Barren Summit

Čtyřicet let a stále přibývají

Od chvíle, kdy byl Kennedy zabit

a naše vakuum ve vedení

stále nebylo zaplněno.

Proč by tyto boty měly představovat

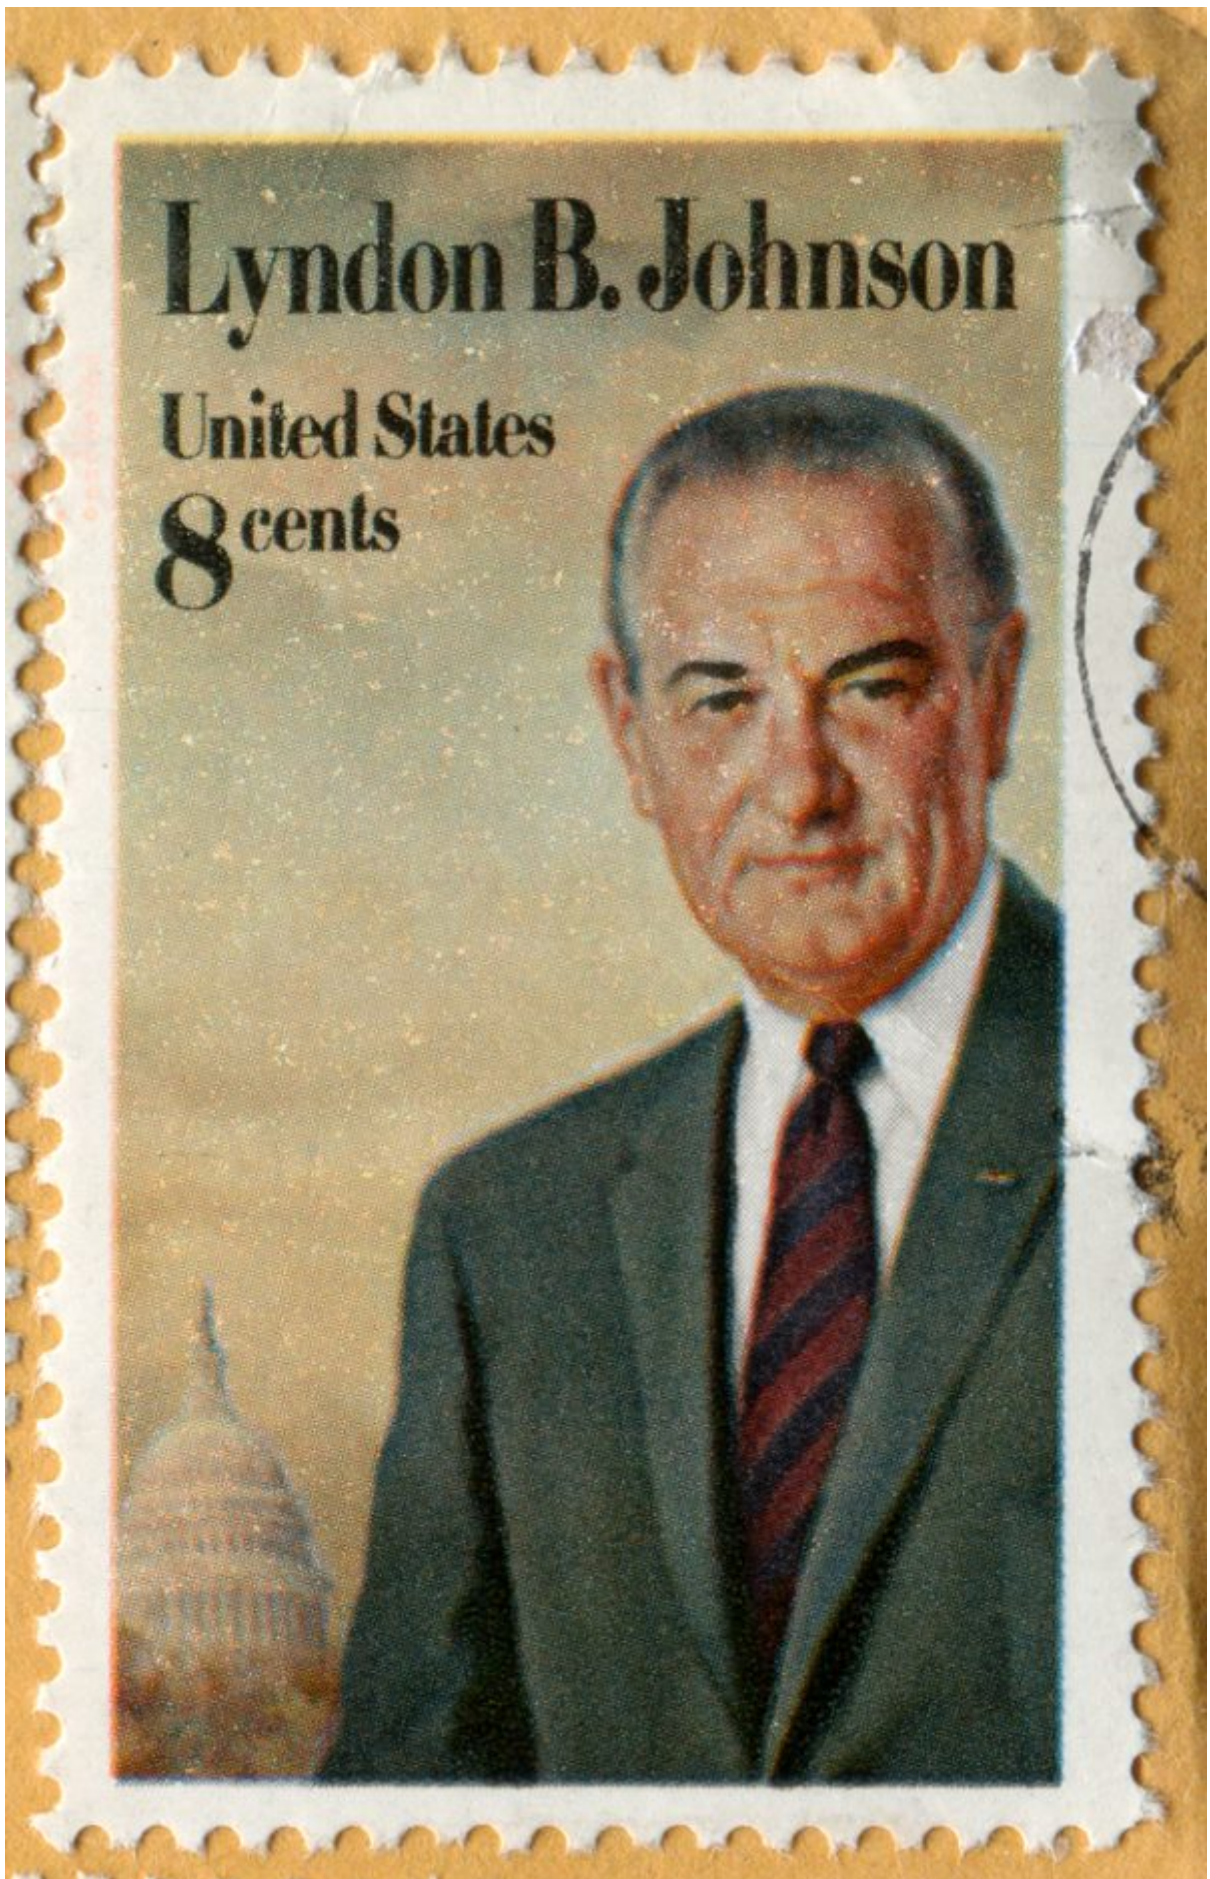

takové potíže s plněním?

Kandidáti jsou vyřazeni

těmi, kdo zabili.

od Davida Martina, autora knihy *The Assassination of James Forrestal* (2019)

Posledních pár let bylo bolestným obdobím pro ty z nás, kteří jsou dost staří na to, abychom si vzpomněli na šedesátá léta. Během svého života jsem sledoval, jak moje země upadá se všemi měřítky velikosti. Bylo to nesnesitelné, pomalé a téměř nepostřehnutelné ze dne na den, jako mučení vodou. Kdo by ještě před deseti lety tušil, že nyní budeme na pokraji jaderné války s Ruskem? Každý den prohledávám zprávy a internet, doufám a modlím se, aby se mírové hnutí objevilo. Ale kde jsou? I když události stále eskalují a dynamika narůstá pro širší válku ve východní Evropě, nevidím žádné transparenty, žádné demonstranty v ulicích a jen velmi málo důkazů, že naši lidé rozumí tomu, co se děje. Nikdy jsem si nemyslel, že k tomu dojde. Druhá světová válka skončila před ~78 lety a dnes už nezůstal naživu téměř nikdo, kdo si to pamatuje. Musíme každou třetí nebo čtvrtou generaci znovu prožívat noční můry historie jen proto, že lidé nežijí dostatečně dlouho, aby si uchovali děsivé vzpomínky na poslední válku? Něco ve mně se tomuto vysvětlení brání, protože je příliš

zjednodušené. Je tu ještě jedna možnost: že naši lidé byli zbaveni

volebního práva, tak otupěli a demoralizovaní spoustou let nepřetržité propagandy (včetně nenávisti k Rusku), že už nejsou schopni jasně myslet ani jednat, aby obnovili naši zemi.

Podle mého názoru byla největším měřítkem našeho úpadku propastná kvalita našeho vedení, zejména na národní úrovni. Pokud je to pravda, pak se musíme ptát: Jak se to stalo? V článcích, které jsem četl, a při rozhovorech s přáteli často vidím/slyším opakovat, že sestupná spirála začala atentátem na Johna F. Kennedyho.

Souhlasím a beru to jako samozřejmé, že právoplatná autorita je od té doby pod útokem.

Nedávno jsem byl nucen upravit své vlastní názory na vraždu JFK poté, co jsem si přečetl mimořádnou knihu francouzského spisovatele Laurenta Guyenota *Od Yahweh to Sion* (2020). Autor je vynikající biblista a napsal nejpronikavější analýzu sionismu, jakou jsem kdy viděl. Jako mnoho Američanů jsem kdysi věřil, že za atentátem na JFK stojí CIA a italská mafie. Ale nyní považuji příběh o CIA-&-mob-udělal-to za jen další omezený hangout.

V průběhu let jsem křečovitě studoval vraždu JFK a znovu a znovu se k problému vracel. Ale pravda zůstala nepolapitelná kvůli falešným vodítkům, chybným směrům a protichůdným příběhům, jejichž účelem, musíme pochopit, je zamlžit fakta a udržet nás v temnotě. Přes veškerou kontrolu myslí a propagandu však přibývá důkazů, že atentát na Johna F. Kennedyho zorganizoval viceprezident Lyndon Johnson (LBJ). Nyní představím některé z nejvýraznějších bodů, podstatu toho, co jsem se naučil.

Plán prezidenta Johna F. Kennedyho vyřadit Lyndona Johnsona z lístku během jeho nadcházející kampaně za znovuzvolení v roce 1964 byl široce hlášen. Méně známá je ale skutečnost, že Johnson měl nejen být nahrazen, ale hrozilo mu vězení. Během prvního funkčního období svého bratra se generální prokurátor Robert Kennedy dozvěděl mnoho o Johnsonových kriminálních aktivitách. A RFK začal podávat tyto důkazy Výboru pro pravidla Senátu. Jen několik hodin předtím, než byl jeho bratr zastřelen v Dallasu, vyslechla komise svědectví, že Johnson obdržel provizi ve výši 100 000 dolarů

za uzavření smlouvy s firmou General Dynamics z Ft Worth Texas na stavbu stíhacího letounu F-111. (Roger Stone, *Muž, který zabil Kennedyho*, 2013, s. 198)

Byly také důkazy, že Johnson dostal další velký provizi od texaského obchodníka Billie Sol Estes. Johnson již dříve Estesovi upozornil, že Kongres brzy schválí zákon, který zaplatí farmářům, aby nepěstovali bavlnu. V té době měla země obrovský přebytek bavlny a přebytek tlačil cenu dolů. Estes rychle využil interní informace a pronajal si stovky tisíc akrů texaské zemědělské půdy, což ho „opravňovalo“ k milionovým dotacím. Později přiznal, že osobně doručil Johnsonovi kufr s 200 000 dolary v hotovosti jako platbu za spropitné. (James T. Tague, *LBJ and the Kennedy Killing* , 2013, s. 400)

Life Magazine také shromažďoval důkazy o Johnsonových pochybných jednáních a měl je zveřejnit v příštím čísle. Dnes si jen málo Američanů uvědomuje, že v době vraždy JFK Johnson čelil korupčnímu skandálu a pravděpodobnosti trestního stíhání. Kdyby se objevila fakta, politická kariéra LBJ by byla u konce. Viceprezident Johnson pouze převrátil situaci odstraněním muže, který mu stál v cestě k moci. (*Muž, který zabil Kennedyho*, str. 199)

Několik Johnsonových spolupracovníků z Texasu, včetně jeho sekretářky Bobbyho Bakera a Billie Sol Estesové nakonec šlo do vězení. O několik let později Estes řekl texaské velké porotě, že Johnson nařídil vraždy nejméně šesti dalších lidí, které byly před Kennedym, včetně jeho vlastní sestry s volnými rty. Johnsonova sestra Josepha zjevně příliš pila, spala a věděla příliš mnoho o ukradených volbách v roce 1948, které Lyndona dostaly do amerického Senátu. V roce 1951 byl Johnsonův nájemný vrah Mac Wallace odsouzen za jednu z těchto vražd prvního stupně. Byla to pouze Johnsonova schopnost překroutit texaský soudní systém, co Wallaceho dostalo na pětiletý podmíněný trest. Pokud to zní neuvěřitelně, byla to také moje reakce. Nicméně je to náhodou pravda. (*LBJ and the Kennedy Killing* , str. 395 – 400)

Některá z nejusvědčujících svědectví proti Johnsonovi podala prostitutka jménem Madeleine Brownová, jeho jednadvacetiletá milenka a matka jednoho z jeho tří známých nemanželských dětí. V pozdějších letech Brownová volně hovořila s výzkumníky o tom, co věděla. V roce 1988 řekla Jamesi T. Tagueovi, že na Silvestra roku 1964 jí velmi opilý Johnson vyprávěl ohavnou historku o tom, jak zařídil Kennedyho atentát. (*LBJ and the Kennedy Killing* , str. 321) Máme jí věřit? Je svědectví prostitutky věrohodné? Zesnulý autor James T. Tague si to myslel. *LBJ a Kennedy Killing* Tague ve své knize z roku 2013 uvedli, že ačkoli zpočátku Brownův příběh odmítal jako výstřední, v průběhu let, jak hloubal, dokázal potvrdit téměř vše, co mu řekla. Tague byl sám v Dallasu v den, kdy Kennedy zemřel. Stál poblíž nadjezdu Dealey Plaza, když se to stalo, a byl lehce zraněn malým kouskem betonu, který mu vyletěl do obličeje, když bludná kulka zasáhla nedaleký obrubník. Tato zkušenost udělala na Tague tak hluboký dojem, že strávil dalších čtyřicet let vyšetřováním Kennedyho vraždy. Jeho kniha umožňuje základní četbu. (*LBJ and the Kennedy Killing* , s. 353-356)

Ale v noci před vraždou došlo také k osudnému setkání v Dallasu v rozlehlém předměstském domě ropného milionáře Clinta Murchisona. Bylo to účtováno jako narozeninová oslava s večeří a nápoji na počest J. Edgara Hoovera, ředitele FBI, jehož dlouholeté přátelství s Murchisonem je dobře zdokumentováno. Hoover a jeho partner Clyde Tolson (druhý velitel FBI) byli častými hosty na slavné Murchisonově závodní dráze v La Jolla v Kalifornii. Oba muži byli hazardní hráči a milovali koňské dostihy.

