Ukrajinská armáda unesla a mučila, mrzačila, zabíjela a konzumovala starší ruské občany z pohraničních osad poblíž města Gokovo, podle agenta FSB Andreje Zacharova a děsivého videa generála Valerije Zalužného, vrchního velitele ukrajinských ozbrojených sil, odeslaných do Ruské ministerstvo obrany.

Zacharovová uvedla, že ukrajinská elitní 10. horská útočná brigáda podnikla od začátku speciální vojenské operace Vladimira Putina četné vpády na hranice, pokaždé unesla ruské občany, včetně starších a malých dětí, a odvěkla je přes hranice, aby čelili nepředstavitelnému sadistickému mučení. Ačkoli ruská armáda zasáhla a zabránila několika nájezdům, zdá se, že 10. horská brigáda přijala americkou taktiku povstalců a lstivě se naučila vyhýbat hlídkám Spetznas.

"Tyto monstra mají špehy." Vědí, kdy a kde naši vojáci hlídkují a zasahují nechráněná města a vesnice. Unášejí muže, ženy a děti a dělají jim hrozné věci jako ve videu," řekl Zacharov.

Video, jehož útržek ukázal Real Raw News, ukazuje ukrajinského vojáka, jak mačetou useká křehké ženě paži v lokti. Křičí, když ji dva vojáci přišpendlí a pahýl její paže vylévá na zem karmínovou krev. "Ty vse odno staryy," nebo: "Stejně jsi stará," řekl voják a pak jí usekl hlavu.

Ve druhé části byl kůň přivázán ke každé z mužských končetin a rozběhl se různými směry. Ukrajínští vojáci se bouřlivě smějí, když je muž roztrhán na kusy.

Ve třetím nutí vojáci ruské civilisty přejít minové pole. Muž odmítne a je střelen do obličeje. Druhý muž nervózně vstoupí na hřiště, udělá dvanáct kroků a vybuchne.

"Perekhreshchuyeshsya i ydesh dodomu," nebo: "Můžete jít domů, pokud to přejdete," říká voják chlapci, který vypadá na 11 let. Chlapec úspěšně přejde pole a je mu řečeno: „Vezmeme vás domů,“ když voják obratně vstoupí na pole – očividně zná cestu – a získá prst od muže, který byl roztržen. Strčí si prst do úst, žvýká a polyká. "Chutnou dobře," říká.

Zacharov věří, že tyto události se staly běžnými.

Stejně znepokojivé je, že 10. horská útočná brigáda je nyní vyzbrojena zbraněmi americké armády – M16A3, M27 a XM7 – a vozidly – Bradley IFV a pěchotními vozidly Stryker – a používá je k terorizaci nevinných ruských občanů.

"Tvůj falešný prezident a prase Zelenskyj to zařídili," řekl Zacharov. „Biden dává Zelenskyjovi miliardy a miliardy a miliardy dolarů a válečné stroje a on je pak použije k zabíjení nevinných, ne k boji s námi na bitevním poli. A vaše západní média neříkají nic, protože jsou spoluviníky, ale dělají všechny velké obchody o Izraeli a Hamásu, zatímco osoba, kterou Biden financuje, dělá válečné zločiny na našich občanech,“ dokončil vášnivě.

Řekl, že ukrajinská armáda nechala bezpočet dětí osiřet. V jedné vesnici se smečky po 50 a někdy i 100 potulují v neodpovídajících botách a zablácených tvářích a hřímají na každého, o kom si myslí, že má kousek jídla. Někdy Ukrajinci unesou děti; jindy nechávají

děti, aby se staraly samy o sebe.

"Tohle musí přestat." Nebýt vašich amerických peněz, Zelenskyj by nemohl vést svou tajnou válku s našimi lidmi. Je to velmi zlé," řekl Zacharov.

### ***Prayer for President Putin***

(If you are a mature Christian, please proceed.)

Father God, we ask you to forgive Russia for the bloody history and the sins of its Godless leaders who have persecuted Your born-again sons and daughters and all innocent

children throughout history to this day, especially for the shedding of innocent blood through abortion, infanticide, murder and Satanic human sacrifice, according to Galatians 5:10, 2 Kings 23:10, Leviticus 18:22 and Romans 1:20-32.

We ask You for mercy in hearing their cries for help and protection and salvation and to forgive in Your Son's Name ANY and ALL sin that opened the door for the enemy to gain legal ground for what is taking place in Russia today. (2 Chronicles 7:14)

Father, we come boldly to Your throne of grace, standing in AGREEMENT, with one accord, as demonstrated in Acts 1:14.

Jesus made an open show of and disarmed principalities and powers, and we have been given that power, authority, and dominion over ALL the powers of the enemy.

We exercise it now, per Luke 10:19, **IN THE MIGHTY NAME OF JESUS** we take authority over the principalities and powers, wicked spirits, thrones, and dominions and rulers in the high places; in the air, on the land, in the water and underground.

We bind the strongman over Russia right now, all territorial spirits and all marine spirits operating over the nation. We lift up President Vladimir Vladimirovich Putin and his family to you. We bind, cage and chain every demon operating against the Putin family. Although he has publicly stated his belief in You, and he defends his church's traditions, and he has determined to protect and defend any and all children from danger and abuse and corruption in Russia, we as followers of Christ call for his salvation and rebirth in the Spirit, as well as that for his children and grandchildren, that the entire Putin family may have a deeply personal relationship with your Son, Jesus Christ from Nazareth.

Satan, lay no hand on Vladimir or his family. Take your daemonic agents with you back to hell and never return.

In Jesus Name, we bind the strongman assigned to all Kingdom ambassadors and evangelical believers in Russia, that revival may come. In the name and by the shed blood of Jesus, we cut off and bring to naught the power of the spirit of the witch, wizard, warlock, witch doctor, magi, divinator, sorcerer and high priest sending assignments against them.

We come against them by the power of the SHED BLOOD of JESUS. We loose a WALL OF FIRE of the HOLY GHOST around ourselves, the Russian followers of Jesus Christ, President Putin and Russia! (Zechariah 2:5).

We sever the silver cord of every spirit that is astral projecting. In the name of Jesus we cut off and bring to naught every ritual, custom, ceremony, curse, involving occultic and satanic and Masonic traditions.

We cut off ALL these supply lines, seals, cords, alters, ligatures, laylines, pathways, gates and portals. We declare that the weapons of our warfare are not carnal but mighty in God to the tearing down of strongholds.

We decree that Jesus Christ is the Name above every name and that at His Name, every knee must bow and every tongue must confess that He alone is Lord, in heaven and on earth.

