Amerika jde do války

Neustále bez ohledu na jakýkoli skutečný národní zájem

Minulý týden na [Rage Against the War Machine](#) mírové shromáždění ve Washingtonu nebyl nedostatek řečníků, kteří odsuzovali pokryteckou zahraniční politiku Bidenovy administrativy, která v podstatě posuzuje jakoukoli násilnou akci ze strany Spojených států a jejich přátel jako dobrou z definice, zatímco cokoli, co udělali soupeři nebo konkurenti, někdy vhodně označované jako „nepřátelé“, jako „zlo“. V současném kontextu Ukrajina versus Rusko, kde jsou USA zapojeny do zástupné války, byli řečníci schopni citovat a porovnat impozantní seznam amerických ozbrojených intervencí po celém světě od konce druhé světové války. Ani Rusko, ani žádný jiný národ se nikam nepřibližuje Spojeným státům, pokud jde o neustálou

bojovnost, konflikty, které jen stěží odrážejí nějaký skutečný životně důležitý národní zájem nebo bezprostřední zahraniční hrozbu. Hodíte do násypky více než 800 amerických vojenských základen roztroušených po celém světě a rostoucí rozpočet na obranu větší než rozpočet dalších devíti zemí dohromady, včetně Číny a Ruska, a čtenář získá určitou představu o skutečném problému: Spojených státech se stal národem, který lze nejlépe popsat jako válečný stát. Právě tam jdou peníze z daní neúměrně a korupce, kterou živí, produkuje ochotu zapojit se do „ještě jedné války“ ze strany rozmazlované, chráněné a bohatě odměňované politické třídy, která zase podporuje masakr drtivé většiny.

Několik řečníků minulý týden také uvedlo jako skutečný problém média, která se kdysi snažila odhalovat lži a podvody ze strany vlády, ale nyní se stala partnerem Bílého domu při utváření a propagaci preferovaného narativu. Je třeba také zdůraznit, že tato média jsou z drtivé většiny demokratická, pokud jde o jejich vlastnictví a sympatie, a to natolik, že spolupracovala ve snaze označit Donalda Trumpa a jeho zaměstnance za „ruské agenty“.

Někdy se toto propagování určitého úhlu pohledu nejlépe provádí mlčením, tj. nesdílením příběhu nebo jeho pokračováním. O mírovém shromáždění z minulého týdne nebylo prakticky žádné zpravodajství, přestože mezi řečníky byla řada známých osobností veřejného života, z nichž tři byli bývalí kongresmani. Stejně tak, kromě krátké zmínky v *The Washington Post*, v mainstreamových médiích neproběhlo prakticky žádné sledování pečlivě prozkoumaného a zdokumentovaného vyšetřování Seymoura Hershého ohledně zničení ropovodů Nord Stream Spojenými státy skrytými za věrohodným popřením tajná operace provedená loni v září.

Velká část tisku ignorovala jasnou vyšetřovací linii prvního dne, kdy potrubí explodovalo, že Bílý dům již dříve varoval, že „něco udělá“, aby zastavil Nord Stream, a že má prostředky i motiv, aby svou hrozbu dotáhl do konce. . Podobně poté, co se příběh o Hershovi provalil a Rusko hledalo a získalo slyšení profesora Jeffreyho Sachse a bývalého důstojníka CIA Ray McGovern, kteří svědčili před

Radou bezpečnosti OSN, aby zahájili vyšetřování této záležitosti, americká média ignorovala tento příběh ve večerních zprávách a udělala to. nenavazovat na něj následující den nebo později. Zásadní příběh zahrnující válečné zločiny spáchané jak na protivníkovi Rusku, tak na spojenci v NATO Německu, které měly potenciál jaderného konfliktu, tak zmizel, ale USA a jejich propagandistická mašinérie ještě neskončily. Bílý dům předvídatelně popřel jakoukoli roli ve zničení potrubí a viceprezidentka Kamala Harrisová se pokusila obrátit stůl prohlášením na mnichovské bezpečnostní konferenci, že je to Rusko, kdo je vinen ze „zločinů proti lidskosti“. To tvrdila, „Za prvé, od začátku této nevyprovokované války jsme byli svědky toho, jak se ruské síly zapojovaly do strašlivých zvěrstev a válečných zločinů. Provádějí rozsáhlý a systematický útok proti civilnímu obyvatelstvu – děsivé činy vražd, mučení, znásilňování a deportace. Zabíjení ve stylu poprav, bití a zabíjení elektrickým proudem. Ruské úřady násilně deportovaly z Ukrajiny do Ruska statisíce lidí, včetně dětí. Krutě oddělili děti od jejich rodin.“

Harris dospěl k závěru, že „my“ musíme nadále „silně podporovat Ukrajinu... tak dlouho, jak to bude potřeba!“ Dalo by se poznamenat, že Harris nebyla schopna zajistit skutečné hranice USA v průběhu více než dvou let, takže „dokud to bude trvat“, podle jejího výpočtu by se mohlo dostat do 50. let 20. století. A stěží je známá svou schopností rozlišovat, co je a není pravda. Klidně mohla svůj příběh okořenit tím, že žertovala, jak to musí držet Vladimira Putina a jeho kabinet vzhůru až do pozdních nočních hodin a vymýšlet nová zvěrstva, která je třeba provést.

