Americké děti (63) osvobozené od dětských otrokářů na palubě Dubai Brilliance byly znovu shledány s rodinami díky Navy SEALs, kteří je zachránili, a úsilí divize generálního advokáta soudce

amerického námořnictva pro sexuální zločiny na dětech, řekl zdroj JAG Real Raw News.

Jak bylo oznámeno, jednotky SEAL zabily devět únosců na lodi Dubai Brilliance a poté s pomocí americké pobřežní stráže dopravily „stovky“ uvězněných dětí na břeh v Alamedě v Kalifornii. Tento článek se zabývá pouze americkými dětmi; budeme v budoucnu diskutovat o cizích dětech.

Ihned po záchraně dorazili do Alamedy zástupci vojenského programu Family Advocacy Program (FAP), aby jemně vyzpovídali traumatizované děti ve věku 8-16 let, 31 chlapců a 32 dívek, z nichž všechny otrokáři zajali poté, co Dubai Brilliance zakotvila v San Francisco Bay 12. června. White Hats je neodevzdal federálním vládním službám péče o děti, protože tyto agentury jsou spoluviníky na sexuálních zločinech na dětech.

"Kdybychom ubohé děti předali federálům nebo dokonce státnímu CPS, je zatraceně solidní šance, že by skončily zpátky na jiné lodi." Chtěli jsme, aby to zvládli lidé, kterým věříme. Vzali jsme je někam do bezpečí a dali jim lékařské posudky," řekl náš zdroj.

Většina dětí, dodal, byla v dobrém fyzickém zdraví. Někteří měli povrchové boule a modřiny; 13letý chlapec si při bušení na zamčené dveře zlomil zápěstí. Několik vykazovalo známky dehydratace a dostali IV tekutiny. Dobrou zprávou, řekly naše zdroje, bylo, že únosci měli zájem pouze o převoz dětí do zámoří, ne o jejich znásilnění, protože lékařská služba nenašla žádné důkazy o sexuálním obtěžování.

Při rozhovoru mnoho dětí vyprávělo o společném zážitku: když si hrály venku, často jen pár metrů od svých domovů, byly popadly zezadu a upadly do bezvědomí, pak se probudily v Dubai Brilliance, aniž by si vzpomněly, jak se tam dostaly.

"Tohle samozřejmě nebyla amatérská hodina." Tohle bylo profesionální oblečení, ne pedos snažící se nalákat děti do auta s cukrovinkami. Domníváme se, že pachatelé začali prohledávat oblast San Francisca pro děti hned poté, co loď dorazila do zálivu San Francisco Bay. Únosy začaly 14. června, dva dny poté," řekl náš zdroj.

Dodal, že únosci použili chloroform a injekční sedativa, aby si děti podmanili.

Neomezili své únosové aktivity na vlastní San Francisco a vrhli širokou síť, chytali děti až daleko na jih od San Jose, až na sever jako Santa Rosa a až na východ jako Stockton, údajně proto, aby minimalizovali počet zpráv o únosech. podané v daném regionu.

RRN musela oslovit slona v místnosti s naším zdrojem a zeptat se, proč, když během několika dní zmizelo tolik dětí, miliony telefonů po celé Kalifornii nonstop neřvaly Amber Alerts.

„Bylo jich 23 v okresech San Francisco, Santa Clara a San Joaquin. Nevím, proč jich nebylo 63. Mluvíme o Kalifornii a kdo ví, jestli je místní vymáhání práva kompromitováno nebo vypláceno. Bylo by bezohledné spekulovat. Děti jsou v bezpečí. Ti parchanti, kteří je drželi se zbraní v ruce, jsou mrtví. To je důležité,“ odpověděl.

Radní FAP, řekl, trávili bezesné dny a noci rozhovory s dětmi, z nichž mnohé byly psychicky otřeseny, a zjišťovali jejich totožnost a osobně vrátili mučené děti jejich rodičům nebo zákonným zástupcům.

*“...the cheating ratio of ‘married gay males, given enough time, approaches 100%...Many gay lovers, bowing to the inevitable, agree to an ‘open relationship, for which there are as many sets of ground rules as there are couples.”*

Marshall Kirk and Hunter Madsen, authors of *After the Ball*, are gay. Gay researchers are the ones publishing this information, not me.

The divorce rate of gays and lesbians are 150% higher than rate of straight couples, according to gay writer Camille Paglia.

