Sbor generálního advokáta soudce námořnictva Spojených států usvědčil zvláštní zástupkyni USA pro hospodářskou obnovu Ukrajiny Penny Pritzkerovou, uvedly zdroje JAG pro Real Raw News.

Jak bylo oznámeno dříve, vyšetřovatelé JAG zadrželi Pritzkerovou na základě obvinění ze zrady a podvodu ve Spojených státech, když 22. září opustila faksimile studií Tylera Perryho v Bílém domě , načež byla eskortována do zátoky Guantánamo, kde čekala na vojenský soud. Jakmile byl ve vazbě, obecně nemluvný Pritzker nevěřičně požádal, aby vyšetřovatelům řekl, že pokud zavolají Volodymyra Zelenského, vyjasní všechna nedorozumění a zajistí její propuštění. Zaujatí zaměstnanci JAG zavolali na číslo, které si Pritzker zapamatoval, ale opakované hovory směřovaly do hlasové schránky ve Varšavě v Polsku. Poté kontaktovala 15 nejprestižnějších kriminálních advokátních kanceláří v USA; nikdo by ji však nebránil. „Jste v GITMO? Nemůžeme vzít váš případ,“ řekli jí.

Takže se 7. listopadu objevila u soudu pro se, když viceadmirál Darse E. Crandall ukázal 3člennému panelu finanční dokumenty dokazující, že Pritzkerova globální investiční firma, PSP Partners, obdržela 1,6 miliardy dolarů od ministerstva financí dva dny poté, co byl nelegitimní prezident Joseph R. Biden jmenoval její zástupce pro hospodářskou obnovu Ukrajiny. Podle bankovních výpisů si Pritzker převedl 200 milionů dolarů z koláče na svůj osobní spořicí účet, než převedl zbývajících 1,4 miliardy dolarů na kryptoměnu a poslal je do Oschadbank, státní ukrajinské banky se sídlem v Kyjevě.

„Obžalovaná, zadržená Penny Pritzkerová, je čtvrtou osobou přivedenou k tribunálu, která nezákonně přeoslala peníze naší země – peníze daňových poplatníků – bankovním institucím na Ukrajině. Neexistuje žádný veřejný záznam o výplatě. Její osobní síť činila 3 miliardy dolarů, přesto ji tak pohltila chamtivost, že si ukrojila 200 milionů dolarů. Odmítla vypovídat –“

"Rád bych něco řekl, ale nesvědčím sám proti sobě," přerušil ho Pritzker.

"Pak musíte složit přísahu," odsekl admirál.

"Nepoložím ruku na bibli, protože nevěřím ve tvého Boha," zasyčela Pritzkerová a zatřásla jí spoutaná zápěstí.

"Tu větu jsme už slyšeli," řekl admirál. "Víme, v co věříte: peníze." Otočil se k panelu. „Tohle chamtivé stvoření, tato ohavnost, je jen egoistická, materialistická žena s velkou dírou v hlavě tam, kde bývalo její svědomí, pokud nějaké někdy měla. Zneužila svou autoritu. Ukradla 1,6 miliardy dolarů. Je opravdu plodná. JAG a Úřad vojenských komisí žádají vás, důstojníky, abyste na základě dostupných důkazů shledali obžalovaného vinným."

Panel měl 45minutový dialog, aby rozhodl o Pritzkerově osudu. Shledali Pritzker vinnou, ale cítili, že její zločiny neospravedlňují rozsudek smrti. Místo toho ji odsoudili na 20 let vězení bez možnosti podmíněčného propuštění.

Admirál Crandall nesouhlasil s rozhodnutím panelu, ale řekl, že bude respektovat jeho doporučení.

Pritzker byla vzata do vazby a vrácena do Camp Delta, aby si odpykala svůj trest.

Zdroj GITMO řekl Real Raw News, že JAG zabavila Pritzkerova domácí aktiva.

