Jordan Peterson říká Goyimům, aby zavolali své kongresmany a řekli jim, aby svrhli íránskou vládu

Jordan Peterson vyzývá „Západ“, aby se „dal dohromady“ a svrhl íránskou vládu ve jménu oponování „misogynii“. Jordan Peterson je zjevně jedním z těch chlapů, kteří by měli zůstat zapleteni do sporů o zájmena 24/7 pic.twitter.com/HiGwozq4ck

— Michael Tracey (@mtracey) 31. ledna 2023

Neúspěšný internetový otec a závislý na pilulkách Jordan Peterson informoval góje, že je opravdu, opravdu čas na válku s Íránem, a vyzval své stoupence, aby svolali své kongresmany a požadovali okamžitý útok na zemi. Ten ďábelský podivín Peterson řekl, že musíme svrhnout íránskou vládu, abychom prosazovali práva žen. Peterson v roce 2020 odhalil, že byl závislý na benzoch. Poté z nějakého důvodu odjel do Ruska a nechal si přivodit kóma, aby nemusel trpět bolestmi abstinenčních příznaků. Toto je nejextrémnější způsob, jak se vypořádat s drogovou závislostí, a ve skutečnosti riskujete vážné poškození mozku.

Není jasné, zda kóma způsobilo Petersonovi poškození mozku, ale když se dostal z rehabilitace, podepsal jednu z těchto smluv o smrti s Benem Shapirem. Poté odešel do Izraele podporovat židovskou světovládu.

Skutečnost, že Peterson prosazuje válku s Íránem, skutečně ukazuje, jak tento konzervativní podvod funguje. Peterson je nejlépe známý pro fňukání nad tranny zájmeny. Nakonec řekl, že by zájmena použil z úcty, ale že si nemyslí, že by měl být nucen používat zájmena, pokud nechce.

Měl nějaký základní materiál pro svépomoc, což bylo myslím v pořádku. Byly to jen jednoduché věci jako „muži by měli být asertivní“. Jeho filozofický materiál byl matoucí a pravděpodobně schizofrenní. Je posedlý Carlem Jungem, což je vždy známkou vážných osobních problémů. Zdá se, že materiál opravdu neuchopuje.

Vzal si i vakcínu a teď fňuká, jak to neměl brát, ale cítil se pod tlakem. Tohle není typ člověka, který by měl dávat mužské rady. Je to velmi slabá osobnost.

Před několika týdny šel na Piers Morgan a znovu plakal na veřejnosti poté, co bylo zmíněno, že ho žena nazvala incelem.

Jordan Peterson znovu pláče pic.twitter.com/0fLIJ7kVm1

— Evander (@evander_87) 29. září 2022

Neustále pláče. Loni také začal plakat k Židům – když jim říkal, že jsou nejdůležitějšími lidmi ve vesmíru.

"Jordan Peterson říká Izraelcům, že osud světa závisí na jejich prosperitě, začne plakat" pic.twitter.com/RJB1dzO7cq

Také plakal v rozhovoru s tím židovským podvodníkem Lexem Fridmanem.

1/ Moje oblíbené momenty z dnešního Lexova rozhovoru s Jordanem Petersonem

Má úžasný nový bod, o kterém mluví dvakrát – „co je hmota? Hmota je *na čem záleží*“ pak začne plakat pic.twitter.com/HIAnGwDPGM

A s Andym Ngem.

Top 5 nejepičtějších momentů Jordana Petersona roku 2022!

#5: JBP vysvětluje Andymu Ngovi, že jádrem zlých srdcí člena Antify je touha po „pomstě Bohu za zločin bytí“. Pak začne plakat. pic.twitter.com/9KHKyq48kt
— bad_stats (@thebadstats) 29. prosince 2022

Nedělá nic jiného, než že pláče a tvrdí, že je vzorem pro muže.

Ale to je jeho kousek: prodává se jako otcovská postava ztraceným chlapcům. Nechápu, jak do toho zapadá ta emoční inkontinence, ale je to tak.

