Námořní pěchota Spojených států amerických v pátek zachránila generála Davida H. Bergera z „útočiště“ Ústřední zpravodajské služby v severovýchodní Kalifornii, uvedly zdroje z kanceláře generála Smithe pro Real Raw News.

Jak bylo uvedeno dříve, generál Berger se ztratil 6. ledna poté, co opustil Camp Pendleton v 18:30. Jeho zmizení vyděsilo White Hat, protože generál Berger charakteristickým způsobem informoval

osoby v řetězci White Hat, pokud má v plánu zahájit prodloužené sabaty. . Poté, co uplynulo 36 hodin, aniž by o něm slyšeli, mariňáci systematicky prohledávali oblast Camp Pendleton a přilehlá města a zalesněný terén, zda nenašli stopy po něm nebo jeho vozidle. Jejich úsilí se však ukázalo jako marné. Zaměstnanci Camp Pendleton monitorovali frekvence vymáhání práva, zda se nezmiňují o vyznamenaném důstojníkovi námořní pěchoty, který havaroval s autem nebo se objevil v místních nemocnicích. Mezitím kybernetické velení americké armády a kyberprostorové velení sil námořní pěchoty prozkoumávaly klábosení Deep State v naději, že získají nějaký přehled o tom, kde se generál nachází,

V pátek 13. ledna pozdě večer chytli přestávku.

Podle našeho zdroje bývalý strašák CIA kontaktoval kancelář generála Smitha se znepokojivou zprávou: Generál Berger byl unesen a vězněn v úkrytu CIA poblíž Cedarville v Kalifornii, asi 600 mil od Camp Pendleton a 10 mil od hranice Nevady. Agent, řekl náš zdroj, poskytl skeptickému generálu Smithovi nákres bezpečného domu a podrobnosti o jeho bezpečnostních opatřeních – nebyly to monolitické stavby bez oken z cihel a malty často zobrazované ve filmech, ale spíše skromný a poněkud zchátralý statek na 10 akrů větrem ošlehané půdy.

Agent řekl, že farma má nerozbitná okna, vstupní systém s klávesnicí a 4-6 agentů CIA v prostorách. Tvrdil, že nezná vstupní kód.

"Když se ho generál Smith zeptal, proč chce pomoci, ten chlap řekl, že pár lidí v agentuře se snaží udělat správnou věc." Nemohl nebo nechtěl poskytnout informace o tom, jak a kde k únosu došlo, ale trval na tom, že generál Berger tam byl a je stále naživu, ale možná ne na dlouho. Řekl, že generál Berger by mohl být přesunut nebo odstraněn," řekl náš zdroj.

Přestože byl generál Smith vůči pastím podezřelý, okamžitě vyslal průzkumnou četou, aby se na farmu podívala. Vzhledem k tomu, že čas byl důležitý, byli mariňáci převezeni na palubě V-22 Osprey na pouštní mýtinu několik kilometrů jihovýchodně od farmy. Potom šli pěšky a zastavili se jednou dostatečně blízko, aby přehlédli cíl, aniž by byli spatřeni.

Po obvodu procházel jediný strážný v černé taktické výstroji.

Zapaloval si cigaretu, když na něj přepadl mariňák a přidržel strážníkovo hrdlo čepel K-baru, řekl náš zdroj. Při ohrožení zadá zbabělý hlídač kód dveří a umožní námořní pěchotě přístup do interiéru.

"Uzavřeli mu roubík a řekli mu, aby je odvedl ke generálovi," řekl náš zdroj.

Zajatá hlídka je nejprve zavedla do kuchyně, kde u stolu seděli dva muži v tmavých oblecích a pili kávu. Mariňáci je zastřelili pomocí umlčených ručních zbraní. Podobný osud potkal i dvě strašidla podřimující na pohovkách.

V ložnici v patře našli generála Bergera v bezvědomí. Levé oko měl černomodré, oteklé zavřené a obličej mu pokrývaly tržné rány. Někdo ho znehybnil tím, že ho připevnil k posteli pomocí řehťáček. Pokusil se promluvit, ale jeho slova vycházela pomalu a podivně, jako by byla zdrogovaná.

Nejsilnější mariňák zvedl generála Bergera pomocí hasičského vozíku a skočil 2 km s generálem přehozeným přes ramena. Přeživší agent CIA byl vzat do vazby jako válečný zajatec.

Generál Berger, řekl náš zdroj, byl převezen na bezpečné místo k ošetření ran.

"Byl bit, mučen a zdrogován a zotavuje se," řekl.

At these trying moments in history, why would you even consider bringing up ways to make more money..... please try to care about these stories and the people who have been hurt

If Delavic was really making that much money a month, he'd be on vacation in the Bahamas not here at real raw news making a fool of himself! lol

That's not the real delavic, it's a bot. The real one is a patriot and it is easy to tell the difference by what they post.

The more people feed into these scumbags by replying to them or marking their comments down...just feeds into them as they are then getting the attention they crave. We should all ignore them.

Don't reply to this retardo simpleton, because he's not human either and probably a thrown out reptilian clan that can't find his way back underground because of very low IQ...

As I reflect on every thing I have Witnessed .'All of their actions they have taken against Us.

I can only come to the Conclusion that If there is only .

10-15 percent of Good Guys in all Of the Agencies-

By Us the Common People!

Michael – there has to be a way to remove the links from these posts so this asshole can't post these bullshit postings... And you can certainly run batch jobs to take out the posts along with putting post protection schemes in place that a human must solve to complete the post... Fix this please.

CAPTCHAs won't work because they will (eventually) drive away all the posters who don't want to deal with them. While that happens, the bad guys will use computer scripts to farm the CAPTCHAs out to ultrapoor online people to complete for 'pennies per thousand' and send the answers back so they can post their spam. This is how criminal commercial bulk emailers were able to get so many throwaway accounts at free email services that used the CAPTCHAs to keep the spambots out from signing up for them.