My coworker in IT, who supports the LGBTQI+, couldn't believe it. My other coworker who is a lesbian unfriended another coworker of mine along with me because we both support marriage between a

man and a woman, not two men and not two women.

More evidence parents are fighting back:

*“Schools are being sued or threatened for any attempt to stop this drive to alert grammar school kids to the ‘possibility’ that they might be ‘gay.’ One school district in New York agreed to pay \$30,000 dollars to a middle school student who was sent home for the day because she refused to change her T-shirt that declared ‘Barbie is a Lesbian.’”*

KEEP FIGHTING BACK!

Jud 1:7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

All glories, and much gratitude to our very excellent US White Hats and US Special Forces. May God Bless You always for these rescues of America's and the globe's children.

Snooze ya lose, prepare for incoming storm, in Brooklynese i.e , Andrew Dice Clay demeanor: total effing shit-show.

Today as perfect leisure day to acquire a portable generator, power cords, fuel jugs and other accoutrements. Get while the getting is good.

God Bless America.

Very ironic advice in huge letters on the vessel's superstructure when you think about its cargo: "Be Safe, Be Secure, Be Alert, Conserve, Preserve, Protect."

The People need to Preserve through pre-dawn raids and protect by holding in indefinite detention.

Dubai Brilliance is leased by Chevron Corporation, its last stop before anchoring in the South Bay, was just 13 miles north at the big Chevron refinery at the Port Richmond San Rafael bridge, several weeks ago. Did the trafficked kids come from Chevron or a previous port of call?

Michele Obama was spotted having lunch with Tom Hanks' clone in Greece. Hanks was taken into custody on June 12, 2021, so his clone has been firing on all cylinders for over 2 years.

Hanks "doppelganger" is his brother Larry, both having remarkable resemblance and attributes of each other.

As long as Larry doesn't perpetrate forgery, he's free and clear to do almost anything.

Big Mike and Barry's doppeleganger actors, have been doing many, many "interviews" these days, in spite of the fact that they are both dead! Allegedly, US Special Forces eliminated both of them some time ago, as this superb website detailed for us all.

So glad you're feeling better, Michael. Continue your healing – we need you. It's very refreshing to get news that justice is being served to so many who have lived a secret life of sick kind of crime. God

says that what is done in secret, will be brought to the light. Thank you for sharing the light of justice. It's about time. Keep up the good work and keep taking good care of yourself.

**And Joe Biden is not the president, he's the paedodent.**

**Donald Trump is my President. Sorry not sorry.**

The paedophiles, rapists, incest offenders, child sex traffickers, Satanic paedophiles and other sex offenders are destroying the normal healthy sexual natures of our sons and daughters. Most of them are sexually and psychologically ruined, some of them became abusers themselves, some commit suicide, some abuse drugs and alcohol, some are unable to enjoy normal romances with the opposite sex, some of them are unable to enjoy normal sexual relations with the opposite sex in their marriage beds, some of them are unable to have children, some of them are unable to tolerate friendly, affectionate touches because to them all touches are sexually deviant because of the abuse, some of them are unable to breastfeed their children, some of them have rage disorders, some of them are soul ravaged from the abuse, some are unable to earn a living because their minds are messed up from the abuse.

I don't hate nature, I love nature and every living

creature in it; but I hate anybody who destroys the normal healthy human natures of these young ones!!

Bought tickets to the Sound of freedom for Mon 3rd 2 million children are trafficked a year.

Acter Jim Caviezel asked if he could sell 2 million tickets for each child trafficked Angel studios.com you can get tickets

So supreme court just strip aft power. No more gun control laws.

Not only affirmative action. Now aft looses too.

Yawn. Inconsequential.

No one gives a fuck about some Gaytf rule. GayTF rules and DHS directives are for federal employees only—same as federal income taxes, and if you have no taxable federal income you have no taxable state income. No private citizen is under the thumb of reproach of ANY of these fuckers.

Pistol brace rule? lol

Yes the Supremes are starting to get it. “Gun control” is illegal in the USA, yet our communist government is hellbent on making it legal. “Shall not be infringed” and “Inalienable rights” puts gun control to bed for good in the USA. The communist Dems hate this fact with a passion.

The abductors dead is a pretty good message, since the SEALS or White Hats are alone in missions like this. Confiscating the ship would've been a load move. Good to hear children are OK. Thank you RRN. Thanks Michael, hope feeling better day by day.

Did a search on pedo pos quotes, look at who turned up #1....

