## NECHTE SVOBODU ŘVAT!

Marjorie „Large Marge“ Greene má chytlavou frázi: „postavena jako nákladňák s neukojitelnou touhou sát.“

To je odvozeno od jejího masivního obvodu a záznamu o podvádění jejího ubohého manžela, s nímž se nakonec rozvedla.

Nicméně, „Beast Unleashed“, jak je známá, může být brzy na trhu s novou frází: takovou, která osloví její posedlou touhu po válce s Číňany.

Mnoho z nich nabízí potenciální možnosti, jako jsou „malé oči, je čas zemřít“ a „hlavo cueball, naplním tě olovem“.

The Independent :

**Kongresmanka Marjorie Taylor Greeneová údajně křičela a nadávala úředníkům Bidenovy administrativy během briefingu za zavřenými dveřmi za to, že předtím nesesťřelili čínský špionážní balón.**

Paní Greeneová vypadala, že je na sebe hrdá, když vyprávěla o setkání.

**„ Celou dobu jsem musel čekat ve frontě. Byla jsem myslím předposlední a rozkousala jsem je stejně jako Američané ,“** řekla Greeneová The Hill. "Roztrhal jsem je na kusy."

Poslanci sněmovny byli požádáni, aby se zúčastnili čtvrtěčního tajného brífinku ohledně sestřeleného údajného špionážního balónu.

Jeden zákonodárce, který se schůzky zúčastnil a hovořil s The Hill, řekl, že paní Greeneová křičela a křičela.

**"Když se měla ptát, křičela, říkala 'býci\*\*\*' a, víte, 'já vám nevěřím',"** řekl zákonodárce. **"Jen křičet a řvát, podle mého názoru iracionální."**

Pan Biden řekl, že chtěl balón sestřelit již dříve, ale jeho vojenští poradci varovali, že by to mohlo způsobit, že se trosky zřítí na domy, podniky nebo jiné pozemní stavby pod nimi.

Údajně mu řekli, aby počkal, až bude balon nad vodou, aby ho sfoukl z oblohy.

Paní Greeneová zjevně neměla žádné výčitky ohledně možného dopadu sestřelení balónu, protože trvala na tom, že měl být zničen dříve, protože „vypadal slabý“.

**„ Řekl jsem, že prezident může být demokrat, ale stále je to prezident Spojených států, a díky nim vypadal jako blázen a vypadal slabý týden před stavem unie – řekl jsem to i veřejně – od ne sestřelit ,“** řekla paní Greeneová. "A řekl jsem, že jsem tam dnes neslyšel nic, co by mi dalo důvěru v to, co udělali."

Velká aktualizace: hnutí MAGA je nyní „hnutím války s Čínou“.

„BALÓN, GUY! GOY, GOY, GOY, GOY!“ -breitbart.com

Příběh je takový, že Joe Biden je ovládán Číňany kvůli notebooku Huntera Bidena, a to znamená, že na něj musíme tlačit, aby vedl válku s Číňany.

This is very convenient for Joe Biden, because he's already spent the first two years of his administration attempting to provoke a war with China. He has been arming Taiwan, sailing war ships back and forth through the Taiwanese strait, and flying warplanes in and out of Chinese airspace.

He's also the first president in history to suggest that Taiwan is actually an independent country.

"I believe that Taiwan is an independent and sovereign nation and that China needs to back off." Rep. [@Kat\\_Cammack](#) responds to President Biden's statements about Taiwan on Newsmax's "American Agenda." [@HeatherChilders](#) [@BobSellersTV](#)  
[pic.twitter.com/mjDf9s3bRQ](https://pic.twitter.com/mjDf9s3bRQ)

— NEWSMAX (@NEWSMAX) [October 22, 2021](#)

He was the first president to state outright that US troops will defend Taiwanese “independence.”

Biden: U.S. troops will defend Taiwan if CCP invades  
Biden said the United States is not encouraging Taiwan's independence, whether Taiwan is independent by their own decision, but once the CCP invades Taiwan, the U.S. military will defend Taiwan, which is different from Ukrain [pic.twitter.com/7aMPHvxJCZ](https://pic.twitter.com/7aMPHvxJCZ)

— Michael mgzhzy (@mgzhzy) [September 20, 2022](#)

## He sent Nancy to invade Taiwan.

Days before Speaker Pelosi visited Taiwan, Chinese President Xi Jinping had a request of President Biden: Stop Pelosi from visiting.

