Toto je kongresmanka Sheila Jackson Lee z Texasu. Zavedla legislativu zakazující bílým kritizovat černochoy.

V podstatě se tomu říká „nenávistné projevy“.

Je skutečným nebezpečím pro naši republiku. pic.twitter.com/wt5YyD7nwP

Černá zástupkyně Sheila Jackson Lee chce, aby bylo pro BÍLÉ lidi zločinem kritizovat v médiích barevné lidi.

Pojď mě zatknout Sheilo, protože si myslím, že je to ten nejhloupější nápad, jaký jsem kdy od představitele země se svobodou slova v životě slyšel!

— James Bradley (@JamesBradleyCA) [16. ledna 2023](#)

Zástupkyně Sheila Jackson Lee (D-TX), dlouho jedna z nejvíce oprávněných, nejmajestátnějších a rasistických členek Kongresu, právě představila ve Sněmovně návrh zákona, který doslova kriminalizuje politické projevy bílých lidí.

Dey city být zraněny této děvce jako muffugah, musíme být hotovi dát zákon, aby tak ain't nemůže být zraněno nigga pocit, dafaq děvko.

[New York Post](#) :

Texaská poslankyně Sheila Jackson Leeová představila návrh zákona zaměřeného na boj proti „nadřazenosti bílé pleti“ tím, že k určitým formám nenávistných projevů připojí trestní obvinění .

Demokratická kongresmanka představila zákon Leading Against White Supremacy Act z roku 2023, jehož cílem je „předcházet a stíhat zločiny z nenávisti inspirované nadvládou bělochů a spiknutí s cílem spáchat zločiny z nenávisti inspirované nadvládou bílých“.

Jednou jsem se připojil ke spiknutí za nadvládu bílých.

Už to neudělám, to vám můžu říct.

Konspirační dodatek znamená, že lidé, kteří používají nenávistné projevy online, mohou čelit trestnímu stíhání podle legislativy, i když nebudou jednat podle svých hrozeb .

To zahrnuje osobu, která publikuje „materiál prosazující bílou nadřazenost, ideologii bílé nadřazenosti, antagonismus založený na ‚teorii nahrazení‘ nebo nenávistné projevy, které hanobí nebo jsou jinak namířeny proti jakékoli jiné než bílé osobě nebo skupině.

Text návrhu zákona konkrétně uvádí platformy sociálních médií jako jednu z oblastí, kde by nenávistné projevy mohly mít kriminální důsledky – pokud tyto nenávistné projevy motivují jinou osobu, aby šla ven a spáchala rasistický zločin proti ostatním.

Tohle hloupý negres evidentně nevymyslel.

Možná postavila létající pyramidy, ale na tuhle mrchu ještě nevypsala žádné muthafackenské zákony.

Zákon byl ve skutečnosti napsán Židy, kteří používají černochoy jako svůj štít.

Černoši se nestarají o to, že lidé píší na internet nadřazenost bílé, protože nevědí, že se to děje, protože neumí číst. Pokud umí číst, pravděpodobně si myslí, že je to jen vtipné, nebo je to prostě vůbec nezajímá, jako „ať si myslí, co si myslí“. Černoši, to by nikoho nemělo překvapit, jsou ve svobodě svědomí dost velcí.

Neexistují žádné důkazy o tom, že by city černochoů byly neustále zraněny a že by pobíhali a převraceli, protože někdo řekl, že někdo napsal n-slovo na internetu. A naopak, Židé takoví opravdu jsou – protože Židé jsou vinni, jsou paranoidní, a co zamezit kritice. Vypadá to špatně, když jsou Židé jediní, kdo tam venku volá po tom, aby jim byla odebrána svoboda lidí, a tak tam dali tyto domácí negry, kteří jsou jen služebníky Židů.

Kdyby se tahle hloupá černoška Jackson Lee starala o problémy černochoů, dělala by zákony, které by vrátily drogové dealery do vězení, nebo aby do těchto programů dala více peněz. Přinejmenším by útočila na židovské slumlordy. Ale ona nezastupuje černošské zájmy. Žádný z těchto demokratických černochoů nezastupuje černé zájmy. Všichni jsou pro Židy jen shilly a předstírají, že černochoy zajímají věci, které zajímají jen Židy.