**"#1.** The thing I love about reporting is being able to blend in with any group, whether that's neo-Nazis or **pedophiles**. – *Author: Anderson Cooper* “

My neck of the woods.. these individuals seem to just disappear themselves.. strange isn't?

A lot people listened to ole Elvis.. I kinda liked Glen Campbell at the time..

“Now my working day seem shorter than it ever did before  
And the evening breeze gets cooler day by day  
And the morning sun is always shining down on my backdoor  
And your laughter washes all my cares away

And there's not a day goes by that I don't look up to the sky  
And humbly thank the good Lord up above  
For bringing you to me in time to make me realize  
That all a poor man really needs is love  
Now I've got everything a man could ever need  
I've got dreams to dream and songs to sing in the morning  
I've got hands to hold my babychild and eyes to watch my woman smile  
I've got everything a man could ever need”

Very nice, like it. Sounds like you are happy, content & being blessed by God every day. Enjoy.

And this is a father of two saying this?! God help the kids!!

Your interpretation is about perversion.

I believe the SONG is NOT about perversion at all, but about 'normal life'.

Sometimes we get WAY too far under the evil to recognize the good. Give yourself a kind word & a cup of tea/coffee/juice. Smell the roses.

Cheers!

Do you know something about Glen Campbell that we all don't know? I didn't see him on any bad guys list.

Folks I know this is off the topic of these poor children. I just read part of an article where they were mentioning that the people of PA did not like Fetterman and he was about as popular as Joe Biden. They showed a picture of this Fetterman....no swollen neck, looked 20 years younger and had a head the size of a Walnut on his big body. I actually burst out laughing at their feeble efforts to create a Fetterman instead of admitting he has been dead around 4 months.

You didn't have to waste your valuable time reading it. I thought maybe someone would be interested since this creature was reported to be dead by Michael a few months ago. Sorry if you were offended...NOT!!

You're right. Just take a look at a "before" picture and compare it to the "now." He looks like a beast. He's quite homely.

Word.

They're desperate as fuck. Look at the 'cheney', lol. Have you seen the 'jaime foxx' that's out now? Of course, there are those who say, "It's fake!" And we agree, it is a fake cheney and a fake James Foxx.

Well done everyone especially the seal team that did the operation! God bless you all for everything you do in this battle against evil.

Has anyone found out where the ship was headed and “who might be buying the cargo?” It would be good to exterminate them with extreme prejudice. Follow the money!

Will the ship be seized Michael? It would be good to know. Strip them of their assets so it can't be done again. Give it to the Navy for target practice and send it to the bottom of the sea.

THE SHIP WILL CONTINUE TO SAIL,,BUT THE CARGO WILL ALWAYS CONTAIN AT LEAST ONE 'CAN' WITH LADIES,,,I SAW IT ON THE WIRE,,,GOOD SHOW

I can confirm Jim confirmed Cryus was the killer—on more than one occasion I might add. Cryus is a rather vengeful lil ccp ape with her friends Rog the jew Swan and Will abortion pill Cowfield.

I can believe it.

They seem and are trying to silence you.

Buy have failed.

♥ I'm from this area, yes no amber alerts. But there were report after report of young girls gone missing. Some were reported as returned. Could be fake news of course. My daughter spotted a large poster in Walmart of these girls. We hadn't heard of many of them. Only one boy was on the poster. The weird thing is they all had a similar look. Dark long hair, light skin and dark eyes. Not all but many of them. Also, this happened last year. I believe RRN reports news after the incident is all done and criminals are dealt with. If we are reading this so are the bad guys.♥

Jim sends ethel out to local divebars to get unwitting dupes back to the house where they cum in ethel and then Jim can get a slice of that cream pie!

I spoke a couple of days ago about how we can make things more difficult for these criminals and safer for our children. A few more things have come to mind after hearing some of the comments joining in on that message and conversation.

I wish to thank everyone who contributed to the discussion.

Someone mentioned get the recorded data from the areas of the kidnappings. It made me think. They would likely avoid street cameras or residence with cameras trying to avoid being identified?? If so the search for them should be in areas that don't have cameras. What kind of homes did these kids come from would help identify where the criminals prefer to work (maybe).

I was thinking social media would be a great place to share non-identifiable information, but that has problems of their own as was mentioned. Besides a database storing the information would be hugely beneficial because searches for regional areas, but town, city, state, date, time, etc would be very helpful. And with proper security the data base could hold some limited information where people can talk among themselves or get involved in the search effort.