Biden refused, telling Xi that Congress was an independent branch of government and Pelosi would make her own decisions. <https://t.co/guEUSv6tZM>

— Kyle Griffin (@kylegriffin1) [August 21, 2022](#)

Donald Trump never did any of this, of course, so the former MAGA movement probably needs to look into whether or not Trump, like Biden, was a Chinese agent.

It's all truly beyond me. I just simply cannot understand how you can be so stupid as to think that this government is lying about every single thing, but is also being very honest about the Chinese provoking a war.

To believe that Biden is pro-Chinese, despite the record of harassing and threatening the Chinese, is so nonsensical that I just really can't even. I cannot even.

Then you have the fact that these people believe that Biden is senile, and also that there is a deep state running everything, but that Biden was able to convince the deep state to be pro-China because of Hunter Biden's laptop.

Also, NATO declared China an enemy recently.

NATO issues RED ALERT! What Putin and China are doing will change EVERYTHING!  
<pic.twitter.com/Pn1PQ0tUkn>

— Redacted (@TheRedactedInc) [February 6, 2023](#)

So what are the sides here?

People against war with China:

- Joe Biden (the one who took too long to shoot down the balloon)
- China

People for war with China:

- Joe Biden (the one who has been provoking them for two years straight)
- Democrat Party

- Republican Party
- US Military
- NATO
- Tucker Carlson, Ben Shapiro, and all conservative media
- CNN, NYT, and all liberal media
- Marjorie Taylor Greene

If the Democrat establishment – and thereby the entire security state – is pro-China, then that would mean they are just pretending to be anti-China. Why would they do that? To trick who exactly? They don't have to hide their support for Israel or the Ukraine, do they? *What does any of this even mean?*

It's just wild that people are this dumb.

If people want a war with the Chinese because they eat dogs or whatever, okay.

But this thing of saying Joe Biden is in league with the Chinese in order to get Republicans to support Joe Biden's war with the Chinese is just too dumb.

I cannot take it.

Just reduce it to any single point: is Nancy Pelosi good? Is she bucking Joe Biden?

It just simply does not make sense.

