Vyšetřovatelé JAG amerického námořnictva ve čtvrtek zatkli bývalého komisaře Food & Drug Administration Stephena Hahna za to, že se dopustil vlastizrádných činů proti národu a jeho lidu, když sloužil pod prezidentem Donaldem J. Trumpem po celou dobu koronavirové plandemie, uvedly zdroje JAG pro Real Raw News.

Zdroj JAG obeznámený s operací řekl Real Raw News, že Hahn, kterého Trump jmenoval v zapečetěné obžalobě před odchodem z Washingtonu v roce 2021, masivně profitoval z podpory a prosazování experimentálních vakcín, které zabily stovky tisíc občanů. Společnost JAG tvrdí, že výrobce vakcín Moderna (a možná i další) nabídl Hahnovi lukrativní množství peněz výměnou za zkreslení bezpečnosti a účinnosti vakcíny.

Vyšetřovatelé se na Hahna (62) vrhli, když opustil tělocvičnu poblíž svého domova v Silver Springs v Marylandu. Údajně mu ukázali vojenský zatykač, spoutali ho a hodili na zadní sedadlo civilního SUV. "Měl jsem mít imunitu," zakokrhá Hahn.

JAG uvedl, že Hahn byl součástí širokého spiknutí, jehož cílem bylo oklamat prezidenta Trumpa, aby věřil, že vakcíny Covid jsou neškodné, což ho přimělo zahájit operaci Warp Speed, program, kterým FDA uvolnil – nebo zrušil – protokoly pro podávání vakcín. 18. prosince 2020 Hahn osobně udělil povolení k nouzovému použití pro záběr Moderny. JAG řekl, že Hahn pokročil s EUA, přestože má konkrétní důkaz, že vakcína zabila nebo vážně onemocněla účastníky studií fáze I a fáze II, z nichž někteří zemřeli náhle po jediném očkování.

Hahn, řekl náš zdroj, měl neomezený přístup k databázi Moderny, která ukázala, že 45 z 600 účastníků fáze II (7,5 %) vyvinulo abnormální krevní sraženiny do 14 dnů po očkování. Dvacet jedna z nich mělo smrtelné infarkty. Tyto důkazy naznačují, že nejméně 3,25 % očkovaných lidí zemřelo – což je v příkrém rozporu s tvrzením CDC, že pouze 0,002242857142857143 % očkovaných osob dostane myokarditidu nebo jiné závažné vedlejší účinky.

Náš zdroj uvedl, že Hahnovou motivací k účasti na spiknutí byly peníze: Tři týdny před udělením EUA dostal výplatu Moderna ve výši 2,7 milionu \$ a další 2,2 milionu \$ měsíc poté, co se do náruče naivní veřejnosti dostaly sraženiny.

"Máme důkaz a bude oznámen u jeho vojenského soudu," řekl náš zdroj. „Chceme zavřít dveře před zločinci Covid, ale je to dlouhý seznam. Jde mnohem hlouběji než jen Fauci, Birx, Collins a Hahn. Kvůli nim zemřely statisíce, ne-li miliony Američanů – nebyli nemocní Covidem, ale byli zabiti vakcínou. Všichni musí čelit spravedlnosti."

I'd sure like to know where all their money is going after all these creeps die.

Most likely their Estates are confiscated,  
Liquidation.. Actioned off ,...and the money sent to pay the victims of  
The crime

Get off this site you despicable grifter!!! This site is for true patriots.  
you are grubbing for self-gain when real live bleeding and dying  
soldiers are defending you.

Have you thought about hell and the eternal flaming torture you will  
endure? You show no shame or repentance for your greedy averis.  
please stop taking advantage of innocent American Patriots!

Are you waiting for a fortune as a relative of some of these creeps or  
did you misunderstood Wildcat? Confiscation for wictims who lost  
their health, not for all public, Wildcat wrote.

My guess is that most of the confiscated money will go into the  
general federal fund where we know the politicians will use it wisely,  
like giving themselves another 27% pay raise.

That f'n clot shot killed my mother.... They ain't gonna pay anyone  
anything.... guarantee it.

It should go to the families that lost a son or daughter, a mom or dad because of this piece of s&#^%!

Should go to the survivors FIRST who are suffering from medical conditions caused by the vaccines.

These people have been killing our family members for generations stealing and raping the earth of assets leaving people starving and with nothing. All the assets are coming back to the people of the world, because we have all suffered at the hands of these evil people in some way. They killed my mom, all the military warriors who have been sacrificed for their greed were people's dad's, mom's uncle's aunt's. Everyone in the world has suffered because of these wicked people. All this pharmaceutical poison has killed our loved one's, all the misery, and needless suffering. They feed off suffering, that's off the suffering of animal's too. everything that they have is the world's stuff .I'm happy that justice is finally being served.

I'm so very sorry for the loss of your mother, Donna. Love & Hugs from Palm Springs, Commiefornia.

Sending love to you as well Elisa~ we are standing for truth & justice regardless of our surroundings~ from another patriot in Sin City, Lairizona

Absolutely! Let his family go bankrupt and tell him that right before the rope!! When are they going to go after ALLLL those medical doctors/workers who were pushing the shots?

In December 2017, Trump published an Executive Order declaring that all property belonging to people who are convicted of treason, human trafficking, and other crimes, would have their assets seized by the US Government and turned over to the US Treasury.

Khazarian, they are fake jews, they are Satanists, they are being taken out of commission be the white hat's. They are panicking so bad finally they are loosing their strangling grip on humanity.

Khararians are Jews. Khararia came about well after the Jews killed Christ. Calling them Khararians is deceitful and deceptive and anti-Christ. Read the book of John. John refers to them as Jews.

The Federal Reserve (NWO) and the US Treasury are two different things if I'm not mistaken.

Federal Reserve bank notes no longer exist. NESARA then GESARA and global currency reset will be announced in fine tuning. Then EBS.

Biden and his cronies are in charge of the United States of America TREASURY. That corporation NO LONGER exists, so it will be held in the treasury fund of WE THE PEOPLE, whatever they call it. Biden and crew only have access to treasury of the dissolved corporation because MSM who seated Biden as president SAYS he does. Lots of what we are hearing about the Congress is to WAKE SHEEPLE up. God has told the prophets that all of their actions will be REVERSED including their most recent pork barrel budget; that ALL the duly elected individuals will be restored to their rightfully won positions throughout ALL elections in governments throughout the country will be restored, and when God is through, there won't be ANY of our Congress still mocking Almighty God!

