because they were chiding Moses and tempting the Lord.

Later, in Numbers Chapter 20:1, his sister Miriam died in the desert of Zin; the entire nation mourned her and buried her there. Times were tough and the absence of water was making things worse. In Verses 7 and 8 God told Moses to speak to the rock – not strike it but speak to it, and water would come out for the Jews to drink it.

Num 20:8 Take the rod, and gather thou the assembly together, thou, and Aaron thy brother, and speak ye unto the rock before their eyes; and it shall give forth his water, and thou shalt bring forth to them water out of the rock: so thou shalt give the congregation and their beasts drink.

But Moses had a temper on him, and he failed to sanctify the Lord by doing what He said. Instead, this happened:

Num 20:10-11 And Moses and Aaron gathered the congregation together before the rock, and he said unto them, Hear now, ye rebels; must we fetch you water out of this rock? And Moses lifted up his hand, and with his rod he smote the rock twice: and the water came out abundantly, and the congregation drank, and their beasts also.

Big mistake.

Worse yet, he affronted the Lord publicly in front of the entire congregation. Of course, the water came out and everybody and their animals slaked their thirst, because God is a LOVING God and would never deprive His kids from something they needed. But God had this terrible punishment for Aaron and Moses: This would not see the Promised Land that God swore to give the sons and daughters of Jacob.

Num 20:12 And the LORD spake unto Moses and Aaron, Because ye believed me not, to sanctify me in the eyes of the children of Israel, therefore ye shall not bring this congregation into the land which I have given them.

It wasn't just Moses who was barred entry into what would later be known as Israel. If we read very carefully, we see that his brother, Aaron, was prohibited from entering Israel as well.

Sin has consequences, and this is what these Luciferian/Khazarian deep state traitors who engage in drug cartels, child sex trafficking, rigging elections and corrupting the judiciary to deny justice to Mr. and Mrs. John Q. Citizen can never understand. Consequences.

This is what the LGBTQI+ who seek to indoctrinate our children about repudiating the notions of marriage and families and having children in a morally upstanding environment can never understand. Consequences.

This is what pro-abortion advocates tell kids to abort their babies in the name of reproductive freedom can never understand. Consequences.

This is what propaganda-pushing, financially avaricious, corrupt therapists who push parents and kids into agreeing to take pubertal suppression drugs and mutilate their body parts via sex-reassignment surgery at \$70,000.00 a head so they never reproduce and cause their future families to die out can never understand. Consequences.

But Jewish and Christian believers do.

Moses had anger management problems, granted, and God used such an imperfect person like He uses all imperfect male and female persons of every stripe and creed and age to do His will.

IT REALLY, REALLY HURT MOSES AND AARON THAT THEY COULD NOT ENTER CANAAN AND POSSESS IT AS GOD PROMISED THEM THEY WOULD. IT DESTROYED THEIR FAMILY MEMBERS AND FRIENDS. THEY NEVER ASKED FOR THESE CONSEQUENCES.

But God was not compromising with Moses, a teacher of the law as is written in Exodus 24:12, and Aaron, a priest no less, on how He should be hallowed. He had to set an example to teach the Jewish nation on how NOT to behave with God or pose any affront to His authority, otherwise upon seeing Moses and Aaron's behaviour, they

would follow suit and disregard respecting God's character, nature, word and authority as being thoroughly credible and serious.

If God can come down so hard on two brothers who led an entire nation to freedom and make them pay the consequences for their sins, even from a high-temper fit, how much more will He punish in hell the rapists, the killers, the Satanic paedophiles, the incest aggressors, the Illuminati, the child sex traffickers, the corrupters, the drug cartel kingpins, the traitors, the adrenochrome makers, the military generals who collaborate with the enemy like Mark Milley did with Li Zuo Cheng, telling them they will warn them if American goes to war with Communist China?

We wish and think about every possible heinous revenge and punishment known to man for these criminals because they are killing us and our children. We were hurt and maimed and bereaved and betrayed by these animals. Can anyone calculate the depth of the Almighty's eternal punishment for these traitors?

