Dříve: Nick Fuentes protestuje proti CPAC a Židům

Tento týden Židovská anti-Defamation League of B'nai Brith (ADL) tvrdila, možná kontraintuitivně, že Židé jsou váleční štváči, globalisté a komunisté, kteří nenávidí Ameriku, a že je antisemitská nenávisť zpochybňovat je kvůli těmto věcem.

ADL byla založena před sto lety, aby bránila židovského dětského násilníka jménem Leo Frank a pokusila se obvinít černochoha za jeho zločiny. Komentáře byly učiněny v souvislosti s odsouzením CPAC a

konkrétně Donalda Trumpa jako antisemitských.

Toto tvrzení učinili pomocí jazyka, na který jsem dříve poukázal. Tito Židé řekli, že lidé, kteří kritizují válečné štváče, globalisty a komunisty, jsou antisemité, což výslovně znamená, že Židé jsou tyto věci.

While it is good that notorious antisemite and white supremacist Nick Fuentes was removed from the Conservative Political Action Conference (CPAC) conference, it was rife with bigotry.

— ADL (@ADL) [March 7, 2023](#)

Former President Trump also delivered remarks that were in character but still dangerous. His claims about expelling warmongers, driving out globalists, casting out communists, and throwing off those who hate our country echo classic [#antisemitic](#) rhetoric.

— ADL (@ADL) [March 7, 2023](#)

Pokud byste se zeptali Židů na tuto formulaci, obvinili by vás, že jste antisemita, že se na to ptáte. Pokud byste je však byli schopni k této otázce donutit a nějak je přimět vysvětlit, co tím znamenají, řekli by, že Židé jsou falešně obviňováni z toho, že jsou váleční štváči, globalisté a komunisté, kteří nenávidí Ameriku. Trump z toho ale Židy neobvinil, prostě o těchto skupinách mluvil. Pokud Židé trvají na tom, že kdykoli někdo mluví o válečných štváčích atd., že mluví o Židech, pak to výslovně znamená, že Židé jsou tyto věci.

Tím, že to takto koncipují, také tvrdí, že je nemožné, aby někdo kdy kritizoval válečné štvání, globalismus nebo komunismus, protože tyto věci jsou definitivně židovské a je zlé kritizovat cokoliv, co Židé dělají.

Nejsem jediný, kdo si toho tentokrát všiml. V komentářích byli normální MAGA lidé, kteří zpochybňovali ADL.

My exact thoughts when I read this earlier.

— Krissy (@KMO1980) [March 8, 2023](#)

Opět stojíme před hádankou Židů, kteří tvrdí, že je každý na světě bezdůvodně nenávidí. Zatímco však ADL bude jedním dechem tvrdit, že Židé jsou pronásledováni víceméně náhodně lidmi, kteří jsou zlí a

jednají bez jakéhokoli zdůvodnění, poté uvedou seznam důvodů, proč by se proti nim lidé stavěli. .

To vše je velmi nezdravé. Není vhodné, aby malá menšinová elita navrhla narativ morálky, který říká, že kritika jejich chování je nejvyšší formou zla. To je přesně dynamika Skeksisů v Temném krystalu – mimozemské vládnoucí elity, která vysává z lidí životní sílu a využívá svou moc k vytvoření příběhu, kde jakákoliv a veškerá kritika je nejhrubší formou hříchu.

Musíme mít svobodu a musíme být schopni vést otevřenou diskusi. Blokovat jakoukoli kritiku určité skupiny jen proto, že mají moc ve společnosti, protože jsou nejbohatší a nejvlivnější skupinou, je v každém případě špatné. Musíme mít dovoleno mluvit pravdu k moci. Ale když pak Židé tvrdí, že je nejen nemůžete kritizovat jako skupinu, ale také tvrdí, že nemůžete kritizovat nic, co dělají nebo v co věří, včetně války, globalismu a komunismu, máte nefunkční společnost. Musíme trvat na tom, že žijeme v otevřené společnosti, kde je lidem dovoleno vyjadřovat své názory, ať už jsou jakékoli. Nikdo by neměl tvrdit, že nemůžete mluvit o důležitých věcech, protože to zraňuje jeho city. Pokud jsou pocity lidí zraněny věcmi, které lidé říkají, mohou velmi snadno přestat poslouchat. Je také velmi bizarní

situace, když je „nezraňujte city lidí“ určující ctností společnosti, a když je „nezraňujte city elitní vládnoucí třídy“, logika se stává ještě nepochopitelnější.

