Nicole Reffitt, jejíž manžel Guy si nyní odpykává přes 7 let ve vězení.

Když jsem byl v neděli 19. února ve Washingtonu na shromáždění Rage Against the War Machine, v pátek a sobotu jsem si udělal čas, abych se podíval na noční hlídku DC Gulag před centrálním zadržovacím zařízením DC. Přes ulici od věznice v zablokované

oblasti zvané „Koutek svobody“ drží někteří seriózní vlastenci prostor nejen pro politické vězně ze 6. ledna, ale také pro americkou demokracii.

Největší hon na lidi v historii USA pokračuje rychlým tempem, protože Američané spojení s 6. lednem jsou tiše pronásledováni a pronásledováni. Federálové nyní shromažďují lidi průměrným tempem asi jednoho denně, podle Randyho Irska, zakladatele organizace Americans for Justice a prominentního aktivisty pro vězně J6. Zatímco Julian Assange a vězni z Guantánama právem získávají celosvětovou pozornost, jen velmi málo lidí si uvědomuje, že právě tady v USA je nyní asi 1000 amerických občanů, kteří byli chyceni do této domácí, politicky živené vlečné sítě. . . s přibývajícimi dalšími.

DC Gulag vigilie byla zahájena 1. srpna 2022 Micki Witthoeft (matka Ashley Babbitt) a Randy Ireland. Následovalo po 34denním táboření v DC od 6. července do 3. srpna 1776 Restoration Movement, aby promluvilo s Kongresem o těžké situaci politických vězňů J6. Mnoho J6ers čelí falešným obviněním, jako je průvod nebo pobyt v omezené oblasti, přičemž většina z nich nese nespravedlivé, nepřiměřené tresty. Ani jeden úředník si nepřišel promluvit s aktivisty nebo se dozvědět více.

Poslední dva roky, na rozdíl od ostatních vězňů, nesměli vězni ze 6. ledna žádné rodinné návštěvy, bohoslužby ani lékařské ošetření. S pomocí texaského republikánského kongresmana Troye Nehlse konečně 23. ledna mohli vězni J6 mít hodinové týdenní návštěvy a bohoslužby.

Na vigilií jsem mluvil se starší ženou, která jela přes 1100 mil z Kansasu, aby navštívila svého syna Billyho Chrestmana, kterého neviděla dva roky. Musí ho vidět v pátek na hodinu. A je to. Neví, kdy ho znovu uvidí.

Překvapilo mě, že jsem se setkal s Nicole Reffittovou, jejíž manžel Guy Reffitt byl slavným prvním demonstrantem 6. ledna, který byl odsouzen. Jejich syn, Jackson, byl napojen FBI, aby napadl svého

otce. Kromě FBI Nicole vysvětlila, že její syn byl také velmi manipulován školou a společenským tlakem ze strany přátel, aby svědčil proti svému otci.

Jackson vydělal tisíce dolarů z GoFundMe, který založil poté, co odevzdal svého otce. Nicole pochází z Texasu, ale každý večer je na hlídce, protože chápe, že tento problém je větší než uvěznění jejího manžela. Naskočila mi husí kůže, když jsem slyšel, jak její rodinná Shakespearova sága pokračuje. Bylo to opravdu mrazivé.

Potkal jsem Tommyho Tatuma, který byl na akci 6. ledna a byl klíčovým očitým svědkem vraždy Rosanne Boylandové. Vláda tvrdila, že zemřela na předávkování drogami. Realita je taková, že ji zabila policistka z černého metra, která Rosanne mlátila obuškem po hlavě. Tommy řekl, že držel Rosanne za ruku, zatímco byli uvězněni v tlačenici těl poblíž schodů West Capitol.

Tommy tvrdí, že důvod, proč je volný a že se ho federálové nedotknou, je ten, že byl přímým očitým svědkem vraždy Rosanne Boylandové. Za žádných okolností nechtějí, aby se skutečný příběh o Boylandovi stal virálním, protože její vražda odporuje oficiálnímu vyprávění. Takže zneviditelnili Tommyho a jeho svědectví. V očích zákona neexistuje.