You just didn't like it because it was holy words. If it was one of your Fed buddies running his mouth, you'd have given an attaboy.

Clock is ticking Jimm.

That was right on the mark. Amen!! I was thinking as I read this, that it would be a great Sunday school lesson to teach. It definitely hit home for me. Thank you for taking the time to write this.

Inbreeds are ostracized and outcasts not to exclude other Asian group whereas purity is essential.

Myself take pride in my 100% pedigree whereas I flaunt-it as a badge of honor, could say, has its perks.

The deep state doesn't want to race-mix the Japanese. THEY WANT THEM DEAD. 121,000,000 Japanese people is too much for them, pure race or not. The cabal wants us ALL dead — 1,400,000,000 Chinese, 1,400,000,000 Indians, 340,000,000 Americans, 55,000,000 Ukrainians, 147,000,000 Russians, 30,000,000 Canadians, 1,000,000,000 Catholics, 1,000,000,000 Muslims, 2,000,000,000 Christians — they want to genocide you and me and every human being in excess of 500,000,000 human beings on the planet, race-mixed or not.

That's what the Georgia Guidestones stood for before they were smashed to bits. 500,000,000 and not one fetus more.

This really yanks my chain and tells me where the Republican party is and it sucks big time—They have already spent more money on negative ads on DeSantis then they spent for all the Republican people running in the last election—It shows the stupidity and arrogance and look at me—I have the power and am the king maker —That in itself could turn me against Trump—I saw DeSantis on FOX and he sure didn't say anything wrong—but just think if we could have taken the Senate——But hey let's bury Ron—we deserve what we get and with this attitude don't expect the white knight to come riding in—besides if we don't fix the voting system you can bend over and kiss your rear end good bye—I posted what Bidens did to get ahold of the system and sue FOX——

Words from ...Ted VCC

Those of us who participated in supporting and witnessing the National Citizens Inquiry are feeling the impact of more than 300 witnesses testifying over 24 days in eight cities. The intensity is not just the emotional response to the stories of the many victims of the government's misguided efforts. Of greater impact is the realization that we may have experienced the greatest violation of humanity in history.

As the Honorable Ches Crosby stated in his closing remarks, what we experienced was medical martial law imposed by a military grade psychological operation. Where I disagree with Mr. Crosby is when he stated – *“Every politician panicked.”* I suggest otherwise. What transpired these last three years was not a mistake, but rather a well planned, well executed effort to undermine the rights of freedoms of citizens globally.

Robert F Kennedy Jr. spells this out in his book – *The Real Anthony Fauci*. Kennedy writes – *“After twenty years of modeling exercises (of which Event 201 was only one), the CIA, working with medical technocrats and billionaire tycoons, pulled off the ultimate coup d’etat.”* We are the victims of state sponsored violence and a global war on freedom and democracy.

The NCI exposed this tyranny and left little doubt that our politicians, medical industry, media and judges didn't act out of fear, but rather did as they were told. Our part in this tyranny is that we naively assumed they were acting in our best interest rather than their own. Kennedy concludes what many of us have come to realize – *“It is ordinary people who can rescue us from tyranny . . . These actions are not easy, but living with the consequences of inaction would be far harder.”*

God bless all those who helped to make the National Citizen's Inquiry a reality. May its efforts leave an indelible mark on the soul of all Canadians.

I need to disclose that the Shill population has indeed exploded on this site. Won't last for too much longer as the QFS and EBS imminent. I personally know the RV has already started. The RV'ers keep their mouths shut. For good reasons.

It's a financial acronym related to NESARA and GESARA. The paid trolls and closed-minded here will pooh-pooh this but online truthers are talking about it right now (2023-05-25).

Basically, according to past online research, 9/11 (2001-09-11) happened to stop NESARA happening back then which would benefit people at large but the bad guys don't want that.

