Námořní pěchota Spojených států sloužící pod generálem Ericem M. Smithem v pátek zatkla Dr. Michaela Malanoskiho, zástupce ředitele Agentury pro obranu obrany, na základě obvinění ze zrady a pobuřujícího spiknutí, uvedly zdroje z generálovy kanceláře Real Raw News.

Jako zástupce ředitele Agentury pro obranné zdraví Malanoski podporoval ředitele DHA ve vedení společné, integrované Agentury pro podporu boje, která umožňuje zdravotnickým službám armády, námořnictva a letectva poskytovat zdravotně připravené síly a připravené lékařské síly bojujícím velitelstvím v obou zemích. mírová a válečná doba. DHA řídí provádění společných sdílených služeb, které zahrnují zdravotní plán TRICARE, farmacii, zdravotnické informační technologie, výzkum a akvizice, vzdělávání a školení, veřejné zdraví, lékařskou logistiku, správu zařízení, správu rozpočtových zdrojů a uzavírání smluv. DHA spravuje zdravotní program TRICARE, který poskytuje celosvětové lékařské, zubní a lékárenské programy více než 9,6 milionům uniformovaných členů služeb, důchodcům a jejich rodinám.

Je přesvědčeným zastáncem očkování. Když nelegitimní prezident Joseph R. Biden a jeho pohrdavý ministr obrany Lloyd Austin nařídili, aby se všichni členové ozbrojených sil nechali očkovat nebo čelili represivním opatřením, Malanoski se zmocnil tím, že posílal „denní příkazy“ velitelům vojenských zařízení v USA i v zahraničí. Jeho písemné dopisy povzbuzovaly jak důstojníky, tak narukované muže, aby dodrželi Austinův mandát nebo sklidili následky.

Dne 19. dubna 2022, když FDA aktualizoval své povolení k nouzovému použití vakcíny Novavax COVID-19 z 13. července tak, aby zahrnovalo osoby ve věku 12 let a starší, Malanoski zesílil svou očkovací rétoriku a řekl členům služby, že mohou být nečestně propuštěni za to, že nemají očkované nezaopatřené děti.

Bohužel někteří členové služby jeho varování uposlechli. Podle našeho zdroje má oddíl White Hat americké armády povědomí o nejméně 15 závislých na dětech ve věku 12-14 let, které zemřely po očkování.

Ale ztráty na životech neodradily Malanoskiho pro-vakcinační křížovou výpravu. Poté, co sněmovna 8. prosince odhlasovala zrušení Austinova mandátu, aby vojáci dostávali vakcínu proti koronaviru,

Malanoski doporučil, aby členové služeb ignorovali hlasování a místo toho se řídili pokyny CDC, protože „vaše životy a životy vaší rodiny závisí na vašem dodržování očkovacích protokolů.“ Řekl, že „Covid je stále největší hrozbou pro společnost“ a že „navzdory tomu, co jste slyšeli, mandáty k očkování jsou stále v platnosti“. Navíc pohrozil, že odepře „veškeré“ lékařské pokrytí neočkovaným závislým osobám.

Malanoski, řekl náš zdroj, si zaslouží buď oběsit k smrti, nebo strávit život ve vězení za překročení své autority a zradu naší statečné armády a jejich rodin.

"Bude se zodpovídat za to, co udělal, ale právě teď šmejdí ve vazbě," řekl náš zdroj.

The IRS is Done ! All though agents will be looking for new jobs Very very soon.

If that's true 87k then suppose most of them are guards. I can just guess all the pharma is not going to pay taxes because they were in grab money hit and run covid con artists.

I don't know if the lawyers are going after their fake PCR diagnostic earnings.

Ignorance is not a complete no fault situation, as it purports not paying attention to something that was there for you to pay attention to.

The military is paid for by we the people yet it works for the Masonic Order, correct? We need our own military, again. I think all Americans have had enough of those who have no business in our business.

Hard to be believably upset about the Masons as an American since they founded the country. I never met the man and maybe he never actually wore one, but when you see George Washington with his triangle hat on, that's the Masons flashing gang signs at each other. These days it's suits and ties, but it's the same exact thing. Gang uniforms so the other gangsters can quickly recognize you as one of their own.

The first president to ever mention the masonic order was John Quincy Adams. The founders never mentioned a cultist founding. They pushed freedom George Washington cut a deal with the British King without sharing that fact with those who believed in him. So, now, to give a rebirth to our nation we the people will see to it that it is done in the light of the actual Declaration of Independence and the American people rather than the Babylonian leanings of the Jewish culture.

Actually, it was John Adams, the father, who run on an anti-Masonic platform and defeated Thomas Jefferson in the 1800 election because he knew the Masons were absorbed until the Illuminati and posed a threat to the world. Jefferson was not only a Mason but a Deist, and he cut out Scriptures of the Bible that referred to anything regrading Jesus's holiness, being the Son of God, etc. and therefore the Jefferson Bible was created. Jesus was an okay guy in Jefferson's view, but he didn't want to refer to Him as God or part of the Trinity. Illuminati adherents refer to Lucifer as their God and not God the Father. The really evil higher adherents pay homage and obeisance to

Baphomet and not the Lord Jesus. Take the doctrinal teachings of the Bible, turn them upside down or invert or turn them inside out and you will see what the Illuminists teach and believe.

The bible was written by man as a form of mass control. It would be nice to read this site without all the references to such. Yes, there is good and evil. Jesus didn't cure the problem. And, yes, it was John Quincy Adams who gave the speech about the masonic leanings. Why do you think his presidency has been shoved under the rug? John Adams was a mason. There have only been 5 presidents who were not married and only 6 first ladies who were actually women. Have you analyzed all first lady's original portraits? Did you think Marsha Washington was a female? George Washington was, himself, a demon-like critter. John Adams was not married to a woman, either. Neither was Benjamin Franklin and many other founders and presidents. The truth about human governance is a dark comedy.

Wow there goes the rest of my childhood. I looked at the portraits, apparently it's true, Martha W. was a tranny.

Sorry to correct you, but Jesus did solve the problem on an individual basis. He died on the cross for all of humanity's sin's so anyone who called on His Name, Jew and Gentile alike, female and male alike, would receive salvation and eternal life upon repentance of their sins. God gave EVERYONE free will to choose, yes, but through conversion and discipline, people can change to good from evil by the power of His Holy Spirit. When people change, families can change and nations can change via revival. But it starts with the forgiven believers.

The last massive revival for saved people was in 1904. It can and will happen again if followers of Christ are really serious about it, according to 2 Chronicles 7:14. And we all need revival without any question.

Bible believers are saved by His grace and not by works. You can't

earn you way into heaven no matter what anyone says. The Word does not lie.

Satan caused the problem by getting Adam and Eve to sin and he took the keys of dominion away from them. But Jesus got them back when He broke the power of hell and death and rose again. Satan and his demon were sick at that victory.

GOOD!!

This is a later interpretation of it. What the Apostles and people who were eaten alive by lions there at first for denouncing the emperor believed was that you had to follow Christ's example. Follow him onto the cross, so to speak = speak the truth, whatever you are threatened with by those in power. This is what freed the slaves in Rome: even the weakest, most broken person could find redemption in truth and martyrdom, and many sought it out with glad hearts. That was the only way to Heaven at first as well, so there was no room for the cowardice and selfish hypocrisy that has plagued later Christianity. How many Christians do you know who would die for the truth, never mind be eaten by wild animals or roasted on a spit? I know zero of them. Pretty sure.

Sweetie, you've been brainwashed. Jesus was a prophet sent here to lead the people out of the Babylonian era. You might want to study the year 1035BC to discover who wrote the bible and why. God's communication with us is not in written form. I would also suggest you take a course in quantum physics. Yes, human beings are experiencing an extinction event for a reason. Allow God to find you, please.

But But But ? What about an Eye for an Eye ?

We the people need redemption . I believe in Christ our lord, and the almighty God. And I think both will be just fine with mass murderers saying goodbye by the people he made suffer . Don't pretend to turn

your cheek. When senseless deaths happen because of a in-human POS like him. I believe God will give us a pass. #@~G the Bastard.

Yes, he was married to a trans man so he spent most of his married life in France doing what he preferred. How old are you and Xena? Millennials? Sheesh....I studied architecture which included classes like science and art history. You girls don't seem to have much going for you in the way of historical relevance.

This is what I read about Benjamin Franklin's wife. Deborah Read Franklin was his common-law wife. They had 2 daughters: Frances (1732) & Sally (1743). They could not marry because she could not prove her first husband(Read) was dead.

Absolutely! If they send me back to earth, after this tour of duty and I hope they don't, I'll put in request to come back as "God", so at least I won't have to deal with all of the shit that the 1% elites heap upon the masses.....!

If John Adams, our 2nd President, was not married to a woman, (Abigail Smith)in 1764, how did the son, John Quincy Adams, our 6th President, arrive on the scene along with 4 siblings? Even in this day, there are manly-looking women married to men and they procreate children. You cannot judge a book by its cover.

I realize he did not have to be married to a woman to have kids, but I'm going out on a limb here and saying a woman was involved in the 1700's.

Pat, I know it is very difficult to face up to reality such as it is.....but, yes, Abigail Adams was a man. Did you study the original portrait? Artists of the day were reporters of history and culture. Manly looking women eh? LMAO You might want to study the differences between men and women in terms of construction. Learn to see

consciously, please. Are you educated? I can't imagine what hasn't be taught to your age group and why you have no interest in the details. Curiosity is the first step in the learning process.