Žádné nabídky, co? Pomohla zabít mnoho tisíc lidí, kteří dali peníze Ukrajině. Země známá pedos. Měla být pověšena a doufám, že sdělíte naše zprávy, protože to je špatně. Utrpěli jsme velké ztráty, rodina, přátelé a podniky. Každý zatracený chamtivý člověk, který byl zapojen do zrady, pedo a zrady (Američanů), si zaslouží smrt. Máme zatraceně dost těch vězeňských keců... oběsíme je a vraťme naši zemi.

Pevně věřím, že všichni zrádci a odsouzení za velezradu si zaslouží trest smrti, zabavení veškerého majetku a zrušení všech vyznamenání. Rovněž by měly být zveřejněny, pokud jde o jejich zločiny, odsouzení a tresty. Musí existovat odpovědnost, jinak je každá kultura historií jako selhání.

100% !!! Kolik úmrtí způsobila její zrada? Spousta, jsem si jistý.

Very good catch. Too little 20 years but you know better. I would have given life sentence. Traitors have to take the consequences. No Mercy. No Regrets. Get rid of the trash that has destroyed America and the world.

If what I'm hearing is true about off world destinations then after these people serve their time send them off world so they can never hurt another soul on this planet ever again. In my view these are Satanists and if you give them another chance they'll kill cheat and steal. You heard her say she serves a different God aka SATANNNN! If you don't execute her or at least send her off world to serve her time you may rue the day you showed mercy on her. The only person I saw that had any remorse or contrition was Loretta Lynch and I'm not sure if she meant it or if she was caught and about to hang (the only one too and the rest threatened your lives on the gallows). Get her off world don't take any chances with people like this please!!!

The fundamental question. I'll take it, if I may. Biden was murdered in late 2011 and replaced with a series of actors wearing Latex masks. The important video of him on the dais of the CFR admitting to extortion of the Ukrainian government was likely extemporaneous judging from the fascial expressions of Richard Haas, CFR president. At some point early in Trump's first term, this Cabal actor was replaced with an Alliance actor (as he has been ever since) and he began speaking a script typed by the alliance and began his part in a 50-act Senior Class Play written by Trump and Q and directed by Christopher Miller. The turning point was likely "caught" on a 3 hour video that I chanced to see "Live" between 11:30 PM Jan 19 and 3:00 AM Jan 20 (Inauguration day of the Bookmark President) wherein 100 large buses drove into the capitol followed by military lawyers and civilian shysters with suitcase pulling paralegals in tow and the District of Infidels has been ours ever since. While asinine in our eyes and while driving us nuts, this comedy of errors is apparently necessary for deeper reasons than waking up your great aunt Tilly. See my episodes 26, 27, 29 and 30. You may click on my name above for the link that Mr. Baxter has kindly provided. [wwg1wga](http://www.wwg1wga.com)

My only concern with a reversible sentence is that some future administration might pardon her or help her escape. .

Democrats, RINOs, Communists will not ever be in charge again for at least the next 100 years. They have worn out their welcome. Obviously Pritzker has rolled over on higher-ups and gained an imprisonment deal over execution. But if she has lied, or new evidence turns up against her such as crimes against children, then the deal is broken, execution again on her slate.

Michael: Washington, in his farewell address of Sept, 1795, warned us that political parties would subvert our “unity of government” and our form of government; and he warned us to stay as far from Europe as possible. I have read certain of his letters warning of the European Illuminati by name and warning of European Free-Masonry. More on my episodes 45 and 46 including the murder of George Washington.

They never were welcome. The only reason they are here is through trickery, fraud, and cheating.

And there’s no evidence yet they are being forceably removed.

I said the same. Not only this one, but many others who has received 20 years.. ✓

Dam disappointed in the sentence but one bad penny down and I hope her brother soon.. 🤔🤔🙌❤️❤️❤️❤️❤️❤️❤️

HAPPY BIRTHDAY Brother and Sister MARINES!

Congrats upon another DS Conviction ! I would ask for a change to the punishment to make it , Worse Than Death ! Please place. continuously looped recording of Baracks Campaign speeches on very Loud Boombox that's just outside of the convicted perps reach ! I think she'll volunteer to be hanged or guillotined very soon ! Maybe she'll remember precious details about her DS Masters ; in order to lighten her punishment ..... Nick , NavyBlueSmoke , LST-1195

Does it mean they will trust her even after she was convicted to fraud? Who knows on who she will point her finger?.