Actually, since 2006 it is now impossible to stop fvckery like this because hardware 'backdoors' were deliberately built into PCs by the bad guys since then to do stuff like this. Please read my comment

#371410 at the RRN story 'Inside Biden's Billion Dollar, Drunken Gala Dinner' for full details, it is VERY important.

Glad Berger was rescued ... that being said ... when are you so called white hats going to admit that you have **no intentions what so ever** of taking action and **publicly address** the election fraud that took place in **THREE** different elections.

Your **"investigation"** is over and you decided to do **NOTHING ... WHY?** Some of us aren't nearly as stupid as you hope. It's obvious you will take no action. You have MB report all these side stories hoping we will forget about the fraud and the fact the congress is illegitimate. That's not going to happen. You want the election fraud machine to remain in place. Admittedly some folks will be willing to let it go and tell themselves things will get better after the next phoney election.

I don't care how many great side stories you give to MB to report until you **PUBLICLY** take action against the illegitimate congress you are guilty of **TREASON**.

STFU you don't know what the hell you are talking about! Our military is NOT thoughtless hothead like you and if they ever acted as YOU suggest we would lose our country big time. There is a season and a timing to everything here and its gotta be done right. These are men not God. Have respect for God's sake. They are the ones who have all the intelligence.

Oh so people sitting behind their computers risking nothing, suffering nothing, are "tired of waiting" so these brilliant, brave patriots should jump to your orders?

The normal people don't have the means or support to do anything alone that's the point. We would need some public evidence or statement or public plan before we can get involved. I have a great

idea though, let's go and storm Congress in Feb 6th. Just like the Jan 6th occupation and then get shot and put in jail for a few years. See you there Jan?

Sorry, count me out. Faithfulness is heavens' badge of honor and one day, I will be given that badge. Allow me to remind you that true faith doesn't waffle but remains steadfast through thick and thin.

Blessings,

Inasmuch as this war against humanity began 7 thousand yrs ago, yeah....waiting on God's soldiers to whip the devil, capture ALL the demons here AND worldwide isn't fair to those of us sitting on our butts, reading the progress reports while millions of patriots are on their knees fasting, praying, and using their skills to hold the line while our soldiers are fighting in the shadows, underground tunnels, and corrupt courts. These battles have not been won without casualties. God protect our white-hat army and those patriots in the hot zones, those who risk life & limb to save our country from this great evil. We watch, wait, and occupy, knowing victory is guaranteed. God didn't bring us this far to abandon us, now...Amen

Impatient people lose strength when waiting. Patient people gain strength while waiting. Take your pick. You chose who you will be.

Yeah, let's see what you will say after 2 years (if RRN is still alive till that time unlike twisted truth — MBs another "channel" about Annunaki and aliens).

Seriously, have you seen even one shred of evidence the White Hats are in control, and EVEN ONE of these articles, though we might like reading them and hope they're true, is also true? One shred? I mean seriously, facts matter, and I see NOTHING in ANY of theses articles proving them true. I'm hopeful but not naive.

Jan it amazes me how many people up tick the ignorant statements of those unaccepting of what must be done in this huge world war III. Their lack of patience also pisses me off when they also side with

Paid Shills & Trolls

The bickering going on just shows how low humanity has fallen. The Cabal know that if they can destroy 'the humanity' in the human, they've won.

The Illuminati are as thick as thieves, which makes them strong. We must be the same. To do that, needs trust and patience.

#WWG1WGA

Jan, we have a saying in TX 'If you can't dazzle 'em with brilliance, baffle 'em with bullshit.' That's all MSM has! Amazing how many 'baffled' misfits spread BS as bots on Truther channels.

You're not lying! I hate it when truthers are controlled opposition. They spew the same bullshit the MSM fake news journalists do. And I found out one alleged truther who trashed and lambasted President Trump, accusing him of not fighting censorship when in reality he signed on EO for Section 230; he didn't even bother to check that Section 230 was still in effect until China Joe revoked that EO after he stole the White House, and he was acting with the Twitter trolls to suspend people's accounts (like Alex Berenson, I think), violating our 1A rights like Zuckerberg and Dorsey and Parag and Sundar Pichai and Susan Wojcicki until Musk took Twitter over and exposed all their shit. All it took was a little Google search and one can find that Section 230 was invoked by President Trump and later revoked by the shitter-in-chief. He missed the revocation part. A little thing like that proves his incompetence and even subterfuge to fool the populace. Anybody can overlook something, but it takes nerve to deliberately lie, thinking everyone is a bloody idiot.

It would take a very sick person to spend his life writing fictional stories just to trick and laugh at us patriots. I guess nothing's impossible.

Dumb statement and yes I have plenty. It's obvious you have no idea what this **war of wars** is all about. And how / why it must be different than any other war the WHOLE WORLD has ever experienced. Do more research.

RRN has a very good reason for being.

None of this bullshit is true. Even worse now you've got that dumb fuck Charlie ward telling people that the "white hats" lol are in control of the financial system and now all of a sudden the digital currency is a good thing that we should accept. Thing is it's the exact same thing as the other system of digital currency and the exact same thing that the rothchild/rockerfellers want put in place setting up China/Russia as the new world dominant powers exactly like the cabal has planned all along. It's the same old bullshit they always use good cop/ bad cop, create the problem, present the solution THEY want. They have written books about it, all of this huge psyop is designed to create mass depopulation and guide everyone where THEY want us to go, into death and slavery. How fucking stupid do you people have to be to keep falling for it over and over and over and over and over ????????????????

all of you clowns saying nothing is being done need to piss off! there is so much proof stuff has happened, you have cognitive dissonance. go cry else where

I see plenty. I see Biden exposed for a crime they accused Trump of. I see more people waking up to the bioweapon and taking legal action.

