Námořní pěchota Spojených států na Maui viděla na vlastní oči zvěrstva spáchaná Deep State – nafouklá těla posetá kulkami plující obličejem dolů v karmínovém přílivu; příslušníci havajské národní

gardy, kteří se prohrabávají v kapsách mrtvých ostrovanů a turistů; FEMA a Červený kříž zakazují občanům přístup k nedalekému jídlu, vodě a přístřešku.

Na Front Street v Lahaině uniformovaný policista z neznámých důvodů střílí chodce do zad. Policista si pak všimne přihlížejícího, který si incident natáčí na mobil, a zastřelí ho také.

Kulka zasáhne jeho lebku, když se hrabe do kapes mrtvého muže a snaží se strhnout snubní prsten z neživého, oteklého prstu. Dotkne se rukou čela a nevěřícně se podívá na své krví potřísněné prsty. Zhrouťí se, pistole mu vypadne z druhé ruky.

Byl pátým policistou z Deep State, kterého námořní pěchota zabila od příjezdu na Maui ve středu pozdě odpoledne.

Jak bylo oznámeno včera, generál Eric M. Smith v Camp Pendleton nařídil Marines na Maui, aby prošetřili tvrzení, že Havajská národní garda a FEMA terorizovaly oběti katastrofy. Zdroj z generálovy kanceláře řekl Real Raw News, že mariňáci dorazili na Maui v 16:00 a okamžitě byli svědky a reagovali na nepředstavitelné krveprolití. Počet obětí označil za „katastrofální“. Nechtěl vyčíslit, kolik mariňáků šlo na Maui, ale jeho ponurý tón naznačoval, že síly Deep State výrazně převyšovaly Bílé klobouky. Záloha, řekl, je na cestě.

"Opravdu jsme nečekali, že místní donucovací orgány budou bojovat po boku federálů a Národní gardy," řekl. "To, co viděli námořníci, není nic jiného než vykonstruovaná genocida."

Poblíž nakládacího doku v Lahaině našli mariňáci provizorní hromadný hrob, 15 spálených mrtvol nahromaděných jedna na druhé v průmyslovém kontejneru. Požár je nezabil, řekl náš zdroj. Místo toho je někdo použil plamenomet, aby je spálil, a pak mrtvoly uložil do koše.

"Jsme si tím jisti, protože byli zastřeleni jako první," řekl náš zdroj. „Nepochybně média nakonec řeknou, že je zabil oheň. Byli zavražděni a ano, také děti."

Po setmění narazili mariňáci na tábořiště FEMA/Národní gardy, kde agenti a gardisté rozdělovali neoprávněně nabytou kořist nepochybně ukradenou z těl obětí. Zločinci seděli ve skládacích síťových křeslech osvětlených pod stojícími LED lampami a dohadovali se, kdo získá jaké ukradené věci. Spor skončil náhle, když Marines zahájil palbu a zabil šest padouchů Deep State.

"Pravidla pro nasazení generála Smithe: bez zbraní," řekl náš zdroj.

„Zbraně zdarma“ je vojenský žargon, který umožňuje námořní pěchotě zaútočit na nepřátelské cíle podle libosti.

Jinde viděla jednotka námořních průzkumníků a odstřelovačů policisty a gardisty házet mrtvoly rozházené po chodníku do popelářského vozu, jako by mrtví byli odpadky na jedno použití. Marines spustil krupobití automatické palby, která rychle zničila jejich cíle, ale ne dříve, než šťastný výstřel policisty z Maui si vyžádal život udatného mariňáka.

Náš zdroj uvedl, že námořní pěchota měla ve středu večer 13 střetnutí, včetně přestřelky proti těžce ozbrojené četě Národní gardy.

"Posouzení bitevních škod stále přichází, ale tohle v dohledné době nekončí." Deep State je zakořeněný, ale jsme tam na dlouhou trať a budeme bojovat, dokud nebude každý poslední nakrmený a zkorumpovaný policajt vyřízen nebo vyhnán z Havaje," řekl náš zdroj.

Marine reinforcements have broken a Deep State blockade, opening up an MSR whereby boats carrying relief supplies can get those supplies to civilians. Marines have driven “some FEMA/NG” into the mountains and are in pursuit. Marines have identified some NG as really being federal agents. Marines fear the 1000+ missing is an understatement. They believe the missing are dead or have been abducted, casualties of war. Special Forces paid a visit to the governor’s manion in Honolulu, but it was deserted. I’ll have another full report tomorrow morning. Some Deep Staters are shedding their uniforms and trying to blend in with the native population.

Valuable land but ancestral land. The DS had to have a natural disaster to rezone land so they created one. It is always about money, greed, power, all the evils that DS crave.

As the Illuminati likes to say, *Ordo ab Chao*, or order out of chaos yes, they are all in the new world order of bad things together..... evil meshes with evil.....

