Republikánský prezidentský kandidát Vivek Ramaswamy zaslal generálu Ericu M. Smithovi e-mail s žádostí o audienci u rady Bílého klobouku, řekl zdroj z generálovy kanceláře Real Raw News.

Kancelář generála Smithe, řekl, obdržela poznámku ve čtvrtek ráno. V něm Ramaswamy napsal, že si je vědom snah Bílého klobouku odstranit Deep State a tleskal generálovi a jeho mužům za to, že šli nad rámec povinnosti chránit Spojené státy před zrádnými zločinci. Ramaswamy řekl, že chápe, že loajalita generála Smitha leží na Trumpovi, ale dodal: „Měli byste nechat možnosti otevřené, kdyby se bývalému prezidentovi Trumpovi stalo něco nešťastného.“ Požádal generála Smithe, aby uspořádal schůzku mezi ním a Radou bílého klobouku.

E-mail byl v kontextu podobný, ale měl jiný tón, než který DeSantis poslal začátkem tohoto roku. „Trump je poškozené zboží. On je minulost; Já jsem budoucnost strany,“ napsal DeSantis. White Hats se vyhýbali DeSantisovi kvůli jeho vazbám na ředitelku FEMA Deanne Criswell a zločinům, které její lidé spáchali na Floridě během hurikánu Ian.

Náš zdroj řekl, že generál Smith zvedl obočí nad Ramaswamyho větou „měl by něco nešťastného“.

„Nemohlo to být nic; mohla by to být skrytá hrozba. Jsme stále ve střehu. A o tomhle chlápku Vivek Ramaswamy opravdu moc nevíme,“ řekl náš zdroj.

Ramaswamy se objevil na politické scéně z ničeho nic. Absolvent Yale a Harvardu pracoval na Wall Street, než koncem roku 2014 založil biotechnologickou společnost Roviati Sciences – společnost zaměřenou na slučování technologií a vývoj léků. Zasadil se o rozvoj moderní medicíny, zejména imunosupresivních infuzí.

Po prohlášení své kandidatury 21. února se však Ramaswamy zdánlivě obrátil k antivakcinačnímu davu a řekl, že se mu hnusí uzamčení Covid a „odhalí a nakonec vykuchá“ Food and Drug Administration, pokud bude zvolen prezidentem Spojených států.

Obrátil se na komunitu Truther. Odsoudil oficiální zprávu z 11. září a řekl: "Nevěřím, že nám vláda řekla pravdu."

"S pravdou si poradíme," řekl ve výzvě k úplnému zaúčtování UFO na slyšení o dozoru ve Sněmovně reprezentantů tento měsíc.

Navíc v rozhovoru s hackem CNN Jakem Tapperem řekl, že zruší Federální rezervní systém.

Jeho appeasementy zaměřené na Truthers se vyplácejí; i když má Trump před uchazeči nepřekonatelný náskok, Ramaswamyho procentní body neustále rostly.

Generál Smith však není přesvědčen, že Ramaswamy je skutečný vlastenec.

"Gen. Smith viděl, jak jeho podíl falešných vlastenců, údajně loajálních politiků a členů ozbrojených sil podlehl korupci Deep State. Po přečtení e-mailu se generál Smith domnívá, že Ramaswamyho pozadí bylo až donedávna sporné. Nebude se bavit tím, co by mohl být trojský kůň. Pokud vím, neodpověděl," řekl náš zdroj.

I have finished moderating comments that appeared late yesterday afternoon or overnight. Have a good Sunday, people.

having read lots of comments here I want to break through at the top because I think Brian Cates has just given the answer ... ALL competition to Trump are ignoring the elephant in the room – the election fraud/stealing has to be corrected before EVERYTHING else ... because it will simply continue otherwise. <https://briancates.substack.com/p/dear-gop-establishment-the-elephant>

That's the proof that Smarmy Rami Swami is a fake ... they all are

Unless and until election integrity is guaranteed, we cannot expect positive change in this country. Trying to prioritize anything else is a waste of time and effort.

There are no ABSOLUTE guarantees however we must have the will and fortitude to clean out the obvious corruption or we will all be slaves of the democRATS answering to them yes massah and no massah AGAIN!

YES and that is where Trump and the White Hats FAILED and FAILED MISERABLY, They knew EVERYTHING at least months before the 2020 Election ever took place, and they ALLOWED the election to be stolen , ripped -off etc. Again Trump and the White Hats ALLOWED the 2020 Election to be stolen and ripped -off, THIS IS THE QUESTION EVERYONE , PATRIOTS , America First ,etc. should be and should have been asking ALL ALONG,

They did NOT fail. They avoided a civil war. Too many sheeple were still asleep.

Too many sheeple are still asleep and will remain that way until the cash flow stops. People aren't asleep they know the truth but the money is better on the other side.

If people think Joe got 81 million it's only because of cash. Money talks and BS walks this day in age.

Joe Biden only got 21 million votes TOPS! The remaining 60 million were stolen – you know it and I know it. Trump is right that election was STOLEN! And the American people just stood by with their thumbs up their asses and did NOTHING!! A fine message we sent to the democRATS. We may as well walk to the nearest FEMA camp and beg them to enslave us!!

“They” avoided a civil war. So what we got now is better than avoiding a civil war? And who is this great “They”?

Civil war may well be the answer or will you be walked to the FEMA camps in chains?

Look up the number of stolen “individuals” that have been saved, since then! Coming out soon.

I think it is true.

If arrests started in 2016 then WH well knew what to expect from them. But from the other point of view, Trump usually bring traitors to front and middle, so that everybody sees their real face and intentions. So, it might be part of his plan.

if i have a hunch. all the papers and confirm robot president.

are all part of it.

its to have everyone see the whole side of who's wrong of who's right.

Well now that you see who they are and what they plan on doing to us — what are you going to do about it?! Sitting there and doing nothing has worked soooooo well over the last 100 years now hasn't it?

They had to... most people are NOW AWAKE to all corruption. You would not have know all that's going on and the players involved... Trump and the White Hats had to set more & more traps to get the lil indian chiefs while searching for the real puppet masters.

1) remember Trump stating – ‘we caught them all, we have it all’? what he was refering to was WASH DC...

2) remember in Feb 2020 in the middle of the night, the limo busses going in & out of congress??? That night they were all told to take the deal or die as they were removing the trafficed kids from underground.

3) proof of vote fraud, Mike the pillow guy – who gave him that???

4) 2000 mules – trickled down to the states..

5) Biden crime family

6) “O” 16yr plan among other things

7) corrupt cia / fbi / doj / fed res / irs / cdc / fda / the list goes on & on.....

Think what's going on today with Trump – fake indictments

How do you show the world using the DS's own arsenal that everything Trump stated was TRUE???

How do you bring evidence into court legally by using the DS courts that can't be rejected like Ricky Lakes???

Let the prosecutors bring their evidence and then you show the real evidence.....

Trump master chess player – use the DS against themselves.

The people still don't know who the winner is in this chess match.

The fact that millions more people will die before this match is over is some of the bad news. They still think the bad guys are going to release another virus before the next election so as to stop the vote. People might turn against the master chess player when they see the real truth.

The good guys had the evidence all along and decided to wait till the corrupt people retired to arrest them, and they let millions of people die rather than expose the truth early on and save lives.

Most of the people do know who won—

The corrupt judges/govs would not allow the evidences.

The White Hates don't want a civil war – too many innocent people will get killed...