Joe Biden zdvojnásobil Harrisovy poznámky v projevu ve Varšavě o několik dní později, proneseném po návratu z Kyjeva s mužem, kterého miluje víc než kohokoli jiného, Volodymyrem Zelenským, kde dal drobnému komikovi další půl miliardy dolarů. peněz amerických daňových poplatníků a slíbil, že USA se nikdy nevzdají,

dokud nebude Rusko poraženo. Poněkud hyperbolicky poznamenal k Zelenskému, že po roce bojů „...Ukrajina stojí. Demokracie stojí. Američané stojí s vámi a svět stojí s vámi.“

Biden řekl Polákům těsně před 24. únorovým výročím konfliktu na Ukrajině, že jde o spravedlivou válku, která staví „demokracii“ proti „totalitarismu“. „Zbabělá touha po zemi a moci“ ruského prezidenta Vladimira Putina sloužila pouze ke sjednocení demokracií po celém světě. „Nebyla to jen testovaná Ukrajina. Celý svět stál před zkouškou na věky... A otázky, kterým čelíme, jsou stejně jednoduché jako hluboké: Odpověděli bychom, nebo bychom se dívali jinam? O rok později známe odpověď. Odpověděli jsme. Byli bychom silní, byli bychom jednotní a svět by se nedíval jinam.“

Po návštěvě Bidena v Kyjevě, která ukázala, že klam je oboustranný, následovala skupina republikánských kongresmanů, kteří tento čin zopakovali a cestovali na Ukrajinu, aby se následujícího dne smiloval nad Zelenským v jeho prezidentském paláci. Člověk si klade otázku, zda je ještě někdo „doma“, který se snaží zmírnit obrovský únik toxických látek, který se zřejmě chystá pohltit Ohio? Někdo by se mohl zeptat, odkud federální vláda USA tyto idioty bere? Tančit v duchu konfliktu, který by se dal vyjednat, a skončit na pokraji jaderné války, která by se vší pravděpodobností zničila planetu, je „zkouškou na věky“? A kdo platí tyto zbytečné kongresové cesty? O to větší škoda, tohle se neděje jen ve východní Evropě. Spojené státy v současné době spolupracují s Francií na něčem, co vypadá jako další vojenská intervence na věčně nestabilním Haiti a samozřejmě se hledá i Čína.

A pak je tu vždy Blízký východ, kde Izrael těží z „železných“ závazků a rétoriky „nezlomných pout“ z Washingtonu. Když Izrael zavelí "Skoč!" Bidenův režim se ptá pouze „Jak vysoko? Vzhledem k tomu, že se média vyhýbají jakémukoli provokativnímu zpravodajství o židovském státu, kolik Američanů ví, že samozvaný velvyslanec sionisty Joe Bidena v Izraeli Tom Nides právě dal premiérovi Benjaminu Netanjahuovi zelenou k útoku na Írán s podporou USA pro jakékoli podniknuté kroky? Nides minulou neděli na Konferenci

předsedů hlavních amerických židovských organizací v Jeruzalémě řekl, že „Izrael může a měl by udělat cokoli, s čím se potřebuje vypořádat [s ohledem na Írán] a my mu držíme záda“.

Již existuje precedens, protože Izrael ve skutečnosti opakovaně útočí na sousední Sýrii bez jakéhokoli komentáře Washingtonu, který má v této zemi ve skutečnosti jednotky, které kradou syrskou ropu. Ani Washington nic nenamítal, když izraelská armáda během minulého měsíce zaútočila na dva palestinské tábory, přičemž zabila 10 a 11 civilistů a zranila více než 100 dalších. Aby připravila půdu pro to, co přijde v souvislosti se vztahem vrtění se psem, poté, co Izrael 29. ledna zaútočil na obranný komplex v Íránu, Bidenova administrativa novinářům navrhla, že izraelský útok byl součástí nového „společného úsilí“. Washingtonem a Jeruzalémem k omezení jaderných a vojenských ambicí Teheránu. Ministr zahraničí Tony Blinken popsal směnu následujícího dne, aniž by kritizoval ani znepokojoval destabilizační potenciál stávek, natož aby je odsuzoval. Místo toho obhajoval izraelský útok slovy: „[Je] velmi důležité, abychom se podle potřeby i nadále zabývali různými akcemi, do kterých se Írán zapojil v celém regionu a které ohrožují mír a bezpečnost, a pracovali proti nim.