Všude, v průběhu celé historie, bylo považováno za základní právo lidí svobodně vyjadřovat svůj názor a kritizovat činy těch, kteří jsou u moci. I v domněle „potlačovaném“ středověku měli rolníci právo kritizovat šlechtu, pokud si mysleli, že se nechovají v souladu s Biblií.

Problém je: ve středověku byla Bible standardem, který lidé museli dodržovat, takže pokud by tento standard nedodržovali, každý by je kritizoval. Dávni králové nemohli zakázat, aby je lidé kritizovali tvrzením, že to zraňuje jejich city. Ta myšlenka je směšná. Ale samozřejmě, jedna z prvních věcí, které Židé udělali, když převzali moc ve Spojených státech, bylo podkopání křesťanského náboženství, které vytvořilo prázdnotu v morálním řádu, který zaplnili svým vlastním hodnotovým systémem. Vznikla tak situace, kdy velké procento populace skutečně s náboženským zápalem věří, že nejvyšší formou morálky je ochrana citů vládnoucí třídy tím, že brání lidem zpochybňovat jejich různé politické a sociální programy.

Jak se však věci v Americe dále rozkládají, pozice Židů, že nic, co dělají, nelze nikdy kritizovat, protože by to zranilo jejich city, se stává neudržitelným. Morální řád založený na nezraňování citů vládců je životaschopný pouze v dobrých časech a časy jsou stále méně dobré. Je důležité pochopit, že židovská moc je založena víceméně výhradně na jejich schopnosti zabránit jakékoli kritice svého chování. Je logické, že se Židé začali ozývat čím dál tím víc, když cítí, že jim moc ubývá.

The *Antisemitic Defaming League of Muhammad [ADL]* went anti-Jew, pro-Muslim, and pro-UN/NWO a while ago.

The most telling moment, from last year: (1)

you might think that after an Islamic jihadi stormed a Texas synagogue and took hostages, the ADL would be drawing attention to Islamic anti-Semitism, as well as to the targeting of synagogues by Islamic jihadis in the past. Instead, it once again proves that it is more interested in preserving the Leftist narrative than in combating anti-Semitism: **the ADL is very concerned that some of the reactions to the hostage-taking incident have been, in its view, “Islamophobic.”**

The ADL’s primary concern, however, was that “anti-Muslim extremists used the hostage situation as an opportunity to peddle their bigoted views about Islam and Muslim people, as well as an opportunity to politicize the situation lobbying criticism at President Biden, Democrats and the FBI.” Virtually every part of this is vicious and defamatory. If it is “anti-Muslim” to oppose jihad violence and Islamic anti-Semitism, then opponents of the Nazis during World War II were “anti-German.” The ADL calls these people “extremists” to imply that they are equivalent to Malik Faisal Akram himself and others like him, and are just the other side of the coin. This also sets them up for FBI scrutiny, as the government’s counterterrorism apparatus focuses not on “jihadis” or even “terrorists,” but on “extremists.” You know, like parents who protest Critical Race Theory at school board meetings.

Yep. The ADL’s primary mission is pushing the made up term ‘Islamophobia’.

Whatever the ADL once was. It is now unabashedly a Muslim aligned hate group like the SPLC.

‘in the Middle Ages, the Bible was the standard that people were required to uphold.’ — A Anglin

More than 60 percent of the Bible consists of Hebrew writings about their tribal god, Yahweh.

If a person accepts this radically incoherent Bible literally, then they have been intellectually hijacked by philosemitism.

‘Salvation is from the Jews.’ — John 4:22

Or, one can expediently interpret these conundrums away, as do the liberal Christian denominations, which are rapidly losing their adherents.

Face it, the Bible needs a total rewrite. Were I the editor, 90 percent of the hateful Old Testament would be excised, along with about two-thirds of the New.

Well, to me it's pretty clear that 250 years ago when we threw off our hereditary aristocracy, little thought was given to who would replace them. Into this vacuum they slid and by the early 20th century they had become sort of a new aristocracy throughout most of the Western World, very aware of bloodlines while the rubes thought we lived in a blind meritocracy. With the Kings, Barrons, Counts, Dukes, Earls, Knights we got ambivalence towards the populace at worst. Now we have an elite, hereditary pseudo aristocracy that largely hates and fears the people they rule over. That Statue of Liberty was a French gift congratulating us for getting rid of our aristocrats like they did, not immigration as the public has been brainwashed into believing. Both are good reasons for that monstrosity to be melted down for scrap.

