Sbor generálního advokáta soudce námořnictva Spojených států amerických v pátek usvědčil a odsoudil k smrti vědce společnosti Janssen Pharmaceuticals Richarda Tillyera, který byl obviněn z udržování důvěrné firemní databáze s podrobnostmi o tom, jak

společnost Janssen bránila účastníkům pokusu, kterým vakcína onemocněla, navštívit své osobní lékaře. Místo toho Janssenova povinná NDA nařídila – prostřednictvím nátlaku a výhrůžek soudními spory –, aby nemocní využívali nemocnice a kliniky, kde byla přítomna farmaceutická společnost, i když nemocní měli soukromé nebo zaměstnavatelem sponzorované zdravotní pojištění.

Tillyer, obklopený dvojicí svalnatých mariňáků, se v pátek dobelhal k soudu a jeho odulé oči v brýlích rychle mrkaly. Jeho pokroucené ruce se chvěly. Na jednu stranu hlavy měl úhledně sčesanou rohož křehkých šedých vlasů. Vypadal mnohem starší než svých 57 let, což neunikl pozornosti viceadministrátora Darse E. Crandalla.

"Zlo člověka stárne," poznamenal admirál. „Jen se podívejte na Obamu; jeho vlasy přes noc zešedivěly."

Sotva se Tillyer posadil k obranářskému stolu, zvedl ruku, jako to dělá školák, aby odpověděl na otázku ve třídě.

"Mohl by mi někdo prosím říct, kde jsem?" řekl Tillyer pomalu, na rovinu.

Jeho zjevné zmatení vyvolalo smích tříčlenného panelu JAG, kterého si JAG vybral, aby zvážil podstatu svého případu. Admirál Crandall však v Tillyerově prohlášení neviděl žádný humor.

„Jste na Guantánamu, zadrženo Richarde Tillyere, kde jste obviněn z napomáhání k masové vraždě, zradě, spiknutí proti Spojeným státům, spiknutí za účelem zatajení zločinu a masového zanedbání lékařské péče a nedbalosti,“ řekl admirál Crandall a četl z seznam poplatků.

„Zátoka Guantánamo? Nerozumím tomu,“ řekl Tillyer bez výrazu.

"Čemu nerozumíš?" zeptal se admirál.

"Jak jsem se sem dostal." Proč jsem tady,“ řekl Tillyer.

Admirál Crandall přistoupil k obrannému stolu a pošilhával po Tillyerovi. "Tohle není zábavné." Věděl jsi zatraceně dobře, kde jsi byl před dvěma dny, když si tě prohlédl lékař. Pamatuješ si to?"

Tillyer chvíli mlčel a pak řekl: "Nevzpomínám si."

Admirál Crandall přistoupil k porotě a řekl, že Tillyerova příhodná amnézie je divadelním tropem Deep State, aby se vyhnul výletu na popraviště. V době svého zatčení se Tillyer přiznal, že ve jménu firemního tajemství zatajil úmrtí způsobená vakcínou. Později řekl vyšetřovatelům JAG, že je na svou práci hrdý a „udělá to znovu a znovu a znovu, pětkrát,“ a citoval větu, kterou pronesl fiktivní kapitán Spock ve Star Trek: The Wrath of Khan: „Potřeby mnoho převažuje nad potřebami mála, nebo jednoho.“

"Říkal jste, že když vakcíny zabijí miliardu, aby ušetřily šest miliard, stojí to za to?" zeptal se admirál.

"Nevzpomínám si," řekl Tillyer, když si admirál Crandall přehrál zvuk, jak přesně tato slova pronesl během výpovědi 20. února.

"Můžu už jít domů?" zeptal se Tillyer.

Porota rozhodla, že Tillyer to „předstírá“ a jeho teatrálnost označil za nesmyslnou a směšnou a řekl, že Tillyerova vykonstruovaná zapomnětlivost dokazuje jeho vinu. Jednomyslně uznali Tillyera vinným ve všech bodech obžaloby a doporučili, aby dostal maximální přípustný trest – smrt – za svou roli při utajování zločinů Covid.

Když panel hovořil, Tillyer vypadal zmateně. "Kde jsem?" zeptal se znovu.

Admirál Crandall přijal verdikt a rozsudek panelu a rozhodl, že Tillyer by měl viset za své zločiny. Tillyer byl buď herec hodný Oscara, nebo upřímně nepochopil závažnost rozhodnutí a zeptal se tribunálu, zda „jede domů“.