I see the media floundering. To name a few.

Are you aware that 80% of the American people still havent woken up? What will it take to awaken them?

The Alliance doesn't want war so they're playing this out until a higher % of the people admit enough is enough.

On the issue of Pedo-joe Biden being exposed on his possession of US Government Classified documents, it has been reported that started with a whistleblower at the National Archives, NOT a White Hat op. Legal actions against the bio-weapons started in Europe quite some time ago, not a new revelation. Your figures regarding 80 percent of the American people having still not been woken up. Where did you conjure up this figure? I sense it is way off significantly, possibly 40 percent there about, and that is just my estimate from other data. As for the ALLIANCE, I have not seen any statements , press releases, much of anything to know what it is , they want. I do know there are efforts underway, I have been aware of a WAR going on within the various factions of our government and outside entities since very early 2012. I will leave it at that for now. Take Care

Just stay where you're at. If you don't see even a shred of evidence it's almost a certainty that you won't see any going forward either. Seeing the evidence is for those with spiritual eyes open to see it.

We've all experienced looking for something that was clearly right in front of us & didn't see it. That's what's happened to you. But it's not all your fault. You had help. There are tons of people out there spewing only negativity about these things – which is what you've obviously become overtaken by – because it's that negativity that feeds the cynicism that's blocking your ability to see.

Next you'll be tempted to respond by citing all the evidence you've been collecting to the contrary. That's the problem. You've been collecting evidence to the contrary & giving it more weight than evidence that supports a phenomenal outcome. So much so that it makes all the victories seem absurd to you – as if they never happened & by extension will never happen.

Good luck with that narrative. It's the way that people get into hell. Believe everything satan says & does & nothing of what God is saying & doing. Works every time.

Read the conviction of Stephen Hahn article. There's your promoter of the jab. Your TDS is getting old. Get help.

So why are you giving out "your" intelligence? Its been 2 years since 2020 election, and all we have are words. Not ONE single thing shown. It doesnt have to be Gitmo pics, but something like pictures of everyday people like Ruby Freeman and her daughter, duplicating votes illegally, getting arrested! Wheres that at? Everyone seen the videos of them doing it when counting was supposedly stopped for the night! They have to be held for that, and theres no proof that Ive seen, that they even took them in. Just ordinary people, and nothing about it.

We need something real to see, not pacifying story telling Two damn years since the steal, NADA. How easy is it for the elites to keep moving their agenda, when we are told, everythings fine, trust the plan. "We need misinfo out there to fool the cabal". "Stay home dont cause trouble, thats what the cabal wants". SO basically, sit back do nothing but read stories, as they could potentially be surrounding us for the kill!

ALL of us paying attention are more than ready for this to become more kinetic, more visible, but all you need to do is look at what's already happened to see that we're close to the public at large knowing what's happened. Nancy Pelosi stepped down from Speaker before the election. If you know anything about her, you know she would only do that via coercion. Funny how a tight rope around your neck can really clear one's mind. They voted 15 times and forced concessions on McCarthy. They discovered TOP SECRET documents in the non secure possession of "Joe Biden" from when he was VP and did not have the clearance to possess them. That's just recent developments, these signs have been available all along the way. This operation has been ongoing since November 1963, and finally we're part of it! YOU may sit back and do nothing but doubt, you may have noticed however, the huge groundswell of Patriots peacefully gathering in big numbers to encourage and inform others where we

are headed.

I had doubts too when this all started, but there is WAY too much evidence confirming incredible stuff is happening!

Get out there and participate, it is invigorating!

Thank you so much, Monte. An inspiring and validating way to understand and “hold” our current situation constructively and prudently. Maybe all those so impatient for things to change should consider that the more well positioned we are the less chance of carnage and death. The more chance of a victory. For those more impatient consider binge viewing of Gone With the Wind, Apocalypse Now or the almost endless other films, plays, books and narratives of agony of those who give their lives and limbs for us in battle. Let alone the certain carnage that will occur to the culture and civilization which we are used to and take for granted.

Replace impatience with gratitude and prayer or other commitment to support those who are working for our collective peace and safety.

A facinating time to be aware of the political arena, national and worldwide. Good Post, thank you!

Right. The mother and daughter from Georgia. Not a single peep about them. Deep state burial.

NO. What the cabal wants is lots and lots of patriots on ‘watch lists, in jail, or dead in the streets while their families struggle to survive without them. Yeah, that’ll certainly move this war forward. OK, pal, YOU go first. We’ll follow you.

So much is going on and so fast, One person cannot keep up with everything everyday. If you don\’t see it, you probably never will.

Well explain to all us hothead how we would lose our country big time if the military upheld the Constitution. That “timing” is nothing more than a BS excuse. Doing it right would mean upholding the

Constitution which I don't see happening. Yeah they have all the intelligence which "we the people" have a right to know ... so explain it to us.

For the IDIOTS here and I'm not saying you just in general there is tons of proof, being patents and contracts , PROVING that it is in FACT our own military behind ALL OF THIS SHIT !!! WAKE THE FUCK UP PEOPLE !!!

Yes our US Military through the establishment inbreds and powers by way of the Military industrial – intelligence – financial – media COMPLEX. DARPA and US Bio Weapons Research have been the prime sources behind the weapons and technology being used against the American People and Global humanity , this is FACT. there is NO DENYING THIS FACT. Both DARPA and US WEAPONS BIO RESEARCH conduct their operations through Universities , colleges , US Government National Labs and Research FACILITIES as well as PRIVATE and PUBLIC CORPORATIONS throughout the United States and other facilities outside of the United States as well. This is NOT a MONOLITHIC ENTERPRISE by any means. Most of this research , development and study is COMPARTMENTALIZED, and much of this organized through US Government bureaucracies and private think tanks, foundations , such as the RAND CORPORATION , BROOKINGS INSTITUTION etc. . Those entities operating CRIMINALLY, IMMORALLY and AGAINST THE UNITED STATES of AMERICA , THE AMERICAN PEOPLE and GLOBAL HUMANITY can be IDENTIFIED and HAVE BEEN IDENTIFIED.