Tvrdí, že tlačí zpět na politickou korektnost. Tento materiál rezonuje. Dostane vás na palubu tím, co říká, řekne: „Ach ano, neměli bychom používat tato zájmena a ano, chlapče, tato vakcína byla velmi špatná – a hej, také zavolejte svému kongresmanovi a řekněte mu, aby bombardoval Írán.“

To je to, co dělají: přimějí vás, abyste se s nimi dohodli na něčem jednoduchém, vlídném a bezpečném, jako je „transnielky jsou hloupé“. Pak vás vezmou směrem k jejich agendě. V případě Petersona to ani není jeho agenda – je to židovská agenda Bena Shapira, za kterou dostává zapláceno.

Upřímně řečeno, pochybuji, že jeho podcast vydělává peníze, které měl vydělat. Peterson byl senzací na internetu v roce 2017, když vyšel proti zájmenům, ale to bylo opravdu krátkodobé. Ukázalo se, že vlastně neměl moc co říct. Alespoň to moc lidí nezajímalo – mohl nesouvisle blábolit o údajné filozofii.

Steven Crowder odhalil smlouvy Daily Wire, které jsou nastaveny tak, že pokud nevyděláváte peníze, sníží vám plat. Pravděpodobně dostává svou výplatu do doku, a tak sání kike extra tvrdě. Ve skutečnosti to však bude pro lidi ještě větší zádrhel. Myslím, že i normoši chápou, alespoň do určité míry, že Ben Shapiro prosazuje tyto židovské věci, a Petersonův výrok „mimochodem, měli bychom vést válku s Íránem za práva žen“ mi přijde slizký a vulgární. Je to něco, co proklouzne jen přes ty nejhlupejší blbce.

Včera večer jsem vytvořil vlákno na Twitter o tomto podvodu.

Chápu, že světonázor je převážně kmenová záležitost. Lidé mají určité instinkty – jako je svoboda nebo právo na život – a seskupují se s lidmi, kteří mají stejný instinkt.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Neexistuje žádný důvod, proč by křesťanský Američan, který chce dát Ameriku na první místo, podporoval Izrael a nekonečné války za Izrael. Z toho logicky nevyplývá.

Takže tito jedinci, kteří řídí konzervativní mediální komplex, dělají, že balí Izrael do klastru.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Je to absolutní vykořisťování, opravdu na duchovní úrovni.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Jsem si jistý, že to je mnohým z vás zřejmé, ale byli byste překvapeni, kolik lidí prostě nedokáže pochopit tuto úroveň klamu, a místo toho, aby to nazývali tím, co to je, se tím snaží uvažovat.

Je to pochopitelné. Nikdo nechce věřit, že taková úroveň podvodu je vůbec možná.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Pokud fakta nezajímají vaše pocity a všichni rozumní konzervativci věří, že Amerika existuje, aby sloužila zájmům Izraele, pak by neměl být problém s Nickem diskutovat.

Měli by být snadno schopni dokázat, že se mýlí, protože je to velmi špatný člověk.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Všechno je to gigantický podvod.

Podporuji útok Crowdera na Shapira, protože Shapiro je větší lhář, který nadělá více škody, ale co Crowder skutečně dělá, že je to jiné?

Jde tam nahoru a prosazuje stejnou agendu.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Cenzura je toho obrovská část, protože na rovném hřišti bych tyhle lidi porazil. Nick by je porazil. Jsou ale doslova „řízenou opozicí“, takže Shapiro je na špici Applu, Spotify a YouTube.

— Andrew Anglin (@WorldWarWang) [2. února 2023](#)

Právě teď se stroj shromažďuje kolem Rona DeSantise.

Na volbách ani nezáleží. Trump je nyní neškodný a žádný republikán stejně nemůže vyhrát s hlasováním poštou. Jde o to dostat lidi zpět do zavedené podvodné agendy, od které Trump lidi krátce odvedl.

Dog barks for his master. Peterson, like so much of the Western World, venerates the Jews as the rightful master race. There are various kinds of Jew-veneration.

1. Among Evangelicals, it's Jews are the People of the Book, the Chosen.

2. Among libertarians, it's Jews are the richest and most successful. They are meritocratic masters.

3. Among GOP whores, it's Jews got the money, and you put out to moneyh.

4. Among intellectuals, it's Jews are the best thinkers.

5. Among HBD types, it's a combo of Jewish IQ, power of will, and 'human accomplishment'.

Even some neo-nazi types long for an alliance with Jews as the partner-master race, which we are seeing today: Nazis and Zion, or NaZion.

Appeasing the Jewish God is what brown-nosing white world is now all about.

