Ruské ozbrojené síly v pátek na příkaz Vladimira Putina popravily sál plný vedoucích pracovníků Telecomu, kteří se vyhnuli Putinovu moratoriu na 5G a začali stavět novou 5G věž v opulentní moskevské čtvrti Ramenki, elitní čtvrti s odpovídající cenou za nemovitosti.

Jak bylo oznámeno minulý týden, Putin zakázal 5G v celé Ruské federaci a rozebral stávající věže ve třech největších ruských městech – Moskvě, Petrohradu a Novosibirsku – s odvoláním na zprávy, že elektromagnetické frekvence zabily školní děti. Na dřívější schůzce zastřelil agent Putinovy prezidentské ochranné síly vedoucího pracovníka MTS Telecom za zpochybnění autority ruského prezidenta.

V pátek ráno sdílelo jeho osud tucet dalších manažerů MTS, řekl agent FSB Andrei Zacharov Real Raw News.

Dodal, že byli odsouzeni zemřít ve chvíli, kdy uzavřeli smlouvu s přepravní společností, která jim přepravila valníky naplněné ocelovou mříží na stejné místo v Ramenki, kde ženijní jednotky

Ruské federace před deseti dny svrhly věž.

Bezprostředně po čtvrtěčném východu slunce táhly tři valníky s ocelí a cementem podél pole, na kterém byly stále trosky spadlé věže. Pracovní čety MTS Telecom odklidily trosky a poté nalily cementovou základnu, na které by stála jejich nová kovová příšera. Během hodiny dorazila moskevská policie a vyslýchala předáka a stavebního inženýra MTS, proč stavěli novou 100 stopovou věž v rozporu s Putinovým anti-5G mandátem. Předák předložil stavební povolení údajně podepsané moskevským starostou Sergejem Sobyanimem, které povolovalo stavbu 4G věže, která by nahradila zbouranou 5G. Muž z MTS trval na tom, že získal všechna požadovaná povolení, a ujistil policii, že kamiony nenesly telekomunikační zařízení 5G.

Policie mu nicméně nařídila, aby přestal a přestal, dokud jejich nadřízení neověří papíry, protože ještě nedostali oznámení. Několik policistů zůstalo na místě, aby zajistili, že posádky dodržují pokyny. Zatímco se posádky netrpělivě potulovaly, vedoucí MTS řekl policii, že jim zapomněl dát kritickou licenci a požádal o povolení jej vytáhnout ze svého vozidla. Nebyla to licence, ale petice údajně podepsaná 50 000 obyvateli Moskvy požadující znovuzavedení technologie 5G v Moskvě.

"Ukažte to svým šéfům," řekl policistům.

V poledne se na místo vrátila druhá moskevská policie v doprovodu zástupce Federální komunikační agentury, který chtěl zkontrolovat přenosové uzly, které budou nakonec připevněny k věži. Bylo mu řečeno, že zařízení jsou ve skladišti a nebudou na místo dopravena, dokud nebude věž dokončena.

Když zástupce FCA řekl: „Vezmi mě do tohoto skladu,“ byl výkonný ředitel MTS nervózní a řekl, že ačkoli by to obvykle rád udělal, neměl žádný klíč k otevření dveří skladu.

"Mám klíč," řekl zástupce FCA a ukázal pár řezáků šroubů.

On a policie doprovodili zástupce MTS do skladiště několik mil jižně od místa, kde zaklapl zámek a uviděl strukturu překypující uzly 5G buněk.

„Tohle je 5G! 5G je zakázáno,“ řekl zástupce FCA a policie nervózního zástupce MTS zadržela.

"Ne. Ne. To je chyba. Bylo mi řečeno, že je to 4G. Tohle musí být špatný sklad," protestoval, když ho policie odvážela.

V pátek ráno vtrhla pěchotní četa z ruské 58. kombinované armády na moskevské velitelství MTS a vtrhla do kanceláře, kde kolem kruhového konferenčního stolu sedělo dvanáct úředníků MTS a zírali na schémata infrastruktury 5G.

Vybité nábojnice dopadly na podlahu, když zvuk kalašnikovské palby naplnil komoru, prsty mačkaly spoušť, dokud se nevyčerpaly zásobníky a devět mužů a tři úředníci byli mrtví.