As an example I have 2 conference bridges that each allow 250 people to connect and talk while those who do not have the login and password cannot get involved. The audio system is professional

and I will donate its time to this project. Obviously ZOOM is available but it is offered by China. The question is are they China the good or bad guys??

For the first 3 years you can set up a very inexpensive WEB site that has unlimited email addresses, the WEB site email addresses could end up being the ID for each participant, so no names, phone or addresses are readily available.

These WEB sites offer SQL databases and a number of languages and tools for developing WEB pages like Word Press which offers posting of conversations. This WEB site uses WordPress with a Theme "News Paper" offered in most cases FREE.

This entire operation can be built for almost no cost. Everyone can get involved from the East to West Coast and beyond. Once the system is set up, others can be created under the same format for other countries that could have access to similar databases. Making the search and rescue world wide operating at the speed of the internet.

I was kicked off of Twitter numerous times for exposing MSM propaganda. We all worked together and dispelled lies sometimes as fast as the media presented. Seconds if not minutes later we had the truth out their and Twitter users were spreading the word!! The world joined in our efforts... it was way cool.

Is it possible we can more rapidly expose these kidnapping at such a level that it makes it too dangerous for these criminals to act? With neighbors notified in seconds of an event with some actionable details would/could scare them off.

The Amber Alerts are a joke in most cases with little if any detail on how to deal with the situation to protect your child, let alone enough information to help track down the perpetrator with a network of spotters.

Just ideas, but they are better than doing nothing.

Sometimes you got to go hard.

We warriors prefer to kill than let them live.

We always fight against big enemies alone against many by ourselves.

Hmm. Need to interrogate every one of them in depth for intel before anything else. You can lose a lot of critical info opportunities by being only visceral.

That only works on certain officers.

Low level ones. not much info.

High ones yes.

Here comes Jimmy the Jackass again. Sometimes he makes a good point. Sometimes it's just the point on his head. Paid troll is my guess.

Go 'way, Jimmy. Somehow we'll manage without ya.

There's cameras everywhere, there's no hiding. It's getting difficult in hoodwinking someone in giving an old fashion tune-up, especially upon registered sex offenders, dam those cameras.

We can also teach the kids martial arts so they can fight back the paedos and the rapists, especially when the parents or guardians are not there. That happens on the outside.

But my bigger worry is how do we protect the kids from paedophiles and the rapists when they are their own dad, grandad or uncle abusing them? Child sexual abuse happens on the inside as well.

We don't want to intrude on family privacy, but personally I cannot stand the thought of kids being abused, especially by family members they are supposed to trust. And the poor kids are too scared to tell anyone for fear of betraying the tribe.

Last edited 1 day ago by Xena

No one likes to hear it, but you are right and it happens too often. I taught my daughters self-defense, but when you are not watching (busy at play) someone can sneak up and using chloroform, etc. put you down.

The children often believe if they speak up it will break up the home/family and they will have no place to go. More often than you think the spouse is aware of what is going on and are simply turning a blind eye to the situation. After all they could lose the bread winner of the house!

Others can threaten the child with the lives of the parents. It goes on and on and is sick!

Since just above, you seriously mis-interpret a SONG as showing perversion, I think your judgement is 'clouded' at best and UNRELIABLY DISTORTED. You'd do better to stay OUT of OTHER PEOPLE'S FAMILIES & look to your OWN, Personal & UNRESOLVED ISSUES. I do appreciate that you care.

Ah-ha!

Any companies that are involved of child trafficking should be stripped their license operating a business immediately! Crews including the Captain their licensed to operate a ships should be revoked. Jail all the crews and hang them if they are complicit such child trafficking activities.

Oh, tell me about it!!! And Joe Biden is not the president, he's the paedodent.

Donald Trump is my President. Sorry not sorry.

Michael, is Elon considered a white hat? When he first took over Twitter he unsuspected lots of Great Patriotic accounts but once he hired this new woman who came from NBC Universal she has changed things back to the way it used to be on twitter, suspending good people and allowing the Twitter Bots to run free

Once I found out he dated amber heard.

I lost respect.

Now I hate the dude even more.

Michael, is it safe to say that these heat waves are artificial and are being done by the Deep State against the human population using weather engineering apparatus? Is it also safe to say that these mosquito infestations with malaria are also being done purposefully and state government say they are spraying for mosquitoes they aren't actually killing any mosquitoes but instead they are infesting neighborhoods with them? Seems like some nefarious things happen when black cats have control of the skies and this needs to stop. Is there a plan to stop them?

