Zatímco moderátor Fox News Brett Bair v úterním večerním rozhovoru lobboval u ředitele FBI Christophera Wraye softballové otázky a mlčky tleskal jeho imaginárním úspěchům, agenti pod

Wrayovým vedením vedli pomstychtivou finanční válku proti konzervativcům, kteří se stavěli proti zločinnému Bidenovu režimu.

Oddíl Bílého klobouku americké armády uvedl, že FBI – s pomocí místních donucovacích orgánů v rudých státech – se zaměřila na Trumpovy příznivce pomocí praxe zvané „zabavení občanského majetku“, kdy protiústavní zákony umožňují orgánům činným v trestním řízení zabavit majetek, peníze nebo majetek, pokud policie pouze věří, že to souvisí s trestnou činností. Policie nemusí v těchto případech podávat obvinění nebo dokonce prokazovat vinu před zabavením a zadržováním majetku a neexistuje žádné omezení toho, co může policie vzít. Federální zákon o propadnutí majetku dává orgánům činným v trestním řízení velký peněžní zájem na zabavení majetku. V rámci programu spravedlivého sdílení ministerstva spravedlnosti mohou státní a místní orgány činné v trestním řízení, které předají zabavený majetek federální vládě, uložit až 80 procent výnosů z propadnutí majetku. Dodatečně,

Policisté to nazývají cenným nástrojem k omezení obchodu s drogami a zbraněmi. Ústavní právníci na druhou stranu tvrdí, že zákony o zabavení majetku v občanských věcech podporují „legalizovanou krádež“.

"Je to diskriminační policejní práce za účelem zisku," řekl hlavní náčelník Bradley D. Earl z amerického námořnictva JAG Law Program. „Oběť je považována za vinnou a musí prokázat svou nevinu, aby získala zpět majetek a hotovost – vleklé soudní spory, které si průměrný člověk nemůže dovolit. A nyní máme podstatný důkaz, že federálové naverbovali donucovací orgány v konzervativních státech, aby lovili příznivce prezidenta Trumpa.

Dodal, že JAG a Úřad vojenských komisí se dozvěděli o nárůstu zabavení majetku od „pátých sloupců“ FBI, rostoucího počtu agentů, kteří se distancovali od režimu a přísahali, že svrhnou zločinecký

podnik Merricka Garlanda a Christophera Wraye. Velení Master Chief Earl odkázal Real Raw News „pátému sloupku“, který souhlasil s komentářem pod příslibem anonymity.

Vyprávěl o dvou situacích, kdy federálové pomáhali křivým policistům v texaských městech spravovaných Modrou.

5. února řídil 64letý Dilbert Cummings, důchodce, který právě prodal svůj úspěšný instalatérský podnik, svůj Ford F-250 po State Highway 35 – hlavní dopravní tepně – když ho zastavilo auto hlídky Austin Police Dept. porušil texaský zákon o rámu poznávací značky a tvrdil, že jeho zadní štítek byl „zablokován“. Šplouchnutí bahna zakrylo jediné číslo. Důstojníci komentovali nálepky na nárazníky a polepy na okna – Trump 2024, Stojím s Trumpem, Drain the Swamp, Carry Like It's 1776, God Bless America, We the People, You can Py My Rifle from My Cold, Dead Hands atd.— a zeptal se Cummings, zda plánuje v roce 2024 volit Trumpa.

Pan Cummings uplatnil své ústavní právo mlčet a řekl, že neodpovídal na otázky, ačkoli poskytl licenci, registraci a doklad o pojištění. Policisté si poté všimli pušky ve stylu AR visící ze zadního okna kamionu – Texas nemá žádné zákony týkající se nošení dlouhých zbraní (pušek nebo brokovnic) v motorových vozidlech. Policisté ale údajně řekli: „Pokud máte rádi zbraně, musíte milovat Donalda Trumpa,“ a pak se zeptali, zda má pan Cummings ve vozidle nějakou hotovost nebo drogy, a požádali o povolení jej prohledat.

