Sbor generálního advokáta soudce námořnictva Spojených států usvědčil a odsoudil k smrti Gretchen Whitmerovou poté, co viceadmirál Darse E. Crandall, který přiletěl z Guamu na GITMO, předložil většinu důkazů dokazujících, že se čarodějnice během výšky dopustila zrady proti Americe a jejímu lidu. plandemie Covid-19.

Jak bylo oznámeno, Whitmerová byla zadržena americkými námořníky minulý měsíc, když jela domů z prázdninové rezidence poblíž jezera Michigan, kde strávila Memorial Day Weekend. Poté byla převezena do zadržovacího zařízení a poté letecky převezena do zadržovacího střediska Camp Delta společnosti GITMO. Tam si udělala jméno jako hašteřivá vězeňkyně, ponižující personál a naříkající uvěznění a tvrdila, že ji „moji lidé“ osvobodí.

Poslanec GITMO považoval za vtipné, že Deep State touží zotročit a uvěznit nevinné patrioty, ale sám nemůže vydržet jediný okamžik uvěznění, aniž by ztratil rozum.

Ve středu 14. června eskortovali poslanci Whitmera do jižní soudní síně GITMO. Když vstoupil, spoutaný Whitmer se na admirál Crandall zamračil a řekl: "Tak to jsi ty."

"To je. A oceňujeme, že jste nás poctili svou přítomností," odpověděl admirál sarkasticky, když Whitmer seděl u obranného stolu. Podívala se nalevo a napravo a pak vyhrkla: "Kde je můj právník?"

Řekla, že si zajistila právního zástupce od Schertler Onorato Mead & Sears, prestižní firmy DC, a bylo jí řečeno, že ji bude zastupovat právník u vojenského soudu. Její přidělené telefonní hovory, stěžovala si, byly použity k uzavření obchodu s firmou.

"Možná, a to tady jen spekuluji, tě opustili, protože nedostali zálohu." Vidíte, zmrazili jsme váš domácí majetek," řekl admirál Crandall.

Whitmer zbledl. Třásla se hněvem. Už se chystala otevřít chřtán, když ji admirál varoval, aby se vyhnula divokým výbuchům, aby se jí nedal roubík.

Admirál Crandall představil svědka, 25letého muže, který byl internován pro Whitmera, když navštěvoval Michigan State University během Plandemie.

Real Raw News byl požádán, aby utajil své jméno, takže ho budeme nazývat „Robert“.

Admirál Crandall položil několik základních otázek a Robert řekl, že se přihlásil na stáž, protože byl hlavním politologem a po ukončení studia se chtěl věnovat politické kariéře.

"Jaké to bylo pracovat pro obžalovaného?" zeptal se admirál Crandall.

"Umm. Bylo to skvělé, když tu nebyla. A ne tak skvělé, když byla poblíž," odpověděl Robert.

"Prosím, upřesněte," řekl admirál.

"No, ehm, pokud mluvím volně, byla to blahosklonná mrcha." Zdálo se, že má potěšení z urážení lidí bez důvodu. Nejen já. Mnoho jejích podřízených."

"Přesto jsi s ní zůstal," poznamenal admirál.

"Ano, protože jsem si myslel, že to pomůže mým plánům," řekl Robert.

"Pracoval jsi jako v její společnosti 7. března 2020?"

Datum bylo významné. Bylo to v den, kdy Whitmer tvrdil, že Covid zabíjí tisíce a zavádí příkazy k úkrytu, čímž omezuje pohyb lidí pouze na nezbytné cestování – nákupy potravin a drogerie a návštěvy lékaře. Zmocnila orgány činné v trestním řízení pokutovat nebo zatknout porušovatele. Zneužila své gubernátorské pravomoci, aby zakázala maloobchodníkům prodávat položky, které považovala za „nepodstatné“. Například obyvatelé nakupující ve Walmartu měli zakázáno kupovat semena a sportovní vybavení. Ženy si mohly koupit hygienické výrobky, ale ne kosmetiku. Muži si mohli koupit holicí strojky, ale ne kolínskou. Když si zákazníci stěžovali, Walmart řekl, že dodržuje příkazy guvernéra.

O měsíc později Whitmer zpřísnil omezení a řekl, že Covid zabil 1900 obyvatel. Zúčastnila se však vládních večírků bez masek. Byla vyfotografována v baru v East Lansing, jak popíjí bez masky mezi

davem nemaskovaných společníků.