Amen! Almost all of our present Congress are criminals and will be tried. Our elections have been stolen for years but God is going to straighten out all of this mess and take out the criminals.

yes and the 88 Muslims in Congress need to be sent back to their refugee home countries.. we don't need more squad infiltrators in America,... all were CHEATED into office.

The Biden treasury (the one you hear about on the MSM) will NOT be getting any of this money to waste. Patriots will make SURE of that. The Deep State has been defunded and cancelled!

The ds is the federal reserve. The U. S. Treasury has not been used for nearly a hundred years, is my understanding.

I read somewhere that the assets of Walmart have been seized for being involved in child trafficking. Like selling a single 'shoe' for \$5,000 on their website.

Many of the Walmarts that have been closed in the past have been turned into internment facilities possibly under FEMA control.

I've seen reports that Walmart is closing hundreds of its stores worldwide, blaming it on shoplifting. Forced by White Hats?

It hasn't happened here in Lincoln Nebraska yet. I wonder if it is happening to the one's that have underground tunnels, the white hats are destroying the tunnels and saving the children.

Most are located near interstate highways. Quick in and out with the trafficked kids.

Oh, how I hope that is true!! I was really looking for a news item that would indicate that had happened!

I hope so. I've seen their ads. I do my own research and never ask anyone for proof.

Yes, read Derek Johnson's work. He's on Telegram and Truth Social. Also he's worked all the EO's and both Military and Constitutional law out on thedocumentsdotinfo.

We need a citizen patriot in Chapaquadyck to go by Hillaritie's house and give us a report.

My understanding is all their assets are seized. Some funds to be used to help victims of child abuse.

Their tribunals confiscate all their assets it's just the way it goes you don't hear about any of this stuff because how secretive it is they're all in the military required and sign waivers and disclosure

The military can't revile thing until they are don't with the mission. Because the bad guy's would know what their doing, we would never get to the end of clown show if the enemy knew what the white hat's were doing.

Please learn to punctuate; it does make a difference in clarity and understanding for the reader.

I THINK if they are convicted of Treason or Crimes Against Humanity, ALL of their assets are seized and go to the government! When Trump is reseated as President, it will go to offer assistance to those who are still survivors who have medical conditions that need treatment PROBABLY. In ANY EVENT, the traitors who profited from their misdeeds will NOT profit!

I would drop it off at GITMO, or Berger and Eric Smith's office. They have been complaining their budget to fight this is skimpy. Seems like they want to do it slower maybe so they need a lot of stuff to run the GITMO if they want to store cadavers in ice and keep prisoners alive for a long time, and have all those trials, discovery of evidence.....

To All of those who committed TREASON, CRIMES AGAINST HUMANITY and SEDITION will have ALL of their valuables, EVERYTHING gets confiscated and none of their family members regardless of Wills or Trust will have access to it. This will be shared back to the people.

The criminals must give up their I'll gotten gains. Basically, they forfeit everything .Rhe Govt gets it and knowing Trump, it will be given to affected families.

I believe Q mentioned that their profits from ill gotten gains would be stripped from them and returned to the people.

I hope they go back and strip NoName McStain's fortune from his family as well as all the Bushes' money.

Well, I believe one of the Executive Orders that President Trump signed, called for those who commit Crimes Against Humanity and Treason, will lose all their money and belongings. And, I think it will go into the pot, which will help fund NESARA.

All assets are being confiscated, Vatican plunder, British monarchy plunder, all monarchies plunder, DC Corporation plunder, traitor assets, child predator assets, human trafficking assets, medical genocide assets, already adding up into the hundreds of quadrillions of dollars. (hundreds of thousands of trillions)

When this war is won and the dust settles, it will be divided up with all the world from which it was stolen. Hunger, wars, slavery, extreme poverty will end. We Americans will probably get back every dollar we paid in unlawful income taxes, plus more.

That is one of the all-time pipe dreams. I hope you are right, but I fear you are wrong as hell.

It sounds like you are waking up, but you have a little ways to go. I'm on SSI and I got that letter that restored republic was talking about, the money that I will get in January is not a cost of living raise, it is Nesra. It is happening, believe it. Nesra is not just about money, it's a whole new system that is not corrupt, everything is going to change in the Nesra system for the better of the world. This is what Trump has been working on.

your hatred and jealousy of Mike Baxter is so easy to see !

Just to reduce the light. We have figured that out. Lower dimensional frequencies don't resonate with me any longer. Remember Bill is not real.

JB is suffering from acute MBDS (Michael Baxter Derangement Syndrome) the equivalent of TDS aka, Trump Derangement Syndrome. Michael is living rent free in JB's head.

I've spent time living there rent-free as well. It's quite spacious and rather pleasant, except for the voices which never stop trying to tell J Bill what to do...

Make that the entire world. Bill Gates, The WEF, the NWO, the Vatican and the Rothschilds wants us all depopulated to 500,000,000, remember? Satan hates fertility unless it is to kill, God and people love fertility because we want to live. Gates went to Africa and India to sterilize women so they could no reproduce any more children, he said tat in his TED talk. Filthy bastard.

When evil has been defeated and these criminals are made to pay for their crimes.

Things will get better soon now that the Central Banks no longer control the world economy. Fiat currency has been replaced with gold backed currency in most countries and there will be a level playing field for all currencies, as Trump predicted years ago. Banks are switching over to a QFS system and employees have verified it.

This will be accompanied by the rollout of NESARA/GESARA in the next month or so. The Special Ops forces completed their main missions six months ago but arrests will continue. In the meantime,

the military is still in control and Trump is still de facto president. The US Corporation is bankrupted and DC is vacant. Government departments are being relocated to different parts of the country. FBI headquarters is under construction in Huntsville, Alabama. Returning America to a Constitutional Republic and replacing Fiat currency with gold backed currency takes time, and that's why it's taking so long.

I Googled the FBI Headquarters, Huntsville, Alabama. David, that is going to be one huge complex, and it is undergoing construction, as you have pointed out. Wray was there for the groundbreaking, but I assume he can be dispensed with, at the right time. This is why all of the FBI "Headquarters" in DC is boarded up?

He will be dispensed with (most likely TRIED by the tribunals if he is NOT a part of the MOVIE as a White Hat playing a corrupt part!)