Nidesův komentář odhaluje, že neví, kdo způsobuje problémy na Středním východě. Potvrzuje také, že i když dojde k vojenské akci iniciované Izraelem, která vážně poškodí americké zájmy, Bílý dům Izraelce podpoří. To by nikoho nemělo překvapit, protože tři nejvyšší úředníci na ministerstvu zahraničí jsou Židé, stejně jako dva nejvyšší ve štábu národní bezpečnosti, vedoucí vnitřní bezpečnosti, ředitel národní zpravodajské služby, zástupce ředitele CIA a prezidentův šéf. zaměstnanců. Změna politiky, protože to je to, co to je, také dává Izraeli zelenou k beztrestnému útoku na iránské cíle. Nides také uvedl, že Spojené státy se zavázaly odepřít Íránu jaderné zbraně, což naznačuje, že pokud se domnívají, že takový vývoj hrozí, zničily by zařízení používaná k výrobě nebo skladování zbraní. Zmínil také, že USA se nebudou pouštět do žádných případných jednání s Íránem, dokud bude prodávat zbraně Rusku. Ačkoli Nides nemá problém se

svobodným zabíjením palestinských dětí, je poněkud nepružnější, když jsou do toho nějak zapojeni Peršané, a říká, že „Íránci poskytují Rusku drony a ty drony zabíjejí nevinné Ukrajince. Dnes nemáme šanci vrátit se k jednacímu stolu.“

Tak co máme? Vzpomíná si někdo na slavný citát připisovaný britskému státníkovi Lordu Palmerstonovi, že „Národy nemají stále přátele ani spojence? Mají jen trvalé zájmy.“ Jedinečně se zdá, že Spojené státy ani nemají své zájmy, kromě podbízení se různým volebním obvodům a skupinám, které si koupily nebo tajně získaly kontrolu nad politickým systémem a médií. Takže americká veřejnost, nyní méně bezpečná a prosperující než kdykoli od druhé světové války, je udržována v nevědomosti o tom, co je důležité, a téměř o všem se jí lže. Proto jsme na Ukrajině na pokraji zkázy a jsme otroky mocenských zprostředkovatelů, kteří nenávidí Rusko a upřednostňují Izrael nade všechny národy. Běsnění proti válečné mašinérii nepřinese nic dobrého, nejsme-li schopni nejprve přijít na to, kdo nás šidí, a pak sebrat odvalu to zastavit. Začít přerušением současné vazby, která se váže s Ukrajinou a Izraelem, by bylo dobrým začátkem, po kterém by následovalo přivedení vojáků domů téměř odkudkoli. Soudit úředníky Bidenovy administrativy, kteří zahájili nelegální válku zničením Nord Streamu a uvězněním je všechny, by bylo ještě lepší. Everyone is tired of Trump. DeSantis is younger, sharper, but a foreign policy neocon. Trump is back and swinging hard, promising to destroy the neocons. He doesn't have a clean record, but at least offers hope as this new campaign ad shows. A declaration of war against the Deep State. He will end up like the Nordstream pipeline.

Raging against the war machine will do little good if we are incapable of first figuring out who is screwing us and then developing the courage to put a stop to it.

I'm in complete sympathy with Mr. Giraldi, but I've still got to dispute this.

Come election time, I'm presented with a choice of Corporate-Friendly Warmonger (D) and Corporate-Friendly Warmonger (R). My feeling when looking at the ballot is helplessness – Courage Levels just don't matter.

They went all in on Ukraine.

And when it falls they will be finished.

The Rothschild central banks are all bankrupt.

So the 'Great Reset'

Which is digital currency so they can stay in power.

Population reduction, the great culling.

It's all layed out by their frontmen at the WEF.

I have the Ides of March for the fall of Ukraine.

The Great Reset is a world without them.

He didn't start any wars and this made them hot mad.

The war he fought was against the fake news, fake Russiagate, six hundred and sixty six fake sexual accusers.

E. Jean Carroll (Alice and Wonderland) to Anderson Cooper

“Just think of all the rape fantasies. You are a very fascinating person to talk to.”

Cooper: “uh, uh we need to go to a commercial break now.”

Today, no one can deny that Putin is a Stalinist who is pursuing a policy of annihilating the Ukrainian people, just as Stalin did during 30 years of his bloody rule. After all, as Stalin told Tito's confidant and Yugoslav partisan leader Jilas in 1945: "Whoever occupies a territory imposes his own social system on it.