Pan Cummings se dovolával svého práva na 4. dodatek, který údajně chrání občany USA před nepřiměřenými prohlídkami a zabavováním. Jeho ústavní znalost dráždila policisty, kteří ho zadrželi, když přivolali jednotku K-9 ke kontrole vozidla na narkotika. Když pes a psovod dorazili o 20 minut později, nebyli sami. Žlutohnědý sedan s dvojicí zvláštních agentů FBI zaparkovaných za důstojnickým křižníkem K-9. Všichni mluvili tlumeným tónem, než psovod obešel psovoda kolem nákladáku pana Cumminga. Pes samozřejmě zalarmoval, a když federálové stáli v

pozadí, policisté prohledali nákladňák a odhodili věci pana Cummingsa na kraj silnice. V jeho odkládací schránce našli nálepku „WWG1WGA“ a zeptali se, zda je jedním z „těch lidí“. Austinská policie pokračovala v mlácení vozidla a našla sedm 1 oz. zlaté cihly ve středové konzole. Ukázali zlato a nálepku federálům, kteří přikývli, ale neřekli nic.

Policisté řekli panu Cummingsovi, že jeho nákladňák, puška a zlato budou zabaveny, dokud u soudu neprokáže, že se nepodílel na nákupu a prodeji nelegálních drog. Jeho protest dopadl na hluché uši; řekl, že převedl hotovost na zlato, protože to bylo „bezpečné aktivum“, a přinesl je své dceři do Dallasu, která potřebovala prostředky na uzavření prodeje nového domu.

Zůstal stát na dálnici, když jeho vozidlo odtahoval vrakoviště. Nebyla nalezena žádná narkotika.

"FBI vidí Trumpa jako velkou hrozbu a demoralizace jeho základny je považována za obrovský úspěch," řekl informátor FBI. "Za vším stojí Wray a nenávidí Trumpa tak moc, že půjde po každém, koho může získat, kdo je na Trumpově straně." Je posedlý Trumpem. Je to maniak."

22. února se dvanáct agentů FBI v taktické výstroji a vyzbrojených automatickými puškami sneslo na dům – dvojitý příves na 20 akrech půdy – staršího páru, který vyvěsil transparenty „Dark Brandon“ a „Trump-Lake 2024“. plot obepínající jejich majetek v Houstonu. Despotové FBI strhli anti-Bidenovy a pro-Trumpovy vlajky, než nelegálně vnikli na pozemek a zastřelili psy majitelů domů. Obvinili sedmdesátiletý pár z létání s drony nad federálními budovami a uvedli, že měli pravděpodobný důvod vstoupit do domovského zatykače. Federálové našli a zabavili 63 tisíc dolarů v hotovosti, celoživotní úspory páru, protože manžel a manželka nemohli dokázat, že peníze z prodeje drog neprofitují.

Pár řekl, že nevlastní žádné drony a netuší, o čem FBI mluví, ale na tom nezáleželo. Bylo jim řečeno, aby bojovali u soudu, ale varování, že by je mohli zařadit na „další seznamy“.

Náš zdroj JAG řekl: „Právě teď se to děje široce. Pokud podporujete Trumpa, máte na zádech zaměřovač. Biden to povolil. Jdou po každém, koho najdou – je to nenávistná pomsta vůči komukoli, kdo stále podporuje prezidenta Trumpa. Pracujeme na tom, abychom to zablokovali, ale můžeme být jen na tolika místech současně.“

Vydělávám 90 dolarů za hodinu práci z domova. Byl jsem velmi překvapen ve stejnou dobu, kdy mi moje susedka poradila, že se změnila na průměrných 100 dolarů, ale vidím, jak to teď funguje. Zažívám masovou svobodu teď, když jsem svým neveřejným šéfem. Každý si tuto práci musí nyní vyzkoušet pomocí tohoto webu. <http://www.Payathome7.com>