Toho večera Johnson dorazil až hluboko po půlnoci, protože hosté řídli. V té době se menší skupina shromáždila v samostatné místnosti za zavřenými dveřmi. Brown řekla Tagueovi, že čekala v obývacím pokoji, a když toto druhé setkání konečně skončilo, Johnson přišel, stiskl jí ruku a zašeptal jí do ucha: „Od zítřka mě ti Kennedyovi už nikdy neudělají ostudu.“ (*LBJ and the Kennedy Killing* , str. 356)

Madeleine Brown zastávala výkonnou pozici v komerční reklamní firmě v Dallasu. Řekla příteli, že přes den pracovala v reklamě a v noci jako call girl. Byla to prvotřídní šlapka a v texaské společnosti poznala mnoho mocných a bohatých mužů. Z tohoto důvodu a kvůli svému vztahu s Johnsonem byla známou tváří. Brown znala všechny ředitele na Murchisonově večírku a identifikovala dvacet pět jedinců, kteří zůstali na následující schůzi. Její seznam jmen se původně objevil v knize Roberta Gaylona Rosse z roku 2001, *The Elite serial Killers*. Tague uznává, že Brown tu noc pil. Připouští, že její seznam potřebuje další prověření. Jasno o tom, kdo odešel dříve a kdo zůstal na schůzce pozdě v noci, je životně důležité, protože druhá skupina se podílela na vraždě Kennedyho.

Murchisonův kuchař a komorník potvrdili některá jména, stejně jako Robert Gaylon Ross, který byl Tagueovým přítelem. Nebudu diskutovat o všech jménech na seznamu, pouze o těch, která jsou podle mého názoru nejdůležitější. Zde je seznam.

- HL Hunt, miliardář naftař
- Texaský guvernér John Connally
- Ředitel FBI J. Edgar Hoover
- Clyde Tolson, druhý ve velení FBI
- Starosta Dallasu Earle Cabell
- bývalý major Dallasu RL Thornton
- Šerif okresu Dallas Bill Decker
- Jack Ruby
- Carlos Marcelo
- Texas ranger a americký maršál Clint Peoples
- WO Bankston, místní prodejce automobilů
- Joe Yarbrough, stavba
- George Brown, z Brown and Root
- Amon G. Carter Jr.
- John Currington, poradce HL Hunt
- John McCloy, předseda Rady pro zahraniční vztahy
- BR Sheffield, vojenské stavby
- Cliff Carter, výkonný ředitel Demokratického národního výboru

- Joe Civello, dallaská mafie
- Larry Campbell, zástupce Jimmyho Hoffy
- Don Smith, generální ředitel závodní dráhy Del Mar
- Mac Wallace, zabiják

Všimněte si, že na seznamu je guvernér Texasu John Connally, starosta Dallasu Earle Cabell, bývalý starosta RL Thornton a šerif okresu Dallas Bill Decker. Prostřednictvím Cabella a Deckera Johnson také ovládal šéfa dallaské policie Jesseho Curryho a šéfa oddělení vražd Willa Fritze.

Na seznamu bylo jméno guvernéra Connallyho a jeho role byla klíčová. Byl to Connally, kdo původně pozval prezidenta Kennedyho do Texasu. Vyvstal však problém, protože předvoj z Bílého domu, Jerry Bruno, trval na jiné trase kolony, která nezahrnovala Dealey Plaza, což bylo místo pro plánovaný zásah. Když Connally odmítl ustoupit o cestě, neshody se staly tak hořkými, že Bílý dům požádal Billa Moyerse, tehdejšího zástupce ředitele Mírových sborů, aby se pokusil zprostředkovat řešení. Moyers byl blízko jak Connally, tak Johnsonovi. Teprve poté, co Connally pohrozil úplným zrušením prezidentské návštěvy, Bílý dům nakonec ustoupil a souhlasil s trasou přes Dealey Plaza. (*Muž, který zabil Kennedyho*, s. 222–223)

Další prach se týkal také Connallyho, i když nepřímo. Brzy večer 21. listopadu Kennedy zavolal Johnsona do svého apartmá v hotelu Rice v Houstonu. Následovala zuřivá hádka o to, kdo kde bude sedět v koloně další den v Dallasu. Johnson chtěl, aby s ním jel Connally z obavy o jeho bezpečnost. Ale Kennedy chtěl ukázat jednotu strany a trval na tom, aby senátor Ralph Yarborough jel s Johnsonem. Yarborough byl vůdcem liberálního křídla Demokratické strany v Texasu, zatímco Johnson vedl konzervativní demokraty. To znamenalo, že Connally seděl s Kennedym v hlavním vozidle a vystavil ho vážnému zranění nebo smrti. Kennedy hádku vyhrál. Z místnosti se údajně vyřítit rozzuřený Johnson.

Navzdory riziku Connally udělal, co mu bylo řečeno. Od ukradených voleb v roce 1948, kdy sloužil jako šéf Johnsonovy kampaně, byl Johnsonovým podřízeným pytlákem. Johnson se jednou chlubil:

"Můžu zavolat Johnu Connallymu o půlnoci, a když mu řeknu, aby přišel a vyčistil mi boty, přiběhne." Hádka Johnsona s Kennedym v Houstonu vysvětluje, proč k Murchisonovi dorazil až po půlnoci.

(Robert A. Caro, *Means of Ascent* , 1990, str. 118)

Přítomen byl také Amon G. Carter, Jr., majitel Ft . *Worth Star Telegram*, největší náklad novin v Texasu. Carter také vlastnil WBAC rádio a televizní síť, Channel 5 (NBC 5).

Jak bylo uvedeno, zúčastnil se také J. Edgar Hoover. Byl dlouholetým Johnsonovým spojencem a jeho role byla životně důležitá: Hoover se postará o zakrytí. FBI bude kontrolovat forenzní důkazy a nasměrovat jakékoli vyšetřování k předem určenému příběhu osamělého střelce.

Vezměte v úvahu, že prostřednictvím výše uvedených osob Johnson ovládal státní a místní vládu, místo plánovaného zásahu, vymáhání práva, média a zakrývání. LBJ měl pokryty všechny základny.

Johnson však měl také neomezenou finanční podporu z ropné záplaty. Byl přítomen ropný magnát HL Hunt a bezpochyby sdílel antipatii svého přítele Clinta Murchisona k prezidentu Kennedymu. Oba muži přišli o miliony, pokud by Kennedy pokračoval ve svém oznámeném plánu na snížení nebo odstranění příspěvku na vyčerpání ropy. Caroline Kennedy Schlossberg jednou prohlásila, že její matka Jackie Kennedy Onassis věřila, že za vraždou jejího manžela stojí texaští ropní muži. (*LBJ and the Kennedy Killing* , str. 353)

Nejméně jeden ze střelců byl přítomen, Mac Wallace, který byl usvědčeným vrahem, jak bylo uvedeno. O několik let později byl nalezen dříve neidentifikovaný otisk prstu, který policie zvedla z kartonové krabice v šestém patře texaského knižního depozitáře, který se shodoval s Wallaceovými otisky pořízenými v době jeho soudního procesu s vraždou v roce 1951. (Jesse E. Curry, *JFK Assassination File*, 1969, str. 53; viz také Barr McClellan, *Blood. Money & Power: How LBJ Killed JFK*, 2003; viz také *LBJ and the Kennedy Killing*, str. 392)

Přítomen byl také muž, který zastřelil Lee Harveyho Oswalda: Jack Ruby. Je všeobecně známo, že Ruby byl mafián a já jsem vždy předpokládal, že to znamená italskou odrůdu. Ale mýlil jsem se. Ruby se ve skutečnosti jmenoval Jacob Leon Rubenstein a byl synem židovských polských přistěhovalců. Ruby měla spojení s židovským podsvětím. Podle bývalého detektiva losangeleské policie Garyho Weana byla Ruby přátelská s losangeleským gangsterem Mickeym Cohenem, který nahradil Benjaminu „Bugsyho Siegela“ Siegelbauma na postu židovského zločineckého bosse na západním pobřeží. Detektiv Wean nashromáždil velký soubor o Cohenovi a tvrdí, že v roce 1946, když se poprvé setkal s Ruby v Los Angeles, jela Ruby s Cohenem ve velké černé limuzíně. O rok později byl Wean představen Ruby v nočním klubu v LA známém jako Harry's Place. (Gary Wean, *V soudní budově je ryba*, 1987, str. 681)

Ve své autobiografii Mickey Cohen popisuje, jak se zamiloval do sionismu. Vysvětluje také, jak po druhé světové válce začal dodávat armádní kontraband a přebytečné zbraně do Irgunu. (Mickey Cohen, *Mými vlastními slovy*, 1975, s. 91-92)

Cohen se osobně znal s šéfem Irgunu Menachemem Beginem, s nímž se setkal, když byl terorista „na lamu“ na pobytu v Kalifornii. V té době byl Begin stále hledán v Izraeli/Palestině za vyhození hotelu King David do povětří v roce 1946. Zůstal v politické divočině až do šestidenní války v roce 1967, kdy ho premiér Levi Eshkol pozval, aby se připojil k ‚vládě národní jednoty. ‚ To signalizovalo Beginovu ‚rehabilitaci‘. Později uspořádal politický comeback a dokonce se stal izraelským premiérem.

Ale Ruby byla také spojována s ‚předsedou představenstva‘ Meyerem Lanskyem, kmotrem židovského podsvětí. Ruby vlastnila podíl v Lanskyho hazardním kasinu Colonial Inn, které se nachází severně od Miami Beach. (Jim Marrs, *Crossfire*, 1989, s. 392)

Lansky byl také sionista se silnými vazbami na Izrael. Lansky byl hlavním dárce pro Izrael a pro Anti-Defamation League (ADL). Jeho dcera Mira Lansky Boland se později stala úředníkem ADL.

(Steven Fox, *Blood and Power: Organized Crime in Twentieth Century America*, 1989, str. 314.)

Přál bych si, abych zde měl prostor, abych mohl dostatečně pokrýt Meyera Lanského. Ale udělat mu „spravedlnost“ by zaplnilo knihu. Lansky byl dlouholetým spolupachatelem a společníkem zločinu notoricky známého ‚Lucky‘ Luciana. Zasloužil se o uspořádání historických schůzek v roce 1943 mezi Lucianem a US Office of Naval Intelligence (ONI). V té době si Luciano odpykával 30–50 let vězení v New Yorku za provozování prostituce. Americké námořnictvo potřebovalo pomoc Lucianova syndikátu k ochraně amerických přístavů a lodní dopravy před německou sabotáží a útoky, které se staly vážným problémem. Dohoda uzavřená na setkáních s Lucianem, zprostředkovaná Lanským, dosáhla požadovaného cíle. Později Lucianovo spojení s mafií zajistilo úspěch americké invaze na Sicílii a návrat Benita Mussoliniho. Po válce USA Lucianovi trest za prokázané služby zmírnily a deportovaly ho zpět do Itálie. Mussolini nenáviděl mafii a do 30. let ji téměř vymýtil. Ale osudný kompromis americké vlády s Lucianem umožnil mafii vzpamatovat se. Během dvou let Luciano přestavěl svou operaci obchodování s heroinem na Sicílii ve větším měřítku než kdy předtím. Lansky mezitím řídil Lucianovy finanční záležitosti v USA. (Alfred W. McCoy, *The Politics of Heroin*, 1972, s. 28 – 45)

V letech 1949-1950 Lansky také pomohl Lucianovi založit notoricky známou Francouzskou spojku, která se zabývala zpracováním a přepravou tureckého opia do Marseille, kde bylo zpracováno na heroin a poté odesláno do USA. Síť nebyla pouze židovská a zahrnovala prvky Lucianovy sicílské/italské mafie a dokonce i Korsičanů. Ale Lansky se postaral o finance a zařídil praní zisků. Síť Lansky-Luciano ‚prosperovala‘ po mnoho let a vyústila v obrovskou explozi drogové závislosti v amerických městech. Velká část heroinu se do USA dostala přes Kubu a Floridu. O dopravu se staral další spojenec Lansky, rodina Trafficante se sídlem v Tampě. (*The Politics of Heroin*, str. 44–45)

Velká část zisků se vrátila do Evropy, kde byla praná prostřednictvím švýcarských bank. Po umytí se peníze vrátily do USA nebo šly jinam na investici. Lansky, kouzelník v praní nezákonných peněz, používal řadu švýcarských bank, včetně jedné, kterou osobně vlastnil, Exchange and Investment Bank of Geneva. Další byl duchovním dítětem ortodoxního rabína Tibora Pinchase Rosenbauma: Mezinárodní úvěrová banka (ICB) v Ženevě. (*The Politics of Heroin*, str. 45; viz také Michael Collins Piper, *Final Judgement*, 2004, kapitoly 7, 11 a 12))

ICB byla židovská banka. Rosenbaum také spoluzaložil Světový sionistický kongres a byl ředitelem (a pokladníkem) Židovské agentury. ICB měla pověst společnosti, která přijímá vklady odkudkoli, bez jakýchkoli otázek. V bance měla účty různá ministerstva izraelské vlády, včetně Mossadu, ministerstva obrany a Histadrut, izraelské federace práce. Další účet vlastnila Israel Corporation, vládou podporovaná vývojová společnost. Podle zprávy v *New York Times* byla ICB využívána izraelskou vládou k nákupům zbraní a k „pomoci nasměrovat finanční prostředky z mezinárodní židovské komunity do Izraele“. (Clyde H. Farnsworth, 'A Global Bank Tangle and its Lost Millions', *The New York Times*, 9. dubna 1975) Použil Izrael proprané peníze z drog k financování obchodů se zbraněmi, nebo dokonce k financování izraelského ultratajného programu jaderných zbraní? To je možné. Při jedné příležitosti Šimon Peres údajně zavolal Rosenbaumovi a požadoval 7 milionů dolarů do 24 hodin „pro izraelskou národní bezpečnost“. Rosenbaum vyhověl a doručil finanční prostředky přes noc. Vzhledem k tomuto druhu činnosti není překvapivé, že ICB se v letech 1974-1976 zhroutila kvůli nárokům na skimming a uloupení aktiv. Příběh je tak zamotaný, že připomíná výlet do Aliciny králičí nory nebo přes zrcadlo. („Globální bankovní spleť a její ztracené miliony“)

Až na několik výjimek studenti atentátu na JFK obvykle mlčky přešli téměř jisté zapojení židovského podsvětí do zločinu století. To se musí změnit z důvodu, který by měl být samozřejmý. Na počátku 60. let představovala právní křížová výprava generálního prokurátora

Roberta Kennedyho proti organizovanému zločinu vážnou a bezprostřední hrozbu pro zločineckou síť Meyera Lanského v USA. V roce 1961 Kennedyho ministerstvo spravedlnosti uvěznilo Mickeyho Cohena, šéfa Lanskyho na západním pobřeží, a obvinilo ho z daňových úniků. (Wyatt Reid, *Inside Mob Boss Mickey Cohen's okázalý Reign as the King of Los Angeles*, 6. srpna 2022, zveřejněno na <https://allthatsinteresting.com/mickey-cohen>)

V roce 1963 se ministerstvo spravedlnosti RFK zaměřovalo také na další Lanskyho postavu, Carlose Marcella, který řídil Lanskyho holdingy v New Orleans. Marcella již jednou deportovali a v roce 1963 se o to pokoušeli znovu. Židovský dav měl jistě motiv zbavit se Kennedyho. Říká se tomu sebezachování. Takže mě nepřekvapilo, když jsem se dozvěděl, že Marcello je na seznamu a že byl přítomen tu noc u Murchisona. (Hank Messick, *Lansky*, 1971, s. 86 – 87)

Říká se, že nade dveřmi v Marcello's Town and Country motelu v New Orleans visel nápis. Nápis hlásal: TŘI MOHOU UDRŽET TAJEMSTVÍ, POKUD JSOU DVA MRTVÍ. Ačkoli Marcellova skutečná role v atentátu na JFK zůstává nejasná, jedním pravděpodobným důvodem jeho účasti v Dallasu by bylo reprezentovat Lanskyho.

Role Jacka Rubyho byla naopak velmi viditelná. Později Ruby svému obhájci Williamu Kunstlerovi řekl, že zabil Oswalda „pro Židy“.