Everyone imposes his own system as far as his army can go. It cannot be otherwise."

As his more than 20 years in power have shown, Putin is incapable of inventing anything new. The pitiful mediocrity can only blindly copy the methods of the outcasts of humanity.

FED Chairwoman Yellen promised Ukraine another \$100 BILLIONS..virtually the FED has become an open checkbook account for the Neocons with no Congressional oversight. At the same time Gold/silver/copper prices rose, dollars value went down, inflation is up, and the USA National Debt exploded. How much longer can the USA sustain such levels of spending? in fact NATO/USA/Europe aid to Ukraine is already eating into their Social programs spending..the issue will become Giving aid\$ to Ukraine or cutting into their Health/Education/Pension spending. This situation has impacted Spain/Portugal/France/UK...in the USA is a matter of Ukraine vrs OH/East Palestine aid..And then what??

The problem with America was they were too successful for too long, it breeds arrogance and mediocrity.

Those now making decisions in Washington on foreign policy and domestic issues would not even make a good in a banana republic.

When you are a hegemony you can hide the idiot relative in a good job...but now the cards are on the table and the bluff is called then U.S leadership seems so amateurish.

But that also makes them dangerous as they try to save face with a humiliation becoming apparent in Ukraine.

The Hegemon-Plutarchy have played their War/Sanctions/Coup then Plunder Scheme to their extent.

*PAK were the latest Coup Success. Amazing how quickly Khan was ousted for defying the Hegemony. PAK are the Sole Muslim Nuke State who could hold ISR, Murica, and GBR “On Hold” with their dealings with IRN. So easily bribed.

*€URope are pwn’d. Brought to Heel by Murica. Germany licking Biden and Blinken’s Boots – how Low have Die Deutschen fallen again. Successfully cut off from RUS Trade. They’ll still have to buy up Hydrocarbons through TRKStream and TRK’s future Hub. Looks like Haebeck/Baerbock and the NLD-€URopaDTT Lobbying have contributed to DEU relocating their Industrial Base. Probably going to get really bad in Winter 2023CE for the €URoZone unless they retune for Coal and Import ShipLoads of it.

*MENA+AFG have been bombed out from the PNAC7 Long Wars. ISR+PetroUSD+MICC Benefitted. LBY+Gold-Dinar Schemes Destroyed. “Camp of the Saints” Migration Kicked Off for the €URoZone. FRA exColonials and Mineral Deposits(e.g., Cobalt) may draw ZATOceania Members there.

*Americas will remain under Murica. OpenBorders Policies are allowing the flooding of Legal/Illegal Migrations into the USA, while MEX called for an Americas ClusterState with “Free Movements” within. Figure the Merger will continue. Murica will become a Hispanic Majority State with Spanish+English as Official Languages.

*IRN can no longer be ColorCouped or invaded successfully via Amphibious or Overland means. They're too big, Tehran is too inland, they've mastered sufficient Missile+Drone Tech to ruin any Aggressor's Campaign(including Netan-Yahu's. Somebody tell him that Arash-2s can reach ISR all on their own), have Asymmetrical Warfare Cells, have CHN_PLA and PRK_KPA Advisors, have CHN/IND/RUS Naval Vessels making Port Calls+Exercises, can Nuke Up very quickly, and RUS+IND are "Neighbors".

*PRK should be "Off Limits". They're looking for opportunities to Avenge their Kin from the Hot War in the 50s. They have enough Troops to take the Peninsula for the "Win" because a "Win" is far better than an Armistice after seeing your Landscape Leveled by Murican Bombs and ChemWeaps. They have Nukes. ICBMs, TBMs, Hypersonics, Cruise Missiles that can reach Taipei (for that Glorious Moment to Aide CHN fight off the AUKUS Imperials), their Missile Subs are Wildcards.

A conflict in either Taiwan/SouthCHNSea or PRK will most likely trigger the Other. Murica can't handle either going hot; but will be served with both – to ensure losing both, Permanently.

*Taiwan Island will come to terms with Beijing. CHN_PLA already surrounded the Island after Pelosi's Visit. DPP's Footprints are small, AUKUS will be defeated if they try to take on CHN. TBMs, Hypersonics, ASW Platforms, and a Blue Water Navy. AUKUS Engagements will give Expansionists good reason to convince the CPC to take PHL/AUS/NZL to settle the Opium Scores and rid Asia+Oceania of GBritish+Commonwealth+Masons(PHL ruling class were Spanish Masons conquered by Murican Masons; and many a Filipino Family Immigrated to Murica – through Military Bases and CivilSvc).