Thanks Mike. This article makes your blood boil. How will the white hats take out the FBI? The US courts will back the FBI no matter what. Maybe 2023 is the year of the escape rapture? A day before the fireballs hit the earth? Niburi's debris trail from the Red Dragon as in Rev. 12? Bes to always to ready to go UP. No fear at all, just rad Luke 21:36 out loud. Just in case the white hats can not wipe out the devil and his gang of free ma\$on lo\$er\$

“This is happening widely right now. If you support Trump, you have crosshairs on your back”

and still Trump and the WH’s wait and wait and wait...

I’m making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I’m my non-public boss. Everybody must try this job now by just using this

Because sometimes old stories gain traction and get elevated to the top 5 most read posts of the day.

Let’s play a cool joke in all the blue states. Go around at night (disguised, of course) and put Pres Trump supporting signs and stickers all over the neighborhoods, schools, banks and cars, etc. Let them bear the brunt of their evil FBI.

Thank you, Michael, for your hard work in providing us with truth we will not see or read through the mainstream. I’ve enjoyed reading the comment section because there’s some degree of intelligent discourse. But I’ve also noticed that the infestation of gadflies and comments made by ignoramuses’ seems to have increased. These pitiful demons are obviously threatened. Good job!

Tom Hanks killed a man in cold blood cause the man had dirt on Hanks he killed him and left the body in the streets pity the fool Hanks the murder.

Prepare, Ides of March upon us. Potential shit show coming down the pike. Acquire necessities now. Snooze you lose.

Is this happening soon or on a defined date which, like every other prophecy, has passed like a limp dick?

Good luck with your set-up.

Just purchased beer, bullets and band-aids, also rum & pina colada fixings for the wife, don't want her yipping when SHTF, in screwing up my concentration.

On fence buying the Ruger/Marlin 45-70 called the: 'Trapper', having twenty inch barral see, You Tube vids on that.

45-70 head shot guaranteed closed casket funeral, neck shot upon unfriendly's their head will roll like bowling ball.

40 cal.+ rifle [big bore] a must have for SHTF, perfect for plinking liberal neighbors. Sharp knife and needle nose vise grip plyers needed for yanking their gold teeth, if any.

Tally-ho.

Right after the 2020 election I noticed there were far fewer police cars on the road. I hardly ever saw a car get pulled over, or a cop with a radar gun at a speed trap. That's why there's been so many crazy drivers on the freeways going 90 mph and racing each other here in LA. But in the past few months the number of police cars on the road seems pretty close to normal. My theory is that members of law enforcement were required to go through training seminars teaching them how to enforce Law of the Land, or Constitutional Law. Just as judges were retrained in Constitutional Law. It wouldn't make sense to have law enforcement officers enforcing old, unconstitutional laws. They have to abide by the same standards the courts do, otherwise they'd be arresting people who would be immediately released.

One big difference in the Constitutional law is that US citizens DO

NOT need a driver's license if traveling for personal reasons. Only those who drive for business purposes need one, like truck drivers, bus drivers, etc.

I don't know if I should believe this story or not, too well detailed for one, sounds too much like a movie, well that's too bad if it is true ain't nothing going to change anything, hell just call up Trump tell him to fix it, remember he's the chosen one 😏.

Wray knows when Pres Trump is reinstated, he'll be in the first load of traitors along with most of DC to be transported to Gitmo for 'his' tribunal. They'll fight to the end because it's 'their' end, too. They ALL know time's short. They've already lost with no place to hide unless they relocate to Ukraine.

The FBI is the deep state imbedded army inside our Federal government which carries out the globalist's orders to bring down the United States, so these enemies can have their insane one world government. They WILL NOT Succeed because Almighty God is protecting us. God will give us the victory like he delivered His people from the Egyptians, brought them out of slavery, and through the Red Sea.

