Floridský guvernér Ron DeSantis, který by měl tento týden vstoupit do prezidentského klání v roce 2024, se pokoušel uplatit vysoce postavené vojenské důstojníky sliby povýšení výměnou za prezidentské souhlasy, zdroje z kanceláře generála Smithe a na Trumpově Mar-a-Lago to řeklo Real Raw News.

Ve středu 17. května generálové David H. Berger a Eric M. Smith obdrželi dopisy, které DeSantis napsal a které je povzbudilo, aby opustili svou podporu Donalda Trumpa a MAGA a místo toho podpořili DeSantise v nadcházejících republikánských primárkách a také v všeobecné volby, řekl zdroj z kanceláře generála Smithe Real Raw News.

Jednostránkové dopisy, které nesly DeSantisův vlastnoruční podpis, popisovaly Trumpa jako „po svých nejlepších letech“ a říkaly, že Republikánská strana bude odsouzena na půl století, pokud ho delegáti nominují, aby čelil Bidenovi v roce 2024. DeSantisův potěr proti Trumpovi použil slova jako „příliš starý“, „šílený“ a „hovězí postoj“ a naznačovaly, že Amerika už je unavená z Trumpovy koalice MAGA a nekonečných rozhovorů o ukradených volbách. Biden, napsal DeSantis, porazil Trumpa „spravedlivým a spravedlivým“ ve spravedlivých volbách, ale Trumpovo „pošramoceně ego“ ho přimělo k udržení ukradené volební šarády. DeSantis označil Trumpa za zhoubu strany. Řekl, že Trump poskrvnil americkou důvěru a znesvětil vzpomínky na velké republikánské prezidenty, jako byli Abraham Lincoln, Dwight Eisenhower a George HW Bush.

Zatímco pranýřoval Trumpa, DeSantis vychvaloval své drtivé vítězství nad Charliem Christem jako důkaz, že by mohl porazit Bidena a vést Ameriku do období obnovy a prosperity, bez probuzení, politického nátlaku a manipulace Deep State. „Odsuzujte Donalda J. Trumpa a podpořte kandidaturu DeSantise a společně můžeme sjednotit zemi a obnovit víru v Republikánskou stranu,“ stojí v části dopisu. Skončila výzvou: „Vyzývám vás, abyste stáli po mé straně, až udělám prohlášení,“ a přísliby budoucích pozic ve vládě.

"Způsob, jakým mluvil o prezidentu Trumpovi, zněl spíše jako Liz Cheney než Ron DeSantis," řekl náš zdroj z generálovy kanceláře. "Chcete hádat, co udělali generál Smith a generál Berger?" Předali kopii dopisu přímo prezidentu Trumpovi."

Prezidenta Trumpa DeSantisova zrada nepřekvapila, protože DeSantis rozeslal podobné dopisy desítkám velitelů, plukovníků, generálů a admirálů, z nichž mnozí zůstali neochvějně loajální skutečnému vrchnímu veliteli. Řekli Trumpovi, že DeSantisova lichotivá komunikace chválila jejich dodržování ústavy a zároveň zpochybňovala jejich oddanost 45. prezidentovi Spojených států. DeSantis napsal, že jako prezident nařídí svému ministerstvu obrany, aby podporovalo vlivné důstojníky, kteří ho podporují. Kapitáni by se stali majory; majory by se staly lt. plukovníci; a lt. plukovníci by dostali na ramena celého ptáka. Generálům nabídl přidanou hvězdu a tak dále.

"DeSantis je špatně odhadl," řekl zdroj z Mar-a-Lago. „Měl za cíl je svést, hrát na jejich ješitnost, slibovat chutné cetky, ale tito důstojníci jeho lest prohlédli a dali Trumpovi vědět o jeho klamavém chování. Je to nechutné, nechutné – pokoušet se pokoušet důstojníky, jako by obtěžovač pokoušel dítě na sladkosti. Vážně podcenil jejich loajalitu."

Prezident Trump, dodal, předpověděl, že DeSantis použije promyšlenou taktiku k získání vojenské podpory.

