White Hats v sobotu pro Real Raw News potvrdili, že Barack Hussein Obama, dlouho podezřelý z řízení Deep State ze zahraničí a tahání za nitky celého Bidenova režimu, měl minimálně jeden klon

a možná i mnoho dalších.

Speciální síly Spojených států v pátek zabily tříčlennou tajnou službu, která chránila to, co vypadalo jako Hussein Obama, když se kvarteto procházelo pískem Falmouth Heights Beach v Massachusetts, trajektem od pevnosti Obama's Martha's Vinyard.

Předchozí den zachytilo kybernetické velení americké armády (ARCYBER) nešifrovaný e-mail od Tiny Tchen, výkonné viceprezidentky Obamovy nadace, zástupci sněmovny Connecticutu Jimu Himesovi (D). V dopise Tchen uvedla, že psala na odkaz „prezidenta Obamy“, který chtěl, aby Himes věděl, že si bude následující odpoledne zaběhat ve Falmouthu a že Himes je vítán, aby se k němu přidal, pokud to jeho rozvrh dovolí.

Korespondence, řekl náš zdroj, vzbudila okamžité podezření, protože Obamovy nepublikované cestovní plány jsou vždy zašifrovány téměř nerozbitným šifrováním. ARCYBER nezjistil odpověď na dotaz, pokud ji Himes poslal.

E-mail se dostal až ke generálu Smithovi do Camp Pendleton a on po konzultaci s Radou bílého klobouku cítil, že si dopis zaslouží prošetření, pro případ, že by se odesílatel zbláznil a Obama se skutečně objevil ve Falmouthu. A protože Tchen přesně pojmenoval místo setkání, neměl co ztratit, pokud se speciální jednotky vyhýbaly pastím nebo léčkám, které by na ně mohly čekat.

Před pátečním západem slunce vjela černá limuzína s tónovanými skly na písečné parkoviště na křižovatce Oyster Pond Road a Surf Drive, vedle dlážděné cyklostezky přiléhající k pláži. Z limuzíny vystoupili tři muži ve střízlivých oblecích a modrých kravatách, za nimi následoval metr a dva metry vysoký šlachovitý černý samec, který vypadal přesně jako Obama, sloní uši a tak.

Obama, obklopený federálním triem, v modré teplákové soupravě a páru neposkvrněných basketbalových bot Nike, začal se zahřívacími cvičeními, dotýkal se prstů u nohou a kroutil vytáhlým krkem, když se

agentům chlubil svým bezkonkurenčním sportovním výkonem.

Po několika hlubokých ohnutích kolen řekl, že je připraven utéct, a řekl agentům, aby s ním drželi krok, ačkoli měli naškrobené košile a oxfordky.

Běželi k cyklistické stezce, když se k nim seběhli čtyři inkognito vojáci speciálních sil s tasenými zbraněmi a nařídili Obamově ochrance, aby klesla na kolena a položila si ruce na hlavu.

"Co se tam děje? kdo jste vy muži? Je to cvičení?" řekl Obama.

"Zůstaňte za mnou, pane prezidento," řekl agent s rukou zabořenou do saka.

Dvě kulky zasáhly agentovu hlavu. Když padal, druhý nakrmený, se zbraní v ruce, skočil před Obamu a křičel do jeho klopového mikrofonu o podporu. Vystřelil jediný náboj, chyběl široko daleko a byl zastřelen. Poslední agent padl do salvy střelby, která zasáhla i Obamu, nyní lapal po dechu a sípal na zemi.

Velitel speciálních sil držel Obamu za zápěstí a cítil jeho slábnoucí tep.

"Proč?" Obama zavrčel a zemřel.

Nevysvětlitelně se tělo samovolně vznítilo, začalo u obou rukou a rozšířilo se do paží a hrudníku. Speciální jednotky se snažily plameny uhasit pískem a vodou, ale jejich úsilí bylo marné – plameny rychle spálily spálené maso.

"Zkontrolujte mu nohy," zavolal velitel speciálních jednotek, který byl vycvičen k rozpoznání dvojníků a klonů.