Thats too bad , the FBI should be ELIMINATED , VANQUISHED ,....ENTIRELY. The USDOJ should be ENTIRELY GUTTED, the US Government bureaucracy should be ENTIRELY GUTTED as well.

As long as the Deep State is still around nothing will move forward as far as NESARA/GESARA goes, just my opinion.

Immunity from MURDER. ?

Have you NO MORALITY ?

DO you NOT KNOW THE DIFFERENCE BETWEEN RIGHT AND WRONG ?

SO HE THOUGHT THAT HE GOT AWAY WITH IT...

WELL HE THOUGHT WRONG....

I'm blown away by the "entitlement" excuses. Every species on this planet eliminates, quickly, the unstable amongst their groups. Humans aren't the brightest bulb in the house, eh?

"I was supposed to have immunity," Hahn crowed.

The irony...

I guess the vax deal didn't work for him..  
He gets a JAB around the neck  
or is it the jerk?

You mean the idiot's The Biden regime hired are not the brightest  
bulbs in the box.

That's what Biden wanted .he couldn't have any one smarter than  
him runing thing.

A lot of these traitors are using excuses along these lines: I was just  
following orders, etc. It DIDN'T work at their military tribunals, and  
I don't think that God will buy it EITHER!

how was the " im taking orders excuse" any different than the " i was  
given bad advice from the satanists excuse"

These dummies with all these excuses never thought about the  
consequences of their actions, they only saw the money, and they  
believed the fantasy that they will never be accountable for their  
actions. They really believed that Satan would protect them.WHAT A  
BIG SURPRISE, they got a rope for their loyalty.

Granted by whom????? Someone forgot to send him the memo that  
WE THE PEOPLE have taken our country back.

I guess he didn't realize that his immunity is with the US  
corporation, not the Constitutional US.

I wonder what value these characters still have for the deep state, if  
any...seems almost like putting an alarm on your home the day after  
it was burglarized.

It sounds like it's truly time for some Nuremberg style gatherings,  
where several accused are brought together to face the 'judge and  
jury' in one sitting.

ya, Dr.'s and Nurses, and anyone that forced this jab on anyone else... Employers, and even the jabbers "just doing their jobs"...Pharmacies also, that knew the jab was not good, they knew because of the blank inserts. Nuremberg style, definitely!!!

One pharmacist even told the guy at the drugstore looking to get the shot that it didn't work! This was on camera and she didn't even now it !! Went viral.

FUCK Nuremberg , GITMO and TRIBUNALS before US Military courts seem to be working out, but WE will know for sure when video , and transcripts are released to the public in their entirety.

No need for the foul language sir. I stated Nuremberg "style" gatherings, meaning tribunals involving several accused at one time, ala Nuremberg. 'Judge and jury' in single quotes refers to the JAG prosecutor and the typical three officer tribunal panel. This approach for the large numbers of defendants it sounds like they are dealing with might be warranted in the interest of expediency ... I expect those involved have a plan.

"AG said Hahn was part of a broad conspiracy to deceive President Trump into believing Covid vaccines were harmless, prompting him to launch Operation Warp Speed, a program whereby the FDA loosened—or abolished—vaccine administration protocols. On December 18, 2020, Hahn personally granted emergence-use authorization for Moderna's shot. JAG said Hahn moved forward with the EUA despite having concrete proof that the vaccine had killed or gravely sickened Phase I and Phase II trial participants, some of whom died suddenly after getting a single vaccination."

MISCONDUCT STRIP LIABILITY! TAKE THEM ALL DOWN,  
AERICA!!

Explosive report. Proof Trump was lied to and we were lied to.  
THANK YOU, MICHAEL! Please keep us updated.

Lied to...??? More like 'BrainWashed' into...

We Annons knew it was a scam from the beginning – posted everything exposing their lies... BUT BUT BUT they LABELED us and censored us and had Big Tech lock us out of our accounts – censorship!!!

And DJT went along for the ride, BROAD CONSPIRACY, sounds more like a WHOLE LOT OF BULLSHIT.

BROAD CONSPIRACY, yeah well the mRNA vaccines had started human trials starting with 200,000 thousand HUMAN BEINGS in 2013. As of the beginning of early Fall ,2022 only five humans were still alive that were part of the mRNA 200,000 , ONLY FIVE PEOPLE HAVE SURVIVED as of the Fall 2022. DJT has some explaining to do , SERIOUS EXPLAINING.

Even if it's ignorance they are dangerous and need to lose any job they had involved with medicine. They probably should spend their lives writing to undo the damage explaining how they got ignorant. The evil one's just have to go to the next life unless someone can afford to feed and keep the, locked up.

Honestly, I hope these stories are true. It's up to the Lord if we will become a democratic republic again, have just and freedom. All we can do is pray, watch and be careful what you say and do or the bad guys will arrest conservatives and Christians.

Hoping them to be true, if they are not, is futile & won't make them come true. If they are true they are true. Nothing can change that. If they are false they are false & nothing can change that. So don't waste your time "hoping" if you don't know. It's a total waste of energy.

Most of them are true, like the tribunals. But the military is also planting disinformation to confuse the enemy. It was reported elsewhere that the attack on Gitmo is a fake story, and I'm guessing

the stories about disagreements between military and Trump are fake in order to make the white hats appear weak ( a Sun Tzu strategy).

I believe that MB has a finite number of contacts privy to “whitehat intel” that feed him information which he relates to his readers with a most earnest effort. However, knowing that “disinformation is necessary”, every story here must be considered “grey-box information”; I would assume that the writer, himself sees the intel he writes about in the same way. Am I wrong, MB?

Tough to edit your text on this site when the text disappears while in edit mode; just wanted to replace the word, “story” with the word, “article”.

I don't think the Gitmo attack is a fake story. But yes, the rest ... and i'm aware that even good military are at different points of waking up. ET stuff ... some know a painful lot, others perhaps less ...

Sounded sort of fake though I am sure the place is under potential attack at all times

Some of what you say maybe true or valid but your assumptions as to why are very weak and questionable.

Yes, your right ,and these dummies fall for it every time. I guess I'm one of the dummies .I'm glad you pointed that out. I have heard about sun zu .

Yes, 5th Generation Information Warfare that we are in. That warfare is against Fake News/MSM/Legacy Lying Media.

These ARE true, we just don't know what the other tribunals are doing. We are a Constitutional Republic – not a democratic republic... BIG Difference.

The Lord has already judged these evil beings – we just made the

arrangements...

Pray & Praise the Lord for he is Good. He is the Life & the Light & the way to be with him.