"DeSantis se dostal na frač. Ví, že potřebuje vojenskou podporu. A Trump tento krok plně počítal. Ale DeSantis páchne zoufalstvím," řekl.

Zdroj v kanceláři generála Smithe tento sentiment zopakoval. "Bez vojenské podpory je toast." Američané nechtějí slyšet o bohatých elitách podporujících kandidáty. Nevěří elitářům z dobrého důvodu. Vojenská potvrzení mají váhu. Prezident Trump získal podporu více než 100 generálů a admirálů. Je pochybné, že DeSantis nějakou dostane. Bílé klobouky nebudou podporovat Skull & Bones a černé klobouky nebudou přijímat republikána."

Společnost Real Raw News požadovala vyjádření k dopisům od DeSantisovy mluvčí Christiny Pushawové, ale ta naše volání odmítla.

I think 2 of the higher white hat echilons that received promised cabinet positions from Desanctimonious should stand by his side as he makes his 2024 candidacy announcement for President ... then promptly arrest him for treason.

Controlled demolition

More of My history

Questions to ask

Was I in any way involved in the Oklahoma City bombing.

Yes I Was but only after I saw the actual footage on the TV.

I watched this and ran all of the kinetic energy pathways that were in place.

I could easily see the first of these pathways were traveling outward from the building.

And the proof of my annalist is that most of the energy's pathways from the truck were directed

to the building which was confirmed by the inspection of the damage the truck sustained.

And the lack of damage apposite of the Murra building

And this was the proof that there was a negative pressure in the Building because it was detonated first.

And it was a false flag event.

This took about 7 seconds to calculate.

How about World Trade Center 9-11

Yes

Again only after seeing the actuation footage on the TV

And now we are going in to A extremely large set of kinetic energy reaction

with not only Masses in motion, pressure waves, thermal conversions, Etc.

One thing I haven't seen any one doing is the Chemical Phase transfers And the Kinetic energy conversion's of these base Structures. Meaning the chemical make up of it's base material.

And here is the biggest one I haven't seen investigated is the engineering plans

These building's were design to fall into themselves if compromised in any way.

And share the same network of utilities. Was this a totally planned on day one by design.

The Kinetic energy pathways of building One and Two we channeled to building 7

By the utilities Network and I Question was this the reason it collapsed.

Gas phase conversions From the beginning events, objects exploding in the top of the towers.

Released a chain reaction of Kinetic energy and the potential Kinetic power from all of the Elements

It came in contact with and most of it was dissipated in the Air.

And Also some of this radiated away from the buildings by all of the utilities connected to it.

And this analysts took longer than 7 seconds?

your site is getting lame, if you are real we would be seeing more shit coming out. if you were a wh reporter they would cover your bills! decent info up intell now but im seeing shit unfold you dont report on, then your reports are kinda weak and lame

Hey Fredo contemplating leaving ya a RRN coffee mug with your doorman or porter while washing sidewalk once they become available, suspect coffee mugs will be a collector's item.

Americans did not vote for this Trojan Horse who is destroying our country. I hope old joe drops hundreds of illegals in front of your house, you deserved everyone of them. In the mean time GFY! and FJB!

Memory Lane

DeSantis Tries to Turn Military Against TrumpBy **Michael Baxter** – October 26, 2022

Oldest first

DeSantis said he had to pick which battles to fight and which to put on the back-burner.

His Buns need a little Toasting

General Berger

Turn up the Heat

THIS IS MY FAVORITE SICNE WE ARE GOING DOWN MEMORY LANE

realrawnews.com/2021/04/trump-inauguration-july-4-2021/

This is really random, but if younger Bush and Al Gore were both Deep Staters, why did Gore make such a fuss over losing? If the elections were being controlled back then like they are now, the DS must've wanted Bush. Since both guys are two sides of the same coin, I guess it was fake for show — typical manipulation of all of us, since Gore surely could've already known he was not going to be the one "placed in office" by the DS.