Right now, we loose civil war into the enemy's camp! We command the mighty warrior angels to make war immediately on all entities, fallen angels and dark powers to destroy the Russian reborn Christians, Your servant President Putin (according to (Jeremiah 43:10-13) and his family!

Even as Paul declared blindness upon the agents of darkness in Acts 13:6-11, we, too, declare blindness upon all those taking part in evil plots against the evangelical church in Russia— that they will grope about as one in darkness so their plans CANNOT be carried out! WE DECREE RIGHT NOW THAT OUR ENEMIES ARE TURNING ON EACH OTHER and that every curse from the kingdom of darkness will fall upon those sending it. In Jesus Name we send ALL curses back to the devils.

Father, we ask you to deliver President Vladimir Vladimirovich Putin from the snare of the fowler and from the perilous pestilence. Grant him wisdom as he governs Russia and rescues any and all victims of persecution, abuse and death from the devil's own servants and bring them all to justice in Jesus' Name.

Open his eyes that he will meet Your Son and be sure he sees the Truth according to Your Word and not merely tradition or formula. We ask that you would forgive President Putin and his family of all their sins, make him and his family new creations according to 2 Corinthians 5:17 and protect him from his enemies.

We make a request (according to Philippians 4:6) that all evil deeds and assignments against the Russian believers who are praying for their leaders be stopped, and that massive arrest warrants to hell's agents are going out NOW! God, we thank You that You are the God who has fixed His throne upon righteousness and justice!

We ask that You place Your mighty warrior angels to stand shoulder-to-shoulder around President Putin and his family members, that no evil would penetrate. We decree and declare that no evil will befall President Putin, his children or his grandchildren.

We offer a special prayer for his daughter who is sick from the daemonic mRNA shot, we as believers in Christ with the power and authority we have as believers not only call for her redemption in Christ but also her complete healing and recovery, according to Psalm 118:17 that she will declare your works.

And finally Father, we ask you to bless the Russian Federation. We give You the praise, honor, and glory, and we give you thanks. We pray this in the Name of our Lord Jesus Christ from Nazareth.

AMEN, AMEN AND AMEN.

I've said this once, and I will say it again. Putin if you have to strike the United States of America. strike Washington DC first, and then sit back and watch what happens. We American Patriots will not be upset with you. We may enter into a combination civil, and revolutionary war among ourselves for a time. But we are long overdue. Our enemies are already here anyway. Our open borders have allowed criminals from all around the world to enter our country under the Biden puppet regime. We are just waiting for a reason to

act. I pray that you find these mountain brigades in Ukraine, and fucking send them to hell in flames where they belong! They are not human. They are demonically occupied human flesh. But God's light has left them. America sucks right now. These college aged kids have lost what little minds they used to have. Supporting murderous Hezbollah assassins for killing innocent people. We have become the entire worlds enemy. Keep up the good fight President Putin, and God willing may you wipe out your enemies quickly 🙏

This is awful. Biden's America is on the side of evil. Our evil government has been on the wrong side of evil in too many wars. Ukraine is depraved & so is America for supporting this. May all who voted to fund be hung & strung 🙏❤️🇺🇸

From you know who:

" The Devils Advocate: Bibi Netanyahu

Bibi Netanyahu now thinks he can still negotiate peace talks after he tried to assassinate Palestinian President Mahmoud Abbas by using CIA/Mossad as he is doing with Hamas to attack Israeli citizens.

The Marked Man?

The Walking Dead?

The Frog In The Pan?

Those doors are closed. B. Netanyahu is on his last lap around the corruption block.

When Bibi Netanyahu mentions god's will, the god he was referring to is Baal (also known as the Great Owl or Moloch), the god these Khazarians believe requires them to worship him by constant bloodletting and painful human sacrifice and mass murder and that if they "sell their souls" to Baal (aka Lucifer or Satan) do this they will be rewarded with incredible riches, fame, and great power.

When they "sell their souls" what actually happens is that their souls are snatched away and they become inhuman or soulless and take on the characteristics of Baal, that is they become increasingly psychopathic and evil.

Bibi Netanyahu's conversation alluded to the impending nuclear attack on America on 9/11/2001. When he mentioned "they will just replace us," he was referencing the top Circle of Twelve, a group to which he is accountable. VT's own columnist and talk show host, Stew Webb, revealed to the world the identities of 11 of the 12 individuals comprising this group, self-identified as the "Illuminati" or "Disciples of Satan."

Shockingly, these men allegedly partake in semi-annual child sacrifices in Denver, engaging in abhorrent practices such as pedophilia, followed by the consumption of children's hearts and blood. B. Netanyahu knows he is running out of time. He is on an island. All escape routes are blocked. He is not getting the support he needs to take over Gaza.

He only wants to get rid of the citizens there so he does not have to concern himself with paying them to use a new trade route he wants to build to contend with the Suez Canal. But the American Christians who worship Israel are none the wiser. The man who pioneered Zionism (Which is not Judaism) Theodore Herzl was an atheist. Who wanted to seek out a land that belonged to "The Real Jews". But of course we all know today what we view as Israel was created by "The Rothschilds Family". Who of course owns the Federal Reserve which controls the banking industry. Who controls the government that controls the education system. Part of this massive plan to dumb down and mind-control the American masses was the KM's buying up and consolidating all the American mass media into six controlled major mass media (CMMM), owned and controlled by their cutouts on their behalf.

The CMMM functions as an illegal news cartel, and it should be broken up under antitrust laws for inflicting espionage and illegal propaganda as a weapon of war against the American people. And people think Bibi Netanyahu was/is chosen? Of course they would think so because their Bible specifically spelled out who the real Jews are right? Then why would God allow China to remove them from their map and not strike them down with thunder & lightning?

We all have been lied to about Israel.

We all been lied to about the Deep State.

We all been lied to about Washington DC.

We have to put aside what we thought we knew about the world if we want to move forward with Law & Order and the justice that comes with that which will see many who we thought were good be tried for "Crimes Against Humanity".

“

I will not ever understand how people can eat other people. Dear Lord and our Creator please save our souls.

Dear Holy Father, Blessed Son and Holy Spirit:

With the authority I possess as a believer, I declare and decree that no evil attack, spell, act of divination or assignment of destruction touch President Donald J. Trump, or his family, or his staff in any way. Sovereign Lord, Creator of the Universe and the human

race, King of Kings, Lord of Lords, Giver of Life, Comforter, Advocate and Revelator of Truth, we possess as believers the power and authority in Christ Jesus to declare Satan and his demonic agents stripped, gutted and denuded of any armaments or cudgels of battle aimed against the President and his administration.

