Američtí Army Rangers v sobotu zatkli architekta operace Warp Speed Moncefa Slaouiho, farmaceutického magnáta narozeného v Maroku, který v květnu 2020 stál v čele úsilí administrativy otrávit

300 milionů Američanů do ledna 2021, řekl zdroj z kanceláře generála Erica M. Smitha Real Raw News.

Slaoui z velké části létal pod radarem po celou dobu Plandemic. Média zřídka kdy zmiňovala jeho jméno a místo toho se zaměřovala na veřejně vlivné osobnosti jako Fauci, Birx a Collins, což jsou státní zaměstnanci, kteří mluvili lépe anglicky. Náš zdroj řekl, že Slaoui byl odsunut do mediálního neznáma, protože administrativa si myslela, že vypadá pochybně a že mu Američané nebudou věřit.

A Američané by měli pravdu, kdyby nevěřili muži, který strávil 30 let jako vedoucí oddělení vakcín GlaxoSmithKline a pracoval v Moderně, když si ho Trump vybral, aby řídil Warp Speed. V té době Trump nazval Slaouie „jedním z nejuznávanějších mužů na světě ve výrobě a vlastně i formulaci vakcín“, ale pouze papouškoval to, co podřízené Michael Pence, Alex Azar, admirál Brtt Giroir a Robert Redfield. řekl mu. Oni a další, řekl náš zdroj, byli součástí velkého spiknutí s cílem oklamat prezidenta Trumpa, aby pověřil Slaouiho ve vedení OWS.

Slaoui čelil kritice za to, že drží 10 milionů dolarů v akciových opcích Moderna a pracuje jako poradce Brii Biosciences, firmy s velkými čínskými investicemi. Aby se vyhnul střetu zájmů, neochotně rezignoval na tyto pozice a poté začal spolupracovat s tehdejšími ministrem zdravotnictví a sociálních služeb Alexem Azarem – který chválil Slaouiho jako „pravděpodobně nejzkušenějšího a nejúspěšnějšího vývojáře vakcín na světě“ – na urychlení Warp Speed.

Náš zdroj uvedl, že Slaoui, přestože odstoupil z Moderny, nadále dostával platby přesahující 56 milionů \$ poté, co FDA udělila 8. prosince 2020 povolení k nouzovému použití Moderny.

Nicméně, armáda se méně zajímala o Slaouiho finanční motivaci než o jeho vědomí, že experimentální vakcína Moderny zabila v červnu 2020 34 ze 600 účastníků studie fáze II. White Hats, řekl náš zdroj, nyní mají spoustu důkazů – vytvořené fyzické a digitální dokumenty

Slaoui – prokázal, že věděl, že vakcína způsobuje myokarditidu a potenciálně smrtelné krevní sraženiny, ale nikdy tuto informaci nezveřejnil, a to ani poté, co se ho Trump osobně zeptal, zda jsou injekce skutečně bezpečné a účinné.

"Máme pokladnici s usvědčujícími důkazy o Slaoui." Tento chlap byl jedním z největších narušitelů Plandemic. Dostali jsme dopis, který napsal Penceovi, v němž uvedl, že ví, že vakcíny zabíjejí lidi a že mohou vinit Trumpa z toho, že na veřejnost podstrčil operaci Warp Speed. Máme spoustu dalších věcí, které budou k dispozici, až bude čelit vojenskému tribunálu a doufejme, že bude oběšen. Měli jsme víc než dost důkazů, abychom ho dostali," řekl náš zdroj.

Dodal, že k zatčení došlo poté, co generál Smith hovořil s plukovníkem JD Keirseym, členem rady Bílého klobouku a velitelem 75. pluku Ranger, přední jednotky lehké pěchoty americké armády a speciálních operačních sil v rámci Velitelství speciálních operací armády Spojených států.