I’ve got my first check for a total of 13 thousand buck. I am so energized, this is whenever I first really acquired something. I will work much harder now and I can hardly hang tight for the following week’s installment. Go to the Home tab for more detail. I highly recommend everyone to apply.. **Payathome7.com**

Blacks Law is drivel. All lawyers more correctly identified in the British parlance as “solicitors” will be deregistered. They are trained in a criminal perversion of law called legalese which is part of the problem of where we are now.

Legalese is witchcraft, spells and counter spells. Have to know their language to engage them aka, Witches & Warlocks.

School teacher mantra: “make sure your “Spell”-ing is correct.

Below two words worth cross reference between Black's/Bouvier's Law Dictionary and Websters Dictionary, showcasing word/legalese perversion.

[1] Insinuate, interpreted as: subtle hint or gesture.

[2] Intangible, interpreted as: unable to be touched or grasped.

PS: shout-out to a special MIA someone in bringing “Intangible” to my attention, Cheers to Ya!

“All Legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a The senate and house of representatives .”*“The people have a right in an Orderly and peaceable manner, to assemble and consult upon the common good, give instructions to their representatives; and to request of the legislative body, by way of petition or remonstrance, redress of the wrongs done them, and of the grievances they suffer.”*

Part two what redress is being sought.

And here by request that this State of Michigan To Review and investigate all of the Above elements presented and other elements of crimes that have be waged upon myself and others That are known publicly or to be brought forward by Robert Gregory Boensch to be included in this Document at a later day.

and use the law as required to do the following and to expand the breath of these requests to include any and all others laws that are applicable to cover all actions that were carried out and include all the party’s involved even those that are not stated in this documents.

I am also demanding to make every Court in Michigan a Common Law Court. And the abolishment of this State’s bar association and demand that no member of said bar or any other states bar to participate in any legal mater in the State of Michigan. And fore the Abandonment of all statutory laws in this state of Michigan for the history and use of many of these laws are to hurt and eat off the substance of the common people of Michigan by those in Power and it has been proven time and time again by my personal experience of the actions that were carried against Me and others that I am a witness To.

You're doing a great job at it yourself, whereas myself won't get into it.

The Peanut Gallery and 'Law Society' always have something to say, running their discredit tactics, yelping nonsense via Southern Poverty Law Center i.e., "Conspiracy Theorist" and "Sovereign Citizen".

FYI Peanut Gallery: "a lawyers first responsibility is to the court..., not the client". See, Corpus Juris Secundum, Volume 7, Rule 4.

I undersigned rest my hand hereunto as: non-assumpsit per idem sonans persona ficta.

I heard that from a couple different sources also, that there were some very aggressive organizations trying to buy up scorched areas of Maui for pennies on the dollar. Bear in mind, this is land that likely would not have ever been for sale at any price.

I have studied where these kazillionaires are in such a nutty level of mind of heavily into themselves, plus psychopaths to the highest order and they can buy off anybody to get to do what they want, would be dumb enuff to snuff out what they don't want with paid off federal flunkies and America could'nt care less attitude, just aint gonna work this time!! Their flunkies ran off to hills, or tried to blend in with commonfolk.

I'm 76 and with all of the black hat shit war going on, I'm reliving my 2 tours of Vietnam that's 3 times worse and under attack by our own Rockefeller crime families! Wutta nightmare to live in, but the good guys are winning

To Bad The American Indian natives Didn't have Any One To Come to Their rescue As They were massacred, Same playbook different year

The natives were ordered slottered by the Rothies, so that they could snatch the lands on pennies on a dollar. This is suppressed history that our masters have blotted out of the history books....don't want the sheeple too smart, or we will lose our powers.....,plus da' munny....

A diversion to abduct children. The deep state needs Adrenochrome more than a heroin addict craves heroin. Adrenochrome is said to be 100 times more addictive than heroin and heroin addicts will sell their grandmothers to get another fix. The elites do not care who they have to kill or in what horrific manner as long as they get what they want. Why haven't we killed Oprah yet?

Yes, Lisa, you hit the nail on the head, this explains so many wars and battles.....the heart of man can be deceitfully wicked
Narrow is the way and few there be that find it.....   

Real Estate and the foundation for a Smart City. The people of Lahania refused to sell so they were eliminated.

Billionaires like Oprah Winfrey can only lease the land for 99 years. He-she-it cannot own the land. So, if they can murder enough native Hawaiians, they hope to frighten the remaining natives into changing the law.

If you can reach Merrick Garland in Ukraine, ask him for me.

HAH. Go do it killer. Show us what you got. If you can pull yourself off the couch

I wonder where that trator Janet Yellen is, last I heard she was headed for China to have a talk, I think that was a cover story from fake news media

The Dems & DS did the Maui attack to create a deadly Climate Change false flag so as to promote fear set up phase 1 for the creation of a Marxist 15 minute city !!! . . . Ultimately, the Dems & DS want all of the Hawaiian Islands to be run by the Cabal. ~ That's the reason for the attack on Maui. It's just phase 1.