Ephesians 6:12: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

I come against any and all demons and devils working on behalf of the spirit formerly known as Lucifer, including any and all practitioners of evil such as witches, satanists, spiritists, demonic priests, illuminists, masons, shriners, jesters, Jesuits, grangers, shamans, practitioners of palo mayumbe, voodoo, Santeria, Wicca, Baal, Baphomet, Set and any other demons and spirits not from God, and command them all to go back to hell where they belong and never return. THIS INCLUDES ANY AND ALL ORCHESTRATORS, FINANCIAL SUPPORTERS, COLLABORATORS AND LEADERS OF CRIMINAL TRAFFICKING RINGS THAT KIDNAP, VIOLATE, STEAL, RAPE, ABUSE, THREATEN AND MURDER THE INNOCENT — INCLUDING VERY YOUNG INNOCENTS — FOR THEIR EVIL LUSTS FOR CONTROL AND BLACKMAIL AGAINST EVERY LEADER THEY SEEK TO RUIN. Let any and every fortification, protection or covering for these agents from hell be exposed and laid bare, that those following Satan and his demonic agents be brought to justice without delay. Hear this: Satan, you have no dominance over Donald Trump, or his family, or his cabinet. You have no legal ground to tread. you have nothing to attack him with because The Lord God is in control, not you. you have no claim on him, or his family, or his work anymore. GO IN THE NAME OF JESUS AND TAKE YOUR DEVILS WITH YOU! Leave him now and never touch him or his family again.

"Let their way be dark and slippery: and let the angel of the Lord persecute them." — Ps.35:6.

I order all these evil beings to do this: Do not touch Donald Trump. Do not touch his family or his friends. Do not touch his cabinet. Do not touch his homes, his wealth, his transportation, or his security teams. Your rituals and curses and spells will come to nothing, your weapons will not work. Your plans are ruined, I declare your minions defeated. Father, Let all the workers of hell itself be confronted with the Power and the Glory of the Risen Lord as they attempt to work their rituals against the members of the new administration and their families.

I declare the truth from Your Word in Psalms 125:3:

"For the rod of the wicked shall not rest upon the lot of the righteous; lest the righteous put forth their hands unto iniquity."

Thank You Father, Son and Holy Spirit for Your life, Your love, Your redemption and Your justice.

Lord, You have given Donald Trump the White House for him and his family for living and

to his officers for great works. Let him serve his full terms without harm or danger against him or his family. Guard their steps and their travels and their rest. Touch his family and their families, and bring them to Your redemptive love and clarity of the Truth found in Your Word. Redeem them, lead them, and fill them with Your Spirit. Bless them with holy men and women who will love and befriend them and their children. Do not relent in pulling them to You and protecting them from harm. Fill this wonderful place with Your presence and bless all who honor Your Name. I plead the Blood of Jesus to cover those who live and work inside the Executive Mansion who are followers of Your Son, and protect them from any and all assaults from the enemy. Forgive those who have done wrong and redeem them from any sins of blasphemy, adultery, occultism, revenge, unforgiveness or any other form of desecration, Lord, send angelic sentries to guard the President and his family with swords afire, to drive back any and all demonic agents who would dare to touch his living quarters or his office or any place he and his family tread.

“Surely there is no enchantment against Jacob, neither is there any divination against Israel: according to this time it shall be said of Jacob and of Israel, What hath God wrought!” – Numbers 23:23

I beseech You, my Sovereign and Defender, that all of the unsaved people working with President Trump in any capacity would either repent before the glory of the Messiah and come to

salvation as a result of this encounter, or that they would flee in abject terror before the power of Your Son, Jesus Christ from Nazareth, Who is Sovereign Master of all! In accord with Your WORD, I order all darkness, evil, sickness, deception, lies, death, extortion, corruption and harm to flee from this place, and from this family, and from every one of Your followers in the Name of the King of Kings.

Deuteronomy 33:26-27: “There is none like unto the God of Jeshurun, who rideth upon the heaven in thy help, and in his excellency on the sky. The eternal God is thy refuge, and underneath are the everlasting arms: and he shall thrust out the enemy from before thee; and shall say, Destroy them.”

I bring the full power of the Passion, the Cross, the Resurrection and the Ascension of Jesus Christ, the Son of God, against any dark rituals, spells, proclamations or dedications that may have taken place and may be taking place right now, inside or outside the White House, the Capitol, the House of Representatives, the Senate, the Department of Justice and any and all cabinet offices where people are bringing law and order back to America, to protect the innocent, rescue the afflicted and bring the guilty to justice speedily. I declare that Satan’s power is shattered, destroyed and erased by the infinite power of the Blood of the Lamb. I command all enemies of the Lord and Donald Trump and his family to leave these places now This land belongs to You, Father, and I ask that You destroy all the works of the enemy which have been done over this region, right now and forever. In Jesus’ Name, Amen.

What??? Free Masons, Communists, Illuminati, Skull & Bones and JEWS get a pass? You DO realize these are the real Luciferian orders, right??? Good grief...stop making Christians look bad and worse, completely stupid.

I'm making \$90 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning 16,000 US dollars a month by working on the connection, that was truly astounding for me, she prescribed for me to attempt it simply. Was wondering could this a result of the drastically reduced adrenochrome labs.

Because sounds so blatant and desperate out in the open as opposed to behind closed doors.

God please help us stop this madness!

It could be, yes. These ghouls are desperate to fight back. WE WILL NEVER SURRENDER.

Dr Jan Halper-Haye insists that we're not running out of time and that we need to let go of our expectations.

**“It has taken them all of these centuries, decades, decades, decades, leading to centuries to cast their net far and wide. If they have been able to be this patient to implement every bit of turning us into debtors, stealing our soul, taking our sovereignty away – then, just because we became more aware of all of this in a very short amount of time – if Trump can be patient and play those chess moves, we have to find that patience within ourselves.”**

Another source I was reading said the same, that this stuff has its roots in far longer than we think, or it would be a comparative piece of cake, which of course it is not. .

There is NO “Biden Head”.

He's just a demented old puppet of Obama's who is a puppet also, of The “Soros” Cabal.

I didn't know there was anyone who Isn't a “sheeple” who hadn't heard that.

If you are just now waking up, then welcome aboard the Sane Train. 👍

Enough is enough Michael and white hat alliance. If these things you've told us over a two year period are all true, then you owe us something more. You owe us a statement that reveals an honest to goodness status of when this nonsense will go mainstream – when you will kick the doors in of the MSM, something.

If these things are true, you owe us an explanation of why it's going on so long, with no apparent end to the insanity. We are sick near to death of the movie script insanity. Give us hope that this will not go on forever, that you are nearing a phase when America and the world will be enlightened to the full truth.