V sobotu ráno Rangers vyrazili na dveře Slaouiova domu o rozloze 7 500 čtverečních stop v Zebulonu v Severní Karolíně. Jeden z jeho tří synů, Hussein Mohamad Abdul Slaoui, byl přítomen a vytáhl na Strážce pistoli. Byl zastřelen a Strážci vzali Slaoui do vazby. Křičel: „sajantaqim li allah“ nebo „Alláh mě pomstí“, když ho Strážci strčili do civilního vozidla.

"Máme ho. Dostali jsme toho bastarda," řekl náš zdroj. "Je jen jedním z mnoha." Ale my se na ně obracíme."

Kromě toho byl Slaoui vyhozen z funkce předsedy představenstva Galvani Bioelectronics, dceřiné společnosti GlaxoSmithKline, v březnu 2021 poté, co ho několik mladých zaměstnanců obvinilo ze sexuálního obtěžování.

Děje se tady v Kanadě... NCI

I'm writing you from Truro, Nova Scotia, where liberty is in the air.

That's because we're just one day away from the official launch of our first official **National Citizens Inquiry (NCI)** hearings.

Our NCI team is so grateful to you for getting us to this point. Thanks to you, Canadians are one step closer to learning **THE TRUTH** about the mandates, lockdowns, and lies that tore our country apart these past few years.

Tomorrow's hearings will include expert witness testimony from:

The former vice chief of internal medicine at Baylor University medical centre **Dr. Peter McCullough**, the most highly cited physician in the world on the early treatment of COVID-19 and;

Dr. Dion Davidson, an ICU physician who is one of just two vascular surgeons in Nova Scotia's western health zone.

And, of course, from everyday Canadians who will **FINALLY BE HEARD!**

But even though interest in tomorrow's hearing has already reached a fever pitch among freedom fighters like you and me, you and I both know mainstream media outlets like the CBC will **NEVER** cover the stories we bring to light.

They HATE the NCI because we're the only national organization out to SHATTER their totalitarian pro-lockdown, pro-mandate, pro-government domination agenda and bring THE TRUTH to Canadians!

More with VCC..

- **VIDEOS THIS WEEK**
- **I Am Not Misinformation**
- Vaccine injured individuals and health professionals share their experiences in an effort to educate the public on the issues that the mainstream media refuse to cover.
- **GREAT READS**
- **COVID Response Was Based on Lies**
- Scott Atlas MD – Lies were told. Those lies harmed the public. This was the biggest, the most tragic, and the most unethical breakdown of public health leadership in modern history.

God Bless you in your endeavours to reveal the truth and enlighten Canadians! I hope we smell liberty in the air. Yeah, Nova Scotia has had it real rough these days, eh? Real rough. Blessings to you and to all of us.

Blessings. And may you hunt down the feces, the destroyers of humanity and eliminate them all....

Is it just me or does this guy look like a reptile/reptilian? Never have seen one, but I think I just have, looking at this dude. Check out the nose bridge.

As an aside, Slaoui was fired from chairman of the board of directors of Galvani Bioelectronics, a subsidiary of GlaxoSmithKline, in March 2021 after several young male employees accused him of sexual harassment.

He must have run out of goats...

Slaoui is malevolent to the core. He's one of those guys who just wants to watch the world burn.

thearabweekly.com/moroccan-scientist-heads-trumps-team-develop-coronavirus-vaccine

So...Trump did NOT push the vaccines, as style have claimed in comments on here in the past, I see. He can't be held responsible for what he didn't know/what was hidden from him.

That's why I'll be voting for him again.

Haters can take their shit opinions and stick em right up in their motherfuckin' ass!

Excellent news!! All traitorous scumbags should be very afraid, the white hats are closing in. Awesome job Rangers, thank you!!

the same scum that shoves this crap into children and my now dead elderly father are the same ones grooming little boys. Classay group.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this

website.. [**http://www.Payathome7.com**](http://www.Payathome7.com)

Michael, I just came here and took note of 11,000 views today which seems to be the average. I was thinking at this rate people will never wake up. Not 15 seconds later it said 31,000 views. Way above average. What gives?

