Pokřivený Žid Grant Shapps a jeho malý odznak na klopě

Maličkosti říkají hodně. A to, co říkají v našem padlém světě, je často velmi špatné. Vezměte si malý odznak do klopky, který v posledních měsících provozoval britský politik Grant Shapps (nar. 1968). Je to elitní člen britské žalostně nesprávně pojmenované Konzervativní strany. Je to také pokřivený Žid. Pod pseudonymem Michael Green pracoval jako „prodejce internetového marketingu“ nejméně rok poté, co se stal poslancem, a to i přes veřejné popírání, že tak učinil. Jeho aktivity jako Greena mohly zahrnovat provozování pyramidové hry a jistě zahrnovaly skrývání své skutečné identity a prodej zbytečných svépomocných příruček s názvy jako „Smradlo bohatý 3“ .

A jaký odznak na klopě v posledních měsících provozoval pokřivený Žid Grant Shapps? Je to britská vlajka spočívající vedle ukrajinské vlajky. Ukrajinu totiž řídí pokřivení Židé a Shapps s nimi přirozeně cítí hlubokou solidaritu. Je zděšen ruskou invazí, která narušila ukrajinské hranice a hrozí odebráním Ukrajiny z područí křivých Židů. A jako jeho neokonzervativní židovští kamarádi Americe rád riskuje jadernou válku na obranu Ukrajiny. Zároveň se Shapps vůbec neobává nekonečného porušování britských hranic nebílými migranty ze zemí ještě zkorumpovanějších než Ukrajina. Tato nebílá invaze neohrožuje kontrolu Británie pokřivenými Židy. Naopak, nebílá invaze posiluje židovskou kontrolu, protože terorismus, zločinnost a konflikty, které způsobuje, ospravedlňují dozorčí stát a stále přísnější zákony proti svobodě slova.

Lhát voličům

To je důvod, proč jak konzervativní, tak labouristická strana po desetiletí předstírají, že se starají o jasně vyjádřenou touhu bílých voličů po menší migraci, zatímco jsou tajně pro stále rostoucí migraci z nejhorších možných míst. A obě strany rády lhaly svým příznivcům. Peter Hitchens nedávno popsal jejich lži v *Sunday Mail* :

Zde je vše, co potřebujete vědět o našich velkých politických stranách a masové migraci, nyní na úžasně úrovni. Upřednostňují to, ale chtějí, abyste si mysleli, že ne. Nikdy nezapomenu na mokrou neděli před mnoha lety, kdy jsem šel agitovat pro kamaráda, který se snažil vyhrát doplňovací volby v Midlands. Jak už to tak bývá, stál za labouristy, ale myslím, že ostatní by udělali totéž. Než jsme vyšli ven a zaklepalí na dveře, bylo nám řečeno: "Pokud zvýší imigraci, řekněte jim, že jsme proti." ([Blog Petera Hitchense](#) , *The Sunday Mail* , 27. listopadu 2022)

Ve skutečnosti ne, ani labouristé, ani konzervativci nejsou „proti imigraci“. Oba tomu velmi fandí. A čím horší kvalitu migranti mají, tím víc se jim to líbí. Jak jsem již [dříve poznamenal](#) v *Occidental Observer* , kdybyste hledali svět a našli nejhorší možné země, ze kterých by bylo možné přijímat migranty, Pákistán by byl velmi blízko vrcholu seznamu. Má nebetyčně vysokou úroveň korupce a nejnižší úroveň civilizace. Mezi mála věcí, které v Pákistánu vzkvétají, jsou sexuální zločiny , inbreeding a mimosoudní popravy za údajné rouhání proti proroku Mohamedovi. Když Pákistánci migrují na Západ, přináší s sebou všechnu tu bohatou živost. Pákistánci v Británii spáchali mnoho tisíc sexuálních zločinů proti bílým dívkám a ženám, uvalili na bílé obrovské náklady prostřednictvím krádeží , sociálních podvodů a daňových úniků, uvalili další obrovské náklady na National Health Service s hroznými genetickými chorobami , které z toho vyplývají . z jejich příbuzenské plemenitby a zaútočili na svobodu projevu vyhrožováním nebo skutečným spácháním vraždy ve jménu Mohameda.

Pokřivený Žid Ehud Sheleg, penězokaz pro nekonzervativce

A co se stalo s nesmírně škodlivou migrací z Pákistánu za britské takzvané konzervativní vlády? Masivně se zvýšila . Stejně tak obrovsky škodlivá migrace ze zbytku třetího světa. Abyste pochopili, proč takzvaní konzervativci nechtějí nic šetřit, stačí se podívat na to, kdo je financuje a čím zájmům slouží. Současným peněžním mužem toryů je izraelský plutokrat jménem Ehud Sheleg, který je jedním z nejméně šesti velmi bohatých Židů, kteří sloužili jako pokladník Konzervativní strany od roku 2000. Jak jsem popsal ve svém článku „Kořist bez kontroly“ Sheleg je Uber-Žid, který byl vážně podhodnocen. Drtivá většina britských voličů by ani nepoznala jeho jméno, natož aby byla schopna popsat obrovskou moc, kterou má v srdci britské vládní strany. Nevědí, že Sheleg se narodil v Tel Avivu a otevřeně prohlásil, že jeho první lojalitou je Izrael, ne Británie. V roce 2019 řekl listu *Jewish Chronicle* , že „byl jsem vychován, i když v Izraeli, se sentimentem velmi silných vazeb na Británii. V rodině národů to musí být můj nejoblíbenější. Druhý po mé vlasti, samozřejmě.“

"Židé a muslimové jsou přirozenými spojenci"

A za druhé k jeho prosazování židovských zájmů, samozřejmě. To je důvod, proč Konzervativní strana financovaná a kontrolovaná křivými Židy, jako je Ehud Sheleg, tolik podporuje nebělošskou migraci. Židé věří, že migrace nebílých na bílý a historicky křesťanský Západ je velmi v jejich zájmu. Obzvláště se jim líbí muslimská migrace ze zemí jako Pákistán. Mnoho židovských aktivistů prohlásilo, že „Židé a muslimové jsou přirozenými spojenci“. Zde je několik titulků o těchto Židech a jejich islamofilii:

Ale proti komu jsou Židé a muslimové „přirozenými spojenci“? Tento kousek zůstává neuveden, ale odpověď je zřejmá. Židé a muslimové jsou přirozenými spojenci proti bílým křesťanům. A když se přirozená aliance rozpadne a muslimové zaútočí na Židy, může se to také obrátit v židovskou výhodu. Jak to funguje, se můžete podívat v nedávném článku nepoctivého, obézního a ošklivého filosemity jménem Stephen Daisley, který píše pro britský cuckservative *Spectator*. Jak jsem popsal ve svém článku „[Jeremy's Jackboots](#)“, Daisley vypadá velmi podobně jako obří slimáci *Star-Wars*. darebák Jabba Hutt a chová se velmi podobně jako židovský stereotyp, s neutuchající sebespravedlností a trváním na tom, že židovské zájmy musí být středem britské politiky. Mám podezření, že je sám Žid, ale raději o tom pomlčí, jako velmi pokřivený a možná poloviční Žid [Denis MacShane](#), zhrzený bývalý labouristický poslanec za Rotherham, který [po desetiletí nedokázal](#) bránit bílé dívky z dělnické třídy před znásilněním a sexuálním vykořisťováním. ve svém vlastním volebním obvodu. Mezitím MacShane pilně pracoval pro bohaté a mocné Židy v dalekém Londýně, dokud nebyl v roce 2013 [uvězněn za podvod](#).

Pokřivený kryptožid [Stephen Daisley](#) a jeho prasečí punim Stephen Daisley má stejné priority a stejnou nepoctivost jako Denis MacShane. V lednu 2023 v časopise *Spectator* oznámil, že „[Napadení antisemitismu je morálním imperativem pro nežidy](#)..“ Máš to, gojime? Židé jsou bezmocné oběti a zoufale potřebují vaši pomoc. Daisley si posteskl, že „antisemitismus v Británii odráží mocnější vlnu protižidovské nenávisti, která zaplavuje zeměkouli. V roce 2021 vzrostl počet antisemitských incidentů v Německu o 29 %, v Kanadě o 54 %, ve Francii o 74 % a v Rakousku o 119 %. Ve skutečnosti „protižidovská nenávist“ není „zametání zeměkoule“. Ve všech zemích, které Daisley jmenoval, se zvýšil z jednoho prostého důvodu, který Daisley nejmenuje: muslimské přistěhovalectví, které je vytvořeno a vřele podporováno Židy a které způsobuje mnohem větší škody bílým. Jinými slovy, Daisley vyzývá gojimy, aby sympatizovali s Židy za „protižidovskou nenávist“ vytvořenou samotnými Židy.

Potulný goy s židovskou manželkou

Ale řekněte mi, pane Daisley: kde jsou nezletilé židovské dívky znásilňovány nebo využívány jako dětské prostitutky muslimy v průmyslovém měřítku? Vůbec nikde. To se místo toho děje [zranitelným bílým dívkám](#), o které se filosemité jako Daisley a MacShane ani v nejmenším nezajímají. Nejsou ani politici v Židy financovaných a Židy kontrolovaných konzervativních a labouristických stranách. A labouristé se nezajímali o bílé zájmy, když nakrátko [unikli židovské kontrole](#) pod vedením marxisty Jeremyho Corbyna. Nyní jsou labouristé pevně zpět pod židovskou kontrolou díky nahrazení Corbyna v čele strany kluzkým právníkem Sirem Keirem Starmerem, který [má židovskou manželku](#). a jasné pochopení, čím zájmům musí sloužit, chce-li přátelské mediální pokrytí a dobrou šanci vyhrát příští všeobecné volby.

Groveling goy Keir Starmer, kluzký právník, patolízal Židů a pravděpodobně příští premiér Británie

Na konci loňského roku byl Starmerův goy-grovel ještě energičtější než obvykle, když ve video-vzkazu pro sebedůležitější a neúčelnější menšinu v Británii pozdravil nečestně nafouknutý židovský svátek Chanuka. Židovská kronika informovala o jeho patolízalstvís potěšením: „I nadále mě inspiruje židovská komunita, její četné skutky soucitu a laskavosti, její služba Británii, a jsem rád, že jsem v posledním roce upevnil svá přátelství s komunitou. Ať to bude dlouho pokračovat. Přeji vám radostnou Chanuku. Ať svíčky tohoto svátku světla jasně září a přinášejí nám všem naději.“ Starmerovy šance na vítězství v příštích volbách také vypadají velmi slibně, díky jeho goy-grove a houstnoucímú miasmatu neschopnosti a vyčerpání, které nyní obklopuje Konzervativní stranu. Například toryové absolutně nedokázali ukončit záplavu nelegálních migrantů přes Lamanšský průliv.

Židé jsou na prvním místě, bílí nikam

Ale každý, kdo si myslí, že se labouristé pokusí ukončit povodně nebo omezit migraci, je buď hloupý, nebo klamný, nebo obojí. Jak řekl Peter Hitchens : Labouristé i konzervativci podporují masovou migraci, ale chtějí, abyste si mysleli, že ne. Jak Peter Hitchens neřekl, je to proto, že jak labouristé, tak konzervativci existují, aby sloužili židovským zájmům, nikoli zájmům bílé většiny. To je důvod, proč se tak zajímají o hranice Ukrajiny a tak se nezajímají o hranice Británie.

Totéž platí o politických stranách v Americe. Stejně jako vládnoucí konzervativci v Británii, i vládnoucí demokraté v Americe rádi riskují jadernou válku na obranu Ukrajiny, ale nehnou ani prstem, aby bránili svou zemi před invazí nelegálních migrantů. Abyste pochopili, proč levicovní demokraté a údajně pravicovní konzervativci sledují stejnou politiku, stačí se zeptat, kdo obě tyto strany ovládá a čím zájmům slouží. Odpověď začíná „křivým“ a končí „Židé“.

Ano, je to Khazaria a jsou to zase ti janovští bankéři. Pro svatého Jiří? Ano to taky.

Shapps by od nich mohl dokonce pocházet.

„Křivý Žid“ to všechno vysvětluje. Vysvětluje také, proč Mojžíš jednal s „pokřivenými Židy“ (pokřivenými Semity) úplným vykoupáním.