Thanks for pointing this out. As I've been saying here at Unz and elsewhere, in a few decades Muslims will be in control of the West, and this sort of thing shows why. Trying to protect oneself against Muslim violence makes one a terrorist. Who exactly, then, is going to stop the Muslims as they take over our society? The elites don't want to stop them, and anyone who does will be prevented by the authorities from doing so. I assume that at some point, our elites will realize that they have made a big mistake, but by that point, it will be too late to change anything.

I love love love seeing Greenblatt lose control over their narrative, as well as seeing the term anti-semitism being downgraded into meaninglessness. Yeah, when Johnny has to be on the defensive about warmongers, commies, and GloboHomoSchlomo, you know he is losing it. Nevertheless, he still has a multi-million dollar war chest, and powerful people are still taking his phone calls. But the ADL's facade of invincibility is starting to fray, and I'll drink to that.

Also, the ADL's and SPLC's continued adamant support of the tranny issue lays bare the fact that it is a Jew operation to destroy traditional Christian families. Although I assume that they have an enthusiastic partner in the WEF and their obsession with overpopulation.

The ADL was formed a century ago to defend a Jewish child rapist named Leo Frank and to attempt to frame a black man for his crimes. The comments were made in the context of condemning CPAC and specifically Donald Trump as antisemitic.

Everything these ((Jew)) and ((Jew))-“Christian,” Marxist-Zionist subhumans do is designed to burn those dimwits stupid and greedy enough to get in bed with them, make them do all the work in destroying themselves and their nations, and pay for it to boot via the ((Jew)) controlled central government and central banks.

Here we have the USA stupid and greedy enough to let ((Jew)) child molesters invade their nation (they’re pretty open about their sadistic and quasi-sexual rabbinical child torture rituals held under the auspices of “religion” called a “bris,” and carried out communally — the first stage of coercive brainwashing and psychological torture). So in this case, they have their adult brainwashed child rapists immediately prey upon American children, and frame Blacks — who are stupid and degenerate enough to form political alliances with these monsters — for the crime.

Next we have Donald Trump, who is stupid and greedy enough to get in bed with ((Jews)) and pimp his children off to ((Jews)), being declared “antisemitic” by those same subhuman ((Jews)). And multiple of them, led by ((Kushner)), sabotaged his presidency from within. Trumps response? *Thank you sir! May I have another!* (Anyone who thinks Trump is going to do something about these Marxist-Zionist ((Jews)) when he did NOTHING his entire first term is as stupid and deluded as they ever were. More Zoglodyte retards, and accomplices in their own destruction for 30 pieces of silver and a pat on the head from kikes.)

Over in the Mideast, you've got the subhuman Saudi petrodollar regime etc. in bed with the same ((Jews)) who are genociding millions of Muslims, Christians and Palestinians across the Mideast, and who instigated 9/11 (https://wikispooks.com/wiki/9/11:Israel_did_it) in order that the USA would go to permanent war against the Arab and Persian enemies of ((Jews)), for Israel and international Zionism.

The greed and stupidity of subhuman Zoglodytes is only matched by the greed and Machiavellian guile of subhuman, demonic ((Jews)). The "Jewish Century" and its endless Marxist-Zionist wars and revolutions dumbed down, degraded and really destroyed much of the world and the human race on a mass scale, and left us with nothing but drooling Zoglodyte puppets and their evil string pullers.

If the ADL is against Trump does that mean UR commentators will support him?

‘The issue is: in the Middle Ages, the Bible was the standard that people were required to uphold’

someone tell him what the protestant reformation was.

Wait he is probably having a joke at his audiences expense.

The Protestant religion didn't get going until the Renaissance and was largely a Judaizing revolutionary movement (masked as a theological-democratic movement and a regime change by you know who) to subvert Christianity (specifically the Catholic Church which was founded by Jesus Christ in 33 A.D.). What makes it all the more obscene is it used the Catholic Church's book, the Bible, which she alone infallibly determined the canon of and protected from adulteration.

But Protestantism— a Jewish revolutionary movement*— has paid off big time for them. It weakened Christianity (Catholicism) and to this day Protestants are more than happy to go off and lose their souls fighting their genocidal wars from Iraq to Libya to Ukraine.

Ok let's see.