Also, when I flew internationally recently, the stewardess made an announcement that the WHO is requiring them to go through the aisles to spray with insecticide. It smelt like peaches, but I put a

blanket over my head. I wondered if they were spraying us with nano particles, in case we were unvaccinated.

Outstanding, informative expose documentary of this terrible crime against humanity in and around the state of Arizona. Contains dodgy blue/green screen Visual Effects (VFX) work and (staticky) monophonic sound at times. Even so, don't let that prevent you from seeing this masterpiece if you are interested in its subject matter. Known whitehats battling this terrible crime in some form or fashion are listed in the end credits—thus (indirectly) vetting the quality and content of this documentary.

Can somebody who lives in the area put some binoculars on the ship and see if it is sitting high in the water (empty) or low in the water? (ballasted with sea water) Michael Baxter said he was told “no oil on the ship”.

This tanker still sitting in South San Francisco Bay is a crude oil bulk carrier. It cannot be used to fuel Naval ships because it is far too slow and too large. Crude oil has to be delivered to refineries, refined before it can be used as fuel. Children seem to be the most valuable ‘commodity’ this tanker, the Dubai Brilliance, carries. Maybe the

Military should grab the executives from the Chevron oil refinery just 13 miles to the north, have them explain what was delivered by this tanker just a few weeks ago.

Crude oil or Children?

**Which port of call were the hundreds of children picked up at, Mongstad, Norway, Wilhelmshaven, Germany, and Skikda, Algeria, or from Chevron on San Francisco Bay?**

This will forever be a constant war. To fight against child rapers, molesters and evil. We can never allow this to happen again. The children are among the most vulnerable in the world. Along with the elderly and disabled. We MUST protect them.

Ha – weather modification devices in hands of the cabal, that's a low level easy fix.

My ol'e lady can change the course of weather from a calm sunny day into hurricane and tsunami all at once, in a spit second. All it takes is lingering essence of my gumada's perfume, which also produces thunder and lightning.

The cabal should hire my wife, no need for expensive equipment.

Well, looks like Macron and his butt buddies in the Establishment have lost control over their peasantry! Lol. What in the world will the threatened DStards do now? Train derailments in paris? I mean, they can't even keep a lid on a bunch of angry unarmed peasants, but they think they can quash American gun owners?

Bring your A game G

It was Arabs, and they had lots of firearms and even snipers on roof tops. Were the firearms made in USA? French fighting back with bats

YOU SHOULD TELL ELON THAT TOO,,,TWITTER SUCKS RIGHT NOW,,,! I MAY HAVE TO BONE ETHEL EARLIER THAN USUAL,,,

Semlaw posts:

Extremely disturbing: Child slave markets and child prostitution are rampant in Saudi Arabia. Saudi men bid for the kids in Egypt and Yemen and then bring them to their markets in Saudi Arabia. They are given false identities and passports so they can be trafficked to buyers around the globe. What if we learn that Epstein was purchasing children from Saudi slave markets and hiring traffickers to ship them to his island. No one would miss these kids if they disappeared. Here is a brief excerpt from a report titled:

SEX TRAFFICKING OF CHILDREN IN THE MIDDLE EAST

“There are reports of child sex tourism taking place in the Middle East, including in Syria, which has now become a popular

destination for sex tourists from wealthier countries in the Middle East – many of whom are Saudi men. High prices are offered for virgins.<sup>18</sup> There have also been reports of Saudi and other Gulf visitors acquiring youth brides in so-called ‘temporary marriages’ in Egypt.<sup>19</sup> Domestic service that is abusive and early forced marriage are other practices that are creating demand for child sex trafficking in the Middle East.”

Odd comment, but alright. I don’t disagree with you here, but as far as Trump being President over there..Why not install someone who we know will do a job at combating the issue, and monitor the situation?

BECAUSE NO MORE WARS HERE,,, WARS THERE,,,IF HE’S PRESIDENT THERE,,,THERE WILL BE A WAR THERE,,,AND WE DON’T TRUST THIRD PARTIES,,,THE WH’S HAVE BEEN BACK STABBED,,!