Yes more people will die from the kill shot(s)..

If they arrested all those corrupt officials with the military, the cia paid msm would be shouting Trump coup....along with congress who are just corrupt...

We all know they want to release more fake virus'

The problem is most people know it's just a shit-show now

We all know that the CDC & FDA lied as well as Big Parma.

Fauci made vids on new variants + into 2024

Gates foundation is spreading the same in Gates' name.

It had to be this way...

Sure hope so too as that's what it looks like...when you get ppl like Eric Holder..one of O's besties..your getting real close to the top so hopefully the s..t will hit the fan real soon...we can't all this crap much longer!!!

I agree with this strategy, for multiple reasons, even though I'm as eager and impatient as everyone else to see it all wrapped up already. Trump IS the master strategist and Chess player. Always miles ahead of everyone else.

One reason being, that Trump and White Hats have carefully thought through ALL of these details WAY in advance – re: the timing, the Nesara/Gesara changes, the truth disclosures regarding the MASSIVE proven elections fraud, the captures of Deep State bad actors WORLDWIDE, the underground tunnels and all the horrors that occur down there, the grossly massive human trafficking, the thousands of child torture and sacrifices, the tribunals of well known (respected?) public figures, executions, the mass poisoning of the

world with vaccines and drugs, toxic foods, deliberate disasters from HAARP events, intentional food shortages, corrupt news media, corrupt world leaders, etc..well in advance of these proceedings. It's quite simply – A LOT!

Another reason being that, sadly, there are still far too many brainwashed sheeple who are 100% clueless about 99% of all the crimes and corruption that are occurring, and that have been occurring for generations. They need to begin to SEE for themselves on MAINSTREAM TV exactly what horrors they were never aware of. That step alone could take longer than we would prefer – waking up the unenlightened – or we could end up in a full blown civil war.

All of these factors have been carefully calculated well in advance, and the sequence and timing of events that must occur, in order to reduce the severity of the backlash and possibility of civil war.

TV can't wake anybody up and the movies with hints only work for those who are catching on to other density worlds and beings and have some personal experience to back it up. It takes examples and who some people don't have them IDK but it's pretty annoying. I think they can't figure out a holographic world or something. The video games is better at explaining, or the movie the Matrix, like TV news could be explaining. No such luck as it appears they have zero use to explain that stuff. Michael Baxter can't much talk about Annunaki except he tried real hard on twistedtruth.net and now he reminds me of a stuck Trump where he has to work with what we knew in WW2 and can't get past that. Who lives in WW2 mentality? Hispanics I noticed mostly. They don't think the movies hints around, they think it's all entertainment.

For fear for their lives, soon the FAKE Newsmedia will be forced to not only switch to reporting the truth, but their censorship will be ended. Refuse to submit, you will disappear. Currently, their attacks on Trump are necessary.

So instead we just let these assholes wage war on us from every front ..I think I'd rather have civil war then play this game much longer at least we could put some cross hairs on em and start elimination of these parasites....

Tempting thoughts.... But I think, realistically, we must "Trust The Plan". There are many, many folks, a lot smarter than me, who have spent many years working out this plan, from many different angles, with ALL the relevant intel, and the best possible technology, at their disposal. And with Trump at the top of that chain, I DO trust it. I may not enjoy all aspects of it, but I have to trust it.

I don't know what to trust any more it just seems a little screwed up that the people that are awake that know what's going on have to suffer for the fact of waking the sleeping dead up slowly and gently the same people that ridiculed us called us domestic terrorist conspiracy theorist but we're supposed to have compassion on waking them up gently ...give me a break..white hats better shit or get off the pot cuz we the people aren't going to stand by waiting forever

Perhaps Trump allowed it to happen to let sheeple see how bad it would get. I would hope even the stupid commiecrats see their failed policies now! Any of you hear from the commiecrats recently about prices and Biden policies??

This had to happen to open more eyes to the corruption.

All politicians don't give a rats @ss about anyone.

They make policies for us, not them.

BUT what they don't realize now is that President Trump bankrupt the US Corp, they become treasonous by passing any policy that violates the Constitution out right.

So it doesn't matter whether they are a Demoncrat or Rhino – they

don't care.

Biden policies have no reflection on prices. It's the administration that tells big Corp to raise their prices which trickles down to all prices to go up.

Also by destroying food processing plants, prices go up. Inflation is man-made or should I say government-made to CONTROL you....

I believe the White Hats reasoning is so any charges would stick that were brought against those who had a hand in the Steal. They allowed them to pursue it and COMMIT the actual crime, rather than just having it down on paper as a backup plan. It wouldn't be enough to convict the DS Traitors in the eyes of those who aren't aware and support the Left

It is the majority of our individual 50 US state legislatures who control the electoral votes, and who gets them, not Trump! They chose Joe.

No, they allowed all the Rats & Rhinos to out themselves.. They set up cameras to catch the mules.. And still the Rhinos are protecting the Rats.. They think as long as Trump doesn't get re-elected, they are all home free..

They are so obtuse and stupid, they don't realise that the WH alliance is bigger than just Trump!!!

I've got my first check total of \$13k pretty cool. I am so excited, this is the first time i Actually earned something. I am going to work even harder now and I can't wait for next week's payment. Go to the home tab for more detail. I highly recommend everyone to apply...

And the child sex trafficking, not even Vivek is tackling that one.
Shame on him.

It's very telling when a presidential candidate doesn't discuss Sound of Freedom or trafficking. I think they hate that Jim Caviezel called President Trump our Moses

Vivek's name actually Means Mola Ram ... He is the leader of the Thuggee cult 1956 to 2023...

These are his current job accomplishments

Underground heart surgeon...

Human organ removal specialist....

Child trafficking Czar for Joe Biden 1981 to 2024

Child abduction transporter Czar

for Joe Biden 1961 to 2023

Child slavery Czar for Joe Biden

1978 to 2024..

An all-around evil, megalomaniacal psychotic priest...

Joe Biden's CDC czar appointee for 2024

Recent surveillance video shows Mola VIVEK Ram, sneaking around and then walking off with Obama's dildo collection

Do not pursue him cuz no one cares

Almost sounds true lol !

He reminds me of that lunatic in Indiana Jones movie THE TEMPLE OF DOOM will there be gatherings of Mola Ram

& Thuggee cult, which practiced child slavery, black magic, and ritualistic human sacrifice to honor the goddess Kali maa

Trans swammytogoha, Mukti degi Tranny maa, Tranny maa, Tranny maa, shakti de.

a giant swirling volcanic pool and boiling hot magma sacrificing prisoners ripping their heart out and lowering them in a locked

basket as an offering to Michael the Tranny Maa, they are dropped to their death to appease the TRANNY Maa

There will be gay men appeasing Michael's mangina with sacrifices

DeSantes stepped in it recently too. Said something like, "...the 2020 election was legitimate, but we cannot allow changing of the rules late in the process..." Something like that. A very crude paraphrase. At best, he's trying to play both sides. Which is bad enough to eliminate him from receiving my vote. He was already eliminated anyway. Just sharing....

Agree. However, it's going to be hard for the country to "correct" the election fraud. The fraud, imo, is emanating from the individual communist vs. patriot's, in our 50 US state legislatures, who ultimately grant the electoral votes to their pick, not always, the pick of the majority of the American people. We, as a country, seem to be very weak in our election processes.

Thank you, Mr. Baxter, for allowing me to post once again. Enjoy what's left of the weekend.