Rychle Obamovi stáhli ponožky a tenisky a viděli, že má ploché nohy a že jeho tenisky byly rozšířeny, aby seděly lidem s propadlými klenbami. Stáhli mu kalhoty; Obama neměl žádné genitálie, což je jasný indikátor klonování.

Tělo bylo příliš horké na dotyk a brzy ho pohltit oheň.

"Máme pozůstatky - nějaké kosti, zuby," řekl náš zdroj. "Ta hořící věc je bezpečnostní zařízení, které jsme ještě neviděli." Víme, že je lze naprogramovat během zrání a vyvolat, když se blíží expirace, ale to je pro nás novinka. Nevím, jestli se z toho mála, co zbylo, hodně naučíme."

Položili jsme našemu zdroji palčivou otázku, bez slovní hříčky: Jak klon napodobuje člověka, aniž by si uvědomil, že nemá žádné genitálie?

"Tyto ohavnosti jsou vylíhnuty ve válkách některými skutečně zlými muži." Nejsou z Boha. Nemáme všechny odpovědi," řekl.

Na závěr jsme se zeptali, zda reprezentant Himes někdy dorazil na pláž.

"Není po něm ani stopy." Kdyby ano, pravděpodobně by byl právě teď mrtvý."

Kde mohu získat klon?, rád překvapím svou ženu.

Dovedu si představit, jak se mě moje žena snaží vykastrovat, když spím, popadne nůž zpod polštáře a k jejímu překvapení tam nic není.

Jednou se manželka úplně zbláznila a snažila se mě pořezat poté, co jsem jí šíleně slepil dva prsty na nohou, když spal na polohovacím křesle, byl apríl.

Přichází Halloween, když uvažuje o kaskadérském kousku, vykřikne: „Trick or treat“, možná přihodí: „Vůně k nohám – dej mi něco dobrého k jídlu“, výsledkem bezpochyby bude spálený česnekový chléb.

Klonoví tělesní strážci nebyli příliš klony, že?... Takže z toho vzešlo něco dobrého..  btw, Tim Russ je jedním z dvojníků hobamas. Něco o něm? 

Utter insanity. I wonder how many more there are and where is the bio one? Long dead I hope?

Ok...thank you US Special Forces, for exposing the genital free clone, now posing as the current US President. Now, please reveal all the other government issued clones we currently have, running the US government.

‘ no genitals?’

No wonder the DS wants to push for more gender beside men and women. Their artificial wombs create clones without genitals

Not even a month after Joe Biden released \$6B to Iran, we have a well planned, well organized and a well FUNDED attack on Israel. Do you really think it's a coincidence? And earlier I stated this was Bidens fault! And a few generals were taken during this attack wow!

Kazarian Netanyahu staged the attack using false jihad mercs to make it look like the Palestinians were attacking, so he could make himself look good. This phoney jew fucker needs to be terminated. Putin put out a contract on Klaus Schwab calling him a glbal terrorist an said that his days were numbered...

satan working through these Abominations.....it's the closet he can come into this world using people who sold out to him!.....We are seeing now how this actually works!.....🙏🙏🙏💥.

Two

Intriguing article Michael Baxter! Well done.

Bequest, behest or request is immaterial, intelligent readers understood Your meaning. Good thing no one goes through all the postings and critiques spelling in those.

General Smith made the appropriate choice, observe and approach with caution.

Excellent work Special Force White Hats. These clones either detonate or immolate, best to expect the worse.

Outstanding job Special Forces and White Hat intelligence gatherers around the world!

Keep after 'em, whoever, whenever and wherever!

I am wondering....do these clones eat, drink, pee and pooh if they have no genitals. Just ask'n someone who knows?

Great question. Their plastic clone bodies must be created/programmed, to swallow and digest human foodstuffs, however, their stomachs, if they have any, must eventually blow up from the gases.

My mind just filled with about 20 punchlines to your post. Mostly about stomachs exploding ... where is Gary Larsen when we need him

Genitals usually refer to sexual organs. They would still have an anus that might work dual functions.