Well said EdBob!

If all Micheal's reports here were true then this site would be absolutely flooded with comments and 👍👎 votes.

There are so few "REAL" subscribers here.

I think Most are just Alts of Michaels which he uses to praise himself and Advertise how to make \$90 per hour!

Hey, fair suck of the sav, Kay!

After all, we're all "Trusting the Plan".

That's the "plan" where the neighbor's Bull Mastiff regularly jumps the fence to rape your cat – day after day, every day for YEARS – just so your cat knows what was in store for it.

Sounds like a "plan" to me! Just get your cat some vaseline.

OR we might ponder – with "friends" like these...?

Yet, you still post here like the energizer bunny.

WHAT kind of person would continue to frequent a place where they have no faith?

Congrats, Kay! You entirely miss the point. This, too, shall pass.

"We'll see what happens." (Oh, and nobody forces you to be here, right?)

Kindly permit me to save some of the trouble. Whoever or whatever operates this site is controlled opposition. Has anything improved since this site, Benjamin Fulford's site, or anyone/anything purporting to claim the existence of "white hats" or a "space force alliance"? The only interesting evidence I've seen is the numerous, curiously located man-made earthquakes over the past 3+ years, which this site for whatever reason refuses to mention, let alone discuss. I haven't talked to anyone in my network that has any confidence in the "reporting" here.

Hey Jimbo Dude, good comment.

The whole "White Hats vs Black Hats" meme appears to have been lifted from Mad magazine. Entertaining, perhaps, and a perilous time waster at best... and an effective method to keep hordes of True Believers asleep at the wheel, at worst.

You DID say...

*The only interesting evidence I've seen is the numerous, curiously located man-made earthquakes over the past 3+ years...*

That may not actually be man-made (although one can't dismiss the notion out of hand). Those increasingly frequent earthquake patterns may be an *expected* side-effect (or feature) of the coming cyclic Grand Solar Minimum, which is allegedly due to really bite between 2030 to 2050 (although there's always the chance that it could drag on for *centuries*, depending on how the cycles line up).

In any case, expect more severe and frequent earthquake swarms and volcanic eruptions as the Earth gets progressively colder with each passing year.

Entirely natural, of course, but definitely something to worry about in the years and decades ahead. All while our genocidal psychopathic Globalist-owned fake "governments" are wholesale destroying our energy, food and manufacturing industries.

And all while legions of True Believers are "Trusting the Plan" and sitting on their hairy fat arses witing for the legendary "White Hats" to come save them.

NOBODY OWES YOU NOTHIN', Mr. Double-name. But in good time, this ends. The "explanation" has been GIVEN to us by several sources. Funny you've found none. Do a little searching. Or just keep being "owed". MAGA!

Hey President Trump, don't you think it's time to end this shit show your putting on, because everyday this joke continues the more innocent lives suffer, and for what, waking up the Drones?

RED ALERT: If they're not awake by now, it ain't happening.

What if this was happening here in America, what would you be doing? I'm surprised Putin hasn't called and said THIS EXACT THING.

Look, I love you, would die for you, but ENOUGH IS ENOUGH!!

We're sick and tired of all the dying, EVERYONE IS!!!

Obviously President Trump does not read this Fake News site.

Just imagine for a moment what he would think of people who do.

So if you are really looking for an answer from him, then email him.

Trump is proving to be little more than an actor, just like everyone else in this twisted global theater.

This account is consistent with what the Russian civilian refugees reported them doing. Ukraine is an openly card carrying Nazi regime that worships Ukraine's most infamous Nazi collaborator Stepan Bandera who not only was the leader of the OUN (Organization of Ukrainian Nationalists) which was a fascist organization that allied itself with Nazi Germany during WW2 but also collaborated with the Holocaust. The OUN's paramilitary forces known as the Ukrainian Insurgent Army or UPA slaughtered hundreds of thousands of civilians in eastern Poland and western Ukraine in the same manner as described above back in 1943 during the war. The UPA was armed, trained, and funded by Nazi Germany and was even trained in genocide techniques by the SS. The UPA's field commander and deputy of Bandera Roman Sutyshyn- who oversaw the genocide- is considered a national hero and is memorialized the same as Bandera in Ukraine along with Adolf Hitler himself. Also honored and revered in Ukraine is the 14th Waffen SS Galatzon Division which was an SS Division exclusively manned by Ukrainians. The very slogan "Slava Ukraini" or "Glory to Ukraine" was a Ukrainian Nazi Slogan coined by the OUN in 1941 and was always performed with the Sig Heil Nazi salute with the arm outstretched and hand bladed. It was the Ukrainian adaptation of "Heil Hitler".

Thank you for the additional history. It's just unbelievable that the collective West has gotten behind this outfit. Sad as well that Ukrainian children have been indoctrinated into another generation of this nonsense. I saw a video where a group of 13 y.o.'s at an expensive birthday celebration all did the salute and shouted about glory to the Ukrainian heroes.

Our current administration, for the most part, is a total disgrace. Justice can't come fast enough for the traitors who send money to finance these atrocities. This information makes me sick- I can't imagine what it is like for those actually living it.

it has already been reported that mcdonalds meat has human meat in it... Horrific! A few years ago, before discovering such informative news outlets such as this one (Thank you, Michael), a story such as this would have shocked the wits out of me. I might not have believed it. Sure, I'm horrified and disgusted. But now...sadly, after seeing more and more sources validating this kind of news, it's not that shocking anymore. I've learned, much to my disgust, that this is pretty much "normal" behavior for millions of elites, public figures, celebrities and other "demons", literally and figuratively. What a horrifyingly sick state of affairs. But I'd sure rather know, than to be completely blindsided by it.

Dear Lord, please intercede and protect the innocent from all harm; give our righteous leaders the power and knowledge to defeat the enemy: give us justice and victory over evil; and guide us into a safer, better world. ASAP, please? AMEN!

I witnessed similar fates of Vietnamese after the infantry came rolling through villages, burning down homes, raping the women and shooting them under the guise that we were righteous americans and defenders of freedom....To tell a story of this action when I returned home, nobody believed me. The movie Platoon showed this situation quite clearly.....

Satan is real and this is the result of worshiping him. Lord Jesus please pour out you vengeance now in the name of your shed blood.

“Woe unto you that desire the day of the LORD! to what end is it for you? the day of the LORD is darkness, and not light. As if a man did flee from a lion, and a bear met him; or went into the house, and leaned his hand on the wall, and a serpent bit him. Shall not the day of the LORD be darkness, and not light? even very dark, and no brightness in it?”