What you should know is that the good guys and the bad guys have a blockchain backed global financial system as the endgame. Please keep this in mind:

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] Six hundred threescore [and] six.

Our souls are eternal. Our bodies die. GOD is with in us ALL which
can never end. Executions will extinguish the body but the soul
remains...that is the darned truth.

I COULD HAVE NAMED THEM IN 2 NOTES THOUGH,,, YOU JUST
WENT AHEAD AND GAVE THE ANSWERS TO THE CROWD,,,

People say Obama Hussein Shit-stain is gone.

I disagree.

I see the obamas every morning in the toilet after I drop a mean
deuce!

I guess I was right—a tranny—no female no matter how nasty
would ever say dropped a deuce—you are one sick whatever you
are—

Relax. Joolie just says disgusting things to get a rise out of people.
You know, like a little kid.

MB I hope you are not still suffering from Gout. I am sad we haven't
had an update for many days and I hope you are ok.

Dear Michael! The whole three days without your article... I'm
beginning to develop deficiency syndrom!! Please feed us we are
hungry for more! We still don't know about what happened to
Hillary's accomplice Huma Abedin!

Huma was given leniency in exchange for a plea deal according to
RRN 's article when she testified against Hillary Clinton.

Wow. That is one bitch that should have been hanged and been left
to hang out in the open for a very long time, for the ravens to
consume, piece by slow piece. Don't you hate plea deals?

Hillary did things on that snuff video that Huma copied onto the Weiner family laptop under “Life Insurance” that made 12 NYPD detectives sick, not to mention the poor kids she raped, harvested for adrenochrome, mutilated and killed and cannibalized. That alone made her hang.

And when the NYPD detectives got shafted by FBI director Comey because Comey refused to investigate Hillary in October 2016 during the election race, because he loves her and hates Trump, and wanted Hillary to win and Trump to lose, the detectives threatened to have this Frazzledrip video and the Weiner laptop exposed if they didn't investigate Hillary for these egregious crimes, 9 out of the 12 died.

Hillary dragged her assistant and possible lover, Huma, into her dirty deeds like Poppy Bush dragged Shrubby Bush into doing 9/11 and both wars in Afghanistan and Iraq for oil and rare earth minerals to replenish the Bush family fortune, and lied to us telling us it was Bin Laden that financed the crime — like she lied to the world that it was an anti-Muslim video that led to 4 Americans being killed in Benghazi.

That same terror attack which killed over 7000+ people in New York and Washington led to those two wars, which Hillary herself supported, and she was a Democrat, not a Republican, but deep state nonetheless. Tell me that is not despicable of this Illuminati 7th level witch!!

And there is no way in hell I believe those hardened, dedicated detectives committed suicide no matter how sickened they were or egregiously evil that snuff video was. I am sure it was Arkancide, IYGMD.

WOULD YOU LIKE TO SHARE THE VIDEO,,,?EVERY TIME SOMEONE SAYS THIS THEY GO QUIET WHEN I ASK FOR A LINK,,,ETHEL IS KINKY,,,

Yep, especially when sex offenders like Jeffrey Epstein get off easy with NPAs and plea deals. Those poor girls got shafted in a very bad way. It goes against the CVRA.

Just called the capitol police faggots on their non-emergent line.

Judy byington of situation update announced the Brunson petition would be heard and voted on today and President Trump will be back in office tomorrow. Anyone believing this garbage?

Judy Byington is obviously full of shit, but “Anyone believing this garbage?” would make a good RRN motto as well

Yes, “dismissed”. That means put back on the shelf. They can retrieve it from the shelf at any time.

The authentic Bible was kept in the now non existent Satanic Vatican. The Roman Empire seized the workings of Jesus and his prophets. The Mongolian Empire tainted the Bible with fear based lies. All religions are man made. Yes the Bible is truth but is sprinkled with the evil dark forces which have existed here on Earth for thousands of years.

Only God can make that determination and you are not God's boss, God is the Boss. You are not the Lord, GOD IS THE LORD and you had better repent before you see consequences. your name is a dead giveaway.