It is time WE ALL FIGHT BACK!!!

This is our land, our home that God gave us to live in peace & harmony.

Grave men, near death, who see with blinding sight  
Blind eyes could blaze like meteors and be gay,  
Rage, rage against the dying of the light.

The List goes on & on & on & on.....  
They will all hang  
Walking down the hangmans lane.

Sorry that certain song/beat just entered my head....lol  
That list trickles down into every state governor & health dept...

Yep! State and local health Depts. Also, the large health facilities (Hospital orgs), even ad agencies, radio, TV and billboards.

There might have to be more than one crook/killer hanged per day. It only takes about 7 minutes from the rope around the neck to the mortuary. These people had no regard or concern for we that pay the vig. Let's unload our burden!

That assumes we're being told about everything that is happening by RRN. Baxter has one source in Gitmo, but we've already heard about executions on Guam and other places. To me Gitmo seems primarily for high level federal US targets, but it's a global problem and a deep problem. And an old problem. Unless this is another half measure, we should be looking at...hundreds of thousands of people? Maybe millions? Too many for Gitmo.

Tierra del Fuego? A while back I heard that it is where the Hollywood types are sent.

Holly weird has a lot of EVIL types , ellen degenerate, Oprah, Alex Baldwin, Samuel Jackson, will smith, and so forth..  
String them ALL up !

An earlier article said that Tierra del Fuego has a prison but no courtroom, so it is just a holding facility, which probably means the execution takes place where the tribunal is held.

Jurisdiction of the tribunals most likely depends on wherever their crimes were committed. But then, the MILITARY is in charge, so it will be wherever they WANT it to be!

Take the fema camps from fema. Plenty of room there. Plastic coffins in behind and everything....all ready for DS scum, as it was supposed to be ready for y'all.

When talk of the sealed indictments started, I read an article stating there were 500,000 sealed envelopes and each contained 9 indictments. Since that article I have read articles some saying less and some saying more and some saying more were added.

Named tribunal locations I have found:Tierra del Fuego(tip of S.A.), Diego Garcia(said to be more secretive than Gitmo, in Indian Ocean), Guam, Gitmo, D.C. (foreign soil), & Antarctica. The last 3 being the main ones. I've read of other locations, but names & locations were left out. I did read an article about Obama and Michael were executed at one of 2 Iceland locations.

I also read tribunals had to be held on foreign soil. Then I read Guam was a territory of the U.S. A previous article I read stated that Debra Birx was executed on Guam by lethal injection. It's all confusing.

Indeed. Hopefully we live long, happy lives so we have time to sort all of it out before we die.

1 5th of the population of the world is these evil bloodlines, 1 5th is like a half a billion people, plus all the idiot's that were helping them.ya,alot of people. They must be eliminating alot more than what they are saying.

I think God's Angel Army may ALSO remove some, and then SOME will be removing THEMSELVES!

Ezekiel 37

New International Version

The Valley of Dry Bones

37 The hand of the Lord was on me, and he brought me out by the Spirit of the Lord and set me in the middle of a valley; it was full of bones. 2 He led me back and forth among them, and I saw a great many bones on the floor of the valley, bones that were very dry. 3 He asked me, "Son of man, can these bones live?"

I said, "Sovereign Lord, you alone know."

4 Then he said to me, "Prophecy to these bones and say to them, 'Dry bones, hear the word of the Lord! 5 This is what the Sovereign Lord says to these bones: I will make breath[a] enter you, and you will come to life. 6 I will attach tendons to you and make flesh come upon you and cover you with skin; I will put breath in you, and you will come to life. Then you will know that I am the Lord.'"

7 So I prophesied as I was commanded. And as I was prophesying, there was a noise, a rattling sound, and the bones came together, bone to bone. 8 I looked, and tendons and flesh appeared on them

and skin covered them, but there was no breath in them.

9 Then he said to me, “Prophecy to the breath; prophecy, son of man, and say to it, ‘This is what the Sovereign Lord says: Come, breath, from the four winds and breathe into these slain, that they may live.’”

10 So I prophesied as he commanded me, and breath entered them; they came to life and stood up on their feet—a vast army.

11 Then he said to me: “Son of man, these bones are the people of Israel. They say, ‘Our bones are dried up and our hope is gone; we are cut off.’ 12 Therefore prophecy and say to them: ‘This is what the Sovereign Lord says: My people, I am going to open your graves and bring you up from them; I will bring you back to the land of Israel. 13 Then you, my people, will know that I am the Lord, when I open your graves and bring you up from them. 14 I will put my Spirit in you and you will live, and I will settle you in your own land. Then you will know that I the Lord have spoken, and I have done it, declares the Lord.’”

It must be going on 24/7 then just the evil bloodlines alone is 1 5th of the earth’s population. That is 1/2 a billion then add to that all the people that were payed off to help them.this could go on for a long

time. At least they are getting them out of society so they won't be a danger to humanity

I am so glad to hear this! Thank you, Michael for all you do to keep us informed. May the most high God bless you and expand your reach!

Shocking~ but true. Imagine that, he was told he was supposed to have immunity. Sorry pal~ NO ONE gets immunity from evil.

Down votes on this statement?? That's a bit odd~ good thing I don't take such things personally....riiiight! =)

ALL of these assholes are told they have immunity as they are handed their cash payoffs and ill-gotten gains. This is all part of the CRIME

They have been having immunity from evil for years and throwing it in our faces —

the ones who stole the elections,

the ones who refused to hear the 2020 steal in the courts,

the journalists who lied about Trump winning and called him a liar for it even to this day,

the ones who have been lying about the jabs and force us to take them even while having surgery or giving birth without our permission,

the politicians who blackmail and threaten each other not to support Trump or else,

The LGBTQ people who demonize us for protecting our kids from sexual deviancy at kindergarten age and force the teens to transition with puberty blockers and surgeries,

the ones who steal our money for our survival and our babies' survival and send to stimulus money to incarcerated criminals while people need it for their homes and apartments,

The ones who corrupt justice so we don't get our victories,

the ones who still steal our money and send it to the Ukraine with the

LGBTQ-loving Rothschilian Assof dictator who stole our flag, the ones who keep pushing for decriminalization of sex crimes against children — they have been getting away with immunity from evil for DECADES and they are not stopping.

The most important thing is that they are removed from having benefited from their traitorous, nefarious, deadly acts and conspiracies and can't harm a single person again! Even if they commit suicide or are executed, they will STILL have Almighty God to answer to for what they have done on judgment day!