Přiznání je tak šokující, že jsem získal kopii Kunstlerovy autobiografie, abych potvrdil, že to řekla Ruby. Žádný omyl, citát najdete v Kunstlerově knize černobíle, doslovně. Ale neméně šokující byl Kunstlerův slovní hokus-pokus, když se pokoušel poznámku stočit a vysvětlit ji. (William Kunstler, *Můj život radikálního právníka*, 1996, s. 158-160)

Kunstler popsal Ruby jako „jednu z nejvíce zmatených a matoucích lidí, jaké jsem kdy potkal“. Ale Ruby se mi v rozhovoru z roku 1965 zdá naprosto jasná. (<https://youtu.be/pooxqYBIEw>) Všimněte si, na konci Ruby zmiňuje, že kdyby byl Adlai Stevenson viceprezidentem, k atentátu na JFK by nikdy nedošlo. Jeho význam

nemohl být jasnější. Stevenson byl Kennedyho preferovanou volbou pro viceprezidenta v roce 1960. Ruby osočuje Johnsona za Kennedyho vraždu.

Podle Petera Dale Scotta byl jedním z prvních telefonátů Ruby po Oswaldově zatčení Al Gruber, spolupracovník Mickeyho Cohena. (Peter Dale Scott, *Deep Politics and the Death of JFK*, 1993, str. 143) Můj vlastní názor je, že Ruby dostala rozkaz od LBJ, aby zasáhla Oswalda. Ale je také možné, dokonce pravděpodobné, že Ruby potřeboval nějaké další „přesvědčování“, aby ztuhl nervy. Jakékoli rozhodnutí davu zakrýt atentát na amerického prezidenta by muselo přijít úplně shora. To by mohl být Luciano, nebýt skutečnosti, že Luciano zemřel v předchozím roce. V listopadu 1963 tak zůstal Meyer Lansky šéfem šéfů. Ale Lansky by takovou zprávu nikdy nedoručil osobně. Práci by delegoval na někoho blízkého Ruby. Ale ne Cohen, který byl stále za mřížemi.

Jak řekla Gail Raven, bývalá přítelkyně a exotická tanečnice v Ruby's Carousal Club: 'Neměl na výběr... Jack měl šéfy, stejně jako všichni ostatní.' Všimněte si, že Raven odkazuje na „šéfy“, nikoli na šéfa. (Arnaldo M. Fernandez, „Hit Man And The Mobster: Jack Ruby And Santos Trafficante“, zveřejněno na <https://jfkfacts.org/the-man-and-the-mobster-jack-ruby-and-santos-trafficante/>)

Dorothy Kilgallenová málem praskne a otevře případ

Dorothy Kilgallen byla jednou z nejinteligentnějších novinářek, které psaly o atentátu na Kennedyho. Byla také jednou z nejstatečnějších. Po mnoho let byl Kilgallen pravidelným účastníkem populárního televizního kvízu What's My Line? kde prokázala schopnost myslet na vlastní nohy. Kilgallen měl talent odhalit skutečnou identitu hlavních hostů. Napsala také týdenní sloupek se zprávami a drby, který přineslo 200 novin. Specialitou Kilgallenu byly šťavnaté kousky z Hollywoodu, vysoce profilované soudní případy a nevyřešené vraždy. V 50. letech se Kilgallen těšila statusu celebrity, který v její době neměl obdoby.

Byla také zarputilou vyšetřovatelkou s instinkty krvavého psa. Po atentátu na Kennedyho byl Kilgallen prvním novinářem, který zpochybnil oficiální příběh osamělého střelce. Ve skutečnosti tak učinila ve svém dalším sloupku zveřejněném týden po atentátu. 29. listopadu 1963 napsala: „Případ je uzavřen, že? No, rád bych věděl, jak se ve velkém chytrém městě, jako je Dallas, mohl muž jako Jack Ruby, provozovatel striptýzové honky tonk, procházet dovnitř a ven z policejního ředitelství, jako by to byl klub zdraví v době, kdy malý armáda strážců zákona držela na Oswaldovi 'přísnou ochranku'... Proto tolik lidí říká, že na zabití Oswalda je 'něco divného', něco divného na způsobu, jakým byl jeho případ řešen, hodně chybí na oficiálním účtu...”

Později, když se Kilgallen zúčastnila soudu v Dallasu s Jackem Rubym, byla jedinou novinářkou, které byl poskytnut soukromý rozhovor s obviněným (při dvou příležitostech). Bylo to na žádost Ruby. Zjevně 'What's My Line?' byl jeden z Jackových oblíbených televizních pořadů. Kilgallen napsal, že se u soudu zdržela, protože jí bylo řečeno, že Ruby chce mluvit. Když na ni Rubyin spolupradce Joe Tonahill pokynul, šla k obhájci. Ruby vstala a zdvořile si potřásla rukou. Napsala, že ačkoli se usmíval, „celkový efekt byl nevýslovně smutný“.

Kilgallen ho popsal trýznivými slovy: „Rubyho oči byly skleněné, a když jsme si potřásl rukou, jeho ruka se v té mé chvíli tak trochu jako tlukot srdce ptáka. Jsem nervózní a ustaraný, řekl jí. Cítím, že jsem na pokraji něčeho, čemu nerozumím, možná bod zlomu. Ruby jí pak řekl, že se 'opravdu bojí'. (

<https://www.thedorothykilgallenstory.org/dorothy-kilgallen-in-words.html>)

Podle jednoho tvrzení předsedající soudce Joe B. Brown dovolil Ruby a Kilgallenovi (s Tonahillem) odejít do komory k rozhovoru za zavřenými dveřmi. Při této příležitosti nebyly přítomny ani Rubyiny strážce. (Lee Israel, *Kilgallen*, 1979)

Jack Ruby nikdy nesvědčil u vlastního soudu. To bylo nedílnou součástí strategie obhájce Marvina Belliho vylíčit ho jako „dočasně nepřičetného“ v den zabití. Strategie však selhala. Ruby byla odsouzena. Přesto se během výpovědi několika svědků objevily rozpory, které naznačovaly, že oficiální narativ nemůže být správný. Například místo, kde se Ruby v době atentátu nacházela, vyvěsilo červenou vlajku. Jeden svědek vypověděl, že v době, kdy byl Kennedy zastřelen, byla Ruby v kancelářích *Dallas Morning News*, které se nacházely několik bloků od Dealey Plaza. Okna kanceláře směřovala na Plaza s přímým výhledem na Texas Book Depository. Postavil se Ruby úmyslně, aby sledoval atentát? Pokud ano, znamenalo to, že měl předchozí znalosti. (

Když jsem zkontroloval rozvržení centra Dallasu pomocí softwaru Google Earth Pro, byl jsem schopen změřit vzdálenost od budovy *Dallas Morning News* k místu „vražedné zóny“ na Elm Street. Vzdálenost je 1 460 stop.

Další svědectví odhalilo, že Ruby už sledovala (pronásledovala?) Oswalda večer 22. listopadu, když úřady představily obviněného Oswalda v poutech tisku na radnici. Policejní shromažďovací místnost byla plná reportérů a fotografů. Ruby byl viděn s perem a blokem v ruce, jak se choval, jako by byl členem tisku, což nebyl. Z výslechu dalších svědků také vyplynulo, že stínování pokračovalo i další den. Odpoledne 23. listopadu byla Ruby viděna ve třetím patře radnice, těsně před oddělením vražd, kde byl vyslýchán Oswald. Ruby byla na chodbě přeplněné tiskem. Stejně jako předtím se vydával za reportéra. Ale Ruby byla na radnici dobře známá a jeden z detektivů zakřičel: "Jacku, co tady děláš?" Detektiv musel křičet, aby ho slyšel, protože chodba byla přeplněná a hlučná. Ruby pokynula a odpověděla: "Pomáhám všem těm chlapům." (

<https://markshawbooks.com/assets/images/Jack-Ruby-Trial-Transcript-Excerpts-Exposed-2.pdf>)

Tyto nesrovnalosti jistě znamenají, že Rubyino setkání s Oswaldem se nestalo náhodou. Ani střelba nebyla impulzivní čin. Bylo to předem promyšlené. Stínování také podkopává to, co Ruby řekla Warrenově komisi, tj. „Nikdo jiný mě o nic nepožádal. Nikdy jsem s nikým nemluvil o pokusu o cokoli. Žádná podvratná organizace mi nedala žádnou představu. Žádné osoby z podsvětí se mě nesnažily kontaktovat. Všechno se to stalo toho nedělního rána...“

V březnu 1964 se Kilgallen pokusil kontaktovat Roberta Kennedyho prostřednictvím Pierra Salingera, který Kennedymu řekl, že „má nějaké informace, které vám chce předat“. Ke schůzce však nikdy nedošlo. Během tohoto těžkého období se RFK vypořádával se svým vlastním smutkem a ztrátou a vyhýbal se kontaktu s novináři, zvláště s těmi, kteří vyšetřovali vraždu jeho bratra. (David Talbot, *Bratři*, 2007, s. 262)

Mnoho výzkumníků odmítlo proces Jacka Rubyho jako bezvýznamný, pravděpodobně proto, že Ruby nikdy nesvědčila. Ale mám podezření, že tito skeptici nikdy nestudovali přepis soudního procesu v Dallasu. Soud jistě přesvědčil Kilgallena (podle mého názoru správně), že Ruby byla klíčem k tomu, aby se zjistilo, kdo zabil Kennedyho.

To pravděpodobně vysvětluje, proč v srpnu 1964, asi měsíc před oficiálním vydáním zprávy Warrenovy komise v září, Kilgallen unikl Komisi celý přepis tříhodinového svědectví Ruby. Nějakým způsobem se jí podařilo získat kopii o délce 102 stran. Kilgallen serializoval celý přepis ve třech vydáních *The New York Journal-American*. S výhodou zpětného pohledu se zdá, že unikla přepis, aby upozornila na nešikovné výslechy Komise ohledně Ruby, ale také, a to je důležitější, aby objasnila nesrovnalosti odhalené při jeho soudu v Dallasu. Únik přiměl J. Edgara Hoovera, aby nařídil odposlech na Kilgallenově telefonu. Také ji dal pod dohled.

Dorothy Kilgallen nikdy neprozradila podrobnosti o svých rozhovorech s Jackem Rubym. Vše plánovala sdělit v připravované knize *Murder One*, kterou vydá Random House. Mezitím si neustále uchovávala své poznámky a rukopis o své osobě. Řekla přátelům, že

je blízko k odhalení, kdo zabil Kennedyho. Ale Kilgallen nežila dost dlouho na to, aby dokončila svou knihu. 8. listopadu 1965 byla nalezena mrtvá ve svém bytě na Manhattanu. Její osobní kadeřník Marc Sinclair našel tělo a okamžitě dospěl k závěru, že byla zavražděna. Kilgallen byla úplně oblečená, seděla v posteli, kterou nikdy nepoužívala, v pokoji, ve kterém nikdy nespala. Hlášenou příčinou smrti byla směs alkoholu a barbiturátů, jejichž stopy byly nalezeny na okraji sklenice. Její rukopis a poznámky zmizely. Ale spiknutí proti Kennedymu nebylo pouhým převratem ze strany viceprezidenta hladového po moci, ani krokem židovského podsvětí k obraně své říše pašeráků drog. Sázky byly nekonečně vyšší, jak se chystám ukázat.

Ben Gurion a JFK

Poslední jméno na seznamu Madeleine Brownové, o kterém budu mluvit, je John McCloy. Ale není zdaleka nejmenší. Když jsem viděl jeho jméno, byl jsem ohromen tím, co to znamená. Stačí si vygooglit „John J. McCloy“, abyste ocenili, kdo tento muž byl. V průběhu padesáti let McCloy radil osmi prezidentům od Franklina D. Roosevelta po Ronalda Reagana, včetně Johna F. Kennedyho. Dovolte mi krátce zhodnotit jeho legendární kariéru. Jako mladý dělostřelecký důstojník se McCloy krátce setkal s bojem během posledních měsíců 1. světové války. Po válce se vrátil na Harvard a dokončil právnickou fakultu. Během dvacátých a třicátých let minulého století si McCloy užil úspěšnou kariéru právníka na Wall Street. Tato etapa jeho života však skončila v roce 1940, kdy ho naverboval americký ministr války Henry Stimson. McCloy sloužil pod Stimsonem během druhé světové války jako válečný plánovač a v otázkách zpravodajských služeb. Během tohoto období McCloy a James Donovan založili Úřad strategických služeb (OSS), předchůdce CIA. Po válce se McCloy stal prezidentem Světové banky a poté sloužil jako první vysoký komisař pro Německo. V této funkci dohlížel na vytvoření Spolkové republiky Německo.

V 50. letech McCloy působil jako předseda Chase Manhattan Bank, byl předsedou Fordovy nadace a také správcem Rockefellerovy nadace. Řadu let také působil jako předseda prestižní Rady pro zahraniční vztahy. McCloyovo spojení s Rockefellerovými sahá až do jeho dob na Harvardu. Stručně řečeno, McCloyův pozoruhodný životopis naznačuje, že v 50. letech minulého století dosáhl vrcholu mocenského establishmentu USA a patřil mezi vybranou skupinu mužů, kteří vládnou Americe. Patřil mezi elitu.

McCloy radil prezidentu Kennedymu v otázkách odzbrojení a kontroly zbrojení. Pro tuto diskusi je však zvláště důležité, že v roce 1963 Kennedy naverboval McCloye, aby se stal jeho osobním vyslancem na Blízkém východě. Cíl jeho návštěvy: zprostředkovat dohodu s izraelským premiérem Davidem Ben Gurionem a zajistit americkou inspekci izraelského jaderného reaktoru Dimona. V té době vlastnily jaderné zbraně pouze čtyři národy a Kennedy to tak chtěl zachovat. Kennedyho znepokojila rostoucí pravděpodobnost, že se do „jaderného klubu“ chystají připojit četné další národy, včetně Izraele. (Avner Cohen, *Izrael a bomba*, 1998, s. 132)

Ben Gurion Kennedymu slíbil, že reaktor Dimona slouží výhradně k mírovým účelům. Když se Kennedy setkal se Šimonem Peresem v Bílém domě, Peres ho rovněž ujistil, že Izrael „nebude první zemí na Středním východě, která zavede jaderné zbraně“. Ale co to vlastně znamenalo? Američtí zpravodajští experti věděli, že reaktor Dimona byl francouzského designu a že přenos technologie osobně zařídil Peres. Vzhledem k Peresově jestřábí rekord Kennedy jistě zůstal skeptický. Američtí jaderní experti řekli Kennedymu, že jsou potřeba minimálně dvě inspekce ročně, aby bylo zaručeno, že reaktor nebude použit k výrobě plutonia pro jaderné zbraně. A nabídka Ben Guriona na (možná?) jednu návštěvu ročně zapadla. (*Izrael a bomba*, str. 118)

V polovině června 1963 McCloy přijel do Washingtonu DC na tři dny instruktáží s úředníky administrativy, po kterých se setkal s Kennedym. V této době JFK podepsal důrazně formulovaný dopis

Ben Gurionovi, který se rovnal ultimátu. Zúčtování s USA, kterému se Ben Gurion snažil vyhnout, se zdálo být bezprostřední. (*Izrael a bomba* , str. 156)

Najednou však Ben Gurion rezignoval, pravděpodobně to byl úskok, aby nemusel reagovat na Kennedyho ultimátum. Tím se problém Dimony dostal do limbu. Navzdory tomu McCloy pokračoval v první části plánované diplomatické mise: do Egypta, kde se poradil s Abdulem Nasserem. Egyptský prezident vyslechl McCloye, ale nebylo divu, že byl nezávazný. Vzhledem k tomu, že Izrael nereagoval kvůli rezignaci Ben Guriona, Kennedy zrušil další úsek McCloyovy cesty do Tel Avivu. McCloy se vrátil do Washingtonu a během týdnů Bílý dům iniciativu opustil. Nový premiér Levi Eshkol trval na tom, že potřebuje více času na prostudování Kennedyho návrhů.

Mezitím Kennedyho navrhovaný částečný zákaz testování získával na síle. JFK pravděpodobně usoudil, že záležitost inspekce Dimona může počkat na později, a znovu zaměřil své úsilí na tuto další neméně důležitou otázku. Jak víme, mise Averella Harrimana do Moskvy v červenci 1963 byla úspěšná. Koncem července USA a Sověti parafovali dohodu o zákazu atmosférických jaderných testů. V září 1963 smlouvu ratifikoval americký Senát a během šesti měsíců k ní přistoupilo nebo ji přímo podepsalo více než 100 zemí. Částečný zákaz testování byl velkým úspěchem pro Kennedyho i pro svět.