Research Jaimie Walden. He is a wealth of information and what he has to say will scare the living daylights out of any sane person.

Yes. Obviously deep state mass carnage, but why and why there? Need a distraction from Biden dollars media exposure? Maybe but everyone knows that, nothing new. Ukraine? Maybe, but nothing new either. Could try to call it New Pearl Harbor and blame it on Rusks to start nukes a falling? Maybe but they haven't yet.

Is there a holy grail of some sort that could be found under ashes? Native religion holy site or relic maybe? It is the native religion important town. Anything in that direction MB?

Isaiah 54:17 blessing on all white hats everywhere, everyday. May no weapon formed against them prosper.

I hear Maui is a portal. BH may have been trying to either grab it or close it down.

I do believe it's much more than meets the eye.

The 15 min city land grabs etc are the afterthought, they want what's in those DUMBS.

It has been written that active volcanoes are the portals into the abyss. There is an active volcano on the Islands.

The Island of Maui has one active volcano, Haleakalā, which has erupted at least 10 times during the past 1,000 years.

They purged the land and the people. To take the land? Cleared everything out. Scraped it clean to start over Look at the panorama picture at the beginning of this article. So sad. Nothing left.

The Governors residence is is still intact, so too the big hotel down by the beach. Dont assume nothing is left because that's plainly not true.

No one does.

The mind of the wicked is, as the word suggests; twisted. 'Wicker furniture' – twisted. The wicked can't think straight.

Point is, who knows why they somewhat they do. They're just plain wicked.

AN ISLAND, LIMITED LAND, LOCAL HAWAIIAN FAMILIES DIDN'T WANT TO SALE THERE HOME. , THE MANSIONS OWNED BY OPRAH, WILL SMITH, GAGA , PFIZER CEO, WERE ALL UNTOUCHED AND RIGHT ABOVE THE CARNAGE. SAW A VIDEO FROM A PLANE, THAT SHOWED POLICE CARS FORMED INTO A ROAD BLOCK NOT ALLOWING PEOPLE OUT OF FRONT STREET LAHAINA.

So strange, huh? OPRAH, WILL SMITH, GAGA, PFIZER CEOALL untouched by the mess.....sounds like a plan to me.....

“...didn’t want to SELL THEIR homes...” Hope you “see” some spell-check, and take a hint. Otherwise, interesting ideas & information. Thanks.

It is a multi-benefit attack upon which one can speculate:

1. Ancestral land which Hawaiians are not prepared to give up.
2. Smart City/Island.
3. De-population.
4. Satanic sacrifice – 8/8
5. Trumps 4th. indictment. He now has the ability to reveal all. The Space Force has it all. Space Force has an underground base in Maui. (I understand from Kerrie Cassidy)

My take: Black Hat direct atrocities on U.S. citizens are meant to force Trump/White Hats to capitulate. (won’t happen)

I heard FEMA predicted 3m000 dead now. Hopefully they were counting themselves as the Marines removed them from among the living.

I don’t think the bastards saw themselves as among the dead. I am forever thankful and grateful for the White Hats who will go into these war zones and try to rid us of these demons. They are so brave and we need to pray for them constantly.

I agree with Putin’s agenda. You cannot turn a demon into an angel, you can only make their appointment for them to meet their Maker.

At least the marines have those evil bastards running for the mountains. They will get a whole bunch of them. So the cowardly governor ran for Ukraine or somewhere lovely like that to join the number of DS cowards already there. He is well aware that now he is a wanted man. I am anxious to hear more about this awful situation. Praying much for our men in harms way and working hard to eliminate the DS....especially FEMA and the NG!! Good job men!!

AND THE POLICE CHIEF WAS THE SAME SCUMBAG INVOLVED IN THE LAS VEGAS CONCERT SHOOTING WHICH WAS REALLY AN ASSASSINATION ATTEMPT ON THE NOW HEAD OF SAUDI ARABIA. TRUMP SAVED HIS LIFE & HE SAID HE WOULD FOREVER BE IN TRUMPS DEBT. THE SAUDI ARABIAN KING IS 1 OF THE GOOD GUYS WITH ZI, MODI, PUTIN, & A FEW OTHERS. ABOUT TIME WE BROUGHT THESE DEMONS DOWN!!!

Hang them ALL, or at least put a bullet in the brain before hand so that we dont have to go through the process of military law that will also make them into pinatas,

I thank Yahuah each and every day for the life force and the power of the Holy Spirit to be amongst these courageous men and yes, light beings who are along side of them. We have been told lies all ous about everythang! Do you know what everythang is? It is EVERYTHANG

There may be some warrior vets from Afghanistan, Iraq and Vietnam living there who will help fight back. Pray for them, too.

My cousin finally contacted me by email. He lives there and was visiting friends which kept him out of harms way. I thank God for sparing him.

THANKS MIKE. STAY ON THE CASE MAN. JEZZ I WISH I WERE THERE FOR SOME REVENGE....JUST PLAYING AN OLD DIM WITTED ELDERLY MAN.... WITH MY FN 510 10MM WITH 23 ROUNDS IN IT.