It's NOT just about being " removed from having benefited from their CRIMES " IT IS ABOUT PUNISHMENT. God will get his chance, but in the mean time we/humanity have to deal with this shit so we/humanity do our righteous bidding FIRST.

I am so sorry, Honey. Prayers. We all have hopes & fears for our family members who took these \*\*\*\* shots.

God has promised in II Chronicles if people will humble themselves, repent and turn from their evil ways, God will hear our prayers and heal our land! Prophets have said that God is going to FIX the damage done by the vaccines for those who do this.

Repenting for one's sins is one thing, that is a private thing between the believer and God in the prayer closet and once God forgives, it's a done deal. God truly forgives.

But harsh, severe, active justice on our parts justice needs to be done against these traitors and it cannot happen fast enough. We must be active and not passive as we all gather together to clean up this mess. We are doing this for the kids. One other member on this site is pissed of that his whole family that has been voting for 50 years and were patriotic haven't seen any justice yet since the 2020 steal and that was over 26 months ago? They are PISSED!

THIS SONOFABITCH HAHNLIED TO TRUMP AND EVRYONEO ELSE AND HE HAS TRUCKLOADS OF BLOOD ON HIS HANDS FIOR IT!! HANG HIM!!

I'm so very sorry, Daniel. Losing two siblings under such evil circumstances must have been especially painful. Again, I'm so sorry!!

So sorry to hear that. I begged my Mom and sisters and family not to do anything the marxist federal government was mandating.

2 brother's

Family is so important I feel for you.im so sorry you lost your Brother's.

It kills me, I'm having a fit everytime I hear my family members say "I got boosted" I just feel like ripping my heir out.i have told them about the jab,I am waiting for them to die.it's like a ticking time bomb. Most of my family got vexed. There's some of them that keep getting sick .if they don't hear it on MSM that the jab is poisonous, then they think I'm crazy for saying that it is.i just have to leave it all in Yahuwah's hand's .that's all I can do is pray, and hope for the best. I know one thing,when it finally comes out about these poisonous jabs There's going to be alot of people freaking out in fear .

Was anyone working for the Trump administration not a back-stabbing rat? I sure hope he screens his staff better in 2024.

Remember, nearly the whole of Washington has been infested ... I work with the premise that nothing happens by accident, I just have to figure out the reason, and I figure there's a reason for every move of Trump even if we don't see or it seems foolish at the time.

BE prepared because those reasons may not be valid , not good and maybe down right criminal, but those reasons must be answered to, ABSOLUTELY.

Too many back-stabbing rats and satanic minions seeking worldly things. Not many upright and righteous to choose from! At least God is exposing ALL of them. We will start with a clean slate.

That past reality needs to be looked into and answered to before , long before there is a 2024 for DJT , NOT BUYING THE BROAD CONSPIRACY BS.

I thought they were going to procecute these monsters in-Absentia. Procecute,sentance them put warrants on them. put pic if available on flyers to post office and local sheriffs.

I'm not talking about the higher up but doctors ,nurses, lawyers, health officials, congressional and state, representatives senators all the fucks who profited from the racketeering scheme.. Sack this shit up, open the eye of the sleeping sheep. Broadcast it on the EAS/EBS....

The enemy still controls all the communication satellites, all the FAKE Newsmedia. Once those are neutralized, then EBS the hell out of them.

Didn't we take control of a communications center in the mountains in a previous RRN article? The White Hats won it.

Agreed, try them in-Absentia, covict them and give them the death penalty. Once the military arrests them and quick bullet behind the ear will solve the problem of waiting weeks to hear about trials and executions.

Each and every person who pushed the vaccination against the will of the people should be held accountable too the highest level of justice..

YES , ALL PUBLIC OFFICIALS , GOV. BUREAUCRATS , TECHNOCRATS ,and ALL of LAW ENFORCEMENT , they are ALL criminal conspirators to ACTS OF TERRORISM , TREASON and CRIMES AGAINST HUMANITY, doctors, nurses, pharmacists ,

medical techs, etc. , are at the bottom, very bottom, they are carrying out the MANDATES , ORDERS of the PUBLIC OFFICIALS ( POLITICIANS etc.), GOV. BUREAUCRATS , TECHNOCRATS and ALL of LAW ENFORCEMENT

80 doctors in Canada died from the booster. Look it up. Pushed it on others and then killed themselves by taking it. Dead doctors don't lie.

And I have a friend that still believes all of the lies & just got his 4th booster & only wants to be with other vaccinated people only. Problem is he has no idea that the hospitals are all loaded with only sick vaccinated people?!!

Tell your friend to do research on the internet, perhaps this will open his/her eyes. I too have friends like that who are just dumb down by listening to the news media.

I gave a computer to my friend and was willing to teach her how to use it so she can inform herself of what is going on. She was not interested and took the computer and put it in a corner and told me to come and pick it up because it was in her way. I told her to give it away or throw it out, and ever since I stop talking to her.

As of now I no longer talk to people who are brainwashed, I just mind my own business and I do my best to stay away from these vaccinated morons. I hear they are shedding and are contaminating the un-vaccinated. I see these brainwashed idiots walking around with face diapers or driving in cars by themselves wearing this mask. It boggles my mind how stupid people are brainwashed by the corrupted news media.

I volunteer at our church monthly giving out food(Food Bank & USDA) to the needy. Since C-19 BS, it has turned into "drive through" & we have to walk the line of vehicles to get their information before they get their food. We have to keep strict records

because USDA involved. A few months back, one guy asked me if I was vaccinated. I told him no. Since that day, that man has not returned, before that, he was a regular.

Sounds to me this man is brainwashed and not too smart, he was lucky to find someone such as you with a good heart, un-vaccinated to give him food.

Sorry about your friend. Turns out their pride matters more than the truth that can save their lives. You really have a generous heart. Don't feel bad.

After the 4th BOOSTER , it's too fucking late, it would be tantamount to rubbing salt in a wound, just be their Friend and when and if things turn for the worse just be there for them if you can. That is all you can do once people have gone that far into the vaxx and boosting . Possibly some countermeasures and work -a – rounds may be in the offing, WE CAN HOPE.

Yes, 'shedding' is real. I got Covid from hanging out with a friend who was jabbed 4 times and boosted. My cousin & her husband in Tennessee got it from hanging out with their vaxxed neighbors. Just met a woman here in Palm Springs, CA who also got it from 'shedding'. Take your supplements to keep your immune system strong!