Iran hasn't attacked another country in 2000 years, but is trying to obtain nuclear weapons. Israel attacks its neighbors as soon as they can get their fighter jets refueled. They even attacked us in 1967. And, Israel already has the third largest nuclear stockpile in the world.

But it's up to us to attack Iran, which has done us no harm, and is no threat to us, for no reason except you want us to?

The Jews were so obsessed with destroying Catholicism that they were willing to overlook Martin Luther’s overt antisemitism (he wrote a book aptly entitled “The Jews and Their Lies”). There is a parallel in the modern age, where the Jews overlook antisemitic terror attacks by Muslims with the larger goal of destroying Christianity in mind.

I think the usual suspects sent some white Australian whore to pacify Yedolf, who quietly put his chains back on once he was hooked up to her. Thus the coveted *Hitler du jour* title went back to Fuentes, though the greatest bogeyman for Pope Noseferatu and his Church of Woke flock is still the cancerous dead zombie Pootler – lurching and looming the dark and stormy background.

As for the God-Emperor of Grift, we already got to experience his utter failure to drain the swamp or carry out any of the many promises made in 2015-16 while fellating Kang Jared at every opportunity. The pardon list – consisting of nothing but violent blacks and jew swindlers, issued as he tossed his own Jan.6 supporters underneath the Church of Woke bus – really tells one all they need to know about Zion Don.

White Core Americans Born After 1965 Will Topple The JEW/WASP Ruling Class of the American Empire And They Will Do It By Deploying The OVERLOAD STRATEGY of Mass Debt Repudiation and Global Financial Implosion.

The Federal Reserve Bank is a GLOBAL ORGANIZED CRIME SYNDICATE owned and controlled by evil money-grubbing plutocrat scumbags and these Federal Reserve Bank Ruling Class Criminal Scumbags are using mass legal immigration and mass illegal immigration as demographic weapons to attack and destroy the European Christian ancestral core of the USA.

The Baby Boomers would have been financially liquidated with no chance of recovery if the Federal Reserve Bank had not bailed them out after the 2007-2008 global financial implosion. Their real estate holdings — residential and commercial, their stock and bond holdings and their pensions would have been vaporized. The decade-long monetary extremism exertions of the Fed has been for the benefit of the Baby Boomers.

This point must be stressed over and over again in a political campaign. There is no Baby Boomer with any decency or honor who would say any different. This has been a globalized

The EVIL AND DEMONIC JEWS in the ADL attacked Trump for pointing out that White South African farmers are being raped, brutalized and killed by Black South African insurgents.

The ADL supports the use of mass immigration as a demographic weapon to attack and destroy European Christian nations.

The ADL is an anti-White front group for the globalizers.

The ADL wants to censor debate about nation-wrecking mass immigration and multicultural mayhem.

The ADL is pushing White Genocide through its fanatical support for mass immigration.

Tweet from 2018:

Deeply troubling. This is a white supremacist talking point. For years they've campaigned to stop "white genocide" in South Africa & made false claims about race-based killings of white South African farmers. Our full statement:

This is on-point and a good summation – until the last sentence:

“It is logical then that the Jews would begin lashing out more and more as they feel their grip on power slipping.”

Really, it isn't even the whole sentence I disagree with, but the “feel their grip on power slipping” part.

If anything, I think we are seeing the tribe exercise even more of their power, and in a very blatant, unapologetic way. It DOES wreak of a certain desperation – but why the desperation, if it can even be called that, and I'm not entirely sure that it is desperation – it is SOMETHING, however.

Maybe it's just no more f***s left to give on their part. They've been ever-so-patient for what, like 6 million years, and they thought they were coasting into the final stretch. They got a little impatient, however, with the whole Who Flung Flu thing and overreached quite a bit. It woke some normies up. Then, just a few months later, we had the whole GF thing and the summer that followed it – more blatant over reach, at least IMO – so even MORE normies woke up. Then, a couple months after that, we had the whole 2020 “election” thing – more blatant over reach and more normies woke up.

One thing is for certain, in the midst of all of this garbage – the parasites don't feel their grip on power slipping – they're just gripping tighter and making it all the more obvious that it is they who are in power...of EVERYTHING.

Aristocrats can't be overthrown by peasants. The nobles quit.

“You want this nonsense? Lol, here you go! Have fun!”

Naturally things have turned out exactly as the aristocrats said it would. Or as said by anyone who has read Plato's Republic, really. Book 8 in particular.