Just like the Nazis did when they were escaping through the Vatican ratlines. Bastards!!

SCUMBAGS must go down! Trump to announce his evidence monday 11am in Bedminster NJ. This is where it starts I truly feel. The lies of the deep state start to be exposed NOW!

When U.S., Inc. was removed, the treaty with Hawaii dissolved. The Hawaiian Kingdom became free and vulnerable without an army of their own. The DS attacked them in an act of war.

Exactly.... The Fictitious US Inc is bankrupt, they no longer "rule" over the scare crow or the tin man, or the cowardly lion. If you dont know, you dont know. For example tin man.... Tax Identification Number, your Birth certificate, social security #, you were a tin man at birth and could not defend yourself. This is how they see you, as sheeple with a bar code and how much you are physically worth on the stock market via your SS# and birth certificate. You are literally "the food of their life"

Plus we are "useless eaters". A word coined by that rotten jew bastard; Henry Kissinger...The Rockefeller's chief flunky first class talking head with a rotten kazarian accent. He is 100 years old and still causing great suffering to the masses and he is a Rothy, too....

Thank you so much for the update ! I really appreciate it ! Man are our white hats ever busy !!

Hopefully the native population will recognize the deep staters and take of a few of them for the White Hats.

The main priority of the police is not law enforcement but the carrying out of the criminal political agendas of politicians who have set themselves above any laws.Laws are no longer exact but arbitrary,argumentative and debatable. The same goes for the Constitution. Because of this, true justice through the court system is an impossibility.

Thank you for the update Michael and please God protect all white hats may they stay strong against all enemy.

The Marines never dissapoint. I'm so sorry for the one fallen brave Marine.Lord keep them safe please.

Amen. I hate that a Marine was lost..... Just like a few weeks ago when those brave Marine's went in to rescue the young children in Los Angeles, and 4 more of our LOYAL, DEDICATED Marine's were lost..... it breaks my heart, just as it did when cheney and bush did 9/11 to fellow American's.... They are all so evil and have been allowed to RUN THE SHOW FOR FAR TOO LONG! And don't even get me started on Benghazi and Seal Team 6..... so many American lives have been lost, due to these evil doer's plans.....

Thank you for this update, Michael—none of us can think about anything else but the progress of the marines as they pursue those DS devils. Praying for their safety & success!! God goes with them every step of the way!

Thank God the Marines have landed. Trump had the Black U.S. Flag behind him at the last rally, meaning “No prisoners, no surrender”. The gloves are off, and now it's time to delve out the justice. KILL'EM ALL BOYS, NO MERCY!!!

I can understand this not being reported on mainstream media. But what about the local media in Hawaii? This information really needs to get out now. Or they are going to keep doing this everywhere. And please excuse me for saying this the God damn it Donald Trump you tell the world about this and they will listen! I just hope that the Marines are documenting all of this on video or digital cameras.

Wondering if some or maybe most of these FEMA or NG were pulled from the illegals coming in to this country since there seems to be no compassion in their acts?

Could there be DUMBs (Deep Underground Military Bases) or large tunnels to the mainland on Maui or Hawaii or other islands?

Since all 5 Hawaiian volcanos are active, none at present erupting, but their cauldrons filled with molten lava, I do not see how DUMBs or tunnels to the mainland 2,500 miles away could be on the islands.

Mauna Loa is the tallest mountain on Earth, measured from its base on the sea floor, 19,700 feet below sea level. So a tunnel to the Hawaiian Islands would have to be very deep, with deep water between the islands.

We do have tunneling machines capable of digging tunnels big enough to drive semi-trailers through. However, heat would be the machine's worst enemy, and those islands deep down would be very hot. But who knows for sure. The Globalist Deep-State definitely finds Maui very important for some reason. Incidentally, there is an Air Force site on Maui which researches Directed Energy Weaponry. (Air Force Maui Optical and Supercomputing (AMOS), with another site in New Mexico.

May God's Angel Armies surround the Marines & all those who fight for the people of Maui. St. Michael, the Archangel, defend us in the day of battle, which is now. We honor the Guardian Angel's of our enemies to turn & use them against their own plots. We command that these Angels will defend these people who are volunteering & offering help to the people who live there that have survived. Find the governor now, in the Name of Jesus Christ. We are under God's covenant & we plead the Blood of Jesus over the Hawaii islands, to capture the goons that have escaped & are hiding among the people. We thank God in advance for St. Michael & Gabriel & the Seraphim Angels to assist our Marines, General Eric Smith, General Berger & President Trump. Protect them, defend them and we decree that the plots to ruin other cities will come to naught. Cease & desist now, you foul demonic spirits. Be our defense against the wickedness & snares of the devil,

And do Thou, oh Prince of the Heavenly Host, by the Power of God, cast into hell, satan, and all these other evil spirits, who prowl about Hawaii & the USA seeking the ruin of Souls. Amen

Protect & defend this website, Michael Baxter, and deflect all threats again him and those who post. For You equipped us with strength for the battle, You made those who rise up against us to sink under us. Psalm 18:39

I understand and read HAWAII was to become separate from United States. Become its own country again. Globalists didn't want that to happen. Lots of child trafficking too!