RUS and CHN can't be defeated in a Conventional Conflict. RUS can actually destroy the Military+Civil Infrastructures of Murica All by themselves with their wonderful Hypersonics and Supersonic Cruise Missiles. No need to invade – Migranvaders+Gangs will be running Murican Cities with other gunning for Secession.

Will Murica use Nukes against RUS and/or CHN? I hope not. There will be survivors; but I'm expecting RUS or CHN to declare they'll consider the Hegemon_Plutarchy+Oligarchs(including WEF-Davos), the Jewish-Tribal Diaspora within them (Soros-Schwartz, Blinken, Nudelman-Khagan, Kolomoisky, Zelenskyy), and through the Diaspora Actors – ISR(since this Anti-RUS Scheme is another Jewish-Tribals Inspired Campaign. Time for ISR to take some Heat their Diaspora stir up or reign in their Diaspora) – to be Targeted during Direct Military Confrontations up to Nuclear Exchanges.

Soros-Schwartz is already neck deep onto Regime Change Games against RUS, CHN, and IND.

With RUS and CHN making those declarations, we might see Soros-Schwartz/Biden/Blinken/Nudelman-Khagan/KhaganFamily/RAND/NeoCons/MICC_Executives reprimanded, dismissed, retired, or forcibly removed and replaced.

Promptly.

If the NATO actually went to war the Russian military would cease to exist within days. In reality NATO just sent military surplus quoted at replacement cost to Ukraine and this stymied the Russian army of impotent drunks so badly they've been fighting over the garbage dump of Bakhmut for over half a year. Lol

And you might be senile because this is in Americas national interest. Spending so little on Russia destroying itself while also having the moral high ground by aiding in the defeat of an illegal invasion and idiotic land grab is a win all around. The reality is that funding Ukraine has a better ROI than anything in the defense budget. For a few tens of billions of dollars:

1)US will sell gas instead of Russia to Europe. The US will sell more guns to Europe.

2)The EU will spend more on defense even though that's based on the idiotic belief Russias army is a threat which will allow the US to focus on Asia more

3)the over hundred thousand dead Russia will take by the end of this will be a permanent loss to Russia, just like most of the Russians that fled being forced into an illegal war where they'd be poorly equipped cannon fodder.

4)Russias economy will be cut off from selling to the EU or from Western tech so it will grow slower which means the quarter of Russians without indoor plumbing will remain that way just like they won't afford to reequip their military

5)much of the threat russia poses is based on the stock of Soviet gear they had. That's slowly going away and it won't be replaced so future mobilizations by them will be even more of a joke.

The list of ways in which putin fucked russia by illegally invading

Ukraine goes on, but Philip is either too dumb or too biased to admit it. No wonder the CIA adventures abroad often end up in such failure when they hire such low iq people.

Lol@peddling the already discredited Hersh idiocy. The fool didn't bother to find a boat for his theory that was in the region. Even if true though, why shouldn't we blow up Russias pipelines if they think being stronger means they can illegally invade and murder their neighbors? We should organize referendums in Karelia and Königsberg instead.

It's hilarious but russia being led by idiots like putin is the only reason all her neighbors hate russia, but the vatniks are too dumb to realize it. Finland and a considerable part of Poland weren't enthusiastic about being part of the Russian Empire but they accepted it until Moscow decided to russify them. The reality is that most of Russias territory is stolen land from other people and if putin believed his own crap, he'd let NATO organize referenda all over his territory. Lol

Trump started the terror against sovereign German energy supplies. Trump sanctioned Nord Stream. Trump really revved up the bending and forced exodus of “German” producers (many forced into the hands of Wall Street). Trump developed the current scenario. He is actually pleased. Trump was and is “continuation of government” of war and theft. See how he organized the “Syrian” oil-exploration (run by the US Army). What Trump says all day long is irrelevant. What Trump does is Jewish through and through. Trump is as evil as any Jew York cunt. Trump is nothing but a Jew York gangster. Trump is a Jew, nothing bad will happen to him in America. I call it to your mercy “Jewmerica”. America’s rule is a gangster conglomerate but never a nation, because it is not native, natal, maternal and not paternal either. “America, The Satanic Project”!

Hope dies last. Trump is the opposite to true American hope. Trump pulled the wool over “your” eyes and in the background his Jews could further evil.

America’s only hope is its total destruction of Jewmerica including all religions, especially Judaism, which is nothing but a mafia and their Tal-mud is the codex of Satan. Trump is a Jew. The Trump fortune is based on human trafficking including prostitution and extortion. There is not difference between a Trump and a Biden or a Clinton. It is all trivial. It is showtime. Your hope on Trump is disappointing and shows me your desperation for a leader.

In reality you are a far far better leader than a Trump scum could ever be.