I know,you just feel like throwing up because they won't listen, and you know the next booster could kill them.it is aggravating knowing the truth,and they refuse to even look at the info.what can you do,they are making their choices.

I wonder if Hahn chose not to take the money, there would be some negative action taken against him. Putting him between a rock and a hard place. But he had to know what kind of crowd he was dealing with when he took the job.

No one winds up in that particular position with the FDA by accident.

The village IDIOT knows what Biden has been like from all the years he served in the Congress: lies he told, shady deal, whose VP he was, etc. The old adage about lying down with dogs and getting up with fleas holds true here!

EXACTLY , HE was appointed to that position because he was owned, corrupt and he was bound , EXPECTED to be a CRIMINAL CONSPIRATOR.

I doubt this POS had a hard time accepting blood money. If he was a decent human being he would have said No! and be honest with President Trump, I am sure President Trump would have protected him. I hope this POS hangs for his crimes against humanity and his ill gotten wealth taken from him, his family does not deserve to live in luxury on the lost lives of fools. All they had to do was research and not allow themselves to be Lab Rats.

I don't think he even CONSIDERED doing anything different! God gave each of us a personal code of ethics. He KNEW he was lying to people about the possible effects. CONSPIRING TRAITORS! And he knew how bad what he was doing was, or he wouldn't have had to be assured he had immunity from his actions.

The lust for money spoke louder than the truth. Trump is a very compassionate man if you're in trouble, just be honest with him and he will deal with the bad guys.

"I have immunity" – Our entire government thinks they can do whatever they want with no consequences. Thank you JAG.

They didn't know the World was under Marshal Law, by the time the Jabs rolled out.

They are ALL in for a RUDE awakening. Hope the AWAKENING is harsh enough and LOUD enough that NO ONE will even entertain planning or doing a thing like this for a good long time!

And when they get to gitmo they are surprised to hear the truth.all of them say “you can’t do this to me I have Immunity ” and JAG says “not here you don’t ” It’s amassing to me they think someone coming to save them,the only one the attempted to save is Pelosi.

Thank you for this important article, Michael! How do we stop these blue states from still forcing these shot mandates on college students?!?

How to stop these mandates? It’s easy, do not comply. And if parents are paying a lot of \$\$\$ to these colleges then they should have the upper hand. If that does not work then take your son/daughter of these indoctrinated camps.

MANDATES are NOT LAW and NOT enforceable by LAW, so why people complied with the MANDATES I do not know.

It’s up to each of the persons to REFUSE! We are Americans, protected by a Constitution being defended by a military. STAND and REFUSE! If you are a college student, QUIT college if they demand you do what is not good for you!

Don’t play. Take a leave of absence until the mandates are over and earn some money...or find a skilled trade or internship. Some factory and skilled jobs pay the same or even more than jobs for recent grads...work your way up through the ranks and earn for those four years instead of taking on debt. My husband never finished high school, but he works among college grads.

One by one the “mighty” fall..... too bad for him that immunity doesn’t cover crimes against humanity.....and treason

The MIGHTY don't always fall! It is the EVIL mighty who think that they are equal to God that fall!

Hahn still doesn't feel remorse for his evil, just betrayed and disappointed he cannot spend the \$4 million.

I wonder why his head appears to have rubber cosmetics applied near the temples ... or perhaps a skull cap that wrinkles over the top of his head to disguise something....

4.9 MILLION DOLLARS, TAX FREE, ILL-GOTTEN GAINS. AND WE KNOW THERE IS COMPLICITY WITH THE IRS, and suspiciously NO ONE IS TALKING ABOUT THIS, JUST WHY IS THAT?

Except for Soros and Klaus and Kissinger. They still get away with crap against the people.

Seems like hospitals might be a bad place to check into in the current political climate, with Governors deliberately murdering our elderly. Since they seem to be laying off nurses by the thousands, maybe US hospitals have become centers of death & euthanasia, instead of centers of healing & repair. Funeral parlors are receiving more dead than they can handle. Is that what these Communist Democrats, the Biden Regime, have in store for us?

Hundreds of thousands of nurses worldwide are quitting, refusing the "deadly JABs", refusing the lying, refusing the inhumanity to others. Rumored that many nurses and doctors, remembering their Hippocratic Oaths to "first do no harm", are quietly giving placebos, and destroying the "deadly JABs". Do not give clot-shots to your innocent children.

Caveat Emptor, Buyer Beware

The deadly JAB (vaccine), all 4 variants probably manufactured in US Bio-Warfare labs in Ukraine destroyed by Putin, was the Gates-Fauci-Schwab bioweapon, not the influenza flu (coronavirus) that they called COVID. People should be very cautious from now on with

seasonal flu “vaccine”, all vaccines, that these enemies of humanity might deviously slip you the deadly JAB instead. Just say NO to Big Pharma drugs. Do not trust hospitals, nursing homes, public schools at all.

Here where I live, two HUGE hospital corps have grown exponentially, since after 9/11. Where are they getting all this money from? I know, Big Pharma. I bet that’s 70-80% of hospitals and doctors incomes from pharma kickbacks. Agree, they are no longer in the healing business.

All those deaths they claimed were C-19, which was just about every death that happened, they got thousands of \$\$ for. Plus, all the healthy people they intubated & gave Remdesivir shots to that died. Read they got bigger pay offs for those.

It’s truly sad. The people you expect to protect you are the worst ones because of your blind faith in them. Because of the positions they hold, they were in the right spots to do the most damage for the Cabal.

Medicine used to be respected for healing and repairing and giving birth. Was always a fan of Discovery Channel’s medical shows. Now people have to stay home sick and hurt to stay alive and not be forced-jabbed, because now doctors will not even take emergency trauma care patients or pregnant women in the ER or trauma ward if they haven’t been vaccinated.

One man died of cardiac arrest even with an LEO literally ordering them to take him in, and the ER staff blew him off and refused.

In another country, a pregnant woman was forced to take the jab or she could not get the C- section she needed, and would be forced to give birth in the streets. She the took the jab and now her newborn has seizures.

Even the dentists won’t see you for emergency care in teh clinic or the ER. They can’t be bothered unless you have \$20,000.00 for

implants or \$70,000 for crowns and veneers. Sorry, we are not all rich like Hunter Biden who can afford expensive dental care due to meth use.