'Til Valhalla Devil Dog. Outstanding job Marines, God bless all of our Armed Forces!!!

Unbelievable... how cruel those people have been to the innocents. Do they really think they'll get away with what they're trying to do to those poor people? I can't believe people can be so evil in a time of crisis ... well done marines/snipers, keep up the good work and finish off those evil bastards. They gotta let the locals back in there to find their deceased loved ones and get the supplies they need. Dead or alive, peoples phones footage of this evil should be showed on mainstream tv so the 'people' can see what's really occurring there.

They closed schools that day. Kids were home alone. Easy pickins for the scum to snatch them. No cell service. No power. No water. Roads blocked. This is way beyond evil.

I didn't like the number 999 comments so I thought I had better say something.

Is this WWII ground zero???

This is all so sickening..... really, evil and disturbing..... When are all of the WOKE military going to be taken out? WHEN? THE National Guard.... are woke????????????

I knew fema was a huge piece of terrorist shit, and have been since obammah and all of his evil orders, along with directions from Comey..... I know that the Arizona Humane Society has flown over there to help the animals, and I'm worried that they too, will be shot and then burned, DUE TO CLIMATE CHANGE..... yeah, that's it Climate change shoots bullets ya know! It seems the deep state is so huge, we will never be able to completely shut them down..... Praying for our Military Marine's who are fighting FOR American's, not killing them and taking their valuables..... Jesus, this is just beyond comprehension.

Massacre indeed. And the evil deep states celebrate it. Beyond heartbreaking!! Hickam AFB is so close to Maui- if they didn't helped the ppl, they're part of it.

Maui: Worse than expected. Much worse. A hot-war scenario. Just Win, White Hats!

BTW- that pathetic poll at right is a game for fools:

What caused the Maui Inferno?

- DEW (Directed Energy Weapons)
- Careless Campers
- Climate Change

My answer is, "None of the Above." But I am convinced that deliberate human agency started & "directed" this & many other infernos. Seems the whole world is on fire these balmy days, doesn't it? Especially targeting nature reserves, tourist areas & places where people live, as well as 'just forest' (Earth's lungs). It is economic & environmental destruction. It looks like a planned, world-wide assault, to me. I hope planning maps will be found. (As one wag observed: "Amazing how Arson now counts as climate change.") Perps & esp. PLANNERS must die. First they must be ID'd & found. Don't much care about trials, though that would be optimum, for

documentation's sake. Historical record. Hope some competent folks are on this. I can only see it & say it. So, there it is. Make Humanity Great Again!

Red Flag: "You are posting comments too quickly. Slow Down."

Me: Program or site is accepting my comment – or a small edit – unusually slowly. I don't type or post quickly – I'm old & slow; I edit for clarity & accuracy. Site may need a professional I.T. tune-up. Or, what's the problem, really?

(O.K. – I see a LOT of posts above that I didn't see before. I believe that I AM NOT 'the problem'.)

Good to see White Hats going in with force!!!

Increase it and go after all the elite cabal pedos and their acreage and all the filthy politicians that are involved with extreme prejudice!

Police are all Masonic affiliates, The Clampers. Their oaths to protect & serve are to the Masonic god, & the Satanic Cabal. Their oaths should be to uphold the Constitution, & To Protect & To Serve We The People. Instead, they act as Deep State Cabal lackeys & henchmen. I am so upset about Hawaii. My family went there every Thanksgiving while my folks were alive. Tell us if you need help. We're all in. We're doing our best to expose the evil~doers on every platform. Prayers for Lahaina, Maui. Prayers for our brave Marines, Alliance, & White Hats.

They're killing children because those are the inheritors of the ancestral land. No living kin, and the land reverts to the government.

God Bless the Marine and his family that lost his life in service to our Country.

God Bless All the White Hats on this mission for peace and freedom from tyranny.

Outrageous news worse than expected. Keep Safe.

Wow!!!! What a time to live in USA. I hope people wake up now and never vote democrats any more. Latinos for Trump!

I lived in Northern California during the fires in Paradise and Sonoma and Napa Countries. The aftermath looked like the same type of fire. It was horrific I believe that this was caused by DEWS. It was during President Trump's administration and him and I were in Chico, the relief center at the same time. The people that lived there cannot return because the land is contaminated. At least President Trump arrived in the belly of beast and made sure that the displaced people could have aid without being killed by the Feds.

Directed Energy Weapons. (Zaps from the sky.) Some say they don't exist. Some say Black Hats have 'em. Some say white. I say maybe & maybe. But there's nothin' like a few guys, each with a can of gas & a pack of matches.