You know what'd be cool? Another crusade, this time against the Jews for having turned the Holy Land into Sodom and Gomorrah.

Given Jewish roots in the Holy Land, one could understand why they wanted to reclaim that territory. But to turn it into the mecca of sodomy and tranny degeneracy? Why not just take it to San Fran?

Why turn the Holy Land that way?

Even atheists such as myself understand the historical significance of that part of the world.

Whites really do come mainly in two flavors.

Wheaks who aren't dumb but weak of soul and agency. So, they rely on most with stronger will to put forth the gods to worship.

Whummies who are indeed dumb enough to swallow every crock fed to them by Jewish satanists.

How someone reacts to Iran or the thoughts and opinions they hold on Iran are, to me, perhaps, the most clear indication of how truly free they are in mind and spirit or how enslaved they are. Sadly, it is only a small group of Communists and Anarchists in America and the West that seem to see, at least in regard to Iran, the truth of the matter.

Iran has fought the evil power for a long time. They have been attacked and attacked and yet they have survived and they are strong enough to not only survive but still are feared enough that Israel, America, and Britain are scared to directly engage.

Iran is symbolic of the Gentile spirit of resistance that still remains in the world. No matter how much power the Talmudists have, whether Israeli, American, or British, it cannot completely exterminate the Gentile, and most notably, Aryan, spirit of resistance. How fitting that the greatest threat and feared enemy of the Talmudists is a nation that is called—“The Land of the Aryans.”

Peterson is an effective and worthy addition when he stays in his lane (psychology and human behavior), but he's skidding all over the road when he enters into geopolitics. He's totally ignorant on history. I don't even think he realizes he's interviewing neocons. He's caught in a bubble of evil.

He's losing me. As soon as I saw who he was aligning himself with, I was gone. I hope he sees the light because, if and when he does, he would be a great advocate. I just don't think he's seeing the big picture. It's a shame.

It is unfortunate to see relatively intelligent people get “sucked in” to these ridiculous narratives.

Who the Hell thinks it’s anything close to our business, as to how Iran treats women? They’re a different culture, which I might add, is their Right. With ever decreasing levels of nuance, every other culture on the planet treats somebody different than we do. So what?

Are we going to attack India because of their Caste System? “It’s so unfair, having some people considered untouchables!” Same thing, what business is that, of ours?

Japan doesn’t let non-Japs emigrate and become citizens en masse, and I say “Good For Them!” It’s their country, Japan, for their people, Japanese, and that too is absolutely their Right.

The insane hubris that leads a person, or anyone, to decide that they disapprove of how another culture and country, behaves, is literally “off the charts”.

Brazil has a contest to find the woman in the country with the best looking ass. Do you think we could get away with that in America? Oh Hell No! But, should we tell them that they can’t? Better still, if they were a global super power, would we want them, forcing every other country on the planet to hold their own Miss Bum Bum contest, because Brazil does?

That’s the way the US is with the whole rainbow flag/LGBTQ+ Super Queer agenda bullshit, and most of the world, fucking hates us because of it.

When the goddamned French are warning that our cultural exports are caustic and destructive, you know we have jumped the shark completely!

Hell, Orientals eat dogs, and we eat cows. Should we go to war with China, or wait for India to attack us?

Seriously, multi-culturalism is a failure, so maybe we should just go back to some serious “live and let live”, and stop trying to mix everybody up, and instead, leave everyone the fuck alone, to live in their culture, and country, the way that they choose. Stop importing them here, and stop trying to tell them “what” to do there.

If Liberians want to shit in their streets, then God Bless ‘Em, but leave them there, and leave them alone too.

This world would be a much better place, if we had all just stayed with our own, and lived the way we wanted, instead of the US trying to homogenize the whole planet, by force, and by importing millions of foreigners, that come here, and refuse to “melt” in our so-called melting pot.

It wasn't very long ago, at all, that we actually respected other cultures, BECAUSE they were different; That's part of what made them exotic. They were different from us, and we were different from them! They wore different clothes, ate different food, spoke in a different language, and had different societies, cultural norms, family structures, and roles... and it was just okay.

Now, we seem to think that kinda like during the Vietnam War, “inside every Vietnamese, is an American trying to get out”. Well, there wasn't.

Do we even know that the majority of Iranians want us to “liberate them”, if it also means rainbow flags and drag time story hour for toddlers? Do they want to import a bunch of Northern Africans, so they can riot, destroy their cities, and rape their now, non burka clad women?