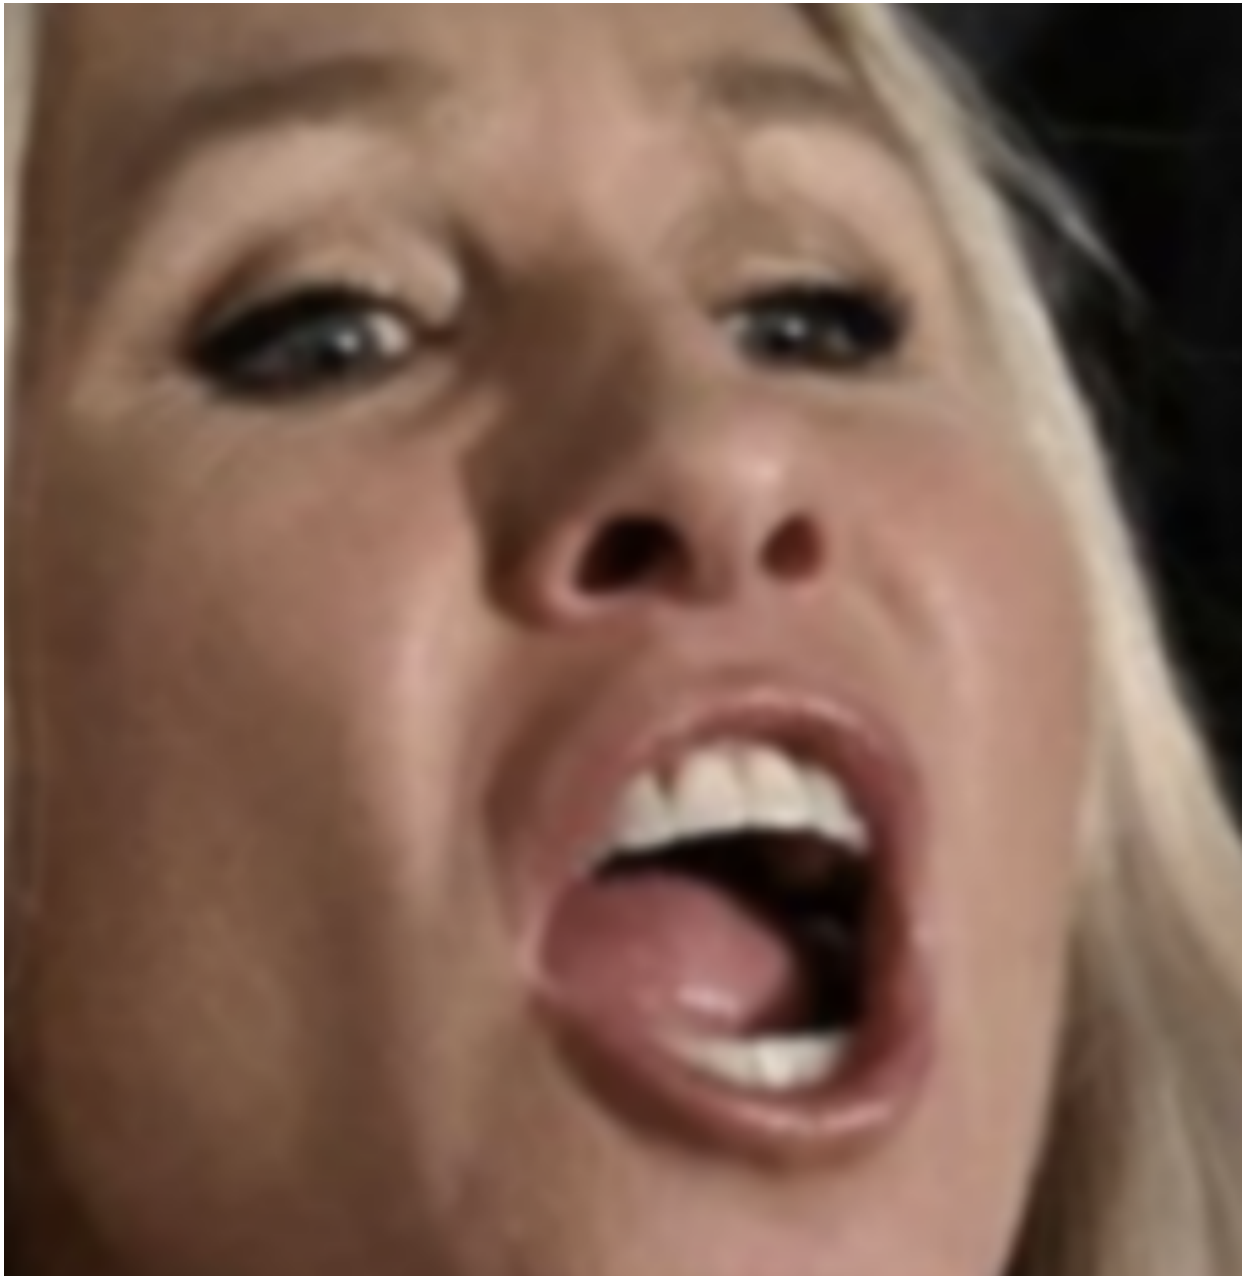

It's too much.

I really just can't even take it.

It's too much.

“Biden is controlled by the Chinese and working with the balloon” is too much.

Too much.

But yeah, it's predictable I guess.

You always had these really low IQ peasants in the conservative movement, who I've tried to rely on to support Christian values and populist America First policies. But they are just too stupid. They are

sitting ducks for some garbled narrative pushing war with the Chinese to force gay marriage on them because of weather balloons. If the US wins a war with China, the whole world will be controlled by Jews, and this tranny stuff will come for all our kids. You'd think these fat retards would have some self-protection mechanism, but they just simply do not.

I knew Marjorie was an idiot from the start because she believed the QAnon hoax.

My gal Tulsi has come out against the anti-China BS. I know she's far too liberal on some issues, but dammit, if we have a nuclear war, we all die. (Except the Jewish oligarchs and their simpering shabbos goyim hiding out in their bunkers.)

It's obvious that there's a Balloon Gap. The Five-Sided Loony Bin [aka Pentagon], the CIA, NSA, FBI, DHS and more all need balloons in their toolbox. Forget the Space Force, it's BALLOONS we need.

I know some will accuse me of Balloon Envy but, that is not the case. This Balloon Deficit needs addressed and NOW. The Balloon Force will need at least \$100B in its first year... minimum. We're gonna have the biggest, bestest Balloon Force this planet has ever seen.

Anyone who opposes a Balloon Force probably had Kung Pow chicken for dinner last night. I'll bet they even have Chinese made products in their home.

Nukes, schmukes, Balloons are where it's at. We can expand the 1033 program so local cops can get military grade balloons. How can we Fight Crime without balloons? The question answers itself.

Get on the Balloon Train now!

EVERY Congressman or Congresswoman wants a nice long expensive war, because nothing gets them re-elected so well as bringing into their districts some MIC money. Even if they currently have no contractors in their districts, they figure they can suck up to the Pentagon procurement machine and get a nice factory in there making tank tracks or helmet liners or something someday.