Mohl by někdo vysvětlit pozadí tisíců britských dívek znásilněných a kuplířských pákistánskými a jinými muslimy? Mám na mysli, jaký typ mladých dívek, kterým je 9 let, se mohou samy potulovat po ulicích a dokonce být v pozici samy s dospělými muslimskými muži. Jak se to vůbec stane? Nepochybuji o kuplířství a znásilněních, ale zajímalo by mě, jaké okolnosti k tomu vedly.....

Politické strany v USA a Velké Británii jsou všechny na velké náhradě. Pustili dovnitř tisíce nevzdělaných náboženských bláznů s nízkou kvalitací z kultur tak nízkých, že se nekvalifikují jako civilizované.

Ale lidé dál hlasují pro zachování mechanismu, který je odhodlán je vyhladit. To ukazuje, jak hloupý je průměrný volič. Hlasováním se dává souhlas s tím, co se děje, a zmocňuje policejní stát, který provádí selektivní genocidu. Voliči si zaslouží to, co dostanou, protože o to pořád žádají.

Demokracie je teorie, že obyčejní lidé vědí, co chtějí, a zaslouží si to dobře a tvrdě.

Jak je to s demokracií, když lidé opakovaně vyjadřují touhu po méně imigrantech, ale jejich vlády ignorují vůli lidu a připouštějí více?

„dēmos (od roku 1210 /dēō, „svázat, svázat“) – lidé svázání (svázání) dohromady podobnými zákony nebo zvyky (jako občané ve starověkém řeckém městě tvořící shromáždění“

“ (dēmos) označuje lidi sjednocené v přesvědčení a projevující se ve veřejném mínění, tj. jejich „kolektivní přesvědčování“.

skutečně „kolektivní přesvědčování“. Jak článek zdůrazňuje, jejich politici jednájí přímo v rozporu s „přesvědčením“ vyjádřeným lidmi a přitom zlomyslně udržují fasádu, že souhlasí s „názory veřejnosti“.

Nebylo by vraždou lynčovat politiky, kteří jsou vinni z tohoto vlastizrádného podvodu. Byla by to jasnost a spravedlnost; ne porušení zákona, ale nastolení zákona.

Bez poctivého dialogu nemůže existovat fungující společenský řád. Důsledné lhaní je pohrdání druhou stranou. Toto **je** zhroucení, to není prekurzor, to **je** porušení. Společenská smlouva je nenapravitelně porušena, když jedna strana lže.

Jakmile je někdo ochoten připustit to, co je zřejmé, že vláda je největším zločineckým podnikem v geografické oblasti, pak lze události považovat za plánovaný výsledek, který kontroloři chtějí. Volby, zastupitelé, celá mašinérie, která se používá k tomu, aby se lidé zapojili do jejich poroby, je tam jen jako divadlo. Dekáda za dekádu vláda ignoruje to, co lidé chtějí, protože na lidech nezáleží a jsou to sami lidé, kteří telegrafují svou ochotu být znovu a znovu pošlapáni spoluprací s vládou. Hlasování, vojenská služba, podpora policie a armády, nacionalismus, patriotismus, respekt k vládou vytvořeným zákonům atd., to vše jsou důkazy o formě Stockholmského syndromu.

Musí občan někdy na okamžik nebo v nejmenší míře rezignovat na své svědomí zákonodárci? Proč má tedy každý člověk svědomí? Myslím, že bychom měli být nejprve muži a až potom poddaní. Není žádoucí pěstovat úctu k zákonu, stejně jako k právu... Zákon nikdy nečinil lidi ani trochu spravedlivějšími; a díky svému respektu k němu se i z dobře disponovaných lidí denně stávají agenti nespravedlnosti.

Henry David Thoreau

Zjistěte, čemu se lidé podřídí, a zjistili jste přesné množství nespravedlnosti a bezpráví, které na ně bude uvaleno; a ty budou pokračovat, dokud se jim nepostaví buď tyče nebo rány, nebo obojí. Hranice tyranů jsou předepsány vytrvalostí těch, které utlačují.

Frederick Douglass

Je to programování, ovládnutí mysli, které masy absorbovaly prostřednictvím propagandy, co z nich dělá nejen ochotné spolupachatele vlastního zotročení, ale požadují instituci vlády, která by jim říkala, co mají dělat, co nedělat a jak žít svůj život jako ovce ke stříhání.

Mojžíš nechal Levity zabít 3000 mužů za výrobu modly zlatého telete. Exodus 32

Anglické slovo 'žid' bylo vytvořeno v 17. století. Ve SZ je hebrejské slovo yehudi, což znamená z kmene Juda. V NZ je řecké slovo loudios, což znamená Judejec. Kmeny Juda, Levi a Benjamin žily v Palestině převážně v provinciích Judea a Galilea. Ježíš nebyl Judejec, ale Galilejec z Nazareta.

Zdá se, že vlády, které začínají jako demokracie, se nevyhnutelně promění v oligarchie kvůli korupční moci peněz. Aby byla skutečně fungující demokracie, musí být bohatým zcela zabráněno v jakékoli politické účasti kromě hlasování.

Samořejmě je to drakonické, ale je to jediný způsob, jak zabránit vládám v ignorování zájmů většiny. Počátky vlády ČKS v Číně byly jistě brutální, ale získali jsme cennou lekci: Politická moc musí být oddělena od moci ekonomické. Soukromé podnikání je povoleno, ale trest pro kapitalisty zasahující do politiky je přísný, často trest smrti.

Reprezentativní vláda je úskok, politický mýtus, navržený tak, aby skryl před masami dominanci sebevybrané, sebedržující a soběstačné tradiční vládnoucí třídy.
Giuseppe Prezzolini

Tím si nejsem jistý. „Tradiční vládnoucí třídou, která si sama sebe vybrala, sama se udržuje a slouží sama sobě“ v Británii bývala britská aristokracie. Následně nahradili veřejnou (soukromou) školou vzdělání vládci Britského impéria (až do otřesů WW1, WW2 a indické nezávislosti).

Poté Británie přešla na destruktivní socialismus – sklouzla do ještě destruktivnějšího kontrakulturalismu a globalismu/deindustrializace s atomizovanými zbytky (2023), které jsou nyní součástí židovského NWO.

| Abychom měli skutečně fungující demokracii, musí být bohatým zcela zakázána jakákoliv politická účast kromě hlasování.