OK. So you're saying our good military(the white hats) should bypass the weaponized State Dept, which consists of ALL the judicial branch, including the FBI & courts and challenge the bad military(black hats) in the streets with live bullets? What could possibly go wrong with that? Americans killing Americans would be a great Red Flag photo Op for MSM's propoganda to the world. If and when the world sees our military killing each other in the streets, we'll be invaded from every direction.

Oh BS no one is going to go out in the streets to kill because satan worshippers, pedos, and war criminals are arrested. How could there be a corporate media photo op if the military shuts them down ... and turn on the EBS ...tell us that. Nothing you stated supports the lack of action by the so called white hats ... just more bs excuses.

I'm done with the petty excuses ... I will continue to point out the so called white hats lack of action in regards to the illegitimate congress and fraudulent election they have no intentions of addressing.

“We'll be invaded in every direction” ... yeah ... right.

Divided we fall into their commie hands, united we stand strong and win on the right side.

Ultimately it will must definitely come down to Americans killing some Americans. Ruby just what do you think has been going on this whole time? Do you comprehend what is happening? You need to think about some things.

The system will not let me like your comment Soulscry.....so sorry, but I agree, so much going on and the order of things is very important, and we must not slaughter with words those who are working fearlessly night and day.....

Spot on Soulscry. This is a military op and it's based on mission success not time.

Whinge all you like spiritoo but when you've got 54% of the freaking world population to arrest it's going to take some time! Also, success depends on getting them all. Yes, people are dying, and as tragic as that is, this is war and there are always casualties in war.

Buckle up buttercups.

So they are arresting over 4 billion people?

Yet there is zero evidence of even one arrest?

You shouldn't have taken trumps vaccine .

Damn you're a pathetic weak coward.

If it was up to you this would go on another 6 years and 2/3 of the country would die from the vaccine

It's called 3 D chess, Biden was executed in 19 and insurrection act was signed before Mr T left office which enabled him to stay as the current commander in chief. They arrest the Democrats , rhinos and corrupt politicians and child traffickers behind the movie show on tv. Have faith, all is going to be disclosed soon with the EBS.

Nah man, then will just keep making more clones to fulfill their evil deeds. The media will act like they are still alive and no info will reach the mass public. For real, if Biden is really dead does it make any difference at this point? They have clones and look alike. Most of America believes that that senile old man is sitting in the white house. This is becoming more and more hard to believe all the time. There is a huge list of people who have supposedly been arrested and dealt with, but why haven't we heard about their assets being confiscated and used to our "white hats" benefit? How much money do you think was in the Clinton foundation? I don't know the answer, but supposedly the witch was hung and somebody got Bill while he was locked up. What happened to their house, their bank accounts, and whatever land they owned. If the Clintons are dead, why wouldn't we sell their house and buy more rope to hang these criminals?

Some happenings on the Satanic dem's side are getting air time in the MSM circles. Mostly about ZBrandon. If they are putting him on the chopping block, which it's looking more and more so (to me), is the cabal getting him out of the way. I mean all of a sudden classified documents have shown up in 3 locations and no mention of the White Hats raid. Sounds like these documents are being planted by his side to "be found".

Pure speculation on my part. I want to see all of them OUT, not replaced with another THUG.

I agree, I expected things to go faster.

On the flip side, I read how it “seems to me” that Iraq has been dragging their feet and suddenly they are questioning this “money ratio exchange” because it will cause inflation in their country and the Iraqi’s will be angry and riot in the streets. Just the opposite of what I have been reading, “the Iraq people are so happy they are dancing in the streets”.

Guess one man’s happy dance is another man’s angry riot.

Or, it’s all speculation on everybody’s part.

The report Iraq just put out says the new bills have “not” been provided to their Parliament to be voted on, maybe February or March.

The ONLY thing I know about governments is they are crooks. I say if Iraq can’t get their affairs in order, leave them out.

I am expecting all sorts of reasons why they have to be included. Fire away.

No, but it never does. Biden is just a puppet, but so was Obama, W, Clinton, Herbert etc. US presidents can either be puppets of the Derp State or they get assassinated in one way or the other. People who are in a hurry are new to this. The fight has been going on in its current form since 1913. And that is a new form of the old fight Americans have been fighting since 1776. Others too, and Russia first and foremost. But the USA is also a hereditary enemy of the Empire. It wants revenge on you for defying it 250 years ago:p.

The problem the Derp State has is that it took all their attention to destroy Russia in 1917. Then it took all its attention to destroy the USA and Europe, and meanwhile Russia has been resurrected. Their game of whackamole is very big.

Thanks for mentioning Mr T ! I loved him on The A Team & The Rocky Franchise ! Never thought he’d make another starring role but **isn’t it about time he reprise The White House role ? Or at least move The White House to Florida ? ? I cannot**

afford to give him gold chains but since I worked tow truck in Chicago winter would tire chains for snow & mud do ? ?
Nick , NavyBlueSmoke , LST-1195

While the “elites” are at Davos right now having their meetings. Aren’t these the heads of the snakes that we’ve been told, have been taken care of?

It’s not 3d chess ... it’s BS ... we have no hard evidence their have been arrests of the corrupt ... only what we have been told.

No I don’t have faith with all the lack of public action ... the people have a right to know what is happening. I’m one of those crazy people that can only go by what people do rather than what they say. I can’t seem to help myself. Is there any hard proof that the Insurrection Act was enacted? If so why does the military have to wait for Trump? Wouldn’t it give them control?