When Almighty God closed up the Red Sea Pharaoh and all his army were drowned within a few breaths. That same God is doing it again for us. Let us rejoice!

To Michael Baxter.....I have watched, researched and listened. I do believe we are fighting a war and it appears we are not winning on SOME fronts. When we read things such as this, makes us wonder if we are winning at all. Michael, do YOU ever get discouraged or lose hope? You have spoken to someone in power or else you would be shut down. So I feel sure you have some insights that we don't . Can you share anything more positive in addition to your reports? I

personally stopped watching most everything news report out there and stopped with the ministries....no point anymore. Mostly lies. Thank you Michael for your work. Short and accurate as possible.

Right? I'm on Rumble a lot reading comments pretty much only the stories are getting really old on there with Nesara being mentioned on a show every damn week, people are getting tired and they don't want to lose their homes and it just seems like a lot of people are going to lose their jobs and everything that they worked hard for and then you're going to get paid or something and then you got to work it and buy everything back up which makes no sense, I hear this was supposed to be over in April but it's just another date that always comes around every year, so it would be great for someone like Baxter to deliver some news cuz we're getting tired of all the same news we hear every time.

They are going to keep pushing until the American people finally snap and then these thieves, liars and psychopathic terrorists will pay with their lives! This is not acceptable people!

Sometimes we all think Civil War is the only way not the military, military seems like they'll just sit back and have their coffee and donuts just like cops do, every video source on Rumble and everywhere else that's supposed to be with the Patriots still have all the same stories.

This is only more evidence the white hats are failing miserably to be in CONTROL & protect the citizens of this constitutional republic from domestic enemies from within. It's basically open season on American Patriots. White hats need to step up to the plate and do their job.

Off topic.. but.

Rebel News...

“B.C. doctor Charles Hoffe, one of the first medical professionals in Canada to be politically punished for speaking out against the “safe and effective” COVID-19 vaccine narrative, is facing an upcoming disciplinary hearing for allegedly spreading misinformation.

Dr. Hoffe's troubles with state-backed media and his licensing body began after publishing an open letter to B.C.'s Provincial Health Officer, questioning how best to treat patients who he says experienced neurological-type adverse reactions to the Moderna COVID-19 vaccine.

Sadly, Dr. Hoffe isn't the only one experiencing the consequences of going against the COVID-19 narrative and forced medical practices.

Doctors across Canada quickly realized at the onset that they no longer have the right to freedom of speech, or the ability to fulfill their medical duties. They are simply required to obey orders or face punishment.

I recently interviewed Dr. Hoffe to hear his side of the story and to find out what he predicts the outcome of his hearing to be.

Dr. Hoffe has years of experience practicing evidence-based medicine and will not go against his moral compass simply to satisfy the needs of our tyrannical COVID “health” establishment. His loyalty remains with his patients.

What happens when the Canadian medical association, our health institutions, and regulatory bodies no longer hold doctors ethically accountable nor prioritize what's best for

patients?

Dr. Hoffe's situation is a scary reality of exactly that — as well as every individual harmed by the jabs, and stripped of their medical choice while being lied to about the safety and effectiveness of these vaccines.

If you value reports like this and want to help me give doctors like Charles Hoffe a voice and platform to fight back, please share his story.”

We all have had friends and family members and partners of every stripe euthanized and maimed by these clotshots. This is why that bastard Bil Gates was hanged, and with good reason. WE WERE LIED TO.

HANG TEH PAEDOPHILES AINSLIE AND SUZMAN!

If only we could get our hands on the medbeds, that would rejack it pretty good!

Like most Deep State Democrats, they have armed Guards (fbi) & bullet proof Limos they get rides in everyday. Sort of like Biden does, only he's more open about it.

I guess the white hat forces don't feel they are a match for the dark hat forces here. If Wray can hang around that tells us there is a wee bit of a problem. Trump should have dumped him but he didn't. What will he do now?