Admirál Crandall čelil svědkovi. "Ve výpovědi jste svědčil, že jste byl 7. března 2020 v kanceláři obžalovaného a zaslechl jste rozhovor, který vedla s guvernérem Garlinem Gilchrestem, je to tak?"

"Ano, pane, ona a Garlin diskutovali o tom, jak je Covid falešný a jak byla uzamčení sociálním experimentem, aby se zjistilo, zda lidé poslouchají rozkazy," řekl Robert.

"Chci mít jasno." Osobně jste slyšeli, jak obžalovaný řekl, že Covid je falešný," řekl admirál.

"Udělal," řekl Robert. "Řekla, že se to neliší od sezónní chřipky."

Whitmer se připojil. „Jsi lhář! Ty podvodný sračku. mám spojení; už nikdy nebudeš nikde pracovat."

Admirál nařídil poslancům, aby Whitmerovi nasadili náhubek.

"Je až zarážející, jak často to musíme dělat," poznamenal.

Zdrceného svědka omluvil. Jeho dalším důkazem byl dokument, který Whitmer napsal zesnulému Gavinu Newsomovi v dubnu 2020. Whitmer se v něm chlubil, že Michigan předběhl Kalifornii ve vymáhání Covidových omezení, jako by šlo o soutěž. Hravě se posmívala Newsomovi a řekla mu, aby držel krok s „programem“. Napsala, že kdo bude mít lepší kontrolu nad populací, postoupí do prezidentského úřadu v roce 2024 nebo 2028. "Mám své lidi na vodítku, vy?" přečtena část její korespondence.

Admirál přistoupil k důstojníkům s empanelem, aby zvážili podstatu případu JAG. "Mám své lidi na vodítku." Je to zvláštní, když to říká guvernér státu s deseti miliony obyvatel. Zní to, jako by je považovala za domácí mazlíčky – možná kočku, psa, pískomily."

Předvolal druhou svědkyni, koroneru okresu Genesee Karen Langovou, jednu ze čtyř soudních lékařů pracujících v roce 2020. Mluvila o své akademické a pracovní historii.

"Paní. Langu, v letech 2020 a 2021 jste připisoval smrtelné nehody mimo Covid Covid-19?"

"S lítostí jsem to udělal, stejně jako moji kolegové," řekl Lang.

"Kolik?" zeptal se admirál.

"Nevím dohromady, ale udělal jsem to na asi 300 případech."

"Takže, vezmeme to číslo." Tři sta obyvatel okresu Genesee zemřelo na příčiny nesouvisející s Covidem, ale vy jste na úmrtních listech uvedl Covid jako hlavní příčinu smrti, je to tak?"

"Ano," řekl Lang.

"A jak víte, že neměli Covid?" zeptal se admirál.

"Nikdy jsme netestovali posmrtně." Přišel k nám příkaz od guvernéra k okresnímu zdravotnictví. Bylo nám řečeno, abychom uvedli Covid-19 jako příčinu smrti," řekla.

"Obětem střelných zranění?" řekl admirál.

"Ano."

"Pro lidi, kteří zemřeli při automobilových nehodách?"

"Ano," řekl Lang.

"Pro 76letého muže, který zemřel během bouře, když se na jeho dvoře vyvrátil strom a spadl na něj?"

"Ano."

"A proč jsi to udělal?" zeptal se admirál Crandall.

"Protože bylo jasně řečeno, musíme... nebo riskovat své živobytí."

"A tyto příkazy nebyly v rozporu s žádným typem nebo morálním kompasem, vašimi etickými povinnostmi?" řekl admirál Crandall.

Lang si těžce povzdechl. "Jednou jsem Gretchen konfrontoval." Vyzvala mě k dlouhému žvýkání. Nejsem hrdý na to, co jsem udělal, ale bylo nám řečeno, že tito lidé jsou mrtví, takže jaký rozdíl byl v tom, jak jsme tu smrt označili."

"Děkujeme, paní Langová, vážíme si vaší spolupráce," řekl admirál Crandall a omluvil svědka.