Clarity needed.... Thomas Jefferson must NOT be associated with the Illuminati. A deist is a good person unlike the Luciferian Illuminists and Jesuits.

.
This is the best point to quote Thomas Paine: "I believe in only one God; and I have hope for happiness in an afterlife." Paine was not saying that he believed in an afterlife or that he knew specifics about the afterlife.

We don't know Paine's heart or Jefferson's heart during his life and we certainly don't know if they repented and received Christ at the end of their lives. Anyone can repent and change, but in the cases of Paine and Jefferson specifically, only God knows for sure.

I recently heard Benjamin Franklin imported the marketing of a dreno chrome to the US, from Europe. Horrible but seems possible. As to Paine and Jefferson, they appear to have done good with their lives. Then there was the mysterious stranger who turned up to adjust some of the Constitution wording, then disappeared. That was also for the good. People can change too, for bad or for good. But not, I feel, both good and bad at the same time – as Jesus said, you cannot serve two masters.

So much good alongside so much evil, time for separating the wheat from the tares, but for this we need discernment and we need adequate evidence.

Not from what I found.

Adrenochrome was the subject of limited research from the 1950s through to the 1970s as a potential cause of schizophrenia.

In 1954, researchers Abram Hoffer and Humphry Osmond claimed

that adrenochrome is a neurotoxic, psychotomimetic substance and may play a role in schizophrenia and other mental illnesses.

In what Hoffer called the “adrenochrome hypothesis”, he and Osmond in 1967 speculated that megadoses of vitamin C and niacin could cure schizophrenia by reducing brain adrenochrome.

The article about adrenochrome was written about in 1952 — LONG after Benjamin Franklin’s time.

Jesus was not originally a god, but a standup philosopher Pleiadian starseed named Immanuel. After the Romans had tried him for heresy, meaning he was telling the little people to think for themselves, instead of worshiping the Roman ruler. He was stuck on the cross, but did not die on the cross. His spaceship plucked him off and they relocated him to what is Northern India and he married, had 3 sons and died at 119. There is still a marked grave for him, there. Jesus is greek meaning the anointed one, incidently. J. Ceasar wrote 82% of the bible too and through the years, various rulers have updated the bible with their various reasonings.

They really don’t know what it is all about unless they go through all the steps I think and that is a long time and a whole lot of money. My grandfather was a called by God preacher and the chaplain of the local Masonic Lodge and his father was a well respected public servant and strong Democrat and they were Mason’s. My grandfather wanted me to be a Rainbow Girl and bought me 2 formals when I was about 12. So I did not like it at all or all the secrecy and code signs and secret passwords and after a year I told my grandfather I was going to quit because I did not think Jesus would like it. So he thought about it and even though he was anti-Catholic and preached about the Church of Rome always from the pulpit he started to

research about the Catholic faith and I don't know to what extent because he divorced my grandmother remarried, had a nervous breakdown and changed his life so we didn't see him as much. But at the end he called all his kids in and said he wanted one of them to be with him at all times so they did. But the Mason's came to see him and wanted us to leave every night but we would not. Eventually my grandfather became a Shriner and went through their 33 steps as a Mason. At the end as he was dying he had a big battle and his baby girl said Daddy do you see Jesus and he said no I see the devil but he was a Bible believing Christian man who turned a lot of people to God and he was well thought of in the Christian community.

In America, EACH Masonic Lodge is managed individually ... it's not a "franchise" that all lodges are bound to follow. Most lodges are operated by CHRISTIANS who open and close their meetings in Jesus's name, whereas a few lodges worship Satan.

Not all that call themselves Christians are. Anyone can invoke the name of Christ.....doesn't make them so. Only personal acceptance of Him as Savior does.

The Temple of CHRIST (LOVING LIGHT OF TRUTH) is found inside one's heart, Soul & Spirit . Not in a building. Buildings are for building community; fraternity and one may lose their inner light by becoming a follower and swearing elegance to what one does not fully understand of any ritual followed.

Don't kid yourself. All Freemasons know, or should know that they may acknowledge any religion they may choose. The catch is they swear an oath that renders any othey reverential loyalty they may have, secondary to and over-ridden by their service to the god of Freemasonry, Lucifer.

90% of them are idiots who are quick to parrot the Cripple Childrens Hospitals, etc. that is just a fig leaf for the god awful things their demonic superiors actually do to children.

Here's what I heard, and likely about 25 years ago. The Masons in Scotland and in most of England had been infiltrated by Jesuits over a 100 years before, yet that infiltration had not reached the Colonies, or the Founding fathers by the late 1700's. In fact, the 1776 Revolution started in two places 1) in taverns, and 2) in Mason meeting houses, but the problem with taverns was the spies at nearly all drinking houses, so 85% of the revolution push came out of the Mason meetings.

I, to this day, don't believe that the Founding Fathers, or their works were compromised by Evil, and if you believe they were then Nothing they did was sacred, so stop promoting the Constitution as Sacred, if you insist that these were evil men.

At the time I researched this, I was working downtown Chicago, and I went out to lunch with a fellow worker, and he had us stop by a bookstore, dedicated to Mason entirely, and I made an off-hand joke about Cults, He proceeded to take my very slight joke as a massive offense, so he took out his Buck knife and threatened to cut me up with it. I got him to calm down by stating that, "I didn't mean anything harsh." I actually didn't, yet it got me to completely check Masons out.

I'm sorry you were threatened. That was wrong. He shouldn't have done that. These days. police get reported to the police for that.

Xena,

A couple things... first, I'd like to apologize for being rude to you earlier, which was rather silly, as I agree with you over 80% of the time.

As far as that guy (the Mason) went, I was more amused then frightened. I wasn't afraid of bullies, and even like him with a knife. I was very, very strong, and also quick and flexible in those days. I also

knew that I wasn't really intending to insult him, and there was an excellent chance that my follow up attitude would unarm his harsh attitude.

It worked, as he became soothed over the last few minutes of our walk. I was acting extremely mild, yet was following his every move. He got fired a couple weeks later for trying to make advances toward a young 20-something girl. He was in his later 40's and married. A truly dangerous guy would have just acted without threat most of the time. He just didn't project a feral look, so I merely passed what happened on to a couple of fellow workers to watch out for him, as I thought he was 'unbalanced.'

Captain Morgan exposed it in a book and he got killed for it. The majority of lodges closed up as a result, but they made a comeback. And then his widow Drusilla became a plural wife of Mormon church founder Joseph Smith. .

The book was published and is in the public domain so we can read it for ourselves, it's not conjecture, this is his life's work to expose Masonry.

The Mormons were founded by the Illuminati to get a foot hold in the new world. Their mein kamp; The Book of Mormon is loaded with racy epitaphs and half truths and I survived 16 years of that nutty religion and then burned up, but did recoup most of my distorted brain cells to a normal human! Mr. Jesus did not order his human subjects to multiply with many wives either, that's all made up to keep women 2nd class and men as their controlling masters....another power and control system...by the elites...

Altiyan Childs is the modern-day 21st Century version of Captain Morgan when he put out his 317-minute (yes, 5+ hours) video expose of Freemasonry. It is at Bitchute video ID xoU7OfqHN6Dv It used to be on his YouTube channel but they scrubbed it. It really should be watched all the way through as-is from start to finish but if you are

impatient or can't watch extremely long clips in one sitting (at up to 3x inside VideoLAN like I did when I first watched it), watch it this way:

1:12:47 – 1:35:50 the money shot

0:00:00 – 1:12:47 the background

1:35:50 – 5:17:11 down the rabbit hole

Stop whenever you've seen/heard enough, the 'money shot' is VERY important and should be watched in full—it is a little over 23 minutes long—about the same length as a half-hour sitcom on commercial TV minus the commercials.

SO THANKFUL somebody uploaded a non-potatocam (analog hole) broadcast quality 'clean copy' of this revealing interview. Use tiktake on the org domain to save a copy while you still can. BONUS: tiktake can download age-restricted clips from YouTube without the need for a YouTube login or a Google Accounts login and lots of 'jumping through hoops' with additional software.

Bitchute video ID BYTCYu2kJVRu A damning Freemasonry 'How To' manual done as a video clip. I thought it so important, I downloaded a copy of the clip, the PDF of the document, and a text file version of it, zipped them up and uploaded it to a particular one-click file host site and spread the word as I could about it. Eventually, the zip file was scrubbed off the one-click file host either because it became 'dormant' or was scrubbed by the one-click file host at the behest of another party.

Watch these three clips after the 'money shot' from the first clip at the top of this post for best effect. Please use tiktake to save copies of all four of the clips above in case they should 'disappear' so they can still be uploaded and shared to help warn/inform others.

FOP, Fraternal Order of Police, they are a FREEMASON Masonic Order. There are over 364,000 members of the FOP , with 2200 Lodges in the United States, today.

At least back then they weren't running a Federal Reserve racket or sacrificing children to get in the "club"

No,it is not. I beg to differ. There are many degrees in masonry and the higher the number, the worse they get, concealing its membership & occult practices. The origins can be traced back to ancient Egypt where there was goat & ram worship. The goat & satanism go hand in hand.

That's a goat man. Hybrid I guess to have that kinda body. Makes worshipping it an easy yes on genetic engineering against some other creator. They have those Annunaki bird head men also. It's like they need bird brains to live on surface earth or even rule it in secret from a spaceship with surface dweller men. The hybrids might just be a hologram and they tell us we're in a higher density so can see them now for all I know. Everything's a rich man's trick might apply.

Those kinda oddball bodies are well respected and worshipped as god's of various designs that I call genetic engineering. I don't know why the Krishna's worship elephant head man either but it's as if they have no earth design body for a god like Jesus.