Right with you there.... I am sorry, but I am really not buying this Ramaswamy... Do you remember when a unknown Obama came out of no where... I think more needs to be done concerning research on this person... What he said in case something would happen to President Trump... These people all have their give a ways or tells shall we say...

Absolutely right! The reason I never voted for Obama in spite of him saying all the right things was I couldn't find anything on his background!

A valid US BIRTH CERTIFICATE for starters and not previously being known by a different name, like Barry Soetero and having a mom named Stanley. How's it going today W0zz? Or is it LI0yd, etc?

Yes, and don't forget on his "supposed" authentic birth certificate back in 1961 that referenced his race as African-American that wasn't even a term back then. They were referred to as either Colored or Negro's. If you've seen a copy of his fake birth certificate online, it references his race as Colored, not African American. Case closed.

The one I read said that he was born in 1985 which looks more accurate with the picture of him.

The lady who tried to make a decent, believable birth cert. was named Lorreta Fuddy...who was the only one who died in small crash of a small plane with approx. 5 ppl. on it... very strange..yup very strange indeed!!

Right....my thoughts too!

Obozo should have been turned upside down..inside out..he wasn't...he had changed his name from Berry Soetoro to Barack HUSSEIN Obama..WHY...he said, "to sound more mid eastern... WHY???

Well..we know now don't we?!?

Swamy needs to be looked at closely also!

COME ON TRUMP AND WHITE HATS...GOOOOO
SUNNY BAECHES GO!!!

With a name like THAT he can't have very deep roots in the Republic. That ALONE would disqualify him for me.

He was born to Indian immigrants, whether legal or illegal don't know. his wife is medical Dr surgeon. They have two children. Here is what NBC says about him. I don't believe anything NBC says 🙏

<https://www.nbcnews.com/politics/2024-election/rise-vivek-ramaswamy-long-shot-candidate-ascends-gop-primary-rcna94676>

Those Indian “immigrants” were illegals who invaded our country. His parents were NOT citizens when he was born.

Pretty sure if his parents were not citizens at the time of his birth then he doesn't meet the requirements to be the President of the USA.

Biotech entrepreneur....nothing to see here. UGH!!!!!!! It's the proverbial 'wolf in sheeps clothing''trojan horse'

Not only that he is a Hindu. We are founded upon Judeo-Christian principles. POTUS should be a Christian or a Jew. I don't mean nor are we anti-religious as we welcome all religions. Other than Jew or Christian will complicate our stance farther. Think Sharia Law.

He was a junior senator for less than 5 months with no background, experience or training when he decided to run for president! Where have you been, asleep?

Yeah, that says Obama all over the place! Why does he want to be so obvious?

I have to wonder with Obama's birth certificate in the light, did he earn those degrees to become a lawyer/senator?

Yes, and don't forget on his “supposed” authentic birth certificate back in 1961 that referenced his race as African-American that wasn't even a term back then. They were referred to as either Colored or Negro's. If you've seen a copy of his fake birth certificate online, it references his race as Colored, not African American. Case closed.

There's no way the man in the picture who is running is 61 or 62 years old. Wrong Ramaswamy. I'm not a supporter but I'm a stickler for facts.

Not enough and then the lies started cropping up and one after another and then the press started villifying the messenger. Now we all know, the press and the person were in on the lies. Now we know, he hung around with liars. Hmmm, His wife, boyfriend, did the the same thing. All the lies, All the lies. Not so smart of the people who believed and were deceived. He went to lawful liars school, called Law School.

As far as Obama being a lawyer that is highly questionable , NO PROOF of him attending law school , no transcripts etc. THERE are countless other lawyers and attorneys out there under the same suspicion

Obummer was the Jr senator. The new senator. Only a few months a senator, before he announced his Candace for pres. He voted “present” all the time so no one knew exactly where he stood.

Only if he entered upon attaining the age of majority. One cannot become MI6 at birth.

Yes, he even admits to that in his book titled, “Dreams Of My Father.” And then wants to say he was born in Hawaii??? Think again! 🤔🤔🤔
🤔

And guess where his maternal grandmother worked: the Social Security office in Hawaii. Both his maternal grandparents were rabid communists.

Obama was Hitlers grandson and a Rockefeller puppet. Also he was Mi6. Kenya belonged to Britain the year Obama was born.

No, he was not. He was a Brit according to his parentage in Kenya, but he was never Hitler’s kid. Hitler had no children.

There’s a lot of people who say he did. Some say angela Merkel is hitlers daughter too

I have a lot of admiration for you, Xena, so I am puzzled that you are SO convinced of mainstream pabulum where some subjects are concerned and then quite hard-core with your excellent descriptions of some of the deception.

For me, the evidence remains that Decievers Decieve and when credible evidence supports that... as well as first person accounts and reasonable deductions, alternative explanations have been found to yield the likeliest probabilités.

Nope. Nancy P was born of Italian stock, both sets of parents did, and neither set was German.

Don't ever do that again of misleading his personal life.

Hitler and Obama's are not related.

Hitler had no kids and actually couldn't get it up with Eva or any other woman. Everyone you people don't like is related to Hitler, it seems.

Just how naive can you people be? Those of you with eyes out there have a LOOK at Angela Merkel. Spitting Image. As for Nancy Pelosi, I hate her so much I don't trust myself when it comes to what I am capable of believing about her... have to get a lot of corroboration however... Does anyone here not remember that Mengele (Dr) was a rabid Not-see and was totally gob-smacked with the possibilities of "twinning" et all, probably the forefather of cloning technology. Anyway... Adolf does not need to get a stiffie in order for his gizz to be extracted and inserted into any creature, animal, vegetable or mineral that it amused them to experiment with. People here ought to be aware that Adolf and his closest buddies "escaped" with a lot of help from probably the same agents involved in Op Paper clip to a South American country (probably Argentina because apparently the Obummers and others use that country as a hide-out from their pursuers)... and because the Not-sees began to make their reappearance in South American countries like El Salvador,

Guatemala and Nicaragua with the horrors of “death Squad” terrorism in the 90’s which oddly enough did not seem topical enough for the msm-now media to report on. Very horrorshow, all of it.

First of all, you guys say everyone you dislike is related to Hitler. It’s your go-to insult. Second, I don’t trust your dim elderly eyes squinting at a computer screen to do amateur photo comparisons and determine beyond a reasonable doubt that someone is Hitler’s kid. Merkel looks German but she is a far throw from looking like a short Bavarian corporal with erectile issues. There is no evidence anywhere, other than crackpot Internet theories, that proves Hitler had any kids. And Germans are meticulous about record-keeping.

Obama’s too young to be Hitler’s grandson. If you’re gonna make shit up, at least get the numbers right.

What I found in his background was appalling. He went to Rev Wright’ church, who espoused this; “God damn America”. BO went to his church for many years and had a long-term affair with the “organ player”. What a play on words there. Said organ player, died mysteriously.....hmmmmmm. Kind of like the chef mishap.

Hillary was pissed! They told her to wait. She should never have been Secretary of State. That, in my opinion is what showed me how evil she really was.

Hillary sold American plutonium to Russia (which was not hers to sell). Talk about Russia, Russia, Russia!

That’s all commiecrats ever do – accuse others of the crimes they themselves are doing.

It was uranium ore, unrefined and not weapons grade, She did not “sell” the ore, she approved an export license.