Sounds like JAG is raking in some cash. If JAG gets to take the money from the people they find guilty, then they are in essence laundering the money through Ukraine and Biden Officials and into their bank accounts.

I'm not sure how I would handle the financial part of all the stolen money. You can't pay off the deficit since that amount is unobtainable and you can't just give some people money since most all of the people have and are suffering.

The situation the world is in is Bad, very very Bad. They will basically have to somehow wipe the slate clean and start over.

Don't know this woman as with a lot of the people that are supposedly running our government.

No, because they are not leftists. And there is a system in place for such things as confiscated money. The military has rules and regulations for everything, and the JAG at GITMO is compliant with those rules and regulations.

I suggest we the chattel should scrape every penny from these parasites. Who are still coming on nationwide television suggesting (ie mind control). That we put limits on social security which is something chattel actually put into and may be the only thing in government that shouldn't be defunct.

It should be world war with nothing left behind.

None of these evil traitors should get any mercy. EVERYONE convicted of treason while serving in this fake and corrupt gov't should get death...NOTHING LESS!!!

Thinking out loud here. Guantanamo has several thousand soldiers and Marines on base. It's considered a hardship post so rotations are regular. Same thing with the other locations. Isn't it odd that not a single soldier or marine has slipped up and talked about what's going on? Maybe drunk with his buddies and he lets down his guard, or has a pang on conscience?

A kid down the street -I've known his family for decades – is a marine who rotated out of Gitmo about 8 months ago. Saw him recently and I asked about the tribunals and hangings. He looked shocked and said, quote, "Who the fuck says that crazy shit is going on?" He went on to say that marines don't arrest or kill American civilians, and the tribunal facilities for the 9/11 prisoners are small and run down. He said he's never heard of a Navy flag officer visiting for more than a few hours.

Either the military has perfected omertà to a level the mafia never dreamed of, or this whole Gitmo thing is a dream. Take your pick.

I am certain that they would never assign leftist anti-American traitor types to Guantanamo. That's why we don't hear anything, nor would the "kid" down the street tell you anything, just because you "have known his family . . . ."

Are you serious: good military people wouldn't even discuss this with their spouses, because it is that important.

Not everyone in the military is good, and leaks are everywhere. Even the most sensitive information manages to slip out from time to time. The services are so desperate for recruits now they take people who are functionally illiterate and in some cases convicted of crimes. How would you be able to pick out the "Leftist anti-American traitor types" from the rank and file soldiers and Marines? Ask them, "Are you a traitor?" Who will say "yes?"

OTOH, you have to look at the publicity record of most of the people RRN says have met their maker. Not my words, someone else who doesn't read RRN but noticed that we just don't see them parading through the news like we used to.

Mind, most have a news appearance soon after their "demise" but thereafter nothing like the publicity they used to get, and have the golden opportunity to still get, if things really were as the msm says. Certain characters like Clinton have to be still run. But many are just not appearing as one would expect if they are still living and flourishing as msm would like to have us think.

Isn't it grand that Letitia James couldn't show up to NY court room to see 45 this week?

Heard contrary via soldier stationed there.

Me and companions juiced-up that soldier [Buddy's Son] brought him to a brothel in Corona loosing him up, he needed it.

Returned to cafe having more cocktails, then telling us it's real while wrapping up a late night card game.

I can think of few things more depressing than a brothel in Queens. And I say this as someone who grew up there.

Fiasco, kid had to have a pistachio ice from Lemon Ice King when driving by, and drop it in back of car.

While kid was indulging in bliss, myself and companions were indulging at the Parkside Restaurant in close proximity.

Dishwasher via valet from restaurant clean the pistachio mess \$25.

If this was true, it may mean something.

Anyone can post anything here. So who knows if it's true.

Perhaps, it's a "loose lips sink ships" kind of reply by the kid down the street? Perhaps, there are prison barges docked in the sea, near Gitmo, away from a viewer's eye? There is also camp Blaz, too!

Yep!! Cheap and nasty!! Penny wise, pound foolish!!.. In for a penny, in for a pound!!