Toto zajímá skutečné černochoy:

Watch Video At: <https://youtu.be/baSIR8akLHY>

To se neděje – zatím

Je zjevně děsivé, že tito lidé ve vládě dokonce mluví o zákonech o nenávislných projevech a tvrdí, že říkat věci, o kterých tvrdí, že jsou podlé, je trestný čin. V Evropě je to tak a prostě to úplně vyřadí jakoukoli diskusi o věcech, o kterých Židé nechtějí, abyste mluvili.

Tento krok zavést zákon o „nenávistných projevech“ je reakcí na Elona Muska, který koupil Twitter. Snaha udělat to většinou zmizela, protože byli schopni použít logiku „soukromé společnosti mohou udělat cokoli komukoli“, aby to všechno zastavili.

Právě teď opravdu nehrozí, že by se zákony o nenávistných projevech staly realitou. Pokud by však došlo k několika zinscenovaným přestřelkám „bílé nadvlády“, stalo by se to vážným tématem diskuse. V dostatečně dlouhé časové ose se to stane. Pravděpodobnější než cesta „nenávistných projevů“ je však cesta zahájení světové války a následného prohlášení, že lidé, kteří zpochybňují vládu, jsou zrádci a musí jít do vězení.

Věci ztěžkly.

And sword. Just as they use women. Just as they use other people of color. Just as they use LGBTQ. Just as they use people with disabilities. Just as they use the government. Just as they use wealthy (white) Globalists...

And this is the problem and why America is falling apart and will continue to go down in flames: Everyone wants to be in with the professional victim “Jews” and no one wants to mind the store.

So be it.

I've noticed a pattern with blacks over the past decade or so and it's along the lines of, "You cain't say dat! You white!" They want to be the Speech Police and restrict everyone else's speech while reserving the right to themselves to say anything they damn well please about any other race because they're black and "special." That ties in neatly with their belief that they're the Kangs and Kweens of Martyrdom and so, in their egotistical minds, that makes them The Great Moral Authority to whom all others must surrender and obey or else. Sheila Jackass Lee just wants to codify that into law and punish anyone non-black who refuses to bow down. You cain't say dat! You white!

The demand for White sacrificial victims is insatiable. The more we give, the more they'll take.

@Sir Launcelot Canning

His further background is available on Wikipedia, should anyone (i) be inclined to see this as something pushed only by “Leftist” Democrats and that’ll be resisted by Republican “Conservatives” or (ii) think that they’ve nothing to worry about if we just vote harder:

Stephen Andrew Feinberg (born March 29, 1960) is an American businessman and investor active in hedge fund management and private equity. He is the co-founder and Chief Executive Officer (CEO) of Cerberus Capital Management. As of March 2019, his net worth is US\$1.5 billion. In 2017 Cerberus also owned DynCorp, which is a major national security contractor with the US government, charging billions for overseas military and police training. On May 11, 2018, U.S. President Donald Trump named Feinberg to head the President’s Intelligence Advisory Board.

Let's pay blacks reparations, PROVIDED they pay reparations for interracial crime, riots, urban destruction, and social parasitism (eg, affirmative action, section 8, welfare). As part of their reparations to European-Americans, blacks would be forced to pay a user's tax for technology created by Europeans. Would this be a winning idea for a comedy? Hell yeah!

Here's an article in today's Hymietown Times, called *Diversity Trainings Try to Change Hearts and Minds. That's a Mistake.*

Some choice quotes (**emphasis mine**):

There's little evidence that many of these initiatives work. And the specific type of diversity training that is currently in vogue — **mandatory trainings that blame dominant groups for D.E.I. problems — may well have a net-negative effect on the outcomes managers claim to care about.**

... few of them are ever subjected to rigorous evaluation, and those that are mostly appear to have little or no positive long-term effects.

In the case of D.E.I. [Diversity Equity Inclusion], Dr. Dobbin and Dr. Kalev warn that diversity trainings that are mandatory, or that threaten dominant groups' sense of belonging or make them feel blamed, **may elicit negative backlash or exacerbate pre-existing biases.**

They often seem geared more toward sparking a revolutionary re-understanding of race relations than solving organizations' specific. **And they often blame white people — or their culture — for harming people of color.**

The author goes on to recommend specific targeting of issues, such as recruiting where minority candidates attend school.

So why would (((they))) publish this now?? Because Congress in the hands of Republicans?? Doesn't really mesh with ol' lawdy Lee's Jew written legislation.

Every American on Twitter needs an explicit racial identifier, by law. Have to know who is a protected class and who isn't, see? Or at least Bantu. How can you protect them, otherwise?