And worse. In the UK, the ambulance workers and nurses are on strike, meaning nobody in an emergency situation can get to a hospital unless a friend or family member drives them there, or to an Urgent-care clinic. They said be careful and don't engage in aggressive activity. DUH, we know that, but you can't stop people from having seizures and heart attacks and pregnant women going into labor and car accidents and shootings and rapes and burn victims. Those emergencies cannot be put on hold for a strike. and that's all because the paramedics and the nurses want better pay, and Rishi Sunak isn't forking up a raise because he refuses to jack up inflation, and everybody in Britain, just like here in America, have to choose between a warm home and food on the table.  
THAT'S A DAMNED SHAME.

At this stage of the game if a person still gets a flu shot it's beyond stupid.

I get what you are saying but understand the information on what is really going on is NOT getting out there. Many people are NOT stupid they are ignorant of the information that is available. There is a difference between stupidity and ignorance, learn the difference. Just like with paranoia and vigilance, you need to learn the difference. I realize you may know these differences but many folks do not, this is the reasoning for my detailing these realities in this post, I am not necessarily directing this to you, but this has to be brought out for other folks to understand. Take Care

That's where I am concerned. I'm one of the elderly who has health issues, did not take any shots but where can I go for health issues, like COPD. Do we have good people in hospitals anymore. I'm in

Maine, the governor is back again and she pushes the vaccine and drag queens in schools. I don't know what to do. A normie waking up. God help us.

Whatever you do avoid Big P, doctors and hospitals. My elderly dad was a bit of a drunk and fell and hit his head at a drunken party at my aunt's last summer. He had to spend a bout a week in the hospital and his head took a heavy blow. My only plan was getting him the hell out of there so I could start his rehab at home. Which I did, and now he's fine again and doesn't drink anymore. My mom is fine too. Luckily I've been able to destroy their trust in medicine, the government and the media. That's step one. Step two is supplements, hydration, turning the TV off and getting as much exercise as possible.

Sadly we're not going to live forever, and I can't help them with that. Death is definitely on its way. Meanwhile we take care of each other. What else can we do?

PS: As a former health worker, there are good people and bad people everywhere. The problem is that they wear the same uniform, and at least that in health care, like if made very difficult for good people. You almost have to pretend to be evil and callous to survive, doing good on the sly while hoping not to get noticed. That's where I failed, which is why I am a former health worker. Once goodness was detected my days were numbered. But it's better to be unemployed than evil, so I'm fine with it.

Thanks for sharing your experience. The medical community is not alone in committing evil against its workers and customers.... I'm very happy for your freedom from hell on Earth.

Use herbs, that is what doctors used BEFORE all this pharmaceutical crap.

There are herbs you can use as tea or capsules. You must have some health food stores in Maine. Look up herbs for your COPD.

I have been to my dr once since this vaccine mess started. She asked if I had the vaccine yet & if not, she could give me one. I told her “NO” I have not & do not intend to. I stopped my quarterly visits & they have called me, written me letters & offered me \$50 gift cards to come in. I told them I do not trust drs any longer & told them to give their blood money gifts to someone else because my life was worth more to me than any amount of their blood money bribes.

I went cold turkey on the meds they had me on and feel much better. They had me on BP meds. After stopping those, my BP dropped to green range. Guess high BP meds mean “keeps BP high”.

The quiet ones saving lives need the most love and protection. They are risking everything they’ve worked for their whole lives.

There were many persons who promoted the Wuhan Flu fraud, the worst false-flag operation ever perpetrated on mankind. Most of these persons were employed by either our government or companies paid by our government for services. These persons were the cause of many deaths throughout the world; they should be held accountable, with extreme prejudice.

I have little respect for the FDA, not just because they approved the emergency use of the covid vaccines, but because of all of the chemicals and harmful ingredients they allow in our foods.

YES!!! they poison us...they let the companies poison us with chemicals and drugs that other countries BAN. Tell us that we are gonna have to eat bugs and drink poop water, but its ok for states to ban people from gathering rain water (which, anyways, is polluted also)...the FDA is not protecting The People, it is poisoning us...also by GMO’S and Hybrid fruits and vegetables. NOTHING we used to eat that was healthy for us, is any good for us now. The apples I bought this Christmas don’t have seeds...any fruit that carries the seed is gone...I looked for “Red Delicious” apples (that my state use to grow abundantly), everywhere in the grocery stores and none to be found. Its a shame!!

Take some seeds from your fruit and plant them in a plant pot in soil and start to grow them. Just start small.

This type of stuff needs to be released to the public, instead of letting more kids and adults get killed by boosters.

Trump was fooled because he thought he was helping the people. He even took the first jab, and then still got covid later down the road. I'm sure he never thought that there would be this much of an infiltration of bad guys into the medical system.

People from making the vaccine to distributing and advertising had to all be in on it.

That's why I always found it hard to believe that so many people where evil in the News industry.

People from the janitors, camera men to the actors being recorded all had to be in on it.

I guess everybody is crazy for money these days.

Crazy, crazy world and at present it is only getting crazier by the day. I still find it hard to believe that they are still able to push the vaccines.

We can put a screeching halt to ALL of this! All we have to do is what God told us to do in II Chronicles: Humble ourselves before the Lord; Earnestly seek God; REPENT and turn from our EVIL WAYS! Then God has promised to hear our prayers and heal our land! God has told the prophets that we are to stand and declare that the One World Government has FAILED and is falling and WE will stand with God through Christ in FREEDOM.

Nothing in the media needs be true. They have been creating a false reality there for as long as I can remember.

The vaccine jabs began 2 years ago ... the toxins have a life-cycle of 4 years. So, prepare as millions of humans die driving on highways and killing innocent motorists.

IT was reported that from the 1st vaccine an individual has 3 to five years to live. So take it from there. This being a DARPA program. It all starts with DARPA and just gets worse from there, Big Pharma , WHO, CDC, NIH, ETC. , ETC..

It may be a long list, but we need to keep pounding and get as many as we can of those bastards!

Here's a Profound, but little-known Scripture: Ps 119:45. Declares Walking in Freedom Depends on Seeking GOD's Precepts Verse 45

Mr. Baxter, we hope that you continue to unpack the story of the Gitmo Raid. While Hahn's arrest was indispensible, ours is too big a country to fight a revolution one traitor at a time. If time should not permit stories, then bulletins will work. There must be much else for us to learn and it is now time for more. wwg1wga

Why in Gods name have we not taken over MSN and tell everyone the truth?! Everyday that goes by I feel less inclined to believe. They say Patriots us logic. Okay than I have never worked out an at the least reasonable reason this hasn't happened. I know trust the plan. I do. However that doesn't mean don't question when something is glaring you in the face...