Not all the Founders were Free Masons. This being the case, the Masons from the days of the founding of this Nation are NOT the same Masons that exist today , the Masonic Orders have been co-opted , infiltrated by zionist satanist jews as well as corrupt Luciferian Jesuits. Most if not ALL of the Secret Societies seem to

operating from the same page so – to- speak , these days , all pimping and promoting the NWO , TECHNOCRACY and TRANSHUMANISM.

Since its beginning, only JFK, Ronald Reagan, & Donald J. Trump were the Presidents who were NOT CIA. We've had nothing but a Clown Show the whole way. CIA runs every department of every agency & head every committee. They are remarkably easy to find, because they have to be the one in charge.

Forget CIA if you need to understand the CABAL which goes back thousands of years with the Kazarian's very much involved in world politics and very good at their satanic control. Whereas CIA only came about in 1947 when Truman finally signed the National Security Act.

The better presidents who suffered Assassination & or Attempt by the cabal being either illuminati(?)born May 1776 or, by Jesuits.

.

–attempt, Andrew Jackson 1835

–Abraham Lincoln 1865

–James Garfield 1881 Could have been the best Pres.

–William McKinley 1901

–John F. Kennedy (May 29, 1917–Nov. 22, 1963)

–Robert F. Kennedy 1968

The CIA was formed out of the OSS, an existing intelligence operation that sprang up before WWII.

Everything is paid for by the people that works against the people. We unfortunately unwittingly contribute to our own undoing.

This is perpetrated unwittingly and unknowingly to the American People by our US Congress, elected representatives and they are obligated to engage and have oversight of ALL agencies , bureaus

,and departments of the US Government , which they do NOT do, they have FAILED, it is a dereliction of their duties and obligations as members of the US Congress.

The CIA has a US Governmental budget appropriated by the US Congress, the CIA also operates from a Black budget appropriated by the US Congress , the finances of which are not known publicly. The CIA and the other aspects of the US Intelligence agencies of which there are 17 known agencies , ALL have black budgets that are derived , coveted from global criminal networks and operations , such as Human/child sex -slave trafficking , global drug and narcotics trafficking, global weapons and arms trafficking, the also engage in MASSIVE MONEY LAUNDERING operations much of which was perpetrated through the Vatican and the Vatican Bank. These aspects of the US Intelligence apparatus operate and fund global TERRORIST NETWORKS along with the Israeli Mossad and British MI6. ALL of these Intelligence entities really operate on behalf of establishment inbreds , oligarchs and zionist satanist jew oligarchs, and satanist jew cults. And the Vatican cults and Jesuit orders. can;t leave them out. Read a book written by Paul Williams, ” OPERATION GLADIO ” for more information on money laundering through the VATICAN Catholic Church and the CIA, This book is a very GOOD READ. Take Care

I am uncertain as to what point in history that the Masons became corrupted with Deep State Cabal Khazarians, yet i recognize that the Jews & Anglo~Saxons were the most taken over & led astray. It is possible that they were not terrible at their inception. There are, i am told, a contingent among them who have recognized the damnable behavior of their secret society. All over the 33rd degree have sold their souls to the devil, & raped / sodomized / killed children. They appear obsessed with making women extraneous & only to be used & taken from. Dating as an older gal has been hell on wheels because of them. They are very bad men, & women too.

Then there's the Illuminati, & i do not know what their involvement has been at the local level. Perhaps there is good & bad levels there as well. The top are every bit as bad as Masons.

Most Masons at levels 1,2, and 3 are not aware of the very deep evil the higher ups engage in. We know how high GHWB was not only as a Mason but as an Illuminati witch. He may have been 34 degrees and up.... only 1 in 100 Masons know there is a 90th degree of Masons which are truly evil. Many Masons don't even know the Shriners exist, let alone the Jesters, who are even worse and even more super secretive than the Shriners. The Jesters never admit their existence and will never select or invite someone to come into their ranks if that person already knows about them. There was one court case where the Jester were exposed in a sex crime. They usually kept it under wraps but not this one. Have to look for it.

As for GHWB being an Illuminist, he raped, sodomized, murdered kids and cannibalized them like Hillary, who was also an Illuminati witch (7th level, and Bill is 5th level). According to one survivor's account, there was a specific military base reserved for GHWB's use when he went in there to sacrifice a person during his presidency — four would go in but three would come out.

Most join the Mason's & never rise beyond the first three degrees. They do it for business advancement, connections, & to get promotions in general. They know less than we do about what their organizations is involved with & doing.

1799. The Illuminati was created on May 1 1776 and sought to control the world. They hadn't yet gotten ahold of the Masons.

This group of people have been around since ancient Babylon. The word 'illuminati' is Latin for enlightened ones, and it appeared in the 15th century or so.

The way I understand it... The founder of the Jesuits, Ignatius Loyola, was a Jew. The founder of the Illuminati, Adam Weishaupt, was a Jew and a Jesuit and was funded by the Rothschilds. The Jesuits/ Illuminati infiltrated and subverted Freemasonry... In a nutshell.

Police officers are all members of an affiliate organization to the Masons, supposedly “a drinking society.” I can’t recall what they’re called. They put up monument signs at obscure historical points.

They get a Jew or an Anglo Saxon to sell out, traitor, etc on their own race or born one somehow looking like and or compliant to their orders. If they can’t lie it seems they don’t bother. There has to be deception like if they can. If not they tell as little truth as possible. The truth is you and to thine own self be true. If someone or several someone’s is random or diversion to you, then it’s a problem going on, I can guess someone needs to discern if they are listening to truth or not. If they are duplicating what you think it’s truth.

When and where! Millions are armed and ready to fight to recover the republic! White hats, although I think are merely a hopium illusion provided by the black hats, better step things up or We The People will! Time is of the essence! We have had more than enough! I marvel at how our government continues to be so brash in our face as they steal us blind while enriching themselves! We want our freaking \$\$ back... now! Load up!

The B/W hats movement was maybe just a start or should have been enough? Nowhere is the military opening up Q&A for us commenters and readers....

This shit’s not going to end the way the world is loaded with evil people that are blatantly righteous, or coveting secrets, or even proud braggers with their evil. They predator/prey and mostly using materialism or lust tricks to conquer people.

Nancy's sex life is not on trial it was a murder attempt, but it's in the court spoke of and obviously contributes to her losing. Nancy don't think right about sex itself. This is like nothing sacred is going on, just buy some and it's energy to gain on people with...and it's either bothering people on some ethereal level or they just use it against her.

Their authority is challenged mostly over people feeling like little to no soul, just darkness, no energy. The planet's thinking entities appear to be calling for much higher standards for the purposes of ascension of this earth. Military we hear on RRN, is all about just taking out evil people in power. In the same time frame the new ager ascension people and preppers are at extreme odds on what they say is really going on.

So be it. Only Antifa and the sheep will be the victims. A battle ridden future doesn't need them. They are only cannon fodder unless they wake up. Doubt it

The post said they would be delivered by a Marine firing squad, so it shouldn't be too difficult to figure out...

Why not use a 45-70 SPB that will leave a hole big enuff to throw a golf ball through, which would do a better job of termination....a 7.62 Boat Tail Hollow Point bullet will just drill a small hole at entry and a we bit larger at the exit point, just saying....

to his gonads. you see the vid of a shitbird sunni muslim shot point blank in the scrotum with 5.56 and continued fighting and only died 8 months later from an infection?

Amen to that!! Jab that Filthbag POS with ten vax's of from each Criminal Corrupt Pharmaceutical Co.

What a scumbag this dude is trying to mandate the children of military members with the kill shots. Thank God the military is now picking these evil, soulless, satanic, pedo POS's off.

I want his death to be as painful as possible. He murdered soldiers and children without so much as a speck of remorse. Let him spend a few months in solitary confinement since I have read that social isolation is the worst form of torture. Then he can be taken out and hung — or get the guillotine.

I'd prefer taking him a few miles offshore, tossing him overboard with a couple of buckets of chum and watching the blues, the hammerheads and the makos finish him off...

Let's]]-[[ope So !

There are 1 Million "operatives" in North America, all in positions of influence and manipulation.

"they" have all been :promised: Protection.

What is the current state of the food processing plants that were destroyed ? Are they being rebuilt ? Chem-Trails still appear in Our Skies with the narrative excuse of Global Weather Warming/ HARRP-EMF-Manipulation.

]] saw the pic's of the house fires in California, funny the shrubbery didn't burn or scorch away, but anything man-made(cars,trucks,trailers) obliterated, and building's totally gone with crumbled stone works remaining .[Hiroshima/Nagasaki Ghost's]

Elitist's can not function with the Open Public

World, "their" tunnel vision mindedness ego prevents that.

We're W I N N I N G

They do not even have to go through GITMO , ENEMY COMBATANTS CAN BE ADJUDICATED IN THE FIELD OF BATTLE , THEY CAN BE EXECUTED in the FIELD OF BATTLED, EXECUTED ON SIGHT. Predator Drones can be used to KILL and

EXECUTE ENEMY COMBATANTS on the FIELD of BATTLE. This has already be done, PRECEDENCE if needed has already taken place. This has been done before.

Last figure I saw was 358,609 sealed indictments in 9-12-2022. Probably another 150,000 added since then. Judge Jeff Sessions has been working hard adding more, carefully ensuring each sealed indictment was lawfully correct to satisfy military UCMJ and Constitutional law. Understand that each sealed indictment can include from one individual criminal up to 39 individuals in a group indictment, such as a MS-13 gang, or perhaps a group of doctors conspiring for a greedy hospital murdering for profit.