China doesn't want anything from us, except to allow their most talented citizens or Chinese American citizens to eat our lunch at everything we once thought we were good at, like engineering or tennis. That's another reason our politicians want war with China. They resent the excellence of the Chinese, in the same way the USA had to go to war with Germany in WWI, because the German settlers were better at everything important than the scummy descendants of British criminals that fomented the Revolution.

Yeah, Marjorie Taylor Greene is an offensive person. Irrespective of the salacious stuff posted here she is obviously a dull normal. She was raised Catholic and married in the Catholic Church but left Catholicism to join some evangelical megachurch.

According to Wikipedia:

Greene was baptized, raised, and married as a member of the Roman Catholic Church, but stopped attending Mass services in reaction to the child sexual abuse crisis in the church.[318] After that, Greene rebaptized in 2011 into North Point Community Church, an evangelical megachurch network based in Alpharetta, in a baptism published in an online video.[319][320][321] Greene speaks often about her faith and has said that she wants to bring “my faith and my family values to Washington”.

Any Catholic who falls for and believes the largely manufactured abuse scandal (I say that as an investigator in Boston for decades and a practicing Catholic in good standing) has the same level of ratiocinative ability as someone who believes Iraq had WMD or Trump was colluding with Russia. The priest-abuser narrative is one (((they))) have assiduously been fostering for decades in media for 40 years to destroy Catholicism.

Marty Baron, son of Israeli immigrants, came from Miami to Boston, the center of American Catholicism, and his first project as head of the newly-formed Boston Globe Spotlight was to investigate the Catholic Church. His Boston Globe investigation — which was made into a Hollywood movie— uncovered a total of 10 predator priests over the past 50 years, the majority of whom had already left the priesthood or been defrocked. Imagine that, 10 bad priests out of the 50,000 priests who serve/served in the past 50 years in the Boston Archdiocese. Yet everyone believes there was pervasive priest abuser scandal.

The Catholic Church was founded by Jesus Christ and her sacraments alone have the tangible means of salvation\*. So those who hate Jesus Christ hate His Church and her power to influence culture and save souls.

\*Nb: Protestantism was founded as a revolutionary movement to subvert the Catholic Church (see EMJ's *The Jewish Revolutionary Spirit* for a detailed discussion of this). And especially obscene is how this revolutionary movement used the Catholic Church's book, the Bible, as part of this subversion (albeit, a redacted and re-translated version).

You should've also mentioned that Protestantism was started by an assortment of disreputable characters 1500 years *after* the Catholic Church was founded by Jesus Christ.

Protestantism is crypto-Judaism. Protestantism is as continuous with Christianity as modern synagogue-centered Judaism started by Khazars is continuous with the Temple-centered Jewish religion of the Old Testament practiced by Hebrews.

Titus 2:5 in the King James Bible says women are to be keepers at home. This is why I won't vote for any woman for public office, including MTG. God's will is for women to be housewives. MTG's Northpoint Community Church was founded by Andy Stanley, son of divorced Dr. Charles Stanley, retired pastor of First Baptist Church Atlanta and founder of In Touch Ministries. Andy Stanley is very pro-gay (see <https://pulpitandpen.org/2023/01/26/arizona-pastor-blows-the-whistle-on-andy-stanley/>). MTG does not understand the Bible (neither does the person behind post #6 above).

And this is why the Maga movement is Trump and no one else. Do not accept imitations. Relations with China were much better under Trump, despite the fake news that 3 spy balloons were hovering over the Midwest under Trump's watch. That's another lie, like the one from Hillary where she said Trump was totally for the Iraq war, so he's just as complicit as everyone else, including senators named Hillary who actually voted for it.

I expect others will yammer on about how Trump was fake controlled oppo and didn't do this and that, but answer me this. Were we on the precipice of 2 nuclear wars during the Trump administration?

The U.S. can't win a war against China and has no interest in starting one.

The balloon stuff is political theater. It is how the Establishment is deflecting from its loss in the Ukraine. It believes it can slink away from the nuclear brink with Russia under the cover of sabre-rattling about the yellow peril.

That's why everyone who does not really want nuclear war is jumping on the balloon bandwagon. It allows the U.S. to save face over its ignominious performance in the Ukraine and its subsequent deescalation. It's an "out" – a way of saying "look over here!"

Always give bullies an "out." If you back them into a corner, they are dangerous. Especially the world's #1 bully, the U S.