I found out what was going on with Hillary and it was not good. I'll vote for any woman, but never someone like her. When the news came out that she was associated with piasagate, forget about it!! No way in hell would I ever vote Hillary if you paid me. I voted for President Trump and I never regretted it.

An old 'Sunday Standard June 27, 2004' edition, states: 'Kenyan born US Senate hopeful, Barack Obama...'. Once a liar always a liar. President Trump was right again!

I knew not to vote for Mitt Romney in 2012 because he had scrubbed articles about going to the Bilderberg meetings off the internet but they were still listed on the search engine.

So that we get this straight: Who knows whether or not The Skull & Bones got to him at Yale??

You mean being a coffin-masturbator should be disqualifying? But you've had three of those before and you didn't seem to mind! What gives?!

Those are definitely negatives! Ever seen a Harvard civil engineer grad design a road intersection.... It's so bad, it's either comedic for lack of ability, or he is just screwing with drivers, or both! I'll go with both!

I really hope he is not another sex offender. I WOULD HATE IT IF THAT WERE TRUE.

That's the most infuriating them about any politician. That they say they care about the people but they are hurting the people sexually.

I would ignore anything DeSantis has to say. The proof is in the preferred Republican nomination. Trump is ahead in a landslide.

Yes, and this is why the DS is messing with him by indicting him so much. He's right, It's election interference at the highest level to try and take him down out of the 2024 election altogether. It won't ever happen. Every time they create a new false fabricated indictment DJT's poll ratings skyrockets to top once again! MAGA!

He's still in the basement as the shadow government president telling JRB and his cronies everything and how to do it.

Hie campaign got flooded by the same elitist, crazy morons who ran the McCain and Romney races right at the outset. Expect nothing from the Rhonda Santis presidential run and I guarantee you won't be disappointed.

I must agree with you Donna, I was thinking the very same thing.....I promised myself that the next time someone flew out of nowhere with a huge smile and smug look, that I would study and study and study.....

I dunno, give him a fair shake: Ask him to submit to a few harmless polygraph questions like MB mentioned their doing in past. "Was reaching out to us your idea, or someone else's? How long have you supported President Trump? Has anyone asked you to report details about your exchanges with us? Do you in fact believe the election was stolen? Why do you believe that? Do you believe the Biden administration is legitimate? Have you ever watched 2000 Mules?" Etc., etc., etc.

Obviously never walk into anything blindly – but also don't make needless enemies if they can with confidence be friends instead.

I make \$100h while I'm traveling the world. Last week I worked on my laptop in Rome, Monti Carlo and finally Paris. This week I'm back in the USA. All I do are easy tasks from this one cool site. check it out on this site..<http://www.Payathome7.com>

Exactly what I was thinking ! Wondering what secret societies he may have been in? Skull & crossbones, knights of Malta, Masons, Eugenics club and others? Obama fooled many of us, we won't be fooled again! The price would be too high! Trump 2024!

Oh I remember that unknown Obama in 2006, and questioned what he was then—did not like him then or now. My inner instincts have served me well with good reason. I do not like that Ramaswamy shooting off at the mouth....

I AGREE WITH YOU 100% DONNA!!!
ANOTHER "DARK HORSE".

HE IS PAID BY SOROS...CHECK IT OUT.
OBAMA WAS SMART AND ALL FIRED UP TOO....AS WAS
HITLER!

I understand the questioning and need to be vetting Mr. Ramaswamy much further but the White Hats love affair with DJT, WTF ? DJT is a DECEIVER and a LIAR , DJT is ALL ABOUT the parasite , user zionist satanist state of Israel and zionist satanist degenerate jews and the practitioners of Judaism church of satan, DJT sells out the UNITED STATES OF AMERICA the REPUBLIC and the AMERICAN PEOPLE for these zionist satanist jews and the parasite state of Israel satanists at the drop of a hat and DJT will do this to his very END and the White Hats , Patriots , America First supporters do not question these heinous acts of BETRAYAL,

YES! investment partner at a hedge fund, founded a biotech company, cofounded an investment firm, and all before his 38th birthday. I want to wait, watch, and think about this one... He is telling us all the things we want to hear – antivax, disclosure, abolishing the Federal Reserve, the truth about 911... BUT, There is no penalty for lying.

The penalty for declaring what it can be presumed we want to hear with no evidence... no skin in the game, so to speak, is REJECTION of your bid for our vote. Unless, as with OB, the fix is in.

Yes, the part about abolishing the Federal Reserve is a red flag, because Pres. Trump already abolished the Federal Reserve and placed it under the Treasury. It can no longer print money for the Deep State!!!! So, this guy has obviously been bought!! I pray Gen Smith stands his ground and does not respond!!!

The “abolished” Fed just raised interest rates a quarter point. Trump must have missed something

Exactly, and we’re all still paying taxes! Missed that one too! No you get it... “the plan”!

Check your credit card interest rate and see how much of a pantomime it really is.

Wow, yes, what wonderful points hereso, he does not know what is going on then.....hmmmm. red/flag.

that’s backward. Half of what you hear, none of what you see. In today’s time
it’s also none of what you hear unless verified.

Don’t trust; get the Gitmo team could check him out. If and only the Generals approve, then maybe let him prove himself. If they trust him with their families then maybe he’s a go.

I don’t need to explain myself. Mr Baxter has done that already. Gen Smith has ignored Vivek advances. Read the article above once more and then go get an eye examination.

And check the source of verifications, because deep state plants exist in them there parts, too.

I lost my son the love of my life. I can’t eat or drink I am losing my mind. You never thought you were going to lose a child. 🙏

Then I am certain your child is a hero. He is certainly safe with God now. I know for 100% certain of heaven and know he will be greeting you when it's your time.

I'm so sorry. I lost my child as well. I think of her when I wake up and when I go to sleep. I and my other children speak of her often. Hers was a horrific way of dying and you never get to let go of the grief. It will never end. You just have to find a way to get through each day without falling apart.

I can't go into a Hallmark store and buy or read greeting cards as I end up sobbing in public. It's been over 30 years and it still feels like it happened recently. There is no death more horrible than losing your child. My prayers go out to you. God bless you and I hope you find a way to get through each day as well.

I am so sorry. I understand, I lost my daughter 13 years ago it was also a horrific death. God Bless you and Steph.

Steph—I have the answer for you !!!!! I lost a daughter so I know where you are coming from—she was the love of my life !!!! The awesome thing with being saved and truly believing in Jesus as Lord is that they would NEVER want to come back if they could. I saw Isaiah 57: 1/2 The righteous perishes, And no man takes it to heart; Merciful men are taken away, While no one considers That the righteous is taken away from EVIL. He shall enter into PEACE; They shall rest in their beds Each one walking in his uprightness !!! Just remember he is removed from all this evil that is now coming onto this world and it is going to get worse—You should turn it into rejoicing—he is free and you are locked here until it is your time—Then think of the rejoicing to come !!!!!

Wrap yourself in the full armor of God, and Jesus is the “lord” though I prefer calling him by his sacred name, Jesus.

Is there alot of censorhip here?

If there is it wont surprise me

Americans cant say anything anymore without it being censored

you bet. just dare to question the veracity of a story, or ask for a bread crumb of evidence, you'll be banned in a heartbeat.

Michael B has been incredibly light with censorship. I've seen him over time. What you are getting is simply the feelings of others here regarding your remarks. Trolls have to be ejected in the end, because they disrupt sensible or thoughtful discussion for everyone.