Promluvil k porotě: „Kdybychom měli čas, mohli bychom strávit týdny, měsíce předkládáním důkazů proti Gretchen Whitmerové, ale nemáme čas a věříme, že to, co bylo prokázáno, nade vší pochybnost dokazuje, že porušila svou služební přísahu a spáchala zrada. Žádáme vás, abyste posoudil důkazy a shledal obžalovaného vinným."

Verdikt byl vyneseno za 15 minut: vinen.

Gretchen Whitmer byla vinna a musí viset za své zločiny, řekl vedoucí důstojník panelu.

Admirál řekl, že brzy naplánuje datum poprav.

(Návštíveno 53 518 krát, 53 518 návštěv dnes)

On Monday, Judge Bruce Reinhart agreed to a motion from the Justice Department that its case against the 45th president would be hampered if President Trump were freely able to air his grievances about the case to his followers on Truth Social, a favorite venue for the former president to make surprise announcements or public statements. The ruling also bars Trump from discussing the federal case with reporters, and he is only permitted to view the evidence against him in the presence of his attorneys.

“Defendants shall only have access to Discovery Materials under the direct supervision of Defense Counsel or a member of Defense Counsel’s staff. Defendants shall not retain copies of Discovery Material,” wrote Judge Reinhart in his decision.

Whitmer's clone will hit the ground running without missing a beat and there will be no discernable difference in how the government operates. Walensky's clone performed spectacularly testifying before congress.

Keep your shirt on, lady. There is military being deployed all over the states right now. Scumbags in authority, like this witch here, dont have much time left. A storm is coming

She'll get to see Nancy, two peas in a pod, along with their friend Hillary.....boy tha'll be a hot meetin.

The Tree of Liberty has an insatiable desire to be watered, however, every drop of blood helps in it's restoration !!

Thanks Michael, we hope you're feeling better!

I maintain alias "Gretchen Whitmer" is a MALE because his Adam's apple was removed by the surgical procedure "chondro-laryngo-plasty" that leaves a scar on the neck from side-to-side. Whatever, the GITMO medical examiner will cite his correct gender in the autopsy report.

We are in a battle to save our country. This gives me hope that those who wish to destroy it will pay the price. God, save us.

@Julie — Yell`n is a MALE same as Whitmer because both removed their Adam's apple by the surgical procedure Chondrolaryngoplasty that leaves a scar on the neck from side-to-side and a sunken dent where the Adam's apple used to be. The freaks are fools.

@Julie — All Americans have been slaves by the non-human Rothschilds Federal Reserve Bank that required birth certificates and social security numbers to allow them to buy/sell/traffick humans as animals.

I don't understand why there has to be such a lengthy trial when a person is found without a doubt to be guilty. why do you bring in these witnesses and why do you waste this time ? if they have been taken out of their homes and brought to gitmo, it's because they're guilty . Set a date for the hanging and move on . this is what's wrong with our legal system

The reason they have TRIALS is because even though they are traitors and SCUM, we STILL have the Constitution and certain inalienable rights! Those of us Americans still think we are a nation of LAWS, so let's dot the IS and cross the Ts.

The traitors we are punishing ignore those laws constantly and use those same laws against the innocent constantly. That's what's so disgraceful about it.

They are subject to the due process of the law and the law says they are innocent until proven guilty. So they have to be publicly proven guilty first and that is what the Admirals are doing at all these tribunals.

Even military tribunals are supposed to get proof and testimony, even if it's slam-dunk case. Sure, we can shoot them on sight if they evade justice like that paedophile **Ivan Kovalenko**, but that's if they are in a non-extradition country, protected by Z-bitch in the Ukraine, or very heavily guarded like he was.

Burn her and shoot her in the head first then hang her ass. Better yet throw her ass in middle of an alligator wrap and let them do their business with her.

Be very careful about how much you salivate at torture and taking another human life, LEST we become like those who are convicted who could care less about humanity and the suffering of others. Those convicted are just DEFECTIVE UNITS that need to be removed as quickly as possible.

Look, till now we've been too nice and too civil with these miscreants, Even President Trump has been extremely nice and very by-the-book with them. But the only thing they respect is raw power and we have it to punish them with. They are unrepentable.

Anything that causes them death — firing squad, the gas chamber, hanging, the guillotine, electrocution, euthanasia (LIKE THEY ARE DOING TO US WITH THE CLOTSHOTS AND MNRA IN THE FOOD, DRINKS, MEDICAL ANESTHESIA AND DRUGS WE TAKE DAILY) or drowning in the ocean on the way to Guam like Liu and Cohen were.