What is America selling? Because from where I’m sitting, nobody is buying, at least, not if they are smart. For all I know, Iranians are more culturally secure, and perhaps, happier than we are, with all our multi-culture rot, and identity bullshit gender queer weirdos.

Are there people in Iran that think they are one of the now extra 84 genders? How about people that dress like stuffed animals? Or get their body covered in tattoos so they can look like a snake or a demon?

I’ll bet they don’t have 350 pound Shaniquas walking around WalMart wearing spandex tights, and a shirt that says “W.A.P.Tour 2020”.

Frankly, Russia is looking better and better with each passing day, and we look like the result of 200 years of Satanism mixed with drug culture, and failed genetics.

In 100 years, America won’t exist the way it’s currently constituted, and for all I know, Iran will, so maybe we should slow our roll on the whole “Exporting Culture From the End of a Gun” thing, and worry about how to un-fuck this shithole we have created.

Peterson isn't a Jew, what he is is a gentile Canadian who pushes British interests in North America. Right now the job of the UK and its privy councils is to shove America into the meat grinder of war. Same job they had in 1939 when Churchill named Canadian William Stephenson as his New York point man to whip Americans into a war frenzy. Stephenson was the Jordan Peterson of 84 years ago, without the washing your penis bit.

As for the crying and drug taking, that sounds to me like a chemical breakdown in response to this immoral and disgusting assignment to push ww3, which is what Britain demands.

What passes for ‘news’...

House GOP demands probe into ‘antisemitic’ New York exam question’s ‘revision’ of history on Israel

The question asks who benefited the most from changes shown on maps of Israel and surrounding areas from 1947 to 2017. The options were: Zionists and Jewish immigrants; the government of Jordan; Palestinian nationalists; or the citizens of Lebanon.

“It is simply beyond comprehension that anyone at the New York State Education Department would approve a question on a statewide exam that blatantly promotes hateful anti-Jewish and anti-Israel rhetoric which only fan the flames of antisemitism in our schools,” the letter says.

[link](#)

In other words, acknowledging that Zionists and Jewish immigrants benefited the most over those changes makes you an antisemite. There are a number of comments expressing bewilderment over the issue. Like Jordan Peterson’s confused positions, this sort of thing is bound to shift the right away from Con, Inc., and that can be nothing but good.

Ashkenazim have no real genetic tie to the Hebrews.

Ashkenazim originated as a Turkic people from north of the Black Sea with no real genetic ties to Jews of the Bible. This Turkic people (Khazars) re-created and converted to a religion called Judaism which is not continuous with the Jewish religion of the Old Testament. Judaism is a post-Christian created religion centered around synagogues rather the Jewish religion of the Old Testament which was centered around the Temple (which was destroyed in 70 A.D.). Nonetheless the Ashkenazim claimed to be Jewish and inserted themselves into Jewish history.

Modern Jews are not the Jews of the Old Testament and have no genetic ties to Ancient Palestine.

It's a crazy story, crazy history, best told the late prominent Jewish writer, Arthur Koestler in his book, "The Thirteenth Tribe".

Few thoughts, think peterson is doing distraction and self destruct of image, having said quite a bit to get people to grow up imo actual message at this point -stop watching or following me or any media and think for yourself. Peterson pushing false war is a puppet back flip. As to iran of itself comment eight is well said.

The points Peterson had made about pronouns and transvestites situation is more important than people assume. Their hate speech bs and anti speech is bootstomping on our face, as people sit.

Also Jung made some points that mattered, one of most important, One does not become enlightened by imagining figures of light, but by making the darkness conscious. -Carl Gustav Jung

The cons do everything to feminize and weaken others -because lazy people let them. Their bogus anti hate scheme is their biggest fraud over time. Should make note, hate or anger and acting against incursion on us is natural and required to be alive. People must snap out of it, throw out tv, stop following, focus local. Consequence of ignorance doesn't go away, it increases.

It's a crazy story, crazy history, best told the late prominent Jewish writer, Arthur Koestler in his book, "The Thirteenth Tribe"

The Synagogue of Satan stretches all the way back to the Golden Calfers and all the way forward to the Zionist slavers, Marxists/Bolsheviks, and Neocons. Like the Serpent, stretching through generations.