No non-Bantu should be allowed to even speak to a Bantu without a license! Autoblocked unless whitelisted*!

Sheila is an ignoramus, sadly. The relevant supreme law of the land, ICCPR Article 20, which Sheila wouldn't know from a bar of soap, is subject to continuity of obligations, and cannot be revoked.

Sheila is also too stupid to know that the US entered a reservation to Article 20 endorsing hate speech for all treaty parties. This US reservation is legally void but Sheila is way too fucking stupid to know that.

And the main thing is so far over Sheila's head it's sad. The prevailing interpretation of Article 20 is that of the NGO Article 19. They point out that the object of Article 20 is to prevent war propaganda and state-sponsored discrimination or violence. Some ruthlessly-censored bald guy calling her mean names from a hidden-service host in Rwanda is outside the scope of the protection. Interpretation of Article 20 must consider the influence and official authority of the speaker because Article 20 is a constraint on the state, not on individual freedom of expression. And the US government will never put up with that.

So shut the fuck up you dumb cunt.

The author's comment:

“If this dumbo negress Jackson Lee cared about black people's problems, she'd be doing laws to put drug dealers back in prison or to put more money in those programs.”

...would be an exercise in futility as most, if not all blacks consider a stint in jail or prison a “badge of honor” and a good way to establish one's “street cred”.

An appointment to the “*University of Corrections*” is the ultimate award for blacks and what most blacks aspire to achieve.

Blacks would never want a true accounting of who was owed as they'd wind up on the debtor side of the equation. The outraged screeches of "Oh hell naw!" would echo across the land from coast to coast. Besides, math be all racist and part of the white patriarchy and white supremacy and is just designed to keep da brutha's down, dontcha know?

As for reparations, Liberia was formed for the ex-slaves and they had their chance to go back after the Civil War and to be returned to the less than 3rd world conditions they'd have been in had slavery never occurred. Since the ancestors of today's blacks chose to stay in this horrible, racist country, blacks today have no one to blame but those very ancestors for their still being here. As for that, they can still go back- no one is stopping them and most would welcome their departure.

Hey speaking of Jew supremacist genocide fantasies meeting Jew fragility..

See, here's what happens when a pushy Jew fails his biggest test in life. He does what he's told, like a typical little apple-polishing weasel, and thinks up lots of reasons why, and maybe now he's gonna die for being a dumb gullible fuck, or just get paralyzed or turn into a vegetable or whatever. He gets these little twinges or floaters or weird shit he never had before.

Loudmouthed sheeny loses his shit. He's like, What if I was right and it was obvious? (Instead of I was wrong and it was obvious to people who are smarter than me and now I'm gonna fuckin die.) Cause if my Mom had balls she'd be my Dad. Talmudic Jew pilpul. Real atheists don't do that shit. Or actual smart people.

Just goes to show that the pervasive corruption of Jewish nepotism in preferment has led to parasitic Jews that are not fit to survive. Extinction.

'Black people don't care if people are writing white supremacy on the internet, because they don't know it's happening, because they can't read. If they can read, they probably just think it's funny or just don't care at all, like "dat be what he be think." Blacks, it shouldn't surprise anyone, are pretty big on freedom of conscience.'

Indeed. At one point I was running around the San Francisco Bay Area with a Confederate Flag bumper sticker and an 'abolish diversity/celebrate racism' hybrid I had devised from two other bumper stickers on my moving van.

Bay Area blacks aren't exactly inhibited, and plenty must have seen it — but none ever said anything. I only got flak from one or two whites.

I finally pulled the bumper stickers off — but primarily because I felt it was rude to my black repeat customers, not because any black ever objected. I strongly suspect few actually cared.

PCR mentioned that California's reparations bill is so generous it could result in most of the nation's 40 million Africans moving to California. That would certainly solve a lot of the problems in the rest of the US.

Reparations should be a one way ticket to Liberia. We may even consider upgrading them to business class

Banning gas appliances

Hate speech laws

Just a negotiating technique. Ask for the sky, settle for something slightly less outrageous. Limp wristed republicans will want to negotiate in good faith, reach across the aisle, compromise. For example:

“Ban gas stoves, no that is too draconian. We will however go along with making them safer.” Then all the worthless safety “enhancements” make gas stoves unaffordable.

Republican politicians fall for this shit everytime. Almost as if they are part of the scam.