*The balloon stuff is political theater. It is how the Establishment is deflecting from its loss in the Ukraine. It believes it can slink away from the nuclear brink with Russia under the cover of sabre-rattling about the yellow peril.*

I say:

The YELLOW PERIL ain't no substitution for the SLAV MENACE. Although I agree with your assessment of the thinking of the American Empire's ruling class. The Russkie Bear will get its bite and Biden will shrink away from further confrontation.

The Ruling Class of the American Empire imported Asians in huge numbers for cheap labor after the War of Northern Aggression, and the resultant YELLOW PERIL backlash from regular White Core Americans caused the ruling class to halt Asian immigration. Ruling class good on that bit.

The YELLOW PERIL was also about Asian people minding their own business and getting annoyed at the European imperial powers for pushing them around. The imperial powers just turned that around and said the Asians were the problem.

The SLAV MENACE was the Ruling Class of the American Empire getting upset that the Russkie Bear was pawing and snorting around in northeastern Asia a century or more ago.

The Russo-Japanese War was provoked by the JEW/WASP Ruling Class of the American Empire. The money-grubbing ruling class used the Jap proxy to reduce the friskiness of the Russkies in Asia.

The JEW/WASP Ruling Class of the American Empire has pulled the proxy weapon stunt numerous times on the Russkies. In the 1890s and the early part of 20th century the JEW/WASP Ruling Class was using the Japanese as a proxy weapon to poke the Russian bear. The JEW/WASP Ruling Class cooked up some crud about a “SLAV MENACE” and they nudged the Nips towards war with Russia.

Back then the ruling class of American Empire was wary of Russkies flowing down the Chinese coast out of the north and they used the Nips to halt the Russkies.

Now it's about oil and natural gas and keeping the Germans down and the Russians down and the US military in.

Let the Krauts have a nuke and be done with it.

ABOLISH NATO NOW

### **Mob storms Pakistani police station, lynches man accused of blasphemy**

11 feb 2023

LAHORE, Pakistan, Feb 11 (Reuters) – A mob in eastern Pakistan stormed a police station on Saturday and lynched a man under custody and accused of blasphemy, police said, in the latest incident of religion-linked violence in the Islamic republic.

The country has seen numerous cases of vigilante action by mobs against people accused of blasphemy, one of the highest profiled ones being the lynching of a Sri Lankan national, a garment factory manager, in 2021.

On Saturday, Muhammad Waris, a man in his early 20s, was taken into police custody after a mob attacked him for allegedly desecrating the Koran, the Muslim holy book, police spokesman Muhammad Waqas told Reuters.

heartily agree. During the 1870-71 French-German War,

Paris was tightly encircled and besieged for several months.

the clever froggies then made extensive use of hot air balloons

to carry people, letters, and etc. to unconquered areas of France.

today in Wash. DC we have enormous amounts of hot air,

but no balloons. Yet.

please be patient, the pentagon is working furiously to achieve balloon parity with the despicable chinese commies. granted the chinese have a decade head start, in advanced balloon technologies but our hero's are now on it and have assured us, that by the 2030's we will eclipse the chinese, if we are willing to invest \$25 trillion right now, while we still have the chance to catch them and the dollar still has monetary value.

You have to watch those inscrutable Chinese. After building fourth gen stealth fighters, hypersonic missiles, a network of surveillance satellites (all of which they either stole from us or were given the plans to, by Bill Clinton), what do they do?

They flummox the best and brightest minds the Pentagon has, and sneak up on us through the ‘back door’ using a weather balloon. And what really galls me, is that the plans for these super high-tech balloons were either stolen from us, or given to them by the Clintons.

(Possibly Hunter made some money on the deal, too. But that money will never be recovered, spent on snort, whiskey and disgusting women.)

I give a lot of credit to Xiden, Austin, and Blinken. I think we can all sleep better, knowing they are in charge, and have what it takes to carry out the mission and values of the Rules Based Order.

But now is not the time to be complacent. We can’t rest until we see a LGBT Pride Parade outside of Tiananmen Square, and the Helmsman’s photo basking in rainbow lights. Only then will the Chinese people be free of the evils of communism.

Any Catholic who falls for and believes the largely manufactured abuse scandal (I say that as an investigator in Boston for decades and a practicing Catholic in good standing) has the same level of ratiocinative ability as someone who believes Iraq had WMD or Trump was colluding with Russia.

There certainly a fair number of priests who have secondary characteristics that tend to correlate with sexual deviance. Not to mention some Bishops.

BTW, I myself am a practicing Catholic.

I'm Catholic and believe the Catholic Faith is the True Faith; however, your kind of propoganda, based on ill will towards others, is embarrassing.