The white hats are playing by the rules. Waiting until target is alone to minimize collateral damage. The ds doesn't care, take out whomever, wherever. No cares about collateral damage.

That's why we are losing. Maybe it's time for the alliance to play dirty to put us on the same playing field as the dark side? You can't win a gunfight by fighting with a knife!

I have been watching the Congressional Inquiry on the incompetence of blinken, garland, and mayorkas. These three are the worst of the worst and if they had any integrity left in them they will resign. They must be fired.

biden lost by a historical landslide in 03 November, 2020 and as such should never be addressed as such.

Trump is USA's duly and constitutionally elected President and he is the only one that should and must be addressed as such . . . President.

Stop calling biden that . . . he is not, never was, never will be and everyone of his appointees are illegitimate and hoax. They were never secretary this secretary that. They are all illegitimate.

President Donald J Trump is our President and will be reinstated before the end of this year 2023.

biden and all his illegitimate cabinet members and administration will soon be housed in GITMO and will face justice. Drain the swamp!

Thnx AI, its important for us to know you have an IQ over 30 at best.

How many times has Trump's reinstallation been predicted so far? I think it's at least five different dates and yet he's still on the golf course in Florida.

Nice photo, but what's with the hardhats? Are they pretending to be doing constructive? If so, they've failed miserably. If anything, they're only making themselves easier to identify. You know, along with FBI emblazoned on their jackets. 🎯

Probably just a bunch of bit actors wearing costume department jackets. The hard hats represent the world suddenly caving in on the real despots. One actor is prepared with a neck brace.

There's a hacked Delavic that is easy to spot with the bot-created "I make \$xx per hour, etc etc etc" posts, and there is the original Delavic who is an outstanding patriot based on his posts.

Yes, the real Delavic is the mulberry crab with the red claws. Fake Delavic is the pink beetle with the brain matter on top trolling all over the place. .

now we know why they armed the irs with so many snipers they are planning on taking a massive number of Americans land homes and businesses from them using the irs fbi and all other corrupt law enforcement and judge officials.

TRUMP IS RIGHT WE HAVE TO GET RID OF THE FBI THEY HAVE 2 MUCH POWER FIRST OF ALL THEY HAVE NO RIGHT 2 DO THAT GOING N KILLING THOSE DOGS N TAKING DOWN TRUMP FLAGS N TRESPASSING—THE FBI IS WAY OUT OF HAND WE NEED 2 GET ALL OF THEM N HANG THEM ALL—THERE IS NO REASON IN THIS WORLD 2 KILL THEIR ANIMALS

—-THAT REALLY MAKES ME MAD—-GETTING RID OF THE BI—
CIA—IRS N ALL THE OTHERS IS A GREAT IDEA TRUMP SAID
HE WAS GOING 2 DO THAT CAN'T HAPPEN SOON ENOUGH

Maybe we can include every single 1 of the almost 300,000 unlawful subcontractors that the government SVS Corporation formally known as the USA, Inc. and various versions of United States...etc., have hired. To make it worse, every one of them are FOR PROFIT CORPORATIONS...WTF. They ALL answer to the pope and the crown. The ass hats are responsible for 19 innumrated services that they CANNOT delegate or hire out. They don't seem to be doing any of their Charter. Now The White House Office, Inc., how much more B.S. can we tolerate? Please see:

West Virginia, et al. v. Environmental Protection Agency, et al.

Most important thing to know is that these sub contractors have zero authority to delegate outside of the borders of D.C, which is it's own separate "nation-city-state." They also have ZERO right to own 1 square foot of property outside of D.C.

If any of this surprises you, follow Annavonreitz dot com, and correct your political status to protect yourself from the whole justice system they have built. GOD blesses ALL of his children...this DOES NOT include sons of cain, in all of their various forms: Jesuits, Masons, ETC.

Watch, The Battle of Athens, on Youtube.

It's a 100% true story of Athens Tennessee in 1946, when the city was taken over by corrupt government, and the only way it was removed, was by force – WWII men who had returned from war, battled the corrupt mafia government and restored sanity to their land.