Ukraine: Ukraine List of top names who have allegedly been stealing our tax dollars in the largest money laundering operation of all-time, per top Ukrainian official. The below is an alleged copy of a list that has been provided. It is a fraction of the over \$100 billion we have sent to Ukraine but it is still theft of our tax dollars and a substantial amount of money. Receipts coming.

Strike17, could you clarify this – are these contributions received by these people as in effect kickback for their support for the scam? What are these amounts?

My macabre alter ego couldn't help but acknowledge how cool it would have been to have pirated away one of those recovered clone teeth...

BEST.SOUVENIR.EVER!!!!

if you kill evil like clones....you are rewarded because clones don't have SOUL...THEY ARE SATANIC ..THEIR DNA IS NOT HUMAN MADE BY GOD OUR CREATOR...IT IS A FIGHT AGAINST EVIL.

According to Russian military intelligence, Obama had the real Biden killed after walking in on him giving Big Mike a blow job in the oval office. Obama and his "wife" were tried and executed at Gitmo by the white hats after Obama left office.

The almighty, heavily spiritually protected US Special Forces, that is WHO. Big Mike was ALLEGEDLY served up poison, tainted food, by the kitchen staff and Barry suffered two shots to the back of the head. Something like that, in any event, both are long gone.

You are right. Obama chose the firing squad. Big Mike hung. You can use the search icon here for the articles.

1. Connie and Pam, I'm pretty sure that's wrong. I don't think Mike Baxter EVER claimed they got BHO. I tried looking and didn't find it. And as one who's read RRN from the start, and donated (cheap plug for all you cheapskates who might not yet have given here, hint hint hint) I think I'd remember it. Or MB'd have mentioned that in this article about the clone, it would sure be relevant.

Hillary? Yes. Bill? Fauci? Dubya, Newsom? Gates? Dick Cheney? Liz Cheney? All claimed here, yes. But BHO is still the elusive queen (sorry for the pun) calling the shots behind the pawns that the white hats are still looking for.

2. If they find him, I hope to heck it's by smarter people who actually value intel instead of people happy to just off a bad guy.

I mean, when the fecal matter hits the whirling blades, we will be up against a LOT of brainwashing, and we will seriously need somebody better than a corpse to persuade people what has gone on here. That means take the queen, don't kill her.

So for all my fellow posters here, Jesus H You-know-who, I think it's stupid stupid stupid to cheer the shooting of ANY potential serious intel source. Even a ball-less clone can provide useful info or clues. Sure it's hard to armchair QB a difficult standoff. But it's unlikely the clone described had a gun. And he/it could at least reveal something about the program, even indirectly, or how they data feed from original to him. And might have far bigger payoff than that.

Please WH guys, don't just get trigger happy. Good HUMINT is really, really, really hard to come by. Yeah it's not us on the ground there – but be smart :-/

I read that as well and believed it. Now I'm more inclined to believe Dr. Evil is still at large and giving orders.

Wow....a burning clone of the demonic Obama. Of course, the Obama demons are in hiding and ordering the Biden doppelganger around from somewhere "safe"!! The clone was bragging about his athleticism....he has the real Obama down perfectly. All that thing has ever done is brag on how wonderful he is. It would have been awesome if Rep. Himes had shown up in time to be used for a little target practice. OK...I know I shouldn't think like that....but these are all DS demons we are discussing. All I can say is this....too bad it wasn't the real Obama. Of course, he is on the menu and will be

served justice one of these days. Maybe he will be the grand finale when all the other demons have been hung. Good job as always White Hats. You never know what you are walking into with these (programmed by demons) clones.

Use this search icon here and you can find out Obama and Big Mike were taken out a few years ago. The articles are here RRN.

Michael, much appreciated that you are working so hard on a Saturday. We got two great reports today. However, don't forget that your health is first priority. Pace yourself. Don't burn out on us. God Bless.