It is up to you and me to finish these bastards and punish them in such a way that their cuck souls will remember forever.

You are actually doing a good job with your videos. But the scum laughs about our words. The only changer is when big wigs and families (!) start catching bullets.

[US Ambassador to Israel] Nides' comment reveals that he is ignorant regarding who is causing trouble in the Middle East. It also confirms that even if there is a military action initiated by Israel that does grave damage to US interests, the White House will support the Israelis.

Thank you, Philip, for yet another heavy dose of stomach-turning reality. The ugly truth is out there (for those who dare to look.)

The US is simply an occupied Superpower. Stranger still, just 'noticing' this fact is virtually a hate crime.

But facts are facts. Not only is the Biden Administration the most Jewish one in US history, but even the present US Ambassador to Israel (Thomas R. Nides) is one of G-D's Chosen People.

Surprised?

Just what we need: another crypto-Israeli spearheading 'US interests' in the Middle East. Is this all a sick joke?—or an Orwellian nightmare?

Ambassador Nides however does not 'just happen to be Jewish'. *No siree*. Like his two predecessors, Nides is a 'politically-active' mega-Jew. Oy! Oy! Oy!

Nides' late father (a wealthy financier) was not only the President of *Temple Israel* in Minnesota, but was also the President of the *Deluth Jewish Federation*. Jew Jew Jew! (Yes, it's all about the safety and security of poor suffering Jews!)

But how is a Zio-centric, US 'ambassador' to the Jewish State supposed to represent American interests/values to a supremacist regime that is presently *grinding into dust* their

hapless, native population of gentiles?

Might there possibly be a conflict-of-interest here?

What's equally appalling is that *this astounding level of Jewish partisanship/favoritism* has become normalized throughout all of Washington as well as our entire news media.

There's no problem here, right?

US Presidents, for instance, routinely send hardcore Zionists overseas to represent ('anti-racist' and 'pro-democracy') US values throughout the Middle East. (Something about 'rules-based order' they say.) Are they serious?

US corruption and American hypocrisy run very very deep.

Even Pres. Trump's Ambassador to Israel (David Friedman) was a militant Zionist—and every bit as chauvinistic and uncompromising as Bibi Netanyahu (with whom he agreed that there should never be an independent Palestinian state.)

Jews (and Zionist interests) simply dictate the policies in Zio-Washington.

Israel writes the American script. Our 'leaders' read it.

But what do Americans think about this?

Wha? Never mind. Not here. Not now.

Never again.

So don't be alarmed by these minor details involving prominent Israelis living in the US as simple, ordinary, everyday *Americans of Jewish ancestry*. Ha! If only it was true.

After all, Obama's 'US Ambassador' to Israel (Daniel Shapiro) was—you guessed it—yet another Israel-firster. Shapiro even graduated from Brandeis. He knows who His People are. (And

who his people aren't.)

The Grand Charade is gathering steam and still pushing forward. Iran. Syria. Russia. Get the picture? That alliance is being targeted by the usual suspects. It's an undeclared war being waged through Washington.

Meanwhile, Zionists are constantly pretending to protect American interests when they travel, 'negotiate', and cut insider deals with their Israeli cousins. Then, soon thereafter, a war breaks out. The result? Israel receives unconditional aid and support. And US bombs invariably fall on nations that are hostile to Zionist aspirations. It's a clear and unmistakable pattern. But please don't look there. (Anti-Semitism.)

We gentiles in America are largely spectators now. We are permitted to coalesce around any race-neutral ideology, but never our common history or ancestors. That privilege is reserved for others.

It's also our job to leave all matters concerning Israel to the 'experts'.

On the other hand, our designated moral obligation is to *Stop Racism* and *Eradicate Anti-Semitism*. Yes!

Got that?

Those are America's two greatest national threats!—(sez sleepy Joe.)

It's a very bad dream.

Good night, children.

According to te E U , there are 5.2 million Ukrainian refugees in their countries. The payout per month is around 4-500 euros per month. Let's assume that 1 million are children and don't receive the payout. This is 2.1 billion dollars a month and it doesn't include the rental help, clothes allowance, or food help. So, we can safely say that the Europeans are paying out at least 36 billion a year for just the Ukies. Now, how much is still being paid out for the other refugees that are still on the pay outs? Lucky for all Refugees in the West , that those guys that print Euros are the same guys that print dollars.

From a reliable source : there are busloads of Ukrainians that come once a month to Poland, Germany etc. in order to collect their 4 to 500 Euro pay outs, since the rules on Ukie refugees are so relaxed. Who said Biden and his kid are the only ones getting their 10% of the action ? lol

News network CEOs are keys to America's news blackout. They have final say on what gets broadcast. Who picked those CEOs? Principle shareholders. Who are they? Clue: they cover up Israel's crimes. They also covered up the JFK assassination. And the 9/11 attack. So we're looking for the intersection of media ownership, ties to Israel, and the coverup of major crimes.