Um, eh, in 1946 you had young MEN WHO HAD BIG BALLS. Now, young women have bigger balls than the boys.

Am patiently waiting for the day that Merrick Garland and Christopher Wray are publicly hauled off to Gitmo with much fanfare and publicity. These two are truly Satan's power hungry advocates.

Highly trained THUGS. Imagine if the people that are being terrorized are actually paying their salaries and also paying many more criminals in public services, politicians and judges.

There was such frenzy to wear a Trump hat and I never would. No bumper stickers, anything. But wear a RED bulleye, nah.

I live in a Blue State, I did not dare to put a Trump sign for fear of having my windows broken. Back in 2016 while standing in line to vote I was between two Hispanic foreigner women and one of them said she was voting for Her and I said I was voting for him. One of these ladies made a vomiting gesture, these brain less idiots come into our country and vote to destroy our country from which they left.

Jam3s is the troll turd f/k/a Wozz, Lloyd, Bofa etc. pay it no heed and it will wither and die.

I'm sure they were legal voters... with a preloaded debit card to given before they vote and a larger one afterwards, plus transportation!

In 2015, I was traveling through Texas and while stopped to get gas, saw 4 Mexican "tourist" buses (oxymoron as they don't leave) going north! These "buses" looked like they had been driving on dirt roads in Peru! That's how they were imported before trump left office!

Its sad that we no longer have politicians to protect our country's **Sovereignty and dumb down Americans who vote for those who have sold us out.**

That's why the Brunson case will be won. It will eliminate 380+ politicians who did not uphold their oath of office! Can't happen soon enough.

we're so far beyond 'court cases'!

in az, kari lake is still touting an appeal!

fuck the judiciary.

Off subject: According the conservative tree house, there are key individuals working behind the scenes in the Justice Department etc. Quoting the CTH: "When Chicago Jesus was carrying out his 'fundamental change' agenda, it was the women around him who spearheaded the operations and held the most steadfast loyalty. Susan Rice, Lisa Monaco, Kathleen Ruemmler, Samantha Power, Sally Yates and Mary McCord were all key figures in the systems as they were created and weaponized. Those loyal guardians of the agenda are still around, Lisa Monaco specifically as Deputy Attorney General, yet few pay attention to them.

TIME FOR SOME ACTION

Susan Rice was hung, correct.

Samuel was a prophet, educated by Eli, the father of two priests who went bad; Samuel was the one who was dismayed at the Jews refused God as their king but wanted a human king like Saul, who became King David's murderous father-in-law, and rebuked Saul for his not carrying out God's orders as he was told to do as king. He then lost the kingdom to David.

ATTN: Mr. BAXTER , HERE IT IS AGAIN, this is why I have said repeatedly at this site RRN , the USDOJ and the FBI have to be taken-down and taken-out by the TRUSTED US MILITARY, US SPECIAL FORCES and US SPECIAL OPERATIONS UNITS, using EXTREME FORCE , EXERCISING EXTREME PREJUDICE, this must be done to the ENTIRE USDOJ and FBI and this must be done FUCKING PRONTO , LIKE RIGHT FUCKING NOW. Gen BERGER and TRUMP have SLOW-PLAYED ALL OF THIS, PUTTING THE WHITE HATS , PATRIOTS , TRUSTED US MILITARY , THE ALLIANCE ETC. WAY BEHIND WHERE THINGS SHOULD BE AT THIS POINT. MASS OPERATIONS and ARRESTS SHOULD BE UNDERTAKEN AGAINST THESE ASSHOLES IN THE USDOJ AND FBI , not the piece meal , lame approach that has been going on thus far. WTF Thus far the White Hats have been waiting on whistle blowers and informants that in NO FUCKING WAY can be trusted, take ALL these ASSHOLES DOWN AT ONCE, If there are good individuals amongst them they may possibly get weeded out after ALL of them have been arrested and behind bars, otherwise FUCK'EM ALL.