That involves the United States possessing that country, and since 2017 we have stopped being the world’s policeman and pushing on for endless wars for profit – that’s the military-industrial complex President Eisenhower was warning us about in 1961 and what President Kennedy was trying to stop from destroying the world like Carter, Biden, Bush 41, Clinton, Bush 43 and Obama pushed to destroy the world. They shot him for that. The cabal refuses to stop doing what it has been doing even if it involves raping and killing our kids, they do not care. Raping and killing kids is not a 2016 Pissagate thing, this is a problem as old as time because Lucifer has been doing it since the Fall in Eden. Let Saudi Arabia be. We have to fight for America First.

Saudi Arabia is Israel’s ugly siamese twin sister. Just like Epstein was an Israeli/Mossad operation. The Talmud declares pedophilia to be kosher. It is an essential element of their black magick sex rituals.

Demons seek embodiment to suck the blood of children. Jews are willing to offer their bodies up as golems for these dybbuks in exchange for sheckels.

Agreed. YOu never hear House of Saud criticizing Israhell and vice versa. Sunni muslims and the jews have close ancestral ties.

Cryus was the killer. Jim confirmed. The idiots had no idea what op sec was, so it was easy.

Or maybe Oprah was bringing them in from Africa and Hillary was bringing them from Haiti...no one would've noticed orphanage kids going missing....

These evil men and women who torture, abuse, and rape little children are the most despicable low crawling demons on the face of the earth. They will surely pay for what they have done in the worst way possible. How heartbreaking to even think of what these babies go through so these demons can enjoy themselves. I am overwhelmed just imagining this. We have to help these children.

We will, but only if we gather together and fight back the demons destroying our families, here in American and globally. If people want to help us lock the vipers away, we can help them too. Isaiah 54:17, 1 Corinthians 4:20 and Deuteronomy 33:26.

NO weapon formed against the children of the USA & these other countries will prosper. Word of the Lord.

This is what Al Waleed was doing, and the other Saudi family members did not like what he did. The media did not report it because they did not know or because some of them have been compromised. These dogs don't care about kids, they only care about the money; this is why they traffick kids to enrich and empower themselves. and the kids are treated worse than trash. This is what Epstein himself did.

The Saudi Royals are actually a Babylonian Radhanite Zionist Jew who usurped the original King long time ago.

Exactly, lol.

He failed big-time.

The Original Cyrus the Great was a ruler of Babylon for a short time.

Then died of I recall.

If I'm not mistaken, what you described probably happened before The House of Saudi capitulated to DJT during his visit back in 2017/18 for fear of DECLASS (declassification) of their deep involvement of the atrocities or simply crime against humanity, you mentioned. Also recall, DJT was in the traditional Sword Dance signifying the Arabs working with DJT to stamp out crime against humanity. Before that, Saudi Arabia was a hotbed or hub of child trafficking etc.. Blessings 🙏🙏 from The REAL Delavic.

Mike Pence is the lowest belly crawling slithering monster on the planet. He boldly stood beside our President DJT and declared himself to be a Christian. Instead, he is one of Satan's most loathsome demonic beings. His day is coming.

He is Catholic, not Christian. But he makes all Catholics and Christians look bad.

Sad but the whole Catholic church does not revolve around the traitor Pence or the Pope. I know good & bad Catholics and there are many Bishops & Priests that do not follow the Pope Pig Francis. There are actually many good Priests that know, love & serve Jesus. Same as in many religions.

I think the demon who had been in daddy bush was sealed into Mike Pence prior to him becoming VP. I think that is what the football coin toss was all about prior to Trump's presidency. Barbara wheeled him

out in a wheel chair.(loosely wearing horribly mismatched swiss gaurd colors. There were black and white (duality) refs.the numbers 6 and 66 on players jerseys in rapid duccession. Then Daddy tossed the coin. Then the camera panned to Mike Pence. I think they performed the sealing ritual on a military base.

Oh but they're not jews, what are you going to do. I thought only the Jews were evil LOL you dunce

This ex-CIA agent explains that Obamacare was created specifically for child trafficking. I mentioned in an earlier RRN article that a husband and wife had 3 of their children stolen by CPS on fake charges. They never got the children back despite years of lawsuits and the couple believes the children may have been trafficked and might not even be alive any more. The Arizona hospital he mentions in this clip was involved in the kidnapping, along with the CPS office that rents space in their basement.

To watch this telegram clip, you need to copy it and then remove the space after https:. RRN didn't allow the actual link. <https://t.me/RealGhostEzra/812>

there are reports that HRC died on July 4 in NYC a few years ago. You reported that she was GITMOed. Was it the BD that was taken out?