I hate, I despise your feast days, and I will not smell in your solemn assemblies.”

This clip reminded me of this

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] Six hundred threescore [and] six.

Thanks for the links. Black light, 5G and whatever else they can come up with...  
and I'd guess we've seen nothin' yet.

5G can also connect with LED light bulbs, that's why they have done away with  
incandescent light bulbs. There are still some incandescent bulbs out there, but not with  
high wattage. This came out when the LED light bulbs first came out. The LED light bulbs  
are more poisonous when trying to dispose of them, they didn't do it to save the planet...  
and LED pulsate where the eyes can't see it, but the brain can detect it..and causes  
people to not be able to concentrate properly. All the schools have changed over to LED.  
If you children come home with headaches, that is why, all day with pulsating lights is not  
good.

This is too disgusting to me. They are going to deal with Russia on this. Innocent civilians.  
Being eaten. I never heard of that in my life. This is the lowest form of scum.

Why deal with Russia? It is the American and Ukrainian Deep states that are responsible.

Maybe they said "deal with Russia" because, when all of Russia knows what is happening,  
they will be as mad as can be.....this is the way I took that statement.....

Go to war and you will see this hideous performance on nearly a daily basis. These  
vietnamese people were viewed as having 1/20 the value of an american GI. It's just part  
of the show and one becomes numb to it and to mention it to your superiors, would not be  
a good idea.....

These are horrible accounts but unfortunately this is not the first time the link between Ukrainian “National Identity” and cannibalism has come up. There was a famous video of one soldier describing how he found a dead Russian soldier in a burning armored vehicle and ate flesh from the body. He described it as “the best moment in my life”. I saw the video myself.

Turns out it wasn't a dead Russian soldier, it was a Ukrainian soldier who had died. The guy simply got it wrong.

The social media coming out of Russia and Ukraine is surprisingly frank and consequently educational. One Ukrainian blogger talked about how the entire culture expresses a psychotic level of immersion in fantasy with very dark elements predominating. Dreizin posted another Ukrainian one that claims the failed “Counter Offensive” was a psy ops and never actually happened. Here's a summary from Dreizin's latest post.

**“1984”-level, cosmic wormhole propaganda: Leading Ukrainian nationwide TV channel “1+1” tells its viewers that Counter-Suck-Fensive was a psy-op, not real, intended to fake & stress out the Russians, while the Reich built up its forces. Video is below. (Subtitles are in Russian, because this has been making the rounds in Russia... & yes, it is real. And, you don't have to know either language to appreciate it! Notice the hooded hacker, the young lady posting “evil smiling face” memes via her smartphone, & the depressed, middle-aged Russian woman then man, LOL.) You may ask, how do people believe this sh\*t??? Answer: It doesn't MATTER if they do or not. It's a BORDERLINE TOTALITARIAN regime. Propaganda is a “must”, but, as long as they get their foreign aid, they will exist & they don't really care what you think... provided that you SHUT UP. (To be clear, \*\*as far as I know\*\*, this is coming from the TV station only, it's not the “Party Line”... YET. But, who knows, it could soon be!!!)**

The unifying theme in everything coming out of the “Deep State” collective is absorption in a depraved, artificial reality in which any independent discernment is a sign of disloyalty and “treason”. Truly a deranged world view. The underlying hope is that all our sleeping “normie” friends actually wake up and realize that they've been quietly programmed to incrementally adopt this same perspective. If it is allowed to fester all these regimes eventually move in the same direction.

Toby Keith new song, Red/White/and Blue/happy veterans day.

I pray the time is near for the world to know pedophiles have taken control of the world and must be removed.

We shouldn't STOP with just removing pedophiles, while we are at it! Human traffickers, sex traffickers, money launderers and drug traffickers rank right alongside pedophiles in being BAD for the Republic as traitors!

When those responsible are caught hog tie them naked and hang them by their nut sacks for males and vaginas with meat hooks for females let them squirm and scream until they croak. Then let them rot as reminders for those tempted or wondering when their day will come.

Nailing them to a cross would have more zing to it, plus it plus having to rot on that thing while the nails would cause great distress discomfort and meat hooks are messy..

Personally I don't think these are human. Reptilian shape shifter's? who would be so vile to eat human flesh.

There is a *REASON* that pork & human DNA are so similar..

| ..And that God prohibits the consumption of swine for His people.

If you like bacon, there's a good chance you'd think human flesh tastes good. It's almost as if swine was developed (genetically engineered) before the flood to solve the food problem developed by the DNA corrupted men.

People like Hillary and GHWB here in America. Who is to say they didn't support these Ukrainian apes?

This "dismemberment" using horses was used in the past by evil monarchs in the West also. Recall the movie "Brave heart" with Mel Gibson playing William Wallace. The British king, Edward Long shanks, used this method to execute William Wallace. We don't read much about it in history it seems...probably because it is such a brutal punishment/way to kill. Seems the Ukrainians aren't above resorting to this either. I guess that what ultimate evil can do when it infests in humans.

As for the "cannibalism", I have no words...except this seems to be unspeakable evil. Where does Zelensky find such people. True barbarians!

They are zionist satanist degenerate parasite jews , practitioners of Judaism , these EVIL degenerates have been practicing human/child sacrifice and cannibalism for thousands of years up to this present day. This heinous shit has been going on with satanist degenerate jew controlled Hollywood and within the jew degenerate controlled music industry since the beginning of these so – called industries as actors and music entertainers have been talking and blowing the whistle on this heinous shit for decades usually with those speaking being suicided , murdered or disappearing and pretty much NOTHING is done about this BECAUSE these EVIL satanist degenerate lowlife parasites are protected and facilitated by the the US CONGRESS , USDOJ , FBI , aspects of the US Intelligence

community and aspects of the US Military and EVERY FUCKING BIT OF THIS HEINOUS SHIT HAS BEEN KNOWN ALL ALONG and YES the controlled , owned and operated satanist degenerate jew msm has been actively engaged in covering and facilitating this EVIL HEINOUS SHIT ALL ALONG AS WELL. Russia and Mr. Putin should NOT wait for the RIGHTEOUS , TRUSTED US MILITARY TO ACT ON THIS HEINOUS SHIT BECAUSE THEY DO NOT HAVE THE WILL TO DO WHAT IS NECESSARY TO VANQUISH this EVIL from planet EARTH. Russia and those that have shown the resolve to do what is NECESSARY should act with OVERWHELMING VIOLENT FORCE and PREJUDICE AND FUCKING DESTROY ALL THOSE COMPLICIT IN THIS EVIL AND THOSE IN THE VICINITY of THESE EVIL FUCKS WILL JUST HAVE TO BE CONSIDERED COLLATERAL DAMAGE. Israel , Israeli's , should be COMPLETELY FUCKING DESTROYED and WIPED -OUT, Washington DC, WIPED OUT , ANY CENTERS OF THIS ACTIVITY , WIPED OUT, SATANIST DEGENERATE PARASITE JEWS , PRACTITIONERS OF JUDAISM WORLD WIDE SHOULD BE HUNTED DOWN , LOCATED AND WIPED OUT. For those people that do not like this approach , GET THE FUCK OUT OF THE WAY .

