Zahraniční politika USA se „probudila“?

Čeká na kulturní konzervativce změna režimu?

Obecně se pozoruje, že imperiální mocnosti jako Spojené státy často zasahují do cizích vlád na podporu ekonomických nebo tvrdých politických důvodů. Jistě, Washington tento proces zdokonalil, takže může věrohodně popřít, že vůbec zasahuje, že změna je spontánní a pochází od lidí a institucí v zemi, která je cílem změny. Jeden si pamatuje, jak rozdávání sušenek na náměstí Majdan v Kyjevě sloužilo jako pobídka spojená s reklamním trikem, který měl v roce 2014 dosáhnout změny režimu na Ukrajině, když se senátor John McCain a Victoria Nulandová z ministerstva zahraničí stali účinkujícími v investici USA ve výši 5 miliard dolarů. vláda, aby svrhla režim přátelského k Rusku prezidenta Viktora Janukovyče. Samozřejmě, A Spojené státy jsou v tom i nadále, zasahují do toho, co bylo kdysi považováno za něco jako válečný zločin, i když nyní raději tají, o co jde, hlásáním „demokracie“ a obalováním poselství do „probuzeného progresivismu“ při každé příležitosti. Zajímavá nedávná cesta vysokého vládního úředníka, která nebyla uvedena v mainstreamových médiích, naznačuje, že hra stále probíhá ve východní Evropě. Prvním únorovým návštěvníkem byla Samantha Power, v současné době šéfka USAID a známá postava z administrativy Baracka Obamy, kde sloužila jako velvyslankyně při OSN a byla oddanou liberální intervencí zapojenou do debaklu v Libyi a také do různých dalších válek, které tento významný nositel Nobelovy ceny za mír začal. poté, co obdržel ocenění. Obamův útok na Sýrii trvá dodnes, přičemž na syrském území nadále funguje několik amerických vojenských základen, které kradou ropu a zemědělské produkty v zemi.

USAID bylo založeno v roce 1961 a mělo sloužit jako prostředek pro podporu demokratické vlády a přidružených občanských institucí mezi národy, které měly s lidovou vládou jen malé nebo žádné zkušenosti. Tato role se stala méně relevantní, jak se národní státy vyvíjely a samotná organizace na to reagovala tím, že se ve své roli stala asertivnější a prosazovala politiku, která se shodovala s cíli zahraniční politiky USA. To vedlo některé hostitelské země k uzavření kanceláří USAID. V samotné vládě USA účastníci formulování zahraniční politiky často pozorují, že USAID a National Endowment for Democracy (NED) se nyní z velké části zabývají tím, co dělala CIA, tj. zasahováním do místní politiky podporou opozičních stran a dalších. disidentské nebo dokonce teroristické skupiny.

Samantha Powerová, která je provdána za jiného zprostředkovatele moci přidruženého k Demokratické straně, právníka Cass Sunsteina, cestovala do Maďarska na svůj diplomatický pas, ale dala si práci, aby svou cestu pokryla jako rutinní byrokratickou návštěvu zámořské pošty. Maďarsko je nepopíratelně demokracií, je členem Evropské unie a také NATO, ale Power údajně neodbavil cestu s maďarskou vládou a zjevně se nesetkal s žádnými vládními úředníky, a to ani ze zdvořilosti. Na Twitteru uvedla, že její návštěva měla za cíl obnovit USAID v maďarském hlavním městě: „Skvělé být tady v Budapešti s @USAmbHungary, kde @USAID právě znovu spustila nové, lokálně řízené iniciativy, které pomáhají nezávislým médiím prosperovat a oslovit nové publikum, bojovat proti korupci a zvyšovat občanská angažovanost.“

„Nezávislými médii“ Power jasně myslel, že USA budou přímo podporovat opoziční tisk, který je protivládní a zastává globalisticko-progresivní pohled, který v současnosti upřednostňuje Bílý dům. Tisková zpráva amerického velvyslanectví o návštěvě odhalila, že Power byl ve městě jako součást projektu na opětovné spuštění sedmi programů USAID po celé východní Evropě. Nerozvedl podrobně „korupci“, kterou měla Power v úmyslu řešit, což by samozřejmě znamenalo přímou urážku místních vlád, ať už zamýšlela navštívit kdekoli, ani dokument neodhalil, že mnoho skupin, které budou podporovány jsou pravděpodobně spojeni s „globalistou“ Georgem Sorosem.

V Budapešti se Samantha Power skutečně setkala s opozičními politickými představiteli a občanskými organizacemi a skupinami, se zvláštním důrazem na homosexuální komunitu, včetně „Připojili se k @divaDgiV, @andraslederer a @viki radvanyi na oběd v Budapešti, kde jsme hovořili o jejich práci na obhajobě za práva a důstojnost LGBTQI+ v Maďarsku a na celém světě @budapestpride“, jak je popsáno v jedné z jejích tweetovaných zpráv po příjezdu. Power byl také po celou dobu doprovázen vysoce kontroverzním americkým velvyslancem Davidem Pressmanem, který je samozřejmě otevřeně homosexuál, ženatý s mužem, a kteřý byl velmi kritický. vláda konzervativního premiéra Viktora Orbána, která byla v roce 2022 znovu zvolena drtivým rozdílem v hlasování, které bylo považováno za svobodné a spravedlivé. Orban nemá rád Washington Joea Bidena, protože je konzervativní a nacionalista, ne proto, že by byl neschopný nebo nečestný, zatímco Pressman byl a je dokonalým příkladem toho, jak Bidenovo ministerstvo zahraničí vyslalo hrozného pasu jako velvyslance do extrémně konzervativní země, jen aby se prosadilo s gay komunitou v USA. Pressman vytrvale říkal Maďarům, jak se mají chovat nejen v zahraniční politice, ale také v otázkách sexuální rozmanitosti a kulturních otázkách, a za jeho úsilí mu nakonec maďarský ministr zahraničí řekl, aby „drželi hubu“.

Je jisté, že nepopíratelně demokratická vláda Maďarska, která je politicky a ekonomicky svázána s Washingtonem, nepodporuje strategii vedenou Spojenými státy prodlužování a dokonce eskalaci rusko-ukrajinské války a nepřispívá k vyzbrojování Ukrajiny. Neakceptuje „globalistickou“ otevřenou imigraci, která se snaží zpochybnit zavedenou národní kulturu, a také se staví proti sňatkům osob stejného pohlaví z náboženských důvodů. Nepovoluje předkládání LGBTQ materiálů nezletilým ve státních školách, což považuje za morálně správnou protipedofilii. Z toho důvodu byl podle „probuzeného“ pohledu Bidenovy administrativy zjevně správný čas, aby se Samantha Powerová objevila s malou dávkou změny režimu ve svém portfoliu. Maďarský představitel již vyjádřili své znepokojení nad tím, co považují za extrémní tlak ze Spojených států, především proto, že Maďarsko je konzervativní země, která si váží své kultury a politické nezávislosti. Powerova návštěva vyslala signál maďarské vládě a lidu, že tlak pravděpodobně poroste a že Washington nebude váhat využít své ambasády a zámořské vojenské základny k aktivní podpoře skupin, které prosazují názory, které místní obyvatelstvo obecně nepřijímá.

Příběh Samantha Powerové je jistě zajímavý, protože ukazuje, že jelikož Spojené státy jsou samozvaným vymahačem „mezinárodního řádu založeného na pravidlech“, nic na světě není mimo limity. Příliš mnoho amerických politiků a mediálních expertů si myslí, že ostatní státy nejsou ve skutečnosti suverénní a musí se ve všem podřizovat americkému diktátu, a pokud se odváží vybočit z řady, mohou být potrestáni. Jestliže konzervativní křesťanská země nebo vůdce – mezi něž bychom mohli zahrnout Maďarsko, Rusko nebo Brazílii – věří, že homosexualita nebo dokonce potraty na požádání jsou morálně nežádoucí, USA nyní věří, že mají mandát použít zdroje federální vlády ke změně tohoto vnímání, včetně aktivní styk s cizím národem a jeho vládou na jeho vlastní půdě. Abych to řekl na rovinu,

Takže pokud se někdo chce dozvědět, proč je zahraniční politika USA tak nešikovná, pokud jde o to, aby skutečně sloužila zájmům amerického lidu, nehleďte dál, než se stalo a dál to na Ukrajině bouří, stejně jako důsledky návštěvy Samantha Power v Maďarsku. . Pro Foreign Service Posts se poskytování podpory pro programy shromažďování šílených pořadů, které tvoří Demokratickou stranu, stalo zjevně stejně důležité nebo dokonce důležitější než prosazování skutečných národních zájmů v zámoří nebo pomoc americkým podnikům a cestovatelům.

Co je možná nejzajímavější, je způsob, jakým je „probuzená“ zahraniční politika z velké části skryta před americkou veřejností a je vedena jako nějaká tajná operace. **Jedna iniciativa** řízený USAID v Makedonii v roce 2016 za prezidenta Obamy zahrnoval grant 300 000 USD pro „vhodné“ makedonské žadatele na „financování“ programu nazvaného „LGBTI začleňování“, který má čelit tomu, jak „lesby, gayové, bisexuálové, transgenderové a intersexuální (LGBTI) osoby nadále pokračují. trpí diskriminací a homofobním mediálním obsahem, online i offline... Stále je zapotřebí značného úsilí ke zvýšení povědomí o rozmanitosti a respektu k ní ve společnosti a k boji proti netoleranci.“ Kolik amerických daňových poplatníků by se s radostí dozvědělo, že jejich těžce vydělané peníze šly na podporu programů provozovaných v cizích demokraciích, které nesouhlasily, aby je více „probudili“? Samozřejmě, nikdo z Bidenovy administrativy o tom neříká veřejnosti a pravděpodobně se tento příběh neobjeví v mainstreamových médiích, takže se to pravděpodobně nikdo nedozví!

one might suggest that the success in bringing in a new government acceptable to Nuland has not really turned out that well for Ukraine and the Ukrainian people,

Most Americans are unaware of the 2014 violent overthrow of Ukraine's democratic government that started this war.