After thinking about this a little more I'm wondering if Big Mike bit them off or he just wasn't man enough to grow a pair a second time. Who knows.

Lots of big car wrecks on the freeways lately. Good weather and roads. Any civic war or other reasons for these problems? Plane wrecks too?

The EBS 5G waves were laced with subliminal messages that made people worse at driving.

This report illustrates that it is true.... Obama never had balls to begin with, BIG Mike Do!

"....she was writing at the bequest of "President Obama," Did AI or an understudy write this article?

I believe the correct and proper word would be 'behest.'

Regardless, good riddance, if the content of this article is in fact true.

Hey it was late. Good for you that you caught it but do you have to be a jerk about it?

Mr. Baxter, behind me, here in my den, in the corner, is a big box full of DC comics from the '50's and your yarn topped them all. But really, I need some help here. Indy is having a mayoral election early next month and this time it's so bad that it really would not matter who cheated or if nobody cheated. We need some help here and I've got a couple of ideas, just for starters. Can you spare a small insertion team? Phone call? A postcard? Indiana is going nowhere fast. wwg1wga

They said they had learned very little. They better had learned something. What I learned that was very important is that if you kill a new clone in the car, your car is going to burn up too unless you are fast enough to get the body outside the car and fast.

We need Plasma \_ Lasers style – stun weapons \_ so we can interrogate them before they heads to the gulag

Not many more, "they" are still imperfect with fallacies, mistakes. The dna expires after the 5th – 7th time, + Life span is shorter the more it is copied.

Look at that lady closely....that is not the W—h. Her teeth are off, her skin is 20 years younger, her hair is different and below the eyes is a poor image. Get a picture of her. At Stanford, years ago, they had a convention of about 25 look like Killery walking around in the same suit....Someone I know worked there at the time and was confused until he asked, what is going in.....many, many doubles on the air plus clones, I heard. Jus' ssssay'n!

CGI, file photos, & AI.. They Green Screened her rally's, like "their" doing Biden in the WH..

Where has "she" been *SEEN* in Public if anywhere at all ?

*HHHHmmmm ?*

Gone is Gone

,,, and God's Speed to the rest of "them".to follow her !

Is it murder if you kill a clone?? With members of congress, given the physical description, how could you ever tell?

The lack of genitals prove they are clones. Otherwise it's a body double. Clones are shot without remorse, it's like an a robot. Body doubles, being human are handled differently.

It is not murder because the DS would disavow any knowledge they had clones out there to be killed.

Yes, legally it is considered murder to kill a clone. Since the passage of the 2014 Clone Act, clones are afforded several basic human rights in the US.

Covid-19 & Vaccines were invented by the Deep State to kill you.

5G & Air pollution were done by the Deep State to destroy the planet.

The 2020 Election was stolen by the Chinese Communist Party under cooperation of the Democratic Party.

The clone is obviously reason enough to allow the WHs to confiscate ALL ALL obozo's ASSsets. NOWWWW!! This will force lots of obozo clones and tchen's to jump out of the fish tank.

It's part of the movie. Obama did that in real life. It would be weird if he stopped suddenly.

And don't you think this was a set-up to see if the special forces showed up? What about the agent that called for backup? No one came? Hmmm

Maybe the agent called for destruction of the clone. According to Deborah Tavares, each person has their own individual frequency that they operate on. Just like finger prints. You can be identified,

and targeted for spontaneous combustion by your individual frequency. Apparently , they have collected that on all of us.

Oh great, Thanks a lot. As if this article won't give me nightmares enough !

So all these Secret Service, FEMA and other government people get killed by the military "White Hats " and no one says a word. These people have families and not one of them ever says where's my loved one? Please don't say they have been threatened to be quiet. When a couple hundred government employees disappear you can't keep that secret for long. Unless of course these stories are fiction and obviously never happened. Michael every thought of putting this all together in a screenplay for a movie?

I think they CAN keep it secret, just like all of the other massive lies over the last century...

Last edited 4 hours ago by Jimbeau

Maybe If the family talks they lose the pension. That would keep a lot of people quiet

Actually, it's quite easy to threaten people to keep quiet, especially if you offer them money to do so...