Good question, I hear that the old treasonous dog George B. promise this POS Al. G. traitor in ex-change for climate B.S. to walked away from his stolen election and this corrupted fake elitist complied. He was promise by scumbag G.B. Senor Climate change Bull shit which A.G has made hundreds of millions pushing this lie. And by the way this scumbag Al uses planes to peddle his lies, he is number one carbon fuel user. His private swimming pool uses more electricity in one month than we used in a year. The hypocrisy is outstanding and he is not the only one, these hypocrites all are the biggest carbon fuel imprints.

So he was the winner after all

less work more pay

MISS LINDA,,,YOU SEEM TO LIKE ME,,,I WILL HAVE TO REPORT THIS AS FLIRTING TO ETHEL,,,I DO NOT HAVE ANY HOLES IN MY WALL

I hope the arthritis, Mr. Baxter, is not flaring up still, I didn't know what gout was til I looked it up after your post, I have been having extra pain in the finger joints for a few days too, I wondered if it has something to do with the solar flares. I enjoyed your words the other night on your first podcast, it was very revealing. I hope that you get more genuine audience callers and less cia and fbi cockroaches calling in next time you do another live call-in. But I really liked hearing things from your understanding, wow.

AGREED,,,THOSE DS AGENTS WERE CALLING IN AND NOT ANSWERING MICHAEL,,,ETHEL WAS ANGRY!

I guess this cinches it that DeSantis is a deep state clown and implanted agent of the NWO. No legitimate republican candidate would pull such shannigans and trash our duly elected Commander in Chief, Donald John Trump unless he was working for our enemies.

When he lies and says that Biden was elected fair and square he goes against all the evidence that is being revealed about the Dominion fraudulent voting machines and all the other illegal scams that were pushed against We the People. He is a wolf in sheep's clothing.

Just read the Fulford preview report for this week on Rumor Mill News. The end of the report will be out on Thursday or Friday.Good report, so far, as usual. It is the May 22, 2023 report. We can read all these other reports while Michael takes care of his gout....

I a previous report, Fulford stated he tried to make contact with Baxter, but Baxter wouldn't give him the time of day.

wander why Mr.Michael Baxter is not bother after soooooo many attempt by Benjamin Fulford pick up phone ????? Why is it Mike ?????????

Yes, I know. Michael has his reasons I guess. Plus he hasn't been feeling well. Michael probably doesn't want to get pulled into military discussions as he is only allowed to say so much.

Sorcha Faal has a pretty good report this week. May 22, 2023 about the Ukraine and the world situation. Rumor Mill News.

Some good stuff in it though...I can only scan read these reports as not all of it interests me...

It is probably one of the best sites out there to get the real facts and up to date info available—you get a feel of Russian intelligence and find out from them what is really going on in the good ole USA—

He may seem like a humble, hard working governor and maybe he is. But Ron also comes off as having a huge..."my way or the highway" attitude. He is dictatorial and perpetually scowling, with very little smiling most of the time. He is not "presidential" imo.

It's a matter of whether or not the deep state got to someone and how hard it is to turn it around. Demon possessed people don't have a lick of energy, they are negative and exist on the talent and knowledge of the demon plus the memory in the body they took over.

why would you smile at the jackasses that are trying to take you down and lie about you all the time—how many Govs have sent their military to help on the borders—most just talk and it seems he is leading the way—How many make grandiose statements and that is all you get—I understand the MAGA supporters here and nothing against but just saw a video of 60 minutes by Leslie Stahl 2016 and Trump said he liked the Clintons and wasn't going to try and jail her—go figure—so tell me again about statements made by politicians and who you can trust—get your covid jab—Left Wray and Barr in office—how is/did that work out—

Michael: Would you be kind enough to attach a copy of the letters sent to all those military officers? That would be much appreciated. Thank you for your reporting.

That would be evidence in future court-martials. How would MB have access to the letters? Yes, former Navy Lieutenant DeSantis can be court-martialed by the military at any time. DeSantis was never a Navy Seal, although he did serve with Seal Team One as a legal advisor for a short time in 2007. He also served as a JAG prosecutor at Gitmo in 2006.