I am assuming the person in the pix at the top of this post is Samantha Power...if so, I have never seen a more transgender "woman" than "Samantha"....is he/she/they/whatever's real birth name actually "Sam"? Not only does "he/she/they" look tranny, "he/she/they" looks like one of the ugliest folks on Earth! Sorry, but I am not learned in "transgender pronouns" since I never have to use them...only trannies I know that have property out here in far west Texas actually live in far east Texas!

You have to laugh at these stupid cunts Samantha Powers, Victoria Nuland, who run around representing a illegitimate regime of sexual child grooming gender queers, Mohammadans, Magic Negroz, International Jew Inc., while using proxy wars and foreign and domestic violent groups BLM/Antifa/drug Cartels/Mossad, to destroy whites and their culture wherever they be. “A Story Of Acceptance” (heart-melting, pure ear ‘n’ eye candy!).

Watch Video At: <https://youtu.be/n3PEdxZE9q8>

Others are supposed to “accept” him (“Ruby”) in his absurd gender role-play. But every fool knows that whoever accepts insanity as “normality” must consequently be insane himself. His delusion consists precisely in not accepting what he came into the world as. These people pervert every concrete meaning into its exact opposite.

At first I thought this was satire. But in my naivety I forgot once again that the times when real satire about real societal aberrations and grievances was permissible are long gone. Youtube has long since become a powerful and incredibly effective propaganda tool in the war against the white race, with a special target group of young impressionable brains.

The backers of all this inconceivable madness and imbecility were, are and always will be Jews.

It figures that Samantha Powers' "wife" is a Jewess. No Goy in Washington D.C. can get ahead without a Jew wife or husband or chief advisor. No wonder that Kamala Harris' husband is a Jew. No coincidence that Biden's three children all married Jews. All of Trump's adult children have married Jews. Call me, crazy, but it seems the prince of this world (Satan) is very adept at placing his children (Jews) where they need to be to further his purposes.

Where are Mr. Hack, AP, and the rest?

People have been discussing these issues at Unz for years. I don't think any of the "Ukies" here have adequately addressed the crucial topic of Western involvement in Ukraine.

This is not about nitpicking the fine details of the history, but about the broad strokes of how foreign meddling led directly to the deaths of 100,000's of thousands of people.

For those who are not so good with numbers, one hundred thousand people is roughly all the fans in a large football/soccer stadium—all DEAD.

Wouldn't be surprised if Orban would kick out USAID, just like he did with Soros and hid Open Society foundation. If there is one in Europe who has a low tolerance for his people getting bullied by globohomo wokeness, it's him. Leaving aside the question of why Hungary would tolerate such a visit, let's talk about the strategic goal which Giraldi refuses to address:

TRANSHUMANISM

Do you think the the trans "movement" just happened to explode into a politically powerful force because of some grass roots activism?

It did not. The hive mind is being prepared, ideologically, philosophically, via EVERY nexus of power, medical, media, political, corporate, financial, for the advent of open elite sponsored transhumanism.

The elites want to make Nietzsche's 'overman' a dream realized in the metallic flesh, a melding with increased longevity, the billionaires in short don't want to die, they are aiming for eternal life here on earth, and their slaves/domestic animals will be human and they will be the trans human rulers.

We assume that our male members of Congress, etc. will either get a hair transplant or wear a wig, so as to be presentable, in an older-dude way. OK, understandable; if I were Senator SafeNow, I would probably do the same thing. Trump found a way to start with 20% of a head of hair, and get it to cover 100% of his head! What I don’t get is why so many of their female counterparts do not take steps to be presentable in an older-gal way. Samantha could have a dermatologist use filler to fill-out her cheeks and lips. She could do something about those eyebrows. I am not saying try to look like a teenager or a movie star. Just be a bit more feminine-looking and presentable. But no, she looks in the mirror in the morning, and thinks, Ah, Nice!

One recalls how handing out cookies in Maidan Square in Kiev served as an incentive wrapped around a publicity stunt to bring about regime change in Ukraine in 2014 when Senator John McCain and the State Department's Victoria Nuland were featured performers...

Were they cookies or biscuits? Check out and magnify the photo link below for details, showing Nuland with her grab bag in the first half of December 2013, shortly after having met with Viktor Yanukovich.

If some still insist on calling the purpose of that stunt a “*coup*” instead of the correct term “*regime change*”, as quoted above, they would have to concede that it certainly was more benign than the special three-day military operation – which is still ongoing after more than a year – tacitly supported in the UN only by a handful of countries, such as Eritrea, Mali, and Nicaragua, which was obviously planned to perform a genuine, full-scale violent military coup in Kiev, to topple the pro-European regime in power there, hence the previously prepared narrative intended to suggest some kind of equivalency between the two events.

The few remaining Vlad-Cultists reading this should practice speaking the following tongue-twister, to describe what the picture shows, from their perspective:

Kooky–Cookie–Queue–Cue–Coup

 U.S. Assistant Secretary of State Victoria Nuland passes out food to EuroMaidan protesters on Independence Square, as U.S. Ambassador to Ukraine Geoffrey Pyatt looks on nearby.

The saxons will never begin to hate. It will never ever happen. They will be driven out into the wilds of their nations where they might survive in individual tribes foraging for shrubs to eat. There's no way the white man fights back. The damage is done and the entire world will unite against the white man. It is either extermination or driven away into the woods. You'll find future whites in zoos like you see chimpanzees and big cats today....an exotic, once plentiful now extinct specimen.

The Anglo-American civilisation is a power of an origin much more cultural/idealistic than of a racial, materialistic root. One need not look much further than WW2 – a modern-day crusade of vicious, Jew-led idiots, woke before their time – where they destroyed their own British Empire all out of pernicious envy to what they could have become in Hitlerian Germany.

Make no mistake, however, when I say vicious, I do not consider America to be genocidal towards non-Whites – as American occupation of the Philippines, Japan and Iraq has shown over a century, the population of American colonies only keeps growing. Americans never do it out of their self-interest – but due to their cultural programming of breeding non-Europeans whenever they go.

Of course, in their most recent war against the husk that remains of Russia (humiliated and crucified by gangster capitalists for 31 years and counting), they might finally pull the trigger, as the Slavs are arguably Aryan enough to be exterminated. Compare that to Afghanistan where the Americans, weakened by their Christian morality, shied away from killing the locals to the extent of losing the war.

Still, I welcome pieces such as this article. The Anglos are indeed in their final woke hour (before their Aryan blood runs out), in the final blossoming of their flower of Christian ugliness. The Russians are not even like this. The Russians are even more dead – spiritually. I will get hackled for voicing this truth on this forum, but believe me or not, Russians hackle me for bringing culture war into the spotlight. If you heard the most recent Putin speech, the LGBTQIA+ neo-Christian degeneracy took a minute at most, while he went on about economy for 2 hours. The Russians are a lost cause, and yes, even the vile transvestites might gobble them up at this rate, a country of no material or idealistic basis faced with such a demonic abomination as Judaeo-Christianity in its waning supernova.

Stanford Univ entrepreneur program for highschool boyz, and grooming in silicone valley

Flaming HOMO that would bring in high-tech kids all over the USSA to his stanford campus to turn them into little entrepreneurs, but in fact these guys were grooming long before it even became fashionable

Another note-worthy flaming homo groomer is Peter Thiel, owner of PALANTIR(CIA), and "Human Vampire" google parabiosys, peter thiel

It' not clear what became first inQtel (CIA TAKING OVER silicon valley) or the homo grooming? I can remember when most high-tech bay-ahrea nerds were conservative, as liberals tend to be dumber than a bag of rocks; Like Facebook, largely like Microsoft what the GOV (CIA/NSA) did was steal all the tech from real conservative guys, and then setup faux gay entrepreneurs who would only hire liberals, making the liberals rich; MS was stolen in Seattle, Gates didn't write MSDOS he stole hit, same for Facebook it was stolen, every fucking block-buster in silicon valley was stolen on behalf CIA, and then transferred to a woke corporation where they nurtured future groomers to rule the world

Most americans are still ignorant of the spanish-flu from 100 years ago,

Like COVID it started in the USSA, but then only spain was reporting, ergo dubbed span-flu; Started at mid-west mil bases, spread by train & ship all over world during WW1, media refused to talk about it, because US-MIL didn't want enemy to know more MIL men died from the flu than fighting;

Same here COVID started in midwest aug 2019, spread in wuhan sep2019, and at wuhan mil games oct-2019, only china reported, USSA didn't acknowledge covid until march 2020

You can read books on span-flu but nobody does; COVID will go down the same way, the truth is out there, but nobody cares or knows,

So same now with UKRAINE, anybody paying attention knows 2014 was a COUP, knows nuland spent \$5B USD

So what, every paid media whore starts every statement with 'russias war of aggression'

USSA sprayed COVID in Italy (MILAN/FLORENCE) IRAN, and wuhan wet-market and USA mil bases in Aug 2019, lots of Iran old died, just like in Italy; But when the factory working chinese girls of MILAN went home for spring fest jan-2020 they spread COVID all over CHINA

Such aggressive promotion of LGTBQ + "rights" will just increase hostility and discrimination towards those groups (and USA for that matter) by local population. Especially in Hungary and generally in East European countries and Balkans. It will open doors to right groups (parties) who will take the opportunity to "defend citizen rights and traditional values).

They don't go woke, they go globalist. The woke ideology is one approach among many to destroy national culture and overthrow governments. Another approach is right wing atlanticism, white universalism. Christianity is another approach. Churches somehow always side with globalists. Homeless people sleeping under every bridge, our infrastructure falling apart, inflation running rampant, and this is what the government is worried about? All the money sent to project Ukraine, a basket of corruption in order to hurt Russia, apparently the road to China (who makes all the stuff we buy) which is just pie in the sky. Hungary has to be especially careful with every decision they make, and they probably can't do this, but I would love to see them throw out the homosexual ambassador and tell the US that if they continue trying to undermine the Hungarian government and its society, they will cut off relations with the US. Hungary is part of the European Union, which is dominated by left-wing extremists who are anti-white, anti-Christian, and anti-European. They are fanatics intent on destroying the homogeneous populations many European countries "had," hence the mass immigration from non-white countries, often taking in the worst those countries have to offer. Hungary strongly opposes that.