They need to get some super-psychics and a map to pinpoint all of the DS cloning labs and other POI.

“Gene decode” spells out where the dumbs are, He spells out where cloning labs are. And which ones are under white hat or black hat control.

approx 35 yrs ago, when there were still a few actual investigative reporters left with integrity and courage, and a few independent newspapers willing to publish the truth, the pittsburgh post-gazette ran a series of articles for five weeks, detailing RICO abuses exactly like this, including some by the washington county barracks of the pennsylvania state troopers, and a few other agencies in southwestern PA. none of the victims were criminals. none ever recovered the property stolen by the pigs thru the courts. how does anyone prove that they didn't do something? it's a logical impossibility.

they were so brazen as to place classified ads in the local papers for sheriff's sales of seized property which SPECIFIED all sales were CASH ONLY. many of the items listed in the notice for the sheriff's sale were big ticket items worth thousands. then the pigs would wait along the road leading to the sheriff's sale and stop cars. anyone carrying a large sum of cash had it seized, because "only drug dealers carry thousands of dollars in cash." hard to believe? you better believe it, 'cause YOU MAY BE NEXT.

this all began just as soon as that senile sock-puppet ronnie raygun pushed the RICO laws thru congress. take a bunch of arrogant assholes who already have guns and badges, and give them a license to steal without any oversight or consequences, and WTF do you think is going to happen? only a total MORAN thought the RICO act was a good idea. yes, it was used against some high profile big time criminal organizations, but the cumulative abuses against ordinary honest citizens FAR outweighed any so-called "good" that came from this law.

no one wants to hear it. no one wants to believe it. only when it happens to them do they finally admit there is a BIG problem. watch the replies to this post. i have no doubt there will be a fair number from pig worshippers who take umbrage at my description of cops as pigs. perhaps not all cops are bad. but ALL cops know of other cops who ARE bad, and they remain silent. as i understand the law, that makes them accomplices after the fact.

this will continue until we the people demand that legislatures repeal these idiotic laws. instead of writing a triggered knee-jerk reply here to my comment, maybe think about writing your representatives and demanding the repeal of RICO and all such civil asset forfeiture laws. the courts have already proven they will do nothing to stop the blatantly unconstitutional actions of the pigs in blue running hog wild.

I't s MORON, not moran. i try not to be angry at cops but after Covid, you can't think that they have ever read the constitution or they just care more about their pensions than the people. And we had political prisoners long before J6

WHAT? ARE YOU AGAINST LEARNING THE ENGLISH LANGUAGE? WITH THAT KIND OF ATTITUDE, NO WONDER AMERICANS & CANADIANS ARE SO ILLITERATE – THE REST OF THE WORLD LAUGHS AT US, B/C WE CAN'T EVEN GET THE BASIC SENTENCE STRUCTURE RIGHT & SIMPLEST WORDS SPELLED CORRECTLY.

THE LAST TIME I LOOKED, NAZIS OCCUPIED WWII & HAVE RISEN IN NATO/WEF & UKRAINE'S KIEV REGIME/WITH CONNECTIONS TO THE BIDEN REGIME...AND HAVE NOTHING TO DO WITH OUR LACK OF SPELLING/GRAMMAR & OTHER BASIC ENGLISH SKILLS.

ARE YOU THAT SENSITIVE THAT YOU CAN'T TAKE A LITTLE CORRECTION?...GOOD GRIEF!...;)

Laws are instruments that can be used and abused at will by good guys or bad guys. It all depends on the circumstances.

Totally agreed.

I have a SWAT cop in the fam. He could give a \$hit about his oath or the constitution. He looks at ALL of us as 'the other side'. His buddies are all of the same mind.

I agree with ANTIFA on their stance on constables of peace. ACAB, in the main!