"Ano, jdeš domů, v jiném smyslu toho slova," řekl admirál Crandall a naplánoval Tillyerovu popravu na úterý 7. března.

I'M SORRY I REALLY HAD 2 LAUGH WHEN Admiral Crandall SAID YES, YOUR GOING HOME IN A DIFFERENT SENSE OF THE WORD--WE NEED TO TAKE THEM ALL HOME HA HA HA LOL

How interesting, he looks more like 75 not 57. Also I know that Obama is dead but did Michael write about it? I don't remember how he died.

Obama is not dead. Remember Circle Back Girl said she was working for President Obama before she corrected herself and said Biden's name instead?

So when these evil swamp dwellers hang, it seems like a clone is ready to roll out or RRN is not telling us the truth, because we usually see or hear about them a week or so later in the news.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this

Thank you, Michael and the Military Tribunal for fulfilling God's judgment on these slimy, evil creatures.

Yikes I thought he was like 75 years old. Lack of adreno obviously. Good riddance. God always wins. 🙏👑💜💙💚

It is theatrics like this, just one of the reasons that substantiates the call for KILLING and EXECUTING ,ENEMY COMBATANTS , KNOWN DEEP STATE TERRORISTS, CRIMINALS and CONSPIRATORS , ON THE FIELD OF BATTLE . Holding US Military Tribunals for these degenerate lowlifes is JUST PISSING IN THE WIND and allowing JAG to SLOW – PLAY the EFFORTS of this TAKE -DOWN and WAR that has been going on for so long. TRULY PATHETIC.

Good point. We will need 400 courtrooms turning out 2 military tribunals per day each operating 365 days to “try” three-hundred thousand traitors per year. So, where do those 300K traitors come from? If you add 30K judges to 30K dirty cops and then divide the

balance evenly among 3,100 counties, we have thereby made allowance for only 77 traitors per county. Counting teachers & profs and counting doctors & nurses, and counting numerous city-halls, and throwing in the anchors and reporters from 3 local stations per 50 mile radius, we quickly arrive at our max number of 77 traitors per county.

My point is, we need a “Manhattan Project of Justice.” Just like the atomic bomb.

God is coming. He will allow man to see his sins as God sees them. Thru His mercy man will be given a chance to follow Christ or continue down the path to hell.

Excellent! I'd like a chance to see some of my sins over a second time. Kind of like the Twilight Zone Labor Day Marathon.

Some people are so ashamed and humiliated by their sins, they never, ever want to even think about them again, let alone review them on a marathon viewing binge loop.

Dr. Michael Brown gave his testimony about how he, as a Jew, came to Christ. He was a normal, nice guy (and he still is), nice family, never got in trouble with the law, but he was doing drugs during his teen years. His habit got so bad, he had to steal from his dad to feed his habit. When the breaking point came and he came to Christ, he never did drugs again. He showed the audience a picture of him as a young man before his redemption. Nice-looking picture, smiling guy with glasses and shiny hair (and still is, though the hair is a little shorter now), not scuzzy or skanky or anything. Not a criminal. But he was clearly embarrassed by this picture that reminded him of his past, and asked them to take it down.

Contrast that with some of the people who are now Christians have pasts so dark and so depraved, and they did such reprehensible things, had such black-hearted souls if ever, committed the worst

depredations, the dirtiest, filthiest, criminal acts like the kind the Nazis, Mafiosi, drug dealers, Middle Eastern terrorists, Illuminati witches, Druidic Priests, Freemasons, Rosicrucians, Theosophists, Jesters, Shriners did, that we marvel how they ever got saved. They never want to remember the egregious crimes they committed, either.

Something very interesting in this RRN report of March 8, 2023, caught my eye: "Evil ages a man," the admiral noted. "Just look at Obama; his hair turned grey overnight."

If we assume that Vice Admiral Darse E. Crandall did say these words, as I certainly do, we ought to regard this statement of his as an indication that he has sufficient evidence to prosecute Obama.

The question is whether the JAG has already taken action against Obama or not. But, anyway, the admiral sounds as if he has had an opportunity to observe the quick change of color of Obama's hair. Apparently, the general public are not yet aware Obama's hair "turned grey overnight".

Yes, according the site's list of 260 + names of arrested and in GITMO awaiting tribunal, arrested and executed, dated 11/20. The articles on site is interesting to say the least. Blessings, 😄

That's called aging. People age because that's what humans do. One can be a righteous honorable person and still get gray hair. Jesus even said the very hairs of our heads are numbers.