John McCloy ukazuje své barvy

Nyní se dostáváme k temné straně. Jako Rockefellerův muž měl McCloy mnoho přátel v ropném průmyslu, včetně Clinta Murchisona. Víme, že během léta 1963 Murchison hostil McCloye na jeho mexické haciendě „lovit bílá křídla“. Lze si jen představit, o čem tito dva mocní muži diskutovali u steaků a nápojů. (*LBJ and the Kennedy Killing* , str. 356)

McCloyova následná účast na schůzce 21. listopadu 1963 v Murchisonově domě v Dallasu naznačuje, že „moudrý muž“ z Wall Street se rozhodl zradit Kennedyho a připojit se k převratu proti oprávněné autoritě. McCloy byl všechno, jen ne volné dělo. Jeho zapojení jistě znamená, že ostatní členové americké elity o

nadcházejícím převratu věděli a podporovali jej. *David Rockefeller již učinil neobvyklý krok a zveřejnil v časopise Life důrazně formulovaný dopis, který kritizoval Kennedyho hospodářskou politiku.*

Je spravedlivé předpokládat, že McCloy informoval Murchisona, LBJ a další o Kennedyho zablokované iniciativě inspekce reaktoru Dimona. Ačkoli Kennedy později získal souhlas premiéra Eshkola s americkými inspekcemi, jeho nástupce nesdílel Kennedyho hluboký závazek k nešíření. LBJ byl víc než ochotný podívat se jinam.

Kontroly byly, to ano, ale ne dvě za rok. Od minimálního požadavku bylo upuštěno. Víme také, že Izraelci oklamali americké inspektory tím, že nainstalovali fiktivní kontrolní místnost s falešnými ciferníky a falešnými daty.

Američtí vědci si mysleli, že reaktor vyrábí elektřinu, když ve skutečnosti byl nastaven tak, aby maximalizoval produkci plutonia. I když inspektoři procházeli, reaktor pilně vyráběl plutonium pro bomby. Izraelci oklamali inspektory také jiným způsobem, když zazdili dveře výtahu, aby skryli šachty do tajného separačního závodu šest pater pod zemí. Zdá se, že skutečnost, že jim to všechno prošlo, je ještě více povzbudila. U příležitosti inspekce v roce 1968 se Izraelci stali agresivními a obtěžovali americké inspektory tak otevřeně a agresivně, že vědci návštěvu ukončili. Byla to poslední inspekce v USA. Proč se vůbec trápit? Američtí představitelé si museli uvědomit, že to všechno byla šaráda. (Mark H. Gaffney, *Dimona: Třetí chrám*, 1989, str. 69)

6. prosince 1963, sotva dva týdny po Kennedyho vraždě v Dallasu, Johnson udělil Johnu McCloyovi Prezidentskou medaili svobody za blíže neurčené zásluhy o zemi. O několik dní později Johnson také vybral McCloye, aby sloužil ve Warrenově komisi. Podle mého názoru byla tato veřejná Johnsonova gesta „back-to-back“ signálem pro americkou elitu, že státní převrat byl úspěšně dokončen. Jak víme, McCloy byl pilným účastníkem „vyšetřování“ Warrenovy

komise a pomáhal propagovat příběh o osamělém střelci.

„Orwellovský“ je jediné slovo vhodné k popisu této temné kapitoly v historii USA.

O McCloyových názorech na zahraniční politiku USA dnes nemůže být pochyb. Záznam je jasný. Zatímco ve Světové bance McCloy spolupracoval s Mezinárodním měnovým fondem (MMF), aby pomoc zemím třetího světa podmínila úspornými opatřeními, která je udrží v závislosti na Západě a zabrání jim v rozvoji jejich vlastních ekonomik. Když byl ve Fordově nadaci, McCloy zařídil, aby tato domnělá filantropická instituce tajně rozdělila peníze CIA na tajné operace. V březnu 1964 pomohl McCloy zorganizovat převrat CIA, který svrhl populárně zvoleného a nekomunistického prezidenta Brazílie Joaa Goularta. Abych to shrnul, McCloy byl nekolonialista a o nic menší darebák než Lyndon Johnson. (Donald Gibson, *Battling Wall Street*, 1994, s. 71-72, 79; viz také William Blum, *Killing Hope*, 1995, s. 163 – 169)

Na závěr musím přidat upřesnění. Ačkoli Richard M. Nixon byl také na Brownově seznamu, republikánský politický agent a autor Roger Stone znal Nixona osobně a dělal s ním rozhovor. Stone říká, že Nixon odešel z večírku u Murchisona dlouho předtím, než dorazil Johnson, a tak nebyl součástí spiknutí s cílem zabít Kennedyho. Ve světle toho jsem si dovolil vypustit Nixonovo jméno z Brownova seznamu. Jinak Stone dospěl ke stejnému závěru jako Tague o tom, kdo zabil JFK. Nixon, důvtipný politik, bezpochyby nakonec sám přišel na to, co se stalo a kdo je za to zodpovědný. (*Muž, který zabil Kennedyho* , str. 229)

Na základě mého výzkumu mám podezření, že Madeleine Brownová se také mohla mýlit s jedním dalším jménem, Clint Peoples. Problém potřebuje více prověřování.

V následujícím článku ukážu, že Lyndon Johnson byl zarytý sionista. Mark H. Gaffney je autorem knih *Dimona: The Third Temple* (1989) , *Gnostic Secrets of the Naassenes* (2004), *The 9/11 Mystery Plane and the Vanishing of America* (2008), *Black 9/11* (2. vydání, 2016) a

jeho nejnovější *Hluboká historie a věky člověka* (2022). Marka lze zastihnout pro komentář na adrese markhgaffney@earthlink.net

Indeed.

Deciphering the dark fairy tale that is the standard explanation of President Kennedy’s murder, without the Zionist component, is somewhat like doing math without the number zero. You will never get the correct answer.

Lyndon Johnson was certainly one of the most evil, disgusting human beings in American politics. Maybe in American society generally.

“The last few years have been a painful time for those of us old enough to remember the 1960s. Over my lifetime I watched my country decline by every measure of greatness. It’s been excruciating, slow and nearly imperceptible from day to day...”

I was a 15 year old in 1963. ...Born in 1948, the atmosphere was redolent with the perfumed air — to cover the stench — of the Allies destruction of those evil enemies the Japanese and the Germans. During the war years these enemies were know as Japs and Krauts and while these appellations gradually diminished they were still portrayed as such in certain DC comic books.

GI Joe, a comic book hero — usually depicted with an unshaven jaw clenching a half smoked cigarette and a chattering machine gun, spewing spent cartridges into the air while the enemies bodies flew in all directions — epitomized the urgent requirement to stand up to evil. And father figure Walter Cronkite narrating TVs Twentieth Century amplified the message citing triumph and sacrifice while recounting the various battles fought for freedom.

As a young boy I lived in England. Although Jerry aimed to destroy the London docks in the east side of London, enough bombs fell in the neighbourhood where I lived to leave gaping holes where houses once stood. I asked my Grandmother and mother what happened? Their answer “It was the war dear,” no doubt made the prospects of a nuclear war real for me in a way it didn’t seem real to my friends or the teachers here in the New World.

My father read the NY Times in those days. In it were depictions of the effects of a nuclear bomb if one was dropped on New York City. School suddenly seemed rather insignificant and unimportant to me.

I wanted to know “What caused the madness which existed long before I was born, and was continuing in 1963?”

Kennedy was a WWII hero! I was shocked. In fact I stayed home and watched subsequent events on TV, just as I had stayed home to watch Russian ships turning back from Cuba a few months before. I remember the air raid siren outside in front of the school squatting ominously on top of a steel pole.

The 1950 and early 1960s were not as they seemed — or were made to seem. There was always an undercurrent of violence. Unions turned out to be run by gangsters. The music business was exposed — payola was what bribing the stations was called. Pay to play! The military industrial complex had ominous undertones suggesting “payola” played a role there. Even then, it was clear something about the world was not as depicted on Disneyland.

Over the years I read voraciously. Everything I could get my hands on. My father took me to the library from an early age. I was considered precocious. And of course not a very good student. I argued! Or did not attend. And then I was old enough to spend the Day in the Library.

By the time the Internet emerged I had discovered that much of what was being gradually revealed as unlikely to be true and promulgated by tin hat wearing conspiracy mongering degenerates was in fact verifiably true. ...And exactly as being portrayed.

As a precocious and omnivorous reader of biographies, histories, economics, politics, etc., and periodicals, popular magazines, and business magazines — I discovered nothing was written free of the writers agendas, public and private. Often things written, said in public, said when interviewed, broadcast or quoted as saying was contradicted, or revealed by a slip of the tongue, as a lie or an intentional misdirection. One comes across instances of people claiming to have been somewhere or done something when they were elsewhere.

Obviously I was not the only person paying attention when they were reading. Still today though politicians lie even when caught on camera saying something which they later deny.

Today's events are mirrors of the past. There is nothing new under the sun. We are born at the bottom of a well of ignorance. There is no decade anywhere where men and women behave the way children perceive the world or are encouraged to see the world. Our schools are the ultimate brainwashing institutions. Waking up is painful, distressing, and disillusioning. Still although the truth hurts it most certainly encourages one to reject knee jerk reactions and verify the truth for oneself.

In Gaffney's fantasy world, crafty Izzies arrange an intricate plot (in fact several alternate plots.) They get the commanding heights of the economy on board in a big drunk glitzy party.

They telegraph their intentions with wanted posters. They shoot JFK and immediately turn off law enforcement investigation at all levels, from Air Force One down to the customs gumshoes at the airport. They put an Oswald double on a CIA plane. They follow CIA's uniform template for coups with such perfect fidelity that JFK's murder is subsequently taught to US special forces as a classic case study.

And through it all CIA counterintelligence sits there pulling their dicks. Cause they didn't notice. Or something.

Or well maybe they did notice, because they photographed Ed Lansdale with the tramps, clearly signaling their control to the world outside. They presided over the bullshit whitewash commission. But, uh, um, that's because the Izzies control them. With their superhuman wheedling & cajoling skills. And stuff.

Gaffney's fantasy world depends on CRIMESTOP-level cognitive repression of the obvious and undeniable fact of CIA impunity. CIA had a dozen get-out-of-jail-free cards in law, secret decree, judicial precedent, and sub rosa MOUs. That arbitrary power means CIA is the command structure of the US government. You can't shoot a head of state and impose universal public acquiescence unless you have impunity in municipal law. CIA has it. Izzies don't.

I know it's humiliating to admit that you grew up in a criminal totalitarian state and all the time you actually thought you lived in a democracy, and you voted and wrote school essays about democracy and republics and freedom and shit like that. That

you were a dupe, a chump, a helplessly obtuse stooge. But it's time to stop pretending you're a moron. The whole world knows what's what, and they're laughing at you.

Without a doubt the motives of both the Jews and LBJ to murder JFK are compelling and better than any other. Nonetheless motive is not sufficient to conclude murder even circumstantially.

The Jews controlled the US financial system and the money supply with the private “Federal” Reserve system and they were well placed throughout US Gov’t bureaucracy. As a result JFK could easily have been obstructed by the Jews through their control of most of the Executive Branch Agencies. It’s likely he was obstructed. They didn’t directly control JFK but neither did they control Nixon, Carter or Trump. **They easily moved Nixon, Carter and Trump out of the Presidential office without assassinating them. Why did the Jews need to kill JFK? And where is the evidence at the crime scene in Deally Plaza? So far noticeably absent.**

Didn’t the Jewish mob control J. Edgar Hoover with blackmail over his homosexuality? JFK was equally vulnerable with his extra marital philandering. In the the 1960s before the sexual revolution and Roe v. Wade photos of President JFK playing grab ass with Marilyn Monroe and other women would have been the end of the “Catholic” President. Furthermore Israel had no intention of abandoning its Dimona program to create nuclear weapons. They could easily have delayed and prevaricated until JFK was pushed out of office. Congress had the power of the purse strings and not JFK. It is highly unlikely that Congress would ever have cut aid to Israel—JFK or no JFK.

Motive is necessary but certainly not sufficient to prove JFK was assassinated by the Jews or their proxies. Again where is the evidence at Deally Plaza? Other than Oswald where were the other purported shooter(s). Ballistics

eliminates a lot of possibilities. It's never been clear that ballistics ever pointed to the grassy knoll nor was there photographic or eyewitness evidence of a long gun on the grassy knoll. The CBS news re-enactment of the Dealey Plaza shooting with several volunteer marksmen proved that a shooter, using the same 6.8 mm Carcano bolt action rifle, could from a position similar to the 6th floor book depository could fire 3 rounds in under 6 seconds and hit a JFK sized target at least twice while in a moving.

The problem is that the ballistics evidence from JFK's autopsy and the Zapruder Film doesn't confirm more than one hit from Oswald's 6th floor perch. There was at least one other shot from a frangible round that hit JFK in the head from a different location. **Where was that second shooter, who was that shooter, what was the caliber and why was the shooter there? Mostly the assassination theorists make no effort whatsoever to answer believing wrongly that motive carries the day.**

It has largely been concluded that Oswald was a loner with a poor home life who failed at nearly everything he tried. He was an unstable screw up. When he first attempted to defect to Russia the US Embassy talked him out of renouncing his citizenship and the Russians initially refused. It wasn't until after he attempted suicide in a local Russian hotel that the Russians decided to let him in to avoid an international incident. A few months before the JFK assassination Oswald failed in an attempt to assassinate retired Col. Edwin Walker. From his attempt to defect to Russia until he squeezed his trigger twice (not three times) in the Dallas Book Depository he was looking to do some great but terrible thing. His protestations after his capture that he was "set up" is too self-serving for my tastes. **Neither the Jews nor LBJ would have been stupid enough to hire Oswald to clean a latrine let alone pull**

off the assassination of a President. However once JFK was dead ALL of his enemies had every motivation to stop the trail with Oswald.

Then we move to JFK's intentional decisions that favored an assassination success He chose to ride in an open top limo and refused to let Secret Service Agents stand on his rear bumper which was their routine. Then there was the fact that most of the Secret Service detail spent the night and most of the early morning hours before the Deally Plaza drive carousing in local bars. Instead they could have spent the time with building managers closing access to windows facing the plaza. As far as I know none of them lost their jobs.

As far as I know only one firearms expert, Howard Donahue, conducted a thorough 25 year long ballistics investigation at Deally Plaza using photos, videos taken, witness reports and autopsy reports. He easily dispelled and explained the ridiculous “magic” bullet theory. He participated in the CBS News reenactment as a volunteer marksman. He is the only one to point out with photographic evidence than another long gun was in the hands of person—in plain sight—in a position consistent with the autopsy results. His investigation was published in the Baltimore Sunday Magazine in the 1970s. It wasn't condemned or refuted—it was ignored because it didn't comport with all the conspiracy theories. And if it was true the fed gov't had an equally good reason to hope it went away.

A partial chronicle of Howard Donahue's ballistic investigation at Deally Plaza can usually be found on one of the streaming services: “JFK: The Smoking Gun.” A more complete book is still available from Amazon: “Mortal Error: The Shot That Killed JFK” by Bonar Menninger published in 2013.

You can't shoot a head of state and impose universal public acquiescence unless you have impunity in municipal law. CIA has it. Izzies don't.

So, Woodrow Wilson wasn't run by Izzies, nor were Rosenfeld and "Ike the Kike"? The Izzies have been running the US for well over a century, and have leveraged that into bullying more countries to become subservient.

Good question—and one that has interested me for a while.

As best I can figure out Ruby was assured by his handlers that he would be a sympathetic figure and that the Mob could “fix” the jury if needed.

Jury tampering was a classic Mob tactic back in those days—and was often successful.