Družstva jsou dobrým výchozím bodem a mají v Dánsku osvědčené výsledky za více než 150 let. Základním principem je hlasování „po hoveder, ikke po hoveder“, což se v mlékárenském průmyslu převádí na hlasování hlavami (tj. jeden muž jeden hlas) spíše než hlasování podle počtu krav. Slavný dánský historik jednou řekl: „Dánsko je družstvo“. V dnešní době, kdy mnoho oblastí společnosti přebírá rizikový kapitál, to bohužel možná méně platí. Proto se stále více rozhoduje podle investic/návratnosti bez ohledu na sociální důsledky.

This non-White invasion doesn't threaten the control of Britain by crooked Jews. On the contrary, the non-White invasion enhances Jewish control, because the terrorism, crime and conflict it causes justify the surveillance-state and ever-harsher laws against free speech.

But I would argue that it *does* threaten their control.

After all, does the above sound like a leadership strategy for long-term success?

Could you imagine holding a leadership seminar titled,

How to Lead A Social Institution By Destroying It!?

Because that is what they are doing, destroying the very social institutions of the civilization their power now controls.

Something a Jewish professor in college once told me invariably comes to mind.

He said, *We are the smartest and dumbest people at the same time.*

That was in the mid-80's. And it was the beginning of my entry into the JQ.

Now I would say that *the smartest* refers mostly to their ability to infiltrate, subvert, betray and destroy the countries they enter. Once that's done, we get *the dumbest*.

And that is the position we're in today.

And the reason we're in that position is because Supremacy Inc. does not question its assumptions, about anything – ever.

Of course, that's not all we get.

There's also still the *almost* incurable gullibility, insouciance, cynical opportunism, cowardice and indifference of their designated scapegoat – whites. Happily, however, not all whites. A fact that could arguably be the only bright spot in all of this.

If, instead, you get rid of the idiotic concept of 'government', you end up with the private sectors doing everything under contract and with a profit motive to prevent malinvestment. Voting is done by each individual purchasing the product or service he desires and everyone gets what they want.

It's called anarchism, and has nothing to do with bomb throwing or any form of violence.

The Canadian gov't needs immigration to help feed the Ponzi schemes it has created. The people of Canada don't need any immigration. The issue is their current reliance on those Ponzi schemes for their retirement and other services they've been promised but won't be available at some future date because the entire scheme is unraveling in real time now.

The theory is that new "workers" will help support the various Ponzi schemes with their contributions from the various deductions from their pay. The only problem is that the immigrants contain lots of welfare people that are a drain on the overall system. The wanted input due to their labor is offset by their outflow due to welfare and benefits use. The whole system is going to collapse but now Canada has all those dirtbags along with the natives to contend with.

The entire immigration issue is an attempt to support something that arithmetically is destined to fail due to its very nature. Immigration just buys time to dig the hole deeper.

There isn't a dime's worth of difference between any form of gov't in the end. They are wealth transfer mechanisms from the productive to the non productive with the political class as the middleman to take his cut of every transaction.

| Jews hide in the background but are responsible for almost all of the ills of the western world

Organised international Jewry is responsible, at one level or another, for almost all of the evil on earth, from corrupt, poverty-ruined nations quietly bled dry by centuries of invisible Jew Usury – blamed (by them) on White colonialism – to the Bolshevik tyranny of deranged Cultural Marxism in the West which destroys coherent White society by mandating the worship of illiterate, violent Black minorities, acceptance of never-ending mass immigration of worthless, unassimilable, mostly Moslem third-worlders to transform White Christian homelands by force, and the ubiquitous degraded moral filth of what Andrew Anglin rightly calls “faggotry”, with all its massive damage to society through compromised personal health and diseased morality. Through this fog of barely-believable social chaos and despair in what was once the best-organised, most peaceful nation on earth, now White families are atomised by 60-80 hour a week slavery for pennies, vulnerable schoolgirls are targeted by stinking Paki sex-perverts whilst corrupt Moslem-loving Police do nothing whatever to stop it, intelligent hard-working White people are passed over for employment in their own nations in favour of illiterate niggers, corrupt, useless Somali sub-normals, and countless thousands of illegal foreign criminal immigrants from the worst shitholes of the earth are placed in luxury hotels by our traitorous “government” – whilst mentally-damaged White British ex-Servicemen sleep on the streets.

Through it all, secure from observation in a frightened, helpless collapsing society, the Jews continue to do what they do best, silently in the shadows like cockroaches in the cellar of a crumbling house: corrupt political control and invisible maneuvering for power, massive industrial-scale financial fraud, embezzlement and theft, anonymous support for any anti-White movement which will help to weaken the social order – and the never-ending cries of “White Racism”, “White Supremacy” and of course “Anti-Semitism” – from the professional eternal “Victims” who have more stolen wealth, corrupt power and blacker, more demonic hearts than ever before in their accursed Satan-worshipping history, as they plot our eventual disappearance from the earth forever.

I think this article shared interesting data on latest Ashkenazi behavior. What is missing though is giving equal weight to all the European elites who, for personal gain, cooperated with the Ashkenazim. This is the Kevin MacDonald School of Thought: put all the focus on Ashkenazi ethnocentric behavior, but omit the fact of how virtually all European elites, for personal gain, have been cooperating with the Ashkenazim. The fact is that Europeans are now 100% genetically dysfunctional due to dysgenics and mutational load, and this is the actual underlying cause of their downfall, not the ethnocentric Ashkenazi behavior, which does exist. I believe MacDonald is correct in his documentation of the promotion of Cultural Marxism by the Ashkenazim, as well as their extreme ethnocentric behavior. But, without the full cooperation of the European elites, the Ashkenazim would not have even been allowed to live in the West. Why is it that for the last 2,000 years, the European elites have not banned them from the entire West, or even worse?

My speculation is that people who claim that the European downfall is the result of Ashkenazi ethnocentrism, as opposed to being the fault of European elites, either have insufficient intelligence, or are being fraudulent.

In the end, I speculate it does not even really matter, since Europeans are on their way out, evolutionarily speaking. So, let them have their little lies or misunderstandings. I'm sufficiently content that at least I personally know the truth, thus I can die with minimum (or at least less) ignorance.