V komunitě J6 je poměrně dost vojenských veteránů, kteří buď nemají žádné příbuzné nebo přátele J6 ve vězení a/nebo sami nebyli na akci 6. ledna. Jeden bývalý válečný veterán, který odpovídá tomuto popisu, je Sherri Hafner z Ohia, která se stejně jako ostatní dočasně přestěhovala do Washingtonu, aby podpořila vigilií. Řekla mi, že když jí bylo 17 let, složila přísahu, že bude bránit svou zemi před cizími i domácími nepřáteli, a nyní vidí naléhavou domácí potřebu postavit se za svobodu.

Bylo tam přítomno několik Číňanů, o kterých jsem se dozvěděl, že také nemají žádné příbuzné ani přátele, kteří jsou uvězněni v J6, ani se nezúčastnili akce 6. ledna, ale pilně se účastní vigilií spolu s dalšími Číňany. Mluvil jsem s Lily, rodilou Číňankou, která se mnou

sdílela svůj odpor k životu pod komunistickou vládou v Číně a jak ona a další v její církevní komunitě uznávají velmi podobnou tvrdou ruku s perzekucemi 6. ledna.

Zvláštní shodou okolností byl můj uber řidič do vězení Nigerijec. Řekl mi, že má přátele, kteří pracují ve věznici DC. Věděl jsem přesně, o co jde, protože jsem četl, že někteří z nejkrutějších nápravných důstojníků proti vězňům J6 jsou Afričané. Pro tyto vysoce patriotické vězně je obzvláště ponižující, že jim vládnou cizinci.

Dříve v pátek jsem šel do muzea obětí komunismu. Bylo to jako smutná, děsivá, upřímná zarážka na knihy, být později toho večera na hlídce za desítky amerických politických vězňů. Oddaní patrioti, kteří obsluhují vigilií, věří, že naše země závisí na nich, aby hlídali. Vysvětlili, že v rámci soudních procesů J6 se prosazují všechny možné nebezpečné právní precedenty a uvedli, že tyto precedenty ovlivní naši zemi v nadcházejících letech. A málokdo tomu věnuje pozornost.

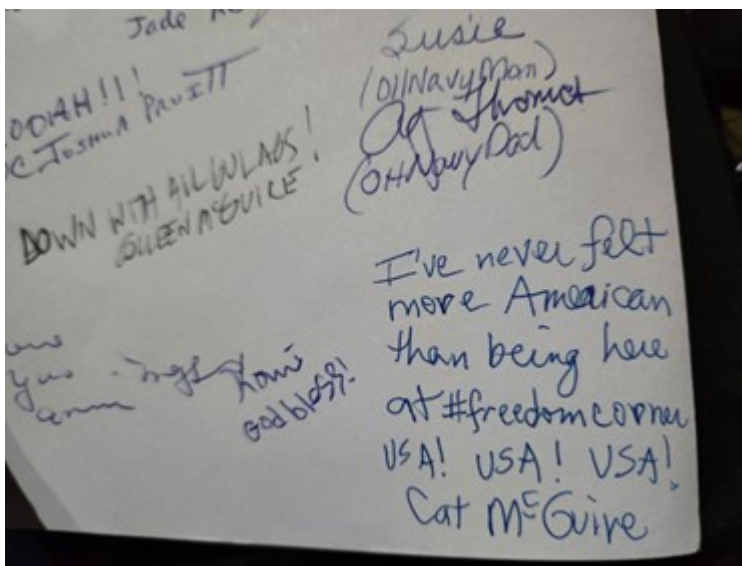

Například město Washington, DC bylo v některých soudních sporech uvedeno jako oběť. Kdy bylo celé město někdy považováno za oběť? Jak by mohla být porota složená z obyvatel DC nezaujatá? Člověk by si myslel, že změna místa konání bude povolena, zvláště když většina demonstrantů J6 je z celé země. Přesto jsou návrhy na změnu místa konání J6ers soudci DC důsledně popírány.