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://payathome12.blogspot.com>

Would like to know what happened to the other 2 sons? Hopefully they are as dense as "dear old dad" with their emails and social media.

This website is complete lies and bullshit and it's easy to tell because all you have to do is put real truth in your comment like , this website is a cia ran op, and your comment will be deleted. The cia pieces of shit hate TRUTH !!!

To all Trump/MAGA folks,

Take a look at this man's face. He is a Sunni Muslim. Why would Trump implicitly trust a muslim with the collective health of a nation a large part of which are Christians?

Meandering through history will reveal Sunni muslims and jews are quite close. As soon as I read Trump trusted this guy, I figured Salaoi was Sunni. Trump is playing Christians for fools. He is a staunch jew and is masking the sell.

I voted for him. Now I totally oppose Trump and his ilk. He cried about election 2020 fraud, did not demand a resolution and thereby acquiesced to the corruption; but of course now it's all good and we should vote moar harder?

Fcuk Trump.

Their evil plan to murder 3 hundred million Americans with their viper jab, all for greed is disgusting beyond wicked. It's demonic!

Cry to alla now, you pervert! He can't save you.

WHY are all our bitterest enemies running our government? They are hell bent on destroying our Nation. It's time they were ALL taken out like cancer cells from the sick and dying government. America will LIVE and not die. Our EVIL enemies will be destroyed!

This is the globalist agenda. This is what is being implemented and will continue to do so, until it is stopped. There are probably very few, if any, native born people in any of our governments. Globalism.

At this rate they should all be picked up by 2050. Let's just go full catch 'em mode and turn on the light of truth to watch the rats scatter.

I knew long ago that the the extermination of the dark has been impImented.It began long before we the people we even aware.There is a realm of love and compassion.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Go wash out your filthy mouth with battery acid and toilet bowl cleaner, scumbag.

Today in the St Louis Post headline story: Suspect arrested after officer killed (in a Mo rural town). Note, suspect was holed up in house. After hours, officers sent a robot to pull the storm door off. Then a drone was flown into the house. House swarmed with tear gas. Just saying.

I can assure you that it isn't! Just because it's North Carolina and the South doesn't mean that it's Hicksville!!!! You will not find any nicer people than those who were fortunate enough to be born here! I'm Carolina Blue!!!!!!

Gary Glitter will likely die in prison 😁👍, former lead of Scotland Yard's paedophile unit has said. Paedophile pop star Gary Glitter has been recalled to prison following a breach of his licence conditions. The 78-year-old, (real name Paul Gadd), was allegedly caught trying to access the dark web.

They tried keeping him under the radar but President Trump got his name out there (so we could check him out?).

This guy was quite the gem, huh? And he probably wouldn't even be in the country if the dems hadn't chnged the immigration laws in the 60's

YES. We need to REPEAL the 1965 Immigration Act authored by the commiecrat Ted Kennedy.

“The bill will not flood our cities with immigrants,” Senator Ted Kennedy told the Senate during the debate. “It will not upset the ethnic mix of our society. It will not relax the standards of admission. It will not cause American workers to lost their jobs.” All lies, of course.

Last edited 15 hours ago by Sue

YES. We need to REPEAL the 1965 Immigration Act authored by the commiecrat Ted Kennedy.

“The bill will not flood our cities with immigrants,” Senator Ted Kennedy told the Senate during the debate. “It will not upset the ethnic mix of our society. It will not relax the standards of admission. It will not cause American workers to lost their jobs.” All lies, of course. The foreign-born population has quintupled from 9.6 million in 1965 to a 44.8 million in 2018.

You mean the same military that is behind this whole scamdemic that we have patents and contracts proving they created the virus and the kill shots? That military? Wake the fuck up.

To The Gallows!

We Will NEVER Support Any Apology From These Evil Bastards, and thats what they're offering.

bitchute.com/video/fVmoJx9CNY6s/

ATTN;

Biden, Piglosi & AOC busted conspiring about Jan 6th

A MUST SEE !!!

bitchute.