"The Snake is long. Seven miles... He's old, and his skin is cold."
— Jim Morrison

You and ((Koestler)) lie. Atheists, Zionists and Satanists are in bed. The Prophets knew what kind of scum the Hebrew people were, are, and will remain until their reckoning. Just as their Golem stooges are scum.

Ummm. Why would Western men who have largely been cucked by their own women, who see white women dating blacks all around them, who have been through brutal divorces, who see their nations overtaken by foreigners and women holding positions of power and letting them in, who see white women broadcast to the world in porn; who are losing more and more power every day, often to the point of homelessness, go to Iran and fight for women's rights? Anyone who can give me ONE good answer, will get a giant teddy bear you can't even fit through your front door, to go with your man bun

Agree.

What's even worse is that Peterson is smart enough, and educated enough, and knowledgeable enough about the foreign world to know that the Bulls___ being promulgated by the Friends of Israel is such a vile lie, that it makes Peterson's abject licking of Shapiro's feet even more disgusting.

Iran is a full democracy.

Iranian women vote same as Iranian men.

And a whole lot of other things.

I disagree with Mullah's many draconian edicts, but what so-called misogyny in Iran?

In Kingdom of Saudi Arabia — US and Israel's current Best Buddy — women are treated no better than breeding stock. There is none of the vaunted "*Democracy*" that these hypocrites blivate about constantly. Only very recently KSA lifted the ban on women driving there. Only very recently women were allowed to vote in KSA.

Iran is being vilified for one reason and one reason only: they are the only country in the world that criticizes the Israeli treatment of Palestinians. And Iranians are not even Arab.

What is America selling? Because from where I'm sitting, nobody is buying, at least, not if they are smart.

This is precisely what I say. When the British were a proud and successful people with their great empire then it made sense that other nations would want to, and we would want them to, copy us, at least with our industry and institutions, but even with some aspects of our culture, since it led to increased prosperity. But these days the Collective West is in decline, for all to see, and within another generation or two countries like France and the UK will no longer be recognisable owing to non white immigration. Why on Earth would any normal Iranian, Japanese, Nigerian, and so on, want to inflict that same fate on their own country?

LOL.

| This is what they do: they get you to agree with them on something simple, benign, and safe, like “trannies are silly.” Then they take you in the direction of their agenda. In the case of Peterson, it’s not even his agenda – it’s Ben Shapiro’s Jewish agenda that he gets paid to promote.

Noticed the same.

Was never a big fan of Peterson, but I thought he was at least sincere and benign and good for “disaffected” young men. He had a message that was helpful. Some acquaintances were fans and encouraged me to give him a chance. So I tried to give him a chance.

But his view on (Randian) individualism bothered me. He was teaching (sensitive) young men to avoid connecting and identifying with communities and groups, and view themselves only as detached selves. Personal identity should be limited to the atomic and singular, he said.

And he (cruelly) mocked Palestinians and Arabs, and reduced their suffering to jealousy and envy. He said all anti-Semitism was probably related to jealousy, because Jews are just smarter and better than you. He admonished Muslims and the rest of us to “love Jews more.”

Then he joined Shapiro. And broke bread with Netanyahu. And he gave that silly speech about Israel and their self-importance. And he almost cried.

And now he wants the West to take kinetic action against Iran.

Jordan Peterson was once benign and maybe helpful for young men, but now he's dangerous. He's extended his platform to geopolitics. His audience includes many impressionable young people, many of them religious or spiritual seekers. He is validating or preparing the ground for future Neocons and Zionists.

Steven Crowder exposed the Daily Wire contracts, which are set up in such a way that if you are not making money they cut your pay.

Correct me if I'm wrong, Sidney, but I bet every contract or licensing agreement or whatever could be summed up in exactly that manner.

“I will give you 50 million dollars, because your content attracts x number of hits and I can sell advertising thereon. Of course, if you lose your audience, *for whatever reason*, I will reduce the amount of money I'm giving you, since your audience is now proportionally smaller.”

DW is trying to make money — surprise! it's not an NGO — and offering him 50 million dollars. Not because he needs 50 million. I need 50 million too, but I don't have his audience. And so, if he audience declines, he's worth less to DW. You don't have to be Ayn Rand to see that this is how things work.