Hungary shut down a George Soros-run school not very long ago. It's safe to say they were not teaching chemistry, but instead extremist leftist ideology. Soros is originally from Hungary; he's Jewish, and he left Hungary in 1947.

I can't resist posting this video of English historian David Irving giving a lecture years ago on the 1956 Hungarian Revolution. It fits well with this article. As David Irving explains, it was a revolution against a government run by a foreign entity that was placed there at the end of World War II.

Every year around the same time the human species has ample opportunity to hide behind all sorts of disguises, this is called carnival. But for these – pardon – “zoo inmates”, the clown mask is attached to their face and becomes part of their (fake) “personality”. Meanwhile it seems like “the monkeys rule the zoo”. We are degraded to mere extras of their knockabout comedy. We all are supposed to accept this nonsense apathetically and not say a word about it. How do you vote out the Deep State? And do you think you can kill it? Not without full scale true civil war, not what American Deep State propaganda called the War Between the States.

The brilliant stroke that the WASP elites in the UK realized, surely with a huge amount of input from their Jewish bankers: buffer yourselves while making yourselves more surely permanent by arranging for a system that allows much of the hot polo to think it has a say. 2 Masonic Lodges, 2 apolitical parties, all controlled by the Deep State. Political Theater of the Absurd.

The root problem is not just a few thousand evil actors with huge money and connections. The toot problem is that this is precisely what WASP culture produces. So with what culture as a national basis do we replace WASP culture?

And white is not a culture. That's a key part of the Deep State's divide and conquer.

I am assuming the person in the pix at the top of this post is Samantha Power... if so, I have never seen a more transgender “woman” than “Samantha”

Yeah, the Dublin-born ghoul does seem overly mannish. She was one of the key architects of the coup in Ukraine and war against Russia.

How Michael Jackson’s Rabbi Made Samantha Power Kosher

JULY 17, 2013

There’s a chance — just a chance — that Samantha Power might not today be on the verge of becoming America’s ambassador to the U.N. if she hadn’t played nice with Michael Jackson’s rabbi.

No, seriously.

More than two years ago, influential rabbi-to-the-stars Shmuley Boteach sharply criticized Power for “troubling statements” she had made nearly a decade earlier that “maligned the American pro-Israel lobby.” Worse, in the Rabbi’s eyes, Power implied that billions of dollars in U.S. military aid to Israel might be better spent on investments in the “state of Palestine.”

... In the meeting orchestrated by Boteach, Power said those comments in no way made her some sort of Israel-hater. In fact, she added, she had a strong “affinity for the Jewish people.” Not only is her husband, Cass Sunstein, Jewish, she added; he’s a direct descendant of the Gaon of Vilna, Rabbi Elijah ben Shlomo Zalman Kremer, a revered 18th century Jewish scholar and leader of the non-Hasidic Jewish community...

For Samantha Power, Support for Israel Is Deeply Personal — and Proven

By Nathan Guttman

June 15, 2013

During a White House meeting with Israeli officials in 2009, Samantha Power, like any other proud mother, pulled out a photo of her infant son. In speaking to the admiring crowd, she added a surprising detail: Her son, she said, is a descendant, from his father’s side, of the Vilna Gaon, Rabbi Eliyahu ben Shlomo Zalman Kremer, the 18th-century Jewish sage who is considered the greatest talmudic scholar of his time...

That photo in the article of Samantha Power could serve for one of those public service TV announcements that says, “This deranged nightmare is your face hooked on drugs—whether you pay the street pusher or your doctor.”

Seriously, and just going by memory, I recall this vile and Satanic woman got a PhD for writing about preventing genocide. She and her evil husband may have coined that term “R2P” or Responsibility to Protect. In her case as a servant of the Empire of Evil, that translates into a near total inversion of everything that’s good, beautiful, and true. In her case, she’s in large part responsible for the genocide in Libya and Syria under Barry (aka Barrack Obama) Soetero.

Blinken’s finger puppet Biden naturally appointed a proselytizing coprophiliac, David Pressman, as amb to Hungary so he can organize the sexualization of Hungary’s children with coprophiliac story hours in the libraries and books inverting the truth about the depths of human sexual depravity by calling it love. Apparently something like 20 Republicans agreed Pressman represents their values, too.

Soros was declared persona non grata by Hungary. No other country had the guts to do that.

If it is true that “Hungary has to be especially careful with every decision they make,” it is equally true that its enemies have to be especially careful, because the Hungarians cannot be pushed around, intimidated and bent into the desired shape as the other former Soviet satellite nations were by the Soviets and are now by NATO, EU.

The Soviets realized this in 1956. Even though the Soviet tanks entered Hungary and squashed in blood the popular revolt, the Soviets did not dare to execute Imre Nagy (the Prime Minister who had joined the revolt and announced Hungary’s exit from the Warsaw Pact.) Not in Hungary. They transported him secretly to Bucharest and had him executed there. Subsequently they allowed Hungary to have much more political and economical independence than any other satellite country. They had learned to fear the Magyar spirit.

While they call Orban “authoritarian,” “ultranationalist,” etc, they stop short of calling him “anti-semitic.” But they know that for Orban (and most Hungarians) Soros is not an outlier, an odd ruthless anti-Hungarian, anti-Christian globalist but the personification of “globozio.”

Thanks for the David Irving clip. One worth archiving.

Superb article, Phil. Thanks for penning it.

That said, permit me to share a few of my observations...

| Samantha Power, who is married to another Democratic Party affiliated power broker, lawyer Cass Sunstein...

Yes, good 'ol Samantha Power is Cass Sunstein's shiksa. She is as beautiful on the inside as she is on the outside.

| The Obama attack on Syria has been sustained until this day...

We should take a page from our good friends who never waste an opportunity to constantly refer to any of their enemies as "Iran-backed" or "Putin-backed." Just one of many sample headlines...

U.S. Airstrikes in Syria Target Iran-Backed Militias That Rocketed American Troops in Iraq

So, rather than saying "Obama attacked Syria," we should henceforth give credit to the people truly running the show and say that "**AIPAC-owned** Obama attacked Syria."

| Within the US government itself, participants in foreign policy formulation often observe that USAID and the National Endowment for Democracy (NED) now are largely in the business of doing what the CIA used to do...

USAID and NED need to be exposed for what they are... NGOs or Non-Goyim Organizations.

This network of NGOs (ADL, SPLC, AIPAC, CofP and the hundreds of other NGOs), is working hard to subvert our once beautiful Western homelands and should be banned outright for their subversive and treasonous activities.

| So if one wants to learn why US Foreign Policy is so inept in terms of actually serving the interests of the American people...

Serving the American people? Let's be clear. Half of the American people are considered to be "Deplorable Nazis" for simply wishing to retain and uphold the beautiful values their ancestors have handed down to them over the generations. For having the temerity of wishing to not abandon these beautiful values, these people have been targeted for cleansing from HaShem's impending paradise. This, in the final analysis, is the fundamental objective of *Operation Tikkun Olam*.

How simple – the plan to take a second/ third world country , destroy it’s economy, devalue their money from 8 hgr to 1 dollar down to 35 to 1 , hang out the Nato now hiring sign, program the populace with 24/7 hate propaganda, attack the part of the population that is still awake and Bingo – the rest of the country is ready for war and digitization, since their money is no good and their Kiev government has been bought and paid for by anyone from the Western One World Order – within 5 to 7 years only. Who’s next – USA – Turkey – Canada -Germania, Poland, Japan etc. etc. etc. ?

Notice that Russia has now put the ruble in circulation, in all the NovoRossiya parts of the Borderland.I’m sure that the Ukies will see this and move out of the OWO.

Look at all the money that was put into Ukraine from all these tech giants, governments, globalist oligarchs, Bankers etc. etc. etc. – then betting on the Ukrainian military with Nato help – to take out the Russian Federation, like it was already in the bag !!! Well, it ain’t over yet and I’m sure the Western Bastards will try some pretty nasty shit before they look like the losers they are. Wisely, Slav wrote: “The woke ideology is one approach among many to destroy national culture and overthrow governments.”

As a fellow Slav, and a divorced member of St. Joseph’s Melkite Greek Catholic Church, below, will convey a personal story that I endured and still deeply suffer.

On April 1, 2017, I had my first collision with a car on Davis Street, Scranton Pennsylvania. A traffic light turned quickly from green to red and my car broadsided an old SUV driven by a Polish lady. No injuries, except that I soon learned that my wife didn’t pay my car insurance. Admittedly, was foolish to not check on this vital need.

Shocked and dismayed, all week, to no avail, I pleaded with my wife, and son’s Daniel and Joseph to work in a way that funds would increase and pay our family bills.

And during an argument on April 7th, I pleaded with Daniel to recall the biblical advice to “Honor thy Mother and Father,” I asked him if he believed in Our Lord Jesus Christ, and Daniel replied “no.” Then I asked if he respected me as his Father, and again his answer was “no.” Immediately my wife bitterly exclaimed to me ,”You must EARN his respect.”

So on April 8th, 2017, after my wife and Dan called the Taylor Police for the second time, charging me with being crazy and a threat, I had to move into a small room, the Lighthouse managed by a blind Nun, Lindy Morelli.

These days, now 30 years old, I see Daniel’s posts on Facebook, which indicate his allegiance to the “Woke” phenomenon and signals total support of abortion and the LGBTQ politics.

To me, being tagged “Woke,” is a condition characterized by non-critical thinking and rejection of mankind’s traditional mores. Of course, the late-Aleksandr Solzhenitsyn saw the West’s overthrow of national cultures & governments coming.

The Nuland-Kagan putsch in 2014 in Kiev stimulated the Nazification of Ukraine. American ziocons worked on the Nazification in cahoot with American neo-Nazis and self-proclaimed Ukrainian Nazis: <https://www.rt.com/news/572355-azovs-american-friends-terrorists/>

An investigation in 2020 by the West Point Military Academy’s Combating Terrorism Center found that Ukraine has long-held “a particular attraction for white supremacists—ideologues, activists, and adventurers alike.”