You had an article several months ago about a cloning facility in Antarctica you said they were cloning deep Staters you said Michael Flynn was one of them. Can you please clarify for everyone that Michael Flynn is a black hat and not to be trusted. One of his best friends builds 5G and cell towers which emit frequencies that interfere with people's health! The human heart and brain operate on frequencies. God operates on frequencies there are healing frequencies as well. All being interfered with

Here's a eye-opening video of CPS marketing children for profit. Speaker (murdered) Nancy Schaefer previously Georgia State Senator.

[youtu.be/TfpZGlosp1E](https://youtu.be/TfpZGlosp1E)

Is she the same person that a member of her staff was hit with a DEW?

Phoenix Children's Hospital is well known for scurrilous administrative policies. It does not help either that a lot of idiot parents got clotshotted and are thinking, and thus behaving, irrationally, thereby engendering hostile conditions in an already capricious environment. I've heard from colleagues they had to seek legal counsel to circumvent the clotshot demand by PCH. This institution is likely instrumental in identifying and extricating low income families' children to the state—and we all know what that means.

An ER doc got assaulted by a parent there recently. He was well liked and respected. He retired early!

“Jim Caveziel said in a recent interview about his movie **Sounds of Freedom**, to hit the screens July 4th, that one barrel of body parts can command \$77,000.” (the REAL Delavic)

Yes, 42 gallons in a barrel of crude oil.

20,000,000 divided by 46 = 434,782 potential barrels of body parts,  
X 77,000 \$ per barrel of body parts = 33 billion for this tanker if full of body parts.

It seems the cargo to the Chevron oil refinery 13 miles north was primarily children. Possibly, other holds were filled with crude instead of salt water ballast. But I don't know how sealed the holds are from each other regarding fumes. Crude oil fumes would kill the kids rather quickly. So perhaps this tanker never carried crude, or its holds were scrubbed clean to carry live people across oceans.

This super tanker 250 meters (820 feet) long by law must have about 15 holds with watertight bulkheads between. Several holds would contain the ship's machinery. (engines, generators, transfer pumps) To prevent the ship from suspiciously riding high out of the water, unused holds could be filled with ballast sea water. All that water with the trafficked children 20 meters below the waterline might prevent the Military heat signature gear from detecting the heat from hundreds of warm bodies. Thankfully a tipster helped save these kids.

**Michael Baxter, can you ask if the other holds were free of crude oil fumes? Filled with salt water for ballast?**

i was told no oil on ship. I don't know about fumes. I will see what I can find out.

Think about the manpower in labor and equipment needed to scour ship's bulk storage compartments, and disposing hazardous residue.

On smaller scale consider as contractor removing sludge in a home heating fuel oil tank with after effects of lingering odor, also in cleaning oil catch pan when doing oil change on automobile and properly disposing residue.

Money says, conditions were horrific and kids require thorough examination from pulmonologists.

Pulmonary hydrocarbon toxicity can radiographically appear as pneumonitis.

If these kids were injected with the clotshots, their lungs may appear this way absent HC toxicity, R > L

Michael- seems the DS/Cabal is using manipulated weather like extreme heat & superstorms etc against populations- when will the Whitehats take this technology of weather engineering away from the blackhats???

Look at National Debt Clock [Real Time] and take notice to USD ratio to barral of oil, also to ounce of gold & silver.

USD is going to rally at leaast once more and catch most off guard. Imo, THAT is the catalyst for the next leg down.

Most people are given considerable leeway before a pan. The person you're reffering to got more than his share.

I appreciate your latitude with me, Mr Baxter. No pan but minor pain!

Thank you for removing that divisive individual. There are others that may also need to be considered for removal...

Just the fact the shills dutifully come here inductively suggests the articles' content is a threat and threats must be attacked BY the threatened.

Agreed

Especially with him confirming his kills from those fema camps he murdered.

He told me he killed 69.

In like revealing your status on an enemy website, lol.

He's dead at this point.

What he didn't tell you is he killed Cryus. There was no ban. Cryus just simply couldn't handle the pressure of having to counter patriots daily. Her ccp handler got frustrated and consigned her to her new post as junior pig farmer with lew the jew and haspel!

Now, I'm wondering how many official people in city government, state government, so on in higher up knows about this? One already expose but you have many places in California...

Dorkas Mayorkas will appreciate the following comment.  
Governments ARE the problem. Alert! There is anti-government commentary on the net! Better shut it down STAT!

Bring. It. Dorkas.