No, we have free speech here, so have at it. You can totally say whatever is on your mind, good, bad or ugly. This is not Facebook or Twitter or Youtube where they censor you for speaking the truth, no matter how much evidentiary support you have or how many witnesses can back you up. Have at it.

Michael, maybe you should send General Eric Smith some of these reply's here as I feel we all are thinking the same way... Be careful who you follow and who you believe...

Smith has first hand knowledge of blogs herein, intel folk are monitoring RRN.

We're all are being profiled and categorized here, risk assessment.

There's folders on everyone here, to think different I have a bridge to sell ya in Brooklyn..

Hello – Hello White Hats in blowing ya a kiss, and as for the Cabal, I'm flipping ya the bird, and double fistted bird directed at you Al Gore – you – you – Coney Island White Fish Mofo.

Hey MB, any news on grand opening of the RRN Merchandise Store?

Idea, free RRN coffee mugs for anyone catching typo errors in your spelling.

Love to have a coffee mug, better yet RRN Guinea t-shirt, and pocketed t-shirt too, both types 100% cotton.

Highly suspect first run of coffee mugs will be a collector's item, later fetching crazy money on eBay.

No doubt DJT will be thrilled in receiving complimentary mug, Admiral Crandall and General Smith too, perfect for Irish coffee.

DJT receives mementos of gratitude from foreign dignitaries, though Donald will cherish and use a RRN coffee mug.

MIA blogger: Buck Fiden would be tickled-pink if receiving a complimentary mug upon his anticipated return. Have inkling Buck goes before parole board.

Suspect Katie Hobbs blocked RRN web access on all state computers, especially in Maricopa County jail.

In closing, lacking satire, in sincerity have a good Sunday MB.

Last edited 2 days ago by John .S

Hmmm....Katie Hobs blocking RRN access? Check her devices for dating websites or sex pictures.

Nice satire post on Katie. Will have RRN send you a complimentary coffee mug on me, once I open my RRN merch account.

she not allowed to do that. that goes against the 1st amendment.

all these so called politicians suck.

Yes she can, in restricting non-governmental use on *State computer servers. Especially in Maricopa County jail library, allegedly where Buck Fiden is trying to log-on to RRN.

Would love to sent Buck some RRN merchandise upon his return. Anyone knows Buck's t-shirt size? unlike baseball caps, one size fits all.

Suspect Buck thrown a fit, not being able to log-on, trashing library, catching beat-down, adding time on his sentence in solitary confinement.

Believe Buck's photo is on Katie Hobbs and DA's Rachel Mitchell dart board, with other undesirables for publicly questioning AZ. election results.

Katie Hobbs is also making excuses and refusing to stop the Saudi Arabians from stealing Arizona water to grow alfalfa for their cows. All the while people are being denied water to their small towns and have to truck barrels of it to their homes. Cold clear water in aquifers that was last at the surface when the mammoths roamed is being drained at a horrendous rate! And all because, like the communist Chinese, they allowed foreigners into our country and to buy our land!

Wow, just researched water issue, didn't have any knowledge of that.

Thanks for the enlightenment. Will send ya a RRN coffee mug when available.

Season 2 Episode 6 of Jesse Ventura's Conspiracy Theory series entitled Great Lakes calls it "Blue Gold". China has been draining the Great Lakes for years. They fill up these huge bladders the size of ships and take them to China because their water is so polluted. I loved that series and now see he was right about every single one. There were 24 episodes in 3 seasons. Try to watch them. They are eye opening to say the least. It's no wonder the series was cancelled

Ventura is not a Trump supporter and I don't care for his political views but his series isn't about President Trump. I just wanted to clarify that.

Keep on Truck-in Michael... up here.. the deplorable's have a rougher ride on showing the non believer's the truth.. Just keep on plugin away..Step by step.. 1. 2. 3.

Vivek Ramaswamy is not eligible for the position of POTUS, he has said his parents are from India...POTUS requirements are that he has to be a NATURAL BORN CITIZEN. A NATURAL BORN CITIZEN IS SOMEONE WITH TWO US BORN PARENTS.... they tried this with obama...and they've, DS, has been trying to change this requirement since way before obama... AND Vivek has no business trying to get in contact with the WH council. He hasn't even held any substantial positions to get any special treatment with the Military.

If he was born in the US he is a citizen . A parallel is anchor babies from over the border. Born here , citizenship here .

Isn't a "Natural born citizen" the child of two US citizens? I thought that this is what made them citizens, naturally?

Currently, not the way the law is written. It should be that way, but if anyone here illegally drops their egg on our soil, it is now a US Citizen. This is why you see so many pregnant illegals rushing in to get on the dole. Most illegals with kids you see are unmarried on purpose- These invaders now get free medical, food stamps, rent subsidy from our welfare programs. Dead wrong!

Correct and even more than that. Illegals get free food, free housing, medical, dental, education, a free cellphone, \$750/month cash and a \$1500 EBT card from Biden. In addition Bank of America, Wells Fargo and Citibank give HOME LOANS to illegals with no money down, no mortgage insurance, and less documentation required than from American citizens. If the illegal defaults the taxpayer is stuck. Then they also claim EITC (Earned Income Tax Credit) from the IRS when they've never worked a day in their life here. And when each illegal spews out a baby they are paid by the head. It's a subsidized breeding program. The illegals call it "Reconquista" aka "Reconquer.". They invade and overbreed while the American taxpayer is their financial slave – including our disabled who live in pain 24/7 yet are taxed to support these able-bodied invaders.

Oh forgot to add that when illegals come here they start bringing in, on average, 24 more like them. And then the grandparents go to social security/disability as well.

But that may be how the system 'grants' citizenship, but what is the legal, Constitutional definition of "Natural born citizen". Surely the law has defined a term that is now thrown around loosely? There were arguments about Obama, too, and Kamala, right? Not a lawyer, just very curious as your country is founded upon the Constitution.

Writers of it would not have missed that,

I think? Appreciate help understanding. "Google" allows for a lot of misunderstanding, in my opinion. Have a great day!

If they want to come to America so badly, do it legally. No discrimination or racism here. I know one Catholic who tried to enter America legally, sold his house and everything to get his education and new life started, bought the tickets, the visa, the documents, and because of the Muslim ban under President Trump (because he was from a Muslim majority country in Africa) he was denied upon entry and had to go right back to his country. He was very angry, he lost everything and now has nothing. This is what he told me. And this is not fair because he is not a Muslim, but a Catholic, and has done no wrong.

It IS fair. We don't want him. Let him work, fight, sacrifice and live in his country to make it better. He is NOT coming here! Good riddance.

Last edited 1 day ago by Sue

His parents illegally invaded our country and were NOT legal US citizens when he was born.

There is a difference in being a citizen and being a "natural-born citizen." He's not eligible, as Obama wasn't.

He is an American, born and bred in the US. Even so, he made a big mistake by being so presumptuous to think that Gen. Smith would want to meet him.

Red flag was his sentence telling Gen. Smith to keep his options open because "what if" something happened to Trump. To question Gen. Smith's process was a dumb move, who does he think he is! He's either too full of himself or just too eager to get a foot in.

Next thing he'll be turning up at Gitmo's front gates, like DeSantis tried to do. Let's be honest, Vivek in the overall scheme of things is a nobody.

Last edited 2 days ago by Dragonista

His parents were illegals who invaded our country and not citizens when he was born.