Those numbers are for the Sealed indictments. It does not include unsealed , although that number is apparently a lot less.

“All will be Shown in The Light,,
,, and not one stone shall stand upon another.”

The President (legal one) is th executive Law enforcement officer of the Federal government. He is the one who enforce “The Law of the land”. Google is bullshit their little BAR attorneys who are foreign agents to the Crown make shit up.

The President can sign the complaint, just like any citizen can which is part of the indictment.

Things are really getting exciting. I love these releases. They make me finally understand that good things ARE happening behind the scenes. I’ve seen so many here and on other sites moan and groan about nothing happening.... or it’s not happening fast enough. Think of how many tribunals are going on at least five different sites. Think of how Gitmo has been enlarged tremendously. Go look at aerial photos of it five years ago and now to compare. We should all be supportive and think positively about all the hard work that is going on right now. I think Michael Baxter for his work here.

We need to fill up each and every fema camp. There are currently over 800. Those camps are meant for us just like Hitlers camps.

And those new buildings are supposed to be 4 floors deep with nothing but cells for these criminals.

I believe ther are about a dozen Military Tribunal locations worlwide now. Not all are US operated.

I love the sound of that, but where do you get this info? From anonymous posts on 8chan or something?

We know that some traitors were tried by tribunals in DC as it is 'foreign soil', and there are other locations around the world besides Gitmo conducting the same justice. We don't need to see the data. Just knowing it's happening helps us sleep at night. God bless our JAG judicial system and those who work behind the scenes to implement accountability and stop these evil puppets.

We need to know because our tax dollars, instead of supporting these scumbags, are now punishing them for the death and destruction they have wreaked on us for far too long.

Do you guys just "assume" these articles are true without verifying? I mean the author writes a good article, and in the case of this article especially seems to know some serious detail most wouldn't be able to know. But without some real verification why believe any of these articles? I watch weekly for articles I can go back and validate. Still waiting on just one.

There are plenty of clues that support verification. But they are clues for thinkers, not clues for people who want dinner served without their doing anything to help. Over the years and months, people at RRN have given out many clues.

Thank you, Michael. Every account you share with us is appreciated. We have to remember how many victims EACH traitor defiled in order to fully comprehend the magnitude of justice being executed

against those seeking to destroy us and our great country. Good job!

Are " they " ever going to take -out the henchmen in big or massive numbers, because these fucks are the lowlifes that make the plans , operations and orders of the degenerate treasonous shit heads " they " have been arresting and EXECUTING happen. With out henchmen , most of not all of these heinous crimes and ACTS of TERRORISM, CRIMES AGAINST HUMANITY , would have ever happened. KILL the HENCHMEN , KILL them in MASSIVE NUMBERS. Just who are the henchmen , FBI, DEA, FEMA, ATF , DHS, USDOJ, then filters down to state , county and municipal LAW ENFORCEMENT, PROSECUTORS AND JUDICIARY.

At the rate they're arresting these bastards, our great grandchildren will be dead. Time to ramp up the plan boys. It's not like they're lacking resources. Let's go!

We don't know the number of arrests. We only see tiny snippets. It could be a huge number of tribunals and sentences and executions. The Military does not release much when the mission is still underway. That's fine with me. Just keep on hangin' and bangin'.

I've been wondering: does the Devil, himself, actually also wear a suit-and-tie? It seems that a suit is the true Satanic uniform (it ain't long hair and leather pants; metalheads are larpers).

Why doesn't Mr. Satan appear then, in a red coveralls, a pitchfork, cow horns growing out his head, with red dangly ear rings for extra zing and handing out red hot jaw breaker candy, to politicians then....

Yes indeed, they are in every city.

TikTok They can't hide from source and he doesn't take bribes.

What until they start going after hospitals, doctors, pharmacists, and the jab pushers like the MSM, holly wood etc.

Yep, the whole kit-and-caboodle! All complicit. At this point, one would have to be a moron not to know!

Clif High refers to that time, when the normies wakeup and realize that they have been had and duped by the black hats and that day is to be known as the “Big Ugly”

At ALL levels of society. At ALL government institutions, state and federal, EVERYONE who bullied others into taking these cursed jobs.

You got that right and all the lowlife Evil POS Scum need to be exposed to the whole world for who they really are and what role they played a part in this Crime against Humanity!! And not just arrest them.. let them all meet their demise.. good riddance!!

Round them up all the House Rep and senator...state level and Federal level....SoS and all governors. no more cherry picking.. it's too long now to wait.. any resistance, shoot in the spot.

Every time a “berg”, stein or “ski” gets executed, I rejoice!!! I hate them as much as God does.

2 Esdra 1:24

Jeremiah 8

Luke 19:27

Psalm 21:10

Revelation 2:09 & 3:09

Acts 7:43

No, God does NOT hate them.....God wants that NONE should perish....only repentant hearts & believers on the Lord Jesus Christ shall be saved, no matter what their skin color or last name is.....you really need to study your Bible to show yourself approved~

He also wants those who harm innocent children to be thrown into the depths of the sea with a millstone tied around their necks... I'm fine with that.

So long as it's a shark infested sea & they have been sliced & bleeding before being thrown overboard.

Alas sharks are some dummies. If you can keep your heart rate low they barely even notice you. It's fear and flailing that draws them in. Try to not behave like a dying fish, or an oblivious seal in the case of whites, and Bob's your uncle.

Take the old testament , the flood , Sodom and Gomorrah, or passover killing of Egyptian first born sons?

She blindly receives the judaized version. GOD's cursed enemies painted over with a 'chosen people' brush, even though they spit every time they mention the name of JESUS.

Which god's are you referring to? Be specific, man, the Hindu god, the Buddha god, Jainist god, the white man's god, the goddam god, the gook god, the Islam god, the Jew god, greed street money god, Biden's god, etc....

You hypocrite, ..within 11 minutes you comment, " god. Wants that none should perish", ..then you say " that NO tax dollars should be wasted,..Hang em " .

You are either a NUT condoning execution, or someone attempting to sway comments into a religious gathering...

Can , I get an AMEN ?

They are not of the lineage of Adam. The deal is not for them. They know it, that's why they hate you.

Jesus told them they were liars from the beginning. They hung him.

'There you go again,' with your 501c3, government run, churchy church, pious bullshit.

Jesus makes it clear there are TWO classes of souls; children of God, and, children of their father, the devil.

You really need to have the Holy Spirit reveal to you that your churchy church CRT clergy response team government pastor has given you a strong delusion.

No, you need to read the Bible some more. GOD does hate some, the truly wicked. He hates Esau and his descendants, written clearly in the Bible. The truly wicked are destined for the Lake of Fire, never offered salvation. These satanic wicked we are battling currently, trafficking children, raping, torturing, sacrificing innocent children, can certainly be certified enemies of GOD.

“The LORD trieth the righteous: but the wicked and him that loveth violence His soul hateth. Upon the wicked He shall rain snares, fire and brimstone, and an horrible tempest: this shall be the portion of their cup.” (Psalm 11:5-6)

“As it is written, Jacob have I loved, but Esau have I hated.” (Romans 9:13)

“I have loved you,” says the Lord. But you say, “How have You loved us?” “Was Esau not Jacob’s brother?” declares the Lord. “Yet I have loved Jacob; but I have hated Esau, and I have made his mountains a desolation and given his inheritance to the jackals of the wilderness.” (Malachi 1:2-3)

“Should you help the wicked and love those who hate the LORD and so bring wrath on yourself from the LORD?” (2 Chronicles 19:2)

“Do I not hate those who hate You, O LORD? And do I not loathe those who rise up against You? I hate them with the utmost hatred; They have become my enemies.” (Psalm 139:21-22)

You are a classic example of the word “prejudice”. No doubt your name appears in the dictionary next to the word. Is this enlightenment?

Which one? Over 50 versions were found in the Dumbs under the Vatican alone. I seem to recall reading that the Bible has had over 700 chapters come and go.

This guy may have been a Polish catholic. Aren't there any nefarious non-jews?

After a good look at him, he looks indeed, khazarian.

Shhh! Don't complicate things for the simpletons! All of these names are German and Polish, and are highly common there among people who aren't even slightly Jewish. I know that first-hand because my last name ends with -berg, yet I've never even met a Jew. At least as far as I know. I'm even more sure that I'm not a Jew.

Yeah, they took German names by and large, with a smattering of Gold, Silver and Diamond mixed into the names, cause you know, they worship money as much as Moloch.

That's German too. With the end of feudalism in Germany, the newly "freed" took last names according to what they did: Goldman = gold smith, Goldberg = gold miner. They had a bureau in Germany very recently where Germans with...unflattering names like Scheissman (shitman) = "sanitation worker", could apply to change their name.

It was much the same in English. Smith, Bowyer, Mason etc etc etc. It was just somewhat more explicit in German. The Jews moved to Germany when the Russians conquered Khazaria in the Middle Ages, and therefore Yiddish Jews had to adopt the naming conventions there.

They named themselves after rocks, water, mountains, roads and other nouns. The name: Steven Spielberg translates out to "Play Mountain", whatever that's supposed to mean, who incidently is a great movie maker and a pedophile too....

That too, although most European naming conventions were frozen or just ended in the 19th century, or even before. Theater was a thing back then, so people will sometimes be named for doing that. But you don't have any Nuclear Scientistbergs. It's all just old stuff.

And executed, according to some reports. I also read that Tierra del Fuego is where they hold the Hollywood tribunals & since there are no prison cells @ Tierra del Fuego, they house them in the FEMA camps until their tribunals.