Peasants create wealth and problems, and nobles solve the problems so the peasants can create more wealth. Peasants don't see the problems they are creating or they wouldn't create them in the first place, so it seems to them the nobles are getting paid without doing any work.

In fact nobles weren't overpaid, they were underpaid, which is why they quit.

It is now the case that accumulated problems have completely strangled wealth creation in noble-deprived areas. Nobles still largely unaffected, since scamming a peasant is trivial.

There were several reform movements before Luther, most of them dealing with restricting Papal overreach. Luther wasn't anti-Catholic, he was anti-made-up-by-the-pope rules that had no basis in the New Testament scriptures. His offer to debate his "95 Theses" was met with a death warrant. The German Princes, perceived they constrained by the papacy and the "Holy Roman Empire", seized the opportunity to break free, and used Luther as the excuse. Luther admitted he made a mistake by including the Old Testament in his translation of the Bible.

Blocking off any criticism of a certain group simply because they have the power in society, being the wealthiest and most influential group, is wrong in any case. We have to be allowed to speak truth to power.

That's not the historic norm. It was a simple matter of personal safety not to challenge holders of power. Peasants knew better than to criticize their feudal lords. The aristocracy were protected by whole layers of tradition, armed retainers, agents and the Church.

It's democracy that's the historic anomaly. The evolutionary norm is MIGHT MAKES RIGHT.

So accepting that the West's traditional aristocratic power holders became decadent and surprisingly ceded power to populist so called "Democrats". And that these "Democrats" have now mostly ceded power to special interests – as they usually do. Then the wheel has returned power to the most recent wealthiest and influential neo-aristocratic group – who happen to be Jews and their retainers.

The result is that we're back to the regular jungle. The virile young lion waits for the opportune moment to challenge and dispose of the old pride male.

But when the Jews then claim that you not only cannot criticize them as a group, but also claim that you cannot criticize anything they do or believe in...

In fact, it's even weirder than that – they claim it's anti-semitic to criticize things they insist they *don't* believe in!

If you were to ask Greenblatt if warmongering, globalism and/or communism are “Jewish values” he would insist that they are not and that it is anti-semitic to say that they are. But if you criticize those things without mentioning Jews, he will accuse you of using anti-semitic dog whistles. “Anyone who talks about these things, that have nothing to do with me, is talking about me.”

As I've said before, Jews simultaneously deny and affirm the same thing on a regular basis. They are like high-functioning schizophrenics.

The four gospels. A few excerpts from the epistles. Revelation, definitely axed in its entirety.

OT: the creation story, some of the anodyne stories such as Ruth, Ecclesiastes, a few psalms and proverbs that are free of threats and vituperation. Not much else.

And what is Song of Solomon, penned by some breast-obsessed dude in love, doing in a religious text? It’s as out of place as, say, Baudelaire’s *Les Fleurs du Mal*.

Chancellor Hitler had to learn the hard way that the enemy of nations (a certain small Tribe) is actually a malevolent, even genocidal MENTALITY without tanks or guns but which manages to pit one giant against another to bring each of them and finally all of them to ruin. This is obvious in general and specifically relating to the NATO proxy war against Russia:

Note that to read the article simply SCROLL DOWN; no sign-in or sign-on is necessary. Thanks. The lesson for you, then, is to isolate the enemy through public exposure and denunciation or else! Your guns are useless against such a demonic enemy

The Evil And Demonic JEW/WASP Ruling Class of the American Empire Pushes Nation-Wrecking Mass Immigration

The JEW/WASP Ruling Class of the American Empire and JEW'S ORGANIZED GLOBALLY(JOG) are pushing for more and more proxy war against all nations and regions that refuse to bow down to the evil and demonic plots of the anti-White, anti-Christian American Empire GLOBALIZERS.

Israel does not belong where it was shoehorned into the Levant.

Jews are not a contiguous group, as they have at least 4 origins and most of those origins are not Semitic.

So the Jews, along with the Gullible Goy decided to create genocide amongst the actual Semites that lived in the Levant without any hiccups – the Palestinians are the actual, original Semites.

That makes Islamophobia based on fear of REVENGE.

Let's not forget that Israel has blackmailed the world with its **“Samson Option”**.

If a nuclear device is *“lit off”* in an American or European city, it will have Israel's fingerprints all over it. Israel is desperate to keep the American money spigot running, as well as sabotaging the Palestinian *“peace process”* that the world wants it to take seriously.