I know personally from Bartlesville Oklahoma FrédéricK Essers 11th Judicial Drug Task Force used very simular tactics in 1999-2000. Kicking doors all over town. Many wrong addresses due to the officers being drug addicts. Additionally it was vindictive tactics to shake down select citizens to support the Judges and DAs cocaine habbits.

judges and DA's need a big lesson in humility by We the People, not the military doing the hard work.

It would be way more humiliating for the occultists if some judges and DA's were taken out by We the People!

I have heard horrifying stories like this for years, and for most people until it happens to them or someone they know, they dismiss it as that person must have done something wrong or they are crazy etc.

It is hard to imagine in a civilized society that this insanity goes on – but it does and it is escalating as evil becomes more desperate. This is evil's playground and they have taken over this planet. When people learn the truth about our reality, then they can recognize the hold it has over our society and they can see it everywhere. To win this war, humanity's consciousness needs to be elevated higher, until that time, more bad news will keep coming.

To those of you who have had these experiences, my heart goes out to you. This is not the reality I want for myself or any good people, ever.

The second we awaken en mass and realize that we are one with God/source/divine creator, that is when we create our new reality. It's a good time to go within to find peace, truth and inspiration.

Keep your divine spirit in you, be prepared for continued shortages, help others and Godspeed.

Kitty,

This is the results we get when white, conservative, practicing Christian males are deleted and blocked from engaging officially in society. Simple.

Agreed totally.

How do white, conservative, practicing Christian males combat this blight on our society when most want to read the Beatitudes and pray in their safe places without taking ACTION?

Michael, I don't own credit cards, but can I send a donation through paypal or send a check, thanx for your marvelous site reporting the bad Biden crime guys. I'm getting revenge against the Rockefellerers that sent me to my death in Vienam and dam near succeeded....

Buy a gift card at Meijers and use that. You risk very little, can spend the remainder left over in the store. Safest way to buy in the web.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this

As a whistle blower I went to prison for 3 years and was never Indicted during Geo. Bush jr's time in office. Seven people went to prison and 7 others were murdered. I only knew one of the others, an ex-secret Service Agent. He was murdered. They took almost 5 million from me. That broke me financially. I was never convicted of a crime.

what were you a whistleblower about, if you can say, vaguely.

how did you know 7 others were murdered? was this about 9/11?

God bless you for your courage.

Why would he bother to tell you people any of his experience? Are you going to investigate his claims? He should not have to prove a fucking thing , even if he could. He just put out his very bad experience, costing him years of his FREEDOM, his life's work and savings , wealth etc. and this heinous shit has happened to tens, hundreds of thousands of Americans and people in this NATION for decades. If you do not believe him, that is your choice, your problem. He has shared his experience , essentially bolstering other reports and stories of other folks. You just take it from there. IF you cannot handle this shit and not believe , nor accept these heinous realities your so-called "institutions" of governments have been perpetrating , FUCK YOU! , YOU ARE MORONS. WAKE THE FUCK UP!

The only reason people post these fake "sob-stories" on social media is because they are narcissists (employed by either FBI or CIA) to manipulate your emotions, compel you to "take the side of the underdog"...and become more accepting of their following messages when they reference their "sob story"...

I don't need to "believe" anything at all until I am presented with some basis-in-fact which provides sufficient factually verifiable evidence; why are you insisting people "believe" anything at all?

Narcissistic traits are targeted for recruitment of CIA and FBI...they will tell you anything which they sense you might "believe"...people who don't "believe" anything are their "kryptonite"...

He's the G-man making the claim...are you the G-man insisting we act on his claims because you narcissistically insist upon it? Your messages of verbal abuse are intrinsic to narcissistic personality trait.

From where I am sitting, that what your message appears to say.

Myslím, že je spravedlivé říci, že FBI je instituce postavená na základech Demokratického kultu a měla by být zrušena stejně jako celý Fed.

Jsou to VŠECHNA koupená a zaplacená aktiva iz reálných lží.