Looks like her gamble didn't pay off!!

"I will not place my hand on the bible because I do not believe in your God," Pritzker hissed, shaking her handcuffed wrists.

KHAZARIAN ZIONIST ASHKENAZI JU-BAS-TERDS ONLY BELIEVE IN BAPHOMET, BAAL, SATAN, ETC. AKA THE FKN DEVIL. AT LEAST SHE ADMITS IT. AND IT ISN'T JUST MONEY DUDE.

Jebus Ed, calm down a little. Your bigotry is hangin out and dripping all over everything

Treason is the act of betraying ones country, of being disloyal and deceitful..... how could they allow her to get away with it it ??? What they basically did with giving the thief 20 years behind bars only ... is just a slap on the wrist for all she has done to her country and its citizens. Unbelievable.

She didn't get away with it. She lost all her assets, not only the 2 million. She will face an enormous culture shock, with no deference and no respect from anyone. She won't be able to order anyone around, and she'll hate the food, and she'll be bored to death, and it will never change for the rest of her days, Oh, and Cuba is REALLY hot.

Pritzker must be forced to work out on a stripper pole by day and then share a cell block with a group of hard pipe hitting members of the Muslim Brotherhood where they can administer a female circumcision with a piece of broken glass.

Yay, that's just 1 of the many in that family that need to pay for crimes ie:

Gov of Illinois JB Pritzker

Why in the world did they not convict her to be executed for Treason? To steal all that money from the US Tax payers and send it to a foreign country and keep a big cut for herself???

how do you know what she'll be forced to do? have you visited the jail and reviewed her daily routine?

Um prisoners do take plea deals in lieu of executions if they sing out others...

The TG page said she was executed,here it says she got 20 years,which is it Michael?

“But if you do not drive out the inhabitants of the land from before you, then those of them whom you let remain shall be as barbs in your eyes and thorns in your sides, and they shall trouble you in the land where you dwell. And I will do to you as I thought to do to them.””

Numbers 33:55-56 ESV

The Triune God of the Bible claims His rule over every area of life.....

As a Sovereign God, His jurisdiction has no boundaries! Problems in all cultures begin when sin reigns. America’s problems are wholly *religious*, not **political**.

but She was just following orders, Send it to ukraine. That defense didn’t work for others

Isn’t treason punishable by death???? What’s up with this ‘punishment’? “They found Pritzker guilty but felt her crimes did not justify a death sentence.” Really??? I’m really beginning to question this ‘panel’.

You sure enjoy mocking innocents

But, you don’t have a soul. Since you surrendered it. You have blood on your hands.

Your not going to a good place.

I stand by my statement and i’m going to your mom’s house since your dad can’t get her wet lmao

There’s definitely been alot of changes no matter if this site is correct. Tom Heneghan explosive Intelligence says gore is pres. This site says Trump is pres. Trump is definitely the professional wrestling champion at the moment lol.

Um prisoners do take plea deals in lieu of executions if they sing out others...

I guess money or mammon was her god then, if not the God of the Universe. Wonder if she ever read the legend of King Midas.

HOW ABOUT BAPHOMET OR BAAL – THE ANCIENT DEMONS THESE KHAZARIAN JU-BAS-TERDS USED TO SACRIFICE CHRISTIAN CHILDREN TO & SOMETIMES THEIR OWN 1ST BRN – SICK MOTHER FKRS THAT THEY ARE...ALL FOR FKN RICHES & POWER. ALL SATANIC MONSTERS WHO WORSHIP THE DEVIL.

Big Ed, you get so fired up, methinks you should not be commenting here at all, but should join a group that can teach you to channel that righteous energy ... in a TOTALLY positive direction eg helping rescue kids.

BREAKING: Lawyers are seeking to meet with Florida AG Ashley Moody about prosecuting Anthony Fauci and other federal officials.

@GeneralMCNews

How ironic. Being convicted for lacking a conscience and committing fraud. MB are you listening to your own words?

Never heard of this deep fried state tart. She/it must be a tranny too, judging of a mole on their left cheek. Many deep frieds, have this mole feature, that I've observed....., a prominent feature of a democrat sellout traitor, I guess.....