Which is funny because Senator Obama was the one making it hard for John McCain to run for president in 2008 without proof of his birth certificate and he was born in Panama in 1936 before President Carter or someone sold the canal to the Chinese in the 1970s. Now all traffic via the canal has to be monitored. You don't go through without their say so, so it takes over 2 months to go the long way around the tip of Argentina and Chile to get to the other side of the world whereas it takes two weeks to go through the canal.

SHAMEFUL.

[centerforsecuritypolicy.org/carter-clinton-legacy-chinese-penetration-of-panama-2 /](https://centerforsecuritypolicy.org/carter-clinton-legacy-chinese-penetration-of-panama-2/)

Your assertion about natural born citizenship is not entirely correct, but I will admit that the definition is not exactly black and white either.

[three spaces included]

he came out of No Where almost like obama only difference is obama was a senator before he ran for the number 1 position. this guy wants the number 1 position first.

Obama was a junior senator for less than 5 months before he decided to run for the presidency! He had no education, training or experience and was a Deep State plant.

Ramaswamy is a scam artist who took a failed drug, renamed it, and made millions with false claims.

Very dubious. Election interference and election integrity have to be restored! Deep State in the middle of trying to create confusion and division.

Where was the picture of him taken? It looks like hes telling jokes on America's Got Talent!

Michael, I know you never post anything of mine and that's ok but hope you read this. What ever happened to the warehouse in California that had deceit children in the freezer?

Ramaswamy may be small of stature, but he has a giant, huge, condescending, nasty, entitled, globalist type of ego. Thanks but no thanks.

Obama appeared overnight too and look what we ended up with. The problem with most, they say alot of things to get your vote and then do the opposite when elected. Am i saying this guy is bad, no, but does anything good come out of Harvard? Just sayin

The UN "chief" is announcing that People (esp Christians) who object to child rape (and a host of formerly recognized as CRIMINAL ACTS) will be "shunned" essentially banned from participation in whatever public or social dialogue and that children "want to have sex with adults" and to deny them that is to "discriminate"

I hardly trust myself to describe my emotions.

They are flaming out now – evidently dropping all the disguises!!!!

IS THERE ANYONE HERE WHO THINKS MY FREQUENT REFERENCES TO THE OUTTRIGHT SATANISM OF THE ENEMY IS AN OVERREACTION – STILL!!!???!!!

It has NEVER BEEN DE-BUNKED and make no mistake... there is nothing to be gained by making up stories like that by the intended targets of these crimes... this back and forth, now you see it, now you don't format of controlling the roll-out, first of the audacious idea, testing the push-back to see how placid people have become, mocking anyone perceptive enough to recognize the presentation of the idea for what it is, but little by little the idea is presented in more formats thinly veiled alternating with shock runs... until the crime becomes the law of the land. That is the goal... all of the pedos looking to re-write laws to legalize their crimes. You are the one spreading bullshyte here spreading deception about "debunked". That is the same lie all the trolls on message boards are assigned to dissemble when some especially horrific fact about the agenda being advanced is first sent out like a trial balloon. One step forward –two steps back , testing the water, pushing, pushing the agenda

Trolls like you have the job of ridiculing any revelation of the truth, before the crime is so advanced it cannot be reversed... It anoints itself in the deception of having been consented to by those who 'never saw it coming'

It's made up. If you looked outside your dark, tiny circle of "Truther" sources you would find ample evidence. You WANT this to be true and that's why you will not be dissuaded. The head of the UN has NO AUTHORITY over governments anywhere, ours included. It's an international body that relies on the voluntary cooperation of its members.

The post you quote has done precisely what it intended for you; induce emotional overload and, more important, spread the story. It's clickbait and you have been hooked.

Gen Smith doesn't have to send any. Let him sit a wait, there are a lots a traitors dressed as patriots.

"You should leave options open should anything unfortunate happen to former President Trump."

That language sounds to me like an anonymous warning.

Michael Baxter; was Army MajGen A. Potts, who perished on July 25th, while piloting and alone in a single engine (private?) airplane, a White Hat?

Please advise.

Pease get us some news so I don't have to look at this PofS,scumbag, male Nicki Haley when I open the page every day.

Prayer for President Trump

(If you are a mature Christian, please proceed.)

Father God, we repent for this nation, especially for the shedding of innocent blood through abortion, through Satanic human sacrifice, paedophilia, adrenochrome production, incest, child rape, and child sex trafficking, according to Leviticus 18:6-18, Jude 1:7, Galatians 5:10, 2 Kings 23:10, Leviticus 18:22 and Romans 1:20-32.

We repent for ANY and ALL sin that opened the door for the enemy to gain legal ground for what is taking place in this nation. (2 Chronicles 7:14)

Father, we come boldly to your throne of grace, standing in AGREEMENT, with one accord, as demonstrated in Acts 1:14. Jesus made an open show of and disarmed principalities and powers, and we have been given that power, authority, and dominion over ALL the powers of the enemy.

We exercise it now, per Luke 10:19, **IN THE MIGHTY NAME OF**

JESUS we take authority over the principalities and powers, wicked spirits, thrones, and dominions and rulers in the high places; in the air, on the land, in the water and underground.

We bind the strongman over our nation right now, all territorial spirits and all marine spirits operating over the nation. We lift up President Donald J. Trump and his family to you. We bind, cage and chain every demon operating against the Trump family.

Satan, we bind you, rebuke you, and render you and your demons powerless against PDJT.

In Jesus Name, we bind the strongman assigned to him. In the name and by the shed blood of Jesus, we cut off and bring to naught the power of the spirit of the witch, wizard, warlock, witch doctor, magi, divinator, sorcerer and high priest sending assignments against him. We come against them by the power of the SHED BLOOD of JESUS. We loose a WALL OF FIRE of the HOLY GHOST around ourselves, PDJT and AMERICA! (Zechariah 2:5).

We sever the silver cord of every spirit that is astral projecting. In the name of Jesus we cut off and bring to naught every ritual, custom, ceremony, curse, hex, vex, spell, incantation, chant, evil spoken judgment, magik, evil prayer, dance, trance, animal or human sacrifice, drums, shells/beads/bones /candles, pins, nails, rituals, customs, voodoo and hoodoo, hulu and julu, santeria and palomayombe.

We cut off ALL these supply lines, seals, cords, alters, ligatures, laylines, pathways, gates and portals. We declare that the weapons of our warfare are not carnal but mighty in God to the tearing down of strongholds.

We decree that Jesus Christ is the Name above every name and that at His Name, every knee must bow and every tongue must confess that He alone is Lord, in heaven and on earth.

Right now, we loose civil war into the enemy's camp! We command the mighty warrior angels to make war immediately on all entities, fallen angels and dark powers to destroy our President Trump and his family! Even as Paul declared blindness upon the agents of

darkness in Acts 13:6-11, we, too, declare blindness upon all those taking part in evil plots against PDJT—that they will grope about as one in darkness so their plans CANNOT be carried out! WE DECREE RIGHT NOW THAT OUR ENEMIES ARE TURNING ON EACH OTHER and that every curse from the kingdom of darkness will fall upon those sending it. In Jesus Name we send ALL curses back to the devils.

Father, we ask you to deliver President Donald J. Trump from the snare of the fowler and from the perilous pestilence. We ask that you would grant President Trump complete amnesty from his enemies. We make a request (according to Philippians 4:6) that all evil deeds and assignments be stopped, and that massive arrest warrants to hell's agents are going out NOW! God, we thank You that You are the God who has fixed His throne upon righteousness and justice! We ask that You place Your mighty warrior angels to stand shoulder-to-shoulder around President Trump and his family members, that no evil would penetrate. We decree and declare that no evil will befall President Trump, his wife, his children or his grandchildren. And finally Father, we ask you to bless these United States of America. We give You the praise, honor, and glory, and we give you thanks. We pray this in the name of our Lord Jesus Christ from Nazareth.