Langdon’s subtitle should prompt astute readers to dwell upon the Brit WASP history of doing incalculable harm to whites native to the British Isles. It becomes a bit eswir to see and accept and then condemn when you know that Jewish financiers had become indispensable to the British Empire, starting during the latter Cromwellian days and becoming permanent and defining not later than ‘The Glorious revolution.’

It would have been impossible for Jews to have pulled off even a tenth of what they have over the past 300 years without Jewish bankers having become central to the British Empire. By farm the most important Host for he Jewish parasite in world history has been the British Empire and WASP culture generally.

Lawyers and courts are part of the State mechanism. They are essentially State agents we must go through in the current system and hence are purposely designed to confuse and take advantage of the average person.

As for a handshake, I'd prefer a written record of what was agreed upon and who is responsible for what. Contracts are a well known mechanism to stipulate what a deal looks like and can include remedies for when the deal falls apart in whole or in part to include arbitration services already agreed upon as part of the contract. Nowhere in this process is a lawyer or traditional gov't courts involved.

Jesus was just another man like Moses, who was confused about “Why hath thou forsaken me?” This is in the flesh. But he really already knew who had forsaken and him and why: the Synagogue of Satan.

The spiritual Jesus (Christendom) understood on a divine level what happened to him, who and what was behind it, and became the vengeful God of Western Civilization/Christendom, rightfully targeting “Jews” and their stooges (the Synagogue of Satan) for wrath.

What’s wrong, you want the Hollywood, dope smoking, peace, love and hippy beans clown progressive effeminate “Jesus”? The Zionist, little brother “Jesus”? The infantilized “Jesus”? The stunted “Jesus”? The modern Anglosphere, pacified “Jesus”? What Anglin might call the “faggott Jesus”?

First off, it is not factually true that Israelis are not God’s Chosen People. But the shocking part is that the Christian Right seem totally unaware of the deep hostility, hatred even, those calling themselves Jewish have for the Christian Right! As Henry Ford said: “Wherever you find those who want to tear a Civilized Society apart, wherever you find those who want to cause friction and hatred within a Society, there you will find the Jew, hard at work.”

This destruction has been on display in the Israeli and traitors at the highest levels of the ZUS regime in the destruction of the WTC on 911 and blamed on the muslims to give the excuse to destroy the middle east for Israels greater Israel agenda, and now is on display in the attempt to destroy Russia via the war in the Ukraine, the deaths in this war as in the middle east is on the dual Israelis who rule the ZUS.

This war was planned to destroy Russia and the Ukraine and America and was instigated by V Nuland and Blinken, etc., and all the zionists who control the ZUS. Russia will prevail, by the way , recently a cross was seen in the skies of Siberia, see [rense.com](#).

The author of this piece either is a racist or illiterate, or both, when he says the following, a piece of lie:

“Jews and Muslims are natural allies”

He deliberately equate the alliance of Jewish mafia with the rulers who serve the US interest, such as MBS, a butcher, or puppet in Pakistan as ‘Jews and Muslims alliance’ is ignorance at best. But, he does not see the deep ALLIANCE between majority of the WHITE Americans in power with the Jewish zionists where in many cases act as Jewish SERVANTS. You the illiterate have ignored the population of over 232 Millions Pakistanis who are against Israel and the Jewish mafia, and have drawn your biased conclusion from few thousands ex Pakistanis who are citizens of UK or US or they have been born in these countries and trained under the Jewish Educational system.

Why are Pakistanis, not British or Americans Pakistani, are radically different from your samples who are in fact influenced by your society?

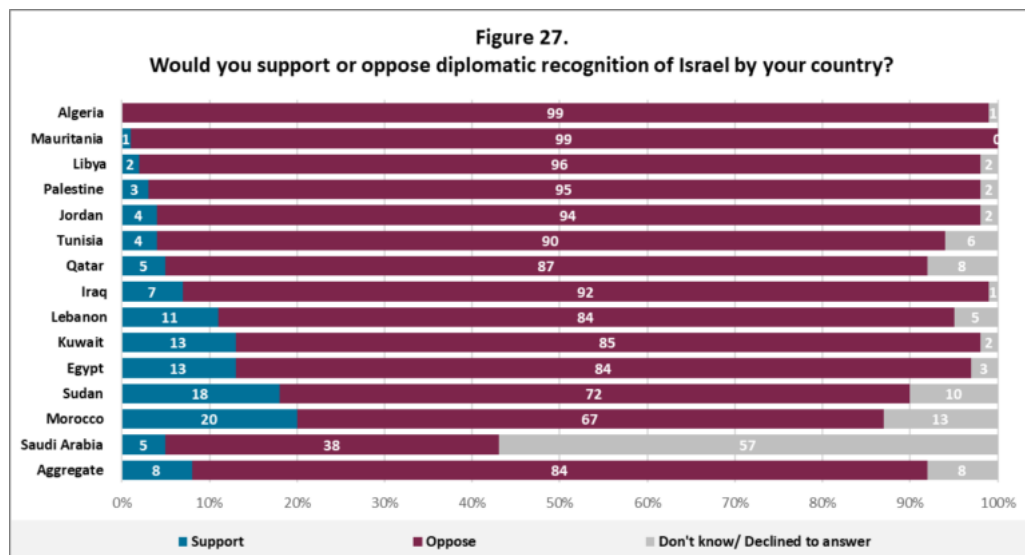

The Pakistani folks are against Israel and the Jewish zionists, but your American superiors are all allies of Jews?

This is true with the Arab Muslims as well, who about 88% are against Israel and the Jewish mafia that your WHITE superiors support and are allies with. What is your evidence for the lies you are making? Other populous Muslim countries like Indonesia are opposed to Jewish mafia, forget about Iran with over 85 Millions who are fighting against Jewish supremacists for the past 45 years while YOU were giving services to them. Girls from dysfunctional families, taken into 'care' by the Local Authorities, said authorities terrified of upsetting local Muslims by moving against the abusers.

As an aside, when I was growing up nine year-old girls could and did roam the streets freely and without fear. That of course was before enrichment.

The reason these Asian grooming gangs got away with mass rape has nothing to do with the number of Muslims in England and everything to do with this woman and her co-religionists.