Seems like DeSantis is trying to step into shoes that are far too big for him. He apparently been bought with promises of power and prestige that he can't handle and does not have the integrity to handle either. He seems to have done a good job in Florida but maybe it is just the media lying to promote him to take down President Trump. I would not vote for DeSantis over a third party candidate much less over President Trump.

SORRY FOR YOUR GOUT. DRINK TART CHERRY JUICE AND ALKALINE WATER WILL DEFINITELY HELP WITH THE GOUT.

I agree, I knew this pathetic loser fake Jim was working for some corrupted anti America agency. Its a shame what some people will do for money, this POS Jim will sell out his own mother for a dime.

Why do you support anti Americans who sold out our country? are you this much of a scumbag yourself?

Desanctimonious is no Republican, he isn't even a Rino. This guy is an out and out Communistic Demoncrat. It is time he is picked up for Treason. You tell by his speech in the letters that he is jealous of Trumps following, and all he is doing for himself is turning more and more people against him. Good thing the more the People learn about him the less they are likely to vote for him.

This man was amazing, strong and fearless. I miss him. He was a true humanitarian. He knew after the CNN interview and ended up in the ICU it was the DS. It probably wasn't just shedding. These escapees from the deep asylum WILL hang by the neck until dead. They cannot tolerate the higher frequencies...some will just drop regardless

Saw the report. Dude definitely was poisoned since he never took the shot and told people not to be manipulated or pushed into doing it either. and that poor sap on CNN died eight weeks after being forced jabbed to stay employed never thinking he would die. Terrible.

Last edited 5 hours ago by Xena

What we should really SEE is that Dr Rashid Buttar was murdered by the DS. Poisoned 200x's the jab dose by the DS....because he spoke the truth.

Shella Zee, can we write "abridging" (the freedom of speech)? 1st Amendment and Sticks and Stones...re-"member" (your wannabe dick).

You violated standard Jewish deflection protocol... you are supposed to scream ATNITSEMITISM...similar to the racism deflection for blacks, but reserved for Jews...Mossad creation!

Israel has not yet learned how to be multi-cultural. And we will have a hand in its transformation and the Great Reset of Israel!!!!!!

Israel has not yet learned how to be multi-cultural. This is a change that must take place. And christians and muslims and atheists will be blamed, but the transformation of Israel will take place whether the joos like it or not. After all, it would edify them and instruct them how to think in the New Jewless Order!

The 1657 Flint Remonstrance was one of the building blocks of this nation

There is a video about today's post on archive-org

A little bit about my history of controlled demolition and safety.

When I was about 14 years old I would [sneak over to the neighbors lime stone Quarry]?

Well not really I would just ride my trail bike to his business and at first watch him run this operation.

He was doing it all by him self no employees.

And I would help him repair equipment and watch him crush rock.

And one day I asked to operate the rock crushers he was really hesitant but needed help.

And after doing this for many a days then came the time to shoot rock.

Using explosives to break the limestone from it's formation,

We would use explosives that would start lifting 10,000 tons of rock in about 65 milliseconds after energized.

I was not an employee and never asked or received and money for helping.

And would only go when I was caught up on my farming.

And then I was doing this all the time on my own when needed.

The reason I bring this up today safety is extremely important so many parameters are involved.

And never enter the area or let anyone else enter a demolishing or mining etc. when doing such work.

Today are we all of us here in a demolition operation?

With 100 of millions of people at risk.

In order to carry out an operation like this we must always remember to accurately calculate How large of a charge is needed to Get this Job Done.

And It has taken thousands times a thousand of calculations to get this to

a very low number of possible injuries or ____.

Yesterday I decided that it was time to reveal the Operation I had in play

When shooting the rock it would go airborne and after it reached its maximum height

it would still take 45 seconds for all of it to fall to earth.

We are getting very close to that point and this is the time to still be very cautious .

And need to have a plan for the clean up.

This Remonstrance is not Trumps Plan? Or the Military's?

But it is something That We the people can use to command or.

Guild the Military and President Trump.

The people in power Do the ever listen to Us the little people.

Or as the saying goes just follow the money.

Yesterday and early this morning I posted data about the flint remonstrance

and after posting this our Michigan Nation guard plane out of Lansing.