"Byli varováni," řekl Zacharov RRN. „A to slouží jako varování pro ostatní, kteří vzdorují prezidentu Putinovi. V Rusku nebude žádný jed 5G.“

5G věže nejsou vysoké 100 stop. Jsou nanejvýš asi 20-30 stop vysoké kvůli jejich krátkému rozložení pole s vysokou hustotou.

I think you will appreciate this—

Oprah Winfrey—Lady Gaga—Julia Roberts—Bill Gates—
Morgan Freeman—Will Smith

All have estates on Maui and none were hit or affected by disaster

Keep in mind these islands are Mega military installations !!! It is reported that the Space Force is centered there also—It seems the Fox is guarding the Hen house

There is another Island with MEGA installations with AI and robots guarding with submarine entrances also into private Megas—you know Epstein type stuff but am sure the military have their fingers in the pie—

just the latest skinny for you—Remember scripture says the islands will disappear—and or be moved out of it's place—Rev 6:14 and Rev 16:20 for those that may have an interest—how hard would it be to move or damage the islands, just asking

When the white hats get serious about taking our country back and removing the deep state frauds who have stolen our elections to obtain & retain their power, maybe we can get all our 5G towers knocked down too, along with reversing & outlawing a lot of other deep state directives & products.

So when will our WH do the same here in the US? 120,000 5g towers must be doing deadly harm to our nation.

Lets do that here. I see new telephone poles with some sort of electronic hidden equipment going up all over my city. Looks like 5g stuff to me.

If they are those white boxes, that shut down cars (2004 and newer) Like they had on lamp posts in the Paradise fire, where over 40 cars were stalled at 9 am, when the fire was ragging, they were all burned

if they did not escape. All videos of this on Youtube was taken down. Dew fire evidence and they wanted no eye witnesses to the weather warfare blow torch fires. This needs to be exposed, as they just burned down Maui to turn that burnt area into a 15 minute black rock 5 story condo city, near door to Oprah's 900 acre RE and Zuckerberg's R. E. as well near by. Look up Reese report, he explains. WWG1WGA.

There are videos of drones using some type of flame throwers torching Paradise homes.

I don't care what people say or call me crazy but I live in a remote area currently pulling 2G at the moment... everytime I spend an amount of time in a 5G area I feel like crap. 5G cannot be good for anyone!!

I swear I feel the same way when I visit my daughter in Jacksonville. I'm always tired. The minute I get back home I'm fine.

On Halloween night 2022 in Seoul Korea, 20 to 30 young 20 year olds all died of heart attacks from a near by 5G tower in a tight alley where they got night clubs at. The news said they were all trampled to death. No it was heart attacks that is super rare in 20 year olds. The news covered the truth up again.

Love it! 5G is bad for people. Putin is not playing around. That is the way we have to fight the evil. Trump 2024!!!

In two years Putin's term in office is up, 2025. After that he cannot run anymore according to the Russian constitution. He has 4 kids with his Olympic gold medalist young wife. He most likely does not want to run any longer.

Book already being sold on Amazon....

"Fire and Fury, The Story of the 2023 Maui Fire and its implications for Climate Change." by Dr. Miles Stone.

No Dr. works that fast....

Every avenue proves this was a planned attack, now one more....

The fact that a book can already be out with the fires not even extinguished shows you that he had already known about this and started writing this book months if not a year ago. this was a planned event by the rothschilds lucis trust fund and the CIA who want to build a base in that area.

We don't even know if there was a real fire, as Miles Mathis says the photos taken suggest there has not been a Maui fire. several people who live close say that neither they nor any friends know of or even any confirmed dead, or even missing.

Perhaps compete False Flag, so they can implement some DS nonsense.

The fact that the book is available now speaks volumes, far outweighing the actual content of the book! I know the White Hats already have a lot track and monitor, but DEW needs to be a top priority. It's time for serious payback.

They dony need the 5g or 6g. They have WBAN(WIDE BODY ARE NETWORK AKA. your Aura) which can be "hacked" ANYWHERE ANYTIME...

Anybody bother to report about the ruble crashing yesterday ? Last I heard from Dan in Russia. 1 American dollar buys 106 Rubles, of which they can buy 1 bag of oatmeal, 1 pint of milk, and a loaf of bread, all for 1 dollar or 100 rubles, with 6 left over. So who do you suppose, crashed their money ?