Say hello to Sue Berelowitz:

Never heard of her? Me neither.

Apparently, she was the UK's former Deputy Children's Commissioner who helped cover-up the Pakistani nature of the grooming gangs in Rotherham and other cities...

She caused controversy in 2012 when she wrote a report in the wake of high-profile abuse cases in Rochdale and Rotherham **denying there was a growing number of Asian grooming gangs**.

Despite finding that more than a quarter of perpetrators known to the authorities were Asian, Miss Berelowitz said there was no evidence to conclude that there was a particular issue with Asian gangs.

Instead, her report – branded 'hysterical' and 'highly emotional' – said simply that abuse is carried out by men of all backgrounds.

<https://alt-right.com/2020/05/26/uks-former-deputy-childrens-commissioner-who-helped-cover-up-pakistani-nature-of-grooming-gangs-was-jewish-wench/>

According to this article by The Jewish Chronicle, she's had to seek police protection for her attempted cover up.

Excerpts from, *Police protecting me from antisemites, says abuse inquiry head Sue Berelowitz*:

The former Deputy Children's Commissioner for England has revealed how she was a victim of antisemitic abuse.

According to the Daily Telegraph, Sue Berelowitz, **who leads the government inquiry into sex abuse**, said police were having to patrol to protect her after she was subjected to "vile" insults on social media.

Speaking at a talk on antisemitism by historian Simon Schama at the Hay Festival, Ms Berelowitz said: "I am a Jew who is doing work that's very difficult right now because I'm inquiring into the sexual abuse of children and I'm facing the most vile anti-Semitic attacks on social media – 'filthy Jewish b****'."

A defiant Ms Berelowitz added: "I stand here as a Jew who will not give up Jewishness and who will not give up standing up for victims and will continue to live in my neighbourhood because the police are having to patrol to keep me safe."

Good points. While reading the article I couldn't help but think that there must be a tipping point someday. Once the Pakistanis and other non-white invaders reach a certain number, it doesn't have to be a majority, Jews will become their next target. I can see thousands of them, carrying knives and machetes, marching on the City of London in the not faraway future. Their centuries old hatred of Jews is not about to go away.

The two-party oligopoly USED to be all-in on the Great Replacement, but not so much anymore. Trump, though he was prevented from completing the Wall, has changed all that. The new breed, Brandon dismisses them as MAGA republicans, is determined to halt the invasion, though they have been stymied at every turn, the latest case being the obviously fixed se-lection of a democrat nobody as governor of Arizona over dynamic Kari Lake, who had a huge lead in the polls and promised to complete the wall on Arizona's border and send in the state's National Guard. The fixed se-lections of Brandon and Katie Hobbs challenges your assumption that the people keep voting to maintain the status quo.

I do believe that, now that Republicans have (slight) control of the House, they're gonna hold the heads of Homeland In-Security and the In-Justice Dept accountable for their crimes, though they have no power to arrest them. They HAVE to. It's the LAST CHANCE for their party and for what's left of Heritage Americans. I'll not surrender to all the Black Pillers who claim that nothing can be done, at least not yet.

The wall was and still is a stupid idea. The talk and negotiations for its planning, environmental impact, contracting, etc will take months to years. It's construction will numb the minds of the electorate that the gov't is doing something about the immigration tsunami when it won't make a dent either physically or legally.

Any wall can be breached over the top with ladders or just a rope and grappling hook, under via a tunnel that can also transport drugs, to the side as in the Gulf of Mexico or the Pacific ocean. The smugglers have even used torches to cut through it. Just YouTube search for 'illegals going over the wall' and you'll have plenty of evidence that walls don't work. The bickering over a wall leading to construction would buy time to further entrench the illegals for their amnesty drive. It does nothing to the illegals that fly into the country on visas and simply overstay.

Legally, how many times have the illegals been given amnesty, how many sanctuary cities openly defy the laws, how much money has gov't spent on coddling the illegals while the native population rots in homeless camps, etc? If you read the clues, you should understand that there is absolutely no will to terminate the invasion, regardless of party affiliation.

Face it – the gov't doesn't want to stop illegal immigration. It just wants to pretend to be in favor of stopping illegal immigration by nonsense schemes to buy more time. If the gov't was serious about stopping immigration, it would deport them by the millions, put machine guns on the border and kill a few hundred that didn't heed the skull and crossbones signs, to send a message even the illiterates can understand.

You sound like a believer in the fraud known as government, especially democracy and all its bullshit elections and representatives working hard to solve problems. That's fantasy land.

| Usually from poor, trashy families. The victims aren't usually from the pillars of our society

A woman I know, whose father was wounded at El Alamein, and whose mother was a regular churchgoer, was introduced to some Pakistani men, one of whom raped her. This was in London in the late sixties/early seventies. She only went along with her friend for fellowship, and did indeed have misgivings. White English people are not used to this kind of extreme predatory behaviour in gangs of men.

White cowards make the excuse that the girls are sluts anyway so that they can excuse themselves from having to do anything. But as far as the Pakistanis are concerned the girls are white and English and if no white English men will protect them then that shows how weak and spineless white men are. Whites had the chance by voting for Tommy Robinson when he stood as an MEP a few years back but they were too goody goody so fuck them.

Furthermore, was the mass murder of the Idaho college students, and the arrest of the suspected murderer, timed perfectly, so that it could be utilized as a distraction?

Now! **The first thing we hear** -post Maxwell’s Trial & CONVICTION, is that this **Convicted Felon can have FRONT PAGE INTERVIEWS**, where, in this instance, **she attempts to Protect Prince Andrew**, and by translation, **the British ‘ROYAL’ Family**.

Agree completely, the republi-cons are just the demon-rats light party, the zionists have complete control of both and thus have control of America.

Montana has a representative Matt Rosendale who is a real patriot and is trying, but he will be targeted by the zionists in the next election cycle.

Voting machines are under the control of the zionists and there has never been nor will there ever be a fair election as long as voting machines are allowed, they can be reprogrammed remotely to give any result the zionist want, see blackboxvoting.org.

