Každý velký pravicový zpravodajský server má v horní části svých stránek „skandál utajovaných dokumentů Joe Bidena“ a budou to dělat týdny nebo roky.

Toto je v horní části Breitbart:

# **BIDEN CLAIMS HE WAS 'SURPRISED' BY DISCOVERY OF 'BOXES' OF CLASSIFIED DOCUMENTS IN OLD PRIVATE OFFICE**

## **DID NOT KNOW MATERIALS CONCERNED UKRAINE, IRAN, UNITED KINGDOM**

by CHARLIE SPIERING |

Stane se toto:

- Republikáni budou pokračovat dál a dál a dál o tom, že „to je tak pokrytecké! Nemůžete jen tak udělat to, o čem jste řekl, že Trump byl zlý!
- Demokraté se budou smát a „ověřovat je“.

Poslouchejte: Demokraté jsou pokrytci. Nedodržují stejné standardy a ve skutečnosti žádné standardy nemají. Dělají, co chtějí, a říkají, že je to morální, a židovská média je v tom 100% podporují.

Konzervativci zůstali vypadat jako ufňukaná miminka a sedět a nechat se „ověřovat“ jako svině.

Jediný způsob, jak porazit demokraty, je skutečně s nimi přímo bojovat. Nikdy demokratům neprokážete, že demokraté musí dodržovat pravidla. Není to nic, co se nikdy nestane, bez ohledu na to, jak dlouho budete dělat toto "oooooh - tentokrát jsme je chytili!" bit.

Skutečným problémem je, že republikánské vedení odmítá bojovat. To je problém. Tito lidé, Mitch McConnell, Kevin McCarthy a jejich oddíly, nezastupují lidi, kteří je volí. Jsou otevřeně zapojeni do spiknutí s demokraty, aby prosadili demokratický program.

Když budete souhlasit s těmito stupidními skandály „demokratského pokrytectví“, posilujete tyto lidi. Milují zvyk lovce Bidena na cracky, demenci Joea Bidena a všechny ostatní tyhle unavené řeči, protože to od nich odvádí pozornost. Mezitím jsou demokraté spojenci falešných republikánů a vědí, že tyto skandály nikdy nikam nevedou (kam by vůbec šly?), takže je také podporují.

Je to v podstatě raketa a dopouštějí se jí především Fox News, Breitbart a další údajně pravicové servery, které jsou primárně řízeny Židy.

V podstatě jsem přestal sledovat Tuckera Carlsona poté, co podpořil takzvané „anální manželství“; nicméně, to musí být poznamenáno, že on je daleko a nad jediný nejpopulárnější pravicový učenec a jeho

primární fokus je (nebo přinejmenším byl) na útočících republikánských shillech.

Proto byl Donald Trump během kampaně v roce 2016 tak úžasný a poté, co byl zvolen, se stal zbytečným republikánem: během kampaně útočil na ostatní republikány a poté, co byl zvolen, začal stát na jejich straně.

To je populární. Za předpokladu, že lidé dostanou na výběr 1:1, rozhodnou se zaútočit na republikánské šiky přes demokraty. Obvykle však nikdy nedostanou na výběr, protože média jsou tak zaměřena na kruhové rozhovory. Není důvod, aby zbytek konzervativního mediálního ekosystému nadále prosazoval tyto vyhubované pokrytecké skandály. Mnoho lidí zapojených do konzervativních médií ve skutečnosti vypadá opravdově – právě teď myslím na Dana Bongina, kterého občas sleduji na Rumble – ale plán konzervativních médií je stejný po mnoho desetiletí a je to velmi snadné. ladit se zavedeným modelem.

Kdykoli jsem mluvil o marnosti těchto pokryteckých skandálů, republikáni se spustili a začnou prskat: "Ale demokraté to pokrytectví udělali!"

Vím, že ano. Každý ví, že ano. Vědí, že ano. Myslí si, že je to vtipné. Podívejte se na liberály na Twitteru. Jen se vám vysmívají, když na to poukazujete. Je jim to jedno. Hrají špinavě a vyhrávají a jsou dost chytrí na to, aby věděli, že politika je hra s nulovým součtem a vítězství je vše, na čem záleží.