Israel *“targets”* in the United States of America would be **Los Angeles, Chicago** or **Atlanta**. **New York City** is *“off-limits”* because of the proliferation of jews residing there. Of course, the **“jewish message service” Odiga** could be used to warn jews to leave, just as what was done before the twin towers came down.

European *“targets”* would start with **Rome (Vatican City), Paris** or **Brussels**. Jews would LOVE to target **Rome**, being the center of its nemesis, the Catholic Church.

In fact, if a nuclear device is *“lit off”* anywhere in the world, it will have come from Israel's secret nuclear *“stockpile”*. With today's situation in Iran, Israel may just have to *“light one off”* to get its *“American lapdog”* to respond appropriately.

There was a *“power outage”* in Atlanta that was a convenient excuse for Israel to perform a logistical *“sleight of hand”* as an Israeli plane was allowed to land and take off during the *“power outage”* without receiving customs clearance or inspection.

This is one of many Israeli companies that possesses a *“special exemption”* granted by the U S government that frees it from customs inspections.

Just maybe another one of Israel's nukes was just being pre-positioned or nuclear triggers (*tritium*) were being renewed, getting ready for *“the big one”*.

As most Americans are tired of all of the foreign wars being

fought for Israel's benefit, another "incident" on American soil would be enough to galvanize the American public, once again, (just like WTC 9-11) to support another war for Israel's benefit **(Iran)**.

Israel refuses to abide by IAEA guidelines concerning its nukes as they are already distributed around the world. Israel would not be able to produce all of them as most of them are not in Israel, proper.

No delivery systems are needed as Israel's nukes are already in place. Look for another false flag operation with the blame being put on **Iran** or **Syria**. You can bet that some Iranian or Syrian passports will be found in the rubble.

American foreign aid is prohibited from being given to any country that has not signed the **Nuclear Non-proliferation Treaty (the Symington Amendment)** or refuses to abide by **International Atomic Energy Agency (IAEA)** guidelines regarding its nuclear devices.

Guess what??

Israel does not abide by EITHER and still gets the majority of American foreign aid. This prohibition also applies to countries that do not register their agents of a foreign government with the U S State Department. Guess what?? Israel (again) with its **American Israel Political Action Committee (AIPAC)** still gets "foreign aid" in contravention of American law.

Let's not forget the "security grants" that American taxpayer dollars fund, 95% going to Israeli companies.

There are forty or so congressmen, senators and thousands of high-level policy wonks infecting the U S government who hold dual citizenship with Israel. Such dual citizenship must be strictly prohibited.

Those holding dual citizenship must be required to renounce said foreign citizenship immediately in order to remain in the country. Refusal to do so should result in immediate deportation with permanent loss of American citizenship.

Present and former holders of “*dual citizenship*” should never be allowed to serve in any American governmental capacity.

In addition, any American citizen who serves or has served in Israel’s military (*Israel Defense Forces*) should automatically lose their American citizenship and be immediately deported to Israel.

When **Netanyahu** addressed both houses of congress, it was sickening to see our politicians slobber all over themselves to PROVE that they were unconditional supporters of Israel. It was a scene out of the old Soviet Politburo which no one wanted to be the first one to stop applauding.

Just who the hell do they work for?

Certainly not for the interests of the American people and the United States, at the least they should renounce their United States citizenship and be deported to israel. Being indicted, tried for treason against the united States of America would be appropriate.

Let’s not forget the “*loyalty oaths*” to a foreign country (Israel) which American politicians are required to sign in order to receive “*funding*” from israel. As much as I despise the two muslim woman politicians, they were absolutely right to call out the rest of the politicians for signing “*loyalty oaths*” to israel.

But when the Jews then claim that you not only cannot criticize them as a group, but also claim that you cannot criticize anything they do or believe in, including war, globalism, and communism, you have an unworkable society.

All the deadly *mishigas* in Israel by Arabs and in nearby countries by Israel and the U.S. is totally unnecessary. The Jews currently in Israel can live in the Tri-State Area. If the U.S. ever goes full nazi, then Israel will be screwed anyway.

This is the essence of the New Progressive World Order. You see the messaging everywhere, it's become an essential part of western political propaganda. You see this type of messaging at all the big economic and security conferences for the power elite at Davos, Aspen, etc:

“War is needed because the enemy is not an ally. If not defeated, they will target the entire world. No tribe will be safe. **Anyone who is anti-war is by definition not an ally, they are poisonous people out to make you feel unsafe, out to harm you.