ISN'T THAT THE BEER WHICH MAY TURN ME GAY,,,? I SEE WHAT YOU'RE DOING ED BUT I'M NOT INTO YOU

I am sure the last thing Guam is worried about right now is holding court

He could at least make up a story for us about how the hurricane knocked out the power at Camp Balz and the clones escaped from their cells or something

Lmao, by what stretch of imagination is it a threat to just ask if someone died

Israel has not yet learned how to be multi-cultural. This is a transformation that must take place. Muslims, atheists, Christians will be resented because we will have a hand in israel's change to Build Back Better!!!!

Actually all the land that even the Palestinians occupy belongs to Israel proper. Go to the Balfour Declaration and look at the total land mass given to the Jews and it included Jordan. The land before the Jews took over was desolate—nothing there !!!! The Arabs—Palestinians complained and the area now called Jordan was set aside and given to them and declared that no Jew could set up a business in Jordan. This was all declared by the British. The land occupied by the Jews became very fruitful and businesses grew with only one problem—not enough people to fill the open jobs vacant. In Jordan, it was failing big time so the people came to Israel and started working. That is how the whole mess started. The Gaza was actually occupied by Israeli's but was given to the Palestinians to try and keep peace and stop the fighting—obviously that failed. They actually left growing functioning operations but as usual they destroyed it as soon as they took over. Israel has offered to set up desalination operations for the Gaza and Palestinians but they refused and would rather just dump their waste into the sea and has polluted everything—ok will give it a rest but that gives you something to trash as has been the attitude and history of all those you are supporting—

Wait a minute here. Are you saying that the Israelis offered desalinization but the Palestinians refused it? Those two nations are fighting each other for YEARS over land occupation, but they cannot agree to fix up the place? The land was given to the Palestinians and the Jews were forbidden to work there, and Jordan failed like hell while Israel prospered?

yes—in the Gaza which was given to them for a peaceSo the waters are being fouled up and hurting fishing. offering—Israel actually had to forcefully remove about 50,000Jews from the Gaza that lived there and had made it productive. They had hot houses to grow food and a/c and desalination. Actually the world comes to Israel now for setting it up because they are the best at it. They have it in Israel proper—this is a key source for water in places. The

Gaza/Palestinians just dump their waste into the sea and yet won't take help from the Jews in building the plants. Remember you had 2 major wars in 67 and 73—Israel was warned not to give up land even the bible states that yet they did for a fake/forced peace—You can probably guess who was behind this deal—good ole USA—Just like now—who controls Samaria—parts of Jerusalem—Palestinians—all for peace and security and money—

Michael, Where are you? Not much “Real” news since Jack Lew's arrest on May. 5. I do know Typhoon Mawar hit northern Guam (Where Camp Blaz is) on Wednesday evening 5/24. But how are you??

a millstone was tied around Lew the Jew's neck and was last seen with the gefelte fish!

MB probably doesn't even know a typhoon is hitting Guam. It'll be really funny if he writes his next story about Guam secret tribunals or whatever and doesn't even mention the typhoon like everything there is fine

Where is a new story?? Why no new arrests?? No updated executions?? This is taking waaaaay too long.

Look, the man is incapacitated with gout and from what I know from everybody talking about it, it's very painful. Give him time to recover, please.

Dear Michael, Hope your medical situation is getting better. We need your return, miss you very much.

Seems like the WH's and BH's share at least one trait: It seems like they enjoy withholding the truth from the American People about their country being turned into a war zone.

It seems as if they are ok with the country being invaded, food centers destroyed, fires, attacks on white Christians.

And these are the WH's folks.

It's almost as if this 'war' and your whole persecution complex are invisible and imaginary

and you respond to what is invisible and imaginary?

Might I suggest professional therapy? Or a simple fruit cup may be to your liking?

You should try it, maybe the therapist will ask you if the White Hats are in the room with us right now

NAC, acetylcholine, Quercetin will assist the body to cleanse itself from graphene oxide contamination. All are supplements OTC. Remember non-GMO and organic. Something the allopathic industry will not disclose.