I cannot verify any of this. It's info gleaned from reports & "executed" lists on the internet.

John 3:16 For God so loved the WORLD that He gave His only begotten son that WHOSOEVER believes in him will NOT PERISH but have EVERLASTING LIFE.

It doesn't say everybody but the Bergs, Steins or the Skis. God is not prejudiced. He created every single person on this planet and He even went so far as to say both Judgement AND Revenge belongs to Him alone. If you didn't create them then you do NOT get to judge them as worthy or unworthy of God's precious love. Love is the key to God's door. Try reading about that for a while. Jesus talked about it incessantly. He said "This is my COMMANDMENT that you LOVE one another."

John 3:19 sums up how God views humanity. Along with Genesis 6:5; Jeremiah 17:9; Psalm 14:1-2... The human condition is completely void of anything good, ma'am. The only good anyone possesses is the sin from which they were born under.

Who exactly heard God say anything? Could it be that the Bible is one-sided and directed propaganda to control and influence the thoughts of the masses, so that the masses don't go after the zealots that control everything? Vengeance is mine, sayeth the Lord. Meaning that we shouldn't go after the people screwing us over. They connived and wrote the Bible to sound legit, (the word of God), to fool everyone as to its legitimacy. I believe that people must be willing to sacrifice their dogma in order to know the real truth behind things.

You forgot the single most important premise... they sold their souls to Satan and have no intention of returning! Satan will not allow it... they will die damned as Satan makes life impossible if they reneged on their deal.

Very true! God hates the sin & the sinner! Those who reject His Atonement thru Christ will be buried in their sins!

I agree. . Poles should not be included in the sphere of evil just because of their names. And even the normal Jewish believers among them would concur.

Not making this up but according to holy scriptures, anyone who hates his or her fellow brother or sister commits murder. 1 John 3:15.
Blessings,

Gavin Newsom too! But do to efficient cloning, you would never know it! What's up with that shit? And why are the White Hats the last to know??

Taken care of, per RRN. They need to arrest the duplicates, clones, actors etc. With those, people continue to be duped. I can't understand why Hunter's duplicate can be passed off as Hunter!

The problem with this arrest is that this person could just be misguided as are the rest of the vaxed sheep and only following orders. Trump, himself, continues to be clueless as to the lethality of the clot shot. With NO clear leadership speaking against the shot publicly, you can't blame the clueless. The so-called White Hats continue to allow the sheep to descend off the edge of the cliff and will be held accountable by the Almighty. "To whom much has been given, much will be required" (Luke 12:48).

Hopefully if that is the case it will be evident and he will not face ultimate punishment.

He's eligible for ultimate punishment simply for overstepping bounds to the degree of trampling parental decisions to the point of their children's deaths plural. I guarantee the first minor fatality subsequent to a jab was brought to his attention.

After Congress had already repealed the military mandates. Treason.

ABSOLUTELY ! And what is up with these people pimping for **ASSHOLES** all of the sudden, I sense an infestation of trolls. **BE VIGILANT PEOPLE**

We all know right from wrong , taking orders is not an excuse ... a great many died because of him!

What makes you think that? Trump knows what is going on with just about everything! There is much that you do not know. I don't always agree with Trump, but he still knows a lot more than we do about what is happening. Getting some higher ups can be tricky and I think he baits some. I would, though, LOVE to see a valid list of those who have already been arrested and then executed. Remember this is not a fight against flesh and blood, but powers and principalities in all the heavenly places. I also do not think Malaanoski was just misguided, I think he belonged to Gen. Milley and Austin's crowd.

I disagree. We have screamed plenty loud in multiple platforms. This plan that we are following has been studied and drawn up over decades to bring about the safest outcome. They are no longer asleep. They are running from the truth and they are embarrassed to admit that they are the reason for all of the deaths that are taking place.

” embarrassed ” These lowlifes are **MASS MURDERERS**, engaged in an **ACT of TERRORISM , TREASON , CRIMES AGAINST HUMANITY**, these lowlifes are down right **EVIL FUCKING DEGENERATE DERANGED SOCIOPATHS**. Embarrassment is not what they are voiding, for Christ sake **WAKE UP ,Rose! wtf**

Trump was misinformed on many occasions, but he must let the crimes begin before the hangings can begin. One reason is to teach us all about what we are up against. If you simply fix the problems, most people won't even pay attention. But if you make them live the pain for a while, see it with their own eyes, they will remember and teach others.

I am very aware of all that Michael , but that is NOT what has been going on here, NOT at all.

Excuse me Bozo, I am in the medical field and watched Trump fall into the vaccine trap. I personally called Homeland Security and the FDA to sound my high alarm to implementation of a gene-altering agent disguised as a "vaccine". I live and breathe this vax circus , including my refusal to be vaccinated myself. However, I have found many innocent people duped into taking the poison and I saw that Trump was indeed CLUELESS. Not Guilty but CLUELESS.

That would explain why Trump was muscling republicans to vote for someone who undermined Trump – McCarthy as speaker of the house. If nothing else proved Trump's cluelessness, that did.

Watch the comments about 12 D Chess...

In this regard, the jury is out. Since a tip revealed that McCarthy was living with Frank Luntz (and it was proven true) ostensibly so that McCarthy could make sure that Luntz was "taking his medicine", perhaps as Cawthorn observed, the Penthouse served as one of the sex hideouts revealed by Cawthorn. In which case, Trump has McCarthy by the balls.

Not necessarily so. A tip revealed that McCarthy was living with Democratic lobbyist Frank Luntz. McCarthy admitted it but said he was there to make sure that Frank takes his meds. Considering how Cawthorn revealed the compulsory DC sex parties, perhaps Trump has McCarthy by the balls.

My comments disappear and RE-appear after I repost (above). Also, if going oldest to newest or vice versa they disappear. So Bozo, that is why I am forced to repeat.

Hi Christine, Badlands Media put out an article titled Why Trump push the vax. Worth the read. It enlightened me. Blessings,

everyone knows why... bc hes so scared of the satanic media he would rather 2/3 of the earth die than tell the truth about the satanists depopulation plans. anyone supporting such an evil evil being is worse than the satanists.

Bullshit. Trump is locked in a deadly war with a deadly enemy that has been planning this war for thousands of years. Trump is clueless about nothing, is a 1959-1964 New York Military Academy trained military tactical expert using disinformation, reverse psychology, slight of hand, Sun Tzu Art of War tactics, keeping the enemy always off balance and making terrible mistakes. Because of his efforts and the splendid military behind him, we will win this war.

Many of us do not trust you doctors, nurses, hospitals because most of you have pissed all over your Hippocratic Oaths for decades. Bozo.

You're a piece of fucking shit dude.

Again hopefully you're entire bloodline took drumps death jab.....and you suffer greatly.

You are frightened to death, and probably should be. I warned my family immediately, and we immediately took the Hydroxychloroquine, Ivermectin, zinc publicly recommended by President Trump and Dr Ben Carson, which was quietly provided for us by good family doctors.

I tested the Durvet 1.87% horse paste on myself for emergency use, no ill effects, used it regularly for the past 2 years. Having used anti-parasitical Quinine in Nam, I purchased several bottles made from

Cinchona tree bark and am using that regularly in case I get too near a shedding JAB victim. Quite healthy using common sense to remain so.

im not frightened at all.... ive been anti vax for 25 years. again youre an evil piece of shit and hopefully youre entire bloodline ‘ LIVES THE PAIN AND SUFFERS GREATLY” since that what you think this planet needs.

Michael , did the possibility ever occur to you that DJT is playing two SIDES of the COIN

My response to you can be found under “newest”. For some reason it doesn’t show here. You can find it under your name, Bozo.

The million dollar question is... was he given bribes to support the vax? If he was, then fry the sob.

Bribes or NOT , this ASSHOLE is going to be EXECUTED, and the sooner the better, FUCK THIS LOWLIFE JAG-OFF, EXECUTE HIM , TAG HIM AND BAG HIM , NEXT!

It doesn’t sound to me like he wants to fry people. It sounds to me like he just wants to fry SOME people. It’s an important distinction to make.

There’s a difference between being pro-lethal injections and threatening people. The difference between being in the docks at Nuremberg 2.0 and being hanged, and just being an unhelpful dummy, basically. One is very bad, the other is just a little bad. Let’s keep some perspective here. If this nut had said “personal choice, I don’t care” instead of the things he actually said, he wouldn’t be where he is right now.

They are well paid off with the Rothys bribe money pot, to their off shore bank accounts...greed moves in delicious ways that even well respected doctors; such as this “shit for brains clown” took the deep

state creed bait to hand out the death shot to our military and dependents....or else...

NO , this fuck knew EXACTLY what he was ordering Military personnel , dependent Families and retirees to get the VACCINE KILL SHOTS and BOOSTERS, this is why he was MAKING THREATS to them about the repercussions if they did NOT get the VACCINE KILL SHOTS and BOOSTERS. Know full well White Hats and JAG have checked out this ASSHOLES accounts and finances, no doubt he was reaping big cash and ILL-GOTTEN GAINS FOR HIS TREASON , ACTS of TERRORISM and CRIMES AGAINST HUMANITY. Besides , it is this ASSHOLES job to not be misguided. WE are aware of DJT and Berger, NO ONE is getting away with these heinous crimes , TREASON, etc. , NO ONE. I will just leave it at that for now.

I think the convictions at GITMO are showing evidence of KNOWINGLY poisoning humanity, like in their emails and phone calls, if I may use that Q term.