God Bless All Patriots.

Loud and clear, Kelly Ann. Keep banging that drum. Personally, I'd settle for one single local TV station in a major market. Surround with overwhelming force. Declare martial law in that one township of that one county. Then mix real current events with the historical corrections of the last 125 years. A geographical pinprick. A political Niagara. wwg1wga

**ABSOLUTELY SPOT – ON COMMENT.** Taking down and taking over the zionist- jew controlled , owned and operated msm should have been **PRIORITY ONE** when DJT first entered the US Presidency. DJT is **CONFLICTED** , he has **DIVIDED LOYALTIES**, and this is a **VERY SERIOUS PROBLEM**, as **EVERYONE SHOULD**

BE AWARE OF THIS VERY SERIOUS PROBLEM, and this PROBLEM NEEDS TO BE RECTIFIED, in a VERY SERIOUS WAY ,and SOON.

Just like Judas sold Jesus out for 30 pieces of silver, this monster sold out the American people for just under five million. Hang' em high & let freedom's flag fly!

The NEW brand of traitor doesn't have the decency to return the silver and hang themselves. Not that sorry!

It sure is great to come to this site and read about these Arse-holes getting arrested. Great to read Piglosi is out of the way. Michael's articles are the best in the nation to watch what is really going on in the world. The articles are gaining traction by other truthers! Keep up the great work Michael!

As much as I love President Trump, he knows the job is deadly. I dunno why he pretends not to. Everything is prewritten and prophesied including his name.

Try this. [badlands \[dot\] substack \[dot\] com/p/why-trump-pushed-the-vax](https://badlands.substack.com/p/why-trump-pushed-the-vax)

Even if you don't fully agree it may help.

Thanks for posting this link. I read the article. It helps me understand. I hope others take the time to read it too.

I did and it made sense. We're it not for OWS, we would still be locked down for who knows how long. DJT admitted that his vaccine was not the cure and came with risks, it was the only way to prevent the DS version from being mandated. He kept his version optional. This is why he can honestly say he saved millions of lives. He saved the American people from being legally forced to get the death jab.

I have read their latest report of Dec. 28 titled What's Taking So Long and it is worth read. Blessings,

I don't think he actually has immunity, but he was lied to and told he had immunity. The DS have no compassion even for their own puppets, once they are done using someone, they often throw them under the bus to get rid of them. No honor amongst these vipers!

Seems the little birds(detainees) either sing the immunity song or say "I was only following orders" or "Barack's going to call and order you to release me". To my knowledge, none of the above have worked for them.

Remember Moderna CEO Bancel said he could not be held liable for "coincidental injuries or fatalities" because the U.S. Food & Drug Administration (FDA) had granted him immunity from prosecution in matters involving the company's products.

In my opinion, immunity can only come from God and he disdains anything having to do with Moloch/Devil. Therefore, none of these entities are immune to God's wrath. Let the cleansing commence.

And pull these BIOWEAPONS off the shelves!! The military needs to act now on this! Not one more civilian should be harmed!

Jennifer

Much of the Military is also bad. Or sold their soles.

Why do you think these jabs were released after Trump stepped aside and let the deep state take the wheel.

Remember Wheels work they don't require reinventing.

Romana Didulo is the only leader too call the jab a bio weapon and work too awaken the World, from May 28th 2021.

Thes DS entities such as Big Pharma and the CDC, can seem invulnerable and all powerful, perhaps even not to people who who work for them. We know now they are not

While bigpharma was given limited immunity by federal statute under certain circumstances, there is a detestable piece of “professor-made-law” called “Operational Function versus Discretionary Function,” which boils down to the verbs used in statute directing the work of public officials. When the statute is written with “magisterial language,” such as “you shall,” then there is partial immunity for the state and yet there is immunity for the public official if he has done precisely as prescribed. This is “Operational Function.” When the statute is written with “discretionary language,” such as “you may,” then the public official has immunity for a wide variety of his own actions, and, again, there is partial immunity for the state. And here is a tidbit that ties into the Brunson complaint and Brunson SCOTUS petition, no statute, state nor federal, can contravene the constitutions of either the states nor the federal government. Congress cannot claim immunity, nor can the individual members of congress, nor can any courts claim immunity for actions which injure any person’s legal rights so long as they are guaranteed constitutionally. And a 12b6 affirmative defence will not hold since mere procedure cannot contravene the supreme law of the land. Law and courts can be simplified. There is no reason that either legislators nor judges be lawyers and there is every good reason that they NOT BE. After such simplification, everyone may be his own “Pro Se.” See my Episode number 3.

That’s the beauty (and in this case, detriment) of messenger RNA is that it tells your DNA what to do and in many cases, it’s instructing the body to generate all sorts of abnormalities based on your initial genetic construct. Plausible deniability for all individuals and entities involved- people die from heart inflammation, cancers, clots, miscarriages, autoimmune issues, but never COVID. I also feel like it’s been done to previous mandatory vaccines. I can’t help to think that humans are supposed to live as long as we have in the bible, but the vaccines cause mortality.

Yes I also wondered about the seasonal flu shot as well. I haven't had any shot since the planed-demic started!

John [Johnny-boy], nothing to wonder about, don't take flu vax, fools move.

Recently seen many waiting outside mega pharmacy for flu shot, majority senior citizens.

Buddy previously took booster, week later flu vax, it dam near killed him.

They want us dead, Agenda 2030 is not a conspiracy.

Talked to my dad about that a while ago. We're just being poisoned six ways to Sunday in this society.

I knew even before it happened. I didn't kill shot my patients. I left the evil goop industry in 2021.

Every which way that is for certain. Air, water, food, jabs, big pharma drugs, EMF, 5G, chemtrails. It's a wonder we can walk around.

All the following shortens or ends our lifespan: bad(high) frequencies, chemtrails, poisoned food supply, poisoned water, air, & soil, Big Pharma, our own government.

This is just a fraction of the list, but you get the idea.

Řekl zdravý podlézač jménem Stephen Hahn:  
„Zaplať mi dost a já způsobím strašnou škodu!  
Dáš mi co, abych  
vystřelil tu sraženinu?“  
Takže teď je řada na něm , aby farmu koupil!