There is that dirty four letter word again ... “soon” ... they are not going to activate the EBS ... they would have done so by now.

Enough of behind the scene ... time to go public.

He was far enough along back in 2020 ... just another BS excuse ... they have no intention of activate the EBS ... they would have done so by now.

This went to SCOTUS and they voted no. I heard they are being blackmailed and threatened by certain congressional leaders and others. They are apparently “playing ball.” I wonder how gutsy Trump would be in clearing out the Deep State in government. I don’t believe there were a lot of members of Congress arrested as was reportedly supposed to happen. Personally, I am tired of investigations – I want to see action before I die!

Nothing went to SCOTUS and was decided on. I’m assuming you’re talking about the Brunson case that they looked at in conference and said there was no standing. So they didn’t vote no on the case they

only voted saying they wasn't going to hear it. Big difference. It's now being filed asking them to reconsider but we all know all courts are corrupt and won't do anything. So we will see if the military actually does anything or we find they to are too infiltrated and corrupt also and in that case then I guess it's a free for all on them all.

Last edited 9 hours ago by GTRPATRIOT

Same here ... I am weary of all the excuses it's time the white hats admit they have no intentions of addressing all the election fraud that has taken place throughout the years ... they obviously want the fraud machine to remain in place.

I knew going to the SCOTUS was a waste of time just like their so called plan B they said they will go to which will also be a waste of time. The SCOTUS is clearly corrupt and it is no point going to them with a plan B.

Enough of the behind the scene BS ... time to let the people know what is happening. Time to go PUBLIC.

So many people are acting just like the Israelites after they were freed from the Pharaoh: complaining, NOT TRUSTING GOD, bitching moaning, groaning, continuing the blame game. Its just not happening fast enough. Not bothering to pray. Blah, blah, blah. None of us know what the military is contending with behind the scenes. That goes for President Trump, too.

“None of us know what the military is contending with behind the scenes. That goes for President Trump, too”

That's the problem we the people have a **RIGHT** to know what is going on.

Ruth

I totally agree with you-I put justice on my bucket list. I gave been totally awake for 40 years and never thought I would even see a

glimpse of justice. I would go to my grave satisfied if it would happen.

God draws them all out for destruction. That includes DJT and whoever comes after him. Praise God

Ruth, a little reminder of the Biblical Ruth I think is in order. The Biblical Ruth;

- Did what she knew was right not what looks right to others
- followed her heart with integrity that increase her influence with others
- remained humble as God continued to bless her.

Blessings,

You'll only see action if you take action !!! It is our own govt./military that is behind all of this, they are the ones murdering us and our family members. It is the leadership, take them all out by any and all means necessary.

Don't be stupid! Sometimes you have to use discernment. If the investigators say they aren't taking any action, it simply means that Marines and SpecOps dudes will handle the kinetics.

How do you know that? Perhaps you are the one that should not be stupid. They haven't handled anything **publicly** and that **MUST** happen **NOW**.

I will give you the benefit of the doubt and assume that you are not a troll. That said, there is nothing the black hats would like more than open kinetic war with the white hats. Only an idiot can't guess why.

You are the IDIOT. There is no white hat black hat bullshit. We are all being played for fools by our own govt./military. Our own govt. signed onto the U.N. Agreement Agenda21-2030 agreeing to kill most of the population. Do some damn research people.

An open war is what needs to happen ... that is just another bs excuse for the lack of **public action**. And if I am a TROLL for pointing out the so called white hats have done **NOTHING** about the illegitimate congress or upholding the Constitution then **SO BE IT** ... I'll wear the name **proudly**.

You've read too many q drops.

The black hate are scared the American people will be told the truth and take to the streets.

What's happened the last 6 years.... The laugh at you.

I don't understand what you are talking about. They can't investigate elections for they don't have access to the voting information?

Why wouldn't they have access? We have seen tons of proof online fraud took place. You don't think the white hats don't have access to that information ... think again.

I know a lot of you are impatient for results as maybe you are not bothering to do the best research to find out why we have to wait this long. I would like to suggest you listen to as many of SG Anon's talks on Rumble.... then you'll realize what is being done in the background –what is holding us up = what **MUST BE COMPLETED FIRST**. Please keep patient some more.... very good things,, big things are being done but much more has to be done.

I've listen to SG and I don't think his intel is accurate. Q stated beware of false prophets and I agree.

That "*what must be completed first*" is just an excuse to keep you from questioning.

My patience is exhausted. No more behind the scene ... time to go **PUBLIC** ... we the people have a **RIGHT** to know!

I know alot of you are impatient for results as maybe you are not bothering to do the best research to find out why we have to wait this long. I would like to suggest you listen to as many of SG Anon's talks on Rumble.... then you'll realize what is being done in the back ground –what is holding us up = what **MUST BE COMPLETED FIRST**.

Pease keep patient some more.... very good things,, big things are being done but much more has still to be accomplished.

It took a hundred years or more for them to get where they are. Millions of lives are in danger if things are done haphazardly. Try listening more than forming your opinions.

I've listen enough to know we are being had. People keep making the excuse that millions will be in danger if things are done wrong ... they are already doing it wrong and causing thousand to die. They claim they have been working on this for years ... since JFK's time. They claim they are in control and they have it all. You are the one that needs to listen and do the research ... if you were you would be asking question too.

Millions are in danger?

U realize 5 billion took the death jab?

Your priorities are misguided

The most important thing on this planet is helping the billions that took the jab bf they die.

I know alot of you are impatient for results as maybe you are not bothering to do the best research to find out why we have to wait this long. I would like to suggest you listen to as many of SG Anon's talks on Rumble.... then you'll realize what is being done in the back ground –what is holding us up = what **MUST BE COMPLETED FIRST**.

.