“The ABC, CBS, and NBC television and radio networks were all controlled and developed to power by Jews: David Sarnoff at NBC, William Paley at CBS, and Leonard Goldenson at ABC.” Chapter 24 (pt. 1) Jewish Influence In The Mass Media.

When Victims Rule

<https://whenvictimsrule.blogspot.com/>

CBS News president Richard Salant derailed an objective re-examination of the Warren Commission report, and replaced it with a CBS cover-up, reported here by James DiEugenio.

How CBS News Aided the JFK Cover-up

<https://consortiumnews.com/2016/04/22/how-cbs-news-aided-the-jfk-cover-up/>

“Despite corporate buyouts and the labyrinthian nature of business takeovers, restructuring, et al, Jewish management and control over the decades has remained dominant.” Chapter 24, part 1.

When Victims Rule

<https://whenvictimsrule.blogspot.com/>

This pattern would fit with covering up Israel's crimes, including its apartheid status, ethnic cleansing, mass murders, property thefts, and various terrorist events and assassinations, all openly justified by reference to a legend from 25 centuries ago. And

those Israeli actions and policies, and their cover-up, fit the Talmud's ancient view that Jews are supposed to rule the world, and non-Jews are disposable sub-humans.

When Rupert Murdoch moved to the U.S. he was accepted by the Jewish media moguls. "They felt they could 'trust' him on Israel. Leonard Goldenson had not let a meeting with Murdoch go by during his trips to New York without giving him a dissertation about Israel and its importance in the global scheme of things."

Chapter 24, part 1.

When Victims Rule

<https://whenvictimsrule.blogspot.com/>

And just as they vetted Murdoch on Israel, they were undoubtedly vetted themselves on Israel. These businesses involve a lot of capital, and that is provided by big banks. And it fits that the big banks (which often collaborate as parts of an "unseen empire") would vet them on Israel. One of the largest banks, the House of Rothschild, financed the founding of Israel "for that sacred goal, the return of Israel to its ancestral home."

War Profiteers and Israel's Bank

<https://warprofiteerstory.blogspot.com/p/war-profiteers-and-israels-bank.html>

The evidence converges pretty tightly. If we add in Israel's attack on the USS Liberty, the evidence for Israeli involvement in the JFK & RFK assassinations, and for Israel's involvement in the 9/11 attack, I don't see any other serious contenders.

I've said this several times already: suppose you didn't know anything about the demographics of the Imperialist States of Amerikastan, what would tu deduce from the composition of its media, Hollywood, and regime functionaries? Would you assume it is a country whose population is wholly or nearly so Jewish? Of course you would.

Yes Philip, you have spoken the factual reality. I wish you had used the present continuous tense. America “is continuing” the war it started in 2014.

It is not just a respectable American Intel analyst saying this, Russia’s official spokesman Dimitri Peskov said the same today in a different context (of Russia not abiding by the new START regulations). Pinpointedly said Peskov, ““These countries – France, Britain, the United States – are members of an organization which is de facto at war with us... you need to call a spade a spade,” Peskov additionally spiced in that the Western states nevertheless keep “repeating like a mantra that they do not want to be participants in the conflict.” exposing a blatant lie. (<https://thepressunited.com/updates/nato-is-de-facto-at-war-with-russia-kremlin/> – published today from New Delhi in thepressunited.com portal.

Well, one need not be surprised if the Russians refuse nuclear inspections in a war situation by a most unreliable security partner that has unashamedly broken the fundamental trust on no-Nato expansion towards its borders, a promise broken not just once but umpteen times since Cold War end. In the Russian eyes America apparently stands out as an absolute diabolic liar, the least trustworthy nation under the Sun stealing Russia’s national wealth over 300 billion USD, blowing up its energy business against international laws, flouting civilised rules all over the planet by brutal, open and covert, armed interferences in other countries’ internal affairs under all kinds of black and white lies and excuses/alibi. Who will want to trust such one U.S. government anymore? It is unfortunate and grievous that it

is the innocent American people who ultimately suffer and take the brunt of the punishment for all the malicious Zionist actions the Biden Zionist-Neocon collusion (Deep State) has spun out.

For all one knows these U.S. inspectors may only have wanted to know the exact nuclear arsenal situation and details in Russia, to nuke Russia perfectly. Russia probably is asking hopelessly, is this man Biden in his proper senses? (It seems his former doctor has genuine doubts about it. (Pl. see

<https://www.azerbaycan24.com/en/ex-white-house-doctor-warns-of-biden-danger/>)

Only a new and genuine leadership in the U.S. can change this situation and that's for the American people to decide.

