Americká rozvědka v reakci na proruské nálady „zmrazila“ Srbsko

Celý svět si vybírá strany.

Buď jste s duhovou vlajkou, nebo nejste. Není to těžká volba.

RT :

**Washington je nespokojen s novou volbou Bělehradu za šéfa špionáže a má v úmyslu pozastavit spolupráci se zpravodajskými službami, dokud Srbsko nepřehodnotí svá „personální řešení“, prohlásila v pátek místní pobočka CNN N1 s odkazem na nejmenované diplomatické zdroje.**

Aleksandar Vulin byl na začátku prosince jmenován šéfem Bezpečnostní a zpravodajské agentury (BIA). Dříve vedl ministerstvo vnitra, ale v rámci obměny kabinetu si vyměnil místo s bývalým šéfem BIA Bratislavem Gašičem.

Podle N1 USA opakovaně Srbsku signalizovaly, že se jmenováním nesouhlasí, naposledy na schůzce amerického velvyslance Christophera Hilla a ministra zahraničí Ivice Dačiće minulý týden.

**„Důvěryhodné zdroje“ uvedly, že Hill pohrozil „hlubokým zmrazením“ ve spolupráci mezi BIA a americkou zpravodajskou komunitou, přičemž poznamenal, že Vulin představuje pro Washington „velký problém“.**

Hill údajně řekl Dačićovi, že USA by místo toho raději spolupracovaly s ministerstvem vnitra, na což Dačić údajně odpověděl, že zařídí, aby Gasić brzy navštívil Washington.

**Pobočka CNN tvrdí, že USA považují Vulin za proruského. Jako důkaz N1 poukázala na Vulinovy četné schůzky s Nikolajem Patruševem, tajemníkem ruské národní bezpečnostní rady, když měl na starosti policii. Přinesli také obvinění ruského opozičního aktivisty Vladimira Kara-Murzy, že ho Vulin nechal odposlouchávat jménem Moskvy. Vulin obvinění popřel a řekl, že bude žalovat Kara-Murzu za urážku na cti.**

Po Hillově schůzce s Dačićem minulý týden učinil srbský prezident Aleksandar Vučić tajemnou poznámku o Bělehradě prolezlém špióny a nazval srbské hlavní město „nová Casablanca“ s odkazem na slavný hollywoodský film z druhé světové války.

Mohu potvrdit, že je to pravda. Žil jsem v Bělehradě v letech 2012-2013 a tito lidé prostě přijdou a začnou s vámi mluvit v barech. Jako, já si ani nemyslím, že jsem byl cíleně zaměřen – v té době jsem nebyl zrovna slavný. Jen vím, jak vypadají špióni. Přinejmenším ty zřejmé – mají řadu otázek, které kladou, a velmi specifickou psychologickou techniku, jak se snažit působit sympaticky.

Tito lidé by měli být vyhozeni ze Srbska a nahrazeni ruskou armádou. Když tato strana skutečně začne a ukrajinská válka se rozšíří mimo Ukrajinu, Srbsko čeká na přímou invazi. Prakticky všichni jejich sousedé jsou negativní.

Upřímně řečeno, Rusko mělo v Řecku financovat barevnou revoluci v americkém stylu. Řekové jsou dobří lidé, antianální a proruští. Pokud by Řekové byli v týmu Rusko, situace by byla drasticky odlišná.

Srbsko je v současnosti jedinou ruskou základnou ve vlastní Evropě (kromě Běloruska) a není spojeno s žádnými přáteli.

Možná je Maďarsko stále přátelštější, ale to vlastně ničemu nepomáhá.

Musí existovat nějaký plán, aby Srbsko jen tak úplně nevypadlo.

Miluji Srbsko.

The Serbs are in a tough spot, the war won't expand beyond Ukraine and they are stuck with enemies all around them and a soon to be crashing EU dominating the region. When the Ukraine war ends, expect the Russians to turn completely to the East. Serbs can only hope Nato collapses so completely, they can regain some of their lost lands.

Russia should have tried to recruit Greece when Syriza betrayed the people and surrendered the nation's heritage to the rapacious German banks. Perhaps it's not too late; a Grexit followed by Greece joining the EAEU.

Why should Serbian intelligence cooperate with American intelligence agencies? Iran has just shown how to deal with high up officials, like a former deputy defence minister, for collaborating with foreign intelligence agencies.

Yes, Serbia is in a worse position than at the outbreak of WWI and WWIi, completely surrounded by enemies in the NATO pact. At least during WWI its army could evacuate through Albania to Greece with Montenegro watching its back and at the start of WWII they could escape to Greece to join the British before Greece fell to the Axis powers. Now all former Yugoslav republics are enemies with the exception of one half of Bosnia.

America is truly a plague on humanity – a filthy, repulsive nation. America has the most powerful military in history and unmatched financial capacity, and what does America do? America uses all its resources to negrify the entire world. Negrifying the entire world, ending the white race, and spreading sodomy and degeneracy is the number 1 goal of the borderless economic zone known as “The United States of America”

It's called "GloboHomo," or "GAE, the Globalist American Empire." It forces other countries to give rights to faggots using financial and economic coercion. Its State Department has been infested with faggots since the first term of the negro faggot Obama. The military is now being completely faggotized, a process accelerated by the COVID scamdemic and the vaccine mandates. Just as crucial, the whole empire worships at the feet of the negro and other black/brown bipeds, so much so the *de facto* policy of said empire is the physical displacement and replacement of the founding White stock with the brown/black refuse from the rest of the planet. The ostensible leaders of said Empire are White, but the real powers that be are Jews. Just look at Emperor Biden's cabinet.

Though the core problem is Egalitarianism. Sodomites are merely a useful cudgel.

Everyone is identical, therefore anyone is just as good as a homosexual fornicator, see?

However, sodomites are already getting thrown under the bus, because the left simply can't help but betray everyone it ever meets. Sodomites think pussy can't be male, and thus don't want former-women at their orgies. Heresy! Faggot activists most affected.

the serbs i've met in this country are for the most part pretty clueless, they rail about nato destroying their country but from the discussions i've had with them, they don't support the russians (who imo are the only country that ever attempted to help them). this also makes me wonder how they ended up here in the first place.

Chetnik families maybe? Serbs who didn't like Tito?

I was thinking about the Serbs watching some of these films about medieval Ukraine. "The Rising Falcon"...Very heavy handed stuff. the Mongols are running around with a crest of a Russian style Double Headed Eagle dangling around their necks razing villages. The double dealing Christian Duke of Galichia is Mongol vassal. The Kievan hero Maksim a Perun worshipper kills a giant Bear...Anyway. The Serbs do appear to be these unsophisticated combative rustics in the context of Balkan politics. they have born the brunt of Western attack. Their bigger cousin abandoned them.

One thing Yeltsin ought to have done was to directly shoot at NATO in Bosnia. He Flinched. Serbs would have rallied to him. Now they are surrounded and cut off like an Island with Catholic and Muslim sharks sponsored by the Yankees circling them.

Hugo Chavez / Venezuela expelled the US ambassador 14 years ago: “Go to hell a hundred times, fucking Yankees,” he told a televised rally thronged with supporters clad in red.

His successor Maduro, who repeated the feat, said: Expelling the US ambassador was the best thing we did. After he was out peace started settling in.

Europe must cut all ties with Jewmerica, Israhell & Vatican, kill all reigning priests, politicians and royals and peace starts settling in.