If you have been reading here lately, the phrase: ” I WAS JUST FOLLOWING ORDERS” doesn’t cut it. At all. Anyone following evil orders gets hung. Period.

Tell that to the people that gave the vaccine to 262,908,216 citizens. Well, we sure won’t have an organ shortage. They freeze well.

Vaxxed organs are no good. Vaxxed blood either. Btw the military ordered all vaxxed blood supples destroyed. It would be the same for ruined organs full of vaxine parasites, etc. etc. etc.

what if they were misinformed like trump? they should hang as well correct? bc being misinformed isnt an excuse for murder right?

He didn’t mandate anything. He told people they had the choice. Go drink some more wine sir.

no thats actually not what he said you evil piece of trash. he called himself the father of the vaccine and told all his supporters that they should take it knowing it would kill them. hopefully your entire bloodline dies first since you support mass genocide.

youre an evil vile liar. he called himself the father of the vaccine and told his supporters numerous times to take the jab

Mr. Baxter, often the story of the apprehension is the most interesting part of your news. I hope you'll include it next time, and every time. And BTW, the story remains untold as to how DC, seat of government, became DC, the ghost town. As you know, I'm a writer and with full credentials and a full roll-o-dex, I could gather the story for you.

Delenda Est Coniurati [The Cabal must be destroyed]

Unfortaunetly, I've been there too. I had to travel there two days last month. It was hardly a ghost town.

Unfortunately? Too bad.

I had a good time. The museums are cool, and there are a lot of good restaurants.

Birds choose their own nest. The fact that you're right at home in the district of corruption with something like a 99% democrat voting base comes as no surprise.

How about Tyler Perry's White House? What has been going on there. The weather has to be better.

"AFAIK" = As Far As I Know~ is that correct Michael? Pardon my lack of acronym lingo. =)

*Does seem to be the consensus, per feet w/cameras on the ground in DC, as for the People's House being "dark", "occupied only by military guard". I find this encouraging each time it's mentioned.

So is the White House empty as they keep saying to us or is the fake president Biden really there

Is the “white” house really white? This was asked by my Army drill sergeant multiple times, plus “who’s buried in Grant’s tomb”, until the point, one no longer knew what was what....!

Was there anything to suggest that the usual business is being handled in the Capitol Building by either the usual suspects or by masked actors?

Michael , you never got back to me about Tyler Perry’s White House, since DS lowlife criminals were taken down at TP’s White House , have the DS continued to use that facility? And why are they , the DS being allowed to do so?

WAIT! WAIT! WAIT! You offered to “gather” the DC story for Michael, but you can’t get “said info” for yourself?
Trolling for intel here to alleviate your writer’s block?

I’m waiting. I’m waiting. I’m waiting. 800 miles from DC puts empirical observation beyond my daily reach. I offered to travel there for him, but received no interest in return. As to your “Trolling here for intel,” that yielded little. Reading the RRN news, above, however, is well worth it. This string is more like first aid. And if I had writer’s block, you do not cure it with “intel.” Pat, all I can say is that there must be a Social Dominance Syndrome gambit in this messy discussion somewhere, but you have not yet found it. My feelings are intact. Keep trying. I’ll be back.

MB and I both agree that DC isn’t a ghost town.

Are you calling us liars?

Let me be CLEAR,
I AM calling billy bob kaulfield
A DEPLORABLE Time wasting useless, “TROLL”...
Who knows full well that he LYES...

I think you should go to D.C. and tell us what you see. Maybe we could get the truth from you like we do from Michael.

I never said that.

Don't put words in my mouth.

All I said I was in DC two days. The shopping centers were flooded, and people were mulling about the street.

My apologies. But your comments indicate that Shutterbug is lying.

Also, "milling" about the street.

I have a granddaughter who graduated from college and moved to DC for a job. Her roommate works for a congressman. They joined a softball team there and said that there are lots of opportunities for things like that in DC.

I'm thinking all those people at the shopping centers and mulling about the streets of DC could very well be clones. Yes, clones being used to make things in DC appear to be normal, yes, nothing out of the ordinary. ALL of these "people" are possibly FLATFOOT Mutherfuckers. I am not kidding either, I have reasons for this possibility, but I will wait for a response, if one is forthcoming. Take Care

Excellent! The man on the scene! I'm acquainted with you, Shutterbug (Jim). I think a periodic column of observations is something that you could pull off. Care to give it a go? I'd be an avid reader! If our proprietor objects, I'd be obliged if you would post your observations and news on my site (Done at the request of WrongWayCorrigan). Important work was done by "Mustang Medic" in the Winter of 2021 in DC, but I believe he's gone. His January 19th four-hour video was more than epic. It was historic. Jim, the topography of DC is a major gap and I'm hungry to know more. Mr. Baxter, here is an opportunity for you. If you like his copy, could you give him an occasional few column inches?

How do you reconcile MB's (and mine) observations with Shutterbug's? They are at odds with each other.

Interesting, Bill. About a third of my half-hour monologues on Rumble are about the perceptual difficulties leading up to our enslavement within The Matrix. Observation outside your 100-foot personal circle is unreliable. You have become your own reporter. You gather your own dots. You curate those dots and you become your own editor and so assemble them into a picture of the world. The Age of Empiricism ended election night 2020. We have returned to a modified Cartesian Age of Rationalism. I term it The Age of Assisted Reason, which is a Cartesian-Kantian dialectic with admixtures of Hume. Briefly, the Kantian Ding An Sich has not only been made possible, it has been made inevitable. The logic of your tautology and your solipsistic experience transmutes ruined-proofs into Kant's "thing for itself." All else has been tampered with. Each person has become the arbiter of the actual. The flexibility to admit of revision is key, but it is a key that each mind supplies itself. That's how. wwg1wga

You don't need a Cartesian-Kantian dialectic for this particular question.

All you need is a plane ticket to DC.

It's a big world, Bill. The old way of conferring authenticity upon "fact" won't work without the risk of getting fooled; and the acts of jetting-around the globe to provide yourself a thousand "100-foot personal circles" won't work either. This is the "solitary" part of "man the social solitary." Every series of downs does not work and the NFL has invented the punt for such occasions. My "revision" is equivalent to their "punt." BTW, I suggest boycotting this generation of jocks until the traitors in their midst have retired.

You twice asked Shutterbug to report for you. Why not do it yourself, if it's that important? DC is easy to get to.

Last edited 1 day ago by Bill Kaulfield

How do you know that? All he said was that he lived "few miles" from DC.

A few miles can mean a lot of things.

DC Corporation is defunct, out of business. I watched the fake Biden inauguration and motorcade videos repeatedly. There were no crowds of citizens. The National Guardsmen lining the road turned their backs on the mororcade. A big nono. When Jill and Joe reached the door to the White House, it was locked, no Marine to open the door, both Jill and Joe tried to open it. First time ever that a 'President' touched those doors. Then the videos ended, the FAKE News media uncertain what the hell was going on.

Remember bonehead's dog who kept biting security guards, well, I live in Wilmington and the boneheads and I have the same vet. I can assure you the vet went to the WH to personally pick up the dog to bring him back and euthanize him. Remember bonehead said he was re-homed to a wonderful family? He fucking lies about EVERYTHING.

I do not remember if I read it here or somewhere else, but I recall reading that Camel toe was with them or was in the lead demanding that the Marines open the gate but was refused entry. Also that was exchange of fire took place between the resident SS and the Marines. The fake resident and the fraud Kamel toe entourage backed off.

They also tried to enter the Pentagon led by traitor Millie but the Guards refused them entry as well. I saw a video of this incident but was modified to only show them at the entrance, as if entering, then

leaving smiling pretending that they entered and leaving. Traitor Millie's face showed the opposite. N.B. The supposed presidential limo needed a very good car wash

Biden was indeed turned away by the Pentagon. I was driving home in the evening when the story came on the radio. I immediately started texting people. Then the next day, Senator Blunt(Mo) gave a press conference saying that we don't know who the President is. After that, we only have rumors. The rumor is that China got the heads up from this action and demanded that Biden be put in place. At the fake inauguration Biden was escorted by a Chinese gentleman with a red star on his lapel. This is the "ruse" we are living through. The White Hats (who I now call pink) have let this circus descend into Hell. 262 Million vaxed people later.

What we didn't know at the time was that China owned Biden. There was no knowledge of Hunter's laptop. However, upon President Xi's third inauguration he apologized to the Chinese people. Why? Is it because he financed American Satanic Degenerates in the form of Clinton, Obama, Bush, Pelosi and Biden to the chagrin of Putin? The gig is up. Supposedly, the Chinese money game ends in June.

Seriously? Xi Jinping never apologizes to anybody, he tells people off. Look at how he treated Trudeau at the Bali conference. He never apologizes for his actions, that's why so many people died in China since the start of the bio-engineered plague. President Trump offered to help him save his people after Dr. Wenliang died, but Xi refused it. How ugly is that?!

Ok Xena, time for you to research President Xi's New Year's speech (NY Eve 2022). WSJ: "Mr Xi appeared to acknowledge that his U-turn on Zero-Covid has dented public trust in his leadership". Fortune: "Without directly referring to the protests Xi said it's 'it's only natural' for the country's 1.4 B people to have different concerns and views". And on and on different sources. On Dec 07, China removed the last major pieces of the Zero-Covid regime. Up to

November, Xi was not budging on removal of Zero-Covid, in spite of the most widespread protests seen in decades. By all accounts, this was a stunning reversal, acknowledging the personal and economic damage that had been afflicted onto the public.