V rámci programu J6 vigil jsou mobilní telefonáty s vězni vysílány na místním PA systému, aby je každý mohl poslouchat a křičet slova povzbuzení. V okolních věznicích DC a federálních věznicích po celé Americe se také pravidelně hlásí asi 115 vězňů. Po přečtení každého jména zakřičí účastníci vigilie „Hrdino!“

Každý večer v 21:00 zazpívají příznivci Star-Spangled Banner společně s J6ers v DC Jail, kteří mezi sebou zahájili tradici v květnu 2021 jako způsob, jak zachovat solidaritu. Zatímco všichni uvnitř i venku zpívají, ti vězni, jejichž tenká obdélníková okna směřují do ulice, kde se vigilie nachází, opakovaně rozsvěcují a zhasínají světla v jakési Morseově abecedě jednoty.

Během zpěvu jsem začal brečet, protože jsem věděl, jak dnešní „bolševici“ dělají vše, co mohou, aby nás zničili, jak se nacházíme v extrémně nebezpečných časech, protože kromě experimentálních vakcín nás nyní otravují ještě další biologické zbraně, jako je toxické vykolejení ve východní Palestině, a jak je tato chatrná skupina vlastenců na hranici loajality k naší zemi.

Toto jsem napsal do #freedomcorner „knihy hostů“:

Nikdy jsem se necítil víc Američan než tady na #freedomcorner. USA! USA! USA!

Zpívat Star-Spangled Banner a přitom čelit věznicí DC, ve které je mnoho vězňů ze 6. ledna

Plakáty dvou obětí zavražděných 6. ledna — Rosanne Boylandové a Ashli Babbittové

Moje kamarádka, Cara Castronuová, o J6 referovala od začátku. Pomohla mi spojit se s vigilií a poslala mi tento text, jakmile jsem tam byl: *Je velmi možné najít neuvěřitelnou krásu a radost i na těch nejhorších místech a za hrozných okolností. Bůh nakonec vítězí!* Zde je několik skvělých nedávných zpráv:

- Reinette Senum dělá rozhovor s Randy Irelandem – Šokující recitace zacházení na úrovni Gitmo, kterému čelí obyčejní, nenásilní Američané, z nichž mnozí nemají žádné předchozí urážky
- Tucker Carlson dělá rozhovor s Brandonem Strakou – Ohromující příběh o politickém obtěžování v sovětském stylu, včetně mocné černé listiny nazvané „Registry“
- 'I also Orchestrate It': Uncharged J6 Witness Ray Epps Transcript Release – Další důkaz 6. ledna byla operace FBI.

With the instrumental help of Texas Republican congressman Troy Nehls, finally on January 23, the J6 inmates were able to have one-hour weekly visits and religious services.

Completely outrageous. One fucking congressman is all? Nuke DC.

Let us remember that Korematsu (the WWII Japanese-internment case) was NOT legally overruled by Trump vs. Hawaii. It would have been easy; you say “Overruled!” and you are done. Instead, overruled by history, Roberts weaseled. Group internment is today the law of the land. Mr. Justice Jackson, dissenting in Korematsu, wrote that group internment would lie about, like a loaded weapon, ready to be fired when a putative case of necessity could be made.

The weapon has somewhat been fired in the case of J6. When the U.S. finds itself more fully at war with Russia and China, that is when the weapon will be fired with a deafening and chilling bang. The justification will be the enhanced emergency powers that attend being at war; like Korematsu. The Supreme Court, giving its reflexive wide latitude to claimed military discretion and necessity, will allow this. Some war dissenters will be prosecuted and interned. Everyone else will then shut the heck up. The war will ratchet-up, because approval will apparently be unanimous. This escalation might result in a nuclear ashpile.