That's why they compromised Hunter and Joe in China. Joe admitted he sold a lot of secrets to the Chinese, right in front of Narendra Modi's face at a presser. Shame on him.

In DC they all know, politicians, Senators, Representatives, lobbyists, FAKE News liars. They all know their necks are in a noose if they do not do exactly as they are told. Yes, there are still many Deep-State traitors warring against us, still trafficking children for the funding they desperately need, but not in DC. Soon, FAKE News will be forced to switch to facts.

MD, some well-sourced truthers maintain that The Lying Legacy Media are under a gag order by the white hats to preclude mass unrest at least in our nation. The same truthers also maintain that Big Tech Oligarchs i.e. Zuckerberg, Dorsey among others, now work for DJT and are playing their roles in This Movie CUE keeps telling us to enjoy. How was the capitulation of big tech oligarchs made possible? Courtesy of Saudi Crown Prince Bin Salman who is a lot richer than the oligarchs' money combined. Why Bin Salman of all people?

Recall the Las Vegas massacre in 2017/2018. That was a distraction by now deceased Prince Al Waleed who was plotting to kill Bin Salman but was foiled by DJT. Returning a big favor shall we say on the part of Bin has Salman. The events I mentioned happened after DJT's visit to Saudi Arabia in 2017 where the House of Saudi capitulated to DJT for fear of DECLASS in the Kingdom's deep involvement in crime against humanity a mission of DJT. Btw, thanks for crunching the numbers re: one barrel of body parts vs a barrel of crude. Have a Safe 4th to you and yours. Blessings 🙏 from The REAL Delavic.

Vegas happened before the Saudi visit. Either they sent a double to see the Bushes or the CIA switched Bin Salmon out. It wasn't him they were showing on the news he was about 30 lbs heavier. Anyways it is Rockefellers behind it. Exxon is Rockefellers.

I respectfully beg to differ. DJT visited Saudi on May 2017 while the Vegas massacre happened in October 2017. Blessings 🙏🙏 from The REAL Delavic.

Welcome and agreed. Have a safe and relaxed 4th with your family also brother. The Saudi sword dance somehow cemented the entrance of the Saudis into the Alliance. Why MBS (Prince Salman) and his father King Salman I don't know, but the previous bin Saud royalty were very wicked, into extensive child and slave trafficking.

Roger that and May God Almighty bless you and keep you. Blessings 🙏🙏 from The REAL Delavic

It's was obvious several years ago, the alternative news was and is holding back.

God Bless'em.

They know but they are not talking, They have to play ball to stay alive, and not be the hero for the kids.

From Dubai? Good question, what happened to Amber Alert? Thank you all men of Valor for rescuing the children ... could this be like a road traffic but on water? Special routes?

Perhaps there was a hold of starving children on that ship bcos the network has been dismantled???

The ship reportedly had already been into the port and presently was standing off in the bay???

If they weren't able to offload the starving children, they wouldn't be getting paid..

Soooo maybe that is why they rushed around kidnapping American children bcos possibly there was still a market for them and

negotiations were ongoing???

It seems that it was a MIRACLE that there were still so many of the children in the hold who were alive, however not in the best condition..

I'm thinking that ship was a regular carrier of human cargo bcos if that hold had been used for oil or other substances those children would have all been dead..

I am praying that there is a manhunt ongoing for the captain and officers of that ship.. AND that the ship will be blown to bits somewhere in the deep ocean.. Once the holds are decontaminated of substances that may be poisonous to ocean life, of course..

Just stopped by to check on my comment of yesterday, containing some rational, actionable suggestions, including seizing the ship. FUNNY, how that disappeared.

I guess the military may have some say of this site. Maybe Mike's perceived ur sayings as pompous & sententious Regarding ur reply to my post..calling me a FOOL, I don't know where to find it – I went to bed after reading it:

My reply to Julie's comment is meant to be lighthearted..kinda joking, esp 'asking Musk to send the executed bodies to Mars.' Julie took it very sportingly. I think cremation is best for the jabbed & executed, instead of throwing it to big fishes, thus vaccinating them..causing health problems. Go ahead & have ur own opinion. I won't badmouth ur highness.

Teprve teď jsem si všiml, že zmizelo i pár komentářů, které jsem dnes napsal. Takže se musím zeptat, kdo odstraňuje komentáře? Myslím toho idiota, který zveřejňuje příspěvky o vydělávání 90 dolarů za hodinu prací z domova, jeho komentáře se nikdy neodstraní