Gretchen Whitner was always partial to Jaws because she was so enamored about "Shark Week" on TV!

THIS MUST END!!!.. PUBLIC HEALTH EMERGENCIES ACT of 1944.. they will USE IT AGAINST US AGAIN!!!!

Right! Inslee took away jobs of state employees who were unvaxxed, yet others could continue to work. There was no logic to it. It was all about power. These "leaders" think they're God.

I haven't had time to read any of the comments. But it would be oh so sweet if they nabbed Kathy Hochul. I love baseball and it would be so nice to see a twin killing. One button maybe for two trap floors. Kind of like getting two birds with one shot (stone).

Yes, he has 4-5 highly paid actor doppelgangers, still faking the California public out, as does his now dead Auntie Nancy.

OFF TOPIC TRUTH:

"To anger a conservative, lie to him.
To anger a liberal, tell him the truth."

Theodore Roosevelt

Liked and agreed with what you said but thought the last word a little hard.

Take Virgin Coconut Oil & Organic Apple Cider every day & avoid strokes or heart attacks. Both of my parents died from strokes, but sadly I had advanced warning that my parents did not.

Yup i agree go for the media outlets start taking them out of play and others may fold and start stating truths, however i am sure it will happen when its time. love to all.

Last edited 5 hours ago by Delavic

I hope it was worth it to her! She deserves to go ! One less head ache in this world . I hope we get control of the fake news soon and collect the clones . I can not believe a country like America has allowed this to continue with the fake presidency and the fake white house and all the rest ! We can't take much more . Let's pray the rest of them get captured soon .

It's all staged. You're watching a movie. The movie will continue until the people WAKE UP. It's taking longer to wake up the populous than they thought it would. Hang in there!

In the meantime, seeing these treasonous politicians get caught and watching them squirm before their death sentence, is a reward in itself.

Trust the plan. The WHs have got this👍

O now wait one momento did you see them squirm ? No I think not you may have read about it like the rest of uswe the people need to see this happening and I believe the people would wake up much sooner...

No but I felt it when they told her all of her domestic assets were frozen, and she knows it's permanent.

If you would take out the MSM liars that hold this TWISTED thinking in place with their daily broadcasts, the populace would are up a LOT sooner.

Americans cannot wake up COMMUNISTS because they've been demoralized all their lives. All communists must be machine-gunned and thrown to the carnivores to eat and poop to the size of particulates that the winds distribute over Earth ... no digging required.

How clones took control of America will go down in the annals of history for millenniums. F'ing unbelievable!

Last edited 2 hours ago by Saturnnet

Let us hope that the former governor of Pa., Wolf, and Levene make their presence there soon.

@Wayne Hatton — AMG-news reported Wolf was executed last year. Type "execution list" in their search box and scroll down the page to read hundreds of names among hundreds of thousands of worthless humans.

I wonder when the mainstream media will come up on charges? They seem to be the ones keeping the sheep blind. Or get the owners of the media companies?

It could already be happening. This web site is only reporting high profile cases. There are over 220,000 secret indictments. If the 5 sites we know about processing high value targets each complete 5

prosecutions per week day, it would take 44 years to process all of them. There are likely other locations processing lower value targets.

You'd think it's long past time to have done that & yet here we are &, of the prime time media folks, only Brian Stelter has taken the eternal 5th so far.

@Cyrus — Explain the reason that hundreds of thousands of worthless humans were silenced. Start with PedoWood actors, and then, move on to CEO federal and state government employees, corporations' employees, and clergy....

Military has spared Americans the trouble to SPLAY and SLAY commie FREAKS.

95% of the MSM is owned or controlled by FIVE MAJOR DEM-supporting corporations to push an agenda.

Amen, finally she gets her just reward!

These tribunals are barely trickling in....it's long over-due for mass executions of the Deep State!

We're not being told everything. This is a covert operation. So, some things need to be kept under wraps. Everyone will know in due time.

100% correct. The country is under military control now, not Joe & Hunter control. It has been this way ever since the Insurrection Act was signed in 2019 by President Trump. So it is all a covert operation.

I have been waiting for the whole world to see this on the EBS. As long as the main stream communist media covers it, is business as usual.