AMEN, AMEN AND AMEN.

First two strikes against guy, Harvard and Yale the same septic tank as the Bushes, Clintons, Obama's etc, went to and produced crimes against humanities, sex with children and killing children, I couldn't trust of these people Republican or Democrats same mold. I support true Patriots

Gross, I bet Rama Swami has flat feet. At least he looks like one of those.

Vivek's background doesn't coincide with the White Hat agenda. Like the article states, "Ramaswamy appeared on the political stage out of thin air." That's a red flag in itself. The guy seems too good to be

true.

If Vivek backs everything Trump, then why does he still feel the need to run against Trump? I believe it is all lip service to gain Trump Supporters who may otherwise feel the need to leap off the Trump Train before it derails in their mind, who believe the News Narratives when it comes to Trump's legal woes, still that's a thin majority, but nonetheless a Vote away from Trump.

Vivek may APPEAR to have good intentions, but Michael also says here that they know little about him. How/why is that? He needs to be monitored closely and vetted thoroughly sooner rather than later. Gen. Smith should put Vivek on notice by giving him a thanks, but no thanks at this time and that Vivek's dealings, Voting on Bills, etc. will be highly scrutinized going forward. I'm glad Gen. Smith has his guard up.

Figures. So he is a fraud. People are supporting the dude without knowing who he is, lol.

When Hilary was uncovered as having a hand in the murders of 114 people and the Pizagate scandal in 2016, that was it. Now the Clinton Body Count is up to 179, but Hillary was hanged in 2021.

Only the ABC journalist who was shot to death for writing *Secrets on the Tarmac* and was not only writing another book, but was also slotted to testify against WJC at his tribunal. They got to him before he could appear in GITMO. His widow testified that he was not suicidal, despite his protecting his family as best he could.

Delenda Est Coniurati [The Cabal Must Be Destroyed]

Thanks, WWC

I don't trust Vivek, but did anyone see that his plane made some kind of emergency landing due to oxygen system going kaput. I can't help but wonder if this DeSantis move to try and ingratiate himself with white hats got the attention of the black hats. I'm so sick of the bullshit and liars, I hope we finally see some justice dispensed in full view of the public once and for all.

With that "should something unfortunate" statement, I would arrange the meeting at Gitmo. What a jackass!

Ramaswamy is just another Kamala Harris. Both are high caste Brahmin Indian. Both are born to non-American non-citizen parents. Neither are qualified for the office of President. Harris cannot succeed Biden, but Biden is just an actor playing the Resident anyway. Brahmins are among the most racist people on Earth, extremely separated from the lower castes.

America is a Christian nation. Ramaswamy is Hindu. He's a CANDIDATE and wants information only the President should have. Smells like another DeSantis to me, an infiltrator. He's tied to the pharmaceutical industry. So far, he's adding up to me to possibly be another trojan horse bought by the Deep State to funnel intel to them, with the appearance of DeSantis and Flynn. I don't see anything special about him. I say he gets nothing until he's President. A big smile doesn't win my contest.

No it's not, stop with the lies.

America is not christian only

Last edited 20 hours ago by Talion

Of course! You DON'T have to conform to ANY faith to live in America. That was the Main reason people fled to "the new world" ... to get away from religious persecution so of course people of all different faiths live here without interference
That is TOLERANCE and it is a CHRISTIAN PRINCIPLE.

Also, the men who wrote the Constitution sought guidance through prayer to identify which ideals are the most important to guarantee the freedom for which the Revolution was fought.

It is a principle of Christianity that we are to have no authorities above God as Jesus identified God to us. That means NO DICTATORS. NO EARTHLY OVERLORDS OR AUTHORITIES. Each of us is free to take counsel with God as we understand him and to act in accordance with what we believe... as long as we don't interfere with the guaranteed rights of others. These are Christian concepts, Christian ideals and the guiding principles incorporated into the documents which establish the foundation of our laws and system of government as it was documented at the time of its founding.

Pres Trump speech today, 8/8/23, at 2:30 pm EST. Go to RSBN.com and go to the 3 horizontal stripes, then go to Watch Live. If you miss it RSBN replays it several times. Be aware, sometimes Trump is delayed an extra 30 minutes.

Ramaswamy is a scam artist. This link shows how he used an already failed drug, renamed it, and made millions scamming innocent people. His run for the presidency is just a bigger scam filled with bull\$hit and doubletalk.

youtu.be/59qQfV2_9w4

Just saw a pic of Trump in Alabama. He was standing in front of at least a half-dozen gold-fringed American flags. That's supposed to be bad, I'm told. Law of the Sea and all.

No, it means we are under US Military Continuation of Government, with Trump as Commander-in-Chief. See Derek Johnson for more information.

I generally don't consider struggling country music artists as experts in political science or government operations. The vast majority of truther sites say it means admiralty law is in effect.

Insane lunatic retard nancy pelosi (her clone) made this comment on President Trump running for a second term:

nancy pelosi:

“Don’t even think of that. Don’t think of the World being on fire. It cannot happen or we will not be the United States of America . . .

. . . If he were to be president It would be a criminal enterprise in the Whitehouse.”

My response: With this insane statement of pelosi I cannot help but believe she was thinking of the biden criminal family.

Everything she said here fits right into the biden criminal family and the state of our country, and that is that “we are not the United States of America” that is exactly what our country is now with biden as an illegitimate president.

Second, biden being the president, illegitimate at that, “it is a criminal enterprise right now in the Whitehouse.”

That is exactly what it is now with the biden criminal family in the Whitehouse.

So what I can say is pelosi was thinking of the biden criminal family as she was saying this, definitely not Trump in her mind.

As I’ve said so many times before, the pedo crooked lying corrupt evil demonic democrats are falsley accusing others of what they are guilty of. This is a very good example of that.

Last edited 23 hours ago by SaveUSA2024-SaveGOD’sChildren

So the clone thinks, speaks and acts like the original. Almost as if she was never executed at all. What was the point of hanging her if nothing changes?

Yes, that's rich coming from Pelosi Mafiosi. Her father was in the Baltimore mafia. That's how Pelosi and her brother got their start. (Nancy D'Alessandro Pelosi)

Could only imagine if Vivek gets elected the Whitehouse will be stinking of curry, and guaranteed, Dot Head chef will be slaughtering goats at kitchen access, skinning caucus from tree, then BBQing on open fire pit, as peon indentured servant [caste system] makes naan bread on hot coals, blaring their irritating Hindi music.

Later a small gate and access road installed on corner of property for a 24hr drive through Lotto Machine also cigarette & beer sales, similar to Dairy Barn for family members to operate.

PS:

Fact: Dot Heads are cockroaches, their third-world way of life is compromising American standards of living.

They destroy neighborhoods turning them into slums, case in point: Richmond Hill section of Queens NY 11418 & 11419, once a vibrant pristine neighborhood.

Dot Heads, in my circle referenced as: "Wogs" few decently clean-up as 'corporate' convenience store clerks, though not hotdog cart operators, and taxi drivers whom different, no hygiene lacking shame as animals, again they're cockroaches.

Truth Hurts.