Flew to Duluth Minnesota landed then to Madison Wisconsin landed
Back in Lansing. Did I reveal something that they need to share.
Question Do We the People have the Power to move our Military.

We the People We Have the Power The only ones in Power
And It is Our Job to Guide
The people We Employ.
In Our States and territories
In Federal Government.

President Trump.
looks at the Business end – of this insurrection.
The United States Military.
Looks at the War end – of this insurrection.

And I Robert Gregory Boensch.

Looks at This As A Controlled Demolition Operation.

To Serve the Needs of

Our Business
This War
And Protecting Us **The People**

The “We the People” need the order or some kind of guidance..
otherwise.. they will just keep bouncing around like a pinball in a
pinball machine.

Today It is very Important more than ever to network
.and put aside the possibility of a monetary Gain.
I have Done this thousands of times.

And your are witnessing this today

From Me.

My rewards doing this action is like this.

the Truck that Ford motor company was redesigned by

My design giving to an A Ford engineer

Could possible one day save My family if ever getting into

an accident because the old design is not built any more

If my creator positions Me to such challenges.

Am I obgulated to Do them

I think so

Because he created me and Leeds My Path

Lessons

If there is a way to contribute with What We Know

Or have time to work on a problem even out side of our Knowledge

And We fail to _____?????

At least Network With your family

Your neighbor.

Any one known

or start a new group.

Take hold of the information in front of you

And understand You are Not alone

The Goal is to have A very peaceful

Transition to a Constitutional Republic.

And Have this country left in one piece when done

The only way We can do this is With this Ideology in mind.

Start with the minimum Goals restore peace .

and then bring our country back to Its fullest Glory.

1657 Flint Remonstrance as the base

That I authored with additions.

As minimum starting point .

And Upward With God and God speed.

Ps

Controlled Demolition Operation.

Is just a image of the kinetic mechanics.

And has nothing to do with Explosives

`So any one even Go There!

I've talked with several good people now about what's been going on... now.. a couple of them are on board. The others won't be convinced until they hear it on the tv or radio news.

De' Loser just put his head on the chopping block. I believe that bribery to gain political advantage is STILL ILLEGAL! For him to give Bush a thumbs up is really disgusting. Bush, Cheney & Rumsfeld

took the lives of 1,000's of ppl to make \$\$\$\$ And De'Loser has left no doubt he is DS. Thank you Michael for your dedication to expose the traitors for what and who they are.

Ps: get a can of whole dark cherries and eat them one after another. They taste awful but the gout will be gone pronto. Keep a can or two in your kitchen and as soon as you feel something going on with your feet open a can and eat asap.

God Bless you and all of your family & friends, including your followers!

Frozen cherries would be better, if fresh isn't found. Baxter is likely doing something, eating something that caused the attack. The attack comes all at once but the bad substance causing it like the sugar in beer or something, some combination of something led up to it slowly.

Shrimp will cause it. I know from bitter experience

Remember all pain is due to inflammation

Take 3 triple strength Turmeric Vitamin Shoppe has them. Turmeric is most definitely where it's at.

Hope this helps.

Turmeric is not well absorbed by the body. Less than 2%. Add FRESH GROUND black pepper and voila! Close to 100% will be absorbed. And then it can be of great benefit. It's the piperlyl compounds in the black pepper that act as an ionophore (transport) mechanism for the turmeric.

DeSantisstein is a total joo apologist. He fn signed anti-semite rules into law. It's almost as if he doesn't give a F about the 1st amedment.

I’m not content with doppelgangers and clones or even masked people playing everyone that has been executed. It’s not being said how the expectation of a lie is supposed to play out on people. What is all this lying about? Adopted people are well known to have been lied to on birth identities. WTH? The expected outcome for any of these body double and clone lies has to have been thought through. Do they expect that nearly all the population can’t handle the truth and need to be lied to?

They are slow rolling the truth #1 to buy time while stock markets crash and banks collapse. Cannot move orward with gold backed currency until those two happen first

#2 they don’t believe that people can handle the truth given out too fast. Drip exposure is best, in their opinion.