Please keep patient some more.... very good things,, big things are being done but much more has still to be accomplished.

Some things are already in place that you don't think have changed over to White Hats. So many wonderful future changes are standing waiting for the conflicts to end first. Wonderful things already have been accomplished. Be very discerning in whom you spend your time listening to. Don't bother with people's opinions– meditate for your own. Listen to those that have Military contacts. Not those selling Merch. Much is pantomime.

.

Please stop engaging the 106 **PAID SHILLS, STUPID CHILDISH TROLLS & BOTS**....it's wasting too much space and time here..

,

I'll can give a list of the latest #s

Is it that difficult understand the enormous task at hand. We still have parents sending kids to indoctrination camps because they won't protect them.

Maybe because some parents still think their schools have not turned into indoctrination centers. Well, when their kids start wanting to change their sex and become gay like Jazz on TV, they will get a BIG clue.

Oh really! Demanding the military uphold their **oath** to the **Constitution** is consider TREASON! Wellsir ... I guess I better be careful shouldn't Inot. That has got to be the dumbest statements I've read all night.

Just because you don't see it and that it's not to YOUR satisfaction doesn't mean the White Hats aren't doing their job. Say what you want, but you're not the one in charge!

I'll settle down when the illegitimate congress is removed ... the fraud machines are removed and the people involved arrested **PUBLICLY** ... now you settle down.

Ignorance is a choice.. If you spent any time researching this attempted takeover of our Great Country you would realize this takeover has been in play for 50 plus years starting with the assassination of JFK..If it,s blood you want take out a drug dealer or two... this must be done without blood in the streets if at all possible....Study the Civil War, it may open your eyes.. PS: Derek Johnson Streams explains all of this to date..The choice is yours...

According to them the recovery has been in play since JFK. “this must be done without blood in the streets” ... oh right people will want blood when they see the Constitution being upheld. They will all stand up and fight for the satan worshippers, and pedos ... I can see it now. This is nothing but a BS excuse not to take action. The only thing Johnson explain are the laws that are NOT being enforced. He’s just a big blow hard and probably one of those false prophets Q warned about. I don’t buy a lot of the Q drops but that one I do.

The takeover started with the Rothschilds a century and a half ago with their willingness to stabilize the American economy after the Civil War as long as they were allowed to surreptitiously take over this country for their benefit.

Hooters? Nah. Nobody goes there any more except Aussie beta cucks like that loser Bofa...

And no more of this business of going out alone, he is too important to lose as are the other Generals and Marines!

In this day & age people can get info almost anywhere & firmly I believe its a mistake to put pictures of these Generals out for Johnny Q Public. Too easy to hit on them.

I don't think it's Johnny Q Public they have to worry about but the traitors in the three letters agencies.

That very fact makes me think his "capture" coulda been a simple psyop to further enrage and energize Patriots for the battles ahead. On face value, it makes no sense. Or maybe I'm wrong. But that's the Art of War, using psychology.

That very fact makes me think his "capture" coulda been a simple psyop to further enrage and energize Patriots for the battles ahead. On face value, his disappearance is hard to believe. But then again, that's the Art of War, using psychology to your advantage.

Lmao.

Art of war tards are worse than the satanists.

They just murdered billions of us with a death jab promoted by trump.

Appearances upon first glance, to uneducated eyes, it's an open and closed "case", right? Wrong. Fact, not fiction, there are entities that utilize SELF-AWARE PARTICLES, not of their own FLESH, but of THEIR particles. I can See, so Wi can too. I won't deny an event happened, but as written or transcribed??? Nope. If I was a spy, I'd arrange to be captured, beaten, and "interrogated", then play victim, and set up the other side. I'm not even saying that's what happened, but I'm pretty damn sure if this hero, was kidnapped, he/she/it, arranged it. Art of War. Arcane Arts. No, it’s sterilizing every animal that’s a real biological life-form. A-Z, everything. Are the ROBOT and COMPUTER “benefactors”, going to “fix themselves” when there are no biologicals, to provide the “matrix” the energy needed?? Hmm. I do not “fear”, nor do I nor have I ever, turned the other cheek. I’ve had too many names given to my bodies, for me to “fear” me, DEATH. Another acronym, makes a “tough guy” feeling go out, when no body fears The REAPER.

Why’s that? “Fear” “gawd” but not the REAPER?? Neato facto to know. Why would I “fear” “the matrix”?? Ants can out think any “artificial program”. Dwarves, are PLANETS, not just a RACE.

Thanks for the prayers, he is in perfect health and most recently tweeted on Jan 11. He indicates that he was never captured and he is completely loyal to Biden – his command in chief.

Wow. I'm so pleased that he was rescued and is now safe. The CIA will now be hard-hit by the White Hats after doing this.

This will deffinatly tip them off, now they will know for sure someone is on the inside and is tipping white hats off.

Probably a similar mole tipped off the CIA when and how to get Berger. Spying is a normal part of warfare.

I prayed that God send Angels to save Gen. Berger if he is really on the good side! God did...a CIA whistleblower came out and told them the location before they are going to murder Gen.Berger....