Prayer for President Putin

(If you are a mature Christian, please proceed and share with Russian-speaking believers.)

We ask You for mercy in hearing their cries for help and protection and salvation and to forgive in Your Son's Name ANY and ALL sin that opened the door for the enemy to gain legal ground for what is taking place in Russia today. (2 Chronicles 7:14)

Father, we come boldly to your throne of grace, standing in AGREEMENT, with one accord, as demonstrated in Acts 1:14.

We lift up President Vladimir Vladimirovich Putin and his family to you. We pray for the leaders of the Russian military that they will bring the adversaries and the cabal under the Khazarian servants of the devil himself to justice in this special operation. We bind, cage and chain every demon operating against the Putin family. Although he has publicly stated his belief in You, and he defends his church's traditions, and he has determined to protect and defend any and all children from danger and abuse and corruption in Russia, we as followers of Christ call for his salvation and rebirth in the Spirit, as well as that for his children and grandchildren, that the entire Putin family may have a deeply personal relationship with your Son, Jesus Christ from Nazareth.

Satan, lay no hand on Vladimir or his family. Take your daemonic agents with you back to hell and never return.

In Jesus Name, we bind the strongman assigned to all Kingdom ambassadors and evangelical believers in Russia, that revival may come. In the name and by the shed blood of Jesus, we cut off and bring to naught the power of the spirit of the witch, wizard, warlock, witch doctor, magi, divinator, sorcerer and high priest sending assignments against them.

We come against them by the power of the SHED BLOOD of JESUS. We loose a WALL OF FIRE of the HOLY GHOST around ourselves, the Russian followers of Jesus Christ, President Putin and Russia! (Zechariah 2:5).

We sever the silver cord of every spirit that is astral projecting. In the name of Jesus we cut off and bring to naught every ritual, custom, ceremony, curse, involving occultic and satanic and Masonic traditions.

We cut off ALL these supply lines, seals, cords, alters, ligatures, laylines, pathways, gates and portals. We declare that the weapons of our warfare are not carnal but mighty in God to the tearing down of strongholds.

We decree that Jesus Christ is the Name above every name and that at His Name, every knee must bow and every tongue must confess that He alone is Lord, in heaven and on earth.

Right now, we loose civil war into the enemy's camp! We command the mighty warrior angels to make war immediately on all entities, fallen angels and dark powers to destroy the Russian reborn Christians, Your servant President Putin (according to (Jeremiah 43:10-13) and his family!

Even as Paul declared blindness upon the agents of darkness in Acts 13:6-11, we, too, declare blindness upon all those taking part in evil plots against the evangelical church in Russia— that they will grope about as one in darkness so their plans CANNOT be carried out! WE DECREE RIGHT NOW THAT OUR ENEMIES ARE TURNING ON EACH OTHER and that every curse from the kingdom of darkness will fall upon those sending it. In Jesus Name we send ALL curses back to the devils.

Father, we ask you to deliver President Vladimir Vladimirovich Putin from the snare of the fowler and from the perilous pestilence. Grant him wisdom as he governs Russia and rescues any and all victims or persecution, abuse and death from the devil's own servants and bring them all to justice in Jesus' Name.

Open his eyes that he will meet Your Son and be sure he sees the Truth according to Your Word and not merely tradition or formula. We ask that you would protect President Putin and his family, grant him full health and strength to govern and lead Russia.

We make a request (according to Philippians 4:6) that all evil deeds and assignments against the Russian believers who are praying for their leaders be stopped, and that massive arrest warrants to hell's agents are going out NOW! God, we thank You that You are the God who has fixed His throne upon righteousness and justice!

We ask that You place Your mighty warrior angels to stand shoulder-to-shoulder around President Putin and his family members, that no evil would penetrate. We decree and declare that no evil will befall President Putin, his children or his grandchildren.

We offer a special prayer for his daughter who is sick from the daemonic mRNA shot, we as believers in Christ with the power and authority we have as believers not only call for her redemption in Christ but also her complete healing and recovery, according to Psalm 118:17 that she will declare your works.

And finally Father, we ask you to bless the Russian Federation. We give You the praise, honor, and glory, and we give you thanks. We pray this in the Name of our Lord Jesus Christ from Nazareth.
AMEN, AMEN AND AMEN.