And you're not even an American. Do you 'come from the land down under' ...the sand? Fix yourself first, joo-lie ...racist, anti-semitic that you are, POS 🤩

DOWN UNDER IS A TERM I USE WITH ETHEL LOL!!! SHE LIKES WHEN I ASK HER TO LICK DOWN UNDER,,,!

Wouldn't it be interesting if the Guam typhoon "killed" all the recently arrived detainees. Could save a lot of rope time and repetitive reports

or it could be a way of rescuing them and then saying they GOT killed, you never know with these bloodsuckers !

DeSantis will keep up the growling and scowling until we The American People elect him president. Not happening. He is too full of himself. A big headed authoritarian, who needs to practice how to smile once in a while.

Hey Julie—I bet you are a guy or at least a tranny—I don't think I have ever heard the stuff come out of a females mouth like what you are projecting. If you are really a girl I bet you really have a hard time finding some guy to co-exist with you even if they might have same intellectual values and knowledge.

“Hey Julie—I bet you are a guy or at least a tranny—I don't think I have ever heard the stuff come out of a females mouth”

Hey, didn't see your post when I did mine—seems same thought coming to both of us—must be something there !!!

Tel Aviv would never have you in its borders because you hate Jewish people so much, so stop lying.

And she's lying, acting as though she has been to Tel Aviv. No Jew hater would be let in that place. She forgets that the three Abrahamic faiths originate from there and the one she hates the most, Judaism, started there —although the Mosaic law was written in Saudi Arabia — see Galatians 4:25 — before the Nation of Israel set foot in Israel. Even the rock where the water came out at Meribah, where Moses and Aaron failed to sanctify God and therefore disallowed from entering the Promised Land, sadly, are in Saudi Arabia; but no one is allowed into the place because it is under domination from the House of Saud.

God was so angry at Moses and Aaron for not only disobeying God but refused to Hallow Him at Meriba, He told Moses to strip his brother Araon from the priesthood and give it to his nephew, Eleazar — good for Eleazar, but bad for Moses and Aaron — because they did not get to set foot into Israel that God Himself swore to give to them and all of the Jewish people after they left Egypt. They had to die outside the country.

Sin has consequences and this is what these Luciferian/Khazarian deep state traitors can never understand. But Jewish and Christian believers do.

Moses had anger management problems, granted, and God used such an imperfect person like He uses all imperfect male and female persons of every stripe and creed and age to do His will; but God

was not compromising with Moses, a teacher of the law as is written in Exodus 24:12, and Aaron, a priest no less, on how He should be hallowed.

This person stole Delavic's name, he is a fraud. The real Delavic is a good guy and the real Delavic does not post garbage like this. He has told us several times that was not him and I believe he is telling the truth.

Public Service Announcement:

Take advantage to acquire a portable home generator. Keep eyes open for Harbor Freight Memorial Day sale.

No doubt uncertainty is looming, writing is on the wall, only a fool will think otherwise.

Don't forget to purchase a battery for electric start units, also corresponding power cords [L- 14 20 or 30] and fuel jugs too, also suggest wheel kit if applicable.

Attention layman do-it-yourselfers: Don't back-feed electric panels in your home [circuit breaker box], hire a licensed electrician. Fact, many often suffer regret when later their homeowners insurance doesn't cover fire damage.

You could buy a generator on sale at Harbor Freight.

Or you could get one that's not a piece of crap.

A cheap genset utilizing frugal electrical consumption will get ya out of a pinch, could say, a month or two [continuous run] maybe more with proper maintenance i.e., synthetic lubricants and fuel additives.

Referenced Harbor Freight as known brand having many walk-in locations. Recently purchased five 9kw Predator Gensets [30 amps each 120V pole] with friends, did retrofit for natural gas, plug & play swapping out BBQ grill.

Many during Hurricane Sandy were happy with their inexpensive generator could say, tickled-pink who took prior action via weather forecast, especially in coastal areas.