To hell with being told we can’t handle the truth. We’ve hand to handle wars, we’ve had to handle assassinations, we’ve had to handle a clotshot genocide, we’ve had to handle 9/11, we’ve had to handle school shootings, we’ve had to deal with a stolen election, we’ve had to deal with a media who puts out fake news and calls the President a liar because he fights back against the usurper and invokes the Insurrection act of 1807 to save this nation, we’ve had to handle a Supreme Court that gives us a big EFF YOU because we are bringing the election fraud to court, we’ve had to handle our

Commander in Chief being arrested for a crime he didn't commit and was forced to pay \$5,000,000.00 just for saying he didn't do it and the jury proved he didn't do it, we've had to handle people illegally locked up for exercising their Constitutional rights to protest on J6, we've had to handle a paedophile-loving judge being nominated to the SCOTUS who wants to dismantle the sex offender registry system claiming it is too harsh on child pornographer and child rapists and she doesn't even know what a woman is, we've had to handle gays and lesbians merging together and going after child sex predators who groom our kids because they themselves were groomed by the same child sex predators, we've had to handle a lying, cheating, racist, abortion-loving, gay marriage-defending, child sex change surgery-supporting, China-kissing, Taliban hugging, incestmongering, bribe-taking traitor give away over \$110,000,000,000.00+ of our own money to the Ukraine, tons of our own baby formula to the southern border and now give away our prescription drugs to the Ukraine, give away 35,000,000 barrels of our oil reserves to France and Germany, we've had to handle a hell of a lot of stuff our grandparents never had to handle because the things we handle today did not exist in those days for them, and we can't handle the truth about the satanic paedophilia and Illuminati crimes committed by these despicable, inhuman miscreants who want us dead by genocide in our food, drink and drugs?

I DO NOT CARE. WE DO NOT CARE. Show everything even if it hurts.

Show it all anyway, I don't care if people start yelling and screaming as if they were in last stage labor and no painkillers and the baby is stuck sideways. I don't care if they vomit, I don't care if they have diarrhea, I don't care if they get nightmares, I don't care if they get ulcers, I don't care if they get extreme stomach pain, I don't care if they have sleepless nights, I don't care if they get migraines. If they get projectile vomit every day nonstop for 3 weeks, I do not care. We do not care. Show everything even if it hurts.

Think of all the pain and illnesses and stress and PTSD these brave

men and women rescuing these women and girls from sex trafficking rings have to deal with in these pits of hell. I do not care. We do not care. Show everything even if it hurts.

Think of the indescribable conditions these poor trafficked, raped, brutalized, mutilated human beings were found chained in the D.U.M.B.s where they were making hybrid human-animal species — the same kind of underground tunnels our White Hats found in February 2021 according to RRN, in the Ukraine that showed proof of human beings trafficked and chained up inside properties owned by Joe and his degenerate son, Hunter where gold bars and laptops were found, the chains holding necrotized flesh. I do not care. We do not care. Show everything even if it hurts.

These welfare-loving gender students and BLM/Antifa/Jane's revenge-supporting people who voted for Biden and hate the "mean orange tweeter" and support the lying, cheating treasonous cabal defend these evil snakes and blackmail, attack and savage the one man — Donald John Trump — who can take them down with our help and Vladimir Vladimirovich Putin's help. And when these swamp creatures cannot go after him, they go after his family just like they went after Putin's family. I do not care. We do not care. Show everything even if it hurts.

THINK ABOUT WHAT OUR SONS AND DAUGHTERS FEEL WHEN THEY ARE BEING RAPED, MOLESTED, TORTURED, TERRIFIED, TRAFFICKED, DISMEMBERED, EATEN, STRAPPED DOWN, CUT OPEN AND THEIR ORGANS ARE HARVESTED AND THEIR ADRENAL GLANDS ARE BEING CUT OPEN FOR ADRENOCHROME PRODUCTION FOR THESE VICIOUS GHOULS WHO HATE KIDS. I do not care. We do not care. Show everything even if it hurts.