We also pray that you will emulate Jesus and continue to poison, shoot, and hurl out windows people you don't like.

Xena, this is a BATTLING RAM against the enemy's dark kingdom and I AM STANDING IN AGREEMENT with you!! I'm copying and pasting this to my computer to decree this prayer for President Trump and this nation as well. Thank you so much for this.
COMMAND THE FOREWARD OF THIS NATION!!

Trump should have done things the Putin way, instead of wasting time playing cat and mouse chase with the deep state.

Please pray for the people living on Maui, the locals can't even help bring water & other supplies to those in the area of the DE induced fire. FEMA & the local police won't let in any supplies from concerned people. It's a huge mess there, they want to grab the land & build their 15 minute smart cities there!

We ought to have a RRN story on this ... FEMA again! ...please Michael Baxter, ask!

I didn't know they weren't letting supplies in; that's absolutely HORRIFYING and monstrous. Prayers for all who suffer on Maui.

Same thing they did in TX and LA – locals were not allowed to help their neighbors and volunteers from other areas were not allowed to help and shut out along with any food and water and other needs that did not come from FEMA, but at the same time FEMA was not fulfilling their so-called mission of bringing essentials in.

FEMA is probably tainting or poisoning the food and water and meds — possibly. Don't trust them especially after they stole and pillaged in Florida and threatened kids; and they refused to help desperate people who were unjabbed. THAT'S INHUMANE!!

Believe me I'm praying that God moves on DJT's heart to find a way to bring supplies in to those people that need it desperately! By ship or otherwise, since the resident-in-thief refuses to do it!

Native Americans. The Globalist Deep-State is murdering as many native Americans as possible, since they are not very cooperative with the totalitarian communists-fascists.

I thought those floating criminals were under control. How did those things get their filthy paws on poor Maui?

Touche', the Russians know how to get things done. This is why Trump has Russians as his innermost circle of security. Just ONE false move.

5G weapons in Russia and in Maui DEW weapons, the war is real the MSM propaganda is fake. The time to get off the fence is long over due!!

Pres. Putin knows how to get rid of the bad ones. One thing I like about him is he doesn't argue with people. There are no disagreements now.

Charles Rettig goes down tomorrow, Tues. the 15th. We really don't need him anymore. I like the way the Marines do it. Just throw them out the chopper door when over the ocean. Always cut their leg first so they bleed and get eaten by sharks before downing. It is a shame

to let someone drown but feeding the wildlife is a different story. They are just going to get hanged and then rot away so why let them go to waste when the fish are hungry.

What about the Mayor of Moscow who okay'd the permits to erect new towers? It doesn't say what happened to him.

I noticed this too, yes, I bet Putin did not let him away with going against the plan....

Hook is set.

They wana see if there are more of these ppl, and keep the Mayor going little more ?

Wait for Putin's retribution on all that signed any form to rebuild the towers. If they signed the forms to rebuild them, they received money especially when Putin decreed "No more child killing towers in Russia!" What about the 50,000 signatures the man produced to reinstate 5G towers? That will be another story for Michael Baxter to report. Thank you Michael.

Also, small s... satan and your cohorts... you will NOT destroy America, in Jesus' name... Amen

Putin is a patriot and a humanitarian. He may be harsh but he does run a tight ship. I've always admired his will to stick to his guns.

Sadly, too many Americans don't see him in that light. Looking forward to the day when the truth finally surfaces, and people will be forced out of their misdirected hate.

I agree with your post!

This is a story that makes the point Quite Clear ! Thou Shalt Not Fuck With The Boss ! President Putin has made clear he Dearly Loves His Citizens as Creator God Has Placed him in the position of protecting God's Children ! The Chain of Command flows from The Eternal Sovereign to each King or Head of State ; of which The

heads of Russia , United States (C.I.C. Trump) and China , are the prominent leaders To Not Be Messed With ! I wish that when our military operations are not so dearly needed , that King Trump is installed as The Monarch. I'd rather have that than the type of DS / M.I.C. Puppets that were so aptly represented by the rebellious Telecom executives ! We cannot allow the cabal under Lucifer to have Any Place on Earth ! My Congratulations to the very fine responsible officers and soldiers that showed exactly the proper demeanor and actions required when foul stench fills the air ! Good Shoot ! When showing you care , Send the very best ! Send It Express ! I'd Love To Have These Officers by my side protecting God's Children Nick , NavyBlueSmoke , LST-1195

I would commend you for this, but, why do you have to add the "F" word? I stop reading then....