If the direct energy weapons where used on planes are they tracking what air traffic was in that area when it was going on ?

For about ten years I've been in a group headed by a Pleiadian who said there is a nest of Gray aliens under Maui, near Oprah's property. There is also a portal, stretching from Taiwan to Maui, which can let negative entities in and out. The U.S. Space Force is based in the mountain on the island. When I asked who, specifically, attacked the island, he said the fake Biden gave China the OK to hit Maui.

Most people won't believe it, but this was what we were told. People have to wake up to the reality that there are entities who want to control us and this entire planet.

I believe that the fake Biden is capable of any evil any time any one or any place.

Hard to believe that any National Guard from Hawaii (or any human being) could participate in these atrocities against their own people. When I lived on the Big Island and on Oahu years ago, most people I

knew there had friends or relatives on Maui. How could a National Guard shoot innocent and suffering victims whom they know as friends and relatives?

More than a few of these NG must be federal agents. Some could be deployed from that group of 87,000 IRS agents that Rettig gave pep talks to.

Before this planned deployment, all legitimate National Guard must have been vetted for their allegiance and their willingness to follow orders that could deprive innocent people of humanitarian aid, and even willingness to kill their fellow citizens.

Likewise with local law enforcement. It doesn't add up. Maybe law enforcement has been infiltrated over the last several years in preparation for this holocaust.

I'd bet that there are few, if any real Hawaiian National Guard in that group.

FEMA agents would not have needed to go through a vetting process, as many or most are on the dark side already.

Yeah, and just today, in Phoenix, AZ, one of those IRS agents was at gun training, and was shot and killed by one of the other agents..... Those people should NOT be carrying a weapon. I mean, seriously. Stick to accounting and tax returns, cause you're too stupid to carry a gun.....

I can't wrap my head around ANYONE from ANY agency being able to administer these atrocities. But here we are. It seems humanity is quite inhumane these days.

Call me naive, that's okay, but I am surprised that local Hawaiiin police would be so eager to kill their fellow local Hawaiians for whatever valuables these desperate and distraught citizens had in their pockets or on their bodies — wedding rings included. I was under the impression that the local Hawaiian people felt a sense of

connection and unity with each other. I guess that in the midst of a crisis, either the worst or the best will take over an individual no matter whatever they were before. This article was truly heartbreaking. I don't think I'll ever get the images out of my mind.

I'm wondering if there is a selected corrupt group of local law enforcement personnel who had been previously identified as sympathetic to the DS. It's my opinion that an overwhelming majority of cops are good patriotic people.

I am just reading this article that says ... Maui emergency chief Herman Andaya resigns, effective immediately!! Mayor Richard Bissen's office announced. Andaya sited health reasons and Bissen has accepted his resignation. That's what they are saying but my gut says they fired his rotten rump. Andaya came under heavy criticism Wednesday when he said he did not regret the decision to not activate warning sirens as the wildfire flames that eventually destroyed Lahaina began to threaten the historic town. What a monster.....he could possibly have saved a lot of lives but he refused. Hopefully, he gets what he deserves before this is all over.

That POS, Good riddance and may God deal with him immediately by using the military to put a few rounds in his head.

Wow so bad in Hawaii for the people who live there. Deep state murdering and robbing the people. Deep state using it's energy weapon illegally. Can't the white hats shoot that damn thing down or disable it somehow?

It was probably from Raytheon at lockheed. The crown owns those companies and the crown claims to control FEMA region 9. King Charles is the Antichrist.

Perhaps the Marines should burn down the deep state mansions on the beach in Maui. That were the only building not touched by the arson the DS perpetrated?

Be sure to save those captives in the homes first. No doubt Opie has a stable under hers.

Well this makes me sick and angry what Deep State has done to citizens. Praying for the marine who gave all and his family, and any others who were injured. Thankful the white ants are sending back up before disintegrating all of these evil people.

One question I have a family member and the national guard if today was then, wouldn't they have to follow orders to do what these evil people say? Or who knows what done to them?

Perhaps this is a group of soldiers trained for this kind of thing, but for the innocent, if there are any, I pray they can escape, go in hiding anything to not have to be part of this.

Throwing people in garbage trucks 🤪💣🔪

I have a question about Mount Weather. Do the White Hats still have control of it and if so, do they also control the FEMA building in Winchester, VA? The building I work right next to, and I also live only about 15 miles max from Mt. Weather.

Yes when the white hats say trust the plan, and every man woman and child will be protected as much as possible during this upheaval and transition. What the hell! The residents of Maui and the residents of Hawaii have not been protected; they've been incinerated along with all of God's precious animals. How can we trust the plan when something this horrific happens? This frightening evil must be stopped NOW!

No one with an IQ over 80 trusts what has happened the last 7 years

The plan is absolute horse shit.

Calm down Linda. I agree, but white hats listen for cyber info, but they don't get it all. They get tips to followup on, but this goes beyond anything. Fires in Santa rosa, paradise, ca. Canada. Train

wrecks with toxic chemicals in Ohio. Maybe the dh are getting desperate and thinking, if we can't win, we'll take America down with us. Horrendous thinking.