Other countries have some of the same things going on THERE, but they may just not be addressing it in the same ways!

I'm in the Philippines now & the TV broadcast news is telling nothing worthwhile or truthful to their people here & CNN here in the Philippines is not much better than CNN Worldwide with lies 24/7.

We are looking at less than 1%. Much less. Probably 1/1,000th of what's really going on. There over 400,000 indictments, perhaps half-million This will be revealed in the coming months. Patience is a virtue.

After all, it's only been seven years of false promises and waiting, right? Any day now, right?

I heard she wasn't a "woman", but since nothing was mentioned (like they did with Beetle Juice), I guess that was "wishful" thinking.

I call her "Witchmer." LOL

How did we allow so many sick, evil narcissists to get into power?
smh

Oh, wait, rigged elections, and, now, we're expected to do that all over again with no rectifying of 2020 or 2022 or assurance that it will not happen again.

In the beginning, NOT paying attention when we voted and DECENT citizens with morals and ethics didn't step up to run for offices. This wasn't accomplished overnight!

All we have to do is is the ballot harvesting much better than The Deep State Rats have done!

"A verdict was reached in 15 minutes: guilty." Why did it take that long? 15 seconds would've done just fine. IMO!

We will all know soon enough and be shown all the proof. For now, we have to know how to read sites like this and how to listen to the truthers. Don't forget, this is a COVERT operation. My feeling is that much of what is here has already happened and could only be released when it was released. We need to. have patience.

Although, I will admit mine is running thin. I am tired, as I know many of us are. And, still, things may get a bit worse yet before all of this is through.

Yall see that blinken video of him kissing Xi's Royal Ass? lol.

Fake.As.Fuck

So now the leftists do not support taiwanese independence? Do the taiwan people not have human rights? How about the trans-taiwanese? Don't they have human rights the communists will revoke? Do the leftist americans not care about Trans-asiatics? Sad.

Sounds like discrimination.

We need to salvage from the Congress the FEW who AREN'T CORRUPT, add some new Patriots and get back to business.

That's EXACTLY what's going to happen in the new global reset! Only 25 Congressmen/women – that's it!! POTUS has it already in the works. We don't need anymore than that.

alot of talk of the people news being let into gitmo for tribunals? a week long stay to witness hangings? are you going? starts in aug

If you send me \$1,000 I can guarantee you a seat in First Class and no baggage charge.

The button for up voting works very oddly. Sometimes when I upvote a comment the number jumps from 10 or 11 to 24? upvotes? The process is selective (if not random) but one gets the impression that the number increases based on the webmasters personal enthusiasm (or lack there of) for any particular comment. Just saying...

Pretty sure it's because by the time you read the comment, many others have also read the comment in that same time frame & up-voted. Unless you were to constantly refresh the page- while

reading- you would not see the other people's votes until you vote yourself, which also refreshes the count.

I think the responses jump as the vote is updated each time you respond with all the responses that have been added since you came onto the site. (Other readers and responders being logged.)

Was hoping her complicity in planning her FBI kidnapping would come up, but this is better than, 'good enough'.

I though it was your health, pretty sure it still is. To an extent. when you are out here is nothing you can do. Oh man, just yesterday we were bulletproof. Other people can get this content, Yet they will not publish it.. They don't want to step out as you have done. Sometimes because of sagging interest they use it, if you don't like it blame Mike Baxter! The info provided is short and succinct, Yet it is very high level. Never done before. If he were lying or making it up, come on, he would have been crushed like a bug, Years ago.

many are afraid.

but, now are revealing cause they no longer have to worry about dying by another human.

even mudfossil university is revealing.

Lol you like Mudfossil University, Tal? Hell yes. That shit rules, fuckin dragon and giant skeletons everywhere

No one cares about MB enough to crush him, he's just some no name scammer posting dumb stories on the internet

When it became clear that they KNEW they were abusing the people, that is when it became TREASON!

It's a shame she hates the people of Michigan so much. She's in it for the money & power – nothing more. Seems when an individual is elected to office, suddenly they have a new attitude which says, "I'm

in charge! Bow to my demands or suffer the consequences!” Now it’s time for her to suffer the consequences she herself created.

They should put a leash on the bitch feed her pet food, strip her naked and hose her in l’ce cold water.

Then film the hanging of her naked..

Place her on ice in the body bag. 😊