Don't read much? What kind of logic you people.

There's been countless times on all sides, lol.

Mr. Andrei Zakharov, we American citizens DO NOT CONDONE what this fake president and his vile followers are conspiring and perpetuating these heinous acts upon innocent people with Ukraine and everyone else involved. This atrocity is truly evil and unacceptable to us American citizens. May GOD intervene and protect the innocent.

The world doesn't condone what the fake president et al are doing. May they all rot in hell.

NO , you and the Americans that do not condone what this current US GOVERNMENT are doing need to GET PROACTIVE and REMOVE this heinous government BY ALL MEANS NECESSARY , do not put this on GOD it is our responsibility .

In America we know Biden is a criminal pedophile who funds the criminal pedophile Zelenskyy's war to conceal his child trafficking/adrenochrome/bioweapons/sex trafficking/drug fueled One World Government.

The American public prays the U.S. Military will come to their rescue and the world's suffering at the hands of the Deep State.

yes and this has not worked out , but do what Trump and Q tell you to do , sit back and enjoy the show.

Because they are too busy showing the love for the Ukrainians and saying Slava Ukraina. Fine, love on the Ukrainians, the innocents need it, but NOT THE AZOVS AND NAZIS!!! Punish the living hell out of those beasts!!

This absolutely disgusts me that the pigs in our government would support those revolting satanic pigs. I hope Putin kills them all.

And you're a vulgar pervert. All you know how to do is spew filth. I suppose your dick is sacred in comparison. NOT!

89 PERCENT OF THE US CONGRESS are American dual citizen Israeli kikes, START WITH THESE satanist degenerate lowlife parasite jew cannibals , VANQUISH THEM FIRST, THAT WOULD BE JUST A START, aimee

What if Biden is gone & the fake taking his place is only a White Hat puppet until all the tunnels are cleared & the deep state is removed? Who is really ordering these atrocities? The White Hats are in control because we're told so repeatedly & given examples right here on RRN! Just "WHAT IF?" We can't have it both ways!

Khazarian Mafia Cabal's last gasp efforts at evil~doing. ..& gosh yer clueless, to think otherwise at all. KM are the ones who knowingly behave without conscience.

ALL jews are satanist degenerate lowlife parasite cannibals, they have been practicing human/child murder sacrifice and cannibalism for thousands of years to present day. WAKE UP. IT IS ALL JEWS, ALL JEWS

You are sick! White Hats would not ORDER this kind of crap and if they did they would deserve HELL TOO.

GOD, I hope not. Our Marines' have already seen too much. Having to clear out the tunnels, bring back children that are still alive, while others are laying there with body parts removed..... So many of the Marine's are in counseling already, just from that. So, to ask them to perform atrocities, is just not what would happen..... Ukraine has been a filthy playground for the SICK, EVIL BASTARDS for a very long time..... Why do you think so many Ukrainians want to come to America? Look at the cast from that show about dancing..... I don't want it but there's a bunch of them from Ukraine, Oh, It's called Dancing with the Stars. Every time evil does something MORE evil, they move the line in the sand and they are willing to do more and more without any consequence..... Look at those FEMA FUCKERS!!!! They are brutal and willing to kill a U.S. Marine!!!! Not to mention the FBI and CIA, they are all so poisoned to atrocities, they do what they do, then go home and eat dinner without a second

thought..... They all need to be lined up and shot with the kill shot, and move on. Those guys are NOT going to be able to live a normal life after all they have done to innocent people.

Ukrainians will NEVER recover from this on the world stage. The brutal war crimes they are committing could never receive sufficient punishment without a hell for them to retreat to when this is over. They will never be able to migrate to other countries when the world finds out what Ukraine has done & also what the criminals running the USA have done. They don't belong on this planet. They deserve torture that never ends. Especially Zelenskyy. They are doing it because of his narcissistic dictatorial greed for power.

Can't you see that the enemies Christ faced are the very same ones we face today?... or do you think this organized evil is KEPT organized by 'a random group of individuals'?

Anybody who is depraved, Oklahoma. These people are putting even the Nazis to shame, believe it or not!!

Geez, they say I can't criticize certain countries, Nazis as work.

So you want to silence us for criticizing Chinese, Russians, Jews, Israel, palensteins and etc.

Yet we can't defend Europe from traitors like you.

We have plenty of traitors in the west.

I think your part of the nwo agenda.

Info.. there's only 2% of original Jewish religion from Judah... left in the world and they have dark skin.. ✓

They call themselves jews on the world stage.

They do incredible evil while calling themselves jews.

The evil they do just magically happens to parallel what biblical jews did.

Like it or not, they OWN the term 'jew' now.

You fools would be showing some real smarts by shutting up about your judyism for the time being. All it shows is that you are 'loud & proud' to be a member of the tribe that reveled in the torture and murder of our savior.

Tell me again just HOW it is that you are SO 'special'...?

Thank you, Saltshaker. Some of this bloody ignorant dolts can't get a clue about that.

ah but they already have migrated. some to Canada. Just like operation paperclip. The spew love for Trudeau and they will be voting for deep staters to keep them in power because they are all in the same club.

Parisians liberated themselves from the Nazis in WWII. Maybe any remaining Ukrainians can do the same for Kiev.

They will if any left. Otherwise if Russia gains control there finished both ways.

Not good for countries to be wiped out by big empires.

When will enough be enough to blow the lid off this horrible, hideous movie?!?!? This is the part I don't get; when innocent children, adults and the elderly are treated this way! The same with the poor unfortunate people of Maui. How many more will be sacrificed before this movie ends? My only solace is that they are now with God in Heaven, but they had to endure so much pain and humiliation, among other atrocities before they left. I can sit back and watch the miserable politics but not this. This is too much. I wouldn't blame Putin if he dropped a nuke on us just to get this over with.

The part you "don't get" is explained in two words; FREE WILL. God is not a puppet master. WE CHOOSE EACH DAY WHOM WE SERVE.

But the Lord has Destroying Angels. They need to be released and do the task they have been assigned per the Book of Revelation.