I feel sympathy to all of these people who have been jailed... but calling them heroes? ALL of them? Including the dipshit filmed with his feet on Pelosi's desk? That's a bit much.

Hate to say it, but these prisoners are simps. They were used, and are paying a hefty price for it now... that's not right... but there's really nothing heroic about their blind and downright stupid actions.

Story is kevin mccarthy gave tucker carlson 40,000+ hours of video footage of the j6 incident. Hard to believe there is that much video of something that just lasted a few hours.

Only j6 crimes i know of are the DC police murders of ashli babbitt and roseanne boyland and the near fatal beating of victoria white. TV has censored all 3.

This is you—Titanus giganteus, your maw snapping pencils in half and cutting through human flesh. My encyclopedia chokes on your bulk. My camera, timid, afraid to look, as if you're naked—not one adult male, but millions.

Few garments sound as fine as flak jacket, the best of the tagmata the thorax, more prime than brains as the body can keep mating, cracking its margins. Your shield like a wing, protects your bulletproof heart from the wind, your right arm black in the cloth of your brothers. Full face visor. Baby gladiator.

Beyond the screen, memorized—jawbone like a scandal reflecting all the thieves and beggars. Insect lord, insect mind. This is my fear. You look like my brother, my son. You could kill me with your looks.

For the past two years, unlike other jail inmates, the January 6 inmates have been allowed no family visits, religious services, or **medical treatment**

This is a violation of the 8th Amendment.

Has anyone filed suit under CRIPA? If not, why? CRIPA- Civil Rights of Institutionalized Persons Act.

Holding the vigil is important and moving, but this must be taken to court because it is open and shut- no prisoner can be denied medical treatment in America.

If this level of corruption exists....if any federal judge denies this and there is no corresponding media outrage or most importantly- immediate reversal by some judge, any judge- we need to pack up and leave this country before the end of the month. I am not kidding.

What else would you believe – the people in charge in Washington are major fans or descendants of the 1920s and 1930s Ukrainian Jewish club called the Cheka. In today's Ukraine, they are called Bandera Nazis and their leader is the famous piano player – another Zionist Jew that has been elevated to hero status by the 90% Jewish owned medias. Don't expect much help from the people that watch the MK Ultra box in their living rooms either. I liked the statement from President Putin when asked about the J 6 "riots". He said "You mean the Stoll that the American citizens took in the own capital" ?

I was surprised to meet Nicole Reffitt whose husband, Guy Reffitt, was famously the first January 6 protester to be convicted. Their son, Jackson, had been wired by the FBI to rat on his father. Besides the FBI, Nicole explained that her son had also been highly manipulated by his school as well as social pressure from his friends to testify against his father.

Jackson earned thousands of dollars from a GoFundMe he set up after turning his father in. Nicole is from Texas, but is at the vigil every night because she understands this issue is bigger than her husband's imprisonment. I got goosebumps hearing her family's ongoing Shakespearean saga. It was truly chilling.

You are right. This is like something out of the Soviet Union. In particular, the story of Pavlik Morozov.

[https://en.wikipedia.org/wiki/Pavlik\\_Morozov](https://en.wikipedia.org/wiki/Pavlik_Morozov)

**His politicized and mythologized story was used to encourage Soviet Bloc children to also inform on their parents.[1]**

Of course, the whole story was fabricated by the Bolsheviks, as the article shows. Stalin disapproved: **“What a little swine, denouncing his own father,” is one remark attributed to Stalin.[2]** He even suppressed a 1937 film by Eisenstein based on the story.

In 21st Century America, there is no need to fabricate such stories. The state has indoctrinated many millions of morons who will willingly inform on their parents, especially if they get a little money for it. They don't have any of the moral backbone of 20th Century Russian kulaks. Even in the Bolshevik fabrication, there was never any insinuation that Morozov would gain financially.

The people behind this are in many ways worse than Stalin. They have no moral qualms about what they're doing. On the other side, the large numbers of state-indoctrinated White morons

threaten disaster. If they are not politically bypassed, White America is doomed.