Seems to be de rigueur these days. People think it makes any point better. Already a tiresome trend.

According to a well informed truther (Phil G.) the new government will be ruled by King Trump. The corrupt governmental congress will be dwindled down to only 10% – which is great! Putin will be over all of Europe and Xi will be over all of Asia.

Why can't the US have type of assertiveness against the rich capitalistic pigs that poison the 99% with their rich guy gimmicks all for MONEY..?

I don't blame President Putin for doing this. If I had hard evidence that this was killing little children. Of course I would kill those responsible. They have got to go. It's amazing how overwhelm people come with greed, and they don't even consider the consequences of their actions. And if you ever have to bomb the US President Putin. Please just hit Washington DC. I promise you we Trump supporters will not be upset with you. I've been there and that place has an evil aura about it.

And that, folks, is the reason why the satanic DEMONcRATs and RINOs don't like Putin. They know Putin is exterminating all their satanic partners in Russia, Ukraine, and anywhere else he finds them. I'd much rather have Putin as my American president over BYEDONE anyday.

Something really amazing if you think about it—The Russia of today with its govt. and economics and laws has been in existence for only 30 yrs. When the USSR fell apart Russia was like the old west. Most don't realize the pressure for govt. control by the likes of the CIA. To open a business you needed guards because Mafia type operations were in there trying to get their paws into your business. If you were a foreign (US) businessman you needed body guards. So people wonder why Putin operates the way he does. I had friends in there and it was an adventure every day !!

Little Putin doesn't mess around! He gets the deed done come hell or high water.

I love the way he conducts business. He is a real man. I wish more men in America would act like this. There is a difference between despotic behavior and righteous indignation. I believe God is going to continue to bless Putin for standing up against these evil commies.

Now go over to the criminal fiat banking system, we all know if they are federal reserve. I am F, the criminal field banking system those people that make wars and hunker down in there money and drowned in all their lavishness and put the working people in the soup line.

This is the only way to deal with the Deep State. The Russians are very decisive.

Yep, this type of action would be the only thing to get their (deep state's) attention.....

This is another interesting clue. Assuming the story is true, the Russian contingent of the international Deep State is acting with great haste, and at considerable risk, to install what looks like an energy weapon. Why? And why the rush?

Was the purpose to generate a signal that would incapacitate those nearby? There is a report that the Ukrainians have begun using chemical weapons at the front line. Is this part of a movement towards wider use of chemical/biological/energy weapons to stave off total defeat?

As background there has been talk that the 5G signal is intended to trigger some aggressive disease presentation in the vaxxed population as a pretext to another global lock down. Specially the vax contained self assembling AI nanostructures that respond to electromagnetic signals. The story is that a 5G signal could induce a scary skin rash that could be used to justify a state of emergency. That sort of lockdown would allow both sides, White Hats and Black Hats to move prepositioned military assets into positions of control without interference. Presumably, we'd then have the final show down.

The haste with which this occurred suggests that someone on the bad boy's side feels that time is getting short and that genuine risks must be taken to implement the plan. Let's hope the White Hats have taken sides to neutralize this danger here at home in the US.

Hmmm. . . reminds me of an article I read in one of those magazines for bureaucrats – it was a few years ago, and was announcing a joint field exercise between DHS and the Marines, and the scenario was Zombie Apocalypse. Maybe 5G turns the vaxxed into Zombies.

Maui. Directed Energy Weapon. Land Grab by Oprah and Blackrock. What distresses me is President Trump using the word "Wildfire" and not denouncing the whole scheme. 5G, Biolabs, DEW used against citizens. How does it stop? Putin has it right.

They want to build their DS 1 minute smart cities on Maui, one huge open air digital prison!

15 minute cities! I can't edit a comment without the site telling me to slow down that I'm posting too many comments. lol

If not familiar, listen to Michael Jaco's presentation on BeforeItsNews regarding the Maui fire, others before it, and the fires within the fallen buildings on 9/11.