We have a usurper who lives in his basement who takes regular infusions of adrenochrome and had to go to the Ukraine to get more from Zelensky, quite presumably. Putin is mad as hell that this church attacking, press attacking, free speech attacking, Russian-hating filthy pig has to protect child sex traffickers underground and

biolabs making plagues to kill us and the deep state has to use this US flag-stealing drag queen slut as an agent to prop up the New World order after even Blackrock admitted as fallen. Their testing ground for RFID-connected life functions and crypto-currency is part of DIIA, which is part of the Luciferian plan for world domination, and they say we cannot handle the truth? BOLLOCKS!!

Show the executions, show the tribunals, show the rap sheets by JAG, show the testimony transcripts, show the bodycam arrests, show the corpses being lined up on ice. There is no excuse for not showing us the proof because they say we can't handle the truth. SHOW IT ANYWAY.

Xena, you said it all in one gut wrenching nuclear truth bomb! The reality of what We the People are up against is horrendous! But we are completely FED UP with the evil plans and agenda of the wicked and we will stand until all these demons are removed from every seat of power. Our God JAHOVAH Nissi (our Victory) CAN change this and is waiting for us to use our authority in His mighty name. The kingdom of God suffers violence, but the violent take it by force!

Right on Xena! Very well said and written. We certainly can handle the truth and Michael and the Patriots in our super excellent US Military, the finest on planet Earth, share that truth with us all here, everyday.

Agree totally! If I can handle it, so can others. Who says those of us who are aware are the strongest people? Yet we have survived the horror of knowing, and some of us have lived with the agony of these horrific truths for years! It's a nightmare to be awake and to be ridiculed for speaking the truth to the clueless, and be shunned by family and friends who think WE'RE the idiots — when they are the ones who can't add 2+2. These revolting things all fit together like puzzle pieces, if only the hard-headed can't be bothered types would open their eyes & look around just a little bit. So many lazy fools base everything they know on the fake Cliff Notes versions of everything from the MSM. These numpties need to see it all.

HAVE YOU EVER HAD TO ENDURE LEAVING METADATA IN A PICTURE THEN GETTING CALLED OUT ON IT AND BEING MAD,,,?

They were advertising for an Actor in VARIETY to be a Gavin Newsom look alike weeks before the Gitmo story broke on RRN.

Remember he was really sick for a while. In fact, he was bed ridden when they arrested him and his many demons. So, a Gavin Newsom doppelganger was already being used.

And he also said hillary, comey, susan rice, loretta lynch, dr birx, pedo bill and chelsea clinton, gw bush and many more were executed but they are all coming out in the news.

Biden, Marcos reaffirm U.S.-Philippines defense amid China concerns

I don't know about this. biden is a chinese puppet and can never be trusted, never. And he is very very corrupt.

Remember, in 2012 then vp biden flew on AF2 to beijing with his now infamous son hunter who made hundreds of millions of dollars in exchange for turning his head the other way and letting china continue illegal construction of artificial islands in the West Philippines Sea inside the Philippines 200 miles Exclusive Economic Zone, Philippines territory or inside Philippines sovereignty. So why should it be any different now? The illegitimate criminal biden regime should not be trusted.

Don't forget, the real Biden is gone. Executed for all of these crimes a long time ago. The actor playing him is controlled opposition, meaning under whitehat control. You are watching a movie play out.

if the White Hats control Biden then why are we still fighting in Ukraine—why are the J-6 prisoners still in jail—just asking—

to destroyed...bio-labs,andchrome facility,DS personal hideout... and on loooooong term....tame NATO to 1997 borders. and other things ..you are not new here ...you should know...ask Julie..

Russia is the one doing that and Europe is being destroyed and if we keep pushing Russian buttons then we might get something we wont like—let's hear it for the white hats

Makes sense. You're absolutely right. It's so confusing what to believe anymore.

We just have to wait when (not if) Pres. Trump returns to power and all these will be announced.

Oh wow Micheal,real good one! This guy is a phony!As most career politicians are..to his credit he did some very good things for Florida.Yet it was exposed that behind his back the other hand was working.I don't need to go on and on.