These are absolutely Bolsheviks, dumb ass. The only reason they aren't mowing us down in the streets is because they don't quite have the power yet. In fact these are the literal descendants of the Russian Khazar Jews who murdered 66 million Russian Christians beginning in 1917. They were imported under the 1991 Lautenberg Act

Smashed balsa chairs in the fake Red+Blue wrestling. Yet we learn here that many in the dungeon and those gathered in sympathy comfort themselves with praytriotism, singing hymns to a flag and chanting “USA! USA! USA!”

Before falling for Trump 2.0, ask yourself: Did a single sitting politician show his face at this vigil? Or at the Rage Against the War Machine rally? By Ms. McGuire’s account, apparently not. Too busy rehearsing for the next show hearing in the newly GOP majority House.

No one from the Establishment is going to rescue the tax aphids and cannon fodder from itself.

Thank you so much, Ron Unz, for posting this article with top billing! We may not agree on a few things, but I sure hope you'd agree that this Anarcho-Tyranny going on for over 2 years is one of the worst domestic abuses of the Potomac Regime.

I think you, Cat McGuire, for giving us this information that seems so hard to root out. All I had was **this list** of about 900 people arrested, charged for various ridiculous slights, and held for various amounts of time.

**“Capitol Breach”** is the title of that web page I linked to. After Americans all saw the '20 summer of violence and previously the rioting of the left at Trump's inauguration in '17, we ought to all understand the Anarcho-Tyranny. People of BLM and the Communist antifa who destroyed businesses, burned down buildings, and attacked people violently not only didn't stay in jail one night, but most didn't even get arrested.

**Make no mistake, these J6 patriots are Political Prisoners of the Potomac Regime.**

No, true Bolsheviks are the types that tear down traditional society and kill their own people out of resentment. That's why the Cubans called them "**Los Resentidos**". Are you sure you are not one of these Communists, Mr. Slav?

Thank you, Vito. I don't know about "literal descendants", but if you meet one of the antifa types in the street, you could just imagine him with nicer clothing and no piercings and tattoos, and he could be a reincarnation of the same type, a Bolshevik, from a century ago in Russia or Germany.

**Peak Stupidity** called it 5 1/2 years ago: **Commies crawling out of the woodwork... it's about that time.** History may not repeat, but it does rhyme. In this case, the Commies in American have screwed the pooch by not having taken away the guns on schedule. Right now, Americans feel themselves too prosperous, with too much to lose, but when that changes ... yeah, Regime Change with extreme prejudice.

Where is Trump with his tough-talk and billion\$? He could raise a stink about Jansixers, yet does nothing. They went to bat for him. He responds by swinging golf clubs.

Trump also let SMG (social media giants) ban his supporters... like Milo Y, the one guy who risked his neck at “woke” colleges to promote “Daddy” Don for prez.

Don Trumpleone promised to bring troops home, build a WALL, make the USA a manufacturing giant again. And so on. In reality, he hired his daughter and nose-in-law to simp for Israel. He did jackshit for whites, especially white men (his core constituents!).

*Fart-of-the-Deal* Don also hired Swampeteers, skunks who sandbagged him for 4 years.

The Swamp won.

Repdems ensconced Matzonians in powerful positions...like AG Meritless Garfinkel and border czarina Alexandra Thedorkass. Both do Bibi’s bidding, flooding the USA with illegals and filling classrooms with CRT crapola. The result? An entire generation filled with ahistorical, hysterical retardates who think men are women are horses are Easter Bunnies.

Currently DSDPTs (deep state double-penetrated traitors) bait the Russian Bear. I hope re-Christianized Russia ruins Ukraine, then bombs any Juden who rush in (to rob it!) to shitereens. I also hope China aids Putin and BRICS *trumps* Democrat-ruined USA.

**2024:** Sadly, only Trump has the balls to take on Dems. But Don refuses to clang ’em when and where it matters.

America is like Weimar Germany in its last days: filled with perversion, laziness, indecency, criminality, and rabid zionazism.