The abundance of nationalist groups involved in 2014’s US-led Maidan coup was “electrifying to far-right individuals and groups in Europe, the US and further afield,” the investigation records. Neo-Nazis the world over began flooding Ukraine, which they considered to be a new fascist state in the making.

The American Jewish Community is still very excited about Jewish Fuehrer Zelensky (the supreme commander of Banderites) and the Ziocons/Neocons-promoted “democracy on the march” in Ukraine that has turned to be **Fascism** on the march.

The Nuland-Kagan’s putsch was coordinated by its commandant Andrij Parubiy, the founder of the Ukrainian Nazi Party: https://en.wikipedia.org/wiki/Andriy_Parubiy

In 1991 he [Andrij Parubij] founded the far-right Social-National Party of Ukraine together with Oleh Tyahnybok; the party combined radical nationalism and neo-Nazi features (by its name and the “Wolfsangel”-like sign). From December 2013 to February 2014 Parubiy was a commandant of Euromaidan [the Nuland-Kagan’s putsch in Kiev].

Judeo-Nazi revolution in Ukraine: https://www.files.ethz.ch/isn/136008/commentary_56.pdf

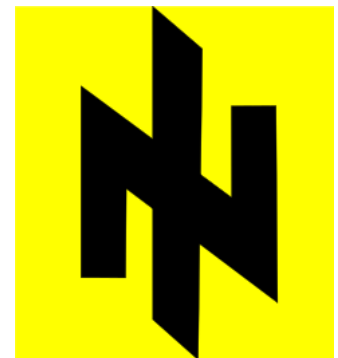

Svoboda was founded as the Social-Nationalist Party of Ukraine (SNPU) in October 1991... Its emergence was a part of the process of the Ukrainian independence movement branching off into national democrats and radical nationalists. The party advocated the social nationalist ideology by combining radical nationalism with equally radical social rhetoric. Among the canons of its ideology were a vision of the nation as a natural community, the primacy of the nation’s rights over human rights, the urge to build an ‘ethnic economy,’ an openly racist rhetoric concerning ‘white supremacy.’ Therefore, it seems justified that this programme has been compared to National Socialism from its very beginning... This parallel was reinforced by the party’s symbol – the letters I + N (Idea of the Nation), that is graphically identical with the ‘Wolfsangel’ rune – one of the symbols of European neo-Nazi organizations.

The last ten years have seen a dramatic unraveling of holobiz while American Jews were the driving force of the Nazification of Ukraine. Here is a new symbol of the Straussians occupying the US State Department and Knesset. Mazel Tov, Kagans' clan, Jake Sullivan, Blinken, Avril Heines, Carl Gerschman, Price, Schumer, and all 37 Jewish members of the US Congress on your tireless support of the Ukrainian Nazis! The Jews can proudly say, "we are all Banderites now!"

The Nuland-Kagan's putsch was coordinated by its commandant Andrij Parubiy, the founder of the Ukrainian Nazi Party: https://en.wikipedia.org/wiki/Andrij_Parubiy

In 1991 he [Andrij Parubij] founded the far-right Social-National Party of Ukraine together with Oleh Tyahnybok; the party combined radical nationalism and neo-Nazi features (by its name and the "Wolfsangel"-like sign). From December 2013 to February 2014 Parubiy was a commandant of Euromaidan [the Nuland-Kagan's putsch in Kiev].

Nuland-Kagan, a Straussian representing the US State Department, and Andrij Parubiy, the founder of the Ukrainian Nazi party:

Once she married a Jew, there went the clean character and corruption set it ... now she's just another shiksa who wants to be more Jewess than the late Golda Meyer.

Very respectfully, you are implying she married the Jew and THEN became a sleaze. You may be half right.

I posit that she was already scum and marrying Sunstein was finishing school. She graduated as a douche bag. Ever notice that these women are not so bad looking when they are younger. However, when they marry in the tribe, their faces change. I dont want to quote a cliché but they do start to look like rodents.

One startling couple is the Nuland/ Kagan relationship. What a repulsive husband/ wife combination. You can literally see their internal filth manifest on their faces.

Its so easy to see why these people are despised the world over !

On article, tend to take a basic view which is there should be no 'foreign policy. It is inexplicable the way mericuns continue to sit while cons here run over people, here, and, go everywhere else to run over others, beside military oppression, or otherwise assume to speak for people here when then don't, or otherwise scheme, as people here sit 'watching' as if there's no consequences.

On another thought would be similar as comment four, on individual in photo have to agree. Think there are some who aren't as obvious, and use for advantage. First to remember, its about male dominant. The pushers use false image and whine as if put upon, but is actualy about pushing dominance, using male dominance. If a male appears female, they're male regardless taking hormones to stop beard growth etc. Stil male chromosomes. and females appearing male take testosterone, so also male dominant. Its what people are missing about the subject.

Though said before, should separate and use different labels, such as apprev for appears reversed if someone isn't doing power stuff, and transvestites on those doing scheming. The cons dictate labeling onto others, because they don't want labels that reflect reality.

Other to make note of, eye sockets deeper on males, also males are more box face, compared to female more narrow. Some use chin implants, triangle shape makes male face appear more narrow or female. The chin on person in photo is more square, could be their own chin. Between hormones and chin implant, hair length or earrings is semi simple to make male appear female. Trait hard to hide beside eye sockets, male shoulders wider than hips, though 'pant suits or jackets, or skirts can distract. Also photoshop. Basically if looking at photos, can move screen so only see upper part of face, eyes tend to give away. Also sometimes names, using made up name, or two first names or female name, or bible names.

Whatever else regardless, we should have long ago been objecting to people running around pressuring others, or, assuming to speak for everyone when they don't.
Last paragraph in piece is well written and could be said of many things. Appreciate the article.

Most are familiar with the quip former Fed Chairman Greenspan that “Whatever you tax, you get less of.” But there’s a little considered corollary, Whatever the government funds, you get more of.

| . . . in a \$5 billion investment by the US government to topple the friendly-to-Russia regime of President Viktor Yanukovich.

This article scratches the surface of what has been decades of the US government pouring money into what is now so large and amorphous it’s playfully known as the Intelligence Community.

| So if one wants to learn why US Foreign Policy is so inept in terms of actually serving the interests of the American people . . .

Some of us would be ‘Good enough for government work’ satisfied if American foreign policy returned to something within shooting distance of serving the national interest, as distinguished from that of “the American people.”

Yet, by that not for the faint of heart standard, it’s ever more difficult to connect these efforts to sovereign objectives. Even when you can, say accepting that breaking Ukraine was adjudged a lever for pressuring a resurged Russia, no limits are respected much less a reverse gear or shift into neutral.

Accept that Obama was the near perfect figurehead/pitchman for this monstrosity. No one should be surprised that once he accomplished what I certainly wouldn’t have bet a nickel on — successfully conditioning the American people to accept partnering with Al Qaeda and ISIS, they plug-n-played the same with nazis in Ukraine and beyond.

They view LGBTQ+ as the flip side of the same coin.

You’ll note that even while the US looks more like the former Soviet Union before it collapsed and/or Russia during the Yeltsin years, the political class insists that we’ve evolved beyond bandwidth limits. Remember that concept? That a president had to focus on accomplishing one or two big things?

It makes perfect sense that the Deep State and foreign powers consider having a ‘Yeltsin’ as POTUS a feature not a bug. The reason being that the US has proved unbeatable with a powerful, legitimate POTUS, pursuing the national interest.

This she beast with a Scottish accent was interrogating the social media reps about criticizing the Zionist Entity and how to stop it on their platforms.

Why are people like this often described as "liberal" when they are war lovers who like to dump bombs on people's heads, destroying the lives of untold numbers of victims? What's "liberal" about any of that? The principle here seems to be Theodore Dalrymple's famous quote on force-feeding people things they knew not to be true but had to acquiesce in publicly accepting it all. Humiliating the subject population is a part of stripping them of their identity. People like this Power are blood-thirsty sadists who like the power rush of having their feet on other people's backs. PC has evolved into pure evil with the US being its vehicle.

Just a note, was mentioning physiognomy the other day, the cons put it down to supress, but is fact there are physical traits that are common in criminals, such as ears set low or toward the back, or lower part attach attaches to head instead of separate lobe, such as in photo. Another would be eyes that aren't level, don't mean set close or far apart, but one being slightly dislevel to the other. A trick the cons use a lot is to tilt their head in photos, or take from an angle, to distract from traits or make a more 'friendly' fake appearance. Maybe make note, how many govt or media or lawyers use that.

The entire ZUS regime is under zionist/communist/woke control, from the zionists puppet Biden to every facet of the ZUS regime, it is totally zionist control.

This control was proven by the attack on the WTC on 911 by Israel and traitors at the highest levels of the ZUS regime and blamed on muslims to give the excuse to destroy the middle east for Israel, which led to the deaths of millions of innocent people in the middle east , in the wars of aggression by the ZUS and their fellow terrorists ZNATO and their AL-CIADA and ISIS.

Congress aka the lower house of the knesset, knows the truth, but is under zionist control, and every thinking America knows that Israel and traitors in the ZUS government did the attack on the WTC, but no one dare says a word, that is control in spades!

A lot of people see USAID etc. as a great way to save money through budget cuts. State dept. DoD, pretty much any other entity or aspect of govt. that extends tendrils overseas and runs up the national debt for no good reason...could all do with full critical review coupled with administrative authority to make necessary changes and cutbacks. 32 trillion and counting...

Astute observations and commentary, geokat62.

The following comment was reportedly made by an “anonymous blogger” in response to an article which he or she had read on an undisclosed website. I find it to be remarkably clear, concise and true!

“Jews are provocateurs during peace time, saboteurs during war time, and subversives at all times.”

It appears that the proposed legislation in Florida requiring bloggers to register with the state in order to post commentary on the internet is designed to shut down any commentary critical of the (((earthly agents of Satan))). If Governor DeSantis supports this “chilling” free speech legislation – or otherwise permits it to become law through some stratagem providing him plausible deniability – then everyone will know that he is owned by the jews.

That does not need to happen in order for me to know that he is owned by the jews, however. He proved that to me when he and about 50 staffers and (((key legislators))) flew to Israel to sign into law (Florida law!!!) some piece of legislation that was “good for the jews” shortly after taking office in 2019. What further proof does any right-thinking man or woman need?