Neříkám, že „musíme hrát špinavě jako oni“. Zaprvé to moc nepodporuji, ale i kdyby ano, je to jedno, protože průměrný republikán by to nepodpořil. Upřímně řečeno, většina špinavého jednání demokratů je výsledkem jiných špinavých jednání a skutečnost, že celá levice má tak vyšinuté cíle. Pravicové křesťanské hnutí nemá potřebu hrát špinavou hru.

Můžeme dělat poctivost nebo cokoli jiného a přesto vyhrát.

Nemusíme hrát špinavě jako oni. Vše, co potřebujeme, je vybojovat proti nim totální válku. Naše agenda je mnohem populárnější než agenda demokratů „transnie a nekonečné války“. Pouze 10 % země

podporuje tyto „probuzené“ věci. Samotní demokraté to ani moc nepodporují. Vítězství by nemělo být těžké. Jediný důvod, proč prohráváme, je to, že máme lídry ve správné politice, kteří jsou zrádci, kteří otevřeně spolupracují s demokraty.

Prosím, přestaňte se zabývat těmito hloupými rozptýleními. Ve skutečnosti zavolejte lidi, kteří se podílejí na těchto hloupých rozptýleních. Lidé, kteří stále a dál o těchto pokryteckých skandálech umožňují Mitche a Kevina, a tím umožňují šílené plány demokratů.

Liberal policies are increasingly looking as though they are being dictated by cenobites.

Nejenže by Kevin McCarthy neměl být předsedou sněmovny, ale měl by být i obviněn. Všichni jste byli svědky toho, jak demokraté vystoupili a postavili se na stranu republikánů na podporu McCarthyho. Opravdu věříte, že jejich primárním zájmem je slušnost? Je to jejich chlap. Líbí se jim, když mluví o „ale proč Hunter kouř praská šlapkami a pistolí???“ Líbí se jim, když v kruzích mluví o zbraních nebo potratech.

Všechno je to gigantický podvod, navržený tak, aby vás rozptýlil, zatímco se agenda tlačí kupředu. Ani bych se ani zdaleka nedivil, kdyby Bidenovi lidé účelově udělali tento skandál s dokumentem a pak ho propustili do médií. Absolutně, objektivně jim to prospívá. A few citizens making examples of the worst offenders will do wonders.

Remember, the citizenry IS the government. If the elected officials won't do it, then the burden is on the general public.

A few acts by Vigilance Committees will motivate the officials to do their jobs, lest they become targets of vigilance themselves.

They love Hunter Biden's crack habit, Joe Biden's dementia, and all of the rest of these tired talking points, as it distracts from them.

They love it because Rs are pointing out they can get away with hypocrisy. Backhanded fluff pieces.

“Yes, we can afford to have no principles at all. Nobody can call us to task. Thanks for noticing!”

The main problem with Republicans is that they're left-wing. They may be microscopically less-left than full Ds, but ultimately they're committed Egalitarians, same as their alleged opponents. They're playing the same game; Ds win because they play it better and more devoutly.

This is also Tucker Carlson's main problem. He's Egalitarian. Sure, he's so far less-left you can just about fit a sheet of paper between him and Demobrats. Relatively speaking: wow! You can just about see daylight, at the right angle! In Reality terms, it's absolutely a nothingburger. He's part of the problem.

E.g. he refuses to assert DC is illegitimate. That's true – he does. Which is a problem, because it is. It's a hostile foreign occupation force relative to regular Americans.

Tucker keeps trying to pressure DC to become friendly and legitimate, or, to call a spade a spade, he wants to seize the usurper-positive traitor regime and become head traitor himself. He's just especially bad at it.

The alternative is to accept the enemy is the enemy, then secure yourself against it so you can mind your own business. Take it for granted that DC is in the way, and has to be shut out as much as possible. (It's weak, so this is extremely possible.)

Further, the act of giving a shit about Rs and Ds is itself a batshit rabid leftism. Excuse me, since when did congress matter? I'm sorry, *what* now? It's theatre. These are actors. They don't make decisions. Insofar as they have a real job, it's to take the blame so you're not tempted to go looking deeper.

Triple kudos for such clear thinking! Well said!

Yes, the elites LOVE it when we beat each other up over fluff like Hunter Biden's laptop. Meanwhile the surplus population of the third world is being allowed to freely invade us, something which WILL destroy the nation as any kind of broadly-prosperous and stable society. But the rich will make more money.