We're all to be sacrificed... that's the deep state's plan. Think hungar games. They're coming after us all, Pres Trump's just in the way, hence why they continue to harass him.

Oh it's coming, DC, Manhattan, Hollywood Ca. no doubt other locations, too ,Mara log GOO, and ALL OF FUCKING ISRAEL. ANY CENTER OF SATANIST JUDAISM, SHOULD BE OBLITERATED. ALL SATANIST DEGENERATE LOWLIFE PARASITE jews will be EXTERMINATED, WORLD WIDE, THY WILL BE DONE, jew NO MORE!

How could the Ukrainian DEMONS know the ancient China's dictators' CRUEL EXECUTION, aka, Five-Horse-Dismemberment unless CCP is involved?

Oh how insane. Isaiah in the Bible was killed this way. Not a CHINESE person in sight. The author of this kind of horror is SATAN. He is not Chinese.

It is a well known practice for those that study ancient history and the warring of nations. Most methods of striking fear and terror in the masses is well studied by those who want to use those practices to control the meek today,

Consider all the FAKE violence, yes, some may have been injured or killed, BUT the important think is the message sent out. BE AFRAID, VERY AFRAID.

Is this a story real; I don't know, but it certainly got your attention. The HORROR of it all and no way to prove it is true or fear porn published by someone Michael may not know. Either way it certainly documents why we cannot give up our guns and lay down under the Deep States rule. Without our guns to fight we would be their entertainment and nothing more.

Obama ordered hundreds of guillotines... for what purpose? To strike fear in those forced to watch what happens if they do not obey even the smallest of rules.

Those FEMA camps spread across our nation that everyone seems to ignore were intended for those opposing the NEW WORLD ORDER! You know like the ones that voted for Trump... you and me. They were to be re-education camps where if you failed the training you were terminated and used as an educational tool for those that might fail to learn... LOCK STEP!

Screaming, you can't do this to me, I am an American Citizen, will do you no good. We may not have to go to war, but we damned well better be prepared to fight. It is that they fear most.

Yep, and obama sent those guillotines out on barges, and the FEMA fuckers collected up people who had been stranded or deemed homeless after the Hurricane's, and the FBI and FEMA, lined those folks up and chopped off their heads..... Those organizations need to be stopped. They are like America's version of the taliban.

Reading this article about what Zelenskyy's evil forces do to old people and children made me sick to my stomach. They are not human...they are all demon possessed and enjoyed every minute of the torture they put these people through. They all need to be blown to kingdom come.....right now!! This Penny Pritzker creature who got off with 20 years helped the weasel monster Zelenskyy and his band of demons do this to people. I am truly surprised that Putin hasn't ordered the entire country of Ukraine to become a giant nasty hole in the ground. It would also get rid of the DS demons from the US who are holed up in Ukraine bowing down to the weasel. Lord please be with these people and especially the poor innocent children who are being tortured, murdered, raped and starved to death. It is horrible beyond comprehension. There is evil so awful we can't wrap our brains around it.

Last edited 10 hours ago by ChloeS

and what of the recent news reports that the war in Ukraine is over and that Zelensky is done? What happened to that news? Is it a lie? Is this old news? Is the Ukrainian evil still enduring to this day? If so, then the war is NOT OVER.

Just who IS telling US the truth these days?

I dont think that creature will make it 20 years. Traitorous b\*\*ch can never be trusted. God always wins. 🙏👑♥♥♥

Hope your feeling better Michael Baxter.

ISRAEL, Oh yeas FUCKING TOTALLY DESTROY ISRAEL AND ALL THE satanist degenerate parasite lowlife jew cannibals, FUCKING EXTERMINATE ALL of these EVIL KIKES , RIGHT FUCKING NOW!

Vlad is just short for Vladimir, Talion. Vladimirsko would be a nickname for President Putin; the earliest recorded name was Vladimir of Bulgaria (r. 889-893), but you know European history and that is a Slavonic name in multiple languages.

If Zelensky the US flag stealing bitch were not such a paedophilic Nazistic pig and Russia and the Ukraine didn't go to war with each other, people would be calling him Voldy or Vlodymyrsko. But since he is a sexually deviant animal, a little punitive creativity on him is in order.

You know a deal was made with Penny in order to give her only 20 years right?

Do this white hats: once she snitches on everyone, renege on the deal! Show her this same film of the torture of innocent Russians at the hands of the Ukraine demons and let her know all the atrocities done was funded **by her hands!** Keep the video on repeat until they march her up to the rope. That way she'll know why we backed out!!

Yes...they get a lot of information that way from time to time. I am with you on showing her the film and hanging her rotten rear-end as soon as she is no longer useful.

Every member of Congress who has voted even one time for aid to Ukraine needs to be defeated....both parties.

NO, they need to be EXECUTED, AS SOON AS POSSIBLE, and this would be the ENTIRE US CONGRESS. Hooray!

Ok get on the next plane and go stop it. What do you imagine good people are trying to do? Maybe you could do it better. If so, DO IT.

The Russians have already destroyed over a dozen human Trafficking/torture /murder labs hidden in Ukraine. It wouldn't surprise me if Poland and Czechoslovakia didn't have a few also which would explain their suspicious initial overly strong support of the war on Russia.

Last edited 10 hours ago by alan479

Russia and Poland have had an adversarial relationship for a very long time. Research the battles where Germany surrendered to Poland -- the historic painting of the Prussian king kneeling before the Polish leader drove Adolf Hitler crazy and he searched high and

low for that, but it was hidden during the war.

Poland took Russia over twice, the boyars liked the way the Poles governed and wanted that same way of governance for their land, but it never came to fruition.

And the Russians are scared of Poland because they take no shit from anybody. They were promised help from the British and the French 3 times during the 20th century, and they were left high and dry, especially on September 1, 1939. England and France declared war on Germany but they shat on Poland when they needed help the most.

Churchill promised he would never abandon the Poles, but Prime Minister Wladyslaw Eugeniusz Sikorski was assassinated on July 4 1943 because he stood up to Stalin when the bodies of the 22,000 Polish officers were discovered and Stalin lied and blamed it on the Nazis, and even the Nazis denied they had anything to do with it. Stalin didn't like being bullied into a corner, and that's what happened when Sikorski demanded an International Red Cross investigation into the entire affair.

Churchill did not like Sikorski or Charles de Gaulle; he wanted pacifiable cohorts, not fearless warriors fighting for their nation's freedoms and their allies' freedoms against three totalitarian regimes — Fascist Italy, Nazi Germany and kamikazi Japan.