“Remember when people used to say that when women ran the world that there would be less war”

Yes I do and I confess that I bought into that storyline. Madeline Albright and Hillary Clinton brought reality to my dream and now we can, among others, add Bareback (?) from Germany and VonDerLeyden from the EU to confirm that women leaders are likely more, rather than less, eager to seek out war.

We’ve had some classic warmongers in our government. Thinking of Cheney, Pompeo, Lindsey Graham, Nuland, Blinken, Sullivan and of course at # 1 the deceased John McCain. But I would put the women I mentioned at parity with the men, and the women reached parity in a very short period of time.

Common sense tells me that a settlement to the Ukraine war is available but with so many warmongers in decision making positions that the war is going to continue and it’s going to escalate. The actual plight of the people of Ukraine is of no concern to them.

Yeah. **If you put up with it, you deserve it.** Working as Chief Engineer in marine powerplants, that is the dictum and precept of your job.

Whites certainly have themselves to blame for their impending extinction.

According to experts, "long-range Russian electronic warfare systems could turn multi-role F-35 fighters into heaps of metal and demoralize pilots". F-35 stealth fighters demonstrate radar visibility and unreliability near Russian borders. NATO pilots receive mental trauma from non-lethal encounters with electronic warfare systems and fighter jets of the Russian Aerospace Forces. American F-35 pilots complain about malfunctions in onboard systems and loss of communication over the Baltic and Black Seas. About 500 kilometers from the Russian borders, electronic warfare interference begins to suppress all the electronics of American fighter jets. According to experts, this is the result of the operation of the Murmansk-BN complex, which is capable of burning out the electronics of American and NATO combat aircraft at a distance of up to 5,000 kilometers. Such electronic warfare systems can turn the F-35 multipurpose fighter jets into heaps of metal and demoralize the pilots.....

Send some boxes of chocolate hearts and cards with cute fuzzy animals to our traumatized NATO pilots.

Our BOYS.

Why does the author relentlessly excise from this story

One recalls how handing out cookies in Maidan Square in Kiev served as an incentive wrapped around a publicity stunt to bring about regime change in Ukraine in 2014 when Senator John McCain and the State Department's Victoria Nuland were featured performers in a \$5 billion investment by the US government to topple the friendly-to-Russia regime of President Viktor Yanukovich.

Geoffrey Pyatt? (He was also the other person on the Cookie Monster's infamous "Fuck the EU" telephone call.) Uncle Sam's arrogance is all the more apparent when you know that the man serving as "ambassador" enjoyed diplomatic privileges from the government he worked to overthrow. Dr. Giraldi once even misidentified Pyatt as McCain in a photograph.

I've pointed this out several times, but it's never been amended or explained.

If NATOstan just stops with their bullshit, the war ends. And then wat? Putin will invade Poland? Finland? Not really. Life will go on as normal, and less people will die. Who the f*** cares about the exact borders of the Ukraine? Even for Ukrainians it has become a very bad deal — they are wrecking their whole country and population to keep the “borders of 1991.” Useless, irrational, idiotic, unless the point was to kill a lot of people and exile millions and depopulate the whole country. Samantha Power is married to a Jew lawyer Cass Sunstein and the US government's ambassador to Catholic Hungary is a homosexual Jew named David Pressman. The vile coercion exercised by the LGBTQ US government and its Jewish elite against Catholic Hungary promises moral degeneracy and social ruin for that beautiful nation. Hungary was imprisoned by jewish Bolshevism for almost fifty years. Now free and prosperous may Hungary's guardian angels protect it and kept its people faithful to their Catholic faith and free from the ZOG US government.

‘the Saxons’ have become a metaphor for ‘whitey’.

the idea is that when whitey (from Ireland to Germany to New Zealand, and pretty much everywhere in between) finally tires of having a ZOG cock rammed up his arse, 24/7, with his ancestor’s maligned and demonized 24/7, with his daughters exhorted to breed with non-whites in an overt design for genocide, and his son’s indoctrinated to become ‘gay’, and ‘woke’, (hate themselves), and his progeny enslaved to ZOG debt for eternity, and his institutions all turned against him, and his daily life, made to set his teeth on edge, with the popular culture as a grinding weapon against his psychological well-being, and so forth...

.. that eventually he’ll tire of it all, and turn on ((his tormentor)), and demand ZOG remove its intrusion from his backside, or else.

Kind of like what Hitler did to the ((Weimar regime)), that was doing the exact same thing to Germany, that it’s now doing to pretty much the entire Western world.

Hitler and the National Socialists were the Saxons of their day, who had *finally*, learned to hate; (remove the giant Jewish cock that was raping Germany and its children wholesale).

Putin recently did the same thing, when he reined in the worst of the ((oligarchs)). I’d say it’s analogous to Kipling’s Saxon, what Putin felt when he finally said ‘enough!’, and arrested Khodorkovsky.

>><<

It was not part of his blood,
It came to him very late,
With long arrears to make good,
When Vlad Putin began to hate.

He was not easily moved,
He was icy – willing to wait
Till every count should be proved,
Ere Putin began to hate.

His voice was even and low.
His eyes were level and straight.
There was neither sign nor show
When Putin began to hate.

It was not preached to the crowd.
It was not taught by the state.
No man spoke it aloud
When Putin began to hate.

It was not suddenly bred.
It will not swiftly abate.
Through the chilled years ahead,
When Time shall count from the date
That Vlad Putin began to hate.

[with apologies to Kipling]

Jews -or Khazarians, brooklynites whatever– **who today occupy Palestine (just like Assyrians, Babylonians, Persians, Greeks, Romans, Fatimids, Seljuks, Turks, Crusaders, Egyptians and Mamelukes did**, (From about 1517 to 1917, the Ottoman Empire ruled much of the region))

killed more native Palestinians today.

The soldiers who performed the “brave, glorious, daring” operation were seen dancing the morbid Jew dance with settlers.

They danced and danced, all happy.

Question: did the Nazis dance everytime they threw their Jew ass into ovens?

Remember, at the end all of them –**Assyrians, Babylonians, Persians, Greeks, Romans, Fatimids, Seljuk Turks, Crusaders, Egyptians and Mamelukes**- left with their tails between their legs.

How long before these dancing shlomos (just like the ones in Hoboken danced a few years ago) do leave too?

Hear, hear!

Realist is bothered that someone called her a whore?

Well, in his defense, perhaps that's not quite accurate.

I'd call Samantha Power, (and Victoria Nuland and Lindsey Graham..) vicious, murderous scanks. Gutter slappers and treasonous, gaping holes of malevolence, spite and mediocrity.

Obscene ogresses of death, murder, villainy and scum.

Christians in North America and Western Europe worship a dead-Jew as their savior!

So, having a Jewish spouse is financially and professionally a career-enhancer in North America and Western Europe.

Professor Amartya Kumar Sen of Harvard University received Nobel Prize in Economics after marrying his third wife Professor Emma Georgina Rothschild.

Professor Abhijit Vinayak Banerjee of Massachusetts Institute of Technology received Nobel Prize in Economics after marrying his second wife Professor Esther Duflo.

Just look at Dr. Philip Giraldi who has not married a Jewish woman and could not advance himself politically!

In America, Jews and Blacks frequently reach the top echelon of American govt.

Just look at current U.S. vice president Kamala Devi Harris-Emhoff who claims to be an African-American, but actually never lived in the continent of Africa.

I have not married a Jewess; so, I am financially poor in America.

<https://thehill.com/blogs/congress-blog/politics/289197-the-self-implosion-of-debbie-wasserman-schultz/>

Rep. Debbie Wasserman Schultz (D-Fla.) has been forced to resign as chairwoman of the Democratic National Committee after revelations that the DNC engaged in a concerted campaign to sabotage Bernie Sanders' campaign.

There is more about the special character of Debbie Wasserman-Schultz. Her affair with a Pakistani IT guy Imran Awan must be qualified as treasonous activity on her side.

<https://www.nationalreview.com/2017/07/debbie-wasserman-schultz-pakistani-computer-guys-bank-fraud/>

The case of Imran Awan, Debbie Wasserman Schultz's mysterious Pakistani IT guy, is not about bank fraud. ... Awan and his family cabal of fraudsters had access for years to the e-mails and other electronic files of members of the House's **Intelligence** and Foreign Affairs Committees. It turns out they were accessing members' computers without their knowledge, transferring files to remote servers, and stealing computer equipment — including hard drives that Awan & Co. smashed to bits of bytes before making tracks.

They were fired in February. All except Awan, that is. He continued in the employ of Wasserman Schultz, the Florida Democrat, former DNC chairwoman, and Clinton crony. She kept him in place at the United States Congress right up until he was nabbed at the airport on Monday. ...

This appears to be a real conspiracy, aimed at **undermining American national security**. At the time of his arrest, the 37-year-old Imran Awan had been working for Democrats as an information technologist for 13 years. ...

For some reason, Awan was paid about four times as much [as a regular grade]. He also managed to get his wife, Alvi, on the House payroll ... then his brother, Abid Awan ... then Abid's wife, Natalia Sova. The youngest of the clan, Awan's brother Jamal, came on board in 2014 — the then-20-year-old commanding an annual salary of \$160,000.... for their IT "work," the Pakistani family has reeled in \$4 million from U.S. taxpayers... That's just the "legit" dough. The family business evidently dabbles in procurement fraud, too. The Capitol Police and FBI are exploring widespread double-billing for computers, other communication devices, and related equipment.

Why were they paid so much for doing so little? Intriguing as it is, that's a side issue. A more pressing question is: Why were they given access to highly sensitive government information?

Another question is, what was the nature of the relationship between the 37-year-old Imran Awan and Rep. Debbie Wasserman-Schultz? Why were not Wasserman-Schultz and her protegee Awan put into a high-security prison? The same "Democrats" have been viciously vindictive towards Julian Assange, an honest journalist.

We all know that Samantha Power's hubby, Cass Nudge Sunstein, is a foul slob Harvard Baby Boomer Globalizer who preaches about pulverizing and pauperizing White Core Christian America.

HARVARD IS A HEDGE FUND

“They” are happy to exploit and degrade Jewish girls when it is profitable.