BTW- the rest of my statement is going down rabbit holes. The Chinese money train is drying up for the Deep State. Two Trillion is the last gasp. China/Putin's alliance stands firm.

This is not what we are talking about here. This is not what the article is about. Stay on topic and quit trying to divert attention from your evil profession. What we are talking about is your evil profession. No amount of spinning is going to convince any of us that little minions are not COMPLICIT. You are in the wrong place here and as per your writing you are in the wrong place in your profession as well. Sucks to be you eh? Oh, and you are not a God. Get used to that.

They're saying the CORP of DC is dead. out of business, bankrupted. Tourists only walking around. White house closed due to tribunals

Well, lets put it this way, You wont see Joe Biden there in person. Maybe on TV, but not in person. CGI

Clones, possibly in big numbers too, Not kidding either, could very well be lots of FLATFOOT Mutherfuckers walking about.

Understand, clones are not just being made of celebrities , politicians and known individuals. These clones and cloning tech are used for many purposes like supplanting everyday people. You may not be aware as of yet, the Covid PCR Test is really about cloning, it is considered a clone device , This according to the NIH and this is detailed at the NIH website apparently. They want people to keep being tested for the covid virus so people keep taking the Covid PCR Tests. Because with every test the NIH is checking to see how far along the cloning of the tested population is coming along. Every PCR test given is tracking each particular individual. Do you

understand what I am talking about here , the sub-planting of every real human being with a clone or clones. I realize this is some very heinous shit, but this appears to be what is going on. Think about this , get back to me if you like. Take Care

A ghost town is a deserted town with few or no remaining inhabitants. Tourists are not considered inhabitants imho. Blessings, IT's a GOOK and WOKE town, lots of miscreants, dirt-bags , sexual predators , TRAITORS , deviants and other assorted lowlifes. Plenty shit to write about, you may have trouble getting published. Hey , nothing ventured , nothing gained.

It's good to see some Latin in these comments! You're clearly thinking of Cato's famous expression, *Delenda est Carthago* (Carthage must be destroyed), but here one would have to amend that to read *Delendi sunt Coniurati* (The conspirators must be destroyed).

And indeed they must, every last one of these murderous scumbags.

I'm enjoying the Latin tags! And that one from the comic playwright Plautus is excellent. *No man is wise enough on his own.*

Sadly most folk here aren't going to understand what you write. No fault of theirs of course, it's our dreadful education system which regards a knowledge of the classical languages (Latin and Ancient Greek) as inimical to the project of dumbing everyone down so that they can't think for themselves.

Incidentally, *solis* above should should read *solus*.

Thanks Tim! I always appreciate a good editor! Wow, I haven't read Plautus since the *Menaechmi* in freshman year. BTW, just for grins, there is a "Gregory Hays" translation of Marcus Aurelius which is much much better than the old Rouse. *Est sine qua non*. And the Lombardo ones for Homer, too; which also suffered from Rouse but now are liberated back into meter. Likely, you've already

encountered these, but I thought I'd mention. One of my 36 monologues devolves upon etymology in Websters. Latin, Greek, Old Norse, OHG, and, of course, Norman French & French. There are definitions never specified that sometimes cry out from the old root words, making for a class of meanings that I call "what you know, but don't know you know." In case you're interested, it's Episode 15 and my shortest. Just click on my name if this strikes a chord. This "Dumbing down" of which you wrote will be the subject of future Episode 38 bringing together NYC publishing, Orwell's concept of simplifying the language to limit our capacity to think, and a deep state murder combined with ambush television journalism in service to their remarkably well executed gambit of "30-years of nothing to read." I will likely fictionalize this. After the great return, Trump needs to appoint a publishing ombudsman with U.S. Marshal authority.

If you need work , hit up Delevic for his monthly income on-line bs scam, It might work out real well for you , he posts that shit at every story at RRN at least once. yeah , hit him up, he will square you away, big bucks on-line month after month, and soon enough you will be posting Delevic adds at RRN too!

No problem , just hope you get some stuff printed and published, so you can generate some income for yourself, Take Care

If you are itching for this story of yours to be told, by all means get a website and tell your stories. Don't try to latch onto MB's popularity, piggyback on his dime and claim the glory.

Apparently Michael has much better connections and sources, otherwise you would not be skulking around his site.

If you are a writer, then WRITE. Someone may actually follow you.

I have a friend who lives in Silver Springs Maryland a15 minute drive to DC. I asked him if he is aware that DC is a "ghost town" as suggested by a lot on this site and elsewhere. His answer, I don't

know. People living in areas surrounding DC are probably under a gag order or threatened somehow. Lord help us. Blessings,

MB, your reporting has failed to certify this man's guilt. He may just be another clueless sheep following orders. Without clear public leadership broadcasting the danger of the vaccine and Pharma continuing to advertise it on the airwaves, the only guilty party here may be the so-called White Hats who continue the ruse. Luke 12:48 "To whom much has been given, much is required".

This article is not to "certify", this mans Guilt, , it is just to report the arrest, he will get his Tribunal, and the evidence will provide the Final RESULTS.

Michael, why is Nancy Pelosi still showing up in Washington, DC. How can one tell if she is a clone or the real person? And how is this person any different than the original? This multiplicity is a never ending saga, kill one and another one steps into their place.

Yes! And any clones, actors, body doubles, etc filling in for her and perpetuating the hoax should get same guilty verdict at their tribunal and same hanging execution.

The clones , actors , body doubles etc. that are perpetuating the hoax should be EXECUTED on sight. The verdict of GUILTY has been made, judgement has been reached. so once again they should be EXECUTED ON SIGHT. No need for more bullshit.

Fake news, Nancy Pelosi is alive. Clone? What our all these people here, preschoolers? Get real.

Her and all the other ones they got rid of. As long as the White Hats or whoever keep replacing them with clones, the shit show continues and the sleepers continue believing the lies. And then they say it's part of the Plan to wake people up? Give me a break. Who's playing who in this wretched plan?

Are you blind? That woman is 30 years younger, walks with a springier step, is obviously not a drunkard.

Michael very clearly educated us on the execution of the real Pelosi. Any others are clones or body doubles, or actors wearing masks. I hate it, too, but hopefully the truth will be made known to the world through the EBS and we'll get rid of these doubles ASAP.

Glad you like that one. I have to tell though, there is much more to this flatfoot clone business I sense. Actually I have had some some thoughts on this FEET thing for a very long time , like some fifteen years. Long before for this flatfoot clone business. This FEET thing I do believe is some very serious stuff, but I will leave it at that for now. Take Care

She has Raven Legs, human overlay rubber legs for effect. Behind closed door's Nancy has a perch, with an over spill tray.

We ALL know the difference between right a d wrong and they knew that shot was never tested a d should never have used ... but they wanted the money and they KNEW ! I have lost 2 young relatives (previously fit and well) and a 3rd spent 14 weeks in hospital and still has no life! I want them to PAY ... we cannot have mass murders without retribution! They chose to kill and must then lose their lives !

i am not in charge like he was and i am not clueless / if he is that fuking stupid hang the dumb bastard ... but i believe he knew better and did it all on purpose

I would apply Jesus' statement (Lk 12.48) in exactly the opposite manner! If the White Hats are Jesus' servants (as clearly they are), and if Heaven has given them the authority and the opportunity to arrest treasonous criminals (as it clearly has), then it is incumbent on them to make use of these heavenly gifts to exercise due justice on this Earth. Were they to fail to do that, they would be punished by Heaven, if not in this world, most certainly in the next.

The story of the “unprofitable servant” who was “cast out into the darkness where there was wailing and the gnashing of teeth.” From 2 gospels, I think, and Matthew was one, I believe. Was Luke the other?

Take that shit up at your next Bible study cult coven or circle of Sin. Or get Delevic to get you a job , on-line for 1300 shekels per month.

What he clearly did was recommend the troops and commanders dismiss the overturn of a directive within the military.....which is not a normal action of a committed member of the military and in fact seems a traitor’s act to me as well as his endorsement of willful intentional harm to the troops.

This so-called doctor took an oath to uphold our constitution against all enemies; foreign and domestic when accepted his title and he chose to take a bribe against his oath of office and now he gets to snivel and boohoo in his new 8 x 9’ concrete block suite at hotel Gitmo....TS, that means tough situation or tuff shit...another spoiler taken down and this is great revenge against enemies against the people that I’m enjoying....hang’em high..Clint E. needs to be the hangman with the line...Go ahead, make my dayyyy...

Clint is most likely a PEDOPHILE as well, as are most of the Hollywood ASSHOLES, so he should hang himself.

I did not ACCUSE, I said most likely so folks need to be aware. And YES the possibility is there and very REAL. Clint was or is prolific in HOLLYWOOD, starring in movies and film and producing and directing the same. So using the term ” most likely ” is ENTIRELY apt and appropriate, SO do NOT give me any grief or business about my suppositions on the fucks that serve their Hollywood Masters.

These lowlifes that the US Military have been arresting and then held before a US Military Court , facing TRIBUNAL have been declared ENEMY COMBATANTS. They are not being treated as US citizens, they are ENEMY COMBATANTS.

Pretty sure that isn't Baxter's job AND just following orders is no excuse. Someone tells me to threaten people like this, I tell them exactly where they can stick it and say the exact opposite, even if it's just in protest. Individual responsibility. A forgotten concept obviously, but one I think sounds just swell. We should try it!

MB is not judge, jury & executioner. You opened the wrong door. Go to the one with the flames & DS nameplate and ask to speak to the "boss". You know, the one with ram's head, horns, human torso, goat legs & cloven feet.