Repeating this comment since for some reason it didn't post as a reply to your comment –

NP. There's actually a lot more detail to that situation than is registered in that letter, though it is difficult to find even on the internet. A couple examples among numerous ones are the fact that the Israelis were intentionally illuminating marine positions with search lights to create a feeling of vulnerability. There is also an incident where a column of IDF forces attempted to push their way through a Marine road block and there was an argument between the IDF commander at the head of the column and a Marine commander wherein that Marine Commander put his service weapon to the IDF commander's head and told him in no uncertain terms to turn his column around and leave the area. There is also evidence that the Israelis withheld vital information that could have prevented the attack on the Marine barracks in Beirut that led to the deaths of 241 Marines if I have that number correct. Israelis didn't want us there. Ronald Reagan from what I understand had in reality inserted the Marines there as a blocking force between the Israelis and the refugee camps. And the Israelis worked overtime to get us out of the way. After all that's what supposed allies do right?

15, sigh. How, Curmudgeon, have Izzies been running the US?

If you were to ask someone, How has CIA been running the US, they would need to support their assertion with specific means, such as The National Security Act, the Central Intelligence Agency Act, NCSID-6, The Intelligence Identities Protection Act, the operational files exemption, the political questions doctrine, the state secrets privilege, the utmost deference doctrine, the deference upon deference doctrine, FASAB Standard 56, NSC 10/2, the National Security Directive of December 19, 1947, the Rogers-Huston memo et seq.

So how have Izzies been running the US?

And how do the Izzies short-circuit the institutions and assemblages that give CIA DO impunity and arbitrary power?

I believe the answer is that the CIA was and is thoroughly penetrated by Israel. We know, for example, that Angleton who ran the Israel desk at the time as well as counterintelligence was a double agent. This may explain the patsy Oswald who was much more of a Naval and FBI asset than a CIA asset. The Zionists somehow piggybacked their JFK assassination plot onto the CIA operation and this thoroughly compromised the CIA's position. Insofar as I am aware the details of that CIA operation involving JFK have never come to light — but apparently it fell short of an assassination. Only through insider information could the Zionists manage this. They did it again on September 11, 2001 which apparently was a plot within a plot.

I know it's humiliating to admit that you grew up in a criminal totalitarian state and all the time you actually thought you lived in a democracy

A criminal state, sure, but that was playing at games behind behind the scenes. At the level of daily life, everything – – well, almost everything – – was great. Oh, what a time, as they say. I am ancient, like the author, so it is especially painful to endure the affronts, frustrations, compromises, limitations, and humiliations of everyday life. It took thousands of years to get to “Oh what a time,” and now, in the blink of an eye of two generations, it is gone. I believe that if JFK had not been killed, it is extremely likely that the tragic unraveling would not have occurred.

Thanks much for the fine remembrance of the heroic Dorothy Kilgallen.

Shortly after her death a gossip columnist — of all people — who wisely stayed anonymous, gave the details of how Dorothy was killed. She was an “over-thinker” who needed sleeping pills after a busy day at work.

She used nembutals — the same pills Marilyn Monroe used — and had them delivered to her hotel room. The CIA knew of the prescription and pulled a switch. Kilgallen’s dose was an ordinary amount to make her drowsy. Her pills were switched by the agency, which looked the same but they were a hundred times the potency of her regular supply. Even one of the CIA-doctored pills was fatal.

Her room was cleaned and in the morning no evidence of her doctored drug supply was found. And of course none of her work on Ruby was ever found either.

| Why did the Jews need to kill JFK?

You have to look at the overall US political organization to get a motive.

First, the New Deal ended Anglo-Saxon dominance of the US Federal Government, which had been severely weakened under President Wilson. The New Deal also ran WW II, and found that FDR's attempt to save the New Deal by fomenting WW II had (quite unintentionally) left the New Deal in charge of almost all the industrial world.

But the New deal was a coalition of ethnic groups: Jews, Italians, Polish, Irish, various smaller groups. The groups didn't really mix, had not more cohesion than pellets in a shotgun blast. "In the end, there can be only one."

Jewish ethnicity had been highly influential, but the Irish politicians had been running the US Democratic Party coalition since (at a guess) the end of Reconstruction. Kennedy was a high water mark for the Irish politicians, and (unusually) had one competent family member that he could trust: RFK.

Together they did severe damage to the Jewish coalition. As Gaffney pointed out, JFK tried to at least limit Israel's influence over the US, and RFK convicted many Jewish racketeers (including the one I briefly worked for). Further, JFK had somehow managed to get good press. Perhaps the Irish ethnicity would continue to head the US Federal government.

And there was a way out. The New Deal had never been about the US, it was always about the big city professional politicians who "saw their opportunities and took them". The US small town public was fed comforting lies by the press, and discounted

the influence of large city politicians, which gave the Democrats a free hand as long as they “campaign conservative and governed liberal”. So the 1950s had a veneer of stability and continuity, but only a veneer. False issues abounded: JFK (son of a bootlegger and on pain pills much of the time) was honestly criticized as a Catholic who would be unduly influenced by the Pope, silly as that now sounds and dead as the Protestant/Catholic war really was by the early 1960s.

Then, suddenly, JFK was dead. Then RFK. LBJ passed the Civil Rights Act, which made Irish (but not Jews) white and therefore an oppressive ethnicity along with all other whites. He also passed the Immigration and Nationality Act of 1965, which ensured that the whites (including Irish) would become a minority in the US. Suddenly, the Irish were an oppressive group in a dwindling white majority. At about the same time we got the (Jewish red diaper) Counterculture and a broken military (I was in that fiasco) that and a lost Vietnam War. Irish politicians were identified with a South Boston (“Southie”) mob resisting the same Integration program that the South had been pilloried for resisting (and that subsequently destroyed urban schools). That was the end of the Irish politicians.

And the US had a stable Jewish coalition dominance that lasted until Obama’s second term. “It was done by a job, and a good job too.” (Gilbert & Sullivan, “Trial by Jury”).

How’s that for a motive for JFK’s assassination?

<https://web.archive.org/web/20180812064546/http://www.5tjt.com/our-first-jewish-president-lyndon-johnson-an-update/>

Lyndon Johnson’s maternal ancestors, the Huffmans, apparently migrated from Germany sometime in the mid-eighteenth century.

Both of Lyndon Johnson’s great-grandparents, on the maternal side, were Jewish. The line of Jewish mothers can be traced back three generations in Lyndon Johnson’s family tree. There is little doubt that he was Jewish.

My difference with Patton, though, is that among the three, America was the worst : USSR should have stayed allied with Hitler and both super-powers should have joined to destroy the USA and the UK and prohibit the use of the French and English languages forever together with the whole humanistic literature written in one or the other. USSR was quite bad under Stalin but not worse than India under UK. Actually Stalin just wanted to modernize Russia like UK did with India.

Yet, despite all of the mind control and propaganda, *evidence has been mounting that vice president Lyndon Johnson (LBJ) orchestrated the assassination of John F. Kennedy*. I will now present some of the most salient points, the gist of what I have learned.

As I mentioned **here**, the ARRB uncovered information indicating a KGB investigation also concluded LBJ was behind the assassination — after the fall of the USSR, some of the Soviet era archives were released, e.g. **they finally admitted they were behind the Katyn killings** — so it would be interesting to see the complete KGB file on the JFK assassination.

I agree — there are a number of reasons for the nostalgic romanticization of JFK and his presidency ('Camelot'), but it is true that he was fully behind a 'progressive' domestic agenda, and no doubt would have supported the disastrous legislation you mention.

| I believe the answer is that the CIA was and is thoroughly penetrated by Israel.

Mark, I would go much further than that.

The CIA/Mossad/Britain's MI6 are (and have been since Day One), wholly controlled subsidiaries of ZOG.

So, to the extent that the CIA and James Angleton was pivotal in the JFK coup d'etat, they were acting under instruction from the Zionist Usury Banking Cartel (aka ZOG) who ordered the hit on JFK, RFK, JFK Jr, the 9/11 False Flag, orchestrated the Anthropogenic Global Warming hoax, the Covid Psyop, the Ukraine proxy war and more.

Also Mark, in relation to the comments you made in your article about LBJ orchestrating the JFK hit (or words to that effect), certainly as the POTUS, LBJ played the lead role in the cover up of the crime and did what needed to be done in the aftermath to deflect attention away from the actual Zio perpetrators.

But let's get things in some perspective. LBJ, and ALL USG politicians/bureaucrats/Intel agency heads etc, in the post JFK era, are just BIT PLAYERS.

They are no more than HIRED HANDS reading from a Zio dictated script.

ZOG is responsible for and orders which egregious crimes are to be perpetrated.

NO SINGLE INDIVIDUAL on the planet has 1/1000th the financial and political clout/control of the judiciary/control of the entirety of the U.S Congress/western media control, that ZOG possesses.

Bottom Line: With financial wherewithal of multiples of U.S GDP and the capability to print/digitally conjure into existence scores of trillions more to dole out to itself and its Zio cronies, THERE CAN ONLY BE ONE ENTITY WITH THE MEANS TO ORCHESTRATE (and more importantly to cover up and get away with) any of these dastardly crimes.

And that entity is the Zionist Usury Banking Cartel (aka ZOG) headquartered in the City of London.

Our foreign policy towards the Middle East did a 180 degree turn for the worst beginning with LBJ. Every President since the JFK assassination has been a fake President and Usurper. Who is Mr. Young & Naive’s guest today?

“We are back at the ‘Ocelot’ and meet the German-Israeli
philosopher Omri Boehm, whose book ‘Israel – A Utopia’ has
just been published. Omri was born in Haifa in 1979, studied in
Heidelberg and Munich, and works as a philosophy professor in
New York.

Omri will first talk about his background: How did he grow up as
a Jew in Israel? What attracted him to philosophy? Why was he
in the secret service instead of the military? What did he
experience during that time? Did he do things he is ashamed of
today? When was he first in the occupied Palestinian territories?
What did he witness as a youth about the occupation?

We talk about Zionism: What does Zionism mean to Omri?

Should Germans be Zionists? Can he understand why
Palestinians see themselves as anti-Zionists? What role does the
occupation that has lasted since 1967 play in today’s Zionism?
Why has the Nakba never been heard of in Germany?

Why does Omri advocate Jewish self-determination instead of a Jewish state? Why does a Jewish state clash with a democratic one? Is Israel a democracy? We talk about apartheid, Jewish settlers and the reality in the occupied territories.

It's about Israel's Prime Minister Benjamin 'Bibi' Netanyahu: Why is it so hard for us to talk about a right-wing radical? Why is the largest governing party radical to the right? Is the Likud comparable to the AfD in Germany? Why is the current state of emergency due to Corona dangerous?

Finally, Omri's one-state solution: Why is the preferred two-state solution an illusion? Why is it still being held on to? What does this have to do with climate change? How can a bi-national state for Jews and Palestinians look and function? Why does Omri use Haifa instead of Tel Aviv as a model? What could be the name of the joint state? And why should Germans deal with the Middle East conflict?"

Unfortunately for you, your answer—**to a question I didn't ask**—was conceded by me in the opening sentence of (my) Comment #14. Let's look:

Without a doubt the motives of both the Jews and LBJ to murder JFK are compelling and better than any other.

I go on to point out in Comment #14 that the Jews (or their proxies) apparently had leashes on any number of Congressmen, Senators and Executive Agency Branch leaders via a variety of means which meant they didn't have to be killed. For example, the speculation that J. Edgar Hoover was being blackmailed into obedience by Lansky over his alleged homosexual escapades more than passes the plausibility threshold. Furthermore they handily swept Nixon and Trump out of office. The sexual escapades of the "Catholic" President JFK were more than enough to deep six JFK—either into submission or quickly out of office.

So the ACTUAL questions I asked were:

1. Why did the Jews need to kill JFK to maintain the status quo over the long run?
2. Where is the evidence at Deally Plaza (that is, the crime scene) that the Jews killed JFK?

And before you run down another blind alley where I didn't tread. . .no one—including me—denies a cover-up of what actually happened in Deally Plaza. That those with motives to kill JFK (and the list is apparently long) denied, prevaricated and obfuscated the truth of the events is undeniable. Try again?

Deciphering the dark fairy tale that is the standard explanation of President Kennedy's murder, without the Zionist component, is somewhat like doing math without the number zero. You will never get the correct answer.

The addiction of so many on this blog to the narrative that all things evil are Zionist or Jewish is crazy. All the despicable things in this country involved many more gentiles than Jews.

Sound principles too, and thanks, freedom-cat.

Nonetheless, as presidential campaigns slog ahead, contributions play a major role, and the many powerful ZUS lobbies can sink huge amounts of money into defeating an RFK, Jr.'s presidential run.

And like Senator Rand Paul (Ky) a choreographed visit to Jerusalem's Wailing Wall becomes necessary.

- B) He was on a drug (phenmetrazine) and had nothing better to do

All the most egregious crimes of the last century and more have Zio fingerprints all over them.

Telling the truth is never crazy. Trying to deflect attention away from your Talmudic kinfolk is what you do best.

You just can't help yourself, can you ? You always have to stick up for the tribe.

It's just a reflexive response from you. No doubt you would've been in the corner of that child rapist and murderer Leo Frank just over a century ago.

As for LBJ's Jewishness (which you deny in your comment # 56), that is not speculation. It is 100% confirmed through the matriarchal line.

We can't help it that you're too lazy to research it and confirm it for yourself. (It has been covered extensively here in UR if you'd care to go through the archives on LBJ related articles).

Why will NO one ever say the name- JOHN MCCONE? He was the CIA Director 61-65.

Because JFK promoted him to replace Allen Dulles, who JFK fired, Dulles had the impetus and hatred of JFK, and I would say he was the instigator of the assassination.

Most likely Kennedy was killed with the connivance of Johnson WITH that of the CIA, ZOG, and what is known as the Deep State, many of whom have dual Israeli/US citizenship.

Jewish fascism on the march in the US and Israel:

<https://www.voltairenet.org/article218957.html>

This school of thought refuses to apply international treaties in domestic law; judges the behaviour of others harshly, but absolves Americans who do the same on principle; and refuses to allow any international jurisdiction to take an interest in its internal affairs. In short, it believes that, for religious reasons, the United States is not comparable to other states and should not be subject to any international law. This US ideology is perfectly compatible with the political interpretation of the theological theory of the “chosen people.”

The Zionist-Nazi putsch and Nazification of Ukraine are the natural outgrowths of the “theological theory of the “chosen people.”

The Straussians, who are in power in the State Department and the White House, are now driving the change of its [Israeli] regime. Demonstrations are taking place throughout the country to prevent the country from becoming, in the words of a former Mossad director, “a racist and violent state that cannot survive.” But it is probably already too late. What is going on in Israel is not just about Israelis and Palestinians. Elliott Abrams is a historic Straussian, even more so than the US Secretary of State, Antony Blinken, and his deputy, Victoria Nuland. It is therefore foreseeable that if the “reform” of the Israeli justice system continues, the new regime will be fully aligned with the positions of the Straussians.

The Straussians (neo-talmudists):

<https://www.voltairenet.org/article217976.html>

Beginning in 1949, the German Jewish philosopher Leo Strauss taught at the University of Chicago. He formed a group of Jewish disciples from among his students. According to him, the democracies had shown their inability to protect the Jews from the Nazi final solution. To prevent this tragedy from happening again ... he advised them to build their own dictatorship. Several of the members of this sect have held very high positions in the United States and Israel. The operation and ideology of this grouping were the subject of controversy after the attacks of September 11, 2001.

The ideology of Leo Strauss was never discussed in the Jewish world before 9/11. In 2003, Benjamin Netanyahu's "revisionist Zionists" made a pact with the US Straussians, in the presence of other Israeli leaders. One of the characteristics of this group is that they are ready for anything. For example, they wanted to return Iraq to the stone age. This is indeed what they did. For them, all sacrifices are possible, including for themselves, as long as they remain the first; not the best, the first.

In 1992, an advisor to the Secretary of Defense, the Straussian Paul Wolfowitz, wrote the Defense Planning Guidance. It was the first official US document reflecting the thinking of Leo Strauss. ... The document speaks of a new "world order [...] ultimately supported by the United States", in which the sole superpower would only have temporary alliances, depending on the conflict. The UN and even NATO would be increasingly sidelined.

More broadly, the Wolfowitz Doctrine theorizes the need for the United States to block the emergence of any potential competitor to U.S. hegemony, especially "advanced industrial nations..." Particularly targeted is the European Union: "While the United States supports the European integration project, we must be careful to prevent the emergence of a purely European security system that would undermine NATO, and particularly its integrated military command structure. The Europeans will thus be asked to include in the Maastricht Treaty a clause subordinating their defense policy to that of NATO, while the Pentagon report recommends the integration of the new Central and Eastern European states into the European Union... For thirty years, this document has been patiently implemented.