The overturn of Row V. Wade – though I understand that some people will have legitimate reasons for celebrating that – but the Supreme Court did this not out of any moral or legal basis, but because it will troll the masses, and give a major boost to the Democrats – now the primary party of Wall Street and War.

Pointing out the hypocrisy of the Democrats and their “liberal” base will eventually drive you insane. There is no cure for it. Even talking to these people will drive you nuts because you are talking to nuts. Facts don’t matter. Symbolism is all that matters to them, and the Democratic Party is more than happy to keep serving up their symbolic bullshit. If you point out a fact to these people, they will either change the subject, or they will get purple in the face, their eyes will bug out, and inform you that they are liberals, or failing that, they will just get up and leave. The main weapon of the Democratic Party is to create division and hate. Makes it easier for them. They want you to hate blacks and brown people. This is why Gruesome Newsom came up with reparations. Or look at the favorite reductive insult of the day – “anti-vaxxer”. They love using that one though it’s starting to get a bit threadbare. No matter, there is always something else to create division and hate.

The real problem is that the Republican leadership refuses to fight. That is the issue. These people, Mitch McConnell, Kevin McCarthy and their squads, do not represent the people who vote for them. They are openly involved in a conspiracy with the Democrats to forward the Democrat agenda.

Indeed. Complaining about this stuff is exactly like complaining that the refs seemed to favor the Harlem Globetrotters over the Washington Generals. Doubtless a globalist conspiracy, there.

At a ceremony to commemorate the anniversary of the “January 6th Insurrection” (LOL) the guy the Democrats nominated to be House Speaker got up and talked about the 5 Capital police officers who were killed as a result of events on January 6. Attorney General Garfinkle put out a more subtle tweet later that day talking about the 5 officers who lost their lives since January 6 (I think the word he used was “aftermath” or something like that). He was using a suicide, a stroke, and a guy who was run over by a leftist negro a few months later to basically lie while not technically committing perjury.

My point is that you can't shame people who have no shame whatsoever and who are in fact psychologically damaged to the point of being genocidal maniacs. These people celebrate the death of Ashli Babbitt, who, unlike the aforementioned cops, was actually killed on January 6.

During the Cold War, there was this concept known as “Mutually Assured Destruction” or MAD. There was a strong disincentive for either side to push the button because they knew they'd get nuked too.

Now, in 2023, Dems know they aren't going to be “fact checked” or prosecuted for anything, so why would they care? We see this with the election fraud. The only reason both sides agree to measures against election fraud is if there is a more or less bilateral fear of fraud, so it's therefore worth it to save the time and money involved in post-election grievance-making and litigation and just make it, you know, a battle of ideas. Dems know their media won't report on or investigate ballot fraud, and most libs frankly don't care because they are sociopaths, so why not cheat?

“Liberal policies are increasingly looking as though they are being dictated by cenobites”

There are two definitions of Cenobites.

1. One of a religious order living in a convent or in community; a monk.

2. extra-dimensional beings who were once humans, then mutilated and brainwashed into torturing humans for all eternity.

((See Hellraiser franchise))).

<https://cenobite.fandom.com/wiki/Cenobite>

With global chaos at an all time high, I’m positive you mean #2.

We have been tormented by extra-dimensional beings hunting us for extinction since pre-mortal time, when our ancient alien ancestors transported us to earth for protection eons ago.

We have cornered Leviathan, god of Hell, and his Hellraiser mutants in a finale battle between dark and light in the universe.

Democrats vs Republicans or Demons vs Rats, what's the difference? That is a 666 dollar question.

Democrats are demons and will torment you until death, then follow and torment you into the afterlife for all eternity.

Republicans are rats and will eat you alive until there is nothing left of you to eat, as your soul is gnawed for all eternity.

They are playing dirty and they are winning, and they are smart enough to know that politics is a zero-sum game and winning is all that matters.

But exactly what are they winning? Their *agenda*?

What good is their agenda if it doesn't help them run the social institutions of the civilization their power now controls? A civilization more complex and unpredictable than ever before in human history? Winning? Sounds more like a Pyrrhic Victory.

Trying to *Save the Country* at this point would be like trying to unscramble an omelette in the kitchen of a ship going over a dam that's about to break. An act of insane stupidity.