While it is hard to disagree with Giralddi's last paragraph, I throw up in my mouth every time some pundit on this site ends with " we should do this , they should be imprisoned" etc...

The same goes for any comments that mention Trump, Biden or any other meat puppet as well as the two major parties (of deception).

Come on folks. The joke is on you and has really been a knee-slapper for at least 50 years. Some would argue with merit that it was a joke from the beginning, others that it got its legs after the erroneously named Civil War.

It doesn't matter at this point. 'Democratic' politics as we know it is a cheap debilitating drug that makes people dumber and at the same time makes them crave for another hit. Their high is having an opinion the same way that the class idiot who failed high school math blows off at the mouth about baseball statistics at the bar.

It is impossible to organize against this with the unprecedented surveillance technology and more importantly the infiltration sure to follow. Remember that Ed Brown fellow?

The only move is to withdraw from the farce. Otherwise you are feeding it. Then let the monster die on its own, either by overreach or from a merciful Ra, sending well timed solar flares.

This is not defeatism from me. It is an appeal for good people to quit doing self harm.

Cheers-

Yellen was FED chairwoman, not anymore. Powell is the current FED chairman. Yellen is current Treasury secretary. Yellen a jew sends money to Ukraine and Ukraine sends back money to the DNC.

Tell you a secret, the FED and the Treasury are at war. Powell is raising rates to curb spending to get inflation under control. Yellen keeps spending.

During a big recessions back in the nineties, Congress got together at midnight and voted a huge pay raise for themselves. We the People found out and a fire storm of sentiment caught on under the slogan "Throw the Bums out", and YES, every incumbent was send back home. Let me tell you folks, it got those whores' attention like a hot poker in their privates. Since everyone knows reforming the present load of Congressional manure is impossible and they remind you of a bunch of rotten to the core apples, without one apple worth saving, it is time to throw the whole bunch out.

So let's get this going and throw the buns out. It is simple, if they are an incumbent running for a second term, vote for their challenger.

We can do this. Let me know what you think.

Fighting the deep state and the depraved Jews that control it is a complicated task. These people are basically a maniacal supremacist death cult with their grubby little hands on all of the levers of real power. They are the original racists, because they must destroy everything goy. Two words: Tikkun olum. One could argue that the majority of commenters and columnists here at Unz are really just race realists. I hope the Africans live well in their own countries where they're meant to be. The Jews have become a tricky problem for us, because they won't just go away and leave Western societies in peace. It's becoming a zero sum game with these monsters and it only ends one or two ways and it'll be... fucking ugly. It could make the 1930's and 1940's look like child's play.

@War for Blair Mountain

Kamala ——here is the background –Honey Child – (talk about clueless)

“First, from the starting days of this unprovoked war, we have witnessed American forces engage in horrendous atrocities and war crimes. [They] have pursued a widespread and systemic attack against a civilian population – gruesome acts of murder, torture, rape, and deportation. Execution-style killings, beating and electrocution—in Korea/ Vietnam/Afghanistan/Iraq/Chile/Somalia/Libya/ Syria / Yemen and Cambodia for starters. American military authorities have forcibly deported hundreds of thousands of people from safe homes to tent cities , including children. They have cruelly separated children from their families—and many are drowning attempting to enter Europe— ALL caused by USA —-Freedom / Human Rights and of course Democracy !!!”

Half-time score USA 10 Russia 0 (The NATO thugs expanded from 2014 and after the color revolution in Kiev 2014 —ignoring contents of the Minsk Agreement and slaughtering 14, 000 East Ukrainians –Reason: Speaking Russian.

Get that DEBT Ceiling raised to 50 Trillion and let the USA Military Industrial Complex blossom !!!

Does anyone remember the famous quote attributed to British statesman Lord Palmerston, that “Nations have no permanent friends or allies. They only have permanent interests.”

General de Gaulle, President of France from 1958 to 1969 said the same thing: “States do not have friends, they only have interests”.

It is sad that people massacred by millions by Washington still consider the US as “allies” and even as “friends”

If I found that a lot of my tax money was going via the tax deductions others were getting to save the lives of millions of already brain damaged African children in large families I would be about as enthusiastic as if I found all my fellow citizens of Indian origin were doing the equivalent for cows in India. But let's say my policeman son was partner to the very kindly jolly madam of a local brothel and that she was having trouble saving girls from being beaten up and forced to work on the streets by a couple of heavily armed and muscular tattooed thugs. Not only would I happily pay to beef up the police protection against the thugs I would, as a fit youngish man feel a pull to volunteer to take on the murderous thugs myself