Good to see someone injected the usual tranny comment. I was thinking you folks were falling down on the job.

Mike and Chris are changing shifts..it'll get a tad less racist for the next few hours

Yeah right.

Yet, you mock all the innocents.

The only people your surrounded are camps.

It is a fact there is a tranny in the family as a matter fact I think there's a couple fact check it

SHE COMES FROM 1 OF THE RICHEST FAMILIES IN AMERIKA & U NEVER HEARD OF HER? EVER HEAR OF Hyatt Hotels OR THE GOVERNOR OF ILLONOLIS – HER BROTHER4 J.B.?? DUHh! DON'T GET OUT MUCH DO WE?

I think the pannel was correct in their decision to a point. She was told to send it to Kiv. So they wired the \$\$ into her business account. Before doing so, she skimmed/stole/embezzled part of the \$\$ OR it could have been part of the deal of doing so. Either way the prison sentence is appropriate.

What we all would like to know is who in the treasury dept sent her that \$\$\$, plus who gave the order to do so????

She knows. That is why she is still breathing. She will be used as a witness.

SHE'S 64 SO GETTING OUT AT 84 IF SHE'S ALIVE IS FITTING JUSTICE I GUESS. PUTIN WOULD HAVE ENDED HER UPON ARREST LIKE THEY DID TO THAT ENTIRE TELECOMMUNICATION BOARD.

I'm looking forward to reading Traitor Pence's arrest on here. It may happen any day, since he ended his Presidential campaign.

Pence wasn't alive in the 1st place in order to continue any campaign  
The Late Mike Pence would have done since he was dealt years ago  
when he actually assumed room temperature. Wouldn't be surprised in  
the least that his body is still put on ice!

MIKE PENSE WAS A FKN MONSTER PEDOPHILE WHO USED TO  
ANALLY RAPE LITTLE BOYS & THEN STRANGLE THEM TO DEATH.  
A PURE FKN DEVIL. BODY COUNT WAS 187 LAST I HEARD, AND  
HIS WIFE IS A FKN CHILD TRAFFICKER ALSO. PURE FKN  
MONSTERS IN ALL GOVERNMENTS AND THE FKN COPS &  
ALPHABET AGENCIES ARE JUST AS BAD. NAZI FKN MASS  
MURDERERS.

unfortunately I heard similar stuff and more ... including a whistleblower  
silenced, and Trump getting Pence arrested after Pence tried to kill him  
on a flight in AF1, iirc.

Puzzling thing was, why did Chris Miller specially thank Pence for his  
help in setting up the Space Force? I seriously wonder if that was not  
Pence but someone wearing a silicon mask, who will emerge later.

You should read through back articles, which are worth it. Like for  
example this (pull spaces):

<https://re.alrawnews.com/2022/02/pedophile-pence-in-deep-trouble/>

You can not safely assume, like for example with pseudoBiden, that the  
person you see on tv is the real deal.

She'll be about 84 when she is done with her sentence if she survives  
that long, which she probably won't she'll ROT in there. SHE'LL GO  
BAT SHIT CRAZY.

She/it , a title of a suspect deep fried stater, might start chirping that  
she/it was only following ahdahs.....

Once you start making exceptions it can be a slippery slope ,She's MAJOR guilty. Of abusing her office in which she was answerable to the american people for her actions. She betrayed the american people that's called treason and treason is punishable by death  
End of Subject.

Time to investigate the panel to see if any of them are going to get paid off somehow.

WFYB, I think there is another way of looking at it. Imagine yourself being at GITMO in that military court, prosecuting people day after day. I know one is supposed to be objective. But we already know that two Marines took their lives because it became all too much for them at a certain point. Only thing is prayer – which all of us here can do.

And FYI, for prayers too, the Israelites entered the “promised land” after the Exodus, with specific instructions from YHWH to kill all the members of several tribes there. That was not just insane cruelty. Every single tribe named had been infiltrated by giants, had giants in their tribe. The evidence is there in the Bible, hidden in lots of ways including the very tribe names. Saul failed in his task precisely because he would NOT take out the king of that particular giant tribe, was it Amalek? And the throne passed to David for precisely that reason.