And to those that are moaning and complaining why it is not happening fast as it should be? How can you destroy an

organizations of criminals that were established and TOOK foothold and owned EVERYTHING IN THIS WORLD by CENTURIES? DO U

THINK YOU CAN JUST DRAIN THE WORLD WIDE SWAMPS

THAT HAS EXISTED FOR 500-THOUSANDS OF YEARS IN 4-6

YEARS? WHY DO YOU THINK...THIS EVIL OF DEPOPULATIONS

AGENDAS KEEP COMING BACK...WE HAVE A VERY ADVANCE

CIVILIZATIONS FOR THOUSANDS OF YEARS...YOU CAN JUST

SEE IT FROM THE RUINS OF THE ADVANCE

CIVILIZATIONS....THEY ARE MONUMENTALS AND EXQUISITE

AND VERY DELICATEBUT WITH OUR SO CALLED ADVANCE

TECHNOLOGY....NOTHING CAN BE COPIED from these

ADVANCE CIVILIZATION THAT UNTIL NOW THEY ARE STILL

MAKING THEORIES „HOW Ancient ANCESTORS HAVE DONE

THIS TO ACHIEVE THESE RESULTS? HOW DID THEY LIVED

300 years old? BECAUSE IN FIELD OF ARCHITECTURE AND

SCIENCE..AND HEALTH....ETC.ANCIENT HIDDEN HISTORIES

WERE UNEXPLAINABLE, ADVANCE AND PERFECT...THE

GLOBALISTS HIDE AND ERASED THEM ALL WHAT THEY

COULD...NOW THEY WANT AGAIN A NWO , a RESET BY DEPOPULATING THE WORLD AND DO AND WRITE THEIR OWN VERSION OF HISTORIES FOR THE FUTURE GENERATIONS. EVERY TWO HUNDRED YEARS...THEY DO THIS RESET...WHO WILL THEN TESTIFY THAT WHAT THEY ARE INDOCTRINATING THE FUTURE GENERATIONS ARE IN A MAKE BELIEVE, FAKE AND A CONSPIRACY TO CONTROL THEM? There was already CELLPHONE BY 1930. and cloning by incubators in 1909...sidewalks escalators...electric cars...free electricity/ energy on the 15th, 16th 17th 18th ,19th hundreds! AND BEFORE THAT , THEY WERE EVEN MORE ADVANCE... ATLANTIS WAS TAUGHT TO BE A FICTIONS BUT THERE IS TRUTH IN IT. TARTARIA CANNOT BE CALLED A FICTIONS BECAUSE THERE ARE MANY ARCHITECTURES THAT REMAINED ALTHOUGH THEY TRIED HARD TO DESTROY THEM...BY SO CALLED WORLD EXIBITIONS BY BURNING THEM ALL.

SO, ASK NOW, WHY IT TAKE THE WHITE HATS MILITARY (White Alliance) to DRAIN THE SWAMPS? Because the SWAMPS ARE INTERCONNECTED WORLD WIDE...THERE IS A PLAN TO SAVE THE WORLD...NOT JUST USA...TIMING IS EVERYTHING. THIS STING OPERATIONS WAS ONGOING FOR DECADES BUT IT WENT STRONGER WHEN THEY KILLED JFK. EVERYTHING IS INTERCONNECTED....DID YOU HAVE REALLY IDEAS ABOUT THE 100K + babies and CHILDREN MISSING YEARLY IN UNITED STATES ALONE ...AND 80 millions + WORLDWIDE? And how CORRUPT AND SELECTED THE LEADERS OF THE WORLD UNTIL PRES. TRUMP CAME? Never heard that OBama was a Kenyan born selected to be President of the USA ,Inc....that's how powerful they are. NEVER HEARD UNTIL PRES. TRUMP CAME TO DISRUPT THEIR AGENDA...THAT OBAMA SENT A FILE OF CASH DOLLAR OF 200 billions plus TO IRAN WHILE OUR TAXPAYERS ARE DYING OF POVERTY? Why send money abroad when it is MOST needed here by the people who were taxed? YOU ONLY

HEARD OF THESE EVIL ,CORRUPT, EXPOSURE,WHEN PRES. TRUMP WAS PUT TO OFFICE WITH THE HELP OF THE WHITE ALLIANCE THESE DISCLOSURES AND EXPOSURE CAME OUT! So,IT IS BEING EXPOSED THAT WE ARE IN A WORLD MATRIX OF LIES...

SO, TIMING IS EVERYTHING...SO INSTEAD OF COMPLAINING AND MOANING THAT IT IS SO SLOW ACTIONS...FROM THE WHITE HATS MILITARY...INSTEAD...PRAY FOR THEM...THEIR SAFETY AND HEALTH AND WISDOM, AND EXPOSURES OF THE RINOS ,SPIES, TRAITORS, PEDO CRIMINALS, ELITE CANNIBALISM. AND THAT LOT OF HIDDEN DOCUMENTS OF THESE TRAITORS PLANS WILL BE DISCOVERED...PRAY THAT A LOT OF WHISTLEBLOWERS WILL COME OUT! PRAY THAT THESE WILL BE OVER SOON. THE GREAT AWAKENING IS NOW...

Glad he was plucked from the demonic soldiers. It's real heavy out here. And are they running the top secret gate about Biden to not only disqualify him from running in 2024, but to ultimately try and disqualify Trump. Sacrifice Biden to take out the actual target Trump

As a Pres., Pres. Trump was allowed to have those Secret papers but Pedophile Joe took Classified papers when he was only a Vice President and he was not allowed and was unlawful.

Don't worry about those classified documents. They were very securely locked up in his garage with his corvette. It's a corvette, of course the door was locked

The CLASSIFIED DOCUMENTS/FILES, those tied to DJT and those tied to Pedo-joe are a DISTRACTION/S, for the purposes of OBFUSCATION and subterfuge. Do not attempt to figure it out.

Although I had hoped for something different, this was my greatest fear. Thank you to the men that went after him and for Gen. Smith for being at the top of his game. Thanks MB fir reporting this so

quickly.

Wow. I'm so pleased that he has been rescued and is now safe and recovering. The CIA will be hit hard now for doing this to General Berger.

I hope that this comment doesn't get deleted. My last comment two minutes ago did.

It's time to let the people know! There is more good than evil out there. God will prevail! I prayed for him to be found. Now I will pray for his healing. Thank you marines!! Bad asses

oh no Jan, it was Kimberlys prayer that got the job done! Lol , Let's not have any me me me , NOR BIG I I I I, we all pray for whats right will be done, amen,,,

Amen! I don't think any of us stopped praying for him. Thank You, God, for hearing our prayers. Continue to protect him & the rest of our military.

all of our prayers worked and God gets the credit and Berger can be with his family, finally.