Like cancerous growth on the body of western civilization, the neo-talmudists will not stop the ongoing Jewish Fascism on the march until they are either eradicated or incapacitated.

The author skims over the letter that JFK wrote to Ben Gurion stating that relations with Israel would suffer greatly if they did not stop building a nuclear weapon and allow biannual inspections. Ben Gurion did resign but JFK sent a similar letter to his replacement. JFK was murdered about 5 months later.

Laurent Guyénot and Michael Collins Piper books provide a better explanation of how Israel was in the center of the murder of JFK and undoubtedly also RFK.

No doubt the CIA was heavily involved especially CIA James Angleton who was a favorite of the Israelis and had three memorials built in Israel for his service to the country. I'm not aware of any built in the U.S. to honor his service.

It was well known that Mathilde Krim, an activist Zionist, who was married to the Jewish Arthur B. Krim, President of United Artists Corp., was a mistress of LBJ. Or should I say "handler".

Jerusalem Post carried a story headlined:

"Vanunu: Israel behind JFK Assassination." The newspaper reported that famed Jewish-born nuclear physicist, Dr. Mordechai Vanunu, recently released after spending 18 years in prison for exposing Israel's covert atomic weapons program—had charged that supporters of Israel's drive for nuclear weapons were involved in the JFK assassination precisely because of JFK's interference with their ambitions.

Israel was not going to allow anyone to interfere with their nuclear program and after JFK's murder the Dimona facility was never mentioned again and offensive weapons and aid increased dramatically under LBJ.

LBJ stayed on long enough to influence both coverups of the JFK and RFK investigations and coverup the premeditated Israeli attack on the USS Liberty. Israel now has only contempt for the U.S. and the western world which is reflected in comments like former Prime Minister Ariel Sharon:

“Israel may have the right to put others on trial, but certainly no one has the right to put the Jewish people and the State of Israel on trial.”

That so-called "Zionist coup" didn't change much about the US as the leader of the terrorist USEUNATO conglomerate it already was in 1963. Kennedy's "alliance for progre\$\$" gave the CIA ample room and wherewithal to consolidate continental drug-trafficking and money laundering business in the Americas. As Monroe had announced was the plan. Wasn't Stalin even quicker than Truman to greet the fabrication of the Rothschild neocolony in Palestine at the UN in 1948?

To still be thinking that selected CEOs of any of the US-led terrorist regimes was gonna be any meaningful change, one must be developing some sort of severe retardation from taking the COVID-19 so-called "vaccines" the UNSC permanent members rolled out in coordination for the plandemic.

One other thing which is very telling about Johnson's possible role in the assassination. Under Johnson, the USS Liberty was attacked by Israeli fighter pilots. Rescue was initially sent out and called back by the White House. The matter was kept secret for many years. Sounds like to me that the Israelis had something on Johnson that he would allow his own citizens to be attacked by another country – Israel, with whole impunity. As friendly as our government is with the State of Israel, would any other President go so far in protecting Israel? I tend to doubt it.

Dear **MARK H. GAFFNEY**, you have written an excellent article on who really murdered JFK.

Under the heading—facts are stubborn things:

Lee Harvey Oswald could not have killed JFK—Oswald was given a “**gunshot residue test**” on the day JFK was assassinated—and Oswald he came up clean because he never fired a gun on that day. This makes the **Warren Commission Report** on JFK’s assassination a lying cover up.

Robert F. Kennedy Jr recently announced he is considering running of the US Presidency in 2024. After the assassinations of JFK, RFK, and I believe John F. Kennedy Jr, US elites will never allow Robert F. Kennedy Jr to live to become a US President. Why? Because the first thing Robert F. Kennedy Jr will do as US President is expose who really murdered JFK and RFK.

Stop the war in Vietnam? A joke, he stepped it up.

Johnson as VP changed the course of history. If Kennedy had chosen someone else, what would our nation be today? We'll never know, but it's an interesting thought.

I will not enter a detailed discussion of who killed JFK – for the 83,000th time on this web site – alone.

Who Did it?

[MOSSAD & their junior partners, CIO, MI6. Serving the planet's leading Money Changing Oligarchs.]

Who continues in 2023, to cover up the truth about the Coup D'état of 11/22/1963?

[The owned Media]

Now that that is out of the way, I wish to answer your questioning -“If.”

John F. Kennedy believed he had to place on his electoral ticket a leading Southern politician – in order to hold enough of the Southern votes, to defeat Nixon and win the Presidency. Many have written that JFK was quite aware of the danger of placing such a sleazy crook, **L B Johnson**, – a heart beat from the Presidency. JFK felt he had to take the RISK. JFK's electoral victory was razor close, vindicating his risky alliance with a well known crook of a politician.

Understand: this was in 1960, when our country still sported the remnants of A Democratic Republic. Kennedy and his top supporters were working a risky strategy in order to obtain access to Executive Power, and guide our country into a better place (at least that was their stated goal).

While in office, President Kennedy, THE SHORT LIST:

1. avoided a Nuclear conflict,
2. Defended the Industrial Sector
3. Made great efforts to slow down a dangerous run-away Inflation.
4. Supported the Legal Equality of all Americans. (was the first President to do that).
5. Attempted to block the Zionist Oligarchs from obtaining Nuclear Weapons.
6. Announced plans to withdraw all American troops – from Vietnam.
7. Supposedly had sex with Marilyn Monroe (not important – but I doubt it).

Gaffney's "**Zionist Coup Against Kennedy**" is about right (as we say). The question is: What do we do about it?

Just sick of the LowLives Murica's Politicians+Donors have been sleazing into the Whitehouse + Congress.

What I can recall from the "Big Picture Summary" Perspective:

The Masonic-Zionist Hegemon's Plutarchy, Vassal Oligarchs and Vassal-Mob Ochlarchs have taken over this Masonic Republic over a Century ago.

Through the Rentier-Bankers, Railroad/Oil Barons, Corporate Plunderers – as Oligarchs became Plutarchs, they began to merge with their counterparts across the Atlantic, where the Jewish-Tribal Diaspora were well integrated as their Faction controlled GBR and FRA.

We're seeing "incidents" like the JFK Assassination occur here and there. IIRC (limited points mentioned), JFK was allegedly:

A) Looking to prosecute LBJ;

B) Working on a Debt-Free Silver-backed Currency

(GoldMoney? cited that our U\$Ds are the property of the FEDRSV, loaned to the GOVT_USA at 6% annual interest – that's different from the Debt Created Fractional Reserve "Currency" generated by Bankers. It's okay to yell/rage. Lincoln was allegedly assassinated for similar projects.);

C) Trying to make Peace with the Soviet Union (SUN in ISO Alpha-3 for the casual reader).

These Rentier-Banker Currency+FractionalReserve Systems need to be revised and reformed; but the Plutarchy+VassalOligarchs are used to Plundering Everybody –

including other Empires/Nation-States/Colonies – with Credit Crunches and Wars while riding the Industrial Revolution and advancements in Technology.

There was no “Government or implied Co-Prosperity” with/of/by “We the People” from the Plutarchy+VassalOligarchs’ perspective.

The Plutarchy became a Plutarchy of a Hegemony. Tried to Conquer the World – had their best opportunity to do so after the SUN Collapse+Plunder(mostly by “guess who?”) in the 1990s; but fortunately for Humanity, A) RUS recovered Economically+Politically as their Military+Nukes deterred the Hegemony from breaking RUS up – and B) CHN benefitted and Industrialized+MilitarilyDeveloped rapidly thanks to Foreign Direct Investment / Offshoring Mfg while staving off Western Colonization/Subjugation with their Military+Nukes.

“Guess Whom” were involved in previous Campaigns that challenged/felled Russia and China throughout the 19th-20thCE?

Some of the “Whom” have been “at it” – in one Domineering Scheme or another – for over Hundred of Years (e.g., vs Russia).

The Plutarchy will have to settle with EUROpe, Americas, PHL/AUS/NZL; but things would seem that they won’t and may eventually get in Wars that massively Backfire.

Tall Fences make for Good Neighbors, Tall Border Walls and Immigration Policies make for Good Nation-States.

@Say the name JOHN MCCONE

McCone was JFK’s man in the CIA.

I have seen no evidence he was “in the loop” at all—if anything it was his job to prevent the CIA veterans from getting together to “do an op” on JFK.

There is evidence McCone did not support the Israeli nuclear weapons program—which meant for the coup plotters (Mossad and Angleton) he was “part of the problem”.

Check out this quote from the Wikipedia article on McCone:

“McCone resigned from his position of DCI in April 1965, believing himself to be unappreciated by President Lyndon B. Johnson, who, he complained, would not read his reports, including on the need for full-fledged inspections of Israeli nuclear facilities.”

Shortly after noon on November 22, 1963, President John F. Kennedy was assassinated as he rode in a motorcade through Dealey Plaza in downtown Dallas, Texas. It's been 53 years since the assassination. Since that fateful November day, conspiracy theories have abounded. I don't dispute that the Jewish and LBJ motives are the most compelling and that all the subsequent investigations were a superficial white wash.

The problem, of course, is that the compelling "motive" does NOT map to evidence at Deally Plaza. Who pulled what triggers, with what caliber and from what positions at Deally Plaza consistent with the evidence (including the autopsy evidence)? The last question is the most important.

The volumes of work about the 6 minutes in Deally Plaza illuminate a great deal about the history/relationships of the time and the moral bankruptcy of nearly everyone. However, these works predominantly gloss over the 6 minutes in Deally Plaza. That is, these worthwhile works don't tell us much, if anything, about who and where the shooters were (other than Oswald). So far only one investigator has actually forwarded a plausible theory supported by the evidence, Howard Donahue as documented in the 2013 book by Bonar Menninger, "Mortal Error: The Shot that Killed JFK." I think its still available at Amazon but largely ignored. His theory was first put forward in the 1970s but largely ignored.

| All the despicable things in this country involved many more gentiles than Jews.

Yes, but let me ask you something..

How many of those admittedly despicable things would have been carried out by Gentiles, *if they knew the truth?*

If you would have asked the Gentiles during WWI, ‘We want you crush Germany (and betray her into slavery with lies and treachery), so that we Jews can pressure England to hand over Palestine to us, to use as a haven for international crime and Jewish supremacist cruel genocidal nation-state..

How many Gentiles from France and England and Belgium and North America, would have said, ‘Sure, I’ll kill German and or die for that.

?

If you would have asked the men of England and Ireland and North America and France..

‘Would you like to go slaughter Germans in WWII, and hand over half of Europe to Soviet slavery, and the other half over to the tender mercies of the Jewish supremacists who own the Fed and control America’s money supply, so that they can foist ‘diversity and multiculturalism and transgenderism and anti-white hate on your children and societies? All while forcing those people to fund their demographic replacement, while fighting endless wars for Israel, and paying tribute in untold billions to Israel and assorted rogue regimes all over the planet, that will slaughter off as many Gentiles as possible, while enriching a handful of uber-corrupt Jews and their Gentiles stooges?

How many would say, 'yea, sure! Sounds good to me'. 'I'd like to die, and see my sons die, on behalf of the very people who will genocide my grandchildren off the planet, and make them hated second class citizens until then. Why not?'

You see, I suspect that every single Jewish supremacist, now and then, would answer in the affirmative if you asked them if those are the things they want to happen.

But all of those Gentiles you're talking about Realist, have all been lied to. And if you would have asked them, either then or now, they'd pretty much tell you to pound sand.

How many Gentiles today would be supporting Ukraine, if they knew how corrupt and dishonest Zelinsky's Ukraine is today?

How many Gentiles know that Russia did not wage an 'unprovoked' attack on Ukraine, but had the conflict forced upon them?

How many Gentiles know the truth, eh?

And how many of those Gentiles, if they knew the truth, would continue to support Zelinsky?

I'd say all Jewish supremacist would continue to support Zelinsky, as they mostly know the truth, and still support him.

But the difference, (and it's a very salient, important and critical difference), is that the J-supremacists *know* the war on Russia has been orchestrated by treasonous elements in the U.S. State Dept, who put Jewish interests above American interests every time. In fact, couldn't give a rip about American interests, except to harm them.

But the rub is, very few Gentiles know the truth about any of that, and if they did, not only would most of the Gentiles forced to fight in the World Wars- have refused, if they knew the truth,

so too would Gentiles refuse to fight in the Jewish supremacist wars (Iraq, Syria, Libya, Afghanistan, Ukraine, etc..) of this century.

If a man is lied to, then he isn't a willing participant in evil. He's simply been lied to. Like Pat Tillman and most Americans duped by ((the false flag attack)) on 9/11, until Tillman figured out that he was being lied-to, and then stopped supporting the wars.

The question of complicity and support for evil, and "despicable things ", does not impugn a man's character if he's acting in good faith, but based on the ubiquitous lies he's being told from every orifice of the ((utterly corrupt)) government, and Jewish supremacist-owned media.

So while it's true that Lindsey Graham is as guilty as sin, and even far, far more despicable than even the Jewish supremacists that he takes orders from, the vast majority of South Carolinian's who 'support Ukraine, (for instance) are doing so because they think, (have been lied-to), that what they're supporting is good and noble.

If they knew the truth, (that Ukraine is the aggressor, and war criminal, and ZOG bastion of criminality and corruption and Jewish supremacist terror and belligerence, being used to kill off both Ukrainian and Russian Gentiles, while the Jewish supremacist laugh their collective arses off), then they would simply stop supporting it, because Gentiles by and large, are not murderous, genocidal fiends hell bent on theft, treachery, war crimes, and atrocities.

That's why they always have to be tricked, and lied into these things.

Whereas for Jewish supremacists, wars and death and genocide and torture and horrors, are their mother's milk.

Re 12:

RestiveUS, it's clear you guys believe that, but once again you fail to support this claim of arbitrary Jew power with any institutional arrangements or assemblages that confer impunity on the Izzies. By contrast, CIA's got shitloads of municipal-law authority to kill you and torture you and get away with it, see 22 above. It's all illegal but it sits there in black & white begging you to read it. Izzies can get away with crimes IFF they have CIA permission, just like any other cutouts.

Pajna, Ostrovsky is the guy who says "Ha ha, we did that, fuck you!" whenever CIA commits a crime. He's been doing that routine forever. It's very effective on naïfs, they shake their fists at capering Zionazis and ignore the command structure of their own government. And yes, everybody agrees the JFK hit is the classic coup.

Safenow, very true & wise. It's like beltway brat Frank Zappa said, when they're ready they'll take away the stage set and show you the brick wall. Lots of people see it but some don't know what it is yet.

There's something odd about Biden's Cabinet, I can't seem to

Biden's 25 Cabinet members

8 Blacks – Vice President, Secretary of Defense (see link)

10 Jews – Attorney General, Secretary of State, Secretary of the

Of these,

13 are women, 14 if you count Pete Buttigieg

Tens of millions of innocents murdered is a manufactured consent peddled by the “democratic” West to cover their hundreds of millions if not billions senseless slaughtering around the world from the days of Columbus’ great discovery of the new continents, through two world wars to current war in Ukraine and the coming Armageddon the West is engineering.

Fabricating history for other people based on the Whites’ own image is not going to whitewash what Whites are.

The Empire (USA is the Empire of chaos) lies. It lies about the present, about the past, even about the future. It lies day and night, relentlessly.

Its founding dogmas are based on lie, cheat and steal. Its history is made of false pathos and insincere heroism.

The Empire and its lackeys are where it is now, still filthy rich (although always complaining), because of those hundreds of millions of people all over the world who were robbed and murdered, those who become victims of the very madness of colonialism, of the crusades and the slave trade. Cathedrals and palaces, museums and theaters, train stations – all had been constructed on horrid foundations of bones and blood, and amalgamated by tears. There were so many centuries of plunder that the acts of looting the world for the sole benefit of the few, turned into inseparable part of the ‘Western existence and culture’, something that gets almost never addressed, let alone criticized.

Zapruda's story is fairly interesting but no one claims he pulled the trigger. Of greater interest is the claim that the Zapruder's film was edited before it was shown to the public. So it's possible that Zapruder's film captured other shooters. At the moment this is a dead end.