This is just a taste of what the DS has planned for your neighborhood, your town, your city. This is why there are so many forest fires raging out of control. They are trying to smoke out everyone and lock them into prison cities, scorched earth. This is also a distraction from the coming election. Election years are always bad wild fire years! Nothing is a coincidence! Nothing is an accident! To set off all the wild fires in northern Canada then Maui, ... Buckle your seat belts friends. For people so vocal about the environment, the climate, ... it isn't about climate anything!

no one really owns land in America if you have to pay taxes on things you own, or they will take it from you then you don't really own it. you're just living under the delusion of being an owner. when you own something truly then it is yours no one has say over it but you. sad thing is as long as people rule over others this will be what has happened in Hawaii like the way the deep state is displacing Americans all throughout America and then taking their homes land businesses and even college and food stamps and medical and lord knows what else they are taken it and given it to deep staters and people loyal to deep state and taken it from patriots and Christians .we have Americans living under bridges while foreners are living in the same Americans homes they have been just thrown out of . I believe trump needs to pass a law that no foreners can own land in America, they have had no part in this country not in the building of it or the making it safe or in the defending of it. there people haven't died so this nation can be a nation. and they should not have equal say or authority over American citizens and that means in elections to, I believe allowing forenors to own our soil is the same as treason because you are given them control and power over this nation and its people. they come in and take over Americans businesses. they

use the billions to forcefully take the land and change the laws of the land to suit their wants when they aren't even American. or even care about this land and its people.

There is nothing that you "own" that the government can't legally take away from you. This includes house, property, finances and children.

I'm tired of posting I want to get in on the action and skin some of these bastards alive but I can't I'm 66 and on dialysis

Yes you can cause medbeds is not a myth full restoration of cells and at least 30 to 40 years age reversal so hang in there and as soon as they are announced by 45 research first make sure solid then go get well no pills no surgery I hear it's few minutes asleep in that thing don't worry you will still look like yo7 but ready to run 10 miles then let's MAKE AMERICA GREAT AGAIN TAKE NO PRISONERS

You can still fight in many ways such as precise prayers, lengthy precise decrees combined with concentrated powerful visualizations. Many forms of these types of advanced prayers fight the battles as light vs darkness. These forms of advanced prayers are not to be underestimated. They require a new greater effort and the developing of new abilities.

Yes it does. Set your phone alarm. Spend 5 minutes a day minimum praying for help and praising God for our chance to save our planet.

If this is true how in the Hell are the entire Military not taking over this island? Seriously, it makes no sense to anyone! And on top of the that why isn't the military going after Biden and his thugs! This is absolute genocide!

I'm question the occupation of Marines when there are local people on site reporting no instance of any military activity. Yes, there are very questionable actions taking place to prevent the locals from

getting help and even the police are blocking placards to be distributed , but wtf is really going on here?

how do people on the ground know what is happening if they are not allowed in through the blockades

I have always respected the Military, but following Real Raw News has given me an even greater respect for what our Great Military does. The last 3 years have been out of this world, and I have appreciated being able to watch what is happening behind the scenes of this horror show. Micheal, thank you for what you do, and thank the people that allow you to do so. You are all in my thoughts and prayers until these enemies have all been crushed beneath our feet. In Jesus Name. Amen

WE SHOULD START DRAWING UP MORE INDICTMENTS FOR THE RICH BASTERDS WHO'S LAND WAS UNTOUCHED. HOW THE HELL COULD OPRAH WINFREY – CHILD TRAFFICKER OF THE YEAR STILL BE ON THE LOOSE? ALONG WITH JEFF BEZOS WHO HAD SOLD CHILDREN ON HIS AMAZON SITE FOR \$10,000 & UP. WTF?? SAME FOR JULIA? ROBERTS. IS SHE REALLY A WOMAN?

Reports are OW is gone ... I seem to remember seeing her in ankle bracelet chatting with Ellen Degenerate

DON'T FORGET MOST PIG COPS ARE ALL FREEMASON SATAN WORSHIPPERS, SOME WHO ACT LIKE THEY'RE DOING GOOD DEEDS & THEN AT NIGHT THEY'RE SACRIFICING BABIES. I'D SAY 90% OF ALL COPS ARE FREEMASON SCUM. JUST GO & LOOK AT EVERY COP, SHERRIF, DEPUTY BADGES & THEY ALL HAVE THE STAR OF SATAN ON THEM – THE PENTAGRAM. SOME EVEN HAVE PEDOPHILIA SIGNS ALL OVER THEM. THE DAYS OF THE GOOD COP PASSED IN THE 1950'S. REMEMBER

SERPICO & ALL THE COPS HE BUSTED. AND ALL THE COPS BUSTED SMUGGLING DRUGS, TRAFFICKING KIDS, ETC. ETC. NEVER EVER TRUST ANY COP.