Even when blessed with sharp brains and intellect and youthful hearts, none of us can stop wrinkled skin, graying hair, age spots, baldness, blurry vision, saggy muscles or loose teeth. None of us stay eighteen forever.

I submitted the following words to the ADL:

“There is a website called realrawnews.com whereon I post as much anti-kyke messages as I can. The world is realizing how awful you people are, and 1940 germany will appear as a picnic in a verdant setting compared to what is coming! My screen name is Julie on realrawnews. Enjoy the commentary! And as always, we’ll keep the ovens on for ya!”

They don’t have clones for them all but the ones they do at least we will get to see them bite the dust again and again...

Sounds like a non-co-conscious alter, kept hidden in his mind while the evil was done, and sent to the front to take the fall and experience the punishment. Sounds like the work of the one who steals, kills, and destroys: devouring his own. 😞

I was blocked when I tried to post that Donny was part of the Jesuits and to look it up for yourselves.

Me too – don’t be critical of the imbecile with the 200 word vocabulary who claims to be a stable genius while getting his behind kicked by Nancy Pelosi. You can post all the anti-semitic hatred you want here but don’t mention him or you’ll be banned.

“The panel decided Tillyer was “faking it,” calling his theatrics fatuous and ridiculous, and said Tillyer’s contrived forgetfulness evidenced his guilt. They unanimously found Tillyer guilty on all charges and recommended that he get the maximum allowable punishment—death—for his role in concealing Covid crimes.”

Another one bites the dust...

Thanks for the update, Michael. Please continue.

One 7.8 earthquake would do the trick for LA and the rest of the land of fruit, nuts and honey.

NO FUCKING WAY. If you want to inflict that kind of damage, the 7.8 earthquakes should be INFLICTED ON Israel and Ukraine.

” Liberals agenda “, is more appropriately KNOWN AS , zionist marxist communist JEW agenda. People need to start calling this heinous shit what it really is and stop being so coy.

Don’t forget health Minister Bonny Henry in British Columbia who knew a few years back the vax was bad, but she turncoated and pushed the vax on the residents, including firing Dr. Charles Hoffe

Give the sonsabitch a choice to either dive or jump in to the waiting governed 600hp tree chipper purging away. His remains used to make chilly for the other sonsabitches serving life. These sonsabitches sacrificial and eat babies alive while harvesting their adrenochrome should maybe be dissolved in a vat of muriatic acid instead and tape their screams for sasquatch research

Or worse. There was a clip from a movie I saw — don't know the name of it — where an evil sonofawhore takes a knife to a man strapped down to a gurney, in an evil laboratory. The two of them are arguing and he sliced off a piece of the man's thigh — no anesthesia, nothing.— puts the skin scrap onto a plate and goes to his desk in the lab , still arguing with the unfortunate cannibalism victim and sits down to eat it.

Can't get more evil than that.

when they fit the noose on this bastard he will wake up fast, start cursing and swearing. die a coward. Piss ant. Not a man at all.

So the US is not that far behind President Putin. these fucking bastards are going to be done. Excuse my French. There is no insanity defense in a military tribunal. After You hang coward you will know where you are. Even W hanged like a man. He accepted his guilt and the consequences. Okay business today done, my beloved fellow patriots, i call upon all of us to pray for Easy Palestine, and now Cincinnati < the entire state as they would pray for us for sure.. They have been totally abandoned, no relief in sight. somehow we have billions for Ukraine, not a cent for them. I finish this message .. I go into prayer, please join me, they surely would do it for us.

The Greeks got more help and prayers for that train wreck in Larissa. than those in Ohio — no hazmat suited rescuers, no cordoning off the water supply, no medical techs protecting the inhabitants... What a bloody shame.

No offense, Greece, we love you, and we're sorry you lost people, We would love to help you during this time, but even with your governmental problems in fixing that rail system — and nothing justifies those massive losses — it's way worse over here. We have a bloody idiot of a person in the White House who does not care about us, or you, or the victims in Syria and Turkey, and sends our badly needed, hard-earned dollars to the Ukraine, for a fight against Russia we are not even in. BUT THEY ARE. You have leaders who care about you.

The train derailments are a psy-op.

NO hazardous chemicals released in East Palestine.

It's a child trafficking rescue operation. I saw a photo of the inside of one of the wrecked train cars. THERE'S A BED INSIDE.

Now that the tunnels have been destroyed by the White Hats, doesn't it make sense they'd move the trafficked kids by train?