The ancient Deep State took out the teachings on reincarnation (553AD, Fifth Ecumenical Council, to be precise) which the ancients knew about ... it's there still in the Bible but gets hidden by bad translation etc ... reincarnation simply means the human souls get given another chance, this time without the evil of giant lineages looming over them.

But why should we taxpayers pay between \$100K to \$200K for the cost of keeping her guarded in jail? I don't want to pay it. It is dangerous to the guards to have her in there. These decisions need to be quick and

final, not what the USA has now, the largest prison population on the planet at great expense to the taxpayer. Is there a way to challenge the sentence?

This panel must have been comprised of 'Moe, Curly, and Larry'.

In my humble opinion, I believe they are in need of additional training, perhaps a refresher on what 'treason' is and its appropriate consequences of death.

People have been executed for far less. I speculate that because the criminal is a woman, that the panel got soft. Perhaps the panel was made of the sort of women that cannot make matter-of-fact, objective decisions.

I agree, she's not that good looking at all, plus a mole on her left cheek and that's a sure sign of a leftist fink and it looks as if she came out of the bushes too, so with those not so hot looks, she should've swung in the tropical breezes.....

You siphon off and send \$1.6 billion of US taxpayer dollars out of the country and that is not treason? She needs to be hung, as does Zelenskyy.

Last edited 12 hours ago by Joanna

I agree. Don't know what our men were thinking. Why just 20 years if not a rope?

I smell a rat unless they think she is a valuable asset?

I think 20 years in a military jail with no chance for parole is a fate worse than death for someone her age and prior economic status. That's 20 years of slow torture rather than a quick demise. Remember,

she was a billionaire and now she will have to live in a small cell and eat prison food with limited or no visits from the outside, etc. Like I said, a fate worse than death for her.

Nobody ever gets visited at GITMO other than by counsel. That's the end of the rod for these traitors if they don't get executed.

Wrong... Obviously and self-evidently and if you people have to tell yourself that garbage.

( A long jail sentence in gitmo at the taxpayer's expensive effort is worse than death bahhh, bahhhh, bahhh!!!!!!)

I wonder what happened to your narcotics!!!!!!

If you think that a long jail sentence is worse than Death-  
for anyone

I call Bullshit.

That kind of bs is Easy to Say... however you are only serving the agenda of your stated SPONSOR ie illoominotty

Excuse me hello is anyone home???!!!

She committed TREASON!!!!!! she didn't rob a bank!

Let's get our priorities sorted out ALL over again.

Death is the worst fate there is

AND EVERYONE KNOWS IT!!!

And after 20 years she will have to start her life again from \$0 money.  
But she still has her brother.

Is that supposed to be a consolation prize for all the people who didn't steal billions of dollars From America's enemies and give it to a festering colony of psychopathic nazis?

You really think \$200 billion plus was actually sent to Ukraine? The military has been in control since Jan. 18th, 2021 under COG and that includes the US Treasury. I'm sure some went to follow the trail and see where it ends up but certainly not \$200+ B. All optics.

Very possible but she has to be worth something to the WHats to keep her alive. A nice bit of incarceration should get her to squeel like a pig.

That isn't usually the kind of pressure that a say tan ist yields to.

Somehow I think that's true also and I don't think That bodes well for the future of essential executions.

You'd better believe anyone would prefer to "rot in jail" than be hung. Because there's always the possibility of some drastic change liberating her as long as she is alive. It's called as long as there's life there's hope.

What's up with all the new names claiming that life in jail is a worse fate than death. I think they are bots and I don't trust them. I think they are working in concert with the enemy.

First, soften up the consequences, then start finding ways to get your criminals back in operation.

Interesting as this happens after general smith is redeemed from the danger he was in. What if they shot him with some kind of poison and Refused to give him the antitote unless the tribunals stopped killing the traitors?

Pretty wild, I know. But given the c\*\*\* that's going on. And all that we can or cannot confirm the possibilities are legion

Bot check. Bot check. Bot check. Oops, I'm a bot and didn't even know it. Thanks for pointing it out to me.