As far as I know, today, no one considers Umbrella Man to be a shooter.

Monsieur Gaffney, I see. So CIA whacked JFK because Izzies took it over. You guys always give one (1) mole example, Angleton. So in this highly disciplined hierarchical organization, this lone nut took over CIA and fooled his two echelons of bosses and his crack counterintelligence staff and made them commit treason. Okaay...

Anyway, CIA was out to get JFK, but the Izzies beat them to it and whacked him themselves. Instead of just, uh, I dunno, waiting and letting CIA do it. Yes, we've heard this piggyback stuff, it's Guyenot's bid for the Darwin Award. Or else him pulling the leg of the leftmost IQ deciles.

So to carry out an apical coup, Izzies just penetrated CIA and took it over. Sure, if I was a Zionazi genocidaire, that's what I would do, because that's where the impunity is. Otherwise you might not get away with it. So lemme get this straight, in this Weltanschauung, the problem is not that an institution has the arbitrary life-and-death power of Vlad Tepes – the problem is, the wrong treasonous criminal asshole used it...?

All this illogical contradictory nonsense goes on in some weird bell jar where the consistent, coherent, and complete explanation of Douglass' JFK and The Unspeakable does not exist, and never needs to be rebutted in any particular. Not Fenton's Disconnecting the Dots either, since you mention 911 – it wasn't CIA's Richard Blee, that was Izzies too.

Is it starting to dawn on you how stupid this story sounds?

A lot to digest in this article. Previously the mafia hit theory made a lot of sense and was in a History channel documentary years ago. The thesis rested on Old Man Kennedy making his fortune running bootleg liquor during Prohibition and this was under license from the mafia which then expected return of favor so they funded and worked for JFK election eg in Chicago with the expectation he would work to enable them to freely operate. But JFK appointed Bobby as AG and he worked against them hence taking JFK out was retribution for double crossing them. Standard mafia protocol.

That was the gist of the theory and it went into detail as to where Ruby fitted into that theory, ans Oswald too. Too long ago now to remember those details and can't find the documentary on YT.

How can you have a discussion about the “logistics” involved in killing JFK if you haven’t the slightest idea who the shooters were or where they were located in Deally Plaza—other than Oswald?

The logistics for Oswald are a no-brainer. Oswald was a failure at nearly everything except the \$50 purchase-by-mail-from-Sears Roebuck of a 6.8 mm Italian Carcano bolt action rifle which he secreted into the Dallas Book Depository where he worked before the JFK motorcade arrived. By many accounts he fired two shots missing with the first and hitting JFK in the rear at the base of his neck which then hit Gov Connally.

The US Navy needed the assistance of Luciano's syndicate to protect US harbors and shipping from German sabotage and attacks that had become a serious problem.

This article would have been strengthened by even one example of Nazi attack on or sabotage of even one U.S. harbor. There's a reason for not mentioning one: it never happened. So I guess the Mafia tiger repellent worked, huh? Calling BS on that one. Please to be explaining how the Mafia would protect shipping, won't you? The Navy certainly did that after enough U.S. merchant vessels were sunk several miles off the East Coast and in the Gulf of Mexico.

OSS was formed June 13, 1942. James Donovan did not join (in his capacity as an attorney) until 1943. I suspect the author should have said "William Donovan" here.

I agree that JFK was not very popular – at least not in the Deep South – I had a friend from Alabama who was in high school in 1963.

When it was announced in his high school that JFK had been killed, he said his classroom erupted in applause and cheering. The Kennedys were totally behind forced integration.

I was in the military then and when I hear that JFK would have prevented a larger war in Viet Nam, I scratch my head because it damned sure appeared to me that the Kennedy Clan hated Diem. And after Diem was killed – the Vietnamese war was America's tar baby.

To Mr Gaffney:

I would like to share two websites that you might find useful.

The first is to James H Fetzer, who holds a PhD degree in analytic Philosophy of Science. He has a brilliant mind and taught at U Minnesota until his retirement. Since that time, he has been very active in publishing books and articles and he has not only had a special interest in JFK, he arranged for a JFK conference (in TX), to which the best JFK researchers attend.

His general website is: <https://jameshfetzer.org/>

It has lots of good articles plus a search bar that will, inter alia, bring up the entire works of a particular author. If you hit the menu button at top center of home page, a side bar presents an extensive menu from which you can choose various topics. If you click on the JFK link,

<https://jameshfetzer.org/john-f-kennedy/>

it will bring you to some fascinating articles. I copied the highlights of one for you to see.

James Douglass, JFK AND THE UNSPEAKABLE

Among the vast number of books that have been written about the death of JFK, perhaps none has been as successful at explaining why he was taken out as James Douglass, JFK AND THE UNSPEAKABLE (2008). This superb volume traces JFK's evolution from a cold warrior to a man of peace in a gripping, effortlessly readable study of admirable scholarship. In my estimation, this is the single best volume to understand why he died and why it matters.

It sounds like it is very germane to your interests. Another site that you might enjoy, based on certain indications in your paper, is located at:

<http://endoftheamericandream.com/>

The website is called:

End Of The American Dream: Life As You Have Known It Will Never Be The Same Again

Here are the titles of some articles currently on his home page:

What In The World Has Happened To Our Society?

Have We Reached “Peak Idiocracy” Yet?

Honestly, A Lot Of Really Weird Stuff Is Going On Right Now...

I hope that you will find these two sources informative.

You really need to understand what was happening in the CIA during that period.

JFK had just fired Allen Dulles, had sabotaged the Bay of Pigs operation (yes, the CIA tried to trick him, but it is what it is) and the Cuban rebels who worked for the CIA (and their bosses) were very hostile to JFK.

Howard Hunt specifically names David Atlee Phillips, Cord Meyer, Jr., William Harvey as well as Frank Sturgis as CIA folks involved in the logistics of killing JFK.

That was in addition to Angleton—and those are just the folks publicly named.

The dirty brainwashing of Americans by the dishonorable and profiteering Zionist operators:

<https://jweekly.com/2008/11/28/friend-ally-savior-revealing-lbj-s-jewish-ties/>

Research into Johnson's personal history indicates that he inherited his concern for the Jewish people from his family. His aunt Jessie Johnson Hatcher, a major influence on LBJ, was a member of the Zionist Organization of America. As a young boy, Lyndon watched his politically active grandfather "Big Sam" and father "Little Sam" seek clemency for Leo Frank, the Jewish victim of a blood libel in Atlanta. Johnson's speechwriter later stated, "Johnson often cited Leo Frank's lynching as the source of his opposition to both anti-Semitism and isolationism."

Here is the real story of a rapist and murderer Leo Frank, a darling of B'nai B'rith International that is currently in bed with Ukrainian Badnerites (self-proclaimed Ukrainian n Nazis).

<https://www.unz.com/article/the-leo-frank-case-documented-findings/>

Frank was not targeted by an unruly mob. A 23-member grand jury that included five prominent members of the Jewish community voted for the indictment of Leo Frank. In other words, they all believed there was enough evidence to convict Leo Frank as the sole murderer of Mary Phagan.

The shameless and thuggish ADL fights tooth and nail against the *factual information* that exposes Leo Frank as a pervert, murderer, and deeply dishonest creature:

Atlanta police did not “frame” Frank; nor did they arrest him because he was Jewish. *Both private detective agencies hired by Frank concluded that Leo Frank was the murderer of Mary Phagan.* Another attorney *hired by Frank* similarly found and stated openly that his client was guilty.

Leo Frank was caught lying so often and so unapologetically that he was actually his own worst enemy. He refused to take an oath on the Bible, and then refused to be cross-examined by prosecutors. ... After Frank’s conviction, powerful Jewish leaders rallied to his defense, but in private documents, they admitted that they could not stand Frank’s personality and that he probably was guilty. Albert Lasker ran the top advertising agency in America and financed Frank’s legal defense. His private view of the B’nai B’rith president was harsh and disturbing: “It was very hard for us to be fair to him [Frank], he impressed us as a sexual pervert.”

Lyndon Johnson’s ethnicity made him side with the Jewish murderer Leo Frank. The Jewish tribe protects the worst to preserve its ‘special status.’

Maybe he already knew he had cancer and he had family, girlfriend that he was assured would be looked after?

It is more probable that Jack Rubinstein was given cancer (by being poisoned with radioactive material) once he got tired from being locked up and **directly accused Lyndon Johnson of being responsible for the JFK assassination on TV news footage.**

122, Just Visiting. Exactly.

Shitloads of people in CIA wanted to get rid of JFK. CIA was institutionally inimical to JFK's policy and program. And, as you point out, open source documentation and staff testimony shows CIA was hard at work getting rid of JFK.

So why the fuck is Gaffney going on about Izzies? CIA, they do what they want.

JFK himself does not matter.

Had Dick Nixon been president in 1963 and followed the same policy he would have got the same treatment. CIA/Israel was making the big move to rule the West and no president, prime minister or dictator was going to change that.

Whether JFK was a good guy or bad is not relevant. What matters is that home-grown mobsters and foreign nationals can remove a president. The fact people weren't happy with Kennedy don't matter because it's highly likely he would have lost in 1964. That would have hurt Jack more than the bullets in Dealey Plaza did.

The best and continuing proof of mob involvement was the strange story of the Zapruder film. A year ago Jacob Hornberger put out an extraordinary book — **An Encounter with Evil: The Abraham Zapruder Story** and it's a masterful look at the most damning part of the JFK killing. Some of the comments at Amazon actually add information because in the old days, photo fraud on that scale was limited to a small number of serious professionals.

People who think JFK had it coming miss the point. In 1963 the USA became a banana republic where rich criminals could remove a president at will. That means they'll just as easily knock off good judges, senators, **people who post at websites they don't like**, the whole shot.

Be careful about giving your approval to things like that. Personally, I'd have truly enjoyed JFK going down in flames during the election of President Barry Goldwater in 1964. Keep in mind what the assassins robbed us out of — it was not a little thing.

Joseph P. Kennedy, the Cursed Peacemaker

Laurent Guyénot • July 10, 2021

<https://www.unz.com/article/joseph-p-kennedy-the-cursed-peacemaker/>

Is Joe's bad reputation among Jews relevant to the assassination of his two sons? Many Jewish authors think it is. In his book *The Kennedy Curse*, purporting to explain "why tragedy has haunted America's first family for 150 years", Edward Klein links the "Kennedy curse" to Joe's anti-Semitism, citing a story "told in mystical Jewish circles" (perhaps made up by Klein) according to which, in "retaliation" to some remark Joe made to "Israel Jacobson, a poor Lubavitcher rabbi and six of his yeshiva students, who were fleeing the Nazis," "Rabbi Jacobson put a curse on Kennedy, damning him and all his male offspring to tragic fates." [13] Ronald Kessler, for his part, wrote a book titled, *The Sins of the Father* — a not so subtle allusion to Exodus 20:5: "I, Yahweh, am a jealous God, punishing the children for the sin of the parents to the third and fourth generation of those who hate me." Naturally, for Kessler, Joe Kennedy's worst sin was that "he was a documented anti-Semite and an appeaser of Adolf Hitler" who "admired the Nazis." [14]

The "Kennedy curse" did run into the third generation and possibly the fourth, when John's only son died in a suspicious plane accident on July 16, 1999, with his wife, possibly pregnant. Five days later, John Podhoretz, son of neoconservative luminary Norman Podhoretz, published in the *New York Post* an opinion piece titled "A Conversation in Hell" in which he imagined Satan speaking to Joe Kennedy in Hell. The devil rejoices at the idea of eternally torturing Joe for "saying all those nice things about Hitler," and brags of having caused the death of his grandson because, he says: "When I make a deal for a soul like yours, I need to season it before I'm ready to put it in the infernal oven." This hateful fantasy, which is reminding of the Talmud's depiction of Jesus in Hell, illustrates the devouring hatred of some Jewish intellectuals toward the Kennedys, and the root of that hatred in Joe Kennedy's effort to prevent the Second World War. [15]

The Murder of JFK Jr., and his wife Carolyn Bessette and sister-in-law Lauren Bessette on 16 July 1999.

... punishing the children for the sin of the parents to the third and fourth generation of those who hate me ...

... links the "Kennedy curse" to Joe's anti-Semitism ...

LG :

“The “Kennedy curse” did run into the third generation and possibly the fourth, when John’s only son died in a suspicious plane accident on July 16, 1999, with his wife, possibly pregnant. ”

As we witness in the Podhoretz piece, “A Conversation in Hell”, the vengeful kabbalists would not have let the principal 666m, w & d temporal signature from the birth of Saint Anne Frank go unused. Something big had to be done to mark that occasion. What else but to erase two further generations of the Kennedy bloodline? That, imo, was the event. Clear as day.

@Realist

| Your reply implies that gentiles are too stupid to find the truth.

Gentiles are generally too *decent* to comprehend Satanic evil.

Like the assassination of JFK, or the USS Liberty, or 9/11, and so on..

Jewish supremacists count on the Gentile mind being too decent to comprehend that level of unspeakable evil. It's not that they're dumb, it's that they're too decent. They can do the math, and science, and build great things, they just can't comprehend the depraved evil of murdering three thousand people, in order to plot the destruction of 'seven nations in five years'.

But that isn't what I was specifically talking about. What I was talking about, is *if they did know*, would they still go along with it?

With Jewish supremacists, if they thought assassinating JFK would be 'good for the Jews', then they'd be enthusiastic supporters of the crime.

Ditto the USS Liberty and 9/11 and 'destroying seven nations in five years'.

But most Gentiles are not psychopathic murderers, and most Gentiles would want all the people responsible for JFK or 9/11 to hang from a rope. Even if you said, but murdering JFK is good for you! and good for America!, because of blah, blah, blah..

No matter, Gentiles would still want the assassins to hang from a rope.

It's like Leo Frank. All Gentiles (99+%) who aren't deviant monsters, would want Leo Frank to hang, even if he were a Gentile. But Jewish supremacists don't think Leo Frank did anything wrong. Mary Phagan was just a shiksa, (rotten piece of meat), and so no Jew should suffer for raping and murdering a shiksa.

They all knew he was guilty. Everybody knew. But the Jews wanted him to go free. (She was just a shiksa!)

That mentality sounds so alien to a Gentile, because Gentiles are not raised in the Talmudic tradition, where only Jews have a soul, and Gentiles were put here for the pleasure of Jews.

So the chasm between the way our respective minds work, is my point. And it's not about smarts, any more than Dubya was smarter than the victims of 9/11. He was just more depraved.

And it has nothing to do with smarts, and everything to do with sick and twisted delusions of superiority, and a widespread tribal psychopathy that makes some Jews think Leo Frank should have gone free. Mary was only a shiksa. The three thousand people who died on 9/11 were almost all worthless goyim. 'Cattle'. Nothing to worry about. Ditto all those men on the USS Liberty, and JFK, and all the millions of people butchered by the post-9/11 wars for Israel.

That's all I'm saying..

If you want to pooh-pooh the Gentiles for not being as psychopathic as 'the Jews, and therefor falling victim to their treachery, then okay. Yes, I agree that happens with regularity.

But even so, I don't blame those Gentiles like Pat Tillman and 90+% of the people of the planet who believed it was Muslim terrorists who pulled off 9/11.

And they didn't believe it because they were all stupid. (some of them are very, very smart people indeed). They believed it because that's all they heard from every media outlet and federal politician. And, they simply are not that evil and rotten, (all smarts or lack of, aside), that then can conceive of people who are.

If you go to the fancy restaurant on the corner, and sit down to a nice meal, and then pay for it and leave, talking with your wife about how odd the meat tasted, but didn't realize that the dish that they specifically prepared for you was your (fill in the blank, pet, coworker, child, etc...), and while you and your wife are dining, all the people in the kitchen, and the owner of the restaurant, are all busting a gut, laughing, because they know they specifically made the dish out of someone you care about...

... does that make you and your wife stupid, because you should have known that killing and feeding your loved one to you on fancy china, is what these people would obviously do, even though such an act would be so far beyond anything you could conceive of, as to be impossible to comprehend.

The frog will always be the frog, and the scorpion will always be the scorpion, but the tale isn't about smarts, rather it's about character.