[com/video/1kkwimSNVrYw/](https://bitchute.com/video/1kkwimSNVrYw/)

Get a recording to JAG & USMC!!!

So, CP officer, Byrd was merely following Piglosi's orders, when he shot Ashli Babbit?

I haven't seen someone reach this far since they said graphene was in the job and everyone would die in two weeks

Apparently there was a space craft that was spotted over south eastern north dakota last week around 25 miles south of fargo, a lot of people seen it but whats being said is it was round and massive, these people that told me about this never recorded it because they were driving north on the hiway at the time and that the roads were icy and slippery and it was somewhere around 10pm. They said it was huge, even from a distance where it was west of the interstate hiway and that there were smaller craft that were coming & going entering one side and leaving from another and the only way they could see them was by a small red lights that they had. They spotted the larger craft by two bright lights on either side of it. I asked them how tall it looked like, and they said it was like four or five stories high. They also had said there were people that parked and watched it up on the exits & entrances to the hiway too, so somebody saw something.

These people were not kidding me, they were serious. So if you know anyone that lives in that part of the country – check it out they might know something about it.

I forget to mention that I asked them if it was triangle in the beginning of our conversation and they said no it was absolutely round.

But also, there are real ones. This is where the discernment comes in I guess. I know the triangular craft are government bas-rds.

Trump knew vaccines were bad so I dont buy for one second he was listening to Pence or anyone. Q is partly a galactical federation (meaning ET's) they would've told Trump truth on vaccines.

Trump and a decision let people make their own choices and mitigate the loss's of life so he let it look as though he supported the

accelerated emergency vaccine.

We all had a choice and those crying they needed to take it to save their jobs are full of shit. What good is work when your sick or dead. Jobs then and now can be found for those willing to WORK.

Your responsibility for your own self and choices for Young children but had NO right to put that poison in kids over the bs fear the msm and gov, hollywooders were spewing. Why inject a kid who even the health care system was saying if kid got it they had a less then .5% of death just like any flu... Dumb fuks who killed their kids have a life of horrible guilt to live with.

Correction for You;

They Set Trump Up, Along With China.

They Lied To Trump!!!

The Evidence Has Already Been Released.

Reprogram Yourself 19.

I doubt it. China wants to be the world leader now. You know, lBiden say's, "they're Not bad people folks" – only after giving uncle joe his 20% (for the big guy).

Trump knew what they were up to, but he let them do it so the White Hat Military could BUST THEM IN THE ACT!!! If they are arrested before they act, where is the lesson learned by the public at large? The PUBLIC has been brainwashed since the early 1900's, and it will take plenty of de-programming to bring them back to their senses. President Trump is following the US Military Plan to save America and the World. If you were brain-washed enough to get the shots, or give them to your kids, don't say that Trump didn't give you a choice. He DID give all of us a choice, even those in the Military. Two years ago, he even said that Military members that were thrown out for refusing the shots would be re-instated with back-pay when this was all over.

Last edited 23 hours ago by Mark David

I wondered why people keep referring to aliens all the time. Nice for fiction, but in real life...?

Then who built the Pyramids? Even to this day, we do not have the technology or machinery to lift those massive, accurately cut and placed, stones and build another one. Can you say anti-gravitational? It was Aliens that built them, and they were not illegal aliens.

Last edited 7 hours ago by Mark David

Globalist NWO CGI and demons released from the Abyss they are allied with.

They are frightened, determined to do as much damage as possible, knowing their time is short. See the removed from the Bible Book of Enoch for further details.

I don't know what is more disgusting: the Politicians enlisting these Swine in Lab Coats to kill us all, the Swine themselves, or the Media. Well, since it's a toss-up, just put all of them into a big fenced-in arena and open up with mini-guns. Film at 11.

I like the idea of guns loaded with c-va****e instead. Then keep them all penned up in there until the poison ends their sorry souls on the way to hell.