I don't know about you but I'd rather die pretty quickly than spend 20 years in solitary confinement in a small cell eating prison food. Nope, give me that rope or a couple shots to the head if they gave me an option. Screw that.

It's reassuring to know that you'd be an easy customer if it came to that  
Because if you commit treason.

I will tell the council..."

Please, please don't throw him(?) into that briar patch...

Off with his head!!!!

That should settle your hash  
and keep you happy  
just the littlest while longer.

Heck, we just confiscated \$3B from her and not all of it was stolen taxpayer money. I'm sure her brother has the same or more. They come from a very rich family. We'll take that too when he gets his ass arrested. I think they can find the money to incarcerate 'it' for 20 years. She won't make it that long anyway.

A whole lot of it is just Monopoly money if you think about it.

all these people or creatures that are complicit should be executed,  
they WILL do this AGAIN !!!

Warehousing Psychopaths is Cruel and Unusual for the people who have to watch them. Pointless!

Satanist traitors like her must get off this planet ASAP

To dangerous to keep em locked up. You have to know that guards do not like satanist' magical nasty tricks played on them..

Seems guards may've had trouble with those two witches Pillary & Killary. Was said, I think on RRNs ???? that Killery was a serious problem after her hanging death — so had to be removed from Gitmo

to an ice box in Greenland. Y'll need to know the factual truths about the evilness of Satanist witches.

While I agree with you that we should be very aware of the evil powers that exist out in God's universe, the fact of the matter remains: God is Sovereign even over the evil that occurs in HIS world (see: Psalm 24:1). The core point being is we are to fear Him who is able to cast the body and the soul into eternal hell. I think even more since He created el diablo, formerly known as Hussein Barak BIG Mike!

I'm making \$90 an hour working from. home. I never imagined that it was honest to goodness yet my closest companion is earning 16,000 US dollars a month by working on the connection, d that was truly astounding for me she prescribed for me to attempt it simply. q Everybody must try this job now by just using this website..... **Www.MoneyPay1.com**

That is no doubt NOT a women. Whether you can classify her a MAN is open for debate. We can settle on 'IT' for now.

Jsem si jistý, že JAG zkontroloval její genitálie, aby se ujistil, že také není klon. Pamatujete na Beetlejuice, když byl zatčen se svou ženou Amy a jeho kalhoty spadly a odhalily jeho falus? Nebylo pochyb o tom, že je muž. Pravděpodobně zkontrolovali i Amy, tak proč nezkontrolovat Penny? Kdyby byla muž, JAG by to Mikeovi řekl a Mike by to zveřejnil.

Oh, další On/ona, ten týpek vypadá jako dáma. Znovu ne? Už mě unavují ty přeludy a dvojky těla atd.

Porota zpackala tuhle.....velezradu proti ústavě a tato brzy nastávající republika požaduje trest smrti, ne kartu k úniku z vězení po 20 letech.

Přiznám se, že jeden mi trochu vadil. Ukradne 200 milionů dolarů, zatímco se spiknutím snaží podvést Američany o 1,6 miliardy, aby šli do Deep State, ale nějaké hloupé dítě v řadách se nechá zmást vymýváním mozků a plní rozkazy a dostane smyčku. Chápu, že to nejsou snadná rozhodnutí a stejně jako Crandall se řídím úsudkem panelu, ale ne vždy se mi s nimi pracuje dobře.

Měli ji nechat slavnostně potvrdit místo biblických nadávek, to soudy dělají pořád.

Také by mi nevadilo znát datum transakce, abych zjistil, zda tento nákup kryptoměny viditelně posunul trhy.

Fascinující, že ji 15 firem odmítlo. Přemýšlíte, jestli se přes právní vinnou révu nějak dostalo od minulých obhájců, že jakákoli výhra by byla do kopce – nebo se bojí, že se dostanou na špatnou stranu budoucí historie nebo tak něco.

Michaele B, nevím, jestli používáte přepis hlasu, ale osobní „čisté jmění“, ne „sít“.

Žádný problém... poté, co všechny tribunály projdou, můžeme přesunout všechny nevinné z GITMO a Drop The Rod From God na celé místo...