But in one way you are right, and that is that the Gentiles had better wise up to what and who he's dealing with, because if he doesn't ...

The evidence is found in the disconnect between the Zapruder Film and the official sequence of events asserted by the Warren Commission.

For example, begin by watching the Zapruder Film. Then watch any Youtube video of a Mannlicher Carcano being fired. Notice how loud the Carcano is in real life. This is the rifle that Lee Harvey Oswald was alleged to have used on the sixth floor of the Texas School Book Depository, firing over the heads of the people lining Elm Street.

As you watch the Zapruder film, pay close attention to the moments when the Presidential limo makes the turn from Houston onto Elm Street, passing under the TSBD. It is at this point that the Lone Nut crowd alleges that Oswald fired his first shot, missing the limo when it was at the closest, easiest shot. Then, a few moments later, the Lone Nutters claim that LHO fired the shot that would hit both JFK and Governor Connally.

Now, here is my dilemma: why don't we see any startle reactions by the people standing in the line along Elm Street to the high powered rifle that is allegedly being fired right above them? Anyone who has ever been in Dealey Plaza knows just how tight a space the entire area is; it looks bigger on film. And anyone who has ever had a high-powered rifle fired a few stories above their heads in a confined space like Dealey Plaza would have had automatic startle reactions and would be running and ducking for cover. Instead, the bystanders are just calmly and casually standing around as JFK rounds the corner on his way towards the head shot with a lone nut allegedly firing from a high-powered rifle above their heads. In fact, the only real startle reactions that we ever see in the Zapruder Film come from the people closest to the Grassy Knoll.

The office windows faced the Plaza with a direct line of sight to the Texas Book Depository. Did Ruby deliberately position himself to watch the assassination? If so, this meant he had prior knowledge.

When I checked the layout of downtown Dallas using Google Earth Pro software I was able to measure the distance from the Dallas Morning News building to the location of the “kill zone” on Elm Street. The distance is 1,460 feet.

[...]

Stone says Nixon left the party at Murchison’s long before Johnson arrived, and so, was not a part of the plot to kill Kennedy. In light of this, I have taken the liberty of dropping Nixon’s name from Brown’s list...

If Ruby had prior knowledge, surely he could have picked a better vantage point to watch than the news building, which was 1/4 mile away and did not have an entirely unobstructed view of the “kill zone.”

But Ruby likely did have prior knowledge and chose a better vantage point, all right, if informant Bob Vanderslice’s claim is true that he’d been invited by Jack Ruby on the morning of Nov. 22, 1963 “to watch the fireworks,” and was standing with Ruby directly across Dealey Plaza from the Texas School Book Depository at the time of the assassination. Vanderslice said Ruby then turned away without a word, and began walking in the direction of the Dallas Morning News, which by my measurement is just ~1,000 ft. from the corner of Commerce and Houston, a distance Ruby could have walked in just a few minutes, and that probably explains mistaken reports that he was in the news building when JFK was shot.

<https://www.archives.gov/files/research/jfk/releases/docid-32149267.pdf>

As for Richard Nixon, I'd be a little more careful and cautious about Tricky Dick, if not downright suspicious. On several occasions, Richard Milhous Nixon spun fanciful tales – lied – about his presence in Dallas at the time of JFK's assassination, falsely claiming he'd already flown out of the city before Kennedy was shot dead, but attendees at the Pepsi convention said Nixon was still there when Kennedy's shooting was announced.

In the morning, RN proceeded to Love Field, and boarded a plane which departed a little more than an hour before Kennedy and Johnson's arrival.

–The Richard Nixon Foundation

The real story, according to L. Fletcher Prouty:

Mr. Russel confirmed that Nixon was attending that meeting at the time the shots were fired. He added Nixon was there representing the Pepsi Cola Company's law firm Mudge, Rose, Nixon et al. The Dallas newspapers stated that Nixon was attending a board meeting.

Mr. Russel confirmed that the session Nixon was attending broke up when the assassination news came through. Nixon then returned to his hotel and later in the afternoon had been driven to the Dallas airport by a Mr. Deluca, also a Pepsi Cola official.

<https://prouty.org/nixon.html>

So Nixon had entirely legitimate reasons for being in Dallas at that time, as he was in town representing Pepsi president Don Kendall at the sody pop conventions. Richard Nixon had no plausible reason to lie about his presence in Dallas when Kennedy was killed, except for a guilty conscience resulting in an apparently irresistible but clumsy urge to try to distance himself from the scene of the crime.

When RFK was assassinated in 1968, the single greatest beneficiary was Richard Milhous Nixon.

Pres. Nixon reportedly later had a conversation with the Rev. Billy Graham where the two discussed concerns about Jewish domination of the media, yet it was Pres. Nixon's critical resupply of Israel in the strangely named Operation Nickel Grass during the 1973 Arab-Israeli war that provoked the Arab Oil Embargo. Nickel Dick's resupply probably turned the course of the Yom Kippur War against the Arabs, and included over 100 McDonnell-Douglas F4 Phantom II fighter-bombers drawn directly from three active USAF fighter wings.

And for a long time, George HW Bush claimed he couldn't remember where he was or what he was doing on Nov. 22, 1963. I suppose that's how he got his name on CIA headquarters.

This story is silly. There is no point in refuting various fantasies.

Suffice to say, both Soviet and Israeli governments thought that there was a coup, and the perpetrators were right-wing billionaires connected with CIA & local Dallas underground/police.

Golda Meir was actually one among JFK conspiracy theorists:

<https://www.haaretz.com/2013-11-19/ty-article/.premium/golda-meir-had-doubts-on-kennedy-death/0000017f-db43-db5a-a57f-db6b796f0001>

Dimona was a marginal issue, Soviets knew the basics & didn't care a bit. The whole Dimona super-importance is a myth. Everybody knew about that & basically nobody cared.

After all that time, Castro and the Soviets should be off the hook. It leaves us with the "Deep State" - high echelons of politics, plutocracy, CIA and intelligence community combined with the mob.

The Warren Commission is the group who proposed the ridiculous “magic bullet” theory. So why would anyone use its findings as a base line for anything?

I’m not sure how the comparison between

1. the sound of a Carcano rifle fired in front of a camera AND
2. the sound of Oswald’s Carcano rifle fired 6 floors up inside a room and 30 yards away from Zapruder’s movie camera is relevant to determining much of anything.

As far as I know no one claims that Oswald took his first shot when JFK’s limo was directly below his 6th floor perch. Oswald’s first shot missed. And while Oswald earned an expert marksman badge while a Marine this was with open sights shooting a fixed target. A sniper Oswald was not. In his assassination attempt of

Retired Col Walker, Oswald likely fired from a concealed position at Col Walker who was alone and not moving inside his home. Oswald missed.

A proper ballistics investigation of Oswald's second shot (as opposed to the Warren Commission's magic bullet nonsense) showed that all the wounds found in JFK and Connally line up. There was no magic bullet just a purposely slip shot investigation. Even if it wasn't Oswald who fired from the 6th floor Book Depository, someone fired the second shot from that position. Unfortunately Oswald did NOT fire the third shot most witnesses report hearing.

On the Zapruder film Gov Connally clearly reacted to the first shot (which missed) and did turn to his right. Whether or not the Zapruder film captured others reacting is irrelevant since numerous eye witnesses reported hearing the at least 3 shots. As you point out Dealey Plaza is surrounded by buildings with sound waves bouncing back and forth. It is often impossible for a witness to know where the shot was fired from unless they saw the muzzle flash.

Oswald missed his first shot and hit JFK from behind and immediately below the base of the neck with his second shot. This passed through JFK just below the base of the neck and

then passed through Connally in more than one location. Oswald did not fire the third head shot into JFK. The autopsy results (as muddled as they were) show a trajectory considerably lower and behind JFK. The round passing through JFK and Connally more than likely was the 6.8 mm full metal jacketed fired by Oswald. The round that entered JFK's skull from behind and blew the front of his head off had an entry hole that was approx 6 mm—more than likely a 5.56 x 45 frangible round. JFK's skull was littered with 100s of fragments. This is what a frangible round does.

A quick review at Amazon ruled out this book—for me—right off the bat. The author apparently concluded that JFK was hit with **at least 6 different bullets** and targeted by as many as 10 shooters. And that someone shot at JFK from the 6th floor Book Depository but a different side from Oswald's alleged perch. Witness interviews certainly don't confirm 6-10 shots fired. And no witnesses report gun flashes or 6-10 gun-totting shooters in a position consistent with the autopsy.

The problem, of course, is that most of the JFK books sound convincing and authoritative but its difficult to determine which actually are authoritative. My money wouldn't be riding on David Lifton.

“Jewish supremacists count on the Gentile mind being too decent to comprehend that level of unspeakable evil. ”

— Agree. Look at the Straussians (neo-talmudists) infesting the US State Department (Sullivan, Nuland-Kagan, et al.), the FBI/CIA, and the Department of Justice (the ghastly Garland). They are genocidal by design. On Purim, while Jewish children are stuffed with sweets, they are taught about the joy of murdering “others” by tens of thousand. To desensitize Jewish children, the sweets include cookies in the shape of the human ear.

A hamantash is an Ashkenazi Jewish triangular filled-pocket pastry associated with the Jewish holiday of Purim. The name refers to Haman, the villain in the Purim story. In Hebrew, ‘hamantashen’ means “Haman’s ears.

In the Purim story, the victims, Persians, were the hospitable hosts, whereas the Jews were obnoxious and greedy “visitors” (intruders) to Persia. Not surprisingly, the Purimized ‘culture’ produces genociders like Madeleine Albright (a daughter of a Jewish thief Korbelov), Nuland-Kagan (Nudelman), and Zionist financiers like Schiff and Soros. The Zionist-Nazi putsch in Kiev in 2014 pursued the goal of creating conditions for the genocide of the Russian and Ukrainian people.

Did it say anything about the ever changing coffin with JFK's body in it?

Did it say anything about the discrepancies in JFK's remains:
“*Early press reports from the emergency doctors in Dallas said that JFK had suffered an **entrance wound in the throat**, and a massive wound in the head*” [a fact that later on did a full 180]....?

Did it mention the fact that Dr. Humes [*the doctor who carried out the postmortem on JFK's body*] explained that he **burned his original set of notes** because they were stained with Kennedy's blood...?

“Based primarily on the acoustical analyses performed by BBN and Weiss and Aschkenasy indicating that there were gunshots in Dealey Plaza from both the Texas School Book Depository building (where Lee Harvey Oswald allegedly fired three gunshots) and the grassy knoll area (one gunshot) during Kennedy's assassination, the HSCA found, in part, that **'scientific acoustical evidence establishes a high probability that two gunmen fired at President John F Kennedy.'**” – Link to DOJ

The gist of the main idea remains in place, and that's to shatter and defragment the [available] information as much information as possible, drench it in a bucket filled with distortions, lies and half-truths, and then throw it nonchalantly back over our heads.

The problem isn't the elites think ordinary people can't handle controversial ideas. It's that Jewish supremacism cannot tolerate truth speaking to its power.

Matt Taibi on Twitter censorship:

"They believe ordinary people can't handle difficult truths. They think that they need minders to separate out things that are controversial or difficult for them. That's totally contrary to what America is all about." <pic.twitter.com/5OZBYV8Pfd>

Ben Gurion probably met with JFK at least three times. I'm sure PM had no problem with lying to President's face about Dimona. Kennedy knew the trouble a nuclear power in the Middle East would cause. Eisenhower should have exposed what France/Israel were really doing in the desert together.

Read this book:

‘Final Judgement: The Missing Link in the JFK Assassination’ by Michael Collins Piper.

Mr. Collins Piper is now deceased, however, before he passed he would meet with JFK assassination researchers and put forward his (extremely well researched) theory about the Israelis and French (OAS) being behind the assassination. This theory has never be presented at any of the JFK assassination conferences.

Here’s a quick summary of the thesis of the book:

According to ‘Final Judgement’ the murder was probably committed by right-wing French gunmen (OAS) with major support from the Israelis. The French and the Israelis were strong allies until Charles De Gaulle came to power. The French had even helped the Israelis to get their nuclear program up and running.

The French right-wing (OAS) despised JFK because he supported Algerian independence. They also tried to kill De Gaulle because in 1962 he agreed to a French withdrawal from Algeria. Fredrick Forsyth (who worked for British Intelligence) wrote the famous book ‘The Day of the Jackal’ based on this attempted assassination. In this book a sniper tries to shoot De Gaulle – sound familiar?

The Israelis also hated JFK for a variety of reasons:

1) His father, Joe Kennedy, was perceived to be an anti-Semite who tried to keep the United States out of WW2 (he was the US ambassador to Great Britain). 2). Most importantly – JFK

vehemently opposed the Israeli nuclear program. 3) JFK also supported Algerian independence and the Israelis didn't want to see nationalism spreading throughout the Arab world.

Lee Harvey Oswald was the 'patsy' who was conveniently silenced by Jack Ruby (real name Jacob Rubenstein). Jack Ruby was a gangster and was connected to (((Meyer Lansky))) who was the real godfather of organised crime in the United States.

Alot of people hated Kennedy. Splintering the CIA was the last straw.

He had no idea how powerful the Military Industrial Complex was.

Trump was removed because he created Peace...Not War.

Had the “arranged” Hilary been installed- Iran would be in ruins and 100,000 more American soldiers would be dead.

I am more inclined now to believe Johnson was 80 % of the murder. The CIA and Johnson. And the Jews “wrote” the history and help maintain the narrative. Just like after 9/11. All the Jews cleaned it up, wrote the narrative, controlled the courts and the media.

They all worked together to slaughter this poor man. What is shitty is **they could care less** if his wife was killed too. They could care fucking less.

She was 1 inch from his face, looking at his throat when the headshot zoomed two inches from her head and impacted his head. **That is some sorry motherfuckers.**

What makes **no sense to me** is that Texas governor John Connally would willingly sit right in front of Kennedy knowing he was going to be assassinated from multiple angles. Makes not one damn bit of sense.

H. L. Hunt, billionaire oil man
Texas governor John Connally
FBI Director J. Edgar Hoover
Clyde Tolson, second in command of the FBI
Dallas mayor Earle Cabell

No Texas boy familiar with firearms is gonna sit right there happy as a lark —directly in front of Kennedy. No freaking way. No rational person would sign up for that.

And I believed he was overheard stating....”Oh God they are gonna kill us All”.

I think he was either not at that meeting or was told a completely different plan. So that his reaction would look normal.

@Truth Vigilante

the 9/11 False Flag, orchestrated the **Anthropogenic Global Warming hoax**, the Covid Psyop, the Ukraine proxy war

When I see a comment such as this I'm saddened, because I can see the author is a group (tribal) thinker rather than someone who considers all important issues on their merits.

In what sense is there an "Anthropogenic Global Warming hoax"? Do you dispute the fast-rising level of atmospheric carbon dioxide on which we have exact data since the 1950s? Do you completely deny there's a possibility that this – and rising levels of other "greenhouse gases" – could have a significant impact on the planet's climate? Do you believe a significant and unpredictable change in the planetary climate will have no detrimental consequences for agriculture, biodiversity and the habitability of low-lying land? Do you consider that decarbonising our economy is not a way to at least slow the rate of accumulation of GG gases in the global atmosphere?

In short, where's the hoax? Is it only in the fetid imagination of "Alt influencers" such as David Icke, Alex Jones, Mike Rivero, Jeff Rense, Gonzalo Lira and any number of other semi-educated clowns who pretend their ill-informed hunches have more weight than a gigantic, growing body of scientific evidence (which none of them show any sign of comprehending)? I suspect so.

That's not to advocate avoiding debate about the topic of climate change/global warming. **Everything** is open for debate. But tribal thinkers pick up sets of glib beliefs and like to cajole others into buying the same package. The result can be very off-putting

to other potential customers. If I buy a selection of tropical fruit, I'd like the selection to be made with care. I don't want the vendor to substitute (unwittingly or not) a turd for a durian.

Don't forget the books burned in Merida Mexico (Yucatan Peninsula) —a real University and emptying that library it took 2 weeks for all those books to be burned. Reason: Must be the works of the devil.

Esther 3:13 –now there is the solution. Is this why the “chosen people” (Killed the prophets) and chose Barabbas are again—in charge?