So when are they going to take out the bosses of the C D C AND THE FDA they should all be held accountable as well

: } EVERY SINGLE < DAY >, AS I <>< PRAY FOR [EViL > TO BE "SWATTED" OUT OF "EXISTENCE"<], I WATCH AS MY <>< PRAYERS ARE "ANSWERED". <>< <>< GOD WiNS !! <><

I haven't deleted any comments yesterday or today. Haven't had time to go through what's sitting in queues—about 300

But you are deleting comments, So what is the criteria for deleting comments? CENSORSHIP is not the realm of liberal woke sociopaths exclusively. Those media sites and outlets on the right or center right

practice CENSORSHIP as well. This being said there are NO legitimate sides or players on either side of debate or discussion , just two extremes , none of which believe in the 1st Amendment and the exercise of FREE DEBATE , FREEDOM OF SPEECH , DISCUSSION and FREEDOM of THOUGHT. Well NOW that we have this out of the way, DISSENTING VIEWS are NOT ALLOWED at RRN. IF is not RRN's way, you can't play, here.

TRUTH !!! I've had many comments deleted here. If it doesn't fit the rrn narrative it gets deleted, or if it's too much truth. But what do you expect from a cia ran website?

DEAR MR. BAXTER, <>< LOVE, PEACE & UN~ENDING <>< PRAYERS. BTW : <IF> I HAD A "SiTE", I WOULD { USE <MY> FREEDOM OF "CHOICE" } , AS WELL AS > GOOD "JUDGEMENT" <, TO < MANAGE THAT "SITE" >. : } TY , FOR YOUR "SITE".

So Mr. Baxter , you DO REMOVE COMMENTS. Now we know that CENSORSHIP is not only the realm of leftist , marxist , communist , woke msm controlled media. Even more right, center-right media sites such as RRN practice CENSORSHIP as well. THE 1st Amendment is not respected or Honored possibly at any media outlets or entities anywhere in the UNITED STATES of AMERICA , THE REPUBLIC. It looks as though there is nothing PURE or RIGHTEOUS in the LAND of the FREE and HOME of the BRAVE. I made a comment very similar to this one about an hour ago , and it was REMOVED. lets see how long this one exists before it is removed.

All you have to do is tell the truth that this website is a cia op and your comment will be deleted. Mine already was so I'm saying it again.

He deletes all comments telling the truth because he is a cia piece of shit.

You lying motherfucker you have deleted all of my comments. Fuck you ya cia piece of shit !!!

You need to act like an adult once in awhile. Maybe cleaning up your act would get you more privileges.

K 'e a cries about censorship, yet we have to scroll through his senseless crap which was NOT deleted at all.

You are a LYING MOTHERFUCKER and a TRAITOR to this nation you cia piece of shit.

Yep Rumble is doing it to, kind of funny we keep fighting for nothing, clones are being made movie is going on? We are suffering more and more, when is it going to stop, all keeps coming out is just what they've done nothing's being done about nothing no proof no nothing we should just believe everything they say.

Stop crying & think positively. Do something good for your fellow man: that will change the world.

NOT AS > SORRY, AS YOU WILL BE, PROBABLY, WHEN YOU FIND OUT { THERE WERE < 2 SIMILAR ONES >, OF WHICH THE ONLY ONE LEFT ~IN~PLAY....IS THE "GOOD" ONE, WHICH { 209 WORLD COUNTRIES HAVE "PLEDGED" TO }. : } BTW : KEY WORD IN THE DIFFERENCES IS " REFORMATION"... NOTHING~CAN~STOP~WHAT < IS> COMING ! <>< PEACE & PRAYERS. <><

Stop listening to that lying fucktard piece of shit Charlie ward. Nothing but a scammer.

Charlie Ward is one of the authorized information providers to the public. YOU are the scammer, my friend.