Amen! So grateful he was rescued from those evil ones. Remember our Marines' motto – "God will judge our enemies. We will arrange the meeting." We The People stand beside you. Do what you have to do to eradicate this evil.

This will be a long clean up. One or two years is simply not enough. Too many sleeper agents. Unactivated and activated.

I can't tell who is who on that and they could be anywhere. I'm guessing that got Pendleton watched 24/7 from a few angles to get Gen Berger but they wouldn't be there since they got him. IDK. I cannot imagine why he went out alone. It's probably prudent to keep all the military and their families safe on base.

Great job! As you see, the gloves are off. Mass arrests must start ASAP.

No more tippy toeing.

They have to tippy toe. They are not in total control obviously. This isn't a kids TV adventure series.

Mass arrests have been ongoing for awhile now, just not reported on MSN

I had been thinking the same thing. What would make him go out and about without security measures intact? Not even some type of GPS device? Just thankful he is alive and recovering. Thank you white hats!!

They don't use tracking because the enemy can read it. There's other methods to be safer like angels. Any soldier surviving hard battle can probably talk how they got mysterious visions or signs for help while in danger.

They should at least make him traceable with a fake credit card in someone else's name so that when he purchases under the fake name it will register his last general location in the bank account.

If he is kidnapped, why in the world would they let him use his credit card?!!

Baxter already explained that. But why he went out without other people along is curious. That part of California Mid East and a bit to the north is well known for being like Devil's Triangle like that triangle in the Caribbean kind of spaceship deep state territory, creatures of the deep state are numerous or secret space stuff.

If there is a 10 acre farm out there with dead bodies now, Can I guess no local cops come but just deep state owners have to clean it up? There's going to be neighbors but deep state seems to usually have

them busy or trained to mind their own business.

It makes me wonder if the thousands of missing migrants wind up in that area or flood zones or in the Walmart tunnels because reptilians can't fight without that human fresh live blood. Hybrids getting adrenochrome shots, and shapeshifters I heard need a super concentrated adrenochrome. This info, actually comes from navy soldiers with high clearance or supersoldiers so, it's curious why any general would not know humans from clones or shapeshifters or people traveling through portals differences.

Yep. This all seems odd to me. CIA waiting at or near the gate of the base to capture someone. Nobody at the base has any clue they are being surveilled 24/7, despite having the most sophisticated surveillance skills and tools at their disposal. Just so happens the general goes out alone under mysterious circumstances and naturally gets caught. No one knows he left or where he went. But ex-CIA happens to know where he is, and reports he is in a low security house out in the middle of no-where, which is an easy target for a rescue operation. Its so easy to fool your opponent if you really want to. So if this is true, then perhaps it was to expose the leak in security? More to this picture? Success???

I've thought of him since I read the first peace of news here that he was missing. I am so relieved he is ok and safe, and also relieved some spooks are trying to do the right thing. The sacrifices our military is making for us makes me feel quite humble. Thank you.

I am so glad to hear this news.

I am sure in time genl Burger will give info.

Down with the cabal

Thank you God that there are still a few good guys out there and the General is safe! God speed his recovery!

Always suspected as much. That sound is in a league of its own for effects felt in the human body & psyche.

Great job! It seemed like they would have at least taken 2 captors, though, to gain as much intelligence about the operation of his capture as they could.

They had to take down as many as possible as quick as possible. They didn't know whether there would be more in the same room as The General. So there were no others left.

Blessed be the angels that guide us in the night and may we sleep well knowing that good guys win the fight...

Best news in a long time. But come on guys! Where is your security? You let the top guy wander around in the dark and get himself captured? This is not a good sign.

Exactly the top general goes off on his own with no security ??? With as many enemies he has made, it's a miracle from God that he was found ALIVE Thank you Jesus n to the top notch Marines who didn't stop until they found him

Oh the poor General. What bravery and service to our Nation! I pray for his total recovery in Jesus Name AMEN

"When it absolutely, positively, has to be destroyed overnight, call the U.S. Marines." God Bless the rescuers. As for the CIA, "Kill 'em all, let God sort 'em out." They've been corrupted like the FBI.

That kimosabe, is not what the REAL GOD, would say. But, of course, "HE" just exists inside US, as a "jimmy cricket" voice, right? Noway "HE" could actually be WALKING the EARTH, with YOU, right??? How many lives/times, has "HE" been here, claimed "HIS" identity, to help re-TEACH, anyone, anything, and to simply have a good LIFE, with "HIS" WIFE, to RAISE "their" own offspring, TOGETHER, with out a jealous evil whore-jew, fucking up "HIS" marriage, and WORLD??? Just askin. Also, why the FUCK, would I,

as a SINGULAR ENTITY, be so damned angry about it?? Why does the shit state of this civilization, piss me off personally, worse than ANY OF YOU???. Hmmm???. I named my PLANET, Pluto, because my Son Plato, had a canine named Pluto. Give me my PROPERTY BACK, all of it, or HELL will DROP from the skies, and climb from the depths!!!! Stop the BULLSHIT, and DE-CLASSIFY EVERYTHING!! Hell will look like a girl scout camp, compared to what will happen, if people, don't stop telling other people, to kill in the name of "God", or any other named or un-named entity. The only GAWD, You should listen too, is telling others to arrest and apprehend, not physically killing, but philosophically. Ie... TEACH the TRUTH, change the PERSON. Judge actions, not PEOPLE, and give sound advice. To tell anyone to calm down, after stealing their works, killing off their PEOPLE, meanwhile planing to ignite the crime, doesn't help. Justice, better pick up their pace!!