While I understand and largely share the sentiment, what you have to remember is that thanks to our white forebears there is a huge amount of accumulated civilizational capital in the US, even more so than in e.g. Rhodesia and South Africa — so if you intend to wait until things ‘fall apart’, i.e. rather than actively trying to undermine the system in order to hasten its destruction (and risk being charged with **‘sedition’**), then you may have to wait a *long time* — and Whites will continue to suffer.

The author has a gaping hole on his perception bordered by inconsistency, contradiction, and selective amnesia.

It will be too traumatic for him to read and acknowledge the symbiosis of the Zionism and white Christianity of last 200 years in pillaging and looting the 3rd world's wealth .

How many women below 40 are killed each year by the white male in US?

How many are raped from age 14 onward?

How many shitshow of rapes happen in Hollywood in sports in high school ?

How many get anally offered to the God in the church ?

How many sex rings have been run by the white elite in the UK?.

As long as crumbs were making its way to the dinner tables of the parents of the white like this author ,Jews were fine and above reproach . Now the easy access to the food and safety net are gone,the lazy poorly educated white like this author find his angst and desperation the only available implements to fill the gaping hole and stop the tears from welling up to his eyes. Facing up to ones own culpability isnt something taught at the school or at the pew of a celibate church.

Muslim still has not done enough to exact revenge for what has been done to them from Somalia to Afghanistan and from Phillipine to Libya to Sudan.

Hey author ,how many did the Whitey rape in last 20 years ?

Who did come to your rescue when charged with all sorts of crimes ?

Joe Liberman came when Abu Gharib got exposed saying – Al Quaida didnt apologize why should we ? They also promoted the war .Falwell Billy Graham and Robertson cheering and sending bible in the wake of the invasion . Did you foregt ?

The article highlights the pathetic desperation from an entitled uneducated generation and elevates the entitlement ,makes stupidity a virtue ,and facilitates the symbiosis among Zionism and Catholicism and Evangelical.

| Trump, though he was prevented from completing the Wall, has changed all that.

Trump is a buffoon and a fraud — review his 2019 SOTU where he said he wanted immigrants to come to the US in **‘the largest numbers ever’** — virtually all of them non-white of course.

Starting with the ‘caravans’ in 2017, instigated and aided by NGOs, the problem at the southern border changed from being primarily one of illegal entry, to one of asylum — *a wall does nothing to eliminate the problem of mass asylum-seeking*.

What is obviously and desperately needed is a ‘safe third country’ agreement with Mexico, as already exists with Canada:

Canada-U.S. Safe Third Country Agreement

This would allow the US to legally turn away anyone applying for asylum at the southern border, telling them to apply in Mexico.

The US has plenty of leverage to force Mexico to sign such an agreement, e.g. a large tax on **remittances**, and high tariffs on manufactured goods imported from Mexico — but the *incompetent Trump administration* failed to get that done; given what is going on now, this was perhaps Trump’s greatest failure.

Besides, it would have been fun to see Mexicans argue that their country really is a shithole, and therefore not suitable for refugees.

Remarkably, Wikipedia reports that Ehud Sheleg donated £3.4 million to the Conservative Party from 2017-19, but the money actually came from his Ukrainian father-in-law Sergei Kopytov.

Wikipedia concludes by stating

Despite the claim being investigated and dismissed by two separate bodies, the statements [about the donation] made by Anneliese Dodds and The New York Times are yet to be rescinded.

This is hardly surprising, because the investigations did not dispute the facts of the donations, but found merely that no rules had been broken.

So there you have it. The Conservative Party received a large (by UK standards) donation from a Ukrainian source, three or four years before the Russian invasion.

Jews don't see it as a suicide mission, any more than they saw closing Jerusalem and holding it against the Romans as a suicide mission. They – even there atheists – see world history as God required to save the Jews.

So, yes, I expect Jews to keep pushing buttons to bring the world to nuclear war. And before long, all guns will be Brough tout to persuade all Anglophone Protestants that they faith means they must support Jews all then time, even to die for Jews anywhere inn the world.

I gave up on the US 16 years ago and became an expat. My contribution to undermining the corruption, death and destruction unleashed upon the world due to US foreign policy was to close up my business, remove my considerable software development talent and legally stop paying US taxes. I'm helping starve the beast.

I thought it would crumble a long time ago, so you're right about the amount of momentum built into that system. However, recent events, dedollarization, countries not following DC's orders, huge currency manufacture during the covid fiasco leading to price inflation, the Fed trapped with no credible way to regain control, the outrageous debt, the idiocy of sanctioning countries and stealing their funds and many more things tell me there's perfect storm brewing.

Many things economically are a worldwide phenomenon due to many fiat currencies rapidly headed toward their intrinsic value of toilet paper. The US is likely to be viewed as the cleanest dirty shirt in the laundry for a time, but it too will succumb due to financial interconnectedness that will take down US institutions and then cascading internal failures.

I have popcorn and time to wait.

If anything Jews and whites have been allied against Muslims

There are numerous examples to site

Against Iraq, Yemen, Libya, Iran, Syria, Lebanon and the most obvious of all Palestine

That said there are certainly Arab states notably the gulf countries that are also allied with the whites and Jews waging war on Muslims

The writer is mistaken to think that Jews and Muslims are natural Allies... they can't be Allie's when they are constantly engaged in wars in the Middle East

On the other hand the politicians running the us and Uk who happen to be overwhelmingly white seem to act like slaves to their masters in Israel .. or more like lap dogs

Another shitty article on unz. Mention Jewish control of Ukraine but not Russia? What's up with you clowns and your love for Russia and China? Both nations are ZOG. Russia is 100% Jewish, the Slavs have been slaves since the time of the Vikings have been slaves by one tribe or another and now it's the Jews. Plenty of Chinese are redpilled knowing that their government is Jewish owned and influenced. Many unz writers and commenters are low IQ.

This is correct but England is important since international Jewry conquered the world from England. England has been Jewish controlled partly since 1694 and fully in Jewish hands since 1815. William the Conqueror was a Jew. The Anglo-saxons were killer immigrant filth from the thatch roof huts of northern Germany. England has a nasty history and is a nation of criminals, thieves and liars. No wonder jews took control so easily when it was hard in other nations, although not the Netherlands, the Jews were based in the Netherlands before they made England there homeland, and now it's America.