You are either a DS troll or you just crawled out from under a very big rock. Ship going down and you trying to lighten the load by casting the sh*t?

"So-called White Hats", DS slander.

"Ruse"? Stratagem works better.

Yes, they are called "so-called White Hats" since they allowed Big Dummy Biden to be the President, knowing the vote was rigged at the Rome Embassy. Once in, Big Dummy mandated the vaccine, opened the border, fled Afghanistan leaving behind Patriots (and equipment), threatened to destroy the nord stream pipeline (and did?) to provoke Putin, shut down the Keystone pipeline, stopped funding of US gas and oil, etc etc. Again Luke 12:48. The White Hats are a bloody pink.

Comprehend what? A whole lot of people were following orders and administering the vaccine. USAFacts, 262,908,216 (or 79%) of the population has been vaxed. From that number, imagine how many people were involved who actually gave the injection. Now, do you plan on putting a bullet into each of them? Think logically, people.

Trust the plan retards don't think logically they trust the plan. nevermind the fact that the plan is murdering billions.

I don't believe any DS stats. They pull those stats out of their asses and then the Mocking Bird Media carries them. As you can see if you go back through all the articles here, following orders is not an acceptable plea. Sorry, it sounds like you have done good work, but many of your co-workers will not get off the hook as they have BREACHED the TRUST of the people. You can be glad Christine, that you were on the right side of things and I would recommend that you stay that way. The writing is on the wall here. Literally. Just sayin'

Way too much actual truth for trust the plan retards.

They will continue trusting the Cheeto vax pimp until 2/3 of the planet is dead

" Certify this man's guilt. " That would be for the US Military court and TRIBUNAL to do. Christine you are a member of the clueless sheep. As for Luke , that that up with your bible study cult.

I agree with the now part. Why wait? Our tax dollars don't need to keep treasonous people comfortable.

They can test blood samples and see if he had shots or not. They won't need a blood test to tell when he gets his next shot.

So if he is not vaccinated then get ready to safely drain down his 8 pints of blood in the following few minutes after being hung.

This gives us the appearance something is being done.

Blowing up the CV19 manufacturing labs everywhere should slow down the distribution process. Then mass arrests of thousands.

DO NOT TAKE THE COVID PCR TESTS EITHER , The covid PCR tests are essentially for cloning, the tests are considered a cloning device. This is detailed and described at the NIH website.

Just as I said, Covid PCR tests, they are essentially cloning devices, used for the purposes of cloning. Go to bitchute, hit up ” TheBigAwakeningQ – channel, the story title is ” Cloning...They Can Delete You....! ” listen to the program , A Dr. Ariyana Love gives the details and explains where to go at the NIH websites, describing the details and info on the covid PCR tests being used for cloning. Then you can take it from there, or believe what you will

Malanoski, deserve to be hanged not spare his life by jail time? Such evil people deserved to get the maximum penalty of death because they caused destruction of life and deaths to hundreds of the people....remember because of their mandates and decisions and lies....people ,old and babies and young, died. His life is not even enough of what he has done to the military members and their families! Such person must be hanged. Important thing is that such kind of person must be vanished here on earth...THE LESS EVIL ON EARTH...THE SAFER IT WILL BE...Learn the lesson from the past... in Nuremberg Court...the Leaders of evil Nazi were given new ID and sent to USA / Venezuela/ Peru....Vatican...that is why evil stayed in this world and broaden their agenda ...now called AGENDA 2030 Agenda 2050....They are criminals and murderers...why feed them for life.With their Actions. They murdered people by the hundreds... if you keep them alive...they will have a chance in the future to be freed by future evil corrupt government and they will have a chance to have evil successors/ children they could groomed! BEWARE! They must all received Death penalty!

Yes, after the 2nd world war the Nazis were tried in the Nuremberg trials. However, only a few out of the guilty low-life scum were tried and executed. They only wanted to show the world a FEW examples. This time we need to show the world MANY and ALL examples and what happens to them when they are hunted down and brought to JUSTICE. Each and every single one...and possibly their bloodlines as well depending on the situation.

From all I've learned, the Nurenberg trials were a 80% Jew run charade. Most of the holocaust never happened, the officers were mostly innocent of the accusations. Ther balls were literally crushed to force confessions.. It's always opposite day with Satanists. The real murderers were the Jews themselves, in Russia and now worldwide.

On the surface, it seems so. Remember that Gen Berger's office had already done the months of behind the scenes investigative work. It's still a joint operation. The two Generals compliment each other. I pray they continue to work well together.

Personally, I want to see these traitors hung, not imprisoned. Leniency for Paul Pelosi I can deal with because he helped put Nancy neck in the noose. She was rightly punished. These others though . . . hang 'em and save the taxpayers the cost of incarceration. That will also make room for more to be held for trial and judgment.

They are always hung within a week of their tribunals. That isn't quick enough for you?

What is wrong with next day execution? We are talking about one miscreant life that ruined or ended thousands of lives.

Not being privy to classified information, I assume the within a week is for GITMO to get the hanging platform adjusted for detainee's body mass, appointments made and inspections completed by outside authorities. Red tape & paperwork.

And they all still have to be tried for their crimes. Just because they have it all and it's a military tribunal and not civilian doesn't mean they cannot be tried and witnesses brought in to testify. I want them punished as much as anyone does, but they still have to be tried.

Hell yeah I love it when the White Hats arrest dudes I have never heard of before in my life

BTW Mike, not sure if it gets repetitive for you or your source, but I would appreciate as many details as possible, particularly with arrests, tribunals and executions. It's the opposite of boring for me, and probably most of your readers. Not because of sadism or anything like that. It is just very hard to know what is going on right now, and details help.

He is no small potatoes. He wanted to eviscerate the military, those who would protect us. He is a good catch in my books.

We were already perfectly aware that the military continued to coerce vaccination immediately After the Senate repeal.

So what where and how did they take him down. Glad to know that they are doing it hard and fast taking down the black hats. Need to get the EBS going so this movie can end and we don't need to sit through all this drama with the fake leftist republicans who play like they are working for the people but instead working for the black hats.

I wonder how much money he made off this COVID vaccine?? I bet his pockets are well lined.

Another big fish. Good. However, there are so many others. Oh, one just built a house in Hawaii on property very near the ocean. On the very property once used during the filming of Magnum P.I. series. Very easy access.

Did you also happen to notice that THE clone on the House Floor appears to be about 30 YEARS younger ..where are the turkey NECK wrinkles ?

HELLO ?

The real Nancy Pants is on ICE !

Better get those eyes checked the next time Vision Works has a seniors day. Pelosi looked exactly the same as the allegedly "dead" version.

So tired of the normies believing swap rats like this. Good to see Gen. Smith it up.

He should be used as a test subject to see which of the formulations are most lethal.....they didn't do the research so they should be the guinea pigs now. We need to know which manufacturers and what formula is most deadly and deal with them enmass and publicly.

Another evil demon bites the dust.....yay for our wonderful White Hats and our Donald J. Trump. God bless every patriot and Lord be with the families who were forced to murder their children because of being blackmailed by this monster and others just like him. All his money that he was paid will now be confiscated and he will hopefully, hang by the neck for his treason and murder. I feel sure he never allowed one of those vaccines or boosters to enter his mangy body. So he is sniveling now like the cowardly monster that he is. They were all told that nothing would ever happen to them. They didn't count on DJT and the White Hats actually arresting them and extracting justice. Thank you God for uncovering all the evil.

Most definitely.....the ugly dog will die choking to death too. I do not feel sorry for demonic thugs like him.

“On April 19, 2022, when the FDA updated their July 13 Emergency Use Authorization for the Novavax COVID-19 vaccine to include individuals 12 years of age and older, Malanoski amplified his vaccine rhetoric, telling service members they could be dishonorably discharged for not having child dependents vaccinated.

Unfortunately, some service members heeded his warning. According to our source, the White Hat partition of the U.S. military is aware of at least 15 child dependents ages 12-14 who died after getting vaccinated.”

“But the loss of life did not deter Malanoski's pro-vaccine crusade. After the House on 8 December voted to repeal Austin's mandate that troops receive the coronavirus vaccine, Malanoski

recommended that service members ignore the vote and instead follow CDC guidance, because “your lives and the lives of your family depend on your adherence to vaccine protocols.” He said that “Covid is still the greatest threat to society” and that “despite what you’ve heard, vaccine mandates are still in force.” Moreover, he threatened to deny “all” medical coverage to unvaccinated dependents.”

TURN UP THE FIRE, V.M. CRANDALL! GRET JOBS, WHITE HATS!

Fantastic work, Michael. Please keep us updated.

MB have you posted on here about the supposedly deaths of all royals? I saw a few years ago that all royals were taken out but nothing much since then. But you can definitely tell a lots is going on behind the scenes all over the world. Thanks.

I don’t follow the British Monarchy. This site is primarily centered on what’s transpiring in the United States.

Thanks. I know you are dealing with United States however it seems these intertwined events are happening all over the world . We know U>S>A was sold out in in late 1800’s but 1913 was the start of this n.w.o.

Michael can you ask if the white hats can make public where these guys pay offs are coming from?

.....and yet sheeple are still running around in masks and anxiously awaiting their next booster jab. Every one of these deep state assheads deserve to be given a “dose of their own medicine” and left to “snivel” until dead.

Agreed. I can’t believe the people still wearing masks and proud of the fact that they took all the shots and boosters.

yes, question the hell out of him, he surely knows people he can rat on, that's more swamp creatures to lock up and further drain the swamp, which is good for us.