Is DW supposed to continue to pay SC even if his audience declines, say, to 0? Why. out of the goodness of their hearts? This ain't no charity. And he doesn't need 50 million dollars (“What, reducing my pay to only 30 million? You lousy shylock!”).

That would suggest an interesting scam: SC signs, then deliberately reduces his broadcast to him just shouting KIKE! NIGGER! FAG! until he's deplatformed everywhere, and then DW continues, through Aryan integrity, to pay him. It seems to me that in that scenario the Happy Merchant is SC, telling the honest Aryan guy “fuck you, pay me.”

This is being played as some kind of “revelation” that DW is somehow distorting dissident voices by locking them into ADL-friendly contracts. But of course no one is forcing SC to sign; he just wants 50 million dollars, risk free. Shekels, please.

The real scam here is trying to make dissident content creators, and readers, give two shits about whether SC makes 50 million dollars, while the rest of us dodge the censors and doxers.

I don't. Some type of pity. He did not have to do this, he is rich, he could retire and write some books or not. He chose to do this, whether for money, or for the lime light, or the feeling of power and importance, who knows.

His daughter was selling nutritional advice (that she was not qualified to), and interviews people. She sounds too young and narcissistic to be truly interesting but her short came up on yt, interviewing her own mother. What's with this whole family building public personas?

That fat guy writing Der Stürmer was hanged. He never actually harmed anyone, the war would have happened anyway. Peterson is actively war mongering, preparing an unjust and avoidable carnage, when he could have stepped back. Perplexing. What does he gain by committing such great evil?

“The insane hubris that leads a person, or anyone, to decide that they disapprove of how another culture and country, behaves, is literally ‘off the charts.’”

It’s jew aggression. They are the bearers of all holiness: “the nations” and the two-legged dogs who currently inhabit them exist only to be “repaired,” i.e., destroyed. So that the all-holy may reign on earth as promised in the book they wrote. Christian crusaders are merely junior jews.

Lol exactly.

“Freedom” for Iranian women means freedom to be sex trafficked by pornographers while doing unspeakable acts on film, to murder their children, to break up families and ruin lives, to flit from bad boy to bad boy, and to be sterile and miserable.

Peterson reminds of every pop philosopher that comes and goes. They seem to be making some sense, then they keep talking, and talking, and talking until finally they are going in a hundred contradictory directions, and making no sense whatsoever. They seem to be completely lost inside their own heads. Joseph Campbell is an earlier example that comes to mind.

It was set up that way with the intent of hybridizing the West with the East. Pornography was dumped on us as a society under the banner “freedom of speech”. People did fight it, but too many were sucked into it as an escape – a culture ruining one. The East as in Middle East has women covered from head to toe. I doubt they enjoy this level of covering. When you mix the overly exposed with the overly covered you get a woman who dresses in a modest yet modern way. It’s social engineering, and it is very intense and comes from every angle. People have individual choice, but how much? If you pour blue food dye into a fish tank, it’s not a surprise that fish turn blue.

Peterson is a seemingly intelligent man, well versed anyway. But, he clearly has some deep issues of malcontent. The jew Shapiro easily conned him into becoming a pro-Israel Zionist, with a free trip to that wicked country. I will say one thing for Nick Fuentes, he was approached to join the Daily Wire, but when they tried to get him on a free trip to Israel-which is what they do with all their new hires- he told them to shove it.

I don't think there is a thing called women's rights anymore. That was just a flash in the pan. Society has moved on. Here the rights of women seem to have crumbled in front of their very eyes. If a female goes to jail, there's a chance of being raped by a male prisoner who wants to be seen as a female. If a girl wants to play sports then she has to accept playing against stronger and larger males claiming to be of the fairer sex. She's not even safe in the confines of a toilet or change room. But you don't see the women's libbers coming out and saying anything. Where are the modern day Germaine Greer's hiding? They've all been neutered. Over two years now where people have had to cover their faces, otherwise feel the wrath of authority. And yet I am to feel sympathy for Persian women who have to wear scarves, or else. I'd hate to have a daughter in today's mixed up world, where men are women, black is white, up is down, good is bad. Men can't be expected to fight their battles for them though, especially now that we are called out as white supremacist who ooze toxic masculinity. We're poisonous to the touch. It's as if the woman as a concept is slowly being made redundant. Once artificial wombs are patented, then their relevance will be no more. No, unfortunately this fight is for the women alone and I think they might just be on the losing side.