AA has his laser pointer on something here, but I'm not sure he's described it adequately.

The problem with the conservative agenda is that it calls on the authority of Truth. Examples:

1. You can't spend money you don't have without hitting a very solid wall one day,
2. Your relations with the other nations of the world ought not be driven by arms producers,
3. Killing babies before they're born means national suicide,
4. It's not good for national virtue to hold vice up for admiration,
5. Celebrating diversity ruins unity,
6. Government corruption costs every citizen,
7. Jesus is the Way, the Truth and the Life.

These are all conservative principles, but self-discipline and mental acuity are necessary to assert and defend them. Liberals celebrate the lack of mental acuity and self-discipline. They call them white supremacy. That's where the debate ends, so far as the general media is concerned. There's no way to win any argument supporting Truth, if you think it has to be won in the media.

Democrats recognize no Truth and no order, so declaring something to be true or properly ordered is always met with ridicule. The fate of a nation that's fallen into that thinking is terminal.

I was wondering about this myself. I think the explanation is this- It would have been a P.R. black eye for McCarthy to get elected with Demonrat support. He wouldn't get that support without big concessions and the Demonrats who did this (even with the secret support of their leadership) would all get a lavishly funded Soros stooge for a primary opponent.

That's my theory and I'm sticking to it.

Exactly. There is no backlash. Talk to anyone who is not in Twitter, the reaction is, "Huh". The MSM has succeeded in simply pretending it does not exist. Now the same technique will be repeated for every revelation from Musk. That way, Musk has lost.

Putin succeeded in breaking the hold of the fake pandemic, but failed to cause enough disturbance in the matrix to wake the slumbering dummies into awareness about what is happening to them; **now Musk has also failed**, the MSM has blunted his shock value, and defeated any new revelation of corruption on Twitter, by turning it into an isolated echo chamber; the final option is only the collapse of the petrodollar-dollar. Lets see how that works out. But I am not hopeful. The WEF and such other scums of the world have started strutting about once more; that paragon of human kindness, Mr Gates, is once more out, warning us about, surprise, surprise, the next pandemic. There were no pandemics for a century, now we have one every six months, but there is no conspiracy here, right?

I think God is taking a lunch break, and has left this simulation on autopilot.

*The real problem is that the Republican leadership refuses to fight. That is the issue. These people, Mitch McConnell, Kevin McCarthy and their squads, do not represent the people who vote for them. They are openly involved in a conspiracy with the Democrats to forward the Democrat agenda.*

I say:

Kevin McCarthy and Mitch McConnell are evil and demonic politician whores who push mass legal immigration and mass illegal immigration and amnesty for illegal alien invaders and they will do everything in their power to hinder and crush AFFORDABLE FAMILY FORMATION for White Core Americans.

We are now in an extended period of omni-directional beligerence whereby insurgent political parties and factions will hammer the crud out of the ruling class of both parties while pushing new agendas and story lines. The evil Republican Party donor-controlled treasonous filth such as Mitch McConnell and Kevin McCarthy must be rhetorically attacked when they push for policies injurious to the interests of Whites as Whites and once again IMMIGRATION is the GUT issue that brings home the bacon by activating the FIGHT response in the brains of the beautiful and sweet and patriotic GOP voters.

White Core Christian America loves most of the regular GOP voters — the ones that are lovable, anyways — but the evil Republican Party scum like McCarthy and McConnell are filthy treasonous politician whores of the worst sort.

GOD BLESS AMERICA

WHITE CORE CHRISTIAN AMERICA RISING

IMMIGRATION MORATORIUM NOW

DEPORT ALL ILLEGAL ALIEN INVADERS NOW

DESTROY THE EVIL GOP RULING CLASS NOW!

What “blackpill” nonsense!

This is NOT the Republican Party of years gone by. These are solid America First patriots who just took away the power of the speaker-ship and are about to destroy “Biden” and the entire Deep State.

What’s happening today was foretold by Q as far back as 2017. It is all about to come out.... child sex trafficking, Ukraine corruption, stolen election, satanic cults in high places.

Wait n see

America is Satan—by their fruits you shall know them. Proverbs 6—there are 6—no 7 things the Almighty does not like and as you start with that” proud look” down to “feet fast to shed blood”,— All 7 are USA trump cards.