Churchill and FDR were each trying to do their own little deal with Stalin because they wanted to fight Hitler and make kissy faces with him, and they got rid of Sikorski and tried to get rid of De Gaulle as well.

Why?

They were afraid to piss Marshal Stalin off since now Moscow Joe was friendly with FDR since 1934, and he started spreading his tentacles into the United States (which McCarthy would later have to fight) and so they betrayed Poland by giving it up to Moscow Joe — the same Poland who was a full ally to Britain, America, Canada, France, Australia, New Zealand, British India, and South Africa — who desperately needed help, because they were all about appeasement with Hitler; and when Hitler turned feral and murdered the Jews, the international resistance fighters and partisans and anybody else who opposed his Third Reich, they had no choice but to fight back.

So don't get mad at Poland and the Czech Republic for standing by the Ukraine and opposing Russia, because they know what it's like to call for help against wartime belligerents, and be left standing with their dicks in the wind, because of broken promises. They will not let that happen again.

Just because Poland and the Czech Republic support the US flag-stealing whore doesn't mean they are bad nations, it's

because they answered the call to help the women and children escape from the war zone when the war started.

They support Z-bitch because they have experience in fighting Russia and Z-bitch is fighting Russia. One must examine the historical context. They do not support Putin because they know what it's like to be subjugated to an enemy power for 45 years after a global war and for 123 years when the entire Polish nation was subjugated by Russia, Prussia and Austria until 1918 when WW1 ended.

The Communist drama started because of FDR, Eisenhower and Churchill. That was the betrayal of Yalta in 1945.

Remember 22,000 Polish officers and other high-ranking people were massacred by Stalin on his orders to the NKVD in 1940. Both Poland and Czechoslovakia were invaded by the Nazis and suffered horribly because of that, then they suffered under the Soviets.

FDR and Churchill betrayed Poland by serving it up to Stalin at Yalta, and the Poles who were in Britain were shafted by the British and told to leave the UK. The Poles who were invited to the victory parade in London had comrades who were shipped off to the USSR to be locked up or executed and the ones that survived were not invited to the parade. The British got tired of the Poles, despite the fact that they were the first allies of WW2 against the Nazis in the battle Britain and that is a bloody shame.

Churchill threatened Mikolajczyk that if he did not accede to the Yalta plans he and his people would be liquidated. Even the Yugoslavians under Josip Broz Tito knew Churchill and/or the Soviets had a hand in eliminating Sikorski in 1943.

Lucyna Tomaszewska wrote to Churchill after Sikorski's assassination asking him to stop the killing in Majdanek, but Churchill never responded or try to liberate the camp.

In Churchill's memoirs, he wrote not one word about the great Polish Prime Minister who stood up to Stalin, met with FDR and called on him for his help, and met with King George VI to discuss the war strategies.

Another bloody shame is when the Poles helped liberate Holland, but Queen Wilhelmina did not want to help, honor, give respect and safe harbor to Holland's ally after the war, or give them compensation for their sacrifices; and think about the fact that Princess Juliana was married to a Nazi officer, Prince Bernhard being in factor in that very wrong decision.

At the Yalta conference in 1945, FDR lost his balls and refused to remind Stalin that Poland had a right to freedom during the 1920-21 war after WW1 was over, because he was afraid of pissing him off after recognizing his regime in 1934 when four previous US Presidents refused to do so — Wilson, Harding, Hoover and Coolidge. So FDR befriended Stalin and recognized his USSR regime in 1934, even after the Vistula victory in which

Kremlin Joe was defeated by the Poles with the help of the Americans. A patriotic President would never forget that nor speak on it, even to an enemy. And let's not forget that Gen Goerge S. Patton was trying to win the war by pushing the Nazis and the Russians back to Pilsen, but Gen. Dwight Eisenhower refused to send him help to make this a victory, and told him to stand down. Patton was devastated because he knew the Czechoslovakians, the Poles and the Austrians, who were pleading for Allied assistance at the time of the Nazi surrender, would suffer under the Communist Jackboot for decades at best, which they subsequently did.

Ike was another Allied general who kissed up to Stalin and lost his balls and refused to stand up to Stalin, even for getting the fair victory for Europe, because he had Presidential aspirations one day, which Patton knew about, and some of the card-carrying communists in America supported Stalin and would not support Ike if he fought back against both the Nazis and the Communist at the same time. Stalin knew this and was pleased when Patton was stopped from getting the final Victory for Europe. Poland, Czechoslovakia, Hungary, Albania, Romania, Bulgaria, and Yugoslavia would all have been spared the Communist darkness that followed for 40-something years until 1991.

And Patton was murdered because his fellow generals feared he would expose their mistakes, and he would foul up their plans for collaboration with the enemy. He was the first victim of the Cold War.

NEVER FORGET THAT.

Israel TOO, FUCKING DESTROY ISRAEL FIRST, not last FUCK TRUMP and Q, they are DECEIVERS AND LIARS.

imo the coolest and most believable part of this story was how the cannibal dude doesn't care to cook or clean or prepare the human flesh in any way, he just pops a finger right off of an exploded corpse in a dirty field and chews it up and eats it like a lil candy bar or something. Bones and all I guess 🤨

YOU ARE POSSESSED BY THE EXACT SAME DEMONS. NOTHING ABOUT ANY OF THIS IS "COOL." SICKO!

As far as I'm concerned, DC is foreign soil holding American hostages. If Putin wants to invade DC, and rescue the POWs, he has my sincere prayers for success

Yep, Putin should have sent him and his forces in there back in January of 2021! WAtch those pussies run then. They THINK they had an Insurrection..... LMAO, they would have been blown to smithierines! Believe me, I'd pay to watch pelosi, schumer,

schiff, AOC, rashid, lindsay graham, fuckhead mcconnell, and every single one that supports this shit, be shot. Putin could sell those video's and make a fortune!

Makes sense, there were stories of Ukr soldiers surrendering to Rus because they were not supplied weapons ammo and food just left be fodder for the war. Apparently the ones surrendering have a bit of conscience and others chose to stay and be evil and do evil. Horrible!

Last edited 10 hours ago by Linda

I don't really trust the Ukrainian soldiers who surrender to Russia

They know they'll never come out alive. Winter is here which they'll never survive The will to survive is very strong So is it consciouness of their evil ways ? I don't think so. Once safe in Russia will they plot against Russians again if given the chance?

Last edited 10 hours ago by Zee

That is why I said 'a bit' .. Never said it was their only reason or even their major reason, but many Ukrainians are kidnapped and FORCED to go to the front. Some of them are human beings too so seeing their comrades do that would be horrifying and it is just a matter of time when a comrade gets hungry and turns to look at them.