“The Story of “Zvi Migdal” – the Infamous Jewish Prostitution Cartel:”

<https://www.anumuseum.org.il/blog-items/story-zvi-migdal-infamous-jewish-prostitution-cartel/>

by the end of the 19th century, Argentina was full of immigrants, Jews included. In 1895 there were appr. 6,000 Jews living in Argentina, and less than two decades later, in 1914, there were already 117,000. The city of Buenos Aires grew at frantic rates, not only Jews were rushing in, but also many immigrants from all over the world. One interesting characteristic of the Jewish immigration to Bueno Aires, that affected our story a great deal, was the odd ration between the genders: almost ten times more men than women.

A group of corrupted Jews were more than willing demonstrate patriotism, and started to deliver the goods – literally. The growing demand for women led to the establishment of “Zvi Migdal” – a large powerful prostitution cartel established and owned by Jewish immigrants from Poland. Named after one of the founders, it was one of the largest networks in the South America, with branches and connections in Shanghai, Johannesburg, Rio de Janeiro and many other places. At the peak of their activity they had tens of thousands of women working for them, some 2,000 brothels and a state of the art organizational mechanism working efficiently according to cruel mafia codes.

The main wing was established in Buenos Aires, concealed as a charity society. They were called Ruffians (Spanish for pimps), they traded and abused and enslaved unsuspecting Jewish women, just for money. The cartel had an original marketing tactic: every once in a while a polite Jewish gentleman used to come to the Jewish communities in Eastern Europe and spread ads calling “Jewish girls from good homes” offering either jobs at homes of rich Jews in Buenos Aires, or marriage. Feminism was still at its beginning back then, and the career opportunities of young women were scarce, they usually could expect to be no more mothers and housewives – therefore they were easily tempted to respond to the ads.

While still on the ship to Argentina they were locked, beaten, raped and starved, which the Jewish pimps referred to as their “re-education.” The Ruffians called these trips “remonte”, a term from the cattle trade. Landing in Buenos Aires they were herded to a house where they had to undress and be inspected by pimps, who sold them in auctions as sex slaves. The “owners” – as well as customers – included officials, judges, and journalists.

Guess the Ziocons are preparing to throw Banderites under the bus.

The NY Times pressitutes (at the highest level) are not bothered by the reluctance of Sweden and the Dutch to conduct an open investigation of the terrorist act against NorthStream 1 & 2. Why such a horror of the obvious facts of the NATO/US involvement in terrorism, Scandinavian and NYT idiots-in-charge? The German government is afraid even to mention the destruction of the Russian North Stream. <https://www.rferl.org/a/sweden-russia-nord-stream-gas-pipeline-leak-investigation/32074350.html>

Sweden has said it will not allow Moscow to participate in its ongoing investigation into the causes of multiple leaks in underwater pipelines transporting Russian natural gas to Europe.

<https://www.reuters.com/world/europe/sweden-shuns-formal-joint-investigation-nord-stream-leak-citing-national-2022-10-14/>

Sweden has rejected plans to set up a formal joint investigation team with Denmark and Germany to look into the recent ruptures of the Nord Stream 1 and 2 pipelines. Mats Ljungqvist, the prosecutor involved in Sweden's criminal investigation into the Nord Stream leaks in the Swedish economic zone, said Sweden had rejected the proposal for a Joint Investigation Team (JIT) from judicial co-operation agency Eurojust because a such a joint investigation would include legal agreements under which Sweden would have to share information from its own investigation that it deemed confidential.

Sure. Swedish Quislings are nervous. They are the same scum that sold Julian Assange to war profiteers. Similar to Jewish Fuehrer Zelensky, 'judicial' activists like Mats Ljungqvist focus on their offshore accounts, courtesy US printing press/the CIA.

The Meat Puppets of Satan are beginning to LOSE.

You can tell from imbecilic morons like Scumbag Schumer begging Fox News to quit.

The momentum has turned 180 degrees, and its now shifting Further Right.

The Meat Puppets are persona non gratis with the Real Right.

Do not call them the “Alt-Right”, they are the New Mainstream.

The Meat Puppets are now hitting strong headwinds both ways.

Their dark skinned “allies” HATE their damned guts and want to KILL them.

The New Further Right has now realized they are an Existential Threat that needs KILLING.

The Meat Puppets no longer CONTROL The Narrative.

The only “conspiracy theory” is that there is a consensus left anymore.

Civil War II has already started. Its about to get HOT, HOT, HOT.

The Meat Puppets no longer can field Legions to do their dirty work.

Its now dark skinned murderers, outright freaks and the Meat Puppets.

The Other Side are those that want to FINALLY be rid of these PESTS.

The Crazy Times are about to be CRUSHED.

The Meat Puppets are in a state of denial, inside an insular delusional state.

They can try to laugh, or cry or even say -isms all day long.

The Meat Puppets are going to LOSE in EVERY CONCEIVABLE SCENARIO.

Satan Lied to them, and they are too STUPID to realize it.

They will march headlong into the Eternal Shoah of HELL.

They are programmed to do just that. They cannot deviate from this programming.

Even now, White Men are gunned up and getting angrier by the day.

TICK TOCK. The Clock runs down on the Zionist Suicide Cult.

The savage darkies will KILL any light skinned thing they see.

The stupid parasites are really light skinned, being from icy Central Asia.

Its merely a question of getting them TOGETHER for the Orgy of Death.

EAT THE RICH. Kill the Ritz Crackers. The hated ghetto landlords get their comeuppance.

Its all going according to a Master Plan made and minted in A.D. 1776.

The New World Order is NOT zionism and its proponents.

It is and always has been a New Holy Roman Empire.

Stretching from Europe, through the Americas and to Australia and New Zealand.

All the White Christian Men in ONE HOUSE, ONE NATION, with ONE LEADER.

Donnie Drumph has outlived his usefulness. He was just a First Step.

Now its a question of OVERTHROWING the ZIONIST OCCUPATION.

No lovers of Zion and the Synagogue of Satan NEED APPLY.

Its far past time for an Overt Pro-White Leader to Rise and RULE!

House vote tomorrow – US troops out of Syria.

The House of Representatives votes tomorrow, Wednesday, March 8, 2023 on a resolution introduced by Rep. Matt Gaetz of Florida to withdraw all US troops from Syria.

Please call your representatives and ask them to vote YES on H.Con.Res.21. Here is more information and how to find your representative's phone number:

<https://news.antiwar.com/2023/03/06/house-expected-to-vote-on-syria-war-powers-resolution-on-wednesday/>

You can email your Rep. or leave a message on their phone AT ANY TIME.
It's time American troops stop illegally occupying Syria.

Samantha Power and Mike Pompeo are rancid stooge rat whores for the evil and demonic JEW/WASP Ruling Class of the American Empire.

Pompeo is Italian and English and some French.

Pompeo is all inclusively a treasonous rodent.

Mike Pompeo is a treasonous rat who pushes nation-wrecking mass legal immigration, sovereignty-sapping mass illegal immigration, REFUGEE OVERLOAD, ASYLUM SEEKER INUNDATION and multicultural mayhem.

Mike Pompeo puts the foreign policy interests of other nations ahead of the foreign policy interests of the USA.

Mike Pompeo is overly promiscuous in his desire to use the US military as muscle to fight wars on behalf of other nations. It is surprising that Mike Pompeo hasn't had a heart attack considering all the promiscuous exertions he has engaged in in his passion to promiscuously use the US military to advance the foreign policy interests of other nations.

Maybe Pompeo has avoided a heart attack because the formerly fat slob sonofabitch Pompeo lost about one hundred pounds. How did the previously bloated bastard Pompeo put on one hundred pounds of fat and then loose that fat? The Intelligence Community(IC) must tell us of Pompeo's weight loss secrets.

Stay out of the chow hall, Pompeo!

Vladimir Putin is less my enemy than Mike Pompeo because with Putin there are at least no illusions. On the other hand, given the chance, guys like Pompeo would consign your children to die in pointless wars for an empire that hates them while calling it patriotism.

But when will this ever happen? Will whitey ever wake up? And unlike Hitler's time, almost a 100 years ago we are at the cusp of collapse in every which way....whitey isn't breeding(atleast this wasn't the case back then), non whites have infested white nations in record numbers (again, not the case back then), and there are weapons of mass destruction this time around. Will whitey ever wake the fuck up? I dont even think so. He's so utterly brainwashed, so confused it looks like a lost situation.

Also, for all of Hitlers realizing the truth he lost the war, was maligned to a degree no human being has ever since or before, and had all the great powers including pure saxons like America and England go to war against him. You think it won't be the same or worse this time around? The most God fearing Christian, white man in America sucks Jewish cock willingly.

| Even more egregious is that many gentiles blame their lack of pride, self-control, willpower, and rational thought on Jews.

So, a genocidal, supremacist, rabbinical conspiracy spanning millennia and continents uses extreme nepotism and in-group ethics to seize control of all the major sources of the cultural narrative in a gentile nation. The young gentile in that nation grows up hearing a steady stream of propaganda from his teachers, the media, the news, books, advertising, from all sides constantly, that due to his ethnicity, he is socially inept and sexually inadequate. Due to his privilege, his successes are unearned, and his failures are doubly blameworthy. Even the failures of others are his fault, too, because of his racism. His people created nothing, stole everything, and must be erased.

He's never in his life heard anything else, and you blame the *kid* for his "lack of pride," calling it especially egregious if he accurately identifies the source of the cultural rot.

If you are a gentile, you are the problem.

More often true than not. But by narrowing this assertion, we can reduce it to tautology:

Well,

I have a deep respect for Director Sunstein. She is deeply sincere what she believes about the US and her role in doing good and using force if necessary. I may not agree with her on the scope. But if she thinks that Russia should be dealt with directly — good for her and I agree — whole heartedly.

And certainly if accurate a a diplomat should inform said country of a visit. Protocol is all well and good. As for the rest, Hungary willingly joined NATO. She pursued entry into the EU. She has a voice in both. But her whining about western thinking is to be taken with a grain of salt, maybe a pound or two.