I don't disagree with the basic anarchist principle that governments have an inherent tendency to oppress their citizens, but if money can be removed from the political equation that tendency can be eliminated or at least reduced.

Support of anarchism requires a suspension of beliefs about the selfish nature of man and the need for external restraints on our behavior. You might ask how an anarchist society or nation would defend itself against a militant foreign state. Who would perform the many other functions now done by the government?

For now a reduction in the size of the U.S. Government would surely reduce the pain they are able to inflict on us. We also need term limits on bureaucrats to prevent empire- building and to expose them to the real world. Lifetime government employment should be ended to break the stranglehold of the Deep State.

Governments are NEVER going to give up their national currency control mechanism, not even if the currency was 100% backed by gold. The rapid push for CBDC should signal that not only are gov'ts not looking at reversing course on control, they are doubling down on it to make sure they know of every penny spent and can digitally choke off the disreputable types that congregate at certain web sites. It is the control of the currency that people are forced to use instead of money that guarantees a continuation and an acceleration of the push for feudalism 2.0 . So, getting “money” out from under gov't purview isn't going to happen.

Support of anarchism requires a suspension of beliefs about the selfish nature of man and the need for external restraints on our behavior.

What you are describing as the selfish are the members of the gov't. The average person requires no restraints because the average person has no desire to enslave his neighbor. That's the exclusive domain of gov't. As for defense, weapons don't disappear when the Fed Gov evaporates, for example. I've long stated that the average person should be armed and dangerous and the people should be their own police force. With the right attitude, the people are their own military should the need arise. This is especially true going forward where grunts are less and less needed, being replaced by drones, missiles, rockets and other systems requiring very few operators to project power at any point on the planet.

With a lessening of theft (taxes), the US economy would boom and would be a model for other nations to jettison their overbearing mafias to lead to a far more peaceful world than we have now. Archaeologists contend that the ancient civilization around Caral, Peru lasted centuries and was peaceful because they found no evidence of war weapons or anything that could be construed as militaristic.

| We all watched the O.J. trial so why not this one?

My point exactly!

We are slaves on our own country. No laws are honored. No Constitution is respected. No murdered courageous President is avenged.

We have enjoyed a succession of disgraceful Gauleiter/Presidents, LBJ, Nixon, Bushes, Obomber, Clinton in a Blue Dress, Casino Trump, & Demented Biden. The VPs have been ghastly. Congress, a tragedy (recall the last trip of 72 Traitors to the Power they actually serve)?

The not very 'Supreme' Court. And State and local gauleiters whose only wish is to SERVE and PROFIT.

Our very minds, our children, our wives/husbands, our friends... must I finish this sentence?

Money flows out in a never ending torrent, and our infrastructure, water, bridges, employment, are underfinanced and in decay, and we have more people imprisoned than any other nation, and more homeless than any other nation, and our government is more corrupt than any other nation.

I would have liked to have seen that trial, and to observe if the Prosecution asked the right questions.

Tipping point was a few years back. Jews have been largely expelled from Hollywood, replaced by Blacks (resulting in very poorly executed and received videos), and the expulsion is a strong precedent for classifying Jews as Whites under the 1964 Civil Rights Act.

Blacks tend to hate Jews.

The dominant Black coalition hates All Whites, and appears to want to end White civilization (to eliminate Whiteness).

I doubt that the Pakistanis will have love for Whites. They certainly don't love Christianity.

So where is the statistical data to prove your point. You have no data to buttress your argument and you know it. You are merely ranting and spewing hatred (like the volcano, Krakatoa, east of Java). You and your ilk have become stale, old and very, very tiresome. You should have the common decency to retire to an old folks home and make way for new blood. The world has moved on, nobody is interested in your vile fairy tales.

And concerning your much vaunted White civilization, how do explain the genocide of forty to fifty million Indians during the period of the British Raj. How do you explain the 40 trillion dollars looted from India by Great Britain. These numbers are derived by Indian Academics based on meticulous research. Do you know that Winston Churchill was personally responsible for the murder of two to three million Indians due to the Bengal famine when he diverted rice and grains from Bengal to Great Britain. Get off your fat, lazy and very ignorant, wrinkly white-skinned ass and research it. Stop making up stories about a glorious White civilization, the actual reality was brutal and is brutal even today (refer to the University of Hawaii study of the number of civilians killed since WWII – approximately 120 million, almost all by white-skinned Europeans in wars of aggression). Yes, Madame Ching, when whites kill, it is on an industrial scale.

So to conclude, I would tell you that you are a very cheeky little fellow.

Well, yeah, but you're ignoring the ignoramuses that dominate the landscape.

A good example: About 15 years ago, the gas company wanted to run a gas line down the 4 or 5 mile long segment of the road upon which I live. They clearly promised to avoid any disruption to the natural flora and even proposed a permanent (up dated) drainage ditch and the placement of additional conduit channels in the event of later wiring needed (cable, internet, whatever). Hookup of gas to your home was the only cost to you (like, \$3600 was typical and all sorts of terms of payment available – you could take the rest of your life paying off that hook-up if you wanted to).

It was put to a vote limited to those living in or near that road and potentially served by that gas line.

It was voted down!

Today you have only propane and the cost of propane here is 3x what it is just two counties over and 5x what it was 15 years ago. The morons on that road sally around in brand new \$50,000 pickup trucks.

Ignoramuses!

This represents a phenomenal amount of wealth and reserve of old conservative values.

It sure looks to me like most of these Brits have been deliberately forced to flee England. It was an act of ethnic cleansing, unfortunate but necessary before the new Jewish owners take possession of the island. The link is factually and scripturally correct. It is not misleading and it is Christian. Jesus was the prophet like unto Moses Deut 18:18.

In John 10:36, Jesus claimed to be only the Son of God when opponents wrongly accused him of making himself God. That was the perfect opportunity for Jesus to affirm any alleged divinity, but he did not do so.

He was one with the Father in the same sense that we can be one with the Father John 17:21, namely in spiritual outlook.

Jesus was a mortal man like every other man Hebrews 2:14. This verse would be telling a lie if Jesus was also God and divine from everlasting to everlasting.

Jesus was made “lower than the angels for the suffering of death”. Hebrews 1. How could God, “who only hath immortality” die? 1 Timothy 6:16. That would be a contradiction in terms.