\$650.00+ tax for a 6500kw genset [25 amps each pole] is chump-change in grand scheme to “temporarily” maintain somewhat of a quality of life, especially those with medical devices & ADA equipment e.g., stair climbers & wheelchair lifts.

Something is better than nothing, hence those that suffered during Texas freeze that illfatedly handicapped averages.

Preparation is key, and the most important step of any journey is the First Step.

Myself fortunate of having industrial genset, others are not, whereas inexpensive generator will get them out of a pinch.

Harbor Freight has inexpensive genset that provides bang-for-the buck. [9kw for \$1k out the door with a few extras.]

Could say, cheap portable gensets cost are one-hundred dollars per KW.

Seen at Auto Zone 4kw at \$400.00+tax.

Harbor Freight 6.5kw at \$650.00 and 9kw at \$900.00, depending on sale.

Many don't comprehend that “Time is of the Essence”, hence Texas freeze victims and Hurricane Sandy participants that rolled their dice – crapping-out via own attord.

Every-so often herein RRN blog myself go on generator rant, whereas now I'm as serious as a heart attack.

In closing this script with adage: “snooze you lose”, and: “those that hesitates is lost”.

Best Wishes to all, and God Bless America.

If myself still had my colostomy bag could capture free combustible gas in engineering terms: Gasifier.

All it takes is a few White Castle hamburgers, could hard pipe directly to my colon protruding from my gut. Could also stick a hose up my butt and publish a You Tube video for the do-it yourself'ers.

Suspect fluctuation [fart] video more than likely will trend, going viral, would have to monetize, perfect get rich quick scheme.

Same shit, using voice talk to write script, difficulty enunciating, didn't use polident adhesive for my upper teeth today.

Yea – LoL, false teeth, hearing aids, multiple surgeries, arthritis – what's next? Though no ADA parking placard as of yet, in parking wherever I want anyway..

Good thing I don't drink Bud Lite that triggers an instant presto-chango, as seen on YouTube.

We had a catastrophe failure in one of Our Nuclear Plants.

Message in a letter Mid 1990's

Mr Boensch.

The reason we are reaching out to you today this _____ Nuclear Energy generating facility

had a catastrophe failure in one of our nuclear reactor's and we had to do an emergency shut down

of this reactor. And it will remain off line until we understand what happened. And replace the parts

We are having meeting next week — — 199_ and are requesting your participating in this.

We are reaching out to you as being a member of this industry along with other scientists and engineer's from around the world. _____

OK.

Now I gather up my Badge and get ready for a road trip and have to travel through four states?

To arrive to this meeting.

In this meeting I find a seat open next to the chief engineer of a competitive company that manufactures the same part. We sit next to each other the whole meeting and never say a word.

When the meeting was over and most of the people left. I turned to him and asked What do you think

of all of this. He replied It looks like their on the right path. I

responded they don't have a clue why the

part failed and said on that first picture they showed I clearly

understood Why it failed and it only took

two words to describe what was the caused the failure.

These two words are the number one thing that is looked for around the world when parts like this fail.

He Gave Me His Business Card and _____

Hope all is well Michael, patience is the word of the day. Now that everyone is in Guam news is not coming as quickly as Gitmo.

Someone had compiled a list of all that were executed in Gitmo and the dates. If someone could post that again. Hillary is back in the forefront. Happy to post her date of execution.

Man it's so weird how all these executed people are just alive and well, huh Pat

WOW,,,THESE PEOPLE ARE REALLY SMART TO HAVE STARTED GROWING CLONES 50-90 YEARS AGO JUST IN CASE THE CLONES WOULD BE USED,,,

They are clones, actors or with masks. I have personally seen a fake Dr. Fauci with a mask, you could see the outline of the latex mask and the coloring of his neck area is different from the mask fake skin tone.

If you saw it in person why didn't you yank his mask off? You could have exposed the whole Deep State right then and there, what a missed opportunity