Story is kevin mccarthy gave tucker carlson 40,000+ hours of video footage of the j6 incident

I heard it was 14,000.

Still, even that seems crazy: 2 years of film for one day?

(40,000 hours is 4.6 years.)

Finally, while the Left continues to endlessly break laws, the Right does nothing but talk. The country is going under and all Conservatives do is cluck like castrated cucks.

Mayorkas swears he's "following the law" by letting anyone who *claims* to be an asylum-seeker...

- (1) enter the USA illegally;
- (2) get handed a court date which they *all* fail to show up to;
- (3) not be hunted down *when* they don't show up;
- (4) not be deported if issued a deportation order;
- (5) get free transportation to anywhere in the USA;
- (6) get free housing while actual citizens remain homeless;
- (7) get free food while natives go hungry;
- (8) get free healthcare while Vets die;
- (9) get free education while American kids become enstupidated;
- (10) get free assistance to bring in other family members;
- (11) get free instructions on how to vote; and
- (12) take jobs from US citizens.

Both parties work together to destroy the America as it's been known. What do they care. *They're* all set for life. The suffering of "deplorables" remains abstract to them.

FACT: Shit doesn't stop happening on its own.

Lemmy, you lack patience. You must learn to trust the plan.

The main reason why Trump is not succeeding is because you people lack the patience to trust the plan.

If any time you feel doubt just remember this: you must trust harder.

Rudy “the Great” Giuliani promised that he would stand by those who would fight against the steal. His inspirational speech regarding standing by those who will invoke trial by combat was an inspirational clarion call for American patriots to enact the plan that we must all dutifully trust.

Moreover, let us remember that Jared Kushner is from God’s Chosen People and as Christians, we are morally bound to stand by them in all that they do. Because Israel is our most important ally.

**BE PATIENT AND TRUST THE PLAN**

@Vito Klein

V.K.:"The Constitution means nothing. Seventh Amendment right to a jury trial? Don't make me laugh."

Therefor I say:

*"We've got to start us a new revolution*

*And get back to the old constitution*

*We've got to stand up and fight for the whole Bill of Rights*

*Its time to start over again"*

Lemmy, that'd be EXACTLY my take on Donald Trump too!

Regarding the traitorous Dept. of Motherland Security head Mayorkas, well, I read VDare, so I know about at least all that you listed here. At the TSA area in the airport I saw this guy's mug on the TV overhead and told one of the "agents" that the guy should be hanged.

Anyway, great comment, and regarding the video footage:

There are LOTS of cameras in about everyone's hands and then the fixed "security" cameras all over. Still, 14,000 hours, even if people had their iCrap "taping" for 2 hours a piece, that's 7,000 people's phone data, but then you could subtract out how many (?) fixed cameras of which 5 or 6 hours each one (pointed the right way) would suffice. 1984 had nothin' on today's America (much less China, in which the AI with it makes society hyperOrwellian)

In SERE we were told we would be considered as war criminals rather than as POWs, and would be treated outside the bounds of international law as established by the Geneva Conventions.

The inversion of the Iron Curtain over the last 33 years is breathtaking.

Mao said that, “Power stems from the end of a gun barrel”.

There is NO Rule Of Law. There are no Rules Of Engagement and in fact, no rules at all. The “One Ring To Rule Them All” DNC, elevated a doddering, drooling, senile, superannuated sock puppet to high station (Along with dozens of other Fascists) by way of election fraud, criminality, legerdemain and deception that is part and parcel of what we have come to expect from countries in darkest Africa.

Those forces, aligned against us, are at this point, omnipotent by way of Mao’s gun barrels. They didn’t just steal a march on us, they stole the country.

The Administrative Deep State, Big Media, Big Tech, Wall Street, Hollywood, Academe in conjunction with foreign countries now like a progressive penumbra, spread the social credit score shadow across our Republic and yes, this bell tolls for you.