Knowledge is power.

"Amazing how Arson now counts as 'Global Warming'." And now, "Wildfires". Greek investigators have reported that 'human agency' started many of their fires.

Agreed; but i also think many if not most, can see that their movement is doomed and they therefore simply want to burn everything on the earth to the ground in revenge. These are not normal evil beings we are dealing with, the are the worst kind of evil this world has ever seen. There is no end to their sickness and evil ways.

I noticed the top of the local social services building has the panels encircling the top every few feet. I thought to myself the elites are conditioning the rest of the local govt. Whose building's are just next door like Pavlov's dog.

I like Putin,s style;No trial! Sent them to hell where their father the devil is!

Yes, he does know how to take care of business and quickly I like him

I respect him, but you need to keep in mind that he is still building out the Soviet Empire in Cuba, Venezuela and now Nicaragua, where the Russians train and supervise the National Police.

You sound like a old timey John Bircher, barking the old 1950's drivol of; "the commies are a cummin", paranoia fearfest...

Apparently the John Birchers were correct. The MSM did the same thing to them they have been doing to Trump. Truth will out in his case. And apparently the fear fest has been more than justified as our cities have been destroyed by Antifa, BLM, and deliberate mismanagement. We weren't afraid enough. Something's happening here. What it is, is exactly clear. Now.

He is a Christian not a Satanist. Commies are Satanists. Revelation 2:09 & 3:09 I know the blasphemy of those who call themselves Jews but do lie but are the synagogue of Satan. Many famous jews have admitted the end goal of Judaism is communism/Luciferianism. The star of Remphan represents Lucifer/Kayin "Cain"

God told Gideon that he hated the star of Remphan. So why does Israel display it on their national flag? Who is their God?

Most rejected Jesus and are lost.....hate to say, praying they will be won to HIM, soon even on the last day.....

He is Russian Orthodox. He supports and defends the Russian Orthodox Church, his mother baptized him there in 1954-55 when it was very dangerous to be a person of faith.

She not only had him baptized, she took him to church regularly. Putin did not wake up spiritually until his dacha caught fire and his wife was hurt iirc. From then on, he always wears the cross his mother gave him.

Sorry, don't recall the dacha fire or his wife getting hurt. Heard something about the cross and how his mother baptized him.

Hey! Why have a trial when they were caught with the incriminating evidence.. the demoncrats in our country gets caught with incriminating evidence and it takes forever to hold them

accountable.the bible says if man sheds blood then by man shall his blood be shed. That's a quick trial and execution.

Yes, that happened to me too. I was perplexed.

Wondering about the system that considers a comment every ten minutes to be high volume And why is that a problem?

I suppose if michael has to directly monitor it however that might explain it.

Trump, Putin, Xi, Modi, and Bin Salman are ALL working together!
What a group!!!!

Yes, I read of that several years back.

Gotta wonder about people's reactions when THAT goes mainstream!

We'll have to wait and see about Xi.. The proof of the pudding is in the eating.. I still have my doubts about China.

I don't trust Xi. He refused help from President Trump in 2020 when the scandemic hit and his people died. How ugly does one have to be to refuse assistance from someone when they are offering to save lives during a global plague (even if the plague is fake, mercy is mercy). No humanity. Xi let people die, and I do not trust him. Kim Jong Il and Kim Jong Un did the same thing, they refused help from other countries during a famine, according to a German doctors helping the kids, and many North Koreans died, even now post Covid because L'il Kim is not allowing people to cross the Chinese border to get food to sell in NOKO to feed their own families, and the famine started again. Plus the snitch network and executions are continuing. That is just as sick.

Jeho odmítnutí přijmout pomoc od Trumpa bylo veřejnou odpovědí, aby se zalíbilo ČKS, což je méně než 5 % čínské populace.

Skutečná pomoc byla směřována přes několik Xiových generálů, kterým mohl věřit. Ignorujte CNN, WSJ, NYT, WAPO a další

propagandistické lháře. Záležitosti jsou daleko jiné, než se navenek jeví, dokonce i v případě Kim Junga, který veřejně ohrnuje nos nad Globalistickým Bidenovým režimem.

Putin, Xi Jing Ping, prezident Trump spolu bojují proti démonickému hlubokému státu po celém světě.