The destroyed tunnels forced them above ground. They tried to make it look like a horrible environmental disaster, dumping what looked like dead fish on the shore.

Remember how good Hollywood is at making things look different than what they seem.

Remember the movie ARGO.

For more on this, watch Phil Godlewski's Rumble channel and join his Telegram channel (where he's listed as Phil Godlewski 3.0). Wonderful information there.

Really!!! 😡 Phil Godlewski is a fraudster that has been cheating people out of money and was accused of pedophilia as a school teacher. Now he's online cheating people. You have to listen to the victims of the train tragedy, their symptoms are real. 😡

That would be for American citizens, this deranged criminal lowlife is an ENEMY COMBATANT. he gets EXECUTED, you can take that up at your next law fare group meeting.

Even if these stories are true ,which we doubt with no photographic evidence; why the heck are these White Hats wasting their time with these small fish, when there are American citizens rotting as J6 political prisoners in DC jails or a corrupt government that is bankrupting America giving money to the criminals in Ukraine? The reason is most of the US military is as corrupt as the rest of the government. White Hats are a fairy tale.

They imprisoned the J6rs illegally from the start and the only way they where to get at least a day in court with an end date, was if they agreed to be guilty of a made up charge by the DC Gulag.

Don't forget how they are having not one but 2 so far, Train derailments with Toxic waste in 2 Red states, and the Train Company exc's are heading for the hills.

They are poisoning our food, water and Jobs. They have burned down Multiple food distribution centers across the country, and are having chicken farmers destroy their chickens because of an imaginary bird flu. Who knows what that ballon was floating over the country, what a way to posion the air. Just say it's Chinese, and let it float directly across the main part of the coutry.

Things are going to get worse before they get better. They "The White Hats" are playing respond to what the DC Gulag is doing instead of being proactive. They are letting the DC Gulag brake the law and kill as many people as the want so as to one day punish them for killing as many people as they want.

Saddam Hussein used to use an industrial metal shredder, set to ultra low speed, to grind his victims to death.

I recommend that technique in the future, as it will save costs on hemp rope and body weight/height calculations.

What a pathetic display. Very interested to hear what his demeanor is at the gallows. Obama gave me immunity!! Obama gave me immunity!!

Eh – Tillyer pulling a Junior Soprano tactic, alleged Crandell watched the series. Wonder who was Crandall's favorite character, would suspected Tony's sister.

Good riddance. Moderna murdered my father a month ago. His service is on Saturday I had to ask people to LIMIT the number of pilots and USAF retirees because of space, that is how beloved my

dad was in this town and at this AFB. This Janzen scum can join Baphomet-sleeve Bancel where they all belong.

I'm so sorry about your father. It sounds like his passing will help to enlighten a few people. Justice will come, surely.

How painful, words cannot replace him. Many of us will be praying for you and the family. So very sad.

Sorry about your dad. But Janzen will be dancing with the devil now for what he did.

Are you saying Tucker Carlson hates Trump or said he did? If so, you are waaaay off base! You must be Deep State.

What? His video release of the truth behind Pelosi's Insurrection getting you upset because you support these criminals and their lies? That was a lie, Russiagate was a lie, 9-11 was a lie, man on the moon was a lie! Joe won is a lie. Just about everything they say is a lie!!

That was in 2021....We all grow up and gain insight and wisdom along the way.

["Did you say that if vaccines kill a billion to save six billion, it's worth it?"] the admiral asked.

When Fauci was interrogated-not at GITMO-he said "I don't recall" 174 times.

“He(Tillyer) later told JAG investigators he took pride in his work and would “do it again and again and again, five times over,” and quoted a line spoken by the fictional Captain Spock in *Star Trek: The Wrath of Khan*: “The needs of the many outweigh the needs of the few, or the one.”-

There’s a notable commonality in utterances between this ‘walking dead’ malevolent demon veiled in flesh and others in multiple RRN articles. They reveal a common thread of total Marxist Statist dem and Rino commitment to total war against a foundationally free USA and its legal citizens. The choice of a gradual, progressive surgical type war of attrition against a mycellial swath the size these Borg mentality collectives enjoy and possess is unwinnable. As I’ve said in previous comment before both VE then VJ days were experienced there had to be huge shock and awe actions as D Day and Fat Man/Little Boy. Massive arrests involving those presently in power of office and media, Military Tribunals, executions, etc. are a must before any semblance of order can be talked about via multiple EO’s on the part of Trump.