Yes there are bad cops not nearly 90% are Freemasons. That's idiotic and completely false. As far as the badge goes, you may be right but that does NOT mean all cops are satanists

WHAT I WANT TO KNOW IS WHO USED THE DEW WEAPONS AGAINST MAUI, AIR FORCE? SATELLITES? LLOYD AUSTIN? ON WHO'S COMMAND WAS THIS DONE? IS CHINA INVOLVED IN THIS? HOW MANY DEEP STATE BLACK HATS ARE CURRENTLY IN THE MILITARY? FBI?CIA? NATIONAL GUARD? FEMA IS ALL FKN DEEP STATE. AND ALL THE FREEMASON SATAN WORSHIPPING PIG COPS ARE TOTAL BLACK HATS – THEY WORK FOR THE DEMONS IN CHARGE & NEVER HAVE FOR US THE PEOPLE.

Can space force stop DEWs? Texas, OK and other states a freaking tinderbox in this excessive heat, high winds, and drought right now. Crops failed and cattle sold off from excessive drought. We are sitting ducks.

My prayers for the White Hats. May God protect them.

President Trump was chosen for such a time as this. God knows what he is doing. I don't believe it's not up to us to say when or what President Trump needs to do. Only God, he and the Military know what is going on behind the scene so instead let's pray. Please.

Exactly....there are so many giving orders from their basements. Let DJT and the White Hats do their job and stay out of their way!!

That's right Anna, I totally agree. It's too big for us. I keep turning to God for His absolute power over how all of this is going to turn out. I trust Him totally.

Joint U.S. Special Forces – Spetznas Team needed in Maui. Dear Vladimir Putin after you mop up Ukraine filth, please send any extra Spetznas you can spare to help US clear out DS scum lurking in the shadows. Go Team USA/Russia! Lock and load! Take no prisoners! “General Smith’s rules of engagement: weapons free,”

Very high value land on an island paradise, to be taken from the locals who would not sell. Hellooo where have you been these past years, havent you been reading?? Plans to “great reset” it for the NWO-UN Agenda and Bribe crime families to DESTROY then supposedly BUILD BACK BETTER as a so-called 15 minute Smart City playground for the predator class rich. Just like California and other locations ... coming soon to all locations.

NO!!! they do not take over and win- God wins! And His people He loves wins!.

Mike

Can you please not approve comments from these who freaking dont have a clue?? Your updates test our mettal..should we have to stomach the obviously purposeful naive?

Very high value land on an island paradise, to be taken from the locals who would not sell. Hellooo where have you been these past years, havent you been reading?? Plans to “great reset” it for the NWO-UN Agenda and Bribe style crime families to DESTROY then supposedly BUILD BACK BETTER as a so-called 15 minute Smart City playground for the predator class rich. Just like California and other locations ... coming soon to all locations.

Thank God for the USMC! And I’m an Army vet! No prisoners, the Russians got it right!

So this must have been all planned and coordinated long beforehand. The laser shots, the FEMA personnel, the compromised cops. I wonder if any U.N. forces were involved. I hope the real news spreads like wildfire among Hawaiians.

It literally has spread like wild fire, unlike the fema created so called storms “they” call an act of god, their god Yahweh... who is satan. If you do the deep deep research, you will come to the same conclusion. The truth is hidden / obscured

I realize that there are very angry people commenting about this atrocity. This is a definite act of war. Don't forget, though, that the good guys can still take prisoners for questioning. Valuable intel could be lost by not having any prisoners to question.

Hold my hands ... across the airwaves to be sure ... but do so ... then start to work on your breath ... breathe in God ... breathe out what you need to release ... breathe in God ... breathe out what you need to release ...

“Marines have identified some NG as really being federal agents.” Interesting to see this, I wonder what federal agency is a part of this attack on Americans? “Some Deep Staters are shedding their uniforms and trying to blend in with the native population.” I pray that God will give the White Hats discernment when they encounter DS scum hiding amongst the locals. May the Lord flush out all these cowards in hiding so they can be dealt with ASAP!!

Watching from Oz- I am awake and find it hard to believe that FEMA etc are killing us citizens- can't imagine the sleepers will either. just what Trump didn't want- civil war.

I like Trump but his two biggest mistakes were not taking the MSM and CIA down early on.

hands tied, friend. DS is far deeper than most can imagine so needs unusual ploys.

Who specifically tied drumpers hands? The 60 year military plan to save humanity didn't know how deep the swamp was?

You sound vaccine injured.

You apparently aren't aware that Australia is totally controlled by the deep state and needs to be cleaned up just like the USA.

Myslím, že jeho největší chyby byly, když mu radil Jared, Ivanka, Henry Kissinger. Když složil vládu, mohl se zbavit všech členů SES 10 000 zrádců loajálních Pilgrim Society, ne Americe. Ale 33. dne (svobodný zednář/luciferián) ustoupil a nechal je vrátit se do práce.