<https://dailynewshungary.com/how-has-hungary-performed-since-joining-the-eu-fresh-eurostat-ranking/#:~:text=Since%20joining%20the%20EU%20in%202004%2C%20Hungary%E2%80%99s%20convergence,the%208th%20most%20developed%20country%20in%20the%20region.>

<https://www.britannica.com/place/Hungary/Economic-and-social-change>

Apparently Hungary wants all the benefits but not the burden. While one can envy her supposed conservative position, the fact she has not opted out suggests she is better in than out and her complaints a tad hollow.

I am not here to discuss the articles. Yes, they are all useless, but only because they all come as third-hand repackaged information. I don’t care what some paid “journalist”, “free lancer”, dating service consultant, or former VC salesman masquerading as a “war expert” thinks. I have learned a thousand times more from commenters’ posts, their shared links, and replies to my comments.

“TROLL” is another way of saying “Don’t listen to him! Listen to what I say!” This is not an environment where all opinions matter. This is mind control, and no one here should be given the right to control other people’s minds.

“But her whining about western thinking is to be taken with a grain of salt, maybe a pound or two.”

It will be taken seriously and not just with a grain of salt if she leaves NATO. I think it’s taken seriously already or the US would not be behaving like an underhanded weasel towards Hungary. As a member of NATO and the EU, Hungary has the right to voice its opinion, or “whine” as you call it. I wish Germany would speak up and ask why the US blew up its lifeline, the Nord Stream pipelines. If Europe comes to its senses, then more people like Hungary’s Orban will come to power and Sunstein and the US won’t be deciding if NATO will use force in Europe or not. The Europeans whose countries and lives will be at risk will make those decisions.

After all, NATO was formed primarily to defend Europe, which bordered the USSR and its allies. They should have the biggest say whether NATO will use force or not. The US would not always be so eager for war if it was not always separated from the fighting by two oceans.

I think Jews whining about the holocaust should be taken with a grain of salt.

| “Read and learn something.”

Now it’s your turn to learn something.

One of the points of contention during this time of the Maidan protests was which version of the Ukrainian constitution was to be adopted in the future, and therefore would have been relevant during the parliamentary procedure.

However, leaving that issue aside entirely, the content of the article in the *Huffington Post* that you linked to is already sufficient to refute the point you wanted to make because the article dwells on only one of four reasons for the president ceasing to exercise power, namely that of impeachment. The four key words are highlighted in bold below:

- *resignation*;
- *inability to exercise his or her powers for reasons of **health***;
- *removal from office by the procedure of **impeachment***;
- *death*.

According to reports at the time, Yanukovych, who had signed an agreement, brokered by European diplomats, understood that he could not win the early elections that had been agreed to and therefore decided instead to flee the country rather than risk possible impeachment and prosecution.

He was reported to have recorded his resignation at a television studio, which was purportedly not aired because he had changed his mind upon the recommendation of an advisor after having fled to Russia, after which time he then revoked his earlier resignation. In this context it is irrelevant, whether the resignation was actually broadcast to the nation or not. His subsequent revocation would have correctly been deemed invalid since it had occurred in exile.

Furthermore, the second reason enumerated above pertains to health but does not specify the nature of this condition, so obviously mental health would also be included in the mix. The erratic nature of Yanukovych’s behavior was thus in itself already sufficient reason to invoke this clause. Obviously he was in no position to exercise power under the circumstances in which he put himself into.

Therefore, dwelling on all the formal technicalities of an impeachment procedure, and then opining that they were not all strictly adhered to, is simply a clever distraction that you apparently fell for, so that you could try to justify the claim that the transition of power was unconstitutional, which alleged violation you had decided to elevate, according to your own peculiar definition, to a “coup” in order to rationalize the fake propaganda narrative which essentially became inoperative when the attempted violent military coup through the Russian invasion failed slightly more than a year ago.

“Nope. You’re wrong Mr. Propagandist. The February 2014 vote by the Rada was unconstitutional.”

Not wrong:

“Yanukovych has taken several steps that appear to undermine his own faith in his presidential legitimacy — among them, abandoning his office and recording an official statement of resignation. But the 63-year-old leader, having decamped Kyiv, later retracted his resignation and asserted his role as head of state, calling the vote “illegal.” “I’m not going to leave Ukraine or go anywhere. I’m not going to resign. I’m a legitimately elected president,” he said.

A majority of 328 lawmakers of the 450-seat parliament voted on February 22 to remove Yanukovych from power, citing as grounds his abandoning office and the deaths of more than 80 protesters and police in the past chaotic week of violence.

Dr. Doom’s comment #183 seems to be at odds with your own assessment. How can two people look at the same situation and see something completely different? And then being realistic you get accused of having a demoralising influence, but on what or whom? It’s not as if there’s a real fight going on so that your comments could be construed as affecting morale. A few people on the internet does not constitute an army fighting for the reconquista of White lands. It’s far easier to recruit Whites to go fight for the Ukraine than to do something for themselves.

I suspect MBS knows this and understands the agenda they intend for his country as well, that's why he is so eager to cooperate with Xi in creating an alternate world financial system to bypass the NYC-DC Oligarch-Deep State Globo-Homo controlled dollar. It's not easy, but secularizing the Islamic World was on the top of their agenda in the 90s and 2000s before the rise of Xi and Putin shifted focus. After the Berlin Wall fell they thought they had a full on opportunity to pursue this and I remember the leftist college professors writing "humanist" literature repeatedly called for secularizing the Islamic world as their top international goal right after secularizing Red State America which has proceeded quite well in this new era in America of "Generation Bastard" being little more than dope smoking slackers voting for Biden and then complaining about "the corporations" when their energy bills go sky high.

@Caruthers

Aleksandr Solzhenitsyn, https://m.imdb.com/name/nm0813681/quotes/?ref=nm_dyk_qu

You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. The October Revolution was not what you call in America the “Russian Revolution.” It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated. Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that **the global media itself is in the hands of the perpetrators.**

The same “they” have been active in the Nazification of Ukraine and converting the country into a source of cannon fodder for Bankers’ war against Russia. Again.

<https://themillenniumreport.com/2018/07/the-nyc-and-london-banker-who-financed-the-bolshevik-revolution/>

the planning, the leadership and especially the financing [of the Bolshevik Revolution in Russia] came entirely from outside Russia, mostly from financiers in Germany, Britain and the United States.

https://www.goodreads.com/book/show/747462.Wall_Street_and_the_Bolshevik_Revolution

The book [“Wall Street and the Bolshevik Revolution” by Sutton] establishes tangible historical links between US capitalists and Russian communists. Drawing on State Department files, personal papers of key Wall Street figures, biographies and conventional histories, Sutton reveals: the role of Morgan banking executives in funneling illegal Bolshevik gold into the US; the co-option of the American Red Cross by powerful Wall Street forces; the intervention by Wall Street sources to free the Marxist revolutionary Leon Trotsky, whose aim was to topple the Russian government; the deals made by major corporations to capture the huge Russian market; the secret sponsoring of Communism by leading businessmen...

The famous Jewish “cherry:”

The German-Jewish banker Jacob H. Schiff was the Rothschild syndicate’s most prominent representative in their genocidal war on the Russian People. ...

Russia supported the Union in the American Civil War and subverted the Rothschilds’ plan to divide America into two opposing nations which the bankers could perpetually pit against one another, as they had done to the nations of Europe. Russia was a tested and proven ally of the United States which defended America against European intrusion into the Civil War.

Jacob Schiff, who was head of the New York investment firm Kuhn, Loeb and Company, had raised the capital for large war loans to Japan. It was due to this funding that the Japanese were able to launch a stunning attack against the Russians at Port Arthur and the following year to virtually decimate the Russian fleet.

As Jewish bankers again take aim at Russia and America, we ought to recognize the danger of the situation for the Russian People, and the American People.

The Jewish financing of Japan’s war against Russia was an attempt at weakening Russia. Today, it is Ukraine’ turn to become devastated thanks to Bankers’ schema to create a patsy against Russia. It is obvious that the current US government is completely infiltrated by the agents of Financial Squid of talmudic persuasion.

Jewish financing of a war against Russia then (a hundred years ago):

<https://greeknewsondemand.com/2019/11/24/vital-russo-japanese-war-financed-by-rothschild-agent-jacob-schiff/>

when Japan began to modernize under the Meiji Restoration ... it ended up in the hands of the Rothschilds, who used Jacob Schiff [Jewish-American banker] to militarize Japan against Russia. Part of the reason was to take down the Czars and bring about a Bolshevik Empire run by Zionists.

It should be noted that it was at this time that the Tsarist police uncovered the notorious document known as 'The Protocols of the Learned Elders of Zion' and the revolutionary events of 1905 and 1917 must be framed in the context of the Protocols as the forces stirring up revolution were following *the same agenda as the authors of the Protocols*.

Gordon: "Everyone thinks it began in 1945 over the Kuril Islands, taken by Russia and kept, not to be given back because Japan would allow the US to build a sub base there, right at Russia's back door. In truth, it all comes from Rothschild'er, Jacob Schiff, the man who really underwrote the robber barons of the 19th and 20th century. The Harriman/Morgan cash was all Rothschild, and Schiff had a plan. With full control of Washington, particularly under Teddy Roosevelt and later Wilson, the US could be pushed to bring about conflict in the far east. Rothschilds got the Far East; they put a central bank in the US and began the "debt slide" here and built the basis for two world wars."

We witness the remake of the Bankers' plan to establish Bankers' domination over global resources. The current plan was articulated by American Straussians (neo-talmudists) as PNAC and Wolfowitz's Doctrine of full spectrum dominance. The US has become a tool of the world banking 'business' interwoven with supranational fascist mega-corporations. It is indeed ignorance of history that leads people (whole nations!) to make the same kind of mistakes.

“It will be taken seriously and not just with a grain of salt if she leaves NATO. I think it’s taken seriously already or the US would not be behaving like an underhanded weasel towards Hungary. As a member of NATO and the EU, Hungary has the right to voice its opinion, or “whine” as you call it. I wish Germany would speak up and ask why the US blew up its lifeline, the Nord Stream pipelines. If Europe comes to its senses, then more people like Hungary’s Orban will come to power and Sunstein and the US won’t be deciding if NATO will use force in Europe or not. . . .”