It is too late for anything to be done at the ballot box and if indeed, we are to come back from these many defeats, it will be by way of bloody constraint.

Where is Trump with his tough-talk and billion\$? He could raise a stink about Jansixers, yet does nothing. They went to bat for him. He responds by swinging golf clubs.

The average Mutt forever believes that the Politician spouting promises from his soapbox will work night and day for and in their interests. They keep on believing even when they get shafted balls deep.

It happens with whites and it happens with the Blacks. They all thought Bruck Bammer was going to look out for them. Prominent blacks wept with joy when the MacDaddy became President. DUH ! The man looked out for himself. After two terms he moved into a predominantly white area. I guess elite blacks like Ocro Windfree and Jay XYZ stopped being joyous a few weeks into the Barracks's tenure.

You can tell the populace their political representatives dont give a shit about them. However, they want to believe. The politicians know this so they pay their constituents with a gust of fine words and then screw them. This happens over and over ! The Donald is no exception to this and one has to be a complete ass to think he cares one whit about anyone but himself.

Its a awful thing to say Lemmy, but its every dog for himself now. Anyone who thinks someone else is looking out for them lives in a dream world. I dread to think where this is heading and where it will end up.

@G23

I feel sympathy to all of these people who have been jailed... but calling them heroes? ALL of them? Including the dipshit filmed with his feet on Pelosi's desk? That's a bit much.

I dont feel any sympathy for them. What sort of insurrection was this ? Umbrellas, walking sticks, crutches, a leader, obviously mentally defective, doped to the heavens, dressed in animal skins and Texas steer horns. And then, lunch of soup and a sandwich across the street with selfies ultimately posted on SM. It was more like a circus.

All the overthrows in history involved force of arms and bloodbaths. People in power are not going to give it up like that. These chumps thought the walking stick was mightier than the sword. LOL

When it comes to the ways of the world, in foreign lands or even in the USA, the average American has the IQ of an old shoe. . Once the " heroes" were used they were swept off the Board and onto the scrap heap.

The J6 crew deserve to rot in jail because they were stupid pawns. In the meantime, the Donald is rocking his golf, fine wines and gourmet foods. His mutts will have to be content with their three meals of pig slop served through a metal grill on paper plates. Bon Apetit ! LMAO

Dear Cat Maguire

Please know we don't want an American Democracy = Mob Rule

We need to capture what is owed to us by the law of the USA Constitution Article IV section 4. That would be a Republic with its Republican form of government implemented in each and every State's Constitution.

The template for each State Constitution Preamble should read as follows.

Note: The future of our Posterity depends on a proper understanding of the Source of our Rights.

Declaration Of Independence: Our Rights Come from God, and the Constitution.

With the right media coverage or lack of it and this type of corrupt judiciary, I think the government could lock up millions of Whites and still manage to keep it as low profile as this. Very scary.

@loner feral cat

Get a view from the scene for insight, and the setup.

January 8th, 2021 YOU'RE BEING LIED TO! PROOF THE CAPITAL BUILDING "INSURRECTION" WAS A SET UP!!!

The storming of the capital building was not a "failure of security" as multiple camera angles and videos show police letting protesters beyond the barricades and in some cases they march them right up to the front.

Every single last one of them deserves to be in there. Zero of them brought guns to DC. Zero of the people at that rally intended any harm whatsoever to the “people” in Congress who had, by then, publicly admitted that they were committing treason.

By refusing to fight, the DC inmates ensured their fate, and they deserve it. If the January 6 rally had simply stormed the capital (not a spelling error) and hanged every member of Congress and their staff from lampposts, we wouldn't be in this mess today. Their subservience to the jewish false dichotomy is what put them in prison. They deserve it, and so does everyone else who hasn't been arrested but went there “peacefully.”

They went to the wrong building on Jan 6th.....

Trump was worried about his losing the election but not who controls the country. So he lead his followers on a path away from those whom he answered to when President.

and those folks are part and parcel over at the Federal Reserve.