You need to get out more, check more information sources, and see how the impending NESARA release is screwing up the Deep State financiers. The Rothschild and Rockefeller dynasties are gone. Their

banks are BROKE. Their crimes are exposed, including the Scamdemic. Big Banks in the US are following suit, because Fiat money really isn't worth the paper it is printed on. The entire Babylonian Money Magic scam is collapsing around them. NESARA brings back real assets into the economy., Every US Treasury dollar is gold-backed. Counterfeit money will be used to roast the ones that printed it.

Last edited 23 hours ago by Mark David

Ew. These people are SICK. the proverbial noose has already tightened – birx, fauci, this guy... the cards are stacking, as it were.

Think of this , if the White Hats and JAG , had made formal press releases of FAUCI and BIRX EXECUTIONS at the time of their EXECUTIONS , JUST THINK OF ALL the TIME WASTED the bogus msm and the the US CONGRESS debating, discussing and INVESTIGATING on these CRIMINALS, TRAITORS and TERRORISTS that have already been EXECUTED, JUDGEMENT HAS ALREADY BEEN MADE. CONGRESS COULD BE DOING OTHER THINGS, THAT ARE NOT BEING DONE.wtf

Congree is not worried about using time and money correctly.....wow, just think if everyone did care...

I agree with this.

Release the execution videos.

At some point, this business of blind trust without evidence must end.

Give us some real ammo to fight with.

You don't know what else is going on, do you? This news site is releasing a fraction of what's happening during the take downs. When they tell us about one or two, there may be several hundred or several thousand you aren't hearing about.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Last edited 2 days ago by Delavic

Do you think so? His ego bigger than the interest of we the people

IT IS ALL THERE, RIGHT IN FRONT OF YOUR FACE, you just have to have enough common sense to RECOGNIZE IT.

TRUMP'S interests are NOT with WE THE PEOPLE, and have NEVER BEEN WITH ,WE THE PEOPLE. SO maybe it is time to WAKE -UP

Dave, you are 100%wrong, Trump cares more about we the people than anyone in DC now for 40 years....

Yes, you do need to wake-up. You would be dead right now and all those you care about if it were not for Pres. Trump. You don't know what you don't know and I will not tell you as it is too serious.

THINK IT WASN'T < "PART" OF THE <> PLAN <>, TO JUST LET SOME /MANY [EViL], VIRTUALLY > "HANG" THEMSELVES < ? : }
}

Michael, why are there always so many fewer comments as the day goes on?? Are your pressured to remove the really good ones?

Entire pages come out of each article after a few days. Two thirds of comments just go.

LOOK AT THIS LITTLE FAGGOT MUSLIM'S DAINTY LITTLE HANDS (BETTER TO PULL YOU OFF) MAY ALLAH SHIT DOWN YOUR THROAT & RIP OUT YOUR INTESTINES WITH AN

ELEPHANT SIZED DILDO U LITTLE PEDOPHILE FAGGOT
BASTERD!! 1 MORE DOWN & 3,000,000 MORE TO GO....

Hey Big Ed. just go ahead and say what you really mean don't beat
around the bucking fush! lol

Fry his ass in bacon fat and tape his screams for sasquatch research.
Announce his cash and assets seized right before he is whacked.
Allah akhbar habib.... You know the saying "I'll Kill You!!!

I propose his death sentence to be carried out by a firing squad, all of
the bullets having been dipped in bacon fat.

Too easy, what he needs, is to be tied to a tree and have gasoline
sprinkled on his lower legs and feet and then lit up. Then put the
flames out after a few minutes and let the pain set in while the perp is
still standing and it will be excruciating. Then drag the perp back to
his cell for a few days of agony, then hang'em.....

Sounds like a movie (can't recall the name) with Victor French where
he played an outlaw, and was tortured for information by somebody
lighting his legs on fire, and he screamed in panic! In those Old West
days, they had no burn centers, no trauma wards, no hospitals, no
debridement treatments, no skin grafts, no antibiotics, no pain meds,
and one was scarred for life after that. He was walking in agony after
that!!