Watch YouTube Short videos, and Tic Toc, which is conditioning Americans for acceptance of their Third World lifestyle as socially acceptable here in the USA.

It's a Big Tech Psy-op, again Dot Heads are Cockroaches, and the majority despise Americans, essentially similar to Ilhan Omar's group.

Spot on..... if you were to polish a dog turd named Obama but this time in a conservative's dress. People from India seem rather morally... ambiguous to me. I don't know if Hinduism has some bullshit in it like the Talmud and Mishna do regarding lying to goyim but there's a reason that's where the majority of the scam call centers are located.

Sorry to say....this article is LAME.... I believe you've reached the bottom of the barrel on this one Michael what the hell happened dude

Needs a wheelchair it's so lame. And no one got shot, hung or tortured, no defiant cliché-ridden speeches, no battle-hardened muscular marines, none of the usual formulaic elements we have come to know and love.

Our battle has its roots in God & good fighting Satan & evil. So before any decision is made pray for direction. Let God lead. Gen. Berger should be the person to handle this in his new position. Don't let this distract General Smith from his role or mission. As the world becomes more aware of the military in taking down the deep state there will be more questions, interest, support, oppositions, etc. Gen Smith doesn't need to be the middleman.

welp, no more adblockers on YouTube. there forcing everyone to watch there ads, lol.

they sure want us fat so badly.

Since he had anything to do with the medical industry, I don't trust him at all. And especially since he's trying to make aliens seem real.

Why would any of us even care? There isn't gonna be an election in 2024. We never cleared up 2020, nothing has changed and President Trump is still the Commander and Chief. We are waiting for him to return and the EBS. I could care less about any of these so called fake politicians. It's all just a fake distraction. Meanwhile it

appears we may have the Deep State infiltrating the Truther movement and many of these so called new alternative journalists are Deep State. I have heard the Deep State has infiltrated the church and many of these mega pastors are compromised and plants. Mr. Baxter do you have any intel about these pastor infiltrators and whether or not they will be dealt with in the Military Tribunals? Also have you heard of anymore executions you can share? I think the American people deserve to know that these evil lunatics are being dealt with. Also, next time you speak with your source can you share that the American people are waiting and that we stand behind President Trump and we thank him and the Military for all they are doing. Mr. Baxter is it your opinion that we can expect the EBS before the end of this year or will it be in 2024? Thank you for all you do Mr. Baxter in sharing truths that no one else seems to be sharing.

maybe sooner with the way things going with the wef, gov'ts, china and russia.

It's "Commander in Chief," per the Constitution and Trump ain't in that role any more. He said so many times. Now it seems you want to extrajudicially murder pastors. Very commendable

Okay we need to be fair: Vivek Ramaswamy graduated from Harvard (biology) and then Yale (JD).

Harvard is the home and training ground of corporate leaders. You don't go to school there you get the big jobs!

Yale also develops leaders for high positions in our corporations and has the Skull and Bones order!

"Skull and Bones, also known as The Order, Order 322 or The Brotherhood of Death, is an undergraduate senior secret student society at Yale University in New Haven, Connecticut. The oldest

senior-class society at the university, Skull and Bones has become a cultural institution known for its powerful alumni and various conspiracy theories”.

Those schools are grooming grounds for Deep State! Neither school is cheap, which suggest either his Indian parents have lots of money (possible) or someone was backing him for a role!
Hang on to your hat!

“He wrote his senior thesis on the ethical questions raised by creating human-animal chimeras and earned a Bowdoin Prize. An op-ed by Ramaswamy summarizing his thesis was published by the *Boston Globe* and republished in the *New York Times*. In 2011, Ramaswamy was awarded a post-graduate fellowship by the Paul & Daisy **Soros Fellowships for New Americans. In 2013, he earned a J.D. from Yale Law School. **At that time, Ramaswamy was already wealthy from his involvement in the finance, pharmaceutical, and biotech industries; he said in 2023 that he had a net worth of around \$15 million before graduating from law school****

Wow, \$15 million before graduating grad school. That happens all the time(SIC)

DID you notice the **SOROS Fellowship for New Americans???
I see nothing suspicious here???**

A handful of students are part of Skull and Bones, not the entire student body. It's more of a pathetic frat populated with geeky rich kids than some world dominating cabal. About the most exciting thing they do is throw big dinner parties and talk about daddy's portfolio.

Of course, in your fevered imaginations it's like the scene on Animal House when Chip Diller is inducted into the Omegas. Black robes, candles, incantations. Because that's what you WANT it to be.

It is well known that in the past Skull and Bones has hosted political figures that were less than admirable. This includes criminal leaders of major companies. Skull and Bones may now be a thing of the past (doubt it), but it gained a very bad reputation for promoting or trying to promote control of the financial systems and corporate management including elected officials.

The information about Skull and Bones was a QUOTE about them.

You also forgot to mention the Soros's GRANT. Soros is known for funding criminal political figures. And then the unbelievable \$15 million earned in such a short time! It sounds like he is being positioned to do "good" for someone... and not us.

Where Animal House was a decent and fun movie, there is more to remember in it than the induction scene which at best was boring. My fevered imagination has better things to do.

Where my comment was about Vivek as a candidate viable for President, you focused on the Skull and Bones and my fevered imagination.

I think you missed the point

lol, so you think wishing trump dead cause you don't like him is free speech?

since when wishing trump dead is free speech?

you sure hate the u.s then.

if you hate trump that much, you hate free worlds.

go back to china if you hate free worlds so badly.

New Haven also home of the Knights of Columbus that subsidizes "Catholic Charities" providing air and bus travel for migrants.

Seen migrants carrying Catholic Charities tote bags, MSM now blurs that out when broadcasting.

Don't purchase any K-of-C raffle books, also known as C&B Chances [charity and benevolence], percentage of proceeds go to a Bishop's Fund covertly assisting migrants.

BTW, New Haven neapolitan pizza, could say, Burnt Pizza is all hype, garbage pizza, I know and tasted it, plus I'm from Brooklyn knowing pizza.

Meet ya at Patsy's [801 2nd Ave] best pizza in NYC, Grimaldi's in Brooklyn, bon appetit.

FYI, ex NYC Mayor Bill di Blasio's subway turnstile jumping son Dante is attending Yale, keep eyes on him, he will evidently pop-up later, not for the better.

First of all, I believe Trump deserves his second term he's got coming to him and was cheated out of, any America loving patriot would never cheat our beloved president Trump, Rama%\$#@! And Desanctimonious Should wait their turn, Trump was a good president that kept his promises, they don't attack him on his policies nor promises bc they know they will never win.

H was cheated in his FIRST term too. They never let up for even one day and obstructed his every move.

Vivek is part of big Pharma and Globalists. Why would he want to meet with White Hats??? Cmon Red Flag.

Because he's just another opportunist, dumb enough to think he can pass as an outsider despite the fact he's obviously another whore for the NWO. The more I hear him speak the more I want to punch his lights out.

I don't trust this smarmy jerk further than I could throw him. Big P background, Yale, Harvard. I mean this is basically a summary of the institutions that have destroyed the USA. I'll stick with Trump, thank

you so much.

I would immediately question anyone in the Biotech field, considering what we have been through with comrades Gates and Fauci. The other point would be his Hindu Religion not being compatible to our Republic, as I refer to obama having a koran over the Bible at his swearing in. Judaeo/Christianity has brought us through generations, but you see what is happening to this country in short order by liberalism/communism.