I have acknowledged that she has a right to her opinion.

I am not convinced that the US did what is claimed.

<https://www.reuters.com/world/europe/us-intelligence-suggests-pro-ukrainian-group-sabotaged-nord-stream-pipelines-nyt-2023-03-07/>

The point about whining is that her complaining is more for show. She needs NATO more than NATO and the EU needs her. And at the end of the day, she is obligated to support NATO, her complaints suggest she is an unwilling partner and as such, subjects her to some complaints and possible action of others. Furthermore, why there isn’t much complaint regarding Mrs Sunstein — Hungary actually gets USAID — Laughing she is now part of the ZOG machine.

Europe is quite in her right mind. She pulls the US about to her wishes at our expense. Don’t be cuffed in by all of the haranguing about the US power mongering. We are routinely yanked about by other nations motives and agendas.

We can’t even get Germany or other EU countries to work enough guff to deal with threats in their own back yard. It is ridiculous that the US is practically begging Germans or anyone else to fork weapons for a defense of Ukraine. They aided in creating the Ukraine by supporting her independence.

good grief

“The point about whining is that her complaining is more for show. She needs NATO more than NATO and the EU needs her.” That’s your opinion. I think she might consider leaving NATO. Germany also has people that would be ready to leave NATO. One MP, and there are more, said if it is determined that the US blew up the Nord Stream Pipelines Germany should ask the US to withdraw its military from Germany. They don’t need NATO and some Germans want good relations with Russia, as does Hungary. They would not have built the Nord Stream pipelines if they did not want good relations with Russia.

None of the European countries act like they fear Russia. They go out of their way to insult Putin and Russia, like when neighboring Finland (5.5 million people) applies to become a NATO member or neighboring Estonia (1 million people) says Estonia and Finland should shut the Baltic Sea down to Russia and prevent ships from Saint Petersburg entering the Baltic Sea, or when Germany’s Merkel publicly admits she and Hollande misled Putin, had no intention of putting the Minsk accords into effect and they were giving Ukraine time to rearm. Any of these countries could be smashed faster than the US bombed Baghdad, Afghanistan, Syria, Serbia or Libya back to the stone age, without regards for how many people they were killing. Russia doesn’t want to do that. And everything mentioned above was done with the USA’s blessing or instructions.

I don’t know what aid the US is giving to Hungary but I’m sure they are wary of anything coming from the hostile Americans who think they can tell cultures one thousand years older than their own that they should adopt the USA’s sexually perverted culture for themselves and become a multiracial country.

NATO lost its usefulness in 1991. It only exists for the Americans today. If NATO broke up, the US would have to withdraw its troops and Russia would no longer be surrounded by an enemy that the US heads up. The US leads NATO.

The irony of the US complaining that Germany does not contribute enough militarily after the US and others labelled Germany the worst country in history, stripped it of all its weapons and controlled everything Germany could do, or could not do, for decades is unsurpassed. They did more than any other country to bring the world into the nuclear age but they were forbidden from building an atomic bomb themselves, while the US, USSR, France, Great Britain and many other countries have the atomic bomb. Americans still refer to the fathers and grandfathers of Germans living today as “NAZIS”, do it every day and have done if for 80 years, but you now want them to do what? Re-arm and then follow your instructions as to who they should attack, I assume? If Germany rearmed and pursued its own interests (as the US does), Germany would first talk to Poland and ask for all the German lands and cities given to Poland since 1918 and Poland would no longer have access to the Baltic sea. Then some of the 20 million Germans ethnically cleansed from lands they lived on for many centuries, and the cities they built there, could return and live in their homes that were stolen from them. There are still Germans living in Bavaria and other parts of Germany that were driven out of their homes in Danzig (now Gdansk), Breslau (now Wroclaw) and other German lands under Polish rule since the end of WW II.

“They aided in creating the Ukraine by supporting her independence.”

They did that under American supervision. If Germany had any say in anything, they would demand that they and Russia can investigate the Nord Stream sabotage but they don’t do that. They act docile and subservient, just as the allies wanted when they were hanging German leaders and blamed the German people for everything evil done in the war, while the Allied mass murderers that targeted millions of German civilians from the sky are called heroes.

Germany has a weakling like Scholz as a leader because that is what the allies wanted, and you got a weak and defenseless Germany because that is what you demanded. If Germany does decide to become a military power again, it will do what is in its interest, just as the US does everything they do for its own interest. The US sees its power slipping away and it wants to do everything to hold onto that. If Russia does not lose the Ukraine war, meaning it is not driven out of all the Ukrainian lands, including the Donbass, the US will have lost again, on top of the recent Afghanistan debacle and America's prestige will have taken another hit. The US and the world sees the US decline.

The US is hostile to Russia because it's beneficial to US power. It is in Germany, and all of Europe's interest to have good relations with Russia but Europe's leaders are America's lapdogs. When Europe decides to act in its own interests, that will change and Germany, France and Italy won't be asking the anti-Russian Poles what Europe's policy should be.

@ Anon284 -OK bro- you jump first into the FBI meat grinder. Did you not heed the lesson of Ruby Ridge and the Portland Christmas Bombing? that's always th e problem with populist wrath. Who wants to be the first to be hauled off to the secret detention center and tortured to death? Not me. That's for sure.

Not to mention that the people advocating immediate armed insurrection are always Feds. Just keep up with your non-compliance (Anon284) and the problem will take care of itself to the point where the Control Clique are begging you to defend your country from the zombies they created at your expense.

And speaking of zombies- Samantha Power is ONE UGLY BROAD! She can play one of Sauron's diabolical wraith champions in the next Tolkien remediation. Though the last one was a trainwreck. Which just proves that special effects do not buy you success.

“Power looks like a man. Only faggots are attracted to this person.”

You people simply cannot help yourselves. At every turn, in every way, you turn everything into some personal attack, based on assumptions that might have some inkling.

I am responding to the issues regarding the attacks on Director (Mrs) Sunstein’s appearance. And to make the point that everyone ages.

Your suggestion that anyone attracted to Mrs Sunstein must be engaged in same relational conduct is off the mark. I took a second look, Hmm . . she is attractive and as I recall deeply passionate about others even if that meant using force in doing good on their behalf. Unlike many — I think that belief is deep and sincere and that I find very attractive.

with respect to the comment about photo shopped image — laughing. Anyone who has ever had a relationship of any kind with any woman knows . . . women engage in photo shopping every morning. I can’t resolve that ancient practice for you.

as to attraction reflecting some desire for same relational conduct . . . nope. incorrect. not at all.

Have you seen Kissinger's wife. His wife greatly looks like a man in women's dress. Well, many say Kissinger is a fag. and was very active in Africa seeing young men in the tents.....

Beside Power is an evil like his husband. Power is a terrorist and was deeply involved in the destabilization and partition of Sudan using terrorism and propaganda active in the Jewish neocon's front "Save Darfur".

LOL. The old "It's A Scrap Of Paper" argument, a subset and euphemism for the "Might Makes Right" argument.

Sorry, but in a democracy the Constitution is the law, not a "technical irrelevancy", once you throw that out all you no longer have a democracy and are left with the law of the thug, which is what you are defending. But then you essentially are sticking up for Right Sector, Svoboda, Azov Battalion, etc. so, no surprise there.

Try going into any court or legislature in the United States and argue that a specific and precise precept of the U. S. Constitution is a "technical irrelevancy" and see how many seconds it takes for them to laugh you out of (and throw you off) the premises.

That wasn't even a decent attempt as obfuscating reality on your part. This NAFO-style argument would be funny, if not for the fact that the Ukrainian graveyards are filling up with the bodies of the innocent and gullible (and increasingly, with the bodies of the press-ganged), while also having the potential of turning the entire world into one big Ukrainian graveyard.

This is why so many gay 'leaders' are so stupid in supporting the 'trans-gender' abomination, which smears gays by association, and is intensely child-harming AND misogynistic. Whoever identified this atrocity as a good vehicle for social discord and moral insanity, to destroy Western societies, really earned their shekels. Gay matrimony, while, in my opinion, unnecessary, harms no-one, but transgenderism hurts all society.

No, actually courts are not what you claim nor is there any ‘constitution’ that does what you assume. You have no paper law ‘rights’. What you assume you had has been long scribbled away, actually since the begin, i.e. ‘sedition’ bs. ‘Tv lawyer’ shows have been to keep the con going or fake ‘expose’ this or that to distract from the millions that are affected. Search corrupt courts, corrupt judges lawyers, corrupt probate liquidate isolate medicate, corrupt family law, or similar. What pages there are only tiny fraction and make no difference because most people don’t see them. There are millions affected and the con goes on and set to get worse and you have no paper ‘laws’ to do anything about it. No one is immune. If you have a ‘fone’ you’re in court. Who were part of the covid con dictating lockdown and destroying business or ability to work. Who has the drones, ‘state’ cons do, which are lawyers. Nothing changes unless people shut down ‘courts’.

Natural law, effort or force is rule. It’s what they actually use, as others don’t. Late to figure it out.

It’s obvious from your rambling response, in which you failed to address the issue, that you have lost the argument, which you cannot ever have won anyway, based on the facts.

| *The old “It’s A Scrap Of Paper” argument,,,*

You were the one who initiated this exchange by alluding to the constitution, which included a resignation as grounds for ceasing power, according to the article you cited.

I have encountered this numerous times, that somebody will proffer an article as purported support for their position, yet upon closer scrutiny the content actually disproves their claim.

| *...you essentially are sticking up for...*

This is truly silly; yet another evasive distraction by making false accusations based on imaginary associations.

When a former leader who fled the country to Russia in the middle of the night then wants to rescind his earlier resignation from exile, then this is clear evidence that he had indeed resigned before. Therefore the Ukrainian change of government, through parliamentary vote, was consistent with the constitution, contrary to your claim. Your assertion that this was somehow a “*coup*” exposes you as another of many propaganda skills on this site.

You should concede that the genuine coup attempt by Russia, under the guise of a “*military operation*“, failed miserably more than a year ago. The *Kooky–Cookie–Queue–Cue–Coup* was always just an infantile propaganda narrative that appealed to people who lacked critical reasoning skills.