YOU try to keep up. The post referred also to the FEMA agents the white hats killed on Maui.

No one says any thing about the people from Lahaina, or the kids in Sandy Hook.

There never are. Also, everyone nearby suffers sudden deafness so they can't hear the shots. Special WH cleanup teams swoop in to remove bloodstains and other evidence. It's very efficient

I'm not sure people understand how hard it is to get near a protected site like this. Years ago in the days before drones and IR, I inadvertantly wandered near a presidential residence in an obscured

route, and secret service was on me pretty quick.

Wow, I learn another way they get rid of clones by spontaneous combustion...thanks MB. FOR YOUR REPORT...so the next time they try to capture clones...of Obama, Biden, Killary ,Fauci ..etc... they must try not to destruct them...they must be observed how long they will start spontaneous combustion...one thing...the white hats military have experienced one time in your report that when they tried to arrest that criminal, he exploded and took two marines lives with him...I always include All fighters of evil in my prayers for their safety and success.Satan is the best deceiver and so his minions looks like Angels and beautiful...so BEWARE!

Maybe they functions similar like birds and chickens. They only have one discharge hole.? It has to be.

There are many stories of normal people spontaneously combusting. I remember reading about that a long time ago. Did some research but no definitive reason ever found but many interesting theories.

I have to believe the clones must carry implants specifically for that purpose, more so if it started simultaneously from the hands. I don't yet buy the individual frequency argument Katylox mentioned, at least for ignition.

Someone please enlighten me. What causes a human clone to internally combust ?

Are they embedded with a MI self-destruct device in the event of capture ?

It doesn't. 'Its' handlers call it in and they remote control its demolition. That's what probably happened here and that is why backup never came.

Interesting!! Its nice to hear one of those being taken out. I wonder how much time it actually takes to make a new one. That will keep deep state busy for a bit. "Put another one in the cooker"

There are different types of clones. They grow one from birth and it will take a long time but they can have a normal human life span. Others that are 'quick grown' to maturity only last 3 years at most and tend to malfunction way before that. Those cost around \$800,000 each. Top elites probably have a series of clones waiting in the wings.

The genital-less nature of these clones raises an important question: Are they also moonlighting as trolls on RRN?

I think I'll ask Heidi...

Last edited 5 hours ago by Qball59

Why wait for emails or other clues indicating deep state players are going to be in a certain location when they can stake out their homes and then unalive these clones? Go get Moochelle and others this way.

Can we fire up the direct energy weapon & vaporize Obamas, \$500 million dollar Oceanside home while Michael is masturbating on Hussein 's face as he sit on the toilet ... Let's start using that direct energy weapon on every home That Joe Biden has purchased in the last 69 years. And make sure that his Corvette is turned into a pile of ash.

All in due time SJ. Your thirst for blood, death and destruction will be satiated. Just wait till the Rods of God start raining down.....

They un – alived him with 2 rounds to the back of his head, because he wouldn't go along with the RULES and go along with the script of this movie we're all watching

Rules said if you go against the script, you end up in a pool of your own blood & brain matter and your body is pushed into a pit feces not placed in a \$750 billion dollar tomb lined with gay porn cutouts and fresh smell of semen. You end dead, chopped up & flushed into a sewage pond

As this movie plays out, the characters expand & the plot has a burning resemblance of modern life which is not real to American Normies. Flat feet & all.

Normies will never get it.

I believe we have a long way to go with them, before they will ever understand they have been lied to for 100's (or 1000's) of years.

Ever deep stater must have many doubles acting out their parts.

As we follow their path of lies they just keep bobbing and weaving & shitting the public with their BS.

This war will take a lot of effort before we can declare victory.

On to the next battle of truth & justice.

Gives a new meaning to "You must be born of water and of the Spirit."

To je bohaté. Ano, můžeme to prodloužit o několik dalších alf.

Normálové se možná opravdu škrábou na hlavě, což by pro ně bylo dobré.
